ard County Mill and Rotary Club
ed for Lead in Little League Play

As of Sunday night, May 28,
ard County Little League was
a two-way tie, with Foard Coun-
y Mill and Rotary each having
three and lost one. Farmers
levator was in third place with
two wins and two losses, and
"make-bit" V. F. W. occupied the
ear with four straight losses.

On Tuesday night, May 23, in
a 6 p. m. contest, Foard County
ill defeated V. F. W. by a 11-5
e, with Barry Walling's three-
e homer a big factor. Larry
eath hit three-for-three in
s game, and Jackie Eddy, Gary
e, Randy Smith, Larry Hugh-
on, Paul Stapp and Carl Chap-
ell each hit safely for the Car-
nals. For the Veterans, Steve
eathered was the big gun on
a hitting front with three-for-
e. Glen Doyle Goodwin's two
s accounted for the balance of

the safeties accumulated by V. F.
W.

In the 8 p. m. contest, Farmers
Elevator rolled over the Rotary
Braves with ease, with the final
score being 18-8. Lee Looney led
the Yankee hitters with three
singles and a three-run home run.
Don Ray Borchardt came through
with two hits, and Buddy Myers,
Duane Cash, Daniel Santos, Jim
Tommy Smith and Ronnie Evenson
got one each. For Rotary's Braves,
Bobby Barrera hit a three-run
home run, Steve Bell got two
hits, Lynn Rader and Bob Shir-
ley one each.

Then, on Friday night, May 26,
the two best games of the season
were unreeled, as Rotary over-
came a 7-run lead to go ahead by
a 9-7 score going into the final
inning. Farmers Elevator promp-
tly scored 5 runs to lead 12-9; but
Rotary scored four times in the
half-inning to win 13-12. Steve
Gray, Buddy Myers, Davis Bar-
rera, Lynn Rader, Joe Ray Bur-
kett and Mike Nichols each hit
safely twice in this contest. This
was the first game of the season
without a home run.

In the 8 p. m. contest, Foard
County Mill scored 5 runs in the
first two innings and managed to
mold them into victory as they
squeezed out a 5-4 win over V.
F. W. Each team came up with
a rally-killing double play, with
VFW center-fielder Steve Weath-
er making a sensational catch
(with the bases loaded) and dou-
bling a runner off first to retire
the side. For the Cardinals, Randy
Smith came through with an un-
assisted double play to end the
game in the sixth. The pitchers
for each team allowed only two
hits per team in this contest, all
singles, by Randy Simmons,
George Myers, Gary Tole and Joe
Mike Fish.

In the PeeWee game of Thurs-
day night, May 25, the Floyd
Thomas-Dan Mike Bird Tigers
clobbered the Bill Lynch & Co.
Rattlesnakes by a 14-2 score, be-
hind the pitching of seven-year-
old Lee Whitley and the hitting
of Jackie Thomas, Gary Eddy and
Jessie Ross Adams. David Bee-
singer and Michael Weathered
hit safely for the Rattlesnakes.
All other PeeWee games will be
played on Monday nights.

Free Will Baptist
Church Play Wins
First in Amarillo

The play, "To Thine Own Self,"
presented by five girls of the Free
Will Baptist Church, won first
place with their production at the
league meeting of the Free Will
Baptist Association in Amarillo
on May 26. The play was present-
ed at the local church a few weeks
ago, and will be presented here
again in the near future.

Members of the cast are Misses
Genell Wheeler, Yvonne Wheeler,
Pat Brown, Ruthie Doyal and
Sharon Golden.

Mrs. Civylene Ford is director
of the play.

Others who attended the associ-
ation meeting in Amarillo were
Rev. and Mrs. Bob Gill and fam-
ily, Mrs. Jeffie Webster and Mrs.
Roland Beesinger.

Margie Rasberry to Serve on State 4-H Committee

Miss Margie Rasberry, member
of the Foard County Junior Lead-
ers 4-H Club, will leave Monday,
June 5, for College Station where
she will serve as a member of the
Texas 4-H Council Roundup Com-
mittee, according to an announce-
ment released by Joe Burkett,
County Agent.

Margie has served on the Texas
State 4-H Council for the past
year and in this capacity has pro-
ven to be an outstanding leader
and one of the top 4-H'ers in the
State.

Margie's committee will be re-
sponsible for helping with the
4-H Roundup which will be quite
an experience and responsibility
since they are expecting over two
thousand 4-H'ers and their lead-
ers to attend. They will also be
in charge of the assembly pro-
grams, introducing program par-
ticipants, providing the inspira-
tional part of the program—and
in addition—serve as hosts for
some of the activities during the
Roundup.

Mr. Duke, a past commander-
in-chief of the United Spanish
American War Veterans, was an
uncle of Misses Patricia and Kathy
Pittillo of Crowell.

The Misses Pittillo are the
daughters of Pat Pittillo and his
late wife, who was a niece of
Mr. Duke.

Girl Scouts Plan
Camping Trip
Over Week End

Troops I and II of the Crowell
Girl Scouts will go on a pioneer
camping trip this week end. They
will leave the Methodist Church
Friday at 2:15 p. m. and will re-
turn home in time for Sunday
school Sunday morning. The camp
will be held near the Wichita Riv-
er on the Minnick ranch through-
out the courtesy of Paul Shirley.

The girls have planned the
camp and will do everything them-
selves—from pitching tents to
cooking—with the leaders acting
as advisors only. Nutritional meals
have already been planned with
Mrs. Rusty Russell supervising the
planning, purchasing and prepa-
ration of the food. Craft work
will be under the direction of Mrs.
Cecil Carroll, and will be center-
ed around nature lore. Committee
members of both troops have held
meetings with Mrs. Mike Rasberry
and have completed program
plans. The highlights of the camp
will be the camp fire Saturday
night and the sunrise worship ser-
vice Sunday morning. Mrs. Ray
Shirley is in charge of the equip-
ment and wood gathering.

Thanks to the generosity of sev-
eral individuals, the troop will
have access to a 500-gallon water
tank purchased for the Boy and
Girl Scouts. This is a new tank
and can be used for both drinking
and utility water. The girls will
use the camping equipment of the
Boy Scouts.

It is estimated that sixteen girls
will participate in this camp.

Son-in-Law of Thalia
Couple to Work for
Texas Supreme Court

Jim D. Hughes, the son-in-law
of Mr. and Mrs. R. H. Cooper
of Thalia, has recently been ap-
pointed to serve as briefing at-
torney for the Texas Supreme
Court. Mr. Hughes graduated
from Vernon High School in 1953
and received his undergraduate
and law study at the University
of Texas where he received a
B. B. A. in Finance and Banking
in 1958 and an L. L. B. in Janu-
ary of this year.

During his training, he was on
the honor roll in both undergrad-
uate and law school and was a
candidate for the Texas Law Re-
view. He also reached the quar-
terfinals of the Hilderbrand Moot
Court Competition and served as
a research assistant for Judge
Robert W. Stayton while in law
school.

He has recently been associated
with the Austin firm of Long,
Maroney, and Aronson in the
practice of law. During his tenure
with the Supreme Court, he will
serve under Chief Justice Robert
Calvert and Associate Justice
Meade Griffin and Zollie Steak-
ley.

Miss Borchardt
Honored at Stephens

Miss Judy Borchardt of Crow-
ell was among juniors at Stephens
College in Columbia, Mo., who
were honored at an Honors Con-
vocation held Friday, May 26.
The Stephens College Board of
Curators awarded a medal to each
junior who had been outstanding
in scholarship, leadership, and at-
tainment.

Miss Borchardt also received a
certificate of distinction in the
division of social studies at the
convocation.

Miss Borchardt is the daughter
of Mr. and Mrs. Henry Borchardt
of Crowell.

Three Crowell Residents Involved in Car-Truck Collision

Three Crowell women escaped
serious injury in a car-truck col-
lision near Grandfield, Okla., Sat-
urday.

Mrs. Henry Borchardt and her
daughter, Judy, and Mrs. Lee
Black were injured in the crash,
which occurred at 7 p. m. on U. S.
Highway 70, six miles east of
Grandfield. Mrs. Black and Mrs.
Borchardt were returning to Crow-
ell from Missouri where they had
gone to bring Miss Borchardt home
from Stephens College for the
summer.

A. J. Adams of Deval, Okla.,
was the driver of the truck in-
volved in the collision. He appar-
ently was uninjured in the acci-
dent.

All three of the Crowellites were
taken by ambulance to a Wichita
Falls hospital.

Sometime after they were tak-
en to Wichita Falls, Mrs. Bor-
chardt left the hospital for a
short time, and near the hospital
she was overpowered by two Lat-
in-American youths who stole her
purse from her arm, and made
off with the purse and contents.
She received minor bruises and
cuts in the altercation.

D&T Foodway
Robbed of \$187.00
Last Tuesday Night

D&T Foodway on East Com-
merce was broken into some time
Tuesday night, and thieves made
off with \$187.00 from the cash
registers, according to a report
Wednesday morning by the owners,
W. P. Thomson and Cecil Driver.

Entrance to the building was
gained by breaking a window in
the back of the business.

Truscott Cemetery
Makes Drive for
Funds Last Month

Each spring the Truscott Ceme-
tery Association makes a special
drive to obtain funds for the up-
keep of the cemetery. They de-
pend entirely on donations from
people who have loved ones bur-
ied in the Truscott cemetery to
keep it in good condition.

Rotary Club Meets

Luncheon for the Wednesday
noon meeting of the Rotary Club,
May 24, was served by the ladies
of the Assembly of God Church
in the regular meeting place.

The program was an impressive
talk by Charles Burgen, minister
of the First Christian Church. He
stressed the importance of loyal-
ty to God and country in order
to preserve the freedom that
America has always had. T. B.
Klepper was in charge of the
program.

Visitors were Rotarians Giv-
ens and Sargent of Quanah.

Down Town Bible Class

Elmo Hudgens of Pampa, a
former Crowell resident, led the
group singing for the Down Town
Bible Class Sunday morning with
Miss Jeanette Moody as accom-
panist. Mr. Hudgens also sang
a solo playing his own accompani-
ment.

There were twenty men pres-
ent to hear Rev. Warren Everson
bring the morning lesson. Glen
Rasberry of Wichita Falls, Abe
Isaacs and four of his harvest
crew, and Mr. Hudgens.

J. C. Jones is the scheduled
teacher Sunday morning.

Ex-Students and Ex-Teachers of Thalia Schools Planning Reunion July 4th

A reunion of all ex-students
and ex-teachers of the Thalia
Schools will have a reunion at
the Thalia School on Tuesday,
July 4th. A large crowd of the
alumni and former teachers of the
Thalia School System are expect-
ed to be on hand for this gather-

ing. Dinner will be served all
those attending and a short pro-
gram is planned for the afternoon
—in addition to the reminiscing
and visiting by the group.

Mrs. Loyd Fox, secretary of the
Thalia ex-students association, is
asking that anyone who plans to
attend should write her the num-
ber who will be there, so that
preparations for the noon meal
can be properly made. Also, all
ex-students and ex-teachers who
know about the reunion plans are
urged to contact others who might
not have learned of them yet.

A reunion similar to this was
held by the Thalia group two years
ago, and a large crowd attended.
Plans are being made this year
for an increased number to at-
tend.

Harold Banister is president
of Thalia ex-students.

Baptist Vacation
Bible School Enrolled
150 Youngsters

The Vacation Bible School of
the First Baptist Church held its
commencement exercises in the
church auditorium last night
(Wednesday). The school had run
for eight days.

Rev. Glenn Willson, pastor, was
principal of the school. An enroll-
ment of 150 was reached, which
was the largest in the history of
the church. The average daily at-
tendance was high, and many boys
and girls whose parents are in the
county on harvest also attended.

The boys and girls marched
into the auditorium at 8 p. m., as
they had done each morning dur-
ing the school. They recited the
Bible verses they had learned, and
the songs they had sung during
the school. The pledges to the
American flag, Christian flag, and
Bible were given, as they had
been done each day.

Following this, each department
presented a brief program before
the parents and friends. Mrs.
Richard Blackburn had charge of
the nursery three department, and
was its superintendent. Mrs. Allen
Taylor was beginner superintendent,
Mrs. James Welch was primary
superintendent, Mrs. Ches-
ter Hord was junior superintendent,
and Mrs. W. F. Statter was inter-
mediate superintendent. Mrs.
Dick Todd had charge of the
younger nursery. Mrs. Walter H.
Stapp was pianist for the school,
and Mrs. Leo Cates was secretary.
Over twenty other ladies and
young people helped with the
school.

After the auditorium program,
the parents and friends were in-
vited to visit the various depart-
ments and see the notebooks and
handwork the boys and girls had
done.

Six New Vehicles

Six new vehicles were registered
here last week:

May 22, Paul Hamill, 1961
Chevrolet truck; May 22, Hartley
Easley, 1961 Chevrolet pickup;
May 23, Donald M. Holland, 1961
Chevrolet truck; May 23, J. B.

1,143,000 Bushels Wheat Received at Elevators

Ideal weather conditions and
a plentiful supply of combines
caused a big part of Foard Coun-
ty's second bumper wheat crop
in as many years to be moved
from the fields to the elevators
and storage bins during the latter
part of last week and this week.

Cutting got underway in earnest
last Thursday and grain trucks
began to form lines at the local
elevators, and the lines were prac-
tically continuous from then on
into this week. Saturday after-
noon, trucks were backed up as
far north as the square waiting
for their turn to unload. When the
elevators finally shut down for
the night at 2 a. m. Sunday, over
40 trucks were still waiting to be
unloaded.

The elevators reported that
they had received a total of
1,143,000 bushels up to Wed-
nesday morning. Total barley
production to date is 105,000
bushels.

Yields are, in most cases, turn-
ing out exceptionally good, with
some 40-bushel-per-acre-and-more
wheat reported. According to the
local ASC office, some 68,500
acres were planted to wheat this
year in the county. There was also
a considerable acreage of oats
and barley. Barley yields were
fair this year, and the oats were
poor.

Reports from the Thalia area
state that the harvest is only about
half over in that community.

Tom Ellis, local Santa Fe agent,
reports that a total of 405 cars
of wheat have been shipped by
the railroad thus far, in addition
to 25 cars of barley and oats.

The wheat crop this year was
practically made on winter mois-
ture as the spring turned off dry.
However, cool weather during the
spring helped offset the lack of
rain. In practically every harvest
season, operations are stopped at
least once due to rains and cloudy
weather. That was not the case
this year and when the wheat got
ripe, the combines moved right in
and cleaned it up without any
delay.

Funeral Services
for Mrs. Golightly
Held Wednesday

Funeral services for Mrs. T. T.
Golightly were held Wednesday
afternoon at 3 p. m. in the Meth-
odist Church conducted by the
pastor, Rev. John Fitzgerald, as-
sisted by Rev. Glenn Willson, pas-
tor of the First Baptist Church.

Mrs. Golightly, 75, resident of
Crowell for 34 years, died at her
home in Crowell Tuesday follow-
ing a long illness.

Burial was in the Crowell Ceme-
tery under the direction of Wom-
ack Funeral Home.

Funeral bearers were Loyd Law-
son, Eugene Lawson, R. L. Bal-
lard, Lewis Ballard, Frank Brisco
and Dan Brisco.

Survivors include the husband,
three daughters, Mrs. Floyd Bal-
lard of Floydada, Mrs. Dave Brisco
and Mrs. Clyde Langford of Crow-
ell, and several grandchildren.

Mrs. Golightly was a member
of the Crowell Methodist Church.

LITTLE LEAGUE NEWS

by Marion Crowell

Who said this was strictly a "hitter's league" this year? Last Friday night's games were the best of the season, and—in the 8 p. m. game—only four singles were hit in the entire game. No home runs all night. It was obvious that all the power hitters were pitched to very, very carefully. (Lee Looney was walked intentionally four times). But the games were of such quality that—if they continue like these two—our crowds will be tremendous!

Beeg Story: It didn't really happen, but it could have! Boy: "Mister Bell, I have had news for you. Your entire wheat crop was hailed out."

Bill Bell: "Son, you really gave me a start there for a moment. I thought maybe the Barrera boys had moved from the county, and that Mike Nichols had broken a leg!"

Did Bud Myers really offer to run a combine for Lee Looney to get him to the game on time Friday night?

Prediction: You'll see lower during the week end.

Mrs. Helen Mohley of Wichita Falls visited her parents, Mr. and Mrs. Ignac Zacek, Monday and Tuesday.

MRS. H. A. SMITH

Mr. and Mrs. Dean Wright of Fritch visited her parents, Mr. and Mrs. C. C. Browning, last Friday night.

Mr. and Mrs. Luther Moody of Ranger spent the week end with his sister, Mrs. Irene Gerald.

Mr. and Mrs. Hardy Glascock of Post are visiting relatives here and attending to business.

Mr. and Mrs. Elmo Glascock of Dallas are spending the week with her mother, Mrs. R. B. Glidewell.

Mr. and Mrs. Oliver Shook and daughters are moving to Houston.

Mrs. Tommy Tapp sponsored a going-away party for Olivia Shook last Thursday night. The teen-age group was well represented at the Baptist Church.

Mr. and Mrs. H. A. Smith honored Rev. and Mrs. E. W. Davis of Waterloo, Oregon, former residents here, with a luncheon last Wednesday. Guests present were Rev. Homer Stephens and father, Mr. and Mrs. Marion Chowning Sr., Mrs. J. R. Spivey and Mrs. Lottie Whitaker. Rev. Davis is a former Baptist pastor here.

Mrs. Les Haynie and Miss Oma Faulkner have returned after an extended visit to Pampa.

Mr. and Mrs. Clifford Ohr of Bartlesville, Okla., are spending the week with her mother, Mrs. Les Haynie.

Mrs. Gene Whitaker and Gene Ann of Pampa spent the week end in the Haynie home.

Some Ads Create Yawns

Others Don't Monkey Around

They Effectively Communicate to Make Sales

Advertising is selling through effective use of communication. It's as simple as that, whether services or products are sold. Effective advertising may employ photography, television, radio sound effects, musical jingles, commercial art, or the printed word. It may sell insurance, soap, cereals, banking or trips to Tahiti.

Effectively used, advertising creates new markets faster and at less expense than any other method of selling to the consumer. Properly used it lowers costs... costs of manufacturing, distribution, buying or financing. The necessity of repeat sales results in consistent product improvement as advertising increases competition through vigorous selling. Effective advertising doesn't monkey around... it communicates to sell.

THE FOARD COUNTY NEWS

scores all along now that the pitching is beginning to sharpen up, and the outfielders will soon be manned with ball-hawks. Glen Doyle Goodwin still hasn't hit one out of the park, but he came so-o-o-o close last Friday night... and he has one of the better hitting averages of the league. Although they're not sensational, Foard County Mill's Joe Mike Fish and Danny Walling continue to be a hard-to-beat pair of pitchers... William Simmons says not to waste time feeling sorry for V. F. W. They'll win some ball games... and I believe it when I see: in the last three innings last Friday night, pitchers Gary James and Bob Bird allowed NO runs... and NO hits!

Most Praiseworthy

"The extension of the 'helping hand' of state funds to those in difficulty not of their own choosing is certainly most praiseworthy. And we should not wish it otherwise for those who have suffered ill fortune. But it should be made neither so comfortable nor so continuous that the recipients should wish to wallow in it. Assistance in time of need is one thing. Continuous support of the lazy and the indigent is another. And those who deliberately prey upon the public coffers, one way or another, need to be discouraged." — Myrtle Creek, Ore., Mail.

Logical Argument

"No more logical argument could be given to teen-agers contemplating quitting school than a report by the U. S. Employment Service. In the midst of a recession in which 5.5 million workers are unemployed, nearly 18,000 jobs went begging last month for lack of qualified applicants. They included engineers, social workers, draftsmen, skilled trades of all kinds, accountants, librarians, to name only a few." — Great Falls, Mont., Leader.

THANKS

TO EVERYONE for your patronage of Kenner's Dry Cleaners. It was deeply appreciated by Doyle and Ruth.

Please take your dry cleaning to Howard Handley, the new owner, who will continue to give you good service under the same management.

Do-it-yourself Kit... for building big futures

It's fun to make plans for the future—and it's even more fun when those plans come true. That's why so many boys and girls are buying U.S. Savings Stamps with their dimes and quarters. Because these stamps soon grow into Savings Bonds—and Bonds mean money that can help you do the things you want.

You can use it for college, or getting a start in the business world, or buying a new car. And at the same time, your Stamp money is a loan to your country—in service and defense, and to protect America's freedom.

Should Heed Warning

"Americans concerned with the maintenance of a strong competitive rail system . . . would do well to heed a warning sounded in recent news reports from England.

"The government there announced that debts of the British railroads—which have been piling up steadily since nationalization in 1949—will be wiped out with the taxing public picking up the tab.

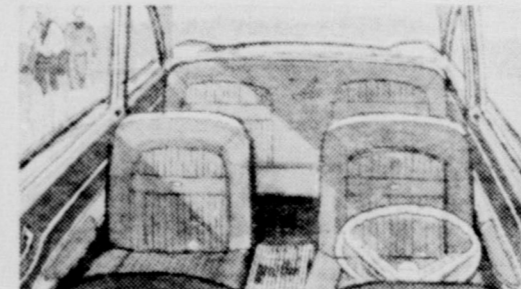

"To prevent the expensive results of government operation in Britain from happening here, it seems obvious that the American railroads must be freed from the costly burdens of restrictive regulations and stifling labor practices from a bygone era."—Tulsa, Calif., Reporter.

Tuesday: high 92, low 69.
Wednesday: low 66.

Changing Personnel

"It is wholly misleading for those who seek to repeal the Connally Amendment to ignore the significance of the changing personnel of the United Nations. Certainly the political maneuvers of the new nations in the General Assembly will be reflected in a larger representation of the Afro-Asian and communist blocs in both the Security Council and the world court.

"This is not the kind of court to which we should turn over the power to determine whether it has jurisdiction over the internal affairs of the United States."—Orange Grove, Texas, Observer.

Experimenting in Space

"The Russians talk a pretty big case in almost any field. But when it comes to serving the consumer, this is only the thinnest pretense. In the Communist world he's truly the forgotten man.

"With 30 million more mouths to feed than we have, the Soviet Unions turns out around 4.3 billion containers of canned food a year. We produce 24 billion annually.

"The Russians are experimenting a lot in space. Apparently one space they could pay far more attention to is the housewife's food shelf."—Great Falls, Mont., Leader.

If Flying Saucers Saw Chimpanzee Astronaut

"If flying saucers really do exist, as some maintain, it is amazing to speculate what their occupants thought if they saw Ham, the chimpanzee astronaut, on his rocket ride.

"After witnessing the orbiting of a number of dogs, mice, and other creatures, possibly they concluded that earth's highest form of life had finally ventured into space."—Altoona, Pa., Mirror.

Good Conservation Aid to Bobwhite Quail Production

Bobwhite quail are one of the most popular game birds in Texas. They are found in almost every area of the state, but some individual farmers complain about not having any on their farm.

The cheapest and most effective method of providing bobwhite quail with food is to disc strips in old fields and along fence rows. Discing, says Cooper, is often all that is needed to get a good stand of choice quail food, such as dove-weed and partridge peas, growing.

Research has shown that long strips of disc land, at least 20 feet wide, are better than square blocks. The best time for carrying out the practice is from February through May, and the soil should be cut only deep enough to turn the grass. Discing once every three years usually produces the best results, Cooper explains.

The disc strips should be near growing brushy cover so the birds will have protection from their natural enemies. Cooper emphasizes that quail may not use the choice foods if cover is not available nearby. Also, he adds, it is easier, cheaper and faster to grow food plants near cover than it is to develop cover near good food supplies.

Humans Warned Young Wildlife Better in Woods

Don't pick up young of the wild. This is the warning of Capt. E. M. Spott, director of law enforcement of the Game and Fish Commission.

This is the time of the year when many babes of the woods stroll out in the open. They are tame and curious, and there is a tendency on the part of most people to take them home.

In the first place, according to Capt. Spott, this is illegal. Just as important is the fact that the wild can take care of itself much better in the wild than might be done by individuals. There are a few cases, he points out, where lives of animals have been saved and landowners take care of them after something has happened to the mother. However, when an individual picks up a fawn or any other animal and takes it home, the animal actually has much less chance of surviving.

Very frequently these babes are lifted by humans while the mother is standing camouflaged behind a tree.

He also warns against raiding bird nests, although this practice has decreased in recent years.

When We Talk About Our Prestige

"When we talk about how our prestige has slipped abroad, let's not forget the thousands who are risking their lives daily to escape Communism for freedom. When we talk about the military and scientific achievements of the Russians let's not overlook the fact that we have put more 'shoots' into orbit than any other nation and that we are sufficiently prepared to defend ourselves against any and all enemies. When we talk about unemployment and sagging business let's put in a word or two for the record number of employed and the high national income."—Alma, Mich., Record.

Dependent on Active Participation by All American Citizens

"The free enterprise system, upon which the economic foundation of this country was built has provided the American people with the highest standard of living ever known to any society and continuing functioning of this system is dependent upon active participation by the citizens throughout the land."—Sheldon, Iowa, Mail.

Cost Railroads Thousands of Jobs

"Government has cost the railroads thousands of jobs by regulation, has denied the public better and lower cost transportation, has weakened the defense program and has crippled the nation's economy by railroad restriction and taxation."—Altoona, Pa., Mirror.

Complaints in Press

"There have been complaints in the Soviet press about the fact that many proposed improvements never get off the drawing board because of the time necessary to install them would cut into the required quotas of factories where quantity comes before quality. Low-paid workers also object to plant modernization because the time required cuts into their bonuses."—Carlsbad, N. M., Current-Argus.

What the Consumer Pays and What the Farmer Gets

Farmers got lower prices for food acres or sold under the production in 1947, but consumers paid substantially more for the food, according to a research report issued recently by the USDA.

Where did this extra money consumers spent go? It was taken up by increase in marketing costs for wages, containers, fuel, freight rates, depreciation, rents, advertising, taxes and other costs. Marketer's profits as a percentage of the consumer's dollar showed no decided trend, but their total profits were up.

Although food prices were higher in 1960 than in 1947, the consumer could purchase more food with an hour's wages. This is possible because personal incomes have risen considerably faster than food prices. For example, an hour's work in 1960 would buy 2.5 lbs. of beef compared to 1.9 pounds in 1947.

Retail prices of food rose less than prices for all commodities and services, the study showed. Food prices since 1947 are up about one-sixth, but the Consumer Price Index has risen more than one-fourth. Relatively, therefore, food is a bargain for consumers when compared to the total of their other expenditures. Since marketing costs rose faster than the Consumer Price Index, the slower rise in food prices was due entirely to the lower prices paid to farmers.

In 1960, the farmer received only 39 cents of the dollar spent by the consumer for food, the study showed. The remaining 61 cents went to pay marketing charges. The farmer's 39 cents in 1960 compares with 51 cents he received in 1947 and with 32 cents in the depression years of 1932-33.

Card of Thanks
The Crowell Boy Scouts, Girl Scouts and Brownies want to thank the Volunteer Fire Department for the checks that were presented to their troops. The troops also want to thank Cicero Smith Lumber Co. and the individuals who contributed to the purchase of the water tank to be used for camping trips. We are deeply grateful and appreciative for the cooperative spirit of the businesses and townspeople of Crowell.

Card of Thanks
Members of the American Legion would like to express their appreciation to the Boy Scouts and the ladies for their help Saturday in selling the poppies, and to the citizens of Crowell for their cooperation in buying the poppies. American Legion. 47-1tc

Government Funds
"Gaze at this magnificent structure," declares the government official, pointing at a new housing project or bridge, or su-phighway. "Built entirely with government funds," he continues, the implication clear that no mere private group could do anything quite as good.

"But... Where did the government get its funds to build this 'magnificent structure'? Not from anything the government produced or sold or some service it performed. No, the government—federal, state or local—got its funds from the people who earned wages and salaries or ran businesses and paid their share of taxes..."—Kings Ferry, N. Y., Tribune.

and drinking (\$16.6 billion) than on drugs, hospitals, and physicians combined (\$15.4 billion)—according to the U. S. Department of Commerce. In addition, they complain about the cost of medical care but are willing, if not anxious, to spend comparable amounts on their socially pleasant poisons—tobacco and alcohol."

THIRTY YEARS AGO

News items below were taken from the Friday, May 29, 1931, issue of The Foard County News:

The Farmers Cooperative Society No. 1 of Rayland has sold its gin at Rayland to Aubrey Lockett.

Construction is now well underway on a large concrete bunk house that is being built for the Santa Fe Railway, just south of its tracks near the depot.

Alvin Lee Borchardt will be granted the degree of Doctor of Medicine at the spring commencement exercises of Baylor University College of Medicine in Dallas June 1.

The Crowell post office is back in its old, yet new, location and the people of this city cannot help but feel a deep sense of pride every time they walk into the completely remodeled quarters of this important institution.

Joe Y. Roberts, son of Mr. and Mrs. N. J. Roberts of this city, will receive his degree of bachelor of science in civil engineering at the fifth commencement exercises of Texas Technological College at Lubbock on June 8.

At about three o'clock Tuesday afternoon, the last batch of concrete was poured which joined the Crowell pavement with that on Highway No. 28, extending to a point 4.9 miles west of this city.

A new location for an oil test was made last week by the Texas Company on the L. K. Johnson ranch, at a point about eighteen miles west of Crowell, about two miles east of the Texas-Johnson test which is being plugged this week.

Mrs. N. J. Roberts was re-elected president of the Crowell Cemetery Association at a membership meeting last week.

Army worms have made their appearance in every part of Foard County and considerable damage from their activities has already been suffered.

Mrs. Roy Ricks was hostess to the Idle Hour Club in her home in Thalia Thursday afternoon.

A team of Crowell golfers won over a Seymour team at the Spring Lake Country Club here Sunday by a small majority of points. Playing on the Crowell team were T. S. Haney, Gordon Bell, R. D. Oswalt, Alton Bell, M. L. Hughston and John McAnear.

Summer school opened in Crowell Monday morning with about fourteen students in attendance. Henry Black is conducting the school.

Heavy damage was suffered from hail in the Beaver community Sunday night. Heaviest loss was suffered on the F. C. Borchardt farm, where 165 acres of wheat, 35 acres of oats and 150 acres of cotton were wiped out.

Brownie Troop I

The second grade troop of the Brownies has been busy this spring having hikes and cook-outs. The girls cooked one-pot meals in coffee cans over charcoal. Then they made buddy burners, and at their last meeting cooked a hamburger on them. At their next meeting it 2 o'clock Monday, June 5, they will make weiner sticks from coat hangers.

The troop will meet every two weeks, and an outdoor outing is planned once a month during the summer months.

Foard City H. D. Club

"A Prayer for Homemakers" was read by the hostess, Mrs. Floyd Borchardt Sr., as opening exercise when the Foard City H. D. Club met at the recreation room Tuesday afternoon, May 16.

Council report was given by the president, Mrs. Glenn Jones. Mrs. W. M. Cox gave a report on civil defense. She said that she now has a complete list of all cellars in the community, their size and material used in their construction.

Mrs. J. E. Merriman was welcomed as a new member.

Mrs. Cox gave a very interesting demonstration on "salads." Two delicious salads were made and served with the hostess's punch, salad wafers and cookies to Mesdames Jones, Cox, Grover Owens, Floyd Borchardt Sr., J. R. Merriman, Fred Trawcock, and one visitor, Burch Borchardt.

The next meeting will be at the recreation room Tuesday afternoon, June 6, at 3 o'clock. The program, "Something new in my line," will be given by the demonstrators: clothing, Mrs. Floyd Borchardt Sr.; food, Mrs. W. M. Cox; yard improvement, Mrs. Tom Callaway.

West Side H. D. Club

The West Side Home Demonstration Club met in the home of Mrs. Oscar Gentry May 23. The meeting was opened by Mrs. E. A. Dunagan leading in prayer. Roll call was answered with "the food my family likes best," Mrs.

Dunagan read the minutes and gave a financial report. Mrs. Walter Thomson gave council report and also a report on the visit to the state hospital at Vernon, stating how the patients enjoyed it. Mrs. Barnes said that if it were not for the clubs and different organizations, they would not be able to have the entertainments for the patients. Year book recommendations were passed out. Mrs. Dunagan was appointed to bring the opening exercise at council June 8. Mrs. Gentry gave the program on salads.

Delicious salads and drinks were served to the following members: Meses. Herman Kincheloe, Henry Ross, Dwayne Boren, Walter Thomson, E. H. Shrode, E. A. Boren, E. A. Dunagan and the hostess, Mrs. Oscar Gentry.

The next meeting will be with Mrs. Dayton Everson June 13 at 2 p. m.

Truscott H. D. Club

Miss S. C. Kinsey, Knox County Home Demonstration Agent, was in charge of the program when the Truscott Home Demonstration Club met on May 25. The topic discussed was "Saving Time in Food Preservation." Suggestions were given for working out the annual food plan and food budget.

During the business session, Mrs. J. R. Brown was elected as a nominee for delegate to the state THDA meeting at San Angelo in August. A report of the club's work for the year was made and suggestions were offered for the yearbook.

The hostess, Mrs. H. P. Gillespie, served Cokes and cookies to the members present and Miss Kinsey.

On June 8, the group will meet in the home of Mrs. H. M. Black for a demonstration on the use and care of sewing machines.

Co-Laborers Class

The Co-Laborers Sunday School Class of the First Methodist Church met in the home of Mrs. Clarence Bounds on Thursday afternoon, May 25, for the monthly social meeting. A short business meeting was presided over by Mrs. E. H. Shrode.

The group sang several choruses and Mrs. A. R. Sanders led in prayer.

Mrs. Fred Wehla brought the lesson on the parable, "The Wise and Foolish Maidens."

Mrs. Bounds served a lovely refreshment plate to eleven members.

STATE CAPITAL Highlights AND Sidelights

TEXAS PRESS ASSOCIATION

Austin, Tex.—Legislature goes into the final stretch of the regular session with the possibility of a photo finish.

Individual lawmakers alternated between hope and despair about the prospect of getting all-around agreement on a tax plan by May 29. Many expressed fear of home district criticism if matters are allowed to drag through the summer, as happened in 1959.

In the final, chips-down stage, it looked like a Governor vs. Legislature battle. A majority of both houses has gone on record for tax plans which have a fairly general 2 per cent sales tax as the major revenue source. Gov. Price Daniel says, in effect, that he doesn't want to be hard to live with but he isn't about to back down on his 25-year anti-sales tax stand.

Senators re-worked the two major tax bills sent them by the House—the 2 per cent sales tax and the all-purpose "loophole bill"—into a combination package. In the package was a 2 per cent sales tax on items of 25 cents and more (with exemptions on food, drugs, etc.), an increase in the natural gas production tax from 7 per cent to 8 per cent, and a hike in the corporate franchise tax. They also jacked up the driver's license fee from \$2 to \$3.

Senate sponsors estimate that it would raise \$327,000,000 in the next two years.

Sen. A. M. Aikin Jr. of Paris made an effort to get the senate to substitute a bill favored by the governor that would limit new general sales taxes to items costing \$10 or more. It also would have levied selective taxes on motor tools and appliances, building materials, stock sales, restaurant meals, etc.

Senate turned down the governor's substitute, 17-to-14, then gave final passage to its own bill, 19-to-12.

LOAN BILL DELAYED—Tax matters delayed Senate progress on legislation to regulate the small loan industry.

A re-worked version of the loan bill passed by the House was prepared by a special subcommittee of the Senate State Affairs Committee. In general, the Senate subcommittee's bill appears to allow for higher charges on smaller loans and lower charges on larger loans. It sets up a schedule of "services charges" that are not to be considered interest.

Whatever the outcome, hopes for passing a loan bill that will satisfy interested groups are nil. If charges are low, the bill will be criticized for "putting loan

companies out of business so poor people can't borrow money." If rates are high, it "legalizes the sharks."

DRIVER LAW TIGHTENED—House passed on second reading a bill that would put more pressure on drivers who do not carry liability insurance or have the means to pay for an accident.

Reps. Ben Lewis of Dallas and Robert Fairchild of Center, sponsors, pointed out that only about 60 per cent of Texas drivers carry insurance.

Among provisions of the proposed bill is one that would cause a driver to lose his license if convicted of two moving traffic violations within a year and he did not carry insurance.

REDISTRICTING APPROVED—Despite disappointments and conflicts, a legislative redistricting bill has passed both House and Senate.

Sen. Jep Fuller carried on a nine-hour filibuster against the Senate portion of the bill. Fuller protested that Jefferson County (Beaumont-Port Arthur) has more than enough population to be a one-county district. In the bill, Jefferson is placed in a district with Orange County, as before.

Nor is all good cheer in the House where a number of members face the prospect of running against each other. Many rural areas with dwindling populations were enlarged or combined with other districts.

Rep. Will Ehrle of Childress, who is placed in the same district with veteran Rep. Bill Heatly of Paducah, has announced that he has given up the idea of running for speaker next term.

CLUB REGULATION PASSED—A bill to license and regulate private clubs serving liquor by the drink gained final House passage.

Rep. Tom James of Dallas, sponsor, declared it was a law enforcement measure needed by the Liquor Control Board in order to halt saloons operating in the guise of private clubs. Opponents declared it would legalize liquor by the drink.

Under the bill, clubs would pay annual license fees ranging from \$500 to \$10,000. James noted it would bring in some \$2,500,000 a year.

"SIT-INS" ARE TARGET—A bill aimed at outlawing "sit-ins" and "stand-ins" has received preliminary House approval.

Rep. Lloyd Martin of Norman is author of the bill. It would provide a fine of \$200 for persons who refuse to leave a business establishment after being asked to do so.

TAX REFUND ORDERED—State must return to several Dallas liquor stores \$89,246 in liquor taxes paid under protest, says the State Supreme Court.

These are taxes paid by the stores on liquor in stock before the effective date of an increased tax passed by the Legislature in 1959.

Not involved in this suit is another \$73,937 in liquor taxes paid under protest under the same circumstances.

DPS EXAMS ANNOUNCED—Young men between 21 and 35 may make application through June 9 to attend the next school for state highway patrolmen. Department of Public Safety has announced that men meeting the patrol's standards will take exams in several cities June 13, 14, 15.

Prospective applicants may write to the Department of Public Safety at Austin for information.

FLOOD OF BILLS—With the clock running out on this session, a large volume of bills is being moved at a swifter pace. Riding in the flood are bills that would:

1. Take the University of Houston into a state-supported college system. Bill finally passed the Senate after nearly a month of delays, but must be passed again in the House.

2. Provide up to \$12 a month for medical, hospital and nursing care for persons on the state welfare rolls. Passed by Senate.

3. Recodify the school laws and cut the number of hours future teachers must spend in courses on how to teach. Passed by the House.

4. Allow for payment of state aid to school districts on the basis of the present year's attendance rather than the previous year's. Passed by the Senate.

5. Outlaw sale of obscene pictures, books, magazines or phonograph records. Passed by House. Penalty for violation would be a fine up to \$2,500, a prison term up to two years or both.

6. Increase the annual barber's license fee from \$5 to \$10 and set up higher requirements for barber colleges. Passed by House.

7. Allow the Veterans Land Board to sell forfeited lands to persons other than veterans. This is a constitutional amendment and would have to be voted on by the people. Sponsors said the measure was aimed at providing a way for the state to get back money involved in the "block deals" that slipped into the land scandals.

8. Require registration of pest extermination services with the State Agriculture Commissioner. Given preliminary Senate passage.

9. Reorganize the State Water Board as the Texas Water Commission with a three-man board for policy making and a chief engineer to administer the department. Passed by the House.

10. Set filing fees for candidates for state office in general or special elections at 5 per cent of a year's salary. Passed by House.

11. Require cities whose firemen are in the state pension plan to contribute more to the pension fund. Given preliminary House passage.

Short Shorts
Texas Railroad Commission has ordered the present eight-day production pattern for the oil industry continued through June. But since June has only 30 days, compared to 31 in May, the daily allowable for June will be up by 48,013 barrels a day for a daily flow of 2,702,699 barrels.

Texas Employment Commission has launched a "hire now" drive in an effort to take up the slack in the Texas labor supply. Employment in Texas has increased in the past few weeks, says a TEC spokesman, but is still lagging behind this period last year.

WANTED: More Vaccinancies

This iron lung is now empty—for a change. How long it and thousands of others remain empty depends upon how soon the entire nation is fully vaccinated against polio.

Almost half the U. S. population is unguarded against crippling polio.

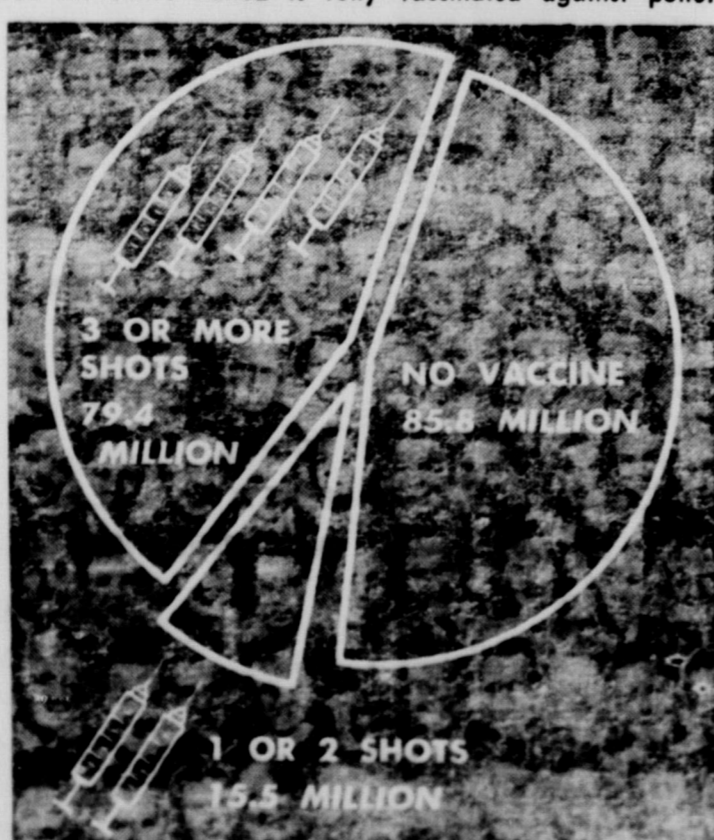

Basil O'Connor, president of The National Foundation, has described the vulnerability of some 33 million Americans to paralytic polio as "a national disgrace."

There is no scarcity of the Salk vaccine, he pointed out, and two inoculations now, within a month's time, would provide at least some measure of protection against polio outbreaks and epidemics in the summer.

In thousands of cities, villages and hamlets across the nation, Salk polio vaccination is available at little cost, and in some communities the prescribed series of at least three shots is free. A fourth "booster" shot is now recommended.

"The individual's common sense and will to survive should dictate immediate vaccination," Mr. O'Connor said. "If he or she has a family, all the more urgent ground for polio protection."

The National Foundation has been joined in its nationwide appeal to the unvaccinated by the American Medical Association and the U.S. Public Health Service.

Illustrating vaccination status of the American public, chart shows almost half the population is totally unvaccinated.

Among provisions of the proposed bill is one that would cause a driver to lose his license if convicted of two moving traffic violations within a year and he did not carry insurance.

REDISTRICTING APPROVED—Despite disappointments and conflicts, a legislative redistricting bill has passed both House and Senate.

Sen. J. P. Fuller carried on a nine-hour filibuster against the Senate portion of the bill. Fuller protested that Jefferson County (Beaumont-Port Arthur) has more than enough population to be a one-county district. In the bill, Jefferson is placed in a district with Orange County, as before.

Nor is all good cheer in the House where a number of members face the prospect of running against each other. Many rural areas with dwindling populations were enlarged or combined with other districts.

Rep. Will Ehrlie of Childress, who is placed in the same district with veteran Rep. Bill Healy of Paducah, has announced that he has given up the idea of running for speaker next term.

CLUB REGULATION PASSED—A bill to license and regulate private clubs serving liquor by the drink gained final House passage.

Rep. Tom James of Dallas, sponsor, declared it was a law enforcement measure needed by the Liquor Control Board in order to halt saloons operating in the guise of private clubs. Opponents declared it would legalize liquor by the drink.

Under the bill, clubs would pay annual license fees ranging from \$500 to \$10,000. James noted it would bring in some \$2,500,000 a year.

"SIT-INS" ARE TARGET—A bill aimed at outlawing "sit-ins" and "stand-ins" has received preliminary House approval.

Rep. Lloyd Martin of Norman is author of the bill. It would provide a fine of \$200 for persons who refuse to leave a business establishment after being asked to do so.

TAX REFUND ORDERED—State must return to several Dallas liquor stores \$89,247 in liquor taxes paid under protest, says the State Supreme Court.

These are taxes paid by the stores on liquor in stock before the effective date of an increased tax passed by the Legislature in 1935.

Not involved in this suit is another \$73,827 in liquor taxes said under protest under the same circumstances.

DPS EXAMS ANNOUNCED—Young men between 21 and 25 may make application through June 2 to attend the next school for state highway patrolmen. Department of Public Safety has announced that men meeting the patrol's standards will take exams in several cities June 15, 14, 15. Prospective applicants may write to the Department of Public Safety at Austin for information.

Passed by the Senate.
8. Require registration of pest extermination services with the State Agriculture Commissioner. Give preliminary Senate passage.
9. Reorganize the State Water Board as the Texas Water Commission with a three-man board for policy making and a chief engineer to administer the department. Passed by the House.

10. Set filing fees for candidates for state office in general or special elections at 5 per cent of a year's salary. Passed by House. 11. Require cities whose firemen are in the state pension plan to contribute more to the pension fund. Given preliminary House passage.

Short Snorts
Texas Railroad Commission has ordered the present eight-day production pattern for the oil industry continued through June. But since June has only 30 days, compared to 31 in May, the daily allowable for June will be up by 48,013 barrels a day for a daily flow of 2,702,699 barrels.

Texas Employment Commission has launched a "hire now" drive in an effort to take up the slack in the Texas labor supply. Employment in Texas has increased in the past few weeks, says a TEC spokesman, but is still lagging behind this period last year.

WANTED: More Vacancies

This iron lung is now empty—for a change. How long it and thousands of others remain empty depends upon how soon the entire nation is fully vaccinated against polio.

Almost half the U. S. population is unguarded against crippling polio.

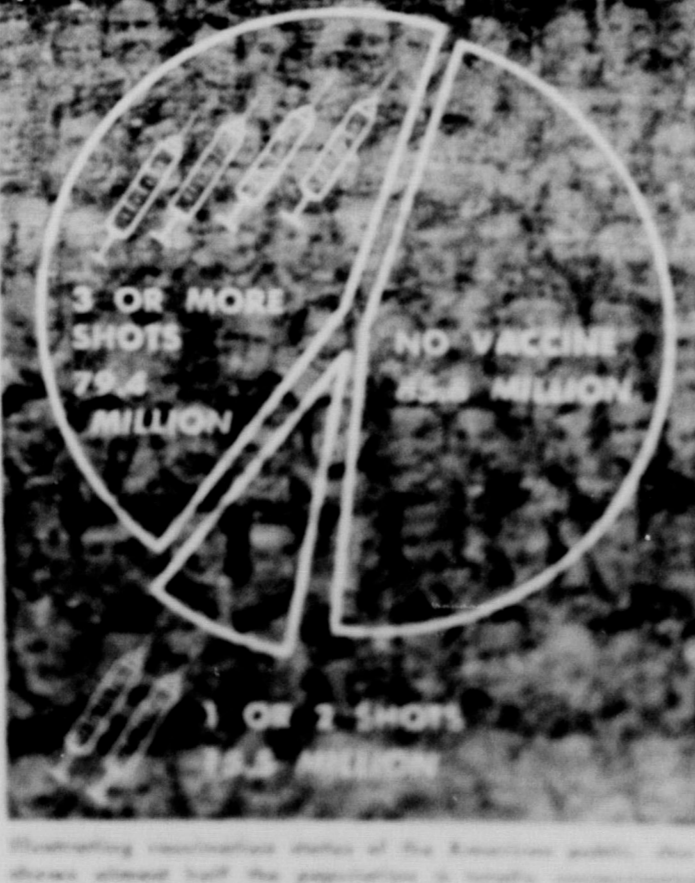

Paul O'Connor, president of The National Foundation, has described the vulnerability of some 45 million Americans to paralytic polio as "a national disgrace."

"There is no scarcity of the Salk vaccine," he pointed out, "and two inoculations now within a month's time, would provide at least some measure of protection against polio outbreaks and epidemics in the summer."

In thousands of cities, villages and hamlets across the nation, Salk polio vaccination is available at little cost, and in some communities the prescribed series of at least three shots is free. A fourth "booster" shot is now recommended.

"The individual's common sense will not be service should desire immediate vaccination," Mr. O'Connor said, "if he or she has a family or the more urgent ground for polio protection."

The National Foundation has been in the vanguard of the fight against polio since the late Dr. S. Public Health

Illustrating vaccination status of the American public. About three million half the population is vaccinated.

Invited to Help Solve Post Office's Problems

The current volume of mail runs to 65,000,000,000 pieces a year. In the next half century, says Postmaster General Day, it can be expected to double, creating "fantastic" mechanical problems in moving and delivering it. He invites the nation's industrial engineering and research talent to join with government in solving the problems.

Attendance Holds Up at Local Fire Dept. Meetings

Eighteen members of the Crowell Volunteer Fire Department attended the regular meeting last Thursday night at the fire hall.

Chief Pat Pittillo talked on the fund drive, and the trucks were taken out for a trial run and were serviced. A one-hour drill was held on teamwork, and a demonstration given on fire extinguishers used in small pit fires.

A discussion of a proposed program sponsored by the department on July 4 was held.

Present were Joe Glover, Baylor Weathered, Jimmy Everson, Jack Spikes, Bill Thompson, J. C. Kincheole, Herman Kincheole, Joe Don Brown, Duane Boren, Norman Davis, Cecil Davis, Billy Everson, Clark Brown, Pat Pittillo, Fred Glover, Dayton Everson, Lawrence Glover and Vernon Whately.

A good crowd was present at the demonstration and program in front of the fire hall on May 22.

Cutting Horse Contest Scheduled at Santa Rosa Roundup

An open cutting horse contest with a \$1,000 purse will be the main feature of the horse show division of the 16th annual Santa Rosa Roundup in Vernon June 21-24.

The four high scoring horses in the go-rounds to be staged during the three rodeo performances and in two morning sessions will compete in the finals during the last show performance. There also will be a novice class contest.

In addition, horse lovers attending the Roundup will get a chance to visit the Santa Rosa stables to view E. Paul Waggoner's famous bloodline quarter horses, including the fabulous Poco Bueno and his distinguished son, Poco Mos.

The world's outstanding professional rodeo performers will compete for \$8,000 plus entry fees in prize money and an outstanding array of specialty acts will add color and to the thrills and spills of the regular rodeo events.

The festivities will get underway Wednesday afternoon, June 21, with a long, lively procession of floats, bands and riding groups through downtown Vernon. Theme of this year's Santa Rosa Roundup is "Civil War Centennial."

Tickets to rodeo performances may be obtained by calling LI2-6868 in Vernon, or by writing to Santa Rosa Roundup ticket headquarters, Box 2130, Vernon.

The German title "kaiser" and the Russian "czar" were derived from caesar.

Adelphian Club

The Adelphian Club closed out its regular club year with a special installation officers ceremony held at the club house recently.

Mrs. Bob Thomas, president, called the meeting to order. Mrs. Norman Davis gave a devotional on the subject, "Press Toward the Mark." Mrs. Walter Stapp played a classical selection on the piano.

Mrs. W. B. Johnson conducted the beautiful installation service. She used as the theme a wheel, and likened the club members to the rim of the wheel, with the officers as spokes and the president as the hub. The club colors of purple and gold were carried out in the center of interest, made in the shape of a wheel, and decorated with candles.

The following officers were installed: president, Mrs. Bob Thomas; vice president, Mrs. H. N. Eker; recording secretary, Mrs. Mike Bird; corresponding secretary, Mrs. W. B. Johnson; treasurer, Mrs. Martin Kralick; federation counselor, Mrs. Virgil Johnson; parliamentary, Mrs. L. A. Andrews; and reporter, Mrs. Norman Davis.

The club members agreed to each "adopt" an older person or shut-in in the community, and to visit this person during the summer, as a special "sunshine project."

Mrs. Duane Boren and Mrs. Mike Bird were hostesses for the meeting, and served a delicious refreshment plate to the members present.
