Foard County's 1964 Wheat Harvest Totals 178,000 Bushels

Following the receiving of the first load of 1964 wheat Monday morning of last week, harvest has slowly picked up during the latter part of last week, and over the week end. The hot weather has been accompanied by high humidity, and has kept the wheat from ripening as fast as it looked like it should. The three elevators in the county—Farmers Co-Op., Foard County Mill and Three-Star Grain Co.—reported Tuesday afternoon a total of 178,000 bushels had been received up to that time.

Several thousand bushels of barley and oats have also been cut and delivered to the elevators.

From most reports received from farmers, the wheat is turning out better than had been anticipated, since most of the county has not received any rain for almost two months. Test weights are not quite up to normal in some instances, due to lack of moisture to mature and fill out the grain properly.

With continued fair weather, a large part of the county's crop will be harvested within the next week.

SATURDAY IS POPPY DAY HERE

On Memorial Day, Saturday, May 30, Allen-Hough Post 9177, Veterans of Foreign Wars will once again give everyone an opportunity to wear a V. F. W. Buddy Poppy.

It is the motto of the Veterans of Foreign Wars to "honor the dead by helping the living." These poppies are made by the disabled veterans in the hospitals throughout the country, and the purchase price of these poppies goes to these veterans to help them in their rehabilitation. All other proceeds go into the relief fund of the local post and is used for the sole purpose of aiding those who are in distress.

J. H. Gillespie, Commander of VFW Post 9177, said, "We urge everyone to wear a V. F. W. Poppy that we might pay tribute to the many thousands of young American men who gave their lives to retain freedom for us."

Crowell Native Died in Boating Mishap

The body of former Rayland resident and Crowell native, Robert T. Garvin, 20, missing since May 1 in a boating mishap in Boston Bay, was recovered Monday night, relatives report.

Young Garvin, grandson of Mr. and Mrs. A. T. Beazley of Rayland, was serving with the U. S. Navy at South Weymouth, Mass., at the time of his death.

He resided in the Rayland community with his parents, Mr. and Mrs. M. G. Garvin, before they moved to Garland about 14 years ago.

Survivors include his parents, five brothers, one sister and the grandparents.

He reported wheat turning out better than anticipated, with test weights running from 60 to 63 pounds.

City Council Urges Conservative Use of Water

The City Council, in an advertisement appearing in this issue, is asking Crowell residents to conserve water. Due to the prolonged drought this spring, demand for the city's water has been far greater than usual for this time of year, and the demand is exceeding the supply which can be pumped to town.

The City has put in a new well in the Margaret field, and as soon as pipe arrives to connect it into the system, the City hopes the supply picture will improve. Until then, water customers are requested to conserve water as much as possible.

George Kneedler and John Renfro of Vernon have opened George's Radio & Color TV in Crowell. The new business is located on East Commerce in the former location of the Cosden service station next door to D&T Foodway.

In addition to offering the Packard-Bell and Motorola television lines, the new business will feature repair of TV sets and radios.

Mr. Kneedler is well known in Crowell, having delivered Carnation products to Crowell for a number of years. Mr. Renfro is the son of District Attorney Curtis Renfro and Mrs. Renfro.

Public Invited to Baptist Bible School Commencement

Rev. Glenn Willson, pastor, said Tuesday the public is cordially invited to attend commencement exercises for vacation Bible school pupils on Friday night at 7:30 at the First Baptist Church.

Consolidation of Some Precincts Set for Second Primary

Consolidation of several voting precincts for the second Democratic primary on Saturday, June 6, were announced this week by Ray Shirley, Foard County Democratic chairman.

The consolidations will cause voters in Precincts 1 and 3 to vote in the county clerk's office. John Borchardt and Henry Johnson will serve as judges and they will be assisted by one clerk each.

Voters in precincts 2 and 4 will vote in the county attorney's office with A. R. Sanders and T. S. Haney as judges. They will also be assisted by one clerk each.

Precinct 5 is unchanged and will be at the Margaret community house conducted by W. A. Dunn, judge, and two clerks.

Precinct 6 and 7 voters will cast ballots at the Thalia School cafeteria with Alton Abston and Bill Cates as judges, and one assistant each helping.

Precincts 8 and 11 remain unchanged. Kenneth Halbert will serve as judge and he will have two clerks for precinct 8 balloting at the Foard City school. Mrs. Monroe B. Karcher will be judge for precinct 11 voters who will vote at the Rayland gin office. She will be assisted by two clerks.

Workers in Precincts 1 and 3 will tabulate absentee votes.

Mr. Shirley cited the provisions of Article 2.02, paragraph "g," Texas Election Code, for the local consolidations: "In any election for the nomination or election of an officer or officers, at which there is no office to be voted on by voters of only one county or a part of one county, the authority holding the election may combine any two or more regular election precincts into consolidated precincts for such election if it appears that the voters included within a consolidated precinct can be adequately and conveniently served at one polling place."

Article 13.07 of the election code explains the necessity for holding the second primary:

"If all candidates for County and precinct offices are nominated within the County at the first primary election, it shall still be the duty of the County Executive Committee to hold a second primary election for the purpose of nominating District and State candidates."

Article 230 of the Texas Penal Code further says: "Any judge, clerk, chairman or member of an executive committee, collector of taxes, county clerk, sheriff, county judge or judge of an election, president or member of a State convention, or Secretary of State who wilfully fails or refuses to discharge any duty imposed on him under the law, shall be fined not to exceed five hundred dollars, unless the particular act under some other law is made a felony."

Rotary Club

Ted Reeder, Crowell Postmaster, told Rotarians about the Post Office Department's new ZIP code at their meeting last Wednesday noon.

Use of the ZIP number on mail at the present time is a voluntary one, but the postmaster predicted that in the not-too-distant future, use of the ZIP number on mail will be compulsory.

He reminded Crowell Rotarians that the local ZIP number is 79227 and he urged them to use this number on their return address.

Mustang leads the stampede the big Ford started. This has been the hottest sales year in Ford Division history. We have a winner in the Super Torque Ford, a car so well built, so predictably tough, that competition-modified Fords took eleven of the last twelve NASCAR 500-mile races. Ford sales are up 17% this year. We have a luxury car that's taken off like a skyrocket: Thunderbird, with sales up 68%. Falcon is selling almost as many cars as Valiant and Chevy II combined. Fairlane continues to be a favorite in its own field. Now comes Mustang... turning the trend to Ford into a downright stampede. Mustang, by any measure of sales or excitement, is the most successful new car ever introduced in America—ever. When you see a stampede, it makes sense to find out what started it. That's something only your Ford Dealer can tell you about.

**LITTLE LEAGUE
NEWS**

by Marion Crowell
Man, man, you talk about "bal-
ance of power!" In the first week
two tie games. It's just hard to
believe. You just won't be able to
predict the outcome of any game
that's played this season, as each
team will come up with some fine
pitching and catching.
First two members of the Home
Run Club: Mike Matus of Farm-
ers Elevator and Barry Branch
of Crowell State Bank. What hap-
pened on the Branch home run? Ap-
parently it hit atop the fence,
bounced onto a car outside the
playing field, then bounced back
INTO the playing field.
How long will Mike Matus be
out with his broken finger? Dr.
Stapp told me he would be out
for—at the very least—three
weeks. That's a tough break for
Mike, for the big guy seemed des-
tined for a terrific season. It's a
tough break, also, for Farmers
Elevator's team for Big Mike's
catching and hitting prowess play-
ed a big part in Yankee plans.
Pat Cates trained up for Little
League this season by spelling.
In fact he was the sensation of
the recent spelling contest at
Wichita Falls... and now he's
catching everything hit into the
air out in right field for the Bank
team.
All you potential umpires
who've been hiding just outside
the fences around Little League
park now can come on into the
stands and enjoy the games. This
year we have permanent umpires,
John Coffey, Dan Mike Bird and
Jackie Eddy. Don't they look
sharp in their black caps and
shirts? And isn't it nice to start
the games right on time?
Enthusiasm runs high in the
Pee Wee organization. Thirty
young hopefuls have registered,
and probably by the time you
read this, others will have shown
up under the guidance of Johnny
Marr and Nelson Oliphant to
learn the fundamentals of base-
ball. First Pee Wee game is to-
night (Thursday, May 28). Drop
out tonight and look over the
Mickey Mantles and Roger Mar-
ises of tomorrow!

One word for Rural Electric Co-ops is . . .

FREEDOM

The freedom to do for themselves what no one else would do made it possible and necessary for groups of local people to form Rural Electric Systems over a quarter century ago.

Rural Electric Cooperatives today are locally owned, locally controlled and locally managed business enterprises. Each member has one vote to help govern and operate his co-op through the board of directors, elected from the membership.

The folks who lived outside the centers of population gained more freedom when abundant, low-cost electric service became available to them. This freedom has resulted in a better way of life for rural residents . . . and a stronger economy for everyone.

Rural Electrification, the 20th century miracle, is good for ALL Americans.

Miss Ekern Given Outstanding Senior Award by Lions Club

Miss Jo Wynn Ekern, daughter of Mr. and Mrs. H. N. Ekern, was awarded the fourth annual Lions Club Outstanding Senior Award at commencement exercises of Crowell High School Friday night. She received a plaque and a \$100 scholarship. Four scholarship keys were presented to Misses Patricia Cates, daughter of Mr. and Mrs. Bill Cates; Nelda Chappell, daughter of Mr. and Mrs. Glenn Chappell; Archa Garrett, daughter of Mr. and Mrs. Clarence Garrett; and Ruth Sanders, daughter of Mr. and Mrs. H. B. Sanders.

The recipients of the award are keys were selected on point basis of scholastic standing, athletic activities, school participation, civic and church activities, and personal habits and demeanor.

Miss Ekern, salutatorian of the class with a grade average of 95.48, was cheerleader three years (head cheerleader one), served as president of the Sub Junior Adornment Club, has been a member of the student council three years, assistant editor of the Wildcat this year, on the annual staff three years, was selected friendliest of the school two years and class favorite one, was basketball captain, has been FHA and Spanish Club officer, and is active in the MYF of the Methodist Church.

Cattle Numbers in Texas May Be at Peak in Current Cattle Cycle

Texas cattle numbers are the highest in history. More than 10 million head were on hand on January 1. However, Texas A&M University's livestock marketing specialist, Ed Uvacek, believes the state has reached its high peak in the current cattle cycle.

Uvacek said cattle numbers in the U. S. are also at a record high. The total on January 1 was in excess of 106 million head. The record high cattle population represents the seventh year of a buildup in cattle herds.

A national downturn in cattle numbers will begin this year or in 1965, the Texas A&M specialist predicts. When liquidation begins, Uvacek expects a three-year period when cattle numbers will become successively lower.

Marketings from Texas feedlots in the January-March period this year totaled 292 thousand head or 18 per cent more than in 1963, he said.

Federally inspected slaughter of cattle was up 11 per cent during the first quarter of this year. And experts look for cattle slaughter to stay well above 1963 levels for the remainder of the year, Uvacek said.

Prices of choice beef carcasses are expected to gradually decrease after May, he said, probably reaching their lowest levels in the September-October period. Uvacek predicts that good carcasses will decrease in price to lower levels in the July-September period.

The marketing specialist says feeder and stocker calves are now at their best demand for the year and should drop much lower as the heavy movement of late summer and early fall marketings begin.

He said beef and veal imports into the U. S. during the January-February period were 11 per cent below last year.

Public Works Is Not a Cure for Unemployment

"A case can be made for spending billions to make work, if the cost were shifted from relief to public works. But there would still be many who could not qualify even for man-made work, and the cost would be largely a new and additional drain on top of relief expenditures. The need is not for a new public works program, but for educating and training. Public works is not a cure for unemployment. The jobs end with the works, they leave no one trained for permanent jobs, and no permanent jobs are created to which he can return. There is no substitute for new products, new markets, and new and expanded industries to cut unemployment."

Time and Temperature and Frozen Foods

Frozen foods are here to stay and with good reason. But the housewife should be aware of the importance of time and temperature as related to the food's quality, says Gordon R. Powell, fruit and vegetable marketing specialist for the Texas Agricultural Extension Service.

It is almost impossible to evaluate the quality as food is examined in retail stores. There are few really good guides for evaluating quality of frozen foods since the foods are often packaged so they cannot be seen. The food can be hard and cold, but this is not a guarantee that it has been kept cold enough, throughout its journey to the consumer.

Powell considers time and temperature to be a major cause of poor quality in frozen foods. At the very best, no form of processing improves quality, but if properly stored under the right temperature, the original quality may be maintained. However, this is impossible over a long period of time. Time affects quality but temperature affects it to a larger and more rapid extent.

If frozen foods are held at a temperature of 0 degree or lower, time quality losses are slow, but at a temperature above 0, the quality loss is rapid even though the foods are still hard and cold. Several weeks above 0 degree can be as damaging as thawing and refreezing. Temperature damage cannot be repaired, it can only be avoided, the specialist adds. Time and temperature do the real damage but people let this happen. If precautions are taken in freezing, storage, transportation and in the retail stores to see that the proper temperature is main-

tained, a quality frozen food will be available to consumers.

When everyone involved in the total marketing process of frozen foods, guards against time and temperature shortcoming, explains Powell, the consumer will have a quality product and a more enjoyable and nutritious meal.

We Have Failed to Buy a Friend

"The United States has spent and is spending billions, but we have failed to buy a friend. . . . Uncle Moneybags has dropped cash the world over, and eager fingers have grabbed it, but in these places, there are signs that say 'Yankee, Go Home,' and there are people who spit upon Americans and call them foul names. Seems that I recall in years gone past when we were pretty friendly with South and Central America back when we weren't trying to buy that friendship." — Covington, La., St. Tammany Farmer.

Who Needs the Help?

"Once again our government has declared war on poverty. It is interesting to note that more than 30 million persons now draw regular checks from the government. Are these 30 million the people who need help or is it the other millions of working men and women in this country who are staggered by an ever increasing state and federal tax load? Someone once said, 'If you think we're getting too much government, just imagine what it would be like if we got all the government we paid for.'" — Worcester, N. Y., Times.

SERPENTINE PASSAGEWAYS and vast subterranean chambers inside Texas Longhorn Cavern in the Highland Lakes area of Central Texas evoke this look of wide-eyed amazement from a youthful visitor to the cavern. Reputedly the third-largest cavern in the world, Texas Longhorn annually attracts more than 45,000 visitors who express, in varying degrees, similar reactions to the cavern's underground marvels. Parts of the cavern are named for Texas outlaw Sam Bass who used the cave for a hideout in the 1870's and is alleged to have buried a \$2-million treasure there. The cavern is focal point of 708-acre Texas Longhorn Cavern State Park located near Burnet, just off U.S. Highway 281 on Park Road 4.

Mr. and Mrs. J. R. Beverly to Observe 50th Anniversary

Mr. and Mrs. J. R. Beverly will be honored by her sister, Mrs. D. M. Thomson of Honolulu, Hawaii, at an open house in their home on Sunday, June 7, to celebrate their 50th wedding anniversary. All of their friends are cordially invited to call between the hours of 2 and 6 p. m., but are requested not to bring gifts.

Russell and "Cy," as she is affectionately known by everyone, were married in Crowell in the home of Mr. and Mrs. T. M. Beverly on June 9, 1914. She is the former Miss Emma Estelle Perkins of Mabank, and came to Crowell in 1909. She operated a millinery and dress shop for fifteen years. Mr. Beverly was born in Plano, but has resided in Crowell since he was two months old.

The following is a description of the nuptial vows as printed in the Foard County News of June 12, 1914. "The contracting parties took their places beneath a

large bell illumined by an electric light, and on either side was a pedestaled column about which entwined hollyhocks heavy with blossom.

"The bride wore a beautiful rich cream lace gown with white satin trimmings, a snowy-white veil crowned with a wreath of orange blossoms, and carried a bouquet of bride's roses.

"The matron of honor, Mrs. Carl Emerson Thacker, wore a white net gown with lace tunic and white plummed hat, and carried a bouquet of shell pink carnations. The bridegroom and his attendant, A. Y. Beverly, were attired in the conventional black.

"The ceremony was performed promptly at the hour of 9 p. m. by the Rev. R. A. Stewart, pastor of the Methodist Church. . . . After congratulations had been offered the entire bridal party were given an automobile drive several miles into the country. . . ."

Other members of the bridal party were Mrs. J. H. Cope, Mrs. Will Duke, Miss Una Self and Mrs. Robert Wells. Master James Robert Allee was ring bearer, and Miss Carrie Maurice Allee served as flower girl.

At the time of their marriage, Mr. Beverly was in the abstract business with his father, and then later formed a partnership with N. J. Roberts. They sold that business in 1957, but Mr. Beverly remained in the abstract field until 1959 when he retired.

Bridal Shower Honors Mrs. David Powers

A miscellaneous bridal shower honoring Mrs. David Powers was given Saturday, May 23, at the community house in Crowell.

The guests were greeted by Mrs. Henry Borchardt, who presented them to the honoree; her mother, Mrs. Raymond Odum; the groom's mother, Mrs. Jack Powers; and the groom's grandmother, Mrs. Henry Greening.

Mrs. Howard Smithson, sister of the honoree, registered the guests in the bride's book. Music was by Sherry Sandlin and Elaine Crowell. The hostesses presented the honoree with a lovely corsage. Their gift was a beautiful bedspread.

Carolee Oliphant and Alta Nell Andrews served pink punch, dainty cookies and mints at the refreshment table. The table was covered with a pink linen cutwork design cloth. In crystal was a pink bouquet of roses and buds and larkspur. The napkins were printed "Pat and David."

The hostesses were Meses, Cecil Driver, Sherman Nichols, Glen Goodwin, Dorothy Harris, Henry Borchardt, Milburn Carroll, John Rader, George Fox and Walter Thomson.

Y. W. A. Group Honors G. A.

The Masaki Y. W. A. of the First Baptist Church honored the Martha Low G. A. with a fiesta in the dining hall of the church on Monday evening, May 25. The quartet tables were festively laid with red cloths and centered with such Mexican objects as a sombrero, a pair of castanets, a spur, etc. After a welcome in Spanish by Miss Nelda Chappell, Y. W. A. president, the guests were invited to the buffet table for enchiladas, frijoles, arroz, ensalada, tortillas,

pan con mantequilla y ajo, iced tea, and pralines. G. A. members enjoying the treat were Joy Tra-week, Deborah Jones, Jon Ann Carter, Claudia Aranda, Billy Sue McClain, Virginia Stapp, Connie Whitley, Joylyn Haynie, Lanette Lemons, Mrs. Walter Stapp, counselor, and Nellie Aranda, a special guest. Y. W. A. members and counselors present were Nelda Chappell, Ruthie Doyal, Scherry Goodwin, Saunna Martin, Sharon Glover, Sharon Mapp, Gayle Russell, Mrs. Margie Johnson and Mrs. Ramon Raspberry. Other special guests for the occasion were Mrs. R. H. McCoy, past president of the Y. W. A. and Mrs. Glenn Willson, G. A. Director. After the comida, a report was given by Virginia Stapp on one requirement for the Queen-with-Scepter step, and the G. A.'s described their work in a Bible school recently.

"Hour of Inspiration" at Christian Church Honors Graduates

At the "Hour of Inspiration" last Wednesday evening at the First Christian Church, a fellowship dinner was served the membership.

Following the dinner, the recent graduates of Crowell High School of the church were honored and recognition was given those young people of the church who have recently finished the eighth grade.

Miss Ella Ann Cates Honored with Tea

Miss Ella Ann Cates was honored with a tea Monday afternoon, May 18, in the home of Mrs. Jack Welch. Miss Cates will enroll June 1 in a Wichita Falls beauty school. She will return to Crowell in the fall and will graduate with her class next spring.

Misses Betty Ann Welch and Scherry Goodwin and Meses, Jack Welch and Glen Goodwin were hostesses for the special party. Those attending the tea were as follows: Misses Mary Ann Ramsey, Jean Burkett, Mary Sue Speer, Donna Bell, Suella Smith, Ruthie Doyal, Sharon Glover, Saunna Martin, Sandra Ellis, Dolores Eubanks, Elaine Crowell, Sandra Weathered, Sherry Sandlin, Pezzy Welch and Jill Cooper.

Foard City H. D. Club

Four-H girls and a 4-H boy gave very interesting demonstrations on their projects to the Foard City Home Demonstration Club Tuesday, May 19, at 2 p. m. with Mrs. Glenn Jones as hostess. Suzetta Abston, 4-H girl, gave a very interesting demonstration on "The Perfect Pattern." Suzetta will present this demonstration at the State 4-H Roundup. Betty Ann Welch gave a demonstration on "Belt Making," showing many different styles of belts. Belt making is a part of Betty's clothing project. Edward Mechell, a 4-H boy, gave a demonstration on "Making a Study Lamp," a part of his electrical projects. This lamp base was made from a washing machine agitator, spray painted gold with white parchment shade, costing about \$2. Edward has won over \$150 in prize money from his electrical projects.

Bonnie Johnson, 4-H sponsor, reported about fifty 4-H students were eligible to go to district camp this year and there would be an essay contest to determine the delegates. Mrs. Johnson also stated in her council report that July 1 was the date set for 4-H girls dress revue.

During business session, Mary Borchardt was nominated as state THDA nominee for state convention to be held in Houston Sept. 16-18.

Six members and the following visitors were present: Mrs. Helen Davis and son, Wade, Mrs. Virginia Ilseig, Suzetta Abston, Betty Ann Welch and Edward Mechell.

Gambleville H. D. Club

The Gambleville Home Demonstration Club met Friday, May 22, at 2:30 at the community center with Mrs. Herman Gentry as hostess. Mrs. James Sandlin, vice president, had charge of the business. Mrs. Gentry gave "A Motto for Every Home" for opening exercise. Roll call was answered with "What I have done for 4-H this year." A group of 4-H girls, Vicki Spikes, Joylyn Haynie, Billy Sue McClain and Joy Tra-week, presented "Share the Fun Dance." Jon Ann Carter made a tossed salad and set her table which she will give at the state 4-H Roundup at College Station in June. The hostess gift was presented to Mrs. Sandlin. Mrs. Gentry served refreshments and Jon Ann's salad to the 4-H visitors, Mrs. Sam Mills, Lessley and Stephanie Prosser, and nine members.

Bank, Elevator Are Tied for Little League Lead

At the end of the first week of Little League play, Crowell State Bank and Farmers Elevator were tied for the league lead with each of those two teams having a blemish on its record in the form of a tie.

On opening night, May 19, immediately after the annual Little League parade, Crowell State Bank and V. F. W. battled to an 8-8 tie, and Farmers Elevator whipped Foard County Mill by a 9-3 score.

On Saturday night, May 23, Foard County Mill came back strong and rode the good right arm of Leonard Whitlock to a 5-5 tie with Farmers Elevator in the 6 p. m. game, and Crowell State Bank walloped VFW by a 13-1 score in the 8 p. m. contest.

At the end of the first week of league play, the top two teams have won one and tied one, while Foard County Mill and VFW are also tied, with their records reading tied one and lost one. Details of last week's games are as follows:

Tuesday night, May 19, 6 p. m.: Crowell State Bank scored four runs in the first inning, but VFW came right back with five in their half, two more in the second and one more run in the fifth to go into the final inning leading 8-4. Spelling champion Pat Cates, a young man who handled five fly balls in right field in a faultless manner, started off the sixth frame for the Bankers with a single. Jessie Ross Adams came through with another hit, and Jackie Thomas walked. Consecutive hits by Buff Nelson and Gary Eddy, followed by an error and game was all tied and remained that way at the end of the game. Gary Eddy, with three-for-four, and Buff Nelson, with two-for-four, were leading hitters for the Bank, with Billy Hollenbaugh, Frog Smith and Barry Branch also coming through with one hit. For VFW, Ken Sellers hit three-for-three, with Jimmy Glover and Buzz Raspberry hitting two-for-three and two-for-four, respectively.

Bill Lynch and Mike Clifton each hit safely one time for the Vets.

Tuesday night, May 19, 8 p. m.: Mike Matus popped a three-run home run to lead his mates to a 9-3 victory over the Foard County Mill Cardinals. Junior Urquizo hit two-for-four for the Yankees and Lee J. Whitley, Gary Cates and

Recital in Quanah

A voice recital by the pupils of Mrs. Wayne Preston of Quanah will be held in the Quanah High School auditorium Friday night, May 29 at 8 p. m. Miss Betty Ann Welch of Crowell will sing the concluding number on the program, "The Lord's Prayer," and she will be accompanied by Miss Elaine Crowell.

Bruce Ferguson each came through with a single hit. Gary Cates allowed no hits in the three innings he pitched.

For the Cardinals, the only bright spots of this game were singles by David Myers, Danny Naylor and Bill Kinsey and a double by Leonard Whitlock.

Saturday night, May 23, 6 p. m.: Leonard Whitlock pitched the Cardinals to a 5-0 lead for three innings, but Farmers Elevator's Yankees came back strong in the final two frames to end the game in a deadlock, 5-5, in a contest stopped by the curfew. Walks and errors helped the Cardinals quite a bit, as only a double by David Myers and a single by Leonard Whitlock were garnered off Yankee pitching.

For the Yankees, Lee J. Whitley hit two-for-two; Junior Urquizo hit two-for-four; and Larry Bursey hit two-for-three. This was a costly game for the Elevator crew as Mike Matus was lost to the team for several weeks due to a broken finger.

Saturday night, May 23, 8 p. m.: Crowell State Bank came out to hit the ball in this one as they picked up 12 base hits, including a 3-run homer by Barry Branch. Billy Hollenbaugh hit three-for-four; Gary Eddy, Buff Nelson, Steve Black and Barry Branch each hit two-for-four, and Frog Smith picked up one hit. Of the nine men to face pitching ace, Gary Eddy, Eddy struck out eight in a row, caught a pop fly on the other to retire all 9 men personally that he faced.

For the Vets, Bill Lynch, Jessie Barrera and Mike Clifton each hit safely one time.

Art of Taxation

"The art of taxation," wrote Jean Baptiste Colbert, finance minister to France's King Louis XIV some 200 years ago, "consists in so plucking the goose as to obtain the largest amounts of feathers with the least possible amount of hissing." — Toledo, Iowa, Chronicle.

PATTERNS FOR PROGRESS

WTU is proud to be a part of your community

RAW MATERIALS

... direct step in industrial development

Many industries locate near the raw materials used by them and are seen throughout the WTU service area. One example, pictured above, is the carbon black plant of United Carbon Company at Shamrock.

This flourishing petrochemical plant has become an important addition to the economy of this Texas Panhandle town. Such development anywhere creates new jobs, brings more payrolls, and adds many other advantages such as helping to provide new schools like the one pictured left.

Again, here is a PATTERN FOR PROGRESS.

In Texas the annual value of raw materials produced is \$700 per capita, while the value added by manufacture is only \$690. Contrast this with the highly industrialized state of Ohio. There the annual value of raw materials produced is \$125 per capita, while the value added by manufacture is \$1330.

Thus, as these figures show, additional processing of raw materials is the most direct way to sound industrial development. Communities seeking new industry will find that an assessment of local raw materials is the vital first step.

From the News . . .

THIRTY YEARS AGO

News items below were taken from the Thursday, May 24, 1934, issue of The Ford County News:

The regular monthly meeting of the local "Horse Traders Union" has been indefinitely postponed.

The Foard County wheat allotment committee is now measuring the wheat acreage of the county and is requesting the cooperation of all contract signers in order that the measurements may be completed as early as possible.

Last Saturday, May 19, marked the 98th anniversary of the massacre at Parker's Fort on the Navasota River, in which Cynthia Ann Parker was stolen from civilization by a band of Comanche Indians, headed by Peta Nocona, who later became the husband of the white captive.

Amos Lilly's "Knee Actions" are leading the Crowell soft ball league with three victories.

The first of a series of band concerts for the next several weeks was presented Wednesday night by the Crowell High School band under the direction of L. T. Edwards.

A coffee demonstration will be given at Fox Bros. Grocery Saturday.

The work of moving Everybody's Food Store to its new location in the space in the Erwin building formerly occupied by the Crowell Cleaners, is expected to be completed by Friday of this week.

A new Dupree disc rolling machine was installed this week in the Dunn Auto Repair and Blacksmith shop in the rear of B. F. Ivie's station.

Mrs. Ernest King, instructor, announces that six seventh-grade pupils have received certificates from the State Department of Education at Austin for excellence in penmanship. The pupils are Thelma Jo Ross, Camille Graves, Fern Pearce, Bettye Brown, Virginia Mae Coffey and Marjorie Spencer.

The program at the luncheon of the Rotary Club Wednesday included two readings by Harry Harwell.

Mrs. Roy Todd entertained a group of little boys last Saturday afternoon in celebration of the eighth birthday of her son, Perry.

Mrs. Grover Cole was hostess at a dinner party at her home Monday at 1 p. m. in honor of Mr. and Mrs. Lynn McKown, who were married on Sunday afternoon. The bride is the former Marguerite Calvin.

Mrs. J. W. Bruce was hostess to the Adelpian Club Wednesday afternoon.

Mack Boswell returned Sunday from Plainview where he attended the high school graduation exercises in which a brother, Milton, took part. Milton is the ninth and final member of the family of Geo. J. Boswell to graduate from Plainview High School, six brothers and two sisters having previously graduated from that school.

Paul Shirley returned Monday from Sweetwater, Jacksboro and other points where he spent several weeks buying cattle to be shipped to Iowa and Illinois points.

1964 Version of Utopia

"A group of economists, educators and writers has come up with a 1964 version of Utopia. In a statement sent to President Johnson it argues that every American should be guaranteed an annual income as a matter of right, whether he works or not. Left unanswered are such questions as how many would be willing to work at all if they didn't have to, and whether workers would be willing to support millions who simply don't want to work. Workers will always be needed, no matter how many machines there are. If millions are to eat without working, there will have to be some way to persuading others to work. On this interesting detail, the committee is silent."—Findlay, Ohio, Republican-Courier.

From One President to Another

Lions International President Aubrey D. Green and Mrs. Green of York, Alabama, are shown reporting to President Lyndon Johnson at the White House on results of President Green's recently completed 200,000 mile good-will trip around the world. The growth and peace-seeking efforts of the world's largest service organization were discussed.

Lion President Green reported to President Johnson on the 400,000 service projects completed by some 13,000 Lions Clubs throughout the world last year. Projects ranged from sponsoring 5200 Boy Scout troops to a youth exchange program, under which youngsters live briefly in a foreign country. Lions International actively supports C.A.R.E. and the Peace Corps.

After the briefing President Johnson was presented with the Lions International Head of State Medal and an honorary membership in his home town Lions Club in Johnson City, Texas.

The funeral of her aunt, Mrs. J. A. Mash, of Roby Tuesday. She was accompanied by Mrs. J. R. Spivey and Curtis Casey.

Mr. and Mrs. A. T. Iiseng of Dallas visited their sister, Mrs. John Bullion Sunday.

Applications, which are to be filed with the Director of Practice, Washington, D. C., and detailed information concerning the examination, may be obtained from Internal Revenue Service District offices, R. R. Bishop, Examination Coordinator, P. O. Box 594, Dallas Texas 75221. The examination fee of \$25.00, established in 1963, continues to be effective for 1964.

Food shoppers may find these buying ideas easy on their budgets, says Mrs. Gwen Cylatt, Extension consumer marketing specialist.

Look for best beef values on chuck roasts and steaks, ground beef, short ribs and round steak. Pork values include end cut pork chops, shoulder roasts and steaks, smoked hams, picnics and fresh pork backbone, she says.

Fryers remain low in price and high in quality. Grade A large eggs offer the most quality and nutrition for the money, the specialist says.

Fresh fruit and vegetables in good supply at reasonable prices include strawberries, lemons, bananas, pineapples, lettuce, cabbage, green onions, carrots, dry yellow onions, radishes, mustard, collards, turnips and greens. Green beans and sweet corn are coming to market in greater quantity, with attractive price tags attached.

For menu variety, consider eggplant, asparagus, cauliflower and broccoli. End-of-the-pack grocery items are being featured at attractive prices.

Two Minutes With the Bible

The Accepted Time

The city of Chicago recently witnessed one of the most daring robberies in recent years.

Right in the heart of the Loop, on busy State Street, while all the stores were open for business, two masked robbers entered Lebolt's Jewelry Store. One of them did not even carry a weapon, but the other had a revolver in each hand, so while he kept the two customers and eight employees under control, the other went to the window and scooped up more than \$250,000.00 worth of diamonds and jewelry. And all this with an audience looking in at the window.

Ray Lloyd, Lebolt's "diamond man," said: "It was like a weird dream. Here I was watching the man shovel diamonds into his bag, and at the same time I could see people out on State Street, watching him do it."

Something like this seems almost unbelievable, but actually it is not, in the light of our times, for this is no isolated incident. Never has morality been at so low an ebb among nations and individuals—and never has the crime rate been so high. This should cause thinking people to recall what the Bible says about the closing days of the age of grace in which we live.

II Tim. 3:1-5: "This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy,

"Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, Traitors, heady, highminded, lovers of pleasures more than lovers of God;
