For many months we have presented facts about population, industrial, commercial, financial, and the civic growth of West Texas and about the millions of dollars being spent for major expansion.

Beginning in 1964, we will present a new phase of our public service information program...PATTERNS FOR PROGRESS...the basic economic factors which are helping this area in its continued growth and which make it a good place to live, work, and play. The new advertising program is designed to help you (and the communities we serve) develop new growth opportunities. We are proud of the area we serve and are convinced that it...in the Center of the Southwest...faces GROWTH UNLIMITED.

of Minnie Mouse

Hi, there, you Minnie Mouse fans. I've got a real treat in store for you today. I'm going to take two of my friends to visit my cousin, Balony Mouse, who is a fortune teller.

Well, here we are! I'll step into the tent first to hear what the future holds for me.

"Well, hello, Minnie. Nice to see you. I've been expecting you. Sit down and let me read your palm. I see you are to go on many adventures. I see you are going to visit Mrs. Todd's room next.

"Wait a minute, Balony! That's supposed to be top secret stuff. Go ahead and tell someone else's

future." "Step right into my tent. What is your name? . . . Ah, John Carl Borchardt. I see in my crystal ball that you are going on a long trip. The crystal ball is clearing. I see Jackie-Hollis, Ken-Mary Ann. you are stranded on a small lonely island. But wait! You are not! alone. There is another island about one hundred feet away covered with nothing but beautiful girls. Danger is ahead. Oh, I see! There are about twenty man-eating sharks between the two islands.'

"Balony, how do I get across? Tell me. How can I get across?' "Alas, the crystal ball is darkening; I can predict no more. Next person come in, what is your name?. . . Beverlie Gray, the crystal ball is blurred. Ah, now it is clearing. I see you are going to marry a very rich man. You are Philip-Ruth, James-Shirley, Bobbygoing to live a happy, contented Barbara, and Larry-Jill. life. You are going to have twenty children. Beverlie! Beverlie! Come back! Don't run away. Chevrolet's new low-cost quality delivery truck!

This introduces you to Chevy-Van-our new economy

delivery truck. It has a low price tag, over 40 sq. ft. of completely usable flat floor 71/2 ft. long, the engine up front, and a lot of quality features which make it a better buy. The body and frame-floor are welded together. The truck is strong, rigid, stable. Doors are double-wall

Chevy-Van has unusual resistance to rust and corrosion. Especially vulnerable areas such as front stepwells are galvanized. Sealers are used at all critical joints inside

and out. Certain sections are treated with high-zinccontent primers; others with an aluminum-wax preservative.

The windshield is a big flat practical one-piece unit. The big 90-hp 4-cylinder standard engine is more powerful than some 6s, yet is remarkably economical. If you need more power, Chevy-Van offers a 120-hp six at extra cost. Side doors and rear windows

also cost extra. Last but not least, it's a Chevrolet. Which means that it is built to work for you a long time at minimum cost.

ALWAYS COST LESS! Telephone your Chevrolet dealer about Chevy-Yan or any type of truck!

Bobby Greenlease case, they said, Blood can be transferred for a help stretch the family food dolthe Kansas City auto dealer had resident of this county no matter lar, Mrs. Clyatt reminds. to pay \$600,000.00 to ransom his -

for the ransom of a human being. Here they were wrong. \$600,000 is by no means the highest price ever paid for the ransom of a human being. St. Paul, by divine inspiration, wrote in I Tim. 2:

"God will have all men to be saved, and to come unto the knowledge of the truth.

"For there is one God, and one Mediator between God and nen, the Man Christ Jesus.

"Who gave Himself a ransom for all . .

Did you get that? Christ gave Himself a ransom for all. Manall men-had been taken captive by Satan and sin, but Christ paid the price of our ransom. That price was Himself-His own life. which He gave on Calvary's cross to pay for our redemption.

All that was accomplished at Calvary was not revealed until God raised up the Apostle Paul, who goes on to say in verses 6 and 7 that this message was "testified in due time," by Him.

When sin had risen to its height in the world's rejection of Christ, God reached down from heaven to save him, the chief of sinners, and sent him forth as His apostle to proclaim salvation by grace through faith in the Christ who had died for sin. This is why the apostle declares in I Tim. 1:15,16:

"This is a faithful saying, and worthy of all acceptation, that Christ Jesus came into the world to save sinners, of whom I am chief. Howbeit for this cause I obtained mercy, that in me first Jesus Christ might show forth all longsuffering . . ."

Plan to Buy Appliances

A recent survey by the Census Bureau shows that 16.8 per cent of the families in the nation plan to purchase one major household appliance during the next few months, reports Mrs. Eula J. Newman, home management specialist with the Agricultural Extension Service at Texas A&M University. Washing machines apparently top the list of anticipated purchases.

FALLOUT SHELTERS are explained by Steuart L. Pittman (left), Assistant Secretary of Defense for Civil Defense, during eight weeks of hearings on civil defense conducted this summer by Rep. F. Edward Hebert (right), and his Subcommittee No. 3 of the House Armed Services Committee. Following testimony by 108 witnesses, the subcommittee, and later the full House Armed Services Committee, strongly endorsed the proposed nationwide \$190.6 million fallout shelter program. The program has been authorized by the House of Representatives, and is awaiting Senate action now that committee hearings there have ended.

U.S. Establishes New **Emergency Broadcast Net**

the Nation better prepared than tion to the public. It would ever to get official information carry essential news and official and survival instructions to the information from the President Broadcast System (EBS) established by the Federal Communications Commission.

Historical information from the President and officials of Federal, State. and local governments.

EBS SUCCEEDED the old

EBS allows selected AM radio stations to continue broadcast-ing on their normal frequencies and with regular power even after an attack emergency is

In an Emergency . . .

If there is a nuclear attack on the United States, or the imminent threat of one, tune your standard AM radio to your local stations at their normal places on the dial until you hear the one that is part of the Emergency Broadcast System. That station, which will identify itself by location but not by call letters, will be on the air with official information, news and instructions on things you and your family can do to survive. Be sure you are prepared for an emergency by getting a battery-operated radio and spare batteries.

An imminent or actual attack | declared in order to get vital on the United States would find warning and survival informa-

EBS SUCCEEDED the old CONELRAD system on August 5 after the Department of De-fense determined that the con-tinued operation of the Nation's broadcasting stations no longer constituted a significant navigation aid to enemy bombers and missiles. The new EBS system permits stations to begin broadcasting emergency information almost instantly after an attack warning is received.

warning is received.

Stations not affiliated with EBS, and all FM and television stations, would go off the air. Some of these facilities will be incorporated into future refinements and extensions of EBS.

To assure that vital emergency broadcasting is not interrupted by fallout sufficient to force evacuation of the stations, the Office of Civil Defense, Department of Defense, is providing fallout protection, emergency generators, and emergency radio program links to selected emergency broadcast stations.

Welcome aboard Amigos! Now on Chico's new BARGAIN **FARES** -travel round trip for only 40% more than one-way fares through April 30th Now the entire Santa Fe is a terrific travel bargain through April 30, 1964. Here's how Chico's travel bargains will save you money: If the one-way fare is \$10, you can travel round trip for only \$14. When the one-way fare is \$25, you travel round trip for only \$35. On oneway fares costing \$50, the round trip is only \$70. Round-trip bargain fares will apply for all trains between all Santa Fe stations, making it easy for you to enjoy a trip at special savings. And you have a 30-day return limit on these bargain-fare tickets. Remember, family fares are even lower than Santa Chico's bargain fares, making Santa Fe the most economical way for husband and wife, or family

groups to travel.

Let your hometown Santa Fe agent furnish complete information

From the News . . .

News items below were taken rom the Thursday, Jan. 19, 1934, ssue of the Foard County News:

Ceremonies in connection with the formal dedication of the new gymnasium at Crowell High School will take place Monday night, Jan. 29, at which time the Crowell Wildcats will play the Wichita Falls Coyotes in a basketball game immediately following the dedication ceremonies.

---Recie Womack underwent an operation in Wichita Falls Saturday

The work of graveling about 13 blocks of streets in Thalia is nearing completion. This work is one of Foard County's C. W. A. projects and is not only providng employment for needy perons, but will also provide permanent and needed improvements for Thalia.

John Rasor was elected presilent of the Farmers and Business den's Association at its banquet in the DeLuxe Cafe Monday night. He succeeds Fred Rennels, who served as president during the first year of the existence of the organization.

Mr. and Mrs. Claude Brooks left this week for McLean where Mr. Brooks will be associated with his brother, Horace Brooks, in the operation of a cleaning and pressing shop.

January 31 has been announced by the Cotton Adjustment Administration as the "deadline" for signing the cotton acreage reduction contracts.

Construction was started last week on a 5-room residence on C. P. Sandifer's farm about 10 miles south of Crowell. It will be occupied by Mr. and Mrs. Owen

Work is expected to start Friday morning in cutting down the ourt house lawn by C. W. A. laor. The exact number of feet that will be taken off has not been decided yet, but it will be from 30 to 40 feet.

Ralph Burrow arrived here last Thursday from San Diego where e is with the U. S. Navy.

Mr. and Mrs. Jeff Bruce and children moved last week to a home on North Main Street which Mr. Bruce recently purchased. The place is generally known as the J. H. Carter residence.

Miss Mabel Lee Eddy, representing Lanier Hardware Co., and Mrs. Ernoest Johnson, representing N. J. Roberts, abstractor, took first and second places, respectively, in a beauty contest conducted Wednesday night at the Rialto Theatre.

H. E. Fergeson, T. B. Klepper and Mack Boswell attended the annual banquet of the Wichita Falls Chamber of Commerce last Friday night.

Miss Blanche Rose Walker, who has served forty years as a Baptist missionary in China, will speak at the morning services of the local Baptist Church Sunday.

Deposits in the Crowell State Bank are more than a quarter of a million dollars above the deposit total for January 1, 1933.

10 Million Share Owners in Europe

Data compiled by the New York Stock Exchange shows that there are currently 10 million shareowners in Western Europe, including the United Kingdom, and the number appears to have increased substantially in recent years. Commenting on this, the Exchange's President, Keith Funston, says that "shareownership may well become as much a part of the Free European economic way of life as it has become in our country." As of early 1962, there were 17 million shareowners in the United States, compared with 6.5 million in 1952.

March of Dimes Plans to Double Birth Defects and Arthritis Centers

Announcing plans to double the present number of March of Dimes birth defects and arthritis centers in the nation, the world's most successful voluntary health organization this week launched its traditional January fund-raising appeal.

Basil O'Connor, president of The National Foundation-March of Dimes, which financed development of both polio vaccines, said the goal this year would be \$45 million, "a sum our medical and scientific advisers agree we can wisely use to combat the ravages of these cripplers. This sum would apply to patient care, research, professional and public educa-

tion."
The March of Dimes now supports some 77 birth defects and arthritis treatment centers across the country. According to Dr. William S. Clark, direc-tor of the medical department of The National Foundation March of Dimes, the national dimensions of the health problems posed by birth defects and arthritis "have grown to a point where this nation requires at least 100 centers for birth defects and 50 for ar-

Through the generosity of the American people, we will build up our chapter and center programs across the United States to meet their needs. Our offensive against both these crippling afflictions will be redoubled in 1964."

Leading in this offensive will be the members of the 3,000 they enlist—an expected army of two million people. The campaign continues throughout January and culminates with the Mothers' March during which some 15 million homes are visited from coast to coast. In addition, a total of 36 million "mailers" are distributed nationally to inform families of the health aims of the March of Dimes and they alse serve as a means of returning contributions to local chapters. The designate their own March of Dimes Child symbolizing the million total, more than 30,000 die, including stillbirths.
