Former Resident of Foard County Dies in Salt Lake City, Utah

Jo Ray died in Salt Lake City, Utah, October 14, 1925.

Mr. Ray was born in Metcalf County, Kentucky, July 5, 1861, and was therefore 64 years, 3 months and 9 days of age at the time of his death.

The deceased came to Foard County in April 1884, and resided here until 1895, when he moved to Montana, and since that time made his home in the Rocky Mountain region.

He is survived by two brothers, N. S. Ray, McLean, Texas; John Ray of this county; and three sisters, Mrs. John McDonald, of New Zealand; Mrs. C. S. LeQuenne, of Fort Worth, Texas; and Mrs. John Pirie, of Dallas, Texas. None of the relatives could attend the funeral services except John S. Ray and wife.

The body arrived here over the Orient Monday morning and the funeral services were held at the cemetery at 10:00 a. m., Rev. T. M. Johnston, pastor of the Methodist church at Margaret, conducting the services.

Since Mr. Ray left this country in the early days, only the early settlers and old timers of the country remember him, and they, together with all the friends of the Rays, will regret to learn of his death.

Crowell High Defeats Paducah Team 7-0

In a thrilling battle staged at the local park on last Friday afternoon the Crowell High school football team defeated Paducah High school by a score of 7 to 0, thereby securing revenge for the defeat of the week before at Paducah.

James Ashford, half back, was largely responsible for the win by Crowell, saving the game by timely punts several times during the early part of the game, and finally securing the winning touchdown. Ashford intercepted a forward pass on Paducah's thirty yard line and ran to within six inches of the goal before any of the fast Paducah team could stop him. On the first down Ashford carried the ball over and then kicked goal for the extra point.

Paducah threatened seriously only once during the game. In the second quarter Paducah pushed the ball by a series of forward passes to within five yards of the Crowell line, where they lost the ball on a fumble. Crowell lost a yard on their first down, and touchback seemed almost inevitable. Ashford kicked the ball for a full fifty yards out of danger into the arms of a Paducah end, who was downed in his tracks by Teddy Burrow, fast Crowell half back.

Ashford was the star of the game, never failing to get his man and making many spectacular shoe string tackles, and was responsible for many losses on some of Paducah's trick plays, which failed consistently in their purpose, largely owing to Ashford's ability.

Margaret Man Father of Seventeen Children

On October 17th, there was born in the home of Mr. and Mrs. J. F. Russell of Margaret a daughter.

Mr. Russell has a family record that is indeed remarkable. He is 63 years of age, has resided in Foard County for 25 years and is now the father of 17 children, 11 boys and 6 girls, all living, the last one being born as above stated, on the 17th.

It is doubtful if there is another man in Texas with such record. There may be some who are the fathers of 17 children, but it is not likely that there is another whose 17 children are all living. Mr. Russell is living with his second wife.

Besides this splendid record, Mr. Russell made 80 bales of cotton last year and has the promise of a crop this year as large.

C. I. A. STUDENTS PUBLISHED DALLAS JOURNAL JUNIOR

(Special to the News)
Denton, Texas, Oct. 20.—A group of journalism students from the College of Industrial Arts published the Dallas Journal Junior at the State Fair October 17. This paper is published every year by the different colleges.

POSTOFFICE IS ROBBED

Austin, Oct. 19.—Thieves stole \$38.32 in money orders and postal funds from the postoffice at Tell, Childress County, Sunday night, according to a report received by the postoffice inspector in charge of the Austin district Monday morning.

Responsibility of Leadership Is Great

One of the strongest sermons, dealing with fundamentals, we have heard preached in a long time was the message of the pastor of the Methodist church at Sunday night's service. It was a continuation of the morning message. The Scripture taken as a text was that found in 1st Kings, 17th chapter, 35th, 37th and 38th verses. It tells of conditions existing under the reign of Ahab, the wicked king of Israel, and of the prophecies of Elijah foretelling his destruction and that of his wicked wife.

Lessons were drawn from the fact that modest compromises were first made by the kings preceding Ahab and idolatrous worship gradually introduced until finally the whole nation was entirely given over to it. The lesson was that the Devil begins to do his work in a manner that seems harmless. It was pointed out that there has always been an influence exerted to effect a compromise between good and evil, to lower the standard of right and elevate the standard of wrong until they meet. The cause of right always suffers. Right cannot compromise without suffering.

The responsibility of leadership is too great, according to the pastor, to justify indulgence in any questionable practices. It's a great tragedy for leaders to go wrong, he said, because of the influence they exert. When leaders fall the people fall. The church has failed in the last few years in that it has made compromise after compromise, and too often preachers have lacked the courage to speak the truth and to preach the old doctrine of repentance. Parents have not discharged their obligations to their children as they should have done and have gone too much after the things of the world and have become self centered and forgetful of others' needs.

Truth spoken by God's man, let him be prophet or preacher, should not be taken as a thrust against an individual, but it is aimed at his sins and should be done with a spirit of love. And sometimes it takes courage. It is easy to kick the man who is down and out, but when a prominent man makes a grievous mistake and possibly violates law, it is no easy task to arrest or to say "you have done thus and so." And yet that is what the old prophet did to the king. He told him he was responsible for the corrupt conditions that existed in Israel.

It was pointed out that final results always justify the right course. God takes care of his servants when they do his will. He does not allow them to fail ultimately, though failure may seem apparent at times. The only thing to do is the right thing. Acts bear fruits like the deeds. "Whoever ye sow that shall ye also reap."

Heavy Hail Does Some Crop Damage

Reports had not reached the News last week of the damage done to crops in time to make mention of it in the paper. We have learned that in several places over the county there were sprinkles of hail but the most damage we have heard of its doing was done in the Foard County community. Crops were injured and some houses were badly beaten. The roof of J. L. Moore's house was pierced with hail stones in a number of places and it was necessary to repair the roof, while Mr. Moore's cotton crop was almost entirely destroyed.

It was thought at first that wheat was damaged but later it was discovered that that damage was slight and amounts to practically nothing.

In various portions of West Texas hail storms were reported last week and the aggregate of the damage done will run into the thousands of dollars, possibly hundreds of thousands.

W. L. Vandergriff left this week for Sherman where he has a big job of painting. He expects it to take him two or three months to do the work and will not return to Crowell until that job is finished. He is pleased with the patronage given him since he has been here.

Mr. and Mrs. Frank L. Tomlinson are here this week and will be here for some days in the interest of the Central Radio Sales Company of Chicago. They are taking rooms at the home of Mrs. Banister. They have an ad in this issue of the News.

Thalia Couple Celebrate Golden Wedding Anniversary

Mr. and Mrs. T. J. Wood celebrated their golden wedding anniversary at their home at Thalia Tuesday, Oct. 20th.

Mr. Wood is 69 years of age and Mrs. Wood is 67. They were married Oct. 20, 1875. To this union were born eight children, five of whom are living. All were present except an only daughter, Mrs. Mary Thomas, of Duncan, Okla.

Those present were: R. A. Wood of Archer City, and W. F. Wood, C. H. Wood and E. S. Wood, all of Thalia. They have 29 grand children, 13 of whom were present and 16 great grandchildren.

Mr. and Mrs. Wood moved to Foard County December 8th, 1908, from Cooke County, Texas. Friends and relatives of these old people brought well filled baskets and dinner served to 107 people. The dining room was beautifully decorated in gold and white decorations. They received many beautiful gifts of gold, silver and other useful things.

Those who partook of the dinner were: Mr. and Mrs. Tom Bell and son, Mrs. Crawford, G. B. Burns and family, W. O. McDaniel and family, and T. S. Haney and wife of Crowell; R. A. Wood and family of Archer City, Miss Cleo Wood of Wichita Falls, Coyt Thomas of Duncan, Okla., and Rev. T. M. Johnston of Margaret, H. L. Fisher and wife, D. W. Pyle and wife, A. C. Phillips and family, H. W. Gray and family, J. G. Thompson Sr. and wife, W. S. Tarver and family, E. G. Grimley and wife, Willie Johnson and family, G. A. Shultz and family, W. F. Wood and family, Mr. and Mrs. Maddox, Grandma Williams, Mrs. E. D. Shaw, Mrs. J. W. Hathaway, Mrs. J. C. Jones, Mrs. Hogan, Mrs. C. D. Haney, Mrs. G. B. Neill, Mrs. T. A. Johnson, Mrs. Tom Abston, Mrs. J. A. Abston, E. C. Wheeler and family, Faye Beidleman and family, Mrs. A. W. Reid and daughters, Misses Mattye and Lillian, Mrs. M. H. Jones, C. H. Wood and family, Mr. and Mrs. C. C. Lindsey, Mrs. W. J. Long, H. S. Wood, Floyd Webb, Misses Lora Lee and Ruby French, Corene and Frankie Haney; Rev. Hedzes, Harley Capps, Peggie and Hamp Pittillo, Neal Johnson, Raymond Phillips, Roy and Ralph Shultz, all of Thalia.

AGED CITIZEN VERY ILL

"Uncle Tom" Baker, aged citizen, was taken suddenly ill yesterday and fell unconscious to the side walk, as he was walking in the down town section of the city. He was removed to his home and is reported to be recovering.—Vernon Record.

For several years Mr. Baker was a resident of Crowell and his friends here hope for his recovery. He is well advanced in years.

C. I. A. PANHANDLE CLUB ELECTS

(Special to the News)
Denton, Texas, Oct. 20.—The Panhandle Club of the College of Industrial Arts has elected officers for the coming year. They are: President, Miss Leona Wimberly of Amarillo, Texas; vice president, Miss Laura Wilson of Quanah, Texas; secretary and treasurer, Miss Hattie Mounts, of Hale Center, Texas; and reporter, Miss Lizzelle Kincaid, Crowell, Texas.

\$168.95 of Legion Endowment Fund for This County Raised

Foard County's quota of the Legion Endowment Fund was \$300. Of this amount there has been subscribed by the people of Crowell and vicinity \$168.95, leaving \$131.05 yet to be subscribed in order to complete the quota.

All this money has been sent to headquarters and acknowledgment made of its receipt, according to information given the News by Dr. Hines Clark, Post Commander.

This money goes to a worthy cause, as was stated in a former issue of the News, and as is recognized by any one when it is remembered that it is for the disabled men who were in the service and for the children that were made orphans by reason of the war.

It would be no small job to raise the balance by canvass, but it would be a small matter for those wishing to contribute to see Dr. Clark or any of the men who have the matter in hand and make subscription. It would take only a short while to raise the full amount, which ought to be done.

Rev. Huckleberry Improving in Health

A letter from Rev. P. R. Huckleberry, who is now at La Junta, Colo., says that he is improving slowly in health.

He has been there two and a half months and says that while he has not gained much in weight he has gained strength. Says he has a real good appetite and feels much better and stronger. He has attended services the last two Sundays, the first time since the 3rd Sunday in June. Speaking of the weather conditions in that country he says: "We had our first snow of the season yesterday morning. It melted almost as fast as it fell, however, and did not hurt anything. Had a light freeze and frost last night, which is also the first of the season."

The main crops of that country he says are cantaloupes, beets, corn, alfalfa and vegetables. The beet harvest is now on and the crop is estimated to be 10 per cent short of that of last year.

Rev. Huckleberry has many friends at Crowell and throughout this county who are anxious that he recover his health and again be able to engage in the ministry, a work he loves, and it will be a bit of glad news to them that he is hopeful of recovery.

GINNERS REPORT

Following is the ginnners report of several counties nearby up to October 1, for this and last year:

	1925	1924
Baylor	1101	4220
Cottle	411	2943
Foard	746	2376
Hardeman	702	3633
Haskell	7950	8955
Knox	4746	8052
Wilbarger	2627	8391

C. I. A. HAS 1664 ENROLLED

(Special to the News)
Denton, Texas, Oct. 20.—The College of Industrial Arts has the largest enrollment for the beginning of the term than ever before. There are 1664 students here.

Weather Improved For Cotton Picking

The last two weeks of cloudy weather have given away to more sunshine and the indications are that cotton picking conditions will prevail for a time at least.

It will not require many weeks of good weather to get most of the crop out. As it is, the gins here are running full capacity and are behind all the time.

Conditions have been very favorable to the sowing of wheat and the wheat men are pleased with the outlook. The young crop is coming along and gives promise of abundant pasturage. There is plenty of moisture in the ground until Christmas and wheat will grow. If frost stays off long enough lots of late feed will be made, so it looks like the people of Foard County are going to be in fine shape. The only ugly thing about it all is the price of cotton. At this time it is ranging around 21 cents. But we can't keep from believing there is a shorter crop than has been indicated by the Government's reports, and if that proves true cotton will be a better price later.

Speaker Satterwhite May Call Special Session

Speaker Lee Satterwhite is quoted as having said he may call a special session of the Legislature to investigate matters at Austin.

It does not seem certain that he has the power to convene the Legislature except on a charge of impeachment. There is the opinion, however, that he can call that body together upon the demand of as many as 50 of the members of the Legislature. But it seems that there is uncertainty as to whether that many are favorable to the proposition, since 42 have expressed themselves as opposed and only 16 have signified that they are in favor of the special session. Upon what authority Mr. Satterwhite expects to get the boys from up the creek to go down to Austin for an investigation is not made clear. Mrs. Ferguson has said she will not call them together. So there you are and what you going to do?

In all probability nothing would be accomplished by calling the session. There may have been irregularities in the Highway department, but members of that body seem willing for any investigation to be made, in which case it seems that the investigation could be made at much smaller expense than would be the case should the Legislature meet. Should that body meet everything would be left to an investigation committee after all, like it was in the case of the prison investigation, and nothing done.

The Highway Commission more than likely has made some very bad mistakes, but Attorney General Dan Moody is pretty close in after them and we believe he can handle the proposition about as well as the entire Legislature.

Edwards & Company Sell Thalia Store

Edwards & Company, general merchandise establishment at Thalia, has been sold to C. E. Sumner of Cordell, Oklahoma.

The stock was invoiced Friday and Mr. Sumner is now in charge of the business. Fay Beidleman, who has been in charge of the business, will not remain with the store under the new owner.

C. I. A. NEW LODGE OPENED

(Special to the News)
Denton, Texas, Oct. 20.—The students Christian Association of the College of Industrial Arts has just opened up its new lodge, The Virginia Carroll Lodge. This lodge is open to every C. I. A. girl.

On the first floor is a large room for all entertainments. In the back is a small kitchenette. The second floor has a reading room; two club rooms, where any of the college clubs may meet; and a writing room.

Mr. and Mrs. Roy Ricks and son, Roy Joe, returned Saturday from a week's visit with Mrs. Ricks' parents at Clarendon. They will spend most of this week with Mr. and Mrs. W. L. Ricks. Roy is taking his two weeks vacation with his and Mrs. Ricks' parents. He will be back on the job at the Cicero Smith Lumber Company next week.

J. R. Allee returned Wednesday from Dallas where he had been with his wife who underwent an operation in the Parkland Sanitarium in Dallas several weeks ago. Mrs. Allee is improving rapidly and was able to be moved to the home of her sister, Mrs. W. B. Carter, in Fort Worth Monday. She expects to return home the first of next week.

Geologists of Wichita Falls Here Monday on Trip Over West Texas

Monday's Wichita Record-News carried an item stating that a company of geologists would pass through Crowell on their way to Abilene, making a study of the geological formations in this country. The party was here and lunched at the Commercial Hotel.

The trip was to cover a period of three days' time and the purpose was to get a general idea of certain interesting formations of Permian age which exist south from Harteman County to San Angelo, according to the Record-News.

"The itinerary of the party," says the Record-News, "includes Vernon, Crowell, Paducah, Spur, Aspermont, Stamford, Rotan, Snyder, Sweetwater and Abilene, with night stop-overs at Paducah, Stamford and Abilene. It is expected that the expedition will break up in Abilene Wednesday night with most of the party returning to Wichita Falls from there.

"Interesting rather than profitable," was the characterization last night of Dr. Gould of today's trip. The expedition is being made, he says, with an idea of scientific investigation rather than the spotting of anticlines. The trip had its beginnings a year or so ago when general survey work was begun on a long gypsum ledge which originates in Southwestern Kansas, passes through Western Oklahoma and West Texas to the San Angelo country. The gypsum ledge, which is Permian in age, is the longest gypsum outcrop in the world so far as is known and is the basis for the correlation of most of the Permian formations in Oklahoma, Kansas and Texas.

Seek Information
By cutting across the ledge several times on this trip it is hoped to get a more definite idea of what is known to exist in a general way. Much of the information gained in the expedition will be worked into a book on "The Permian" to be written and published by Dr. Gould later.

HIGH SCHOOL NOTES

(By the Freshmen)
Freshmen Would Like to Know from the Seniors
Why the pupils of your eyes don't study?
Who plays the drum of your ears?
What do you do with the crown of your head when you are asleep?
What doors will the key to your heart open?
What does your eye lash when you are asleep?
Who crosses the bridge of your nose?
What key will fit the lock of your hair?
Why can't you use the nails of your toes to nail shingles on the roof of your mouth?

Nonsense
Mr. Palm: "In what battle did General Wolf, when hearing of the victory, cry 'I die happy!'"
Gussier: "I think it was his last one."

Report cards out last week—much sorrow.
Birds of a feather flunk together.

Mr. Underwood: "What courses are you finishing in?"
Mary Eavis: "In a course of time I suppose."

"Hiawatha"
By the shores of Ootocura,
By the shining Pluto Water,
Lived a Cro-phy-lactic chieftan,
Dandierine, fair Buick's daughter.
She was loved by Instant Postum
Son of Sunkist and Victrola,
Hair apparent of the Mazda
Of the tribe of Coco Cola.

School teachers think that S. O. S. means—"Same Old Suit."

J. H.: "There goes a whole train-load of tobacco."
Clyde: "Oh, that's one of those chew, chew trains."

Haskell: "Can you tell me why a black cow gives white milk that makes yellow butter?"
Jessie: "For the same reason that blackberries are red when they are green."

Frank: "Mother, tell me a story."
Mrs. Palm: "Just wait a few minutes and father will be home and tell us both one."

Mr. Crouch was roaming about in the country when he came upon a dozen or so empty condensed milk cans. Greatly excited he yelled to Mr. Morris: "Hey Bill, come here quick! I've found a cow's nest."

A Freshman stood on the railroad track. The train was coming fast. The train got off the railroad track and let the Freshman pass.

Freshman: "I don't know."
Sophomore: "I haven't prepared."
Junior: "I don't remember."
Senior: "I don't believe that I can add anything to what has been said."

How's This for a Real Cultivating Outfit?

The Texas FARMALL Is the Gem of ALL WORK—The Boon to the Cotton Farmer!

The FARMALL'S speed, flexible power, and adaptability to all work enables *one man* and his all-purpose outfit to plow, till, plant, and cultivate 200 (and even more) acres of intensively farmed land with extraordinary success. With this efficient combination of power and machines the average man can produce many times as much as is possible with old-time, mule-drawn outfits. With such modern equipment you can cut your production costs to the bone, and so earn a better living and be more independent about it.

The McCormick-Deering Texas FARMALL embodies many of the most important features of regular McCormick-Deering tractors. Foremost among these are the sturdy engine and the power take-off. In addition, the FARMALL offers perfect adaptability to all Texas row crop operations. It was built for your work. Come in and let us show and demonstrate this money-making outfit to you.

THE FOARD COUNTY NEWS

KIMSEY & KLEPPER, Owners and Publishers

Entered at the Post Office at Crowell, Texas, as second class matter.

Crowell, Texas, October 23, 1925

The article in the November issue of Holland's on the prison crimes of this state should be read by every Texan. It reveals some startling truths. It is a reflection on the good name of Texas that such crimes have been allowed. According to the reports of the investigation committee sent by the legislature to ascertain facts in regard to the matter those fellows who have been in charge of the convicts deserve to be under masters themselves. They are guilty of the most atrocious crimes, and a state that allows such can not hope to maintain high rank among the states.

We see where a chiropractor was acquitted of the charge of practicing medicine in Wichita County the other day without having a license. That was about all the jury could do because the man had not been practicing medicine at all. Chiropractors do not pretend to practice medicine. After all, there is not much difference between them and the M. D.'s, for the former rub your back, while the latter pull your leg.

Ma has said in effect if there is a "nigger in the woodpile" she doesn't want any of the State's legislators prowling around hunting for him.

**BROADCASTING
From STATION C. R. S. C.**

The story of a real Super-Heterodyne Receiver within the reach of all. Never before have you been offered such an astounding value in a high-class set. Enjoy reception without static disturbances. A liberal allowance on your old set.

Heretofore the average person would not consider a Super-Heterodyne Receiver, primarily because the cost was prohibitive, and also because the knowledge to operate one was possessed by but a select few who made it their business to build this type of receiver. THE GENERAL SUPER-HETERODYNE RECEIVER is positively the easiest set to operate that has yet been placed upon the market. Two tuning controls, one volume control and one filament control being all there is to operate. The GENERAL comes to you already logged, thereby eliminating the search for the different stations. Each station is permanently logged on a chart placed in lid on the cabinet for your convenience.

We will be glad to demonstrate this machine in your own home. No obligation of course.

AT THE METHODIST CHURCH
Next Sunday, Oct. 25

Sunday School 10 a. m.
Preaching 11 a. m.
Epworth League 6 p. m.
Preaching by Rev. O. P. Clark at 7 p. m. Quarterly conference at the close of the services. This will be the last conference this year. Also the last sermon for Bro. Clark, our presiding elder.

I hope every one will come and give him a good hearing.
Your pastor,
J. M. FULLER.

An Ordination Service

On Wednesday night at 7:30 Oct. 28th there will be an ordination service at the Baptist church in Crowell. Four deacons are to be ordained at that time.

Brethren C. Ross Payne of Vernon and Hedges of Thalia will be with us to help in the service. Every one is invited and the membership of the church is expected to be present.

The office of a deacon is one of honor as well as one of service but should be filled with gratitude to God and fellow man.

S. A. TAYLOR, Pastor.

R. Y. P. U. Program

Leader—Mildred Nicholson.
Introduction—Leader.
Why Baptists would win Catholics—Roscoe Brown.
Obstacles which impede progress—Ophelia Stephens.
Baptist persecuted, yet prospering—Herman Kinchloe.
Baptist missions belt the globe—Miss Maye Horne.

League Program

Leader—Lucile Kimsey.
Subject—The handwriting on the wall.
Song.
Prayer.
Belshazzar's feast, Daniel 5:1-4.—Myrtle Hunter.
The writing on the wall, Daniel 5:5-9.—Weldon Cogdell.
Daniel interprets the handwriting, Daniel 5:17-28.—Mamie Lee Collins.
Final outcome to Daniel and Belshazzar, Daniel 5:29-30.—Price Lovelady.
Application of the lesson to temperance.—Hazel Dykes.

P. T. A. PROGRAM

Every mother is urged to be present at P. T. A. Tuesday, Oct. 27th, at 3:30 in main auditorium of school building.

After business session the following program will be given:

1. Better mutual understanding between the parents and teachers, by Mrs. John Myers.
2. Have you visited your child's school room and seen his daily surroundings? By Mrs. Archie Campbell.
3. Will we meet our present needs? If so, how? Round table led by president, Mrs. Kincaid.

A B. Y. P. U. Social

On Friday night, (tonight) Oct. 23rd, at 7:30 all members of the B. Y. P. U. and Baptist boys and girls of the intermediate and senior ages are invited to a social at the Baptist pastor's home. Come to have a good time and you will be cordially welcomed.

MR. AND MRS. S. A. TAYLOR.

New S. S. Class Organized

There was a new Sunday School class organized at the Baptist Sunday School. Miss May Horne is teacher. The following officers were elected: Clyde King, president; Roscoe Brown, secretary; Weldon Cogdell, reporter. Other officers will be elected later.

BOYHOOD CHUMS

If you are a father, are you acquainted with your boy's chum? Do you know him to be fit company for your son?

Every normal boy has singled out from his friends and acquaintances one particular chum. This chum is his "other self," all of the "other self" he will have until years of maturity develop in him the sex attraction.

If you have studied boy boy nature, or even if you can recall your own boyhood days, you must know that they are the days wherein the lasting impressions of life are formed. It is also the period when the domination of a strong personality is most potent for good or evil over a weaker or more plastic nature.

Have you studied your boy's chum? It may be almost as necessary as a study of the boy himself. Is that chum all you could wish him to be? Is he stronger, or weaker, of purpose and character than your boy? If stronger, all the more reason for you to know his real character, for he is as sure to impress his personality upon your son as that strength overcomes weakness.

The boy rarely develops habits or traits of character acquired from mere chance acquaintances or from strangers. It is from his intimates that he absorbs ideas that become fixed in the mind and develop into character. Hence the imperative necessity that those intimates be of right character.

Some think it is a risky business to attempt to regulate a son's friendships. Admittedly so, yet you have it in your power to in a large degree control the matter.

Every normal boy has great respect for his father, provided that father is deserving of his respect. The first step, therefore, is to secure and deserve the boy's confidence. This accomplished, a little tactful consideration on your part, together with a personal interest in his every day life, ought to give you control of the situation.

But the surest way to control the matter is to constitute yourself the boy's chum. This can be done if the matter is taken in hand early in the boy's life.

To every young boy his father is a model of perfection. His first boyish ambition is to imitate father. If that father is deserving of imitation and will cultivate his boy's confidence, the problem is solved.

Every father should seek first place in his boy's confidence. He should make certain that he stands higher in the boy's regard than all others. And as the years pass he should see to it that the bond is strengthened instead of weakened. But this can only be done by fully entering into the life of the boy and by making his life your life.

It will pay better than any other investment you can make.

West Texas News

Wichita Falls — Three hundred thousand dollars is being expended by the Southwestern Bell Telephone Co. in improvements and betterments of their Wichita Falls plants. The improvements include the erection of a three-story building, size 35x50 feet, installation of three thousand lines of underground cable a distance of 6000 feet; and installation of much new equipment. Wichita Falls will have ten thousand telephone connections by July 1, 1926, when the program will be completed, according to statements of officials of the company.

Canyon—A half million dollar building program for West Texas State Teachers College here is outlined by Dr. J. A. Hill, president of the institution, who announces he will ask the legislature for this amount for the next two year period. A \$200,000 library and education building, a \$175,000 science building and improvements to present structures will constitute the program.

Quanah—This city is advertising for bids for constructing sewer extensions here. The city conducted a "clean up" campaign recently and the passage of stringent sanitary laws has caused numerous petitions for sewer extensions.

Slaton—A new hot water boiler washing plant has been added to the Santa Fe shops here. The plant represents an investment of \$50,000 and will enable the local shops to wash the boilers of all locomotives.

Sagerton—A campaign for \$100,000 road bonds is being pushed here. The election will be held Nov. 7 and if carried the bonds will be used to build an improved highway from the Stonewall County line to Stamford connecting up the Plains Cut Off highway. The highway will follow the Stamford and Northwestern Railroad.

Dallas—West Texas exhibitors at the Dallas Fair were honored with a banquet at the Baker Hotel given by the West Texas Chamber of Commerce. Dignitaries present included Col. R. Q. Lee, president of the organization; Col. C. C. Walsh, A. B. Spencer and Clifford B. Jones, past presidents; Porter A. Whaley, manager of the organization; Mesdames C. C. Walsh, Clifford B. Jones, Porter Whaley, Homer D. Wade, assistant manager, presided.

Memphis—The Memphis City Council has been petitioned to call a bond election for the purpose of voting city paving bonds. Thirty five to forty blocks of residential street paving is contemplated in the petition.

Burnet—The first car load of 1925 pecans to move from Burnet County was shipped from Marble Falls and another car is now being loaded. The nuts found a ready market at a good price.

Happy—Material is on the ground and work will begin at once on a high line to serve this city. The line is being built by the Texas Utilities Co., and will be built to this point from Canyon. Another line from Canyon to Hereford will be built as soon as the Happy line is completed.

Littlefield—T. F. Moffat of Stephens County has closed a contract with the Yellowhouse Land Co., by which he leases a tract of land seven miles from this city for use as a stone quarry. An upheaval in geological times placed here an immense quantity of limestone and Moffat will install a big stone crushing plant which will turn out stone for use on pan-handle highways. The plant is located on the Santa Fe railroad.

Vernon—The Vernon Semi-Weekly Record will be transformed into a daily newspaper November 1, with full leased wire Associated Press reports. R. H. Nichols, owner, was formerly editor of an Amarillo daily newspaper.

Adelphian Club
The Adelphian Club met in regular session October 14th with Mrs. Owens as hostess. A short business meeting was first conducted and Mrs. Baxter Johnson was leader for the study. The subject was the theory of Browning's poetry and Mrs. Johnson made an excellent teacher, as all points of interest and importance were brought forward, while the tedious and unimportant events were presented in a concise manner.

A few of the important facts were as follows: Browning is appreciated more by lovers of American literature than in his own country, England. Browning loved nature, but he loved human nature so much more that when he contemplates natural objects he thinks of them in terms of humanity. His love for the dramatic was so intense that he carried it into every kind of poetry that he wrote. He ranks second only to Shakespeare and his place in English literature is not with the great verse sculptors but with the interpreters of life.

Mrs. A. D. Campbell gave an instructive talk on the age in which Browning lived.

The club will have a social Halloween meeting with Mesdames Johnson, Kimsey and Razor on October 29th.—Reporter.

Every now and then a woman marries a man to reform him and the judge writes the last chapter.

CONTRACT WORK
See me individually for your contract work. I shall be glad to make estimates on any kind of carpenter work you want done.
H. D. POLAND

MOVIE MORALITY

Since the World War and its train of consequences, morality has been given a major place in the eyes of the people. Attempts have been made to legislate it into the hearts and minds of folks.

What the results are and have been, few will agree, but the moving picture producers have solved the vexatious question for their business.

The lives of most film stars are strictly regulated by written agreement with their employers. Producers who agree to pay a fancy salary take no chances. Contracts have a "morality" clause which provides penalties for the actor or actress who comes into public disrepute through some scandal or misconduct.

Thus, morality, failing to respond to legislation, may be bought. Others besides the men who have invested their money in moving picture enterprises, might try it for an experiment.

When morality is put on a business basis, it may become tangible enough to admit of some treatment.

Henry Ford says the motor car has mixed people up. And also jolted them down.

An auto in hand is worth two in the ditch.

A speaker at a laundry convention urged wives be given \$15 a week salary as home managers. Wives who could manage some husbands we know would earn more than that.

The BULL'S EYE

Editor and General Manager WILL ROGERS

Another "Bull" Durham advertisement by Will Rogers, Ziegfeld Follies and screen star, and leading American humorist. More coming. Watch for them.

The Wise Guy and The Clown

A constant reader of my "Bull" Durham Ads writes in and says: "If there was another smoking Tobacco the equal of "Bull" Durham a lot of us would quit you no matter how much it cost. But alas there is no equal at any price as we have all found out at various times. So we must hasten to turn the pages and groan, whenever we encounter the CLOWN Ads of Will Rogers, who is trying to discredit the worth of the WORLD'S FAVORITE TOBACCO."

See that Bird wrote this whole Ad for me himself. He knocked me but he boosted "Bull" Durham. He fell right into my hands. Its only by the wisdom of our smart people that us CLOWNS and Fools are allowed to ride in Limousines. They say "The Lord protects the foolish," so, I am nestling right under his wing. So thanks Mr. Smart Man, write us another Ad. It will only cost you two cents

Will Rogers

P.S.—There will be another piece here two weeks from now. Look for it.

High Quality, Low Cost BUILDING MATERIALS

Anything used in building, remodeling or repairing can be purchased here. We ask permission to figure with you when you decide you need something in this line.

The old bugaboo about the high price of materials has kept many people from making needed repairs. Let us show you that building costs are no higher than any other necessity you buy.

Cicero Smith Lumber Co.

Columbian Club

Our president, Mrs. T. L. Hughston, was hostess to the Columbian Club on Wednesday, Oct. 14.

Nothing in the way of business was on hand except electing a delegate to the state meeting of federated clubs to be held in Austin, Nov. 10-14. Mrs. R. L. Kincaid was elected.

Mrs. N. J. Roberts was leader for the afternoon and the study was four of Browning's poems dealing with courage and adventure, and revealing his peculiar technique in suiting his rhythm to the subject in hand. Browning was an ardent opposer of vivisection and his heroic poem "Tray," the story of a brave dog, expresses his sentiment in strong terms.

A very pleasing feature of the program was a reading, Poe's "Bells," given beautifully by Mrs. B. J. Smith,

a guest for the afternoon from Colorado Springs, Colo. Mrs. Smith prefaced her reading with a charming appreciation of Texas, especially West Texas, and said she felt sure when in Crowell she was where "The West Begins" and gave the beautiful poem "Out Where the West Begins"—"Out where the skies are bluest, and where friends are truest."

Other charming out-of-town guests were Mrs. J. D. Shinnough and little daughter, Bettie Jene, and Miss Marie Richards, all of Colorado Springs. Madams Claud Barry and Allen Sanders were also welcome guests.

Mrs. Hughston served a dainty salad course with mince pie and whipped cream and coffee.

Mrs. M. L. Hughston will be hostess to the "Indoor Picnic" at her home this week instead of Mrs. Ray. —Reporter.

The June graduates have been in college long enough to appreciate that what they don't know won't hurt them.

All of the air investigations have not controverted the fact that the law of gravity is still in full force and effect.

SEALED TIGHT KEPT RIGHT

Parent-Teacher Association
A few parents and a majority of the teachers answered the call of the president of the P. T. A. and a splendid program was enjoyed on Tuesday, Oct. 13.

A few of the things mentioned that we want to provide at once were two hectographs for use in the grades and some geographical maps.

On next Tuesday, Oct. 27, we will have a special meeting and want every mother, father and friend of the school to be present. We need you. The teachers need your aid. There's a sentiment growing for a new building. Come next Tuesday at 3:30 and see how much we need it, and how much the teachers need help to make your boys and girls into men and women. The teachers are efficient and working hard and with a little help Crowell will have the best school in her history. The dues for a year are 75 cents and this money we use to buy equipment for the school. Also we will add to this money from activities of the ways and means committee. Last year we raised and spent about \$150. With this we bought one musical instrument, health records, five big dictionaries, books for the grades and primary department, etc. We will expect you next Tuesday at 3:30 at the school auditorium.

President P. T. A.

Thalia News Items (By Special Correspondent)

Rev. T. S. Teddie of Vernon will preach at the Christian church here Sunday and Sunday night.

A fine baby girl was born to Mr. and Mrs. J. R. Solomon Sunday night. Herman Dozier of Gainesville, who had been visiting relatives here for the past few weeks, was called to his home Thursday on account of the serious illness of his mother. He was accompanied to Vernon by W. F. Wood and family.

Mrs. W. A. Reid and daughters, Misses Lillian and Mattye, visited relatives in Odell and Vernon last week-end.

Miss Cleo Wood of Wichita Falls visited her sister, Mrs. Connie Johnson, and family here Monday night and Tuesday.

Rev. T. M. Johnston of Margaret was a business visitor here Tuesday. He will preach at the Methodist church here Sunday and Sunday night.

R. A. Wood and family of Archer City came in Monday to attend his father and mother's 50th wedding anniversary celebration and to visit relatives for a few days.

Coyt Thomas of Duncan, Okla., came Saturday for several weeks' visit with relatives here.

A baby girl was born to Mr. and Mrs. Zerrell Mason the 16th.

Mr. and Mrs. T. J. Wood of this place celebrated their 50th wedding anniversary at their home here Tuesday, the 20th. Dinner was served to 107 people. Out-of-town guests were:

R. A. Wood and family of Archer City, Tom Bell and wife and son, Garland Burns and family, W. O. McDaniel and family, T. S. Haney and wife and Mrs. Crawford of Crowell, and Miss Cleo Wood of Wichita Falls and Coyt Thomas of Duncan, Okla. Many useful gifts were received.

Mrs. M. C. Adkins, Mrs. T. H. Matthews, Mrs. W. T. Brown and W. G. Thompson were Crowell visitors Tuesday afternoon.

Ben Stokes and family visited relatives near Chillicothe Sunday.

Miss Velma Haney of this place underwent a serious operation in a local sanitarium in Vernon Monday.

Mrs. Opal Scruggs of Tahoka came in Monday for a few days visit here. M. C. Adkins and family were Vernon visitors Friday.

A large crowd attended the show here Monday night.

E. Turner of Smithville was here

QUALITY AND SERVICE

The above means that Quality comes first, and we will do our very best to give you service. To those who are planning on having pictures made some time between this and Christmas—better make it snappy.

Come in early, so that we may have time to give you both QUALITY and SERVICE.

We have this fall the most complete line of new folders we have ever been able to handle. Nice line of easel and wall frames. Kodaks and kodak albums and many things that would make a nice present. But the best of all is your photograph. Something no one else can buy.

Pay us a visit.

MR. AND MRS. L. V. ROBERTSON

How Doctors Treat Colds and the Flu

To break up a cold overnight or to cut short an attack of grippe, influenza, sore throat or tonsillitis, physicians and druggists are now recommending Calotabs, the purified and refined calomel compound tablet that gives you the effects of calomel and salts combined, without the unpleasant effects of either.

One or two Calotabs at bed-time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with your eating, work or pleasure. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you please,—no danger.

Get a family package, containing full directions, only 35 cents. At any drug store. (adv)

We have a kitchen cabinet you will like.—M. S. Henry & Co.
