Committee of Men from Every Community in Foard County Helping County Agent in Making Arrangements

Plans are being perfected for a dairy show to be held in Crowell on Monday, June 1. The following committee on arrangements has been selected and is working in co-operation with County Agent Fred Renels in making the necessary preparations for the show: C. E. Gafford, Tom King, G. J. Benham, Wallace Seales, Frank Welch and Joe Orr.

According to present plans the dairy stock for the show will be exhibited in the used car lot of Self Motor Company, which is located just across the street from this firm and is surrounded by a high wooden fence.

During the day the dairy stock will be paraded through the business section and other features in connection with the show are being planned and will be announced later.

The committee on arrangements is anxious for everyone who has some good cattle to bring them to the show and according to interest already shown, the dairy show promises to be a success. Foard County has a considerable amount of excellent dairy stock and it is generally considered that this is an opportune time for a dairy show. The various classes of livestock will be worked out and will be mailed to each person who may have an animal to enter in the show.

There are a number of excellent bulls in the county and some wonderful improvements in the young dairy stock of the county is just beginning to show up as a result of securing these bulls.

MANY STUDENTS TAKE PART IN SPRING EVENT

One of the most interesting programs of the year took place at the high school auditorium Monday evening when a spring program was presented by the pupils of the primary department.

Many features were numbers which had been used in the room programs at different times during the year. The rehearsals were made a part of the regular work and did not interfere with the general school work. The children assisted with planning and suggesting many of the activities. A number of the costumes were made by the children.

The teachers of the primary department working together, were responsible for the program.

The following committee of mothers did the decorating: Mrs. Frank Fleisher, Mrs. Jeff Bruce, Mrs. Earl Davenport, Mrs. Roscoe Eubanks, Mrs. R. L. Liles, Mrs. Thomas Hughston, Mrs. A. Y. Beverly, Mrs. T. B. Klepper and Mrs. J. H. Olds.

Particularly outstanding about the program was the fact that its presentation Monday night exhibited a great amount of responsibility on the part of the students themselves. The children made their appearances on

APPRECIATION OF SPONSOR The Thalia Senior Class of 1931 wishes to take this means of showing their appreciation of their class sponsor, C. L. Fincher. This class wishes that he and the public know how much it really appreciates Mr. Fincher's kindness, patience, efforts and assistance during 1931. The Seniors want to especially thank him for his thoughtfulness and helpfulness during the Senior play and the plans for Senior Day. Although the Senior class has met with much opposition, the Senior play and Senior day were a success which was due to the fact that Mr. Fincher was so good, patient, thoughtful, helpful, kind and cooperative. "Rah! rah! rah! Fincher!—The Thalian Senior Class of 1931."

Thalia School News

THURSDAY MORNING found a merry group of Thalia High School Seniors waiting for an outing to Craterville and Medicine Parks. Traveling was enjoyable because many Indian reservations and scenes were observed. They first arrived at Craterville Park, and a delicious lunch was spread under the trees. After lunch the mountain climbing and picture taking was the entertainment. Later in the afternoon all went over to Medicine Park and viewed the "Casino" and other places of interest. Later they returned to Craterville Park and a group skated while others played golf. After spending a joyful day they all returned home.

POWER INCREASING OUTPUT OF FARM WORKERS SIX FOLD

No more farm workers will be needed to provide food for a population of 150,000,000 in the United States (estimate for 1950) than were needed to feed the 25,000,000 that were here in 1850. Power, available on farms, will give each worker six times his former production capacity. Mrs. H. F. Porter of Coleman County has seized time by the forelock to can over 175 containers of meats and vegetables for her 1931 4-H pantry.

HOW ONE WOMAN LOST 102 LBS. OF FAT

Almost Unbelievable—Nevertheless True
Friends:
I advertise Kruschen Salts for you, so I finally tried them and I started I weighed 219 pounds when I took them for a year and weeks, I lost exactly 102 pounds. I am 23 years old and I look at 5 years younger now than I when I was fat. I have a picture of myself before and after so if you want to see them let me know. I am always telling my friends about the wonderful salts. I am always advertising them. I took 2 bottles every month for a year and 3 weeks. It amounted to for reducing 102 pounds but it worth it. I can be of any help to you let me know.
Yours truly, Miss Nellie Simpson,
Wayne Street, Swissvale, Pa., 31, 1930.

The Modern Safe Way—Right Way to Lose Fat
Just take a half teaspoonful of Kruschen Salts in a glass of hot water every morning before breakfast.
You can hasten the reducing action of Kruschen by going lighter on potatoes, pastry and fatty meats.
Unlike other Salts, Kruschen doesn't reduce by rushing food thru your system. Rather it's an ideal blend of 6 separate mineral salts which help every gland, nerve and body organ to function properly.
Women everywhere are overjoyed with this marvelous reducing treatment. Frequently pined by pound of surplus fat leaves and soon you possess that trim, slender figure you've always craved.
An 85c bottle of Kruschen (last 4 weeks) is sold by leading druggists the world over—so start this SAFE method to lose ugly fat TODAY!

SIGNS OF THE TIMES

A national business statistical or-
ganization has recently collected re-
ports from 98 different lines of busi-
ness, showing where they stand by
comparison with a year ago. The
only lines in which business is bet-
ter, nationally speaking, are the
manufacture and retail sales of
men's clothing. Business as good
as it was a year ago in twenty-five
different lines, including all kinds
of women's wear, shoes and millin-
ery, men's underwear, bread, drugs
and chemicals, groceries, fish and
laundry. It is poorer than a year
ago in the automobile business and
seventy other lines.

The clear meaning of these figures
is that people are eating as much of
the staple foodstuffs, except meat,
as they did a year ago, but that
their principal other expenditures so
far are for the replacement of per-
ishables. The increased business in
men's clothing suggests that there
are more men who couldn't afford a
new suit last year who are buying
one this year; either that or the old
suit, carried over a season, has at
last worn out. The ladies have the
advantage over the men in that al-
most any woman can fix over her
old dress in an emergency, but it is
a pretty tough job to make a man's
old suit look presentable.

The upturn in one industry, how-
ever, is the herald of others. It is
something of an achievement that
twenty-five different lines are do-
ing as well as they were at this
time in 1930. That is pretty good
evidence that the general business
decline has got to the bottom of the
grade. In a good many lines it prob-
ably will run along about on the
present level for some time to come,
but one line after another will be-
gin to pick up, with the luxury lines
naturally being the last to recover.

The most disquieting thing about
present business conditions is the
talk heard from many industrial
centers about wage reductions. The
policy of keeping workers on part
time at the full daily wage has been
pretty well adhered to so far, where
the reduction of expenses was essen-
tial. There is no room for doubt
that this policy has averted a great
deal of suffering. It is better for
all concerned to have a hundred
people working on half time than fif-

ty working full time and fifty earn-
ing no wages at all. But it would
be a tragedy just as the employ-
ment situation begins to look better,
those returning to work and those
who stayed on the job were to have
their earning power reduced.

The economic crisis through which
the nation has been passing is the
first one in our history that has not
been marked by serious labor dis-
turbances. Such disturbances would
unquestionably be widespread were
there any general move at this time
to cut wages.

Shamrock Man Elected
Cotton Co-Op Director

Richard Wischkaemper of Sham-
rock has been elected director from
District No. 20 of the Texas Cotton
Co-operative Association, which in-
cludes Foard County. He and T. M.
Haney of Thalia, who has been serv-
ing as director, were recently nomi-
nated for this office at a district con-
vention of the association in Quanah.
Members of the association in this
district voted through the use of
postal cards. It is reported that the
race between Mr. Wischkaemper and
Mr. Haney was very close. District
20 includes the following counties:
Foard, Hardeman, Donley, Hall, Wil-
barger, Cottle, Childress, Gray,
Wheeler, Roberts, Hemphill, Ochil-
tree, Lipscomb and Roberts.

The district was recently changed.
The counties in it last year were:
Wichita, Foard, Haskell, Hardeman,
Wilbarger, Baylor and Knox.

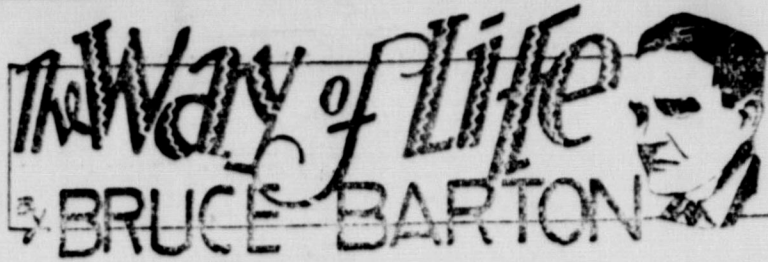

World Experts Say
Farm Crop Outputs
Must Be Regulated

Austin Texas, May 14—Delegates
to the International Chamber of
Commerce meeting in Washington,
D. C., who advocated controlled reg-
ulation of farm production expressed
views coinciding almost exactly with
purposes of the Olsen acreage re-
duction bill. J. E. McDonald, com-
missioner of agriculture pointed out
today.

The Washington dispatches quoted
Alfred Falter, chairman of the Polish
delegation, and Dr. H. L. Russell,
former dean of the college of agricul-
ture at the University of Wiscon-
sin, as saying agricultural produc-
tion must be adapted to demands.
Falter declared the need for regula-
tion was "imperative" according to
the dispatches.

McDonald pointed out that the Ol-
sen bill attempts to do for Texas
what Falter advocates on a world
wide scale. The bill proposed a com-
mission to study world trends, upon
which acreage of the principal crops
would be established.

The agricultural commissioner de-

TAKE TIME TO THINK IT OVER

There is a man, now old in years but still very vigorous, who
built up the largest company of its kind in this country. One of
his younger associates was recently giving me some sidelights on
his character and methods.

"Whenever we had some especially big problem on hand
the same thing invariably happened," he said. "It might be a
building program involving the investment of millions, or the
launching of a new product, or a plan for extending our operations
into a foreign country.

"Always, in the midst of our discussions, the Old Man would
bring his fist down on the desk with a bang.

"We will stop right here," he would say. "We will not decide
a single thing. I am going away to the country for two weeks to
rest and fish. When I come back I will tell you how to run this
company."

My informant said that the Old Man invariably returned with
a better perspective, clearer vision and fresh courage.

Years ago I read a biography of Benjamin Disraeli who began
life, as you will recall, as a writer with publishing ambitions. He
conceived the idea of a magazine, and was bold enough to hope that
he might persuade Sir Walter Scott to be its editor.

He took the train to the city where Scott lived and arrived late
in the afternoon. Instead of making his call at once, he registered
at the hotel, ordered a comfortable room, and went to bed.

In recording the experience, he said that he had made up his
mind, even in those early days, never to attempt a difficult inter-
view when he was tired.

Two men of my acquaintance were thrown out of employment
by a merger. They were men of ability for whom opportunities
were sure to open sooner or later.

The first man proceeded to worry himself into a state of ner-
vous inefficiency. He hurried around among his friends; he let
fear show in his eyes and face.

The other man went away. When I met him last re was sun-
browned and rested; he had purchased some new clothes, and was
starting out serenely to conquer the world.

Most of us have to take our vacations at stated intervals,
which are fixed by the routine of business rather than by our per-
sonal desires. But it is possible for even the humblest of us to
avoid the mistake of making important decisions when our minds
are weary or worried.

Lots of times the best thing we can do is to say: "I shall now
turn my back on this desk and leave the office, and I will not think
about this thing again tonight.

"Tomorrow will be a new day and, if I am rested, a day full
of much more courage and wisdom. So my decision will be sounder
and braver than it can possibly be today."

clared he had been preaching con-
trolled production for the last four
years. If these students of inter-
national conditions are correct, he
added, it would be better for the in-
dividual southern states to deal with
their own problems rather than wait
for the inevitable federal regula-
tion.

Goodyear Tires Now
Being Handled Third
Year by Local Dealer

Nineteen thirty one marks the 3rd
year that Crowell Service Station,
local tire dealers, have handled the
Goodyear lines, according to M. F.
Crowell, proprietor, who had some
interesting comments to make on the
tire business.

"You know," said Mr. Crowell,
"the tire business has developed so
rapidly it is like an Arabian night's
dream. I can remember back in the
fabric tire days when 3,000 miles
was a long distance for tires to
travel, through the early cord tire
days, the straight side tire develop-
ments, the pneumatic cord truck tire
progress, all pioneered by Goodyear,
up through Supertwist, the new cord
that makes Goodyear balloons stand
the gaff of modern low inflations, to
the high mileages of today.

"The prices are lowest in the his-
tory of the industry, about 65 per-
cent lower than motorists paid for
them in 1914," continued Mr. Crow-
ell, "while all wholesale commodity
prices are 25 per cent higher. And
the remarkable thing about these
low tire prices is the fact that the
motorist is getting from 15,000 to
20,000 miles on tires as compared to
the 3,000 back in 1914. Constantly
improving tire manufacture has
meant that in spite of greater an-
nual gasoline consumption according
to U. S. Bureau of Mines reports, re-
newal tire sales have fallen off from
5.4 tires in 1917 to 1.4 tires per car
in 1930.

"Then about balloon tires. Since
they were introduced in 1923 they
have been gradually crowding out
the high pressure type of tire so
that within a few years they will be
used exclusively on high pressure
tires."

Baptist Church Buys Residence for Pastor

Rev. Woodie W. Smith and family have moved into the residence formerly owned by O. D. Beauchamp.

This house is on the north side of the block in which the Baptist church is located and has been purchased by this church as the pastor's home.

W. B. Tysinger and family have been living in this home and have moved to the brick residence in the north part of the city that has been occupied by Rev. Smith and family for the past year.

The North Texas Building and Loan Association of Wichita Falls has appointed Lee Spencer of this city as agent to represent their company in both Crowell and Vernon.

Mr. Spencer has been the Crowell representative for the company for the past four years.

Thrift doesn't consist so much of worrying about last month's extravagance as nailing down this month's expenses.

SPENCER APPOINTED BUILDING AND LOAN AGENT FOR 2 CITIES

The North Texas Building and Loan Association of Wichita Falls has appointed Lee Spencer of this city as agent to represent their company in both Crowell and Vernon.

This association is one of the largest in West Texas and has operated extensively over this area for the past several years.

Mr. Spencer has been the Crowell representative for the company for the past four years.

Thrift doesn't consist so much of worrying about last month's extravagance as nailing down this month's expenses.

Crowell Baseball Team Beats Medicine Mound; To Play Burk Burnett

Crowell defeated Medicine Mound 4 to 3 in an excellent baseball game here Sunday. The fourth was the biggest inning of the game with Medicine Mound scoring one run and Crowell three.

The visitors tied the score in the seventh and Crowell put over the winning in the eighth when Jones, pinch hitting for P. Bell, singled to score Ashford.

Jimmy Larue, Crowell catcher, got three hits out of four trips to the plate.

Crowell is to play Burk Burnett here Sunday at 3:30 o'clock. The game is expected to be an excellent one.

Thalia Winning Streak Broken by Chillicothe

After winning their first three baseball games this season Thalia's baseball team lost to Chillicothe Sunday at Chillicothe by the score of 7 to 1. Thalia had previously defeated Chillicothe 4 to 0.

S. Stewart pitched the entire game for Chillicothe and allowed only five hits, while striking out 5 and walking only one. Roy Mints, who started for Thalia, also fanned five. He and Hopkins were touched for nine hits. Each side committed two errors.

The game was featured by a fast triple play by Chillicothe in the 9th inning. Webb of Thalia was safe on Sill's error and Hopkins was hit by a pitched ball. Mason then popped up to F. Morrison at third to start the triple killing. F. Morrison to M. Stewart to L. Morrison.

CHURCHES

Christian Science

Sunday, 11 a. m. and 8 p. m. Subject for Sunday, May 17, "Mortals and Immortals." Sunday School at 9:50. Wednesday evening service at 8:00. The public is cordially invited.

At the Methodist Church

Sunday School, 9:45 a. m. Preaching, 11 a. m. and 8 p. m. Epworth League, 7 p. m. Woman's Missionary Society, 3 p. m. Monday. Prayermeeting, 8 p. m. Wednesday.

Sunday School attendance last Sunday was 272, which was 8 short of the preceding Sunday. We are very anxious to get back to the 300 mark and move on toward our goal, 400. This is not an unreasonable goal. There is that number who would go to the Methodist Sunday School if they went anywhere, if they were duly impressed with a sense of duty. Let us every one do our duty and go out after them, not to draw away from any other church those who belong to attend there, but those who belong to attend the Methodist Sunday School.

The baccalaureate sermon will be preached at the Methodist church at the evening hour. The regular service at the morning hour.

B. J. OSBORN.

Baptist Church News

The greatest Mother's Day in the history of the church was experienced last Sunday. The special was of a high order and greatly enjoyed by all. The sermon theme was, "Mother vs. God." The pastor brought out the thought that though Mother's love is the greatest of all human love, yet God's love is broader, deeper, higher, lower and far greater than Mother's love. "Can a woman forget her suckling child, that she should not have compassion on the son of her womb? Yea, they may forget, yet will I not forget thee," Isa. 49:15, also, "When my father and my mother forsake me, then the Lord will take me up." Ps. 27:10.

Hardly a dry eye was to be seen in the closing moments. At the evening hour the theme was "Border-Line Christians." The male quartet was enjoyed by all. There were two additions to the church during the day. A fine young man at the morning hour and a fine young woman at the evening hour. The pastor preached at Gilliland at 3 p. m. to an appreciative congregation. He received a warm welcome and hearty invitation to return at a future time.

The Sunday School was very fine but a little off in attendance. Somebody fell down on the job. Was it you? Only 205 present. Remember we need you and expect you every Sunday. May not God have the best in your life? Let's make next Sunday 100 per cent for Him.

Next Sunday: Sunday School at 9:45, preaching at 11. B. Y. P. U. training service at 7. The evening preaching service will be called in on account of the Baccalaureate sermon at the Methodist church. Rev. Woodie W. Smith will be the preacher at that hour.

The pastor and family are comfortable located in the new parsonage located just north of the church. "I was glad when they said unto me, let us go unto 'the house of the Lord.' A good place to spend Sunday. Come and welcome.

WOODIE W. SMITH, Pastor.

Christian Church

Everything at our Mother's Day service last Sunday morning from the decorations to the sermon, and especially the fine singing, was most expressive and impressive and paid a splendid tribute to Mother.

Pentecost Sunday, May 20th, is decision day. Be sure to encourage your unsaved friends to accept Christ on that day, if not sooner.

Also please help get a great attendance.

Next Sunday morning I am to preach the baccalaureate sermon to graduating class of the Truscott high school. Bro. John Long will bring the morning message here. We announced last Sunday there would be no morning service, thinking the commencement services for the Crowell high school would be in the morning. They are Sunday evening, so we will have no evening service. A report of the state convention will be given next Sunday morning. About 20 of the members are attending this convention.

Mrs. Crews' band was not able to appear on our program last Sunday morning on account of the illness of one of the members, however, they will play for us next Sunday morning at the Sunday School service.

The Foard City meeting closed with one addition to date, another coming for baptism later. The Claytonville meeting begins next Sunday.

C. V. ALLEN, Pastor.

The Church of Christ

The work of the Church of Christ is going right on. We had a good crowd last Sunday. The singing was good Sunday night though the crowd was not so large.

Next Sunday we are expecting to have with us Elder Frank Starks of Anson, who will address us at the morning service. You will enjoy hearing him. A cordial invitation is extended to all.

Christian Science Churches

The lesson-sermon subject in all Churches of Christ, Scientist, Sunday, May 10, was "Adam and Fallen Man."

Galatians 6:3 furnished the golden text: "If a man think himself to be something, when he is nothing, he deceiveth himself."

Included in the lesson-sermon were the following verses from the first and second chapters of Genesis: "And God said, let us make man in our image, after our likeness: But

there went up a mist from the earth, and watered the whole face of the ground. And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul."

The service also embraced these citations from "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Man reflects God; mankind represents the Adamic race, and is a human, not a divine, creation. When speaking of God's children, not the children of men, Jesus said, 'the kingdom of God is within you'; that is, Truth and Love reign in the real man, showing that man in God's image is unfallen and eternal"

SERMONETTE

WHAT DO YOU ADMIRE? (By Arthur B. Rhinow)

When Washington settled with his wife at Mount Vernon, he ordered from Europe the busts of Alexander the Great, Charles Caesar, Marlborough, and Prince Eugene.

This indicates the choice of a man of action. His heroes are warriors and statesmen, men who did big things in a big way.

Our choice would probably be different. We, too, would use the busts or decorate the walls of our room with the pictures of men and women who did big things in a big way, but we would be inclined to select the prophets and poets of the race, the men who spoke with the voice of God and led humanity with the shekinah.

What would be your choice? Would it be movie stars of flimsy fame, or fighters with more brain

The Harvester-Thresher Savings Investment Plan

MAKES IT EASY FOR YOU TO OWN A McCORMICK-DEERING HARVESTER-THRESHER

Under This New Plan Every Responsible Grain Grower Can Pay for His McCormick-Deering Out of a Part of the Savings His Combine Will Make

CROP production cost figures compiled by McCormick-Deering Harvester-Thresher users show savings in harvesting and threshing costs of 20 cents or more per bushel when compared with government average costs for farms with similar yields.

We are so confident that thousands of additional grain growers can make proportionate savings with a McCormick-Deering Harvester-Thresher that we are announcing the McCORMICK-DEERING HARVESTER-THRESHER SAVINGS INVESTMENT PLAN, under which you or any other responsible grain grower can purchase a combine now and meet the first payment after harvest with just a part of the savings made possible by the new machine—with two more years to pay the balance.

Keep in mind that under this plan you get a time-tried and time-tested combine backed by 18 years of field experience with harvester-threshers. It is sold to you by a well-established McCormick-Deering dealer in your own community, whose stocks and service are supplemented by this large, permanently established International Harvester branch house right here in your own section.

In McCormick-Deering dealers' stores the repair bins are well stocked with genuine IHC repair parts. Thousands of these dealers maintain completely equipped service stations, offering factory-

standard service on McCormick-Deering Harvester-Threshers and Tractors and all International Harvester equipment. Additional service stations are being established as rapidly as they are justified by business in the community. As a direct result, McCormick-Deering service is better today than it was last year or 10 years ago; our resources and reputation are your guarantee that it will be still better when the harvester-thresher, tractor, or any other machine you buy today is 10 years old.

Consider well the value of this superior service before you select a harvester-thresher. You want to buy where you get the greatest value; not just the day you sign the order, but through every day and every year you rely on your purchase for cost-reducing performance at home and in your custom work. Consider, too, the advantage of being able to pay for your combine under the McCORMICK-DEERING HARVESTER-THRESHER SAVINGS INVESTMENT PLAN . . . making it doubly advantageous for you to buy your equipment where you can get the absolute assurance of good, quick, complete service which is offered you by this International Harvester branch and the McCormick-Deering dealer serving your community.

See the McCormick-Deering dealer for full details of the McCORMICK-DEERING HARVESTER-THRESHER SAVINGS INVESTMENT PLAN.

Group Back from Meet at Austin

A party consisting of ten Crow-ley who attended the University Scholastic League meet at Austin last week-end returned Sunday. Although the contestants did not win any honors, they had the satisfaction of seeing some experts. They also witnessed nu-merous sights that will not be forgotten.

It seems that with each year the Crow-ley grows better. In athletic records were broken. Four Wilson, high school, Fort Worth won the track meet with 15 points. San Angelo had ten points and Austin won the one-act play with the presentation of "The King of the Hill." Both of Sherman's teams advanced to the final round.

In general, there were extra good contests in all divisions of the meet. Literary events. No one seemed to be exceptionally good in a number of things and were well distributed about the schools of the state.

Seventh Grade Class to Give Pageant with Graduation Program

The seventh grade graduation exercises will be a Greek pageant. Summary: The members of the graduation class make up the king's party. The king and queen, with their attendants, have just left grammar school kingdom and are enjoying a brief period of festivity before entering high school kingdom. Minerva, Goddess of Wisdom (high school representative) welcomes them, crowns the king and queen and presents diplomas which are in the form of torches. The king's party together with Minerva, are entertained by the members of the 5th and 6th and 7B provinces and by a group of dancers from primary kingdom. After the entertainments are gone the torches of knowledge are lighted and Minerva guides the party into the Kingdom of High School.

Program:

1. Entrance of King, Queen and attendants.
2. Crowning of the King and Queen and presentation of diplomas (torches) to King by Minerva, Goddess of Wisdom. Music by Geraldine from the House of Carter.

Juniors Entertained by Seniors with Picnic

The Senior class returned the Juniors courtesy Thursday afternoon with a picnic at Jim Bell's pasture. The Junior-Senior banquet was looked forward to the first part of the year, but after it the Seniors' response to this banquet was the main event of the future. It proved to be one of the best social successes in high school this year. Every Junior was very excited, happy and content, that, he was looking forward to the cats. This was somewhere to go and he had plenty to eat. After the supper was relished, a game of "Hog Heaven" was played (into which every one was admitted). A number of outdoor games followed after which all crowded on a truck and serenaded until a very late hour. No one wanted to go home, but we did not have enough hats to lose to go out into the country again, so every one sadly went home.

Sophomore Picnic

A gay group of Sophomores boarded Mr. Todd's school truck last Friday afternoon bound for the Wichita river. Francis was successful in dodging all the traffic in Foard City and brought us safely to our destination. When we reached it the boys reverted to their childhood days and waded across the river to the sand flats; the girls followed by a more indirect route. Then we all joined in a game of football in which Iris and Billie were voted the star players. When we tired of this game and of "Bronco Tag" and "Belt Line" we returned to the bridge to eat our supper. It would have been a success had there been more bananas.

By dark we had had enough to eat and were tired enough to return home from the last picnic we shall ever have as Sophomores.

WE REGRET!!!

That in spite of our district victories we didn't win at State.

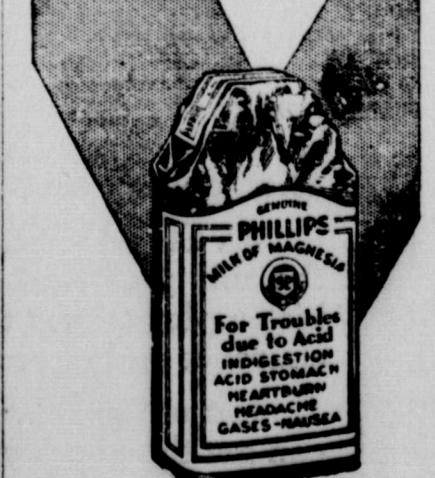

That the Juniors are so jealous of the Seniors. (They should be.)

That all of the graduates won't graduate.

That the Freshmen did not have to walk or be run through the belt line. However cleaning out lockers, chasing tennis balls and numerous other things have been enough.

That the Seniors did not have time

ACID STOMACH

EXCESS acid is the common cause of indigestion. It results in pain and sourness about two hours after eating. The quick corrective is an alkali which will neutralize acid. The best corrective is Phillips Milk of Magnesia. It has remained standard with physicians in the 50 years since its invention.

One spoonful of Phillips Milk of Magnesia neutralizes instantly many times its volume in acid. It is harmless and tasteless and its action is quick. You will never rely on crude methods once you learn how quickly this method acts. Please let it show you—now.

Be sure to get the genuine. "Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Company and its predecessors Charles H. Phillips since 1875.

enough to have all of the socials they wanted. Every day has been fulfilled.

That financial conditions have been so bad this year.

We could not have an annual. The Juniors could not have a play. We now wish to say that we are glad that C. H. S. has done as well as it has and regardless of our regrets, we are happy, contented and proud of such records we have made.

FLASHES FROM THE AUSTIN TRIP

Crews: I won't have this room. It's too little. That dinky little folding bed. You think just because I'm from the country—
Elevator Boy: Shut up and get in—this is the elevator

Dick spent most of his time on the elevator getting a free ride.

Ralph entered a street car and dropped his nickel in the slot. After a while the man asked what he wanted. Ralph: "When do I get my chewing gum!"

The only reason John didn't win was because he couldn't decide whether to have John or J. D. engraved on his medal.

Crews and John seemed to expect to see the Leaning Tower of Pisa from the way they argued over the curvature of the buildings.

It seems that Crews would like to attend the deaf school to play on the ferris-wheel.

Dick was so eager to gather a bouquet to bring home to his girl that he pulled up all the bushes at the tourist camp.

Ralph: Hurry up with my turtle soup. I've been waiting an hour.
Waiter: Yes, but you know how slow turtles are.

THE SPONGE CORNER

Crews says, "I did not have a good time at Austin because I was afraid my girl would be out with some other guy. Will you please tell me whether or not she was?"
The Sponge says, "My dear fellow, it was not some other guy, it was the same Guy."

John Todd asks, "Did Kathryn trifle on me while I was gone to Austin?" The Sponge says, "She was true right up to the last but then—she thought you might be having a good time and she had a good time whether you did or not."

Una Mercer asks, "Do I really look like Clara Bow?" The Sponge says, "Yes, you're the 'it' girl of C. H. S."

Maggie Meason says, "There was

a large bowl on a table in an expensive hotel; did I do right by drinking from it?" The Sponge answers, "Young lady, that was a finger bowl, and to think you a Senior!"

Are you reading this corner? Do not forget we have this every week so send in your troubles in care of the Sponge.

JOKES

Evelyn: Do you file your nails?
Jo: No, I just cut them off and throw them away.

Alyne: Lella Ben has terrible table manners. She started scratching her head with her fork and all the peas fell off my knife.

Traffic Judge in 1950: Wrong side of cloud. Fifty dollars and costs.

Henry B.: What does your clock say?
Coach: 9:30.
Henry: That's funny, mine says "tick, tick."

Why Geographers Leave Home

Waiter: Are you Hungary?
Customer: Yes Siam.
Waiter: Then Russia to the table and I'll fix it.
Customer: All right. Sweden my coffee and Denmark my bill.

Electric Cookery Lightens Kitchen Tasks

Freedom from "Pot-watching and tasting"—made possible by the automatic features of a modern Electric Range—are not the only advantages of Electric Cookery.

Because of clean and controlled electric heat, and the absence of smoke, soot and fumes, the scrubbing and scouring of blackened pots and pans is eliminated—curtains and drapes do not have to be washed with such distressing frequency—walls and ceilings do not become discolored and dirty in such short order.

Aren't these important savings worth considerable—both in time and money?

Electric Cookery makes possible the preparation of better meals in less time—and does away with much of the tiresome drudgery attendant upon the cooking of approximately one thousand meals each year. Why not investigate the advantages of this modern household necessity today?

COMING MARRIAGE OF MISS LUCILLE ELLIS ANNOUNCED

Miss Lucille Ellis was honored Saturday afternoon by Miss Martha Schlagal with a party at the home of Mrs. L. Swain where announcement was made of her coming marriage to Mr. Vern Walden on June 6. Games of bridge and "600" were enjoyed throughout the afternoon. The tables were attractively decorated in pink and white; the same color scheme was carried out in the refreshments. In the plates were wedding ring favors in which were fastened scrolls bearing the words, "Lucille and Walden, June 6."

The honoree was presented with an appropriate albumette.

Those present were: Misses Ruth Patterson, Winnie Self, Frances Hill, Barbara Cryer, Winnie Thomson, Anna Mae Ellis, Florence Black, Dorothy Florence Hinds, Frances Schlagal, Thelma White, Louise Ball, Frankie Kirkpatrick, Lottie Woods and Mesdames Sam Crews, Clyde McKown, I. T. Graves, Earl Davis, J. E. Harwell, Sidney Miller, Ernest King, Jimmy Self, Esca Brown and Wesley Linkenhorger.—Contributed.

FINAL MEETING OF YEAR HELD BY COLUMBIAN CLUB

A delightful breakfast was the final meeting of the Columbian Club for the year, with Mesdames I. T. Graves, B. D. Miller and Sam Rosenthal as hostesses, at the home of Mrs. Rosenthal on Wednesday morning, May 13th.

A lovely two course breakfast was served at small tables, each of which held a miniature May pole with ribbons leading to the May pole dancers, which served as place markers. Spring flowers were used for decorations and were featured on tallies and score pads used in the games played after the breakfast. Mrs. T. B. Klepper received the high score prize and Mrs. C. S. Seance the low.

Guests besides the active and associate members of the club were: Mesdames M. M. Hart of Gilmer, C. S. Seance of McCombs, Gordon Gauthier of Waco, S. S. Bell, Charles Thompson and J. B. Riddle and Misses Frances Hill and Lita Crews.—Reporter.

MRS. J. E. HARWELL ENTERTAINS TEACHERS

Mrs. J. E. Harwell entertained with a dinner party on Tuesday evening honoring the present and past teachers of her daughter, Helen. After the dinner was served, games of various kinds were enjoyed. The guests for the occasion were Misses Lottie Woods, Thelma White, Martha Schlagal, and Mesdames J. H. Lanier, Jr., I. T. Graves and Jimmy Self.

CHICKEN BARBECUE

On last Thursday evening Miss Gussie Todd entertained a number of her friends with a chicken barbecue on the Todd farm. Upon arriving everyone was greeted with a sign saying the hens would be taken in at 8:30. At that time the hens were taken from the pits and served with other things, making a complete picnic lunch.

Those present were: Misses Thelma White, Louise Ball, Ruth Patterson, Ila Lovelady, Barbara Cryer, Eddie Mae Oliphant, Vergie Callaway, Lottie and Grace Russell, Florence Griffith, Imogene Oliver, Eva and Gussie Todd, Doyle Kenner, Lee Black, Teddy and Raymond Burrow, Henry Reichardt, Fannie Deason, Jack Welch, Joe Welch, Vance Swain, Merle Kincaid and Virgie Green.—Contributed.

YOUNG WOMEN'S MISSIONARY CIRCLE ORGANIZED

The Young Women's Missionary Circle was organized on April 20th. Mrs. Russell Beverly, our sponsor, took charge until the president, Lotie Russell, was elected. Only one officer was elected until later. Gussie Todd was elected secretary and other officers were appointed by the president.

At the last meeting eleven were appointed by the president.

At the last meeting eleven were present. Ila Lovelady, our study leader, was in charge of the devotional meeting. Our book for Bible study, "Great Souls of prayer," will be here next meeting and we will start our study. If you have not been coming to the young women's

missionary circle, make a special effort to be with us next Monday at 8 o'clock in a social at the home of Mrs. Russell Beverly. Come join us, we want new members.—Reporter.

ELSIE SCHINDLER IN VOCAL RECITAL AT WICHITA FALLS

Miss Elsie Schindler, daughter of Dr. and Mrs. H. Schindler of this city, will be presented in a vocal recital at Wichita Falls, Wednesday evening by her voice instructor, Mrs. Lois Parker.

The recital is to take place at the Episcopal Parish House. Miss Elsie Ward will accompany Miss Schindler at the piano in the light numbers that she is to render. Musical numbers by other students have been arranged in connection with the recital, featuring Miss Schindler.

EXPRESSION RECITAL TUESDAY

Mrs. I. T. Graves, expression teacher for the Crowell schools, will present her pupils in a recital at the high school auditorium Tuesday evening at 7:45 o'clock.

Entertaining Program at Rotary Luncheon

Vance Swain was in charge of an entertaining program at the luncheon of the Rotary Club Wednesday. With Miss Frances Allison as accompanist, Miss Dessa Housouer gave a ukelele solo and followed with a vocal solo. Two clever readings were given by Wanda Rose Liles.

Fred Rennels made a talk concerning the dairy show that is to be held here on June 1, Monday. Wallace Huggins, president of the Vernon Rotary Club, made a short talk in which he suggested that the Crowell and Vernon club members and their families have a barbecue some night at a point between the two cities.

J. J. Wells, Santa Fe official of San Angelo, made a short talk. Ep Haney, Vernon Rotarian, was a visitor at the luncheon.

MARGARET 4-H CLUB GIRLS

This club met May 8 at the school house with 8 members and Miss Hale present.

Miss Hale gave a talk on the dress contest, which is to be held May 29. She said there would be 5 or 6 girls enter from here.

We had two new members, Misses Eva and Edith Carter, and we urge that every girl who can be at the school house next Friday, May 22, at 9 o'clock.—Reporter.

AYERSVILLE CLUB

Ayersville Club held the last meeting with Mrs. Will Tamplin. "Butter, and how to make it," was discussed by all present. Also food exhibit and booth plans were discussed and planned.

Next meeting will be at the school house for the benefit of those who could not otherwise attend. Making of American cheese is our next demonstration. We urge each lady in the community to try to attend if possible May 21st.—Reporter.

FOARD CITY CLUB

The girls' 4-H club met May 5 in the club house. Miss Hale and 13 members were present with one absent.

After a short business meeting Miss Hale made a short talk on the school dress.

It was decided to have a carnival to help make money to send a delegate to A. & M.

We adjourned to meet May 19 at the club house. All hem patches are to be handed in at the next meeting.—Reporter.

MARGARET HOME DEMONSTRATION CLUB

The Margaret Home Demonstration Club met May 8 with Mrs. John L. Hunter Jr. as hostess and Mrs. Melvin Moore leader.

After a short business meeting the subject for the afternoon, "Milk, the National Drink," was discussed by Mrs. Leo Owens, Mrs. Moore and Mrs. Frank Damm. Miss Hale gave a very interesting demonstration on making of American cheese. We had 22 members and 3 visitors present. Our next meeting will be May 22 with Mrs. Hood.—Reporter.

ARRANGING SONG PROGRAM

The program for the all-day singing that is to be held at the Black school house on Sunday, May 31, is now being arranged and considerable interest in the event is being shown, according to Sam Mills, who is arranging the program.

Interesting Program for Legion Meeting

George Self will be in charge of the program at a joint meeting of the American Legion and Legion Auxiliary here Friday evening at the Oud Fellow hall.

A special number is to be provided by Truscott ex-service men. Music will be furnished by Eb Scales and his group. A reading will be given by Miss Jimmy Lois Gafford and a special "initial contest" will be conducted. Arrangements are being made by the program committee, consisting of Julian Wright, John Long and Mr. Self.

One of the features of the program will be a twenty-minute address by Major R. W. Macke of Paris, Texas, veteran of the World War and famous globe trotter. Major Macke was a chaplain in the Pittsburgh regiment of the Winnipeg "Black Devils" and bears many scars as mute testimony of the horrors of war. His left arm was blown off while in service during the World War.

Major Macke will discuss various phases of American Legion and Legion Auxiliary work.

FACE FACTS

Shall we continue to contribute to the welfare of another city at the expense of our own community?

Is it fair to the unemployed of our community to not aid them in their chances of getting steady employment through the simple process of creating better business conditions by keeping our own money circulating in our community? Tests demonstrate that a dollar circulates TWENTY times within a community during a year. The dollar sent away moves ONCE and never returns.

EVERY DOLLAR leaving this city for merchandise cuts down the ability of your merchant to pay his taxes, to pay his rent, to keep his employes, and to help our charitable institutions, our schools, our churches and our homes.

Let us consider this matter calmly and sanely. Your merchant can get the goods you want if he does not have them. His prices and quality meet those of other places. In fairness to your city, community and yourself, we earnestly ask that you use him.

Remember, cities that have the best stores are those having the best support for them. Our stores can be made better if given better support.
