SIXTY-FOURTH YEAR NUMBER 27

CROWELL, FOARD COUNTY, TEXAS, THURSDAY, JAN. 20, 1955

EIGHT PAGES

MR. AND MRS. L. G. ANDREWS

L. G. Andrews Observes 90th Birthday Monday; 69th Wedding Anniversary of Mr. and Mrs. Andrews Reached Jan. 5

The 90th birthday of L. G. Andrews, pioneer resident of Foard County, was observed at his home in Crowell Monday, Jan. 17. Another important event in the lives of Mr. and Mrs. Andrews was their 69th wedding anniversary which came on Jan. 5, 1955.

Mr. Andrews was born in Holmesville, Miss., Jan. 17, 1865. He came to Plano, Texas, March 15, 1885, and on Jan. 5, 1886, he was married to Miss Mary Elizabeth Sandifer, oldest daughter of the late Mr. and Mrs. J. W. Sandifer. Mrs. Andrews was born in Dallas County April 25, 1869.

Mr. and Mrs. Andrews have five living children: J. B. Andrews of Amarillo, Charlie Andrews of Vernon, Mrs. Lorena Harrison of Paducah, L. A. Andrews and Miss Maye Andrews of Crowell. One daughter, Ruby, passed away in 1916. They also have five grandchildren and four great grandchildren.

Move to Crowell in 1901

The Andrews family came to Crowell in 1901. Mr. and Mrs. Andrews are truly pioneers and have been active in the development of Foard County during the many years they have lived here, until ill health caused them to be confined to their home. Mr. Andrews is now bedfast, having suffered a stroke about three months ago. For some time his eyesight has been failing and now his vision is almost gone. Mrs. Andrews is also in ill health.

Miss Maye Andrews, bookkeeper for Self Motor Co. and youngest daughter of Mr. and Mrs. Andrews, lives with her parents.

News About Our Men in Service

Staff Sergeant Bruce D. Bledsoe has been sent to Camp Bergstrom, near Austin, after returning from overseas duty in Korea for one year and spending a thirty-day furlough here visiting his parents, Mr. and Mrs. Joe Bledsoe.

RE-OPENS CAFE

Mrs. Catherine Whitby has reopened the Southside Cafe after having been closed since last July. Mrs. Whitby will be assisted in the operation of the cafe by Bill Martin.

Grady Halbert Wins Prizes in Soil Conservation Speech-Making Contest

Grady Halbert of Foard City, a supervisor of the Lower Pease River Soil Conservation District since the district started operating in October, 1946, has been named State and area winner in a nationwide speech contest staged to promote soil and water conservation.

Mothers' Basketball Game at Thalia Nets \$117.17 for March of Dimes; Thalia Club to Sponsor Amateur Show Friday

The return engagement of the Mothers' Basketball series was played in the Thalia School gymnasium Monday night. Attendance was reduced on account of the rain and of course, the gate receipts suffered accordingly. However, in spite of the rain, \$117.17 was added to the March of Dimes, including \$35.10 from the bake sale sponsored by the Thalia Home Demonstration Club and the Idle Hour Club.

The ladies again put on a good performance on the court, and the Thalia club received a rousing cheer when they appeared on the court dressed in their new uniforms of bright red, old-fashioned bloomers and blouses. After the game, the Helen Hayes polo film, "They Shall Not Want" was shown. This film is a short story of a visit to one of the March of Dimes financed Iron Lung Centers.

Home Talent Show at Thalia

On Friday night, the Thalia Home Demonstration Club is sponsoring what will probably be the last of the series of special events being staged in Foard County for the benefit of the March of Dimes campaign. This will be a home talent show consisting of quartets, music, readings and similar numbers. This will be a new show with performers from Crowell, Margaret and Thalia, and the Santa Rosa Roundup Gang from Vernon will also provide music. The Thalia ladies extend a hearty welcome to all Foard County people to attend this program.

Funeral for Mrs. Luke Bledsoe Held Wed., Jan. 12th

Mrs. Bledsoe Died Suddenly at Home in Margaret Jan. 10

Funeral services for Mrs. Luke Bledsoe were held in the Margaret Baptist Church Wednesday afternoon, Jan. 12, at 2 o'clock conducted by the pastor, Rev. G. C. Lane, who was assisted by Rev. W. J. Kroy, Margaret Methodist pastor, and Rev. Clarence Bouds of Margaret, retired Methodist minister.

Mrs. Bledsoe, resident of the Margaret community for many years, died Monday, Jan. 10, following a short illness.

Interment was in the Crowell cemetery under the direction of the Womack Funeral Home of Crowell.

Lyla Pickett was born in Stone-wall County July 15, 1888. She was married to Luke Bledsoe Jan. 2, 1906, and they had made their home in the Margaret community most of the time since then.

She was a member of the Margaret Baptist Church and the Margaret Home Demonstration Club.

Survivors are her husband and five children, Ollie Bledsoe of Wichita, Kansas, J. D. Bledsoe of Margaret, L. S. Bledsoe of Oklahoma City, Arvil Bledsoe of Sunray, and Mrs. George W. Lynch of Oak Harbor, Wash.; six grandchildren, two great grandchildren; one brother and one sister.

All of the children were here for the funeral with the exception of Mrs. Lynch.

Returns from Fishing Trip to Old Mexico

T. H. Matthews of Thalia returned Tuesday from a fishing trip to Guaymas, Mexico, in the Gulf of California, 280 miles south of Nogales, Ariz.

Mr. Matthews made the trip with a party of Clarendon citizens, Cap Morris, Bill Todd and Glenn Adkins. The party returned by way of Tucson, Ariz., and El Paso and brought back about 600 pounds of fish. They encountered snow 100 miles south of the border, something very unusual in that vicinity. This was Mr. Matthews' second trip.

While deep sea fishing, Mr. Matthews said that the party sighted a school of four whales.

WINNER OF NOBEL PRIZE FOR PEACE CELEBRATES 80TH BIRTHDAY

Dr. Albert Schweitzer, winner of the Nobel Prize for Peace, celebrated his 80th birthday dodging the world's acclaim of his "humble" service to humanity. Deep in the steaming jungle he chose for a home, Schweitzer spent the day as he had spent his life—taking care of lepers, and other ailing natives in the hospital he built.

Visitors at the Wednesday meeting of the Rotary Club of Crowell were Rotarians Joe Anderson, Ed Featherston, Guy White and Vance Favor, of Quanah, and Walter Ray of Matador.

Tom Woods was program chairman and the 3-minute Rotary talk was made by Marion Crowell. The main speaker was Merl Kincaid, who made a very interesting talk on banking, its origin, etc.

Last year, the American Red Cross participated in 318 disaster relief operations throughout the nation, and gave emergency mass care to over 62,000 people plus long-term aid to 7,100 families.

Attendance for Sunday, Jan. 16, at the various church schools of the county follow:

Assembly of God	79
First Christian	87
Free Will Baptist	51
Crowell Methodist	151
Down Town Bible Class	74
First Baptist	194
Margaret Baptist	27
Margaret Methodist	20
Total	683

J. J. Talley of Amarillo has accepted a position as chef at the DeLuxe Cafe and has been on the job for the past two weeks. In addition to being a good cook, Mr. Talley's specialty is preparing food for banquets.

An Editorial Response to March of Dimes Campaign Will Save Lives

The response that we are making this month to the 1955 March of Dimes campaign will mean the difference between life and death for thousands of American people. This is true because six thousand of the forty thousand persons stricken with polio during 1954 required the use of iron lungs and other breathing apparatus. For each of them, the provision of an iron lung through the March of Dimes funds actually meant "new life."

One of the finest services that is rendered by the March of Dimes funds that you and I give is that of providing such breathing apparatus whenever and wherever they are needed. Last year, more than two thousand iron lungs were sent to the epidemic polio areas of our nation.

There has been an increase in recent years in the number of people who are severely paralyzed by polio. A great portion of the funds that we give to the 1955 March of Dimes will help them to the greatest degree of recovery possible.

The 1955 March of Dimes campaign will end on January 31. Make a personal gift today, so that our nation and its communities may be freed from the dread and fear that polio brings into human life.

Give today to the 1955 March of Dimes campaign!

Amateur Program Thursday Called Great Success

The amateur program given in the high school auditorium last Thursday evening was a great success from an entertainment viewpoint and in a financial way.

The Crowell Primary Department numbers included songs and parts by students of Mrs. Grady Graves, Mrs. Gordon Cooper, Miss Marian Hays, Mrs. Grace Davis, Mrs. Floyd Thomas, Mrs. Guy Bouds, Mrs. Carrie Hart and Mrs. Ector Solis.

A clever bubble blowing song was given by the Thalia school students of Mrs. Howard Bursley, Mrs. Ira Toole, Mrs. Allan Shultz and Charles Howard Bursley.

The speech class of Mrs. Elmo Todd presented a one-act play, "The Wedding," featuring the following students: Gordon Graves, Roma Jan Spikes, Betty Bartley, Francine Coffey, Ray Thomson, Aldon Garrett, Joe Don Brewer and the Anna Ferguson.

Mr. and Mrs. Bud Halsell, Cecil Driver, Charles Branch and Mrs. Bernice Sanders composed a string band that played several numbers.

The Santa Rosa string band of Vernon also rendered several musical numbers.

Patricia Prosser entertained with a clever novelty pantomime number.

The Crowell Colored School, under the direction of Paul Bree and Miss Marie Menefee, presented two song numbers and a jittersbug contest. Mrs. Marvin Myers, as Minnie Pearl, made her second appearance in Crowell, while Mrs. Grady Halbert appeared as Mama's Little Darling. The following clubs also did entertaining numbers: The Margaret Home Demonstration Club under the direction of Mrs. Raymond A. Bell and Mrs. Belle Blevins; the B&PW Club under Miss Maye Lee Collins; the Vivian H. D. Club under the direction of Mrs. Otis Gafford and Mrs. Henry Fish; the Foard City H. D. Club under the direction of Mrs. Howard Ferguson; and the Gamblesville Club under the direction of Mrs. Buster Cates.

A high school quartet composed of Jana Black, Shirley Fox, Sandra Sanders and Carolyn Monks, sang several songs.

Lowell Brown directed a quartet from Vernon in several songs.

High School Cagers Break Even in Games Last Week

The Crowell High School basketball team split games the past week by defeating Holliday 73 to 56 here last Friday night and dropping a conference contest at Lockett on Tuesday night by the count of 55 to 48. Mike Wishon and Billy John Rader led in percentage of shots in the Holliday game. Gordon Graves was the only Crowell player to hit a good average at Lockett, but he fouled out of the game early in the fourth quarter with the score tied at 40-40. The Wildcats hit 45 per cent of their shots against Holliday and only 36 per cent against Lockett. Their passing was rather erratic in the game at Lockett. These teams play here on February 8th. Billy Price scored 25 points for Holliday and Jerrel Rasmus scored 17 for Lockett.

The Crowell girls also split games, winning from Holliday 76 to 55 and losing to Lockett 43 to 33. Peggy Long scored 29 points in the Holliday game and Billy Bell Graves led with 12 at Lockett. Crowell guards looked exceptionally good against Holliday.

The Crowell "B" string boys defeated Holliday "B" boys 52 to 33. The floor work of Larry Sledge was sensational.

Paducah Plays Here Tuesday

The Paducah Dragons, both boys and girls, come here next Tuesday night for conference games.

ROTARY CLUB

Visitors at the Wednesday meeting of the Rotary Club of Crowell were Rotarians Joe Anderson, Ed Featherston, Guy White and Vance Favor, of Quanah, and Walter Ray of Matador.

Tom Woods was program chairman and the 3-minute Rotary talk was made by Marion Crowell. The main speaker was Merl Kincaid, who made a very interesting talk on banking, its origin, etc.

Last year, the American Red Cross participated in 318 disaster relief operations throughout the nation, and gave emergency mass care to over 62,000 people plus long-term aid to 7,100 families.

Plans Are Complete for Football Banquet to Be Held Tonight, Jan. 20

The annual football banquet honoring this past season's Wildcat squad will be held tonight (Thursday) at 7:00 o'clock in the Down Town Bible Class hall. It is being sponsored by the Crowell Booster Club and the food is being served by the Deluxe Cafe.

Tom McCandless, president of the Booster Club, states that about 80 tickets had been sold up to Wednesday morning. They plan on selling 100 tickets to the public which will make about 160 in attendance. Each boy has been given the privilege of inviting one guest.

George Self will act as master of ceremonies, and Dick Todd, new head coach of Midwestern University, will be the principal speaker of the evening.

Tickets will remain on sale at both drug stores up through Thursday afternoon at 5 o'clock.

Soil Conservation District Supervisors Have Meeting Here

At the last monthly meeting of the Board of Supervisors of the Lower Pease River Soil Conservation District, held January 12 here in Crowell, four new conservation agreements were approved. These conservation agreements were on the farms of T. A. Campbell, Wayne English, W. F. Stater and Ira Denton.

Soil Conservation Service technicians from the Lower Pease River Soil Conservation District are assisting these cooperators with a complete conservation plan for each of their farms. These farmers have already applied one or more conservation practices on their land.

Cover Crops Paid Off

Despite the severe drought which this area suffered last year, cover crops paid off for many farmers. Tom Young, district cooperator, who is the operator of the Odie Tooley farm, located seven miles northwest of Quanah, stated that last year his guar showed a profit of \$7.61 per acre when the seed was harvested. Grain sorghum grown on the same farm under the same conditions was not good enough to be harvested. In this case, guar not only served as a cover crop and added valuable plant food nutrients to the soil, but netted more cash returns than grain sorghum. These are some of the characteristics of guar which have made it so popular in this area.

Foard County Receives Rain During Past Week

Light showers began falling in Foard County last Thursday and Friday and were general over the county. At that time .21 of an inch was recorded at the Crowell State Bank. Then on Monday afternoon and night another rain came, estimated to be one-fourth to one-half inch over the county, which was followed by a cold norther which dropped temperatures to the low 20's early Wednesday morning. The rain Monday was heavier in the east part of the county, measuring one-half inch, it was reported.

A strip of country in the southwest part of the county, which started in the vicinity of C. R. Seale's farm, received from one to one and a half inches of moisture.

This amount of precipitation, in addition to the good snows, will give the wheat crop a good start.

Tuesday and Wednesday of this week was clear and cold.

One and one-tenth inches of moisture have been recorded so far this month, while in 1954, only .12 of an inch was recorded during the entire month.

The total rainfall recorded by the Government gauge at the Crowell State Bank for 1954 was 22.07 inches, just a little short of the average rainfall for the county of from 24 to 25 inches. However, 11 inches of this amount was recorded in May of last year. The rainfall for 1954 was extremely spotted, some parts receiving much more than others.

HOSPITAL NOTES

FOARD COUNTY HOSPITAL

Patients In:

Fred C. Borchardt, Robert B. Whiteman, Mrs. Lottie Pittillo, Mrs. Homer Ketchersid, David Goldsby.

Patients Dismissed:

Mrs. Will L. Johnson, Mrs. Laura Johnson, Mrs. W. R. Womack, Mrs. Paul Johnson, Mrs. Mary Buck, H. O. Clark, Kathy Hammonds, Sally Ball, John L. Bradford.

Rev. C. T. Aly at Home After Trip to Island of Jamaica

Rev. C. T. Aly, pastor of the First Baptist Church and president of the Ministerial Association of Crowell, has returned from an evangelistic tour of the Island of Jamaica, British West Indies. He reports a good time on the trip.

The island is one of the beauty spots of the world. He found the people very cordial in their reception of the ministers who made the trip. The natives were glad to have a missionary interest taken in them, Bro. Aly stated.

The pastor reports that there were sixty-one who publicly confessed Christ as their Saviour and one young man surrendered to the ministry.

The fifty-six ministers who made the trip report 2,771 conversions and it is believed that this evangelistic campaign will continue to bear spiritual blessings to the people of Jamaica.

The First Baptist Church of Crowell and the Wilbarger-Foard Association sent Bro. Aly on this mission sponsored by the Baptist General Convention of Texas.

He says he will be giving reports on this trip from time to time, which will help all to understand the economic, moral, educational and religious conditions of the people of Jamaica.

WORLD'S SPEED RECORD HOLDER FALLS TO DEATH

The body of test pilot James B. Verdin, who held the world's speed mark, was found in a barren desert area 15 miles northwest of Victorville, Calif. The 37-year-old Navy combat hero was reported missing after his Navy A-4D Douglas Skyhawk, described as "the world's smallest atomic bomber," crashed and burned. The pilot had radioed he was bailing out, but his parachute had apparently failed to open.

SCIENCE AND SCIENTISTS ALL-IMPORTANT IN MILITARY AND ECONOMIC WORLD

What is the most important factor when military and economic conflicts of other nations occur? It is science and scientists. Physics, chemistry, medicine, higher mathematics, and engineering of many types are the most potential weapons in the struggle for

advantage. Our scientists have done the unbelievable as a matter of routine, but there is becoming a shortage of qualified men in some of our basic lines such as chemistry. Unless this demand is satisfied, other nations may gain the lead and threaten our world peace. We should satisfy this demand not only in the interest of peace but of survival.

Science and scientists make possible every little luxury that we enjoy. Without outstanding leaders in our science departments, we could not have achieved our scientific knowledge of today. We should train others to take their places when the time comes. In order to do this, we must create an interesting background for our sciences in order to interest students in this particular field. There can be no other field equal to this one so far as keeping your interest, as something new is found every day by one who studies it.

We must seek higher goals of achievement in order to secure world peace, and to be a leader of other nations, feared by those who wish to make aggressive moves, and friends of those who wish our protection. James Welch gives CHSites a taste of the chemical field. We hear that several boys plan to continue the field of chemistry in college.

FOARD COUNTY AMATEUR PROGRAM

The annual Amateur Program was held Thursday night, Jan. 13, in the Crowell High School auditorium. It was sponsored for the benefit of the polio fund, and the profit amounted to \$383.22.

All of the primary grades of Crowell and Thalia Schools presented brief musical programs.

Next on the program came Patricia Prosser, with her very original pantomime of "Hearts of Stone." Real frantic! "A Wedding," was presented by Mrs. Elmo Todd's speech class. Does anyone know what happened to the poor groom's collar button?

The Barber Shop Harmony Four, composed of three boys from Vernon and Lowell Brown, minister of Church of Christ, sang a few tunes of old, and then the Halsey, Dwyer, Branch and Sanders symphony orchestra strummed a few classics.

Each of the Gambelville, Margaret and Vivian Home Demonstration Clubs, the Thalia Idle Hour Club and the B&PW Club gave a comical skit. Between one of these skits the Santa Rosa gang of Vernon added a touch of variety.

Later, the Crowell High Songbirds entertained with a song, "Make Yourself Comfortable." Next came more songs, a hymn

by the Foard City Stamps Ozark Quartet and "Old Man River" and "Indian Love Call" by the students of the Crowell Colored School, who were directed by Miss Marie Menafee. Following this, Paul Barree supervised a jitterbug contest.

Minnie Pearl (Peggy Myers) was present with a song and lots of news from Grinder's Switch. Everyone agreed that Henry Black made an excellent announcer.

The entire auditorium was filled, and the program was enjoyed immensely.

EX-STUDENTS COLUMN

For a while it seemed like inertia had taken all of the ex-Wildcats, but at last we have some news.

Henry Teague, a blonde devilish ex-senior of CHS who is now a proud soldier of the U. S. Army, has been re-stationed. Moving from Fort Bliss, he is now enjoying a staff at Fort Davis, Wintrop, Mass. Upon his arrival, Henry visited the USS Constitution, the church where the lanterns were hung by Paul Revere, and Paul Revere's home.

Did anyone ever notice Ray Geaslin having weird little eyes. Neither did I, but hers must be like that, because she is majoring in chemistry, and everyone knows that all scientists have beady little eyes. All kidding aside, may you have many happy, harmless explosions! Ray is attending Brigham Young University at Provo, Utah.

LIQUID AIR DEMONSTRATION—MAIN TOPIC OF ASSEMBLY

John Sloan, a former science teacher, presented one of the most interesting Southern Assembly programs of the year on Monday, Jan. 17, in the auditorium. Seventeen years have been devoted to research and extensive experimentation with liquid air, resulting in many new and spectacular experiments.

Probably no product of the laboratory lends itself to more spectacular demonstrations than liquid air. It piques the curiosity not only of the student but the technician as well.

While the liquid air demonstration was a marvelous "show" in itself, this program was given by a man who is not only a showman but a scientist as well. Sloan holds his master's degree from Duke University and brought the authority of the University and experience as a teacher of science along with his unusual ability on the platform.

In the course of his lecture-demonstrations, Mr. Sloan called to the audience's attention new uses for liquid air. The remarkable properties of liquid air are

being used for more practical purposes now than ever before. Several experiments with liquid air were performed, all of which were surprising, amusing, and amazing.

"KETCHES" ON KETCH

Eddie Ketchersid is tall, good hearted, and full of humor about himself as well as everyone else. His enthusiastic approach to his fellow students comes about thru the earnest conviction that anyone exposed to the faculty and student body of CHS is simply wallowing in good luck.

Because of his interest and ability, he upheld the drum section for a number of years in the band. He played the snare drum for several years and then switched to the bass drum.

According to his report, he regrets having to leave Crowell High after his few remaining months. He has enjoyed it immensely and has meant a great deal to the morale of his schoolmates.

Eddy enjoys just about anything there is to do because when he is around there is just naturally laughter and good times.

His future is undecided, but the spotlight of success lights his path and let's hope he follows it all the way.

W.A.F.—FUTURE FOR SPARKS

If you ever want to find her, just look for her two pals, Donna Norris and Geraldine Hrabal and you can be sure that Lucille Sparks is not far away.

This senior was born on Sept. 13, 1937, in Crowell, where she has lived all her life except two years she lived in Quanah. She has attended school here since the first grade.

Her favorite kind of date is one who is 5' 3" tall with brown hair and brown eyes. This no doubt proves that she prefers a certain Air Force boy.

If you are ever in her home, you will hear the radio on, more than likely on jazz or hillbilly music. If she is really pleased, you will hear "Shake a Hand."

A menu that sounds good to her is steak, french fries, ice cream, chocolate cake and iced tea.

If a baseball game is in progress, you will find her there.

After graduation this spring, she plans to join the Women's Air Force and to make a career of it.

ABSENCES

The following students were absent from school one-half day or more due to sickness: Shirley Fox, Barbara Holten and Jack Gentry.

The following students were absent from school one-half day or more due to other reasons: Barbara Ford, Ray Gibson, Don Kidd, Dale Rettig and Jerry Cates.

GIRLS WIN HOLLIDAY GAME

The Crowell girl cagers led all the way last Friday night as they branded a 76-59 defeat to the Holliday Eagles.

Peggy Long led in the scoring department with 29 points. This gives Coach Taylor's squad a 8-4 season record and 2-1 record for district play.

WILDCATS TOP HOLLIDAY

The Crowell Wildcats took their third district game here last Friday night with a 73-56 count over the Holliday Eagles.

The first five boys hit 45 per cent of their field goals with "Shotgun" Wishon and "Daniel" Graves leading with 22 and 23 respectively. "Chief" McBeath had the best percentage as he made 4 out of 4 field goals.

Rader, Knox and Hopkins all three did an excellent job on defense. The Crowell boys met Lockett Tuesday night in another district contest.

KAT TELLS

Mid-terms are over, but there are still some glum fumes. Reason: report card blues.

Poor Marketta! She has neither love nor a football jacket to keep her warm. Ed, what are you going to do with two football jackets?

Double dating Saturday night was Sandra and Billy John and Carolyn and Mike.

It looks like Vernon is a dangerous place to park your car on Saturday night. Bobby Davis' and Ray Thomson's car were broken into. Ray's keys were stolen, and Jana and Ray and Elizabeth and Aldon had to ride back with Sonny Cates and Joe Calvin.

Together Thursday and Friday nights were Betty Sue and Lowell Brown.

Enjoying "The Barefoot Contessa" Sunday night were Sue and Gerry and Betty Sue and Jack Johnson.

Have we lost two Crowell citizens? Peggy Long and Maxine were seen with Dan and Jim at Vernon Saturday night and Sunday afternoon. Seems to be a steady foursome because they were together at the ball games Tuesday and Friday nights.

Question of the week: what happened to Tommy Joe and Frances?

Doris is still wearing Coleman's ring.

Riding around Sunday afternoon were Jackie and Jo Helen. All the girls' conversation centers around "What are you going to wear to the football banquet?"

Frances and "Sammy" went to Vernon to the Plaza Wednesday night.

At the local flicks Sunday afternoon were Geraldine and Dwain.

Zody was sleepy Monday morning. Jeanie and Jerry spent the

night with her Sunday.

Who was "The Office Queen" alias Nell Johnson's date Saturday night?

Gail had on an awfully pretty white dress Sunday. James gave it to her for Christmas.

Who was the good looking boy seen with Wanda Murphy Sunday afternoon? Could he be from Quanah?

C. T. really ought to go on the stage after his performance in the "Liquid Air Show" Monday.

Did Carolyn enjoy her visit to Clovis over the week end?

June and Hughie Whitmire were together Sunday night.

Congratulations to Ginger and Roy Don on receiving their gold basketballs.

Are storm clouds hovering over the Jerry Fairchild-Printess Gidney duo? What say, kits?

We hear that some of the Crowell girls are going to the Quanah football banquet. How about that, Barbara and June?

LOWELL'S LAUGHS

Two little Hollywood kids were feuding. "My daddy can lick your daddy," shouted one of the boys.

"Yeah?" retorted the other. "You just wait till next year."

"Next year?" jeered the first. "Why, your daddy gonna take boxing lessons?"

"Naw, next year I'll probably have a new daddy."

Mrs. Sloan assigned the class to write essays on the subject, Our Cat. When Lowell McKinley turned in his paper, it read "Our Cat. We haven't got one."

The young couple had had their first quarrel, and all evening neither one of them had said a word. Finally the husband decided to give in. "Please speak to me, dear," he said. "I was wrong and you were right."

"It won't do you any good," replied the bride tearfully. "I've changed my mind."

"Why does that dog sit here and watch me so closely as I eat?" asked the diner.

Waiter, "Well, sir, you have the plate he usually eats from."

TRUSCOTT H. D. CLUB

The Home Demonstration Club of Truscott met Thursday, Jan. 13, at 2 o'clock for its first meeting of 1955 in the home of Mrs. Orval Myers. Mrs. Jack Hickman, president, opened the meeting by giving the devotion. Mrs. T. M. Westbrook led in prayer.

Officers for 1955 are Mrs. Jack Hickman, president; Mrs. J. R. Brown, vice president; Mrs. W. R. Owens, secretary; Mrs. H. P. Gillespie, treasurer; Mrs. J. G. Adcock, parliamentarian; Miss Mary K. Chowning, reporter; Mrs. W. R. Corder, council delegate.

Plans were made for the dinner to be held in Benjamin Jan. 31 for officers and any member who wishes to attend. After the busi-

ness meeting, the group quitted.

The following members were present: Mrs. Jack Hickman, Mrs. Marion Chowning Jr. and daughter, Sandra, Miss Naoma Brown, Mrs. J. M. Chowning, Mrs. H. P. Gillespie, Mrs. W. R. Corder, Mrs. T. M. Westbrook, Mrs. W. E. Good, Mrs. J. R. Brown, Miss Mary K. Chowning and one visitor, Mrs. Roy Green. Mrs. Jack Hickman was hostess.

The next meeting will be in the home of Mrs. J. M. Chowning Thursday, Jan. 27, at 2 o'clock.

Last year's traffic toll of death and injuries was the heaviest in history.

Saturday is the most dangerous day of the week in traffic.

Where Your Dollars Have More Cents

In the News . . . 30 YEARS AGO

News items below were taken from the issue of the Foard County News of Friday, Jan. 16, 1925:

The Foard County Poultry Show is in progress this week.

Mrs. Elizabeth Ballard, 72, died at her home here Friday night at 11 o'clock following a serious illness of only a few days.

According to the records the birth of males in the county, not including those at Thalia, for the year 1924, was in excess of females by 19. There were 146 births in the county. Outside of Crowell 65 of those were males and 47 females. In Crowell there were 13 males and 21 females.

While it is thought wheat is not dead, it is reported to be suffering from lack of moisture.

Louis Chesser, president of the First Bank of Truscott, and a pioneer resident of Truscott, died yesterday. Funeral will be held today.

Edgar Womack is again able to be at his post of duty following an attack of flu.

Mrs. M. N. Kenner has returned from a visit with her mother at Grimes, Okla.

Born to Mr. and Mrs. John E. Long on Jan. 8, a fine baby boy.

A baby boy arrived at the home of Judge and Mrs. Jesse Owens on Jan. 11.

Clyde A. Bullion of Truscott was in town last Saturday.

Jack White is at Bowie attending a business school.

A letter from W. B. McCormick of Venice, Calif., says they have experienced their first earthquake since they located in California.

E. P. Bomar, pioneer rancher of this section, who has been living in the Fort Davis country for the past five years, arrived here Wednesday to visit his daughter, Mrs. John E. Long, and family.

Otis Ross was here yesterday from Wichita Falls visiting his brother, Henry.

Margaret MRS. BAX MIDDLEBROOK

Ben Bradford of Abilene visited his mother, Mrs. Sudie Bradford, Sunday.

Mr. and Mrs. B. J. Eavenson and children of Pampa are visiting her parents, Mr. and Mrs. Coy Payne, this week.

Arthur Owens of Quanah was a visitor here Monday.

Mr. and Mrs. Saxon returned to their home in Spur Thursday after several days visit with her sister, Mrs. Joe Orr, and husband.

Mrs. L. D. Rhodes of Healdton and Mr. and Mrs. R. A. Bell and daughter met in Iowa Park for a week end visit with their sister, Mrs. W. B. Shoof, and family.

Mr. and Mrs. D. L. Owens of Knox City visited his mother, Mrs. Valeria Owens, and brother, A. B. Owens, and wife Sunday.

Kent Streit of Lockett spent last week with his grandparents, Mr. and Mrs. Joe Orr.

Mr. and Mrs. Leroy Hobratchek of Hinds and Mr. and Mrs. Iry Lee Schulz of Vernon were visitors in the August Rummel home one night last week.

Mr. and Mrs. Ralph Bradford of Willow View visited his mother, Mrs. Sudie Bradford, Tuesday.

Mr. and Mrs. Frank Dunn left Saturday for their home in Longview after several days visit with his mother, Mrs. Cora Dunn.

Mr. and Mrs. Oak McCurley and son, Doyle, and Mr. and Mrs. Vernon Tarbit and son of Shamrock and Mr. and Mrs. Hack McCurley and daughters, Linda and Barbara, of McLean, Mrs. C. F. Haseloff and children of Quanah and Mr. and Mrs. S. B. Middlebrook were Sunday visitors in the W. R. McCurley home.

Mr. and Mrs. J. H. Taylor and Mrs. Cora Barnett attended singing at the Freewill Baptist Church in Crowell Sunday.

Mr. and Mrs. Saxon, Mr. and Mrs. Joe Orr and Mrs. Ferguson visited Mr. and Mrs. Karl Streit at Lockett Wednesday.

Mrs. C. W. Ross is spending this week with her parents, Mr. and Mrs. John Lisenby, in Matador.

Wayne Lindsey has returned to Wilson, Okla., after visiting his grandmother, Mrs. Mary Hunter, and daughter, Mrs. Belle Blevins.

Mr. and Mrs. Carl Bradford and daughter of Vernon visited his mother, Mrs. Sudie Bradford, Sunday.

Mr. and Mrs. Bill Murphy were Vernon visitors Friday.

Mrs. Hack McCurley and daughters of McLean and Mr. and Mrs. Oak McCurley and son and Mr. and Mrs. Vernon Tarbit and son of Shamrock spent Saturday night with their mother, Mrs. Cora Dunn.

Cecil Ingle was at his mother's, Mrs. Ella Ingle, Sunday.

Mrs. Grover Cole of Crowell visited Mrs. Jack Roden Friday.

Mrs. Esther Dickerson visited in Crowell Monday.

Mrs. George Pruitt and sons, Joe and Lynn, of Crowell visited Grandmother Pruitt Sunday.

Mr. and Mrs. Leo Mathis of Kress spent Sunday night with

News from the Congress

by Congressman Frank Ikard

As has been my custom, I expect every week from now until the Congress adjourns, to send out a weekly newsletter about the happenings here in Congress. It is my hope that these newsletters may bring some information that you would not otherwise receive and that they will be of interest. If there are any particular questions you would like to have discussed here, please let me know.

Up to this point, the Congress has been concerned mostly with getting organized, getting the committees appointed, and putting everything in shape so that the

her parents, Rev. and Mrs. W. J. Kroy.

Denny Todd of Crowell spent Thursday night with Ronny Bradford.

Mr. and Mrs. W. T. Ross of Flomot visited relatives here Sunday and attended services at the Methodist Church.

Mr. and Mrs. Louis Kempf, Mrs. James Bowers and daughter, Janie, visited Mr. and Mrs. Floyd Ferguson in Crowell Sunday afternoon.

Mr. and Mrs. Bob Thomas visited her sister, Mrs. Homer White, and husband at Quanah Sunday afternoon.

Mr. and Mrs. Louis Kempf and Mrs. James Bowers and daughter, Janie, visited their son and brother, Richard Kempf, and wife and daughter, Linda Price, at Farmers Valley last Sunday.

GAS TURBINE ENGINES

Gas turbine engines were foreseen as the possible powerplant for aircraft by Aeroproducts propeller engineers, Aeroproducts Operations, Allison Division of General Motors, over a decade ago when the first turbo-propeller in America was developed and used on the first U. S. turbo-prop aircraft to fly. As a result of this engineering foresight, more Aeroproducts turbo-propellers are in use than any other American design. Over 750 hours of propeller flight time have been accumulated on the Allison Turbo-prop, the first American commercial turbo-prop aircraft.

VALVE LIFTERS

The Diesel Equipment Division of General Motors manufactures approximately 3,500,000 hydraulic valve lifters per month for GM cars.

RANGE OF PRODUCTS

From spark plugs to electronic "brains"—that's the range of products made by the AC Spark Plug Division of General Motors. AC has plants in Flint, Mich., and Milwaukee, Wis.

Mecca, Mohammed's birthplace, is in Arabia.

Texas Tech Hen Lays World's Record Egg

An unidentified White Rock hen in the Texas Tech poultry yard had plenty to cackle about this week—if she had the strength.

The hen early one morning this week laid a five and one-half ounce egg, believed in Lubbock to be a world record. It is the equivalent in weight to two "large" and one "medium sized" egg as might be purchased at any grocery store.

Circumference of the egg's long axis was nine and one-half inches;

real work of this session can begin. There is only one committee in the House to which membership is elected, and that is the committee on Ways and Means. I had the honor of being elected to serve on this committee. Besides being a committee of tremendous importance from a legislative standpoint, the Democratic members of this committee also make up what is known as the "committee on committees" for the Democrats in the House. I am very grateful to my colleagues for having selected me to serve on this important committee, and it will certainly offer an opportunity to be of real service.

Visitors this week in Washington were Mr. and Mrs. Tom Davis of Vernon.

short axis, seven and one-quarter inches.

The Tech agriculture department plans to preserve the egg by dehydrating it over a six-weeks period.

PEOPLE 60 TO 80 CAN APPLY FOR LIFE INSURANCE

Kansas City, Mo. — Even though you may be past 60, let us tell you how you can still apply for an extra \$1,000 worth of life insurance to help take care of final expenses and other emergencies.

You can handle the entire transaction by mail with OLD AMERICAN of KANSAS CITY. No obligation. No one will call on you! Write today for free information. Simply mail postcard or letter (giving age) to Old American Ins. Co., 3 W. 9th, Dept. L142K, Kansas City 5, Mo. (adv.)

REGISTERED HEREFORD SALE

The Red River Valley Hereford Breeders Association will hold its Sixth Annual Registered Hereford Sale in the New Fair Building, located on South 8th St., Frederick, Okla., on **WEDNESDAY, JAN. 26, 1955**

The sale will start promptly at 12:30 o'clock p. m. There will be 35 registered Hereford bulls and 29 registered Hereford females sold in this sale, which were selected from some of the best herds in Southern Oklahoma and Northern Texas. There will be included in the sale both POLLED Herefords and HORNED Herefords.

Lunch will be served at 11:30 o'clock. W. H. (Bill) Heidenbrand will be the auctioneer. The sale will be under cover, rain or shine, and there will be plenty of good seats.

RED RIVER VALLEY HEREFORD BREEDERS ASS'N.
Frederick, Okla.

SO YOU'VE HAD an ACCIDENT?

(From a booklet now being printed and illustrated by the International Department of Public Relations.)

One out of every 14 people will suffer some accidental injury this year involving at least one day of disability. Many will be permanently disabled. "Accident Facts," published by the National Safety Council reports that there are 10 million accidents in the United States every year. One half of these accidents occur in the home.

No estimate can be made of the number of less severe injuries. Minor jolts happen every day. Many people believe they will suffer no major disability—at least, that is what they think at the time. But weeks . . . and sometimes even months or years later . . . they will turn up with some illness or disability not immediately associated with the accident. Nevertheless, the accident was the original cause.

CAN ACCIDENTS PRODUCE DISEASE?

Yes, the cause of many diseases can be traced to a previous accidental injury. It takes electricity to run lights. An accident can disrupt that electricity. The lights then grow dim and go out. Likewise, nerve force from the brain, channelled over the spinal nerves, is necessary to run the body. If nerve force is interrupted, the affected organs fail to perform their proper function. It might be the stomach which would be affected, the eyes, the heart, or any other organ of the body. Disrupted function can result in serious disease.

HOW IS NERVE FORCE INTERRUPTED?

Misaligned vertebra may cause a pressure on the nerves of the spinal cord sufficient to interfere with the full flow of nerve energy to various organs in the body, resulting in decreased function. In an accident the body absorbs the force of extreme jars, jolts, bumps and strains. If the pressure is extreme, a paralysis may result—if only a small pressure occurs, it may take months or years to produce any noticeable ill effects.

CAN ILL EFFECTS BE PREVENTED?

Definitely yes! If your automobile were involved in an accident, you would have a mechanic check over the entire machine and correct any misalignment, broken parts or other damage. You should make sure that it was sound mechanically before driving it again. The same principle applies to your body if it has been involved in an accident.

SEE YOUR FAMILY CHIROPRACTOR

Your Chiropractor is trained in detecting interference to transmission of nerve energy caused by misalignments or subluxations in the spine. If there is an interference to the free flow of nerve energy to any part of the body, he will tell you so. He will correct interference by an adjustment to the spine.

If you have had an accident lately, it will pay you to have a check-up by your family Chiropractor, and don't put it off. The longer you wait, the more damage you will suffer, and the harder it will be to correct the cause of your trouble.

See your Chiropractor . . . for a checkup . . . and avoid serious consequences later.

FORT WORTH AND DENVER RY.

G. W. Johnson of Lubbock is visiting in Crowell.

Harriet Griffith was in Abilene last Friday attending the Hartford Fire Insurance School.

Karen Flesher of Vernon is spending a few days with her grandparents, Mr. and Mrs. F. B. Flesher.

Notice—I have re-opened the Southside Cafe and will appreciate your patronage.—Catherine Whitby. 27-1tp

Mr. and Mrs. John Thomas Rasor and children visited his parents, Mr. and Mrs. John Rasor, in Lawton, Okla., last Sunday.

Mr. and Mrs. John E. Long returned home last Thursday from Houston where they visited their son, John Clark Long.

Mr. and Mrs. J. H. Lanier Sr. have returned home from a visit of several weeks with their daughter, Miss Alynne Lanier, in Bakersfield, Calif.

A baby son was born to Mr. and Mrs. Joe W. Beverly of Austin on Tuesday, January 18. Mrs. A. Y. Beverly went to Austin Wednesday to visit in the home.

Mrs. J. H. Minnick returned home last week from a month's visit with her daughter, Mrs. Dwight Adams, and family in Los Angeles, Calif.

Mr. and Mrs. Fred H. Campbell of Hot Springs, Ark., visited in the home of Mr. and Mrs. Fred Diggs and family last week. They are former residents of Foard County.

Dr. and Mrs. James O'Hair and two children, Sheryl and Mike, of San Antonio were here the first of the week visiting Mrs. O'Hair's brother, Ed Roark. Dr. O'Hair is an optometrist in San Antonio.

Mr. and Mrs. Oscar Tillery of Fort Worth spent Tuesday and Wednesday here en route to Levelland. Mr. Tillery stated that the insurance company had shipped approximately 100,000 bushels of grain from the ruins of the burned elevator.

Hardy Sanders of Denver, Colo., visited with his parents, Mr. and Mrs. Allen Sanders, over the week end. He went on to Fort Worth where his mother-in-law, Mrs. Herman Owens of Stephenville, joined him on his return home. She will visit in his home for several weeks.

APPRECIATION

I wish to express my sincere thanks to the FIREMEN of Crowell and surrounding towns, and the citizens of this community who so valiantly tried to fight the fire in the recent loss of our grain and elevator.

Oscar Tillery. 27-1tp

The Swiss flag is red with a white cross.

Governor to Serve as Honorary Chairman of Heart Fund Drive

Governor Allan Shivers again this year will serve as honorary chairman of the annual February Heart Fund Campaign of the Texas Heart Association, it has been announced, and Attorney General John Ben Shepperd again will serve as co-chairman.

The Governor and the Attorney General join with Dr. William R. White, president of Baylor University, active campaign chairman, in soliciting the support of all Texans for the voluntary Heart Fund drive.

Governor Shivers pointed out that latest national statistics show that 794,000 American lives are being taken annually by diseases of the heart system, and that "through Heart Fund contributions and Texas are following the democratic tradition of self-help."

Donations to the Heart Fund are used to further medical and other scientific projects, which already have proved enormously effective in reducing heart deaths in the "under fifty" age brackets, Governor Shivers explained.

The governor added a special appeal for voluntary workers, and urged that these workers be accorded a warm reception when they call upon their fellow Texans for contributions.

"This is a crusade of the highest character, and one that directly affects every level of life," he declared. "Today's business man realizes that his greatest asset is not his plant, but his own life. This is the most precious earthly thing to anyone, and this is what your Heart Fund is striving to protect."

Governor Shivers said he would make a number of statewide television and radio appeals in connection with the February-long Heart Fund campaign.

HYDRA-MATIC DRIVE

Oldsmobile, the pioneer user of the fully automatic transmission on a volume basis, has produced more than 2,375,000 cars with Hydra-Matic Drive since it first was introduced in 1939.

Texas Livestock Marketing Association Aids Cattle Raisers

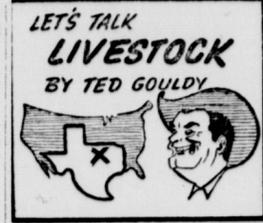

Building a marketing service to meet the needs of livestock producers in the range country, the Texas Livestock Marketing Association, with offices at Fort Worth and San Antonio, handled 576,005 head of livestock, valued at \$26,160,106.96 in 1954, according to Jim W. Mitchell, executive vice president of the Association. Of this volume, there were 263,142 cattle and calves, 304,912 sheep and 7,951 hogs.

Serving thousands of customers located principally in Texas and New Mexico, says Mitchell, with a few in Oklahoma, Arkansas and Louisiana, the trade territory served by the Association is equivalent to the combined area of the six major Corn Belt states, and the many and varied problems confronting livestock producers in an area this size offer a real challenge.

As the major feed crop produced in the Southwest is grass, and as a large percentage of the cattle and sheep grown in this area are in stocker and feeder flesh when sold, one of the most important functions of Texas Livestock Marketing Association is to be able to serve both ranchers and feeder-buyers — providing outlets throughout the nation for ranchers and assuring feeder-buyers of a reliable source of feeder cattle and sheep.

The Association was organized in 1930 by a group of leading Texas ranchers headed by the late H. L. Kokernot, Sr. Most of these men were members of the Texas and Southwestern Cattle Raisers' Association. At the time of organization, livestock producers were having major financial as well as marketing difficulties. At a called meeting, 178 Texans put \$1.00 each in a large sombrero as it was passed. This was the initial financing of the Texas Livestock Marketing Association — one of the strongest marketing organizations in the U. S. today.

From its small beginning as a livestock cooperative marketing agency, it has steadily progressed until today it has a membership

Well finished beef sold higher at Fort Worth Monday, with most steers and steer yearlings strong to 50 cents higher and fed heifers mostly 50 cents higher. Some fed heifers at \$23 were mates to heifers sold late last week at \$22.50. Shortfed cattle sold about

CARD OF THANKS

I take this means to thank all my friends for their prayers, lovely cards and so much appreciated visits; also, all the hospital staff, including the doctor, for all their kind deeds and help while I was in the hospital. You don't know how much I appreciated you all for I don't have words to express my love and gratitude. I pray God's richest blessings on each one.

Laura Johnson. 27-1tp

CARD OF THANKS

We wish to take this means of thanking everyone for kindnesses extended to us in our bereavement in the loss of our wife and mother. The food, flowers and everything done for us was deeply appreciated. May God bless you all.

Luke Bledsoe and Children. 27-1tp

"Pa." is the proper abbreviation for Pennsylvania.

of over 6,000 livestock producers in addition to over 4,000 customers who are not members. These members, at the annual meeting each year, vote on new directors and other business matters of the Association. Each member has one vote, whether the Association handled one or a thousand head of livestock for him.

steady. Cows were mostly steady, and bulls drew steady to 50 cents lower prices. Calf trade was generally steady kinds and quality considered, although some creeped heavyweights sold to better advantage than late last week to top at \$20.

High grade stockers and feeders were far short of the needs of the buyers and prices were strong on the available offerings, quality considered. Some good stocker steer calves and stocker yearlings drew \$20, and better kinds in sizable lots were quotable well above that range.

Good and choice fed steers and yearlings sold from \$19 to \$24, some mixed heifer and steer yearlings to \$23.50, the best price for mixed lots in some weeks. Lower grade butcher cattle sold from \$12 to \$18, with cutter grades around \$10.

Fat cows cashed at \$10 to \$12.50, and canners and cutters drew \$6 to \$10. Bulls sold mostly from \$9 to \$14, a load of breeding bulls to \$225.00 per head.

Good and choice slaughter calves drew \$15 to \$20, and common and medium offerings sold for \$10 to \$14, with culls at \$8 to \$10.

Medium and good stocker steer calves and steer yearlings drew \$15 to \$20, and heifers of similar kinds sold \$2 to \$3 under comparable steers unless fat enough for slaughter. Stocker cows drew \$9 to \$12.

Butcher Hogs Start Strong
Top hogs sold at \$18.25 to \$18.50 at Fort Worth Monday, the latter figure paid for good meat-type hogs by shippers and independent packers. Less desirable hogs sold for \$17 to \$18. Sows drew \$13 to \$16. Butcher hogs were steady to 50 cents higher.

Sheep and Lambs Steady

A generally steady trade prevailed at Fort Worth on all classes of sheep and lambs, although the top was \$20.50 on some club lambs—50 cents better than the high mark last week.

Stockers and feeder demand was again broad, with shipper buyers aggressive buyers on mixed feeder and fat lambs again. Older sheep were scarce and fully steady.

Stocker and feeder lambs bulked at \$14 to \$19, the latter figure on mixed feeder and fat lambs, and some very thin stocker lambs cashed at \$17. Old ewes drew \$5 to \$7. Old bucks drew \$3.50 to \$4.50. Yearlings drew \$10 to \$16.50, and aged wethers were quoted from \$7 to \$12.

IT'S A SWAP!

There are two sides to every "swap" . . . giving and getting. All through life we are "swapping" . . . giving up something we want less to get something we want more. That's exactly what happens when you open an account and add to it regularly. Once the saving habit is established, you'll hardly miss the small deposits you make each pay-day. Yet, they can make your dearest dreams come true: a home of your own, a college education for your children, financial independence for your retirement years. This is the kind of "swap" that spells success and happiness in life. And the best time to start "swapping" is NOW!

Styling that's stealing the thunder from the high-priced cars!

It costs no more to form a sheet of steel into a graceful shape than it does an awkward one—price has nothing to do with styling. Only the talent of its designers determines whether a car is a delight to the eye or it isn't. You couldn't find more pointed proof of this than the 1955 Chevrolet—for here is a low-priced car that has snatched the styling spotlight, overshadowing even the highest-priced creations with its subtle sweep of line, the bold rake of its deep-curved windshield.

New V8 and two new 6's
But the Motoramic Chevrolet has advances in engineering that even surpass its styling. There are three ultra-efficient new engines—the 162-h.p. "Turbo-Fire V8" and two "Blue-Flame" 6's. There is a whole new chassis design, with spheri-

cal-joint front suspension that spurns bumps like a swallow skimming a lake, and Anti-Dive braking control to check that sharp "nosing down" of the front end. There are three new drives—sturdier Synchro-Mesh and, optional at extra cost, a silkier Power-glide automatic transmission or the flexibility of Touch-Down Overdrive . . . plus all the power helpers you could wish. Try a 1955 Chevrolet—now—and find out why it is stealing the thunder from the high-priced cars.

MORE THAN A NEW CAR . . . A NEW CONCEPT OF LOW-COST MOTORING

The Bel Air 4-Door Sedan. You'll find your favorite model among Chevrolet's complete line of Fisher Body beauties.

It's a perfect gem to look at!

And it's powered to run rings around the rest!

Mr. and Mrs. Johnny Daniel and Susan were in Wichita Falls Saturday on business.

Mr. and Mrs. Troy McCurley attended the funeral of her sister at Fort Worth Tuesday.

Self-Service Luggage Carts Used by Santa Fe

Self-service luggage carts have been placed in experimental service by Santa Fe Railway for use by passengers at the railroad's Topeka, Kansas, station.

The carts are available free of charge and supplement regular Red Cap service at the station, and if tests are successful there, the program probably will be expanded to other stations, the railroad said.

Passengers entering the Topeka station may place their luggage on a cart, which will hold 400 pounds, and push it to the location where they will board the train.

"Rogue Cop," no punches - pulled drama of a police detective who accepts graft from racketeers only to find that easy money doesn't spell a easy life, gives Robert Taylor the dynamic type of role he made memorable several years ago in a picture titled "Johnny Eager." The new MGM offering, co-starring Janet Leigh, George Raft, Steve Forrest and Anne Francis on the Rio Book screen starting Sunday, opens with a tense killing in a telephone booth and closes with a gripping gun battle, and there is never a moment in between in which the action doesn't hold the spectator on the edge of his seat.

at which point a train attendant may be used as a safe seat for small children or as a handy rest for the traveler. A wire basket atop the cart

WEST SIDE H. D. CLUB

Club work for the new year began for the West Side Home Demonstration Club when it met January 11 in the home of Mrs. E. A. Dunagan.

New officers, who were elected in October, were introduced by Mrs. G. H. Kincheloe and began serving at this meeting. The new officers for the year are: Mrs. Virgil Lyons, president; Mrs. Parker Churchill, vice president; Mrs. Henry Ross, secretary and treasurer; Mrs. Walter Thomson and Mrs. Donald Norris, reporters.

The new president appointed as her committee chairmen: Mrs. Norris, finance and marketing; Mrs. Churchill, education, exhibit and expansion; Mrs. Kincheloe, recreation.

The club read and amended the constitution and by-laws, filled out the yearbooks and set two goals to be completed this year.

Refreshments were served to twelve members and one visitor, Mrs. R. R. Allen, sister of the hostess.

The next meeting will be Jan. 25 in the home of Mrs. Mathews. Mrs. Brown will give a demonstration on a broiler meal.

Gentry Feed and Grocery

Everybody loves a bargain...

...and the biggest bargain in your budget today is electric service. The fact is that West Texas families get almost twice as much electricity per dollar today as they did twenty years ago. For mere pennies a day electric service helps you live better, feel better, play better, work better. Just a few examples:

For about a nickel you can refrigerate all your food for a whole week end. Hot water is always on tap for just a few pennies' worth of electric service. Television is enjoyed by one and all for just a few cents of electric power a day. Everything comes out clean in the family wash for just pennies of electric service.

And all this low-cost electric service is right at your finger tip...around the clock. Usually bargains don't come this easy, or this big. No wonder everybody loves this bargain...ELECTRIC SERVICE.

Mrs. Presley Thomson Named Honoree at Shower Saturday

At a lovely bridal shower given at the Adolphus Club House on Saturday afternoon, Jan. 15, with Mrs. Presley Thomson, a recent bride, named as honoree, the receiving line was composed of Mrs. Thomson, honor guest; Mrs. Frank Mabe, her mother; Mrs. Walter Thomson, mother of the groom; and Mrs. Frank Thomson, his grandmother.

Guests were welcomed by Mrs. Oscar Gentry and the bride's book was presided over by Mrs. Ike Wilson, sister of the bride. Mrs. Jesse Whitfield and Miss Jenny Wehba directed guests into the dining room.

Miss Tommie Meason and Mrs. Thomas L. Tampion poured punch and Mrs. J. T. Brooks and Mrs. Jeff Bruce served sandwiches, cookies and mints. The decorative color scheme in the dining room was blue and white, carried out in the decorations, mints and sandwiches.

Serving in the gift room where the beautiful array of gifts to bride and groom was arranged, were Mrs. Fred Collins, Mrs. W. D. Studivan, Mrs. Henry Ross and Mrs. Grover Cole.

Others assisting with hostess duties were Mrs. Bob Abston, Mrs. Viola Biggestaff, Mrs. E. B. Flesher and Misses Dorothy Erwin, Alma Patton and Lola Mae Fox.

VIVIAN H. D. CLUB

"The Farmer Takes a Wife," by Grace Noll Crowell, was the poem read by Mrs. James Sandlin, president, as she opened the meeting of the Vivian Home Demonstration Club in the home of Mrs. T. D. Gilbert Jan. 13. Other new officers are vice president, Neoma Fish; secretary and treasurer, Mrs. Arthur Sandlin; council delegates, Mrs. Warren Haynie and Mrs. Allen Fish; reporter, Neoma Fish.

day night, Jan. 28, with all club members having anniversaries in the month of January as joint hostesses.

Mrs. Grover Moore, newly elected president, and Mrs. Ewald Schroeder, newly elected secretary, took charge of the first meeting of the year in the home of Mrs. Ben Hopkins on Jan. 4.

At the close of the 1955 session, as lawmakers wasted no time getting down to business.

Investigations were resumed a day later by the Senate General Investigating Committee.

A Feb. 15 completion deadline is set.

Dennis Wallace, a 20-year employee of the State Land Office, is now acting executive secretary of the Board. He took over temporarily upon resignation of Lawrence C. Jackson, Col. J. Earl Rudder, land commissioner, has announced the resignation of two other key employees: U. S. McCutcheon, first assistant executive secretary, and H. Lee Richey of Austin, appraiser for the South Texas area.

Two conservatives head important House committees in the Texas Legislature. They will have a lot to say about finding and spending \$135 million for state operations.

Rep. Max C. Smith of San Marcos was re-appointed chairman of the House appropriations committee and Rep. Stanton Stone heads the revenue and taxation committee.

Members of the Texas Prison Board will not ask the Legislature for more building funds although they admit construction is needed. Chairman French Robertson said that prison population is at an all-time high, that facilities are needed but that cost

State Capitol NEWS

by VERN SANFORD
Texas Press Association

Austin, Tex. — Cigarettes and gasoline are to be the prime targets of the 54th Legislature.

In his message to the Legislature, at a joint Senate and House session, Governor Allan Shivers put his finger on those two items as the answers to Texas' financial problem. He suggested a two cent per gallon boost in gasoline taxes and a one cent per pack increase in the cigarette tax.

The former would add \$45 million to the highway fund and \$14.5 million to the school fund. The latter would bring in an additional \$16.5 million to the general fund.

Gasoline now carries a state tax of 4¢ per gallon. Cigarettes are taxed 4¢ per pack.

Also recommended by the governor was an increase to \$50 in the tuition charge made by state colleges to Texas students. Present fee is \$25, for Texas residents. The \$150 charge assessed out-of-state students would not be changed.

Shivers also asked for better water laws, insurance laws, crime and juvenile delinquency measures and congressional and judicial re-districting.

Opposes Increase

First signs of opposition to increased taxation have come from Rep. Waggoner Carr of Lubbock. Carr, who may be voicing the opinion of other conservative legislators, says that much of the needed money could come from trimming present state expenses.

General Fund Low

State Comptroller Robert S. Calvert estimates the state's general fund, now slightly more than \$9 million may hit bottom temporarily in February, and put the state on a general fund deficit for a short time.

If the state goes in the red, it will be the first time in 12 years. Calvert estimates that there will be only \$10,344,000 in the fund by the close of the fiscal year.

were given.

All of the club presidents who were present reported that their clubs had voted to entertain another club during the year and names were drawn to see which clubs would entertain each other.

Standing rules for the Foard County H. D. Council were read and amended.

Mrs. Brown, CHDA, gave a short talk on the purpose of council duties of its members.

Council adjourned to meet again February 19.

Crowell, Texas, Jan. 20, 1955

Only One of Every Five Cars in Texas Have Been Inspected

A lot of Texas car owners are apt to be mighty unhappy in about three months.

That was the opinion expressed this week by Col. Homer Garrison Jr., Director of the Texas Department of Public Safety, after a conference with George Busby, Chief of the Safety Department's Motor Vehicle Inspection Division.

A review of the motor vehicle inspection figures at the half-way point in the current inspection program showed the two officials that only 1 out of every 5 autos in the state have had their annual safety check as required by law.

"That means," Garrison said, "that a lot of Texas car owners are apt to be mighty unhappy in three months because they won't be allowed to operate on the streets and highways without the proper approved inspection sticker."

The Public Safety Director also pointed out that the longer motorists delay, the longer will be the waiting line at the inspection stations as the April 15 deadline approaches.

Failure to secure the inspection would be tremendous.

Fair Trade Bill

A "disguised" fair trade bill may be introduced in the Legislature, says a former House member.

It will be masked as a curb to "discount houses" but will basically be a measure to keep merchants from cutting manufacturers' prices. No state fair-trade bill has ever been enacted in Texas. Unfair competition is barred by Texas' anti-trust law.

Senator Geo. Moffett Receives Committee Assignments

Following is a list of Senator Geo. Moffett's committee assignments just made by the Lieutenant Governor:

Chairman of Agriculture; chairman of Livestock and Stock raising; vice chairman of Oil Gas Conservation; Aeronautics, Constitutional Amendments, Contingent Expenses, Congressional Districts, Federal Relations, Finance, Highways and Motor Vehicle, Interstate Cooperation, and Veterans Affairs.

Building and Grounds, Public Lands and Land Office, State Affairs, Water Rights, Irrigation and Drainage.

The above committee assignments include practically all the legislative subjects in which the people of the 23rd district are deeply interested.
