TWO FOR THE PRICE OF ONE — These twins, a rarity in beef cows, were born on the Arvis Grogan farm west of Muleshoe. Grogans was feeding the beef cow for George Cole, Lubbock. The multiple birth was a rarity because beef cows have twins once in every 227 births, according to Jerry Gleason, local veterinarian. P.S. one was a bull and the other a heifer.

### Friends of The Library Membership Growing

In continuing efforts to assist in the establishment of a Muleshoe area library, the Friends of the Library association held a major membership drive last week.

Under the direction of Rev. J. Frank Peery, pastor of the Muleshoe First Methodist and chairman of the drive, the effort added 360 new members to the group in one day.

Members of the FOA setup tables in major business places in Muleshoe, answered questions, and signed up new members during the day long effort.

The following places of business offered their cooperation and booths were manned as named:

Cobbs Department Store, Mrs. Neal Dillman; Anthony's Department Store, Mrs. Ralph Douglas; St. Clair's Department Store, Mrs. Charles Lenau; First National Bank, Mrs. Bernard Phelps; Muleshoe State Bank, Mrs. J. G. Aron; Red's Food Market, Mrs. Vic Benedict; Piggy Wagsy, Mrs. O. N. Jennings; Cashway, Mrs. Thurman White; Western Drug, Mrs. Larry Hall; Damron Drug, Mrs. Herb Griffiths and Corner Drug, Mrs. Pat R. Bobo.

Membership now stands at well over 550 persons, according to Peery.

"The purpose of the nonprofit organization is to promote library development. . . in this area, to bind together all citizens and groups of citizens in the area interested in such development, so that existing libraries may be strengthened, and books brought within easy reach of all; to advise and assist in the formation of new Friends groups; to receive and

### Cochran And Parmer Counties Scheduled To Vote Tomorrow

Tomorrow the Texas State Library Bookmobile program will either top its last hurdle and become established in the mainstream of Bailey County life, or it will go down in ignominious defeat.

The commissioners courts of two counties — Cochran and Parmer — are scheduled to vote "yea or nay" on whether or not they will join with Bailey County to form a multi-county library association.

Unless one of the two counties agrees to the state library proposal, the state will not provide assistance in the program.

Without state assistance, Bailey County can not, according to the commissioners court, afford library facilities.

It was expected that Cochran County commissioners would vote last week. The same is true of Parmer County.

However, after hearing the program explained by Charles Gholz, Texas State Library representative, neither court voted, but instead stated they wished more time to study the proposal and check with voters on whether or not they wished the service in their respective counties.

The Bailey County Friends of the Library have gone all out in attempting to arouse public interest in both counties. During the past week Roy Davis, chamber of commerce manager and the person who has coordinated the entire library program in Bailey County, Gholz and other members of the association have addressed no less than 27 meetings in three counties.

Details are:

**Thursday, Feb. 13**  
Bookmobile toured entire southern part of Bailey County. Accompanying and assisting were: Carlton Harris, driver, Mrs. L. B. Hall, Mrs. T. M. Stemmmons, Mrs. Charles Lenau, Mrs. Byron Gunter, Mag Ann Lamb, Bill McDonnell of KMUL, Editor Dick Goodrow of the Muleshoe Journal, Roy Davis, Mr. and Mrs. Mel Evans, Joe Harbin.

School assemblies at Bula and 3-way schools were addressed by Mel Evans, explaining the bookmobile plan and students inspected the portable library.

A planning meeting of library leaders was conducted by Mrs. Matilda Stemmmons at the C of C office at 8 p.m. Mr. Charles Gholz, field consultant of the Texas State Library present. Also attending were Mildred Davis, Opal Boothe, Rev. J. Frank Peery, Roger Gorrell, Evans, Alsup, Davis, Mr. and Mrs. Byron Gunter, and Mrs. Hall.

**Friday, Feb. 14**  
Bookmobile at Bailey County Court House all day.

Bailey County Commissioners Court heard Gholz present the State Library's proposition at 10:

30 A.M. About 70 interested persons were present to hear the court's decision. After Gholz was questioned by each member of the court to clear up any remaining doubts, the court unanimously adopted the following resolution:

"We, the Commissioners' Court, approve of the State initiating the projected Bookmobile Program for the improvement of the library services for the people of Bailey County. And while this Court can neither legally nor morally bind a future Court, we hope the program will be a success, and we will plan to assist with it beginning January 1, 1967, provided it appears at that time that it is a success, and that the people of the county want it."

The resolution was duly signed by the entire court: Glen Williams, County Judge, Ike Stinson, W. H. Eubanks, Loyd Stephens, and R. P. McCall, commissioners.

**Saturday, Feb. 15**  
Bookmobile made a complete tour of Parmer County except for Farwell. Accompanying and assisting was Sherman Inman, Carlton Harris (driver), and Porter Roberts, manager of the Friona Chamber of Commerce.

Gholz spoke at a "get-acquainted" luncheon at Cliff's Golden Spread Restaurant in Friona, arranged by the Friona Chamber of Commerce, meal courtesy the Friona State Bank. Attending were: Gholz, Davis, Roberts, Frank Spring, George Crain (Lazbuddie, commissioner), Tom Lewallen (Friona Commissioner), Lloyd Brewer and Mrs. Brewer, Parmer County Judge, Mrs. V. J. Zeman (Study Club Library Committee member), Bill Ellis (Friona Star editor), Alton Farr (Supt. Friona Schools), and Mrs. Bill Sheehan (study club member).

Gholz spoke to the members of the library committee of the Bovina Women's Club at 3:30 p.m. Among the group were Mrs. Warren Morton, President, Mrs. Earl Stevenson, incoming President, and Mrs. I. W. Quichel.

### Electric Cooking Demonstration To Be Held Locally

The latest in electric commercial cooking equipment will roll into Muleshoe on March 2nd for demonstrations to be seen by local food service operators, dieticians and school board members.

The trailer exhibit, sponsored by Southwestern Public Service Company, is on a two month tour of 30 communities in the company's service area. It will travel 1400 miles while on exhibition.

The trailer will be located behind the Post Office while on display in Muleshoe. It will be open from 9:30 a.m. to 4:30 p.m. for visits by local food service operators. During the evening, school board members, dieticians and architects will be invited to dinner meetings at which the food will have been prepared from the equipment that is included in the trailer. There is seating capacity for 14 people in the mobile display.

On tour with the equipment are H. C. Webber, manager of commercial cooking equipment sales for the Southwestern Public Service Company, and Taylor Bassett, commercial cooking company's Plains division.

"We hope that all of the food service operators in the area will take the opportunity to see this display. It has equipment which can be used in the smallest or largest eating place. The equipment can be seen in actual operation, and the operators will have a chance to see how it would fit into their business," Jeff Peeler, manager for the Southwestern Public Service Company, said.

### Few Local Voters Are Obtaining Free Receipts

With approximately one-third of the registration period elapsed, only three persons have applied for free voter registration receipts at the tax collector's office at Bailey County Courthouse.

Persons who failed to pay their poll tax but who wish to vote in elections for federal officials have until March 6 to register. Such persons upon signing an affidavit stating they do not hold a valid poll tax receipt, will receive a receipt stamped "Poll Tax Not Paid." Possession of this receipt will enable them to cast ballots for candidates for federal offices.

A total of 2,592 Bailey County voters either paid their poll taxes or obtained exemption certificates prior to the Jan. 31, midnight deadline.

### Auction

Eight bales of cotton belonging to an area farmer will be sold at public auction next week to satisfy a judgement.

Sale of the cotton, which is the property of Andrew Brown, will be held at the Union Compress and Warehouse building in Muleshoe. Proceeds will go to satisfy a judgement awarded Western "66" in the amount of \$1,781.26.

### Bula To Battle Anton For Championship

Anton and Bula will clash Tuesday night in a basketball contest according to officials of the two schools.

The game will be played in a trippoff time of 7:30 p.m. Admission prices will be \$1 for adults and 50 cents for students.

Anton won the 5B championship in a playoff at Amherst last week. Bula is the 6B champion.

Supt. A. E. Greer and Coach John Cotton represented Anton at the Littlefield meeting while Supt. Guinn Casey and Coach Curley Risinger represented Bula. C. W. Fincher is the boys' coach at Bula.

Anton has a 207 season record, and Bula sports a 205 mark.

### James Warren Files For School Post; Election Law Is Changed

Only one name has appeared on the scene this week for the two posts coming up for election in the Muleshoe Independent School District.

James Warren, well known area farmer living on Rt. 5, filed early this week.

Neither Jim Green or Dr. B. R. Putman will run for reelection to the trustee posts, they now hold, according to school district officials.

School officials over the county are reminding residents of several changes in the laws regulating trustee elections. One of these is that candidates can no longer be petitioned for a place on the ballot.

The law requires candidates to sign up for a place on the ballot, including the signing of a loyalty oath. In the past, citizens of a school district could sign a petition calling for a candidate's name to appear on the ballot.

A candidate must file a written application with the school board not less than 30 days prior to the election. This would make the deadline for filing fall on March 3.

Applications for county trustee are filed with the school's office, and the loyalty oath affidavit is also filed there.

The election will be held in the library of the Junior High School. Absentee votes will be received from March 16 to 31.

### Recognition Awards Presented Den Moms

One hundred and seventeen Cub Scouts, their parents, friends and supporters attended the annual "Blue and Gold" banquet held Friday night.

David Branson, pastor of Muleshoe's First Christian Church, was the featured speaker. His subject was scouting. He lauded the cub program and the persons who devoted their time and energy to helping train the leadership of the future.

Awards were presented to cub scouts of Pack 622, which is sponsored by the Muleshoe PTA. Each den displayed a hand-crafted project it had prepared for the annual affair.

Mrs. Betty Fuge was given a one year service pin. Mrs. Wanda Spain, Mrs. Skeet Bliss, Mrs. Kenneth Watkins and Mrs. John Black, all den mothers, were presented with plaques in recognition of their services to the local cub scout movement.

The presentations were made by George Wheeler and James Crane.

### Fires

Fire calls of the Muleshoe Volunteer Fire Department total 22 so far this year, according to Fire Chief Earl Ladd.

BATH TIME — Rufus II objecting strenuously to a bath in preparation of accompanying Jay Spain, Jaycee president to the organizations Winter Tri-Regional Convention being held in Lubbock. One of the largest delegations in recent history will accompany Rufus to the conclave. Jerry Gleason, DVM, doing the honors.

DISTRICT CHAMPS — Bula High School's Bulldogs romped over the Three Way Eagles 89 to 51 to become 6-B District Champions last week. The team was sparked by Pat Risinger, right forward, & Gene Autry, pivot. The team will play Anton Tuesday in Littlefield.

### Roundtable To Create Interest In Book Reading

Reading Roundtable, a WMU group which enjoys reading educational material on Communism, missionaries, the Jewish people, the racial prejudices, and many others from numerous field meets in homes of the members the third Tuesday of each month and a brief sketch of one book is given. There are presently 11 members and they have 13 books circulating. It is not necessary for anyone to be a member of the church to be a member. A membership fee of \$1 is charged and the money goes to buy more books.

Some of the books available now are "Bill Wallace of China", "Before Us Sleep", by Dr. Tom Dooley; three other books written by Dr. Dooley, "White Mother", "Dwarf Pines" a story of the Japanese people, "Molly and Me" and others.

### Student Will Be Presented In Music Recital

Monday at 3 p.m., Mrs. A. M. Bradley will be presenting Tommy Tipton and Mike Duncan in a piano and voice recital. The two pupils will be assisted with some numbers by the entire fourth grade classes of Mary DeShazo schools who are under the auspices of Paul Durham, public school chorus director.

It will be held in the auditorium at West De Shazo.

The program will open with the group singing "Patriotic Song."

Tommy will be accompanied by Mike at the piano as he sings "It's A Grand Old Flag" followed by piano solos "Home on the Range", "Rose of Tralee" and "The Spinning Song."

Tommy will do a solo "The Caisson Song" with Mike's accompaniment.

Duo demonstration methods, "Flying G Men" will be performed by both the pupils.

A solo, "Tavern in the Town" will be done by Mike, who will

**CUTTING MATERIAL** — Mrs. A. J. Hicks places her pattern on material after it had been properly fitted and marked. Placing the pattern on the material with the grain was also on the program of instruction taught by Mrs. Martin. The workshop will continue for several weeks with the next meeting set for 2 p.m. Monday at the Bailey County Electric building.

**PRESSING PATTERN** — Louise Roark is pictured at the ironing board, pressing her pattern before fitting it. Pressing is one of the more important factors in getting a good fit, stressed Jean Martin, instructor for the workshop on basic sewing held in Bailey County Community room Wednesday afternoon.

**FITTING ALTERATION** — Pattern Alteration before cutting into material is also important. Mrs. Martin pointed out to the Mrs. Joe Smallwood with fitting problems.

### Dedication Set For CROP Cotton

The Chairman of the South Plains CROP Committee, Rev. Andrew Mild of Lubbock, has just announced that the date for the Dedication of the CROP cotton now being collected in the South Plains has been set for 2:00 p.m. Thursday, February 27. The South Plains Committee

at Coop Compress, Plainview, works in cooperation with the Texas CROP-CWS Board and its Executive Director, Norman A. Sundwall in Austin, to assist the county CROP appeals in the area. Since cotton has been in great demand by CROP to provide weather protection for refugees coming out of Communist China, the area CROP appeal has been mainly for raw cotton.

CROP is the Community Resource Appeal of Church World Service, now beginning its eighteenth year, and forwards food, from contributions of the people of the U. S. to other countries where urgent needs have been determined by the overseas pro-

## Feed Grain Sign-Up For 1964 Underway

The sign-up for the 1964 feed grain program now is under way in the ASCS County Office, Charlie Daniels, manager has started. The sign-up period started Feb. 16 and will continue through March 27.

The 1964 program may be more attractive to some producers than the 1963 program, but basically the program will be about the same, Daniels said. It will be available for the three feed grains corn, barley, and grain sorghum, and participation will be entirely voluntary although price support eligibility for the three crops will depend on such grower participation.

Two major changes in the 1964 feed grain program, as compared with previous program, are: (1) A producer may divert as much as 50 per cent of his feed grain base acreage (this was 40 per cent in 1963), and those who divert 40 per cent or more of their base acreage will receive diversion payments at the Maximum rate for all acres diverted. (The maximum acreage diversion will continue to be 25 acres if this is more than 50 per cent of the base.)

Two rates of diversion payment will be offered, but the higher rate should apply to more acres under the 1964 program:

The minimum rate is again based upon one-fifth of the county's total price support rate; the maximum or higher rate is based on one-half of the support rate. If the operator signs up to divert 40 per cent or more of his feed grain base, the higher rate will apply to all the acreage diverted. If less than 40 per cent is diverted, the minimum rate will apply to 20 percent of the acreage diverted and the higher rate to the acreage between 20 and 40 per cent.

Farmers who take part in the program will be eligible for the diversion and price support payments, and for price support loans on their entire 1964 production of the three grains. The price support payment will be made to all participants in the program who plant the feed grains for harvest, and they will be made regardless of the use made of the grain. The producer may sell the grain or feed if he wishes and still receive the payment.

Applications to take part in the 1964 feed grain program may be filed in the Bailey County ASCS office from Monday through Fridays at any time between the hours of 8 a.m. and 12 a.m.; 1 p.m. and 5 p.m.

## Library--

(Continued from page 1)

Sr. Gholz spoke to a "get acquainted" coffee at the Spur Restaurant in Farwell at 5:00 p.m. Attending were Guy Cox (commissioner), Mrs. Cox, Mrs. John H. Boling, Library Committee Chairman of the Farwell Study Club, Mrs. Clytie Dial, President of the Study Club, and Mrs. John Boling, Jr., in addition to Gholz and Davis.

Gholz and Davis attended a "campaign" party for Elvon DeVaney, candidate for president of the Muleshoe Jaycees, at the home of Ben Yeager Sat. night. Sunday, Feb. 16

The bookmobile was inspected by a group of citizens from the Olton area of Lamb County from 3 p.m. till 7 p.m. Gholz addressed a group of 21 interested citizens from the Olton area at the Production Credit Building in Olton at 3:30 p.m. This meeting was arranged by the Olton Chamber of Commerce. Melvin McReynolds, manager of the Olton Chamber, presided.

Monday, Feb. 17 The bookmobile made a complete tour of Cochran County, stopping at each community. Accompanying and assisting were: Carlton Harris (driver), Joe Harbin, Davis and Gholz.

Gholz spoke to assemblies at Whiteface and Bledsoe schools at 9 a.m. and 12:45.

Gholz visited with the County Librarian, Mrs. Spotts, and the Library Board Chairman, Mrs. Sue Travis, at the County Library in Morton at 4 p.m.

Gholz addressed a public meeting at the County Activities Building in Morton at 7:30 p.m. Gene Snyder, president of the Morton Area Chamber of Commerce presided.

The bookmobile was on view at the Cochran County Court House 4:45 p.m. and at the Activities Building 6:7:30 p.m. It where it was open for inspection at the Littlefield High School after the Lamb County Teachers Association Meeting.

Davis and McReynolds presented the bookmobile proposition to the Littlefield Chamber of Commerce Board of Directors at 7:30 p.m. The group, presided over by Jerry Sanders, president and KZZL, Radio Station owner, voted to try to arrange a meeting for Gholz to address on Wednesday. Joe Montgomery of the Security State Bank was appointed chairman to arrange the meeting.

Davis addressed a meeting of over 200 members of the Lamb

County Teachers at the high the bookmobile plan and urging the group to support it. Tuesday, Feb. 18

The bookmobile was inspected by students of the Olton School at 8:30 a.m. and the Springlake School at 10:30 a.m., after which it proceeded to Farwell and was on view at the Parmer County Court House the rest of the afternoon.

Gholz spoke to School assemblies at Farwell at 9:30 a.m. and Bovina at 10:30 a.m.

Davis addressed the Springlake School Assembly at 9:45 a.m. Gholz presented the proposition to the Parmer County Commissioners Court at 2 p.m. Over 70 persons representing virtually every community in the county were there in support of the plan. After a lengthy question and answer period, the crowd was dismissed and the court considered the plan in private. Their decision was deferred until a Monday meeting, Feb. 24 so that the commissioners could check the feeling of their constituents on the matter.

Gholz addressed a group of about 20 persons in the library of South Plains College at Levelland in Hockley County. Attending the meeting arranged by Miss Roger Mae Smith, college librarian, and the local Friends of the Library group, were the county judge, 2 commissioners, incoming president of the Chamber of Commerce of Levelland, and several librarians from throughout the county.

Wednesday, Feb. 19 The bookmobile made a tour of Lamb County, visiting every community in the county except Fieldton, Hart Camp, and Lum's Chapel.

Gholz addressed a public meeting in Olton at 9 a.m. The group was very enthusiastic and decided to form a Friends of the Library, asking Roy Davis to return to assist with an organizational meeting Monday Feb. 24 at 10 a.m.

Gholz addressed a public meeting at the Earth Community Building at 10:30 a.m. Arranged with the cooperation of the Olton and Earth Chambers of Commerce, the meeting was well attended. State Representative Bill Clayton of Springlake was present and endorsed the project. Two commissioners from the northern part of Lamb County who were present expressed favorable interest and invited Gholz to present the plan to the entire March 7 or March 9.

Gholz presented the plan to the Cochran County Commissioners Court at 2 p.m. in the County Court Room in Morton. Because

the County Judge, Johnny Love, was out of town, the group postponed action on the matter until action is expected at that time.

A large group of ladies, members of the Friends group in the Muleshoe area, under the direction of Rev. J. Frank Peery, vice-president and co-chairman of the membership committee, set up tables at 11 places of business in Muleshoe and enlisted about 300 new members for the library-supporting organization.

Friday, Feb. 21 A meeting of library leaders and interested persons was planned to summarize the accomplishments of the past week and make plans for further action president of the Friends will preside.

It is believed groups in Lamb and Hockley Counties are meeting and working to bring about bookmobile operations in their areas. Commissioners courts of both counties will hear Gholz by March 9. The dedicated work of Muleshoe area library supporters has resulted in a movement that may encompass 5 or more counties before it is through.

## Morrison--

served in the army for two years and has been associated with his father, D. L. Morrison, in farming. He is also a director of Morrison Improvement and Development Corp., which has developed the Country Club Addition here.

He is married to the former Betty Ogletree, daughter of L. E. Ogletree. The Morrissions have three children, and are members of the Muleshoe First Baptist Church.

Morrison stated, "I feel that precinct one should be represented in Bailey County Commission Court by a young, aggressive commissioner who will insist upon county business being transacted on top of the table and at times."

## Squadron Leader Commended For OJT Program

Second Lt. Hiram E. West, 351st Civil Engineering Squadron, Whiteman Air Force Base, Mo. was commended by Colonel John P. McCarty for attaining 100 per cent effectiveness in a recent On the Job Training program with the personnel of his squadron within the very minimum of time.

The letter he received read: Although you and your personnel were called upon to qualify personnel for testing and upgrading within the very minimum of time, you were able to attain a 100 percent effectiveness of OJT. Your response and that of those in your section displayed true professionalism and cooperative team spirit of the highest caliber.

OJT is a vital and integral part of our mission and it is only through combined conscientious efforts of all concerned that we can achieve maximum effectiveness. Your willingness and team spirit are most commendable at all times and were especially evident during the testing and upgrading of personnel. The 100 percent effectiveness of this endeavor could never have been attained with out your personal desire and drive to see the job done in the time given and in truly professional manner.

Second Lt. West is the son of Mr. and Mrs. Theron West of Muleshoe.

### IN HIM IS LIFE

Christ and life are synonymous. Wherever the story of His life and the truths of His gospel have gone, seeds productive of a more abundant life have been sown. There is a universal hunger for life. The sinful, the questing, the lonely and broken-hearted, the underprivileged and the disinherited — all lift hands to some saviour with the hope and promise of better days.

Among all the religious leaders, past and present, Christ has no equal. In Him is life unparalleled and unexcelled. Because of the incomparable Christ, it is no wonder that, like Paul, we find that we must say, "Life means Christ to me."

In Him is life in the positive. Jesus always emphasized the positive. Much of our religion today lacks radiance and contagion because it is saturated with the negative. Like Him, we must be positive in our faith. In Him is life that is shared. If Christ is all that we have said He is, then His value for our lives will be increased by sharing Him with others. We must witness for Him in all areas of life. Christianity is not a closed corporation in which a few satisfied stockholders sit idly by awaiting dividends on investments. It is a universal fellowship where we win by loving, receive by giving, and die to live.

In Him is life redemptive. From the very beginning, God sought to win His creation to the acceptance of His love, His mercy, His compassion, and His tenderness. In Jesus, mankind has found life redemptive. He came to save the lost in life. The Christian says, "In Him Is Life".

LETTERS TO THE EDITOR

Dear Editor: As president of the Muleshoe Study Club, I wish to express the appreciation of the club members for the fine cooperation we receive from your newspaper. The amount of space given annually to our club projects is inestimable. With all the communications media available these days, it is still the new paper that puts information into our hands in retainable form - to be read, digested, and kept. The Muleshoe Study Club is a member of the General Federation of Women's Clubs, the largest group of organized women in the world, having 11,000,000 members in 15,500 clubs in the United States and in 54 other countries. The General Federation program in this administration highlights - an extensive campaign to obliterate illiteracy from the United States and throughout the world; a Dimes for Liberty project to help build the Museum of Immigration at the base of the Statue of Liberty; cooperation in building the Cathedral of the Pines as a memorial to our women who have died in all our wars, and many other worthwhile projects. However, our club has the privilege of choosing any project we wish to emphasize, always keeping mind the needs of our local community. Mrs. Dexter Otis rould, president of the General Federation, has declared that the General Federation of Women's Clubs has always strongly advocated the freedom of the press and that it has never been more important than it is today when more than half the countries of the world live under a partial or complete blackout of news through censorship. Again accept our deep thanks and all good wishes, Sincerely, President, Mrs. O. N. Jennings. Robert F. Kennedy, Attorney General: "He (the late President Kennedy) restored the confidence of the people in themselves and in their ability and their ideals and their future - particularly, perhaps, the younger generation."

## Crops 'Know How' Meeting Scheduled

Farmers and others who are interested in the latest research and development in crop production "know how" will attend an "Agricultural Afternoon" of talks on crop fertilizing, weed control, insect control, and Seedling Disease Problems.

J. K. Adams, county agent, says the meeting will start promptly at 1:30 Friday February 21st in the Bailey County Electric Co-Op meeting room. Speakers will be Dr. W. J. Bennett, noted agronomist and until recently headed the state soil testing lab, Bill Gunter, area Agronomist for the Extension Service, Don Rummel, area Entomologist for the Extension Ser-

vice and Dr. Levon Ray, Experiment Station Agronomist. Written and special questions will be answered at the end of the program. Each speaker will be allowed about twenty minutes to cover his subject. Adams urges everyone to attend this updating session in agricultural production efficiency.

Subjects to be covered include: Fertilizing Cotton and Grain Sorghum for Maximum Profit — Dr. W. F. Bennett Agronomist, Western Ammonia Corporation. 20 minutes.

Weed Control in Cotton and Grain Sorghum — Bill C. Gunter, Agronomist, Texas Agricultural Extension Service. 20 minutes.

Controlling Cotton Insect Pests — Don Rummel, Entomologist, Texas Agricultural Extension Service. 20 minutes.

Problems in Seedling — Disease Control in Cotton — Levon Ray, Agronomist, Texas Agricultural Experiment Station. 20 minutes.

FRANKLY

SPEAKING

By J. Frank Peery

Time On My Hands

Certain fundamental shifts in our culture have accelerated during the years since World War II. Affluence and the increase in leisure time have presented us with new problems to which we, as a society and as a community, must find some answers. In an attempt to deal with the quantity of leisure, we must define leisure. For some, sleep may be a major leisure-time activity. Others find that the game of golf is well-defined leisure. Many people sit around a bar and drink away their leisure time. The list could be as long as your arm. However, leisure activities are undertaken by choice — not of necessity, and are pursued for their own sake — not for some other gain. Leisure time is the time available for such activities. While this definition is far from perfect and has certain difficulties, it seems to be as usable as any. Obviously, leisure time is related to the working day. All things being equal, as work time increases leisure time will decrease, and as work time decreases leisure time will increase. In 1839, the average work week had 70-72 hours. Today, the average work week is 35-40 hours in five days. Leisure time is also closely related to the persistent change in length of the working life. In 1900, one worked until death. Today, million retire with 10-20 years yet to be lived. We see, then, an increase in time which has become leisure time that definitely affects the person, family, home, and community.

Out of this new muchroom of leisure time has come many good things and many bad things. For many individuals, this new freedom has brought a "togetherness" long needed in family life. For many individuals, this new freedom has opened the door for "new hobbies" and "community service projects". However, dire warnings must be flashed that this great block of leisure time has opened new streets of waste, crime, and areas that have no moral, ethical, or spiritual value to person or community. Leisure time is closely related to our present trend of moral decay. Television, smut literature, the press, and the entertainment industry are guilty in this trend of decay. The offering made to help gap the leisure-time cycle by these agencies has dropped to a shameful level of filth and evil. Even the churches of the nation must share in the guilt for not standing up and speaking out against these harmful and sinful measures that are shaping our leisure into a time of soul poisoning. Frankly Speaking — The development of the coffee break with soft restful music, which was intended to relieve fatigue and rest the tired body and mind, has resulted possibly in a greater fatigue — for the coffee is not as inevitable as a constant relationship with people. These relationships become more boring, superficial, shallow, and largely without meaning. What we need to gap our leisure time is a sense of Christian love and responsibility for self, family, and community.

22 YEARS OLD The Journal has a birthday this week, but due to most of the force having "gone to war" we'll do little celebrating. The Journal has seen this community grow from a sparsely settled ranch land to a community well settled, and a town that is destined to grow into one of the largest and best on the Plains. We sincerely hope that by next birthday, we can greet our boys who are away fighting and can have a real birthday celebration.

Several women in and near Muleshoe have requested that a Home Demonstration Club be organized.

A meeting to organize this Club will be held Tuesday afternoon in the District Court room.

Just before Christmas, word was received here that Wayne Smith, who made his home with Mr. and Mrs. George Johnson for several years, was lost when his plane fell on a trip from India to China. Wayne was a pilot for one of the big Airlines who transports supplies from bases in India and China.

However, a few days ago, the home folks received a joyful surprise when Wayne called them from New York to inform them that Lady Luck and a good parachute were still on his team, and that he would be in Texas shortly.

After visiting a few days with his mother in East Texas, Wayne was called back to duty before getting to make his trip to Muleshoe.

He told the Johnsons by phone that while at 19,000 feet elevation all four motors of the big cargo plane froze. Wayne leveled the ship and warned the crew to "hit the silk" after it became evident that nothing could be done to save the plane, so the crew went over the side — all but one. He was found later in the wrecked plane, dead.

Wayne was the last to jump and at that altitude, they almost lost consciousness for lack of oxygen. It was a bright moonlight night and he could see the parachutes of the other men below him, looking like huge tropical flowers. All landed safely, in friendly country, but had to walk 60 miles before finding transportation back to their base.

New announcements on the 19-44 political calendar were: W. E. Renfrow, sheriff; P. A. Altman, Commissioner, Precinct No. 4; Cecil Tate, County Judge; and Joe "Uncle Shorty" Bartlett, Constable, Precinct, No. 1.

One of the worst blizzards in many years hit this section last Thursday night bringing snow and near zero temperatures. For the past week the thermometer has registered from 6 to 11 degrees above zero each morning.

Large drifts of snow, from earlier storms, were still on the ground.
