BIG LAKE DAM COMPLETED AND READY FOR USE

This week's work at the dam of the city lake will be completed and made ready for the big rains that are expected to come within the next few months to supply Crowell's water needs. All the equipment is here to complete the pumping and electrical arrangements and this will be installed as rapidly as possible. The council will likely receive the job within the next ten days.

As the News has stated in a former article a chlorinator will be installed to purify the water and there will be absolutely no germs in it, we are told after the water has been treated. One of the main things in the minds of the mayor and the council is to give Crowell pure water as well as quantity. In other words both quality and quantity are being equally considered in the increase of our supply.

One thing the council will insist on is that no person go into the water. Not only will they insist on that but it will absolutely be prohibited. Of course it will be much better for all persons to abstain from going into the lake without having to be forced by law to do so. No thoughtful person will violate that requirement because every one knows that it is for the safeguarding of the health of those who will use the water for domestic purposes. It will be absolutely necessary that human bodies are not brought in contact with the water. Not only is this to be enforced, but the watershed will be kept cleaned. That means that dead animals must be removed and all substances that would contaminate the water.

It is far better that people understand this at the start than that such practice be stopped by legal steps after it has been commenced. Arrangements are being made already looking to the stocking of the lake with bass. This will be done within a short while after sufficient water has been accumulated and plenty of fish will be put into the lake to stock it well within a short time. So we may expect within a year or so after the lake is full of water to have one of the finest bass fishing spots in West Texas.

The big thing to Crowell is that the lake will furnish the town with plenty of water for some time to come. When the lake is once full we shall have a supply for two or three years, and this with the water we already have, should supply Crowell when it reaches a growth of ten thousand people.

It was a fine business venture when the decision was made to purchase this site and build the dam. It looks like the job is a good substantial one and there is not a better location for such dam anywhere near town. Indeed it would appear stupid on our part if we did not utilize the natural advantage it offers us for the undertaking being made. What it will mean in the beautifying of homes with lawns, shrubbery and trees can be understood only in the course of a few years.

INTERESTING FACTS ABOUT WHEAT SHIPMENTS

Did you ever see a long freight train? How long was it? Would it extend from Kansas City to Omaha? That's 186 miles. Well, if the 25,000 carloads of wheat received in Kansas City in July of 1915 were hitched into one train, the engine would be either in Kansas City or Omaha and the caboose in the other city.

The twenty largest cities of the United States have a combined population, according to the 1920 census, of around 19,000,000. During the month of July, 1926, Kansas City will have received more than 25,000 cars of wheat, or around one million bushels per day. This is equal to 222,220 barrels of flour daily, or 123,332,000 loaves of bread, or about six and one half loaves of bread per day for each citizen of the 20 big cities.—K. C. Drovers Telegram.

Miss Annie Joe Matthews left Saturday morning for Trinidad, Colo., for three weeks' visit with friends and relatives.

JENNINGS GOODE MARRIES MISS HELEN LOVETT OF ROBY

The following account of the marriage of Mr. Jennings L. Goode to Miss Helen Lovett at Roby is taken from the Roby Star-Record. Mr. Goode is well known in Crowell, having lived here for many years during his boyhood days. He is now an employe of the Roby paper.

Mr. J. L. Goode and Miss Helen Lovett were united in holy wedlock last Thursday evening at 8:00 p. m. at the home of the bride's parents. Rev. E. L. Yeats, pastor of the First Methodist church of this place, performed the ceremony, only a few close relatives being present.

The young couple left for Ennis and other points on their honeymoon. Mrs. Goode is the beautiful and accomplished daughter of Mr. and Mrs. R. L. Lovett. She was a senior of this year's class in high school. Mrs. Goode is an accomplished reader, having graduated in expression this year.

Mr. Goode has lived here several years of his life, having graduated from Roby high school in 1923. He has held a responsible position with the Star-Record for the past eighteen months as linotype operator. Mr. Goode is known as an upright, Christian, young man, and we believe is worthy of the prize he has won.

These young people will make this their home, where Mr. Goode will continue to be connected with the Star-Record.

The Star-Record joins their many friends in wishing them a long happy life.

Bids for New School Building To Be Received

The News carries this week a notice for bids on the new school building to be erected here soon.

The architect employed is E. H. Eads of Chickasha, Okla., and Shamrock, Texas, and a plan has already been decided upon and a drawing of the building is now on display in the show window at Ferguson Bros.

The building is to be long and wide. It will be a one-story building and will consist of 18 rooms with an auditorium with a seating capacity of more than 600. It will be provided with steam heat and made modern in every particular. The site of the new building will be on the same block with the old one occupying the southwest portion of the block.

Other improvements will be made on the old building. This will also be provided with steam heat, the same system being used to supply both buildings. The roof will be repaired and a lot of work done on the walls to make them attractive and the rooms comfortable. Briefly, the old building will be put in first class repair.

This work will commence just as soon as all the preliminary arrangements can be completed. Time is a factor in this that many people never think about. One is the approval, printing and sale of the bonds. Another is the proper advertisement for contractor. Nothing can be done that looks like starting a new building until all this and a number of other things are done. This is all being rushed as rapidly as possible. Advertisement for bids is running in this issue and August 18th is the day set apart to receive those bids.

The amount to be spent in the building of the new structure and the repair of the old one will range around \$60,000.

Of course the question uppermost in the minds of most parents and children is "when will the new building be ready for occupancy?" It will require some months to finish the building after the work commences, so the thing to do is to be patient. The work is well on its way when it is well begun and the important thing is to start well, and that is what the board is trying its very best to do. We are confident the board will make every effort possible to erect a building of which we will be proud and we are willing to trust the proposition to their judgment. So far they seem to have done the right thing in choosing a building to be of one story. That will be in line with the trend of modern school building and we may rest assured that we shall have a school building that will meet the needs of the present as well as those of many years to come.

29 Bushels Is a Wheat Yield Not to Be Sniggered At

One hundred and eighty acres on Mrs. J. M. Allee's farm, tended by Mack Gamble, yielded almost 29 bushels to the acre, according to information given the News Wednesday.

On the entire amount there lacked only about 8 bushels of being enough to make the average of 29 bushels.

This is another instance of taking care of land. Last year the wheat did not promise a yield that would pay to care for and so the wheat was plowed up and the land cultivated. This year the yield on the land was about 10 bushels more than other lands of the same quality that lay close by.

If there is one fact that has been well established relative to wheat growing in this country it is that land must be prepared for wheat. That might better be said by substituting the word "rain" for "wheat," for that is what it means. Take care of the moisture and the crops will take care of themselves.

Henley Goode Married in Amarillo Last Week

Mr. Henley Goode of this city and Miss Merle Morris of Hayden, N. M., daughter of J. H. Morris of that city, were united in marriage at Polk Street Methodist church in Amarillo Thursday last week.

Mr. and Mrs. Goode arrived in Crowell Friday last week and have been visiting in the home of his sister, Mrs. S. P. Ferguson. They have secured rooms at the McCaskill home and will live there until Mr. Goode's school starts at Foard City at which place he has been elected principal for the coming term.

The News joins in congratulations and hearty good wishes.

Material on Ground For New Oil Well

C. C. Wood of Wichita Falls will start a well on the J. R. Bell property as soon as the derrick is erected. All the material was placed on the ground last Sunday.

A 3,000 foot test is to be made.

Quanah Boy Is Accidentally Shot While Cleaning Gun

The Quanah Tribune-Chief reports the accidental shooting of Francis Robertson, 18, last week while he was cleaning a gun which he supposed to be empty.

The bullet went into the body of the boy near one lung and appeared near the surface of the skin in the back. It is not thought that it will prove fatal.

One of the strangest things imaginable is that any one will handle a loaded gun and not know it to be loaded. The first thing any one ought to do when he wants to monkey with a gun or pistol is to make sure there is no load in it. People are happening to such accidents as this almost every day and they are far more numerous than one would think at all likely.

District Attorney Close Among All Three Candidates

According to the official count, C. Y. Welch of Quanah is first in the district attorney's race, O. O. Franklin of Vernon is second and John Myers of Crowell is third. The vote, according to official count is as follows:

County	Welch	Franklin	Myers
Wilbarger	846	1,652	811
Foard	150	264	913
Hardeman	1,506	553	727
Totals	2,502	2,469	2,451

Mrs. W. O. McDaniels and daughter, Miss Rosalie, and son, Ed, returned last Friday from a two weeks visit with Mrs. McDaniel's sister, Mrs. Bob Press, at Blueridge, Collin County, Texas.

Kanred Wheat Proves Superior to Turkey Red

There has been much speculation over the proper kind of wheat to sow in this country. Some claim one and some another variety to be the best, but it seems that where a thorough test has been made the facts favor the Kanred variety.

The Kansas City Drovers Telegram has the following to report:

Results at the Nebraska experiment station show that Kanred and Nebraska 60 wheat have consistently yielded more than Turkey red. In a 4-year test Turkey red yielded 30.5 bushels, Nebraska No. 60, 32.5 bushels and Kanred 33.5 bushels per acre. From the combined standpoint of yield and milling and baking quality, Kanred and Nebraska No. 60 may be considered as being of equal value. In some communities there seems to be a prejudice against Kanred wheat from the protein and grading standpoint.

While the Nebraska experiment station has not found any justification for this sentiment they suggest that where this is the case that farmers give Nebraska No. 60 a trial. This wheat is a selection from Turkey red and there has never been any objection to it from any standpoint. Farmers who are interested in this seed may be able to get some of it from a neighbor who has grown some this year. County extension agents and agricultural college at Lincoln have lists of certified seed growers to which they can refer any inquiring farmers. The Nebraska Crop Growers' Association certified the fields of grain and issued the list of growers as a part of their program to promote better seeds and better farm practices.

Two-Year Old Baby Died Last Saturday

Thomas Lendon, the little two-year old baby of Mr. and Mrs. T. A. Shook, died last Friday after a spell of illness of several days.

The child was born August 15, 1924, and died July 30, 1926, lacking only 15 days of being two years of age.

Funeral services were held at the home of J. N. Johnson July 31st, after which the remains were placed in the Crowell cemetery.

Former Crowell Man Dies at His Home at Hico, Tex.

M. R. Shirley, aged 78, died suddenly of apoplexy at his home at Hico, Texas, Saturday, July 31st.

Mr. Shirley was born in Alabama about 78 years ago but for many years prior to his death had made Texas his home. He and his family came to Foard County in the year 1901 and located on a farm northwest of Crowell. After the children had grown to maturity Mr. and Mrs. Shirley moved to Crowell where they resided for some years and later moved to Houston and made that place their home for a year or two and then moved to Hico where they have resided since.

The deceased is survived by his wife and seven children, six sons and one daughter. These are George Shirley and Mrs. J. P. Bridges, both of Post, Texas, being the children of his first wife; Joe Shirley of Paris, Texas; Frank Shirley of Chicago, Ill.; Lee Shirley of Vernon; and Tom Shirley of Lawton, Okla., all by his second wife who survives. Besides these Mr. and Mrs. Shirley reared two adopted children, John Shirley, a nephew of Crowell, and Val Davis, a grandson of Stephenville. He is also survived by a sister, Mrs. Sue Rollow, of China Springs, Texas. All the children were present at the funeral which was held at the Baptist church at Hico, the pastor of the church conducting the services.

Mr. Shirley had been a member of the Baptist church for many years. The many friends of the Shirley family regret the sudden death of Mr. Shirley and extend their sympathy to the bereaved family.

Gordon Cooper, wife and baby spent last week-end with Mrs. Cooper's brother, Jim Clifford, and family in Childress.

78TH BIRTHDAY OF J. H. McDANIEL CELEBRATED

On August 1st, the neighbors and friends of J. H. McDaniel honored him with a birthday dinner at the home of his daughter, Mrs. J. W. Hukill. The day will long be remembered, not only by Mr. McDaniel who has often done kindly deeds among his friends, but the gathering was also an inspiration to each and every one present to put more of sunshine and love into life's journey.

Mr. McDaniel is in very poor health, having fell and broke his hip several years ago, and breaking his hip has kept him a shut-in ever since. He is blind and an invalid, but with all his troubles, aches and pains he seems to enjoy life. He is very patient and bears his suffering well. Mr. McDaniel has spent the greater part of his life in Cooke County and has many friends there. He has only been in Foard County since last March.

Among those present for dinner were, Mr. and Mrs. J. B. R. Fox, Mr. and Mrs. H. Hunt, Mr. and Mrs. I. Winters, Mr. and Mrs. Frank Hukill of Crowell, Mr. and Mrs. G. B. Finney and two children, Mr. and Mrs. C. L. Cavin and two children, Miss Ruth McMerley of Margaret, Mason Winters. There were several others who gathered in the afternoon. Delicious ice cream and cake was served under the shade trees to all who were present. The day will be long remembered and never forgotten by all present.—Contributed by a Friend.

Crowell People Attend Reunion in Collin County

Joe W. Beverly, T. M. Beverly, Mrs. J. M. Allee and Mrs. T. L. Hughton were representatives from Crowell at a reunion of former Spring Creek School pupils on July 27th.

The old Spring Creek school building was erected in either 1857 or 1858, the exact date not being known because of the fact that there is no record. Some time ago it was suggested by George Brown that a reunion of the ex-students of the old school be held at the school grounds where the original building stood, and the matter met with hearty endorsement and about 40 men and women who were pupils at some time were present on this occasion but only three were present who attended the school where the building first stood, Joe W. Beverly, R. C. Clark and S. L. Harrington. The reunion could not be held at the site of the old building because of rain and mud, so it was held in Plano. Most of those present were still residing in Texas but a few of them are living in Oklahoma.

The following taken from the Plano Star-Courier will be interesting to the reader:

"Another page has been written in the history of the old Spring Creek School. The history of this early school will be revised in the minds and hearts of these old students to include the records of the first reunion of the former pupils.

"The long talked of and dreamed of reunion of these students was held in Plano Tuesday of this week. Because of the recent rains the reunion was held in the city auditorium instead of at the city park where it had been announced it would be held.

"At the noon hour a big basket dinner was served in the basement of the high school building.

"The greater part of the afternoon was taken up shaking hands, greeting each other and registering. Following this the pupils were called to books. The stage furnishings and setting represented as near as possible the old time school stage of years ago. The old blackboard was conspicuously displayed. The old time school books were to be seen on the desk and a globe and a map of the United States, all of which turned the minds of these aged men and women back to their younger days when they were in the Spring Creek school.

"A good time was had by every one. In fact, the day was spent in living over their school day life again. There were speeches and songs and not a dull moment during the entire day.

"In the afternoon the old time spelling match, which years ago was a weekly event every Friday after-

PURCHASE OF RINGLING R. R. IS CONFIRMED

The purchase of the Ringling railroad line from Ardmore to Ringling has been confirmed by the Interstate Commerce Commission and the line will be taken over in the near future by the Santa Fe, according to the Waurika Democrat. What the Santa Fe will do with reference to building on to the West is problematical, says the Democrat, but it is the opinion of the best informed that the line will be built west from Waurika and on into Texas.

This is the road in which Crowell people have been interested for some months and now that it is a certainty that the road is the property of the Santa Fe, it stands to reason that the Santa Fe people will make such connections as that this line will become a part of that great system. Therefore we have better hopes of the road being built into Texas and out through the West.

Interests are at work looking to that end, although little is being said about it. In other words, the road is not being built on paper, and if it is actually built it will likely be done with little noise.

To say the least of it, there is encouragement to the people of this section over the proposition.

Candidates in Runoff Aug. 28th

Following are the district and county contestants to be in the second primary on August 28th:

Representative—Dr. R. L. Kincaid of Foard County and E. L. Covey of Knox County.

District Attorney—O. O. Franklin of Wilbarger County and C. Y. Welch of Hardeman County.

County Judge—G. A. Mitchell and J. E. Atcheson.

Sheriff—L. D. Campbell and Jesse Owens.

District and County Clerk—Mrs. D. L. Reavis and Miss Kate White.

Tax Assessor—D. W. Pyle and Claude Callaway.

Information as to the contestants for state offices has not been supplied us yet, but Pollard and Alred will make the race for Attorney General, and according to the best information at hand Gregory Hatcher of Dallas County and J. R. Ball of Fannin County will make the race for State Treasurer.

Moody's majority over all five of his opponents and S. M. N. Marrs' majority over his two opponents put them beyond the 2nd primary.

There were 1465 votes cast in Foard County in the primary on July 24th, according to the chairman of the Democratic Executive Committee.

Davidson Abides Election Results

Houston, Texas, Aug. 2.—Lynch Davidson of this city, defeated candidate for the Democratic nomination for Governor, Wednesday issued a statement, in which he asks "my friends everywhere to accept the result of the election cheerfully and happily, as I do, and join willingly in upholding the hands of all those who stand for better government."

The statement, he said, was in answer to hundreds of telegrams, which he found it impossible to answer. In the course of the statement he says that "the issues and principles advocated by me in this campaign were obscured by the bitter factional fight," but it is "the conviction of the great majority of the people that such is for the best welfare of the State, and by their decision we must cheerfully abide."

The statement, he said, was in answer to hundreds of telegrams, which he found it impossible to answer. In the course of the statement he says that "the issues and principles advocated by me in this campaign were obscured by the bitter factional fight," but it is "the conviction of the great majority of the people that such is for the best welfare of the State, and by their decision we must cheerfully abide."

noon in the school, was a feature of the program.

"Before adjournment a number of short talks were made by the old students.

"During the day a number of the former pupils visited the old site of the old school house and also went down to the old spring and quenched their thirst, at which spring they used to drink while attending school.

"The reunion brought together old students who had not seen each other in fifty years."

AYERSVILLE

(By Special Correspondent)

Miss Audrey Gamble of Hico visited from Wednesday till Sunday with Mrs. Sim Gamble.

V. A. McGinnis and wife have been visiting since Sunday in Blair, Okla.

Jim Bostis and family of Jameson community spent Sunday with the Jonas family.

Mr. and Mrs. Chandler of Vernon spent Sunday afternoon with Mr. and Mrs. Burrow. Also Mr. and Mrs. F. A. Davis and Uncle Bill Rasor all of

Crowell spent Sunday afternoon with them.

Mr. and Mrs. Dave Shultz attended the wedding of Blanche Shultz at her home in Vernon Sunday afternoon. She is a granddaughter of Mr. and Mrs. D. M. Shultz. She was united in marriage to Foy Powers, an employe in the Coco Cola Bottling Co., of that place.

Mrs. Johnnie Gamble and children spent Friday with Inez Gamble and family.

Vernon Pyle and family spent Sunday with M. F. Meadors and wife of Crowell.

Mrs. D. M. Shultz's condition is improved this week.

The revival meeting has begun at Gamble school house. Every one attend that can and make it a success.

J. L. Shultz and family of Thalia spent Monday night with Mr. and Mrs. D. M. Shultz. Those visiting them Tuesday were Mrs. G. A. Shultz and daughters of Thalia, Mrs. C. D. Haney and Mrs. R. C. Johnston and baby of Talmadge.

THALIA

(By Special Correspondent)

week-end.

A large crowd attended the baptizing at the gin tank Sunday afternoon. There were fifteen candidates for Baptism.

J. G. Thompson and wife and their children, John Thompson, Jr., and Miss Leona Thompson, have been visiting relatives in Collin County for several days.

Miss Opal Derrington of this place and Mr. Arnold Young of near Rayland were married at the Baptist church at Rayland Sunday morning. Rev. Ray of Rayland said the ceremony. They left Sunday afternoon for Anton where they will visit for several days before returning home.

Mr. and Mrs. W. M. Snow and W. L. Brown and family of Merkel visited Mrs. A. W. Reid and daughters here last week.

Mrs. John Rasor of Crowell visited her parents, Mr. and Mrs. T. M. Haney here Sunday and attended the baptizing.

J. F. SELLERS PASSED AWAY TUESDAY MORNING

The account of the death of J. F. Sellers is reprinted in this week's issue by request of the relatives because of a few errors in the names of the surviving relatives last week. Otherwise it is given just as it was in last week's issue, which follows:

J. F. Sellers was born in Carroll County, Tennessee, September 10th, 1864, and died at his home in Crowell, July 27th, 1926.

Mr. Sellers had been confined to his bed for the last seven weeks, having suffered from a ruptured blood vessel in the head, which was followed by paralysis. For some time prior to his death he had not been able to speak.

Mr. Sellers had suffered the misfortune of losing one eye some months ago and practically losing the other, and it was this misfortune that marked the beginning of his decline in health. He had always been a man of good health until this spell of sickness.

The deceased came from his native state to Ellis County, Texas, in the year 1900. In 1904 the family came to Foard County and although they were away for a year or two they always considered this county their home.

The deceased is survived by W. H. C. D., Bill and C. M. Sellers, all of Crowell, L. C. Sellers of Clairmont, Texas; Mrs. J. G. Briscoe of Agitite, Texas; Mrs. Bob Miller of Silverton, Texas; Mrs. Roy Sutton of Muleshoe, Texas; Miss Mattie Sellers of Crowell and Mrs. Lena Weavers of Crowell. There are eleven grandchildren.

The deceased had been a member of the Christian church since 1910. Funeral services were held at the residence at 4:30 p. m. Wednesday after which the remains were interred in the Crowell cemetery.

Eastland—The organization of the Eastland Mineral Water Company has been completed, and the capital of the company will be \$25,000. The outlook of the company is good, since no unfavorable comment has been made against the supply of water here.

Haskell—An election has been ordered for the citizens of Haskell to vote \$17,000 bonds in City Hall and fire station improvements and \$20,000 funding bonds. The bond rates will not carry a tax raise.

Standard Corn Harvester --McCormick and Deering Corn Binders

Corn is a money crop largely because of the efficiency of these binders. Five to seven acres a day with a one-man outfit, and the one man easily does the work of a half dozen men with corn knives. McCormick and Deering Corn Binders are light, strong, substantial, and of roller-bearing light craft. Ample adjustments for tall and short stand; cleanest work; pick up down and leaning stalks; make neat, easy-handled bundles.

You Have the Corn--We Have the Machines to Harvest It. Let's Get Together Ahead of Harvest Time

The Wonderful efficiency of McCORMICK-DEERING Corn Machines has a great deal to do with making corn the money crop it is. Save time, hard toil, costly labor charges, and corn, by using this modern equipment.

Our Reputation and Our Service Stand Back of Every Machine You Buy from Us.

SHOE AND LEATHER WORK

Bring me your shoe and leather work. I am prepared to handle anything in this line and can give you satisfactory service.

Crowell Shoe and Top Shop F. W. Mabe, N. City Hall

NOTICE TO CONTRACTORS

Notice is hereby given that the Board of Trustees, B. F. Ellis, secretary, of Crowell Independent School District, at Crowell, Foard County, Texas, will receive bids up until 2 o'clock p. m., on the 18th day of August, 1926, for the furnishing of all materials and labor required for the erection of a high school building in the city of Crowell, Texas, in strict accordance with the plans and specifications as prepared by E. H. Eads, architect, of Chickasha, Okla., and Shamrock, Texas.

Separate bids will be received at this same time from Electrical contractors for the electric work on this building, and from the heating and plumbing contractors for the heating and plumbing in the new building, and the heating of the old building, and from roofing contractors for the re-roofing of the old building, as shown and called for by the plans and specifications.

All bids to be made out on the bidding blanks which are inserted in the specification, and no bid will be accepted which does not conform to the plans and specifications. All bids are to be sealed and delivered to B. F. Ellis, secretary, on or before the hour mentioned, and are to be marked on the exterior of the envelope that it is a bid for this work, naming the class of work for which it is intended. All bids must be accompanied by a certified check or bid bond in the sum of 5 per cent of the bid. The check or bid bond to be made out to B. F. Ellis, secretary, as a guarantee that the contractor if awarded the contract will execute good and sufficient bond within 10 days after award is made.

The Board of Trustees reserve the right to accept or reject any and all bids, and to waive all formalities. Signed: BOARD OF TRUSTEES, Crowell Independent School District, B. F. Ellis, Secretary.

Self-control in some men is limited to complete control of the conscience.

A man's sense of importance is not counted as one of his essential senses.

The early bird gets the parking space.

BUY HERE AND SAVE

I am selling gas, oil and automobile accessories at let-live prices. I do not want to make big money off of the public, so I am selling gas, oil and accessories at the lowest prices possible. And on that basis I solicit your patronage.

Come to me for anything in my line and I will save you money and you will go away happy and leave me the same way. Two souls will be made glad by your having traded with me and both will be better off.

J. Q. MIDDLEBROOK, Margaret

Save Time and Money Too

Buying provisions for the home always takes time, but it takes more time in some stores than in others. In our store we save time by giving the service the customer has a right to expect from the grocer.

And in addition we give merchandise of the highest quality at honest prices and cheerfully take back anything that is not satisfactory.

FOX & THOMPSON, Crowell FOX-STOVALL, Thalia

THE FOARD COUNTY NEWS

KIMSEY & KLEPPER, Owners and Publishers

Entered at the Post Office at Crowell, Texas, as second class matter.

Crowell, Texas, August 9, 1926

Ferguson charges that Moody received the klan vote, but what does that amount to? It does not mean that Moody is a klansman or that he is in sympathy with the klan and its activities. He has never been favorable to the secret order, but from time to time has fought the klan and has publicly stated that he was not in sympathy with it. Even after the campaign started at one time when Moody found himself in a klan assembly he excused himself and stated publicly that he was in the wrong crowd. But the klan did vote for Moody. Their vote will elect as well as the votes of anti-klansmen, but the klan did not put Moody in the race. He was not thrust upon the Democrats of the state by any secret order. His position was well defined upon that issue and upon all other big issues before the people. All three leading candidates were against the klan and there was nobody for that order to endorse but one of the three with any hope of making their vote count. They chose Moody. According to Ferguson the entire crowd that voted for Moody are klansmen.

Too much can not be said against using the city lake as a swimming pool. Of course the water will be put through a purifying process, even though it may be comparatively free from contamination. This will be done as a safeguard to health but that will not make it advisable to throw the lake open to swimmers. The city council will not under any circumstances, so we are told, permit the lake to be used as a swimming pool, and the users of the water will endorse that position of the council. However, permission will likely be given to use the lake for boat riding and fishing. The News is not authorized to state definitely as to that matter, but it is authorized to say that human bodies are not to come in contact with the water of the lake. And that will be strictly enforced. It is well that this be understood now, even before there is any water in the lake. The primary purpose of the lake is to furnish water for the city for domestic use.

Now that the political campaign of mud slinging is over let us hope that such a one may never return. The people of Texas have something more important to do than to quarrel and fight over things that are not only unessential but that are actually hurtful to our best interests. The citizens of Texas ought to demand something of those who offer themselves for public office and if they cannot at least promise something constructive in the way of legislation that itself should be evidence of their unfitness for office. When the citizens of the state let it be known that they are tired of political wrangles and mud slinging campaigns candidates of that type will soon become objects of the forgotten past.

Foard and Hardeman Counties should not forget the gigantic irrigation project at one time claiming their attention in the damming of Pease River. A dam that would irrigate a few hundred thousand acres of land in the two counties would be worth more in the long run than a thousand oil gushers. Some day irrigation will be done from Pease River. Why wait longer?

This will be a great year for a fair in Foard County. And not only a good time to exhibit at home our products but to show them abroad. By reason of a good exhibit Foard County ought to reap splendid results in the way of advertising. The world knows little about this country and in all probability we are to blame for that.

Whatever good things are said of a person he may not be any better because they are said. Whatever bad may be spoken against one he may be none the worse because they have been spoken. Speech does not change facts but it may weave a camouflage.

It is said some pessimists with severe cases of the chronic ailment stopped here a few days ago but did not stay long. It is one of the poorest places in the world for such people because of the absence of congenial company.

WHY YOU SAVE

By Trading at
HUGHSTON GROCERY CO.

Because we sell only the best foodstuffs. Because the prices we charge are no greater and often lower than many stores ask for inferior foods.

Isn't that reason enough why you should buy your groceries from us?

HONEST WEIGHT ALWAYS

This is an infallible rule that is never violated. Whether bulk, canned or package goods, we strive constantly to give our patrons their "money's worth."

We would rather give too much than too little, realizing that our success is dependent upon the continued satisfaction of those who make trading here a regular habit.

Into the field of low-priced cars the smoothest Chevrolet in Chevrolet history brings exactly the velvet acceleration and freedom from high-speed vibration that have been the big reasons for the buying of multiple-cylinder cars.

Imagine loafing up a hill in a loaded car—with the motor turning so easily that you are scarcely aware of its operation. *You can in the smooth Chevrolet!*

Imagine rushing from 10 to 30 miles an hour before your watch ticks ten times—with never a semblance of labor on

the part of the motor. *You can in the smooth Chevrolet!*

Imagine being able to drive between 40 and 50 miles an hour for hour upon hour—in perfect comfort, entirely free from any sense of excessive speed and unconscious of even the slightest roughness in the road. *You can in the smooth Chevrolet!*

Learn for yourself the incredible smoothness that is winning the world to Chevrolet. Arrange to see and drive the car today! and come prepared for a ride the like of which you never dreamed possible in a car that sells at Chevrolet's low prices!

Chaney-Allen Chevrolet Co., Crowell, Texas

QUALITY AT LOW COST

SPENDING WITH INTELLIGENCE

Earning a large income brings nothing unless it is so spent that we may enjoy more fully the good things of life while we live, and the first of all good things is that we shall have comfort and independence as long as we live. And that means saving—nothing else will bring it.

Local and Personal

Eat more of O'Connell's ice cream. Springfield and Winona wagons.—M. S. Henry & Co.

Rev. W. J. Mayhew returned Sunday night from Tolbert where he had been engaged in a revival of nearly two weeks.

Big bargains in electric fans.—M. S. Henry & Co.

T. D. Roberts orders the News sent to him at Sweetwater.

Domanco guaranteed electric irons.—Crews-Long Hdw. Co.

Where did you get it? At Cicero Smith Lumber Company.

O'Connell's ice cream from factory to consumer. No middleman.

It's as good as they say it is—Skidoo, the creamy cleanser.—Ferguson Bros.

Mr. and Mrs. W. B. Short returned last week from a visit with relatives in Collin County.

Dr. H. Schindler and family are away making an automobile trip to the doctor's old home in Missouri.

Get an iceless refrigerator and you will have better milk and butter. Iceless refrigerators cost less.—M. S. Henry & Co.

T. J. Cates and niece, Mrs. Hattie Gentry, made a trip to Oklahoma last week visiting Medicine Park, Walters, Comanche, Waurika and other points in that state.

Try Ferguson's Pills for liver ills.

Ice cream freezers that freeze.—M. S. Henry & Co.

A-1 L. C. Smith typewriter for sale.—Bank of Crowell. 8p

Two second-hand cultivators for sale.—M. S. Henry & Co.

For Sale—Chevrolet coach. A1 condition.—Overland Sales Co.

You will find plenty of rape and turnip seed at Johnson's feed store. 7

We have an assortment of white bread boxes.—Crews-Long Hdw. Co., Crowell and Thalia.

Each and every sanitary bill not paid by the 10th will be turned over to the city.—W. C. Parks. 6p

Try Sherwin-Williams paints, enamels and varnishes.—Crews-Long Hdw. Co., Crowell and Thalia.

Mr. and Mrs. Lawrence Kimsey left the first of the week on an exploring trip into New Mexico.

Lanier Brooks of Durant, Okla., came in Tuesday to spend a week with his mother, Mrs. J. W. Klepper.

A complete line of New Perfection stoves, ovens and wicks.—Crews-Long Hdw. Co., Crowell and Thalia.

Sam Rosenthal and Louie Blaw are in Dallas this week buying merchandise for the dry goods store of Blaw & Rosenthal.

Misses Nona Owens and Kayola McDaniel spent a few days last week in Quanah visiting Mr. and Mrs. Garnett Jones.

M. F. Crowell made a business trip to Chalk Tuesday. Cotton and feed are good in that favored agricultural section, said Crowell.

Mrs. J. R. Beverly left Thursday last week for Dallas to buy fall millinery and ready-to-wear for the Crowell Dry Goods Co.

Misses Ella and Vera Patton visited relatives in Chillicothe the first of the week, going over with Rev. L. H. Smith and mother.

L. G. Andrews and C. T. Schlager returned Saturday night from a fishing trip on the San Saba River, however, they report no luck.

Miss Georgia Ribble went to Clarendon last Thursday to attend a banquet given by the Pan Society of the Clarendon College Friday night. She returned Sunday.

Mrs. J. M. Allee has returned home from an extended visit with her daughter, Mrs. A. S. Hart, of Rockwood, stopping at Plano to attend the big reunion.

Mrs. J. F. Long and son, James Everett, returned Thursday last week from Dallas. Mrs. Long has been in Dallas for several weeks taking treatment and her condition has improved.

According to a card received from W. H. Dunagan a male quartet will sing over WBAP Star-Telegram, on Monday night, August 9th from 10 to 11 o'clock. All radio fans are requested to tune in and hear this program.

Charley Thompson and family and Miss Elsie Fay Roark and C. Q. Crawford and family left Wednesday on a vacation into the mountains of New Mexico. They will be gone several days rambling in the dome of the continent.

Jack Brian and wife and his father and mother, Mr. and Mrs. A. Brian, returned Tuesday from an auto trip and visit with relatives and friends in East Texas, Arkansas and Louisiana. They visited Mr. Brian's old home in Louisiana.

Mr. and Mrs. P. L. Ribble and children came up from Vernon last week and visited Mr. Ribble's parents, Mr. and Mrs. E. L. Ribble. The two little girls, Martha Lee and Margerie Iris, prolonged their visit until Sunday night, the parents returning Thursday.

Herman White of Victoria was here the first of the week visiting in the home of his sister, Mrs. S. T. Crews. He left Wednesday morning accompanied by his daughter, Miss Lillian Belle, and Misses Litha and Mary Sam Crews, for an auto trip to Colorado.

R. B. Underwood and wife and Mrs. Underwood's sister, Miss Annie Laurie Smith, returned to Merkel last Saturday night from an automobile trip to Colorado. They visited Estes Park and all places of amusement in Colorado, going from there to Cheyenne to attend the big rodeo. Mr. Underwood came on to Crowell Monday but will return to Merkel where they will visit for several weeks.

Clint White made a trip to Memphis last week to move Paul Zeibig from that place to Elk City, Okla., where the latter will act as salesman for the Chevrolet people. While he was in Elk City, Clint saw so many former Crowell people that he felt himself very much at home. Mr. Porter, formerly here with the Crowell Utilities Company, Poss Hayes, reared in Crowell, Wilburn Coulson, a practicing chiropractor and Wade Fox a practicing physician. Paul is regarded as one of the leading salesmen for the Chevrolet people.

Show Starts Promptly at 8. Comedy Every Night in the Week
Don't Turn Back Because the Show Has Started—We will show it over for you.

Monday and Tuesday—
Don't fail to see Lon Chaney in "THE UNHOLY THREE."
A great crook drama.

Wednesday and Thursday—
If it is a real melodrama that the public has been wanting to see, try coming to see "DRUSILLA WITH A MILLION."
This play was taken from the novel "Brewster's Millions."

Friday Nite—
See Claire Windsor and Conrad Nagel in "DANCE MADNESS"
Also the Sixth Episode of "THE PERILS OF THE WILD."

Saturday Afternoon and Nite—
"TWO FISTED JONES"—It's a Universal Jewel, or a real western.

Friday night of this week we have in person Dorothy Frances McFarland who can do the Charleston to a finish. She is also an artist in whistling, and will entertain you as long as you are enjoying her performance. Everyone is invited to attend this evening. This girl was born in Quanah, and is known of by many people in Crowell and Foard County. All of her relatives live in Quanah.

There Is Only One Way

To clean clothes correctly and that is by dry cleaning. It doesn't detract from the appearance and wearing qualities—it adds to them to such a degree that you'll be surprised at the results.

It will remove the most unsightly spot and return the lustre of newness to materials of the highest grade. We take particular pains to see that your clothes are made fit for further wear.

That suit shouldn't be discarded—just dry cleaned.

WHAT'S DOING IN WEST TEXAS

(By West Texas C. of C.)

Breckenridge—Breckenridge is to have a new hotel, with a cost of approximately \$400,000, according to reports from the Chamber of Commerce of this city. Citizens of Breckenridge will be required to take out stock to the amount of \$60,000. Other interests will subscribe for the remainder of the amount.

Wellington—The Chamber of Commerce of this city is making plans to bid on the 1927 convention of the northern Panhandle district. All business houses will close for the convention this year at Clarendon, and the delegation from that city will include more than 500 business men.

Clarendon—Clarendon is having a new hotel, which will cost \$75,000. It will be a three-story structure, modern throughout, with private telephones. Private parking places will be arranged for the cars belonging to the guests of the hotel.

Hereford—Hereford high school now has affiliation in all of the 26 courses of studies offered, according to reports received from the State Department of Education. Three and one-half units were secured this year.

Stamford—The traffic bureau of the West Texas Chamber Commerce has been instrumental in saving more than \$3,000,000 annually to the shippers of West Texas, according to reports received from the Interstate Commerce Commission which recently denied the five per cent raise in the rate for all carriers west of the Mississippi River.

O'Donnell—The Chamber of Commerce of this city is contemplating the securing of a county agent for Lynn County. A petition for this agent is being signed by members of the organization and will be presented to the commissioners court.

Wichita Falls—Building permits in Wichita Falls amounted to a total of \$1,242,039 for the month of June, and the grand total for the year, up to this date, \$6,169,287.

Brownfield—The new Hotel Brownfield is open for business. The hotel is modern in building and fixtures. There are twenty-eight guest

By means of the Telephone one is enabled to establish communication promptly with anyone in any city or town within the United States as well as various cities in Canada and Cuba. The rates are very reasonable when one stops to consider that a great deal can be discussed in three minutes since the average person talks at the rate of one hundred words a minute.

The Station-to-Station Rates effect a great saving to the public. There are three classes of these rates: (1) The day rate from 4:30 a. m. to 8:30 p. m. (2) The evening rate from 8:30 p. m. until midnight, and (3) the night rate from midnight until 4:30 a. m. To obtain this reduction from the ordinary "Person to Person" rate, the calling party in Crowell should place his call saying that he wishes to talk with anyone at a certain telephone number, for example: "John Doe, Telephone No. 991, wishes to talk with anyone at X2400 in Fort Worth."

Rates

The following table furnishes an example of the difference in rates for the various classes of long distance service. (Unless otherwise indicated, these rates are for a 3 minute conversation. Additional minutes are charged for proportionately.)

IF LUMBER WERE ALL THE SAME

If all lumber were alike in Quality, in Manufacturing, in Seasoning—if all lumber gave like satisfaction to the user—if all lumber were dependable—there would be no justification for this advertisement.

If any lumber you might buy would give you the same degree of permanence in your new home—or in any use you might make of it—it would be a waste of effort to call your attention to these indisputable facts.

There IS a Difference in Lumber. Needless to say, the difference is important when you are spending your money in an investment on a home. The choice is yours.

Cicero Smith Lumber Company

WANTED AT ONCE!

You to know we are not in business for our health, but we can give you anything here that you get in the big shops. Ask us about Tonics. We know more about it than just the label on the bottle, because we use it.

BANK BARBER SHOP

If You Ever Borrowed a Cup of Sugar--

WHEN you must borrow a cup of sugar, or the use of the telephone or a little gas for the car, why do you unhesitatingly appeal to your neighbor.

DRY GOODS MAN, telephone, filling station would eventually supply your need. But to meet the immediate contingency you call across the back-yard fence. The sugar—and it's good sugar—is handed over. That's service, prompt, efficient, honest. But there's a certain something more to that little transaction—an indefinable something that can scarcely be described in the printed word or illustrated in a catalog. It's a feeling of mutual understanding and reciprocity, as of one who, having lived long among strangers, returns again to his own people; it's the same feeling that inspires this; and our similar messages to you.

IT'S THE SPIRIT OF NEIGHBORLINESS.

AFTER all we're more than mere merchant and patron. We're neighbors. And if service, prompt, efficient, honest, is essential to true neighborliness—and we believe it is—that's the service that we sincerely offer and promise to you.

Crowell D. G. Co.

O. O. Franklin Thanks Voters

I desire to most heartily thank those who supported me in the July Primary, and to solicit your support again, as well as to solicit the support of those who did not support me, for the August Primary, to be held Saturday, August 28th.

As practically everyone in this district knows, I have worked and studied in the District Court of this district for more than five years. I have been present during the trial of practically every jury case which has been tried in this district during that time, and have made a written report of such cases. I have assisted the District Attorneys and District Judges in every way possible for me to assist them, and have gained experience there which would be of inestimable value to a district attorney. In connection with my work in the court room, I have studied law, in the court, at home and in school, having attended the Law Department of the University of Colorado during the summer and have passed the examination prescribed by the Board of Legal Examiners, appointed by the Supreme Court of this State to practice law in all the courts of the state, and I am now most earnestly soliciting your assistance in securing a promotion which I firmly believe I am in line for.

It has been called to my attention that the fact that I have not been actually engaged in the trial of cases caused me to lose some votes, and in this connection I desire to say that if I am nominated on August 28th, I will be present in the court at the trial of every case from that time until I assume the duties of the office on January 1st, 1927, and I will have the opportunity to assist the District Attorney in the trial of all cases coming before the court for trial during that period of time, and on account of my position in the court will actually engage in the prosecution of more cases during that time than the average practicing lawyer would engage in during the period of a good many years, as it is well known that the average practicing lawyer is engaged to assist in the prosecution of comparatively few cases.

It is my opinion that the results which will be gotten by any district attorney will be measured by the amount of work he applies. I do not believe the best lawyers in the State of Texas would get much results in the district attorney's office unless he worked hard. I believe my past record bears out the fact that I have the reputation of being honest, efficient and a hard worker, and if elected to this responsible position I will work harder than ever to make good.

I was indeed gratified to learn that I received the second largest vote in Foard County at the July Primary, having carried every box in the county, with two exceptions, over my present opponent. I fully appreciate the position of Foard County toward its candidate and want to compliment him on the splendid showing he made in the July primary.

It will be impossible for me to see every voter before the August primary, as our court will be in session during the last two weeks of this campaign, and if I do not get to see each of you, please consider my candidacy and if you can consistently support me in the primary of August 28th, I will certainly appreciate your so doing.

Thanking you again for your support, I am,

Sincerely yours,
O. O. FRANKLIN.

Card of Thanks

To the voters of Foard County who voted for me for County Attorney of your County, I wish to express my appreciation of your support and promise a fair and impartial enforcement of the law to all alike.

Yours truly,
O. D. BEAUCHAMP.

Card of Thanks

With a heart full of gratitude do I wish to express my thanks and sincere appreciation to the people of Foard County for the generous vote given me July 24th.

I earnestly solicit your support in the coming election.

I want to thank you again for your support, and sincerely trust you will help me August 28th as you did July 24th.

VIVIAN

(By Special Correspondent)

Mr. and Mrs. Lem Davidson and children of Vernon spent Tuesday night and Wednesday with Mrs. Davidson's parents, Mr. and Mrs. R. N. Beatty, Sr.

W. L. McLaren has been confined to his bed for the past week from injuries of the back sustained when a roof of an old shed fell on him. He is improving at this writing.

The union meeting started Saturday night. It will continue for a week or so.

Miss Rosalie Fish returned to her home Sunday after several days visit with her cousin, Miss Bernice Walling, of Crowell.

Mr. and Mrs. Jesse Dishman entertained the young folks with an ice cream supper Tuesday night of last week.

Mrs. J. W. Carroll returned to her home after several days visit with Mr. and Mrs. J. D. Wooley of Clovis, New Mexico.

Mr. and Mrs. A. T. Fish and children spent Sunday with Mrs. Fish's brother, H. C. Frazier, of Foard City.

Miss Maggie Kelley spent several days of last week with Misses Ruby and Addie Smith of Crowell.

Mr. and Mrs. Charlie Beatty left last Saturday for Clovis, N. M., to visit Mrs. Beatty's parents, Mr. and Mrs. J. D. Wooley.

A. L. Walling and son and daughter of Crowell spent Sunday in the home of Egbert Fish.

Miss Rose Torres has returned home from a week's visit with her brother, J. F. Torres.

Mrs. E. C. Reeves and children are visiting her parents, Mr. and Mrs. T. E. Turner, of Crowell.

Mr. and Mrs. Bert Matthews and daughter of Crowell spent Saturday night and Sunday with Mrs. Matthews' sister, Mrs. Egbert Fish.

Clayton Woolley of Clovis, N. M., is here visiting.

Mrs. H. M. Duty and children and Miss Winnie Madden and Lee Madden spent Saturday in the home of Clarence Madden of Ogden.

Mr. and Mrs. Odus Kent and sons of Stone City, Okla., spent Saturday night with Mr. and Mrs. H. Young.

Egbert Fish and M. A. Houcke were visitors in Paducah Saturday.

M. A. Houcke purchased a new Ford truck Monday.

Mrs. J. B. Raspberry and children left Friday of last week for Cement, Okla., where they will visit relatives.

M. B. Madden and son, Lee, and daughter, Winnie, of Belton are here visiting their daughter and sister, Mrs. H. M. Duty.

Mr. and Mrs. W. O. Fish and children were visitors in Crowell Saturday afternoon.

Mr. and Mrs. Frank Blalock and children and Mr. and Mrs. J. W. Cannon were shopping in Paducah Monday.

Mr. and Mrs. Quian Gamblian of Jermyn are here visiting Mrs. Gamblian's sister, Mrs. J. W. Kitchens.

Mr. and Mrs. Allen Fish and children and Mrs. Egbert Fish were visitors in Paducah Monday afternoon.

T. L. Burnett of Iowa Park was here Saturday and Sunday.

It's Easy to Kill Mosquitoes

Zzzing! Slap! But in a few seconds he's back again. Slapping at mosquitoes worries you more than it does them. And you could be entirely rid of them so easily! Simply close doors and windows and blow Bee Brand about the room.

Lee Brand Insect Powder will kill every one and it's easy and safe to use. It's a powder. It can't explode. It can't stain. It's harmless to everything except insects. You can use it in a puffing gun, or blow it in the air from a piece of paper. You can burn it in the room.

It also kills Ants, Flies, Fleas, Roaches, Water Bugs, Bed Bugs, Moths, Lice on Fowl, and many other house and garden insects. Get Bee Brand in red sitting top cans at your grocer's or druggist's.

Household sizes, 15c and 25c. Other sizes, 50c and \$1.00. Puffing gun, 10c. If your dealer doesn't supply you, send us 25c for large household size. Give dealer's name and ask for free booklet. "It Kills Them," a guide for killing bees and garden pests.

CHILDREN'S FATAL DISEASES

Worms and parasites in the intestines of children undermine health and so weaken their vitality that they are unable to resist the diseases so fatal to child life. The safe course is to give a few doses of White's Cream Vermifuge. It destroys and expels the worms without the slightest injury to the health or activity of the child. Price 35c. Sold by

For Sale by Ferguson Bros.

THERE IS NO SATURATION POINT FOR HONEST VALUE

Build a product that the world needs, better than the world expects, and mounting sales will answer those who are constantly predicting a saturated market.

During the first six months of this year, for instance, Dodge Brothers sold 207,115 motor cars and trucks. This represents a gain of 49.3 per cent over the first six months of 1925, and continues Dodge Brothers in the enviable position of **THIRD IN THE INDUSTRY.**

For the three weeks ending July 17th, 23,862 motor cars and trucks were delivered to customers—an increase of 62.4 per cent over the same period last year, and impressive evidence that Dodge Brothers great sales gain is continuing through the quiet weeks of mid-summer.

There may be a saturation point for mediocrity, but honest value will always command a great and ever expanding market.

TO WHOM IT MAY CONCERN

I have sold my agency of the Texas Oil Company and wish to thank my many friends for the business they have given me. Should I in the future be connected with an oil company in Crowell I will appreciate a part of your business, and will assure you of real service. I thank you.

PERCY FERGESON.

TO THE PEOPLE OF FOARD COUNTY

I wish to express my thanks and offer my kind regards for the free-will votes that I received in the last primary election.

I did not make a personal canvass in the first primary. One reason was that it had never before been practiced and yet another, that it was not in line with the dignity of the office of County Judge. And now, I am yet persuaded that if you will take the time to reconsider my claims, many of you will vote differently in the August primary.

I am fighting for a principle. I am for more efficiency and simple equality in government. It has been said that "all men are born equal." I do not consider any individual as having any rights whatever above another.

"With malice toward none, with goodwill toward all," I am entering this second contest believing that justice and righteousness will prevail.

I shall make an earnest effort to see you and talk with you face to face. I am not sore. "Come and let us reason together."

G. A. MITCHELL,
Candidate for County Judge of Foard County, Texas.

Banquet Given by Margaret Baptists

On Friday evening, July 30th, the women of the Margaret Baptist church entertained the male members of the congregation in the form of a banquet. The parsonage was thrown open to the guests and a bountiful feast was spread in the living room. There were four courses served and the men proved their hearty appreciation of the meal by the response they gave while being attended at table.

There were several good addresses given by the following speakers: I. W. Middlebrook, S. B. Middlebrook, J. S. Smith, W. L. Smith, S. J. Boman, Foster Russell, S. A. Taylor. All speakers spoke upon the importance of the various phases of the work of the church, and especial emphasis was placed upon the urgency of prayer and real personal work for the coming revival. The church expects and plans to begin revival services on Friday night, August 6th. O. B. Winters was elected church chorister.

Bro. W. M. Thompson, pastor of the church, presided over the banquet and served as toastmaster.

A male quartet rendered a beautiful number between courses which was enjoyed by all present. Mrs. S. A. Taylor sang "If Christ Should Come."

The young people of the church recently met and organized a good live B. Y. P. U. and the talk by young Mr. Russell was inspiration to all who heard him.

The women of the Margaret church, as usual, certainly showed their ability to do all things well and in order.

Bro. Thompson and his good wife came to Margaret just recently and are doing a great work.

The revival services begin on August 6th, and all are invited and urged to attend and lend a helping hand in trying to save the lost to our Master. Go and take some one with you.

To the Voters of Foard County

I wish to say that it has been my intention to see every voter in Foard County between now and the second primary August 28th, but I find that my health is such that it becomes doubtful as to whether or not I will get to see all. If I do not see you personally I wish you to know why and remember me at the polls just the same.

I expect to remain in the race to its finish but regret that I shall be denied the privilege of visiting every one. I hope to improve shortly and continue my campaign as far as conditions will permit.

I will appreciate the loyalty and support of all my friends and every one who sees fit to vote for me in the second primary.

D. W. PYLE.

SPECIAL ATTRACTION

On Friday evening of this week the patrons of the Home Theatre will be given a rare treat by the personal appearance of Miss Dorothy Frances McFarland of Dallas, Texas. Miss McFarland is an artist in dancing the Charleston and also a great whistler and will give her audience a rare treat.

Miss McFarland is the niece of Mrs. O. T. Ball, nee Miss Bill Rasor of Crowell. This added attraction will add much to the fun of the evening.

The picture for the evening will be *Low Cody and Norma Shearer in "HIS SECRETARY."*

No extra fee will be charged. Two big shows for the price of one.

H. D. POLAND

Suffered weak, nervous

"I WAS in a very weakened, run-down condition, surely in need of a tonic and builder," says Mrs. J. R. Wrenn, of Anna, Texas. "I was so weak I had to go to bed, and kept getting weaker."

"I suffered with my back so much. I was very nervous, couldn't rest good at night. I couldn't eat anything—I just wasn't hungry."

"I had read so much of Cardui, I thought best to use it. I took seven or eight bottles, and by the time I had taken them I was stronger than I had been in several years. I can highly recommend Cardui."

Thousands of other women have found that the tonic effects of the purely vegetable ingredients of Cardui were just what they needed to help restore their appetites, to help bring them easily and naturally back to normal health and strength. Its action has been found to be of great benefit in many common female ailments.

Buy it at your druggist's.

Federal Electric Washer

Free American Women from Washboard Slavery!
Fifty-two "Blue Mondays" Every Year
—Make them Sunny!

The American public is paying millions of dollars every year for clothes, fabrics and laces which wear out on the washboards.

The zinc ridges on a washboard wear through usually in less than one hundred washings. If the washboard wears out in such a short time, how many clothes are worn out wearing out the washboard?

This loss is stopped by scientific washing with The Federal Electric Washer, which passes soap and water back and forth through the meshes of fabrics without injury.

The woman who does not use an Electric Washer is really paying more than it costs every two years in ruined clothes, as well as loss of time, labor and health.

THE FEDERAL IS BUILT TO LAST A LIFETIME

There are a limited number of Dixie Twin-Tubs which will be given With each Washing Machine while they last. Do not put it off!

Telephone us so we can send a Washing Machine to your home and give you a demonstration of better washing of the most delicate fabrics, or even a rug.
