Margaret School Has Its Closing Exercises Tonight

The closing exercises of the Margaret public school will be held at the school auditorium tonight, when diplomas will be delivered to the five girls and one boy completing the tenth grade work. These are, Emma Bradford, Edith Carter, Emma Kemf, Opal Jones, Ruth Reinhardt and Raymond Sikes.

The term just closing has been a very successful one under the superintendency of Prof. M. W. McConnell, with his splendid corps of teachers. Mr. McConnell has been with the Margaret school for three successive terms. Associated with him in the work are Mrs. Jimmie Hembree, this being her 14th year at Margaret, Mrs. Brown Franklin, second year, Miss McGuire, for one year, and Miss Lillian Hansford, music teacher for a little more than one year.

The school classified under the rural score card with 915 points, having a good margin above the required 800 points.

The scholastic census of the district has been completed and it is found that there are 195 pupils for the next term, as against 166 for the term just closing, which shows a gain of 29 pupils. This fact is making it necessary for the district to vote bonds for additional room to take care of the situation. So an order for a \$5,000 bond election is being published this week.

Teachers for another year have not yet been selected. Mr. McConnell will not be with the school next year.

Officers Capture Blockaders Recently

Jack Roden of Margaret captured a negro bootlegger and ten quarts of whiskey Saturday night near Thalia. The negro's name was John Henry.

On Friday night Sheriff Campbell and City Marshal R. J. Thomas arrested Jesse Wells in Crowell for selling whiskey.

A. W. Lilly of Foard City captured a 20-gallon still in the breaks of Wichita River about 5 miles south-east of Foard City Sunday. Also a small amount of mash. The still seems to have been abandoned for a time before Lilly found it. Evidently the blockaders had become suspicious that Lilly was after them. No whiskey was found. This is a complete outfit made of copper and is far above the average blockade still.

Sheriff Campbell says if the citizens will help the officers they will clean out these stills, but unless they do help, it is a hard proposition.

Hart Announces for Re-Election

M. M. Hart, Jr., announces his candidacy for re-election to the office of justice of the peace of precinct No. 1.

It has not always been the practice of candidates for justice of the peace to make their announcement through the paper, so Mr. Hart is setting a new precedent by making the announcement, and a very good one, indeed. This is a very important office, far more so than the average person thinks, and Mr. Hart has made a capable and efficient public servant in this capacity.

He will appreciate your consideration of his candidacy.

State Engineer Looking Over the Highway Route

Chief Engineer Gibb Gilchrist of Austin, accompanied a part of the way by Commissioner Ely, have been touring the country through which Lee Highway passes and have gone over practically the entire Texas portion of the route. The trip was completed the last of last week.

This looks encouraging to the people along the line, for it means that the officials at Austin will have first hand information as to the conditions and needs of the country in the matter of highway construction, and having that information we may expect action in the near future looking to construction. A number of details have to be worked out and it is hard to get them settled so long as these men at the head of the State Highway Department remain in the capital city.

Ogden Boy Was Accidentally Shot Sunday

Burl Whitley, 12 years of age, son of A. J. Whitley was accidentally shot last Sunday afternoon, but his wounds are not dangerous.

An older brother of the boy placed a loaded gun in a truck and the boy happened to be standing a short distance from the muzzle of the gun, which was discharged as it was laid down on the truck, supposedly by the father it received as it was laid down. Several shots entered the boy's leg below his knee but none of them are said to have struck a vital point. It was a narrow escape for Floyd Smith, another boy, who was standing between Burl and the gun, the shot going between his legs and striking the boy behind him.

Dr. Hill was called to dress the boy's wounds. The patient is reported to be getting along all right.

Says Magic Valley Is One Big Grove

Mr. and Mrs. C. D. Stephenson returned Monday from Weslaco where they spent the winter with their daughter, Mrs. W. C. Baker, and husband. They had a pleasant winter down in the Magic Valley but were glad to come back to Foard County.

Mr. Stephenson says they have increased the acreage to groves by the thousands of acres since he was there a year ago. Lands then that were covered with thick mesquite are now in young groves and good hard-surfaced roads running along by the side of them.

Conditions he says are fairly good, although some of the fruit growers are fearing that they will have a yield somewhat shorter than usual on account of the high winds having blown many of the blooms from the trees. The weather has been very warm, one day this spring it went to 100 and was said to have been the highest temperature in 50 years.

College Entrance Examinations to Be Held Here May 8-11

On May 8, 9, 10 and 11, high school students over Foard County in non-accredited schools will be given an opportunity to gain college entrance credits by taking the college entrance examinations to be given under the auspices of the State Department of Education at Crowell, Foard City and either Thalia or Margaret, three places in the county. Students wishing to take these entrance examinations should file at once their applications with the superintendent of the school most convenient. A fee of \$1.00 is charged for each 4 units of work attempted, which is sent to Austin to defray the cost of grading the papers. Ambitious boys and girls who wish to demonstrate their ability to do college work will do well to enter these examinations and thereby provide themselves with the necessary credentials for college entrance.

This information is given the News by Mr. Atcheson and he is anxious that every one who wishes to do so take advantage of this opportunity. Crowell is the only high school in the county that is affiliated with the State University and of course those completing the course here do not have to take these examinations. Thalia is working for affiliation and now has 8 credits, we are told, about half enough to give the school affiliation.

Mr. and Mrs. S. W. Gentry entertained visitors from Quannah Sunday. Mrs. Ed. Andrews and son, William, were in Wichita Falls last week.

Grandma Bonan of Margaret is visiting her daughter, Mrs. C. O. Nichols.

Mrs. G. W. McKown and sons spent Sunday week with her daughter, Mrs. Grover Cole, of Crowell.

William Andrews is confined to his bed this week with measles.

Mrs. Leonard Boren and Miss Ora-Belle McFarland were shopping in Crowell Saturday afternoon.

The young people enjoyed a party Friday night in the home of Mr. and Mrs. Ed. Andrews.

Lee Whitley of near Thalia was in our community Wednesday. A good rain would be appreciated in our community.

Several of the children of Hayden Ford and C. O. Nichols are ill with measles.

A. G. Bell returned Tuesday from Dallas where he visited his wife who is in Baylor Hospital.

Pipe Line Is Laid at Rate of Mile a Day

It is interesting to one to visit the camp of the construction crew laying pipe for the Stamford & Western Gas Company across the eastern portion of the county. Scaggs Bros. of Breckenridge have the contract for the laying of this line, which, with extensions to the property lines in the various towns through which the line passes, will include about 400 miles of pipe. The work is nearing completion across the county now and when the Wichita River is reached the crew at work here will be transferred to Stamford where it will work southwest from that city towards Roby and other towns in that part of the country. Another crew will take the place of the one now in Foard County and work from the river to Stamford.

There are 103 men in the crew here and they are laying more than a mile of pipe a day. We say it is interesting to visit their camp. They have about twenty-five tents, a commissary, blacksmith shop, machinery and tools for mechanical repair work on their automobiles and trucks, a dining room, kitchen, etc. In fact, it is a small town of 103 people with most of the necessary accommodations to make life comfortable. A shortage of water for domestic purposes has and is now cause for some concern, but the crew is managing to get by but have to haul water.

It was the privilege of the writer to visit the camp Monday evening in company with Secretary E. L. Boswell and at the insistence of Scaggs Bros. took supper at the camp. It was as fine meal as one would get at a first class hotel. They have cooks who know how to prepare a meal and there was nothing lacking for the table. They are a fine bunch of fellows and the visit was interesting and pleasant.

T. E. Patton of Stamford, superintendent, was on the ground and he gave us some information as to the cost of the entire line, mileage to be covered and the towns to be served. The project represents about a million and six hundred thousand dollars. The system will serve something like 20 towns from Chillicothe to Roby besides a large number of rural residents along the line. The towns to be served are, Margaret, Truscott, Benjamin, Gilliland, Vera, Seymour, Rhineland, Knox City, Goree, Munday, Rochester, Rule, Stamford, Hamlin, Anson, Rotan and Roby. Possibly there will be a few other towns. The gas supply comes from the Panhandle field in Northwest Texas. It is expected that the entire line will be completed and all the towns above named will have service by the first of August.

New York State Is Not for Smith

According to statistics compiled and sent to the News, Al Smith does not have the state of New York behind him. It has been the vote of the city of New York that has elected him to the office of Governor, and one thing to be borne in mind is the fact that in the city of New York only one person in five are American born.

In the light of that truth an analysis of the following vote is interesting:

In the election of 1924 the vote of the state for Smith was 690,170, while the vote for his opponent, Col. Theodore Roosevelt, was 1,100,577, or a majority down to the city of New York for the latter of 410,407.

In the election of 1926 Smith received in the state outside New York City 643,157, losing more than 50,000 from his vote in the election two years before. His opponent, Mills, came to New York City with 920,465, or a majority of 272,308. With the vote in New York City Smith defeated Roosevelt. With his vote in New York City Smith beat Mills and was elected both times as Governor. But it was a city in which foreign born voters had a majority of five to one that put him in the Governor's chair.

These foreigners want Smith as President of the United States but they want you to help elect him.

Mrs. Gordon Bell will return Saturday morning from Kerrville where she has been for some time for her health. Mr. Bell will meet her in Vernon.

Couple Live to See 60th Wedding Anniversary 16th

Three score years is the span of a long life and far more than the average. But we have in our midst a couple who have lived to see their 60th wedding anniversary, Mr. and Mrs. R. P. Womack.

It was on April the 16th, 1868, that R. P. Womack was married to Miss Mattie Shields at Brandon, Miss. It has been a long time ago. Since that day children have been born and grown almost to old age.

Mr. Womack was a young man of 24 and Mrs. Womack was a blooming maiden of 17 when they started out in life together. Both are many years older than they look. Mr. Womack is 84 and is in fair health. Mrs. Womack has few gray hairs in her head and looks ten years younger than 79.

Three years of their early married life were spent in their native state. Then they turned their eyes westward. Eight years they lived in Louisiana. Texas was next to beckon to them and they came to Tarrant County and after living there for a short time they moved back to Dallas County, making their home there for four years. Then the far west appealed to them and their next stop was in Baylor County where the home was maintained for three years before coming to Hardeman, that portion which is now Foard, and locating for the remainder of their lives. That was in the year 1886 and not more than two dozen families resided in this part of the country now known as Foard County. They made the farm southwest of Crowell the home until the year 1906, when they moved to Crowell where they have resided since.

Eleven children were born to Mr. and Mrs. Womack, nine of which survive. There are 26 grandchildren and one great grand child. Mr. Womack has one brother living, L. R. Womack, of California, and one sister, Mrs. C. J. Pattie, of Mississippi. Mrs. Womack also has one brother and one sister living, J. T. Shields, of Brandon, Miss., and Mrs. George Terrell, of Dallas, Texas.

This couple have many things of interest to tell the younger generations. Their experience especially in the flooded portion of Louisiana where they resided for several years is a matter of great interest to many. The back water from the river placed them in the midst of a sea where travel by boat was necessary and where chickens and stock were housed with the family under the same roof during the time of floods. Their war time experiences are very interesting.

Mr. and Mrs. Womack have lived lives of self sacrifice and service to others. They have never turned down an appeal for help where it was possible to give it, and no stranger ever came their way asking for help who did not receive it. Their long and happy wedded life and present state of happiness in the evening of life are largely the rewards of the noble lives that they have lived.

WILL REBUILD 8 BLOCKS OF LINES AT CHILDRESS

Eight blocks of electric distribution lines at Childress will be rebuilt by the West Texas Utilities Company to increase capacity and to improve service to customers along the route. The sections to be rebuilt are Avenue D from 10th to 15th streets and Avenue F from 9th to 13th streets.

New poles and new wires will replace those now in use.

Sweetwater Man Weds Foard City Girl Here Sunday

The wedding of Dr. Edwin Dann of Sweetwater, Texas, to Miss Alice McDaniel of Foard City, was solemnized here last Sunday, the ring ceremony being performed by Justice of the Peace M. M. Hart, Jr., at the real estate office of N. J. Roberts.

The groom is a young and promising doctor of Sweetwater and the bride is a daughter of Mr. and Mrs. J. H. McDaniels of near Foard City. The young couple left Sunday afternoon for Sweetwater where they will make their home.

Baby Near Thalia Died Last Friday

Little Sylvan Lee, the little two-year old baby boy of Mr. and Mrs. John W. Hargrove, near Thalia, died Friday morning of last week after an illness of several days with scarlet fever, measles and pneumonia.

The body of the child was buried in the Thalia cemetery Friday afternoon. Rev. W. R. McCarter, pastor of the Methodist church of Crowell, having charge of the services.

Mr. and Mrs. George Hargrove of Quannah attended the funeral services.

District Agent Here First of Week

John R. Edmonds of Bryan, district agent of the extension service of the A. & M. College, was in Crowell Monday. Mr. Edmonds was looking after interests connected with his work with the county agents over this part of the State and had been on the Plains.

Small grain prospects are a little more promising in the Plains country, according to Mr. Edmonds, than in this part of Texas.

Body of Mrs. T. M. Parker Buried Near Chillicothe Saturday

The death of Mrs. T. M. Parker occurred at her home here Friday, April 13th.

Mrs. Parker had been practically an invalid for the last three years and had been in bad health for twenty-five years.

The deceased was born in Mississippi November 28, 1863. She was married to T. M. Parker 37 years ago to which union four children were born, only one of whom survives.

In the year 1900 the family moved from Mississippi to Texas, arriving at Vernon. They resided on a farm out from Vernon for some time and then moved to Chillicothe, where they resided until the year 1907, when they moved to Crowell where the home has been since.

Funeral services were held at the Baptist church here Saturday morning at 11 o'clock. Rev. Walker of Delhi, Okla., having charge, after which the body was carried to the Big Valley Cemetery near Chillicothe where interment took place. Mrs. Parker had been a member of the Baptist church since she was 14 years of age.

The deceased is survived by her husband, T. M. Parker, and one son, E. E. Parker, of Crowell, also by four brothers and three sisters. The brothers are, J. A. and R. W. Sanders, Delhi, Okla.; G. T. Sanders, Abbott, Ark.; F. M. Sanders, Hutchens, Texas. The sisters are, Mrs. W. M. Sanders, Wheeler, Texas; Mrs. J. C. Rogers, Delhi, Okla.; Mrs. P. N. Durham, Chillicothe, Texas. All the brothers and sisters were here at the time of her death except G. T. Sanders of Arkansas, and F. M. Sanders of Hutchens, Texas. The latter had been here prior to her death, however, but could not return for the funeral.

O. D. Beauchamp in Race for Co. Attorney

O. D. Beauchamp wants the voters of the county to know that he is asking at their hands for a second term the office of county attorney.

Mr. Beauchamp has been faithful to the trust committed to him during the past term and will continue to be should the voters honor him with a second term.

Revival Meeting Methodist Church Starts April 29

We are informed that everything is being made ready for the revival to start at the Methodist church on Sunday, April 29.

Rev. Flowers and his wife of Dallas will be here. Rev. Flowers is a strong preacher of the Gospel and Mrs. Flowers is said to be a great revival worker. It is expected that great good will be accomplished if these people are given the co-operation and assistance in the effort that they have a right to expect.

The time will be as good as could be selected, since it will cover a period when people are not so busy as they will be a little later and therefore can lend their presence and help in the matter. Like all towns, Crowell needs a revival of religion, not merely in a single church, but in the town, and that can be had with the proper co-operation on the part of the Christian people here.

All arrangements are being completed to take this meeting one that will be of general good to the city. The meeting will start with the morning service on Sunday, April 29.

Taking Scholastics of Crowell Schools

Jesse Moore has been taking the scholastic census of the Crowell independent school district for the last few weeks and expects to have the work completed within the next few days.

He thinks the numbers will be around six hundred when the final count is made. There are some twenty or thirty scattering pupils which he has not gotten yet and has to pick them up just as he can, sometimes making two or three trips before he finds the parents at home to give the information.

In all probability there will be about the same number in the schools here for the next term as were enumerated for the present term.

Man from Paducah Arrested for Speeding

Lloyd Finley of Paducah was arrested by City Marshal R. J. Thomas last Sunday afternoon for speeding in Crowell and had to pay a fine.

The young man was accompanied by another youth and had been driving the streets of Crowell in a Dodge car for some time, and finally when they decided to leave the city they went out at a 50-mile clip. Thomas followed them, overtaking them in the Vivian country. They were brought back to Crowell and Finley, the driver, paid his fine.

American Legion Names Committee to Assist Boy Scouts

The American Legion post of Crowell met this week, and among the things that was called to their attention, was that the Troop of Boy Scouts that has been reorganized here, and that they were in need of assistance in helping them complete their organization, and the following were appointed as Scout Committee to assist with their drills or with any matter that might come to their attention. They also secured a temporary meeting place for the Scouts until future arrangement could be made.

Those on the committee are: Dr. Hines Clark, A. Y. Beverly, Elbert H. Scales.

Brick Laying Started on Four New Buildings

Laying of brick was started Monday morning on the four new buildings being erected on the east side of the square. The force of workmen was small but has already been increased and will still be increased before the last of the week, and by the first of next week a full crew is expected to be raising the walls.

The material is arriving daily and is being placed on the ground, and Contractors Housouer & Poland expect to go forward with the construction rapidly. The weather conditions are very favorable and at this season of the year hindering weather conditions are not anticipated. So it should be only a few weeks until these structures are finished. It has been estimated that two months at the outside will be ample time under ordinary conditions to finish them. So by the middle of the summer all four of these buildings are expected to be housing the business for which they are being constructed.

D. 1928, the same being the 30th day of April, A. D. 1928, then and there to answer a petition filed in said court on the 25th day of November, A. D. 1927, in a suit, numbered on the docket of said court No. 1328, wherein Evelyn Mann is plaintiff, and D. O. Mann is defendant, and a brief statement of plaintiff's cause of action, being as follows:

Suit for dissolution of marriage relations existing between plaintiff and defendant; the alleged grounds for divorce is cruel treatment toward plaintiff by defendant.

Wherefore plaintiff prays the court that defendant be cited by publication to appear and answer in this behalf, and for judgment dissolving said marriage relation, for costs of suit, and that her maiden name be restored to her, and for such other and further relief, special and general, in law and in equity that she may be justly entitled to.

Herein fail not but have before said court, at its next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said court, at office in Crowell, Texas, on this the 28th day of March, A. D. 1928.

AT THE CHRISTIAN CHURCH

The services for the day will be: Sunday School at 10 o'clock. Communion at 11 o'clock.

Preaching subject "True Happiness," at 11:15 o'clock. Preaching subject, "The Devil's Five Prayers," at 7:15 o'clock. "Training for Service Class" at 2:30 o'clock.

I feel that the two messages will be wholesome and instructive and that you will enjoy them. The training class is just beginning and with Mrs. Kincaid as teacher we have a great opportunity to prepare ourselves for greater and more acceptable service for our Lord.
C. V. ALLEN, Elder.

STRAY DOGS KILL STOCK

Cattlemen in the northwest part of the county are making war on the stray dogs of Quanah. Last Sunday a pack of these prowlers killed three head of cows for Edgar Norton and they have committed depredations on poultry and stock on a number of farms.

Six of these wild dogs have been killed and they range in breed from the small white spitz to big grey hounds and stag hounds.

Every year farmers and cowmen have the same trouble with dogs that owners throw out on the public. More stringent laws are needed to control the dog situation in Quanah.—Quanah Tribune-Chief.

GYPSIES CAMP NEAR QUANAH

A band of Gypsies are camped at the old carnival grounds north of the Denver track. The women armed with baskets are going from store to store and never purchasing anything but always looking and probably stealing. These people have no visible means of support and are a menace to any community.

Recently at Enid, Okla., and at San Angelo credulous women have been duped out of several thousand dollars by Gypsies and these nomads have caused the officers much trouble all over the state.—Quanah Tribune-Chief.

CARD OF THANKS

We wish to express our deep appreciation to the people of Crowell for manifestations of sympathy in our recent days of sorrow during the illness and at the time of the death of wife, mother and sister. May the Lord bless each and every one of you and reward you for your services.

Card of Thanks

We wish to thank our good neighbors and friends for the good deeds that they did and kind words of sympathy that were spoken through the long illness of our children and the death of our darling little boy, Sylvan Lee. Especially do we thank Mr. and Mrs. N. F. Pittillo, Mr. and Mrs. Henry Randolph, Mr. T. L. Ward and family and our mother, Mrs. J. B. Alexander, for the helping hand that they have shown us. We thank the good ladies for the beautiful floral offering. May God's richest blessings rest upon all of them and their homes is our prayer.

Make your family proud of their home

Your wife and children cannot take a pride in their home if the house is faded and weather-beaten. That means no paint. And, for mansion or cottage, the best paint is

DEVORE
LEAD AND ZINC PAINT
KEEPS GALLONS - WEARS LONGER

We guarantee Devore Lead and Zinc Paint to be absolutely pure. When you paint with Devore you save paint-money—fewer gallons to buy; you save labor-money—fewer gallons to spread; you get a better looking paint-job—pure paint; and it will be a longer time before you need another paint-job.

Why have a shabby house when it will cost you so little to make it attractive with Devore? Stop in to-day and let us give you a color card and show you several harmonious combinations.

81 WORDS stronger than a thousand ARGUMENTS

Paint half your house with Devore Lead and Zinc Paint and paint the other half with any ordinary paint you choose. If Devore Lead and Zinc Paint does not take fewer gallons and cost less money per job, we will make no charge for Devore.

If Devore Lead and Zinc Paint doesn't wear one or two or three years longer—longer and better—we will give you free of charge enough Devore Lead and Zinc Paint to repaint your entire house.

Crowell, Texas, April 20, 1928

The real booster of a town or community is not merely a windjammer. It is easy to talk but effort is necessary to accomplish things, so the booster must accompany his boosting with real service when it is needed. The real booster is more than a mere investor. He is one who would give others an opportunity to buy and improve property that the community may grow. In short, he is one who can see beyond himself and consider the interest of others.

The people of Texas are pretty well fed up on the promise of gubernatorial candidates to reduce taxes when they get into office. Nobody wants higher taxes, but it looks like there is little hope that they will ever be lowered so long as the country is developing. Besides, the governor of the state has little to do with that, and so promises of tax reductions are just electioneering schemes.

We begin at the foundation to build a structure. We commence at the top to tear down. That is what happens to the young man when he starts out in life. Beginning at the foundation, he has no other way to go except upward. Starting at the top offers the easier course of going downward and too often that is the direction taken.

While there is no optimism over wheat prospects in this county, there is still hope among some of the leading farmers that rain will come in time to make half a crop possible. They say prospects as favorable as now have been followed by fair crops.

Wonder if Miss Texas is going to be able to straighten up her face and look like there had been no family quarrel when she is to be the hostess at the Houston convention?

Do Husbands Really Trust Their Wives?

HERBERT: (to Betty, his wife) I'm sorry, but you'll have to stop going to Guido Petti's studio. His affairs with women are the talk of the town.

Betty: That's silly. No matter what Guido's relations with other women may be, he is a perfect gentleman—and with me I shall continue my studies with him.

Weeks pass. Guido Petti and Betty are in the studio alone. Guido: (drawing her to him) So beautiful you are. Soon we shall go abroad—just you and I.

Betty: But—my husband— Guido: Right! What does he know of your desires? So young you are—so lovely—

Suddenly he claps her in his arms—kissing her with a fierce passion she is powerless to resist. Unheard by either, the door opens—someone

starts to enter—then retreats, closing the door softly.

Two hours later Herbert bitterly accuses his wife.

Betty: Stop, Herbert! You don't know what you are saying. I swear to you—

Herbert: (flinging her aside) I'm through with you. I should have killed you as you lay in your lover's arms. Take what you want and get out.

What happens to Betty after she is driven from home by her husband completes one of the most pathetic

dramas ever enacted in real life. Don't miss "First in a Woman's Heart," in May True Story Magazine.

Former Residents of Crowell Will Be Week End Visitors Here

Mr. and Mrs. N. J. Roberts will have as their guests for the week end, Mr. and Mrs. J. W. Cope of Seymour, Mr. and Mrs. V. T. Finney of Quinlan, Mr. and Mrs. J. H. Cope of Dallas and Mesdames George and Witherspoon of Fort Worth. Mr. Finney is a twin brother of Mrs. J. W. Cope.

Mr. and Mrs. Roberts will keep "open house" Sunday afternoon from 3 to 5 that their guests may have an opportunity to greet their Crowell friends.

LUNCHEON

Mrs. S. S. Bell, assisted by Mrs. Thos. Hughton and Mrs. Lawrence Kimsey, opened her beautiful home on Tuesday of last week for a luncheon at 1 o'clock honoring Mrs. T. N. Bell and her guest, Mrs. A. W. Crawford.

After the guests arrived the spacious dining room was thrown open and all found their places at five beautifully appointed tables. Snowy linen cloths with low centerpieces of pastel shaded sweet peas and rose tinted glassware was a pleasing scene. A delicious Southern menu was served consisting of fruit cocktail, fried chicken, green beans, new potatoes, cheese souffle, pickled beets, fresh tomatoes and waldorf salad followed by neopolitan cream and angel cake.

After luncheon six tables were arranged in the living room and several games of six hundred were enjoyed. Mrs. George Self won high score.

The honor guests were favored with dainty gifts.

The following guests were present: Mesdames A. W. Crawford of Winterville, Iowa, T. N. Bell, W. B. McCormick of Los Angeles, Cal., H. Schindler, R. L. Kincaid, Hines Clark, John Ray, J. R. Beverly, T. L. Hughton, Sam Crews, R. H. Cooper, J. A. Johnson, Geo. Allison, H. E. Ferguson, C. R. Ferguson, S. J. Ferguson, A. Y. Beverly, J. C. Self, H. K. Edwards, M. L. Hughton, G. D. Self, W. B. Johnson, John Myers, L. A. Andrews, Lawrence Kimsey, T. F. Hughton, and the hostess.—A Guest.

THE STATE OF TEXAS

To the Sheriff or any Constable of Foard County, Greeting:

You Are Hereby Commanded to Summon Fred Marsland, his heirs and legal representatives, by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 46th Judicial District; to be and appear before the Honorable District Court of Foard County, Texas, at its next regular term thereof, to be held at the court house in Crowell, Texas, on 5th Monday in April, A. D. 1928, same being the 30th day of April, A. D. 1928, then and there to answer the plaintiff's petition, filed in said court on the 26th day of March, A. D. 1928, wherein the State of Texas is plaintiff, and Fred Marsland, and his heirs and legal representatives are defendants. File number of said suit being No. 1352.

The nature of plaintiff's demand as set out in said petition being an action to recover of the defendants the sum of Thirty-four and 4-100 dollars as delinquent taxes due plaintiff for the years 1913 to 1926 both inclusive, including interest, penalties and costs, that have accrued thereon, said taxes, interest, penalties and costs being due upon the following described property, to-wit:

All of lot No. (1) One, block No. (132) one hundred thirty-two, in the original town of Crowell, Foard County, Texas.

And plaintiff further prays for the foreclosure of its lien against said property, to satisfy said taxes, interest, penalties and costs, for an order of sale, writ of possession, all costs of suit, and for general and special relief, all of which will more fully appear in plaintiff's original petition now in file in this office.

Herein Fail Not, and have you then and there before said court, on the first day of the next term thereof, showing how you have executed the same.

Given under my hand and seal of said court, at my office in Crowell, Texas, in the County of Foard, this 27th day of March, A. D. 1928.

Most Shirts SHRINK--SHRINK--But Now--a Shirt
Whose Collar CAN'T Shrink

What man's neck has never felt the fetters of a shrunk-tight shirt? What man's wife has never frowned upon the shrinkage crinkles of his collar-front?

It is not your laundry's fault. Shirt collars simply had to shrink—a bit at every laundering. Until—until a little group of textile experts found, not long ago, a scientific process that prevents it. They tried it on the collar of shirt. Three times Wallach's New Laundry laundered it. The collar did

not shrink a thousandth of an inch.

More shirts were processed. Sixty times each test shirt was washed and ironed, measured with precision. The collars did not shrink. They could not shrink. And thus was born the neck-emancipating Everfit Collar to be found today exclusively on Shircraft Shirts. These fine shirts now come in a wide variety of fabrics,—white, solid colors and up-to-the-minute patterns.

THE STATE OF TEXAS

To the Sheriff or any Constable of Foard County, Greeting:

You Are Hereby Commanded to Summon G. Dautel, his heirs and legal representatives, by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 46th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 46th Judicial District; to be and appear

before the Honorable District Court of Foard County, Texas, at its next regular term thereof, to be holden at the court house in Crowell, Texas, on 5th Monday in April, A. D. 1928, same being the 30th day of April, A. D. 1928, then and there to answer the plaintiff's petition, filed in said court on the 23rd day of March, A. D. 1928, wherein the State of Texas is plaintiff, and G. Dautel, his heirs and legal representatives, are defendants. File Number of said suit being No. 1345.

The nature of plaintiff's demand as set out in said petition being an action to recover of the defendants the sum of twenty-five and 71-100 dollars as delinquent taxes due plaintiff for the years 1917 to 1926, both inclusive, including interest, penalties and costs, that have accrued thereon, said taxes, interest, penalties and costs being due upon the following described property, to-wit:

All of lot No. (9) nine in block No. (118) one hundred eighteen, situated in the original town of Crowell, Foard County, Texas.

And plaintiff further prays for the foreclosure of its lien against said property, to satisfy said taxes, interest, penalties and costs, for an order of sale, writ of possession, all costs of suit, and for general and special relief, all of which will more fully appear in plaintiff's original petition now in file in this office.

Herein Fail Not, and have you then and there before said court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of said court, at my office in Crowell, Texas, in the County of Foard, this 26th day of March, A. D. 1928.

FISH FRY

T. N. Bell celebrated the home coming of his wife from the hospital in Dallas and the visit of Mrs. A. W. Crawford of Winterset, Iowa, last Friday evening with a fish fry at the tank on his mother's place 7 miles

southeast of Crowell. The tank was seined and a large quantity of fish caught, one being a huge 20-lb. channel cat. About 50 friends were present to enjoy the feast where the fish were fried and supper served under the bridge across Beaver Creek.

Wright's Flock Nets \$4.00 a Hen

(By F. W. Kazmeier, Bryan, Texas)

There are those that do not believe there are at present as many opportunities to make money as in years past. Some of these no doubt do not believe the old saying "The pasture always looks greenest across the fence."

The man or woman that owns or rents a little land can make more money today than in years past.

In the April issue of the Poultry Tribune, a true story is related as follows: "Tom and Mattie Wright, White Leghorn enthusiasts, have made a record that is worth passing on. They made a flock of 363 hens, whose egg-production average was 175.5 eggs per hen, produce an income of \$2,405.91, a profit of \$1,377.13, and a profit above feed cost of \$4.05 per hen."

The county agent was instrumental in getting them to keep records, also in buying bred-to-lay stock. The first year they had average run pullets, the second year they had pullets from bred-to-lay stock. Note the difference.

First Year	
Number of hens	371
Average egg-production	122.36
Total receipts	\$1,541.90
Profit above feed cost per hen	\$2.21
Net income	\$803.96

Second Year	
Number of hens	363
Average egg-production	175.5
Total receipts	\$2,405.91
Profit above feed cost per hen	\$4.05
Net income	\$1,377.13

What 400 White Leghorns Did

On April 18, 1927, Mr. De La Perriere bought 1300 White Leghorn day old chicks and sold as broilers enough cockerels to more than pay the initial cost and expense of raising the entire flock. The remaining pullets were carefully culled and placed in winter quarters October first. During the month of October 1008 eggs were received from the flock. The records for the months of November and December show a steady increase in egg-production, and from January 1st to February 1st this flock laid by actual count 6156 eggs. On the market these eggs were sold for \$215.30. The cost of feed for the month was \$85.15, which left a net profit of \$130.15.

There is no question but that on every well-balanced farm, there

should be from 100 to 400 good pullets. Such a flock, nine times out of ten would show a net income of \$2.00 per hen per year.

University of Texas Union Campaign

Austin, Texas, April 16.—One student from the city of Crowell is taking an active part in making a success of the million dollar University of Texas Union project, it is shown in the list of students in the army of four hundred who are carrying on the campus campaign which started April 9th and lasted one week.

Jesse W. Brown of Crowell took part in the campaign.

The objective in the drive is a half million dollars from ex-students, students, and others interested in the welfare of the University of the state. This fund, supplemented by an appropriation of \$600,000 from the board of regents, will go to erect three large buildings on the campus, an auditorium-gymnasium, a women's activity building, and a students' union building, around which student and ex-student life outside the class room will center.

Chevrolet Flashes

W. B. Abbott of Truscott reports that he hauled with his Chevrolet (without any trailer or extra equipment) 53,600 lbs. of sand from Truscott to the Humble pipe line pump station, a distance of eighteen miles in thirty-one hours. On return trips he hauled 15,500 lbs. of scrap iron. The sand was moved in ten loads, with a maximum load of 6,490 lbs. and an average load of 5,360 lbs. and no load less than 5,000.

Only five cars were built the first year the Chevrolet Motor Company was organized as against more than 1,000,000 in 1927.

GOOD FOR A LEGHORN

We see where we have missed it on this egg business. The big eggs come in too slowly and we believe the better plan would be to have egg day and have all the big eggs brought in at one time. But perhaps we should be satisfied with one egg at a time when it is large enough for a whole meal.

That was the type brought to the News office by Roy Jefferson of Vernon, Route 3, the product of a White Leghorn, 8 3/4 by 6 3/4, is the size.

JACK HOXIE COMING

Those who are familiar with the pictures of the famous movie stars will have the privilege of seeing in person Saturday night Jack Hoxie, one of the greatest of the stars. He will be here in person and will make a talk at the Rialto Saturday night.

Hoxie is visiting a limited number of towns over the country and through the efforts of Mr. Richmond, manager of the Rialto, Crowell is one of those towns. It will be worth much to hear him.

Rev. W. R. McCarter had a severe attack of rheumatism the latter part of last week and was unable to fill his pulpit Sunday. He has been improving this week.

T. N. Bell and son, Alton, left yesterday for Dallas on a business trip.

Mr. and Mrs. Lawrence Kimsey will go to Fort Worth today for a visit with Mrs. Kimsey's mother, Mrs. F. W. Huffman.

Mrs. H. Schindler and Mrs. Elsie Goodman will visit in Wichita Falls tomorrow.

THE STATE OF TEXAS

To the Sheriff or any Constable of Foard County, Greeting:

You Are Hereby Commanded to G. Dautel, and his heirs and legal representatives, by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 46th Judicial District; to be and appear before the Honorable District Court of Foard County, Texas, at its next regular term thereof, to be held at the court house in Crowell, Texas, on 5th Monday in April, A. D. 1928, same being the 30th day of April, A. D. 1928, then and there to answer the plaintiff's petition, filed in said court on the 26th day of March, A. D. 1928, wherein the State of Texas is plaintiff, and G. Dautel, and his heirs and legal representatives, are defendants. File Number of said suit being No. 1348.

The nature of plaintiff's demand as set out in said petition being an action to recover of the defendants the sum of seventy-eight and 56-100 dollars as delinquent taxes due plaintiff for the years 1917 to 1926, both inclusive, including interest, penalties and costs, that have accrued thereon, said taxes, interest, penalties and costs being due upon the following described property, to-wit:

All of lots Nos. (5) five, (6) six and (10) ten in block No. (132) one hundred thirty-two, in the original town of Crowell, Foard County, Texas.

And plaintiff further prays for the foreclosure of its lien against said property, to satisfy said taxes, interest, penalties and costs, for an order of sale, writ of possession, all costs of suit, and for general and special relief, all of which will more fully appear in plaintiff's original petition now in file in this office.

Herein Fail Not, and have you then and there before said court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of said court, at my office in Crowell, Texas, in the County of Foard, this 27th day of March, A. D. 1928.
