## INTERESTING FEATURES FOR TRADES DAY

### Large Crowd Expected for Singing Convention Sunday

#### CROWELL WILL BE SCENE OF ALL-DAY MEET

Arrangements for the county-wide singing convention in Crowell are being completed rapidly by the interest being shown in this semi-annual event. The convention will take place at the Methodist church.

Beginning at 10 o'clock in the morning with a welcome address by S. E. Clark of Abilene, the program for the morning will include preliminary announcements and musical numbers.

**Basket Lunch**  
It is urged to come and bring baskets of food for the lunch which will be served at noon.

A variety of entertainment will take place in the afternoon and in addition to singing, there will be several instrumental numbers.

Arrangements in adjoining counties have been postponed in order that singers may be free to attend the singing here. Places on the program will be given to prominent vocalists of adjoining counties.

In the afternoon there will be a double quartet of sacred songs, all above 60 years of age. Wallace, president of the County Singing Convention, Y. Beverly will have charge of the program during the day.

Places will be reserved for all old-time singing.

Total attendance during the convention is expected to pass one thousand, according to Mr. Wallace.

#### FREE INDICTED GRAND JURY FOR THIS TERM

The bills were returned by the grand jury for the April term of the county, which opened in Crowell Monday morning, 30. The bills were:

For Pauley, 2 bills, one for selling intoxicating liquor and another for possession of intoxicating liquor for the purpose of selling; Henry Gribble, one bill, for selling while intoxicated; Andrews, one bill, for forging a check on J. H. McDaniel; bills were returned in the case of State vs. T. G. Hendrick, charged with wife desertion; Brisco, John VanWinkle, charged with theft; and Hub Speck, charged with possession of intoxicating liquor for the purpose of sale.

It is expected that the grand jury for this term will meet to appear in court this morning.

#### Emergency Loan Period Extended Through May 15

The period during which applications for emergency crop loans may be accepted has been extended through May 15, according to announcement today by Charles W. Sherrill, Regional Manager of the Southwestern Emergency Crop Loan Office of Dallas, serving the states of Texas, New Mexico and Arizona.

Emergency crop loans are available to farmers for crop production purposes who cannot obtain such a loan elsewhere. The maximum amount available to any one farmer is \$250.00 and the minimum is \$10.00, according to the regulations. Co-operation with the Agricultural Adjustment Administration and the Production Credit Associations is given by all borrowers receiving aid from the Emergency Crop Loan Office.

"The Dallas Regional Office has enabled thousands of borrowers without resources sufficient to obtain credit elsewhere to become bank customers. No loan is denied a worthy farmer who needs financial aid and cannot get it from any other source for lack of adequate security," officials state.

Farmers desiring to make loans should get in touch with their County Agent.

#### BIRTHS

To Mr. and Mrs. Eddie Edwards Rallsback, Crowell, April 21, a girl, Gladys.

To Mr. and Mrs. Hurshell Crum, Crowell, May 2, a girl, Alice Pauline.

To Mr. and Mrs. W. M. Rice, Crowell, April 25, a girl, Una Fay.

#### CEMETERY ASS'N. NOTES

The third presentation of "Casey's Trial" was given at the High School auditorium on Monday evening. Due to rain on the evening of the second presentation, a large number were prevented from attending and the performance Monday evening was given to enable those and any others to witness it. The Cemetery Association realized \$79.00 from the three presentations.

C. W. A. Administrator Bryan O'Connell has assured the services of a number of men on Wednesday, May 9, to finish the ditch for the water pipes, for laying the pipe and for cleaning the cemetery. Anyone who is interested should be present to assist in the work on their own lots and should bring implements for the work.

#### FOARD COUNTY ALLOWED 7,200 COTTON BALES

Under the Bankhead bill, Texas will be allotted approximately 3,332,000 bales of cotton to market, tax free. This in turn will be allotted to the various counties. Foard's allotment, as it now stands, amounts to 7,200 bales, however, the provisions of the Bankhead bill calls for ten per cent of the State allotment to be set aside to be apportioned to counties and farmers who have had their production curtailed by floods, droughts, hails or other unavoidable natural causes.

Also to farms whose past three-year average acres in cotton has been less than one-third of the cultivated acres of the entire farm and also to farms where cotton has not been previously grown.

From an interpretation of the bill, it seems that transferable tax-exemption certificates will be issued.

Judging from the terms of the bill and the conditions in this county, Foard should be able to get a raise on the original state allotment.

Foard's production in cotton during the past five years, 1928 to 1932, according to the Bureau of Crop Estimates has been as follows:

1928	9,000 bales
1929	14,000 bales
1930	4,140 bales
1931	11,500 bales
1932	18,100 bales

The production for 1933, after the reduction program, was 23,477 bales.

#### YOUR SUPPORT IS NEEDED

Saturday, May 12th, has been designated as "National Hospital Day" and will be observed as such all over the United States.

In Foard County, the observance of that day is particularly appropriate and will be in the form of a shower for the Foard County Hospital in Crowell. The local hospital is an institution that was organized to serve and benefit anyone in this county who might be in need of the facilities it offered.

It has been of great benefit in the past and if it is to continue its service of saving lives and helping to restore health to the citizens of our county, it must have the support of the people of Foard County. This is not a private institution, but is open to all alike, rich and poor, and must have the assistance of the people of this section to operate.

Local doctors and nurses have struggled against adverse circumstances to keep the hospital in readiness to meet any urgent need that might arise—and who knows, you or a member of your family may be the next to fully realize the necessity of having a hospital close at hand.

During the past few years the hospital supplies have become sadly depleted and needs of every kind abound.

The Foard County Federation has already taken steps to co-operate in the movement to aid the local hospital and has requested all who attend its meeting in Crowell on Friday, May 11, to bring gifts for the hospital.

Items that are especially needed are: sheets, pillow cases, dresser scarfs, towels, dishes, vases, pillows, blankets and various other household furnishings.

Gifts may be left at the hospital on Friday and Saturday of next week, however, if you wish to make a contribution before or after that time, you may leave it at the office of Miss Margaret Curtis, in the court house in case the hospital is not open.

#### Geo. P. Brown, Pioneer School Teacher at Old Margaret, Recalls Interesting Events After Reading News Last Week

Convention Head  
Duke Wallace of Crowell, president of the Foard County Singing Convention, has served in this capacity since its organization over two years ago and will preside at the all-day program in Crowell Sunday.

#### Dick Todd to Enter 2 Events in Track Meet at Austin Fri.

Dick Todd will compete in the 24th annual State meet of the Texas Interscholastic League at Austin this week-end. Approximately 2,000 contestants, who have qualified for the state finals at various regional meets over the state, will participate in the athletic and literary events at this time.

Dick will enter two athletic events, the 120-yard high hurdles and the broad jump. As a result of his performance in the recent regional meet at Canyon, he is also eligible to compete in the 100-yard dash and the 220-yard dash, however, the participation in these four events two separate times in one day at Canyon proved to be a great strain and it is felt that the Crowell athlete will have a better chance to win a championship by only participating in the events in which he is the strongest.

At Canyon he ran the high hurdles in 15.5 seconds. Last week an Oklahoma athlete won the championship of his state with 15.6 seconds time.

Walker Todd, track coach, Ragsdale Lanier and Todd left this morning for Austin.

Track contestants will assemble at Memorial Stadium in Austin Friday morning. The track finals will be Saturday afternoon.

#### Small Child Injured on Congested Street in Crowell Saturday

Bobby Travis Davis, 5, narrowly escaped serious injury Saturday afternoon when he ran into the side of a car driven by Mrs. Frank Hill near Reeder's Drug Store.

The usual Saturday afternoon parking situation on main street existed, barely leaving room for a car to pass through at the time, with the result that the small boy dashed into the side of the car when he attempted to cross the street with the cream cone he had just purchased.

A badly cut right hand and bruises about the right leg were suffered. The small boy, the son of Mr. and Mrs. T. C. Davis of this city, was promptly carried to the nearby office of Dr. Hines Clark, where treatment was administered.

#### COURT INCREASE SIZE OF JUSTICE PRECINCT

Justice Precinct No. 1, the Crowell precinct, was officially extended at a recent session of the commissioners court to include Vivian, Good Creek and Foard City.

There are three justice precincts in Foard County at Thalia, Margaret and Crowell.

#### GAMBLEVILLE TO CLOSE

In closing Friday of this week, Gambleville will be the first Foard County school to end its 1933-34 term. Foard City will close the following Friday, May 11.

The terms of most Foard schools will come to an end on May 18 and May 25.

#### Young Rayland Man Died Last Saturday After Brief Illness

Pneumonia following an appendicitis operation proved fatal to Homer Odis Cribbs, 22, of Rayland last Friday morning at a Vernon hospital. The young man underwent an appendicitis operation on the Saturday preceding his death.

He was the son of Mr. and Mrs. M. L. Cribbs of the West Rayland community, where he was raised. He married Miss Iva Ruth Butler on Dec. 17, 1930, and about two years ago moved to a farm at Rayland.

Funeral services were held Saturday afternoon at the First Baptist Church in Vernon and interment followed in the East View Cemetery there.

Surviving are his widow; his parents, two brothers, Clifford of Thalia, and Ernest of West Rayland; two sisters, Mrs. Ralph Flesher of Bledsoe and Miss Veda Cribbs, who is attending Sul Ross State Teachers College at Alpine. All were present for the funeral.

#### CROWELL GIRL WINS FIRST IN AUSTIN EVENT

Miss Maymie Lee Teague won first place in the event for the judging of children's clothes in the State Home-Making Rally that was held in Austin on Thursday, Friday and Saturday of last week. Over 700 home economics students from all over Texas were present for this annual rally.

Miss Ruth Patterson, home economics instructor in Crowell High School, accompanied four of her pupils, Mary Byrl Bell, Edith Marie Gover, Alice Hunter and Maymie Lee Teague on the trip.

Mary Byrl Bell won fourth place in judging "meal service." Alice Hunter and Edith Marie Gover were in the finals, but did not place in the "school costume" and "tailored dress" contests in which they participated.

Before returning to Crowell Sunday, Miss Patterson and the girls visited principal points of interest in Austin and San Antonio.

This is the first year that Crowell has competed in this state rally and the local group is to be congratulated upon the excellent record that it made.

Those making the trip took care of their own expenses, however, the local home economics class is making an effort to reimburse them through funds secured by sponsoring a picture show next week.

#### PROGRAM HERE ON FIRST MONDAY INCLUDES SLOW MULE RACE, AIR STUNTS, DOLLAR PITCHING EVENT

#### CROWELL STATE BANK TO CLOSE REGULARLY AT 3 P. M.

The Crowell State Bank has announced that 3 o'clock will be its closing hour in the future, effective Monday, instead of 4 o'clock, as has been the case in the past.

#### Christine Pigg Is Taken by Death at Sister's Home Here

Miss Christine Pigg, 20, daughter of W. E. Pigg, of Thalia, died last Friday afternoon in Crowell at the home of a sister, Mrs. Nora Bell Frazier. Death came at about 5 o'clock after a week's illness.

Funeral services were held Saturday afternoon at 2 o'clock in the Thalia Baptist Church with Rev. Frank McNair of Lockett officiating. Burial took place in the Thalia Cemetery.

Pall bearers were: Harry Beidleman, Oneal Johnson, Roy Shultz, Clyde Self, Ed Self and Charlie Roberts. Flower girls were: Ada Beidleman, Alta Davis Roberts, Louise Johnson, Eunice Banister, Arrie Fleta Beidleman, Lucy Jones, Evelyn Reed, Geneva Wood, Johnnie Tarver and Ina Bell Shultz.

#### FARMERS BUY 2 ELEVATORS FOR NEW ASS'N.

A deal was closed last week whereby about one hundred Foard County wheat farmers have secured the interest of T. L. Hughton of this city in his grain elevators at Crowell and Foard City.

The "Farmers Co-Operative Elevators," the name adopted by the new organization, is already receiving wheat at its Foard City elevator, however, it has not yet taken possession of the plant here.

Final details in this respect are expected to be completed within a few days, after which the local elevator will be repaired in preparation for harvest.

Hubert Brown has been selected as general manager for the two elevators. Officers of the organization are T. V. Rascoe, president; F. H. Crews, vice president; Frank Weatherall, secretary; A. B. Wisdom, T. F. Welch and Silas Moore, directors. John Lilly is manager of the Foard City elevator.

An application for a charter for the new organization, capitalized at \$4,000, was made last week. The charter has not yet been received.

#### SELLS BEAUTY SHOP

Miss Amie Mae Gray has sold her interest in the Modern Beauty Shop to her partner, Miss Treva McLain, and left Tuesday for her home in Abilene. Miss Gray and Miss McLain opened the Modern Beauty Shop in the Lanier building about seven months ago. Miss McLain will continue the operation of the business in the rooms it has occupied since its establishment.

#### Funeral Here Last Friday for Former Crowell Resident

C. B. Battle, 68, of Wichita Falls, groceryman in Crowell from 1906 to 1910, was buried in the Crowell Cemetery Friday after funeral services had been conducted at the Methodist Church by Rev. Geo. E. Turrentine, pastor.

He died Wednesday in a hospital at Wichita Falls. Burial was under the direction of the Merkle Funeral Home of Wichita Falls, assisted by Womack Bros. of Crowell. Burial was in a grave beside that of his first wife.

Pall bearers were J. R. Beverly, Curtis Ribble, H. E. Ferguson, R. R. Magee, Oscar Gentry and Milton Hunter. Flower bearers were Miss Minnie Ringgold, Miss Claire Pearce, Mrs. Oscar Gentry, Mrs. Sewell Roy, Mrs. Sam Mills, Mrs. Herman Gentry and Miss Ruth Palmer.

Mr. Battle was born in Longview, Texas, on Dec. 10, 1865. He moved with his family to Bryan when a small boy and remained there until coming to Foard County in 1900. On Dec. 24, 1835, he was married to Miss Fannie Pearce. (Continued on Page 6)

A variety of entertainment and bargains are in store for those who visit Crowell Monday for the regular monthly Trades Day and all indications point to another successful First Monday event for the people of this section.

Most of the entertaining features will take place during the afternoon, however, the dollar pitching tournament preliminaries will open in the morning on the court house lawn under the direction of E. F. (Button) Henry. The finals will start at 2:30 in the afternoon and a cash prize of \$2.00 will be given the winner. Anyone is eligible to enter this event.

#### Daredevil to Perform

Beginning at 3 o'clock a series of death-defying stunts will be performed by Tommy King, daredevil stunt man of Los Angeles, on a cable ladder suspended from an airplane. The best view of this feature will come to those in the business section of town since King will perform directly above it.

Ray Shifflett of Mangum, Okla., who has been flying airplanes since 1915 and who now has over 15,000 hours in the air to his credit, has arranged to be here with his Ryan cabin plane and will carry passengers during the day and aid in the stunting program. A special stunt ship is also scheduled to be here during the day.

#### Slow Mule Race

Quite a contrast will be offered in the next event, which will start at 3:30 o'clock. It will be a "slow mule race" and promises to be one of the funniest features ever conducted here on Trades Day. It will be under the direction of Charlie Gafford and W. B. Tysinger.

First, second and third prizes will be given for the persons having the slowest mules in this race, which is open to anyone that cares to enter a mule in it.

No person will be permitted to ride his own mule, but must ride some other entry and they get the best possible performance from the mule he rides.

The race will begin at the depot and will end at the southeast corner of the square. The owner of the last mule to cross the line at this point will be awarded a cash prize of \$2.50.

A second prize of \$1.00 and a third prize of 50c will also be given.

#### Jersey Prizes

Prizes are also being offered to persons bringing the best Jerseys to town on Trades Day. A \$2.00 cash prize will be given for the best registered Jersey bull, between 6 and 18 months old, here First Monday. Another \$2.00 cash prize will be given for the best registered Jersey heifer, between 6 and 18 months old.

Other features that will help make Trades Day a success are: plenty of bargains on worthwhile merchandise, free auctioneer service, and the usual opportunity for the people of this section to trade the items they do not need for something they can use. With everybody taking advantage of the opportunities they have in this respect, Trades Day can be made of greater benefit to all.

The "Falls Aviators," popular radio entertainers of Wichita Falls, will be here during Trades Day with their string band to entertain Trades Day visitors, according to word received Wednesday by John Diggs, local manager for the Falls Refining Co.

#### GENERAL RAIN SOAKS FOARD THIS MORNING

A general rain over Foard County, amounted to more than 2 inches at Crowell this morning.

The need of a good general rain was keenly felt over most of the county, and the rain, the best one in several weeks, will be of great benefit to crops in general.

Scattered showers over the county during the past week have helped to hold wheat.

#### GOLFERS TO ELECTRA

Crowell's third match in the Texas-Oklahoma Golf Association for this season will be played with Electra Sunday afternoon on the Electra course.

### THE STORY SO FAR

Gordon trades herself in with Dr. Richard Mordecai for fifteen thousand dollars—her family from the disreputable brother, Roddy's, that amount for a woman, penniless young Page and Richard is loved by Haddon, a sophisticated married woman. Kingdon Helena's husband, sees her, but holds his counsel. The ceremony, Nancy re-enters her parents' home, and to see Page, who urges divorce her husband. Mr. Gordon releases his daughter, but she considers her shame. Major Lomax, who rents it original owner, Helena is of Richard's interest in although she knows nothing marriage, and tries to make Once Page comes to Nancy and makes love to her. Nancy is frantic—she loves Page and goes back on her word with Richard by divorcing

### ON WITH THE STORY

and stood still; a shock of shock him out of his present. He was not a vain man, but he could not have misused her words or her man-her hands into his. He sat down. Heaven's sake, Helena, he implored her. "Com- yourself—you'll be ill, in- caught the note in his voice and "I'd better die," she said. "Don't you say so, Richard?" "I'm not," she said, still holding her hand. "Helena, I'm King's his physician; he trusts me. Name, what can I say? It is as bad as that!" he groaned. "You said you wouldn't get a divorce, didn't you?" he went on with rising anger. "What d'you mean? You can't play fast and loose with two men. I—good Lord, girl, where's your mother? She's got to teach you sense—d'you hear? I won't have two men about me!" "I'll—by the Lord Harry I'll shoot 'em both if you don't stop! D'ye hear me?"

Nancy winced again, but this time not from the pain in her ankle. "I hear you, Papa." These were bitter days, too, for Page Roemer. He had been sure of Nancy Virginia. Then suddenly, out of a clear sky, the bolt fell. She had married Morgan against her will, she had married him secretly, and she refused to confess her motives. He walked the floor at night, his nails biting deep into the palms of his hands. Out of these vigils of agony he emerged haggard but determined. Morgan shouldn't have her! He would take her away from him now by main force. Love and Hate contended for his soul, and the love that he made his god was more dangerous to poor Nancy than hate.

But she did not know it. Stinging from her father's denunciations, shrinking from her mother's reproachful eyes, uncheered even by letters from Roddy, home was intolerable to Nancy. As soon as the hurt ankle let her walk without wincing she went out again, and she met Page. He was always lying in wait for her in his hours of leisure. Not even Angie Fuller, who had taken a sudden unaccountable dislike to him, could prevent those encounters. One day, when the two girls were down in the river meadow, Page had joined them. The two were so intent on each other that the girl left them, a little hurt and angry.

A storm was gathering, too, behind the hills, Angie saw it. She shook her head and went into the house, aware that her own heart was sinking. She had had no word of any kind from Roddy. Nancy and Page walked steadily out on the old river road. There was a pungent fragrance in the very air. Nancy drew a long breath. "How peaceful it is out here! What a beautiful world, Page." He did not answer. Hate, that was working in his heart against Richard was suddenly swept aside by love. She looked so beautiful today. They had walked a long way now and suddenly she realized it. She hesitated, looking about her. "Where are we going, Page?" "We're going to the end of the rainbow, Nancy."

She laughed faintly, startled, looking at him now, her eyes wide with surprise. "We sha'n't find a treasure there," she said sadly; "it looks like a storm. We'd better turn back." He caught her hand and held it fiercely. "Nancy, will you come on with me, or will you turn back to him?" She stood still, and, instead of blushing, she turned white and her lips tightened. "Don't ask me," she said faintly. "I don't talk of it now—I was happy here. Let me be happy for a little while, Page. I've been—so

miserable!"

They walked on silently. Nancy was trying not to think. She drew long breaths of the fresh, sweet wind that had risen suddenly. As suddenly the sun had gone out and a purple-black cloud was rolling upon them. It had an effect at once glorious and terrifying, for it was torn with jagged flashes of lightning, and the edge of it curled like the froth of the sea.

Nancy loved it; it had no terrors for her, the very fury of it helped her lift up her soul. Then a rush of wind came, torn leaves whirled about them, the rain began to fall in great drops.

"Come—we'll have to go into the inn over there," he said briskly. "You'll get wet, Nancy."

Nancy yielded to his guidance and ran across the lane into the old tavern that had been made into a roadhouse for the convenience of summer motorists.

The inn dining-room was long and barren, with here and there a group of small tables. As yet there were but few summer visitors. Only a few people were in the room, driven in by the coming storm.

"You'll take something, Nancy, just for form's sake? People notice—there's Haddon over there. His wife, too! The storm must have driven them in, too. He's been down to his racing stables I reckon. They're always quarreling, poor fools. I wonder they're together."

Their alcove isolated them. Page put his hand out suddenly and laid it over hers.

"Nancy, are you going to endure it? You're wretched, I see it! Break with him now—right off—before it is too late."

"Too late? What do you mean, Page?"

"I know what to do. Trust me, Nancy, let me—set you free!"

"Free?" she sighed. "Oh, Page, if I only could be free—as I used to be!"

"You can be—you shall be!" he said in a choked voice. "Nancy, I adore you—I won't give you up, I swear it, he sha'n't have you."

She did not look at him now. "He won't let me get it," she said faintly, "he won't give me up."

"You can make him give you up," he said in a voice of smothered passion.

She shivered, shaking her head. "I can't see how—he's like granite, Page. I can't make him yield."

"You can!" The girl lifted her head and looked at him questioningly.

"Come to me," said Page thickly, passionately. "I love you—you love me. Come to me, Nancy, we can go away from it all together. He'll know it's useless then. He'll get a divorce."

She stared at him innocently, bewildered.

"What do you mean, Page?"

He bent nearer, his face flushed, his eyes glowing, love triumphant and determined and unscrupulous, love without pity or remorse. He was sure of her now.

"Come to me, I said," he panted, "come now—today—let us go away together. The world's a big place. He can't follow us. We love each other. We have a right to our love—love is life—we'll be together—and Morgan"—he laughed wildly—"Morgan will get a divorce then!"

### FOUNDATION PATTERN IS BOOSTED BY MRS. JONES

"I don't feel like I could ever sew without it," says Mrs. Garnet Jones of her foundation pattern. She has just completed a dress made by her pattern and proclaims it a "perfect fit." The dress is made from striped broadcloth. It is the shirt waist type with a kick pleat in the front and back of skirt and the waist trimmed with buttons.

This is the third dress that Mrs. Jones has ever made and the first to make by herself, doing both cutting and sewing. She is very enthusiastic over the results and has already planned and purchased the material for another dress to make herself and is planning one for the dress contest. She states that she had never before had enough confidence in herself to cut into the material, but that now she just puts her foundation pattern down and cuts away, feeling certain that the result will be satisfactory.

**FOARD CITY 4-H CLUB**

The Foard City Girls 4-H Club met in the school building on April 17 with 13 members present. After two songs and the business meeting, a demonstration on the proper setting of a table was given by Miss Holman. The next meeting was set for May 1 at the school building.

**MARGARET H. D. CLUB**

The Margaret H. D. Club met at the home of Mrs. S. Moore Friday, April 27, with 10 members and 5 visitors present.

Refreshments of banana ice cream and angel food cake were served by the hostess.

The next meeting will be an all-day meeting with Mrs. Jim Owens May 17.

**WEST SIDE H. D. CLUB**

Foundation waist patterns are now being made. They will encourage more to enter the dress contest. The West Side Club met with Mrs. Tom King April 25.

One new member, Mrs. Roy Steele, was added to the roll. There were seventeen present and one visitor, Mrs. B. H. Spears.

The president appointed three committee members, Mrs. Gus Patton, Mrs. Tate and Mrs. Roscoe Eubank for expansion work.

The club will meet with Mrs. Norris, May 9.

### WEST RAYLAND H. D. CLUB

In a meeting of the West Rayland H. D. Club with Mrs. R. F. Derrington April 24, Mrs. J. S. Ray urged each member to help carry on expansion work in the county by reporting at each meeting the names and addresses of non-club members they have assisted in any way.

Mrs. H. W. Young was received as a new member and was appointed to keep a record of the expansion work. Plans were completed for the child social to be given at the home of Mr. and Mrs. R. G. Whitten Saturday night, April 28.

After the conclusion of the program with milk and whole wheat products as the subject, the remainder of the afternoon was spent in making foundation patterns.

Sixteen members and 1 visitor, Mrs. Fred Freeman, were present. The club will meet with Mrs. Pete Gregg, May 8.

**VIVIAN H. D. CLUB**

Foundation patterns was the lesson at the Vivian H. D. Club which met at the home of Mrs. Lee Morgan, April 26, with twelve members and Mrs. J. W. Carroll of Abilene as a visitor.

The Vivian club adjourned to meet May 10 at the home of Mrs. G. E. Benham to make more patterns. All members who can, come.

**WEST RAYLAND 4-H CLUB**

The exhibition, or canning contest, has changed recently according to Miss Holman, who met with the West Rayland 4-H Club Girls April 24 in the school auditorium.

Miss Holman stated that any 4-H girl might enter the canning contest in the county in which she is a resident. Rules concerning the container have been changed, making it easier to participate in the contest.

The chief topic at the meeting was about table service. All of the nine members of the club were present.

**COMMUNITY H. D. CLUB**

"Skim milk is more essential to health than whole milk," said Mrs. Jim Cates to the Community H. D. Club in the discussion on "What's in a Quart of Milk," at the club meeting on April 25.

The president appointed Mrs. Cates, Mrs. Austin Wiggins and Mrs. Herman Gentry to serve on the expansion committee.

Ten members and Mrs. Hubert Brown, Mrs. K. H. Erwin and Miss Mildred Donaldson were present.

for the meeting at the home of Mrs. Jim Cates.

The next meeting will be with Mrs. Will Erwin. Foundation patterns will be made by the club at that time.

# GULF WINS MORE "HILL TESTS" THAN 32 GASOLINES COMBINED

Will your car have more power on any one gasoline? HERE'S YOUR ANSWER...

Gulf tested a total of 33 gasolines on famous American hills—12 hills in localities from Massachusetts to Georgia—and here is what they found...

The power of different gasolines varies widely! And of all 33 gasolines, Gulf is uniformly best. 7 out of 12 times, it propelled a car and load up mountain grades farther than any other gasoline tested!

It won more hill tests than 32 other gasolines combined! Prove it! Drive into a Gulf station, fill up, and test the power of That Good Gulf for yourself!

## HOW 33 GASOLINES RANKED (IN ALL TESTS TO DATE)

All gasolines tested, except a few "third grade" brands, sold for approximately the same price as That Good Gulf. Each brand is denoted by a letter.

TEST	WINNER	2 <sup>ND</sup> PLACE	3 <sup>RD</sup> PLACE	4 <sup>TH</sup> PLACE	5 <sup>TH</sup> PLACE	6 <sup>TH</sup> PLACE	7 <sup>TH</sup> PLACE	8 <sup>TH</sup> PLACE	9 <sup>TH</sup> PLACE	10 <sup>TH</sup> PLACE	11 <sup>TH</sup> PLACE	12 <sup>TH</sup> PLACE	13 <sup>TH</sup> PLACE

#### Chevrolet Delivers Total of 62,388 Units in 20 Days

A total of 62,388 units were delivered by Chevrolet dealers during the first twenty days of April, according to W. E. Holler, general sales manager of Chevrolet Motor Company. Sales for the year through this period total 235,332 units compared to 154,526 units in the same period of 1933, making the period 152 per cent of the corresponding period in 1933.

Sales reported for the twenty days of April are more than 180 per cent of the corresponding 1933 April figure of 34,354 units.

Retail deliveries of commercial cars and trucks continue to gain; 16,224 trucks were delivered during the April period, which triples the 1933 figure of 5,304 units for the same period. Sales in the commercial field have shown steady increases. Mr. Holler pointed out, and at the close of this April period had reached a record figure of 73,619 units for 1934.

#### More Rough Feed And Pasture In New Deal Farming

College Station.—Increased acreages of rough feed and pasture crops at the expense of cultivated crops is the desire of the Agricultural Adjustment Administration according to advices coming constantly to the Texas A. & M. College Extension Service. Such a shift will help reduce cash crop production which is being attempted all along the line, and will lower both the output and the cost of producing meat, milk and wool. This will also conserve soil fertility and reduce erosion, it is pointed out.

It is not good business for farmers to produce to the limit of the land's capacity when the market does not want all the product. It is not always true that intensive cultivation of the soil is necessarily efficient. It does not always pay to strive for the last possible bushel of grain or the last possible pound of milk. Less intensive methods which reduce volume but also reduce cost of production are needed now.

More pasture and rough feed is a program well adapted to Texas, extension service workers say, and they point to thousands of farm demonstrations where this has been shown. If Texas will stick to cotton for its main cash crop, live at home, and for livestock balance go in more for pastures and roughness in the form of bundles, hay and silage, it will have the basis for a sound program which will fit the New Deal in agriculture, declares O. B. Martin, director. He would add to this the growing line of farm and home manufactures to complete the foundation for a desirable future rural Texas.

**Airplane Strikes Roof**  
The pleasure occasioned by the visit of the two airplanes in Crowell from Carruthers Field Wednesday in the interest of the Victory loan campaign was marred by an accident causing complete demolition of one of the planes and barely permitting escape of the lieutenant and mechanic themselves from a fatal end.

The planes had finished their flights here and were scheduled to reach Quanah at 2 p. m. Just after taking off from the field north of the school the ill-fated ship struck the top of Frank H. Crews' home, tearing off the flu and plowing its way through the roof to a depth of three feet and about eight feet wide. A sudden landing in the back yard followed. The pilot received a broken nose. While painfully hurt, neither man was seriously injured.

## GET YOUR ORDERS IN NOW FOR CUT FLOWERS AND POTTED PLANTS FOR MOTHERS DAY, MAY 13TH

We will have a limited quantity of both on display, but if you want SPECIAL KINDS give us your order now. It takes time and Flowers are always hard to get Mother's Day, so order now.

We especially solicit orders for funerals. The public expects the funeral director to furnish transportation and proper display paraphernalia. We have gone to great expense to furnish these, and we feel, all things considered, that we are entitled to the small commission florists allow agents for sending in orders. On this basis we solicit funeral orders. We pay both telephone call and delivery on all orders where two or more are telephoned in on same call. We pay delivery on each local order received. We hope the public will see that we are entitled to these orders based on above stated reasons.

Rural Work Centers Planned for Texas

College Station.—Friendship community in Houston County is the first one to apply for a settlement of farm families on relief rolls in their community and for the building of a rural work center as outlined by the Texas Relief Commission from plans furnished by Texas A. & M. College. Other communities in the State have since applied for these rural work centers, according to O. B. Martin, Extension Service director.

The rural rehabilitation plan adopted by the Texas Relief Commission with the approval of the FERA in Washington provides that a portion of farm families on relief rolls be re-settled in farm communities and that farm and home manufacturers be developed to sustain them. Families picked for their skill or aptitude in manufacture are to be settled in vacant houses in communities that ask for such settlements. Paid by the FERA these people will first make habitable the vacant farm homes to which they are assigned in return for which they will be given the places rent free for one or more years. The next step will be the construction of

modern rural work centers where tools and equipment will be kept for making such things as rugs, mattresses, leather, harness, chaps, gloves, cured meat, canned stuff and many other commodities. These are to be exchanged locally for necessities. The rural work centers will be primarily for the use of these newly settled families, but will also be available to the entire community.

The plan, which was worked out by Mr. Martin and which is being administered by J. E. Stanford, director of Texas Rural Rehabilitation, Austin, is a distinctive Texas contribution. It calls for hundreds of these work centers in communities where vacant houses are available and where the home folks want them. According to Mr. Martin it will probably speed up by many years the movement toward farm and home manufacture which has been developed to a high degree on individual farms by county farm and home demonstration agents.

LET'S HELP

Crowell will be host to people from all over Foard County and this section at the semi-annual meeting of the Foard County Singing Convention at the local Methodist Church Sunday.

It is hoped that the people of Crowell will turn out in large numbers for this occasion and help give the visitors a warm welcome. Over a thousand people are expected to attend this event and a large number of visitors are expected from adjoining counties.

An interesting program has been arranged and the event should prove of real interest to everyone. A basket lunch will be served at noon. Bring your basket and have a real part in this enjoyable affair.

BEER ELECTIONS

Beer elections have become the order of the day in a great many West Texas cities, towns and precincts in recent weeks. Most of these have been called in counties that voted dry last summer and so far most of the places where elections have been held have remained dry.

A new situation developed at Shamrock when the beer election that was to have been held there on April 21 was called off as the result of a ruling by Elbert Hooper, first assistant attorney general, that state laws prohibit any political sub-division of a dry county holding such an election.

Practice Games Are Played This Week in New Soft Ball League

Practice games have been played this week in Crowell's soft ball league with teams managed by Gordon Bell and Amos Lilly winning by lop-sided scores over the clubs of Eli Smith and John Rasor.

A diamond has been put in good condition on the A. D. Campbell lots across the street north of the Griffith Hotel. Official play in the local league will begin on May 10, at which time it is expected that there will be other teams ready to start.

All new teams should be listed with the president of the league, Rev. O. L. Savage, by next Tuesday.

John Rasor has resigned as manager of his team and Ernest Crosnoe has succeeded him.

An interesting game is expected at 6 p. m. today when the strong teams of Gordon Bell and Amos Lilly meet.

Soft ball has already created much interest in Crowell and many spectators have witnessed the games already played.

THE BOOK by BRUCE BARTON

FAT AND LEAN CATTLE

Jacob lost no time in becoming the father of twelve sons, of whom the next to the youngest, Joseph, is the second important figure after the flood.

The oldest of the twelve brothers was Reuben, to whom Jacob on his death-bed said significantly, "unstable as water, thou shalt not excel." He would have liked to protect Joseph from the envious hatred of the others, who saw all too clearly Jacob's favoritism for him, but Reuben was too weak to accomplish anything. The hatred of the others cast Joseph into a deep pit. It was their first intention to kill him, but at the suggestion of Judah, who wanted to save Joseph's life, and could plan no other way, he was lifted out and sold to a passing caravan and taken to Egypt.

A fine parade of human attributes now marches before us—Potiphar, captain in the service of Pharaoh, who took a liking to Joseph and made him an overseer; Mrs. Potiphar, who fell in love with the bright youngster and, when out of his loyalty to her husband, Joseph refused her advances, caused him to be cast into prison; the royal butler, whose release Joseph secured by interpreting a dream, and who promised in turn to get Joseph out of jail, but success quickly banishes the memory of old-time friends.

Yet did not the chief butler remember Joseph, but forgot him. Presently, however, Joseph secured his own release, having been able to interpret a dream for Pharaoh himself. Pharaoh had seen in his dream seven fat cattle and seven lean cattle, and beheld the seven lean cattle ate up the seven fat ones. What could it mean? "It means," said Joseph, "that we are going to have seven good business years and then seven very bad ones; and we better get ready for the bad ones right away." Thus Joseph made the first Babson chart, showing that the area of financial inflation precedes that of depression and is of equal size and density. Through Joseph's foresight and organizing ability the Egyptians stored up food in the seven fat years and came through the lean years with flying colors.

Joseph was big in nature as well as in ability. He sent for his father and brethren, forgave them, got them good jobs in the public service and settled them in luxury in his adopted country. Thus things went swimmingly for the children of Israel until Joseph died, after which calamity descended. The Pharaoh who had been so friendly also died and "there arose a new king in Egypt which knew not Joseph." Envy and jealousy of these smart fellows were rampant; there was a universal demand that they should be evicted from the rich jobs and fat concessions. They not only were evicted but they were thrust down to the very bottom of the social ladder.

C. B. Battle—

(Continued from Page 1)

Four children were born to this union, one of whom survives, William Marvin Battle of Wichita Falls.

When he first came to Foard, Mr. Battle lived in the Black community. He was in the grocery business in Crowell with I. R. Vannoy and J. H. McKown in 1906, 1907 and 1908. In 1909 he operated a grocery business with J. F. Hays, selling out to J. R. Hutchison and leaving here for Hedley in 1910.

He had lived at Wichita Falls for the past 12 years. His first wife died there on May 11, 1925. On Dec. 11, 1926, he was married to Mrs. Mamie Greer at Wichita Falls.

Mr. Battle's first wife was a sister of Mrs. S. W. Gentry and Mrs. C. F. Hunter of the Black community. Survivors are his second wife, one son, William Marvin Battle of Wichita Falls; two brothers, J. D. and Bob Battle, and one sister, Mrs. Geo. Royder, all of Goosecreek, Texas; two grandsons, Charlie and Doris Mendenhall of Quanah, and a son-in-law, D. D. Mendenhall, of Quanah.

Besides the immediate family, the following out-of-town relatives were present for the funeral: Mr. and Mrs. D. D. Mendenhall,

and two sons of Quanah, Miss Ruth Palmer of Alameda, Texas, Miss Sue Greer and Mr. and Mrs. Boon of Wichita Falls.

Mr. Battle was converted at the age of 15 and joined the Methodist Church. He served as steward here and was Sunday school superintendent and choir leader while at Hedley.

HOLLIS TEAM IN ONE-SIDED VICTORY HERE

In a post-season track meet, the Hollis, Okla., baseball club defeated Crowell just 37 to 1 here Sunday afternoon in what had been scheduled as a Red River Valley Baseball League game.

The first inning ended 1 to 0 in favor of the visitors, however, local fans felt that their Cats still had a good chance to start their "victory march" for the present season. Some doubt in this respect began to arise in the second inning, for it was in this period that the Oklahomans scored 13 runs.

The third inning was scoreless for both teams. Hollis tallied 3 times in the fourth, none in the fifth, 6 times in the sixth, 3 times in the seventh and 11 times in the eighth. For some reason or other the ninth inning was not played.

The home club's big inning came in the fifth, however, the rally at that time fell short and netted only one run. It was made by Trotter, who had previously singled

SPRING CEREMONIAL OF MASKAT TEMPLE FRIDAY

A number of Foard County Masons plan to attend the annual spring ceremonial of Maskat Temple at Wichita Falls, which will be informally opened with a "ladies night" entertainment tonight at the Wichita Club.

The activities on Ceremonial day will begin with the registration of novices at Maskat Temple at 9 a. m. Friday. There will be a business meeting at 10 a. m. and the Shrine Luncheon Club will be hosts at noon for Shriners and their ladies at the Wichita Club.

Other forms of entertainment are also scheduled.

# GAFFORD'S PASS TO GIBSON GIVES C. H. S. VICTORY OVER EX-WILDCATS LAST FRIDAY

A forward pass in the final minutes of the game from Jim Riley Gafford to Raymond Gibson netted 60 yards and a touchdown in giving Crowell High's 1934 football team a 7 to 0 victory last Friday afternoon over a group of ex-Wildcat football stars, captained by Guy Todd. The extra point after the touchdown came on a pass from Dick Todd to Gafford.

The Wildcats were outplayed for the greater part of the game, which brought their spring training season to an end, by the all-star club, which narrowly missed scoring on two occasions, once when John Todd dropped a pass on the goal line in the first quarter and again when Robert Oswald fumbled after plowing through the line 5 yards to the one-foot line.

Guy Todd was the principal ground-gainer of the game. He was sensationally stopped on a number of long sprints by his brother, Dick. However, Guy with the aid of another brother, John, returned the favor in cutting down Dick's customary long gains around end through their capable work as defense ends. Guy played quarterback on the offense.

Paul McKown kicked to Guy Todd to start the game. Failing to gain, Oswald punted, the Wildcats taking the ball on their 40. After losing the ball on downs, the Wildcats again took possession when Frank Meason recovered a fumble. Horn broke through for a first down. A few plays later, John Todd recovered a fumble and G. Todd followed with a 25-yard run. Unable to pierce the Wildcat defense, Oswald was called to punt and Crews Cooper killed the ball on the 5-yard line. Standing behind his goal line, D. Todd punted to Cooper, who returned to the H. S. 40. A series of line plays and a long run by G. Todd netted a first down. Other line plays failed and the quarter ended as J. Todd dropped G. Todd's pass with in a step of a touchdown. Score 0-0.

The Wildcats took the ball after a second incomplete pass, but lost it four plays later when a line smash failed to net the necessary yard on the final down. An offensive drive, featuring G. Todd and Mullins, took the ball to the 15, from which G. Todd passed to Melvin Joy to place the ball on the 8. G. Todd made it a first down with a 2-yard gain. After breaking through to within one foot of a touchdown, Oswald fumbled and Aldon Horn recovered for the Wildcats.

D. Todd took the ball out of the dangerous territory with a 15-yard gain. Other line attempts failed and a punt followed with Melvin Joy making a remarkable return of about 30 yards. Chester Graham intercepted Oswald's pass. A Wildcat pass failed as the half ended with the score 0-0.

Neither team made a first down during the third quarter. Punt exchanges were about even, however, the recovery of another all-star fumble by Meason enabled the Wildcats to have the ball on the exes' 33-yard line when the quarter ended. Recie Womack recovered a

fumble to give the exes the ball early in the last quarter, which settled down to a defensive battle until late in the period when Gafford reversed from his end position to toss a long and accurate pass to Gibson, who produced enough speed, even though one leg was injured, to keep barely ahead of would-be tacklers in his dash for the only touchdown of the game. Horn aided in the play with some splendid blocking. Todd's pass to Gafford was good for the extra point and the score was 7 to 0.

With only two minutes to play, the exes took to the air in a desperate attempt to score, however, their efforts in this respect were checked with Paul McKown intercepting one of the tosses. On the final play of the game Bill Middleton intercepted a Wildcat pass and made a nice return of 25 yards.

## ROTARY LUNCHEON

The program at the luncheon of the Rotary Club Wednesday was featured by a musical contest conducted by Mr. and Mrs. John Ray, with Mrs. Ray as pianist and Mr. Ray as the announcer of a story which was told in part by piano numbers, the titles of which were guessed at by those present. H. E. Ferguson won with 20 correct guesses out of a possible 22.

Fred Rennels, who was in charge of the program, discussed the local cotton program and gave a few details of how the Bankhead cotton bill would affect this county.

Visitors at the luncheon were Cy Long, George Zelios and Clyde Greer, Rotarians of Vernon; A. T. Chaney, Rotarian, and Roy Cope of Quannah, and Mrs. Ray.

### NOTICE OF ELECTION

Order and Notice of Election Upon the Question of Authorizing County Road Bonds and Levying Taxes in Payment Thereof. The State of Texas, County of Foard.

On this 12th day of April, A. D. 1934, the Commissioners Court of Foard County, Texas, was convened in regular session, the same being the fourth day of said term, at the regular meeting place thereof in the Courthouse of Crowell, Texas, with the following members present, to-wit:

Vance Swain, County Judge; J. R. Ford, Commissioner Precinct No. 1; W. A. Dunn, Commissioner Precinct No. 2; A. W. Barker, Commissioner Precinct No. 3; T. S. Patton, Commissioner Precinct No. 4; and A. G. Magee, Clerk County Court and Ex-Officio Clerk of the Commissioners' Court.

Among other business transacted, Commissioner Barker made a motion, with second by Commissioner Dunn and carried by unanimous vote of the Court, that an Election be held in and throughout said Foard County, Texas, on the 18th day of May, A. D. 1934, which is not less than Thirty days from the date of this order, to determine whether or not the bonds of said Foard County, Texas, shall be issued in the amount of SIX THOUSAND (\$6,000.00) DOLLARS, bearing interest at the rate of Five (5%) per cent per annum until paid, and maturing at such time or times as may be deemed most expedient by the Commissioners' Court of Foard County, not later than thirty years from their date, for the purpose of buying a Right-of-Way for the construction of a State Highway, or in aid thereof, in said Foard County, Texas, and whether or not Ad Valorem Taxes shall be levied for the purpose of paying the interest on said Bonds and to provide a sinking fund for the redemption thereof, at maturity.

In the event such Bonds shall be authorized and issued, then Ad Valorem Taxes are to be levied annually on all taxable property within said County, sufficient to pay the annual interest and provide a sinking fund to pay the bonds at maturity.

Said election to be held under the provisions of the Laws of the State of Texas, regulating such elections. All persons who are legally qualified voters of this State and of this County, and who are resident property taxpayers in this County, shall be entitled to vote at said Election, and all voters desiring to support the proposition, to issue Bonds shall have written or printed on their Ballots the words, "AGAINST the issuance of Bonds and the levying of Ad Valorem taxes in payment thereof." and those opposed thereto shall have written or printed on their Ballots the words, "FOR the issuance of Bonds and the levying of Ad Valorem taxes in payment thereof." and those who are not qualified voters of this State and of this County, shall be ineligible to vote at said Election, and who are ineligible to vote at said Election, shall be ineligible to vote at said Election, and who are ineligible to vote at said Election, shall be ineligible to vote at said Election.

The manner of holding said election and canvassing and making returns thereof, shall be governed by the General Laws of this State, when not in conflict with the provisions of other regulating statutes for such elections.

A copy of this order shall constitute proper notice of said election and notice thereof shall be given by publication of such notice in a newspaper published in said County for three successive weeks, the first publication being three full weeks before the date of said election, and in addition thereto for three weeks prior to said election, notice shall be posted by the County Clerk at four public places in the County, one of which shall be at the Courthouse door of said County. The County Clerk of this County is hereby directed to post such notices and cause to be published as herein provided, and further orders are reserved until returns of said election shall have been made to this Court.

Sunday, 11 a. m. Subject for Sunday, May 6, 1934. Subject: "Everlasting Punishment." Sunday School at 9:45. Reading Room open Monday, Thursday and Saturday 2 to 5 p.

Wednesday evening service at 7 o'clock. The public is cordially invited.

### Methodist Church

Sunday School will run as usual from 9:45 to 11 Sunday. Instead of General Assembly the conclusion of the Sunday School will be omitted to make way for the county-wide singing convention in the auditorium of the church.

The Vesper service is called off and our people urged to attend the Baptist meeting.

Next Sunday following the Singing Convention, viz. May 13, the pastor will preach a Mother's Day sermon in the morning and conduct the usual Vesper service at the hour of 6:30.

It is time to begin thinking about the Vacation School this year which will be held after the close of school. May every mother and father plan to get their children to this school. Remember the great success achieved last year and let us make this one even better because of greater experience in holding such schools. If you are called on to teach we trust you will willingly respond. GEO. E. TURRENTINE.

### Christ Church

Bro. Merrill will be with us Sunday again for a full day of services. At the morning hour a report will be given of the Wednesday night meeting at which time the future program of the church was discussed. There are not likely to be any interruptions in the schedule of every other Sunday preaching from now to the last of August. Let's come Sunday, learn what the future plans are, get behind these plans with our time and means and energy and make the year 1934 count for much in our Master's service.

Don't forget to bring your offerings toward the support of our preaching program—and if at all possible please make a definite pledge for a weekly contribution. Bro. Cook handles the offerings for Bro. Merrill, see him. C. V. ALLEN, Elder.

### Thalia Church of Christ

There is a revival in progress at the Church of Christ in Thalia being conducted by Jno. Hugh Banister of Memphis, Texas, and B. M. Taylor of Burkburnett.

Large crowds are attending each service and much good is resulting from these meetings.

Next Sunday is expected to be a banner day for this church. Visitors are expected from points as far away as Memphis and nearby communities will be represented if nothing hinders. Come and enjoy the day with all of its services. Bible Study, 10 a. m. Preaching, 11 a. m. Communion, 11:45 a. m. Preaching, 8 p. m.

## SUNDAY SCHOOL LESSON

by Charles E. Dunn

Jesus Acclaimed as King. Lesson for May 6th. Matthew 21. Golden Text: Philippians 2:9.

But the greatest mark of His royalty is the Cross. Over Palm Sunday rests the shadow of Calvary. On Good Friday the King ascends His throne! And what a throne! There we see the supreme love of God revealed in bitter pain.

Rev. Chas. E. Dunn during His temptation in the wilderness. Later, when the people, in their enthusiasm, endeavored to make Him king, He secreted Himself in a mountain. And now as He enters Jerusalem, and is loudly acclaimed as a king "that cometh in the name of the Lord," we are not to suppose that He has changed His mind. He has no desire to assume the role of an earthly ruler.

This is indicated by His striking entrance into the city upon a humble donkey. What a contrast to the spectacular march of Kaiser William into Jerusalem, in magnificent pomp and pageantry, through a gate built in the wall especially for him! Not as a war lord, with mailed fist, did the Master claim His beloved city, but as a humble Prince of Peace.

Then that evening He went out, with the twelve, to the quiet village of Bethany, where lived Mary and Martha. What a tender, domestic touch! The Master, who had no abiding home, needed greatly the refreshment of the family circle as He looked to the tragedy ahead. We note, too, that He claimed the authority to purify the church, as the incident of the cleansing of the temple on the following day makes clear. This was a factor in hastening the crucifixion, for it solidified the forces anxious to

### Christian Science Churches

"Everlasting Punishment" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, May 6.

The Golden Text is: "Shall not the Judge of all the earth do right?" (Genesis 18:25.) Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And I heard a loud voice saying in heaven, Now is come salvation, and strength, and the kingdom of our God, and the power of his Christ; for the accuser of our brethren is cast down, which accused them before our God day and night" (Revelation 12:10.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The destruction of sin is the divine method of pardon. Divine Life destroys death, Truth destroys error, and Love destroys hate. Being destroyed, sin needs no other form of forgiveness. Does not God's pardon, destroying any one sin, prophesy and involve the final destruction of all sin?" (page 339.)

added three counties to this district, each of which gave me an overwhelming majority in my race for the State Senate eight years ago. In my last campaign I called to your attention my legislative record at Austin made in your behalf, you recall perhaps that this record was made while I received, during a period of prosperity, but \$5.00 per day for the services rendered. Your Legislators now receive double that amount. I was a candidate two years ago on a definite platform. I assured you that I would carry out its provisions. I am now glad to be able to report that I have kept faith with you in every particular to the best of my ability and to the utmost limits of my resources.

Congress assembled soon after the inauguration of the President a year ago in special session. It then faced the darkest and most deplorable situation that has ever existed in the history of our nation. This situation was brought about in a period of peace, by the maladministration of our predecessors in the management of the government. I need not recount it. You have been and are painfully aware of the critical situation we faced: closed banks, the loss of billions by their depositors, industry wrecked, schools closed, farmers bankrupt, hundreds of thousands of homeless families wandering hungry over the country, 12,000,000 of our wage earners idle and over 40,000,000 of our people, the unemployed and their dependents practically in the breadline.

### Deficit and Taxes

I told you in my campaign that on account of my previous legislative experience I would be able to become immediately useful; I do not think or claim that I have brought about the magnificent recovery and reconstruction results obtained thus far, but I do claim my co-operation and work in Washington has contributed to the beneficial effects. Congress found a deficit covering the last three years of the past administration of \$7,124,081,000, and a yearly deficit in the revenue of over \$2,000,000,000 per year. Our first duty, was to balance the budget. Our platform had assured us this could be done by "reduction of governmental expenses, by abolishing useless commissions and offices, consolidating departments and bureaus and eliminating extravagance," keeping in mind all the while economic recovery of the nation and provision for the re-employment of our people. It is and was a tremendous job; to become effective unity of action was necessary and was secured. The difficulties were almost insuperable. We had to combat the element of human greed in the large and powerful moneyed interests that had fattened themselves at the expense of the common people during the so-called prosperous time. Banks, utilities, trust companies, stock brokers, insurance companies, financial manipulators and manufacturing plants through their insidious lobbies presented their needs and demands, but they were unwilling to pay their part of the burdens. They fought bitterly to cut allowances of the disabled Veterans and their dependents 50 per cent or more than \$400,000,000. Their only suggestion for additional revenue was an unconscionable sales tax which would rest heaviest upon the poor. I voted to limit the cut on disabled veterans to 25 per cent, and to raise the income taxes sufficient to cover the balance. This program was rejected by the House. I was criticized by the press for not "standing by the President." Legislation is nearly always a compromise. I did the best I could, but continued to stand by the President for the larger result, broad economic recovery, large scale re-employment and a more abundant life for all the people.

### Sentiment on Veterans Legislation

In one short year I have seen the mature judgment of our citizens

I favor granting the President power to negotiate tariff amendments; I favor regulating the exchanges of the country; I favor the bank guaranty law which have enacted. I have always favored legislation for human when in conflict with personal rights. I have always valued all reasonable economy in running the Government. I do not about these things—my active in my behalf and will me an almost unanimous sentiment in July.

## Reports of 13th District Conference Given at PTA Meeting Here Tuesday

A talk on "Building World Understanding" by Henry Black and reports from delegates to the district conference at Seymour formed the main features of the program of the P. T. A. Tuesday afternoon in the study hall of the High school.

Mrs. T. B. Klepper gave a brief report of the social features of the conference, giving stress to a breakfast given in honor of Mrs. R. L. Kincaid, district president and Mrs. Frank Creighton, past district president.

Mrs. N. J. Roberts reported on the Health Class and on a talk on Children's Reading by Miss Julia Linscomb of C. I. A. Mrs. F. A. Davis made a report on a talk on "The Rural Situation" by Warner Raso of Wichita Falls. She also gave a report on the evening lecture by Rev. Patrick Henry of Fort Worth. His subject was "The Nation's Greatest Asset, Character." Mrs. R. L. Kincaid gave a brief resume of Mrs. Frank

Creighton's talk on "At the Crossroads."

Mrs. Kincaid resigned as president of 13th district and Mrs. John C. Murphree of Iowa Park was elected to fill her place. Mrs. R. D. Lewis of Wichita Falls was appointed by Mrs. Murphree to take the place of Mrs. T. B. Klepper as publicity chairman.

In her annual report, Mrs. Oscar Boman, finance chairman, reported that \$311.07 had been made this P. T. A. year and that \$269.97 had been spent on the different departments of the school. Mrs. C. V. Allen, treasurer, reported \$56.20 in the treasury.

A nominating committee composed of Mrs. J. E. Harwell, Mrs. A. Y. Beverly and Mrs. A. D. Campbell, was elected and will present names for the annual election to be held May 15.

Mrs. A. Y. Beverly acted as leader for the afternoon and Mrs. Gordon Cooper gave the devotional. The prize attendance plants went to Miss White's and Mr. Burrows' rooms and to the Freshman class.

The mothers and teachers of the second grades were hostesses at the social hour.

The P. T. A. was pleased to have Warner Raso, district deputy school superintendent, as a guest.

The next and final meeting will be held on May 15th.

## County Federation Meets in Crowell On Friday, May 11

The last meeting of the Foard County Federation before the summer vacation will be held at the district court room in Crowell on Friday, May 11, with the Columbian Club of Crowell as hostess club.

A splendid program, beginning at 10 o'clock in the morning, is being arranged for the occasion.

Mrs. Hubert Brown will bring a report of the District Federation meeting at Amarillo, which she attended as a delegate.

A covered dish luncheon will be served, as usual, and each one is asked to bring a dish of food and fork, spoon and glass.

The members are asked to bring a gift for the local hospital, May 12 is National Hospital Day and in observance of this day and considering the dire needs of the hospital, it is hoped that each one responds to this call. A more worthy cause could not be found.

### Truscott Juniors Hosts to Senior Class at Banquet

The lobby of the Truscott High School building was the setting for the school's beautiful and inspirational Junior-Senior banquet on Saturday evening, April 21.

The occasion was made possible for the Senior Class by the Juniors, the Junior Class Mothers, Miss Mary Emma Stover, Mrs. Bruce Eubank, and the director of the event, Grady Halbert, the Junior Class sponsor.

The theme of the affair proved very interesting to all in attendance. "Seniors" was the general idea for the occasion and "Seniority" was portrayed in every possible way throughout the entire program.

The banquet hall was beautifully decorated in blue and gold, the class colors of the 1934 Seniors. These colors were exhibited throughout the banquet in place cards, programs, favors and menu.

The program consisted of: invocation, A. F. McMinn; toastmaster—Billie Burnett, Junior president; Senior response—Mary Helen Gilland, Senior president; piano music—Mrs. G. T. Burnett; Senior Class history—Lawrence Abbott; music—Young brothers; address—Grady Halbert.

In his address, Mr. Halbert spoke principally to the Seniors of '34 but desired the Seniors of '35 to begin taking their places and try to benefit themselves from the thought also. A brief resume

was given of what Truscott High School had been to the Seniors and what they had meant to Truscott High. An emphatic urge was made for a boost for T. H. S. by the outgoing Seniors, since it is the alumni that means so much to a school in many cases. Finally, advancement in education and the worldly things for one was discussed, laying out ten important rules for one to follow to acquire the best things of life and "Seniority."

Those present were: Bessie Tra-week, Mary Helen Gilland, Sybil Spivey, Rachel Dea, Geraldine Coltharp, Willa Mae Hitchcock, Nina Sawders, Lela Pettis, Doris Dockery, Malinda Mae Hollis, Inez Eubank, Mrs. A. S. Tappery, Mrs. J. C. Eubank, Billie Burnett, Mr. and Mrs. A. F. McMinn, Billy Brown, Raymond Black, Lawrence Abbott, Louis Eubank, Orval Myers, Buel Gibson, Harold Baird, Charles Gillespie and Grady Halbert.

Seven pre-school children were examined. Small-pox vaccination was administered to 9 children, diphtheria anti-toxin to 25, and typhoid serum was given to 140 children.

Five-point health certificates will be issued to 58 children who have met the requirements.

A "Texas Day" program was the feature of the Columbian Club meeting on last Wednesday afternoon at which time Mrs. Dow Miller was hostess at her home.

Mrs. R. L. Kincaid was leader and arranged the program which consisted of articles of interest concerning Texas and Texas people. Outstanding among the talks was that of Mrs. N. J. Roberts on the proposed Texas Centennial for the year 1936.

Mrs. A. F. Wright added much to the program by singing "Beautiful Texas," and was accompanied by Mrs. Arnold Rucker.

Mrs. Miller had two guests, Mrs. G. F. Elliott and Mrs. A. R. Sanders. Assisted by her daughter, Florence, she served a delicious salad course.

Mrs. Miller made a report of the District Federation meeting which she recently attended at Amarillo.

Assisted by her daughter, Florence, the hostess served a delicious salad course to two guests, Mrs. Addie Elliott and Mrs. A. R. Sanders and a large number of club members.

Mrs. Frank Hill was the charming hostess to a delightful eight o'clock breakfast Sunday morning, April 22nd, honoring Miss Opal Barry.

The color scheme of green and orchid was attractively carried out, the table being adorned with a bowl of lovely orchid flowers and green tapers. The place favors were daint Japanese parasols.

Those present were Mesdames Bill Tysinger, Hartley Easley, Misses Frances Hill, Corene Haney, Allison Self, Nona Owens, Little Miss Joyzelle Tysinger, the hostess, and the honoree.

Austin, Texas, May 2.—The largest round-up in the history of Texas will be started in May when every Parent-Teacher Association in the State will join hands in their annual campaign, known as the Summer Round-Up of Children. This is a movement that has for its purpose to send to the entering grade of school children who are as free from remedial defects as possible.

Each local Parent-Teacher group endeavors to have the parents who have children ready to enter school visit their family physician and dentist for the purpose of having a complete physical examination made of the child and then encourage the corrections needed. It is teaching the parents the responsibility of having their children prepared physically for school life. At this time parents should have their children immunized against diphtheria and smallpox.

Children grow very rapidly during the first six years of life, and during this rapid growth, physical defects are apt to develop which may cause permanent damage if they are not corrected early. Poor posture in children is very often the result of faulty nutrition. Fatigue may also be a factor, and in some instances there may be actual disease of the bone.

Inability to see or hear well is a serious handicap for the child beginning school. He cannot progress as rapidly as one who sees and hears normally. As a result the child is frequently held back, not because they are mentally slow but because of defects. The Texas State Department of Health lends their hearty co-operation to the Parent-Teacher Association in this effect as they have seen the value of it in the results obtained in past years.

The Summer Round-Up has been carried on in Crowell through the past week under the supervision of Miss Thelma White, local chairman, and the assistance of other teachers and the local doctors, J. M. Hill, Hines Clark and H. Schindler.

Seventy-five children were examined for the first time and as defects were found they were reported to the parents.

Seven pre-school children were examined. Small-pox vaccination was administered to 9 children, diphtheria anti-toxin to 25, and typhoid serum was given to 140 children.

### Luck vs. Law of Averages

Well . . . it begins to look as if a human life must be lost . . . possibly that of a little child . . . before Crowell awakens to the fact that great improvement is necessary in local traffic conditions.

That accident on the west side of the square Saturday afternoon is but a small sample of what can be expected if the present situation continues. Who knows?—Possibly a split second saved the life of that 5-year old boy. Regrettable as this painful accident was, yet a sigh of relief can be taken when one thinks of what might have happened . . . and all on account of that damnable, congested parking situation that exists every time there is a crowd in town.

This is not the first time here that a child has walked into a moving car in stepping from behind another machine. A Foard farmer tells of an instance where two small children ran into the side of his car, but luckily escaped injury.

We have noticed dozens of cases where accidents have been narrowly averted. We have also witnessed a number of minor smash-ups, brought about by the local condition, that have meant many dollars lost nevertheless.

So far the town has been mighty

### FAMILY REUNION

The home of Mr. and Mrs. George Wesley of Margaret was the scene of a reunion of the Taylor and Ross families at their home on Sunday, April 22.

Honor guests were Mrs. Nena Gray and Mrs. Nena Bee Harris of Dallas, sister and niece of Mrs. Wesley.

Other guests on the pleasant occasion were Mrs. M. O'Connell of Crowell, Mr. and Mrs. Fred Taylor of Margaret, Mr. and Mrs. Ed Taylor of Margaret, Mr. and Mrs. Walter Taylor and family of Wichita Falls, Mr. and Mrs. John Taylor and family of Medicine Mound, Mr. and Mrs. John Mahoney and family of Quanah, Mr. and Mrs. J. lucky, but "Old Man Law of Averages" has always proved a superior player in the game that is being played here and if the game continues, you can certainly place a sure bet on one thing—he is going to take "Mr. Luck" to a real trouncing with the result that payment may be collected in the form of the lifeless body of an innocent child.

Even if the element of danger were not involved, the inconvenience alone is enough to warrant some real action toward improvement. There are many times a week when traffic is brought to a complete halt on the west side of the square.

Some day a case of this nature may catch the local fire truck, causing a delay that could cost thousands of dollars—and you know darn well that fire truck needs all the encouragement possible anyway.

Oh, yes! We're going to have a nice wide street open on the west side of the square soon. But at the present rate, that simply means we are going to have a bigger conglomeration than ever. Local people have become so efficient at parking three deep in the middle of the street that they are anxious for larger fields to conquer and now the golden opportunity is about to present itself.

Crowell has won numerous district championships, a State championship and if such a contest were conducted, we know mighty well that the dear old home town would take National honors for the "Double and Center Parkin'est City" in the U. S. A.

Baseball Consolation Drive  
Seems that there has been a lot of baseball talk going the rounds locally since the 37 to 1 loss to

Hollis. Some local fans have mighty worried, feeling that was the worst defeat any team ever suffered. Since the Team's code to offer any cheer to local athletic fans have made some investigation may bring some consolation.

Button Henry says that playing with Good Creek in Truscott beat his team 38 to 10 with the aid of a storm that came up in the which time Good Creek was ing 1 to 0. Truscott made 18 seutive home runs that he stated.

Grady Graves also does in the consolation drive with the Garden Valley team of Truscott County when it beat W. & D. Shop Team of Crowell 43 to 9 in about 1925.

It is also stated that the university of Texas beat Southern 44 to 0 about 10 years ago and that back in the Texas days of long years ago, Crowell beat some team 55 to 0. If stories continue we are sure to be convinced that Crowell came near getting a good one here.

Amos Lilly says his team in local league will soon be challenged by Bailey Renna's that West team in this part of United States. John Ray is other West Raylander to support Renna's claim. Lilly's team, "Knee-Actions," not only has the distinction of having made best showing in Crowell that but Mr. Lilly, himself, enjoys honor of having been the first son here to don a straw hat season.
