GENERAL HELD TURDAY FOR E. SPENCER

E. Spencer, 79, died Saturday morning at 1:05 o'clock following serious illness of the past weeks in the home of his daughter, Mrs. Dean Spencer. He had been in poor health for the past few years and had been particularly feeble for the past six months.

He is survived by four sons, Dean and Alva Spencer of Dallas, Texas, and two daughters, H. A. Dyer of Waco and Mrs. Gathings of Cleburne. Also living are one half brother, S. Spencer of Anson, Texas, and half sisters, Mrs. Emma Wirtz of Anson, Texas, and Mrs. Ida of San Antonio.

Edwin Spencer was born near Baton Rouge, La., on July 11, 1855. From there he came to Foard County, Texas, on Sept. 18, 1882. He was married to Miss Faison. She died in 1931.

The Spencer family moved from Foard County to Limstone County, Texas, in 1902, and continued there until coming to Crowell about 14 years ago, both living at intervals until removed by the death of Mr. Spencer during the greater part of his life.

Funeral services were held Saturday afternoon at 4 o'clock in the home of his son, Alva Spencer, the Baptist pastor, Rev. O. L. Savage, officiating. A special number was given by Mrs. Wright with Mrs. Arnold as accompanist.

All bearers were: J. W. Bell, Lanier, Sr., W. W. Griffith, M. M. Mace, T. B. Klepper and W. Callaway. Flower bearers were Mesdames A. F. Wright, A. Rucker, C. C. McLaughlin, A. McLaughlin, W. W. Griffith and Hub Speck.

Burial was in the Crowell cemetery in a grave beside that of his wife, who had died three years before.

Mr. Spencer lived a faithful Christian life and had been a member of the Baptist Church for many years. His kind nature gained him the friendship of hundreds of friends during his life.

Plans to Be Made Monday for Adult First Aid Classes

All adults interested in receiving first aid training are requested to be present for one of two meetings Monday. The first meeting is to be held at 3 o'clock Monday afternoon at the high school auditorium and the other at 7:30 o'clock that night at the Baptist Church. By holding two meetings at different hours it is felt that the convenience of a greater number of people can be served.

Plans for adult classes in first aid instruction will be made at these meetings. Rev. O. L. Savage, local Baptist pastor, will be in charge of the adult classes. Last summer he attended the Red Cross Institute in Denver, Utah, and is now conducting first aid classes in the local high school.

Rev. Savage is giving his time to this work free and is anxious to pass information that he gained at the Red Cross institute on to as many persons as possible.

School Cafeteria Is Opened Here Monday

The Crowell P. T. A., aided by the Foard County Relief organization, was instrumental in opening a cafeteria at the school on Monday morning. Mrs. Stanley Sanders is manager of the cafeteria and Miss Maye Andrews is assistant manager.

A balanced meal of nourishing food is served each day for a nominal sum. The cafeteria is badly in need of cup towels and if anyone desires to contribute one or any number of cup towels it will be appreciated. It is hoped that the cafeteria will become a permanent part of the P. T. A. projects in Crowell.

Nov. 10th Is Last Day for Farmers to Pool Certificates

Saturday, Nov. 10, has been set as the last date on which Bankhead Cotton Exemption Certificates may be pooled by the producers. Producers holding a surplus of certificates and who wish to dispose of them, may list them to be sold through the pool at the county agent's office.

According to reports from states in the eastern part of the cotton belt, there is quite a demand for certificates and it is highly probable that a considerable portion of all certificates pooled will be disposed of. The price set by the Department of Agriculture is \$20 per bale. The producer will receive that amount, less the handling expense incident to the operation of the pool.

Each producer who enters exemption certificates in the pool will participate equally on a per bale basis, according to the total amount sold, regardless of date of entry, provided they are entered before the closing date of Nov. 10.

National Pool Short
The national pool was short about one-half million bales on Oct. 22, according to a letter received Wednesday by Fred Rennels from College Station. The letter in part said:

"If your farmers want to surrender certificates, get them to act immediately. The pool will close approximately Nov. 10, and settlement will be made immediately after closing. Pool expenses will be less than \$1.00 per bale and we feel sure that the products will net \$19.00 per bale."

J. H. Lanier, Jr., is the manager of the new firm, which is located next to the Lanier Hardware Co. A 30-foot opening has been made in about the center of the wall separating the two stores, which are owned and operated by the Lanier brothers, Granville and J. H., Jr. Granville will continue as manager of the hardware store.

A grocery store has been operated in this space for the past 25 years. After operating the M System Store for several years in this location, J. H. Lanier and sons sold out to Dow Miller and Chas. Thompson in Jan., 1930, and had since been out of the grocery business.

The new store will be operated on a cash and carry basis.

FOARD COUNTY ANNUAL APPEAL NEGRO COWBOY OF RED CROSS FATALLY SHOT IS ANNOUNCED

George Clark, 42, negro employe of the Halsell ranch for over ten years, died Saturday night from gunshot wounds received 24 hours before in the negro section of Crowell.

R. L. Stone, negro, shot Clark four times and escaped following the shooting and is still at large, according to latest reports.

The shooting occurred as the result of an argument that came when Ruby Cobb, Stone's common law wife, refused to speak to Clark. Using a .38 six-shooter, Stone shot Clark four times, according to witnesses. A shot in the abdomen resulted in the victim's death. Two shots took effect in a shoulder and the other in a hand.

Clark mounted the horse that he had ridden to town from the ranch and started for medical aid, but fell from it after riding a short distance. Another negro got on the horse and came to town to secure aid for Clark, who was brought to the local hospital a short time later.

Foard County ranchmen recognized George Clark as one of the best handlers of horses in this section and an able employe about a ranch. His wife survives him.

Funeral services were held in the negro part of the Crowell cemetery Sunday afternoon with practically all negroes of this community present.

Ruby Cobb, over whom the fatal argument was waged, is being held in the Foard County jail.

In accordance with a long established custom, the American Red Cross will conduct its annual Roll Call in this and thousands of other communities throughout the country from Armistice Day until Thanksgiving.

Miss Hannah More Frazer, field representative of the St. Louis office of the Red Cross, was here Tuesday to assist in the Roll Call set-up and to confer with J. E. Harwell, chairman of the Foard County Chapter of the Red Cross, and other local officials.

Mrs. F. A. Davis has been appointed as campaign chairman for the Roll Call and Foard County's quota was set at 250 memberships. Other leaders in the membership appeal will be selected at an early date.

"Manned almost entirely by volunteers," said the chapter chairman, "the organization's 3,700 chapters form a bulwark of hope and safety for distressed citizens everywhere."

"The Red Cross is no stranger in this community. Locally it has rendered an indispensable service during the period of depression and partial recovery. Its work must go on. Since all of its activities are made possible by individual support, it is felt that the local citizenship will respond quickly and graciously when the membership campaign gets under way on Armistice Day."

Rain Covers Part of County Tuesday

Rain covered most of Foard County Tuesday except for the western portion. Starting in a few miles southwest of Foard City the principal rain cloud moved to the northeast. As much as two inches fell in some portions of the Catesville community, southeast of Crowell.

Around Thalia and Rayland a half to three-quarters of an inch were reported. At Crowell the rain amounted to .40 of an inch. The rain did not extend beyond a few miles west of Crowell.

LARGE CROWD SEES PLAY

A large crowd witnessed the presentation of the play "Widows and What-Nots" at the High School auditorium last Thursday night. The play was sponsored by the Crowell P. T. A. and Junior class. \$35.18 was realized from the play.

Advice on Proposed Amendments Given By James V. Allred

Fort Worth, Oct. 25.—Fulfilling a campaign pledge to talk frankly with the people about the problems of government, governor-designate James V. Allred delivered a second address in explanation of proposed constitutional amendments relative to taxation. Allred addressed the County Judges Association.

"With a \$12,000,000 treasury deficit this state is facing a financial crisis," Allred said. "The present Legislative Special Session is being urged to appropriate many millions more. Add to this the ever mounting relief burdens and surely every citizen must realize that something must be done to equalize oppressive tax burdens."

"Real estate and other tangible property simply cannot bear any further increase of the tax load," declared Allred. "Not only that, but the existing tax burden on tangible property and real estate must be materially reduced."

"While real estate and tangible property represent only half of the wealth of the state it bears 97% of the tax burden. The other half, such as stocks, bonds, money, notes, mortgages and other intangible wealth bears only 3% of the tax burden. This is decidedly unfair," Allred said.

"This grave injustice in our tax system can be righted on November 6th if the oppressed taxpayers will vote for the constitutional amendment that appears first on the ballot. Amendment No. 1 authorizes a classification of property for tax purposes and will enable the Legislature to add untold millions to the tax rolls that now escape taxation altogether."

"Amendment No. 1 should not be confused with Amendment No. 3 on the ballot. Amendment No. 3 seeks to place a per capita limit upon state revenues and expenditures. If this amendment had been in force the past two years it would have reduced state revenues approximately \$40,000,000. That would have been ruinous to our schools and vital governmental agencies. Every friend of the public schools and of efficient state government is against Amendment No. 3."

"I urge that the people be not deceived about these proposed amendments," Allred said. "Amendment No. 1 should be adopted and Amendment No. 3 should be defeated. The moneyed interests and designing politicians are trying to confuse the people either with the slogan 'swat them all' or with the absurd statement that Amendment No. 1 might in some manner affect the \$3,000 homestead exemption."

"In order that real estate may be relieved of the crushing tax burden it now bears, I urge the people of Texas to vote for Amendment No. 1. In order that our schools may be kept open and the vital functions of government may be efficiently carried on, I urge the defeat of Amendment No. 3."

Development of Fort Parker Is Included In Centennial Plans

Mexia, Texas, Oct. 23.—(Special)—Development of Fort Parker State Park through condemnation of 1,200 acres of land by citizens of Mexia and Groesbeck in preparation for the Texas Centennial celebrations in 1936 was speeded in conferences with officials of the State Park Board here recently.

The proposed park would include 700 acres of land above a dam on the Navasota River and restoration of the old frontier fort, destroyed by Indians who killed many persons and took captive Cynthia Ann Parker, mother of the Comanche chieftain, Quanah Parker, when she was a little girl.

Falling in line with celebrations of Texas' Centennial to be staged in 1936 at San Antonio, Houston, Goliad, Brenham, Nacogdoches, Huntsville, Gonzales, Galveston, Dallas and other cities, citizens of this section are desirous of having a part in the commemoration of the State's independence. Plans are being made to rebuild a pioneer village, re-act the historic massacre and produce a pageant at the fort.

Individuals will supply the money needed for the park project and condemnation proceedings will be instituted in case it can be arranged to have a CCC camp located on the site. The State park and lake would be easily accessible for Centennial visitors, being near the intersection of two State highways and populous centers.

TOTAL OF OVER \$120,000.00 TO BE RECEIVED BY FARMERS OF FOARD BEFORE JAN. 1; MORE EARLY IN '35

A total of approximately \$120,455.69 is due to reach Foard County farmers and stockmen between now and Jan. 1, 1935, for their participation in the government's crop and livestock control program.

Of this amount \$39,306.54 will be paid to wheat farmers, which represents the last payment of 1933 and the first payment on their 1934 contracts.

The cotton portion of the total amount reaches \$59,881.67. Out of this amount, \$43,493.73 represents payments for participation in the 1934 and 1935 reduction programs, while \$16,899.50 comes from the 1933 cotton option certificates, which resulted from the plow-up campaign of 1933.

The corn-hog contract signers of the county come in for a total of \$2,737.92. Those participating in the government's cattle reduction program will receive a total of \$37,912.00, with \$18,912.00 remaining to be paid.

It is estimated that Foard farmers will receive approximately 8,760 tax exemption certificates. From this number, there should be at least 4,000 bales entered into the national pool for distribution to other producers of the South. If these are sold for a net price of \$19.00 per bale, as indicated by government officials, an additional \$76,000.00 will be received by Foard farmers during the early part of 1935.

Effort to Compel Miller Trial Made by Defense Counsel

Hearing on a mandamus action brought by defense attorneys in an effort to force trial of Que R. Miller, former Foard County sheriff charged with the misapplication of public funds, is scheduled Monday in the Court of Civil Appeals, Seventh District, at Amarillo, according to John A. Story, a member of defense counsel.

The mandamus action was filed by R. R. Donaghey of Vernon, also of defense counsel, in Amarillo Tuesday, and Judge W. N. Stokes of Vernon, presiding in the Forty-sixth judicial district court here, has been served with a citation to answer action.—Portion of article from Vernon Record, Wednesday issue.

SECOND ANNIVERSARY OF REV. SAVAGE CELEBRATED

"Church Night" was enjoyed by a large number last Wednesday evening at the Baptist Church to celebrate the beginning of Rev. O. L. Savage's third year as pastor.

The affair was sponsored by the Baptist Men's Brotherhood and was opened with a sing-song. Mrs. A. F. Wright, accompanied by Mrs. Arnold Rucker, rendered a vocal solo. Bonita Liles and Ray Bell gave a joint reading. Wanda Rose Liles also gave a reading. I. T. Graves gave a talk of appreciation in connection with the service rendered here by Rev. and Mrs. Savage, at the close of which he presented them a gift from the church. An appropriate response was given by Rev. Savage.

A covered dish supper was served in the basement following the program.

Loan Allowances Now For Pure-Bred Cows

"Farmers and stockowners in the primary drought areas may now obtain feed loan allowances for pure-bred cows, heifers or bulls acquired for breeding purposes since April 1, 1934," according to a statement today by Charles W. Sherrill, Regional Manager of the Emergency Crop and Feed Loan Office, Farm Credit Administration, at Dallas. Previously, loans were not made to purchase feed for stock acquired after April 1.

"The feed loans for recently acquired stock," Mr. Sherrill said, "will enable cattlemen in the drought areas to keep up their foundation herds." No advances will be made to purchase feed for newly acquired stock brought into drought areas from another state or for animals acquired from a person who did not own them prior to April 1. The total number of cattle including newly acquired stock, for which feed loan allowances are now available may not exceed the number owned on October 1, or the number which the applicant will own after culling his herd in accordance with requirements of the cattle purchase program.

Since early in July, when the emergency feed loans were first made available, more than 52,000 of such loans and supplemental advances have been made, totaling over \$2,900,000. The loans are disbursed from the drought relief appropriation approved June 19, 1934. Applications may be made to the local crop and feed loan committee in the applicant's county. The Dallas office serves the states of Texas, Arizona and New Mexico.

Man Charged With Theft of Wool Held In Foard Co. Jail

Del Witt of Paducah is in the Foard County jail charged with the theft of wool from Allen Fish of the Vivian community on May 30 of this year. He was apprehended in Paducah last Saturday by Sheriff R. J. Thomas.

Witt was indicted at the last term of district court in Crowell, together with Charles Lankford and Red Yarbrough of Paducah, in connection with the theft of between 2,000 and 2,500 pounds of wool from the Allen Fish farm.

Banquet Attended by Over 50 Tues. Night

Over 50 were present for the banquet of the Farmers and Business Men's Ass'n. (Horse Traders' Union) in the basement of the Methodist Church Tuesday evening. The banquet meal was served by the Crowell P. T. A.

The program for the occasion was in charge of Hubert Brown. A talk on P. T. A. work was given by Mrs. R. L. Kincaid. Mary Katharine, daughter of Mr. and Mrs. A. F. McMillan, followed with a reading. I. T. Graves and Dr. R. L. Kincaid discussed one of the constitutional amendments to be voted upon Nov. 6. Fred Rennels reported on the money received by Foard farmers from the government.

John Rasor, president of the association, appointed the following committees: program for Trades Day, Daves Solis, J. E. Harwell and C. V. Allen; program for next banquet—A. W. Lilly, M. S. Henry and T. B. Klepper.

THROCKMORTON AND WILDCATS VIE TOMORROW

The Throckmorton Greyhounds will play Crowell on the local field tomorrow afternoon, Friday, in the third conference game of the season for both teams.

Throckmorton surprised the district last week in outplaying Burk Burnett for the greater part of the game played on Burk's lighted field, although Burk won 20 to 0 by shoving over one touchdown early in the first quarter and two more in the last quarter. The week before that the Greyhounds made a creditable showing in their game with the Chillicothe Eagles, which Chillicothe won 6 to 0.

The game is to begin promptly at 3:30 o'clock.

MARRIAGE LICENSE

A marriage license was issued Saturday from the office of the county clerk to George Foster and Merline Sanders, both of Crowell.

Chevrolet Company Introduces 4-Door Sedan at Low Price

For the first time since Chevrolet added the Standard six in 1935, a four-door five-passenger sedan is now included in its lower priced line. In announcing the new model, Chevrolet Motor Company declares it to be the lowest priced four-door sedan in the field of sixes and eights. Its list price is \$540, or \$100 under the Master four-door sedan. The major new feature in styling is the treatment of the rear end, where the body panels extend low in an unbroken contour to cover the back of the chassis. This construction does away with the rear cross-member cover, and provides a smooth, sweeping effect. The rear tire carrier and the rear bumper supports extend through openings in the body panel, as does the gasoline tank filler-neck. Comfort for rear seat passengers is improved by provision for extra leg room, the back of the front seat being deeply recessed, giving plenty of space for a built-in foot rest. Maximum elbow room is obtained by means of deep recesses in the sides of the body above large arm rests. A capacious pocket in the back of the front seat is an added convenience. Upholstery is of mohair material of a new shade and texture, set off by harmonizing head-lining. Equipment features include an adjustable sun-shade at the driver's seat, button type latches for locking all doors, dome light, and rear window curtain. The front doors are equipped with no draft vent-panes, fitted with exterior rain shields.

Administrators Are Cautioned Regarding Relief Expenditures

Austin, Oct. 23.—State Relief Director Adam R. Johnson has cautioned county administrators to observe that portion of the relief law recently enacted providing for a minimum expenditure of relief funds on work relief projects. The letter follows: "The new state relief law, as adopted by the fourth called session of the Forty-third legislature, provides that at least 35% of the state funds allocated to any county shall be expended on the construction, repair or maintenance of lateral roads or other work projects. Each county administrator is hereby advised that it is his duty and responsibility to see that this provision of the law is fulfilled at all times. There is no discretion left to you or to the state administration. The law is clear in its statement, and it must be observed. The determination of the amount of funds spent in any given county for work relief will be one of the functions of the auditing department, and county audit reports will be checked closely to see that the above provision of the law is adhered to. Attention is called to the fact that 35% is set as a minimum. It is not the desire of the State Board of Control nor of the state administrative office that work relief expenditures shall be restricted to the 35% minimum. On the other hand, it very definitely is the desire of the Board of Control and of this office that every employable person receiving relief shall be employed on an approved work project to the full extent of his monthly budget."

THAT WONDERFUL ADVERTISING

A smartly dressed, smooth talking gentleman has dropped in to discuss a few minutes with John Doe, the grocer. It develops that the gentleman is also interested in having Grocer Doe buy a very unique and highly effective advertising campaign.

"This advertising is something different," he tells the grocer. "You can't get it anywhere else. Your newspaper can't provide it. This will be something exclusive with you. Just sign here."

But before signing here, there, or anywhere else, it might be smart to stop and ask yourself how anything good escaped the men who spend millions of dollars yearly for advertising.

Men who spend millions for advertising also spend thousands to test their advertising and be sure that they are getting their money's worth. No promising proposition or scheme is blindly turned down. They waste proportionately less of their advertising money than most small advertisers because they seek results—not something different.

General Motors, Henry Ford, the big oil refiners, department stores, and food men don't spend their money for advertising in home newspapers because they like the editorial policy or because they haven't been offered hundreds of schemes and novelties. They advertise in newspapers for results—to make money.

Gadget advertising has no place in the retailer's budget, unless he

can afford to be more wasteful than the big boys.—Weekly Press, Ripon, Wis.

COTTON GRADE AND STAPLE REPORT

The report released Oct. 18 by the Division of Cotton Marketing at Austin, Texas, giving the quality of cotton produced in Texas shows that there is no great change in the Extra White grades from the report issued last week. Strict Middling, Extra White and better grades amount to about one-third of the cotton classed this week, and about 7 per cent is Middling Extra White. Less than 2 per cent is graded as below Middling in the Extra White Standard.

Strict Middling and better grades in the White Standard amount to slightly less than one-fourth of the cotton classed this week, and Middling White amounts to 8.9%. Grades below Middling are less than 3% of the cotton ginned this week. This indicates that over 50% of the cotton was classed as Strict Middling and better in the White and Extra White standards.

Spotted grades amount to slightly less than one-fourth of the cotton classed. The largest percentage of Strict Low Middling and Low Middling White grades was from the Flatwoods of Texas; while the largest percentage of Strict Middling White was from the High Plains of Texas. The staple lengths reported this week indicate that cotton shorter than 3/8 inch was little less than one-third; while 3/8 inch cotton was a little over one-half of the cotton classed. 15/16 inch cotton is estimated as 10.3%. One inch cotton is reported as 1.5%, and those lengths longer than one inch amount to 3.6%.

The total tenderable cotton this week is reported as 67.9; while the cotton ginned to date is reported to be 86.4% tenderable. For District No. 3, which includes Foard County, the percentage this week is 59.0%, compared with 73.3% to date.

Matador Game—

(Continued from Page 1)

were, then just refer to the lineup and the substitutes.

While the work of all Crowell players was fine, the performance of Dick Todd was truly the sensation of the game. He scored Crowell's first touchdown in the first quarter after intercepting a pass and running 50 yards to a touchdown. In the last quarter he galloped 35 yards for one touchdown and 63 yards for another. After making several nice gains, he crashed across from the 6-inch line for another touchdown in the second quarter.

Crowell's other points came when Frank Meason took a pass from Todd for 41 yards and a touchdown in the second quarter; when Bill Dunn tackled a Bullfight behind his goal line for a safety, counting 2 points, and when Capt. Lester Patton fell on the ball behind the goal line after a punt had been blocked. Crowell's two extra points came after the first two touchdowns on kicks from placement by Todd. A stiff breeze caused some other place-kicks to barely miss scoring extra points.

Matador won the toss and chose to defend the south goal with the wind to their backs. Crowell received with McKown taking the kick-off on the 15 and returning to the 29-yard line. On 3 plays Todd gained 16 yards. Horn gained 1. Todd lost 3. His pass to Gibson was dropped. Todd punted, Webb returning from his 30 to the 41. Pritchett lost 2. Spencer gained 1. Blackshear's long pass was intercepted by McKown, who returned 2 to his 32. Todd and Horn gained 2 each. Todd made 5 and punted to the 27. Webb returned 5 yards. Failing to gain, Washington punted out on the 36. Todd gained 12 in 3 tries. Crowell penalized 15 to shove the ball back to the 31. Todd gained 2 and then 3. Campbell blocked his punt. Todd picked up the ball and ran to the 40, but the play was called back. His next punt went to Webb, who was downed almost in his tracks on the 39.

Spencer made a yard. Todd intercepted Blackshear's pass on the 50-yard stripe and raced the remaining distance for a touchdown. His place-kick was good. Crowell 7, Matador 0. Pritchett returned Todd's kick-off from his 27 to the 46. Blackshear gained 3. Pritchett gained 26 yards around right end, putting the ball on Crowell's 25. Blackshear made 3. Spencer gained 8 on a lateral pass. Spencer made a yard. Pritchett added 2 and then three to place the ball on Crowell's 8 as the quarter ended. Crowell 7, Matador 0.

With four down and 4 to go, Spencer gained only half a yard and Crowell took the ball. Matador was penalized 5 yards for off-side. Todd quick-kicked 67 yards, a Crowell man killing the ball on Matador's 21. Making only short gains, Washington punted to his own 41. On the next play Todd's long pass was taken by Meason, who ran about 7 yards before he was tackled barely across the goal line. Todd's kick from placement for the extra point was good and the

score was 14 to 0. Blackshear returned the kick-off from the 15 to the 31. Again the defense was too tough and Matador punted to their own 47. Todd gained 12 in 3 tries. His pass to Horn netted 6. Two line plays failed and a pass was incomplete on the fourth down, Matador taking the ball on the 34. Blackshear lost 4. Pritchett gained 3. Matador's punt was killed on the Matador 48. Patton's pass to Horn gained 20. Todd made 3. Meason gained 11, putting the ball on the 6-inch line in 4 tries and then crashed across for a touchdown. The place-kick was wide by inches and the score was 20 to 0.

Washington returned Todd's kick-off from the 35 to the 45. A line play failed. Cogdell then recovered a bad pass from center on the 36. Patton's pass to Gibson gained 24 yards to put the ball on the 12-yard line as the first half ended.

Todd returned Spenser's kick-off from the 7 to the 35. Meason failed to gain. Horn went through the line for 22 yards. Todd made 3 and then fumbled. Meason recovering on the 46. Webb returned Todd's punt from the 12 to the 21. Blackshear and Spenser gained 6 in 3 tries. McKown was downed on the Crowell 47 after taking Matador's punt on the 45. Horn gained 3. Crowell lost 6 on a bad pass from center. Cogdell killed Todd's punt on the 22. Pritchett and Blackshear gained only 3 yards in 3 tries. Washington was called back to punt, but the center passed the ball completely over his head and Dunn tackled him behind the goal line for a safety. Crowell 22, Matador 0.

Putting the ball into play by kicking off from the 20, Todd took the ball on the 20 and returned 43 yards to Matador's 37. Horn made 1. A pass to Gibson from Meason failed. Webb took Todd's punt on the 9 and was promptly downed on the 10. Blackshear's pass failed. Cogdell and Dunn smeared Spenser for a 5-yard loss. Crowell linemen rushed through to block Washington's punt and Capt. Patton recovered behind the goal line for a touchdown. The place kick for extra point was wide and the score was 28 to 0. Blackshear returned Todd's kick-off from the 20 to the 32. A pass failed. Pritchett picked up 3 and Blackshear lost 1 as the quarter ended with the ball on the 34, fourth down and 8 to go.

Joy, Crews and Jones came into the game for Meason, Horn and Saunders. Blackshear fumbled, but picked up the ball and ran to the 37, but it wasn't enough and the ball went over to Crowell. Todd circled left end for 22 yards. Titus of Matador recovered a Crowell fumble on the 30. Crowell was penalized 5 for off-side. Campbell failed to gain. McKown returned Blackshear's punt from the 35 to his 41. Todd made 3 and Joy added 4. Todd started around right end, was almost completely surrounded, reversed around left end for a gain of 15 yards in one of the most exciting plays of the game. Joy gained 2. Todd went around right end for 55 yards and a touchdown. The place-kick was wide and the score was 34 to 0. Webb returned the kick-off from the 25 to the 45. Blackshear failed

to gain and then passed to Willis for 11 yards, placing the ball on the Crowell 44. This was Matador's only completed pass and accounted for their final and third first down of the game. Willis lost 1 yard. A 5-yard penalty against Crowell for off-side put the ball on the 43. Blackshear failed at the line and punted out on the 37. On the next play Todd cut inside right end and with the aid of some pretty blocking was off for 63 yards and a touchdown. The place-kick was blocked and the score was 40 to 0.

Matador again successfully put their wedge formation on the kick-off into operation, enabling Blackshear to return from the 18 to the 43. Two passes failed. The 24 Crews took the punt on the 36. Crews broke through for 18 yards. Crowell lost 6 on a bad pass from center. Todd punted out on the 8. Willis lost 1. Blackshear gained 2 and punted to Crews, who returned 3 yards to the Matador 35 as the game ended. Crowell 40, Matador 0.

LARGE ENROLLMENT: With several students still expected to register for part time work, Abilene Christian College has begun its twenty-ninth annual session with the largest enrollment in the history of the school, it has been announced from the office of Jas. F. Cox, president. The enrollment is an increase of fifteen per cent over this time last year, with an increase of sixty-nine per cent from that of three years ago.

A check of registration figures shows that on October 10 there were registered in the regular college department 587 resident students; in the elementary and high school divisions there were 128 students; while 289 were registered in the extension department. Two students, not registered for other work, are taking fine arts courses—making a total of 1006 students enrolled in all departments of the college.

In other words, Abilene Christian College is at the present time contacting 1006 different students with its ideal of education, which is that the proper training develops the student mentally, physically, morally, socially, and spiritually so that he may best serve God and man," said President Cox. Among those students enrolled are: Miss Lona Johnson of Ell, Texas, who is a freshman at the college and a member of the Latin Club and on the Opt staff.

PAUL WRITES A MESSAGE

The work was going well everywhere, even in Thessalonica! And they hoped Paul would come back! Eagerly Paul called for parchment and, with Timothy as a volunteer stenographer, he dictated a letter to send back to Thessalonica.

He told them how he had left with his two companions, but on reaching Athens had changed his mind and sent Silas and Timothy back:

Wherefore when we could no longer forbear, we thought it good to be left at Athens alone;

And sent Timotheus, our brother, and minister of God, and our fellow-labourer in the gospel of Christ, to establish you.

It almost killed him to think that they might have forsaken their faith. But they had not; they were standing fast.

But when Timotheus came from you unto us, and brought us good tidings of your faith and charity, and that ye have good remembrance of us always, desiring greatly to see us, as we also to see you:

Therefore, brethren, we are comforted over you in all our affliction and distress by your faith:

For now we live, if ye stand fast in the Lord.

So he dictated, fast as Timothy could write, and sent the letter by a messenger going north from Corinth. He put in sundry exhortations, a little doctrinal teaching, and started the message forth on its eventful journey. He did not know that he had begun a new Bible. He never suspected that this impetuously composed first letter to the Thessalonians was to be the first volume in a new sacred library. But it was; and that is the way the New Testament began.

He had to write a second letter to the Thessalonians to answer some questions growing out of the first one. These letters were lent to nearby churches and copied and read to the congregations. Paul heard how widely they were used and so he wrote more and more. He had learned to supplement the living voice with the written page. If he were at work today he would not only preach; he would be a regular contributor to the press.

After eighteen months in Corinth he went back to Jerusalem and gave account of his second missionary journey. He had a string of new churches through Asia Minor, Macedonia and Greece. He had developed his method, and he was happy in the knowledge of a great success. He learned that in Galatia, in Asia Minor, where he had established churches, he had been followed by fundamentalists who were telling the people that Paul was not really an apostle; that he possessed no real authority; that the good news was defective because he did not teach the Mosaic law.

STANDING IN DISTRICT 5-B IS UNCHANGED; CONTINUED POWER SHOWN BY CROWELL AND OLNEY

Teams of District 5-B played at widely separated points last week, with Chillicothe at Wellington, Seymour at Graham, Crowell at Matador and Archer City at Newcastle. Two clubs, Olney and Iowa Park, met non-conference teams on their own grounds, while Burk Burnett defeated Throckmorton 20 to 0 at Burk in the only conference game of the week. Throckmorton displayed surprising power and outplayed Burk most of the game.

Crowell and Olney displayed the greatest power of the week in turning back strong opposition. Olney beat the Class A Mineral Wells outfit 6 to 0, while Crowell smothered one of the strongest Class B teams of West Texas, Matador, 40 to 0.

Chillicothe lost 20 to 6 to Wellington, but made an impressive showing nevertheless. Wellington is rated among the Panhandle's stronger Class B clubs and Chillicothe was the first team to score on the Skyrocks this season. A Chili fumble on the 5-yard line in the early minutes of the game led to Wellington's first touchdown.

With a team crippled by injuries, Seymour's journey to Graham proved disastrous to the tune of 71 to 0. Graham accounted for only one touchdown in the first quarter, but from then on it was just too bad for the panthers.

Iowa Park's Hawks registered their first victory of the year by beating Megargel 6 to 0, Archer City lost to Newcastle 31 to 0.

Olney-Burk This Week
All District 5-B clubs engage in conference tilts this week, with Olney's invasion of Burk Burnett Friday night featuring the district program.

The Seymour-Chillicothe game at Chillicothe is another game that will attract much interest from over the district. Archer City plays Iowa Park and Crowell will be host to Throckmorton in the other district contests.

From the Editor of The American Boy

During the coming year, the boys of America will get a half-rate to adventure and fun! The American Boy—Youth's Companion, the nation's leading magazine for boys, formerly \$2.00 a year, now costs \$1.00. A three-year subscription, previously \$3.50, costs only \$2.00.

Griffith Oden Ellis, editor of The American Boy, brings boys the hearty assurance that the new prices will in no way affect the editorial contents of the magazine. It will be as large, as beautifully printed, as full of high spirited adventure as ever.

"The American Boy's leadership has been no accident," Mr. Ellis states. "We publish the magazine on the firm belief that boys deserve the magazine as good as any publication for grown-ups. So we use the best illustrators obtainable—well-known artists who work for the biggest magazines. We send our staff writers all over the country digging up the interesting facts of science, interviewing world-famous explorers, talking to coaches and athletes.

"We encourage and assist our writers to go everywhere for material—to Haiti, Africa, the South Seas, China—and bring back adventure for American boys. We hire experts on hobbies and boy problems to advise boys and young men. These steps account for our position as the quality magazine for boys, and we shall continue to take them."

Twelve issues of fun and excitement for \$1.00! Three years for \$2.00! Spread the news among your friends—and send your own subscription direct to The American Boy, 7430 Second Blvd., Detroit, Mich. Service on your subscription will start with the issue you specify.

GOT YOURS YET?

The Foard County News and the Pathfinder, both delivered to your home every week for an entire year for only \$1.85. You don't get a bargain like this very often and we urge our readers to act while this low rate is in effect.

Thanks to all who made possible our church services Sunday. Two hundred and thirty-seven in the church services and two hundred and eight at Sunday school. Sunday will be the last day of the District contest and we want to make it the best day of all in attendance and the spirit in which we come. Show your loyalty at this, the greatest service before Conference by your attendance. Our Bible pictures accounted for a few more people Sunday night. They will be shown again at 7:15 Sunday. GEO. E. TURRENTINE.

Thalia Church of Christ

We had good crowds for all of our services last Lord's Day. We had 163 in Bible school, the largest number we have had since the writer came here. We should have 200 in this service. You be with us next Lord's Day. We had a full house for preaching and communion service. However, there are a number of others who should be attending. Read Acts 20:7, Heb. 10:25, 1 Cor. 16:2.

We announce our regular schedule of services for the week: 10:00 a. m.—Bible school. 10:45 a. m.—Preaching service. 11:45 a. m.—Communion service.

6:45 p. m.—Young folks class. 7:30 p. m.—Preaching service. Ladies' Bible class, Tuesday at 2:30 p. m. Mid-Week service, Thursday at 7:30 p. m.

Be with us next Lord's Day. You are always welcome to any and all of our services. J. D. ROTHWELL, Minister.

first installment... Church was posing for her... against the dying glory of autumn garden.

last, "to hold his interest! But I suppose I was different than I had been in a pink gown, waiting! Men, Ellen, like glamor."

all, that you should hear my story from me... Ellen had crept close. She didn't speak, but her mind, following her mother's voice, made pictures.

about an upagan God. Didn't God make, said her mother, the only dependable thing in the world, Beauty? And Ellen knew of the Christ who had played—perhaps, also, a solitary child—on the shores of a blue sea, and who had prayed in a garden (was it like their garden she wondered?) and who had died on a cross.

"Think of Him," her mother had once said, "whenever you feel that you want to see, to love, people. He, Ellen, was love. He loved all of the people of the world. And people, Ellen, nailed His hands, and His feet to a wooden cross!"

"I wish," said Ellen, "that you'd tell me about father. After all, he belonged to me, sort of, too; although I never saw him. I can't help wondering why you always say such queer things about him."

"Men, Ellen, like glamor," warned Mrs. Church

Mary B. Smart, who died in Chillicothe, O., willed a life interest in her estate to her pet dog.

NEW YORK... Mrs. Floyd B. Odium (above), new president of one of New York's large department stores, is the first woman to ever head a large retail establishment here.

FOARD 4-H CLUB GIRLS

"If you want a thing done just call on Lavoyce," was said of Lavoyce Lefevre, eleven-year-old member of the Foard City 4-H Club. Lavoyce has been selected as reporter for her club this year.

Among the outstanding 4-H Club members of the county is Elizabeth Whitten of the West Rayland Club. She served her club last year in the triple capacity of president, reporter, and garden demonstrator.

One of the leaders in garden work this year will be Maxine Fisher of the Thalia 4-H Club. Maxine was also elected president of her club. She served as reporter last year, making a report of every meeting which she attended.

Having made a 100% record for her club last year, Wanda V. Gamble was re-elected as reporter for the Gambleville 4-H Club. She has made a perfect record up to date in her work this year.

FOARD CITY H. D. CLUB

The women of the Foard City H. D. Club answered roll call Oct. 16 with newspaper clippings concerning government of county, state and nation.

Mrs. Lawrence Glover was leader of an interesting program on "Government" in which the "making and meeting the county budget" held a prominent place.

A dainty refreshment plate was served to 17 members and one visitor, Miss Mozelle McDaniel. The next meeting will be in the home of the club's farm food supply demonstrator, Mrs. G. C. Owens, on Nov. 6.

Several of the members are entering the Ball canning contest which will be held in Crowell the first Monday in December, at which time the members plan to serve lunches to raise money to improve the club house.

GAMBLEVILLE 4-H CLUB

The Gambleville Girls Club met at the school house, Oct. 18, at 10:30 with 10 members and Miss Holman present.

After the installation of the new officers, Opal Garrett, president, took charge of the meeting. The following committees were appointed: finance, Wanda V. Gamble, Hazel Gamble and Dorothy Stewart; recreation, Nettie May Solomon, Frances Garrett and Dorothy Alston; exhibit, Mary Alice Bell, Leona Solomon and Lillie May Booker. Wanda V. Gamble is wardrobe demonstrator and Mary Alice Bell garden demonstrator.

After the program, members played an exciting game. The next meeting is at the school house Nov. 1.

The Black 4-H Club girls met last Friday afternoon with seven members and two visitors present. They inaugurated the officers of the 4-H Club, which was a beautiful ceremony.

After the business meeting they played several amusing games. Our next regular club meeting will be on November 2, at 2:30 o'clock.

WEST RAYLAND H. D. CLUB

Members of the West Rayland H. D. Club, their husbands and families were entertained with a very delightful social at the home of Mr. and Mrs. C. L. Adkins Thursday night.

Various games were enjoyed by all present throughout the evening. Ice cream and cake were served to about 56 guests.

Injuries suffered when he attempted to rescue a kitten from death under the wheels of an automobile proved fatal to Edmund Register of Buffalo.

Striking back after Miss Babette Rydin slapped him on an "L" platform in New York City cost Fred Khoury, 24, a fine of \$25 in magistrate's court.

What he thought was money burning a hole in his pocket was a hornet, Patrolman Clifton Varrall, of Marblehead, Mass., discovered upon investigation.

Mrs. A. L. Davis Is Elected Chairman of County H. D. Council

Mrs. A. L. Davis of the Good Creek Home Demonstration Club was elected chairman of the County Home Demonstration Council at its meeting Saturday afternoon in the office of Miss Myrna Holman, home demonstration agent.

Mrs. H. H. Beggs of the West Side Club was elected vice chairman and Mrs. Tom Russell of the Community Club was chosen secretary. The new officers will be installed at the January meeting of the Council.

Mrs. T. W. Cooper of the Vivian Club is the chairman of the Council at the present time.

COMMUNITY CLUB

The Community Club met Oct. 17 with Mrs. Frank Cates hostess. Mrs. Tom Russell was program leader, assisted by Mrs. Jim Shook and Mrs. Austin Wiggins. The following officers were elected: Mrs. Jim Shook, president; Mrs. Will Erwin, secretary-treasurer; (re-elected); Mrs. Tom Russell, County Federation delegate; Mrs. Herman Gentry, parliamentarian. The next meeting is to be at the home of Mrs. A. G. Bell, who is Demonstrator of Farm Food Supply.

FOARD CITY 4-H CLUB

New officers were installed by the Foard City 4-H Club at its meeting on Oct. 17. In the absence of the home demonstration agent, the club sponsor, Mrs. J. L. Farver, took her place and as she read each phrase of the club's work for last year and this year, a

candle was lighted, representing each individual project. Several games were enjoyed after the installation service. There were seven present, five new members and two visitors.

AYERSVILLE 4-H CLUB

The Ayersville 4-H Club girls met Oct. 17 to elect officers for the coming year. Those elected were: president, Rudell Eblevins; vice president,

Louise Hembree; secretary and treasurer, Bessie Short; reporter, Mary Frances; song leader, Bessie Short.

The club will meet again Nov. 1 at the school house.

Because her husband began taking flying lessons, Mrs. Emma Needles of San Francisco sued for divorce.

Accused of stealing 30 eggs from a farmer—one a day for 30 days—James Waller was sent to jail at Boise, Idaho.

THE SECOND QUESTION A DOCTOR ASKS . . .

Here is some information that has relieved whole families from Constipation

When anyone is "out of sorts" the doctor's first question is about the bowels. And the second, what is being taken to help them. Doctors use laxatives, and expect you to use them. But they prefer a liquid laxative. Do you know why?

Doctors and hospitals use liquid laxatives because they've seen the damage sometimes done by highly concentrated drugs in the form of pills or tablets. They know that a properly made liquid laxative containing senna (a natural laxative) does not do this harm. And they use liquid laxatives to relieve the bowels, because the dose can be easily regulated.

What to Use There is a preparation of fine herbs, pure pepsin, cascara, and senna which does away with all need of harsh cathartics. The active senna in Dr. Caldwell's Syrup Pepsin is laxative enough for any adult, mild enough for any child. And there are other valuable ingredients in this delightful syrup.

My husband, who is a druggist, first recommended Dr. Caldwell's Syrup Pepsin to me. It has always helped me and made me feel better. I have used it as a laxative for the entire family for 22 years. Mrs. M. McMaster, Peoria, Ill.

doesn't eat, doesn't gain, gets upset and bilious no matter how careful you are about the diet—don't resort to strong cathartics which may only make matters worse.

Make this Test! If you are "not yourself" because of a constipated condition, don't blame it on your blood condition, or your age. Try the help of Syrup Pepsin until you are relieved and nature restores your regularity.

When your bowels continue then to move regularly, comfortably, and completely every day—you'll know why most doctors favor a liquid laxative like Dr. Caldwell's Syrup Pepsin.

Any mother wants an electric range when it enables her to give her family the benefit and pleasure of eating good nourishing food the entire year, with a big saving of her own precious time and energy. There is also an actual saving of food when it is cooked electrically . . . because there is so little shrinkage . . . and the best of it is not poured down the sink with excess water. Yes, indeed, cooking makes a world of difference in food!', and 'Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?'

District Federation President Honored At County Meeting

The Foard County Federation met at the Baptist Church last Thursday in a called meeting for the purpose of getting acquainted with and honoring Mrs. W. P. Avriett, president of seventh district of Texas Federation of Women's Clubs. A large number of ladies from the clubs of the county attended.

Mrs. S. E. Tate, County Federation president, opened the morning meeting and Mrs. M. S. Henry was program chairman. After a song and a prayer Mrs. A. E. McLaughlin gave a discussion of an article from the Fortune Magazine "The Discovery of Radium." Mrs. R. D. Oswald also gave an article from Fortune, entitled "Hens," which traced the origin of hens to India and stated that the largest chickens in the world are in China. Mrs. Jno. Ray talked on two articles, one, "Heart-broken Children" from The Ladies' Home Journal, the other "Pain-Killer," from The Country Gentleman.

A covered dish luncheon was enjoyed at the noon hour. In the afternoon, Mrs. Avriett was the speaker and her subject was "The History and Aims of Women's Club Work in Texas." She told of the struggles and limitations of the pioneer club women and stressed the benefits derived from their efforts. She said that no organized work can flourish without a passionate zeal—an objective.

She outlined some objectives for seventh district, toward which she would like to see each club in the district strive. She would like to see one new federated club in every town, a library for every court house, each club to have a student loan fund, each senior club sponsor a junior club and each member a subscriber to "Federation News," the official state magazine. She stated that 7th district is leading the state in the number of new clubs. Mrs. Avriett is a pleasing speaker and the clubs of the county appreciate the opportunity to hear her.

Reception Honoring Mrs. Avriett Given Here Last Thursday

Mrs. W. P. Avriett of Lamesa, president of Seventh district of State Federation of Women's Clubs, was the honor guest at a reception on Thursday afternoon at the home of Mrs. R. L. Kincaid, with Mrs. Frank Blair and Mrs. Sam Crews hostesses. Other guests were the members of the Adelpian and Columbian Clubs.

Guests were received by Mrs. Kincaid and presented by her to Miss Frankie Kirkpatrick, president of the Adelpian Club, Mrs. H. Schindler, president of the Columbian Club, Mrs. S. E. Tate, president of the Foard County Federation, Mrs. Hub Speck, in whose home Mrs. Avriett was a guest, Mrs. Avriett, guest of honor, Mrs. M. S. Henry, past president of seventh district, and the hostesses.

F. Wright, Mrs. J. R. Beverly and Mrs. T. B. Klepper, who sang "O, Solo Mio." They were accompanied by Mrs. Arnold Rucker. Miss Martha Schlagal gave a review of Marquis James' "Life of Andrew Jackson." She gave it in a clear concise form and in a clever manner which held the interest of her listeners from beginning to close.

Mrs. Alva Spencer, accompanied by Mrs. Rucker, played a violin solo, Schubert's "Serenade." Spiced tea and ice-box pudding with whipped cream was served in the dining room, the two club presidents serving from either end of the lace-covered table.

Local PTA Program Will Be Broadcast Over KGKO Friday

The Crowell P. T. A. will sponsor a program over Radio Station KGKO at Wichita Falls on Friday morning, Oct. 26, from 11 to 11:30 o'clock. This is a regular P. T. A. broadcast and the Crowell unit takes pride in doing its part in this way.

The program for the broadcast follows: Solo, "A Little Child Shall Lead," by Mrs. A. F. Wright. This is the adopted song of the Texas Congress of Parents and Teachers and was written by Mrs. J. L. Jaccard of Fort Worth, Mary Katharine McMillan, daughter of Mr. and Mrs. A. F. McMillan, will read "Tattle-Tale." Mrs. McMillan is president of the Crowell P. T. A. unit. Mrs. R. L. Kincaid, who is a recent past president of 13th district of Texas, Congress of Parents and Teachers, will make a talk on P. T. A. work and extend greetings from the Crowell P. T. A. A sextette, representing the Crowell Mother-Singers, will sing "The Bells of St. Mary's." They are Mesdames A. F. Wright, chairman of Mother-Singers; C. W. Thompson, W. W. Griffith, T. B. Klepper, J. R. Beverly and Hub Speck.

Mrs. A. L. Eucker will serve as accompanist for both musical numbers.

LONA JOHNSON ONE OF 3 CHOSEN FOR A. C. C. CLUB

Special to The News. — Miss Lona Johnson, daughter of Mr. and Mrs. Henry Johnson, Crowell, was one of three elected to membership in the Kitten Klub of Abilene Christian college last week.

The Kitten Klub is the women's pep club of the college. The others elected were Miss Hope Clemons, Matador; and Miss Mildred Crow, Normangee. Miss Johnson is a freshman in the college. She graduated from Crowell High school in 1934.

Buster Smith and Tipton Girl Are Married October 16

Buster Smith of Tipton, Okla., son of Mr. and Mrs. E. J. Smith of Crowell, and Miss Myrna McCordle of Tipton were married in Lawton on Oct. 16 in the home of Rev. W. B. Slack, pastor of the Methodist Church of that city. Rev. Slack read the vows in the presence of Miss Ruth Sellers of Frederick and Gilbert Conrad of Tipton.

Mrs. Smith is the daughter of Mr. and Mrs. J. D. McCordle of Tipton. She received her education in Frederick and was a graduate of the 1934 class of Frederick High School.

Mr. Smith was formerly employed as Linotype operator with The Foard County News. Over a year ago he went to Tipton and has since held a similar position with the Tipton Tribune. He has made an excellent record in his work and is a valuable member of the Tribune staff.

Mr. and Mrs. Smith will make their home in Tipton.

Surprise Dinner For Mrs. Johnson

Mrs. W. B. Johnson honored her husband's mother, Mrs. J. A. Johnson, on Saturday with a delightful luncheon at her home. The occasion was Mrs. J. A. Johnson's birthday and the luncheon was a complete surprise to her, the other guests having already assembled when she arrived.

The dining table was centered with a beautiful birthday cake decorated with white and pink birds with blue flowers interspersed. The words "Happy Birthday" were in pink in the center of the cake. A delicious four-course luncheon was served.

Mrs. Paul Shirley played several piano selections and Frances Henry Johnson, granddaughter of the honor guest, sang two songs.

The honoree received a number of birthday gifts. The following guests were present: Mrs. Johnson, Mrs. O. H. Dodson of Chillicothe, Mrs. Bert Forbes of Chillicothe, Mrs. M. M. Hankins of Quanah, Mrs. Fannie Thacker, Mrs. M. S. Henry, Mrs. Geo. Self, Mrs. Raymond Burrow, Mrs. L. A. Andrews, Mrs. Jno. Rasor, Mrs. Paul Shirley, Mrs. A. Y. Beverly, Mrs. Esca Brown and Mrs. S. S. Bell. The twin daughters of Mrs. Forbes were also present.

52ND ANNIVERSARY

The 52nd wedding anniversary of Mr. and Mrs. C. D. Stephenson was quietly observed last Friday at their home four miles south of Crowell. Their daughter, Mrs. Ben Hinds, and Mr. Hinds were with them for dinner that day.

EUROPE'S ASSASSINATION

Once the stage is set, it doesn't take much to start a war. This classic example of that occurred in 1914, when the assassination of an obscure archduke in a city few people on this side of the water had ever heard of, set match to powder keg and resulted in the greatest and most destructive conflict in the history of the world.

A repetition almost occurred a few weeks ago. King Alexander of Yugoslavia landed at Marseilles, was met by Foreign Minister Barthou of France. Surrounded by ceremony—and armed men—the procession started down the main street of the city. Suddenly a fat man leaped to the running board of the king's car, pressed the trigger of a new-style sub-machine gun which is hardly larger than a revolver. Twenty shots split the air—and Alexander and Barthou lay dying. The assassin was cut down by the sabres of cavalry officers, almost torn to pieces by the crowd. All the details of the killing were at once flashed to every corner of the world—it was dramatic, vivid, "stagey." But in the chancelleries of the great nations, diplomats feverishly awaited the answer to a single question: "What was the assassin's nationality?" On the seemingly minor point pended the peace of Europe!

The ambition of France today is to establish a "ring of steel" around Germany—if anything, she fears the central powers more now than she did before the world war. To accomplish her aim, she must enlist the co-operation of the nations which, like herself, bound Germany—and the most important of these are Italy and Yugoslavia. A difficult problem is caused by the fact that Yugoslavia and Italy are extremely unfriendly—while they maintain formal relations, accompanied by all the polite trappings of old-world diplomacy, each hates and fears the other. The object of Minister Barthou in inviting Alexander to France was to smooth out if possible the difficulties between Yugoslavia and Italy. Yugoslavia is the main link in the prospective "ring of steel" and so long as she and Italy are close to sword's points, France's purpose cannot be accomplished.

Therein is the reason for the vast importance attached to the nationality of Alexander's assassin. Had he been Italian, it is safe to say that Italy and Yugoslavia would have been at war within 24 hours—and it might have been only a matter of time before all other European powers, and possibly this country, would have been drawn in.

Fortunately for world peace, the assassin was a Yugoslavian—a member of a secret society pledged to wipe out Alexander's dictatorship, which has incurred the enmity of thousands of his people. Like Mussolini and Stalin, Alexander came into power in a troubled and torn country, did not pause at using harsh methods to insure harmony.

The trouble isn't over, however—the entire European situation has again been upset, Alexander will be followed on the throne by King Peter, who is still a child. Until he comes of age, Yugoslavia will be governed by a regency—and there are grave doubts if the turbulent Yugoslavian people can be kept under control. Again, as in the past, all eyes are turned to the Balkans, the powder-keg of Europe.

So simple in operation that anyone can operate it, a new machine for stringing tennis rackets is being offered as a substitute for hand work.

Joke Dept.

"Many Olney fans regard Burk Burnett as the Cubs' strongest district opponent this season."—Portion of article from Olney appearing this week in Wichita Falls Record News.

"The Wildcats in 1933 won two district crowns with Dick Todd and 10 stuffed uniforms."—Al Parker, in his column, "The Look-out," in Tuesday's Wichita Times.

In regard to Joke No. 1, we don't think the Olney fans, with such an optimistic opinion, are kidding anybody but themselves. But as for Joke No. 2—we always gave Al Parker credit for having better judgment than that. It would take too much space to argue the matter, but briefly in defense—those "10 stuffed uniforms" must have had quite a bit of dynamite in the stuffing, judging by the way they performed on occasions too numerous to mention last season.

Along with the unpleasant remarks, Parker tossed several bouquets in Crowell's direction in Tuesday's column, stating: "Crowell's Wildcats are the one most feared Class B team in this entire part of the world." He also stated that Graham, the team that appears to have the District 6-B championship already won, is pulling for Olney to win the District 5-B championship, even though Olney has already beaten Graham in a non-conference game. The reason, he stated, was because Graham believes Olney will not be as tough as Crowell for a bi-district opponent.

The Rambler's Discovery

Fred Thompson, "The Rambler" of the Wichita Falls Record-News let the many readers of his column in on the secret responsible for Dick Todd's sensational football power Wednesday. It so happened that Dick was born in Thrall, Texas, near Austin, which is The Rambler's own home town. After learning of this fact, Fred is now telling the world about it, and adds that "something or other" that he possessed was no doubt transformed to the spirit of the Todd lad, thus accounting for a remarkable football player.

Predictions

In our predictions last week, we picked 12 winners in 15 guesses. The three losers that we had picked to win were Texas A. & M., and Wichita Falls. One exact score was predicted—Iowa Park 6, Meargel 0. Another was barely missed—Minnesota 14, Pittsburg 7, the actual scoring being 13-7.

Anyway, we are encouraged to try again, so here they are:

- Crowell 45, Throckmorton 0.
- Olney 20, Burkbarnett 0.
- Seymour 7, Chillicothe 6.
- Archer City 13, Iowa Park 0.
- Wichita Falls 7, Mineral Wells 0.
- Rice 9, Texas 7.
- S. M. U. 13, Fordham 7.
- Tech 7, Loyola 6.
- A. & M. 7, Baylor 0.
- T. C. U. 13, Centenary 7.

Rare Chicken

O. O. Hollingsworth has the most unusual poultry freak that we have ever seen. Through some trick of nature, the Rhode Island Red chicken, about 3 months of age, stands and walks with its body erect, getting about more like the penguins of Little America than anything else that we know of. It is truly a "comedian" of the feathered tribe.
