GENERAL RAIN MOUNTS TO 6 INCH IN FOARD

General rain started falling in Foard county late Wednesday afternoon and continued to fall in a very slow manner throughout the night. When measured at the Crowell State Bank morning, the rainfall at Crowell amounted to six-tenths of an inch and prospects were favorable for more rain.

In the western part of the county the vicinity of the McAdams, only enough rain to "settle the dust" was reported.

Several farmers have termed moisture as a life-saver to wheat that suffered severely as a result of the recent hard freeze. Many farmers also believe that crops of oats that had practically given up for lost produce well if additional fall at the proper time be now and harvest.

Although small showers had received since then, this was a first general rain that had fallen in Foard county since Nov. 21, on Nov. 19 to Nov. 21 showing rains, amounting to 2.58 in, fell over the county.

Of the rain that came last night in a manner so as to produce maximum benefit from it, that standpoint it has already been equal to an ordinary inch and a half pownpour.

John Roberts Buys Station From Hinds

John Roberts of Gladewater was last week to complete details purchasing the Quick Service station and the four lots connected with it from Geo. L. Hinds.

Mr. Roberts, present manager of the station, will continue to operate it until about June 1, when he will move to Crowell and take charge of the station, which is located on the street east of Self M. Co.

The new owner of the station is other of N. J. Roberts of this county and spent most of his life in well before leaving here about three years ago.

OUT WORK TO BE PUSHED HERE BY LEGION POST

Plans for renewing Boy Scout work in Crowell were made by the legion at its meeting in Crowell Friday night, at which time the legion voted to sponsor a committee composed of John Long and A. Y. Beverly from Legion and T. P. Reeder, representing Crowell citizenship, was asked to promote scout work here.

Mr. Creighton of Wichita Falls, district Scout executive, is scheduled to meet with this committee next week for the purpose of assisting in the selection of a scoutmaster and to help work out details in starting the new troop. Application has been made for a new troop.

Approximately forty men were present for this regular monthly meeting. A report made it revealing the fact that during the past months hospitalization for Foard County ex-service men had been secured through efforts of the legion.

Over One Thousand Acres Included in January Terracing

Twelve farms were surveyed for terracing in Foard county during the month of January, involving a total of 1,095 acres. A crew of relief workers furnished by the local office has been trained for this work and all farms have been surveyed by these men under the supervision of County Agent Fred Rennels.

The commissioners' court is cooperating with farmers in the terracing program by offering the county road machinery for terrace construction at a reasonable price.

Terrace lines have been surveyed for the following: L. C. Jones, White Brothers, E. L. Booth, of Margaret community; S. E. Tate, M. S. Henry, Dr. J. M. Hill, J. R. Ford and C. A. Sollis of Crowell community; Blake McDaniel, E. O. Traweck, J. B. Traweck and G. C. Owens of the Foard City community.

Birth

To Mr. and Mrs. Wm. Freeman Durham, Thalia, Feb. 2, a boy.

Texas First Lady
AUSTIN... Still on the "sunny side" of thirty years of age, Mrs. James Allred (above), wife of the newly inaugurated Governor Allred of Texas, is the youngest first lady ever to preside over the Texas Governor's mansion. She has two children Jimmy, Jr., 5 and David, 13 months.

CROWELL TO BE SITE FOR 1-ACT PLAY TOURNEY

Crowell has been designated as the site for the district one-act play tournament this year by Interscholastic League officials at Austin. The date for this event has not been announced, however, it will likely be the latter part of March.

Crowell was the tourney site for five consecutive years, beginning with 1929, the year that this event was inaugurated by the Interscholastic League. For the first time, the tournament was taken from Crowell last year and placed at Childress, the District No. 4 Interscholastic League center, in connection with the regular district meet. That plan was followed throughout the state.

Because a great deal more interest had been shown in the play tourneys at Crowell than at Childress, League officials at Austin were requested to move the event back to Crowell. This move had the backing of dramatic coaches over the district and with the permission of district League officials, the League heads at Austin named Crowell for the tourney site.

Win Five Times

Crowell High School casts under the direction of Mrs. I. T. Graves, have been district one-act play winners for the past five years and in 1933 Crowell won the State championship. Only one other school besides Crowell has won the district championship, Chillicothe taking this honor when the event was first held here in 1929.

Try-outs for the local one-act play cast are now being conducted.

Mrs. Graves has not definitely decided upon the play that will be used.

Last year a cast composed of Peggy Cooper, Florene Miller, R. B. Cates and George Owens won the district championship with the play "Stealing Money" by Eloise Earle Dean.

County winners from the following ten counties will be eligible to participate in the tourney here next month: Hardeman, Cottle, King, Motley, Hall, Childress, Briscoe, Collingsworth, Wheeler and Foard.

ADMINISTRATIVE RULINGS ON '35 COTTON CONTRACTS RECEIVED; 1933-1934 GROWERS ELIGIBLE FOR NEW ONE-YEAR CONTRACT

Tri-County C. E. Union to Meet in Crowell Mon. Night

The Young People's Christian Endeavor society of the Christian Church of Crowell will be host to the Tri-County C. E. Union, which includes Hardeman, Foard and Wilbarger counties, Monday night.

The meeting will be held in the American Legion Hall and will begin at 7:15 o'clock, at which time a special patriotic program will be given.

Guest speakers for this occasion are Rev. J. E. Montgomery, pastor of the Highland Heights Christian Church of Wichita Falls and Leonard Velz, president of the Wichita District of Christian Endeavor activities. Frank Creighton of Wichita Falls, district Boy Scout director and recreational leader, is expected to be present and have charge of the recreational period of the meet.

Young people from the C. E. societies of Vernon, Quanah, Black community, Vivian, Crowell and Truscott are to be represented at this monthly mass meeting.

Miss Rebecca Galloway of Vernon is president of the Tri-County Union and will preside over the sessions of the meeting. Refreshments will be served following the program by the local Christian Endeavorers.

AT COUNCIL MEETING

D. E. Dunne, Jr., of Wichita, Kansas, member of the firm of Dunne-Davidson-Ranson Co. of Wichita, with whom the City of Crowell has contracted with for refinancing the city's bonded indebtedness, met with the council at its regular session Tuesday night. He reported that all plans in connection with the refunding deal had been worked out and that very satisfactory progress was being made.

FIRST LICENSE TAGS

Furd Halsell & Son secured the first 1935 auto license tags issued from the office of the county tax collector, R. J. Thomas, and also the first farm vehicle license tags. Sale of motor vehicle licenses started on Feb. 1. Up to Wednesday afternoon a regular truck license had not been issued.

The auto license tags have a maroon background with white numbers. For commercial vehicles the color scheme is reversed. Farm vehicle licenses are orange with black numbers. The tags for 1935 were made in the state prison, in which equipment for this purpose was installed several months ago.

Foard auto licenses begin with —375-651; commercial —53-351; farm—16-061.

Purple Heart Medal Received by Martin

C. C. Martin of the Black community recently received a medal, "The Purple Heart," from the adjutant general at Washington, D. C. All American soldiers who were wounded during action in the World War to the extent of requiring hospital treatment are eligible for this medal.

Mr. Martin was wounded near the Somme River on Oct. 7, 1918, during the Hindenburg drive while serving as a corporal with Co. L, 117th Infantry. A machine gun bullet struck him in the right knee, requiring him to remain in hospitals for about 90 days.

The attractive medal that he received is engraved with the name of the recipient: "Clarence C. Martin."

PENSION CHAIRMAN

J. E. Atchison, local county attorney, was elected chairman of the Foard County group of the Texas Association for Old Age Pensions. He will name the secretary for the Foard group within a short time.

NEW MOTOR VEHICLES

New motor vehicles purchased here last week were: Mrs. Eula Russell, Crowell, Ford tudor.

Richard Ballard, Crowell, Chevrolet pick-up.

Corn-Hog Contract Signing Scheduled For Feb. 11 and 12

All signers of old corn-hog contracts and any other corn and hog producers are requested to call at the county agent's office on Monday and Tuesday, Feb. 11 and 12, for the purpose of signing new contracts for 1935.

Approval of payment has been received on twenty-two cotton contracts for the second rental payment and thirteen more wheat contracts have been approved for the second 1933 and the first 1934 payment, according to information from the county agent's office.

All Corn-Hog Checks Received in Foard

All of the second payment checks on the corn-hog contracts in Foard county have been received at the county agent's office. These payments represent one dollar per head on the number of hogs allotted.

The expense of operating the corn program is deducted from this second payment and the hog program expense will be deducted from the third payment of two dollars.

Retired Acreage Ruling

The retired acreage will be subject to the same regulations that were effective in 1934. This acreage cannot be made a source of profit in any way, nor can feed crops that would normally be grown on other land be diverted to the retired acreage, thereby releasing acreage for the production of other crops for sale.

The retired acreage may be used for growing food or feed crops for use on the farm and no portion of such crops is to be moved from the farm where produced.

No contract signed either by a landlord or tenant will be accepted if it appears that there exists between such landlord and tenant any agreement or understanding entered into for the purpose of:

- (a) Causing the tenant or landlord to pay over to the other any share of the payments on the contract to which the tenant or landlord is entitled.
- (b) Changing the status of a tenant for 1935 for the purpose of permitting the landlord to sign the contract in order to deprive the tenant of his rightful share of the payments.
- (c) Denying the tenant or landlord any other benefit to which he is entitled under the terms of the contract.

Any 1934-1935 Reduction Contract will be subject to cancellation if it is determined that such an understanding or agreement has been entered into either before or after signing the contract.

Cancellation or breach of one contract automatically constitutes a breach of all other contracts held by a person.

CHILDRESS TO PLAY CROWELL FRIDAY NIGHT

One of the most interesting basketball games of the season is expected here tomorrow night, Friday, when the Childress Bobcats will attempt to go into a tie with Crowell for the Big 7 cage circuit lead by defeating the Wildcats in this game.

In two previous games this season Crowell has beaten Childress by two-point margins in each contest. One of these was a Big 7 game at Childress and the other was the championship game at the Matador tournament.

Double-Header Program

The Childress-Crowell game is to begin at 7:15 and immediately following it the Childress and Margaret girls will play. The Childress girls broke Margaret's undefeated record with a 23-20 victory at Childress last Friday and a closely fought contest is expected tomorrow night when these unusually strong West Texas girls teams meet on the local court.

25 YEARS AGO

After an absence of several weeks, one of the popular features of The News—the items from old files—returns and in this issue the 25-year ago column may be found on Page 2.

Some times it is difficult to keep up columns of this nature regularly because of being unable to find some of the old issues necessary to carry it on, as has been the case several times in the past.

At times this year, thirty-year ago items will be carried, since a considerable number of 1905 papers have been found in our files.

FOARD COUNTY MEAT SHOW TO BE FEB. 22 & 23

Plans are being completed for the annual Foard County meat show that is to be held in Crowell on Friday and Saturday, Feb. 22 and 23.

Arrangements for this event are in charge of the exhibit committee of the County Council of home demonstration clubs, Mrs. C. M. Carroll, Mrs. Will Erwin and Mrs. George Owens, together with the men's committee: Johnnie Gamble, R. H. Cooper, W. G. Chapman and S. E. Tate.

Both cured and canned meats may be entered. The entries in the cured division will include hams over 14 pounds, hams under 14 pounds and bacon over 9 pounds.

In the canned meat division the following entries may be made: beef roast, steak, chili, pork roast, sausage and mince meat. Both cold and cooked soap will also be entered.

Each person may make two entries in each class of the cured meats and one entry in each class of canned products, the entry being three cans of the same product.

The canned meats division is open to all home demonstration club members, 4-H club girls and any other farm home makers.

HOSPITAL NEWS

Mrs. John Bell was operated on Tuesday and is reported as doing nicely.

Mrs. Sid Mason, who was operated on last week, is improving satisfactorily.

LUBBOCK OFFICIALS VISIT

Ross Edwards, mayor; Bill Price, commissioner; E. L. Klett, city attorney, and Bill Rogers, city manager, of Lubbock visited for a short time with friends of Mr. Edwards in Crowell last Thursday morning. They were en route to Washington, D. C., on business for their home city, making the trip in an automobile.

Children at Texas Co. Plant to Have Teacher Next Year

The board of trustees of the Good Creek school voted last week to employ a teacher to serve pupils of scholastic age at the Texas Company's plant beginning with the 1935-36 term next fall, provided that housing facilities are furnished by the Texas Company.

The trustees felt that this plan would prove better and more economical than providing means for transporting the pupils to the Good Creek school. Members of the board are: H. K. Black, Oscar Whitley and A. C. Hinkle.

High School Golf Circuit Advocated

A High School Golf Association for this area is being advocated. Dan W. Stallworth, Quanah High coach, being the principal backer of the movement to date. Schools in this section, such as Childress, Memphis, Quanah, Crowell, Vernon, Wichita Falls and Electra would compose the circuit.

Two or four-player teams from each school would compete in a round robin or double round robin schedule with play ending in March or early April.

PROPOSALS TO BE OPENED ON FEBRUARY 14

Sealed proposals for the construction of a bridge across Pease River on State Highway No. 16 between Crowell and Quanah will be opened and read at the State Highway Department in Austin on Thursday morning of next week.

An official contractors' notice regarding this project appears elsewhere in this issue of The News.

This notice calls for the construction of slightly more than three-fourths of a mile of bridge and approaches, consisting of forty-six 28-foot, 6-inch steel I-beam spans; concrete floor slabs and bent caps on timber piling substructure and roadway approaches.

This construction program is covered by U. S. Public Works Highway Project No. N. R. S. 681-E (1935.)

A local employment agency from which the contractor shall obtain employment lists will be designated prior to award of contract. Regarding wages, the following paragraph is carried in the official notice: "Except as otherwise specified, the minimum wages paid to all laborers, workmen or mechanics employed on these contracts shall be one dollar per hour for 'skilled labor,' fifty cents per hour for 'intermediate grade labor,' and forty cents per hour for 'unskilled labor.'"

The new bridge, located about seven and one-half miles north of Crowell, will be built about forty feet east of the present bridge.

Excellent Results From New Sound Equipment at Rialto

Excellent results have been obtained from the installation of the new Western Electric sound equipment at the Rialto Theatre by the new owners, R. B. Moon and L. F. Campbell, who re-opened the theatre Monday after spending several days in remodeling it throughout.

They express satisfaction with the response of the public in attending the programs this week and state that every effort will be made to provide the highest class theatre service here at all times.

LOCAL SCHOOLS HAVE INCREASE IN ENROLLMENT

A substantial increase in the number of pupils enrolled in the Crowell schools has resulted since the opening of school last September. A total of 567 are now enrolled, compared with 511 at the beginning of the 1934-35 term, a gain of 56.

The enrollment at the beginning of school in September and at the present time by departments follows:

	Sept. Now
Primary	211 227
Intermediate	155 180
High School	145 160
Total	511 567

Emergency Limit on Feed Loans Raised

College Station.—In instances where the applicant has no feed on hand and the general weather conditions have been severe, the regional emergency crop and feed loan offices serving the primary drought areas have been authorized to allow up to \$4.50 a head a month to purchase feed for farm cattle, \$6 for farm work stock, and \$2 for range cattle according to information received by the Extension Service from the Farm Credit Administration. Otherwise maximum base rates now in effect will be continued.

"The increased amounts will apply only in exceptional cases where the applicant's feed has been exhausted and weather conditions have been severe," Norman Monaghan of the Emergency Crop and Feed Loan Division of the Farm Credit Administration said. "Each application for increased allowance will be considered on its own weather conditions."

Applications for loans may be made to the county crop and feed loan committee serving the applicant's county.

FEEL TIRED, ACHY-- "ALL WORN OUT?"

Get Rid of Poisons That Make You Ill

IS a constant headache keeping you miserable? Do you suffer burning, scanty or too frequent urination; attacks of dizziness, rheumatic pains, swollen feet and ankles? Do you feel tired, nervous—all unstrung? Then give some thought to your kidneys. Be sure they function properly, for functional kidney disorder permits poisons to stay in the blood and upset the whole system.

Use Doan's Pills. Doan's are for the kidneys only. They help the kidneys cleanse the blood of health-destroying poisonous waste. Doan's Pills are used and recommended the world over. Get them from any druggist.

DOAN'S PILLS

You're The Loser

WHEN you allow Headache, Neuralgia, Muscular, Rheumatic, Sciatic or Periodic Pains to keep you from work or pleasure. You can't go places and do things when you are suffering—and the work or good times won't wait for you.

Why allow Pain to rob you of Health, Friends, Happiness, Money?

DR. MILES' ANTI-PAIN PILLS have been used for the relief of pain for more than forty years. They taste good, act quickly, do not upset the stomach, nor cause constipation, leave no dull, depressed feeling.

Thousands have used them for twenty, thirty, forty years, and still find that nothing else relieves pain so promptly and effectively.

Why don't you try them? Once you know how pleasant they are to take, how quickly and effectively they relieve, you won't want to go back to disagreeable, slow acting medicines.

You too may find quick relief. Why wait forty minutes for relief when Dr. Miles' Anti-Pain Pills will relieve you in ten to twenty minutes?

As a household remedy I have never found anything that equalled Dr. Miles' Anti-Pain Pills.

I never found anything that was so good to stop pain as Dr. Miles' Anti-Pain Pills. I have told many about them and I find they are all using them.

I have been using Dr. Miles' Anti-Pain Pills for years. I keep them on hand all the time. I can certainly recommend them for pain.

Your Anti-Pain Pills have been a wonderful help to me. I have used them for three years and always keep them on hand.

I have used quite a lot of Dr. Miles' Anti-Pain Pills. They are fine pills to stop pain.

PWA BILLIONS

Washington, Feb. 5.—(Autocast.)—The biggest chunk of money ever appropriated in one lump, in time of peace, by this or any other nation, is the \$4,880,000,000 which Congress is handing to President Roosevelt to spend as he sees fit for public works to relieve unemployment. No one man in all history has ever had control of any such amount of money. None has ever had the power in his own hands which control of this huge sum gives to the President of the United States.

There have been larger amounts appropriated by Congress, both in war and, in the past two years, in peace, but they have been hedged about with restrictions and the specific purposes for which they were to be spent have been clearly defined in the appropriation bills. About the only string attached to it are the provisions intended to keep the spending of the money out of the hands of Secretary of the Interior Harold Ickes.

Mr. Ickes' performance as Public Works Administrator has not been pleasing to Congress. For one thing, Capitol Hill thinks he has been too slow in spending the \$3,000,000 granted by the last Congress for public works. Mr. Ickes' friends say that has been because he wanted to be sure the money was all spent for projects of real value, and to insure that none of it slipped into private pockets on the way.

Congress wants money spent faster and also wants it spent by somebody who will "listen to reason" when it comes to distributing it where it will do the Senators and Representatives the most good at the next election.

Capitol Hill Ideas The boys on Capitol Hill would have enjoyed making an old-fashioned "pork barrel" out of this huge treasure chest, with the big chunks of pork going into districts where party morale needs strengthening. But Mr. Roosevelt wouldn't have it that way; so the members of Congress have had to content themselves with the hope that "Jim will find a way" as one of them put it, referring to Postmaster General Farley's chairmanship of the Democratic National Committee.

It would have been pleasing to most Congressmen, too, if they had not been asked to include a restriction on the wages that may be paid on projects under this appropriation. However, from the point of view of recovery, the \$50 a month average wage which is authorized for public works, is regarded as high enough to keep the average worker's average family well provided for, but not high enough to keep him from taking a job in private employment if one comes his way.

Action After July 1

The new funds thus provided will not be available until after July 1. How speedily they can be put to work thereafter depends upon how fast the plans of the various projects can be perfected. A good many are said to be practically complete now. Under the provision in the appropriation bill authorizing the President to exercise the right of eminent domain—that is to say, to take land by condemnation if necessary—the way is opened for

great projects of "slum clearance" in cities, tearing down old, crowded tenements and building airy, modern low-cost apartments in the park-like grounds, as Mussolini has done in Italy.

Another nation-wide program which is well thought of in Administration circles, is the abolition of every railroad crossing of a highway "at grade" in the United States. A high percentage of fatal automobile accidents occur at grade crossings, and nearly all of the fatalities connected with railway travel. Removal of grade crossings will speed up not only trains but motor travel.

The President will have to borrow the money, of course. There is only about \$2,500,000,000 borrowing power left under the Second Liberty Loan Act of 1918, which is the authority under which the Treasury has been borrowing for public purposes; so a bill has been rushed through the House and will have passed the Senate by the time this is printed, to raise the limit of Treasury bond sales to a total public debt of \$45,000,000,000. Figures like that have ceased to frighten Washington. The talk now is that the United States could carry a debt load of a hundred billion dollars.

Cost of Pensions

It will cost from \$500,000,000 to a billion a year to carry out the Old Age Insurance and Unemployment Compensation plans, even including the payroll and earnings taxes, as the bill is now drawn, mathematical scraps compute. Before Congress gets through the Old Age pension will be raised from \$30 a month to \$40 or above. Townsend Plan advocates are clamoring for at least \$100 a month. The non-interest feature would take a budget. There are 500,000,000 in the nation's accounts. It wouldn't that to cover the present plans of the Administration.

GAINED 20 POUNDS IN TWO MONTHS

Up to two months ago each was in such a bad way that it could not even take a bath in the morning without being sick. I bought a bottle of Creomulsion and it helped me so much so that people thought I had happened to be sudden.

Since then I have used it and now I can get up in the and eat corned beef and stomach is in such good shape. —E. H. Knechtel, 1955 S. Chicago, Ill.

"I HAVEN'T HAD A COLD IN FIVE YEARS"

"In the old days I used to dread the coming of winter. I was always fighting colds—feeling about half alive—trying to work with my body aching and every nerve on edge."

Then a friend told me about McCoy's Cod Liver Oil Tablets with their marvelous vitamins A and D. I started to take them five years ago and I haven't had a cold since that time.

McCoy's tablets put new life in folks; build up resistance so anyone can laugh at cold germs. They make weak, skinny people strong, steady-nerved and vigorous. They're wonderful!

Get the genuine McCoy's Cod Liver Oil Tablets from your druggist today. Don't waste money on imitations. Ask for McCoy's.

HORNED RABBIT CAUGHT ON T. H. BRADSHAW FARM

Weldon Bradshaw, son of Mr. and Mrs. T. H. Bradshaw who live north of Crowell near Pease River, brought an unusual freak to The News office last Saturday in the form of a horned cottontail.

It spent Sunday night with Bert Harbor.

Mr. and Mrs. Hubert Carroll and children visited Mr. and Mrs. Gracie Solomon of Four Corners Sunday afternoon.

rabbit head.

The rabbit of normal size had been caught and returned to the Bradshaw home by three rat terrier dogs. One three-inch horn extended from its nose in rhinoceros fashion and another one, about two and one-half inches in length, had grown nearby, and extended at an angle. Both resembled small cow horns. The unusual growth started out from the upper and lower lips and caused the rabbit to have teeth on only one side of its mouth.

THE FIRST HELLO GIRL

The world's first telephone girl who began work in the old Nassau exchange in New York on September 21, 1878, lived until a few months ago, when she passed away at the age of 74. She was Miss Mary Beatrice Kennedy, who was given a job when a boy in the exchange was discharged "for swearing at an angry subscriber."

So courteous and efficient did Miss Kennedy prove that girl operators became the rule, as they have remained until this day. Working hours were long in 1878, and Miss Kennedy was on duty daily from 8 until 6, climbing six flights of stairs to reach her switchboard. Alexander Graham Bell, inventor of the telephone, often visited the exchange, and Thomas A. Edison sometimes accompanied him. But as Miss Kennedy told a reporter shortly before her death, "We didn't pay so much attention to Mr. Edison, for he wasn't so famous then."

Many thousands of "hello" girls have come and gone in the years since Miss Kennedy became the first. Taken as a class, no more faithful employees ever served an exacting and sometimes unreasonable public. Many telephone girls have performed deeds of extraordinary heroism, remaining at their posts in time of fire, flood and other disaster, giving warnings that saved the lives of others at the risk of their own.

The telephone industry should erect a fitting memorial to her who was the first of this noble company. The wastebasket at the post office had a full day Monday. A big batch of "box-holder" advertising arrived—Ilmo Jimplicute. And one never sees the wastebaskets stuffed with local newspapers, now does one?—Ex.

MARGARET IS WINNER CLASS B CAGE TITLE

The Margaret Buffaloes won the Class B high school boys basketball championship of Foard County at the local gymnasium last Saturday by defeating Foard City 36 to 14. These were the only two teams competing for Class B honors and Margaret is now scheduled to play the winner of the Thalia-Crowell County A series for the official county championship.

The box score for the Class B championship game follows:

Table with columns: MARGARET, FG, FT, PF, TP. Rows for players like Angle, Smith, Hunter, Patterson, Bledsoe, and Totals.

Referee: John Todd.

Crowell Holds Lead in Big Seven Race

Crowell maintained its lead in the Big 7 basketball conference during the past week despite a 25 to 17 loss at the hands of the Vernon Lions in a game on the Vernon court Tuesday night.

Due to the death of the father of the Olney coach, Blannard W. Spearman, Crowell's game with Olney, scheduled for the local gym last Friday night, was called off and Olney forfeited to Crowell.

The standing in the Big 7 follows:

Table with columns: TEAM, W, L, Pct. Rows for Crowell, Harrold, Childress, Vernon, Wichita Falls, Quannah, Olney.

Tuesday's Results: Vernon 25, Crowell 17. Wichita Falls 27, Quannah 26. Harrold at Olney, postponed. Harrold "B" 41, Quannah "B" 21.

Friday's Schedule: Childress at Crowell. Wichita Falls at Olney.

Margaret Girls Are Beaten by Childress; First Loss of Season

The undefeated record of the Margaret High girls was broken at Childress last Friday night when the Childress High girls defeated the Foard County sextet by the close score of 23 to 20.

The Margaret girls expect to avenge this loss when they play Childress at the Crowell gymnasium Friday night following a "Big 7" game between the Childress and

CROWELL WINS FIRST COUNTY CLASS A TILT

Crowell High defeated Thalia 27 to 11 last night in the first game of the series to decide the Class A high school boys basketball championship of Foard County. The second game will be played on the local court next Thursday night and a third game, if necessary, will be played a few days later.

The Class A winner will meet Margaret, the Class B winner, in a series to decide the official championship of the county. The county winner will then compete in the district tournament at Childress a short time later.

Thalia had a large representation of fans present at the game despite the rainy weather. The attendance of Crowell fans was small. The Thalia delegation included a brass band under the direction of Mrs. W. M. Bralley and a pep squad.

The Crowell defense held Thalia to two points in the first half, both of which were made on free tosses. The Tigers outplayed the Wildcats in the third period and rang up three field goals, all by J. Wisdom, while holding Crowell to a lone court.

Table with columns: CROWELL, FG, FT, FTM, PF, TP. Rows for players like Wiggins, Meason, Brown, Middleb'k, Russell, Cogdell, Owens, Dunn, and Totals.

Referee: Forrester of Quannah.

Table with columns: THALIA, FG, FT, FTM, PF, TP. Rows for players like D. Adkins, B. Wisdom, J. Wisdom, H. Adkins, Capps, and Totals.

Points by periods: Crowell 7 8 2 10-27. Thalia 2 0 7 2-11.

Referee: Forrester of Quannah.

Crowell boys. Childress High School boasts the strongest girls team in the history of that school and have made an impressive record all season. Their game with Margaret last Friday was very closely fought throughout and the score was tied a considerable part of the time in the last quarter.

COTTON COMMITTEES FOR 1935 IN FOARD COUNTY ORGANIZED; COUNTY BOARD IS RE-ELECTED

Debate Dishonesty Scored by Officials of Tex. Int. League

Austin, Texas, Feb. 6.—The practice of using "ready-made" debate speeches has brought commercialism to the Interscholastic League debate platform, it is pointed out in an editorial comment in a recent issue of the Interscholastic League, published by the Texas Interscholastic League by the University of Texas Bureau of Public School Interests.

The work of electing and organizing of the community and county cotton control committees has been completed and as soon as blank contracts arrive, work will be started in accepting new contracts, according to information from the office of the county agent.

The rules of the Cotton Control Association provide for the election of a committeeman from each community and also an alternate to serve during 1935.

The following men have been elected to serve in the cotton program during the current year: E. A. Dunagan; C. E. Gafford, alternate.

Vivian—R. S. Haskew; Lee Morgan, alternate. Foard City—Tom Callaway; Lewis Sloan, alternate.

Good Creek—A. L. Davis; G. C. Owens, alternate. Margaret—John L. Hunter, Sr.; Charlie Blevins, alternate.

Rayland—T. F. Lambert; E. M. Key, alternate. Thalia—T. H. Matthews; J. D. Miller, alternate.

There's a shop in New York that specializes in a new mechanical message for men who are growing bald. The machine has dozens of little fingers to stimulate the scalp.

Do you like beer with your Sunday dinner? You can't have it before one o'clock in any New York restaurant. It's one of the rules.

There's a piece of property in New York that doesn't belong to anyone. A mistake was made once, and nobody owns any deed to that one small piece that lies at the intersection of some downtown streets.

A sandwich man walks up and down outside a store on Fifth Avenue at 45th. His sign reads, "Don't buy Nazi goods. Blank sells German Goods." Didn't know the feeling ran that high.

A friend, reading on the relation between climate and productivity tells me that for greatest efficiency, New Yorkers should go south in winter and north in the summer. Millions would like to; the wealthy do.

The district from 14th Street to 59th Street, bounded by Park Avenue and 9th Avenue was set aside as a "no vending district" by New York's Board of Aldermen, but like so many rulings, this one hasn't been actually enforced for many moons. So it is that in certain sections, pedestrians practically stumble over sidewalk vendors at every step.

INDIAN MEDICINE

Old-time Indian medicine men were not all fakers, as most white people have been led to believe, according to Anton Hogstad, a leading chemist, who has studied the remedies used by aboriginal doctors. In fact, he declares modern practitioners are indebted to the Indians for much of their knowledge of native medicinal plants.

Primitive Indians were not so hardy and free from sickness as is commonly supposed. They suffered from colds, intestinal troubles, rheumatism and many other ailments due to exposure and improper diet. The medicine men were able to relieve many of these conditions through their knowledge of nature's remedies.

They used Seneca snakeroot for coughs, and it is still so used. Black snakeroot was given for rheumatism, ginseng for headaches, blue flag for stomach troubles, and corn smut was used as an aid to child birth and to stop bleeding. Some of the medicine men knew how to produce artificial sleep, and Zuni doctors were even able to render patients unconscious while operations were being performed, by the use of a certain root. These are only a few of the native remedies which had a real value.

Mr. Hogstad believes that the Indian medicine man could have passed the examination of a modern pharmaceutical board if the questions were limited to the native medicinal plants of North America.

WHEN YOU TAKE A LAXATIVE ... use a spoon

It isn't what brand of laxative you take that's so important—it's the form. A liquid laxative can be taken in any required amount. If only a little is needed, you need never take a bit too much.

Doctors favor the easily measured liquid laxatives. Instead of any form that does not encourage variation from the fixed dose. A fixed dose may be an overdose for you—or your child.

Always remember this one thing about constipation: the secret of any real relief is reduced dosage.

Give the bowels only as much help as may be needed, and less help as the need grows less. You will find Dr. Caldwell's Syrup Pepsin an excellent aid in regulating the bowels. It contains senna and cascara (natural laxatives) and it will clear-up any bilious, sluggish condition without upset. Delightful taste, and pleasant action. Your druggist has it.

Presbyterian Church The regular services next Sunday and Monday evening promise to be of unusual interest. The communion of the Lord's Supper will be observed at the morning service. The pastor will bring a unique message at the evening service at 7:30. Everybody is invited to enjoy these services with us. On Monday evening at 7:30 Rev. L. R. Hogan will present a National Mission picture portraying the church at work among the Orientals of America. All Presbyterians are urged to invite their friends to attend these services with them. Sunday School at 10 a. m. Let's make this a banner day in church attendance. J. A. PHIPPS, Pastor.

Methodist Church The report of the Church School that was made at the recent Board of Christian Education was the best report ever given at this time of the year during the present pastorate. The choir continues to render good music. The Class in Christian Education meeting on Wednesday fills the class room to capacity. A warm welcome awaits visitors to every service.

Remember the evening service begins at 5:30 preceded by a prayer and fellowship service. GEO. E. TURRENTINE.

Thalia Baptist Church The attendance at the Thalia Baptist Church has been good the past month considering the weather. On Sunday, Jan. 20, a good crowd was present for the morning service. There were two additions to the church at the morning service. On account of the weather there was no service that night. On Sunday, Jan. 3, Rev. Edd delivered two mighty fine messages at the morning and evening hours. Good crowds were present both times. We were glad to welcome several visitors at the morning services. At the evening service there were four additions to the church. On Sunday, Feb. 17, Mr. Rouse from Vernon, will speak at the morning hour. You are welcome.

Christian Science Services "Spirit" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, February 10. The Golden Text is: Where the Spirit of the Lord is, there is liberty. (II Corinthians 3:17.) Among the citations which comprise the Lesson-Sermon is the following from the Bible: "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. . . . For as many as are led by the Spirit of God, they are the sons of God. . . . The Spirit itself beareth witness with our spirit, that we are the children of God." (Romans 8:1-14, 16.)

The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Spirit is God, and man is His image and likeness. Therefore man is not material; he is spiritual. . . . All the varied expressions of God reflect health, holiness, immortality—infinite Life, Truth, and Love. . . . The divine Principle, or Spirit, comprehends and expresses all, and all must therefore be as perfect as the divine Principle is perfect." (page 518.)

SUNDAY SCHOOL LESSON

by Charles E. Dunn Peter Preaches at Pentecost. Lesson for February 10, Acts 2. Golden Text: Acts 2:38.

The day of Pentecost, when Peter preached the famous sermon that led to the conversion and baptism of some 3,000 souls, is of momentous significance in the history of the Christian church. The common opinion, however, that it is the birthday of the church is false, for the church existed before Pentecost. Neither was it the day upon which began the descent of the Holy Spirit, for the disciples were already under its inspired influence.

What makes Pentecost so significant is that it was a day of marvelous power, a power to win souls to the Christian Society. It marks the beginning of the evangelistic activity of the church. Here the disciples were called to the task of witness-bearing. The supreme fact about the day is not that there occurred a spectacular visitation of the Spirit, but that Peter and the others gave testimony to "the wonderful works of God" with such persuasive energy as to sweep a multitude into the household of faith.

Consider how impressive is this demonstration in the light of its immediate background. Christ had been crucified only a few weeks before. His frightened disciples had all fled in dismay. And now in the very city where their Master had been executed, and in utter disregard of what the authorities responsible for the crucifixion might think, they joyfully spoke in various tongues, and proclaimed the resurrection and triumph of Jesus!

Now Peter's address is of more than ordinary interest because, as Dr. McGiffert says, "it constitutes the earliest extant Christian apology." At Pentecost Peter, speaking not simply for himself, but for all of the disciples as well, offered proof that his Master, though done to death at Calvary, was the promised Messiah.

And what a profound impression this sermon made! Stung to the depth of their hearts the people cried, "Brothers, what shall we do?" Peter answered with the historic call to repentance and baptism with its accompanying gift of the Spirit.

Time to Plan Now for Family Garden

It's gardening time in Texas and so time to plan the family garden. The average family needs one-half acre or a plot 100x150 feet. This is sufficiently large to permit cultivation with a team and to furnish sufficient vegetables for the family.

Time to Plan Now for Family Garden

Following the club session, Mrs. D. A. Alston gave a review of Texas history. The next meeting will be with Mrs. Hubert Carroll.

Time to Plan Now for Family Garden

Louise Pechacek is spending the week with her niece, Mrs. William Ricks, of Crowell who is ill. C. D. Hall and family spent Sunday with their daughter and family, Mr. and Mrs. Claudius Carroll, of Gambleville.

Time to Plan Now for Family Garden

Mr. and Mrs. Grover Nichols and Mrs. Doris Gentry of Medicine Mound spent the week-end in the home of S. W. Gentry. Sherman Nichols and family of Crowell attended Sunday school here Sunday and visited his parents, Mr. and Mrs. Walter Nichols.

Time to Plan Now for Family Garden

Uncle Jim McKown of Crowell is visiting this week with Mrs. Tillie McKown and son, Lynn, and wife. Jim Guy and Fred Naron and children visited their father, Geo. Naron, and family of Medicine Mound Sunday.

Time to Plan Now for Family Garden

Tom Adams and family of Quannah visited his brother, Dave Adams, and family Tuesday. Mrs. C. L. Klepper of Quannah has moved to the farm on Pease River. Mrs. Jim Davis and daughter, Geraldine, visited relatives at Randlett, Okla., Wednesday.

Doctors Know! and they use liquid laxatives

You'd use a liquid, too, if you knew how much better it makes you feel. A liquid laxative can always be taken in the right amount. You can gradually reduce the dose. Reduced dosage is the secret of real and safe relief from constipation.

Try Faster Way to Relieve Your Colds

Medical Discovery Bringing Almost Instant Relief to Millions

1. Take 2 BAYER Aspirin Tablets. Make sure you get the BAYER Tablets you ask for.

2. Drink a full glass of water. Repeat treatment in 2 hours.

3. If throat is sore, crush and stir 3 BAYER Aspirin Tablets in a third of a glass of water. Gargle twice. This eases throat sores, almost instantly.

REMEMBER DIRECTIONS The simple method pictured here is the way many doctors now treat colds and the aches and pains colds bring with them!

It is recognized as a safe, sure, QUICK way. For it will relieve an ordinary cold almost as fast as you caught it.

Ask your doctor about this. And when you buy, be sure that you get the real BAYER Aspirin Tablets. They dissolve (disintegrate) almost instantly. And thus work almost instantly when you take them. And for a gargle, Genuine Bayer Aspirin Tablets disintegrate with speed and completeness, leaving no irritating particles or grittiness.

BAYER Aspirin prices have been decisively reduced on all sizes, so there's no point now in accepting other than the real Bayer article you want.

FOODS TASTE BETTER

When Cooked Electrically

Electric Cookery brings out the flavor in foods. Only a small amount of water needs to be used to cook vegetables, as they are practically cooked in their own delicious juices. Meats shrink very little cooked electrically, as there is no excessive dry heat to rob them of juices and flavors.

The results are foods taste better and retain the vitamins because the flavors and health properties are not destroyed by excessive cooking or drowned in excessive water to be poured down the sink. Of course you can look for better health from this modern electric cookery. Before you buy your next range . . . investigate the electric way of cooking.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and adds only a small amount to your total bill?

BIRTHDAY DINNER SURPRISE PARTY

Mrs. W. H. Bell complimented her daughter, Mary Byrl, with a surprise birthday dinner party at their home Sunday.

The valentine motif was carried out in table decorations, place cards and other appointments of the three-course dinner. The birthday cake with lighted candles centered the table and red candles in silver holders were placed at either end.

Covers were laid for the honor guest and Misses Juanita Hough, Ann Maho, Fern Pierce, Ruth Ferguson, Mary Lou Fudge, Dorothy Pauline McKown, Mary Elizabeth Hughston and Florene Miller.

S. S. CLASS ENTERTAINED

Mrs. W. C. McKown entertained her Sunday School class of Junior girls and boys last Saturday afternoon at the church.

Seven members of the class had not been absent for three months and they were honor guests at the party. They included Joe Wallace, Beverly Reed Sanders, Edward Turrentine, Billie Newton Klepper, Virginia Moseley, Isabelle Lanford and Lola May Donaldson.

A valentine treasure hunt which culminated on the church lawn was enjoyed, after which other games were played.

Refreshments of sandwiches, eggs, potato flakes and hot chocolate were served to the ones named above and Hubert Carl Brown, Bettie Shaw Kinsey, Beverly Hughston, Ralph Flesher, Stanley Sanders, Sammie Gene Mills, Glendon Hayes and Pauline McBeath.

M. E. BROTHERHOOD MET TUESDAY NIGHT

The Wesley Brotherhood of the Methodist Church held its regular monthly meeting in the basement of the church Tuesday evening with about 25 members and visitors present.

Each member brought a covered dish and preceding the program dinner was served by Mrs. Pete Bell, Mrs. Hubert Brown, Mrs. Tom Russell, Mrs. Maggie French and Mrs. R. J. Thomas.

Eli Smith was in charge of the program. John Rasor was the first speaker on the program, followed by J. W. Gibson. Mr. Smith also made a short talk concluding the program.

A business session was held at which time plans were discussed for promotion of interest in the organization.

LIBRARY ADDITIONS

These books were added to the library this week: Laughing Water, B. M. Bower; Robber's Roost, Gray; The Museum Murder, McIntyre; Fenced Water, Ogden; The Ranchman, Seltzer; A Lady Quite Lost, Stringer; The Owner of the Lazy D., White.

The following magazine stories are recent additions: The Jealous House, Kelland; The Strange Boarders of Palace Crescent, Oppenheim; Beyond the Desert, Rhodes; Honor Bound, Baldwin; Blue Marigolds, Miller; Men and Angel, Lea; The Splendid Quest, Marshall; The Murder on Fifth Avenue, Cranston.

BIRTHDAY CELEBRATED

Margaret Claire Shirley was honored on her tenth birthday Sunday by her mother, Mrs. Paul Shirley, with a dinner party for a number of little girl friends.

A color scheme of pink and yellow was used with the pink birthday cake in the center of the dining table. The cake held ten lighted candles.

After dinner the hostess took the guests out to Pease River where they enjoyed "mountain-climbing" and various games.

The guests were Nettie Thelma Wylie, Frances Henry Johnson, Reed Sanders, Wilma Jo Lovelady, Margaret Long, Ada Jane Magee, Clopita Russell, June Billington and Margaret Claire.

W. F. Brisco Weds Miss Dessa Martin

W. F. Brisco, son of Mr. and Mrs. Frank Brisco of this city, and Miss Dessa Martin, daughter of Mr. and Mrs. Joe Martin, who live on the Mullins farm in the Black community, were married Monday afternoon at Frederick, Okla.

They were accompanied to Frederick by the groom's father, Ross Copeland and Mrs. Alice Brisco.

W. F. was a junior in Crowell High School and had been a regular and valuable lineman on the Wildcat football squad during the past two seasons.

The young couple is now at home with the bride's parents.

Surprise Program at Rotary Luncheon

One of the most unique and interesting programs in the history of the local Rotary Club was conducted at the regular luncheon hour Wednesday by the club pianist, Mrs. Arnold Rucker, who surprised the members by having their ladies march into the luncheon room of the Griffith Hotel when the program was turned over to her.

After the Rotary-Anns had completed singing "Let Me Call You Sweetheart," a regular Rotary program was presented by members of their group. Articles from recent issues of the magazine, "The Rotarian," were reviewed by Mrs. T. B. Klepper and Mrs. Hubert Brown. A reading was given by Mrs. I. T. Graves. Prior to the arrival of the other ladies, Mrs. H. E. Ferguson was present as a regular guest and provided the invocation at the opening of the luncheon.

In a short address, M. S. Henry welcomed R. D. Oswald into the club as a new member. W. F. Kirkpatrick, vice president, presided in the absence of president, H. K. Edwards, who is ill.

Spread of Measles Reported in Texas

Austin, Texas, Feb. 6.—Many cases of measles are being reported to the State Department of Health. The disease spreads very quickly; it is very dangerous for very young children, and because many mothers are inclined to think that measles doesn't amount to much and that it is better for the children to have it and to have it over, Dr. John W. Brown, State Health Officer, sends them this message:

"Measles is especially hard on very young children—babies from about six months old to children of school age. It is a very treacherous disease. It often opens the way for pneumonia, and other diseases of that kind, and it frequently leaves some serious after-effect. It is very 'catching' right from the start, so a special effort should be made to keep the younger children away from others who have it. It's a mistake to say, 'Oh, let them have it, and have it over.'"

"But even though it may be as dangerous for the older children as for the younger ones, measles is a serious disease for anybody, at any age—young or old—who has it. Anybody who has it, or who shows symptoms of it, should have the best possible medical care—and the doctor should be sent for promptly."

"If your child shows any of the symptoms of measles—at the start it often seems to be only a cold—but him or her to bed, and keep the other children away from the one who is sick, and send for your doctor."

By Typo Wrighter

W. W. Kimsey qualifies as the No. 1 weather expert in Foard County for the present at least. "We have a wet moon and I'm expecting a rain mighty soon," was the statement made by him in Crowell Tuesday. "We usually have to wait until it clears up in the Middle West before a wet spell sets in here," he added, "and that's another reason that I'm expecting rain."

Fatal "Relief" Liquor

At Whitesboro, Tex., a man admits the fatal shooting of the city marshal, stating that he was drunk from liquor purchased with money from the county relief funds when he committed the terrible act.

As tragic as any killing is, this one is made more so when one considers the use to which this "relief" money was placed.

And you do not have to go outside of Foard to see the misuse to which some relief money is placed. We believe a large majority of those on the relief rolls appreciate the means of a livelihood given them and use their relief money properly, however, it is more than enough to make the blood of even a slightly patriotic citizen boil when he sees some relief workers shooting away their nickels on the marble machines about town.

Cage Comment

Vernon's victory over the Wildcats Tuesday was the first basketball loss that Crowell has suffered at the hands of the Lions since 1928.

So far as we know, Childress has never beaten Crowell in basketball. We hear that the Bobcats are coming to Crowell Friday night with plenty of ammunition to blow up this tradition. We had never heard of any athletic victory scored by Childress High over CHS until Merl Kincaid provided the information that he painfully recalls Childress beating Crowell in football in 1922, as he was on the local team. Crowell and Childress last met in football in 1931, Crowell winning 34 to 0.

Foard has provided plenty of basketball tournament winners this year. The Margaret boys won the Kirkland tourney and the Margaret girls followed with the girls' tournament title at King High. Crowell won the Matador event and the Thalia High boys won the county Class B tourney at Lockett.

Big Game Hunters

It is reported that Morley Jennings, head Baylor coach, and his freshman coach, Jim Crow, were in Foard County Sunday on a "Wildcat" hunt.

Dan Cupid seems to be pretty good at Wildcat hunting himself.

BANK NIGHT COMING!

At least one Wildcat fell victim to his little bow and arrow this week.

From "The Texas Aggie"

Diek Todd, the great high school star from Crowell, was a recent campus visitor, and expressed great interest in A. & M. Bill Audish, 185-pound star back from Brenham, is another lad who is said to be headed for Aggie land. In the same class are said to be Zed Coston, Bill Rackley and "Red" Belden, star linemen of the Schrenier Institute team this past fall. There is a real nucleus for a great football team right in those five boys.

One player mentioned above, Audish, is the boy rated by some experts as the nearest rival to Todd for all-around backfield honors in Texas high school football. If he is really good enough to be compared in that manner, we predict national championships for A. & M. in 1935, '37 and '38—that is if both boys really choose to perform in Aggie uniforms.

With 1934 Seniors

Miss Bernice Collins, pictured at the left, is one of the many 1934 Crowell High seniors who are now enrolled in the school of practical experience.

Since last September she has served as assistant to Mrs. J. R. Beverly in the operation of "The Beverly Shop," exclusive store for ladies and misses in Crowell. She has met very favorably with the public in this position and Mrs. Beverly has nothing but the very highest praise for her all-around efficiency and devotion to her work.

Bernice is a native of Crowell and is a daughter of Mrs. T. L. Collins of this city.

Another 1934 senior who is making good is Berl Lovelady, son of Mrs. P. S. Lovelady. The secretary of the '34 class is now at Riverside, Calif., where he is enrolled at Riverside Junior College. Although considerably lighter than most other members of the squad, Berl lettered at center on the college football team, the position he played with the district and bi-district championship CHS team of 1933. He attended the Rose Bowl game and other big California football games the past season.

Berl is working his way through college, having a job in the grocery store managed by his brother, Price Lovelady, former Crowell boy. He resides with Mr. and Mrs. Price Lovelady.

Often, "mere colds" have serious consequences. It is dangerous to neglect a cold—equally dangerous to experiment with half-way measures.

Feel safe! Use Vicks VapoRub—the proved external method of treating colds. No risks of constant internal "dosing", which so often upsets delicate digestions and lowers resistance when most needed.

DOUBLE DIRECT ACTION

Just rubbed on at bedtime, VapoRub fights a cold direct—two ways at once—by stimulation and inhalation. This combined poultice-vapor action loosens phlegm—soothes irritated membranes—eases difficult breathing—helps break congestion. Often by morning the worst of the cold is over.

than a coupe," he writes.

Back Again

After an absence of eight weeks, students at CHS and the people of Crowell in general, are mighty glad to see Raymond Gibson, son of Mr. and Mrs. Fred Gibson of the Black community, back in school this week. Ray, shortly before the bi-district game with Graham and had been in bed most of the time since then. As freshman during the 1933-34 school year, the only two games that Gibson started as a regular were the bi-district and regional football games with Graham and Rockwall. Fate reversed the procedure the past season with the result that the only games Raymond missed as a regular were the bi-district and regional games with Graham and Plano. The fleet-footed backfield ace contributed much to Crowell's greatest gridiron success during the past season.
