## HENRY NAMED CHAIRMAN OF HIGHWAY BODY

### Excellent Attendance at Meeting of Highway 51 Delegates Last Friday

Forty delegates from Abilene, Oklahoma, were in attendance at a meeting to push forward the Highway 51 program on Thursday, June 20, at the home of Mr. H. E. Ely, chairman of the highway body. The meeting was held at 10:30 a. m. in the district court room after which Mr. H. E. Ely was elected temporary chairman. Upon taking charge Mr. Henry stated that the delegates were present to stand whereupon it was decided that the delegates were present from twelve towns.

Mr. Ely, secretary of the Quannah County Chamber of Commerce, made the opening talk and outlined the entire situation, explaining the shortest route, and the utter importance of getting a program of work worked out. Mr. Henry then asked for an expression from each town present.

Mr. J. W. Lee of Eldorado, Oklahoma, stated that he was confident that his state would do all possible to connect with any work done by this county and that his city was very interested in the project. J. E. Wiley, county judge of Hardeman County, stated that Hardeman County had already made arrangements for paving from Quannah to Pease River and that grade drainage structures were practically complete. He expressed the hope that the concrete would not stop the river, but that it would go on into Abilene. He also stated that the toll bridge over Red River had been eliminated since Oklahoma and Texas are to build a new bridge. J. E. Acheson, Foard County judge, spoke for this county. He stated that Foard County was ready to put up the amount, that was voted in a bond issue for improving the road from Crowell to Foard City, and the grade and drainage structures in the county north and south. He stated that Foard would cooperate to every limit with the other counties in the route to secure a connected system of pavement.

Mr. W. W. Clark spoke for Truscott county and stated that the highway body wished to see the highway through their town instead of using the short distance that it is now. He pledged the cooperation of his community on the project. Mr. Atterbury said Benjamin was highly indebted at present, but that action was heartily in favor of movement.

Mr. O. L. Jamison of Knox City spoke for his town and stated that there were seven miles of Federal aid road ready extending from Knox City to Brazos River. He also mentioned that Knox County citizens had shown much interest on this road that a number of furnished trucks free of charge to haul gravel for it. C. G. Bennett of O'Brien said that their community had a complicated situation due to dealing with other people but that his section would do all possible on the matter.

Mr. Warren E. Tatum of Stamford County was connected with Highway No. 51 by Highway 18 and that his people were willing to do all possible to help the matter along.

T. N. Carswell, secretary of the Abilene Chamber of Commerce and general representative of W. R. Ely, highway commissioner who was unable to attend the meeting, was the next speaker. He said that the highway commissioners and the people who act quickly and that the highway department looked with favor on the entire project. He said that the highway department would be ready to act. He pointed out that people wanted to travel north and south the same as they do east and west, and that Abilene was much in favor of the road leading north to Oklahoma. He expressed his belief that any kind of bond issue for improving the road in Taylor County would carry.

Mr. Carswell then talked the group through and met again at 1:30 p. m. when officers were elected. Immediately after the meeting of the highway body, Chairman Henry called a meeting of the directors. Upon taking charge Mr. Henry stated that he would arrange a meeting with W. R. Ely, Texas highway commissioner, Abilene, to be attended by officers of the association, representative of the county judges, and others

## Margaret Is Center Of Oil Activities North Part County

The oil business in the north side of Foard County has taken on increased activity this week and most of this activity has centered in the vicinity of Margaret which is located two and one-half miles from the south bank of Pease River.

A cable tool rig and standard derrick are being erected on the I. W. Middlebrook lease, Section 363, H. & T. C. Railway survey. The location of this test is in about the center of the south side of the section. This lease consists of about 1,800 acres of land lying about one mile north of Margaret. It is to be drilled by Tom Stockton of Electra and associates of Amarillo. It is expected that active drilling will begin on July 1st.

A contract for the spudding in of another test to take place not later than July 15th has been let on the Owens lease which lies one and one-half miles east of Margaret. The location of the test is about the center of the south side of Section 327, H. & T. C. Survey. This test is to be drilled by A. W. Phillips of Wichita Falls. The contract depth for each of these tests is 2,500 feet.

Leasing is very active around both locations and leases are selling from two to thirty dollars per acre. Margaret, the center of the activities, is located seven miles northwest of the Tarver No. 1, which came in for big production last week. The Sinclair Pipe Line Company unloaded pipe at Margaret this week for the line from the Tarver test to the Fluhman field. Officials of the Orient railroad were in Margaret this week, sizing up the situation and stated they were ready to build siding for loading racks at any time necessary.

## Cool in Mexico City According to Shults

During the recent hot spell, it is difficult for one to get away from there to cool weather in Old Mexico, especially when that country is so far to the south.

However, Garland Shults, son of Mrs. J. H. Shults of this city, who is working in Mexico City, states in a recent letter that it is cool and comfortable there. Part of one of his letters follows:

"You spoke of it being hot there, well it is pleasant here and I sleep under two blankets and a counterpane and sheets every night and am just comfortable. I wear a coat all the time to work and it is a little chilly early in the morning when I go to work.

"At this season of the year, it rains here twice each day, every afternoon at about 2 to 4 and at night from 9 to 11 or 12, however, it doesn't bother as most of the people are at their homes from 1 to 3 in the afternoon taking their naps and nearly everything closes from 1 to 3:30, although our store does not as we are open all day and are busy at nearly all hours.

Garland mentioned in one of his letters that he waited on Miss Anne Morrow, who is now Mrs. Chas. Lindbergh, and her sister a number of times before the marriage. He said Lindy's wife was fairly good looking but nothing extra. He also stated that the daughter of the president of Mexico was one of his customers.

Sanborn Bros., S. A., the firm for which Garland works, is one of the leading drug and department stores in Old Mexico.

## Foard County Couple Couldn't Wait 3 Days

Mrs. Ida Reavis, county clerk, reports that this far no marriage license, under the new Texas law, has been issued from her office.

A young Foard couple applied for a marriage permit at the office Thursday but when informed of the new law which went into effect last Thursday, requiring a three day wait and physical examination, the couple decided the wait was entirely too long and journeyed to Oklahoma to obtain the permit.

Hubert Harrison of Wichita Falls was a visitor in Crowell Thursday morning.

Along the route in order that each community should have the opportunity of presenting their problems to the highway commissioner. It is planned to have this conference as quickly as it can be arranged.

Knox City and Quannah had the largest number of outside delegates present with six representatives from each city. The following delegates were present at the meeting: Knox City—J. W. Smith, E. O. Warren, T. P. Frizzell, Roy Smith, William Griffith, and O. L. Jamison; Quannah—Mason Harwell, W. F. Caldwell, H. Maloy, J. E. Wiley, R. S. Reed and Carl Guin; W. I. Thomas of Goodlett, Hardeman County commissioner was also with the Quannah delegation; also with the Quannah delegation: Truscott—Brooks, Chesser, C. R. Haynie, Killen—Oliver W. Lee, J. Clark; Benjamin—O. D. Propps, and W. H. Atterbury; O'Brien—S. E. Reed, H. C. Hicks, W. E. Bryant, and C. G. Barnett; Rule—P. H. Campbell and W. D. Payne; Stamford—Bill Cooper and W. B. Tatum; Abilene—T. N. Carswell and Tom K. Epley; Eldorado, Oklahoma—W. L. Phillips, R. W. Sumner and Dr. J. W. Lee.

## SINCLAIR COMPANY COMPLETES PIPE LINE TO THALIA FIELD

### First Oil Is Turned Into Twelve Mile Line Wednesday

The Sinclair Crude Oil Purchasing line to Shell Petroleum Company's Tarver No. 1 Foard County's new oil discovery, Wednesday afternoon and the first oil from the new well was turned into the line shortly afterward. The line extends a distance of 12 miles from the Fluhman field, southeast.

The line was completed in the record time of five days as construction on it was not started until last Friday. With its completion, it is now possible for Foard County oil to be piped to most any part of the nation. Officials of the Sinclair Company state that most of the oil from this test will be piped to Houston and that there is a possibility that some of it may be piped to Chicago.

The oil is maintaining a gravity of 40 and is of the quality demanded by refineries. The well flowed 500 barrels early last week when drilled through into the sand, bringing the total depth to 2,023 feet, with nine feet of pay sand.

The oil flowing from the test has been stored in nine 250-barrel tanks and the oil is now being drained from the tanks into the Sinclair line. The production flowing from the well decreased some this week but is expected to increase considerably when drilling starts again.

Drilling was due to be under way again Thursday afternoon but was halted due to the pipe line being stopped up at a point believed to be about five miles east of the well.

Drilling activity is expected in the Thalia area as soon as drilling begins down into the sand. Two new locations have been made in the northwest part of section 327 and in section 32, 33 and 34. Several other locations are due to be made soon extending the field over a wide area in the new field.

Thus far contracts have been let for two new tests in the Margaret area, one on Guy Crews' place, another about 3 miles east of Crowell, one on John Matus' farm by the Humble Company, one on Mark Self's place by W. T. Willis of Wichita Falls, and it is expected that about three offsets on the Tarver well, to be drilled on the farms of J. G. Thompson, T. L. Ward and land belonging to the A. T. Johnson estate, will likely be started soon.

Preliminary work looking toward many other tests is under way and will likely be announced soon. The Tarver No. 1, located in Section 3 of the G. C. & S. F. Survey.

## Fellowship Banquet For Men at Baptist Church Tues. Night

Sixty men were present at a fellowship banquet for the men of the Baptist Church that was held in the basement of the church Tuesday night. The Baptist ladies served an excellent meal for the occasion.

The program was informal and short talks were made by Tom Bell, Fred Rennels, O. D. Beauchamp, R. D. Oswalt, Que Miller, Ernest King, J. M. Speck, E. F. Ellis, A. G. Bell, Andrews, E. V. Halbert and son, Grady, of Foard City.

Rev. Woodie W. Smith, pastor, made an efficient toastmaster for the occasion which was one of the most interesting that has been held in the history of the Crowell Baptist church. All of the men assured the pastor of their most hearty cooperation in their talks.

It was brought out at the banquet that there are over 136 men of the Baptist Church in Crowell and an effort is soon to be made to organize them into a large Bible class.

The banquet was an outstanding success in every way and it is planned to repeat the banquet idea more often in the future.

## BITTEN BY SNAKE

Jasper Tanner, employed by Oran Spear on highway work west of town, received a rattlesnake bite on his toe Tuesday.

A quick trip by Dr. Clark to the scene with rattlesnake serum probably prevented serious results. Tanner was able to return to camp Thursday afternoon.

## Mary Clayton Giddings Elected Rebekah Head

Miss Mary Clayton Giddings was elected noble grand of the Crowell Rebekah lodge in its regular meeting here Friday night. Miss Ruth Mack was elected vice-grand. The noble grand and vice-grand are elected every six months while the other officers are elected for a period of one year.

Miss Giddings succeeds Mrs. E. V. Halbert as noble grand and Miss Mack succeeds Miss Giddings as vice-grand. Other officers in the lodge are Mrs. Margaret Curtis, secretary; Mrs. Ruby Pearce, treasurer and Miss Mattie Page White, deputy for this county.

## Texas Press Ass'n. Held Golden Jubilee Meet at Wichita Falls

Mr. and Mrs. T. B. Klepper and son, Billy, and Mack Boswell returned from Wichita Falls Saturday afternoon after attending the convention of the Texas Press Association there Friday and Saturday.

The convention was the largest that has yet been held by the association and more than 450 members of the association from all parts of the state and their guests were present at the meeting which started Thursday.

Corpus Christi was chosen as the next meeting place. Harry Schwenker of Brady was elected president of the association to succeed Sam E. Miller of Mineral Wells. Ray H. Nichols of Vernon was elected vice-president and Sam P. Harben of Richardson was re-elected secretary for his twenty-second year.

## Dana Pierce Becomes Wife of L. Blaylock

Miss Dana Pierce became the wife of Lewis Blaylock in a wedding ceremony performed by Rev. Woodie W. Smith at the home of Mr. and Mrs. M. O'Connell at 8 o'clock Saturday morning. Only a few friends, Miss Kate White, Mr. and Mrs. M. O'Connell and Miss Elizabeth O'Connell, were present for the ceremony.

Mrs. Blaylock has resided in Crowell for nearly three years and has been employed by R. B. Edwards Company since coming here. She is the daughter of Mr. and Mrs. R. L. Pierce of Scranton, Arkansas.

Mr. Blaylock is a specialty man for the Armour Company and although he has never lived here, he is well known in Crowell. Mrs. Blaylock has made many friends since coming here and is very popular with the people of this section.

The newlyweds left immediately after the ceremony for San Angelo where they will probably make their home. They were accompanied by Sweetwater by Mr. and Mrs. Sam Rosenthal.

## B. W. Matthews Died At Denton June 10th

W. B. Matthews, 63 years of age, died Monday of last week at his home in Denton after a prolonged illness. Funeral services were held at the Schmitz Funeral Home, Tuesday following, conducted by Rev. W. L. Little, pastor of the First Methodist Church. The body was taken to the Rowlett cemetery in Collin County for burial.

Mr. Matthews lived here several years ago coming here from Plano. He and his family lived on the farm now owned by R. H. Cooper. He will be remembered by many Crowell people who will regret to learn of his death. He is survived by his widow and three children, Marshall Matthews and Mrs. Leon Clark of Dallas, a brother, R. C. Matthews of Denton, San Diego, Cal., and two sisters, Mrs. Olney Davis and Mrs. John Harrington of Plano.

## Medical Society Met In Crowell Wednesday

Dr. J. M. Hill and Dr. Hines Clark were hosts to doctors of the Hardeman, Cottle, Motley and Foard County Medical Society at its regular monthly meeting Wednesday.

Luncheon was served at the De Luxe Cafe and the business session was held in the office of Dr. Clark. The following were present: Doctors A. C. Trawick of Matador, Dr. Clarence Pace of Paducah, R. R. McDaniel and J. J. Hanna of Quannah, and Misses Higgins and Jamison of Matador.

## Ford Dealers Meet Attended by Over 85

Ford dealers and their entire staffs were present at a meeting in Crowell Friday night from Quannah, Chillicothe, Vernon, Matador, Paducah and Benjamin, with the Self Motor Company of this city as hosts.

The meeting opened at 8:30 p. m. in the Claude McLaughlin building with over 85 present. W. C. Proctor of Dallas, assistant manager of the southwestern branch of the Ford Motor Company, was the principal speaker and following his talk a motion picture with the subject of building a sales organization was shown on the company's own machines that were brought here.

R. B. Cunningham, superintendent of the Dallas branch, and Bruce Malcolm, traveling representative for this zone, were also on the program.

Bob Melzer, manager of the Universal Credit Company, a new company handling Ford paper under the Dallas branch, also gave a talk at the meeting.

The officials went from here to Lubbock where they conducted a similar sales meeting.

## Country Club Will Have Annual Basket Picnic On July 4th

A golf tournament, water carnival and basket picnic will be the program for the day at the Springlake Country Club on July 4th.

Following the plan similar to that inaugurated last year, the country club members and their families and guests will again have a basket picnic in the evening at 7 o'clock. Bert Self is in charge of the arrangements for this year and has a few committees working under him to take care of details in connection with the affair. Glenn Shults and T. B. Richmond, Jr., are on Mr. Self's committee.

Arthur McMillan and Grady Magee compose the golf committee and are working out a program for the golf tournament which is to begin at 1 p. m. It is probable that they will invite other neighboring towns to participate in it.

## Water Carnival

George Self has arranged for a water carnival which is to begin at 5 p. m. and this event promises to be one of the most interesting of the day. The first event is a 50 yard dash. The other events are a 25 yard dash on the back and another 25 yard dash on the back but using only the feet for propulsion; a candle race, in which each contestant will attempt to carry a lighted candle in his mouth for a distance of 25 yards; the longest dive with body submerged; children's 10 yard dash, for children under 10 years of age; 7 events in fancy diving; a relay race among teams captained by Ragsdale Lanier, Crews Cooper, Bryan O'Connell and Arthur Bell, and the final event, a free-for-all swim across the lake.

At seven o'clock the picnic will be spread for the lunch which will be the final event of the day.

## Roy Johnson Is I.O.O.F. Head for Next 6 Months

Officers elected at the meeting of the Odd Fellows last Thursday night were Roy Johnson, noble grand and Dick Cronose, vice grand. Mr. Johnson succeeds A. L. Davis who took office six months ago at the annual election of officers.

Other officers of the local lodge of Odd Fellows are Clyde Hollingsworth, secretary; H. E. Feresca, treasurer; and O. O. Hollingsworth, district deputy grand master, with supervision over the lodges in four counties.

## Construction On New Hotel is Progressing

Poland & Housouer, contractors for the new \$25,000.00 brick hotel that is to be built by W. W. Griffith, are progressing with construction work at a rapid rate. Work on tearing down the large frame structure has already been completed and the foundation for the new building is now being laid.

The Commercial Hotel is now occupying the Todd residence in the east part of town, just this side of the railroad crossing. Poland & Housouer will no doubt finish the new structure ahead of schedule if favorable weather for construction continues.

## Contract Let for Test Few Miles East of Here

W. O. Kimmell, independent oil operator of Wichita Falls, was given a contract Wednesday for drilling a 2000-foot cable test, at some point on the leases that have been blocked by a group of Foard County people on land three and four miles east of Crowell.

Local people involved in letting the contract are A. F. McMillan, J. W. Allison, J. W. Bell, Self Motor Company, Roy Todd, D. E. Todd, George Mapp, J. R. Ford, Dave Solis, R. W. Pauley, Mrs. Annie B. Johnson, Mrs. H. E. Hays, O. B. Davis, and Tom Vescott. Drilling on the test is to begin within 60 days after the titles to the leases have been approved.

Magnolia Petroleum Company owns a 125 acre lease on the southeast corner of the block and it is felt that they will help with the test. Mr. Kimmell, who was given the contract, has been the drilling contractor for the Halsell, Hughston and Haney tests in Foard County previous to this time.

## Smith Girls Entertain Rotarians Wednesday

Misses Evelyn and Merle Smith, talented daughters of Rev. and Mrs. Woodie W. Smith, entertained the Rotary Club at its regular luncheon Wednesday at the Todd residence which is being used by W. W. Griffith while his new hotel is being constructed.

The young sisters gave a duet and their remarkable voices were very pleasing. Evelyn followed with a reading and Merle completed the program of entertainment with a parody on the song "Yes Sir, That's My Baby."

Short talks were made by J. P. Peden of Abilene and Howard Renfro, member of the Kiwanis Club of Wichita Falls. President M. S. Henry read some correspondence and gave an account of a recent interesting experience that his brother had in California.

## Masons Elect Magee Worshipful Master

D. R. Magee was elected worshipful master by local Masons at their meeting last Monday. He succeeds John Rasor. Other officers elected at the meeting were L. A. Beverly, senior warden; Leslie Moore, junior warden; John Rasor, tiler; S. E. Scates, secretary; Alton Bell, treasurer; and J. W. Beverly, chaplain.

## MISS WINNIE SELF ILL

Miss Winnie Self had a major operation at the Crowell Hospital Tuesday night and has been very ill since. She was reported to be doing fairly well Thursday afternoon.

Mrs. Maxine Schumacher, special nurse of Quannah, is caring for Miss Self.

## WARNER GIVEN DECISION IN PATTON SUIT

### Court of Civil Appeals Rendered Decision at Amarillo Wednesday

Information was received at the county clerk's office Thursday from the court of civil appeals at Amarillo that the decision in the case of Geo. P. Warner et al vs. T. S. Patton et al, that the judgment of the trial court had been reversed and judgment rendered for the appellant, Warner.

The suit consisted of two suits originally filed in the district court of Foard County, the first having been brought by J. B. Easley as plaintiff against Geo. P. Warner, Clara N. Warner, James B. Watson, and the heirs of David Wallace, as defendants, and on the same day another suit was filed by T. S. Patton, et al, as plaintiffs, against the heirs and trustees of the David Wallace estate. The two suits were consolidated by agreement of the parties and tried together last September.

The plaintiff's original petition was filed in September 1927 and was tried here in district court in September 1928 and judgment was given to the plaintiffs. The Warners et al appealed the case from district court to the court of criminal appeals.

The two suits were for the title and possession of land and the oil and mining rights involved in the reservations contained in several deeds to Sections 21, 23, 27 and 35 in Block A, A. & N. Ry. Co. Survey.

The trial court rendered judgment for the plaintiffs for the oil and gas mining rights in the controversy. The controversy arose over the reservation of the mineral right and minerals as made in the habendum clause of the deeds. The plaintiffs contended that the terms "minerals" or "mineral rights" were only intended to reserve metallic ores and metals in ordinary methods of mining and that the words oil and gas as minerals were not generally understood in this section of Texas at the time the clause was inserted.

The court of civil appeals held that the reservations being considered in the case included oil and natural gas as a matter of law.

## Foard City 4-H Girls Winners in Contest

The bed-making team of Foard City, composed of Misses Katherine Weatherall and Victoria McDaniel, won a contest Wednesday morning that was held in the room of Miss Virginia Freeman, home demonstration agent, at the residence of Mrs. S. O. Woods.

Five girls 4-H clubs of the county took part in the bed-making contest to determine the team that would represent this county in the district contest to be held in Quannah Monday. The other clubs and their contestants were Thalia, Mildred Adkins and Ruth Banister; Ayersville, Jewel Broadus and Alta B. Tappin; West Rayland, Velma Ladd and Oneita Derrington; and Vivian, Martha Whatley and Alene Lowry.

Gamberville was the only club not represented in the contest due to the illness of Martha Morgan, who with Mildred Solis, represented their team.

Miss Ocie Freeman, sister of Miss Virginia Freeman, acted as judge for the contest. The contestants were given 15 minutes to properly prepare a bed.

Many other projects will be used by the teams from various counties in the contest to be held in Quannah Monday.

## D. E. Todd Brings In First Load of Wheat

The first load of Foard County's 1929 wheat crop was brought in to the Bell Mill & Elevator Company Thursday morning from the field of D. E. Todd on the J. W. Allison place, two miles east of here.

The wheat tested 50 pounds to the bushel and was considered extra good quality. According to the person bringing in the wheat, it was averaging around 15 bushels to the acre Thursday morning. There are about 130 acres in this wheat field. Wheat was selling for about 85c per bushel Thursday.

## Masons Elect Magee Worshipful Master

D. R. Magee was elected worshipful master by local Masons at their meeting last Monday. He succeeds John Rasor. Other officers elected at the meeting were L. A. Beverly, senior warden; Leslie Moore, junior warden; John Rasor, tiler; S. E. Scates, secretary; Alton Bell, treasurer; and J. W. Beverly, chaplain.

## MISS WINNIE SELF ILL

Miss Winnie Self had a major operation at the Crowell Hospital Tuesday night and has been very ill since. She was reported to be doing fairly well Thursday afternoon.

Mrs. Maxine Schumacher, special nurse of Quannah, is caring for Miss Self.

GAMBLEVILLE

(By Special Correspondent)

Mr. and Mrs. Edward Brock of Black spent Saturday night and Sunday with Mrs. Mollie Free and children.

James Meadors of Crowell is helping Vernon Pyle this week.

Mr. and Mrs. Gibson of Harrold, the former a brother of Mrs. C. W. Carroll, visited the latter and family Sunday.

Opal Carroll visited relatives in Abilene from Saturday till Monday.

Mr. and Mrs. Dave Shultz took dinner Sunday with Mr. and Mrs. Cato of Thalia.

Mrs. Claude Roberts of Vernon spent Wednesday night and Thursday with her sister, Mrs. Dave Shultz.

Mr. and Mrs. Meadors, Homer Zeibig and family of Crowell and Cleo Garrett of Harrold spent Sunday with Vernon Pyle and family.

Mr. and Mrs. Thomas Willis of Wichita Falls, took supper with his sister Saturday night and then returned to Wichita Falls. He has been a frequent visitor in this community the past two weeks in interest of leasing land.

Mrs. Bertha Shultz and children of Thalia spent Sunday with Mrs. R. C. Johnson and family.

Several from this community attended a Father's Day program at

the Thalia Baptist Church Sunday night.

Mr. and Mrs. Dave Shultz and Mrs. Claude Carroll were Vernon visitors Saturday afternoon, also H. L. Shultz and family.

Mr. and Mrs. Dolph Pauley have moved to this community to take care of the wheat on their place.

Grandma Fox has not been as well since Friday of last week. She has been in bed most of the time.

Mr. and Mrs. Clines and children

of north of Vernon and Mr. and Mrs. Clifford Clines were all day with Mr. and Mrs. H. L. Shultz Sunday.

W. B. Shultz, wife and two daughters, and little J. W. Powers and Carpenter of Vernon visited Mr. and Mrs. D. M. Shultz Tuesday afternoon and took supper with them.

Mrs. D. M. Shultz and Dave Shultz were Crowell visitors Friday afternoon.

WHAT'S DOING IN WEST TEXAS

West Texas Cham. of Com.

Building for the future... Some of the latest accom- plements of the group of young men who have formed a chamber of commerce is the securing of a new theatre and the construction of a \$225,000.00 school building with an auditorium seating capacity of 1,000.

Employer has employed Grady O. ... as secretary of their cham- ber of commerce. Agricultural de- velopment will be stressed in the first program. Street paving and adequate water and fire protec- tion are among the projects which will receive attention in the civic improvement work.

Wheat harvest is such ... 150 combines, costing a total of \$200,000 will be distributed for the 1929 harvest, according to deal- ers who have them for sale. Prob- ably more will be sold later, and with tractors will bring the total of harvesting equipment to well over the half million mark.

Construction at present is the ... of brick being constructed by ... Robinson which will be oc- cupied by the local DeSota automo- bile agency soon. A number of per- manently constructed residences are being built.

Spring's Read building is near ... completion. The building contains a store building spaces on the first floor, and a 25 room hotel on the second floor.

Meeting to be set as the ... for the fourth annual motoring conducted by the West Texas Chamber of Commerce so as to in- clude two district meetings of the local organizations. These are the Big Bend district meet to be held at Van Horn on July 13, and the Valley-Inter Mountain meet to be held at Roswell on July 16.

Legislation will entertain the Hill ... Heart of Texas, district of West Texas Chamber of Com- merce on June 17. The Legislature on duty in Austin will attend meeting, and a tour of the towns in the district will be made in a Tex- as Company bus.

Viewing the growth of ... points out that since all two new rural routes have been established, two new rural sub-stations established and receipts have in- creased from \$4,656 to \$10,514 or 125 per cent.

Strawberry growers are ... the height of their season now. The first day of the opening of the season Canning Plant 4,188 pounds of berries were bought from thirty different growers. More money is being brought for the berries than ever before, 85 cents being the pres- ent price.

Fruit growers report that ... less unforeseen damage is expec- ted, the fruit crop through the territory will be the best in years. Trees are now heavily loaded and give promise of a high quality of ap- ples, peaches, plums, cherries and many other kinds of fruit.

Planning for the biggest ... Old Settlers and Cowboy's bandup this year on July 4th ever held in the town. The celebration will be held two days, and a perma- nent rodeo and fair association will be organized at this time, and plans made to buy land upon which to erect permanent buildings.

Midland recently opened the tenth ... addition that has been added to the town since it became a thriving city two and one half years ago. The addition lies within 10 blocks of the business district.

TEXON TALES

Geel! We gotta Texon monoplane ... All our own. Mr. Levi Smith, president of our main and only oil company, has bought himself a big two-passenger monoplane which will be stationed here all the time with his son-in-law, Mr. Ransom, who is a World War veteran and ace of the service, as pilot. At first a four- engine plane was purchased and then it was traded for the six-passenger one. Now, we can hop in and fly away to Angelo, Crowell or any- where when we need shoe laces, face powder or anything and it won't take us a day either.

Lots of funny things happen in ... the Texon Cafe. One day a good looking guy had about finished his meal and was, in fact, down to ciga- rettes and coffee so the fair young waiter wanted to commence a con- versation and says, "It looks like you." "Well, yes," the guy says, "but it smells a right smart like coffee."

Another time another customer ... who was in the habit of eating cakes with honey for breakfast had gone and got himself married and had the new June bride over for breakfast but as they had a different hasher this time he never got honey with his cakes so he says, "Where is the honey?" Well the new hasher jib- bled right out loud and never said a word.

Why, she is away on a vaca- ... We gotta new soda skeet in the cafe's drug store. His name is ... First day he worked and he told him his name and he said, "That's the hardest name in the world." The other guy says I don't care, Mrs. ... name you got, I betch in my name's harder than any other name. Harder, John Harder. We was having a ball game until the Angelo and the ball was turned following the regular car.

the car in front lost time but the one following got ahead of time so our operator got a message: "The car ahead is behind while the car behind is ahead. A good way to make money fast is to glue it well to the library table. TEXON TATTLER.

Colored objects fade from twenty to seventy times as fast in direct sun- light as under electric light.

Corn in Peru grows at an altitude of almost 13,000 feet.

Worms Great Menace To Poultry Profits

College Station—"Worms are the greatest menace to poultry profits in Texas, and June is an important month for attacking these parasites," declares E. N. Holmgren, Poultry Specialist in the Extension Service. He calls attention to the general warfare on worms waged by Texas poultrymen cooperating with county and home demonstration agents, who report remarkable increases in pro- ductivity and profits following flock worming.

The injection of an iodine prepara- tion directly into the gizzard is gain- ing in popularity as a worm remedy. The worms are ejected immediately and no bad effects seem to follow. Typical of results is that of a Somer- vell county poultry demonstrator who figures he made 20 per cent on his investment by this method combined with the use of a raised wire mesh floor to keep the birds off of the infected floor.

Another standard remedy for round worms is the feeding of pul- verized tobacco dust in the mash for three weeks, omitting the tobacco for two weeks and then repeating the mixture for the same period. Two pounds of fresh tobacco of 1 1/2 per cent to 2 per cent nicotine content to 100 pounds of mash is recommended. For tape worms kamala tablets are suggested.

Of greatest importance in worm control, however, is sanitation. No remedy is good unless houses are cleaned; wet, sloppy places cleaned up; and clean green range provided.

USE THE IRON FIST

Many country people are viewing the reign of banditry in the cities with increasing uneasiness. Instead of diminishing the number of criminals seems to be increasing, there seems to be no end to them. Men, who through lack of employ- ment, enter a life of crime do not like to go back to work again. Stealing requires less exertion.

If the city authorities wake up and drive these hordes of bandits from their limits at least a portion of them will be migrating to the country in search of easy prey. Our own com- munity may not be exempt from their unwelcome visits.

An iron fist should be waiting for everyone who invades this territory. Unwelcome guests should not be permitted to grow grass under their feet in our midst. Keep them moving.

WEST RAYLAND

(By Special Correspondent)

Nomi Baker has been ill this week.

Mr. and Mrs. M. L. Cribbs spent Sunday with Cotton Cribbs and wife of Thalia.

Buck Clark and family spent Sun- day with Paul Shultz and wife of Vernon.

V. L. Courtney and family spent Sunday with Will Zachery and family of Vernon.

The Chevrolet Six offers all the Distinct Advantages of BODY by FISHER

Never in all the history of the automotive industry has a low- priced car provided coachwork of such outstanding style and quality as the new Chevrolet Six. The smart new bodies are built by Fisher, with all the mastery in design and craftsmanship for which the Fisher name is famous. Lines are long, low and graceful— seats are deeply cushioned and luxuriously upholstered—interior hardware is fashioned by Tern- stedt—and finishes are modishly smart and lustrous. In construction, too, the new Fisher bodies represent a marked advance. Built of selected hard- wood and steel—they provide a measure of strength, endurance, comfort and safety unapproached in any other low-priced automobile. Visit your Chevrolet dealer today. See and inspect this sensational new Chevrolet Six.

ter.

Crowell, Texas, June 14, 1919

FOARD COUNTY IS READY

(From The Wichita Daily Times)

Foard County may be on the verge  
of an oil boom. A flowing well has  
been brought in at a depth of 2,110  
feet, 11 miles northeast of Crowell.  
One producing well does not neces-  
sarily mean an oil boom, but that is  
the way all oil booms start.

Few West Texas counties are in  
better position to go through an oil  
boom, than is Foard. It is one of the  
best wheat counties in all West Tex-  
as. It is a good cotton county. It  
has been for several years develop-  
ing its dairying industry and putting  
its agriculture on a sound basis  
through diversification.

Oil booms have a way of disrupt-  
ing the agricultural scheme. Wichita  
county is only just now really recov-  
ering from its experiences of 1917  
and 1918. The same might be said  
of Eastland county and of Stephens.  
If Foard county experiences any  
widespread oil excitement, it can reap  
the benefits thereof in greater com-  
fort, knowing that it already has its  
farming community established on a  
sound basis and that it will not have  
to start over, and build over again,  
when the reaction comes.

Mr. and Mrs. John Qualls and Mrs.  
Fannie Smith of Marvin Mills, Texas,  
visited at the home of Mr. and Mrs.  
Geo. Allison here last week. Mr.  
Qualls is an uncle of Mr. Allison and  
Mrs. Smith is Mr. Allison's sister.  
Mr. and Mrs. Andy McClure and  
daughter of Childress were also  
guests in the Allison home last week.

To Remove Statue  
From Court House

At the last meeting of the com-  
missioner's court it was voted to im-  
prove the roof of the court house and  
to also remove the Statue of Justice  
that rests on top of the dome.

A contract for a metal roof for  
the building was let to O. O. Hollings-  
worth, local contractor, who will  
also remove the statue.

The Statue of Justice has held its  
prominent position on top of the  
dome since the court house was built  
in 1910. Though it is just a small  
part of the structure yet it has at-  
tracted much attention and has been  
almost sacred in the hearts of many  
Foard County residents.

Due to the decaying condition of  
the statue, however, leaks have been  
caused which have resulted in dam-  
age to the clock and thus the removal  
of the prominent statue is necessitat-  
ed. The light is to remain on the  
dome as it acts as a beacon light to  
be seen for many miles.

Work on the new improvements  
are to start just as soon as material  
arrives, according to Mr. Hollings-  
worth.

Education Is Made  
Possible by 1 Cow

Several Foard County boys that  
are the original members of the com-  
bined calf and bull circle organized  
here almost two years ago have the  
same opportunity to secure a college  
education from their stock as has  
just been done by a Decatur boy.

Since purchasing his cow, "You'll  
Do Mon's Mischief," back in 1923,  
Eugene Thomason has run his origi-  
nal investment of \$125 to about  
\$1,000.00 through the sale of the  
cow's progeny and milk. Through the  
receipts from her products and  
prizes won by her at fairs, he has  
been able to finish Decatur Baptist  
College and to enter Texas A. & M.  
College.

A number of Foard County boys  
are getting a good start in this direc-  
tion as nearly all of their heifers have

brought at least two calves and most  
of them are giving satisfactory pro-  
duction with continual increases re-  
ported.

Results! You Bet!

If you want quick results,  
just try a classified ad in the  
News. An ad in the classified  
column two weeks ago resulted  
in the immediate sale of a farm,  
others have resulted in the re-  
covery of lost dogs and articles,  
and any number of other pleas-  
ing results can be attributed to  
the classified column.

If you have anything for  
rent, for sale, for trade or if  
you want something, just try  
a CLASSIFIED AD, for they  
sure get the results.

Harvesting of Foard  
County Oats Started

A number of binders have been at  
work in several parts of the county  
this week cutting oats. With the  
recent hot weather all small grains  
have ripened rapidly and the cutting  
of wheat will soon be under way.  
Several good fields of oats are re-  
ported.

Reliable wheat farmers now pre-  
dict that Foard County will produce  
much more wheat this year than has  
generally been expected even though  
production was cut short by dry  
weather this spring.

NO DOUBLE-PARKING

Double parking in the City of  
Crowell is against the laws of the  
city, however, some people continue  
to double-park their cars on the main  
streets of the town in violation of  
this ordinance. The City officials  
have been very lenient with violators  
of this law, but it has become such  
a menace in blocking the traffic that  
double-parking will have to be stop-  
ped. Please keep this in mind and  
do not double-park your cars.

Also there are some people who  
do not observe the stop signs. This  
is not only a very dangerous prac-  
tice, but is in strict violation of a  
city ordinance and people who do  
not see fit to repeat this law will be  
prosecuted.

R. J. THOMAS,  
City Marshal.

OUR JUNE NIGHTS

June, the month of brides, is the  
one in which to look for the Big Dip-  
per high in the western sky, with  
the end of the handle nearly due  
north.

Whether the dipper has any signifi-  
cance, appearing as it does in June,  
the accepted time for romance and  
marriage, is not known, but it must  
be acknowledged that a dipper might  
be considered in the light of house-  
hold equipment.

However, the star gazers tell us  
that the dipper, as used in this con-  
nection, is not related in any sense  
with the well known kitchen imple-  
ment, but that it gets its name from  
the fact that it is shaped like a dip-  
per.

The central star in this constella-  
tion is Bootes, which is generally  
spoken of as The Herdsman and is  
also known as the Oxdriver, who is  
supposed to be driving the seven  
plough oxen, as the seven stars of the  
Big Dipper were also known, around  
the north pole of the heavens.

June nights are splendid nights  
for communing with the stars. The  
Big Dipper will form an interesting  
study for those interested in the  
starry heavens and like to gaze at  
them and let their imaginations roam  
at will in trying to fathom the in-  
triguing mysteries which they con-  
ceal.

OUR WIDE-OPEN SPACES

The call of the wild, or the wide  
open spaces of America will soon  
cause an estimate of eighteen million  
motorists to take to the road, many  
of them visiting national parks and  
seeking camping places in forest  
areas in other sections of the United  
States.

Popularity of motor camping has  
increased each year and every state  
is affected in more ways than one,  
by the summer tourist business which  
will soon prevail.

Despite fears of outdoor lovers  
that the day of the wide open spaces  
is past, America still has areas of  
virgin wilderness as large as Great  
Britain or Austria and Czecho-Slova-  
kia combined, according to statistics  
available.

Estimates of the forest service de-  
clare that the nation's wilderness  
areas measure 85,750 square miles.  
There are 74 primeval forest areas  
in all ranging from 300 to 10,850  
square miles in extent each. Most of  
them are located in the western  
states of California, Washington,  
Oregon, Montana and Wyoming, and  
are reached only by highways which  
beckon tourists and those seeking  
the great out-of-doors.

ROAD PAVING TO STAY

People a few years ago did not  
know much about cement, and the  
application of concrete in road  
building. About twenty years ago  
a cement street was very rare, and  
there were few people at that time  
who ever thought that the United  
States would ever be rich enough to  
spend millions of dollars for such  
roads as we now have in every state,  
and almost from coast to coast.

Back in 1916 the government con-  
ceived the idea of providing federal  
aid for highway building, provided  
that highways would be permanently  
paved with some selected type of pav-  
ing. The states for the government  
accepted the plan, and are now re-  
ceiving money from the government  
with which to aid in carrying out the  
road paving plans.

The increase in the use of automo-

GENERAL ELECTRIC Refrigerator  
"Makes it Safe to be Hungry"  
What value do you place on your family's health? Do you realize that food which is not protected by perfect refrigeration may be a positive menace? Call us up for some cold meats, cheese, pickles and other hot weather items.  
'M' System  
QUICK DELIVERY PHONE 148

biles has demanded better roads in every state. About twenty years ago people thought that nobody except the very rich could ever afford to buy automobiles. In 1905 there were 85,000 automobiles in the United States; in 1910 there were 4,000,000 and today the list is some place between twenty and twenty-five millions, with the number increasing each year.  
The road paving and construction of a permanent nature is here to stay. In fact, when one drives a machine today between two busy centers, it begins to appear as if wider roads are now soon to be a demand and necessity. What a contrast with road conditions of twenty years ago!

Formula Given to Stop Grasshopper Increase

Within the last week a very noticeable increase in the number of grasshoppers over the county has occurred and a little damage is being suffered from these pests with prospects of further damage if nothing is done to check them.

County Agent Fred Rennels has received a formula from A. & M. College that is effective in killing the pests and it is now being used by several Foard County farmers. The formula is as follows:

- 25 lbs. wheat bran.
- 1 lb. White Arsenic or Paris Green.
- 6 oranges or lemons.
- 2 quarts of syrup.
- 2 to 4 gallons of water.

The fruit should be ground up very fine and the water should be sufficient to thoroughly mix the formula. The preparation should then be spread over affected areas late in the evening or early in the morning.

STATE OF TEXAS

To the Sheriff or any Constable of Foard County, Greeting:  
You are hereby commanded to summon J. W. Collins, J. P. Collins, Lucile Golden, Olin Golden, husband of Lucile Golden; Minnie May Collins, Sally Ann Collins, Lena B. Collins, Isa Bob Collins, Cecil Collins, Mrs. Minnie Collins, a widow, and the husbands and wives of each of them if any there be, and the heirs and legal representatives of the above named defendants, by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County; if there be a newspaper published therein, but if not, then in any newspaper published in the 46th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 46th Judicial District; to be and appear before the Honorable District Court of Foard County, Texas, at the next regular term thereof, to be holden at the Court House in Crowell, Texas, on the first Monday in September, A. D. 1929, same being the 2nd day of September, A. D. 1929, then and there to answer the Plaintiff's Petition, filed in said Court on the 13th day of May, A. D. 1929, wherein the State of Texas is Plaintiff and W. R. Womack, J. W. Collins, J. P. Collins, Lucile Golden, Olin Golden, husband of Lucile Golden, Minnie May Collins, Sally Ann Collins, Lena B. Collins, Isa Bob Collins, Cecil Collins, Mrs. Minnie Collins, a widow, and the husbands and wives of each of them if any there be and the heirs and

legal representatives of them, are Defendants. File number of said suit being No. 1395.  
The nature of the Plaintiff's demand as set out in said petition being an action to recover of the defendants the sum of Seventy-nine and 43-100 Dollars as delinquent taxes due plaintiff for the years 1923, 1924, 1925, 1926, 1927, and 1928, including interest, penalties and costs, that have accrued thereon, said taxes, interest, penalties and cost being due upon the following described property, to-wit: All of Lots Nos. (13, 14, 15, 16, 17, 18, and 19) Thirteen, Fourteen, Fifteen, Sixteen, Seventeen, Eighteen and Nineteen, in Block No. (63) Sixty-three, in the original town of Crowell, Foard County, Texas.  
And the plaintiff further prays for the foreclosure of its lien upon said property, to satisfy said taxes, interest, penalties and costs, for order of sale, writ of possession, costs of suit, and for general a special relief, all of which will fully appear in plaintiff's original petition now in file in this office.  
Herein fail not, and have you to and there before said Court, on the first day of the next term thereof this Writ, with your return there showing how you have executed the same.  
Given under my hand and seal of said Court, at my office in Crowell, Texas, in the County of Foard, this 29th day of May, A. D. 1929. (Seal) IDA REAVIS, Clerk District Court, Foard Co., Tex.

LOCALS and Personals

Adorable wash dresses.—Self's. Ask about canning contest.—M. S. Henry & Co. All sizes fruit jars, lids and rings.—M. S. Henry & Co. Underwood and Remington ribbons at the News office. More's Water White Kerosene for your stove.—Beverly & More. Call 94. By all means see the Gibson refrigerator before you buy.—Womack Bros. "A Couple Hours of Foolishness"—Vivian School House, Friday night, June 28. 14 wall Gibson Refrigerators, \$19.50 to \$65.50. See them.—Womack Bros. Mr. and Mrs. G. L. Edgin of Tolar, Hood County, arrived Sunday for a visit at the home of Mr. Edgin's brother, J. R. Edgin, of this city. Rev. R. Y. Bradford, pastor of the First Baptist Church in Stinnett, Texas, came in Thursday for a few days visit with relatives at Margaret. Miss Emma Freeman returned Sunday with Miss Virginia Freeman, her sister, from Slidell, Texas for a visit here. F. R. Parker, representative of the National Security Life Insurance Company of Wichita Falls, was a visitor at the office of Leo Spencer Wednesday. Mrs. A. Bird and son, Roe, of Denton were in Crowell this week visiting with friends. They are visiting with their daughter and sister, Mrs. Ben Hogan, and family of Thawley. Mr. Bird has been teaching in Denton High School this year. He was an instructor in Crowell High School the year before. G. H. Howell of Wichita Falls has been here this week. Mr. Howell is interested in drilling an oil test in this county and has been working on the proposition of getting a block of land for this purpose. Mr. Howell is a former resident of Crowell and is well known to many residents here. He left here eleven years ago, going to Burkburnett. M. D. Brown and wife of Corpus Christi and George Brown and wife of McKinney came last Saturday and visited for a short time with their sister, Mrs. J. M. Alee, who accompanied them to Dalhart where a family reunion was held at the home of another sister, Mrs. R. A. Wells. They expected to return to Crowell last night or today. Mr. and Mrs. J. S. Woods, Miss Willie Mae Woods and Mr. and Mrs. L. M. Metier are here for a visit with Mrs. Arrie Bell and daughter, Mrs. Jim Moody, and family. The party motored from Pomona, Cal., to Texas coming by way of the Grand Canyon and Petrified Forests of Arizona. These people were among the pioneer residents of Foard County but have lived in California for many years. Mr. and Mrs. J. S. Woods, Miss Willie Mae Woods and Mr. and Mrs. L. M. Metier are here for a visit with Mrs. Arrie Bell and daughter, Mrs. Jim Moody, and family. Mr. and Mrs. T. R. Moreman of Waco visited their daughter, Mrs. Ann Shultz, here Sunday. They were also accompanied by Mr. and Mrs. C. B. Bell of Dallas. Mrs. Bell is sister of Mrs. Shultz. C. Huddleston of Hawley is here this week visiting in the home of Mr. and Mrs. J. C. Hysinger. Mr. Huddleston owns a farm in the east part of the county about three miles west of the new oil well. Miss Cressie Miller of Norman Okla., came in Sunday to spend the summer with Miss Nola Bradford of Dalhart. Miss Cressie was accompanied by her brother, W. E., who returned to Norman Monday. Mrs. C. B. Graham and daughter, Edith, have gone to Canyon to spend the summer where Miss Edith is a student in West Texas Teacher's College. Mr. Graham says he will probably spend a part of the summer there also. Mr. and Mrs. Z. W. Smith and children visited their son, Marshall, in Borger last week. Mr. and Mrs. Smith recently returned from a trip to East Texas where they spent two weeks visiting their parents and other relatives and friends. Charlie Drabek, son of Mr. and Mrs. Joe Drabek, returned to Crowell Sunday from Chicago. Charlie has been a student in St. Procopius College, near Chicago, for the past year. He was met at Vernon by Mr. and Mrs. Drabek on his return. Mr. and Mrs. C. R. Ferguson returned Tuesday afternoon from Houston where they spent six weeks visiting Mrs. Ferguson's sister, Mrs. W. Burns, and husband. Mr. Ferguson has been taking a rest and reports that his health is gradually improving. J. M. Jonas and grandson, Marshall, returned Monday from a trip to Mr. Jonas' old home, Grand Prairie, where he and his family lived 27 years ago. They also visited Mr. Jonas' daughter in Denton and a niece in Bowie that he had never seen before. Dr. and Mrs. Hines Clark and family had as their guests last Sunday Mrs. H. W. Norwood, Mr. and Mrs. Dee Norwood and baby, Mrs. Lee Probst, all of Vernon and Mrs. Bettie Thomson who is visiting in Vernon and Mrs. D. P. Beatty and daughter, Winnie Beth, of Wichita Falls. Mrs. Thomson, Mrs. Beatty and Winnie Beth remained until Sunday evening, the others returned to their homes Sunday evening.

Best styles wash dresses.—Self's. National Pressure cookers.—M. S. Henry & Co. Enjoy yourself at Vivian school house, Friday night, June 28. 1 Charley Hunt and Fred Gray of Sand Springs, Okla., were here Tuesday on business. Misses Monte Anderson and Audrey Williams of Goree are visiting Miss Carolyn Van Orman here this week. Mr. and Mrs. W. M. Meaders and two children of Clarendon are visiting relatives in the city and county. Mr. and Mrs. Sam Rosenthal left Saturday for a visit with Mr. Rosenthal's parents in El Paso. They plan to return July 1st. Mr. and Mrs. Irvy Ayers and children of Chillicothe are here this week visiting in the homes of Mr. and Mrs. W. D. Griffith and Mr. and Mrs. B. D. Oswald. Mrs. Ayers is a sister to Mrs. Griffith and Mr. Oswald. Windows full wash dresses.—Self's. Miss Alice Baker of Memphis is here this week visiting her cousin, Mrs. Esca Brown. Just received latest models Victrola and Brunswick portables, \$25.00 and \$35.00.—Womack Bros. Claude Brooks returned to Crowell Saturday from Marlin where he has been for the past three weeks. Mr. and Mrs. T. L. Hughston went to Plainview on Tuesday of this week and returned Wednesday evening. Free—2 waterless cookers, 2 rugs, given in canning contest. See our windows. Ask inside.—M. S. Henry & Co. Mrs. J. A. Johnson and Mr. and Mrs. Baxter Johnson and daughter, Frances Henry, are in Dallas this week. Mr. and Mrs. John O'Connell of Willow, Oklahoma, arrived in Crowell Sunday for a visit with Mr. O'Connell's brother, M. O'Connell of this city. More's Water White Kerosene cleaner burning, less soot.—Beverly & More. Call 94. It's as good as they say it is—Skidoo, the creamy cleanser.—Ferguson Bros. Mrs. W. H. Boyd of Hamlin is visiting in the home of Mr. and Mrs. Paul Shirley this week. Star Parasite Remover given chickens as directed will keep them free of lice, mites, fleas, and blue bugs, in better health and egg production or your money back.—Ferguson Bros. We give ice free 1 filling with every Gibson Refrigerator for cash.—Womack Bros. Mr. and Mrs. Clyde King of Anson visited Mr. King's parents, Mr. and Mrs. Tom King, here Sunday. Learn how to save time, fuel and money with a National pressure cooker. Ask for booklets.—M. S. Henry & Co. Nothing rests you these hot days like a good facial. Call Thelma Bell at Reeder Drug Co. for marceals, finger waves, permanents, facials and rain water shampoos.

**NOTICE BY PUBLICATION**

THE STATE OF TEXAS - COUNTY OF FOARD

THE STATE OF TEXAS  
To the Sheriff or any Constable of Foard County, Greeting:

You are hereby commanded to cause to be published in the Foard County News, a newspaper of general circulation published in said county, at least once a week for seven consecutive days before the return day hereof, the following notice:

**THE STATE OF TEXAS**

To all persons interested in the Estate of Ura Lee Hays, Blanche Lenore Hays, Welson Edgar Hays, Gerald Raymond Hays, Henry Glendon Hays, Marian Hays and Marilyn Hays, minors, Henrietta Hays, guardian of the estate of said minors has filed an application in writing, for authority to make Oil, Gas and Mineral Lease on the South 80 acres of the West 220 acres of the East 320 acres of the South 514 acres of the D. D. Palmer 1476 acre Survey, Abstract No. 754, and described by metes and bounds as follows:

Beginning at a point in the south line of said D. D. Palmer Survey 521 varas west from its south-east corner; thence north 417.3 varas to N. E. corner this tract; thence west 1082.2 varas to N. W. corner this tract; thence south 417.3 varas to S. W. corner this tract in south line of said D. D. Palmer Survey; thence east 1082.2 varas to the place of beginning; which said proceeding will be heard by said Court on the 29th day of June, A. D. 1929, at the Court House of said County, in Crowell, Texas, at which time all persons interested in said minors and their estate are required to appear and answer said proceeding, should they desire to do so.

Herein fail not, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon showing how you have executed the same.

Witness my hand and official seal, at Crowell, Texas, this 19th day of June, A. D. 1929.  
(Seal) IDA REAVIS, Clerk, County Court, Foard County, Texas  
By A. G. MAGEE, Deputy

**THE LAND OF PLENTY**

Is this a good country in which to live and prosper?

Millions of people in other countries think so, whether you do or not. They want to break through our immigration barriers and become citizens with us, and are making use of every known device to obtain that end.

American consuls abroad are literally deluged with requests for passports, with every conceivable pressure backing up those requests.

Fortunately, however, the number that can be admitted to our shores is limited by law, otherwise they would become a pest surpassing the seven year locusts.

Think a little before you thoughtlessly condemn a country that appeals so strongly to other people.

**Churches**

**Christian Science**

Sunday, 11 A. M. Subject for Sunday, June 23, "Is the Universe Including Man Evolved by Atomic Force?"

Sunday School at 9:30. Wednesday evening service at 8:00. The public is cordially invited.

**Baptist Church News**

Next Sunday was another good day with Crowell Baptists. Fine attendance at all services and deep interest was manifested. Our Sunday School is growing, our B. Y. P. U.'s are making progress and the W. M. S. is on the run.

Sunday School at 9:45 next Sunday, preaching at 11 a. m. and 8:15 p. m., B. Y. P. U. at 7:15 p. m. Morning subject will be "Limiting a Limitless God," and the evening subject will be "The Way of the Transgressor is Hard." Special music by choir, led by Mrs. Wright with Mrs. Rucker at the piano. If you like good singing, come to these services.

WOODIE W. SMITH.

**Methodist Church**

We are pleased to announce the following services at the Methodist Church Sunday.

Sunday School at 9:15 with special worship program and Bible study. Places, classes and teachers for all. Preaching services at 11 a. m. and 8:15 p. m. Junior church, a service for boys and girls from 7 to 14 years of age, in the basement of the church at 11 o'clock. This service is conducted by Mrs. McCarter.

Senior League at 7:30. Woman's Missionary Society meets Monday afternoon at 4 o'clock.

The public is invited to attend all our services.

W. R. McCARTER.

**At The Christian Church**

Rev. R. O. Brewer of Dexter, Missouri, will be with us next Sunday for his first service as our new pastor. He is coming on a month's trial. At the end of this month's trial if it is agreeable to us and to him a call will be given for a longer period of time. Let every member realize that it is his duty to help make Bro. Brewer's ministry with us a success. He cannot accomplish satisfactory results alone, nor with the half-hearted interest of the congregation. The Master's work is of such great moment that it takes the combined effort of every member to make it a success.

Our Sunday School attendance was the smallest last Sunday we have had in quite a long time. Let's not let the Summer Slump get us this early in the season. Let's get busy and have a large attendance for next Sunday.

Let us not forget to speak to that friend who should make the good confession or should place his membership with us.

C. V. ALLEN, Reporter.

**Methodist W. M. S.**

The Missionary Society met in regular business meeting on June 5rd at the church. Sister McCarter led the devotional and Mrs. A. Y. Beverly led in prayer, after which the different officers gave good reports for the preceding month. We feel that we are doing some things that are worth while.

The society met again on June 10, at the church for Bible study. Mrs. Self, the leader of the study class, asked for favorite verses from the Bible and for the meaning of them. The devotional was led by Mrs. J. W. Klepper and prayer offered by Sister McCarter. Mrs. Johnson gave an interesting outline of Titus and Mrs. Hinds gave one of Philemon. Both books were discussed and many interesting and helpful points were brought out.

The society studied the Book of Hebrews on June 17, at the church. Mrs. Crews led the devotional and offered prayer. Hebrews was widely discussed and much benefit was derived by all from the discussion. The meeting was closed by the repeating of the Lord's Prayer in unison.

The society will meet on June 24 with Mrs. A. Y. Beverly as leader and Mesdames Jack Brian, Georgia Pittillo and Thomas Hughston as hostesses.—Reporter.

**Christian Endeavor Program**

Leader—Martha Rettig.  
Peptogram—Jewel Mullins.  
Leader's Talk.  
Sentence Prayers.  
Scripture reading and comment—Leoma Knox.  
Talk, Importance of Self Control.—Edith Schooley.  
Library Browsing—Frances Patton.  
Talk, Self Control When at Work.—Ernest Spears.  
Quotable Poetry.—Emma King.  
Talk, Jesus as a Great Teacher of Self Control.—Blanche Schooley.

**Young People's Missionary Society**

The Young People's Missionary Society of the M. E. Church met in its regular Bible study meeting Monday afternoon at six o'clock. Four of Paul's letters, namely, First Timothy, Second Timothy, Titus and Philemon, were reviewed. Many new and interesting points were brought out by Mrs. Brian, our superintendent, and by members as well.

Next Monday we meet in a regular monthly social meeting with Miss Lottie Russell as hostess. All girls between the ages of fifteen and twenty-five are invited and urged to attend and to join our Young People's Society.—Reporter.

**Ordination at Margaret**

Last Sunday at 3 p. m., Bro. Foster Russell was ordained to the full work of the ministry. Woodie W. Smith preached the Ordination Sermon, and was also moderator of the Presbytery. Rev. Frank McNair conducted the Questioner, Rev. L. A. Foster delivered the charge to the church, Rev. W. A. Reed delivered the charge

to the preacher and Rev. A. Y. Bradford prayed the Ordination prayer. He was also secretary of the Presbytery. The service was witnessed by a full house and was very impressive. We predict a great future for Bro. Russell. Margaret Baptist Church has acted wisely in calling him as pastor.

**League Program**

The Epworth League cordially invites you to attend its services at the Methodist Church, Sunday night at 7:30 o'clock.

Subject—Learning Sincerity from Jesus.

Leader—Catherine Clark.  
Scripture—James 1:27, Luke 6:46-49.

Talk, The Necessity for Sincerity.—Louise McKown.

Talk, Sincerity in Our League.—Iva Pearl Saunders.

Discussion—Edward Huffman.  
League Benediction.

**FOARD CITY W. M. S.**

Program for Monday, June 24, 4 p. m.  
Subject—Broken Homes Rebuilt.  
Leader—Mrs. J. P. Lilly.  
Scripture—John 1:35-42; Luke 24:13-26.

Family Case Work—A method of Sharing Experiences.—Mrs. W. R. Ferguson.

Period of Emphasis on Giving of Material Aid.—Mrs. Jenkins.

Period of Emphasis on Personal Service.—Mrs. Canup.

How Can We Help.—Mrs. Hoard.  
What Can Such Service Mean to the Person Who Gives it.—Mrs. Lawrence Glover.

Closing Prayer.—Mrs. T. F. Welch.

Bagdad is the chief stop for airplanes flying from Egypt to India.

**VIVIAN 4-H CLUB**

The Vivian 4-H club girls met at the home of Misses Lillie Faye and Thelma Beatty, Thursday, June 13. A demonstration of hemstitching of towels and bed-making was given by Miss Virginia Freeman.

Eighteen members and four visitors were present, the visitors being Miss Oce Freeman of Siddell, Misses Bernice Walling and Mabel Lewis of Vernon, and Mrs. Lewis Whatley of this community.

The next meeting, June 27th, will be at the home of Miss Rosalie Fish.—Reporter.

**BLACK CLUB**

Mrs. Leonard Boren was hostess to the Black Home Demonstration club at her home on Wednesday, June 12, at 2 p. m.

The house was called to order by the president. Several songs were sung and "The Lord's Prayer" repeated. The business session was dressed fitting and becoming colors. New members were Mrs. Amelia Peacecheck and Misses Mildred and Valla Meredith.

Ice cream and cake were served to the members and several visitors.

The next meeting will be at the home of Mrs. J. E. Brock on July 1, with a demonstration on Vegetable Cookery.

Lampasas is planning a large July 4th program. The American Legion is preparing a rodeo for six or seven thousand people, special features of which will be a barbecue for all Legionaires and a drum and bugle corps contest with three handsome prizes. A prize of \$100.00 in gold is offered to the rider of one of the post's outlaw horses.

**World's Speed King Victim of Own Sport**

Ray Keech, who just recently captured the title of world's speed king in the Indianapolis race on Memorial Day, was killed instantly Saturday in the Flag Day races at Altoona, Pennsylvania, in a four cornered smash up. The other drivers received injuries.

Keech's death marred a spectacular race in which he led the field during three quarters of the 200 mile grind. His body was badly mangled and marked the third death on the Altoona track since it was opened in 1923.

Of 25,000 miles of possible waterways in the United States, more than 7,000 are really navigated.

The five cities having the highest suicide rate are all along the coast.

roomy shelves are at  
a convenient height

WHAT a relief it will be to have food shelves you can reach without stooping. It's little things like this that makes the Frigidaire so much more convenient.

...The Frigidaire is so quiet that you don't hear it start, stop or run. It requires no special attention... no special installation what-so-ever.

...The new "Cold Control" gives you control over the time required to freeze ice cubes and desserts. These and other features make the Frigidaire the CHOICE OF THE MAJORITIES.

...Come in and see the New Frigidaire... get the new low prices... and, allow us to tell you just how little it will cost to become the proud owner of a Frigidaire.

**Only the Frigidaire will give you these outstanding features:**

1. The Frigidaire "Cold Control"... which speeds the freezing of ice cubes.
2. Beautiful cabinets... with all mechanism completely concealed.
3. Food shelves... all at a convenient height.
4. Patented self-sealing ice trays.
5. Surplus power... which keeps foods safe... no matter how warm the weather.
6. Quiet operation... you don't hear it start, stop or run.

The new Frigidaire "Cold Control" speeds the freezing of ice and makes possible dozens of new desserts.

**Wichita Woman Has Suffered Several Years**

"Since Taking Orgatone I Feel Like a New Woman," Says Mrs. Clark

"I've looked for a long time for a medicine that would do for me what Orgatone did," said Mrs. Lizzie Clark, residing at 212 Scott, Wichita Falls, while talking with the Orgatone representative.

"For several years, I have been in a terrible condition, and I suffered from stomach and digestive troubles. I had a very severe, chronic case of stomach trouble. Every thing I ate soured on my stomach, which caused gas to form, and I wouldn't eat because it hurt me so. I lost strength and energy all the time and grew gradually worse. I was operated on several years ago, and had a severe pain in my back. I read so much about Orgatone and heard about it in the local papers, I decided to try it.

"I feel like a new woman now, and will be able to go back to work within a few days, if I continue taking Orgatone which I will. My stomach trouble doesn't bother me as it did, and I eat anything I want now. I was sort of skeptical about Orgatone, for I had taken so many different medicines and treatments, but it was a lucky day for me that I bought it. I am certainly pleased with the results I have derived. Before taking Orgatone I had just given up of ever doing any work, for I wasn't able but Orgatone has helped me so much I am going back to work within a few days, and yes, I am glad to recommend it, after what it has done for me."

Genuine Orgatone may be obtained in Crowell at the Reeder Drug Co. (Adv.)

**Proper Diet Will Cure Many Ailments**

College Station—Home demonstration agents may soon compete, if they will, with patent medicine concerns in citing testimonials of remarkable cures of physical ailments. The planting of gardens, increased use of vegetables and fruits, practice of the adequate diet and general health suggestions made in connection with health and diet demonstrations are swelling the chorus of farm women eager to tell of their ventures into more healthful living.

One home demonstration club member in East Texas reports curing herself of headaches by use of a balanced diet, cutting down on sweets, and drinking a proper amount of water daily. Another from the same section has cured herself of pellagra by changing her diet and has gained 20 pounds besides. She says: "My steam pressure canner did it. We now have vegetables every day of the year."

Eighty-five percent of the rubber imported into this country is used by the automobile industry.

**Broadway Stars To Be At State Fair**

Dallas, Texas, June 19.—"The Red Robe," Auditorium attraction at the 1929 State Fair of Texas, will bring the east now playing on Broadway to Texas, according to the contract recently signed between Shubert office in New York, and T. E. Jackson, president and Roy Rupard, secretary of the State Fair.

Walter Woolf, Majorie Peterson and George Dobbs, stars of "The Red Robe," were at the 1927 State Fair in "Countess Maritza." Woolf is the leading man in "The Red Robe" and Peterson and Dobbs have a number of specialty dances.

If P. T. Barnum was here now and saw the dress and make-up that some of the girls wear, he would change his mind and say there is one born every thirty seconds.

Land covered by grass loses very little soil when heavy rains come. Many people now are resting up for their summer vacation.

**VIVIAN CLUB**

The Vivian Club met June 13, at the home of Mrs. Tom Cooper with 20 members present. Mrs. Charley Mrs. Abston, Mrs. Beatty, Mrs. Rutledge, bringing the total membership to 30.

The purpose of the meeting was fitting house dresses. Visitors were Mrs. Abston, Mrs. Beatty, Mrs. Rutledge, Grandma Adams, and Miss Oce Freeman. Refreshments consisting of cake and punch were served.

The next meeting will be June 27, at the home of Mrs. L. P. Carroll and all of the women of the community are urged to attend.—Reporter.

Busts of great men were unveiled in the hall of fame this week. One doesn't begin to become great until after they are dead.

Corn loses half of its sugar if it lies about uneaten for twenty-four hours after the ears are pulled.

One way to bring about prison reform, is to send a better class of prisoners to jail.

The first cargo sent back to London from Virginia was cedar logs.

**Ice Cream and Ice Found in Fire Ruins**

Childress, Texas, June 19.—One would scarcely look for frozen dainties in the salvage of a home destroyed by fire, but a quantity of ice cream was found in the smoking ruins of the M. G. Brock home here.

While working with electric connections among the smouldering timbers of the home, employees of the West Texas Utilities Company opened a charred frigidaire and from its porcelain lined chambers found two trays filled with ice cream and ice cubes. Refreshments of ice cream and ice water were enjoyed by the searching parties.

If it encourages crime to print crime news, why doesn't it also encourage matrimony to print marriage notices?

**OF BURNED OUT BEARINGS YOUR MOTOR CAN ESCAPE IT**

If you've ever listened to the anvil chorus under the hood when a bearing burns out, you realize the damage that poor oil can do to a motor. Replaced bearings cost real money—a great deal more, in fact, than the cost of a year's supply of good oil.

Isn't that reason enough why you should always insist upon a brand of oil which has stood the test—a brand backed up by an organization which has spent years specializing in the lubrication needs of every type of motor?

Such are the brands offered you by the Continental Oil Company. You may be sure that an oil sponsored and sold by this organization is the right oil for your car.

You protect the bearings—and your pocketbook, too—when you ask for these brands at service stations and garages.

**CONTINENTAL OIL COMPANY**  
Producers, Refiners and Marketers of high-grade petroleum products in Arizona, Arkansas, Colorado, Idaho, Kansas, Missouri, Montana, Nebraska, New Mexico, Oklahoma, Oregon, South Dakota, Texas, Utah, Washington, Wyoming

Conoco Motor Oil insures protection. It seals compression—saves gasoline—fights friction. Stands up under most intense cylinder heat. In short, does a complete lubricating job in all kinds of weather. Ask for the grade made especially for your car.

Conoco Amalie is 100% Pennsylvania Oil—refined from premium crudes by a special process. Universally recommended by automotive engineers and lubrication experts. Through exhaustive laboratory and road tests it has demonstrated its ability to lubricate properly under the most trying conditions of motor operation.

(By Special Correspondent)

Mr. and Mrs. E. G. Boman and children of Wilbarger County spent week-end visiting relatives in our community.

Mr. and Mrs. W. W. Nichols entertained the young people with a party Saturday evening. All reported a nice time.

Mr. and Mrs. John Stubblefield of Chillicothe spent the week-end with Mr. Stubblefield's parents, Mr. and Mrs. W. D. Stubblefield.

Mr. and Mrs. Grover Cole of Crowell spent Sunday afternoon with Mrs. Cole's mother, Mrs. G. W. McKown.

Mr. and Mrs. Luther Hawk of Adrecah were week-end visitors in our community.

Miss Frances Allison of Crowell spent the week with her grandmother, Mrs. Joe Pechacek.

Miss Maurine Bostic entertained a number of her friends with a dinner Sunday.

Mr. and Mrs. A. B. Owens visited Margaret Saturday.

Mrs. Louie Henderson entertained a few of her friends with an ice cream supper Saturday evening.

Mr. and Mrs. Herman Gentry of near Crowell spent Sunday with Mr. Gentry's parents, Mr. and Mrs. S. W. Gentry.

Several of this community had the misfortune of having their crops destroyed by hail Tuesday afternoon.

The talk of the next great war is a favorite topic with many of those who were not in the last one.

The United States possesses more than half the available coal resources of the world.

Some men who live a dog's life, probably do not have any license to do so.

They are much alike. Men talk shop and women talk shopping.

### Investments Increase In Texas Life Ins. Co.

Dallas, June 20.—Investments of the Texas Life Insurance Companies for May showed a large increase over those of April according to reports just compiled. The total of the investments of these companies in May was \$91,457,500 as compared to \$85,000,000 for April.

Policy loans decreased from 46 per cent of the total in April to 30 per cent during May, indicating that the heavy drain on farmers for crop planting purposes has passed.

Real estate loans, although smaller in percentage during May, showed a healthy increase as to amount—taking up 33 per cent of the total.

Bonds and stock, in which there were no investments during April, occupied 37 per cent of the total in May. The real estate investments as to districts were divided as follows: North Texas 55 per cent, South Texas 10, West Texas 31 and East Texas 4.

Loans on business property continue to lead the list with loans on farm property coming second during May and loans on residence property

third.

The reports for May indicate a healthier demand for money in all fields open to the life insurance companies' investments.

### CLAYTONVILLE CLUB

The Claytonville Home Demonstration Club met last Wednesday with Mrs. G. C. Owens. Ten members, 4 visitors and a new member were present.

After the usual program special numbers prepared by Mrs. W. M. Cox were given consisting of a song by Miss Beulah Cambol; a reading, "Daughter," by Miss Mabel Dunn and a song by Miss Mamie Chatfield.

In the business session it was decided to have a benefit party at Mr. Godwin's, June 29, to raise money to send a delegate to the A. & M. Short Course. The next meeting will be held in Miss Freeman's office for the dress contest.—Reporter.

Of all the bees that live in the hive in summer, only the young queens survive through the winter.

A common seal swims at the rate of about ten miles an hour.

### SOCIETY

#### CROWELL VISITORS HONORED

Mrs. J. A. Johnson and Mrs. Esca Brown were joint hostesses at a "600" party last Thursday afternoon at the home of Mrs. Johnson, complimenting Mrs. L. R. Emerson of Waco, guest of Mrs. Mark Henry, and Miss Alice Baker who is visiting Mrs. Brown.

Attractive tally cards, so placed in the score pads as to form a bouquet of flowers, were found on each table. The guests were refreshed with delightful punch throughout the games and a most enjoyable time was had.

A bouquet of sweet peas was presented to Mrs. T. B. Klepper as high score favor. Beautiful hand-made handkerchiefs were presented the honor guests and Mrs. W. A. Parrish of Mission, Texas. At the conclusion of the games, a pleasing innovation was given in the form of a short program. Miss Baker, who is a talented reader, gave two readings in a charming manner. They were "Sixteen and Sixty," and "Try Smiling." Frances Henry Johnson sweetly sang "My Blue Heaven." Miss Baker then read "Mamie's Story of Little Red Riding Hood." She was in costume and gave a most clever interpretation of the story.

An attractive refreshment plate which held fruit, ice, angel food cake and mints in little pink rose-bud containers was served to the following: Mesdames L. R. Emerson, W. A. Parrish, S. S. Bell, A. Y. Beverly, T. N. Bell, G. D. Self, P. W. Shirley, W. C. McKown, Mark Henry, T. L. Hughton, Jack Brian, Hines Clark, John Williamson, J. H. Olds, R. R. Magee, A. F. McMillan, M. L. Hughton, T. P. Reeder, Oscar Boman, John Rator, T. B. Klepper, J. R. Beverly, Byron Reese, T. F. Hughton, S. T. Crews, Brown Franklin, S. O. Woods, Misses Alice Baker, Frankie Kirkpatrick, Elizabeth O'Connell, Emily Purcell, Beulah Patton and Vera Patton.

#### MRS. G. D. SELF ENTERTAINS

Mrs. L. R. Emerson of Waco, sister of Mrs. Mark Henry, was honor guest at a charming "600" party on June 11, given by Mrs. G. D. Self. The reception suite was decorated in pink flowers and tables also showed the color scheme to be pink and green.

A refreshing punch was served during the games. The refreshment trays were laid with Madeira luncheon sets and the center pieces were vases of pink gladioli. Molded roses, pink ice cream and angel food cake iced in green served with a green lime punch made an appetizing plate.

Table favors were bouquets of pink gladioli. The honor guest was also remembered with one. The guests included Mesdames L. R. Emerson, Mark Henry, H. Schindler, C. P. Sandifer, S. S. Bell, J. A. Johnson, W. B. Johnson, A. Y. Beverly, Russell Beverly, J. S. Williamson, Sam Crews, T. L. Hughton, John Ray, Stonewall Ferguson, W. R. Parrish of Mission, and Miss Emily Purcell.—Contributed.

#### HONORING MRS. PARRISH

A most delightful event of the social season was a three-course luncheon given by Mrs. J. R. Beverly and Mrs. H. Schindler at the home of the former on Wednesday at 1 p. m. as a compliment to Mrs. W. R. Parrish of Mission, Texas. The house was pretty with artistic bouquets of yard flowers. Tables were laid with Madeira luncheon sets, silver and crystal glasses and centered with pretty floral pieces. A rainbow color scheme was carried out, the soft pastel shades being in evidence throughout the entire party. The menu consisted of fruit cocktail, pressed chicken, flapper salad, potato flakes, hot buttered rolls, iced tea, fruit sherbert and cake in colors of orchid, yellow and pink and was served to the following ladies: Mesdames W. R. Parrish, J. S. Ray, A. Y. Beverly, L. A. Beverly, M. O'Connell, John O'Connell of Willow, Okla., M. L. Hughton, John Williamson, Mark Henry, N. J. Roberts, T. N. Bell, S. S. Bell, T. B. Klepper, Misses Elizabeth O'Connell and Elsie Schindler.

Piano numbers by Miss Elizabeth O'Connell and voice numbers by Miss Elsie Schindler were very much enjoyed. Miss Schindler was accompanied at the piano by Mrs. John Ray.

After the luncheon a number of pleasant games of "42" were indulged in and at the close of the games a beautiful china powder box was presented as guest favor to Mrs. Parrish, while Mrs. Williamson was the recipient of a pretty china jewelry box as high score favor.

### CELEBRATE FIFTIETH WEDDING ANNIVERSARY

Mr. and Mrs. Leo Spencer entertained in honor of the fiftieth wedding anniversary on Wednesday in honor of the fiftieth wedding anniversary of Mrs. Spencer's father and mother, Mr. and Mrs. J. B. Markham, of Stamford, who have been visiting Mrs. Spencer for some time.

Those present for the occasion were Mr. and Mrs. L. D. Teaff and four children of Lorraine, Texas, Mr. and Mrs. Earl Derryberry and children of Lorraine, Mr. and Mrs. O. L. Hinds of Dallas, Mrs. N. E. Woodruff of Stamford, Mr. and Mrs. Horace Haynie of Knox City, Charles and Clay Markham of Stamford, Mr. and Mrs. Hunter Lanier and children of this city and W. J. Teaff of O'Brien.

They numbered 38 in all, including the 8 children, grandchildren and several great grandchildren. Mrs. Hinds brought the huge wedding cake upon which were fifty candles and a bounteous dinner which consisted of everything in the culinary line was served at noon. A most happy time was enjoyed by all and a picture was taken of the group. The guests departed in the afternoon for their different homes.

### PICNIC SUPPER

Mr. and Mrs. John Ray entertained with a picnic supper at their home near Rayland Tuesday evening in honor of Mrs. W. B. Parrish who is visiting relatives and friends here. The bounteous supper was served on the spacious lawn of the Ray home and much merriment and enjoyment was had until a late hour by the following friends: Mr. and Mrs. J. R. Beverly, Mr. and Mrs. A. Y. Beverly and son, Joe Wallace, Mr. and Mrs. M. S. Henry, Dr. and Mrs. H. Schindler and daughter, Miss Elsie, Mr. and Mrs. S. S. Bell, Arthur Bell, the honor guest and host and hostess.

### NIGHT-OUT CLUB ENTERTAINED

The Night-Out Club met at the home of Billie Jean Ribble June 13 and surprised Mr. and Mrs. Wesley Lovelady with a visit and kitchen shower at their home on North Main Street. At a late hour refreshments were served and each member departed declaring to have had a most enjoyable evening.—Contributed.

### SUNDAY SCHOOL PICNIC

Misses Martha and Annie Rettig were hostesses to the members of their Sunday School class of the Presbyterian Church Monday night at the Rettig farm, about 12 miles southeast of here.

After a variety of games, lunch was served to members of the class and following guests: Misses Audrey Williams and Monte Anderson of Goree; Miss Martha Schlagal and Larry Sikes.

### BENEFIT PLAY

The Vivian Home Demonstration Club will give a benefit play, "A Couple of Hours of Foolishness," Friday night, June 25th, at the Vivian school house.

The play is being given for the purpose of raising funds to send a representative of the club to the Farmers Short Course at A. & M. College which is to begin on July 27 at College Station.

### EDUCATIONAL APPEALS

With our schools in vacation now for the summer period, the children no doubt express a delight for the recess from their studies, but probably down deep in their hearts they hold memories of the school term which has closed.

In the old days it was generally believed that children had to be forced to go to school. Probably it was true in many cases; schools were not always all they might have been, and there was generally a great deal that the average school teacher did not know about handling children.

Today, however, according to the federal bureau of education, all of this has been changed. The school is a magnet now, especially in the big cities. It has been made interesting; the child finds it is actually good fun to learn things.

This represents a great advance. For all our bragging about the old-fashioned "little red schoolhouse," a lot of people entered adult life woefully uneducated. When you can make study an interesting game, you can transmit a much better education.

### OUR JOY AND SORROW

On May 30th, millions of people bowed their heads in tribute to the heroes who have fallen in our American wars.

It is custom—the sorrowful gratitude of a nation.

On July 4th we will not sorrow. We will jubilate over the glorious acts of our forefathers, who made this country free.

That to, is custom—a custom born of an excess of joy.

And so it is through life.

No matter how poignant our grief may be today, there is always a measure of joy for the sorrow.

It is the destiny of life that joy must be accompanied by sorrow, and sorrow must give way to joy. Never are we permitted to know one to the exclusion of the other.

We are in this life but a while, each one as but a grain of sand on the glistening beach.

The flowing tides of life bring us into being—we tarry a little while—and the outward rush sweeps us into eternity.

The sands of life are as those of the beach—ever shifting. They come, they linger, and they go, but never is the movement limited to one direction.

There is joy over our advent day, and sorrow over our departure tomorrow.

Joy and sorrow, hand in hand. Life is nothing else.

### SERVICE IN BUSINESS

It has taken the world a long time to come to an understanding of the potency of service. Yet the Man of Nazareth indicated its real power when He said, "Whosoever would be first among you, shall be your servant."

It is more and more recognized that service is the foundation of outstanding commercial success and prosperity. "Sales and Service" go hand in hand in all the publicity of certain great industrial firms. Industry and commerce have caught the vision of the world's need of genuine service. No business organization of these days is too big to ignore the particular need of the individual customer.

Naturally, business men are conspicuous evangelists of this gospel of human service. Theirs is the problem of meeting human need in its multiplicity of material forms. Theirs is the opportunity, also, of providing the necessary contact between those on the one hand who have needs to be met, and those on the other hand who are prepared to meet them.

The United States has 78 percent of the world's automobiles.

### M. S. Henry's Brother Finds Living Corpse

Tully Henry, brother of M. S. Henry of this city and former resident of Quanah, was involved in one of the most interesting news items that has graced the front pages of the papers throughout the nation recently. Mr. Henry is now railway express agent at Culver City, California, and started the fireworks on the unusual story which may be briefly told as follows:

An ingenious fellow decided that all that would be necessary to get a job in the movies would be to find a way to get into the studio. As a result he had himself shipped via express from Chicago to the Pathe studios in Culver City. With a rough, wooden casket for a berth, Charles Loeb traveled four days and nights and at the end of his journey, landed in the Culver City jail.

Tully Henry was the first to discover him. The casket, labeled "Contents Statue," gave Henry the "scare of his life" when a husky voice from the "statue" began yelling, "Hey, you, out there!"

Henry called the police and the casket was taken to the Culver City police station where it was opened and a forlorn, nerve-racked little man was dragged from the box. He was neatly shaved as he had carried a safety razor, flashlight and other articles with him. Visions of fame and fortune occupied his mind for the four days he was imprisoned. Maintaining his appearance at his best occupied his hand during his stay in his cramped quarters.

Loeb was placed in jail due to violating some interstate commerce act.

### QUICK SERVICE

M. L. Glass of the Crowell School took a picture at 2 p. m. Wednesday of those present at the celebration of the 50th wedding anniversary of Mr. and Mrs. J. B. Markham at the Spencer home. The couple is the Spencer's parents.

Due to the fact that a number of visitors had to leave early and were unable to see the pictures, Mr. Glass returned back to the studio and in less than one hour's time, he had several excellent pictures completed and mounted.

More than 80,000 rabbits were leased last year in Pennsylvania to provide shooting for sportsmen.

Beef cattle have decreased in United States by 9,000,000 since 1921.

### QUICK SERVICE

A quilting of lee-grass is being used in walls and ceilings of buildings in rendering them sandproof.

A brick meter has been devised, which measures the three dimensions of a brick simply and rapidly.

### "THE HOME OF SPLINTERS"

R. J. ROBERTS, Local Manager

Dear Friends:

Planning a new home is lots of fun if you have access to plan books. Our assortment of plan books are complete, covering just any type of home desired—you are invited to visit our office and see the many new types of modern homes shown in these plan books. We can be of much assistance to you in planning your new home. We may be an addition or a remodel job you want—come in and see us, we can help you.

Little Boy: "Maw, kin I go out and play?"  
Mother: "What? With those holes in your pants?"  
Little Boy: "Naw, with the kids across the street."

Notice Poultry Raisers: If your poultry houses are infested with mites and blue-bugs you can not expect the profits from your flock that you are entitled to. C. C. Mite Killer is guaranteed to keep your poultry houses free from mites for one year.

"Are you the doctor," she asked the handsome young man at the soda fountain.  
"Not exactly," he replied. "Just a fizzician."

Screen time is here—keep the fly out of your home. He spreads disease. We have every thing you need to keep the home free from the fly. Screen doors, screen wire in widths from 20 inches to 48 inches, screen door hangers, hooks and eyes, coil springs, in fact anything needed.

Girls when they went out to swim  
Once dressed like Mother Hubbard;  
But now they have a bolder whim,  
They dress more like her cupboard.

Yours truly,  
SPLINTERS.
