The Man Who Knows

Whether the Remedy You are taking for Headaches, Neuralgia or Rheumatism Pains is SAFE is Your Doctor. Ask Him

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

BEFORE you take any preparation you don't know all about, for the relief of headaches; or the pains of rheumatism, neuritis or neuralgia, ask your doctor what he thinks about it—in comparison with Genuine Bayer Aspirin.

We say this because, before the discovery of Bayer Aspirin, most so-called "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice.

Countless thousands of people who have taken Bayer Aspirin year in and out without ill effect, have proved that the medical findings about its safety were correct.

Remember this: Genuine Bayer Aspirin is rated among the fastest methods yet discovered for the relief of headaches and all common pains—and safe for the average person to take regularly.

You can get real Bayer Aspirin at any drug store—simply by never asking for it by the name "aspirin" alone, but always saying BAYER ASPIRIN when you buy.

Bayer Aspirin

How Calotabs Help Nature To Throw Off a Bad Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fifth night if needed.

How do Calotabs help Nature throw off a cold? First, Calotabs are one of the most thorough and dependable of all intestinal eliminants, thus cleansing the intestinal tract of the germ-laden mucus and toxins.

Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds.

Calotabs are quite economical; only twenty-five cents for the family package, ten cents for the trial package. (Adv.)

Fewer Aches and Pains More Health and Pleasure

PAIN drags you down—physically, mentally, morally.

Why continue to endure it? Try Dr. Miles Anti-Pain Pills for Headache, Neuralgia, Muscular, Rheumatic, Sciatic, and Periodic Pains. They seldom fail.

Dr. Miles Anti-Pain Pills are pleasant to take and prompt to act. They do not upset the stomach, cause constipation or leave you with a dull, depressed feeling.

Ask your druggist or any of the hundreds of thousands enthusiastic users. Probably you too can find relief.

I think all Dr. Miles medicines are wonderful, but Anti-Pain Pills are my favorite.

Mrs. Doc Blankenship, Stamford, Texas

I have used your Anti-Pain Pills only a short time, but they have given me prompt relief. They did for me in a week more than any other medicine I had taken for a year. Phil Goller, Milwaukee, Wisconsin

I am never without Anti-Pain Pills. I think they are much better than anything else I have ever used. Sometimes when I am tired and nervous, and feel like I would go under, I take two Anti-Pain Pills and in a sort time I feel like a different person. Mrs. S. Tidabach, Stroudsburg, Pennsylvania

Your Anti-Pain Pills have been used in my home with wonderful results. I recommend them. Maggie Belle Dudley, Vanceboro, N. C.

Your Anti-Pain Pills helped me a great deal. I have used them for years. I carry them everywhere in my purse and always keep them in the house. They have saved me a great many sick headaches. Mrs. Jennie Neff, Coronado, Calif.

DR. MILES' ANTI-PAIN PILLS

several months. At this writing her condition is unchanged.

Mr. and Mrs. Chris Moody and son, Charlie Pete, spent Thursday with her parents, Mr. and Mrs. Charlie Hunter.

Mr. and Mrs. Fred Goodman and

CHEVROLET FOR 1936

Detroit, Nov. 1.—The Chevrolet Motor Company today announced that, effective with the introduction of its new passenger car models tomorrow, prices of three of its six Master de luxe models will be reduced below the levels of the 1935 prices, the other prices in this line remaining unchanged. Master de luxe models will be available with either conventional spring suspension or with knee action at slight additional cost.

Prices for the new line of Chevrolet Standard models, which introduce fine car completeness and luxury to the lowest-priced field, range from \$495 for the coupe to \$600 for the sport sedan. Chevrolet for the first time offers a sport sedan and a town sedan in the Standard line. Like the Master de luxe Chevrolets, the new Standards have perfected hydraulic brakes and solid steel turret top Fisher bodies. They are of long-wheelbase than the 1935 Standard series, and there is a full line

of models available. Prices of the two lines are as follows:

Master de luxe—Coach, \$580; sedan, \$640; town sedan, \$605; sport sedan, \$665; business coupe, \$560; sport coupe, \$590.

Standard—Coach, \$510; coupe, \$495; sedan, \$575; town sedan, \$535; sport sedan, \$600; sedan delivery, \$535.

First showing of the new models will be made with the opening of the automobile shows tomorrow, and in dealer salesrooms throughout the country. Officials of the company declared that more than 60,000 of the 1936 models were built and shipped up to the end of October, and that all the 10,000 Chevrolet dealers have received new cars for display and delivery. Production schedules for November and December have been set at the highest figures for any corresponding months in the history of Chevrolet.

Known in Egypt

The electric catfish was well known to the ancient Egyptians, who depicted it on their mural paintings.

Origination of Sweet Corn
Sweet corn is thought to have been cultivated in the United States in the first half of the 15th century. It is apparent that the sweet corn, which did not trouble to propagate, the white man noticed the difference and grew sweet corn for his own use, leaving the field corn for animals.

SORE GUMS NOW CURABLE

You won't be ashamed to again after you use LEPTOPYORRHEA REMEDY. This preparation is used and recommended by leading dentists and cannot be benefited you. Druggists receive money if it fails.—Reeder's Store.

8 1/2 chilly hours since he parked BUT NO CHANCE OF DAMAGE... HIS ENGINE stays oiled

Today you can use a winter oil which builds itself right into the "innards" of your engine. That is, a certain portion of Conoco Germ Processed Oil really forms a BOND with metals, and stays on continuous duty where all the worst friction used to come.

This uncanny action, created by the patented Conoco Germ Process, automatically wipes out the costliest winter wear . . .

"Dry," unlubricated, wracking starts? . . . Not with the oil that's Germ Processed to stay up on the job every minute, every hour, every day that you park—"whatever the weather" . . . Not when Germ Processed Oil has become a part of all metal surfaces . . . Not with the Hidden Quart, which has enabled many an engine to run with the crankcase absolutely empty—in verified show-down tests.

And this same patented Germ Process means extra protection not only for the conventional babbitt bearings, but for the newest bearings—whether copper-lead, high-lead or cadmium-alloy. Germ Processing also creates the high-durability oil film . . . hence a light, free-flowing winter oil that's tougher too, for the toughest going of all the year. You and your Conoco man can make this whole Winter "act gentle" to your motor, beginning today. Drive in.

AN ACT ACTS

State Farm Debt Committee Members Named by Governor

Governor Allred today announced the appointment of twelve members to the State Farm Debt Adjustment Committee whose duties will be of an advisory nature in connection with the Farm Debt Adjustment program of the national Resettlement Administration.

Those named to the state committees: J. E. Josey, Houston Post publisher; H. H. Williamson, director of the A. & M. College Extension Department; John E. Owens, banker, Dallas; Frank Holland, magazine publisher, Dallas; Herman Ochs, San Antonio; Geo. B. Lee, banker-farmer, Spur; Wack Brown, insurance, Waco; J. H. Youngblood, farmer, Waco; F. F. Elkin, rancher, Midland; John E. Hill, Amarillo, and N. H. Martin, Wichita Falls.

NEWS BARGAIN OFFER BRINGS GOOD RESULTS

A pleasing response is being made to the annual bargain offer of \$1.50 for a year's subscription to The Foard County News. In addition to saving 50 cents on this bargain offer, many subscribers are realizing additional savings by clubbing their subscriptions to daily papers with The News.

Besides the savings from the various bargain offers now offered, you can save, for example, an additional 75 cents simply by clubbing your Star-Telegram subscription with your subscription to The News. An additional saving of 50 cents will result by clubbing either Wichita Falls paper with The News. Substantial savings can also be made by clubbing your News subscription with the Vernon Daily Record and other publications.

COACHES
Archer City—Ed Powell and W. Beasley. Crowell—Grady Graves and Walker Todd.

2 tries. After losing 3, he gained 1 back. Saunders' pass was short of 2 men in the open. Another pass to F. Meason appeared good for a touchdown, but a Panther back arrived in the nick of time to prevent the ball from reaching its destination and the ball went over to Seymour on the 17. Stevens made 2. Hogue added 6. Gilbert's punt reached the Crowell 30, but the ball was called back and Seymour penalized 5, putting the ball on the 21 as the quarter ended. Crowell 6, Seymour 6.

Final Quarter
Gilbert got off a wonderful 50-yd. punt which went out on the Wildcat 28. McKown broke loose for 15 yards, but fumbled and Lewis recovered at that point. Saunders intercepted a pass and returned 32 yards to the Seymour 33. McKown made 6 and F. Meason 2. McKown picked up 5 more, but the ball was called back and Crowell penalized 5, putting the ball on the 30.

Winning Touchdown
On the next play Saunders shot a nice pass to F. Meason, who shook off a couple of Panthers and raced the remaining 12 yards for the touchdown that spelled victory for the Wildcats. With F. Meason holding the ball, McKown place-kicked the extra point in making the score 13 to 6.

Seymour Game—

(Continued from Page One)

returned 5 to the 33. F. Meason failed to gain. McKown cut loose through tackle for 15 yards. Seymour called time-out, but took too much time and received a 5-yd. penalty, putting the ball on the 13. McKown lost 3 yards. On the next play he circled left end for 16 yards and a touchdown. His line crash for extra point failed. Crowell 6, Seymour 6.

McKown's kick-off went to the 28 and W. Cure returned to the 45. Stevens gained 19 at left tackle. A 15-yard penalty against Crowell put the ball on the Wildcat 30. A. J. Henson fumbled and lost 4. Chilton made 4. A pass failed and the Panthers punted out on the 10. McKown failed to gain and punted out on his 49. Henson lost 2 in 2 tries. Crowell penalized 5. Gilbert's pass failed. F. Meason intercepted another pass and ran 17 yards to his 47 as the half ended. Crowell 6, Seymour 6.

SHOE REPAIRING
—while you wait. First-class workmanship and courteous treatment.
CROWELL SHOE SHOP
F. W. Mabe, Prop.

The exodus is on. Fake security dealers are on their way out of Texas and legitimate dealers who offer the public sound investments are able to do so without fear of suspicion.

The Texas Securities Act, which passed both houses of legislature without a dissenting vote, is responsible for this happy condition. However, the state is not completely rid of all fraudulent security dealers and the public is charged with the final responsibility. It is up to the persons who invest in stocks, bonds and oil, gas and mining leases to demand that the dealers they encounter be registered under the state securities law.

If a doubt as to the eligibility of any dealer exists in the mind of any citizen it is the duty of that citizen to inquire immediately. This information can be secured from the Secretary of State's office in Austin.

Many dealers in gas and oil leases contend that they are exempt. Such a contention is a misunderstanding of the law. In some cases, lease dealers are sincere in this belief and are laboring under a false impression. In many more cases the dealer does not want to know the law. He is aware that his past record as a swindler and a crook will not permit him to become a registered dealer in Texas. "A" of Section 2 of the Texas Security Act it is plainly stated that "any instrument representing any interest in

"I have the utmost confidence," the Governor said, "in the ability and broad experience of this committee to meet successfully the problems confronting the debt-ridden farmer and rancher who are faced with foreclosure. The importance of this work to the burdened farmer cannot be over-emphasized.

"I particularly want to ask the continued co-operation of the County Farm Debt Conciliation Committees who have so generously given of their time and effort in the aid of their fellow farmer. The splendid services rendered by these committees, each of which is composed of five public-spirited men who have agreed to serve without pay for one year, cannot be praised too highly. Many hundreds of letters from grateful farmers whose homes have been saved are eloquent testimonials as to the value of the farm debt work."

The governor revealed that during the period prior to August 1st, when the farm debt adjustment work was carried on by the county committees, more than 10,700 farms had been saved from foreclosure at a saving in reduced interest and principle of several million dollars to farmers and ranchmen.

Carnival Tonight at Crowell High

A carnival and one-act play will be held at Crowell High School tonight (Thursday). The event is sponsored by the P. T. A. and is for the benefit of the Junior class. "Our Aunt From California," a one-act play directed by Mrs. I. T. Graves, will begin at 7:30 o'clock in the auditorium. The admission will be 5 and 10 cents.

Following the play those in attendance will have opportunities to enjoy themselves in many ways. Features and those in charge of them follow: Bingo, Henry Black; Terrapin races, Walker Todd; Walker Todd; "Boogey" house, Miss Mildred Cogdell; fortune telling, Miss Lewis Slady; chuck-in at the negro, Grady Graves; cake walk, Miss Ruth Patterson; boxing, Pat McDaniel; canteen, Miss Vera Patton.

Rev. Brotherton Is Guest Speaker

Rev. Marvin Brotherton of Margaret was the guest speaker at a meeting of the Brotherhood of the Methodist Church on Monday night.

A covered dish supper was served by the singing of the Col-Laborers' Sunday School Class composed of Mrs. A. Y. Beverly, Mrs. Jeff Bruce and Mrs. H. C. Lanford.

The program was in charge of Claude Callaway and was opened by the singing of several songs. Joe Wallace Beverly gave a reading and a Bible contest. "Jumbled Bible Names" was entered into.

Rev. Brotherton gave an inspiring talk on "Right Living." About 25 men were present.

ROTARY LUNCHEON

An entertaining program was provided at the luncheon of the Rotary Club Wednesday with John R. Logan in charge. Numbers included two songs by H. E. Ferguson, with Mrs. Arnold Rucker as accompanist, and a reading by John Lee Orr.

A. T. Chaney, Carl Vestal and Deb Hickey, Quana Rotarians, were visitors at the luncheon. A committee composed of George Self, Hubert Brown, Eli Smith and M. S. Henry was named to cooperate with Quana in plans for celebrating the opening of the new Pease River bridge within the next few weeks.

Logan Funeral at Fort Worth Nov. 1

Funeral services were held in Fort Worth last Friday afternoon for John R. Logan, 53, vice president of the Cicero Smith Lumber Company, who was found shot to death in the bathroom of his home in that city Thursday afternoon. A verdict of suicide was rendered.

R. J. Roberts, local Cicero Smith manager, served as an honorary pall bearer at the funeral, which was held in the First Presbyterian Church of Fort Worth. All Cicero Smith lumber yards were closed last Friday. M. Duvall, bookkeeper for the local yard, and family attended the funeral.

I FEEL FINE

Mothers read this:

A CONSTIPATED child is so easily straightened out, it's a pity more mothers don't know the remedy. A liquid laxative is the answer, mothers. The answer to all your worries over constipation. A liquid laxative can be measured. The dose can be exactly suited to any age or need. Just reduce the dose each time, until the bowels are moving in their own accord and need no help.

This treatment will succeed with any child and with any adult. Doctors use liquid laxatives. Hospitals use the liquid form. If it is best for their use, it is best for home use. And today, there are fully a million families that will have no other kind in the house.

The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It is a doctor's prescription, now so widely known that you can get it all ready for use at any drugstore.

WET WASH 2 1/2 Cents Per Pound

All returned to Hobbs Monday with the exception of Gaylon Gover, who remained in the home of his grandparents, Mr. and Mrs. McDaniel, of the Foard City community.

CROWELL VICTORY ELIMINATES SEYMOUR FROM "BIG 3"; OLNEY BARELY DEFEATS CHILLICOTHE

The most closely fought games in the history of District 9-B for a single week were played last Friday and when the smoke had cleared from four battlefields only two teams—the Crowell Wildcats and the Olney Cubs—remained undefeated in conference play. Crowell's 13-6 victory over Seymour in the feature battle of the week broke up the "Big Three," as the Panthers were undefeated before clashing with the Wildcats on the Seymour field.

Chillicothe's Eagles furnished further evidence that they are to be definitely ranked as one of the district's strongest elevens. After losing 6-0 to Crowell, the Eagles journeyed to Olney last Friday night and again were beaten by a single touchdown, the score being 7-0. Olney scored early in the first quarter and thereafter had a tough time of holding their own with the visitors.

Archer City's Wildcats, the team that plays Crowell tomorrow night, is the only 9-B team that has beaten Chillicothe this year besides Crowell and Olney. In their opening game of the season, Archer City upset the Eagles 14-7.

Last week Archer City beat Iowa Park 13-7. Iowa Park scored its first touchdown of the season in this game when a Hawk back intercepted a Wildcat pass and ran 95 yards to a touchdown.

The tightest game of the week was Burk Burnett's 19-18 victory at Throckmorton. This game also gave the Bulldogs their first conference win of the season.

Other Games

Vernon's 13-0 victory over Childress provided the only 5-A conference game of the week. In other tilts the greatly improved Election Tigers downed Matador 32-0; Wichita Falls beat powerful Breckenridge 13-12 in a thriller at Wichita, and Quanah came through with a 26-18 win over Borger at the Indian stadium.

Nocona and Weatherford continued to reveal strength in 10-B, the district that will compete with 9-B for bi-district honors. Nocona won 44-0 over Decatur in a conference clash and Weatherford tied Fort Worth, Polytechnic, a Class A team, 7-7. Nocona and Weatherford are the only undefeated teams in their respective halves of the district.

Games This Week

All 9-B teams will engage in

Zenith radio sets, electric and battery.—Womack Bros.

Mr. and Mrs. D. E. Wade of Edgewood are here for a visit of several weeks with their daughter, Mrs. Gus Hooks, and husband.

Miss Myrna Holman, Home Demonstration Agent

Set Schedule for Achievement Days

Farm Food Supply Achievement days scheduled for next week are: Mrs. R. G. Whitten, West Rayland, Tuesday, Nov. 12; Mrs. C. H. Groumer, Good Creek, Wednesday, Nov. 13; Mrs. Lee Morgan, Vivian, Thursday, Nov. 14; and Mrs. F. A. Davis, West Side, Friday, Nov. 15. Everyone is invited to attend.

THALIA 4-H CLUB

The Thalia 4-H Club met Nov. 1. Betty Ruth Miller, president, resigned and Alma Lee Townley was elected to succeed her. Anna Lucy Bray was also elected secretary.

Miss Holman gave a demonstration on serving and Gene Long was elected clothing demonstrator and Geneva Wood song leader. Several games were played. The next meeting is on Nov. 16.

PLENTY OF ONIONS

Sufficient onions for use fresh and to make all the mustard pickles and other relishes desired were harvested at the home of Mrs. John Wesley, farm Food supply demonstrator for the Margaret Home Demonstration Club. She reports that they gathered one and one-half bushels of white Bermuda onions from five short rows, about 150 feet in all. She estimates that she got a very good yield since it

CHURCHES

Christian Science Church
Service Sunday at 11 a. m.
Wednesday evening service at 8 o'clock.
The public is cordially invited.
Sunday, Nov. 10, 1935. Subject: "Adam and Fallen Man."

Methodist Church
The last service of this conference year will be held Sunday. The pastor will go to Plainview Wednesday. Tuesday will be the final stewards' meeting. The stewards are leaving no stone unturned to bring up a report 100 per cent, and there is a spirit of optimism prevalent. In many respects this has been the best year of the three under the present pastorate. Sunday will also be dollar day, where in each person is asked to bring a dollar above what they were asked to donate for the year. Will you be one of 200 present Sunday?
GEO. E. TURRENTINE.

Senior B. T. S. Program
Financing a New Testament Church.
Introduction—Herbert King.
Discussion No. I—Vera Dawson.
Discussion No. II—Miss McCollough.
Discussion No. III—Roy Ownsbey.
Discussion No. IV—Goldie Briscoe.
Discussion No. V—Conclusion—Mrs. Arthur Bell.

Christian Science Services
"Adam and Fallen Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 10.
The Golden Text is: "Lord, who shall abide in thy tabernacle? who shall dwell in thy holy hill? He that walketh uprightly, and worketh righteousness, and speaketh the truth in his heart" (Psalms 15:1-2).
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand" (Ephesians 6:13).
The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "It is true that a knowledge of evil would make man mortal. . . . Has evil the reality of good? Evil is unreal because it is a lie—false in every statement" (page 527).

Where Does the Experiment Station Touch you?

By A. D. Jackson, College Station
I saw a beautiful field of oats. Every head seemed to be as good as the best. One did not have to know much about oats to be able to say that it was a good yield. It was a field of Nortex oats, a red rust proof type of winter oat developed from local seed supplies on the Denton Experiment Station. The first steps toward purifying this oat resulted, I am told, in finding the mixture comprised dozens of distinct types. The type found best was named "Nortex," and increased until a large part of the winter and spring oat crop of Texas is planted to Nortex.

I saw alongside a fine field of selected wheat, a small plot that had been planted with millrun wheat and it was puny in comparison with the selected wheats. The farmer may not know how improvement in grain crops is brought about; how it is that his wheat, oats, and barley and rice are like wheat better adapted than they formerly were, but he likes it.

When the Experiment Station found how to select the best types of grain sorghums and pureline them to a point where almost every head is as good as the best one, a supply of seed became available that any farmer could get, and soon the fields were beautiful and uniform. With dwarf types, the proportion of roughage was reduced and the grain easier to harvest. The farmer is pleased to be able to get grain sorghums that are uniform and produce high yields of good type heads all the same height from the ground and all maturing at the same time so that heading by machinery is practicable. It is almost a dim memory when a feterita field was ragged with plants of varying heights and such varying maturity that many heads would be overripe and shatter when cut while many others would be immature. In fact, all of the grain sorghums had such objections and the earlier maturing of a few heads and the progressive ripening of the crop over a prolonged period not only made harvesting difficult and yields low, but encouraged the development of insect injury as several successive broods of insects could find food in these fields of mixed crops.

Everybody knows that good seed corn is available and makes far better corn than poor seed of ill-adapted varieties, but it should also be known that it was the Experiment Station that identified the better sorts and pointed to the tremendous increases in yield that follow the planting of the better seed. In the same way, better cotton and better seed of every important crop are available, and not only better seed, but better tillage methods and better knowledge of when to plant as well as when and how to fertilize are common property, to say nothing of the vast body of technical knowledge necessary to successful fruit and truck growing.

When you take your milk to your creamery, a sample is taken, the butterfat estimated most accurately, and you are paid according to the quality of your milk, and you well know that your milk is bringing you more than milk of poorer quality. That is because S. M. Babcock, a Wisconsin Experiment Station worker, found the means of measuring the butterfat in milk which has caused a system of selection that has resulted in doing away with many of the cows that give poor milk. When you buy a fine bull or a fine heifer, you have all the markets of the world to select from, because the fever tick has been practically eradicated and in sections where it has not been eradicated, you can still safely bring your fine animals into the tick territory by inoculating them against tick fever. The Texas Experiment Station in developing this process, speeded up by many years the general improvement of the beef cattle and dairy cattle of the state.

When you buy an expensive ram, the Experiment Station has found a means by which you can know that his get will be as superior as the ram himself if your ewes are the right type, and when the lambs get sore mouth, they can be inoculated for almost nothing and losses that were exasperating are avoided.

The next club meeting will be at the Vivian school house on Thursday, Nov. 14. At this time the girls will elect a reporter, song leader, sponsor, and demonstrators for 1936.

ing are now very low. The same thing is true of the angora goats. In fact, all the farm animals can be kept at high production through the knowledge developed by the Experiment Station. Through patient experimentation means have been developed for measuring the excellency of the breeding material, and for predicting successfully what the product will be. Stockmen and poultrymen could by no means carry on their business successfully without this valuable knowledge.

Not only are farmers aided by the latest and best information on breeding, but they are aided by exact and ever improving information on the best feeds and methods of feeding. It is not necessary for the stockman to experiment as to whether a certain ration is a good one for he can find that the State Experiment Station has probably already conducted one or many experiments that have yielded the desired information. It was Experiment Station work that made ton litters of pigs plentiful. The experimenters showed how to select sows that would have plenty of pigs in the first place, and how to feed those pigs so that the litters would weigh a ton or more at six months of age, and Extension workers were prompt to take such experimental knowledge and cause many farmers to profit by it. Experimental workers found how to produce hens that would lay 300 eggs or more in a year, and they found how to make baby beebes big enough to be highly profitable, and records for heavy butterfat and milk production are constantly climbing; but more important than a few outstanding producers is the high general level of production due to intelligent selection of all the herd or flock that makes the dairy barn a more certain source of profit, and the poultry yards and feed lots yield better incomes.

New Regulations Announced for Needy Students

Austin, Texas, Nov. 5.—Modification of federal regulations, to permit needy students, as well as those on the rolls of the Texas Relief Commission, to participate in the high school aid program, was announced today by Lyndon B. Johnson, state director of the National Youth Administration.

Heretofore only students whose families were on relief in May, 1935, were eligible for certification for the \$6 a month job appointments. The \$6 for which the students perform various duties assigned them by school officials is to provide carfare, lunch money, funds for supplies and incidental expenses.

The order in which students now may be selected for high school aid is as follows:

First, students whose families were on relief in May, 1935.

Second, students whose families are now on relief or families whose heads are employed by the Works Progress Administration.

Third, students members of rural rehabilitation families.

Fourth, students who are needy. They need not be certified for relief, but must be unable to attend high school if they do not receive one of the jobs provided under the high school program.

All students, no matter under which classification they fall, Johnson said, must be capable of doing high-grade academic work, and adjudged worthy of receiving assistance by the county placement committee.

Procedure in the selection of students was outlined by Johnson as follows: In each county there is a placement committee, composed of the county school superintendent, the case worker-in-charge and the superintendent of any school district with a scholastic population of 500 or over. This committee allocates the county's quota to the various participating schools.

Presbyterian Church
The regular services of this church promise to be of unusual interest Sunday.
Sunday School—10 a. m.
Preaching at 11 a. m. and 7 p. m.
Women's Society at 3:30 p. m. Wednesday.
The subject of the 11 a. m. disc-

course is: "What Religion Does for a Man." The pastor will deliver an Armistice address at 7 p. m. Everybody invited.
J. A. PHIPPS, Pastor.
An English-built floating crane can pick up loads weighing 150 tons.

FACTS

ABOUT CONDITION OF YOUR SCHOOL

HOW can the Crowell schools continue to operate with DELINQUENT taxes amounting to—
\$35,000

Only through sacrifice of the teachers and members of the local school staff have our schools been able to function in the past several years.
No additional indebtedness has been created by your school district, although two SELF-LIQUIDATING projects, the gymnasium and stadium, have been added to the system without involving any additional cost to the taxpayers.

IT'S UP TO YOU

It is impossible for your school board to keep YOUR schools in operation without your co-operation and ACTION on your part is imperative at this time.

If you can't pay all of your current and delinquent taxes, then pay a part of the amount.

In making this appeal, we sincerely thank those who have made efforts and sacrifices in keeping paid up. Such co-operation has kept the schools going and sacrifices from OTHERS is absolutely NECESSARY if our schools are to continue in operation.

NO PENALTY—NO INTEREST—NO COSTS

For a limited time, payment of delinquent taxes will be accepted without interest, penalty or costs.

SAVE by paying your school taxes NOW!

Crowell Ind. School District

1936 Master De Luxe and Standard Chevrolets are Replete with New Features

New Master De Luxe and Standard Chevrolets for 1936 show marked differences in appearance and in engineering. Perfected hydraulic brakes, high-pressure engines with full-length water jackets, and balanced carburetion among the mechanical improvements. The solid steel Turret Top Fisher is now used on the Standard as well as the Master De Luxe models.

Schindler Home Is Scene of Columbian Husband's Evening

The Thanksgiving motif was emphasized in all appointments of a delightful dinner party, Tuesday evening at the home of Dr. and Mrs. H. Schindler, entertaining Columbian Club members and their husbands. "Husbands' Evening" is an annual affair and this one proved no exception to the fact that it is an outstanding social feature of the club year.

Mesdames Schindler, J. R. Self, S. J. Ferguson, M. N. Kenner and Hines Clark were joint hostesses. The rooms were attractive with cut flowers of the autumn season. Places were marked for forty guests at quartet tables, with Thanksgiving crepe paper covers and napkins. A delicious turkey dinner was served.

Following the dinner, Mrs. A. F. Wright, entertainment chairman, instituted the diversion of the evening, with tally cards for games of 42. These, and score pads,

accentuated the Thanksgiving scheme.

Those present were: Messrs. and Mesdames S. T. Crews, F. A. Davis, C. G. Graves, I. T. Graves, M. L. Hughston, R. L. Kincaid, T. B. Klepper, M. O'Connell, N. J. Roberts, A. L. Rucker, B. W. Self, L. S. Spencer, A. F. Wright, J. R. Beverly, C. C. McLaughlin, W. R. Womack, Mrs. T. L. Hughston, Mrs. T. M. Beverly, Messrs. T. N. Bell, S. J. Ferguson, M. N. Kenner, J. S. Ray, J. R. Self and H. Schindler.

Local Garden Club Held An Interesting Program Saturday

The Crowell Garden Club met on Saturday morning, Nov. 2, at 11:30, at the American Legion hall.

A short business session in the morning transacted the following business:

Mrs. Alton Andrews, chairman of Constitution and By-Laws, read the report of the committee, and same was adopted. Miss May Andrews resigned as secretary and Mrs. Mike Brown was elected in her place. Mrs. Clarence Self was elected pianist.

The motto: "Plan for beauty; Plan for Centennial," was suggested and adopted. The Centennial rose was chosen for the club flower. Red and green were the chosen colors, and "The Crowell Garden Club" was the name decided upon.

Mrs. Alton Andrews was appointed chairman of the telephone committee. Mrs. A. Y. Beverly, chairman of plant exchange, asked that all seeds, shrubs and plants for exchange be reported to her.

At the noon hour a delicious covered dish lunch was served.

At 1 p. m. the afternoon program was led by Mrs. Jack Roberts.

Two delightful readings by June Billington: "The Eyes of Texas" and "Beautiful Texas," sung by the club, were opening features.

Mrs. Ben G. Oneal of Wichita Falls, President of Texas State Garden Clubs, was the main speaker for the day. Her subject was "Garden Club Objectives." The outstanding objectives stressed were: Civic beautification; home and grounds beautification; rural home improvements, and highway beautification.

Mrs. Brite of Vernon spoke briefly. Curtis Ribble, highway maintenance man, and Miss Holman, home demonstration agent, also gave some plans outlined in their departments.

Miss Frankie Kirkpatrick gave a timely discussion of bulbs and the time of planting, and Mrs. Bert Self gave instructive comments on bouquets of flowers on display.

The following objectives were outlined for the year's work of the local Garden Club: Yard beautification; city park project; and school beautification project.

late were served to Misses Jim Lois Gafford, Elouise Saunders, Billye Draper and Messrs. Charlie Ashford, Crockett Fox, Wilburn Johnson, Loraine Carter and the hostess.

Longview Visitor Honored at Party

Mrs. M. S. Henry entertained with three tables of bridge at her home Monday afternoon as a compliment to Mrs. Ras Young of Longview, who is the guest of her sister, Mrs. John Roberts.

Garden flowers were used in the house decoration. A guest prize was presented to the honoree, and high score prize was presented to Mrs. T. V. Rascoe. Both were Shakespeare plaques.

Plate favors were what-not ornaments. Refreshments consisted of mince pie with whipped cream and sniced punch and were served to Mesdames Young, Roberts, Geo. Self, T. V. Rascoe, M. L. Hughston, O. R. Boman, I. T. Graves, J. H. Lanier Jr., T. S. Haney, Leonard Male, M. O'Connell, Tom Seal.

FAITHFUL WORKERS MEET

Mrs. B. F. Ringgold was hostess to the Faithful Workers Sunday School Class at its last quarterly social meeting of the year. A covered dish luncheon was spread at noon. The meal was preceded by an appropriate devotional led by Mrs. W. R. Tuttle.

Mrs. T. L. Hughston and Mrs. Sam Crews were in charge of the diversion in the afternoon. A contest, "Do You Know Your Home Town?" was enjoyed.

The following members and guests were present: Mesdames Ringgold, Hughston, Crews, Tuttle, Lee Ribble, J. A. Ashford, J. J. Brown, P. P. Cooper, Maggie Magee, W. R. Hough, Tennie Reed, W. S. J. Russell, Fannie Thacker, M. E. Todd, Georgia Pittillo, N. A. Crowell, R. B. Edwards and Ida Cheek.

BIRTHDAY PARTY FOR TWO

The home of George Cates in the Four Corners community was the scene of a lovely birthday party last Friday evening when Mrs. Cates and Mrs. M. M. Horn honored their daughters, Ruth Catherine and Winnie Fred on their 8th and 7th birthdays, respectively.

Games were directed by Miss Florence Griffith and Maxene Horn. At a late hour candles were lighted on two birthday cakes and birthday songs were sung.

Refreshments were served to Mr. and Mrs. Frank Cates and son, Roy Joe, Mr. and Mrs. Jim Cates and son, Jimmie Tom, Mrs. Earl Steele and children, Ruth, Ray, Wayne and George, Mr. and Mrs. Jimmy Russell and son, Bobby, Mr. and Mrs. M. M. Horn and children, Maxene, Elmer Glenn, Doris, Miss Florence Griffith and the honorees.

SENIOR RING CHAIRMAN

Special to The News. Lubbock, Texas, Nov. 5.—Evening Mrs. Sloan, Crowell, was named chairman of the senior ring committee at Texas Technological college when the class met recently. This committee will select a ring

and submit it to the class for approval.

Miss Sloan, who is majoring in journalism, is the daughter of Mr. and Mrs. A. L. Sloan, of Crowell.

Program for Week of Prayer Given

The Week of Prayer program of the Methodist Missionary Society of the local church was presented at an inspirational all-day meeting on Wednesday.

In the forenoon Mrs. T. L. Hughston led the devotional, Mrs. G. E. Turrentine gave a talk on "The Contagion of Service," and Mrs. Hubert Brown talked on "The Ensley Community House."

Following a covered dish lunch at noon the program was resumed in the afternoon. Another devotional was given by Mrs. Henry Ferguson. Mrs. M. S. Henry discussed the Social Evangelistic Center at Seoul, Korea. The needs of the Laura Haygood Normal School at Soochow, China, were presented in a playlet with Mesdames Turrentine, H. Clark, Shelton, Ferguson, Eli Smith, Grover Cole, A. Y. Beverly and R. R. Magee.

A liberal offering was made which goes to the named special and for an emergency fund for current expenses.

TRUSCOTT COUPLE WED

Miss Irene Maddox and Mr. Owen New of Truscott were united in marriage Saturday night, with Rev. Blevins, pastor of the Truscott Methodist Church, performing the ceremony.

The bride is the daughter of Mr. and Mrs. S. B. Maddox, who are pioneer residents of Knox County. She was reared in Truscott, receiving her grammar and high school education there. She later attended the Junior College of Wichita Falls. She is now teaching music in the schools of Truscott, including piano, violin and saxophone instruction.

Mr. New is the son of Rev. and Mrs. E. G. New and has lived in Truscott the major part of his life. He is now engaged in farming and the couple will make their home on the Maddox farm.

ADELPHIAN CLUB

Mrs. T. S. Haney was hostess to members of the Adelpian Club Wednesday afternoon.

Mrs. G. D. Self led the afternoon program on Poetry.

Mr. L. A. Andrews gave an interesting report on "The Reader's approach to Contemporary Poetry."

As leader, Mrs. Self brought the outstanding ideas from the best poems in "A Fiddler's Farewell," which is a volume of poems by Leonora Speyer, and was a Pulitzer prize volume.

Miss Peggy Thompson, club guest, read "The Lost House," which is one of Speyer's poems.

Miss Martha Schlagal touched briefly on the life and works of Mrs. Lexie Dean Robertson as a "Texas Poet."

Mrs. Haney served refreshments to club members and to Mrs. Miller of Cincinnati, Mrs. Shults, Mrs. Ida Cheek and Miss Peggy Thompson.

During the social hour Sharon Sue, daughter of Mrs. Haney, sang

"On the Good 'Old Lollypop." Sharon Sue was accompanied by her mother at the piano.

CHILLICOTHE PHYSICIAN DIED LAST THURSDAY

Dr. T. M. Young, prominent Chillicothe physician, died last Thursday morning from a stroke

of paralysis. Funeral services were held the same day in the Methodist Church with Rev. Hardy of Clarendon officiating, assisted by Rev. R. T. Borello.

Dr. Young was born in Tenn., in 1857. He had been in health for five years. Seven children survive.

NEW DRESS SHIRTS For MEN

There is no starch used in the collar. It will not wilt or wrinkle. It will look neat all day long—and show to advantage the fine quality and styling which has made Van Heusen known as the best—the best known. Deep shades of blue, gray and green in neat figured effects, small check and British stripings.

Sizes 14 to 17.
Dress up in a Van Heusen Shirt now.

R. B. EDWARDS CO.

"If the people who use our cars every day are not praising them, it matters little what we may say. The last word must be spoken by the car itself."

AGAIN, A NEW AND MORE BEAUTIFUL FORD V-8

Speaks for Itself

MORE than two million Ford V-8's, in America alone are now in the hands of drivers. These owners have heard, from the car itself, a clear story of motoring value and pleasure that far outstrips all previous achievements in low priced cars.

Now, the 1936 Ford V-8 speaks for itself . . . new beauty of line; new, brighter colors; easier steering and gear-shifting; super-safety breaks. We urge you to get this car's story from the driver's seat—to know at first hand its V-8 performance—its luxury-car comfort and roominess.

Let the last word about the 1936 Ford V-8 "be spoken by the car itself."
