CROWELL, FOARD COUNTY, TEXAS, FEBRUARY 7, 1930

8 PAGES \$2.00 A YEAR

OIL ACTIVITY RENEWED WITH ENDING OF COLD WAVE

GRAVELING OF MARGARET ROAD TO BEGIN SOON

Graveling of the road between Crowell and Margaret will begin some time next week, as the result of an order of the commissioners court. This work will be handled under the supervision of the court, as this road is not on a state highway and is not subject to state aid or supervision.

Sub-grading on the road will begin Monday in order to put it in shape to receive the gravel, all of which will come from Foard County's own gravel pits along Pease River in the Margaret community.

A power shovel will be used to load the gravel into the dump trucks which will carry the material to the scene of operations. Special machinery will be used to smooth down the gravel after it has been dumped. The gravel road will reach from the railroad crossing in Crowell to the main street of Margaret, a distance of about seven miles. Work will start about mid-way between here and Margaret and unless hampered by weather conditions, the graveling will be completed in about sixty days. Graveling of this road was provided for in the \$400,000 bond issue voted in Foard County in 1926.

Former Crowell Cotton Buyer Is Crash Victim

R. P. Rhea, 65, was fatally injured at Wichita Falls last Friday in a railroad crossing crash on the Henrietta road near the city limits. Mr. Rhea was well known here and had bought cotton in Crowell since 1920. He had not stayed in Crowell this year but had solicited cotton out of this city. He was associated with D. C. Greer of this city in cotton buying here.

His body was taken to Forney where interment was made Sunday. He is survived by one daughter and three sons. Mrs. J. L. Hunter of Margaret was a cousin of Mr. Rhea. He was associated with the Tarver-Steele Cotton Co. of Dallas at the time of his death.

Commissioner's Office Sought by A. B. Spears

A. B. Spears has authorized the news to announce his candidacy for the office of commissioner of Precinct 3, Foard County, subject to the action of the Democratic primaries in July.

Mr. Spears has been a resident of Foard County for the past four years and during that time he has made many friends in this city and county who have urged him to run for commissioner.

During his first year in Crowell Mr. Spears was engaged in the grocery business, and since then he has given most of his time to farming activities. He came to Foard County from Borden County, Texas, where he served as commissioner from 1912 to 1916.

"I feel that I am thoroughly acquainted with the duties of the office for which I am running and believe I can make an efficient official for the people," Mr. Spears stated. "I will appreciate any support given me."

PLANTING OF MORE FEED ON THE FARMS OF FOARD COUNTY URGED

"The ideal way for Foard County to reduce its cotton acreage is to raise more feed," said Silas Moore, prominent farmer of Foard County in commenting upon the necessity of the farmers of this county to plant more feed. "Foard County should double its acreage in feed crops this year as prospects for feed were never better here than they are now," he stated.

Many others of this section share the same opinion of Mr. Moore and since there is a national campaign on to reduce the cotton acreage, farmers here feel that if a "Raise More Feed" campaign is pushed that the cotton acreage in Foard County will be automatically reduced.

T. L. Hughton has been one of the strongest advocates of "more feed for Foard County," and is extremely anxious to see everyone get their shoulder to the wheel and push the feed proposition. "It is certainly an up-hill proposition for the farmers to raise cheap cotton and then have to buy their feed at a very expensive price after paying the freight and handling charges on it and besides there is loss in weight when it finally reaches their farms," he stated. Mr. Hughton thinks that prospects for a bumper feed crop are better now than they have been since 1914.

Too much importance cannot be given to this feed proposition," said C. Bell, "and you can tell the old that I am as anxious as anyone to see more feed planted in Foard County." For many years C. Bell has been urging farmers to

Crowell Winner Over Thalia at Quannah Monday

Crowell defeated Thalia 30 to 11 at Quannah Monday night in the first game to be played against that team for county championship honors. Crowell had no trouble in winning and was in the lead throughout the game.

Thalia outplayed Crowell in the second quarter and scored six points in that period to Crowell's four. Thalia failed to score during the first period which ended with Crowell leading, 7 to 0. The half ended, 11 to 6.

Crowell did its principal scoring in the third quarter, making 12 points, six of which were scored by Guy Todd, who was no doubt the outstanding star of the game. This quarter ended with the score standing at 23 to 11.

Both teams missed many more goals than they made and each team seemed to be somewhat dead on its feet. Little 'Doc' Phillips of Thalia did not play half as flashy a game as he did against Crowell on December 14th, although he did make the longest goal of the game, from the center of the court. Ernest Spears, who is ordinarily one of Crowell's outstanding stars also failed to play up to his usual style.

Bill Middleton chalked up two field goals for Crowell early in the first period along with a free goal. Keesee was the principal star for Thalia and besides playing a good defensive game, he scored six of Thalia's eleven points. Guy Todd was the high point man of the game, scoring eight points for Crowell and Bill Middleton, seven. John Todd played an excellent defensive game.

A large number of Crowell and Thalia people made the trip to Quannah to attend the contest. The game was played in Quannah due to the fact that Thalia preferred not to play in the Crowell gymnasium and it was out of the question to play the game at Thalia.

CROWELL	THALIA
Spears	Taylor
Middleton	Phillips
Burrow	Keesee
G. Todd	Gray
J. Todd	Oliver

Substitutions: Crowell—L. Wozencraft for Spears; Lanier for Burrow; Patton for Middleton. Thalia—Wisdom for Taylor; R. Phillips for Gray; Whatley for Oliver.

Referee—W. E. Hancock, Chilli-cothe school superintendent.

Field goals: Crowell—14; Thalia—5. Foul goals: Crowell—2; Thalia—1. Personal fouls: Crowell—5; Thalia—5.

JOSEF COUFAL FUNERAL

Funeral services for Josef Coufal, who died at his home near Thalia last week, were held at the Thalia Baptist church last Friday with Rev. Shultz, Lutheran pastor of Lockett, officiating.

Interment was made in the Thalia cemetery. Flower girls for the funeral were: Misses Elizabeth and Helen Zacek and the following granddaughters: Stella Machac, Rosie Cerveny, Ruby and Rosie Lee Richter.

Pall bearers were: Otto Schroeder, I. Zacek, Joe Myner, John Matus, Tom Veceera and Paul Raska.

Operations Near Margaret Feature of Foard County Development This Week

Drilling Again Started on Owens and Middlebrook Tests; Humble Makes New Location and Other Companies Preparing for Tests in Foard County

With the cessation of extreme cold weather, drilling activity has been resumed in Foard County. Perhaps the most interesting oil news of the week concerns the resumption of activity on the Middlebrook and Owens wells near Margaret.

The I. W. Middlebrook well, located in the southwest corner of the southeast quarter of Section No. 363, Block A, H. & T. C. Ry. Co. survey, has attracted the interested attention of all Texas oil men since its location some time ago. Circumstances, however, have prevented the actual drilling of the well to date, but arrangements have been recently completed for the drilling of the well to a depth of not less than 2500 feet and work has been actually commenced upon the drilling.

Margaret Men Active This well has been handled and promoted by Margaret business men who have persevered throughout the slump in the oil business and have at last succeeded in their efforts to secure a test in that vicinity. Both these business men, headed by S. J. Boman and S. B. Middlebrook, and the land owners in the block of acreage concerned, have been untiring in their efforts to prosecute their project to a successful termination, having every faith in the potentialities of the location.

They have contracted for the drilling of the well with a group of Vernon independent oil operators, among whom are included H. E. Ford, M. C. Hammock and W. H. Rogers. All of these men are favorably known in the oil business and there exists at this time no doubt but that the well will be completed to the specified depth or to playing production. Geological experts retained by the major oil companies have pronounced the location as very likely to produce and the well will be closely watched by all companies, most of whom have secured acreage in or near the original block.

The Owens well, located on the property of Mrs. R. T. Owens, southeast of Margaret, in section No. 327, Block A, H. & T. C. Co. survey is also being handled by Mr. Hammock and work has been started on its drilling. This location is also considered very favorably by geologists.

New Humble Location The Humble Oil and Refining Company, according to reports from Wichita Falls, has made a location for its Beidleman No. 1. This location is 300 feet west and 150 feet north of the southwest corner of the south 117 acres of the west 255 acres of Section No. 2, Certificate No. 5055, G. C. & S. F. Ry. Co. survey, north of Thalia, and is located about one fourth of a mile north of the T. L. Ward No. 1, which is a small steady producer from the Tarver saturated lime.

The Humble Oil and Refining Company's Matus No. 1, after encountering large gas sand will probably be completed this week as a dry hole, although hopes for production in the well have not been entirely abandoned. It is understood, however, that oil men of Wichita Falls have little faith in the prospects of the well to produce from the Tarver lime after missing the Matthews' sand at 1490 feet.

The well is not yet completed and still has one sand to test out before abandonment but structural formations indicate that the last sand will produce a large volume of gas without oil.

The Shell Petroleum Corporation's Tarver No. 3 has topped the Tarver lime and will probably be drilled in and tested the latter part of the week. Offsetting the Tarver No. 2, a good producer, it is expected that this well will make a small steady producer.

Wichitex Ready for Test The Wichitex Oil Company's Johnson Estate No. 2, located in the south 40 acres of the north 149.5 acres of Section 44, Block 18, H. & T. C. Ry. Co. survey is also ready for a test the latter part of this week, with probabilities of making a small producer. This well has been especially difficult of handling due to the large amount of gas encountered at a number of depths. Workmen are unable to work on the well during cold weather without fire to protect them from the rigors of the blizzards and the presence of large quantities of gas of course prevents them from having any sort of fire. Under these circumstances warm weather will be necessary before a test can be made of this well.

An unverified rumor in Dallas is to the effect that the California Company has made two locations upon their block southwest of Thalia, and drilling will soon be started as soon as the weather will allow and as soon as arrangements can be made for water.

Continental Active Unofficial advices from Ponca City, Oklahoma, state that Continental Oil Company, holder of several large blocks of acreage in Foard County, has made locations for wells upon their Beverly and upon the Worsham and Johnson blocks. According to this information a test will be drilled upon the Worsham and Johnson block in section No. 12, Block A, S. P. R. R. Co. survey, about two miles north of Sloan Springs.

The Beverly well will probably be located in Section No. 441, Block A, H. & T. C. Ry. Co. survey. About 10 years ago a test was drilled on this tract by the Mid-Continent Exploration Corporation but was abandoned at a depth of only 2390 feet. It has been thought by most men interested in that territory that this depth was hardly sufficient to give the tract a thorough test and, as the

(Continued on Page 8)

OVER 5000 MORE BALES COTTON THAN IN 1928

Cotton ginnings in Foard County on January 15th reached 14,499 bales, according to an official report received from the census bureau at Washington. The ginnings at the same time last year amounted to 9,418 or more than five thousand bales less.

For the first time in about twenty days, gins of the county started operations and have ginned a few bales. Ginnings estimate that around 125 to 200 bales are yet to be ginned in Foard County. Even though just one hundred more bales should be ginned, the total for this season will exceed last year's total by more than five thousand bales, a fifty per cent increase as last year's total amounted to 9,596.

After January 15th last year there were 178 bales ginned. Figuring on a percentage basis, Foard County should produce 274 more bales of cotton, using production for this year and last year to January 15th, and the number of bales ginned after January 15th, last year, as a basis. Figures given by the department show the number of bales ginned in adjoining counties, compared with the same date last year, as follows:

1929	1928	
Hardeman	29,306	23,114
Wilbarger	47,274	30,352
Cottle	22,317	23,631
Knox	22,114	29,505
Baylor	7,047	9,054
Foard	14,499	9,118

It will be noted that all counties show increases with the exception of Cottle, Knox and Baylor.

J. B. Steger Died At Brother's Home In Carthage Tues.

Death took another one of Foard County's oldest pioneers Tuesday when J. B. Steger, 78, died at the home of his brother in Carthage, Texas, Tuesday afternoon. Mr. Steger had been a resident of Foard County since 1889 and was spending the winter with his brother and had intended to return to Crowell this month. Word of his death was received in a telephone call from Mr. Steger's brother to Duke Wallace.

He was born in Georgia in 1852 and moved from there to Panola County and later to Rockwall County. He settled on a farm south of Thalia in 1889 and moved from it to Crowell about 30 years ago. He engaged in the carpenter trade until his age prevented his activities along that line several years ago.

Mr. Steger is survived by two brothers, one living in Carthage, and the other in Oklahoma, and a sister in Fort Worth. During his life he never married.

He left here about the middle of December and shortly after arriving in Carthage he fell and injured his already weak hip and since that time was confined to his bed. In the call to Mr. Wallace, his brother stated that he had just read a letter from a Crowell friend to Mr. Steger and that he was in great spirits when he left the room, but when he returned a short while later he found him dead.

Mr. Steger just seemed a part of Crowell and his loss will be felt by many. He was always firm in his convictions and was on the right side of every moral question. He was one of the most faithful church workers ever known and until failing health limited his activities, he served on the board of stewards of the Methodist Church since coming here and was a regular attendant at the conferences of this church. He was also a life-long prohibitionist. He served on the first commissioners court of Foard County and was one of the early gin operators of Thalia.

He was a prominent Odd Fellow and is the only member of the local lodge that has received a medal for being a member of the local lodge for 25 years. He received that medal last September. He is a past noble grand and had taken all the degrees in Odd Fellowship offered in Texas. It is understood that his body was to be buried in the cemetery at Carthage.

Former Crowell Woman Dies in Covina, Cal. Miss Augusta Sanders, 52, former resident of this city, died at her home in Covina, California, Sunday, according to a message received here by Mrs. B. W. Self.

Miss Sanders left here about 20 years ago for Covina with her parents, Mr. and Mrs. J. C. Sanders, who have since died. The Sanders family was one of the earliest ones in this section, coming here in 1836. She is survived by one sister, Mrs. Herman Allison, and one brother, Edwin, both of whom live in Covina. She was a member of the Christian Church. She had been in ill health for the past two years.

(Continued on Page 8)

T. J. B. Hough Died At Home South of Crowell Wednesday

T. J. B. Hough died Wednesday at 2:25 p. m. at his home ten miles south of Crowell after an illness of about 3 years. He was sitting up at the time of his death.

Mr. Hough was born in Urbana, Ohio, on October 13, 1862, and came to Foard County 24 years ago and settled on the place where he had since lived. His son, J. A. Hough, was living with him at the time of his death.

He was married in 1883 to Miss Rebecca Jane Sunday, who still survives him, and to this union four children were born, all of whom survive. They are: W. R. Hough of Texline; Charlie Hough of Floydada; J. A. Hough and Mrs. George W. Watson of Crowell. All of the children were here for the funeral which was to be held at the Crowell cemetery Thursday afternoon.

He was converted to the Christian religion in a Baptist revival at Foard City six years ago and later joined the Methodist Church of that place. Mr. Hough was in every way the finest kind of a man and his death is mourned by a great number of friends that he made during his long residence in this county.

SHIPS CATTLE TO GRASS AND THEN HAS TO SHIP THEM HAY

B. J. Glover, foreman of the Halsell ranch, was in Crowell Thursday loading out a car of baled Johnson grass to ship to the Halsell cattle in Clay County that were shipped there to pasture on the grass on the ranges in that county.

As a result of the cold spell it was found necessary to take feed from here to the cattle in Clay County. The hay was raised on the Halsell ranch.

CROWELL BOY ORDERLY FOR PRES. HOOVER

The distinct honor of being one of two boys to be picked out of eighteen thousand marines as orderlies for President Hoover has been conferred upon a Crowell boy, Joe B. Cook, son of Mr. and Mrs. J. W. Cook of this city. This information has just been received in a letter from Joe by his family here.

For the past three years he has been stationed with the marines at Quantico, Virginia, and has acted as secretary to the commanding officer.

His letter which was written on January 30, follows: "Dear Home Folks: "My but you should be here now. The snow is about a foot deep now and is still coming down. You know that is lots of snow for Virginia.

"Gee! But I have good news for you. I am being transferred to Washington, D. C., Saturday. There is another corporal going up with me. We are to be orderlies for the President of the United States at the White House. Of all the 18,000 men in the Marine Corps I was picked as one of them to go. I haven't found out much about it as yet but it sounds like it will be a good job. They did have civilians on the job but the President said that he wanted Marines for his orderlies.

"I have a good job now but I think that this will be much better, don't you? For one thing I will have a nice clean job and will get to meet and see people. I think that the environment there will help me more in time to come than it will here. However it will take a little more money there but I think that I will get that on the pay roll. In fact I don't know much about it as yet. As soon as I get there and get straightened out I will write you and tell you all about my new job.

"I must stop now and show the clerk my work here so he can take it over tomorrow. Lots of love to all, "Your son and brother, "JOE B. COOK."

Pete Bell Candidate For Tax Assessor

The name of Pete Bell appears in the announcement column of the News this week as a candidate for tax assessor, subject to the action of the Democratic primaries in July. Mr. Bell, or "Pete," as he is more familiarly known, is acquainted with most of the people of the county, having been born here and having lived the 26 years of his life in this county.

He is a graduate of Crowell High School and attended Baylor University one year. He later attended Metropolitan Business College in Dallas and since that time, about 7 years ago, he has managed the business of the Bell Mill and Elevator Company here.

Mr. Bell's friends feel that his experience and acquaintance with the county qualify him to make an excellent assessor. "I will do my best in the interest of the county if elected," he stated.

TAX PAYMENTS HERE EXCEED THE MOST OPTIMISTIC EXPECTATIONS

Even the most optimistic had not the slightest idea that tax payments in Foard County and Crowell this year would be nearly so good as they have turned out to be. Times have been hard and there is no use denying it, but when county, city, school and state tax payments average around 90 per cent, such figures certainly speak louder than the remarks commonly heard that the country is broke and that times couldn't be much worse.

Poll tax payments and car registrations have also been above those of last year.

County Payments About ninety per cent of the county taxes have been paid with a total of \$165,000.00 in all kinds of taxes paid into the county collector's office, according to Que Miller, Tax Collector. This includes the taxes for the Thalia Independent School District, 92 per cent of which were collected.

Auto Registrations Passenger automobiles registered totaled 989, compared with 961 for last year. There are 126 trucks and trailers also registered to the present time. Four motor buses of the Aaron Stage Line, running from Quannah to Stamford, were registered here, thus bringing around \$300 additional to the county funds. The special road tax was paid by 375 persons.

The county now gets all of the auto registration money and for January alone, the county received \$2,000 more than the total receipts during 1929. Nearly ten thousand dollars were collected during January for auto registrations.

Made Report Early Although the tax collector has until February 25th to make his tax collection report, Mr. Miller and his

force, Sam Seales and Marlen Crowell, worked Saturday night and Sunday and by Monday morning, February 3rd, had a complete report made out and the funds turned over to the county treasurer, Miss Margaret Curtis, and deposited to the schools funds in the banks. The report was made in record time in order that the county and school funds might be helped as quickly as possible.

Statements Helped Mr. Miller thinks that the statements that were sent out this year for the first time had something to do with the large per cent of taxes collected as they notified the people how much they owed and gave them a chance to make arrangements accordingly. These statements were paid for personally by Mr. Miller, who states that he plans to send them out again for the year 1930.

At least twenty-five per cent of the payments received were made in cash, according to Mr. Miller. The tax payments at this time last year amounted to 85 per cent. Mr. Miller stated that the property owners of Foard County were certainly to be congratulated on their faithfulness in paying taxes in spite of hard times.

(Continued on Page 8)

A Class Will

It is a fact, column in the News furnishes most economical by the best method of this section various items, they want, to recover lost it plish other result to mention.

REAL HERO—A Carnegie medal may be awarded to 9-year-old Ernest Umphenor for his bravery. At risk of his own life he saved his brothers and sisters, younger than himself, from their burning home at Santa Ana, Cal., by carrying them, one by one, from the flaming trap to safety.

CLAYTONVILLE (By Special Correspondent)

Henry and Paul Howell spent Sunday afternoon with their sister, Mrs. Howard Dunn of Good Creek. Miss Ruby Polk spent the week-end with her sister, Mrs. Alton Beggs. Mrs. Olen Shores of Austin is visiting her parents, Mr. and Mrs. G. L. Scott. W. M. Godwin moved to his new home north of Crowell Saturday. Mrs. John Mercer is on the sick list this week. Mr. and Mrs. Jim Polk and family of Beaver, spent Sunday with Mr. Polk's brother, H. T. Polk. G. S. Scott and family took supper with Jim Polk and family Sunday night, and then returned to the school house for singing. Will Love will move to W. M. Godwin's old home. Georgey Brown and family took supper with J. T. Vessels, Sr., and family Sunday night and then returned to singing at the school house. There was Sunday School at the school house Sunday with a large crowd and much interest was taken. Sunday was our singing day here and after Sunday School we all enjoyed some real good singing. We had singing at the school house Sunday night with a full house and the singing was like a young convention. G. C. Owens and family went to Foard City to church Sunday and reported a fine time and some good preaching. Jodie Brown and family spent Sunday with Mr. and Mrs. Jack Vessels. Miss Annie Faye Polk of Beaver spent Saturday night with her uncle, H. T. Polk, and family. Mrs. Jim Polk was on the sick list this week. Mr. and Mrs. G. R. Webster of Crowell spent Sunday with Mr. and Mrs. Clyde Beesinger.

MARGARET (By Special Correspondent)

Mr. and Mrs. Bill Murphy visited friends in Dallas last week. Tom Hunter of Sudan, Texas, was here last Tuesday and Wednesday. His son, T. P., returned with him for a visit of a few weeks. Rev. and Mrs. A. O. Hood, Mr.

and Mrs. Luther Tamplin, Mrs. J. L. Hunter, Jr., Mrs. W. A. Dunn, Ben Stokes, and Miss Alta B. Tamplin were representatives from Margaret at the Methodist Sunday School Institute at Crowell, Monday. Bagley Russell visited his sister in Vernon last week-end. Mrs. Madge McBurnett visited in Thalia Saturday and Sunday. Bryan Blevins and Alfred Wise left Sunday for points on the Plains. Mr. and Mrs. Carl Taylor and family and Mr. and Mrs. Robert Bonsal of near Crowell visited in this community Sunday. Jack Roden received minor injuries in a car wreck in Vernon Sunday night. Mr. and Mrs. Ben Stokes and children visited in Vernon Sunday. Rev. and Mrs. A. O. Hood, Mrs. G. C. Wesley and Mrs. Henry Ayers attended a Methodist Missionary Zone Meeting at Vernon last Thursday. Mr. and Mrs. W. T. Dunn, Misses Jewell Bell Dunn and Juanita Hunter visited in Quanah Saturday.

FOARD CITY (By Special Correspondent)

Mr. and Mrs. John Welch and family of Crowell spent Sunday with Mr. and Mrs. T. F. Welch. Miss Thelma Ferguson spent the week-end at home with relatives and friends. Mr. and Mrs. Bob Taylor of Crowell spent Sunday with Mrs. Taylor's sister, Mrs. Frank Welch. Rev. Foster Russell filled his regular appointment here Sunday and Sunday night. A large crowd attended both services. Ora Mae Owens is reported very ill with pneumonia, but at this writing she is somewhat better. Mr. and Mrs. Owens and family of Claytonville visited relatives here Sunday. Charles Merriman and Fate McDoogie made a business trip to Trustcott Monday. Mr. and Mrs. A. T. Aydelott and daughters, Ophie, Mary Frances, and sons, Andrew and Sidney, of Slaton are here visiting Mr. Aydelott's sons, William, Ernest and Arthur, and friends of Foard City. There were a number of young people of this community who visited in Margaret Sunday. Huston McLain is able to go back to school again. Mrs. Dolk Callaway and baby, Helen Joe, are on the sick list at this writing. Mrs. Carl Taylor and Mrs. Robert Bonsal of Crowell spent Monday with Mrs. M. M. Horn and family. Mr. and Mrs. Henry Earl Thomson and Mr. and Mrs. Adrian Thomson of Crowell spent Sunday with Mrs. Adrian Thomson's parents, Mr. and Mrs. Fox, of this community. Remember Sunday School next Sunday. Everyone is invited to come.

WEST RAYLAND (By Special Correspondent)

The home demonstration club met Tuesday with Mrs. Lillie Huntley. Only a few members were present due to bad weather. The next meeting will be with Mrs. Frank Ward on February 11th. Vernon visitors from this community Saturday were R. F. Derrington and family, Mr. and Mrs. Travis Davis, Cap Adkins and family, R. L. Garrett and family and J. E. Young and sons, Jerry and Elijah, and Jesse Gregg. Jeff Prescott and daughter, Ludie, of Harrold visited R. B. Prescott and family Sunday. Miss Bertha Dunson was the guest of Miss Eula Mae Gregg Sunday. Miss Bertha Dunson returned last week from Chillicothe where she has been visiting relatives. Elmer Key, Ransom Prescott and Fred Belew returned from the Rio Grande Valley. Fred Rennels and family of Crowell spent Sunday with Mr. and Mrs. J. L. Rennels. J. E. Young and sons, Arnold and Jerry, made a business trip to Abernathy Thursday. Mrs. J. B. Gray is ill. Ruth and Johnnie Freudiger were given a farewell party Saturday night in the G. A. Shultz home. J. E. Young and family had as their guests last Sunday Rev. Bud Bradford and family of Abilene. Otis Simmons and family of Littlefield spent from Thursday until Saturday with his grandmother, Mrs. J. M. Atkins. Mrs. G. W. Scales visited Mrs. Charlie Woods of Thalia Thursday afternoon. Mr. and Mrs. Sam Kuehn moved last week to the house vacated by Tom Ward and family.

HOME FOR MUSEUM

San Angelo, Texas, (UP)—Plans for securing the adjacent building of old Fort Concho here as the home of the West Texas museum have been arranged and action within the next two weeks on payment arrangements is expected by the museum board, headed by Mrs. W. W. Carson of San Angelo. The property deed has been executed and is being held by R. W. Brown pending the payment of \$2,000 in cash and \$2,000 more in notes over a period of eight years.

McCormick-Deering Farm Machineries

The McCormick-Deering FARMALL Offers You

- POWER to Plow . . . POWER to Till . . . POWER to Plant . . . POWER to Drill . . . POWER to Cultivate . . . POWER to Mow, Rake, Load, and Stack Hay . . . POWER to Harvest and Thresh . . . POWER to Dig Potatoes . . . POWER to Cut Corn . . . POWER to Fill the Silo . . . POWER to Pick Corn . . . POWER to Grind Feed . . . POWER for All of Your Drawbar, Belt, and Power Take-off Work at Low Cost.

Ask Any Owner; We'll Give You a List of Local FARMALL users. And we'll Demonstrate the FARMALL on Any Job Any Day.

"I want to express my thanks for the kindness and help rendered me when you sold me the Farmall tractor. I had told you that I could not farm without a tractor but could not think that the Farmall would do all that you recommended it to do.

"But after seeing the Farmall do the work, I at once became interested and bought. I want to say to you that this tractor has already paid me big interest on the investment. It paid for itself some two or three times over in the 1928 crop. I understand that you now have Farmall equipment to do most any job on the farm. I am going to get a mowing machine and the sweep rake, and am thinking now of buying another Farmall this year.

"Last year I cultivated 105 acres of corn in three days and did it about 50% better than I could with my teams. No one will go wrong in buying a Farmall. It is the real 'farmer's friend' of today, and I believe that when more of the farmers buy the Farmall and use it there will be more work done and more money in the bank to their credit."

D. L. VAN CLEVE, Hopkinsville, Ky.

Crews=Long Hardware Co. Crowell Thalia

THE STATE of the Sheriff of Foard County—G. You are hereby summoned to appear in court on the 10th day of February, A. D. 1930, at 10 o'clock in the forenoon, at the court house in Crowell, Texas, to answer to the complaint filed in said court on the 10th day of February, A. D. 1930, wherein the plaintiff, G. T. Olive, seeks to recover from the defendant, G. T. Olive, the sum of \$100.00, with interest thereon from the date of the filing of said complaint until paid, and to pay the costs of said suit. If you fail to appear in court as above, judgment will be rendered against you in favor of the plaintiff for the amount claimed, with interest and costs. Witness my hand and the seal of said court at Crowell, Texas, this 10th day of February, A. D. 1930. District Clerk, A. G. MAGG

Rev. Woodie Smith Gives Account of His Trip to East

At the request of my good friend, Mack Boswell, I am giving a summary of my recent trip east.

Leaving Crowell Sunday night, December 29, 1929, I boarded the train at Quanah for Fort Worth. Upon boarding the Texas at Fort Worth for St. Louis and Chicago at 2:15 p. m. Monday, arriving in Chicago at 3:55 p. m. Tuesday over the Alton. I was met by my two sons and was escorted to their home at 415 1/2 Lake Park Ave., where my daughter, Gladys, and my daughter-in-law were waiting to welcome me. I enjoyed a very pleasant visit with them, spending one full day and leaving on the Pennsylvania Railroad at midnight for Philadelphia, Pa. Only one thing happened to mar the joy of this visit. My daughter fell as she descended the stairs and fractured her ankle bone. This has proven quite serious. She is still on crutches.

I had a pleasant trip over the Alleghenies and witnessed some of America's most beautiful scenery. The great Horse-Shoe bend in Pennsylvania is a most remarkable feat of engineering.

Arriving in Philadelphia at 10 p. m. Friday, I was met by Mr. Haines and wife, two of the evangelists connected with Eastern University. They escorted me to the University where I soon found myself comfortably located in the guest chamber of the University. Snatching a good night's sleep, which was much needed, I arose to start on another day's journey of adventure. I looked over the University first, then the big city, at least in part. Sunday I worshipped at the Baptist Temple where the lamented Russell H. Conwell was

pastor until his death. He built one of the greatest churches in the land. Also an Orphans Home, Temple University and many outstanding projects for the blessing of humanity. He was the man who wrote "Acres of Diamonds." I visited Independence Hall and greatly enjoyed the relics of the past. Old Liberty Bell still looks good.

I preached at one of the good Baptist churches at the evening hour. Had a great time and wonderful fellowship. I next made a trip to New York City where I spent several days. At this time, it was my pleasure to call on some of the rich men of the city. We secured some funds for the University and I got my bearings in the city. I next went to Wilmington, Delaware, where I held a week's meeting in the Delaware Avenue Baptist Church. This is the downtown church of Wilmington. Wilmington is the city of the Du-Ponts, where most of the munition was manufactured during the World War. It is a city of some 200,000 people. God gave us 46 conversions and a number of additions to the church there.

I next returned to Philadelphia where I spent Monday. Then to New York City for a week's meeting. This meeting was with the Connell Memorial Church, located on 76th St. This is in the heart of New York City. God gave us 67 conversions there. One young man was saved who testified that he had not spent a Saturday night without being drunk since he could remember. He said, "Oh, how happy I am that I have found the Lord and He has cured me from my drink habit." It was great to hear him tell what the Lord had done for him.

During the day we spent the time seeing New York and, incidentally, seeing many people in behalf of the University. This put us in some of the wealthiest homes in New York. I was in the home of Mrs. Borden, the wife of the "Milk King." Also called on the President of Woolworth's offices, whose offices are on

the 26th floor of the great Woolworth building. I called on one man who is 93 years old and has been with one of the leading banks of New York City for 63 years, having been retired ten years on full salary for life. He is a great Christian character. He said to us, after we had presented the school to him: "Brethren, I haven't any money, but the Lord has intrusted a little of this world's wealth to me and I want to turn over to the school a part of it to be used in educating the youth of America in a school where people teach and believe the dear old Bible." When he had written the check, his good wife, who is 73, said, "I want to join hands with my husband in a like amount for this work." This made us happy, most because we had found a couple who recognized that everything they possessed belonged to God.

I went through the Holland tunnel several times. The Hudson River is one and one-half miles wide where this tunnel goes under. This tunnel is considered one of the greatest feats of engineering in the world. It is on East River or Long Island Sound. Having driven about fourteen hundred miles in New York City alone, I got a rather drastic fiew of the largest city in the world. I visited the Water Street Mission, where Jerry McCauley, the converted river thief, was saved and wrought so well for sixteen years after his conversion. Also the noted Bowery Mission, where I saw thousands of men in the bread line each day. It was pitiable to see so many able bodied men without work and seeking a loaf of bread that they might not die. I was out on Long Island and in Brooklyn which is the home of Mary Colgate, the daughter of the "Soap King." I heard Dr. I. M. Halderman, who has been pastor of the First Baptist Church of New York City for over fifty years, preach. He is 86 and still active. It was great to see him stand with one hand on the pulpit, which was inlaid with gold, and preach to a crowded house, not an empty seat. His message was like the drippings from Heaven.

I could go on and on with the description of this trip but for fear my readers are already weary, I must desist.

I left Philadelphia for home at noon, arriving home Saturday night at 10:10 over the Orient. Dr. Ball is doing a great service for humanity and the religion of Jesus Christ in old wicked Philadelphia. Up to the last moment, he plead with me to come back and help him build that great institution, which is a tower of strength in the East. The student body is the finest and most spiritual I have ever met.

Somehow you folks of Crowell have prayed me back home to take up my duties in the interest of righteousness in this western town. May we all join heart and hand in making Crowell the best and most religious town anywhere in the west. May every Christian and every Church join heart and hand in winning men to Christ, who alone can bless and help beyond the grave.

WOODIE W. SMITH.

Early Days of West To Be Recalled at Meeting on April 5

Lubbock, Texas, Jan. 30.—Many stirring incidents that happened during the early days will be recounted by old timers at the sixth annual meeting of the West Texas Historical Association which convenes at Texas Technological College April 5. Judge R. C. Crane of Sweetwater will give the history of the organization of Fisher County. Roy Holt, superintendent of schools at Eldorado, will discuss the Fence Cutting War. Prof. L. F. Sheffy of the West Texas State Teachers College at Canyon, an authority on many matters of history in West Texas, will read a paper.

Judge Sam Cockrell of Abilene will deliver an address on the Political Campaign of 1892 in West Texas. Dr. P. C. Coleman of Colorado, who practiced medicine in the early days when he had to cover a territory of 150 miles radius, will tell something of his experiences.

Col. Synthe of Plainview, who helped lay out and organize Hale County, and is called the father of Plainview will appear on the list of speakers. He was district attorney of a territory in 1888-1890 that reached from Baylor county to the New Mexico line and for a similar distance north and south.

Dr. John C. Granberry, head of the Tech history department, and Dr. W. C. Holden, also of the history department, and actively connected with the Association, are expecting a record attendance on account of the interesting program. In addition to the speakers already announced several other "old timers" will take part in the meeting.

COLD COLD ALASKA

From the Verstovian, published by the Sheldon Jackson School of Sitka, Alaska, issue of December, we take the following item and pass it along for due contemplation:

"The weather is still mild and summer-like. Up to December 3rd there had been no killing frost. The grass is as green as in mid-summer and vegetables have not been affected. The boys of the school are hoping for some ice for Christmas."

Put that in your pipe and smoke it.

TEXON TALES

Well, among other things there was a Mexican woman here last week who claimed to be a genuine gypsy fortune teller so we were thereby able to get a good fortune telling for fifty cents. She would only tell what you wanted to know about the past and present as well as the future. She said we would acquire wealth from an unexpected quarter. But

for VALENTINE'S DAY

VALENTINE GREETING

Since the blizzard has gone we have something more pleasant to talk about.

Come in and get a nice Valentine. We have everything from a penny Valentine to a nice box of chocolates put up in heart shape containers, very attractive and real merchandise.

We also have Valentine Score Cards and napkins.

Respectfully

Ferguson Brothers

The Renall Store

who can work up an excitement over two-bits? And, when they have just paid out twice that to find it out. Money doesn't go as far as it once did. It goes lots faster. There is still three secrets to happiness—Money! Money! Money! But money is no worry. It's the depressing scarcity of it. We used to have money of course but that was back in the good old days before the steering wheel was the family circle. Lots of people have fine homes with every modern convenience. Homes with everything in it. Everything but the family. The American family is slipping. Slipping down the road in the family car. They are just trying to get away from the place they

live. They live beyond their means. They were once on "Easy Street." They are now way down on "Easy Payment Street." I know how that name, "easy payments," got started but I don't know how. It ought to be "Easy Buyment" instead. They ain't nothing easy about the payments but it gets lots of them just the same. Parrots would be more popular on the easy payment plan even after the fever scare. If the census taker has to list the things you are paying out with them easy payments why he's gotta big job. At the wind-up of last year installment payments had reached over \$6,000,000,000.00. Take easy payments outta anything and I'll take the rest

of the census. Take the easy payments outta anything and I'll take it. Well, sometimes I think the payment plan is a funny thing and then, sometimes it ceases to be funny. Take a car, for instance. Take a little money and you can take a car. The cars will go as long as the payments go but when the payments quit going the car goes back. The funniest thing about the payment plan is the way they got the idea. I think the young man had just bought a new car and decided all he needed was to grow a mustache. Easy payments is just like that you know, at first a little down, and then a little more each week.

TEXON TATTLER.

We are now in our new location on the north side of the square and will appreciate a visit from you.

Crowell, Texas, February 7, 1930

FEBRUARY 15TH FINAL DAY FOR BARGAIN RATE

Rate Extended Due to Fierce January Weather: \$2.00 After the 15th

Due to the unusual weather conditions that existed throughout the most of January, the News has decided to extend its bargain rates through Saturday, February 15th. This day is positively the deadline for the bargain rate and not even an earthquake or cyclone can cause it to be extended further. Many have stated that the weather prevented them from coming in and renewing the paper and it is for that reason that the extension is made.

Don't Wait
However, the News feels that all those who have not yet renewed will have a chance to do so between now and February 15th and for that reason it will show partiality to no one and the two dollar rate, instead of \$1.50, will be charged to all after the 15th. If you haven't renewed, and want to save 50c, attend to this matter now.

A number of people have met with hard times and have little cash available and in such cases as this the News will be glad to co-operate with its loyal readers by renewing their paper for a year and then accept payment for the subscription when the subscriber is able to pay for it. This will not be done unless the subscriber calls or writes regarding this proposition.

Mail or Call Personally
If you cannot call at the News office, drop your check in the mail and your date will be pushed up one year. Renewals or subscriptions received by mail are just as easily handled as those brought in personally.

Those who have subscribed or renewed since the list was published last week, follows:
R. N. Beaty, Vivian route; C. W. Beaty, Vivian route; W. S. Tarver, Thalia; J. L. Shultz, Thalia; Bernice

and Dorothy Coffee, Denton; Mrs. M. L. Seif, Thalia; W. B. McCormick, Los Angeles; W. S. Carter, Margaret; J. Y. Bradford, Margaret; Paul Bishop, city; Que R. Miller, city; J. C. Miller, Jayton; L. SUNDAY SCHOOL INSTITUTE

A Sunday School Institute was held at the Methodist Church Monday. Those officiating were Rev. Jim Watson of Lubbock, conference Sunday School superintendent and Rev. J. O. Haymes, presiding elder of Vernon.

Inspirational talks were given and beneficial conferences were held throughout the morning. Rev. and Mrs. Lyon of Paducah assisted in the departmental conferences.

Representatives were present from the different schools throughout the district and with all a most profitable meeting was enjoyed. The Crowell Sunday School served lunch in the basement after which the first quarterly conference was held, with Rev. Haymes in charge.

Political Announcements

The following announcements for the offices named are subject to the action of the Democratic Primary to be held in July of 1930:

M. M. HART, JR.
CLAUDE CALLAWAY.
J. E. ATCHESON (Re-election)

For County Treasurer:
MARGARET CURTIS (Re-election)

For County and District Clerk:
GRADY MAGEE.

For Tax Assessor:
VERNON PYLE.
MRS. ELLA RUCKER.
PETE BELL.

For Public Weigher, Precinct 1:
A. T. SCHOOLEY (Re-election)

For Justice of the Peace, Precinct 1:
E. F. HENRY.

For Sheriff and Tax Collector:
QUE R. MILLER (Re-election)

For Commissioner, Precinct No. 1:
A. B. WISDOM (Re-election)
ROY C. TODD.

For Commissioner, Precinct No. 2:
J. C. HYSINGER (Re-election)

For Commissioner, Precinct No. 3:
E. V. HALBERT (Re-election)
A. B. SPEARS.

For Commissioner, Precinct No. 4:
W. F. THOMSON (Re-election)
T. S. PATTON.

For District Attorney:
JESSE OWENS

Cold Wave Lifts After Remaining Here Over 3 Weeks

Even though the ground-hog saw his shadow here Sunday, the fact has not kept Foard County from enjoying the most perfect weather of the year this week. The cold wave of over three weeks lifted last Thursday and practically all of the snow has disappeared.

Although disagreeable, the weather of January was of inestimable value to conditions in this county. It is generally estimated over the county that the snow and sleet amounted to over two inches in moisture and that it was worth much more than a good two inch rain. Some estimate that the snow and sleet on their places amounted to as much as four inches of moisture.

The snow and sleet covering the ground so long in connection with the many hard freezes also had a tendency to improve the soil and kill out insects. Crop and range conditions have been greatly helped and Foard County should make a bumper wheat crop if rains in the next few months fall at the proper time.

Foard-Cottle Line Dispute Settled

The controversy between Foard and Cottle counties over the location of the county line crossing the Lee Highway has been settled. J. E. Atcheson, county judge, and J. C. Thompson, county surveyor, spent most of Wednesday in going over the country in determining the line along with the county surveyor and two others of Cottle County.

Until Wednesday a strip of 327 feet on the highway was regarded as "no man's land." According to the agreement, Foard County took 110 feet of this strip and Cottle 217 feet. This is the same location made by D. L. Reavis, Foard county surveyor, and Mr. Neff, Cottle surveyor, in 1893, according to Mrs. Atcheson.

Elsie Schindler Sung Over KGKO Mon.

Miss Elsie Schindler was presented in a radio program over KGKO at Wichita Falls Monday night. The program was given by the pupils of the Academy of Mary Immaculate and consisted of violin ensemble, piano solo and vocal selections. Miss Schindler gave two vocal solos, her selections being the only vocal part of the musical program.

Miss Schindler is a vocal student of Mrs. Lois Parker of Wichita Falls and has been presented in several other programs over KGKO, sponsored by the Wichita Falls Junior Chamber of Commerce. Her numbers were enjoyed by a number of local people who tuned in on the program.

Richmond Tells Time of Shows at the Rialto

"There seems to be a misunderstanding among the people about the time the shows at the Rialto begin," T. B. Richmond, manager, stated. "The evening shows start promptly at 7 p. m. and continue to run until two complete shows have appeared on the screen. If attendance justifies I will run a third show," he said. Regular Saturday matinees at the Rialto begin at 2 p. m. and special matinees on other days begin at 3 p. m.

An excellent program is in store at the Rialto next week for the people. "One Hysterical Night," featuring Reginald Denny, will be shown Monday and Tuesday. "Modern Love" will be presented Wednesday and Thursday. Beatrice Burton's story, "Sally Shoulders," will be given Friday and Tom Mix will appear in "King Cowboy," hailed as one of his best pictures on Saturday.

Thalia Winner Over Margaret 20-19 Tuesday

In one of the most interesting and exciting basketball games ever played in Crowell, Thalia barely defeated Margaret by the score of 20 to 19 at the local gymnasium Tuesday afternoon. This was one of the games being played for the county championship. Thalia's ability to score free shots gave them the game.

The last quarter was particularly exciting with Margaret keeping the lead for the most of the time until about the last two minutes when first one team and then the other scored points to go ahead. Raymond Phillips scored two free goals in this period which gave Thalia the victory. A sensational field goal by Wisdom also brought Thalia from behind. Five personal fouls on Margaret during the last quarter furnished Thalia the free pitches that gave them the victory.

Margaret was in the lead for most of the game and was leading the first quarter 5 to 0. Thalia came back strong in the second and at the half was leading 9 to 7. Margaret overcame this lead and led the third quarter, 13 to 12.

Keesee, center, and Gray, guard, were the principal stars on the Thalia line-up. Taylor was the outstanding Margaret man and was the high point scorer of the game. Even though he was one of the smallest players, in the game, his size did not prevent him from scoring thirteen of his team's nineteen points. Keesee, with 7 points, was the high point man for Thalia.

Henry and Smith Are Speakers at Rotary Luncheon

M. S. Henry and Eli Smith made two of the most interesting talks at the Rotary Luncheon Wednesday that have yet been made before that body. The luncheon featured a vocational service program on "Employer and Employee Relations," with Mr. Henry discussing the employer and Mr. Smith, the employee.

In opening his talk Mr. Henry stated that in the old days the employer was regarded as a driver and slavery did more to bring this opinion about than anything else. "The successful employer, has changed his tactics and we now find that the most successful employers are those who have the best ability to judge human nature," Mr. Henry said. "The successful employer should outline the best distinct policy for his business and then select the proper men to carry out that policy."

In investigating how the larger firms were selecting their men, Mr. Henry stated that in the great majority of cases he found that they were selecting college graduates, as trained men were needed now more than ever before. "It is our duty to urge the boys with whom we come in contact to decide upon their life's work and to prepare for that work. Our struggles would be much more difficult if we had to start in now in the same manner we did 20 and 30 years ago and I am more convinced every day of the value of better training," Mr. Henry stated. "Every employer should be considerate and give his employees the fullest opportunity to develop their initiative and furnish them with a fair share of the firm's earnings," he said in conclusion.

The Employee
Mr. Smith's talk was taken up mainly with comments on the qualities which should constitute a one hundred per cent employee. Enthusiasm for his work was given as the first of these. Work was given as the second and most important. "Any worthwhile employee will keep busy at something and will not just do the things necessary to hold his job," he stated. "Any employee who gives more than his boss expects is on the road to success for in practically all cases he will be rewarded for his efforts."

Resolution, was given as another necessary quality. Mr. Smith stated the worker should map out his work carefully and then resolve to follow out his plans to the best of his ability. "Order is also one of the most important qualities for an employee. He should have a place for everything and efficiently look after each phase of his work. Cleanliness is another quality, and an employee should not only be clean in his body and clothes, but also clean in his habits," Mr. Smith stated. Silence was given as the final quality. "I don't mean that silence in every sense of the word of the word is a good quality, but 'popping off' without anything of importance to say is when silence is needed," he said. "A good employee should give the best of his individual ability and carry out his duty as a good athlete does for his team."

he visited some nationally known business men and stated that in cases he found that the only happy people were those that God first always.

John Rasor, vice-president of club, presided in the absence of President T. N. Bell.

Drive Is Being Made For New Members for Credit Association

A drive is being made this month by a committee composed of E. Edwards, Glynn Shults, John R. H. L. Kimsey and R. J. Roberts, new members for the Retail Merchants Credit Association that started here about 60 days ago. Leo Spencer, private owner of bureau.

A meeting of the original members was held Wednesday morning at the committee to canvass the business firms for new members started work immediately afterward and reported to have met with splendid success.

As soon as the drive has been completed a banquet for all of the members will be arranged and a special will be here to explain how a credit association operates and how members can take the fullest advantage of it.

The association here is affiliated with the state and national associations and is operated on the private ownership basis, as most of the credit bureaus are in other cities. Officers and directors for the association, to act as a governing body and advisory board for the association, will be elected at this banquet.

Not in the Family

If you think you are a member of the family merely because a young lady promises to be a sister to your hitting the old man up for a spot.

I'll Say We're Lucky

A statement by the treasury announces that under the new income tax rates a man with a net income of \$15,000 makes a saving of \$937. That's more than most of us made stock last year—or it would be were only had a \$15,000 income.

NOTICE TO CONTRACTORS

Sealed proposals addressed to T. Schalagal, Mayor of Crowell, Texas, for the improvement of certain streets in Crowell, Texas, will be received until 8:00 p. m. February 19, 1930, and then publicly opened and read.

Description of work to be done: Work consists of concrete paving with concrete curbs and gutters with the following approximate quantities: 22,400 square yards concrete paving; 468 cubic yards earth excavation; 3250 linear feet combined curbs and gutter.

Plans and specifications for work may be seen and information obtained at the office of the Secretary at Crowell, Texas.

A certified or cashier's check in amount of 5% of the amount made to the order of C. T. Schalagal, Mayor of Crowell, must accompany each proposal as a guarantee that bidder, if successful, will enter into contract and make bond in accordance with the terms of the specifications.

The city reserves the right to reject any or all bids and to waive technicalities.

Mr. and Mrs. H. Meisels and small daughter of Wellington were here Sunday visiting Mrs. Meisels' mother, Mrs. E. Fisch.

Guy and Mel Housouer and H. D. Poland left yesterday for McAdoo where they are erecting a new house on the farm of A. Y. Norman.

Miss Beulah Patton spent the week-end with her parents, Mr. and Mrs. G. H. Patton. Miss Patton is teaching in the Goodlett school.

Miss Marguerite Stephens and Miss Bernice Brookerson of Benjamin arrived in Crowell Saturday for a visit. They returned Sunday.

Mrs. Byron Reese returned Wednesday from Commerce, Kaufman and Royce City where she had been visiting for the past two weeks with relatives and friends.

Miss Elizabeth O'Connell arrived in Crowell Saturday for a short visit with her parents, Mr. and Mrs. M. O'Connell. She is a student in Texas Tech at Lubbock.

Floyd Thomas returned Sunday with Clyde McKown from Clovis, N. M. He visited in various points in New Mexico and the Panhandle area while away from Crowell.

Mrs. Hines Clark and small son, Charles Stuart, left last Friday for Austin for a visit with Mrs. Clark's daughter, Miss Katherine Clark, who is a student in the State University.

Mrs. Bill Norman of McAdoo visited here this week with her parents, Mr. and Mrs. W. L. Ricks. She came here from Wichita Falls where she visited her sister, Mrs. M. J. Brady.

J. D. Wright and family of Margaret took dinner with G. W. Wright and family at their place near Crowell Sunday evening. Misses Leona and Estelle Pulice were also present for the dinner.

Alton Bell returned Tuesday from Waco where he and his wife visited relatives. Mrs. Bell was not able to return home with him on account of illness. Alton says that section of the country has had plenty of rain since the cold spell.

Charles Markham and Misses Kathleen Whittington and Jane Ann Sodaburg of Stamford arrived in Crowell Saturday for a short visit. Mr. Markham is a brother of Mrs. Leo Spencer and Miss Whittington is a niece of W. F. Kirkpatrick.

Carl Willie, oil operator of Wichita Falls, was here Tuesday visiting old friends and looking over the oil situation in this county. Mr. Willie is a former resident of Crowell and was assistant cashier of the First State Bank during the time he lived here.

The News received a letter and check from Herman Halsell of Sanderson, however, the cold spells have had the coldest winter since he and his mother have been living at Sanderson, however, the cold spells have been of short duration, never over two days.

M. H. Bishop of the Vivian community was in town Monday. Mr. Bishop has been living on the farm of G. Y. Carroll for the past two years but is moving this week with his family to the Swearingen community and ordered his paper changed to Route 1, Swearingen. Mr. Bishop has been living in the county for seventeen years and has been a reader of the News ever since he has lived here.

A letter from W. B. McCormick of Los Angeles this week contained a check for the paper another year. Mr. McCormick is an electrician for Metro-Goldwyn-Mayer Studios, motion picture producers. He says they have just finished a good picture starring Joan Crawford and Johnny Mack Brown, the title of the which is "Montana." Mr. McCormick is a former manager of the Haskell Telephone Co. of Crowell and he and his wife were residents of this city for many years and have a host of friends here.

Crowell High Wins Over Chillicothe Tuesday Night

The largest crowd of spectators to witness a basketball game in Crowell this year was present at the local gymnasium Tuesday night to see Crowell down Chillicothe by the score of 41 to 26 in one of the most interesting games that has been played here this year. Spectators completely surrounded the court, two and three deep.

During the first half, first one team and then the other was in the lead with neither team gaining more than a two point lead. Chillicothe scored first during the game, and as far as the writer can recall, this is the first time this season that a visiting team has scored first.

The game was featured by the star work of the two centers, Burrow of Crowell, and Ramsey of Chillicothe. Ramsey was high point man of the game, scoring 16 points, with Burrow a close second with 15. The Todd brothers played an excellent defensive game and in addition, Guy Todd scored 9 points. Coburn also played an excellent game for Chillicothe. Crowell led the first quarter, 12 to 11, and widened the lead to 22 to 17 at the half. Crowell was still in the lead in the third quarter with a score of 31 to 24 and held Chillicothe to only two points in the last quarter while scoring ten more points.

CROWELL	CHILICOTHE

LETTERS, PICTURES, AND APPLICATIONS COMING TO OUR OFFICE DAILY

Chillicothe, Texas. Jan. 16, 1930.

Dear Uncle Allen. Was glad to get your letter, and very glad to know your name. I am sending you one of my pictures—it was made when I was 7 years old—as you know I am 8 now and in the 3rd grade. My teacher's name is Miss Annie Latimer, and I sure do like her. Now Uncle Allen, I didn't get one of your Testaments, as you know I live so far off, but I sure would be glad to get one if you would send it. Just one of the Little Cousins, Frances Worley.

Thanks, little cousin, wish we had space to publish all of our class C letters. Uncle Allen (L. A. FOSTER), Sec.-Treas. of the Mutual Protective Life Association L. A. FOSTER, Sec.-Treas. Crowell, Central Office at Ferguson Bros.

Freeze Cuts Citrus Yield in the Valley

Edinburg, Texas, Feb. 3, (UP).—Damage done to citrus trees and fruit in the lower Rio Grande valley by the last freeze cannot be determined with any degree of accuracy until at least three months have passed, according to John W. Kirkpatrick, county farm agent.

Two periods of extremely low temperatures preceding the last freeze drove the sap down in the trees and thereby prevented them from being damaged as greatly as they would have been had the last freeze struck without any previous cold weather, he declared.

Young two-year-old trees and large acreages of seedlings have been hurt immeasurably by the cold wave. Bark has been split from the younger trees and is now hanging from the boles. Some orchards suffered worse than others. Fruit in a few orchards was not damaged at all, while growers from various parts of the county declared that all fruit remaining on their trees had been frozen to varying extents.

Approximately 25 farmers each day come to the offices of the farm agent asking for advice as to how they should care for their trees. Kirkpatrick says that the only aid that may be given trees is to bind the splintered bark with cloth and then let nature take its course.

NOTICE

No wood cutting, no fishing, no trespassing will be allowed in Wishon's pasture. Offenders will be prosecuted. J. W. WISHON.

Income Tax to Be Used as Race Issue

Austin, Texas, Feb. 3, (UP).—A state income tax, which was defeated in the fact of Gov. Dan Moody's backing before the regular session of the state legislature, will be made a campaign issue this summer. T. S. Mauritz of Ganado, author of the state income tax bill, renounced during the week that he will run for governor with the income tax as his platform.

Mauritz says he will make no effort to bring the matter up at the special session of the legislature, since Gov. Moody has announced that it will not be submitted.

This bill proposes substitution of an income tax for the state ad valorem tax now in use to raise state revenues. Primarily it is to relieve the farm of tax burdens, Mauritz points out.

Farm relief seems to have become the popular campaign slogan. Earl Mayfield made it the big plank in his platform recently announced. The former U. S. Senator made it a two-edged sword. He proposed a state bond issue for purchase of farms to be resold by the state on long time at low interest. The second edge to the proposal is that it takes a sweeping cut at the proponents of a state-wide road bond issue.

The road bonds have been advocated to relieve the farms of road burdens and put them on the road users. Mayfield in effect says if you want a bond issue to help the farmers, make it a bond issue primarily for them. Incidentally he announces opposition to a road bond issue.

Crickets are a serious pest in the cotton field of California.

THE FIRST STATE BANK

Tobacco Users Few In Dallas University

Dallas, Texas, Jan. 30. (UP).—Less than half the men students at Southern Methodist University smoke and twice as large a sum is spent for reading matter as for nicotine, a survey conducted by President Charles C. Sealeman revealed.

Cigarettes represent an annual item of \$29,710.80 for the 1179 men students, while \$55,354.05 is spent for books and magazines, the statistics revealed.

Sweets—cold drinks and candy—are two and a half times as popular as smokes, representing annual expenditure of \$71,305.92.

Fifty-six per cent do not use tobacco in any form, while less than 44 per cent do, according to Dr. Sealeman's figures. This means that of the 1179 students, 660 are nonsmokers, while 519 indulge.

The average for smokes per student is ten cents a day, or less than the average price of a package of cigarettes.

Classified Ads

PHONE 43

If you have anything to sell, or want to buy or exchange something, a classified in the News will do it for you.

Rates are 10c per line, six words making a line, minimum charge for an ad one time is 25c.

A Classified Ad Will Do It

It is a fact, the classified column in the Foard County News furnishes the simplest, most economical and absolute the best method for the people of this section to dispose of various items, to secure what they want, to rent a room, to recover lost items, and accomplish other results too numerous to mention.

MRS. HOUSEWIFE—Maybe you have a spare room to rent, or a piece of furniture to dispose of, or possible you want boarders. If so try a classified ad for results. We have had a number of strangers to call at our office recently to look over the classified section in regard to rooms and residences.

MR. FARMER—Possibly you would like to sell some live—you may have an implement you do not need. A small amount of stock, or maybe buy some, and spent on a little classified ad can easily bring you a neat profit.

TO THE GENERAL PUBLIC—If you want employment, if you wish to recover a lost animal, or just anything you wish to express, remember that a CLASSIFIED AD in the News furnishes your best chance for results.

CHURCHES

Christian Science

Sunday, 11 A. M., Subject for Sunday, February 3, 1930, "Spirit." Sunday School at 9:30. Wednesday evening service at 8:00. The public is cordially invited.

Baptist Church News

Last Sunday was a happy day in Baptist ranks. The pastor filled the pulpit at both hours and spoke to an appreciative audience. The crowds were all he could expect. His heart was made very happy to see the large number of young people who stayed for the preaching service.

We have, perhaps, the finest bunch of young people to be found anywhere. They are the very salt of the earth, and we believe they will throw themselves into the activities of the church this year as never before. We are planning some great things for them in the near future.

We take this method of expressing our gratitude to the entire church for granting us the leave of absence for January. Following our operation, we were shot to pieces nervously and on the verge of a complete breakdown. But now, we return full of pep and enthusiasm and feel that this will be a greater year's work than last. There is no doubt that last year was the greatest year's work that this church ever witnessed. Now with everybody pulling together for the glory of God and the upbuilding of His Kingdom, we face unlimited opportunities. May we face them like real big men and women ought. Here's hoping that every Christian and every Church in Crowell will major on soul winning and good will to all during 1930.

We trust all of our fine men will be present next Sunday. We will strive to give them a helpful message. In these days, men and women ought to strive hard to live daily the principles of the Religion of Jesus Christ. Perilous times sweep our nation and God's people are called on as never before to show to the world Jesus.

Sunday School at 9:45; preaching, 11 a. m. and 7 p. m.; young people's meeting at 6 p. m. If you are not attending church or Sunday School give us a visit Sunday and look us over. You will receive a welcome and a blessing. Special music by the choir. Intermediates will sing.

Next Tuesday the pastor and some laymen will go to Wichita Falls to a special rally in which Dr. George W. Truett and Dr. W. R. White of Dallas will be the principal speakers. WOODIE W. SMITH.

At the Methodist Church

Sunday School promptly at 9:45 a. m.; preaching at 11 a. m. and 7:15 p. m., Hi-League at 6:15, Senior League at 6:45, Woman's Missionary Society, Monday at 3 p. m.

The attendance at all the services last Sunday were much better than the previous Sunday. As weather conditions continue to clear up, we hope to find the attendance improving. Everybody should attend some church on the Sabbath Day. The doors are open at the Methodist Church, to welcome all who might enter.

We are planning a message of special interest for next Sunday and are exceedingly anxious for every member of the church, especially, to be present. Now, if all were conscious of how disappointed we shall be if there is not a full house, I am sure that an extra effort will be put forth to be present. Were you ever disappointed? Then you know how it feels.

The church will begin the study of Missions at the evening hour next Sunday. There will be six lessons. One hour each evening through next week, closing Friday evening. The text book is "The Church, and the World Parish." Those who have the book, study it carefully. Those who do not have it, come and attend the classes, and get all the good from the study that you can. This means every member of the church. All others who may care to attend are invited.

I'll meet you at the Methodist Church next Sunday morning. B. J. OSBORN.

The Christian Church

We have went over the top in attendance Sunday for both Sunday School and Church. We had 80 present for Sunday School and 91 present for church. It just takes cooperation from every individual in both church and school to put the program over. And if you were absent you were missed. For we always miss the ones who are absent.

Everyone should have been at Church Sunday night, the boys and girls of the church did the singing for us. Say, but it was fine.

At Sunday School next Sunday the contest begins in earnest. As it happened the contest did not begin last Sunday because we were unable to decide on a grading basis. That is all worked out now, and the percentage will be decided on each individual. Attendance 65, Bible reading 20 and offering in an envelope 15. And the one having the best lesson in each class will receive honorable mention in the papers. Just as a start the "Front Rank Pennant" was awarded one of the classes. Shall they be allowed to keep the pennant? What are these other classes going to do? Be sure and come on time. Sunday School begins at 9:45 a. m. Morning worship begins at 11 o'clock. Everyone needs to worship each Lord's day. Come for Sunday School and stay during the worship service. Please, at least stay during the Communion Service.

Sunday night we shall have a special service. The young people will sit in the choir and do the singing. And we want every young person in the church to give a play. We want all the grandmothers, granddaddies, mothers and daddies to be present Sunday night. Don't forget! JOHN G. CLARK.

Fifteen Years Ago In The Foard County News

FEBRUARY 5, 1915

Residence Burned The S. E. Norris residence in the northwest part of town burned to the ground about noon Monday. The family were on their way to town when they looked back and saw their home in flames. Nothing was saved.

A Good Shower A good shower, accompanied by some hail, visited this part of Foard County Saturday afternoon. Prospects for another good wheat crop are good.

J. H. Robinson Dead J. H. Robinson, one of our oldest and most highly respected citizens, died at his home here early Monday at the age of 73 years. The remains were interred in Crowell Cemetery Thursday morning.

F. Alverson of Dallas has leased the Sink Studio, Mr. Sink having decided to return to Vernon.

There are practically no desirable vacant houses in Crowell at present. Crowell and the country in general are in good shape and many strange faces are seen on our streets every day.

Twenty Years Ago In The Foard County News

After several weeks confinement to his bed, B. F. Hallmark, passed away Saturday night. Burial services were held at the Baptist Church Sunday afternoon after which the Masonic fraternity took charge and laid the remains in the city cemetery. The Hallmark home was again made sad by the death of J. S. Hallmark Monday as the result of an accident from which he never regained consciousness.

Entertainment Receipts The "Deestrick Skule," by home talent, was pulled off at the opera hall in grand style Friday night. The house was crowded to the limit and the Woman's Home Mission Society realized over \$100 from it.

D. M. Ferebee announces for tax assessor.

Atlanta, Georgia, is made the headquarters for the prohibition movement in the Southern states.

Mrs. Vannoy Dead Mrs. Lettie M. Vannoy, wife of I. R. Vannoy, died yesterday. The funeral services were held at the Methodist Church this afternoon after which interment took place at the city cemetery.

Carl Thacker has bought W. S. Bell's new Overland car.

The Cooper hotel is undergoing some improvements in the way of a new gallery.

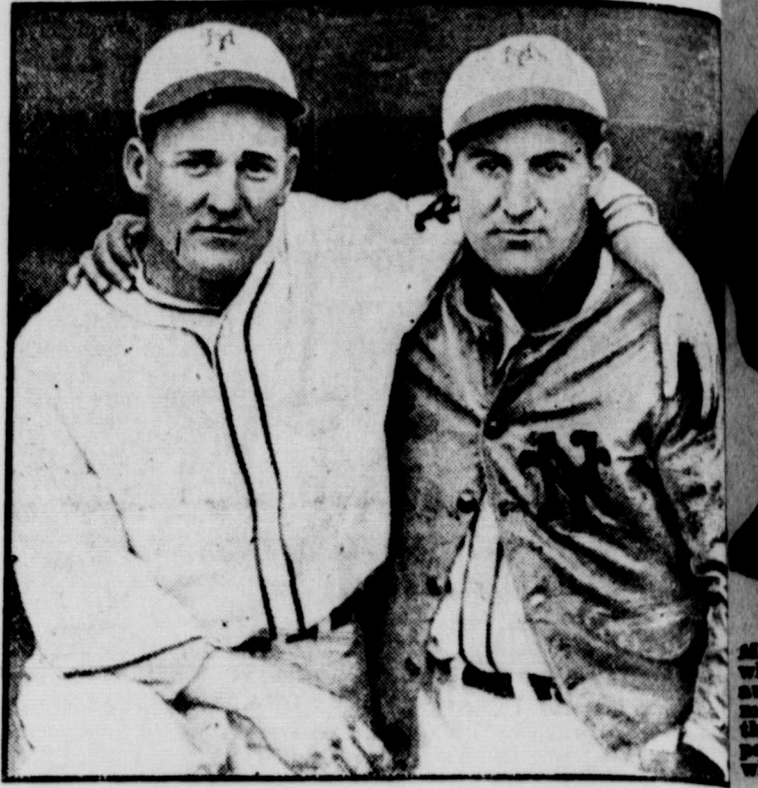

Grandma Teague died Tuesday night at the home of her son, Henry Teague, in the Black community and was buried Wednesday in the Crowell cemetery.

J. R. Bell bought the Burress place east of town last week. He is from Johnson county and thinks he can get others to come to this county.

Papers Consolidate According to recent arrangements the Crowell Index will be consolidated with the Foard County News hereafter and only one paper will be issued. Mr. Roberts sold the Index plant to Messrs. Potts and Power the first of the year and the announcement of the deal through the columns of the Index was awaiting other business matters when Mr. Roberts took sick. The machinery and type of the Index will be transferred next week to the home of the News plant.

Mrs. Miller Dies Mrs. A. T. Miller, who has been living 6 miles south of Crowell, died last Friday night of asthma. Funeral services were conducted at the Methodist church Saturday after which the remains were laid to rest in the city cemetery.

Rivals but Not Bitter

LIVELY COMPETITION between Andy Reese (left) and Andy Cohen (right) of last two seasons will be experienced this year in Glenshire camp by battle between Reese and Eddie Marshall, for Rogers Hornsby's old job at second base. Cohen will join Newark club when critics predict, he will be one of the biggest men in the Internationals League. Though Reese and Cohen were deadly rivals for the past two seasons, they were always pals, as indicated above.

said order of sale, shall place the purchaser in possession thereof, and for such other and further relief, special and general, either at law or in equity.

Herein fail not but have before said court, at its next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said court, at office in Crowell, Texas, on the 22nd day of January, A. D. 1930. (Seal) IDA REAVIS, Clerk District Court, Foard Co., Tex. By A. G. MAGEE, Deputy. 34

More than 100 different chemical compounds go in to the making of automobiles.

RAYLAND

Rev. Buel Bradford of Abilene preached at the Rayland Baptist Church Sunday morning and night. A good crowd attended both services. Mrs. M. T. Mears is on the sick list. Luther Ward and family and Mrs. Sam Kuehn of West Rayland visited Mrs. Mollie Clark Sunday afternoon. Five-in-One High School boys played Medicine Mound boys at Vernon Saturday night. The scores were 30 and 35 in favor of Medicine Mound. Arnold Young made a business trip to Oklahoma Saturday. The Antelope Home Demonstration club met with Mrs. T. F. Lambert Monday afternoon. Mrs. Mollie Clark is ill. Will Clark returned last week from Crockett. There will be singing at the Baptist church Sunday night. L. E. Martin and family who have been working for Fred Jones are now living in E. I. Edwards rent house.

An extensive burial place dating back to the third century has been discovered in Germany. It was used by the Goths.

A press dispatch quoted a minister the other day as saying that girls want husbands. In at least one particular, then, they are old-fashioned.

GAMBLEVILLE

Mr. and Mrs. Homer Zeibig and children and Mr. and Mrs. Meadors of Crowell visited Mr. and Mrs. Vernon Pyle and family Sunday. Mr. and Mrs. Cecil Starnes visited Mr. Starnes' parents, Mr. and Mrs. J. C. Starnes, of Thalia.

George L. Carroll of Crowell spent Saturday night with Elton Carroll. Mr. and Mrs. Will Gamble of Crowell visited Mrs. Mollie Free and family Sunday. A large number of people attended Sunday School Sunday morning. There will be a singing at the school house next Sunday night. Those who attended church Sunday night at Thalia were Mr. and Mrs. Vernon Pyle and family, Opal Carroll, Hoyt Turner, Ray Jonas and Mr. and Mrs. Dave Shultz. Mr. and Mrs. Dave Shultz spent Saturday with her mother, Mrs. Cato, of Thalia.

Mrs. Mack Gamble and daughter, Hazel, visited Mrs. Gamble's mother, Mrs. Huskey, and family of Thalia Saturday. Mrs. Deb Patton is some better at this writing. Mr. and Mrs. Richard Johnson and family went to Vernon Monday. They visited Mr. Johnson's parents. Mrs. Jim Bailey is on the sick list this week.

Mr. and Mrs. J. C. Starnes of Thalia visited Mr. and Mrs. Mack Gamble Monday afternoon. Mr. and Mrs. Mack Huckabee and family of Jameson visited their daughter, Mrs. Washburn, and family.

THE STATE OF TEXAS

To the Sheriff or any Constable of Foard County—Greeting:

You are hereby commanded to summon G. T. Oliver, his heirs and legal representatives; W. O. Stark, R. O. Stark, Orlin Stark, Mrs. Jeanett Morgan joined herein by her husband, Eldon Morgan, and their heirs and legal representatives, by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Foard County, to be holden at the court house thereof, in Crowell, Texas, on the third Monday in February, A. D. 1930, the same being the 17th day of February, A. D. 1930, then and there to answer a petition filed in said court on the 21st day of January, A. D. 1930, in a suit numbered on the docket of said court No. 2121, wherein Foard County, Texas, is plaintiff, and G. T. Oliver, his heirs and legal representatives; W. O. Stark, R. O. Stark, Orlin Stark, Mrs. Jeanett Morgan joined herein by her husband Eldon Morgan, and their heirs and legal representatives are defendants, and a brief statement of plaintiff's cause of action, being as follows: That on or about the 10th day of September, A. D. 1909, G. T. Oliver made, executed and delivered to plaintiff his certain promissory note for the sum of \$1327.50, and due on 10th day of September, 1929, payable to the order of Foard County, Texas, bearing interest at the rate of 5% per annum from date until paid, and stipulating for 10% on principal and interest as attorney's fees if placed in the hands of an attorney for collection. Said note was given in part payment for a certain lot or parcel of land in Bailey County, Texas, and being Subdivision No. 14 out of League No. 195 of the Foard County school lands, and containing 177.1 acres of land. And that in the conveyance of said land by plaintiff herein to G. T. Oliver, a lien was reserved to secure the payment of said note, and that said note is due and unpaid and the interest thereon is due and unpaid, and defendants, though often requested, have failed and refused to pay said note or any part thereof. That said land above mentioned was on February 9, 1911, conveyed to W. O. Stark and the said W. O. Stark assumed payment of said note; on March 23, 1914 said land was conveyed by deed to R. O. Stark who assumed payment of said note, and on April 5, 1920, same was again conveyed to W. O. Stark who again assumed payment of said note, and on September 18, 1921, Mrs. W. O. Stark died, leaving as her heirs at lat, R. O. Stark, Orlin Stark, sons, and a daughter, Mrs. Jeanett Morgan whose husband is Eldon Morgan. And that said defendants, W. O. Stark and R. O. Stark in assuming payment of said note, became bound to pay same according to its tenor and effect. That said note has been placed in the hands of O. D. Beauchamp, an attorney, for collection, and plaintiff has contracted to pay him the usual and customary 10% attorney's fee. Wherefore, plaintiff prays the court that defendants be cited to appear and answer this petition, that he have judgment for his debt, interest, attorney's fees and costs of suit, and for the foreclosure of his lien on the above described land and premises, and the same be decreed to be sold according to law; that the sheriff, or other officer executing said Order of Sale, shall place the purchaser of said property, sold under order of sale, in possession thereof, within thirty days after the day of sale, and for such other and further relief, special and general, that he may be entitled to at law or in equity. Herein fail not but have before said court, at its next regular term, this writ with your return thereon, showing how you have executed the same. Given under my hand and the seal of said court, at office in Crowell, Texas, on this 22nd day of January, A. D. 1930. (Seal) IDA REAVIS, Clerk, District Court, Foard Co., Tex. By A. G. MAGEE, Deputy. 34

An Iowa business man feeds birds by way of a hobby. He spent \$1,000 building a 100 room apartment on a pole for his visitors.

THALIA

E. G. Grimsley and family visited A. C. Stalcup and family in Harrold Sunday. They were accompanied home by Mr. Grimsley's mother, who will visit them awhile. Eastland Woman Is Benefited By It

"Osgatone Has Certainly Helped Me Over a Year's Trouble and I Am Very Glad to Say a Good Word for it," Says Oil Man's Wife.

"Osgatone has certainly helped me over a year's trouble, and I am glad to give this statement, for I have been more than benefited by it," said Mrs. John Fehl, of 1307 South Seman, Eastland, Texas, wife of a prominent contractor and oil man. "I suffered from stomach trouble," she continued. "I had to be very careful of the food I ate, for fear it would disagree with me, for often times I suffered severely from indigestion. Gas formed on my stomach and I would feel full, puffed and bloated. I had a tired sluggish feeling and was tired and worn out all the time, and didn't have any pep at all. I was restless and nervous and didn't get the proper amount of sleep, and some nights would roll and toss all

night long. I had a terrible case of constipation, and was continually taking some sort of strong laxative all the time. "Osgatone was advertised so highly in the local papers, and over the radio, one day I decided to give it a trial. I have just taken one bottle and you should see me now. I am feeling better now than I have for a long time. My stomach trouble has disappeared, and my digestion is back to normal. I sleep fine every night, and all that tired, worn out feeling is gone. I seem to have more life and energy. I do not hesitate to recommend Osgatone for it has proven just the medicine for my case." Genuine Osgatone may be obtained in Crowell at the Reeder Drug Store. (Adv.)

SPLINTERS

THE PLEA OF THE UNBUILT HOUSE

I am the unbuilt house—build me therefore into a home.

Build me with loving hands, with eager heart. Build me eternity. For as you build, so shall I stand ever over you...

Build me to last. For I shall be your haven and your child's haven. Build me strong—and beautiful. Let me sit back from road, a figure of repose...

Clothe me in color. Let nature breathe its goodness where it may reach. The protection of trees, the affection of vines and warm smile of flowers—these things I need in abundance.

And let the friendly welcome of the latching string trace its way through the lines and colors of every room. Let me shine and laughter.

Build me now, while the years are young, while we can be happy and useful.

Yours truly, SPLINTERS.

Taxes

(Continued from Page 1)

County poll tax payments amounted to 1,644 compared with 1,319 for last year.

City Payments According to R. J. Thomas, city tax collector, over 85 per cent of city taxes have been paid, with a total of \$20,223.57 received to February 1st.

City property taxes assessed on the rolls amount to \$22,823.10, and of this \$19,384.25 have been collected. Mr. Thomas stated that 141 persons paid the special street tax. Poll tax payments amounted to 210, a gain of 9 over last year, which was the city voting year.

School Payments School tax payments for the Crowell Independent School District amounted to \$23,400.00 on February 1st, according to G. A. Mitchell, school tax collector. This is about 90 per cent of the total amount, which is about \$26,000.00. The payments have gone far beyond my

expectations," Mr. Mitchell stated in commenting upon the situation.

County Assessor Ready Claude Callaway, county tax assessor, stated that he would be ready to start his assessing work about February 12th. Since the first of the year he has spent most of his time mailing out renditions to non-resident property owners.

No Extensions Here Tax payments have been so good in Crowell and Foard County that no extension of the time before penalty will be attached for delinquency will be made. In view of the fact that some other sections are making extensions, some thought that the plan would be followed here. In Quanah city and school tax paying time has been extended until March 1st.

Card of Thanks We wish to take this method of expressing our most sincere appreciation and thanks to our friends for the kind assistance and expressions of sympathy during the sickness and death of our husband and father. We especially wish to thank the Thalia Baptist church for the use of its church for the funeral.

SWASTIKA BRIDGE CLUB

Mrs. O. O. Hollingsworth was hostess to the Swastika Club and four guests on last Thursday afternoon. The guests were Mesdames Sidney Miller, Everett Bell, R. J. Roberts and Eula Lemons.

The house was decorated in hearts and cupid's in keeping with the Valentine season. Tally cards and scorepads also followed the same motif. There were three tables of players and Mrs. M. O'Connell made high score and Mrs. Everett Bell second. The prize for high was a heart-shaped box of candy and for second it was a radio log.

The refreshment plate also suggested Valentine with colorful chicken sandwiches, salad and cake. Hot chocolate was also served.

PRIMARY AND INTERMEDIATE ART CONTEST CLOSED WITH GOOD RESULTS

The Art Contest which was given in the intermediate and primary departments of the Crowell schools closed recently with gratifying results. The high seventh grade with Teddy Burrow as teacher made the highest average in the intermediate department which was 99.2-3 per cent. The other grades in the intermediate department were as follows: high fifth, 97.6-7; low sixth, 99.1-3; high sixth, 99.1-7; low seventh, 95. Ninety-three individuals scored 100 per cent.

In the primary department the room grades were as follows: low first, 100; high first 100 per cent; low second, 100; high second, 100; third, 100; low fourth, 100; high fourth, 100. 185 individuals made 100 per cent. The department average was 99.6 per cent.

The pictures studied were given in graded lists, each grade studying a different set of pictures. Ninety different pictures were studied through the seven grades.

Prizes will be given all individuals scoring 100 per cent and two department prizes will be given to high per cent rooms.

The art of picture memory contest is sponsored by the Adolphus Club of Crowell and proves an interesting and important feature of the year's work each year.

A program was given Wednesday morning as a climax to the art contest work in which pictures which had been studied by the different grades were posed by pupils from those grades. Appropriate music and readings were given in connection with the poses.—Contributed.
