CROWELL-OLNEY MEET FRIDAY

"ACHIEVEMENT DAY" WILL BE HELD CROWELL SATURDAY; EXHIBITS OF VARIOUS KINDS TO BE SHOWN

"Achievement Day" will be held in Crowell Saturday with various kinds of exhibits from the home demonstration clubs and 4-H clubs of the county on display at that time. Preparations for the exhibits have been made throughout the week and there has been considerable activity in the Russell building during the few days preceding "Achievement Day". Home demonstration clubs will have the following exhibits: 4-H canned goods; thrift; poultry; quilts; home improvement products; sewing; rugs and mats. 4-H club boys will have exhibits of grain sorghums, an exhibit of the progress made in 4-H and swine work, along with features. In connection with the other exhibits there will be a display of club stock and Shorthorn and Jersey from other farmers of the county at the M. S. Henry & Company's complement yard. In case of threatening weather the exhibit will be exhibited in a building at the Johnson wagon yard. The effort has been put forth by officials, members and the boys, Miss Dosca Hale and Jennels, to make "Achievement Day" an outstanding success and in the face of obstacles that have confronted the exhibitors it is felt that "Achievement Day" will be a real success and a large crowd is expected to view the exhibits.

LARGE ASPHALT MACHINE STRUCK BY BOX CAR WED.

A serious accident was narrowly averted very early Wednesday morning at the crossing near the Santa Fe depot when the front end of the large black asphalt truck that is being used to spread this material on the highway west of Crowell, was struck by a box car, which was being switched in the local yards.

Raymond Bailey, driver, Hays Malone and George White were on the truck when it was struck but no one was injured and the radiator to the huge truck suffered the principal damage. As Bailey was driving the asphalt plant he noticed a box car approaching out of the darkness as he drove upon the crossing. He quickly reversed the machine in time to prevent a serious accident and only the front end of the truck was struck.

Beaver and Vivian Schools Open Monday

The Vivian and Beaver schools will open their terms Monday. The Vivian faculty includes Mr. and Mrs. T. C. Davis and Miss Irene Patton. Miss Florence Griffith and Miss Dorothy Florence Hinds are the Beaver teachers.

H. S. MAINTAINS UNDEFEATED RECORD IN WINNING 7 TO 0 OVER BURKBURNETT HERE LAST FRIDAY

After a touchdown in the first half of play as the result of a fumble on their own side, Crowell barely defeated Burk Burnett Bulldogs here Friday by the score of 7 to 0. The ball on the 17-yard line was worked to the one-yard line from which Middleton carried off a touchdown. Doyle drop kicked for the extra point.

R. H. Cooper I, II, III, IV Together This Week

Four persons, R. H. Cooper, I, II, III and IV, were together in Crowell this week with the arrival of Rev. R. H. Cooper from Dallas, who left Thursday morning after a visit with Nos. II, III and IV and other relatives and friends here. He was accompanied on the visit by his daughter, Mrs. Wm. E. Knight, also of Dallas. They arrived here last Saturday. Despite his 84 years Rev. Cooper seems to be enjoying the best of health. He has been actively associated with the ministry since 1871, and is now secretary of a trust fund for superannuated preachers.

M. H. BISHOP OF VIVIAN CALLED BY DEATH NOV. 4

M. H. Bishop, 68, died at 12:15 o'clock Wednesday morning at his home about 18 miles west of Crowell in the Vivian community. He became ill last Friday from a cold that he caught while serving as night watchman on the highway under construction west of Crowell. The cold that he caught during a rain on one of the nights developed into bronchial pneumonia and his condition gradually grew worse until death.

Funeral services were held at the Crowell Cemetery Wednesday afternoon with Rev. C. V. Allen, pastor of the Crowell Christian Church, officiating. Mr. Bishop had been a resident of Foard County since 1911 and had lived in the Vivian community ever since coming here. He had engaged in farming during all this time. Mack H. Bishop was born on Sept. 13, 1863, in Pawpaw, West Virginia. At the age of 24 he came to Texas and settled in Coryell County. A year later he married Melissa Mandrel in that county. Five children were born to this union, 3 of whom survive along with Mrs. Bishop. In 1890 Mr. and Mrs. Bishop moved to Robertson County and from there they came to Foard County in 1911.

Those surviving are Mrs. Bishop; one daughter, Mrs. I. A. Foster, of Spur; two sons, George Bishop of Leavenworth, Kansas, and Eldridge Bishop of Vivian. Two sisters, Mrs. Charles Robertson, of Town Creek, Maryland, and Mrs. Howard Detz, of Baltimore, Maryland. Mr. Bishop was genuinely loved by all who knew him and his death is not only mourned by his own relatives, but by a great host of friends as well. His neighbors state they have never heard anything against him and that he was as true a friend and neighbor as anybody could wish for.

The George Washington Bridge across the Hudson River, opened on October 23, is two-thirds of a mile long between spans. It cost \$60,000,000 and took four years to build. It is expected to pay for itself by tolls, after which it will be free to traffic between New York City and Northern New Jersey.

New Produce Business Opened Here Wed.

A new business opened in Crowell Wednesday when the operation of the Armour Creameries was started in the Fox building next to Shelton Grocery. The company is now in the market for turkeys, chickens, cream and eggs. Jack West of Munday and I. C. Jeter of Plainview have moved here and are now in charge of the business.

Pep Rally to Be Held At Auditorium Friday

A pep rally is to be held at the high school auditorium Friday morning of this week at the regular assembly program, beginning at 8:50 o'clock and everybody is invited to be present for it. The pep rally will precede the important football game with Olney that is to follow in the afternoon. It is hoped that the auditorium will be packed for the occasion.

PRIZES WILL BE GIVEN 4-H CLUB BOYS SATURDAY

Prizes for the 4-H Club boys of Foard County that are the winners in the grain sorghum contest, conducted through the work of the county agent, Fred Rennels, will be awarded here Saturday in connection with the "Achievement Day." In order to create more interest in finishing out for market the good feeder calves that are produced in this section, a number of club boys of Foard County planted five acres each of either milo maize, beggar, kaffir and feterita and to supplement this work and further encourage interest in it the Waggoner Estate of Vernon, through Bob More, and the Y Ranch of Foard County, through L. K. Johnson, owner, are donating two good Hereford calves to be used as prizes in this contest. A third prize, a pure-bred Duroc Jersey pig, is being given by W. H. Cunningham of Rochester, Texas. The records of the club boys finishing the contest will be judged Saturday by R. E. L. Patillo of Vernon, Wilbarger agent, and L. T. Hunter, Hardeman agent, and the prizes will be awarded shortly after the judging is completed.

CROWELL PLAYS MUNDAY MOGULS ARMISTICE DAY

Armistice Day here next Wednesday will be featured by a football game between the Munday Moguls and the Crowell Wildcats. A good game can usually be counted upon when these two teams meet. Munday defeated Crowell at Munday last year and although they were defeated in a return game here they succeeded in scoring on the Wildcats, which was the first time that the local goal line had been crossed in two years. The game is scheduled to start at 3 o'clock and the admission will be 15c and 25c.

Over Four Thousand Bales Cotton Ginned

Total cotton ginnings in Foard County up to Oct. 18 had amounted to 4,577 bales, compared with 1,527 bales for the same time last year, according to official information from the bureau of census at Washington. W. B. Griffin is the bureau's representative in Foard County. Cotton ginnings at the two Crowell gins amount to over 2,400 bales.

CHAMPIONSHIP OF DISTRICT NO. 3 IS AT STAKE IN BATTLE BETWEEN UNDEFEATED TEAMS HERE FRIDAY

The largest crowd that ever attended a football game in Crowell is expected here Friday afternoon at 3 o'clock when the Crowell Wildcats meet the Olney Cubs in the most important football game that has ever been played in this city. The championship of District 3, Class B, is at stake in this crucial contest for the Wildcats and Cubs are the only undefeated teams remaining in the district, which also includes Chillicothe, Archer City, Megargel, Munday, Burk Burnett and Seymour. If Crowell wins this game then the coveted championship of the district will be practically clinched, for the Wildcats will then have to defeat only Munday and Megargel, whose teams thus far have provided fairly weak competition in the district race. Olney has held the district championship for the past few years and has made the greatest record of any Class B team in West Texas and if Crowell can only defeat this powerful club they will be sitting on top of the world, so to speak. Last year Olney won the district and then defeated Nocona for the bi-district. West of here Dalhart and Slaton were the winners of their districts and Slaton won the bi-district. Olney then defeated Slaton for the regional championship, which is as far as Class B football goes. Olney is rated by most observers as having as strong a team this year as last year, but nevertheless local fans have all the confidence in the world in their Wildcats and believe that they are going to bring Crowell the greatest football glory in its history by downing the Cubs in the

Wildcat den here Friday. If Crowell wins the championship of this district, then the Wildcats will likely be pitted against the Masonic Home team of Fort Worth, which seems certain to succeed Nocona as champions of District 4. In downing Chillicothe, Archer and Burk Burnett, the Wildcats have pushed aside three outstanding obstacles, with but one more, the most powerful of all, Olney, remaining. If Olney should defeat Crowell, it will still have Archer City and Chillicothe to deal with, so at present Crowell is sitting in a much more favorable condition. Mitchell Allee, regular center, will be out of the game on account of injuries received in the Burk Burnett game and at a Halloween party Saturday night. A ruptured blood vessel on his right hand was suffered in the Burk game and a severe gash below his left eye resulted at the party when the back of Recie Womack's head struck this point when the two collided head-on while running from one room to another during a party game. Fans believe that the Wildcats will show a much greater fighting spirit in the Olney tilt than they did in the Burk game and that the Wildcats will be fighting "all for one and one for all." Crowell has not lost a game on its own grounds in over three years and Coach Grady Graves and his Wildcats are determined that Olney shall not spoil this record. The good wishes of all local fans go with the Wildcats in protecting this record and in winning for Crowell the greatest victory in its football history. "Wildcats—Crowell knows you can win this game!"

ADDITIONAL PAVEMENT ON HI-WAY NO. 28 NOW OPEN TO TRAFFIC; 12 MILES COMPLETED WEST OF CITY

Pavement is now open to traffic for a distance of over twelve miles west of Crowell, an additional stretch of the tripe bituminous surface road having been completed this week. The stretch is now located at Whatley's Filling Station. The gap of a little over seven miles to the Cottle County line should be completed shortly after the first of the year, if favorable weather conditions exist, according to Andrew Jensen, supervisor of the construction work for J. Lee and E. A. Vilbig, contractors. The base has been completed to a point within about two and three-quarters miles of the Cottle line. Another stretch of the road will be ready for the asphalt treatment within about three weeks.

Crowell Second Team Loses to Childress

The Childress second team defeated the Crowell reserves 13 to 0 in a football game at Childress last Thursday afternoon. Lorain Carter, fullback, and Melvin Joy, right end, were the outstanding stars for Crowell. Swafford, fullback, was the outstanding star for Childress. Both of Childress' touchdowns were scored by Roney, quarterback, the first of which came in the third quarter and the other near the end of the game.

TURKEY SCHOOL CONDUCTED IN CROWELL MON.

Paul Cunyus, poultry specialist of A. & M. Extension Service, conducted a turkey grading school in Crowell Monday with the co-operation of the local extension agents, Fred Rennels and Miss Dosca Hale. The attendance at the school was good with many present from various parts of this section. The group met in the district court room at 10 o'clock in the morning and after hearing a lecture on the selection of breeding stock, brooding and finishing, for market, the school adjourned for lunch and then at 1:30 the afternoon session opened at Johnson's feed store, where a demonstration was given on grading, killing, picking and preparation for market. Seven turkeys were killed. Mr. Cunyus demonstrated the proper method of killing and bleeding in order that the bird might be in the best of condition for the consumer. Mr. Cunyus especially stressed the importance of properly feeding turkeys a few weeks before putting them on the market. He also advised against selling the early hatched turkeys and against keeping smaller undeveloped birds for breeding. Among the outsiders present at the school were a few turkey dealers from neighboring towns: L. T. Hunter, Hardeman county agent; O. E. Hafvner, Childress county agent; R. E. L. Patillo, Wilbarger county agent; Miss Doris Leggett and Miss Elsie Phillips, home demonstration agents of Wilbarger and Hardeman counties. The vocational agriculture class

MARGARET

quite ill since Saturday, is improving. We take this method of telling the many friends of Grady Weathers that he is slightly improved after having a serious hemorrhage about two weeks ago. He was removed to the men's infirmary where he has a room, special treatment and diet and must remain flat in bed for three months. The letters, which he will appreciate more now than ever, should be addressed in care of Men's Infirmary, Sanatorium, Texas.

School opened up here Monday with study hours from 8 until 3 on account of cotton picking.

This Woman Lost 64 Pounds of Fat

Mrs. H. Price of Woodside, L. L. writes: "A year ago I weighed 190 lbs. I started to take Kruschen and now I weigh 126 and never felt better in my life and what's more, I look more like 20 years old than the mother of 2 children, one 10 and the other 18. Every one of my friends say it's marvelous the way I reduced."

To lose fat with speed take a half teaspoonful of Kruschen in a glass of hot water before breakfast every morning—don't miss a morning—an 85-cent bottle lasts 4 weeks—get it at any drug store in America. If not perfectly satisfied after the first bottle—money back.

ARMISTICE DAY

November 11 marks the 13th anniversary of the Armistice which ended the world's greatest tragedy. Yet the effects of the war are still felt everywhere, and unrest is as widespread as it was before that great struggle.

In spite of the efforts which have been made since 1918 in the interest of peace, the outlook for the future is not reassuring. The needs and aspirations of nations are unsatisfied, and the desires of one nation can not be met without encroachment upon its neighbors.

Just now a striking example of these unsatisfied ambitions is seen in Manchuria and Mongolia, where the conflicting interests of China, Japan and Russia menace the peace of the Far East.

While less acute for the moment, the racial and economic antagonisms among European nations still exist, and the political atmosphere is filled with distrust.

In view of these conditions, Armistice Day this year should remind all people of the horrors of the last war, and cause them to pause before taking any aggressive step which might lead to another.

BIG CONTRACTS LET

Contracts were awarded a few days ago for one of the largest construction projects launched in recent years—the building of the Rockefeller Radio City in New York. These contracts involve an expenditure for material and labor of approximately fifty million dollars, the work to be started by December 1.

The whole project will cost 250 million dollars, and additional contracts will be let from time to time until it is completed, giving employment to many thousands of workmen in the various factories which will supply the material and in construction forces on the site of the new "city," which will cover several blocks in the vicinity of 50th street and Fifth avenue.

There will be a 60-story tower, to be the largest office building in the world, a music hall to seat 6,100 persons, an immense sound motion picture theater, an additional office building 35 stories high and numerous other buildings of great size.

When completed this new Radio City will be by far the most costly and imposing amusement center ever erected. That construction is to begin on a large scale immediately is welcome news, as it means work for many men of the building and other trades who sorely need it just now.

EDITORS RENEW FIGHT

Continuing its long fight against the encroachment of the government upon private business, the National Editorial Association recently launched a new campaign, one feature of which is furnishing members attractive colored stickers bearing the words:

"Government in business cuts the heart out of private enterprise and kills individual effort."

Circulars containing arguments against government operation of business enterprise are also being widely distributed by the Association, and members are asked to aid in the fight for the freedom of private business by calling attention to the injustice of using the taxpayer's money to set up government subsidized and tax free enterprises to compete with him. The circular says:

"The government seems to have embarked more and more into socialistic experiments that have been mighty expensive, as indicated by the Federal Farm Board's costly experiments in marketing grain, cotton and other products, and the losses experienced in Michigan in the manufacture of cement by convict labor. The time has now arrived when publishers should point out to their constituency the danger of government encroachments upon private

business, which have become so outstanding that the life of our nation is threatened."

In this campaign the National Editorial Association is fighting for every private business in the country, and it should have the support of everyone who believes in Americanism, as opposed to Socialism, Communism and other isms which seek to destroy our national structure.

Farmers Urged by McDonald to Hold Cotton for Rise

Austin, Texas, Oct. 29.—J. E. McDonald, commissioner of agriculture, has advised farmers to hold their cotton for higher prices.

Banks of Texas, perhaps aided by the Federal Reserve Bank, have ample funds to finance cotton which is properly warehoused and insured, he said.

In making this statement, McDonald reversed a policy assumed when he took office, that we would never forecast crops or urge farmers to hold cotton. He declared he believed the enactment of acreage reduction law by Texas, the fact that other southern states were passing similar restrictive laws, and the fact that cotton is now selling at one-half production cost, justified the reversal of his earlier position.

His statement: "Cotton prices are lowest in thirty-two years. Cotton now has a value of only one-half of production cost, and prices have about reached bottom. Farmers should make a desperate effort to hold every bale. This year's cotton is of unusual quality and spinning value, and presents an unusual investment opportunity."

"Three years ago, without acreage regulation, it was evident we were headed for five cent cotton. Now it is equally evident that we will have 15 cent cotton in the next thirty months. Cotton is subjected to numerous climatic and insect conditions, which come in cycles. We have passed through a good cycle, and unless history fails to repeat itself, we may expect unfavorable conditions soon."

"Texas banks have the ability to finance cotton properly warehoused and insured, aided, perhaps, by the Federal Reserve Bank, and it is expected that the President and Congress will arrange more liberal terms on loans used in financing agricultural crops. Other cotton states are enacting laws to regulate production and we may confidently expect that these laws will be strictly obeyed."

"With an abundance of money available to finance the cotton, there is no excuse for this high grade cotton being sacrificed at present prices."

"Those with money and vision will avail themselves of the opportunity of a lifetime by investing in the world's greatest commodity. Investments should be in spot cotton; it should be remembered that cotton futures exchanges produce neither food, raiment nor happiness."

A RIDER OF 1848

As a change from the almost monotonous present day accounts of record-breaking airplane flights, the story of an old-time exploit on horseback is refreshing by way of contrast. Such a story was recently

WINDOW DRESSING DUMMIES

On my first business job it was necessary for me to call one day at the office of a bankrupt company which had sold in small units all over the country.

Its literature had followed the familiar pattern, pointing out how much you would be worth if you had invested one dollar in telephone stock in 1895, or if Ford had asked you to lend him a nickel in 1900.

Perhaps the officers were irresponsible rather than deliberately crooked. They were sure that their enterprise was destined to make fortunes for every one associated with it, and they backed their judgment with their own money. But that did not mitigate the sufferings of the people who crowded the office on the day of my call.

A station agent and his faded little wife from a country town in Pennsylvania. They had invested \$15,000, their savings of a lifetime.

A poor preacher from South Carolina. The \$6,000 which he had saved by incredible economies had been his only bulwark against the poorhouse.

A school teacher; a dentist; many men whose gnarled hands and bent backs were eloquent of heavy burdens. They wept; they cursed; they threatened, but it did no good. No one of them ever recovered a cent.

Walking away from all that tragedy, I resolved never to be associated with any company which financed itself by selling stocks to the public, not even if George Baker were the president and J. P. Morgan the sales manager.

Everybody whose name gets advertised a little is invited to go on the boards of directors. It happened even to me. I have a nice form letter that says "no."

To be on the board of a business with which you are not intimately connected means that you attend a meeting once a month, vote on a lot of things that you know nothing about, receive \$10 or \$20, and go away. The public, reading your name, believes that you are directing. Actually you are not.

In England most boards are made up of the men actually conducting the business. Once a year the chairman has to stand up before the stockholders and answer questions about every detail of the operations.

In this country the habit of being a director is a piece of business vanity. A man with a lot of directorships after his name thinks of himself as a "big shot."

Many of these famous dummies have lost money and sleep during this depression. It will be interesting to see whether the return of good times will not bring many resignations.

Directors should direct. Window dressing dummies should go out.

told by Prof. J. Frank Dobie in the New York Herald-Tribune, and deals with the famous ride of Felix Xavier Aubrey, who covered the 800 miles between Santa Fe and Independence in less than six days.

This happened in September, 1848, when settlements in the Southwest were few and far between. Aubrey had already made the trip in eight days, and bet \$1,000 that he could make it in six.

With relay horses stationed along the route, he started alone. At one relay point he found no mount, but its keeper killed and scalped by Indians, so with his famished horse he pressed on. Toward the end of another leg of the trip his horse gave out and he trudged 20 miles on foot to the next stop.

With little to eat and only two hours' sleep except what he could catch while in the saddle, he finally reached Independence a few hours ahead of schedule, more dead than alive. Upon arrival Aubrey had to be lifted from the saddle, which was caked with blood. But he had won his bet.

For First Time Bankers As a Whole Work with Co-ops

"The first time in history that any responsible group of Southern business men, or anybody else, except the cotton farmer, has said to us that they are willing to help us carry the load," said Carl Williams, cotton member of the Federal Farm Board, after the meeting in New Orleans last week, when forty among the most influential bankers of the South met with Farm Board members and cotton cooperative leaders and arranged for holding seven million bales of cotton off the market.

The immediate result was that the cotton market opened next morning at an advance of more than \$2.00 a bale. Nathan Adams, Dallas banker, chairman of the conference, opened it with the statement: "I have made many uncomplimentary remarks about the Farm Board, but after what I have recently learned about the load that the Farm Board and the cooperatives have been carrying, and how they have carried it, I find that I have no more criticisms to make of the Farm Board, but a great deal to say of my fellow-bankers."

Too much explaining is bad, according to Dr. Alex Munthe, who advises fellow doctors: "You are always trying to explain to your patients what you cannot even explain to yourself. The less your patients know the truth, the better for them." He illustrates his point by declaring that while the Catholic church never explains anything, it grows in

strength. Protestant sects, on the other hand, try to explain everything and are losing their power.

During times of stress, such as the present, an effort to absorb a little of Lloyd George's philosophy might be worth while. During the war, when one problem after another pressed upon the brilliant Welshman for solution, a friend asked how he kept so fit and cheerful. Lloyd George replied: "With me, a change of trouble is as good as a vacation."

Secretary of Agriculture Hyde turned a neat wisecrack which seems to have much truth in it the other day. He declared that he did not believe the stock market to be a barometer of business, but rather a thermometer registering the temperature of cold feet in high places.

GRID GOSSIP (By Mack)

William Bell is the second person in three years to win the guessing contest twice in succession. Tom Reeder Jr. is the only other person that has performed this miracle. Charlie Thompson, the writer's choice for first, was beaten by one little point. W. W. Griffith won third; Tom Beverly, fourth; Eli Smith, fifth, and Jimmy Ashford, sixth.

The actual scores and Bell's guesses, with the true scores and winning teams coming first follow: S. M. U.-Texas, 9-7; T. C. U.-Arkansas, 7-0; 13-0; A. & M.-Centenary, 7-0, 14-0; Baylor-Texas Tech, 34-0, 21-0.

All of the games last week ran true to dope, with the exception of the Baylor-Tech tilt, the other contests were more closely fought than had been generally predicted.

Those predicting this week are: William Bell, 1; Gabe Sanders, 2; Grady Graves, 3; Marion Crowell, 4; Otis Ross, 5; Lee Allen Beverly, 6.

	1	2	3	4	5	6
T. C. U.	7	13	0	20	7	13
Rice	0	7	7	0	0	0
S. M. U.	14	20	13	20	7	7
A. & M.	0	0	7	0	0	0
Texas	6	14	13	36	19	13
Baylor	13	7	0	6	6	7
Chicago	13	14	13	28	13	7
Arkansas	0	0	7	0	9	12

There is considerable difference in opinion in the above guesses. All predict S. M. U. to beat A. & M., however, that is the only game in which all are unanimous as to the victor.

As exceptions, Grady raves predicts Rice to beat T. C. U.; William Bell believes Baylor can down Texas and Lee Allen Beverly is the only person to predict Arkansas to beat Chicago at Chicago.

It seems that Bell will spoil a wonderful record by his Texas-Baylor guess. We are not so certain about the T. C. U.-Rice game, but can't help but feel that T. C. U. will win in spite of a crippled team. A. & M. will likely play S. M. U. a tighter game than most people are expecting. Chicago should beat Arkansas by a small score.

Otis Ross is picked to win. It was difficult to decide between him and Gabe Sanders.

Olney and Crowell maintained their leadership in District No. 3 with victories in their games of last week. Olney defeated Megargel 44 to 0 while Crowell downed Burkburnett 7 to 0. Chillicothe was barely able to beat Archer City 13 to 6. These were the only district games played.

The outstanding game of the year brings Olney and Crowell together here this Friday. Megargel and Munday should have a closely fought battle. Seymour is scheduled to play Burkburnett.

Chillicothe and Archer City are idle and will no doubt be present to see the Crowell-Olney battle.

The standing in the district at present follows:

Crowell	4	4	0	0	1.000
Olney	3	3	0	0	1.000
Chillicothe	4	3	1	0	.750
Archer City	3	1	2	0	.600
Burkburnett	3	1	2	0	.333
Seymour	3	0	2	1	.000
Megargel	4	0	3	1	.000
Munday	3	0	3	0	.000

PAUL AT EPHEBUS
Acts 19:8-20

Rev. Samuel D. Price, D. D.

Begin your reading with Acts 18:18 and continue through chapter 19. Note the two similar incidents where a total of thirteen who had known only the baptism of John enter into the larger experience in Christian truth when they know about Him, the Holy Spirit. Paul returned to Ephesus after having been to Antioch that he might report on the second missionary journey.

Three years were now spent in Ephesus as the third journey is entered upon. After three months the school of Tyrannus became the general meeting place. Fine results came from the two years of preaching and teaching at that center. In fact, many points in the surrounding country were reached and these places were later addressed by both Paul and John in their letters.

The bonfire at Ephesus revealed the growing influence that Paul gained over the superstitious who used all sorts of charms to try and offset evil. It was quite like the rabbit's foot idea with some today, and there are still many who give up good money to have a palmist or other fortune teller hoodwink them. Multitudes brought their charms and soothsaying books for the fire and about \$100,000 worth was destroyed.

All this cut into the sale of the images of Diana, whose massive temple and licentious worship was dominant in Ephesus. The makers of these idols had their part in starting the uproar as the people rushed to the open temple and shouted themselves hoarse as they cried "Great is Diana of the Ephesians." Paul wanted to talk to the crowd but cooler minds dissuaded him and Paul decided to work elsewhere.

WHEN FOOD SOURS

ABOUT two hours after eating, many people suffer from sour stomachs. They call it indigestion. It means that the stomach nerves have been overstimulated. There is excess acid. The way to correct it is with an alkali, which neutralizes many times its volume in acid.

The right way is Phillips Milk of Magnesia—just a tasteless dose in water. It is pleasant, efficient and harmless.

It is the quick method. Results come almost instantly. It is the approved method. You will never use another when you know.

Be sure to get the genuine Phillips Milk of Magnesia, the kind physicians prescribe to correct excess acids, 25c and 50c a bottle—any drugstore.

"Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles F. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.

ASSEMBLY PROGRAM

School was entertained highly by morning by the Sophomores and their helpers. The program consisted of the following:
Louise Adams, El Francis and Louise Pyle; piano solo; Dorothy Hinds; vocal solo; Annie Vecera; reading; M. O. Smith; vocal solo; Lella Ben Lilly; vocal solo; Merle Thompson; piano; Peggy Thompson; reading; Lona Johnson; a play, "The Lee Teague and Orville Orr; pep squad.
The program was accompanied by Dorothy Hinds, Merle and Lella Ben Lilly, and the quartet was accompanied by Mrs. A. Rucker. There were many visitors present. Everyone is invited to attend the assembly periods every Monday and Tuesday.

HONOR ROLL PERCENTAGES

Of the thirty-six Seniors in C. H. S. four of them got on the low honor roll by making above 80 on every subject or an average of 85, while one of them got on the high honor roll, making 90 on every subject or an average of 95.
There are twenty-eight Juniors and five got on the honor roll. Four of them were on the low one, while only one got on the high roll. There are twenty Sophomores of which four got on the low honor roll and one on the high.
Last, but not least, is the Freshmen who had eight on the low roll and two on the high honor roll.
The Freshmen carried off the honors this six weeks, but look out for the Seniors next six weeks.

FRESHMAN HALLOWE'EN PARTY

Twenty-eight spooky dressed freshmen met at Milton Magee's home at 7:15 o'clock Saturday evening for a jolly Halloween party. Each member of the class was greeted by a "cold hand" ghost and then by one that had a "kick" in his hearty handshake. Fortunes were told until each one found out something about their life that would "shock" them. Several games of "hearts" were played. D. S. Todd and Ada Beidleman monopolized head table until the last game. Jungled letters on placards were unscrambled to spell names pertaining to Halloween. Wanda Burks won the prize for getting the most right. Dainty refreshments, consisting of chicken salad on lettuce, crackers, hot chocolate, and a wise old owl's nest of candy for favors, were served.
The house was very cleverly decorated with weird forms consisting of witches, jack-o' lanterns, ghosts, and real skeletons. The freshmen mothers proved to be real entertainers and everyone seemed to have a wonderful time.

PEP SQUAD NOTES

Rah! Rah! Team!
The pep squad girls are planning to get their yells and formations organized better than ever before. The girls intend to put out their best efforts to help the boys as much as possible. All practice possible is intended to be put in on this.
Remember, boys, we're always for you.
Fight! Fight! Fight!

DIVIDEND DUST

1. Excess makes misery.
2. It is often the last key in the bunch that unlocks the door.
3. To be an interesting conversationalist you must let others do ninety per cent of the talking.
4. Walk on the sunny side of life; danger lurks in the shadows.
5. Hold what you've got and stifle business.
6. It is not in times of adversity that mankind makes its mistakes, but in times of prosperity.—Charles G. Dawes.
7. Not every one can be wealthy but saving a part of what he earns and investing it in savings, any man can accumulate funds enough to rob the future of its money worries.

8. Economic depression has served to uncover a wealth of human kindness and consideration.—Governor Morgan F. Larson.

SENIOR PARTY

The Senior Class was entertained Saturday night, Oct. 31, by a Halloween party given in a vacant house across the street from the Griffith Hotel.
After everyone got there and the games were about to get started Mitchell Allee got his head cut. After all the excitement, caused from this was over, each one was sent through a chamber of horrors. Then everyone was given a horn and was told to have a "roosting" good time. After a few more games, everyone got a bowl and spoon and was served with chili and crackers. After that everyone enjoyed playing "skip," around the bon-fire.
Everyone reported a very good time.

AGRICULTURE AND HOME EC. TRIP

The agriculture class attended the morning session of the turkey demonstration school held at the court house Monday. Each member of the class seemed to be very interested in the talk. Goals to be set up for turkey raisers were discussed. Diseases and sanitation also received a great deal of attention. The killing and dressing part of the program was postponed until the afternoon. John and Crews wanted to go back after lunch to see if barbecued turkey would be in order, but Mr. Graves seemed to think that type of food would not do for football players.
The home economics girls visited this place in the afternoon, and much information was gained.

SOPHOMORE HALLOWE'EN

Merle Smith's home was a veritable "spooky land" for the Sophomores Saturday evening, Oct. 31. After the arrival of the spirits, witches, goblins and elfs, these were ushered through the "Land of Restless Souls," where each one was thoroughly initiated. After this adventure Madame Satan read the palm of each. This was followed by various Halloween games. After the hostess of spooky land served refreshments, she led her cohorts upon an expedition of "spookin'."

FOOTBALL

It makes no difference if those Burk Burnett Bulldogs have been defeated by Olney; they have a real team. The fans are proud of the Wildcats for the 7 to 0 victory. The Wildcats were not playing a bad game, but the Burk Burnett team was playing a much better game than our fans expected. Perhaps one reason that the Olney team defeated Burk Burnett by a large score was due to the fact that the Bulldogs were minus three outstanding players when they played the Cubs.
If Olney decided these contests, Crowell has an excellent chance to win over Olney. Olney defeated Megargel only 44 to 9, while Chilli-cothe defeated the Bluebirds 74 to 0, just one week before the Eagles went down for the count by Crowell. That would give the Wildcats a 37 point advantage. However, a football game is not decided by hope, and both the Crowell and Olney teams will be trying to prove to the world that fact this week.
The Olney Cubs have been district champions for the past three years and regional champions for the past two years. They have not lost a game to a class B team in the past three seasons. On the other hand, the Crowell Wildcats have not lost a game here on their own field in three seasons, and they have not been scored on at home in two years.
Crowell has been up against two teams, Archer City and Chillicothe, this season that had not been scored upon when they played them and broke their record. Olney will be the next victim.

JUNIOR HALLOWE'EN PARTY

Friday night the "Jolly" Juniors met at Jim Lois' to go to Billie's for a Halloween party.
When everyone had arrived the fortunes were told. Such games as "Spin the Pan," Biting Apples, and a continued ghost story were played. Mrs. Eli Smith told a ghost story and the dead man, who figured in the story, was passed around in pieces. Peggy then showed her power of hypnotism. After refreshments of hot chocolate and cookies, everyone returned to town. Louise Nicholson and Cecile McAnear of Vernon attended the party.

HIGH SCHOOL STUDENTS HAVE CONTEST

Mr. Byant, representative of the Curtis Publishing Company, gave a very clever talk on salesmanship in chapel Friday.
Two of the high school girls, Jim Lois Gafford and Jo Griffith, were elected chiefs and the two tribes went on the war path to see who could sell the greatest number of magazines and one-half the proceeds go to the library. Several prizes were offered for sales. Small pens with red and green feathers were given to the members of the respective sides.

Constipation may very easily become chronic after forty. And any continued constipation at that time of life may bring attacks of piles and a host of other unpleasant disorders.
Watch your bowels at any age. Guard them with particular care after forty. Whenever they need any help, remember a doctor should know what is best for them.
"Dr. Caldwell's Syrup Pepsin" is a doctor's prescription for the bowels. Tested by 47 years' practice, it has been found thoroughly effective in relieving constipation and its ills for men, women and children of all ages. It has proven perfectly safe even for babies. Made from fresh laxative herbs, pure pepsin and other harmless ingredients, it cannot gripe; will not sicken you or weaken you; can be used without harm as often as your breath is bad, or when your tongue is coated; whenever a headachy, bilious, gassy condition warns of constipation.

SUNDAY SCHOOL CLASS ENTERTAINED

The members of the Sunday School Class of Mrs. M. S. Henry were entertained with a party at Mrs. Henry's home on Tuesday evening. Games of 600 were played and two interesting contests were enjoyed, an alphabetical Bible contest and an initial contest. Refreshments of pumpkin pie with whipped cream and coffee were served to Misses Virgie Callaway, Dorothy Hinds, Florence Black, Annie Rettig, Ruth Patterson, Thelma White, Eddie Mae Oliphant, Barbara Cryer, Louise Ball, Lennis Woods, Lottie Russell, Grace Russell, Ella Belle Henry, Ila Lovelady, Eva Todd, Mamie Lee Collins, and Messrs. Joe Welch, Henry Black, Lee Black, Granville Lanier and Mr. and Mrs. Henry.

ATTEND TRUSCOTT P. T. A. MEETING TUESDAY NIGHT

Mrs. R. L. Kincaid, Mrs. W. C. McKown, Mrs. L. A. Beverly and Mrs. T. B. Klepper, went to Truscott Tuesday evening to attend the Parent-Teacher Association meeting held in the high school auditorium at that place. Mrs. Kincaid, president of 13th P. T. A. district, was a speaker on the program.

Mrs. H. H. Smith was leader of a splendid, well-prepared program on health. More than 100 were in attendance upon this meeting, fathers as well as mothers showing keen interest in the welfare of their children and their school. It was a profitable meeting to all who attended.

COLUMBIAN CLUB

Mrs. Dow Miller was hostess to the Columbian Club Wednesday afternoon, Oct. 28. Mrs. N. J. Roberts led a most interesting lesson on the "Development of and relations between the Eastern and South American countries." Assisting the leader were Mrs. J. L. Hunter and Mrs. H. Clark. During the social the hostess assisted by her daughter, Florene, and Mary Elizabeth Hughton served a tempting refreshment plate to club members and Miss Lilla Crews. —Reporter

HALLOWE'EN PARTY

Misses Annie Mae Ellis, Dorothy Hinds, Gussie Rich and Mary Clayton Giddings, were joint hostesses at the home of Miss Ellis last Friday evening at a delightful Halloween party. The house was attractive with Halloween decorations. Guests were

met at the door by two spooks who started the evening's fun with a clammy handshake. Halloween amusements were enjoyed, the feature of which was a Crazy House, through which the guests were led. This being a masquerade party, costumes formed an important role and were of Indian, Spanish, Gypsy, Colonial Pierrette and sailor types.

Those who attended were Misses Winnie Thompson, Annie Rettig, Grace Russell, Lottie Russell, Virgie Callaway, Ruth Patterson, Bonnie Norris and Frankie Kirkpatrick, and Messrs. Jake Wright, Byron Davis, Henry Black, Lee Black, Mason Brown, Dal Blake, Raymond Burrow, Henry Borchardt, Joe Welch, Doyle Kenner, Granville Lanier, and Mr. and Mrs. Verne Walden.

Refreshments of pumpkin pie, cream and coffee were served.

ADELPHIAN CLUB

Mrs. W. A. Dunn was hostess to the Adelpian Club at her home two miles east of Margaret Wednesday last week. Twenty-two members were present.

Mrs. George Self's report as Federation Counselor featured the new club house being erected at Austin, which will be a monument to Mrs. Lindsey's administration.

Mrs. Henry gave a short talk on current events of the hour, bringing excerpts from the magazine "Time," Saturday Evening Post and The Dallas News.

Mrs. Sidney Miller told a feature story of Chinese life, the title of which was "The Mother-in-Law," written by Pearl Buck.

Mrs. Byron Reese, who was leader for the afternoon, concluded the program with an interesting and graphic review of the book, "Good Earth," written by Pearl Buck, who is thoroughly acquainted with her subject. This is a story of Chinese life. Miss Buck is the daughter of a Presbyterian missionary and has lived the greater part of her life in China. "The Good Earth" is one of the new outstanding books of this year and is found in the Crowell library.

Mrs. Dunn, as a finale to the occasion, served an appetizing plate to club members and other guests, who were Mrs. Ida Cheek, Mrs. Melvin Moore and Mrs. Dunn. —Reporter

TRUSCOTT P. T. A. MEETING

Truscott Parent-Teacher Association met last Tuesday night in the school auditorium, and it is conservative to say there were 200 people in attendance and enjoyed immensely the excellent program.

Prof. Davidson as leader conducted a most interesting study on the subject of "Recreation." He had different pupils give reasons why the boys and girls should participate in games and exercises and in this way brought out the lesson of how the pupil would be better fitted to do the best work in school and get the most joy out of the school life.

Special mention should be made of the period of entertainment which was given by the teachers. The Indian story, which was written by Prof. Davidson, was so well acted that it gave a thrill of merriment and laughter to the entire audience.

Football—

(Continued from Page 1)

D. Todd's pass was nearly intercepted. On the next play he punted to Bailey who returned the ball 12 yards to 32. Salyer took the ball to the 34 as the first quarter ended with the score, Crowell 7, Burkburnett 0.

Second Quarter

Salyer made 4 yards and Ragsdale with 2 more for a first down on the 40. A bad pass from the center was recovered by Gibson of Crowell. Cooper made 2 yards. Crowell was penalized 15 yards for holding. D. Todd made a yard and then punted out-of-bounds on the Crowell 49. Auld's failed to gain. Crowell penalized 5 yards for offside. Womack threw Auld's for a yard loss. Auld's pass failed. Salyer failed to gain.

Bryarly punted over the goal line and Crowell took the ball on the 20. D. Todd punted to the Burk 43. Ragsdale's pass failed. Burk penalized 5 yards. Bryarly punted to Crowell's 23. Cooper lost a yard at left end. Mullins made 2 yards. J. Crowell downed Todd's punt on the Burk 46. Smith's pass failed. Todd downed Buckner for an 8-yard loss. Bryarly punted to the 25-yard line and Cooper returned 10 yards. Todd passed to Cooper for 9 yards. Middleton made a first down with 2 more yards. Mullins' pass failed. D. Todd failed to gain. Mullins made a yard. Todd punted out-of-bounds on Burk's 12. A pass failed. Salyer made 9 yards. Auld's added three more for a first down as the half ended. Crowell 7, Burk 0.

Last Half

Buckner returned D. Todd's kick-off from the 18 to the 29. Salyer dropped Smith's long pass on the 45. He had been handling one end of the 10-yard measuring line and started carrying it again at the second half, even though he was in the Burk line-up, which was unknown to Crowell. On the first play after the kick-off he dropped his end of the line and ran for the pass, which he dropped. Salyer failed to gain. Bryarly's punt was returned by Cooper to Crowell's 37. D. Todd made 4 yards. Cooper failed to gain. Middleton made a yard. Todd punted to Burk's 28. Smith failed to gain. Bryarly punted to Crowell's 30. Bryarly threw D. Todd for a 3-yard loss at right end. D. Todd made 5 yards and followed with 2 more and his punt on the next play was partially blocked and was downed on Burk's 47. Auld's made a yard. A triple pass, Smith to Bailey to Auld's netted 15 yards. Smith failed to gain. His pass was incomplete. Salyer made 2 yards. Mullins intercepted Smith's pass on the 30. D. Todd's pass went into a Burk player's arms but he dropped the ball. Cooper circled left end for 17 yards. D. Todd passed to D. Carter for 15 yards. D. Todd failed to gain and then picked up 8 yards to place the ball on the Burk 30 as the third quarter ended.

Last Quarter

Allee, Crowell center, had to leave the game at this time on account of an injury that he received to his hand late in the first half. Middleton shifted from fullback to center and Lorain Carter came in at fullback. Until this time Allee had played every minute of every game this season.

Cooper gained 2 yards for a first down on the 28. D. Todd also made another first down, circling left end for 13 yards. L. Carter gained 4 yards to place the ball on the 11. Salyer threw Cooper for a 3-yard loss on an end run. Mullins again took the ball to the 11. Smith intercepted D. Todd's pass at this point and returned the ball to the 13. Bryarly punted to his own 35. D. Todd made 3 yards but the ball was called back and Crowell penalized 5 yards. D. Todd made 8 yards. Cooper was stopped by Auld's for a 3-yard loss at left end. Mullins failed to gain. With the ball on the 85-yard line, Doyle Carter attempted a long drop kick. The ball hit a few feet in front of the goal posts after sailing through the air for over 40 yards.

The Bulldogs took the ball on the 20. Auld's and Salyer made short gains. Middleton intercepted a pass on the 37. L. Carter gained 5 yards and followed with another 3-yard gain. A Crowell back fumbled on the next play but Womack recovered for a first down on the 26. Cooper made 7 yards around left end. He failed to gain on the next play and Crowell was penalized 15 yards for holding. Mullins' basket pass was intercepted by Auld's, who was downed on his own 40. Ragsdale passed to Smith for 2 yards. Salyer went out-of-bounds for a yard loss. Auld's lost a yard.

Bryarly punted to Cooper, who fumbled the ball on his 7-yard line and Ragsdale recovered for the Bulldogs on the 11. At this dangerous point John Todd apparently saved the day by spilling Smith for a 16-yard loss as he was looking for a receiver for a pass and Todd's tackle seemed to take him by surprise. With the game about over and in a desperate effort to score, three passes were attempted on the next three plays, all of which were incomplete as the game ended. Crowell 7, Burkburnett 0.
