C. of C. manager appears answer

Nearly 50 Post business and professional folks sat down together in the Community Room last Thursday night and discussed community problems.

The problems, of course, are not new ones really. How to encourage present industry, secure new industry, pull better together, make the community a more attractive place in which to shop and live, secure an airport, etc.

But basically before the two hour session ended most of those present agreed on one principal point. The real problem is to get organized—put enthusiasm and ability to work for common good.

That brought up the thought of hiring an experienced, trained, full-time Chamber of Commerce manager as the coordinator. Such a man would devote his full time to getting people together on community projects, and following through on the details after decisions were made.

This is what Post needs to really "get off the ground" in community development and progress. A second meeting was called for 8 p. m. Thursday night, Oct. 10, at which this particular point and others will be further explored.

The Dispatch is convinced Post can never gear an all-fronts push for community progress unless there is a seasoned hand at the helm.

Such a Chamber manager would not do all the work by any means. His problem would be to enthuse the membership and through committees get them working on a number of projects at the same time.

Post has had Chamber managers before, but not for a number of years. If we return to this time-tested formula as the best starting place for an "action program", the program must be adequately financed so the manager can devote his time to Chamber duties—instead of collections.

There may be several good suggestions here that would be worth the time and effort to explore.

If we are going to try to move forward from a new beginning, let's make it a solid base from the very start.—JC

Monday—a night to set aside

Everybody concerned is looking for a big turn-out, weather permitting, at Monday night's second annual Farmer-Rancher-Merchant Barbecue, sponsored by the Post Chamber of Commerce in cooperation with Post business and professional men.

Last year's barbecue was such a big success that it immediately brought about plans for another one this year, which might well be even bigger than the first one.

The barbecue and the domino tournament that is to follow will give members of all three groups—farmers, ranchers and merchants—the only opportunity they will have all year to meet together in good fellowship.

Guest tickets for the farmers and ranchers are available at all area cotton gins. Those who haven't already picked theirs up are urged to do so and to attend Monday night's big event.—CD

What our contemporaries are saying

There are again rumors that Mrs. Margaret Chase Smith, presently a U. S. Senator, may be on the GOP ticket for vice president. There is little doubt that she would be as capable to fill the spot as a few of the recent "vices" we've had in that position. People from over the U. S. have suggested her as a running mate to Barry Goldwater of Arizona. I can only say—with Goldwater's conservative attitude he has proclaimed so loudly and with any woman's natural inclination to be conservative with money, we might have trouble keeping some of our recently purchased "foreign aid" friends. I hope.—Marvin Tomme in The Rails Banner.

The system worked, but you can't step out of a speeding automobile and apply the same technique.—Douglas Meador in Matador Tribune.

Why is it we can't forget our troubles as easily as our blessings?—James Roberts in The Andrews County News.

Khrushchev says Russians are determined to out-produce Americans. He must have been discouraged to learn of the birth of quintuplets to a couple in South Dakota.—Olin Miller in The Seagun Gazette.

We used to tie a wagon wheel when going down a steep incline to reduce the danger of dis-

aster. It's great to live in a country where you can vote for the Kennedy of your choice.—Al Hinds in The Haskell Free Press.

WHAT A WEEK this is going to be! Normal business pursuits at most places will take a back seat to the World's Series starting Wednesday. Business firms with television sets will be hardest hit by the "recession" brought on by the annual baseball classic. Those without television sets also will feel the effects through man-hours loss by employees darning into places that do have TV sets to see how the game is coming and how they're getting along in the pool—or in the "pot," as it is called in this part of the country.

But it won't all be baseball this week. The high-riding Post Antelopes play host to an old foe, the Floydada Whirlwinds, Friday night, and predictions are that the crowd will be the biggest ever to attend a game at Antelope Stadium.

A WIN FOR the Antelopes Friday night will put everybody in Garza County in a good mood for the county fair and all-breed colt show to be held all day Saturday at the 4-H Building.

The Man up the Street says one of the hardest things about making money last is the ability to make it first.

WEDDING STORIES on the society pages follow the same general pattern, the same as sports stories on the sports pages. There are times when every newspaperman who reads a wedding story—or reads proof on one—has the almost overwhelming urge to write a wedding story from the viewpoint of the bridegroom (poor fellow) instead of the bride. One newspaperman, Bob Grant, publisher of the Illinois Valley News, gave in to this urge one day after the expected wedding information failed to reach his newspaper. He got together with the father of the bridegroom and came up with this wedding story:

"Leland was handsome in a black suit of wool with matching lapel pressed down sharply against the chest. Peering out of the left breast pocket were four tips of a cleverly-folded white linen handkerchief while on the left lapel, quaintly held by placing the stem through an unused buttonhole and securing it with a small silver hat pin was a white carnation.

"He wore a shirt of white nylon, severely plain, which was held together at the front by little buttons of plastic. Around his neck and under the shirt collar was a tie of black jersey, knotted carefully in decorative style, and held to the shirt front with a clamping device of gold-plated brass. The cuffs of the shirt sleeves were closed with links of the same plated metal.

"On his left wrist he wore a mercury battery-powered wrist watch, a Christmas gift from his father, that was held in place with a metal band. His trousers, of simple pleated design, matched the coat and were supported by a belt of black goatskin. His shoes of black horsehide covered socks of dark cotton lisle and were fastened with a bow.

"He wore no hat, and had his hair combed back and then forward from his forehead in a slight wave with no visible means of holding it in position.

"The bride wore the customary white."

When a woman lowers her voice, it's a sign she wants something. When she raises it, it's a sign she didn't get it.

DOMINO "SHARKS" are sharpening up for Monday night's tournament that will be held following the barbecue for farmers, ranchers and merchants. Since no one knows until tournament time just who will enter, it isn't known if last year's champs, Harry Short and Lee Ma-

MUTATION MINK...

AMERICAN MINK RANCHERS ARE USING A GENETIC FACTOR KNOWN AS THE MENDELIAN LAW OF INHERITANCE TO PRODUCE MINK IN 26 VARIOUS SHADES, AND COLORS... BROWNS, LAVENDERS, BLUES, GREYS TO WHITE.

MUTATION IS WHEN THE OFFSPRING DIFFERS FROM ITS PARENTS IN A MARKED WAY...

IN THE LATE 1930'S TWO SILVER-BLUE KITS WERE FOUND IN LITTERS OF TWO WISCONSIN MINK RANCHERS.

WORKING SEPARATELY, THE RANCHERS MATED THE MUTATIONS WITH STANDARD DARK MINK. BOTH RANCHERS GOT THE SAME RESULTS: LIGHTER BROWN KITS.

MATING THESE NEW MINK WITH THE ORIGINAL SILVER-BLUES RESULTED IN HALF OF THE KITS BEING SILVER-BLUE. WHEN THESE WERE MATED WITH EACH OTHER, THEY PRODUCED COMPLETE LITTERS OF THE NEW COLOR.

TODAY FASHIONABLE WOMEN, WEARING GLAMOROUS AMERICAN-BRED MUTATION MINK AND MINK-TRIMMED COATS AND SUITS, ARE MOST APPRECIATIVE OF SCIENCE.

Red Whatley of Crosbyton, who won the championship roping saddle at the rodeo here in August, doesn't have too high an opinion of the TV show "Stoney Burke" and some of the other television shows with a rodeo theme, according to Billye Stockton's "Nearly News" column in the Crosbyton Review.

BILLYE WRITES that Red watched "Stoney Burke" one night and has refused to watch it since. His major complaint is that real cowboys don't go around interfering in the towns where they enter rodeos... whereas Stoney is always meddling with the town council or the advertising club or the drag races or something.

In spite of an injured back, Red entered four shows during the rodeo season and came out with a championship saddle and two buckles. Incidentally, Billye Stockton's column in the Crosbyton newspaper is not only one of the newest ones on the South Plains, but also one of the most interesting.

NUMBER OF CHICKENS

The number of chickens raised in 1963 is expected to be less than in 1962 and the lowest since records began in 1909, says the USDA. The Department also noted that prices paid by producers for hatching eggs and for feed were both higher from November 1962 to the present than for this period a year earlier.

Complete body change for Rambler American

The 1964 Rambler American, which is being introduced in Post today at the Guy Floyd Motor Co. along with new and broadened 1964 Rambler Classic and Ambassador lines, is wholly transformed in appearance.

The newest version of the original compact car that touched off major changes in the automobile industry has been given its first complete body change since the series introduced in 1950.

Its overall length has been increased from 173 to 177 inches and its interior room has been greatly increased through important body changes.

THE 1964 RAMBLER American's new features include a new body of advanced single-unit construction, curved glass side windows, a seven-fold increase in galvanized metal for greater rust resistance, a new front suspension, 33,000 mile or three year lubrication intervals, new Power-Guard "24" battery with inter-cell construction for quicker starting and longer life.

The Rambler American is offered in 10 models. The American 220 and 330 models include two and four-door sedans and four-door station wagons; 440 models include two-door convertibles and hardtops and four-door sedans; and the 440-H is a two-door hardtop.

ELEVEN NEW COLORS are

among the 14 baked-enamel finishes which are standard for all Ramblers. In addition, a total of 42 two-tone color combinations are offered as options.

Three six-cylinder engines and six transmissions are available on the new Americans.

An L-head engine which develops 90 horsepower is standard on the 220 and 330 models. A 125-horsepower overhead valve engine is standard on the 440 models and optional on the 220 and 330 models. The 440-H hardtop has a standard 138-horsepower overhead valve engine which is optional on all other models.

Manual three-speed column shift transmissions are standard throughout the line. Optional transmissions include manual with overdrive, E-Stick with or without overdrive, Flash-O-Matic automatic and Twin-Stick Floor Shift.

STYLING REFINEMENTS, new hardtop models and new convenience options are prominent among the advances in both American Motors' top-selling Classic line and the Ambassador luxury line.

With the drastically changed Americans, the company has now introduced three distinct lines of 1964 compact cars that completely span the market for this popular car type.

Guy Floyd points out that "the

compacts definitely emerged with full stature during the past model year and now offer the motorist the things he can get in other cars, plus lower relative price, and the special advantages of trim design.

"The 1964 Ambassador 990-H hardtop is the most luxurious car ever offered by American Motors and will take a top position among the fine cars of America, with luxury second to none," Floyd said. "Its smart, sports-type styling will appeal to all age groups, and its performance is comparable to the best."

The 990-H includes as standard equipment a 270 horsepower V8 engine, front and simulated rear bucket seats with folding center arm rests, a floor console between the front seats, chrome ceiling bows, and many luxury appointments associated with the prestige car field.

AMERICAN MOTORS' top selling Classic line boasts a new luxury two-door hardtop in the popular 770 series, available as a six or V8. The new hardtops feature a "fastback" roof which flows a rakish angle into the body.

The Ambassador line is concentrated in 990 four-door sedans, five-door two-seat station wagons, two-door hardtops and the 990-H two-door hardtop.

Similar body styles are available in the Rambler Classic line, plus two-door sedans. Each body style is available as a 550, 660 or 770. The new two-door Classic hardtop is available only as a 770.

The standard Ambassador engine on all models except the 270-horsepower 990-H hardtop is a 250-horsepower V8. The 270 horsepower

engine is optional on other Ambassador models.

The standard Classic six-cylinder engine develops 127-horsepower, with a 138-horsepower optional available.

The Classic V8 engine which became a popular option in the 1963 models continues to be offered in 1964. It is rated at 198-horsepower with a displacement of 287 cubic inches.

THE WEAKER SEX

It may come as a blow to the male ego, but the facts are plain; men belong to the sex-outnumbered, outwitted and outlived by the sturdier female rates. It has been long assumed that women are biologically more resistant to disease, tolerating pain and illness better than men.

THERE ARE ALSO striking differences in causes of death for each sex. Lung cancer kills six times more men than women. The male death rate from syphilis and ulcer of stomach and upper small intestine is three times as high, and twice as high from tuberculosis. Three times more men than women commit suicide or are murdered. The odd thing is that higher male mortality, compared with females, extends to most animal species as well as to humans.

Because of the excessive mortality among males, their advantage in number at birth are offset by age 20. In 1900 the white American female averaged 1.9 more years of life than her male counterpart. In 1959, her life expectancy was 5.3 years more than the male.

Men are helping shorten their own lives. They have insisted on carrying the greater responsibility and have had to develop aggressiveness to meet that responsibility. Result:

BACKACHE & NERVE TENSION

Common Kidney or Bladder Irritation affects twice as many women as men. It may make you tense and nervous. It causes burning or itching of the urinary tract. It causes backache and sleep and suffer from Headaches and feel old, tired, dejected. In such irritation, CYSTEX relieves the pain, relieves discomfort by relaxing the urinary tract, acidifies the urine, and relieves the acid by adrenergic path relief. Get it at drugstore. Feel better fast.

VANDALISM AT TAHOKA

TAHOKA—Tahoka police are continuing an investigation into two recent sprees of vandalism. During or following the football game with Slaton on Sept. 20, vandals went down a street near the schools, breaking radio aerials from cars. The following Monday morning soft drink bottles were thrown through plate glass windows at two firms, and the glass in a soft drink dispenser was broken out.

More than 100 families in the country were virtually wiped out last year by a single sweep of fire through their homes.

more worries, more stress, more contact with disease and physical dangers.

WOMEN, ON THE other hand, are more likely to release pressure through tears, rest when they feel poorly, consult their doctor early when ill, and follow medical instructions better than men.

Much can be done to reduce excessive male mortality. One investigator has suggested a nationwide inventory of the physical, mental, and emotional assets and liabilities of men in preparation for intensifying the attack on accidents and occupational diseases and the research into cardiovascular diseases and cancer.

Alleviating the stresses of competitive living in a materialistic age requires that the fragile male be continuously instructed in the laws of health and encouraged to follow them.

Calvary Baptist circles honor Mrs. Paul Duren

Members of the Betty Tennis and Mary Ellen Circles of the Calvary Baptist Woman's Missionary Union met Monday night for mission study on "Annie Armstrong", and to honor Mrs. Paul Duren, who is retiring from the office of program chairman after serving approximately 14 years.

Mrs. Graydon Howell presented her with a music note pin and said it symbolized the happiness and joy that had been spread by the good programs given during these years.

A salad supper, buffet style, was served in keeping with the WMU regular fifth Monday social date.

Mrs. Graydon Howell gave the prologue, followed by alternate reading of early years of Miss Armstrong's life by Ann Long and Mrs. Billy Green.

A skit of an executive committee meeting was enacted by Mrs. Harold Britton, Mrs. Bobby Gordon, Mrs. Chester Keeton, Mrs. W. C. Kiker and Mrs. Billy Green.

In a scene set to portray an early mountain home and properly costumed, Mrs. Barney Jones and Mrs. Arvil Smith of Close City read by kerosene lamp and discussed at length in hillbilly language a letter received from "Miss Annie" about mission work.

This skit was written by Mrs. Smith.

Mrs. Kiker filled in with reports between skits and reviewed the "lost years" of Annie's life. Epilogue was by Mrs. Howell.

Others present were Mrs. E. E. Pierce, Mrs. J. O. Miller, Mrs. Vancil Bowen, Mrs. Clyde Knowles, Mrs. Mable Morton, Mrs. Daisy Britton, Mrs. C. D. Nowell, and Mrs. C. P. Jones.

'Match Game' played at sewing club meeting

Mrs. Carl Jones was hostess for the Needlecraft Club when it met in her home last Friday.

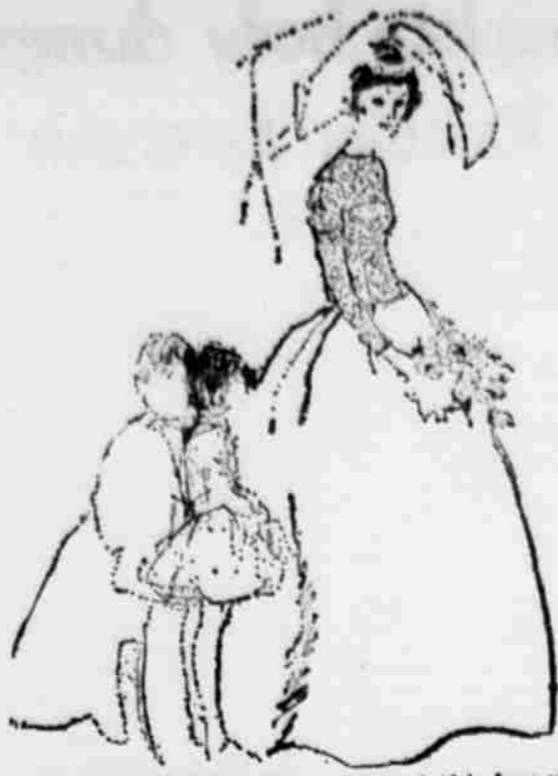

"Match Game" was played with the members divided into two teams.

Mrs. Jones served chicken salad, potato chips, wafers, apple pie a la mode and coffee to the following:

Mmes. Jack Kennedy, Ida Robinson, May Voss, C. A. Clem, M. H. Hutto, I. N. McCrary, Tillman Jones, Lee Bowen, H. W. Schmidt, F. C. Barker, Lillian Tizard, R. A. Moore, Boone Evans, L. G. Thuit, Sr., and M. J. Malouf.

Mrs. Lillian will be hostess in her home for Oct. 11 meeting.

The leatherback turtle grows to 8 feet in length.

DUAL PERSONALITY—This traditional bride's dress with a wide sweep of skirt and a basque jacket converts easily into a strapless dance dress after the ceremony. Make the dress of cotton organdy and top it with a cotton lace jacket. Four different bridal party looks are possible from Vogue Printed Pattern 4185.

Bride-elect is shower honoree

Miss Joy Riley, bride-elect of Donald Spears of Tahoka, was complimented with a bridal shower Monday night in the home of Mrs. Kelly Laws.

Mrs. Darlene Rash registered the 50 guests attending.

Miss Riley opened her gifts and passed them around for the guests to see.

The serving table was covered with a lace cloth and carried out the honoree's chosen colors of red and white in the centerpiece of roses and decorations in the entertaining room. Punch, cake squares, nuts and mints were served by Miss Karen Laws.

Hostesses were Mmes. Kathy Dorman and Wilma Tyler of Tahoka, Laverne McCleskey, Rash, Neida Murray, Ollie Huffaker, Bernice Gribble and Laws.

Mr. and Mrs. Mack Terry are the parents of a daughter, Jana Lea, born Sept. 25 in Garza Memorial Hospital, weighing four pounds, 11 ounces.

Mr. and Mrs. Abelardo Reyna announce the birth of a son, Abel, born Sept. 30 in Garza Memorial Hospital, weighing eight pounds, 1/2 ounce.

Mr. and Mrs. Jerry Kotrola are the parents of a twin son and daughter born Oct. 1 in Garza Memorial Hospital. The daughter has been named Pamela Ann and weighed five pounds, 1/2 ounce. The son was named Patrick John and weighed five pounds, 12 ounces. The Kotrolas have three other children.

Priscilla Club meets in Satterwhite home

The Priscilla Club met in the home of Mrs. Inez Satterwhite last Friday afternoon at 3 o'clock.

A special guest was Mrs. Satterwhite's daughter, Mrs. Octavia Thompson, of Lubbock.

Members enjoyed needlework and refreshments.

Those present were: Mmes. O. H. Hoover, Chester Morris, Keith Kemp, Evelyn Neff, Sam Etter, N. C. Outlaw, Victor Hudman, T. R. Hibbs, and Vada McCampbell.

Mrs. Claud Terry will be hostess for the next meeting Oct. 11.

Holy Cross Altar Society elects

Officers for the new year were elected by members of the Holy Cross Altar Society at a meeting Wednesday evening, Sept. 25, in the home of Mrs. Charles Didway.

Mrs. Dennis Eubank was re-elected president. Others elected were: Mrs. Didway, vice president; Mrs. J. C. Stelzer, treasurer, and Mrs. Glen Bratcher, secretary.

Mrs. Eubank appointed new committees and instructed them in their duties.

Following the meeting, Mrs. A. J. Baughman was honored with a pink and blue shower by the members present.

The hostess served cake squares topped with a miniature stork, and coffee to the following: Mmes. Fred Horn, Bratcher, Stelzer, Louis Martinez, Baughman and Eubank.

MEMBERSHIP MONTH

October is the month of the annual Lions Club membership drive. Anyone interested in joining is asked to contact a member of the Post club.

SUNDAY VISIT

Mr. and Mrs. Sherrill Boyd of Slaton visited in Post Sunday with relatives and friends.

UPY's continue visits here to other churches

Continuing their visits of the different church denominations, the United Presbyterian Youth visited the Church of God of Prophecy Sunday at 5 p. m. with the Rev. James Moore, pastor, explaining his church's beliefs.

Other churches visited at this time have been the First Christian, First Methodist, Assembly of God, Church of Christ, Church of the Nazarene, and First Baptist. The group plan to visit the Lutheran Church, a Catholic church, and Episcopal church and a synagogue before concluding the series of learning about other denominations to better understand their own.

Two new members have joined the organization due to promotion to the Junior High Sunday School class. They are Patti Power and Shannon McCampbell.

The youths were guests in the home of Mr. and Mrs. Tom Power following the visit Sunday night.

Those present were: Marcia and Meredith Newby, Susan Cornish, Deborah McCampbell, Terri and Patti Power and the Rev. and Mrs. Ed Graham.

It's My Turn ...

—By Mrs. C.

I didn't people-watch or people-listen at the football game last Friday night. I football-watched. Wasn't that a dandy? I was more than happy to lose out on winning the office football "pot." I had picked Post to win handily (as we all did) but expected Abernathy to score just a little bit. Post turned out to be more than "just a little bit better." If older "kids" were allowed to go to Teen-Town I'd have been there enjoying that "victory dance."

Tuesday is now one of the Cs favorite days. It used to be just an ordinary go, go day at the Post Dispatch but all that is changed. We now refer to it as "letter from Miss C—the college girl down San Antonio way" day. And that is a lovely way to start a day. Mr. C reads the letter first on the way from the post office. I snatch it from him and read it hurriedly before tearing into the day's work. Mr. C goes to Rotary Tuesday noon, so I grab a quick sandwich and get to re-read our letter in peace and quiet. Then we get to share the letter again with Miss. C, the younger, when we come from work.

Chances on 10th St., have taken place. My route changes somewhat since school has started as I take our younger one to school in the morning but 10th St., still remains my coming and going street the majority of the time.

As I back out of our driveway, I have to look at the Max Mitchell's lovely lawn. Early last spring when everyone else's lawns were greening up, Max's looked sick with his brown spots. Many, many hours of hard work and fertilizer went into making it one of the prettiest on Osage Ave. However he does have a close competitor in Mrs. M. H. Campbell who lives on the corner of 11th and Osage. She works in her yard with tender loving care morning, noon and night. She is the envy of all the husbands in the neighborhood.

I'm sorry to report that Louie Burkes has lost his "touch of South Carolina" that he planted on his corner. That little pine tree has faded dead away.

Our new Presbyterian Church is really sailing along so moving day can't be too far off in the distant. Mary Gavle Young's tomato plants are loaded around her beauty shon. Surely some one in that family must like chow-chow.

C. D. Morrell has had all those big lovely trees trimmed at his place of abode. I just wish we had some big enough to trim. The A. L. Kirkendolls have completely remodeled their house inside and outside and it looks quite nice. The Wayne Thomases have added a

Mrs. Lowell Short is sewing club hostess

The Mystic Sewing Club met Friday in the home of Mrs. Lowell Short for an afternoon of sewing and visiting.

The club is working on its project of making clothes for Christmas dolls.

Mrs. Short served open-faced sandwiches, cookies, mints and punch to the following:

Mmes. Thelma Kuykendall, Nell Windham, E. E. Pierce, Estelle Moreland, Lucy King, Eva Bailey, Jimmie Hudman, Aylene Runkles and Cecil Gray.

The Oct. 11 meeting will be held in the home of Mrs. Jim Shipley.

fence to their backyard.

This is one improvement that don't particularly care for. I'm happy that they have a fence but I miss seeing the washing hanging out to dry. Mrs. Thomas, at times Mr. Thomas, having a pretty washing—especially when they have a new little one.

A. H. Nelson has also added a fence but one can still see that interesting mesquite tree in his yard. The Church of Christ and Mrs. McCoy sports a new carpet and Mrs. McCoy does well with pianiums. The Rev. K. S. White has his church property looking up and span.

As I round the corner on 10th way and stop at the light (I was get there at the right time) I get down West Main and like what I see at the radio station. Those white shutters are a nice touch.

And what have I missed? Well ever it is I'll catch it one of these days and keep it for my next St. report.

I can't quit this column without making all the wives in town envious of me. I spent most of the weekend in bed with the flu. Did I have to work about crocheting, washing, ironing, cleaning, etc. what have you I did not. My Mr. C the younger and my Mr. C. really knocked themselves out and was off to a better start than usual this cool Monday morning.

Mr. C ironed eight shirts while I napping and explained that with this comment: "I figured if we didn't look too good no one would complain about it as I'm the one who will be wearing them." He says Christmas comes but one year?

Rabbi Kline's lecture here on European art is well received

ALEXANDER S. KLINE

and "Boulevard Montmartre." the work of a modern-day French impressionist.

That Rabbi Kline is one of the millions of admirers of Rembrandt was evidenced in his devoting more time to the great Dutch master than to any other single artist.

In addition to three of Rembrandt's some 70 self-portraits, Rabbi Kline showed the painter's first great success, "The Anatomy Lesson," "The Mother of Rembrandt," "The Night Watch," "The Mill," "Jeremiah," "The Rabbi," and "The Jewish Bride."

There were three reproductions of the Dutch painter Franz Hals. They were "The Laughing Cavalier," "The Gypsy Girl," and "Grandmother Molly."

Rabbi Kline's wife accompanied him to Post and assisted her husband in the lecture. They were guests of the Post Art Guild members and their husbands at a dinner preceding the lecture.

Mrs. Marie Neff, a member of the Art Guild, introduced Rabbi and Mrs. Kline, and on behalf of the Guild thanked everyone who helped make the event a success by their purchase of tickets and attendance.

An appreciative crowd of some 100 persons attended Rabbi Alexander S. Kline's lecture on "A Survey of European Paintings," presented by the Post Art Guild Tuesday night at the Post Primary School Auditorium.

Lavishly illustrated, including color slides of some 30 of the world's most famous paintings, it was an hour and a half lesson on European art for members of the Guild and art lovers of the community. Rabbi Kline's 30 years as a composer and lecturer on the history of art and art appreciation was amply drawn on as he lucidly told the story behind each of the masterpieces shown and of the artist who painted it.

He began with the Italian Renaissance school, went from there to Dutch and Flemish and the French schools, and closed his lecture with brief descriptions of three modern paintings.

Art is the successful communication of a human experience," Rabbi Kline told his audience. Among the French paintings included were Batteau's "The Embarkation"; Chardin's "The Benediction"; one of Fragonard's masterpieces of the rococo period in France; Millet's "The Angelus,"

Short course on nutrition is to be presented on four days

A short course on nutrition, "Food for Fitness" is being offered by the Garza County Committee on Food and Nutrition, Mrs. J. R. Garza, chairman, has announced. The program is planned to assist women in gaining better nutrition for less money. The four major food groups—meat, fruit and vegetables, bread and cereals, milk and dairy products—will be covered through planning and marketing through preparation.

Miss Juanette Williams, Garza Home Demonstration agent, and Mrs. Vivian Limer, Southwestern Public Service home economist, will be the instructors for the course to be held in the Reddy Room, Oct. 7-8, and Oct. 14-15. The time has been set at 7 p. m. to 9 to enable more working women and mothers of small children to attend.

Mrs. Shelton stressed that the course is open to everyone and there will be no charge. Door prizes will be given.

LOTS OF VISITING

Miss Henrietta Nichols and John Nichols left last Friday for a visit with friends and relatives. They visited Mr. and Mrs. George Thorn in Anson; Mr. and Mrs. J. E. Davidson and Mr. and Mrs. Layne Nichols, Abilene; Mr. and Mrs. B. J. Richards, Elmdale, and Mr. and Mrs. Jim Maler in Tye. They returned home Monday night.

farewell tea honors Mrs. Marion Smith

A farewell tea in honor of Mrs. Marion Smith was given last Thursday in the home of Mrs. W. A. Jones. Mrs. Smith has moved to Lubbock with her husband where she is associated with United Super Markets after working here in the retail store.

Tea and doughnuts were served to the following guests: Mrs. James K. S. White, Reuben C. Cancell Kirby, Don Riley, Junior Gray, Wilburn Wade, Jack Long, Margy Long, and the honoree.

Culture Club opens study on 'Early American Literature'

"Prose is the essence of good literature," said Mrs. Tillman Jones as she gave the introduction to the course of study, "Early American Literature," to the Woman's Culture Club when it met in the home of Mrs. M. J. Malouf Sept. 25.

"A study of the past helps to understand the present, and knowledge helps us to live intelligently," Mrs. Jones explained as she traced briefly the historical and literary background of such writers as Irving, Cooper, Bryant, Whittier, Lanier, Dickens, O. Henry and others.

Mrs. Homer J. Irons' topic was Washington Irving, called "America's First Man of Letters." Mrs. Louie Burkes discussed the writer of frontier stories and legends, James Fenimore Cooper.

The federation counselor, Mrs. Lew Marks, told of two projects stressed by the state president, Mrs. W. T. Carleton. They are literacy, a civic improvement contest, and CARE.

Interspersed throughout the year with the literary programs will be one on "Americanism," directed by Mrs. H. J. Haire. On Oct. 22, the Post Rotary Club will co-sponsor this program with the president of the Texas League of Women Voters, Mrs. R. E. Casperson of Lubbock, speaking on informing the voters and their responsibilities. It is expected to be one of the highlights of the year.

Another program of special interest will be Nov. 6 which is an open meeting and will be a fund raising project with proceeds going toward a club house. Mrs. D. C. Williams, Mrs. James Minor

and Mrs. Malouf are in charge of this event.

Other programs will include a mental health program conducted by County Judge J. E. Parker, Dr. John E. Carter and the Rev. C. B. Hogue; high school talent for the Fine Arts program, and a joint educational program with the Amity Study Club, according to the president, Mrs. Ira Lee Duckworth.

Mrs. J. F. Storie, co-hostess, assisted Mrs. Malouf in serving coffee and pecan pie to: Mmes. Virgil Bilbo, Burke Lee Davis, C. I. Dickinson, Williams, Duckworth, Marks, Bruce Evans, Haire, Irons, Charles Luttrell, Bryan Morgan, J. E. Tanner, C. R. Thaxton, A. Lee Ward and E. A. Warren.

Mrs. Davis and Mrs. Luttrell will be hostess for the Oct. 9 meeting.

Poer house scene of Girl Scout meeting

Girl Scout Troop 390 met Tuesday in the home of Mrs. Jim Poer. The meeting was called to order by Kathy Blacklock and projects and business were discussed. Refreshments were served by Brenda Ward to following: Kay and Kim Hundley, Kathy Blacklock, Margie Carter, Linda Parnell, Becky Poer, Martha Miller and Patti Peel.

At noon on Friday, Mrs. Kate Davis Pirtle complimented the guests with a luncheon at the Johnson House in Lubbock. Mr. and Mrs. Jess Cornell had the Lynns for a pre-football game hospitality prior to the Post-Abernathy game which they attended.

Mrs. Lee Davis was the hostess at a three-table dessert bridge at the Community Room at 2:30 in the afternoon Saturday. Fall flower arrangements were used in the entertaining room. Coconut pie, coffee and nuts were served by the hostess.

Birthday dinner for Donna Fay Melton

Donna Fay Melton was honored on her fourth birthday with a dinner in the home of Mrs. Eunice Porter.

Her parents, Mr. and Mrs. Don Melton and four children, Mrs. Nellie Tyler and two children, Mr. and Mrs. Billie Freeman and two children, Mr. and Mrs. Ralph Melton of Brownfield, and the honoree's grandfather, Bill Mathis.

Mrs. F. I. Bailey honored Thursday on 89th birthday

Mrs. F. I. Bailey was honored on her 89th birthday with a surprise party last Thursday in the home of her son and daughter-in-law, Mr. and Mrs. E. A. Warren, from 4 until 5:30 o'clock in the afternoon.

Fall leaves and fruit decorated the tea table with heirloom cut glass appointments being used. Individual decorated birthday cakes topped by lighted candles, grape clusters and punch were served to the guests.

Preceding the tea hour, the honored guest opened an array of gifts and many birthday cards.

Those attending were: Mmes. Lucy King, Thelma Kuy-Smith, C. R. Wilson, J. A. Pickens, Pete Pennell, Lee Bowen, Arnold Parrish, Bob Roberts, Miss Nora Stevens and Stacy, Linn and Scott Smith.

Mrs. Bailey was given a special recognition at the Thursday noon luncheon of the Good Neighbor's Club and during the Friday meeting of the Mystic Sewing Club.

WHEELCHAIR BOUGHT

The Post Lions Club has purchased a new wheelchair for Dan Tucker, one of Post's senior citizens, and will present it to Mr. Tucker upon arrival.

Post Music Club is to host district convention Oct. 12

The Post Music Club, newest member of the Texas Federation of Music Clubs, will be host for the Second District of Federated Music Clubs convention Oct. 12.

Approximately 50 out-of-town members, including Mrs. Tom Sappington, Second District president, plan to attend the all-day meeting to be held in the First Christian, according to Mrs. Lew Marks, vice president of the district.

Mrs. Ronnie Bouchier will be in charge of registration at 9:30 a. m. While the district officers attend the business meeting, other members will be taken on a tour of Postex Cotton Mills.

Luncheon will be served at noon with the ladies of the First Christian Church serving. George Willson, Lex Roby and Bruce Evans will present music during the luncheon. Reports will be heard from the various clubs with an interchange of ideas on community service and financing.

Post merchants are contributing gifts for the women attending.

Gift items will be displayed and can be purchased individually or orders placed. These items are made or donated by the various clubs and are a money-making project.

The convention will close at 5 p. m. to enable the women to attend area football games.

CONFERENCE SLATED

The Post Lions Club will be represented at the annual Mid Winter Conference of District 2T-2 to be held Jan. 25-26 in Littlefield.

WHY DOES GOD CARE?

We are so tiny in the vastness of space, so drab in the grandeur of nature. Why does God care about each one of us?

This question has always plagued the mind of man. It will probably never be completely answered to his satisfaction until he sees and believes the evidence of man's importance to God: *Thou hast made him a little lower than the angels.*

It remained for Jesus Christ to reveal the love of God. Sunday — World Communion Day — Christians will unite in the sacrament which is their richest experience of the glory and honor God has given.

The world over, men will rejoice in the Divine Love, so far-reaching, that God gave His Son for humanity.

AGRICULTURE

RELEASED BY THE TEXAS DEPARTMENT OF AGRICULTURE
John C. White, Commissioner

FALSE ADVERTISING ON EGG CARTONS

Have you ever taken an egg from a carton marked "All Good Eggs" or "Ever Fresh" and then had that egg ooze tiredly across the bottom of your skillet?

That low quality egg might have been fresh three or four weeks ago but the carton may have led you to believe it is just this sort of advertising on egg cartons that the Texas Egg Law is designed to prevent.

One section of the law states that no descriptive terms implying freshness of high quality can be used on a carton unless the eggs actually are of A or AA grade. Cartons containing B quality eggs or lower, cannot use descriptive terms which might mislead the housewife. The Texas Department of Agriculture inspectors maintain constant vigilance to make certain the housewife gets what she pays for in eggs.

WHEN THIS LAW went into effect some six years ago, a number of cases were tried to get around the misleading advertising clause. In a few individuals attempted to back under a company name which implied freshness such as "Top Quality Egg Company" or "Fancy Egg Company." One firm packed its cartons labeled "A Good Egg Company" and sued the Texas Department of Agriculture in an attempt to retain the name, declaring the Texas Egg Law as unconstitutional.

USDA and Texas inspectors pointed out that the company name was misleading and printed in such a way that an "A Quality" egg was implied even though all grades were packed. The actual egg quality was

printed in much smaller type in an inconspicuous spot. The court not only ruled the egg law as constitutional but also censured the owner for an obvious attempt to circumvent the law.

SOME OF THE purposes of the Texas Egg Law are to encourage the production and maintenance of a good quality egg; to keep inedible eggs off the market and to make certain all eggs are labeled properly as to grade and size.

As a result, the Texas egg is a considerably better product now than a few years ago, and current prices make them a good buy for the housewife. The law requires that all eggs be labeled according to their quality so that the buyer can make an informed selection. Some violations still occur from time to time but the Texas egg, today, ranks high on the national average.

Q. My husband made out his GI insurance to his mother and sister during the war. Since then he married me and we have two children. I tell him he should change the GI insurance beneficiary of record. He says VA will pay the money to me as his wife in case of his death, regardless of the listing. Is this true?

A. No, it is not true. Unfortunately, many GI insurance holders are making this same mistake. The Veterans Administration is required by law to pay the insurance proceeds to the beneficiary of record. In your case it would go to his mother and sister as he originally arranged. Tell him to notify the VA insurance office where he sends his premiums of his wish to change the beneficiary listing.

Q. I am married and the mother of a child. Can I still go to school under the War Orphans Education Program if I am otherwise eligible?

A. Yes. Neither marriage nor motherhood cancel your eligibility to participate in this program.

Q. In the case of a serviceman's death while he is on active duty, what are the limits of the death gratuity payment and who receives it?

A. The benefit is a sum equal to six months pay of the deceased. However, it shall not be less than \$800, nor more than \$3,000. It is paid to the surviving spouse, child or children, unless the serviceman has designated his parents, brothers or sisters.

DEMAND FOR BEEF
The growing demand for beef in the U. S. will require that the number of beef cattle be increased at the rate of 5 percent annually for the next seven years. The USDA estimates that we will have to have 14 million additional acres of grazing annually to produce this number of cattle.

Today five out of every six new customers of Rural Electrification Administration financed co-operatives are not farmers. The REA was started in the 1930's to serve farmers.

Going on display Friday at Collier's

Jetstar 88 is newest in '64 Oldsmobile line

Oldsmobile's new Jetstar 88, along with the new F-85s, Dynamic and Super 88's, 98's, and Starfires, will go on display in Collier Chevrolet-Olds Co.'s showroom here Friday for the first time.

"The new Jetstar 88, lower-priced companion to Oldsmobile's other famous, high performing 88's," Claud Collier said today, "is powered by the new Jetfire Rocket engine, an ultra-high compression, 330 cubic inch member of the Rocket engine family.

"In addition," Collier said, "we will also be showing Oldsmobile's new medium price class sports-car, the Jetstar I, powered by the big, powerful Starfire engine.

"All 1964 Oldsmobiles," Collier continued, "are designed to meet the most discriminating tastes of the buyer, with brilliant styling and exciting performance to appeal to the young of all ages."

The Jetstar 88 will be produced in a 4-door sedan, hardtop sedan, coupe and convertible, on a full-size Oldsmobile body and a special, 123-inch wheelbase chassis. The car is designed for the increasing number of "up and coming" younger families. It is a lighter car, fleet in appearance, and fleet in action with its new light-weight cast-iron Jetfire Rocket V-8 engine.

"The Jetfire Rocket is a completely new engine," Collier said, "capping a long list of engineering firsts by Oldsmobile. It embodies an inverted 'A' cylinder block construction and integrated manifold and engine cover for a new standard of quietness of operation.

"The engine is teamed," he continued, "with an entirely new automatic transmission, the Jetaway, consisting of an automatic gear shift and a torque amplifying feature which permits extra performance without downshifting."

"There are many other new and wonderful things about the 1964 Oldsmobiles," Collier continued. "Styling is brilliant, fresh and new, with the accent on youthful appearance.

"From the new Jetstars to the magnificent 98's," Collier said, "each series is highlighted by the use of specific grilles, rear bumpers, rear quarters, tail lamp assemblies and the placement and shape of accent trim, including newly designed rocker panel moldings."

The new Jetstar I is equipped

with bucket seats and console, and roof styling similar to the Starfire coupe.

The Starfire has been dramatically changed to accentuate its performance image. The 98 for 1964, more distinctive and elegant than ever, is the most magnificent car Oldsmobile has ever produced. A new rear quarter profile further emphasizes the long, sleek look of this most luxurious Oldsmobile series.

Interiors for 1964 are sparkling and glamorous with intriguing new patterns in combinations of trim materials. Other interior features include a completely new and attractive instrument panel. A new power console, extending from the engine cowl to the rear of the front seats, is standard on the 98 Custom Sports Coupe, the new Jetstar I, and the Starfires.

An industry exclusive on 1964 Starfires and the new Jetstar I is a newly developed chambered exhaust system to emphasize "the Starfire sound of muted power."

Powering the new Jetstar I is the 345-horsepower, ultra-high compression (10.5:1) Starfire engine.

Big, powerful 394-cubic-inch Rocket engines are standard on all Dynamic and Super 88's and 98's. Horsepower goes up to 330, with compression ratios as high as 10.25 to 1.

Teamed with Oldsmobile Rocket engines is the famous Hydra-Matic transmission standard equipment on 1964 Starfires and 98's, and available at extra cost on the Jetstar I and on Dynamic and Super 88 models.

Oldsmobile's entry in the low price field, the F-85 for 1964, is a totally new automobile, styled for more beauty, designed with greater interior measurements for maximum utility, and powered by a brand new engine for more performance.

The F-85 is a greater value than ever before, with more leg-room, head-room and entrance room. It is styled to prevent a clean, sharp image with the immediately recognized "action" look of Oldsmobile

from every angle.

In engineering design too the F-85 85 is a completely new car, with its own new chassis and power train and independent body-frame construction.

The F-85's new Jetfire Rocket engine gives exceptional performance in this car. The engine, a light-weight cast-iron V-8 used the most advanced foundry techniques and is produced in Oldsmobile's Rocket Engine plant.

The new 330 cubic inch engine for F-85 models delivers 230 horsepower and uses regular grade gasolines. The Cutlass Sports coupe and Cutlass convertible, along with the newly introduced Cutlass Holiday coupe, are powered by an ultra-high compression, 290 h. p. Cutlass engine, equipped with a four-barrel carburetor and designed for use with premium fuels.

CROSBYTON BURGLARIES

CROSBYTON — Eight burglary charges have been filed here following a series of from 20 to 30 break-ins in Crosbyton and vicinity.

The most recent in the wave of burglaries were Sept. 16-17 when the high school, a grain firm, a washateria, a gin, a delinting plant and an automotive sales firm were broken into. Several hundred dollars worth of stolen merchandise was recovered by the sheriff's department.

and low price. Oldsmobile offers a new 155-horsepower V-6 engine. With the V-6, Oldsmobile engineers, long noted for their skills in the reduction of noise and vibration, have achieved new standards of smoothness and quietness.

THE POST DISPATCH

COLLIER CHEVROLET-OLDS CO., 111 SOUTH BROADWAY

For meeting Sunday

Garza Historical group to Lubbock

Nine of the 11 members of the Garza County Historical Survey Committee will attend the regional meeting of the County Historical Survey Committees in Lubbock on Sunday, Oct. 6, Mrs. A. C. Surman, Garza County chairman, said today.

The meeting is being sponsored by the Lubbock County Historical Survey Committee and the Texas State Historical Survey Committee.

Mrs. Surman will make a report at the meeting on what Garza County has been doing to preserve the history of Texas. The principal activities have been locating and

marking graves of Confederate veterans, placing medallions on historical buildings, collecting histories of pioneer families and communities and making tape recordings of pioneers, and cooperating with the Highway Department in locating and placing a marker in the county commemorating the Llano Estacado.

Lt. Gov. Preston Smith will speak at the meeting, explaining the "New Historical Legislation." Other speakers will include John Ben Sheppard of Odessa, state committee president; Dr. W. C. Holden, director of the West Texas Museum; and Mrs. D. M. Parmelee.

"We urge everyone interested in Texas history to attend the Lubbock meeting," said Mrs. Surman. "You do not have to be a member of the Garza County Historical Survey Committee to participate."

Members attending from here will include Mrs. Surman, George Symson, Walter Duckworth, Frank Ruskles, J. B. Potts, Mayor Harold Lucas, Charles Luttrell, Julian F. Smith and Monta J. Moore of Levelland and their wives.

Unable to attend because of a meeting in Austin will be members County Judge J. E. Parker and Commissioner Ozell Williams.

The Lubbock meeting will be held at the West Texas Museum Auditorium.

C-C manager—

(Continued from Page 1) here each one attending was asked to write down what he considered to be the most important project Post should undertake. These then were read and discussed. A lot of enthusiasm was shown for getting started on a full-scale community betterment program. Many projects were proposed.

How to get organized was the point raised several times. It was agreed that a full-time experienced chairman manager could best do the job of getting Post folks organized and working on committees.

The Corner Grocery and Market, now "without a corner" is holding its Grand Opening in its new business location next door to The Dispatch Friday and Saturday and are giving away a lot of groceries—six big boxes of them in fact—and putting special low Grand Opening prices on a lot of their goods as you will note in their eye-catching ad on page 13 of today's Dispatch. Each free box of groceries will be worth \$14 and all you have to do is sign up on either of the two days for the late Saturday drawing. Good luck, neighbor!

The new '64 cars complete their bow this weekend. Guy Floyd at Guy Floyd Motor unveils his new Ramblers, Pontiacs, and GMC trucks today and Claud Collier will put his new Oldsmobiles and F-85s on display for the first time Friday and Saturday. So stop in and take a look at all these beauties.

We're glad to report in The Dispatch this week on the enthusiasm stirred up by local business and professional folks on two fronts—a big Christmas opening Nov. 23 with a parade, and in getting organized to work together for a bigger and better future for Post. We hope everyone will support both projects. Post is a good town and we need to actively work and promote together for the good of all. We urge everyone interested in Post's future to turn out next Thursday night at 8 o'clock at the Community Room so we can make some plans together. We don't know of anything which will be more worthwhile than this.

T. B. Odum, chairman of the Christmas decorations committee of the Chamber of Commerce, promised that decorations would be up for the opening.

Financing of the affair would come through a drive to be launched in the next few days by a finance committee composed of Guy Floyd, Jimmy Hundley, Claud Collier and Hudman.

Odum is looking into the possibility of the Chamber buying permanent Christmas decorations this year and paying them out from funds allocated by that organization for downtown decorating over the next four years.

Sanford will be in charge of a window decorating contest for school youngsters of the other three Post schools. Windows of empty stores would be decorated and prizes given the winning organizations. The windows would remain in place throughout the Christmas season here, thus adding considerably to the effectiveness of downtown decorations.

The Christmas opening is being sponsored by the Post Retail Merchants Association but it open to participation by all local merchants.

"We need everybody's participation to put it over," Hudman, RMA president, declared.

More detailed plans will be worked out at weekly RMA luncheons at Levi's during the coming weeks and all merchants are invited to attend.

Hudman said his finance committee hopes to have a report by next Thursday as to the success of the financial campaign for the Christmas opening.

"How well the merchants respond will determine whether we can successfully stage this promotion and get Christmas off to its fastest and best start ever here," he said.

Electric bills are to come in envelopes

Electric service bills for Post customers will come in envelopes beginning next week, it has been announced by Ted Hibbs, manager for the Southwestern Public Service Company.

The change from the postcard bill, which has been in use for a number of years, is the result of the installation of new electronic billing equipment, Hibbs said.

"I think the chances are slim that anyone would throw away an envelope with our company's return address on it, without first seeing what it contained, but it seemed wise to point out, at the start of this new billing procedure, that the statement will be coming in an envelope in the future," Hibbs said.

The new envelope, white in color with a green block, is clearly marked on the outside as an electric service bill. Enclosed along with the new statement is a return envelope. The stub from the bill should be enclosed with the payment, the same practice that has prevailed in the past.

Hibbs said Post customers would be billed at the same time of the month that they have been in the past.

Hibbs pointed out that there is a feature in the new billing system which might encourage more customers who have checking accounts to use the bank draft method of payment. He said that the objection to this method on the part of some customers in the past has been that they didn't know how much their bank account had been charged.

Under the new billing system, the customers using the bank draft method of payment will receive a copy of his statement at the same time that the billing for Post customers is made. The statement will

be clearly marked that it should not be paid because a bank draft will be drawn, but it will inform the customer of his monthly charges for electric service.

A small pamphlet, announcing the new billing procedure, will be enclosed in the first statements, scheduled to go out next week, Hibbs said.

The special training program for Post businessmen was announced by Victor Hudman, president of the Retail Merchants Association of Post.

THE BIBLE IS OUR MOST PRECIOUS POSSESSION

Through it we actually meet God. The Bible is God talking to us, answering all of life's big questions, revealing His great heart to us. God wants everyone to know Him well and to have the good life through Him. Have you really met God? How well do you know Him?

Faith Lutheran Church of Post invites you to its special Bible Course beginning this Sunday at 6:00 p. m. in the Presbyterian Church at 10th and N. Ave. K. It is designed for young people and adults. It is a three month course in which we shall carefully and prayerfully, step by step, study all of God's important teachings about Himself and about us. All people are welcome to attend. There is no charge and no obligation involved. Just bring your Bible, listen, read, study and ask questions.

If you have not made up your mind which church to join then this is a good opportunity for you to see what the Lutheran Church teaches and stands for.

If you belong to some church this is a good opportunity to learn something firsthand about the faith of your Lutheran neighbors, friends, or relatives.

We all need to know God better. Through study of the Bible we can. If you have never made a complete study of the teachings of God's Word and in the language of today, you are welcome to join us at this time. Jesus says, "Blessed are they that hear the Word of God and keep it."

Antelopes gunning for win over Floydada here Friday

Post has dropped last six games to Winds

undefeated Post Antelopes trying to rub out another night they go up against the Whirlwind here at 8 Friday night.

Antelopes were successful in cracking the Abernathy, but they'll be up against a stronger team when they play Floydada.

FLOYDADA OPENED their win with a resounding 44-0 victory, followed with a 14-0 over a good Olton eleven and improved Ralls, 20 to 3 losing to Childress.

Whirlwind eleven has yielded 10 points in four games—goal to Ralls and a touch-down game-winning extra point. Along with Post, has given up only six points in the Floydada eleven of the better defensive in the state among Class A's.

all is not bright in the Floyd. Their starting quarterback Teague, injured a knee in Ralls game and is out for season following surgery. Halfback Moore, their best runner, has been plagued with injury all season and did not play against Childress. There is a chance of his not being in the line.

Crosbyton beats first frosh '11'

Elvin Jones' Post freshman scored first at Crosbyton Thursday night, but wound the short end of a 16-8 score.

Post touchdown came on the first offensive play, with Walker rambling 50 yards for score and Steve Stone adding extra points.

Post tied it up in the second quarter on a touchdown pass and a successful two-point conversion attempt.

There was no scoring in the third, but Crosbyton broke the neck in the fourth on an end run up by a completed pass.

Post team was without the services of halfback Clyde Allen quarterback Jimmy Bartlett tackle Filemon Vargas.

Big second half does it, 41-0

Antelope '11' finally busts Abernathy jinx

The undefeated Post Antelopes, clinging to a shaky 7-0 lead throughout most of the first half, exploded for 34 points in the second half here Friday night to defeat the Abernathy Antelopes, 41-0, and avenge a long line of defeats at the hands of the visitors.

For the Post eleven, which through four victories has one of the best defensive marks of any Class AA team in Texas, Friday night's offensive performance was their mightiest of the season thus far.

The 41-0 setback was the worst suffered by Abernathy this year and one of their worst defeats in recent years.

Halfback Benny Owen's eight-yard slant off left end and quarterback Pat Cornell's place-kick gave the Antelopes their first half lead with seven minutes remaining in the first quarter.

LATE IN THE same period, the Antelopes drove to the Abernathy four-yard line, but lost the ball on downs.

The visitors threatened late in the second quarter after blocking Cornell's punt and taking over on the Post 33. Fullback Nathan Knight wheeled 16 yards to the 17, but that's as far as the rock-ribbed Post defense allowed the visiting Antelopes to go.

Top honors go to four Antelopes

Pat Sullivan, Charlie Brown, Butch Cross and Danny Pierce received the most votes from 46-56 Club members Monday night as the Post Antelopes' outstanding players in Friday night's win here over Abernathy.

Sullivan received the nod as offensive lineman; Brown, defensive lineman; Cross, offensive back, and Pierce, defensive back.

The meeting of the lettermen's club followed a public showing of the Post-Abernathy game film in the primary school auditorium. Monday night's turn-out was the biggest at any game film showing yet this season, said George Pierce, 46-56 Club president.

Denver City loses; Post is only undefeated District 4AA eleven

The Post Antelopes were the only District 4AA team to win Friday night and by doing so remained the loop's only undefeated eleven.

The previously unbeaten and top-ranked Denver City Mustangs lost to the Class AAA Levelland Lobos, 20 to 14.

The Slaton Tigers and Spur Bulldogs were again shut out, Slaton by Portales, N. M., 29 to 0, and Spur by Crosbyton, 20 to 0.

The Frenship Tigers, who have scored in every game, but haven't won yet this season, lost to O'Donnell, 20 to 8.

Denver City goes against another Class AAA toughie when it travels to Littlefield Friday night. Frenship plays Abernathy in a battle between winless teams; Slaton takes on Crosbyton and Spur tries O'Donnell.

Floydada comes from behind to beat 8th grade

The Floydada 8th grade football team came from behind in the second half to defeat Coach Will Bigott's Post 8th graders, 28 to 18, at Floydada Tuesday night.

The Post 8th graders scored on the first play of the game when their dependable quarterback, Joe Reno, passed to speedster halfback David Condron, the play covering 55 yards.

Floydada also scored in the first quarter and the teams were tied, 6-6, at the half.

Post went ahead in the third quarter on another Reno-to-Condron pass play covering some 50 yards.

Floydada came back with three touchdowns to take a 28-12 lead, but Post narrowed the gap late in the fourth quarter when Condron broke through the middle and raced 85 yards for a touchdown.

Coach Elvin Jones' 7th grade team lost to Floydada, 28-8, but details on this game were not available at the time The Dispatch sports page went to press.

The 7th and 8th grade teams are to play at Tahoka next Tuesday night.

Cross top runner in Friday's win

Halfback Butch Cross, with touchdown runs of 16 and 54 yards to his credit, was the Post Antelopes' leading ground gainer in their 41-0 win over Abernathy Friday night.

Cross gained 118 net yards or eight carries for an average of 14.5 yards.

Halfback Benny Owen, the team's leading ground gainer through the first four games, netted 84 yards on 12 carries against Abernathy, bringing his rushing total thus far to 386 yards, an average of 5.9 yards.

Pat Cornell, quarterback, netted 27 yards against Abernathy. He had several good running gains, but his net was cut down by losses while attempting to pass. His rushing total through the first four games is 207 yards.

End Ronald Simpson was the leading pass receiver Friday night, hauling in four heaves for a total of 72 yards, one good for a touchdown.

End Teddy Scott was on the receiving end of one pass-run play that netted 72 yards and a touchdown, and end Danny Pierce caught one for 15 yards.

Raiders to host Texas A&M '11'

LUBBOCK — Texas Tech begins a three-game home stand against Southwest Conference opponents by facing the Texas Aggies in Jones Stadium at 7:30 p. m. Saturday.

Following the Aggie invasion, the Red Raiders are hosts to Texas Christian Oct. 12 and Baylor Oct. 19.

About 41,000 are expected to attend the A&M game. The Raiders drew 31,500 for their opening 16-7 victory over Washington State here, and 54,000 witnessed the Raiders' 49-7 loss to University of Texas in Austin last week.

A&M returns 23 lettermen—as compared with the Raiders' 18—from the team that edged Tech 7-3 in College Station last season. The 1962 contest was a heart-breaker in that the underdog Raiders, staying off the Aggies throughout the game, marched down the field at the last to go ahead 3-0 on H. L. Daniels' field goal. But, with 19 seconds remaining Dan McIlhenny raced 100 yards on the ensuing kickoff.

SEE FOOTBALL GAME

Mr. and Mrs. Shelley Camp, Roger and Carol, attended the Texas Tech-University of Texas football game Saturday in Austin.

O'Donnell falls to Jr. Varsity

Three touchdowns by Luis Ayala, two of them on punt returns, helped power the Post Antelope junior varsity past O'Donnell, 42 to 14, last Thursday night on the O'Donnell gridiron.

Ayala returned a punt 60 yards in the first quarter for Post's first touchdown. In the same quarter, Ricky Welch scored on a quarterback sneak and Tommy Rinker ran over the extra points. O'Donnell scored on a 20-yard end run to make the score 14-6 at the end of the first period.

Luis Ayala intercepted a pass and went 40 yards for Post's second quarter touchdown, and Mike Avallara ran over the extra points to give the first period.

O'Donnell scored on a pass play to close out the scoring.

Coach Black had only 13 men available for the game and played all of them. The entire unit did an excellent defensive job, he said.

The Post JV's play the Slaton Tiger junior varsity at Slaton tonight.

Oct. 11 deadline for registering in PP&K contest

With Oct. 11 the deadline, sign-ups for the annual Punt, Pass & Kick Contest to be held later in the month are coming in slowly, it was reported yesterday at Tom Power Ford, which sponsors the contest locally.

Only 24 boys had registered for the contest up to yesterday, whereas approximately 100 are expected to compete. Those planning to register are reminded of the Oct. 11 deadline. Each boy signing on must be accompanied by a parent or guardian.

The contest is for grade school boys ages eight through 11. They will compete locally for National Football League warm-up jackets, football helmets and autographed photos of star NFL players.

The PP&K competition, in its fourth year here, will be held at Antelope Stadium with Athletic Director Harold Teal and other members of the Post coaching staff in charge.

Citizens praise Post's schools

By Argan Robinson
A series of interviews with outstanding citizens proves the support our school is given by the public. Each of these citizens is as full of the school spirit as the students are themselves.

FRANK BLANTON — "I think the school spirit is very good. It has especially improved in the last two years. The attitude of the football boys is outstanding. The coaches have gone out of their way to create atmosphere. We have a fine bunch of boys who are real leaders, and the town is proud of them as individuals."

In Mr. Blanton's opinion, the new administrator is working extra hard to make the public more aware of our school and for what it stands.

"I think the administration is more interested in public relations now than ever before."

BOB SMITH — "The school spirit is at an all-time high, and if it increases in the future as it has in the last two years, the school will be wonderful."

"Friday night's game was one of the best I've ever sat through. The boys had more fighting spirit and sportsmanship than ever before."

REV. BILL HOGUE — "I am inspired with what I have seen. The new school system is a new step forward and has great merit. Its value will be seen over a period of time and not suddenly."

"The school spirit is the best I have seen in six years. It has more quality and is less superficial."

"The coaches' attitudes are very good and their desire is to build character. They are apparently

Bruce Burnett is Junior High teacher of week

Mr. Bruce Burnett was home and reared in Waurika, Okla. He attended and received his degree from Texas Christian University in Fort Worth.

Mr. Burnett is single, lives at 301 West 5th St., and attends the Methodist Church. He is the 6th grade Social Studies teacher.

We are very proud to have him as a Junior High School teacher.

Junior Highers describe Fair

By Gary Nichols
Here is what some of the Junior High School people said about the Panhandle South Plains Fair at Lubbock:

Ronnie Williams—"It was okay."

Judy York — "It was a good place to lose all your money."

Robert Hogue — "The Fair was fair."

Scharlene Holland — "It was a blast."

Barbara Newbold—"I especially liked the rides."

Mr. Willson—"My family and I had a wonderful time."

Verna Mae Curtis—"The Rocket was the best ride."

Marla Carpenter—"I had a swell time."

Helen Jean Jones—"I had fun riding the hammer and the ferris wheel."

Margie Barnett—"All the rides were exciting and the cotton candy was delicious."

Victory Party is held Friday at the Youth Center

By Susan Cornish
A Victory Party was held at the Youth Center Friday night after our victory over Abernathy. There was a good attendance and everyone had fun.

We, the students, are glad to say that we finally have a good place to go instead of dragging Main. We enjoy being together as a group whether we are dancing, talking, or just having fun. And, we can do all this at the Youth Center. Last Friday night most of the night was spent discussing our victory and Leveillard's over Denver City. Those who watched the dancing and limbo had just as much fun as those participating.

Thompson is to address Student Council meeting

Barry B. Thompson, superintendent of the Post schools, will make the keynote address at the Top of Texas Student Council convention in Borger on Oct. 19.

Supt. Thompson's address to the 680 students representing 131 Panhandle schools will be entitled "Responsibility, Opportunity and the Obligation of Youth."

Pep rally held by Junior High

By Brenda Lee
The Junior High students assembled at the football stands for a pep rally last Tuesday at the end of the sixth period.

The band played under the direction of Mr. Bruce Evans. Their first number was "Parade March No. 1."

The cheerleaders led "Never Catch Our Man" and some other yells. After the yells the band played "Coat of Arms".

A cheerleader introduced Mr. Bigott, 8th grade coach. Coach Bigott gave a very good speech and introduced the boys of the 7th and 8th grade teams.

For a final number the band played "Bleacher Boogie".

6th Grade Gossip

By Cathy Cates
Be sure to congratulate Ginny Edwards. Her mother won a hi-fi.

Hey girls, didn't we have fun in P. S. Monday?

Grady and Giles, are you still pestering Mr. Frederick for licks?

Jay Bird, are you going to ask Mr. Burnett for licks again?

Is it true that 6-A boys want to become housewives?

Guess what, Don Collier and Martha Miller are going together again. Good work, Martha!

I know a certain 6th grade girl that is going with Floyd Jones. Huh, Janice?

\$45 salary increase is goal of teachers

SAN ANTONIO—C. O. Chandler, president of the Texas State Teachers Association, said the group will ask for a \$45 a month teacher pay raise during the next session of the Legislature.

Chandler said the \$45 a month pay raise will be a major part of the association's next legislative program.

Message From Superintendent

Attention, Antelopes

By BARRY B. THOMPSON
Congratulations to the faculty and student body on a highly successful beginning for the 1963-64 school year. School spirit and attitudes have been commendable during the first four weeks of school. School began with a minimum of confusion and chaos. Much must be accomplished, however,

Something More

(Dedicated to Floydada)
They lost the game, yes, lost the score.
But in every game there's something more.
And, when the trials of manhood come,
(And cruel trials will come to some),
They'll battle on with heads not hung—
They took defeat when they were young.

Any boy might lose a game
And let his fighting pow'r fall lame.
But it takes a man to stand up when
The Whirlwind eleven has lost again.

Yes, it must be hard to push ahead
In a game when the hope of a score is dead;
What is it that keeps those heads held high
When the end of a hard-fought game is nigh,
And the other team carries the higher score?
It's that burning spirit — that "something more."

Danny Odom is week's griddler

By Margie Harrison
Our featured football player of the week is Danny Odom.

Danny is a senior and is the son of Mr. and Mrs. Albert Odom.

Danny is a co-captain of the Post Antelopes. He has played football since Junior High and plays both guard and linebacker.

He says that the future games will be the toughest of the season for the Antelopes.

Danny thinks the school spirit is just wonderful and the best he has ever seen in PHS.

Some of Danny's favorites are: Food, chicken fried steak; sport football; subject, shop, and song, "Blue Velvet."

Danny holds several offices at PHS and is very outstanding in the Senior class. He plans to attend college, but has not selected one yet.

PHS is proud to have Danny as an Antelope.

Sophomore couples being seen around

By Cerretha Jones
Quite a few sophomore couples have been seen around lately.

Some of them are: Julia Childs and Kenneth Barnes, Cherri Cummings and Butch Alexander, Beverly Duncan and Ronald Simpson, Johnny Kuykendoll and Laura Gerner, Judy McCampbell and Jerry Bush;

Sharon Smith and Kenneth Howard, Eloisa Bustor and David Perez, Sharla Pierce and Jimmy Kennedy, Terri Power and Larry Guy and Pat Martin and Jimmy Smith.

Frosh Gossip

By Jo Beth Dillard
The Freshman band bus seems to be the most popular bus. All the Sophomores want to ride on it. How football field?

Beverly Avant, why do you always throw your horn down on the football field?

Edith, whose needle works fastest on snaps?

Did you say Joe Hudman never argues in Physical Science?

We all enjoyed Paul Walker's story in English I.

Teacher spotlight is on Norman Gee

By Linda McMahon
Mr. Norman Gee, the new Physics and Chemistry teacher, is this week's spotlight teacher. He was born April 15, 1939, in Southboro, Mass. He began his school years there at Fay School, but transferred and graduated from Lyme Central School at Clairmont, N. Y., in 1956. Mr. Gee attended "The Citadel" in Charleston, S. C., and was a 1962 graduate.

Mr. Gee taught in Trenton, N. J., as a mathematics teacher in a Junior High School. He is now working at East Texas State on a major in Physics and a minor in Biology.

When asked about Post, Mr. Gee replied, "I like it. It's a nice, friendly small town." He also stated "I'll try to teach so that the students not only absorb the information but so that they can use the information they absorb."

Mr. Gee is on the Science Fair Committee and places great emphasis on the Science Fair. Post High Chemistry and Physics students are sure to learn many new things this year. PHS welcomes you, Mr. Gee!

Junior Gossip

By Susan Cornish
The Juniors must have put a jinx on Abernathy last Friday night because we made all the touchdowns.

We have heard rumors about a new boy in town. His name is something like Sugar Sullivan!

The Basketball girls had a misunderstanding about how to use the disinfectant pad. Cheryl, Mary Ann and Vivian tried to disinfect their tennis shoes.

Coach Teal is sending Robert Moreau and Teddy Scott on a good-will concert tour.

Anybody want to buy a cake? Get in touch with a member of your friendly Pep Squad.

The Juniors are making money "like mad" from the concession stand. Everybody, when you're at the football games,—EAT!!

Too bad about Denver City getting beat.

Charlie Brown won a first prize at the Panhandle South Plains Fair with his cattle-feeder.

Officers are elected by language division

The French Division of the Foreign Language Club has elected officers for the 1963-64 school year. The club will plan projects for the year later.

The newly-elected officers are: Susie Jo Schmidt, president; Nita Inson, secretary-treasurer, and Wilson, vice president; Argan Robbetsy Shytles, Student Council representative.

Our Undefeated Post Antelopes

VS

Floydada Whirlwinds

Friday Night, Oct. 4

Here In Antelope Stadium

8 P. M. Kickoff

**TAKE ALL THE "WIND"
OUT OF FLOYDADA!
Yea, Antelopes!**

Friday night is the first "really big one" for Post's unbeaten Antelopes as they go on the homefield against the Floydada Whirlwinds, a perennial Class AA grid power which holds six straight victories over the locals.

Coach Harold Teal's hustling young club, which jelled its attack for the first time here last week against Abernathy, have been rated a couple of notches under the Winds all season in South Plains grid rankings.

The last time the Antelopes defeated the Whirlwinds was seven years ago in the 1956 season.

This is the game Lubbock Avalanche-Journal sports ed has promised to come and report for his paper. It is the game which should draw the biggest crowd into Antelope Stadium in a decade. It could set an all-time attendance high.

It's an 8 p. m. kickoff, but don't wait until ten minutes before the initial boot to arrive. You'll have to walk the final three blocks and wait in line to find a seat.

This one should be a humdinger. And at the halftime there'll be a real "battle of the bands" as well as Floydada has a big band loaded with ability.

Card of Thanks

I want to thank all of my friends for their visits, cards, and flowers during my recent stay in West Texas Hospital.

T. H. Tipton

We wish to thank all those who were so kind and thoughtful during our recent bereavement, including those who sent cards, flowers and food, and also Dr. Surman and the staff at Twin Cedars Nursing Home. It was especially comforting to note the many business firms which closed during the funeral services. Lois and Red Floyd

Missionary is speaker here at special revival

The Rev. I. H. Wills, missionary for the Assemblies of God to India, is featured speaker at a special revival meeting that began Wednesday at the Assembly of God Church and continues through Oct. 16.

During his four years in India, Rev. Wills helped organize Assemblies of God churches in South India. He also served on the board of directors of the Fellowship of American Missionaries and supervised the National Workers in the Marathi District of South India Assemblies of God.

Under Rev. Wills' direction as principal, the Marathi Bible Institute, which is a three-year school, had its first graduation of students trained for national ministry.

Before going to India, Rev. Wills attended Southwestern Assemblies of God College in Waxahachie, Tex., and engaged in evangelistic and pastoral ministry among the Assemblies of God Churches in Texas and North Carolina.

Mr. and Mrs. Wills have two sons born in India. He is presently pastor of the College Avenue Assembly of God Church in Lubbock. The public is invited to attend the revival services, which are being held at 7 p. m. daily, the Rev. J. R. Brincefield, pastor of the Post church, said.

Texas State Fair opens Saturday for 16-day run

DALLAS — The 1963 State Fair of Texas, a star-spangled "Exposition of Our American Heritage," will open Saturday, Oct. 5, and run 16 fun-filled days through Sunday, Oct. 20.

"How to Succeed in Business Without Really Trying," the award-winning Broadway musical comedy, and the State Fair Horse shows both will open Friday night, Oct. 4.

Gov. John Connally will officially open the Fair in ceremonies Saturday morning following the opening day parade through downtown Dallas, led by the 4th United States Army Band.

Opening day is also Rural Youth Day, and some 100,000 4-H clubbers, Future Farmers and Future Homemakers from all over Texas will be on hand.

Keved to the Americana theme of the Fair, there will be a colorful "Parade of the Stars and Stripes" around the fairgrounds each evening at 6:45 p. m. Exhibits from around the world will be on display in the Texas International Trade Fair in the World Exhibits Building. Spanning a wide range of interests, other special features include the "Faces of Freedom" display of 75 original historical paintings, an authentic encampment of Indians from the Iroquois Nation, the "Wonderful World of Jewelry and Gifts," "Optical Mazer" demonstration of a new concept of transmitting communications over light beams, FFA children's barnyard, new 1964 model cars in the Automobile Show and "live" television broadcasts from the Gas Exhibits Building.

The blossom of the saguaro is Arizona's state emblem.

Fashion Tips... by Celste Pau

IF YOU ARE TALL... Vertical lines, high hats and heels, slim short skirts, narrow belts and single-color costumes are best for you.

IF YOU ARE THIN... You're probably a natural born clothes horse. You can make the most of soft drapery fabrics, bright satins or spongy tweeds, full pleated skirts, ruffles and bulky knits.

IF YOU ARE PLUMP... Concentrate on tailored lines and dark colors. Flared skirts flatter your figure... ruffles, thick tweeds and sleeveless frocks don't.

Pettit fails to show for Southland game

By MRS. MAX CHAFFIN
Well, everyone sat down at the Southland Football Field for an exciting game on Friday night, last, and nothing happened except the loud speaker clicked on and Supt. Callaway explained "there will be no game." Pettit did not show! That is the best way to win a ball game.

The Ronnie Sales family is visiting the Weidon McGehees in Gordon; Mr. and Mrs. Ronnie Sales and baby are living in Jacksonville, Tex., now.

Mr. Elsin Crawford and her brother, Slaton Moore, and sister-in-law, flew in via their own four passenger airplane from Fort Lauderdale, Fla., for a two weeks visit. They also visited Mrs. J. F. Moore, Mrs. Slater Moore's mother, in Muleshoe and her sister in Wolf-orth and another sister in Lubbock.

On Sunday Mrs. Selma Kiesel invited Mr. and Mrs. A. R. Kiesel and Rhoda and Mrs. Mary Mathews of Anton, Mr. and Mrs. Arthur Stolle and Mrs. Pauline Stewart for dinner. Mrs. Kiesel's daughter, Beatrice, was home from Texas Tech where she is a senior and a physical education major. Yvett Mrs. Elsie Camden also dropped by on Sunday at Mrs. Kiesel's.

Mrs. Cameron Justice, Jim Mason's sister from Justiceburg, stopped by the Jim Mason home in Southland on Saturday morning.

We are sorry to hear that Clark Cowdrey is ill. We hope for his quick recovery.

MRS. HUBERT TAYLOR went to the Association of WMU officers of District 9 meeting in Lubbock last week. They had sessions in the morning and afternoon and met for lunch at Furr's on 34th and H.

Mr. and Mrs. John Leake's daughter, Mrs. Hendrix, who was in the hospital so long is now staying with the Leakes awhile until she can gain some strength back.

The Billy Lesters went to Jayton over the weekend and Mrs. Robert Mason and Brenda of Post went too. They visited Mr. and Mrs. Jon Allen Kelley and children.

The James Masons visited Mr. and Mrs. Walter Boren in Post on Saturday night.

Mrs. Selma Kiesel's sister, Marie Kiesel of Bartlett, spent last week with her.

Mr. and Mrs. Dale Edmunds of Slaton were out at the M. C. Edmunds' home on Sunday with their three-week-old baby.

Mr. and Mrs. Hubert Taylor went to Canyon over the weekend and saw Sharla who left for West Texas State University on Sept. 15 and is liking college work just fine!

Mrs. Hendrix's husband and son, Jimmy, were down from Lubbock for the weekend at the John Leake home.

The Donald Edmunds family visited Mr. and Mrs. B. F. Gunnels and Holly Sims of Slaton on a Sunday afternoon.

The James Masons visited in Post on Sunday.

Mr. and Mrs. Joe Leake of Lubbock and their son, Joe Bob, visited in the John Leake home on Sunday. Joe Leake is the son of the John Leakes.

Here's a little poetry for you! (I use the term loosely!) And now it is time to say "good-bye!"

I've enjoyed every minute of it and speak with a sigh! Thanks for your niceties and all that stuff! Now, you write the news—it's not that tough!

Cotton winter clothes are soon to be style

By MRS. MAX CHAFFIN
I don't know about you all but it's time to put on the heat in the house in the "morgan". Get out the quilts and put away those cotton summer clothes and get out those COTTON winter clothes! (Got to be true to my husband's business and the surrounding economy!)

Mrs. Jerry Kotrola was honored with a layette shower on Sept. 26 from 3:30 to 5 p. m. at Mrs. Vernon Scott's home out here.

The table was centered with a blue stork draped in pink net and resting on a lace tablecloth set with crystal and silver appointments. Refreshments of punch, coffee, homemade brownies and mints were served by Mrs. Maurice Fluit and Mrs. B. L. Thomas. A corsage of baby socks forming the white roses was presented to the honored guest by the hostesses who were: Mmes. Scott, Robert Mook, Carl Payton, B. L. Thomas, Fluit, Spence Bevers, Gladys Hiit and me.

The guests who attended the fete were: Mmes. Joe D. Heinrich, Cletus Henrich of Slaton, Richard Cook and son, Julius Steiner, Emmett Steiner, Clark Barton, C. C. Lee, Richard Lewis and Jack Burkett. Many beautiful ensembles were presented to the new little one via the mother by the hostesses and Mrs. Kotrola's many friends.

Mrs. S. M. Lewis received a visit from her son-in-law, Bill Wright of Spearman, on Saturday and he stayed overnight and left for Lubbock Sunday afternoon to see his daughter who married the first part of September.

MRS. DEZZIE BEVERS was visited by the Spence Bevers family on Sunday and they must have gotten some more pearls while there for I can smell the pear preserves way down here. Go to the Garza County Fair on Oct. 5 at the 4-H Building and see all these fine products!

The James Sheltons entertained the Ferrell Wheelers and the Delbert Abshires on Friday night after the no-show game at Southland. Somebody had to do the entertaining after the football team from Pettit didn't show up on Friday night to play Southland High.

Mrs. B. D. Robinson seems to be getting along fine at the D. C. Roberts' home in Post.

Mrs. Grace Kane is staying with the T. L. Barnes while Agnes is off on a trip to Craig, Colo., to see her daughter, Mrs. Frank Dunithin and Mr. and her four grandchildren, Joyce, Mike, Ricky and Debbie.

The Maurice Fluits were off to Littlefield on Sunday to see Mrs. Fluit's brother, Micky Robinson, and family and the new baby, La Don, a girl.

Mrs. Jim Hall's sister-in-law, Mrs. Cordie Spencer stopped by three weeks ago on her way to Dallas from California and then returned from Dallas last Thursday and stayed until Sunday morning.

Mrs. Richard Lewis has gone to Dallas for a meeting of the Grand Chapter of Texas, Order of Eastern Star which lasts from Monday through Thursday of this week. Three hundred or more members from the West Texas area are expected to be there.

The Max Chaffins attended the beef barbecue at the VFW in Post Saturday night.

The Spence Bevers family all spent Saturday afternoon at the dentist. (This is put in here just to remind you; have you been for your six months check-up? It is much easier on you that way!)

MRS. CLOVIS ROBINSON received bad news over the weekend. Her brother-in-law, Buster Vandever, who lives in Texas Okla., has been in a coma four days and is very ill.

James Shelton has taken Lake Falcon for some fishing. Kenneth Warshaw, Weber of Slaton and another fellow accompanied him.

The Henry Edwards enjoyed Sunday visit and dinner with children, Joyce, Carmine and Lie who all came from Lubbock (I thought I saw a lot of them passed by).

Mrs. S. M. Lewis' daughter from Slaton on last Thursday see her.

The S. H. Eubanks spent a day night with the T. L. Barnes and the J. T. Davies visited on Sunday.

Aunt Dolly spent Sunday with the James Sheltons.

Last Tuesday Mrs. S. M. Lewis spent the day with the Lewis family.

Mrs. Lena Chaffin had her Wayne, and family from Lubbock for her dinner partners on the 29th.

Mrs. Max Chaffin took her to the South Plains Fair on day and we enjoyed it.

My son, John, has a new pair of boots (Texas style) and don't think that isn't nice, huh!

I SHALL BE coming home until I leave here I do like it. Yes, we are going North to more, Md., those rolling hills the fair country! We leave in this paper comes out. We are having the first night in Lubbock and visit with my sister-in-law kiddos (my brother is in Korea now) and then on to land, 1683 miles, to see my parents, Col. and Mrs. L. A. Hope the old bus will make it.

It has been nice talking with all each week and don't have haven't enjoyed it because I see Mrs. Jim Cornish if you like to write the Pleasant Valley news as I am signing off. Be sure have been nice including Cornishes who print ALL the news!

Here's my last effort! (Do my high school English teacher this!)

Thank you all for being so kind and calling me up just twice!

I had fun talking to you visiting awhile.

Now you write it up and I'll you a dial!

Graham area has lots of weekend visitors

By Mrs. Glenn Davis

Mr. and Mrs. Hugh Bleivins and family were Saturday supper guests of her sister, Mrs. Jimmy Doggett, Mr. Doggett and family. Sonny Mason returned home last week from a 15-months stay in Germany.

Cheri Moore of Lubbock spent the weekend at home with her family, the Leo Cobbs. They all visited Sunday with the Delwyn Hodges and helped their granddaughter and niece, Lona, celebrate her first birthday. Other visitors were her other grandparents, Mr. and Mrs. Floyd Hodges. The group enjoyed homemade ice cream and cake.

The Raymond Thanes spent the weekend with her parents. Other Sunday luncheon guests of the Ray McClellans were the Billy Stone family and the Mason McClellans.

Mr. and Mrs. Lester Nichols and Mr. and Mrs. Auvy McBride and family visited Sunday evening with the Thelbert McBrides.

We extend sympathy to all the family of Mrs. Lula Floyd. She leaves a host of relatives and friends to mourn her passing.

The Harry Mason family and the Mason McClellans were Friday luncheon guests of the Ray McClellans. We are sure Sonny is enjoying the home cooked meals he is eating since returning home.

Mr. and Mrs. Jimmy Doggett and Shirley were Sunday afternoon visitors of the Bill McMahon family.

Mr. and Mrs. Fred Gossett visited Friday evening with Mr. and Mrs. Aubrey Ritchie.

Mr. and Mrs. C. A. Clem were Thursday supper guests of her granddaughter Mrs. Mason McClellan. Wednesday dinner guests were his parents and the Bill Stone family dropped by after dinner.

Sunday visitors of the Glenn

Davises were Carrol Davis of Levelland and Jamie Giddens of Sundown and the Elvus Davis family. Mr. and Mrs. Bill McMahon and Mr. and Mrs. Quannah Maxey played "88" in the Ray McClellan home Saturday night.

The Harry Lee Masons and the Grover Masons took Harold Wayne and the Grover Masons' grandchildren to Odessa Sunday afternoon. They had spent the weekend here.

We are glad to report that Mrs. Roy Ethridge is gradually improving. Some of her visitors have been Mary Cowdrey, Rene Fluitt, Nita McClellan and Viva Davis.

The Bill McMahanos visited Tuesday evening with the Fred Gossetts.

Mr. and Mrs. Dave Oakley of Abilene spent the weekend with her parents, the Bryan Maxeys.

Grover and Willie Mason visited the Thelbert McBrides Monday and I believe they were helping them with some work.

Mrs. Nolan Williams and children visited her aunt, Nita McClellan. They were making a dress while I was there.

We were in Lubbock Wednesday of last week visiting Mrs. Jess Propert, Mrs. Scott Storie and Will Wright in Methodist Hospital and attended the fair in the afternoon.

The home of Mrs. Bernita Maxey was the scene for the Graham HD Club Sept. 26 with Mrs. Sue Maxey as co-hostess. Roll call was answered with "A basic garment I plan to buy". A ten-minute demonstration by Sybil White on points on fair exhibits was given. "Year-around basic wardrobe planning" was presented by Miss Juanette Williams, agent. Mrs. Ira Howard and Mrs. Dee Parrish were visitors. Members present were: Mmes. Innis Thuet, Lucille Morris, Jennie Cowdrey, Sybil White, Jewell Parrish, Orabeth White, Iris McMahon, Nita McClellan, Al m a McBride, Jane Mason, Carolyn Gray, Mae Gossett, Ruth Doggett, Rene Fluitt, Mary Cowdrey and Viv Davis. Mrs. McBride will be hostess for the Oct. 10 meeting and Mrs. McClellan will serve as co-hostess.

PRISON RODEO STAR—Terry Wilson, who portrays the role of "Bill Hawks" of the Wagon Train television series, will be the special attraction during the Sunday, Oct. 13 performance of the 32nd Annual Texas Prison Rodeo in Huntsville. To round out a fast-moving two-hour show, there will be also plenty of entertainment by inmate groups and a host of rodeo contests featuring the prison's best inmate riders. The rodeo is held each Sunday in October in the prison's \$1 Million stadium, beginning at 2 p.m.

FIRST ENROLLMENT PERIOD UNDER WAY

Enthusiasm growing in Texas toward the over-65 health insurance plan

DALLAS—Charles M. Barry, administrator for the Texas 65 Health Insurance Association, reports growing enthusiasm in the state toward the over-65 health insurance plan.

Texas 65 will offer two health insurance plans to all Texans 65 years of age and over with no medical questions asked and no physical examination required.

The first enrollment period for the program is Oct. 1-31.

Legislation authorizing Texas 65 was passed by the 58th Texas Legislature.

The plan has the endorsement of Gov. John Connally.

Insurance agents' training meetings are being conducted throughout the state currently to familiarize the men and women who will be offering the plan for sale with its details.

BARRY STATES that attendance at these meetings has surpassed all expectations.

"Indications are that the Texas insurance agents are vitally interested in helping make Texas 65 a great success. They see a tremendous opportunity of public service to their state through the plan," he stated.

Information packets on the plan have been mailed to 55,000 insurance agents licensed to sell health insurance in the state.

Explanatory letters and information regarding Texas 65 will be mailed by Barry to 258,000 Texans 65 years of age and over; 500,000 persons in the 40 to 55 age group and to 36,000 civic and professional

leaders in the state. "NOTHING IS BEING left undone," Barry states, "to acquaint everyone with Texas 65. We are receiving excellent coverage in the press and on radio and television and during October we plan to step up our educational program considerably."

The nine founding companies of Texas 65 now have been joined by many more. Barry estimates over 90 companies will have signed up to underwrite the program by Oct. 1. Several of these additional companies are domiciled in the east.

Barry listed the nine originating companies as: American Hospital and Life Insurance Co.; Great Southern Life Insurance Co.; Southland Life Insurance Co.; Great American Reserve Insurance Co.; American National Insurance Co.; American General Life Insurance Co.; Southwestern Life Insurance Co.; Great National Life Insurance Co. and Republic National Life Insurance Co.

Barry stated that every statewide insurance agent's group in Texas had pledged its all-out support of Texas 65.

HE LISTED THESE organizations as: Texas Association of Life Underwriters; Texas Association of Mutual Insurance Agents; Texas Association of Insurance Agents and Texas Association of Health Underwriters.

Other organizations pledging support to the plan are: Texas Medical Association; Texas Association of Osteopathic Physicians and Surgeons; Texas Hospital Association; Texas Life Convention and Texas Legal Reserve Officials Association.

Sen. Walter Richter, chairman of the Governor's Committee on the Aging appeared before the Austin Texas 65 agents training meeting to offer his Committee's complete support of the health insurance program.

Barry urged those interested in Texas 65 to contact their own insurance agent.

'64 Jet-smooth Luxury CHEVROLET

'64 Chevrolet Impala Sport Sedan

Besides looks, ride and power - what's so special about it?

(it's so reasonably priced)

Kind of leaves the high-priced cars some explaining to do, wouldn't you say? Long and luxurious—with a fresh-ristened look. Richer roomy interiors with subtle new blendings of colors and fabrics. Like the ultra-soft vinyl upholstery in the new Chevrolet Impala Super Sport Series.

A choice of seven engines, no less, with output all the way up to 425 hp.* And a choice

of four smooth transmissions to go with them. And underlying it all, the opulent feel of this '64 Chevrolet's Jet-smooth ride.

Matter of fact, the most noticeable difference between this beautiful new 1964 Chevrolet and the high-priced cars is the price itself.

Let your dealer show you how much luxury that reasonable Chevrolet price now buys.

Pontiac offers limousine for 1964—Brougham

Pontiac, which in 1963 brought its Grand Prix as a big, elegant car, has a new offering for a limousine, known as the Brougham.

Floyd, who is holding his press showing of the new 1964 Pontiacs at the Guy Floyd Motor today, describes the Brougham as "the ultimate Brougham."

The Brougham rides on the 123-inch wheelbase and carries an identical plaque on the rear quarter area. An optional padded vinyl adds further distinction.

1963 Pontiacs were "fantastic" both across the country and here in Post, so most readers are wondering if Pontiac can top their 1963 Pontiacs in 1964.

Floyd says that they've done it at the same level. The 1964 Pontiac is the smoothest automobile ever made due to butyl rubber mounts and added insulation.

"There are dozens of improvements this year too. Pontiac has even improved the lighting system."

Things are not changed. The brakes are still self-adjusting. The Delco-tron a. c. generator runs even at idle with nary a vibration ever. And then there's the famous Pontiac Wide-Track.

The 1964 Pontiac includes the premium car, the elegant Starline, the Catalinas, most versatile in the line, the Grand Prix, the Safaris (station wagons), the new elegant look in Pontiac for 1964 reduces the amount of chrome to give a longer, sleeker look.

Trophy V-8 engines for the Pontiac line have been improved. Here the Pontiac buyer has a wide choice of power plants, all the way from the 235-horsepower engines in the Catalinas to the 370-horsepower engine which is optional on the Grand Prix and Bonneville models.

Bonneville and Grand Prix standard Trophy V-8 engines at 303 horsepower. The 1964 Pontiac line has a long list of accessories which can be had, but many of the optional items on other lines of cars are standard for Pontiac.

Some of the options on the '64 Pontiac include the Guide-Matic lamp control, which automatically or flicks up bright when needed. And don't forget Electro-Cruise, which automatically maintains a set speed and does so until a minimum pressure is applied to the brake pedal. You also can have a reading light, or a rear window fogger.

The '64 Pontiac is the newest in the Pontiac line.

1964 lineup?

Without hesitation, Floyd says it's the new Tempest, Pontiac's low-priced car.

Practically everything is new on the 1964 Tempest, including new 215-cubic inch-in-line 6, with longer, roomier body, wider Wide-Track, a new smoother-riding suspension, new brakes, new steering, new frame.

The 215-cubic inch in-line 6 is a beautifully balanced, serenely smooth 140-horsepower engine that runs, and runs, and runs on regular gasoline with an optional 326-cubic inch V-8.

The new Tempest body is on a new 115-inch wheelbase, just eight inches shorter than the regular Pontiacs.

"This is a completely re-designed car," Floyd said, "and one everybody in the low priced car field would love to own. It has the smooth Pontiac look, quiet, comfortable, roomy ride."

"If you've been buying the same low-priced car time after time," Floyd advises, "get ready to break the habit with the all-new Tempest for 1964."

Bus tour of area livestock feeding facilities is set

ABILENE—More than 200 livestock feeders, businessmen, farmers, ranchers, grain people, bankers, and investors will take a three-day bus tour of West Texas livestock feeding facilities Oct. 28-30 under the sponsorship of the West Texas Chamber of Commerce.

Reservations for the fall tour are being made now with the West Texas Chamber office in Abilene, and a capacity crowd of 225 persons is anticipated when six chartered buses leave Lubbock's Pioneer Hotel at 8 a. m. on Oct. 28.

The tour will take in livestock feeding lots and other facilities in Lubbock, Sudan, Muleshoe, Clovis, N. M., Farwell, Friona, Hereford, Amarillo, Happy, Tulia, Plainview, and Hale Center.

Overnight stops will be made at Clovis (the first day) and Amarillo.

Directing the tour for the West Texas Chamber will be Dr. W. L. Stangel of Lubbock, chairman of the Livestock Feeding Committee for the WTCC, dean emeritus of the School of Agriculture at Texas Tech and chairman of the boards of directors of two insurance companies.

Reservations may be made by writing the West Texas Chamber of Commerce office in Abilene P. O. Box 1561, enclosing a check for \$57.50. Detailed instructions and the itinerary will be mailed to anyone interested, Walker said. For the tour and to maintain proper safety and protection of those in control no private automobiles will accompany the buses.

The tour will begin and end in Lubbock, and persons on the tour may park their automobiles in downtown Lubbock for the three days at 50 cents per day, Walker said.

ALL NEW TEMPEST ON DISPLAY TODAY AT FLOYD MOTOR

Practically everything is new with the 1964 Tempest, Pontiac's low-priced car which went on display with others in the new Pontiac lineup today at Guy Floyd Motor here. With a longer,

roomier body, wider Wide-Track and a new 215-cubic inch in-line 6 engine, the Tempest also has new smooth-riding suspension, new brakes, new steering, and new frame.

ENROLLMENT RECORD

AUSTIN—Enrollment at the University of Texas hit an all-time high Sept. 25 with a total of 21,454 students counted three days after classes opened. University officials expected about 900 more students to enroll before registration deadline Oct. 5.

FEEDING OF HOGS

Research has shown that hogs can gain 100 pounds of pork on about 400 pounds of feed when the temperature is 60 to 65 degrees. But the same hogs take over 1,000 pounds of feed to produce a hundred pounds of gain in 90-degree plus weather.

Sale of Savings Bonds near goal

Savings Bonds sales in Garza County during the month of August totaled \$5,568, according to Irby G. Metcalf Jr., chairman of the county Savings Bonds Committee. The August sales brought the total in Garza County through the first eight months of 1963 to \$96,355, which is 87.6 percent of the 1963 goal of \$110,000.

Savings Bonds sales in Texas for the first eight months totaled \$99,644,534, which represents 66.2 percent of the state goal.

"The 1963-64 School Savings Stamp Program is again in full

swing," Metcalf said. "This has been an important feature of the bond program since 1941. All children buying their first U. S. Savings Stamp this fall—whether at school or at the post office—will receive certificates signed by the seven Mercury Astronauts, making them 'Junior Astronauts!'"

14 new Cubs sign up Tuesday night

The Cub Scouts had an organizational meeting in the Primary School Auditorium Thursday night. Attendance was good and approximately 14 new Cubs were registered.

The new parents, assistant den mothers, den mothers and other interested parties are invited to a training series on Monday nights, starting at 7:30 p. m.

The first of these sessions was held Monday night in the Reddy Room and the next two meetings will be held at the old Postex office at the west end of the mill. This series will give a better understanding of Cubbing and will aid in program planning. Anyone interested is urged to attend next Monday's meeting.

Unless some new den mothers are found or those formerly acting as den mothers again become active, we will have to drop one or two dens.

The Cubs were active at the football game Friday night, selling popcorn. Jim Poer asks that Cubs wanting to sell popcorn for the game Friday contact him in advance and make arrangements to work. He also stated that they must come to the game in uniforms to
