

Burglary ring broken here after 2 months' operation; 3 charged

Big assortment of loot stashed

Quick moves on the part of city police officers last Friday resulted in the arrest of three men and the cracking of a burglary ring that had been using Post as its headquarters for the last two months.

The chain of rapid events that led to the trio's arrest was set off last Friday by the visit of four Kansas peace officers who arrived here with warrants accusing the men of burglary in that state.

Gordon and Shepherd arrested the trio in a pickup truck as they drove away from a two-story rooming house at 501 East Main St., in which was found loot that officers said was from burglaries in Kansas and Oklahoma as well as from break-ins at various places on the South Plains.

ADDITIONAL LOOT was found in a warehouse the men had leased just southeast of the rooming house in which they were staying.

While Sheriff L. E. (Fay) Claborn and the Kansas officers returned to the courthouse to obtain search warrants to search the house and warehouse, Gordon and Shepherd booked the men on vagrancy charges and lodged them in the county jail, where they later were turned over to the county as fugitive warrants began to come in on them.

The men had two loaded rifles and a shotgun in the pickup at the time of their arrest, but offered no resistance, the police chief said. The men had been under surveillance for several days, local officers said.

At the house where the trio was staying, Gordon and Shepherd also arrested two women, who paid fines and were released after being booked in city court on vagrancy charges.

FILING OF burglary charges on warrants received from out of the county against the three men began here Saturday before Justice of the Peace D. C. Roberts, with bond set at \$10,000 on each of the burglary counts filed. Sheriff Claborn said charges were filed against two of the men on nine counts of burglary and charges against the other on four counts.

The men were identified as Troy L. Roberts, 39, of Lubbock; L. R. Cultum Jr., 33, who gave his address as Post, and Byron E. Marsh, 36, of Muskogee, Okla. Both Cultum and Marsh are from Oklahoma originally.

The three were taken from the Garza County jail to the Lubbock County jail Sunday night for security reasons, Sheriff Claborn said.

Several truckloads of merchandise, either known or believed to be stolen, were found in the house in which the men lived and in the warehouse they had leased.

THE LOOT some of which has been claimed, included "just about everything imaginable," according to Police Chief Gordon. Guns, clothes, television sets, radios, cameras, auto parts, tools of all sorts and even a small light plant were included in the loot stashed by the suspects. The police chief said there was one big box of men's white shirts that had

never been removed from their wrappings.

In addition to the Kansas officers, who included three state investigators and a county sheriff, peace officers have been here from a number of South Plains counties, including Yoakum, Lubbock, Terry, Andrews and Lynn, to look at the loot.

UP UNTIL yesterday morning, none of the loot found at the house and warehouse had been identified

as being from the Western Auto Store here, which was burglarized of some \$1,500 in merchandise Halloween night.

One of the men being held, Troy L. Roberts, has been free on bond after being charged with murder with malice in connection with a shoot-out in his snuff Lubbock apartment where a Houston man and a Hobbs, N. M., man were killed Oct. 9. One of the others ar-

Garza voters re-elect Parker, favor John Tower by 67 votes

Garza voters Tuesday reelected County Judge J. E. Parker to his third four-year term in the first general election county contest in years and handed U. S. Senator John Tower a 67-vote margin over Waggoner Carr to aid the Wichita Falls Republican in his smashing state-wide victory.

Parker polled 575 votes in the three-way county judge's race to 283 votes for his Republican opponent, Max Chaffin, and 228 write-in votes for John Hopkins.

In all, Parker received 53 per cent of the votes recorded in the race.

ONLY 1,290 voters turned out to mark their ballots on the day the almost 100 had to be thrown out as "mutilated."

The 1,290 who voted were approximately half, or slightly more than half of the estimated 2,200 to 2,400 eligible voters.

Two years ago in the presidential election, a record vote of 2,007 was recorded in the county. In this year's May primary 1,527 voted.

Senator Tower, winning eight of the county's 12 precincts, polled 563 votes to 497 for Carr. Parker won 9 of the 12 county precincts and tied in two others, besides picking up an edge in the

absentee ballots.

The only precinct he lost was Chaffin's home precinct, Pleasant Valley in which the Republican candidate polled 27 votes to 7 for Parker and 6 for Hopkins.

Parker tied Hopkins in the Graham precinct, No. 6, with 35 votes

each while Chaffin garnered 21 there. Parker tied Chaffin with 15 each in Precinct No. 11 (mill voting box) to 5 for Hopkins.

CARL CEDERHOLM in winning as county and district clerk, unopposed, was the leading vote getter with 1,110 votes.

County voters gave Democratic nominees wide margins in all state races in which token Republican opposition was on the ballot.

\$8,200 Garza United Fund drive to open Wednesday

Garza County's 1967 United Fund campaign will kick off next Wednesday, Nov. 16, with the Rev. Curtis Lee as campaign manager and a realistic goal of \$8,200.

Details were announced today by Dick Dickson, new president of the reorganized United Fund organization. Dickson was elected president at an organizational meeting of the new 15-member board of directors last Thursday.

Since that session, fund plans have moved at a rapid pace as fund planners worked to get the overdrive completed before Thanksgiving.

Dickson said a drive organizational meeting is planned for 7:30 p.m. Monday in the Community Room for divisional chairmen who were selected yesterday and are now being notified of their appointments.

The fund drive this year is scheduled for a single week. It is slated to end Wednesday, Nov. 23, the day before the "thanks holiday."

Dickson said the same seven participating organizations are included in the Chest for this campaign. Which means United Funds will go to the Boy Scouts, Garza Youth Center, Girl Scouts, Texas United Fund, Salvation Army, American Red Cross and Summer Baseball Program.

The budget committee for the United Fund met Tuesday afternoon to receive budget requests from the various participating agencies.

Then the fund directors were called back into quick session Wednesday

afternoon to approve the United Fund budget and to set the campaign dates and work out other details of the drive.

Members of the budget committee, all new United Fund directors as well, were A. C. Cash, chairman, Mrs. Lee Davis, Vernon Scott, Jerry Thuet and Kay Kirkpatrick.

At the directors' organizational meeting last week Lonnie Duke, local attorney, was elected vice

president of the United Fund organization and Mrs. Maxine Marks, secretary-treasurer.

The board this year is composed of representatives of ten county organizations and five at-large directors elected by the ten organizational representatives.

Dickson said the United Fund drive this year has been delayed so that the \$80,000 industrial foundation drive could be finished without overlapping effort.

Possibility surplus water sales studied

White River Water District directors want to know if the new White River Lake now contains enough water to permit surplus water sales for water flooding purposes.

Several requests to buy surplus water for water flooding of oil fields in the Garza area have been received over the last three years.

How many of these requests are still actionable directors are going to check out just as soon as they know if there is enough water in the lake to sell surplus water—and if surplus water can be sold, how much can be safely contracted

for such sale.

Directors at their November meeting last Thursday night asked District Manager Al O'Brien to call the district's consulting engineering firm, Freese and Nichols of Fort Worth, and get a written report of whether or not the lake now contains enough water for surplus sale—and how much can be sold.

Surplus water sale is important because sale of enough surplus water would enable the current White River Water District tax to be greatly reduced or entirely removed.

The water district tax will come off just as soon as water sales of the district are large enough to pay for operations and all bond

Mahon sets visit for next Tuesday

Cong. George Mahon has scheduled a meeting at the Community Room here at 2 p. m. Tuesday, Nov. 15, with all interested persons invited to attend.

Mahon said that he was coming to Garza County for the purpose of getting a first-hand report on local problems and conditions. He said he wants to learn all he can about the needs of the people, getting their views as to what government action they favor in regard to problems generally. He is especially interested in the views of farmers and businessmen as to the agricultural situation and actions which may be required.

Mahon said he plans to make a brief report and then open the meeting up for general discussion of problems and issues. The congressman said that after the meeting he will be free to talk to individual citizens in regard to individual problems.

Mrs. Pierce to retire from RMA

Mrs. Marie Clayton has been elected manager of the Retail Merchants Association of Post to succeed Mrs. Estelle Pierce, who has managed the credit bureau operation for the last three and one-half years.

Mrs. Pierce plans to retire from the RMA effective Jan. 1, 1967. These actions came at the meeting of directors of the RMA last Thursday night.

Directors also voted to move the RMA credit bureau office from Mrs. Pierce's home at 796 West 19th to the Garza Theatre building in the 200 block on East Main around Dec. 1.

Mrs. Clayton has been assisting Mrs. Pierce in the credit bureau operation so is thoroughly familiar with her duties.

Hill is appointed to fill vacancy on City Council

C. (Billy) Hill Jr. of D. C. Butane Co. was appointed to fill city council vacancy Monday night when Leo M. Acker, who resigned to move to Houston.

Hill's appointment to the council came at the council's regular meeting at which they raised the salaries of three office employees, approved a contract with the Caprock Water Dept. and heard the police department report from Police Chief Gordon, who officially assumed his duties as police chief last Friday.

Hill's appointment as city councilman is only until next April's election and not for Acker's unexpired term, which runs until April 1968.

A salary raise of \$50 a month was voted for Wanda Wilkerson, secretary, and raises of \$25 each for Kay Hays of the city department and Jerry Hesse of City Council, page 8)

migrates to the Post High Antelopes.

The high school football team ranked into the state Class AA "top 10" ratings for the first time this year—probably any other year in a while.

The Fort Worth Star Telegram ranked the Antelopes 9th this week and Sweeney, Iowa Park, Mineo-Granbury, Decatur, Phillips, and Hondo in that order. Slaton is ranked No. 10.

The Dallas News "top 10" didn't quite break into the top 10, but the Antelopes would have been in there if they had picked the "top 10" Post received 12 points in the Dallas News poll with Hillsboro, and 18th receiving 20.

The Star-Telegram's "top 10" was ranked above Hillsboro, also was rated 10th in that poll. In the Star-Telegram poll, one notch above Post, in Dallas News' "top 10" Hondo led with 20 points, right behind Post, in 12th place.

Post's poll rank Sweeney, Iowa Park, and Mineo the top three in order. Both polls also ranked Granbury, Decatur, Phillips, and Hillsboro in their top ten. The two "top 10s" disagree on the Star-Telegram ranks Post and Post eighth and ninth respectively, whereas the Dallas News has Hondo and Clarksville in 10th and ninth.

The Antelope Booster Club is in the field house Monday night. Two games films were shown. First was Post's 27-7 win over Friday night which clinched district crown. The second film made 15 years ago in 1948 Post High School last won a district crown. This film was a victory over Levelland.

All this respects to the playoffs that 1948 team, most viewers of the game films had to agree the current district champions had better — and lower — and had better than that fine 1948 team.

Memphis wins Friday night game into the bi-district championship Post. Postings would be the game be billed as the "Memphis Bowl."

PEP SQUAD HERO

The Post High School pep squad selected Antelope Clyde Cash as this year's Pep Squad Hero and crowned him at the Slaton game. Shown with Clyde is pep squad member Deanna Adams.

Belinda Lee, daughter of Mr. and Mrs. Elton Lee, was crowned Post High School Band Sweetheart by Band President Bo Hutchins between halves at Friday night's game.

School trustees back state safety actions

Post school trustees at their November meeting last night passed a resolution supporting the recommendations of the Texas Department of Public Safety and the city as to needed safety measures on Eighth Street in front of the schools.

Supt. Bill Shiver pointed out to trustees that action is necessary to insure the safety of school children on the highway in front of the schools.

The city, school, and state department of public safety have been trying to get the recommendations coordinated since school opened.

Shiver told the board that the state highway department can only make such safety recommendations to the City of Post which controls local streets, but that the school's support of the recommendations by resolution will indicate the school's position to the city.

Trustees voted to change the school calendar and have school resume after the Christmas holidays on Tuesday, Jan. 3, as New Year's Day falls on Sunday this year and Monday will be the New Year's holiday.

Trustees also voted to transfer \$2,000 from the school operating funds to the lunchroom fund at Shiver's request.

Shiver explained in detail to the board a new evaluation of teaching service which has been worked out by the administration and the teachers.

Shiver reported that the George R. Brown oil interests here, under the direction of Buster Moreland have dug a pit for the school's new gasoline tank as a public service.

Post exes elect A. J. McAlister

Postmaster A. J. McAlister was elected president of the Post Ex-Students' Association at a business meeting during last Friday's homecoming reception at the All-Star Corral.

McAlister, elected for a two-year term, succeeds Elwood Wright, who had served two years in the office. The new president will appoint his own officers, including a vice president and secretary-treasurer, and committees.

Wright, the outgoing president, said approximately 130 persons attended the reception and about 250 were at the homecoming dance which followed the football game. A total of \$691 was taken in at the dance, Wright said.

"As far as income was concerned, we just about broke even, considering the cost of the food, but it was a very successful homecoming," Wright said. He expressed the ex-students' group's thanks to all who helped make the event a success.

Adkinson resigns; Propst is hired

Charles Propst, longtime resident of the Post vicinity, was hired as a city policeman by Police Chief Bill Gordon Tuesday to replace Bob Adkinson, who had resigned from the police force earlier in the day.

Propst, a resident of the Graham community, served three years as a New Mexico state policeman and also served as a deputy sheriff in New Mexico.

Police Chief Gordon said Propst will work the night shift. Adkinson, who had served as a night policeman here for two years, told The Dispatch Tuesday afternoon that he had "appreciated every minute of being night policeman for the good citizens of Post."

He said he resigned to go into another line of business. Adkinson served a year as Garza County deputy sheriff before joining the police force.

Playoff opponent awaits Friday's results

Post's District 3AA playoff opponent will not be decided until after Friday night's games. Supt. William F. Shiver said Monday following a telephone conversation with the superintendent of schools at Memphis.

The Post superintendent called after Monday morning's Lubbock Avalanche-Journal carried a story saying that Memphis would be Post's opponent in the first round of the Class AA playoffs.

Supt. Shiver said he was told by the Memphis school man that District 3AA has a rule whereby if as many as three teams tie for the championship the bi-district playoff team is chosen by lot, even if one of the three teams tied for the title has defeated the other two in regular season play.

Three teams in District 3AA could be tied for the championship after the final games Friday night. Memphis is leading the league with a 5-1 mark, with Aber-

CHAMPIONSHIP EDITION NEXT WEEK

The Dispatch next Thursday will publish a special "Championship Edition" honoring Post High School's 1966 football team, first district grid champions here in 18 years.

The edition will contain a wide variety of special football pictures and stories.

Pictures will include new pix of the Antelope club and their coaches as well as squad pictures of all other football teams in the school's grid program.

Stories will include the regular season record of the Antelopes, a thumbnail review of the 18 Post games, complete details on the upcoming bi-district playoff game, a dope story on the bi-district foe, and special feature stories about coaches and players.

"Purpose of the championship edition," Publisher Jim Cornish explains, "is to put the whole winning football season into one issue—and get it all in print."

nathy, Dimmitt and Floydada tied for second with 4-2 marks. Memphis plays Friona, which is

2-4, and if the Cyclones win, they will be district champs and Post's opponents in the bi-district playoff. If the Cyclones lose to Friona and if Abernathy and Floydada or Dimmitt win, then there will be a three-way tie for the championship.

Floydada and Dimmitt play each other Friday night, so one of them will be eliminated. Regardless of how this game comes out, however, Memphis will be the champion if Abernathy loses to Oton. Such a development would leave Memphis tied with either Dimmitt or Floydada — if Memphis also loses — and the Cyclones have beaten both those teams.

Supt. Shiver said as soon as the District 3AA bi-district playoff team is decided, Post school officials will set up a meeting to decide on a game site.

Veteran's Day - - - a Day to Remember

Most people today call it "Veteran's Day", although a few of the old-timers still refer to it as "Armistice Day." Whatever it is called, however, Friday, Nov. 11, is the day set aside for a grateful nation to pay its respects to veterans of all wars.

In Past, the only observance will be the annual Veteran's Day supper held by the American Legion post to honor the veterans of all wars. But, just because no community-wide observance of the holiday is planned doesn't mean that we should not pause to pay tribute to these veterans.

The day not only honors the war dead, but also reminds us of the horrors of war. It reminds us that Nov. 11 became the day to honor the veterans after the close of the war that we were

told was the "war to end wars."

Yes, another Nov. 11 approaches, and on that morning some people may pause between 11-11:02 to pay respects to the men and women who paid the supreme sacrifice to keep America free. Others may just forget.

So, let us pause a few seconds to review what President Wilson said in his first Armistice Day proclamation: "To us in America the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country's service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations."—CD

'Do's and don'ts' in crime news

There no doubt are many police chiefs throughout the nation who believe the same as most newsmen—that the Supreme Court of the United States has given more rights to criminals than to its law-abiding citizens. One of these police chiefs is E. L. Chokiski of El Paso, who, after seeking the guidance of judges and prosecutors in his city has given his men a list of "do's and don'ts" of what to tell newsmen.

Chief Chokiski, like the rest of us, agrees that at present we must try to abide by those Supreme Court decisions until something better comes along.

The information that El Paso police may not give reporters includes:

1. Information about a defendant's prior criminal record;
2. Observations as to the defendant's character;
3. Statements, confessions or admissions or alibis attributable to a defendant;
4. Conclusions from investigative procedures,

such as fingerprints, laboratory tests and examination;

5. Statements about the identity, credibility or testimony of prospective witnesses;
6. Opinions as to the guilt of a defendant or the strength of the case against him.

The information police may give to reporters includes:

1. The defendant's name, occupation, age, residence and similar background information;
2. The substance or text of the charge;
3. The identity of the law enforcement agency involved and the length of the investigation;
4. The immediate circumstances of arrest (time and place, resistance, pursuit, weapons involved and items seized at the time.)

It appears to The Dispatch that the El Paso chief of police is trying to be fair in the face of the Supreme Court decisions. At the best, the newsmen's task in reporting a crime is no easy one and the Supreme Court has made it even more difficult.—CD

What time is it going to be?

It doesn't affect us a great deal here in Post, or anywhere in Texas, but one of the most fruited up situations in the nation is Daylight Saving Time, which bowed out for another year on Oct. 30.

Our solons in Washington thought they had the Daylight Saving Time situation pegged down last April. But that's just what they thought.

On April 14, President Johnson signed the "Uniform Time Act of 1966." This piece of legislation decreed that Daylight Saving Time would apply everywhere in the Star-Spangled states from the last Sunday in April to the last Sunday in October.

According to the law — and the Interstate Commerce Commission can sue you — areas wishing to board daylight must do so for the full period stated, or not at all.

And effective next April, entire states must

either observe or reject fast time by legislative edict—none of that business, for instance, of Kansas City on standard and the rest of Missouri on daylight.

In the states of Florida, Louisiana and Montana, there already are rumblings indicating that the legislatures of those states are not going along "whole hog" with the Daylight Saving ultimatum.

Texas and Nebraska are the only two states that do not use Daylight Saving Time anywhere within their borders, and it isn't used in certain parts of Indiana, Kentucky, Ohio, Oklahoma and Missouri.

Our prediction is that when it comes time for the Texas legislature to act on Daylight Saving Time, which will be next year, the issue will be bounced around as much as the poll tax issue has been in the last few years.—CD

We'll wank when our men have reached Mars when we get word that their luggage has been sent to Venus.—Lapeer (Mich.) County Press.

I WANT TO express my appreciation of all the sympathy I've received from folks who read last week's column telling of my troubles in the press box at the Friendship game. Speedy Nieman, editor of the Slatonite, was among the press box corps here Friday night and told me he'd had the same difficulties at Friendship. As I was leaving the press box here Friday night just before the kickoff to take a picture, banker J. B. Potts asked, "What's wrong, Charlie, did they put you out of the press box here, too?"

The man up the street says we've never had it so good nor taken away from us so fast.

SOME THINGS are so good that they are worth repeating. A similar version of the following appeared in this column a few years ago, but it is well worth reading again, and there is always the chance someone might have missed it the first time around.

THE CASE FOR NOT RAISING HOGS

"Dear Uncle Sam:
My friend, Bill Jones, here in Citaraugus County, received a \$1,000 check from the government this year for not raising hogs. So I am going in the 'Not raising hogs business' next year. What I want to know is — in your opinion — what is the best kind of hog not to raise and what is the best kind of farm not to raise hogs on? I would prefer not to raise razorbacks, but if that is not a good breed not to raise, I will just as eldly not raise any Berkshires or Durocs. The hardest work in this business is going to be in keeping an inventory of how many I have—n't raised.

"My friend Bill is very foolish about the future of the business. He has been raising hogs for more than 20 years and the best he ever made was \$400 in 1918 until this year, when he got the check for \$1,000 for not raising hogs. If I can get \$1,000 for not raising 50 hogs, then will I get \$2,000 for not raising 100 hogs, etc? I plan to operate on a small scale at first, holding myself down to about 4,000 hogs, which means I will have \$80,000; then I can afford a boat.

"Now another thing: These hogs I will not raise will not eat 100,000 bushels of corn. I understand that you also pay farmers for not raising corn. So will you pay me anything for not raising 100,000 bushels of corn to not feed the hogs I am not going to raise? I want to get started as soon as possible, as this seems to be a good time of the year for not raising hogs.

Yours truly,
Alvin Aemell
P. S.: Can I raise 10 or 12 hogs on the side while I am in the 'not raising hogs business'; just enough to get a few sides of bacon to eat?"

There is also a tale told by a Minneapolis columnist and truth-seeker, Will Jones, concerning two men who met on the street one Tuesday morning. Asked one, "Did you hear about the guy who dropped dead watching television last night?"

"I'm not surprised," said the other. "Monday is a lousy television night."

SOME OF US like to forget, from one Halloween to the next, what goes on, but here is something that was nonchalantly dropped on my desk last week just a day or two after Halloween:

"The annual itch to build a bonfire is being scratched again. The most satisfaction comes from a big blaze which attracts attention from as many people as possible. It is better to have repeated burnings than to have only one. The location of each fire is chosen carefully, since the greater the annoyance created, the more successful the venture. Sometimes the location is in tribute; sometimes it is retribution. The selection of the site is at times popularly applauded by resentful adult-aged people who dare not express their own feelings publicly, but who would really like to carry the thing a little farther. It is doubtful that the projects could be carried out without some voting-age cooperation in furnishing transportation for the combustibles and the celebrants. At the least, outrage is tinged with admiration of the ingenuity displayed. But, could we please maintain some sense of proportion? Why blow the sirens and call out all the firemen for each outhouse fire? Wouldn't it be cheaper and safer to pay a single-fire-fighting squad to remain on call and not sound general alarm unless they see need for help?"

Our four-year-old granddaughter can hardly wait for her fifth birthday, which is next Monday. The other day she told me she wished her birthday would hurry and get here, that everybody else had already had theirs.

Community-sponsored

'The Restless Ones' starts here Nov. 12

"The Restless Ones," considered the most successful motion picture yet produced by Evangelist Billy Graham, will be shown here Saturday, Sunday and Monday at the Tower Theatre under a community-wide sponsorship.

The film's starting time will be at 6:30 and 8:30 nightly and there will be Saturday and Sunday matinees at 1:30 and 4 o'clock.

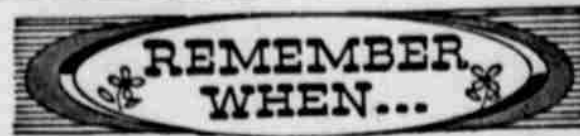

With the accent on youth, this feature-length film deals imaginatively and dramatically with the teen-age crisis. With a background setting provided by the 1963 Billy Graham Los Angeles Crusade, and artfully woven into the story pattern, "The Restless Ones" is a hard-hitting, bold approach to our social problems.

Here is a film which will stir the heart and mind. Having seen

"The Restless Ones," you will never be the same.

As one reviewer said, "Here is a picture that tells the world the truth and comes up with an answer, not an easy answer, but an answer from beyond us." This answer will satisfy, challenge and inspire young and old alike and will appeal to churchgoers and non-churchgoers. The Christian message comes through in the midst of a realistic teen-age situation, cleanly and without cloying. Swift-moving plot episodes highlight the opportunities facing the church.

Screen writer James Collier has skillfully brought into focus the contemporary plight of both teenagers and parents. A sensitive script, produced by World Wide pictures under the direction of Dick Ross, has resulted in a "break-through" in "The Restless Ones."

Pheasants in Panhandle are steadily increasing

AMARILLO — Preliminary surveys in northern Panhandle counties indicate Chinese Ringneck Pheasants will be more numerous than last year due to favorable habitat in irrigation farming areas, according to Phil Evans, Texas Parks and Wildlife Department biologist.

Evans reported huntable pheasant populations exist along the Canadian River and in irrigation farming areas as far south as Plainview, but highest pheasant numbers occur in irrigation and soilbank areas of Dallam, Hartley, Deaf Smith, and Sherman counties. The 1966 Panhandle pheasant season extends from Dec. 1 through Dec. 7. The bag limit is two cocks per day, four in possession.

Southland news

Addresses of men in Viet Nam are given

By MRS. EDMUND WILKE
Greetings to each of you from "This neck of the woods." Sorry we weren't in the paper last week, but I was at House, N. M. visiting my Dad. My sister came down from Farmington and we had a very nice visit.

It will not be long until Thanksgiving and Christmas. There are boys from this community that are serving with Uncle Sam's forces in different parts of the world and they won't be home to share these holidays with their families and friends. There are probably a lot of you that would like to take time out and write to these boys and tell them that you care about them. This week I have secured three names and I would like to share them with you. If you know others, please call and give me their addresses. Thank you. Here are the names:

Pfc. Pavton W. Crawford III
US 54352621 18th AVN Co. (Am)
APO San Francisco, Calif. 9622

Ser. Donald W. Crawford
US54352243 Co. A 4th Bn. 10thInf.
Ft. Davis, Canal Zone 09829

Pfc. Manuel A. Cardenas
US54352798 Btry. B 5th Bn.
16th Arty. 4th Inf. Div.
APO San Francisco, Calif. 96262

The Southland Cub Scout Den 9 is preparing a Christmas box to send to Manuel Cardenas who is stationed in Viet Nam. There will be cards, cakes, candy and cookies in the box. Manuel has two little brothers in the Cub Scout Den.

Mr. and Mrs. Otto Klaus spent a week recently visiting relatives and friends in Bay City, Sealy, Elgin and Taylor. They went especially to help celebrate the 52nd birthday of her uncle, Herman Michaelis. This aged gentleman is very alert and keeps up with all the world news. The Klaus visited a brother, Edmund Michaelis and family in Sealy and spent one afternoon sightseeing in Houston. They also went to see the sulphur mines near Richmond where one of their nephews is employed. All in all, they had a most enjoyable trip.

Mrs. Max Chaffin gave her daughter, Kelly, a party on her ninth birthday Sunday afternoon. Guests were Ginny Wheeler, John and Katrina Chaffin, Kendon Wheeler, Tammie and Dale Odom and Mark Bevers. Everyone had a grand time.

JANET BELK Connie Abshire and Laura Bevers celebrated their birthdays with one great big party last week at the home of Mr. and Mrs. Delbert Abshire. A weiner roast with all the trimmings and punch was enjoyed by all. Guests were Darrell Hill, Stanley Abshire, Brenda Belk, Breonne Winterrowd, Marla Shelton, Sue Bevers, Bro. and Mrs. Hill, Mr. and Mrs. Elmer Belk, Mrs. William Bevers. They played basketball and other games.

Mrs. Lucy Holley of Escondido, Calif., aunt of Elmer Belk, passed away and was buried Wednesday in Levelland. Her funeral was

held at the First Assembly of God Church at 10 a. m. Our deepest sympathies are extended to this family.

Mr. and Mrs. H. R. Dabbs attended a Regional 10 Rural Electrification Administration meeting at Tucson, Ariz., Tuesday until Saturday last week. Mr. Dabbs is a director of the Lyntegar REA at Tahoka.

Mrs. Alpha Taylor, who has been a patient at Mercy Hospital for two weeks, returned to her home Sunday afternoon. Her daughter, Mrs. Delbert Alcorn of Amarillo is staying with her.

For the benefit of you who attend Grace Lutheran Church in Slaton, the Sunday worship will be at 9 a. m. and Sunday School at 10:15.

Mr. and Mrs. Noble Wynn are in Amarillo visiting Mr. and Mrs. Steve Dearth.

OUR FOOTBALL team will be traveling to Wellman Friday to play their last game of the season after an open date last Friday. The game they played with Kiondike was the best game I ever saw! Our boys played such a good game.

The basketball season will be starting right away, so we will be looking for YOU at the games.

Dillard Dunn is in Methodist Hospital after becoming ill quite suddenly Saturday. He entered the hospital a short time later. May God grant him a speedy recovery.

Mr. and Mrs. Roy B. Underwood of Richmond, Calif., will be visiting her brother-in-law and sister, Mr. and Mrs. H. R. Dabbs, the latter part of the week.

Word has been received that T. R. (Pete) McRae of Amarillo passed away in October. Mr. and Mrs. McRae owned and operated the Gordon store for many years and have many friends in this community. Two weeks after Mr. McRae passed away his brother-in-law, Walter Lincum, passed away. He

is also well known in this community. We extend sympathies to these two families.

Ed Denton's cousin, Paul Buchanan, of Dublin, Tex., visited in the Denton home Sunday. Mr. Buchanan is 86 years old.

Mr. and Mrs. Lefty Voigt of Bartlett have been visiting relatives in the community. Thursday they visited Mr. and Mrs. Walter Maeker, Mrs. Selma Klesel, Mr. and Mrs. Edmund Wilke and Mr. and Mrs. Marcus Wilke. They also visited in Slaton with Mrs. A. Wilke, Mr. and Mrs. Walter Voight and Mrs. Marie Klesel, and in Wilston with Mr. and Mrs. E. C. Sabeno.

Mr. and Mrs. Walter Wilke visited in the Marcus Wilke home on Thursday. Also visiting were the Walter Kellums of Slaton.

Jackie Dunn, a member of the Student Council at Texas Tech and son of the Herbert Dunns, participated in the inaugural services of the new president, Dr. Grover E. Murray.

We received a card from Mrs. Nellie Mathis, who is visiting her son, Dick, in Oregon. I know she is having a wonderful time.

Mr. and Mrs. Jimmy Morris of Houston have adopted a baby girl and have named her Dana Lynn. Dana was born Sept. 26. Congratulations!

James Mason, our new postmaster, was in Brownfield and Lorenzo this past week trying to secure some used post office equipment

Rev. O. Curtis Lee
IF YOU NEED PRIVATE, PERSONAL HELP — NO STRINGS ATTACHED — CALL 495-2942 or 2624

for our post office. I think this is just wonderful because we have been needing new boxes for a long time.
See you right here next week.

HOME COMING WEEKEND
Mr. and Mrs. Bill Edwards and daughters, Julie and Ginny, of Richardson spent the homecoming weekend in Post.

REMEMBER

VETERAN'S DAY

FRIDAY, NOV. 11

On Memorial Day we honor the dead who have given themselves for the defense of our country.
On this Veterans Day we SHOULD drop our daily duties and REMEMBER the living who have in the past stood in defense of our country as well as those who NOW STAND on battle lines.

Bob Collier's Big Gift Dep't.

Is Brimfull of Exciting New Christmas Ideas!

We invite everyone throughout Post's big trade territory to shop our enlarged Christmas Gift Department for those special and unusual gifts for holiday giving this year.

Last year for the first time we here at Collier's went "all-out" in our gift department. We spent a lot of time at the big Dallas Gift Show and ordered heavily for the holiday season.

Your response to our efforts the last Christmas season was truly tremendous. And it was appreciated. We believe you are interested in fine, unusual gifts—and we are doing our best to please you.

Our new Christmas merchandise, ordered weeks ago, has been rolling in our back door for several weeks. We have it ready for you to browse now. We think you will find many unusual and practical gifts in our selection at quite reasonable prices too.

Come browse our Christmas Gift Department soon — and start your holiday buying early.

Sincerely Yours,

Card of Thanks

The Graham HD Club would like to express its sincere thanks to each of the merchants who donated prizes for bingo tables, and to all in the community who helped make the Halloween Carnival a great success. Proceeds go to the Graham 4-H Club, the Graham HD Club, and the Graham Community Center. Thank you.

Members of the Graham HD Club
 Words cannot express my sincere thanks for all the cards, flowers, visits and prayers offered in my behalf during my stay in the hospital. A special thanks to all of you.
 Mrs. Lucy Clary

I wish to take this means of thanking all of you who sent cards, letters, flowers and who visited while I was in the hospital. Thanks so much for the food brought to our house after I came home.
 Mrs. Lee Reed

To all the wonderful people of Post, my heartfelt thanks for the countless cards and plants received during my illness and the many fine thoughts they represent. Remember your local service organization in the field of cancer research.

Darden rites are held in Lubbock

Mr. and Mrs. A. C. Cash and Paul Simpson were among those from Post who attended funeral services in Lubbock Monday for O. L. Darden Jr., 47, former resident of Post, where he was graduated from high school in 1936.

Mr. Darden died Saturday morning in Highland Hospital after suffering a heart attack at his home in Lubbock. His father, O. L. Darden Sr., had died in Santa Barbara, Calif., Tuesday of last week, the day after the younger Darden suffered the heart attack.

O. L. Darden Jr. is survived by his wife; one daughter; two sons; his mother, Mrs. O. L. Darden Sr. of Santa Barbara, and two sisters, Mrs. Walter Hord of Brownfield and Mrs. Fred Hess of Santa Barbara.

A. C. Cash was one of the pallbearers at the funeral.

Golf tournament starts Nov. 20

The Post County Club's annual city-county championship golf tournament will be held Sunday, Nov. 20, and Sunday, Nov. 27, with two championship—handicap and non-handicap—to be awarded.

The tournament is open to country club members and also to non-members who are residents of Post or Garza County. The tournament will consist of 36 holes of medal play.

Those wishing to enter the tournament are asked to contact D. H. Bartlett at the clubhouse, telephone 3029.

HOMECOMING VISITORS

Mr. and Mrs. Curtis Didway of Pampa attended homecoming here over the weekend and visited his parents, Mr. and Mrs. Charles Didway, and his brother, Walter Didway, and family.

Thank You
 My Friends:
 I wish to take this means of thanking those who have supported my race for office in the past and last Tuesday's race as a "write-in" candidate for judge.
 It was most gratifying to know that you still have confidence in my belief in good government.
 I will appreciate your confidence in the years to come and will continue to work for the betterment of all.
 Sincerely,
John Hopkins

Club takes gifts
to state school

The Home Demonstration Club members left at 8 o'clock this morning (Thursday) to take the Christmas gifts they have collected to the Abilene State School. The arrangements were made when they met at the Reddy Room last morning at 9 o'clock. A call was answered with "A Little Home This Year" and a little Kolb read a poem entitled "How to Measure a Man" by a Short. The program on "Festive Cookery" was given by a Southwestern Service Company specialist. Members and guests attending were: Barbara Sims, Faye Ruth Thomas, Oreta JoAnn Scott, Brenna Payne, Gentry, Carrol Griggs, Carolyn Halford, Jo Howell, Kolb, Linda Malouf, Ram Brockman, Twana Short and Beggs. The Nov. 22 meeting will be in the home of Mrs. Beggs.

Class of 1956
holds reunion

The Post High School Class of 1956 made plans to have another reunion in two years in conjunction with homecoming; send out notices to all class members to create interest in attending and have a memorial of some kind for Olin Reddell, who was killed in an automobile accident coaching at Idalou. Reddell was the senior class member of the Class of 1956. Idalou named its football field in his memory. The plans were made last Friday afternoon at a reception until 5 o'clock in the Community Room. The fall theme was used in the plans. Dips, chips, Cokes and were served to 20 class members and 10 guests.

Shirley Doggett becomes bride
of Lawrence Young of Lubbock

Exchanging wedding vows Oct. 29 at the Graham Methodist Church were Miss Shirley Doggett and Lawrence Young of Lubbock.

The Rev. Tommy Wilson officiated at the single ring ceremony before an altar enhanced with candles and a large basket of Fiji mums, at 7 o'clock in the evening.

Parents of the couple are Mr. and Mrs. James Doggett, Route 3, and Mr. and Mrs. Ted Martin of Lubbock.

Given in marriage by her father, the bride wore a full-length gown of bridal satin fashioned with a bateau neckline, long-fitted sleeves and bell-shaped skirt. Her veil of silk illusion fell from small petals made of lace with each petal encircled by seed pearls. The bride carried a cascade arrangement of yellow rosebuds and feathered carnations.

Carrying out the tradition of something old, new, borrowed and blue, the bride carried a white handkerchief belonging to her great-grandmother, Mrs. Lydia Crider; her gown and veil; a strand of pearls belonging to her aunt, Mrs. Opal Condon; a blue garter made by her grandmother, Mrs. Esther Crider, and a penny in her shoe for luck.

Miss Debra Blevins of Lubbock, cousin of the bride, was maid of honor and wore a street-length dress of yellow taffeta made identical to the bride's. Her headpiece of matching fabric formed an open-top hat with a short yellow veil of net. She carried a nosegay of white carnations surrounded by a large yellow fiji mum.

Marsha Condon of Irving, cousin of the bride, wore a white whipped cream dress with a yellow bow, as she dropped rose petals from a white basket trimmed in lace. Misses Neva Simpson and Jennifer Blevins of Lubbock, sister of the bridegroom and cousin of the bride, respectively, lighted

MRS. LAWRENCE YOUNG
(Shirley Doggett)

the candles. Their dresses were yellow taffeta. They wore yellow hats with short veils, yellow gloves and white corsages.

Herbert Simpson of Lubbock served his brother as best man. The bride's brother, Bill Doggett, and the bridegroom's brother-in-law, G. W. Lee, of Lubbock were ushers.

Mrs. Pete Hays accompanied Miss Carolyn Walker at the piano as she sang "Because" and "Whither Thou Goest."

A reception followed at the Graham Community Center. A white lace cloth over yellow was centered with a bouquet of yellow mums. Milk glass appointments

were used. Misses Debra Mason and Kathy Jones and Mrs. Juanita Dean served.

Members of the house party included Mrs. Doris Lester, Johnny Witcher, Mary Lee Laws, Thelma Mason and Carolyn Gray.

For travel the bride chose a gold wool dress and black accessories. She added her yellow rose corsage. The couple is at home at 1912 25th St., Lubbock where they are both employed.

Out-of-town wedding guests included the bridegroom's parents, Mr. and Mrs. G. W. Lee, Mrs. Opal Condon and Miss Cheryl Ivey, Mr. and Mrs. Hugh Blevins of Lubbock.

Pledge and pin
ceremonies held

Pledge and jewel pin ceremonies were held following the Thursday night business meeting of Gamma Mu chapter of Epsilon Sigma Alpha sorority in the home of Betty McLeroy.

Pledge awards were received by Bill Bullock, Mary Mayo and Betty Howell. Presented with jewel pins awards were Theresa Gilbert, Gale Birkes, Linda Reynolds and Laveta Norman.

During the business meeting, Linda Reynolds was selected as chapter beauty. Plans were made to sell decorated candles for the Christmas season.

Marion Duncan gave a program on "The Magic of Camouflage." Refreshments were served to the following:

Blenda Roberson, Margaret Allen, Gale Birkes, Marion Duncan, Theresa Gilbert, Bertha Irons, Laveta Norman, Kay Pace, Linda Reynolds, Mary Mayo and Betty Howell.

Council sets date
for Yule party

The Garza County Home Demonstration Council met Nov. 2 at 2 o'clock in the afternoon at the Reddy Room and heard club reports and the annual reports of the Texas Home Demonstration Association and Expansion chairman.

Mollie Kolb, council chairman, asked that all names of members who have completed THDA Goals for 1966 be turned in so they can receive their pins at the annual Christmas party.

The party will be held Dec. 7 at 2 o'clock in the afternoon at the Community Room. Members are asked to bring a homemade gift or a gift costing \$2 for the gift exchange. Clubs drew for duties at the party.

Eleven council members were present.

Knitting club works on
sweaters, other items

Members worked on sweaters, shells, hats and a baby blanket at the meeting of the Work Basket Knitting Club when it met Tuesday in the home of Mrs. Cecil Gray.

The hostess served vanilla water cake and punch to:

Mmes. Pauline Wilke, Lottie Sanders, Montee Adams, Willie B. Sullivan, Pearl Riley, Johnnie McDaniels, Lelia Gilley and Susie Schmidt.

WCS TO MEET

The Woman's Society of Christian Service will meet at the First Methodist Church Monday at 9:30 a.m. to hear a parsonage committee report. All members are urged to attend.

ATTEND WORKSHOP

S. A. Horton, R. J. Blacklock, Keith Blair and Chester Keeton attended the Associational Brotherhood workshop and meeting at the First Baptist Church in Lubbock Monday evening.

It's My Turn

— By MRS. C.

Nothing raises the ire of a woman more than being ignored and that's what is happening to the two Mrs. Cs who sent typewritten reports to the city council on the locations of "junk" cars and deserted houses that constitute a PUBLIC HEALTH HAZARD in the City of Post.

The city council met Monday night in its first regular meeting since receiving the "LIST" mailed to them Oct. 14. Our ire stems mainly from the fact that no action was taken on the matter.

Maybe the city council needs to have its memory refreshed as to Ordinance 226, which THEY passed unanimously Jan. 4, 1965. The ordinance is designed to declare unused or abandoned automobiles on property within the city limits of Post, Texas, to be Health Hazards, and providing for the removal of same after notice.

Skipping the whereases and therefore the ordinance reads that the Chief of Police is "authorized, empowered and instructed" to make a survey within the city and make a report to the council on the location and description of vehicles which constitute a Health Hazard.

The two Mrs. Cs were not "authorized, empowered and instructed" to make a survey when the Chief of Police ignored this ordinance. They simply did this as a public service to make Post "just a little bit better."

Maybe I'm not being fair to our late Chief of Police. Perhaps he did make a survey and his list likewise was not acted on.

Anyway, the ordinance goes on to read that after motor vehicles have been named as Health Hazards the council will instruct the city secretary to send notices by registered mail to the owners and they must answer within ten days and show cause why vehicle must not be removed from said premises. After a hearing, and a refusal on the part of the owner to remove the vehicles, the city is authorized and empowered to do so and to charge the owner for such removal in the form of a lien upon said property.

That sounds clear as can be to

me. Why the heck our city council adopts ordinances that it apparently has no intention of enforcing is not so clear.

I remember being quite excited last Jan. 7, 1965 upon reading the city council meeting report in the Post Dispatch that the city attorney had been authorized to draw up this ordinance and that City Manager Eddie Warren had pointed out that the Texas Municipal League deems such junk as health hazards because vermin breeds in the upholstery of the junked cars and they can also become a breeding place for mosquitoes.

The mayor of our city said at this time: "If we can get these old cars moved off vacant lots, the city can go in with equipment and clean off the lots."

That all took place Jan. 7, 1965. This is Nov. 10, 1966.

Our neighboring city of Slaton might not be able to beat us in football but they sure are ahead when it comes to cleaning up their city. I don't know who "authorized, empowered, and instructed" up there but they hauled 75 junk cars off to their dump grounds last August.

Maybe all of you women who commented favorably on the original column pointing out the number of junk cars (the Mrs. C's list totaled at least 60) and deserted properties ought to let the city council hear from you also.

It's a disgrace to ignore making Post "just a little bit better" when we have the tools in our hands to do SOMETHING.

Rosemary Chapman, this Mrs. C and Lady Bird are ready for action.

Miss Belinda Lee Band Sweetheart

By Emily Potts
During the half-time activities of our homecoming game, Belinda Lee, daughter of Mr. and Mrs. Elmer Lee, was crowned band sweetheart and presented with a bouquet of roses. La Gayluah Young, daughter of Mr. and Mrs. Ray Young, was runner-up and also presented with a bouquet of roses.
After the band had formed an appreciation to the Post, they went into a formation in which Belinda Lee was crowned sweetheart.
Belinda is a very active member of PHS. She is editor of the school annual, reporter for the member of FTA, treasurer of the Commercial Club and a member of the Science and Math Club.
She will represent the band this year in the annual Sweetheart contest sponsored by the Future Homemakers of America.

Busy weekend for Post band

By Belinda Lee
The Post High School band presented a new and different half-time show Friday night.
The band went into three different formations, each one saluting a different group. The band came to the field playing "Stars in Her Eyes" and formed an oil derricks saluting the town of Post. As the music faded, the band played "Look Me Over."
The band then formed a heart in the crowning of the band sweetheart. The candidates for band sweetheart were a Gayluah Young and Belinda Lee. Bo Hutchins, band president, crowned Belinda Lee as the 1966-67 Band Sweetheart while the band played Sweetheart of Sigma Chi.
The band went into the formation "PHS" and played "Hello Post" to salute the Exes of PHS. The band marched off the field singing the fight song.
The band was invited to attend the Texas Tech football game on Saturday night. A majority of the band members attended, and a great experience watching the Tech band composed of 258 members march. Twenty-three were guests of the Tech band.

AMARILLO GUEST

Tommy McCrary of Amarillo spent his homecoming weekend in Post. He visited his mother, Mrs. S. W. McCrary, and his brother and sister-in-law, Mr. and Mrs. Homer McCrary.

QUEEN IS CROWNED

Pep rally held for Tiger tilt

By Ann Ussery
There are many ways in which a school may show its football team they are 100 per cent behind them. One of these ways is by a pep rally.
The student body proved to be most enthusiastic at the pep rally Friday to show they were backing the Antelopes all the way to a victory over the Slaton Tigers.
The guest speaker was the principal of PHS, Mr. Hutchins. He expressed his feelings towards the game and the team.
The 8th graders' participation at the pep rally proved to be inspiring.

crowning of the 1966 Homecoming Queen, Marcia Newby.
The candidates chosen by the football team were Marcia Newby, daughter of Mr. and Mrs. David Newby, Edith Johnson, daughter of Mr. and Mrs. Tom Johnson and Linda Altman, daughter of Mr. and Mrs. James Altman.
At approximately 7:30 p. m., Marcia, escorted by Duke Altman, Edith, escorted by Davis Heaton, and Linda, escorted by Paul Walker, entered into the center of the football team formed in a semi-circle right in front of the Post stands. The awaited moment was slowed down by a few remarks from the speaker. Finally Marcia Newby was crowned as Homecoming Queen of 1966 and each of the candidates was presented a spray of roses.
Marcia is a cheerleader, an officer of the Senior class, a member of Future Teachers of America and the columnist of the Antelope Tracks this year, besides being on the basketball team.

Students voice diverse opinions concerning Spirit Stick gimmick

By Ann Ussery
Post High School devised the spirit stick for the purpose of having each class show more school spirit. The class to show more school spirit gets the stick until next pep rally and the class to win it three times consecutively gets to keep it.
Here are the opinions of some students concerning the spirit stick.

Clyde Cash new Pep Squad Hero

By Jane Cannon
Clyde Cash, son of Mr. and Mrs. Bandy Cash, was crowned Pep Squad Hero in a pre-game ceremony at the Post-Slaton homecoming football game Friday night.
Candidates for Pep Squad Hero were all the senior boys on the football team. The boys and their escorts were as follows:
Roy Sappington, Deanna Adams; Davis Heaton, Sue Gilmore; Jackie Huff, Cheryl Pennell; Paul Walker, Sherry Gist; Clyde Cash, Lois Gill; Donnie Windham, Jane Fry; Dick Kennedy, Lorena Anderson; Jimmy Bartlett, Debra Britton; Duke Altman, Sherry Woods; Joe Hudman, Linda Hays.
Linda Byrd, president of the pep squad, crowned Clyde as pep squad hero. Besides being a star football player, Clyde is active in Future Farmers of America and is studious in all of his classes at school.

Nancy Hendrix — "I think the spirit stick is good in that it helps build the spirit of the school, but it can and has in a way caused the classes to be separated and not one school working together to build school spirit."
Belinda Lee — "Given to the class that has more enthusiasm and school spirit than any other class, it makes a class work harder to obtain the stick."
Helyn Cheshire — "I think it is having a great effect on the student body and the school spirit in general."
J. O. Smith — "I believe it is not needed. I believe it causes the classes that do not win to lose interest in school spirit."

Spanish students sing to help learn subject

By Gaylon Hutto
Mr. Martinez seems to be competing with Mr. Willson and his choir by having all his Spanish students not only sing Spanish songs, but translate English songs into Spanish and sing them before the class. Rumor even has it that they will have to go caroling at Christmas. (Better watch out, they are sure a bunch of hams.)
Mr. Martinez feels that this little sing-song type project helps the students to learn more of and more about the Spanish language and Spanish customs. For variety, he has some of his better (?) singers perform alone or in duets before the class.

Post High School Happenings

By Marcia Newby
What a homecoming! Although it's supposed to be mainly for the Exes of Post High School, the "Inses" managed to have a big time last week too.

The Pep Rally Friday afternoon was the first activity for the students of PHS. The eighth grade class of PHS was also there to make the pep rally all the peppier. Mr. Hutchins, the high school principal, addressed the student body in a brief talk commending the football team, as well as the Band, the Pep Squad, and all of the students. The Junior class won the spirit stick for the first time last week ending the Seniors winning streak of two straight weeks. Congratulations, Juniors!

The football game was the next and most important event of homecoming for the student body as well as all the exes too. A few of the more recent exes seen at the game were Marilyn Jons, Pat Landreth, Arieta Robinson, Beverly Duncan, Ronald Simpson, Danny Pierce, Donny Cornell, Buddy Howell, Rickey Welch, Charlie Wallace, Tony Hutto, Fernando Raymond along with many others who I wish I'd seen and talked to.

There were big doings at Teen Town after the game too. Some of the couples seen at the dance were Joe Hudman and Linda Hays, Sue Gilmore and Bo Hutchins, Linda Altman and Paul Walker, Felton Gatlin and Barbara Bartlett, Jan Wilks and Jimmy Bartlett, Dennis Bush and Beth Peel, Martha Miller and Neff Walker, Dennis Altman and Donna Stewart, Natha Jo Mears and D'Wayne Gannon

Also Billy Jack Hodges and Karen Windham, Dennis Dodson and Sharon Windham, Timmons Bull and Kay Altman, Marcia Newby and Duke Altman, Randy Hudman and Kay Herron, David Pierce and Patti Peel, James McGuire and Pam Petty, Micki Sterling and Norman Tanner, Adrienne Cook and Gary Hays, Doyle and Carolyn Mataler, Don Collier and Kim Handley, Dick Kennedy and Margie Julian, Jane Hutchins and Curly Odum, Karen Lee and Wiley Miller, Cherri and Charlie Landtroop, Susan Ramsey and Freddie Simmons, Vivian and Jackey Flitt, Doug Chance and Nancy Robinson and Butch Cross and Pamela Stewart.

A big thanks goes out to Mrs. Maxine Cummings for organizing and chaperoning the homecoming dance. Without Mrs. Cummings' help in contacting and booking bands, I guess we'd all have to settle for those great record hops of yesteryear. Thank you very much, Mrs. Cummings!

The High School Choir gave a short concert for elementary and primary grades Wednesday which was their first this year. Among the choir's members were selections from "The Sound of Music" and the popular song, "Happiness Is . . ." The Boys Choir sang the theme from the movie, "Those Magnificent Men in Their Flying Machines" along with two others. A few of the special sextets and quartets also performed. The choir enjoyed preparing the concert and may give it for high school later this month. Excited?

Mr. Douglas Hillock, our new

Would you believe . . . Lemon battery? Well, say cucumber battery?

By Gaylon Hutto
If you should ever be walking down the halls of dear old PHS and suddenly see a chemistry student trying to play his transistor radio off a half-dozen lemons, do not be surprised.
If what you have just read seems funny to you, you can imagine how the chemistry class felt when Mr. Gee said he wanted them to bring some lemons so he could make a battery.

Who ever heard of a lemon battery? Mr. Gee's chemistry class, that's who. They not only heard of it, but they actually made one. They were even successful enough to "pump up" the lemon power to one and a half volts by squeezing the lemons.
If you think all this is, or sounds, silly, just wait until you see the one Mr. Gee made with a cucumber!

Veterans Day will be observed here Friday with the closing of all county offices in the courthouse.

200 attend first hootenanny here

Approximately 200 persons attended the Post Junior Chamber of Commerce's first monthly hootenanny, held Saturday night in the old post office building on North Avenue I.

Hoyt Thomas, the Jaycees' hootenanny chairman, termed the event a big success and said the organization wishes to thank everyone who was present and invite those who were not to attend the next one.

Four bands played for the hootenanny and the Jaycees said they hope to have one or two more bands at the next one, which will be on the first Saturday night in December.

Bands wishing to play western or other types of music at the hootenannies are asked to contact Thomas or committee members Fred Myers or Ronnie Morris.

Owens rites are set for today

Funeral services for Alvin Vernon Owens, 75, who died at about 9 a. m. Wednesday in the Golden Years Nursing Home here, were to be conducted at 3 p. m. today (Thursday) at Nalley-Pickle Funeral Home Chapel in Big Spring.

Mr. Owens, a retired farmer, had been a resident of Post for about 11 months, moving here from Big Spring.

He is survived by a brother, H. M. Owens of Post, and a number of nieces and nephews.

The Rev. Jimmy McGuire, pastor of the Trinity Baptist Church here, and the Rev. Lee Jones of Big Spring will officiate at the services. Burial will be in Trinity Memorial Cemetery, Big Spring, under the direction of Hudman Funeral Home.

Although Garza Memorial Hospital doesn't have a practicing physician here on its medical staff, it has one patient this week and had two others last week.

Mrs. O. V. McMahon, has been transferred to the county hospital here from the Methodist Hospital at Lubbock by her physician.

Patients last week were Mrs. Evelyn Gurley, who was later transferred to Methodist Hospital and this week released from there, and Mrs. Norman Dockery, who has since been discharged.

One was admitted by a Tahoka physician and the other by Dr. Stirman of Plainview.

In another action last Thursday night, directors decided to have their attorney draw up a resolution which would forbid either the sale or disbursement of liquor on the water district's property.

The resolution then would be inserted as amended minutes of the board's May meeting when such a decision was unanimously passed by the full board.

Such action would prevent any future sale of liquor, by bottle or drink, on the lake property.

The salary increases were voted by the council upon the recommendation of City Manager Eddie Warren, who said the increases would bring the three office employees' salaries "more in line" with salaries paid in other towns of similar size.

At a special meeting last Friday, the council had voted to raise the salary of City Judge Percy Printz to \$150 a month.

The contract approved by the council with the Caprock Water District pertains to city water to be furnished the district, which was organized several months ago to serve six families living north of town just outside the city limits.

Police Chief Gordon reported that city fines collected in October totaled \$686. The report had been made out by Percy Printz in the interim between Leldon P. Miller's resignation as police chief and Gordon's acceptance of the position.

Friday Night Picks

By HARRIS RATING SYSTEM of DALLAS

As sponsored weekly by Bob Collier, Druggist, on outcome of games played by Post Antelopes and their seasonal opponents.

Post over Stanton

103.2 — Power Ratio — 66.7

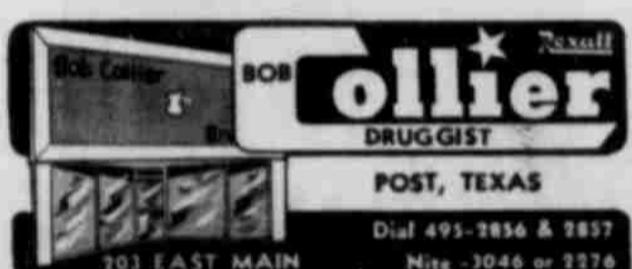

By 37 Points

The Harris Rating System sees the Post Antelopes as 37 point winners over the Stanton Buffaloes at Stanton tomorrow night to clinch undisputed claim to the district grid championship. The Antelopes climbed a half power ratio point to 103.2 this week and moved Post up two notches in the Class AA state ratings to a tie for 48th with Waco Midway. Of the 193 Class AA teams in Texas, Stanton ranks 191st, just two off the bottom. Freshman is 190th and Morton 184th to show the weakness of these three district teams this year. Although Memphis can win the district 3AA crown and the right to face Post in the bi-district playoff by defeating Friona Friday night, the Harris Rating System ranks Dimmitt as the best club in that district with a 101.3 power rating, only eight notches behind the Antelopes in 56th place. Memphis, with a 97.7 power rating (76th in state rankings), is a 10 point favorite to defeat Friona (87.9 power rating and 125th place) and win right to meet Antelopes. Over in district 5A, Plains, Seagraves and Tahoka are rated 20th through 22nd in state Class A ratings in that order with only .3 of a point separating the three teams. Seagraves is the district winner already, but Plains is rated slightly ahead.

Difference between power ratios determines predicted margin.

Lopes to Stanton for final regular season contest

Post win needed for clear claim to title

Post Antelopes, already said of one of the best football teams in the school's history, will play Stanton Friday where they are heavily favored to defeat Bryan Boyd's Buffaloes, who are tied with Morton and the cellar spot in the 4AA.

Cash hated to miss homecoming

Cash, the Detroit first man who underwent an operation in Baylor last week, was released from the hospital yesterday or today, his wife, Bandy Cash of Justiceburg, Tex., said. He will visit with his family in Dallas for two weeks before returning to his home in Detroit for the winter.

He wants to see the Post High School homecoming here last weekend and had hoped it had not been for the father said the hernia had caused some discomfort during the playing season.

over Denver City here Oct. 21. Despite Stanton's 1-7-1 record, Coach Gregg says his charges aren't taking the Buffaloes lightly. They'll be playing on their home gridiron, and bigger upsets have happened, and the coach points out.

In district play, Stanton has won from Morton, 20-12, and lost to Denver City, 42-0; Slaton, 14-0, and Frenship, 34-8. The Buffaloes tied Iraan, 14-14, but lost to Roscoe, 29-7; Seagraves, 30-0; McCamey, 38-8, and Wink, 29-14.

Stanton's chances were hurt at the first of the season when quarterback Budd Shanks, a fine passer and all-state candidate, was injured and lost for the season.

Larry White, 150 pounds, who will start at quarterback against the Antelopes Friday night, has a filled in creditably for the injured Shanks. Other backfield starters will be Dennis Brantley, 150, and Allen Springer, 180, halfbacks, and Phillip Payne, 185, fullback.

Tentative line starters for the Buffaloes are: Ricky Corbell, 140, and David Avery, 160, ends; Don Burns, 170, and Tommy Glynn, 220, tackles; Glenn Lawson, 150, and Freddie Newman, 190, guards, and Gary Reid, 155, center.

End Roy Sappington, quarterback Dick Kennedy and halfback Jimmy Bartlett are on the Antelopes' injury list, but Kennedy and Bartlett are expected to see action. Sappington, who was injured in the Hamlin game Sept. 30, got back in action in one game after that, but has been out since with the same injury. Kennedy has a pulled leg muscle and Bartlett a bruised shoulder.

The Antelope squad will leave on the 100-mile Stanton trip at 3 p. m. Friday, with the kickoff scheduled for 7:30.

Post's 27-7 win pleases homecoming crowd

Second half outburst puts Slaton on ropes

The Post Antelopes put the icing on the homecoming cake here Friday night by defeating the Slaton Tigers, 27 to 7, to assure themselves of at least a tie for the District 4AA championship and of the district playoff rights by virtue of an earlier victory over Denver City.

The Antelopes of Coach Glynn Gregg now need only a win over Stanton Friday night for a clear-cut district championship.

It was anybody's ball game Friday night until well past the midway mark in the third period when quarterback Dick Kennedy rolled out around right end for a touchdown and Paul Walker booted the extra point to break a 7-7 deadlock and put Post out in front by 14-7.

THE ANTELOPES ADDED another touchdown with less than two minutes gone in the final quarter, with Kennedy again rolling out, this time from seven yards away, and Walker toeing the extra point.

Three minutes later, the Antelopes put the game out of reach of the scrapping Tigers when Davis Heaton barged straight up the middle for 25 yards and a six-pointer.

The Antelopes drew first blood late in the first quarter when Heaton banded through the line from one-yard out to cap a 66-yard drive and Walker kicked the point.

The football cushions owned by the Post Junior Chamber of Commerce were presented to the pep squad girls last Friday night, Wayne Richardson, Jaycee president, announces.

"The Jaycees felt that the cushions could be put to use by the pep squad girls in their efforts to boost the Antelopes," Richardson said.

ATTEND HOMECOMING GAME Mr. and Mrs. Ronnie Kennedy of Slaton were in Post Friday night for the Post-Slaton football game.

JIMMY BARTLETT gained 19 yards on a double reverse on Post's first play from scrimmage, and the Antelopes picked up four more first downs in driving to the one-yard line, from where Heaton plunged over.

The Tigers threatened following Walker's kickoff by driving to the Post 18, but Larry Pickens was

stopped short of first down yardage on a run from a fake field goal formation and the Antelopes took over on their 10.

The Tigers' touchdown pass came after they had fielded Heaton's 43-yard punt on their 44.

Following the Slaton touchdown, end Donnie Windham ran Harlan's short kickoff back 33 yards to the Slaton 32, almost getting loose. With time running out in the first half, Harlan intercepted Kennedy's pass at the goal line and returned it to the Tiger 10.

The Antelopes' tie-breaker came after a Tiger quick-kick bounced out of bounds on the Post 41. Walker and Heaton alternated to rack up two first downs and deposit the

ball on the Slaton 33. Kennedy kept for nine to the 26 and on the next play hit Heaton on the 15 with a pass and the Post halfback went in untouched. A clipping penalty erased the touchdown, however, and set Post back to the Tiger 20.

Walker rammed for one yard and Kennedy carried twice for seven and 12 yards, the second run producing the touchdown.

DENNIS ALTMAN intercepted Williams' pass on the Post 40 and returned it to the Slaton 26 to set up the Antelopes' third touchdown. After three plays netted only three yards, Kennedy rolled out for 16 yards to the seven, and circled right end for the touchdown two plays later.

Ethridge's high punt, which traveled only 20 yards, set the Antelopes up on the midfield stripe for their final score. Kennedy passed to Walker for nine, then the Post fullback rambled 16 yards through the line to the 23. Heaton found daylight at center, bounced off a Slaton linebacker, and went 25 yards to end the scoring.

In the fading minutes, Slaton got down to the Post 25, but Duke Altman intercepted a pass to halt the drive.

THE VICTORY was a tremendous team effort for Coach Gregg's gridders, with reserves seeing considerable action toward the end of the game. Regulars Joe Hudman, Clyde Cash, Norman Tanner, Jack Huff, Danny Cooper and Ronnie Petty were all outstanding on defense.

Heaton led the Antelope ball carriers with a net of 77 yards on 17 tries. Kennedy netted 61 on six, Walker 51 on 16 and Bartlett 17 on two, making 19 yards on a double reverse, then losing two when it was tried again.

Larry Pickens was the Tigers' leading gainer with a net of 35 yards on nine carries.

Manuel Sanchez scored two touchdowns last Thursday to power the Post freshman football team to a 14-8 victory over the Wilson Mustang "B" team at Wilson.

Coach Bill Smith's team had been tied by Wilson, 6-6, in their first game of the season for the only blemish on their record.

Thursday's win was a come-from-behind victory for Post after Wilson scored in the first quarter and ran over the extra points to make it 8-0.

Sanchez went 15 yards on a sweep in the second quarter, but the extra point try failed and Post still trailed at the half, 8-6.

Post took the lead in the fourth period when Sanchez scored on a sweep from 10 yards out and Jay Bird passed to Neff Walker for the extra points.

Coach Smith said his entire defensive unit turned in a good game to protect their goal line after Wilson's first-quarter touchdown.

The freshmen were to have played at Ralls Tuesday afternoon, but Ralls asked that the game be cancelled. Coach Smith said Tuesday that he is trying to line up another game for his team to end the season on. They have a 7-0-1 record, having won two of the games by forfeit.

Varsity scores 72 points

Does open with win at Meadow

Coach Jigg's King's Post Does "A" and "B" basketball teams opened their season with a pair of wins at Meadow Tuesday night, the "A" team winning, 72 to 47, and the "B" team, 40-37.

The Does, paced by Edith Johnson's 29 points, ran up one of the biggest, if not the biggest, scores ever posted by a girls' basketball team here in their 72-47 win.

Post led 17-13 at the end of the first quarter, 39-25 at the half, and 54-33 at the end of the third quarter.

Other scorers for the Does were Sherry Woods, 22; La Guyluah Young, 10; Sharon Windham, 8, and Karon Windham, 3. Annette Lockett, with 25 points, was Meadow's top scorer.

The Does' starting guards were

Marcia Newby, Linda Altman and Cheryl Pennell. Other guards seeing action were Jane Hutchins, Kay Altman and Vicki Martin.

In the "B" game, Post trailed 16-8 at the end of the first quarter and 16-13 at the half, but had gone out in front 24-23 by the end of the third period.

Benita Noble was high scorer for Post with 17 points, followed by Theresa Sims, Glen Ann Barley, Nancy Hart, Irene Saldivar, Brenda Stelzer and Debbie Brewer.

The Post teams go to Springlake for games next Tuesday night.

Tourist program set for Nov. 22

AUSTIN — Theme on the second annual Governor's Tourist Development Conference Nov. 22 at Austin Terrace Motor Hotel will be "Imagination: Dare To Use It."

Headlining Governor John Connally at a nontime award luncheon, the conference will draw heavily from such examples as Six Flags Over Texas and HemisFair 1968 in illustration of its theme.

How-to-do-it counsel from noted experts in tourist development and tourist promotion will fill a 9 a.m. to-noon agenda programmed by the Texas Tourist Development Agency. Afternoon sessions will feature HemisFair officials whose revelations are hoped to stimulate corollary developments in other communities during the 1968 exposition in San Antonio.

The governor's award luncheon will honor an individual who has made a most significant contribution to Texas tourism in the past year. To be a surprise to its recipient, the Governor's Tourist Development Award is planned as an annual tribute.

One More District Victory Is Antelopes' Immediate Concern!

Hit the Road!
Back that team!

Post Antelopes VS Stanton Buffaloes at Stanton Friday, Nov. 11 7:30 P.M. Kickoff

The Post High Antelopes, already assured of a bi-district playoff berth by virtue of their homecoming triumph over Slaton, will journey to Stanton Friday night needing a final district triumph to win the undisputed district title.

Since this club isn't interested in sharing titles with Denver City, a victory is a "must" to close out the regular schedule.

Although the Antelopes will be heavily favored, this isn't a time for team or fans to be caught "looking ahead" to their bi-district playoff clash the following weekend.

Support your ball club by making the trip to Stanton and being on hand as the Antelopes go for the undisputed district championship clincher.

Cotton gins busy most of the time

By MRS. O. H. HOOVER

The cotton gins here are busy most of the time and it won't be long until they will be going full blast. I just talked to Mr. Tew of the Farmers Co-op and he said they have 287 bales and the Producers Co-op has about the same. Mrs. C. B. King and Lou Ann took Mrs. King's sister home last Wednesday after a visit of three weeks. Mrs. Billie Inklebarger is in Methodist Hospital for treatment. We wish for her a speedy recovery. Mr. and Mrs. J. F. Moore drove to Hereford Saturday to visit an aunt who is very ill. Mr. and Mrs. H. E. Huffaker have gone to Colorado to visit their children. The W. M. Duboses of Brownfield visited the W. G. McCleskeys Saturday.

The Tom Murrays and W. G. McCleskeys spent the evening last Saturday with Uncle Mac and Aunt Nora Ritchey.

Mrs. Amos Gerner visited with the Bishop Mathises and David Boyds one night last week. The Lemman Mathises were also there.

Bobby Dean was back for the Post homecoming. Aren't you glad we beat 'em?

Mrs. Dovie Luttrell took the W. T. Luttrells to church at Draw as Mrs. Luttrell's eyes still won't allow her to drive. Draw welcomes you, Dovie. Come again.

Guy LeMond of Snyder was a Sunday luncheon guest of his sister and visited his brother and family in the afternoon.

Mmes. A. Z. Sewell, Martha McKay, Mattie Jackson and Wells attended the Bible study here Sunday night.

Mrs. Reed and children came to Sunday school and church Sunday at Draw. Mr. Reed is a ginner at the Draw Gin. We welcome you.

Mrs. Long and Grace Thomas visited the Carl Greers one day last week.

Mr. and Mrs. N. O. Townsen visited the Greers Sunday.

Mr. and Mrs. Gary McGrew and Tamble were luncheon guests and spent the day Sunday with Mrs. Edith Inklebarger and J. W. Inkle-

barger. Gary is en route to Greenland where he will be stationed for some time with a helicopter rescue squad.

OUR HEARTS were made sad by the death of one of our pioneer citizens, J. W. Warrick, of Lubbock. He and his family lived west of the Methodist Church here for a number of years. They raised their children, Bernice, J. C. and Eula Mae, there where Mrs. C. B. King lives now. He had been

ill for quite some time. We extend our deepest sympathy to his loved ones. A large number of folks attended the funeral services at the First Church of the Nazarene in Lubbock Monday at 2 p. m.

The Grassland ladies prepared and served supper in the Fellowship Hall of the Methodist Church. It was a lovely meal and the family appreciated it very much. May God watch over and bless the family of this good man.

'Duties of Officers' is 4-H Club program

President Laura Bevers called the Pleasant Valley 4-H Club meeting to order Monday evening at which she and her sister, Sue, were hostesses.

The 4-H motto and pledge was led by Irene Martinez, and Pledge of Allegiance was led by Sue Bevers. Bill Bevers and Dayneen Dunn

KANSAS VISITOR

presented a short program on "Duties of Officers," and Marla Shelton and Kathy Long told of their trip to Lubbock where they visited the West Texas Museum and Planetarium.

Refreshments were served to Sue, Laura, Joe, Bill and Larry Bevers, Dayneen, Kathy, Kelvin and Randy Thomas, Marla and Arla Nelson, Amanda Wheeler, Ir-

Letters to the Editor . . .

Dear Sir:
When I was a child I remember some calling the Post Dispatch the "Post Headache". I did not read it much for I knew, or thought I knew, most of the news.

We came to South Africa two and a half years ago. My father, Earl Rogers, subscribed for us about a year ago and we have enjoyed reading the Post Dispatch here in South Africa. We have read the names of many that we went to school with and have not heard of their whereabouts as we left the community after graduating from high school and have not been back to stay very long at a time.

We like the "ten years ago, fifteen years ago, and the twenty years ago" column. We remember many of the events of fifteen years ago as we were in high school at that time.

We have been transferred from P. O. Box 72 Florida, Transvaal, Republic of South Africa to P. O. Box 15, Acornhoek, E. Tvl. Republic of South Africa. We would like for you to make the change of address so that we can continue to receive the Post Dispatch.

Sincerely,
Kenneth Rogers
