

City, county together again on operation of police radio here

Station moved to office of county sheriff

The city and county are back together again today on the round-the-clock operation of the law enforcement radio station here—but this time with the two local units of government splitting the cost squarely up the middle.

The station's operation, effective today, was shifted from the city police station to the sheriff's office in the courthouse.

BIG ADVANTAGE to this move is that the night-time radio operators can also keep an eye on the county jail, thus providing some protection for prisoners who previously have been unattended during the night.

The station had been operated from the police station for the last three years.

THE GARZA COUNTY Commissioners Court by a unanimous vote at its October meeting this week accepted the agreement with the City of Post, which provided that the city will assume 50 per cent of operators' salaries, including the salary of Mrs. Doris Harden, Garza deputy sheriff and jail matron who works the daytime shift in the sheriff's office.

The agreement, according to minutes of the commissioners court, also provides the city will pay half of the maintenance cost of the radio station.

The agreement was effective Oct. 13, 1964.

ACCORDING TO COURT minutes, the commissioners court also shall have all rights in hiring and discharging of any or all employees connected with the joint city-county radio operation.

The motion, as adopted by the court, also had the effect of rescinding the court's action at the September meeting when it withdrew from the joint operation of the station, effective Oct. 12.

At the time, the economy-minded court estimated the move would save the county about \$10,000 annually.

The city, which first indicated it would continue the station's operation on its own at a dead expense, came up with the new offer in negotiations last week between Mayor Harold Lucas and County Judge J. E. Parker.

Damage suit is being tried in district court

The \$4,800.22 damage suit brought by Service Pipe Line Company against the Britt Construction Co. was being tried in Garza County district court here yesterday before a district court judge.

The case began Tuesday. District Judge Truitt Smith said if there was time for trying this week, Woodrow Chauncey's damage suit against Carl Jones also would be tried. If not, Judge Smith said he would have to reset it for a later date.

On Tuesday, Judge Smith granted a motion for summary judgment brought by the defendant and unopposed by the plaintiff in Bud Odom's damage suit against the Western Oil Transportation Co. This, in effect, brings an end to the suit.

The damage suit of Jess F. Masters against Wesley Lewis, doing business as Lewis Aircraft and Chemical Service, and Ed Partidge was continued pending serving a new defendant in the case. (See Damage Suit, Page 8)

Boy Scouts need meeting place

Post's newest Boy Scout troop, No. 319, is looking for a permanent meeting place. Scoutmaster Don Osborn said today.

The new troop, organized only a little more than a month ago, now has 32 members following a round-up program.

The troop is holding meetings in the Service Pipe Line Co., warehouse until a suitable meeting place is available.

The scoutmaster asks that anyone with a place for the new troop to meet contact him or Douglas Hill, assistant scoutmaster.

The only Boy Scout hall here is used by another troop, Osborn said. The new Boy Scout troop is sponsored by the First Presbyterian Church.

The city council at a special meeting Thursday afternoon approved the offer of paying half of the cost of the station's operation.

MAYOR LUCAS estimated the new arrangement will cost the city about \$300 more monthly. The city had been paying only \$100 monthly.

Judge Parker told The Dispatch arrangements have been made to clear out the surplus commodities room next to the main entrance on the first floor of the courthouse and move the justice of the peace's

office into this location. The JP's office, which was between the sheriff's office and the surplus commodity room, will be turned over to the sheriff's office and the present sheriff's office room used for the radio room.

These changes were to be made this week.

Mayor Lucas said the new city-county agreement is to be put into writing and signed, but up to this point has not been written, although all terms have been agreed to by

both the county and the city. Judge Parker indicated no changes in radio station personnel is planned by the county.

IN ANOTHER ACTION, the commissioners court raised the salary of Mrs. Doris Harden, office deputy in the sheriff's office from \$175 to \$225 monthly effective Oct. 15, 1964.

The commissioners court also discussed with Preston Poole, unopposed Demo nominee for county attorney in the upcoming November election, providing space for

a county attorney's office in the courthouse.

An agreement was reached to clear the quarters on the third floor which is now the overnight jury room so that the county attorney can use it for an office.

The court agreed if necessary any jury could be quartered in a hotel or motel.

The court also accepted the bid of H. L. Morgan at \$225 per mile for the fencing of the new farm-to-market road east of Justiceburg.

Number 20

After three years of "feuding", city-county law enforcement today appears to be back at least on a practical and cooperative basis.

The law enforcement radio is back in the sheriff's office where it belongs so that the night-time operators can serve as county jail attendants too.

The city and county have agreed to split the cost of the radio operation on a 50-50 basis whereas in the past the county was paying most of the bill. This is going to be partially offset at least by the fact the county is going to be paying for its fair share of country fire calls on a \$100 per call basis.

Actually, the "feuding" hasn't been at the city-county board level at all, but at the law enforcement operating level. It was between Sheriff L. E. Claborn Jr., and former Police Chief Elton Corley. Corley used to be Claborn's deputy until his resignation was asked. Now that the city has replaced Corley with Leldon P. Miller, an experienced law enforcement officer who came to Post from the Lubbock Police Department, there is good cooperation again between the city and county law enforcement arms.

The Dispatch, for one, is glad to see the tangle finally straightened out.

This is going to be quite a sales weekend for Post, as Dispatch readers will note in today's advertising columns. Dunlap's is opening its big anniversary sale. Bob Collier is kicking off today with another Rexall one cent sale. Hudson Furniture is extending its successful warehouse sale through Saturday with more new bargains. Wacker's has a half page of new October "specials", and Western Auto is uncracking a ten-day Family Day sale today.

Cloud Collier had a lot of fun in Fort Worth last weekend because he sold enough Oldsmobiles this summer to get invited. It was a day of gold at Shady Oaks Country Club. (See Postings, Page 8)

Highway begun into dam site

Work was scheduled to get under way this week on the first paved highway into the White River dam site.

A total of 7.6 miles will be constructed from FM 631 (Crosbyton highway) into the dam site from the west. This is a new farm-to-market highway.

The state highway department recently let the contract for this construction to J. O. Boswell of Lubbock for approximately \$191,000.

The route of the new FM road will follow the present one in from FM 631, but the "roller coaster hills" will be flattened and filled.

Construction time is expected to be between six and eight months. Right-of-way is being purchased for a continuation of this new FM road across the top of the big earthen dam and on east to Spur.

This portion of the highway is expected to be let by contract next year.

MOBILE LABORATORY
This mobile laboratory will be in Post all day Tuesday to give free chest x-rays for the detection of tuberculosis in a project sponsored by the Veterans of Foreign Wars post.

Mobile x-ray unit is to come here Tuesday

Free chest x-rays will be given here all day Tuesday, Oct. 20, by a mobile x-ray unit being brought here under the auspices of John Miller Post 6794 of the Veterans of Foreign Wars.

The unit will be at the schools here from 8:30 a. m. until noon to give chest x-rays to students, but only to those 10 years of age and older, VFW Post Commander Max Chaffin said. From 1 until 5:30 p. m., the unit will be at the First National Bank parking lot to x-ray adults.

JAYCEES ANNOUNCE YULE CONTEST ON DECORATED HOMES

The Post Junior Chamber of Commerce is sponsoring a Christmas home decoration contest for the approaching yuletide season.

Thirty dollars worth of prizes, in coupons redeemable with any local merchants, will be offered in three prizes.

First prize will be \$15 worth of redeemable coupons, second prize \$10 worth, and third prize \$5 worth of coupons.

Lewis Ammons, chairman of the Jaycees contest committee, told The Dispatch that judges would check all homes in the city prior to Dec. 23. He said entries in the contest did not have to be submitted. Every home will be considered an entry, he added.

He asked those decorating homes to do so for the Christmas season, beginning Dec. 1. Other members of the contest committee are Calvin Gatlin and Curtis Christopher.

Merchants contacted

Another Christmas parade is planned

Post merchants are being contacted by the Post Chamber of Commerce's promotion committee this week to raise enough funds to underwrite another big Christmas parade here on Saturday, Dec. 5.

The route of the new FM road will follow the present one in from FM 631, but the "roller coaster hills" will be flattened and filled.

Construction time is expected to be between six and eight months. Right-of-way is being purchased for a continuation of this new FM road across the top of the big earthen dam and on east to Spur.

This portion of the highway is expected to be let by contract next year.

List of election judges nearing completion here

Only selection of an assistant judge for Garza County's No. 1 precinct to replace Walter Crider who is hospitalized with illness remains to complete the precinct lineup for the general election Nov. 3.

Ray N. Smith was named this week by the court as judge of the absentee box.

The judging line-up for the election is as follows with voting places given in parentheses:

- Pct. 1 (Post Youth Center), Cloud Collier, judge; assistant to be named.
- Pct. 2 (Southland school): Sam Edin, judge; Otto Klaus, assistant.
- Pct. 3 (Verbena Community Center): Dale Cravy, judge; Edna McLondon, assistant.
- Pct. 4 (Justiceburg school): Mrs. H. F. Ainsworth, judge; Mrs. Billy Blacklock, assistant.
- Pct. 5 (Close City Community Center): R. H. Sappinon, judge; W. D. Livingston, assistant.
- Pct. 6 (Graham Community Center): Bill McMahon, judge; Quannah Moxey, assistant.
- Pct. 7 (Pleasant Valley Baptist Church): Henry Wheatley, judge; Clark Burton, assistant.
- Pct. 8 (Post High School Library): Mrs. Wilburn Morris, judge; Ms. C. R. Thaxton, assistant.
- Pct. 9 (Post Community Room): Mrs. Edward Neff, judge; Mrs. Morris Neff, assistant.

New supervisor for SCD unit

Gary Reed will move here from Muleshoe about Nov. 1 to replace Douglas E. Cunningham as work unit supervisor for the Garza County Soil Conservation District.

Cunningham has been transferred to Osnaburg by the Soil Conservation Service.

Reed has been with the Blackwater Valley SCD at Muleshoe for nearly two years. He spent two and a half years at Jayton with the Duck Creek SCD and was there when Garza County landowners voted to withdraw from the Duck Creek SCD and establish a district of their own.

Reed's hometown is Alva, Okla., and he is a graduate of Oklahoma State University. He and his wife and their four-year-old son, Michael Jay, will move into the house formerly occupied by the Cunninghams at 611 West 8th St.

Coin machines hit for \$120

Coin-operated record players and cigarette machines were rifled for a total of more than \$120 early Wednesday morning following break-ins at the La Fiesta Restaurant and Jean's Drive-in Tavern, both east of town on the Clairemont highway.

Deputy Sheriff Bob Adkinson, who investigated the break-ins, said about \$81 was taken from two coin-operated machines at the La Fiesta after entrance was gained through a window on the east side.

At the tavern, which is just west of the cemetery, about \$41.83 was taken from two machines. Entrance there was gained by forcing open the front door.

We're for Johnson, Connally, Bush

The Dispatch today endorses to its readers for the upcoming general election in November: President Lyndon B. Johnson for a four-year term of his own in the White House, Gov. John Connally for a two-year return to the governor's mansion in Austin, and George Bush, a conservative and highly personable Republican, to unseat Sen. Ralph Yarborough.

In doing so, we remind our readers that this newspaper is politically independent, and is as conservative by nature—or almost so anyway—as the area which it serves.

It is only natural that we have some deep reservations about the current campaign for the presidency. We believe most people have.

This newspaper supports President Johnson primarily because he is a known political force, well prepared by a career in national politics for the tremendous demands of the presidency.

In contrast, Sen. Barry Goldwater to us still remains Mr. X, a virtual unknown quantity on the national scene. Although he has been campaigning hard for the presidency for more than four years now his "public image" simply does not come across to most of the American people. Mr. Conservative he may be, but he arouses little confidence in us as to how he would handle any of a half a hundred vital situations if he were the country's chief executive.

President Johnson in order to "grow" into "national political stature" has turned from his original Texan conservatism to embrace liberalism, to what degree one today cannot be quite sure. That is our basic reservation on this "tall Texan"—hat and the tremendous skill he has in the raw use of political power.

The late President Kennedy, despite his personal charm and leadership did not have the political ability "to get the job done" on his program in Washington. President Johnson accomplished twice as much in less than a year than Mr. Kennedy did in nearly three.

But the question remains, elected to the presidency in his own right what program will President Johnson chart. He is not an intellectual. But for months now he has had at work some of the nation's best brains of all political hues to come up with the raw new ideas for the Johnson program for 1965.

Neither Johnson nor Goldwater has the magnetic personality of an Eisenhower or a Kennedy. But one is trained and skilled; the other's abilities are unknown. It is on this basis that this newspaper makes its selection of President Johnson.

Governor Connally, to our way of thinking, is an amazing politician.

He risked his first campaign for the governorship on the tremendous need for improving the quality of higher education in Texas. This is not a great vote-catching issue. Instead it is a dangerous one—because Texans generally have not been too concerned, and to put quality in higher education, or even just "keep up" with expan-

sion needs in state supported schools without improving quality at all, is going to cost millions and millions of dollars.

We admire Governor Connally for that stand. We want him to have two more years—the two really crucial years—to put some quality into higher education in Texas because it will mean so much to the future of this state.

In Jack Crichton, the Dallas oil man who is the Republican candidate, the governor has only token opposition.

That brings us to the endorsement of George Bush for United States Senator from Texas to replace Ralph Yarborough.

Again, we endorse Bush for positive reasons, not negative ones. Bush is an articulate conservative who is running a strong campaign. He stands for what we believe a majority of Texans stand for and for what voters in this area support.

Formerly of Midland, he now lives in Houston where he is a successful oil man. His father was a senator from Connecticut. We heard him speak before the Texas Press Association's summer convention in Houston and he made an excellent impression upon the newspaper publishers of Texas that day.

His political problem is to become known throughout Texas—and to make his views known. That puts the odds against him. But he is campaigning hard in a caravan of his own and already has made one swing through West Texas—which included stops at Lubbock, Tahoka, Brownfield, and other West Texas points. We are only sorry that a visit to Post was not arranged at that time.

We do not believe that Senator Yarborough in his years in Washington has brought back to Texas with him the record on which he should merit another six-year term.

We elect our governors for two-year terms, our presidents for four—but our senators for six. It is not often voters get the chance to select a senator.

If you do not know George Bush and what he stands for take some time to watch, listen, or read about him in the weeks ahead. You will like him tremendously.

The Dispatch would remind its readers that come the general election, we must select the best men to lead us.

Remember that—and do not fall victims to the basic tactics of an American political campaign, the smearing of the political opponent with every means at hand—including smut books this year on both sides.

We must choose the best man, not determine which we are against for dubious and even emotional "reasons."

In the choices which the voters will be offered in November, The Dispatch believes the best are Lyndon Johnson for President, John Connally for governor, and George Bush for senator.—JC

Five games do not a season make

The Post Antelopes, who payed it to the hilt in losing by one point to the Plains Cowboys in their last outing, play host Friday night to one of the state's top-ranked Class AA elevens, the Crane Golden Cranes.

The Antelopes have passed the halfway mark in their 1964 grid campaign and still haven't spilled any ink over onto the win side of the ledger. Two or their losses have been by one point and another has been by three points. They've been an interesting team to watch throughout the first half of the season, and all except a few disgruntled fans think they have what it takes to make a more creditable showing the rest of the way.

To begin with, the Antelopes faced a schedule

that didn't include a "breather," with three of their opponents ranked in the "top ten" in the state. Added to that, they've had hard luck injuries, and, everything considered, they haven't done so badly even in not winning.

The Antelopes haven't given up on themselves and we don't think many of the fans have given up on them. There're still five games to play, and even with two of the state's best Class AA teams among those five, there isn't any law that says the Antelopes can't win 'em all.

Let's help them make a start at it attending Friday night's game with Crane, setting our sights on an upset, and cheering the Antelopes on until the goal posts ring.—CD

THURSDAY TO THURSDAY

SINCE I TRY to keep my readers posted on all upcoming events, I want to apologize for not reminding them in last week's column that the bank would be closed Monday for Columbus Day. However, anyone who had business at the bank on that day saw the card on the door when they got there, so perhaps it didn't make too much difference. Incidentally, a TV comedian said this country isn't too proud of Columbus, since it closes the banks on his birthday.

My cat Blackie is in the doghouse out at our place after taking a swipe at our granddaughter, so I'm not referring to him as "our" cat Blackie, since my wife says she disclaims any ownership of him. We already had the above picture of Blackie studying the political situation before the ruckus occurred out at our place, so I'm running it just as if nothing had happened.

MRS. H. J. Dietrich says that they, too, have a black cat, whose name is Boom-Boom and that I should come out and get a picture of him. I promised Mrs. Dietrich that I'd try to get Blackie and Boom-Boom together for a Halloween picture.

THERE WERE all sorts of things going on here Saturday, and I saw right at the outset that I wasn't going to be able to pick my snots for sitting in on any of them. The Dispatch camera was my constant companion throughout most of the day. We showed up first at the Punt, Pass & Kick contest at Antelope Stadium for a couple of hours and then spent most of the afternoon at the Garza County Fair. Meanwhile, back at the ranch, the World Series was on TV, to be followed by the Texas-Oklahoma football game. I missed everything except the last few minutes of the football game, and was so pooped by the time the radio broadcast of the Tech-TCU game started that I fell asleep before it was over. I'm looking forward to next Saturday when maybe there won't be so much going on.

F. R. BURKE, 77, of Houston, along with Mrs. Burke, was in Post last Friday for thirteenth time in more than fifty years—58 to be exact, when he was a driver for the Double U Company freight line. Mr. Burke has lived in Houston for 24 years and he and his wife were en route to Lubbock to visit his brother.

Mr. Burke recalls that the 18-wagon freight line hauled freight between here and Big Spring, making the 87-mile trip in three days going and in four days coming back, the extra day being necessary because of the heavily laden wagons.

"WE WORKED seven days a week for \$36 a month and board," Mr. Burke recalled in reminiscing on his freight hauling days. He said he was acquainted with C. W. Post, the town's founder, and recalled one occasion when Mr. Post came along and ate dinner with the freight line gang on top of the caprock.

MR. BURKE thinks the Double U Company got its name from the way the freight wagons doubled back onto the return route at the end of the line. As he left The Dispatch office, he said his next stop would be at the courthouse lawn to see the C. W. Post statue. "I've heard about it, but I haven't seen it," Mr. Burke said.

MONEY 'ROUND THE WORLD

SPAIN

An ancient country of infinite variety, Spain is drenched with sun, color, music, and drama. From bullfights to art treasures, fiestas to the windmills of La Mancha—it's a whole new world for American tourists to discover.

The basis of Spanish money is the peseta. There are 60 pesetas to the U.S. \$1. One peseta is about two cents. There are coins to the value of 1, 5, 25, and 50 pesetas, and paper money to the value of 1, 5, 25, 50, 100, 500 and 1000 pesetas. (The small centimo is almost obsolete today; 100 centimos=1 peseta.) Use travelers checks to overcome your currency problems while traveling overseas. First National City Bank Travelers Checks can be bought and cashed throughout colorful Spain.

A Moment With God

NO TIME FOR LIFE

Read Matthew 6:24-33

When ye pray, say, Give us day by day our daily bread.

Luke 11:3

The material gifts of God are the means by which we live and love. They are useful and desirable; we cannot live without them. Yet these things are only the provisions for living, not life itself. They are only the means, not the end. They are necessary tools for a job, not the job itself.

Life consists not in an abundance of things, but in an abundance of relationships. We are our brother's keeper. God gives us things to support us in our service to one another. Our primary goal in life is to love people, not gather things.

How easy it is to confuse the means of living with the ends of life! We can become so busy storing up things for tomorrows that may never come, that we have no time today for the needs of people. We can be too busy to listen to our children, too busy to see and serve the needs of a neighbor, too busy to visit our lonely friend. We can be so busy collecting the provisions for living that we have little time left for the main business of life.

So Jesus wisely prompts us to narrow our concern over provisions to the needs of this day and to pray, "Give us this day our daily bread." Keep the emphasis where it belongs. "Seek ye first the kingdom of God and His righteousness." Trust that "all these things shall be added unto you."

Good Lord, keep us from mistaking the provisions of life for life itself. Amen.

The Sportsman's Corner

by Dr. Joe Lindholm, Remington Wild Life Expert

THE VARMINT CROW

ONE OF THE MOST DESTRUCTIVE VARMINT BIRDS is the hardy and abundant crow. He feeds on wheat and winter wheat during the fall and checks corn and soybeans during the spring. Farmers are usually not aware of the damage he does until it is too late. You can help keep him under control.

CROWS ARE WILY SO WEAR CAMOUFLAGED CLOTHES and set up a blind to you can get them to come in close. In setting up the blind, it's important to face it so that the crows approach facing into the wind—so you won't have to watch behind you.

TO HELP YOU GET THEM EVEN CLOSER use a crow-call. Your diaphragm should act as the control valve for expelling air from the lungs, while your vocal chords act as sort of tuning fork for the vibration of the call's reed.

FOR VARMINT BIRDS BARRELING IN, many sportsmen prefer a fast-handling, lightweight gun such as the Remington Model 7100 automatic shotgun used with no. 6 shot.

Premium list is ready for Fort Worth show

FORT WORTH — W. R. Watt, president and manager of the Western Exposition and Fat Stock Show, has announced the publication of the 1965 Premium List is now being made to all previous Fort Worth exhibitors and prospective exhibitors. Others desiring a copy of the new Premium List should write the Southwestern Exposition and Fat Stock Show, P. O. Box 150, Fort Worth, Texas, 76101. The purse of premiums and entry fees at Fort Worth, including the Livestock Show, Horse Show and Rodeo will total approximately \$229,000. Watt reports there have been many changes and additions to the Premium List since the 1964 Stock Show. Prospective exhibitors are urged to carefully study all rules.

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

AUSTIN — Those golden years have the possibility of taking on more of a healthier hue now than ever before.

About 20 years ago the average American could expect to die when he reached the retirement age of 65. But today, 17,500,000 Americans are over 65, and the generation being born today may well be the one that can expect to live to be 100 years old.

But just living longer isn't enough. Extra years mean little unless they are healthy, active years. You can enjoy all the added years modern medicine has given you—you can keep young in spirit, body and mind—by practicing a little modernization and following some simple rules.

First, see your family physician regularly for a physical checkup. Today he can diagnose and treat successfully almost any disease or ailment, if he finds it early enough. He can also prevent many of the illnesses that may otherwise come your way.

As the years pass, you usually need less food, and there is some shift in nutritional requirements. You will need more protein, vitamins and fluids, but fewer fats and calories. No one can feel young and peppy when he's carrying extra weight.

Adequate rest is essential as both your mind and body need peace and quiet to recoup from the rigors of the day.

The mark of an "old" person is creaking joints, aching back and myriad other complaints. Keep all your body parts in good working order by using them.

Fill your days with productivity. The quickest way to "old age" is through boredom. So keep up your interest in your work and your surroundings.

Participate in community affairs rather than fussing and fretting about yourself at home. If you want to be among the happiest people—the doers—share your time and talents with such things as raising funds for charity, getting out the vote and participating in other civic programs.

Another shortcut to "old age" is

For their "outstanding achievement in bringing about a better understanding of the American way of life," Lions International has been awarded the Washington Honor Medal, the coveted award of the Freedoms Foundation at Valley Forge.

Bible Week observance slated by book store

LUBBOCK — The Baptist Book Store at 1212 Ave. Q, will have a special celebration Oct. 19 for "National Bible Week" Oct. 18-24. Dr. H. E. Ingraham, director of the Baptist Sunday School Board's service division, will be at the store on that day to counsel and talk with Sunday school teachers about Bibles and commentaries. The Lubbock store's theme for the week is, "The Sunday School Teacher, His Bible and Bible Helps."

several times in separate censuses. The Bureau has provided copies of these records to about three and one-half million people, as legal proof of age, place of birth, citizenship, or kinship.

Persons seeking such a record for social security purposes should go to the local Social Security Office, or, for other purposes, write to the Personal Census Service Branch, Bureau of the Census, Pittsburgh, Kans., for an application form. A fee of \$3 is charged for a search of not more than two censuses for one person and for one copy of the information fund. Additional copies cost \$1 each. An expedited search costs \$4. Expedited searches are usually completed within a few days while the routine \$3 search may take up to 30 days, depending upon the backlog of requests.

These persons who requested assistance from the Census Bureau last year were among an estimated 20 million United States residents who are without proof of age or birthplace. The historical records of the Census Bureau provide the only acceptable source of this information for many of these people. Since its beginning in 1790, the U. S. Census has recorded identifying data for almost 350 million persons, many of them listed

may be furnished only upon the written request of the person to whom it relates or, for a proper purpose, a legal representative such as a guardian or administrator of an estate. Information regarding a child who has not reached legal age may be obtained upon the written request of either parent.

Now! '65 Chevrolet

'65 Chevrolet Impala Sport Coupe—with new Sweep-line roof.

If what you see moves you, wait'll you take the wheel
 (V8's with—GREEN!—up to 400 hp)

One look at those longer, wider lines tells you it's the kind of car you just couldn't buy before without getting into the higher price brackets. But one drive will tell you a lot more. You've got your kind of engine going for you. There's an even half dozen of them available this year—anything you name from a quieter, sweeter running 6 to a V8 with the authority of 400 hp. And the road feels like satin because our engineers came up with a new Full Coil suspension system, teamed it with a Wide-stance design, and made our famous Jet-smooth ride smoother and more stable than ever. Beginning to feel like it's your kind of car? There'll be no doubt about it when you drive the real thing at your Chevrolet dealer's.

Garza Republicans to meet Tuesday

Garza County Republicans will meet at 7:30 p. m. Tuesday in the Community Room with all persons interested in working for the election of the Goldwater-Miller ticket invited to attend.

Plans for the meeting were made at a meeting Tuesday night at which bumper stickers were handed out.

At the Tuesday night meeting, it was pointed out that according to the Department of Agriculture figures, the farm parity ratio, the relationship between the farmer's income and his own cost of operation and living stood at an average of 85.5 per cent during the eight years of the Eisenhower administration but that by Aug. 15 of this year it was down to 74.

Miss Young, Mr. Hanks exchange wedding vows Sunday afternoon

Miss Beverley Young and Darrell Lynn Hanks exchanged wedding vows before an archway of candles and white gladiolas Sunday, Oct. 11, at 2 o'clock in the afternoon in the First Methodist Church. The church pastor, the Rev. Clarence Stephens, officiated at the double ring ceremony.

MRS. DARRELL LYNN HANKS (Beverley Ruth Young)

Parents of the couple are Dr. and Mrs. B. E. Young and Mr. and Mrs. Buster Hanks of Hobbs, N.M. Given in marriage by her father, the bride wore a formal-length gown of ivory sata-peau featuring a bateau neckline and long petal-point sleeves. The empire princess lines flowed into a flat controlled front skirt which extended into a full chapel train. She wore a lace veil, brought from Rome by her grandmother, Mrs. J. M. Young of Lubbock, over a seed-pearl tiara borrowed from her sister-in-law, Mrs. Gene Young. The bridal bouquet was a cluster of white roses atop a lace handkerchief matching the veil.

Miss Donna Robinson was maid of honor; Mrs. Gene Young of Plains, was matron of honor and man. Head groomsmen was Her-Misses Jan Herring, and Gerry Hadley of Shallowater were bridesmaids.

They wore blue crepe street-length dresses made with high necklines, long fitted sleeves and bell-shaped skirts. Their handbands were of matching fabric and featured maline veils. Each carried a long-stemmed red rose.

Jimmy Drake of Hobbs, was best shel Hanks, brother of the bride-room, and the groomsmen were Ed Stevens and Buddy Wylie, of Abilene. Guests were seated by Jim Bray of Abilene, and Mike Peyton of Deming, N. M.

Miss Marv Beth Boswell of Abilene and Mrs. Mason McClellan lighted candles. Their dresses were identical to the bridal attendants.

Gene Young, brother of the bride, accompanied Mrs. Jimmy Drake at the organ as she sang "Because", "Whither Thou Goest" and "The Wedding Prayer."

Miss Boswell registered the guests at the reception in Fellowship Hall following the ceremony. Meses. Doulos Livinston, James Dietrich and Mason McClellan served punch and cake to the guests.

For travel the bride wore a three-piece Italian knit suit featuring a white border with blue flowers down the front of the jacket, and black accessories. She carried one long-stemmed white rose from her bouquet.

Mrs. Hanks is a graduate of Post High School and attended McMurry College. Mr. Hanks is a graduate of Hobbs High School and McMurry College. He is presently employed with W. D. Richards at Hobbs, but is expected to go to the Army Oct. 19.

Close City club will elect officers soon

The Close City Home Demonstration Club worked on its educational poster for the Garza County Fair at its last meeting in the Close City Community Center.

Roll call was answered by naming the vegetable best liked in the family. Ruth Pate gave a talk on "New Vegetable Ideas".

All members are urged to attend the meeting Oct. 20 as officers and council delegate will be elected.

Cleo Sappington served sandwiches, cookies and punch to the following: Meses. Mozelle Bartlett, Virginia Custer, Onieta Gunn, Ruth Pate, Lola Peel, Inez Ritchie, Juanita Terry and Thelma Thomas.

13 members of TOPS lose total 19 pounds

Thirteen members lost a combined total of 19 pounds and three members had to "pay the pig" at last Thursday night's meeting of the Post TOPS Club.

If a member fails to lose a ny weight, they have to put a dime in a piggy bank, and the one who gains must take the pig home to look at all week.

Exercises were taken and members read from the pamphlet, "Food and Your Weight". Mrs. Lucille Bush and Mrs. Norma Baumann were welcomed as new members. The club meets weekly at 7 p. m. at Wilke's Supply.

COMMUNITY SING

A community sing will be held at the Church of God of Prophecy Saturday night at 7:30 p. m. The public is cordially invited to attend.

'The Portrait' is Art Guild film

The Post Art Guild enjoyed a film entitled "The Portrait", which is a collection of oil paintings by Lajos Markos, when it met Monday night in the home of Geraldine Butler.

The film was furnished through the courtesy of R. E. Cox Lumber Co. LaVerta Lovell continued the program on "Anatomy", and Marie Neff gave a report on paintings shown at the Fall Art Festival in Lubbock and the criticisms made by Dorothy Irvin and Juanita Polard of Lubbock.

Mary Raphael and Ritalynn Butler were guests and the following members were present: Boo Olson, Sidney Gregg, Eleanor Cooke, Lea Mock, Evelyn Neff, Lovell, Marie Neff and the hostess.

John C. White, Commissioner

FOOD FOR KNOWLEDGE

Approximately 1,980,268 Texas school children enjoyed a variety of good-tasting, good-quality foods served in well-balanced meals under the National School Lunch Program in 1963-64.

The entire Federal-State program is geared to making maximum use of national, regional and locally abundant foods.

Federal assistance to school lunch programs began in the early 1930's when surplus foods were first donated to schools. In 1946, the National School Lunch Act placed "school feeding" on a permanent basis.

Under this program, each participating school agrees to serve a lunch meeting the "Type A" pattern which includes a protein-rich food, a generous serving of fruits and vegetables, bread and butter or fortified margarine, and one-

half pint of milk.

Four-fifths of the food used in the school lunch program is purchased by school lunch managers from their local supplies. Some of the food is purchased by the USDA and comes from supplies of food on the market that are currently plentiful. Some of the food fulfilling the needs of the schools participating in the program are canned applesauce, canned apricots, green beans, frozen ground beef, frozen cut-up chickens and canned sweet potatoes.

New foods are also introduced frequently. In 1964 thousands of children will get a chance to enjoy that traditional Southern dish—corn grits. And last year, "bulgur" a dried cracked wheat product, was introduced in 22 states and won quick fame among the students because of its nutty flavor in meat dishes.

The Government, in making purchases of goods for the school lunch program, studies state reports to ascertain what foods the children need most and like best. In a recent survey, students rated hamburgers, fried chicken, turkey, spaghetti and hot dogs as their favorites.

With a variety of good quality foods as well as many new and different foods, it is hoped that the children will gain the knowledge they need for selecting nutritious, well-balanced meals for themselves all through their lives.

Christmas mailing

WASHINGTON — Christmas gifts for servicemen overseas should be mailed between Oct. 21 and Nov. 10, the Defense Department announced Monday. Airmail items should be sent out before Dec. 18.

In the early days drinking glasses were made with pointed or rounded bottoms and had to be emptied of the last drop before they could be put down.

It's the Law in TEXAS

FAIR TRIAL

Our notions of due process of law are likely to be lumped and dismissed as lawyers' "technicalities". Yet due process which is largely your procedural rights in our court system has its roots deeply in the American people's long fight for a fair trial.

It is true that your lawyer selects the proper court—federal or state; district, county, or justice—in which to file your case. For unless the court has jurisdiction, it cannot render a judgment—and make it stick. The court must exercise lawful control over the property or the persons involved in a lawsuit.

The American revolutionaries in 1776 took to arms in large part against King George over due process. The Declaration of Independence said:

"He (King George) has obstructed the Administration of Justice, by refusing his assent to laws for establishing judiciary powers. He has made judges dependent on his will alone for the tenure of their offices, and the amount and payment of their salaries . . ."

They further complained bitterly "for transporting us beyond Seas to be tried for pretended offenses."

"Venue", a court's proper location to try cases, is important. Otherwise, the Administration of Justice is impaired. The Americans who had sailed to England for his trial could justly say that he was being denied due process of the law.

And so, in Texas today certain suits are local. In such cases one can sue only where the property, person, or the transaction involved in the contest was located. Example: A foreclosure of a mortgage on real estate. Other actions may be brought anywhere the defendant can be found and served with a summons.

"Venue" means the place where the action is tried. In civil suits it may be changed by agreement between the two parties, or for the convenience of the parties.

Where a case has had wide publicity before trial, especially notorious criminal cases, a lawyer may seek a change of venue—of location of the trial—in order to get unbiased jurors.

Jurisdiction and venue, only two of several concepts of due process, may seem dry as dust at times, but not if your liberty depends upon a fair trial.

(This newsfeature, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law).

WATCH FOR THE SIGNS

Mike was lucky! He lost his way completely along the thickly-wooded roads during his vacation last summer until suddenly he came upon a small service station. The friendly attendant told him he was only a short distance from the lake. "Just watch for the signs," the man said.

It's easy to get lost . . . it could happen to anyone. At times, our lives get so confused that we don't know which way to turn, and we feel that nobody cares. When that happens, just watch for the signs.

What signs? Well, there's the fragrant beauty of a rose, the laugh of a child, the glory of sunrise, the sound of great music . . . signs all around that point to the constant presence of God who loves us.

The Christian Church is the most important sign of all . . . created solely to reveal a new and meaningful way of life to all who seek it.

THE CHURCH FOR ALL · ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Post Antelopes VS. Crane Golden Cranes

Friday Night—Oct. 15

8 P.M. Kickoff

In Antelope Stadium

The tough 1964 grid schedule of the Post Antelopes grows really tough this weekend when the Antelopes, after a weekend of rest, return to the football wars against the undefeated Crane Golden Cranes. This Class AA club has rung up six straight triumphs. Their latest was a 41-0 plastering of Wink last Friday night. It's the first meeting between the two schools and the last "tune-up" for the Antelopes before beginning district play. Coach Harold Teal's club will be out to surprise the Golden Cranes and ring up their first overdue victory of the campaign. It should be a real slam-banger.

Early-day Post builder dies

Funeral services for B. L. (Uncle Josh) Cogdill, 79, a former Post resident, who died early Sunday in a Lubbock hospital, were held at 10 a. m. Tuesday at the Asbury Methodist Church in Lubbock.

Mr. Cogdill moved to Post in 1913 from Thorp Spring, near Fort Worth, and as a carpenter helped build many of the early homes and buildings here. He moved to Littlefield in 1923 when that town was being organized.

In Littlefield, Mr. Cogdill managed a lumber company and when the town was incorporated, he was elected mayor. He moved to Lubbock in 1941 and served as that city's building inspector from 1946 until he retired in 1957.

Mr. Cogdill is survived by a son, Dr. Jack Cogdill, who is a professor at Texas Christian University, and four grandchildren.

Wall is named to AGA board

ATLANTIC CITY — C. I. Wall, president, Pioneer Natural Gas Co., Amarillo, Tex., was elected Tuesday to the Board of Directors of the American Gas Association.

Wall was named to a two-year term at the 46th annual convention of the gas industry's national trade association. Some 5,000 gas industry executives, representing nearly every state in the nation, Canada, Mexico and a number of foreign countries, are attending the five-day convention here.

The new A. G. A. director has been president of Pioneer Natural Gas since 1955, having moved up from executive vice president. He began his utility career in 1927 with the West Texas Gas Co., predecessor firm of Pioneer Natural Gas. While with West Texas he served as vice president and general manager, vice president in charge of operations and, in 1951, as president. In 1954, when Pioneer Natural Gas was organized, he was vice president of distribution and, later, executive vice president.

At a recent meeting of the Lubbock Legal Secretaries monthly board meeting, Meses Barbara Kithridge, Delfina Castillo, Jackie Wisely and Elizabeth Duncan were accepted into membership.

Damage suit—

(Continued from Page 1)
Judge Smith reported to The Dispatch.

Judge Smith said the damage suit of B. L. Belcher against Herbert Mitchell, and wife Jean Mitchell, has been settled out of court, as has a suit brought by Zelma Lee Dykes, guardian of Henrie Jean Wade against Boyd Belcher.

Continued pending settlement is the trespass to try title case brought by Velma McFarland against Inez Sparks and L. T. Thornton, and the damage suit brought by Norman Moriearty against Ed Sims.

Continued to a later date by agreement of both parties were the damage suits brought by Clay B. Johnson and wife, Cordia, against H. L. Neeb, et al, and by Floyd Curry against Jimmy Dale Redman.

Details on the out of court settlements have not as yet been received here by district court, Judge Smith indicated.

"It was quite a reunion . . . they were real happy to see each other," Mrs. Parnell said.

The last time the two brothers had seen each other they were living in Abilene. Walter Morris left there to go to Oklahoma, and the W. C. W. Morris moved to Garza County. They soon lost track of each other.

After leaving Oklahoma, Walter Morris lived in Arkansas and Louisiana and then in Oklahoma again before moving to California in 1928.

Mrs. Parnell said the visitor told her he had come here to look for his brother because he knew he had settled in this part of the country after leaving Abilene.

Following his visit here, Walter Morris plans to visit a sister in Oklahoma and other relatives before returning to his home in California.

Xmas parade—

standing the merchants themselves would underwrite the Christmas promotion.

The Chamber too already has ordered permanent Christmas decorations for the business district at a cost of about \$2,300.

Dunbar said Christmas promotion plans also call for the yuletide decorating contest for windows in empty store buildings again this year.

The Chamber's promotion committee hopes to meet next week to start planning the Christmas parade.

That means they are out to complete the financing of the promotion this weekend.

Trustees check vote on SB 116 election

The Post school board took action on only two items, but heard a number of reports and approved the current bills at its regular October meeting Monday night, with all members present.

The light agenda required action only on the canvassing of the results of the election Sept. 26 on Senate Bill 116 and on the acceptance of a new Chevrolet pickup truck from Collier Chevrolet-Olds Co. for use in the vocational agriculture program.

In the canvass of the Sept. 26 special election, the board found that the previously announced vote of 72 for and 672 against Senate Bill 116 was correct.

After voting to accept the new pickup truck from the Chevrolet dealer, the board authorized that a letter of appreciation be sent dealer Claud Collier Jr.

The only cost to the school district for the VA department's use of the truck will be insurance and repairs.

Current payable bills approved by the board totaled \$32,532.26. Supt. Barry B. Thompson explained that this figure was considerably above the usual monthly figure because it included much of the contract purchases for the school year.

The reports heard by the board

included one from the superintendent that all except four of the schools' professional personnel now have permanent certificates. "This means that for the first time in the history of the Post Public Schools we are nearing 100 per cent certification for all professional personnel," the superintendent said.

Trustee Virgil Bilbo reported on the annual convention of the Texas Association of School Boards and the Texas Association of School Administrators that he and Supt. Thompson attended.

Reports were also heard from the superintendent on school enrollment, approval of bus routes for the 1964-65 school year by the Texas Education Agency, the new Junior High intramural football program, and the upcoming audit report in November.

There was no discussion at the meeting of the school district's financial troubles, but board president E. R. Moreland stated at the conclusion of the meeting: "We need to make up our minds what we are going to do now that Senate Bill 116 has been turned down. And in making up our minds we need to remember that there are more than 1,400 students up here."

City council appoints board of equalization

The Post city council, at its regular October meeting last Thursday afternoon, appointed a board of tax equalization, condemned a house on East 4th Street as a fire hazard, and discussed with new Police Chief Leldon P. Miller the updating of the records system in the police department.

The council meeting was held Thursday instead of the usual first Monday night because of the mayor, city manager and one of the city councilmen having been at the Texas Municipal League meeting in Dallas on Monday night.

Appointed to the tax equalization board, subject to their acceptance, were James Mitchell, Robert Cox and Bobby Pierce. The council set June 9, 1965, at 2 p. m. as the date and time of the board's first meeting.

The house condemned by the council as a fire hazard is a structure owned by the Carson and Mae James Estate and which has been unoccupied since being moved to its present location about two years ago. The council set a hearing on the condemnation for 2 p. m. Oct. 22.

The action on the unoccupied house was taken by the council at the request of Fire Marshal Ira Greenfield.

The council heard a request from

Police Chief Miller for minor changes in the police department filing system, including a new type of citation form and other forms needed for record-keeping.

The council suggested a special meeting soon of the police chief, City Judge Percy Printz and the council for the purpose of discussing the present corporation and police department systems.

Former resident visits in Post with friends

Clarence Shattler of Jacksonville, Fla., was a guest in the home of Miss Henrietta Nichols and John Nichols from Tuesday until Saturday last week.

Mr. Shattler is a former resident of the area living here from 1915 until 1920. This was his first visit back to Post.

He and Mr. Nichols served together in World War I and have kept in touch once a year with Christmas cards and letters. Mr. Shattler's family lived up on top of the cap and they were without a phone so when either family heard from one of the boys, they wrote to each other to share the news.

Mr. Shattler had been in Oklahoma visiting a sister before coming to Post.

Antelopes to play undefeated Crane '11' here Friday

Winless Post team to be gunning for upset

Undefeated Crane Golden Hawks hold victories this season. One Class AAAA team, two Class AAA teams and two Class A aggregations, will meet Post Antelopes here at 8 p. m. Friday night in the local final non-conference game of the season.

Crane eleven will appear ranked high up on the state's 10 top Class AA teams. They have been among the top teams since the season.

Crane have bowled over Monahans, El Paso, Fort Stockton and El Paso.

them. Friday night, Crane mauled the Wink Wildcats, 41 to 0.

POST HAS SCOUTED Crane twice this season, and all the reports the scouts brought back spell trouble for Coach Harold Teal's gridders, who will be trying for their first win of the season Friday night.

The Cranes run a varied offense from their winged-T formation, depending mainly on dive plays, full-back counters and power sweeps. They are also a good passing team and have a proficient field goal kicker.

Three of the Cranes' starting backs are three-year lettermen, and most of the starting linemen are just as experienced.

"We're going to have to play a flawless defensive game if we expect to upset them," Coach Teal said today.

THE COACH reports that with the exception of guard Dennis Odom, who has a charleyhorse, his squad is in good physical condition after their open date last Friday, and is in high spirits.

"Our offense is looking much better, and if we can defend the Cranes as we're capable of doing, I feel we have a good chance of knocking them off," Teal said.

The return of Butch Cross, who played on defense in the Plains game two weeks ago, will add punch to the Antelope backfield. Coach Teal said Cross may see some action at quarterback, and will be heavily relied on to bolster the Antelopes' pass defense.

On offense, the Post coach plans to start Sammy Sims, Donnie Windham or Danny Pierce at ends, Jim Kennedy and Charlie Brown at tackles. John Sutter, Jackie Braddock or Odom at guards, Donnie Cornell at center, and Teddy Scott, Benny Owen, Ronald Simpson and Luis Avala in the backfield.

PROBABLE STARTERS for the Cranes on offense and their weights are: Jerry Asberry, 155, left end; Mike Chaney, 170, left tackle; Calvin Bennett, 162, left guard; Bill Whitwell, 170, center; Charles Smith, 175, right guard; Evert McDougal, 228, right tackle; Mike Sewell, 149, right end; Dudley Van Court, 153, quarterback; Gerald Penn, 152, left halfback; Floyd Smith, 160, right halfback, and Kirk Looney, 170, fullback.

The Cranes are coached by Dan Anderegg, a graduate of the University of Oklahoma, where he played football under Bud Wilkinson. The assistant coaches are Jack Gothard, Texas Western; Bob Black, East Texas State; Keith Coburn, Texas Tech; Gene McCain, North Texas State University, and Harold Gouge, West Texas State.

46-56 Club sets special meeting

Plans for Post High School homecoming, including the club's annual breakfast, will be made by members of the 46-56 Club at a meeting Monday night, Oct. 19, in the elementary school auditorium.

The meeting will be held immediately following the showing of the film on the Post-Crane game, according to Shorty Hester, vice president of the club.

All members are urged to attend and help get plans under way for the homecoming observance, which is to be held Nov. 13.

PP&K winners will compete at Lubbock

Ninety-three boys took part in the Punt, Pass & Kick Contest at Antelope Stadium here Saturday morning and the six winners will compete in the zone contest at Lubbock on Saturday, Oct. 17, with other winners from throughout the area.

Post's first place winners in each of the six age divisions were: David Pierce, 13; Randy Levens, 12; Kyle M. Josey, 11; Mark Dee Clayton, 10; Jay Hardy Pollard, 9, and Jackie Overman, 8.

Second place winners were: Victor Vargas, 13; Larry Bilberry, 12; Mike Nichols, 11; Arvil Joe Hair, 10; Dean Marth, 9, and Orlan Duane Criswell, 8.

Boys winning third place were: Dennis Dodson, 13; Randy Hudman, 12; Jimmy Poer, 11; Jerry Saldivar, 10; Johnny Minor, 9, and Mark Fluitt, 8.

The boys competed for distance

and accuracy in punting, passing and place kicking.

First prizes in the 8, 9 and 10 divisions were warm-up jackets, with plaques going to the winners in the 11, 12 and 13 age groups. Footballs and place-kicking devices were awarded other winners.

The winners in the zone contest at Lubbock Saturday will be eligi-

ble to complete in the district contest to be held in Dallas on Oct. 31.

The contest was sponsored here by Tom Power, Inc., and the Ford Motor Co., and was conducted by members of the Post schools' coaching staff, assisted by members of the Post Antelope football squad.

Youth breaks leg in grid practice

Don Collier, a member of the Post Junior High Blue Demon football team, suffered a broken left leg in practice last Thursday morning when a cleat hung as he pivoted while carrying the ball.

The injury was described as a spiral break, just above the ankle. Don was taken to his home here after the broken leg was set and put in a cast and is reported to be recuperating satisfactorily. He is keeping up with his school work at home while the injury mends.

Don, who is 12 years old, is the son of Mr. and Mrs. Bob Collier.

Harding cheerleader David Lee elected as

SEARCY, Ark.—In a recent election David Lee, a Post High School graduate, was elected one of three new cheerleaders by the Harding College student body. Lee is the son of Mr. and Mrs. C. D. Lee of Durango, Colo. He is a junior transfer from Lubbock Christian College. Lee was head cheerleader at LCC last year, as well as being sophomore class vice president there. He is a speech major and works with horses as a hobby. He did a "lift" yell for his tryout.

Approximately 400 students turned out to cast their votes in the election.

Six rural accidents occur in September

The Highway Patrol investigated six rural traffic accidents in Garza County during the month of September, according to Sgt. A. E. Roberts, Highway Patrol supervisor of this area.

These wrecks accounted for one person injured and an estimated property damage of \$11,035.

The rural traffic accident summary for Garza County from January through September shows a total of 45 wrecks resulting in 10 persons killed, 37 injured and an estimated property damage of \$37,480.

WACO AND LUBBOCK GUESTS

Mr. and Mrs. W. C. Craig and two sons and Barbara Craig of Waco spent the weekend with their parents, Mr. and Mrs. R. L. Craig and Mr. and Mrs. Vernon Copple. Other visitors in the Copple home were Mr. and Mrs. Mickie Ready and children of Lubbock and the Dalton Copple family. They helped Vernon Copple celebrate his birthday.

Baptists to meet in Corpus Christi

DALLAS — The annual Baptist General Convention of Texas meeting in Corpus Christi, Nov. 3-5, will feature addresses by a Texas college president, a Latin American evangelist, and the pastor of the world's largest Southern Baptist congregation, Baptist officials here announced today.
The complete convention program was confirmed here by the Baptist Committee on Order of Business, Texas Baptist Executive Secretary T. A. Patterson said.
Major speakers include Dr. Abner V. McCall, president of Baylor University, Waco, Tex., the Rev. Angel Martinez, evangelist from Fort Smith, Ark., and Dr. W. A. Criswell, pastor of the 13,600-member First Baptist Church of Dallas. McCall is president of the 1.7 million-member state Baptist convention and will deliver the major address on the opening night of the convention.

SISTER IN HOSPITAL
Mrs. Vera Gossett's sister, Mrs. Daphne Berkley of Slaton, underwent major surgery recently in Methodist Hospital in Lubbock. Mrs. Nora Gerner, Mrs. Jewel Graham and Mrs. Gossett have visited with her.
HOME FROM COLLEGE
Billy Shumard, a freshman at San Angelo College, spent the weekend in Post with his parents, Mr. and Mrs. Buster Shumard.

The Southland basketball girls began practicing at night Oct. 1.

Well, we have been visited by Candid Camera. Who let Barbara loose with the camera?

The Junior class has received their playbooks and are now learning their parts.

Well, this past week has been very quiet around Southland High. It has been six-weeks test time.

The mums for homecoming are now on sale. Anyone wanting one see Beverly Stolle or call 996-1701.

Friday, Oct. 16, is Western Day at Southland. Everyone is to come as a cowboy or cowgirl.

Let's take a walk down the turn rows Jettie, Marian, Barbara and Libby. Was the hole big enough, girls?

Troy Lewis resumed play for the Southland Eagles Friday night. It's great having you back, Troy!

Girls in the pep squad keep up the good yelling at the football games. Let's hear it on the football field, girls.

Thespian Society aims two-fold

One of the organizations in Post High School which was organized Jan. 14, 1963 is the National Thespian Society. Mr. Howard C. Carlyle was the first sponsor of the society. Mrs. Howard Davis is this year's new sponsor.

The National Thespian Society is an educational honor and service organization of teachers and students established for the advancement of dramatic arts in the secondary schools. The aims of the society are two-fold: To establish and advance standards of excellence in all phases of dramatic arts among boys and girls in the high schools.

The society was established early in the spring of 1962 at Fairmont State College, Fairmont, West Va., by a group of teachers interested in the improvement of dramatic arts in the secondary schools.

The society is an "honor" or "recognition" society in the sense that students are granted membership for having performed meritorious work in dramatic arts and have met the membership qualifications and standards of their respective troupes.

The opportunity given a student to qualify for Thespian membership is a wholesome educational incentive. Earning the necessary requirements constitutes a highly constructive and positive experience in learning, a method which calls forth the best that a student possesses in the way of discipline and cooperative attitudes. The training and discipline

which the student acquires are the results of vigorous and continuous directed efforts toward a definite goal. A student qualifies because he has discharged certain responsibilities and has met certain tests and standards. Out of this educational experience is created a lasting interest in the dramatic arts and a greater appreciation of them.

The way to become a member is by the point system. One point represents approximately ten hours of work. Points are accumulated from year to year. To become a member you have to have ten points. Twenty points is a One Star Thespian, 30 points is a Two Star Thespian, 40 points is a Three Star Thespian, 50 points is a Four Star Thespian and 60 points is a Honor Thespian.

The Thespian pledge of membership places upon the student the obligation of assuming tasks and responsibilities in carrying forward the dramatic arts program of the school and in furthering his own training as a participant in that program. Thespian membership is accepted as the beginning of serious work in dramatic arts, and signifies that the student is qualified to accept and discharge whatever task may be assigned him. Students who fail to maintain satisfactory standards of membership are subject to suspension or expulsion.

Mike, why was Venus chasing you on the school ground?

We are all glad to have Petra Hill back with us.

The 7th and 8th are playing each other again in basketball. Too bad the 8th will win!

Vicki, can't you watch where you're kicking the football!

What happened to Donna Stewart, Theresa Sims, Debbie Cummings, Charles Redman, James McBride and Barry Barlev in science class? Huh, Mr. Williams?

Kay, why are you so graceful in Mrs. Gambelin's room?

Joe Bilbo, we enjoyed hearing "Java" in music!

What's this about what's fair for one is fair for all? But, five whippings...

Frank Hernandez, what's this about Romeo and Juliet?

What's this about Sheryl and Brenda having a cute little argument?

Who are the "Four Musketeers" in 8-3-X? Could it be Frank Hernandez, Charles Redman, James McBride and Johnny Pennell?

Donna, what's this about a little boy winking at you?

Miss Wristen, do you know of any other word besides "b-u-a-h"?

Steve, what's this about you holding your nose Wednesday? Could it have been Debbie's shoe?

What's this about Rinso for President? Karen, Patty, Connie and Dale?

NEW JOURNALISM CLASS

Four of the five students enrolled in the journalism class at Post High School are shown with their director, Glyndol Snodgrass, senior English instructor. The students, from left to right, are Carol Camp, Judy Ballentine, Editor Billy Blacklock and Lana Haynie. The other class member, Peggy Thorne, was not present for the picture.

Journalism class is staying busy

One of the new courses added to the curriculum on the Post High campus is the study of journalism. The new course is under the direction of Mr. Glyndol Snodgrass, senior English instructor.

Five students are enrolled in the class. Billy Blacklock serves as editor, and Carol Camp, Judy Ballentine, Lana Haynie, and Peggy Thorne work as reporters. The journalism class is in charge of publishing the school page in The Dispatch. Various organizational reporters also contribute news to the journalism class. It is then processed for publication.

With only five students in the class, a great amount of work and responsibility is placed on each student in order to cover all school activities and to meet press deadlines each week.

The news from the journalism class must be submitted to The

Dispatch at noon each Monday. Since the class does not meet on Mondays, the majority of the news must be completed on Friday. "Friday afternoons sometime become pretty hectic," stated Mr. Snodgrass. "The majority of our news articles are typed and proofed during our Friday meeting. We want to cover all events concerning student activities. Weekend events often escape our attention."

Mr. Snodgrass stated that each student can help make the school page more informative by relaying information to journalism students. "It's almost impossible for our few reporters to be informed on all events. Help them as much as you can," he added.

Roving Reporter

This week's Roving Reporter talks to seniors about college. The question asked was: "What is the college of your choice, and why?" When asked, these people replied:

Dee Ann Walker — "Baylor. That is where my father attended, and I like the music department."

Pam Stewart — "West Texas State University. I have always wanted to."

Susan Ramsey — "Texas Technological College. Tech is a good school and I am familiar with the campus."

Carolyn Matsler — "Hardin-Simmons University. Students receive individual attention; students are friendly, and it is small."

Vicki Wilks — "South Plains Junior College. It is a small school, and I like Levelland."

Color photo for yearbook made

Tuesday, Oct. 6, a color picture of the student body was taken in front of PHS. This picture will be used in the 1965 yearbook—"The Capraek."

Cheerleaders led an enthusiastic student body in group yells while the photographer made shots from different angles. The purpose of this picture was to give color and originality to the yearbook.

The annual staff is confident of a larger volume of book sales this year, not only because of the color pictures, but because of the new ideas now being worked out. Yearbook representatives will soon be promoting the sale of this new and creative yearbook.

Cheerleaders' Column

By Dee Ann Walker

We have had a week off now and it's time to get back into action. The Antelopes did a terrific job against Plains and we're expecting the same to be done to Crane, only with the better score on our side.

The spirit has been great and this is the final game before district play. Why not make this the best game yet? Really let the Antelopes know we're behind them.

It's hard to find enough different chants to use throughout the game but this week let's try a new one. I think it will be real effective if we give it all we've got.

Fight team, fight
Do your best
Remember you're fighting
For PHS

Let's see if we can really yell this tomorrow night and boost the Antelopes a bit more.

The football field will need to be decorated Friday and we could use several brave goal post climbers. We can have a lot of fun if everyone will join in and the job will go twice as fast. Come to the field at 4:30 tomorrow and help put up the Black and Gold.

CHARLES HUTCHINS

Likes teaching in Post High

The new teacher this week is Mr. Charles Hutchins, who moved to Post from Westbrook.

Mr. Hutchins attended John Tarleton State College, and Texas Tech, where he received his BS degree in 1950 and his ME degree in 1955. While attending Texas Tech, he was a member of the Future Teachers of America organization and the Aggie Club.

He is busy this year teaching General Science, Physical Science and General Math.

When asked his opinion of the school he said: "The cooperation, friendliness, and sincere attitude of the students at PHS not only reflect their desire for a quality education, but also makes teaching here a pleasure. Everyone connected with the school—students, parents, teachers, administrators, board of education, all who support this school system—evidence this same desire for education of the highest quality."

TO DALLAS FOR GAME

Mr. and Mrs. David Newby left last Thursday for Dallas to attend the Texas-Oklahoma football game. Mr. and Mrs. Newby are both graduates of the University of Oklahoma. Their daughter, Melinda, a junior at O. U. was in Dallas for the game also.

THE COST OF EDUCATION IS AN INVESTMENT IN THE FUTURE OF AMERICA

By Supt. Barry Thompson

Van Bokkelen of Maryland said in 1965, "Each child has an equal claim on the State for the privileges of education, without reference to the locality of its birth, whether in the richest commercial metropolis, or on the sterile sand of the sea coast, or the rugged mountain slopes. When the child passes from the care of its parents and becomes a citizen, he will be either a blessing to the State by his careful and proper training in virtue or morality, or he will curse it with his ignorance."

Local control of the public schools has long been an American tradition, a tradition that has served the national interests of America. The American concept of free public school education is unique as all of the children of all the people have an opportunity to be educated to the best of their ability.

This American approach to public education has led to the affluent life and mass technological improvements. Poor children from economically deprived families have become corporation executives, successful leaders, and even national leaders. This would not have been possible without the great social equalizer, education. Free public schools have been the cornerstone of American liberty.

Today, as never before in our national history, our public schools are threatened as local tax money is gradually proving insufficient to do the job. Americans, it seems, can spend billions for entertainment and liquor, yet only a small percentage of that amount for education. Americans can spend billions for the national defense, but all too little for our greatest natural resource, our children.

As a result, since local communities fail to accept responsibility for giving children a quality education, the federal government moves more and more into the area of school financing. If this trend is not reversed, the free public schools of America will be an agency of the federal government.

To say that education is urgent today is an understatement. Upon our free public schools rests the continued personal freedom that all Americans say they cherish. An educated citizenry is mandatory for America to continue as a nation of free people.

Quality education costs money; tax money contributed by people who profess to believe in freedom and yet begrudge the money for

their children's education. American people do not show adequate financial support for schools, then our country is not a democracy. We must pay our share and more if we truly believe that man should be free.

The state, it is said, should be a democracy. We should not worry about the younger generation, but the present generation. One generation desires an opportunity and another generation is responsible for it. We are the ones who are responsible in keeping our country the land of progress, human rights, quality education for our children. It is our responsibility to find a solution. It is time to invest in quality education. We should not worry about the younger generation, but the present generation. One generation desires an opportunity and another generation is responsible for it. We are the ones who are responsible in keeping our country the land of progress, human rights, quality education for our children. It is our responsibility to find a solution. It is time to invest in quality education.

Invested citizens call for local support for our schools. Local level. We must provide quality education or perish in the face of the earth. Do we have the intestinal fortitude to do so?

Feeder built by Post youth wins

Charlie Brown Jr., son of Mr. and Mrs. Charlie Brown, Jr., Oyster, won first prize for a feeder at the South Plains Fair at Lubbock Sept. 28.

This was the second year for Charlie in the space honors. The feeder for this year is about twice the size of last year's feeder.

Charlie designed and built the feeder himself. He used two 55-gallon barrels split in half. He worked approximately 200 hours on the structure at a cost of \$100. The feeder has a capacity of 100 bushels of hay.

Charlie is an officer in the Future Farmers organization.

BORGER VISITORS

The Rev. James Moore and family of Borger visited recently at the U. B. Partlow's, the Jim and the Lawrence Hall. They were attending a convention at Lubbock. The Moore is a former pastor of Church of God of Prophecy.

Darlene Jones gave a slumber party Friday night with 14 girls attending.

Carol Camp visited Austin on the weekend of Oct. 2-4 to see the Texas Longhorns play.

Lana Haynie and Darrell Young went to Tahoka Saturday, Oct. 3, to see the new Plymouths.

Carol Camp and Ceretha Jones went to Dallas Oct. 9, to see the fair and to attend the Texas-O. U. game.

The Southland football game of Oct. 3, was attended by Wynana Windham, Yvonne Moreland, Pam Owen, Martha Blodgett and Darla Pierce.

Has everyone noticed the tree at the south side of PHS has been dug up? Ronnie Petty noticed the other day when he fell into it while being chased by Wynana Windham. Can you imagine a Senior girl chasing a Freshman boy?

The Roving Reporter is at PHS, so don't look now. He may be following you.

Kenneth Moody, from San Angelo, enrolled at PHS Oct. 7, and is classified as a Freshman. We are glad to have you, Kenneth.

Jerry Sullivan, a former PHS student, moved back from Plainview. Everyone is glad to have you back, Jerry.

College students seen over the weekend are Diane Kiker, Mary Beth Ford, Margie Harrison, Danny Richardson, Wendell Johnson, Billy Max Gordon, Richard Hart, Larry Guy, Kenneth Barnes, Neal Francis, Diane Maxey and Betty Jo Hill.

A thought for Mr. Snodgrass's 3rd period English IV class: When you talk, you only learn what you already know; when you listen, you learn what somebody else knows.

For all politicians, PROPAGANDA: Baloney disguised as food for thought.

Girls, have you talked to your parents about privileges at the pool hall? Let's get busy and take the only sport boys had left away from them!

If you are an observant Antelope fan you may have noticed some "stars" on the headgear of some of the boys this year.

This is an award to a boy who has done an outstanding defensive feat. Later in the year awards for offensive play may be awarded.

As of now a boy is awarded a "star" for recovering a fumble, blocking a punt, or intercepting a pass. The "star" is a decal to be placed on the side of the headgear.

Boys with the "stars in the head-gears" as of now are: Sammy Sims, 3 stars; Ronald Simpson, 3 stars; Ricky Welch, 1 star; Jackie Braddock, 1 star; Larry Osman, 1 star; Benny Owen, 1 star, and Danny Pierce, 1 star. There may be some more, and if anyone has been omitted, it will be corrected next week.

Refreshments of Cokes and cake were served. The cake had "Welcome Home, Petra" on it.

Plans under way for Junior High annual

By Larry Bilberry
 The Post Junior High Annual will be similar to last year's. The cover may be different but the inside will be about the same. The first picture will be of the school and the teachers. After the teachers we will find the students. The students will be arranged with 6th grade, first, 7th grade second, 8th grade third. The annual will have the school favorites, favorites in sports and favorite school citizens. I'm hoping everyone in school buys one of these annuals! They surely are good to learn people's names.

Junior High students enjoy newspaper work

Junior High students are very interested in belonging to the newspaper staff. They are to be commended for their fine participation. Students who meet at 8 a. m. each Tuesday as members of the newspaper staff are the following: Kay Mann, Kathy Jones, Donna Maddox, Ginny Edwards, Sharyn Bilberry, Brenda Lee, Nancy Norman, Kim Hundley, Peggy Bevers, Linda Blythe, Patti Peel, Marla Carpenter, Sandra Jones, Lillie Wilke, Quay Williams, Teresa Mitchell, Cathy Cates, Glenda Bilberry, Christine Morris, Donna Stewart, Debbie Cummings, Stephanie Davis, Larry Bilberry, La Rue May and Belinda Blacklock.

A letter to our Congressman from JOE B. PHILLIPS

The Hon. George Mahon
 Congressman, 19th District
 1211 New House Office Building
 Washington 25, D.C.

Dear Mr. Congressman:

This is another letter to acquaint you with my views concerning issues in this year's Congressional Campaign. Whenever it is convenient, I would be delighted to discuss publicly our opinions in an open forum.

I am unalterably opposed to our government's aiding communistic countries which are openly dedicated to burying us as a nation. Selling wheat to the Russians, was in my opinion, a very serious mistake. By extending credit to the USSR to buy wheat, we have turned our backs on the patriots in Cuba who burned their crops in an effort to bring about a collapse of the communist government in their country.

It is my conviction that we must not give any foreign aid to those nations which are communist or communist dominated. In my opinion, we need to develop a realistic foreign policy to serve our interests and those of our allies. We need to help our friends, but we must stop aiding and abetting an enemy dedicated to our destruction.

Very truly yours,
 JOE PHILLIPS
