## 700 acres of cotton missed

All but 700 acres of Garza's boll weevil infested cotton received its first aerial dose of poison Saturday through Tuesday from an armada of five spray planes, delayed 10 days in their initial assault by bad weather.

Walton McQuien, chairman of Garza County's boll weevil diapause control program and a member of the area committee which planned the \$2,000,000 flying operation, told The Dispatch yesterday he was checking to see why the 700 acres were missed.

He said he thought it was because the unsprayed acreage was in the overlapping portion of two different spray zones and flyers in each zone probably figured the other planes already had sprayed the acreage.

McQuien identified the unsprayed acreage as partially in the Verbeno area with the balance in the Crossroads community.

The aerial onslaught against the boll weevil, aimed at eradicating the boll weevil threat for 1965, began Sept. 16 when the first 10,170 acres were sprayed by a Louisiana fleet of planes, which put ten spray planes on the line with two more for standbys in case of flying difficulties.

It took 12 days to complete the first spraying of the estimated 200,000 to 225,000 acres of infected cotton.

## Rotary cited as 'positive force'

H. Hicks Allen of Snyder, Rotary governor of District 573 of Rotary International, told Post Rotarians in City Hall Tuesday noon that "Rotary is one of the greatest positive forces in the world today."

Paying his official visit to the Post club, Governor Allen met with club officers, directors and committee chairmen in a club assembly Monday night in city hall to discuss club plans for the new Rotary year.

In his talk before the club Tuesday, Governor Allen said Rotary with its 550,000 Rotarians in 11,800 Rotary clubs in 126 countries around the world is "working to ward understanding of men of all races in the world on a person to person basis."

He emphasized the district slogan for the 1964-6 club year is "Rededicate to Rotary."

in five counties along the edge of the rich high plains cotton area.

On their best day the sprayers covered 41,000 acres with poison and on their worst sprayed only 3,498 acres due to bad weather.

The only day in the 12 the planes didn't fly was Sunday, Sept. 20.

McQuien said the second round of spraying is to begin immediately and the spray planes will be back in Garza County either this weekend or early next week.

The schedule calls for aerial spraying every 10 days until frost

with the interval to be lengthened toward the end to 15 days if that will provide sufficient control.

McQuien said that of Garza's 290 cotton farmers, 287 of them have now signed permits to authorize the spraying. Of the 13 who haven't signed, he said seven have refused to sign and five remain undecided.

One of the five undecided farmers got his cotton acreage sprayed anyway this week by mistake, McQuien said.

The county chairman pointed out

that all Garza cotton farmers have been asked to sign permits although not all Garza cotton is being sprayed as boll weevil infestations have not as yet spread above the caprock.

"But we want to have permission should the boll weevils get on top of the cap in the near future," McQuien pointed out.

He said 7,000 more acres were added to the spray program only Tuesday in other counties because of new infestations.

Planes are flying out of two bas-

es for spraying of Garza County cotton. One is at the private airport here on the Ralls road and the other is off the farm of Mrs. L. A. Barrow in the Grassburn community. Two planes flew off the airport here and three from the Barrow farm, he said.

McQuien emphasized again that the aerial spraying of the boll weevil is a "containment program" aimed at 1965 crop benefits and is not designed to control the weevils or other cotton pests bothering the current crop.

## FARMERS GET FISH FOR RESTOCKING

50 to 150 pounds of catfish were distributed to a number of farmers and ranchers here for stocking or restocking of ponds. The fish came from the U. S. Fish Distribution Center, Dexter, N. M., and were distributed through the Soil Conservation Service here. On hand are two farmers who received fish, Homer Gordon (left) and Ray Langford. On the left are Doug Cunningham (left) of the SCS and Bob Brown from the fish hatchery.

## Big entry list is predicted for county fair Oct. 9-10

The Garza County Fair, expected to attract more than any county fair here in years, will be held Friday-Saturday, Oct. 9-10, at the fair grounds.

Janette Williams, county demonstration agent, said she expects the number and quality of exhibits in all divisions to be the best since the previous year's fair. The fair is sponsored by the 4-H Club building between 9

a. m. and 1 p. m. Friday, the first day of the fair, Miss Williams said.

Mrs. Alma McBride is director of the fair's women's department. Mrs. Lola Peel is women's division director and Mrs. Loucille Morris is youth division director.

Chairmen for the various divisions include the following club women:

Mrs. Jewell Long and Mrs. Ann Chaffin, educational; Mrs. Faye Payton and Mrs. Virginia Mock, culinary; Mrs. Noel White and Mrs. L. B. Pate, canning; Mrs. Velma Long and Mrs. Sue Maxey, clothing; Mrs. Oneta Gunn and Mrs. Thelma Thomas, handwork; Mrs. Estelle Williams and Mrs. Iris McMahon, crafts; Mrs. Ann Bratcher and Mrs. Isabell Stelzer, arts; Mrs. Mollie Kolb and Mrs. Hooter Terry, flowers; Mrs. Charles Pierce and Mrs. Virginia Schlehner, antiques; Mrs. Thelbert McBride, Mrs. Rene Fluitt and Mrs. Alva Heiskell, agricultural products.

Rosette awards will be presented as follows following the judging: —The home demonstration club (See County Fair, Page 8)

## Retires as SWPS manager

Ted R. Hibbs retires today after 20 years as manager of the Southwestern Public Service Co. office here and has been succeeded by Glen Barley, who has been at the office since June 1.

Mr. and Mrs. Hibbs, long prominent in affairs of their church and community, are moving to near Mountain Grove, Mo., where they will be near their two daughters and their families. The Hibbs

also have a son and family at Andrews.

During the time Mr. Hibbs has been in Post as SWPS office manager, the company has increased its output here to serve some 1,800 customers as compared with only about 600 when Mr. Hibbs became local manager. Three years ago last March, the company's office was moved into its new building at 217 West Main.

Glen Barley, the new manager, moved here from Ralls, where he was SWPS manager for three years. He has been with the company for 11 years and was in his hometown of Amarillo and in Lubbock before moving to Crosbyton.

Mr. Barley and his wife, Margaret, have two children, Glen Ann, 13, and Shelby Lee, 5. The family attends the First Presbyterian Church.

Next week is Fire Prevention Week and the month of October is Restaurant Month. Both the special week and the special month are called to the attention of Dispatch readers in today's edition through the advertising columns.

The Bryan Williams & Son insurance agency honors the entire 25-member Post Volunteer Fire Department on page 3 with the pictures of all the firemen in fire hats and coats.

While not a lot special is planned this year for Fire Prevention Week it's a good time for Post and Garza residents to remind themselves how fortunate we are to have such an efficient volunteer fire department as now answers the call of the fire siren here. Take a look at their pictures on page 3 and when you see them let them know their efforts are truly appreciated, as we know they are.

Six Post restaurants join hands on page 5 of today's Dispatch to point out how much fun it is to "eat out" and inviting Dispatch readers to dine with them during Restaurant Month. Elsewhere in this issue you'll find a proclamation from Mayor Harold Lucas declaring October Restaurant Month in Post and on another inside page a story about the food service industry which now ranks as the fourth largest in the nation. It's the first time local restaurants have gone together to call attention here to October being Restaurant Month. Enjoy it yourself by "eating out" here with the family.

Dozens of local football fans got caught in that downpour at the Texas-Tech game Saturday night, but the worst experience on that miserable evening probably belonged to Walter Didway, our own Dispatch "Tech student." ## EARLY DAY BUILDER RETURNS FOR VISIT

Joe Gilbert, who helped build the railroad through Post in 1910, was here Tuesday from Lovington, N. M., with his wife for a brief visit with old friends.

Mr. Gilbert, who calls himself a retired "dirt bound," also helped build the two highways here on the caprock, and was engaged in the road construction business after moving from Post to Lovington, N. M.

He and Mrs. Gilbert, the former Annie Dodson, were married here in 1910 by Judge J. M. Boren, Garza County's first judge. Mr. Gilbert recalls that Ira Weakley was county clerk at that time.

After helping construct the railroad, Mr. Gilbert was employed by C. W. Post, the town's founder, for four years. He recalls that his wages were 20 cents an hour for a nine-hour day. "They later cut our working time to four and a half hours and we were working for 90 cents a day," he said.

## Council employs experienced man

# Leldon Miller hired as new police chief

Leldon P. Miller, 47, a member of the Lubbock police department for the last 17 years, today took over his duties as Post's new chief of police.

Miller was named to the position Saturday noon during a special meeting of the city council. He was the unanimous choice of the councilmen from a field of seven applicants.

His salary was set at \$450 monthly, the same as Elton Corley received before he resigned as chief of police Sept. 9 at the request of the city council.

At the special session the council first voted to upgrade the police department by the appointment of an experienced man from outside the city to the job, and once that was decided voted unanimously for Miller.

All councilmen attended the meeting but Wesley Scott.

Mayor Harold Lucas told The Dispatch that Lubbock Chief of Police Alley termed Miller "one of our best men" and expressed pleasure that Post has selected its new chief of the Lubbock force —

## Pancake supper is Tuesday night

Post Lions Club members are busy selling tickets to the club's annual pancake supper which will be held in the school cafeteria Tuesday night, Oct. 6.

Bobby Pierce and Jack Alexander are co-chairmen of the event in which the whole membership pitches in to cook pancakes and fry bacon and serve them.

Serving will be from 5:30 to 8:30 p. m. Tuesday night.

Tickets are 50 cents each for pancakes, bacon and coffee.

Five hundred were served last year in this fund-raising project for various other Lion's projects. Both Pierce and Alexander hope to serve several hundred more than that this year.

Money raised via the pancake supper will go for sight conservation (eye glasses) for children, shoes and clothes for needy youngsters, and to help operate the Texas Lions' Crippled Children's Camp near Kerrville.

## New year starts

# ASC committee re-elected here

The newly-re-elected Garza County Agricultural Stabilization and Conservation Service committee takes office today to serve for another year.

Re-elected to the committee were Avery Moore Jr., chairman; Hansel Hallman, vice chairman, and Walton McQuien, regular member. W. D. White was elected as first alternate member and Bandy Cash as second alternate member.

The county ASCS committee's election followed recent community committee elections, in which

LELDON MILLER

much as we hate to lose him," Chief Alley added.

Miller joined the Lubbock police department in 1947 after completing World War II service. He was promoted to police sergeant and served in that capacity for three years before seeking transfer to the department's juvenile division. After service there, he sought and received transfer to the supervision of personnel division of the department.

Miller has attended and received certificates for completion of work in eight different police and FBI conducted schools during his years on the Lubbock police force.

Mayor Lucas said Miller had an "excellent record" with the Lubbock police department and had received high efficiency ratings for his work in the department each year.

The new chief of police was slated to move his family here today.

The Pleasant Valley youth showed six head of registered Spotted Poland Chinas.

## Post Lions and guests are told about NORAD

Post Lions, their ladies and other guests heard a first-hand report Tuesday night on NORAD — the North American Air Defense Command — at their regular monthly ladies' night dinner meeting.

NORAD, which defends the continent against bomber attack, was explained by C. C. Scott of Brownfield, division service and facilities supervisor for General Telephone Company of the Southwest, and then by a flight officer speaking direct from the center of NORAD operations at Colorado Springs, Colo.

The flight officer's direct report to the Lions and their guests came by long distance telephone after Scott put in the call direct from the Lions' meeting place at Levi's Restaurant.

The Lions were told that NORAD is a major factor in the formula: Offense plus defense equals deterrence; is a 200,000-man fighting force for two countries, the United States and Canada; has 800 military installations located over the entire continent; involves four major military services, and is the military organization charged with defending the North American continent against aerospace attack.

In his talk from Colorado Springs, the NORAD officer said that within the preceding 24 hours NORAD had investigated four unidentified aircraft spotted on its radar screens. (See NORAD, Page 8)

from Lubbock. The Millers will make their home at 712 West Sixth. They have four school-age daughters, Jo Ellen, Barbara, Gayla and Toni.

Mayor Lucas said Chief Miller will be in complete charge of the department here and will hire department personnel subject only to council approval.

The council will meet with the new chief in the very near future, Mayor Lucas added, to go over the city ordinances and define explicitly all the duties of the police department.

The mayor also said that the department will continue as a 3-man operation.

This will require the addition of one new patrolman.

Oscar Gray, a member of the department for the last year, tendered his resignation Monday, Mayor Lucas said.

That left only Otis G. Shepherd Jr., as the only member of the city's "law arm" until Chief Miller took over his new duties today.

## Post boy's hay feeder wins first at Lubbock

For the second consecutive year, Charlie Brown Jr. of Post has won first place at the Panhandle South Plains Fair in Lubbock with his hay feeder for cattle.

The Post High School senior's hay feeder was awarded first place in farm mechanical exhibits built by high school vocational agriculture students.

## Be careful... help stem fire loss

"There is room for betterment in all fire prevention efforts" is the word for this Fire Prevention Week, Oct. 4-10, from Fire Chief Loyd Mock of Post's 25-member volunteer fire department.

The fire chief points out that three out of every four fires are the result of carelessness and should never have occurred.

The year 1963 was the seventh consecutive one in which fire losses exceeded \$1 billion, according to the National Board of Fire Underwriters.

As the nation observes Fire Prevention Week this month, it's a good time for everyone to use care with fire and try to help this needless destruction of our resources.

As pointed out in a recent Dispatch editorial, the City of Post got an early "jump" on Fire Prevention Week last month by adopting two ordinances, one amending the fire zone and the other increasing the reward paid for arson convictions within the city limits. Both these new ordinances

are fire prevention measures.

Post has had a low fire loss record through the years, which is reflected in our comparatively low fire insurance rates. Credit for this record goes to our volunteer fire department as well as to the people who practice fire prevention the year around.

Each of our volunteer firemen either is the owner of a business or an employee. They're on call at all hours of the day and night—at any time fire might strike. They never know when they go out on a fire call how long they'll be away from their place of business or their job. They never ask. They know that as volunteer firemen their job when fire strikes is to save property and, in some cases, lives.

One of the best ways we can show appreciation of our fire department is to practice fire prevention—not just during Fire Prevention Week, but from the break of one New Year's Day to the next.—CD

## Stock feeding area is big need

If you take the time and trouble to go take a look for yourself, it's pretty obvious why a new feeding area is needed for city FFA and 4-H members instead of the city dump.

Wayne Carpenter took us on a quick tour last week.

Certainly a move is essential if interest is to be built back into these fine educational programs for youngsters living within the city.

But out-of-city-limit locations aren't easy to find, especially with water and electricity handy.

The cost factor is a big one, too.

The move was made to the city dump simply because the land was available and water could be made available without great cost.

All suggestions are welcome, as are any reasonable land offers. Several organizations are interested in a solution to this problem.

One of the problems to solve in attracting a veterinarian to Post is also one of site—just outside the city limits, but close and accessible. No answer has been found to this one either.—JC

## Exhibits still a big part of Fair

The success of the annual Garza County Fair to be held Friday and Saturday, Oct. 9-10, depends to a great extent on the number of people entering exhibits, sponsors point out.

Of course there are such things as the size of the crowd attending, weather, and other factors, but even if all these measure up to hopes and expectations, there just won't be much of a fair if there isn't much to see.

With these thoughts in mind, Garza County home demonstration club members, who are sponsoring the fair again this year, urge everyone to give a thought to exhibiting something in one or more of the fair's divisions. The sponsors also remind exhibitors to remember the entry dead-

line of 1 p. m. Friday, Oct. 9. The attractive fair catalogue, furnished through the courtesy of the Post Chamber of Commerce, says all entries must be brought to the 4-H Club building between 9 a. m. and 1 p. m. on Friday, the first day of the fair.

We should support our county fair by our attendance and interest, which would include the entering of exhibits by those with something to enter. The county fair, one of the oldest American institutions, is dying out in many sections of the country. Where a county fair still exists, the people should help preserve it by their support and interest.—CD

"Tom Jones," the movie that just about swept this year's Academy Awards, opened at the Tower Theatre here Sunday and showed through Wednesday. Theatre manager Johnny Hopkins said a late booking of the film caught everybody here short as far as advance publicity was concerned. Take me, for instance. I'd waited patiently for "Tom Jones" to show here, but didn't know it was in town until I saw the Tower marquee Sunday afternoon. It's too late now to tell you not to miss seeing "Tom Jones," and maybe most of you did see it. But, if you missed the picture and its outstanding young actor, Albert Finney, you probably can make up for it by seeing the coming Tower attraction, "Night of the Iguana," which stars Richard Burton.

The "Arkansas Baptist" publication tells of an incident that may or may not have really occurred in some Sunday school class of young children. The teacher asked if everyone knew who Job was.

The children thought it over for a while, and at length a little boy answered: "He was a doctor."

"A doctor! Oh, dear, no," the teacher said. "Wherever did you get that idea?"

"Please, ma'am," the boy said, "didn't you ever hear of the patients of Job?"

I learned by going along Friday night that they have a lot of fun on those Antelope Booster chartered bus trips to the football games. It's a good crowd to be with and if you can't sing, which we can't, you can at least improve your vocalizing through lots of practice, because singing is the booster bus riders' principal diversion to and from the games.

THE MINUTE YOU step on the bus, Louise Simpson or one of the other boosters hands you a copy of mimeographed songs, and this time it was a four-page copy containing most of the old-time favorites. I made my way to the back of the bus and sat down next to Howard Sprayberry, because he didn't look like he was much of a singer, either, but I found that didn't help, because Maxine Edwards told us we were expected to join in the singing whether we could sing or not.

Honestly, once we got started the singing didn't sound bad, even though I could tell that Howard and I weren't the only ones on the bus who'd never make it to the stage of the Metropolitan Opera. The singing got off to a rousing start with "You Must Have Been a Beautiful Baby" and we made it from there through just about half the song sheets on the way to Abernathy, then sang the other half on the way back, repeating a few of the songs and even adding some that weren't on the printed sheets.

I NOTICED, however, that they were skipping over "Careless Love," which is one of my favorites, and when I quietly mentioned it to Bill Edwards, he did just what I didn't want him to by rising to his feet and loudly announc-

# Restaurant Month, and eating out grows into billion-dollar pastime

Eating out has become a billion-dollar American pastime. In fact, Americans enjoy "eating out" more than any other people in the world. As a result, the food services industry is now the nation's fourth largest.

In 1964 it is estimated that commercial food service establishments operated on a profit basis took in around \$20 billion, top last year's sales of \$18.1 million.

It does not include non-commercial away-from home outlets such as in-plant cafeterias and operations, private clubs, catering, and institutional outlets such as schools.

1960 total sales for both segments of the industry—commercial and non-commercial—reached \$25.1 billion and could easily hit around \$30 billion this year.

THE TOTAL number of food service outlets is around 175,000 of these are in the non-commercial category and provide for more than 60 million meals every week. This total number of public restaurants is more than 12 per cent of the nation's retail business and from the swankiest of restaurants to the smallest of drive-in carry-out hamburgers.

According to a survey made by the National Restaurant Association, the average United States household spends \$275 for food away from home each year, or about 25 per cent as much as the \$1,075 for food consumed at home.

The industry is made up of thousands of small establishments that cater to the dining-out public. For example, only 525 restaurants have more than 100 employees. In fact, the vast majority of the industry's 2,100,000 food service employees work in establishments with less than 10 employees.

ONLY 5 per cent of the public restaurants are under multi-unit ownership. Such corporations, however—and there are about 31,000 of them—do approximately \$5 billion annually or more than 25 per cent of the total estimated industry sales of \$19 billion. It is interesting to note that a total of some 28,000 units are owned by the 300 top corporations.

Most establishments—more than 75 per cent—have an annual sales volume of less than \$50,000 and the overall average is \$44,000, according to NRA statistics. Only 8 per cent have sales of more than \$100,000 per year.

The industry has 75 to 80 per cent single-unit ownership, the highest proportion of any business in the country. Ninety-five percent of all restaurants are either sole proprietorship or partnerships; 25 per cent are family businesses with no outside employees.

While gross dollar volume is at record highs in commercial food service operations, profit margins are down due to higher labor, raw food, and overhead costs which cannot be offset alone by increased menu prices. The average restaurant makes anywhere from 0.3 per

## Post students pledge sororities at NTSU

DENTON — Lora Janith Short and Sara Ann Pennington of Post are among 105 Fall semester pledges to six social sororities at North Texas State University.

Miss Short pledged Delta Gamma and Miss Pennington pledged Kappa Delta.

A sophomore secondary education major, Miss Short is the daughter of Mr. and Mrs. Lowell F. Short, 231 East Main. She is a member of Phi Chi Theta, national business sorority for women.

cent to 0.7 percent after taxes. ONE OF THE major changes over the past fifteen years has been the increase of large, multi-unit corporations and the gradual decline of the family-operated and partnership outlets.

More emphasis is now being placed on scientific restaurant management and merchandising techniques to attract better qualified and trained personnel. There is also a trend toward specialization and more standardization of operations—in menus, prices, physical plants, and services.

As the eating-out habits of the public have changed, so have food service operations. More attention is being given to upgrading atmosphere, quality, service, and hospitality to suit the tastes of the dining-out public.

## Lumber dealer and wife to Austin for meeting

Mr. and Mrs. Robert Cox will be in Austin Friday and Saturday where he will attend the annual fall meeting of the board of directors of the Lumbermen's Association of Texas.

The Post lumber dealer is a director of the state association.

The agenda will include a discussion of final preparations for the organization's participation in the annual exposition and convention of the National Lumber and Building Material Dealers Association scheduled for Dallas, Nov. 18-20.

## ATTEND FATHER'S FUNERAL

Mr. and Mrs. Jack Watson of Albuquerque, N. M., attended funeral services for her father, Seth Truelock, recently in Southland. Mrs. Watson is the former Oma Jane Truelock.

## ARKANSAS VISITORS

Mr. and Mrs. Leslie King of Green Forest, Ark., visited a few days last week in Post with her brothers, Jim and Sexton Huntley, and families.

## COME AND SEE US

It is with deep regret that we leave Post and the many friends we have made here in the all too short 20 years. GOD, the Southwestern Public Service Company and the people of, and near, Post have been good to us.

We have planned our retirement to live in the Ozarks of Missouri near our two daughters and their families. Our son and family of Andrews will be our good reason to make occasional trips back to this area. Let this be your standing invitation to visit us in our new home four miles southeast of Mountain Grove, Missouri, Route 1, Box 233, 65711, Phone 417-86M2.

## Wanda Williams becomes bride of Jerry D. Osborn

Miss Wanda Williams and Jerry Don Osborn of Lubbock were married Saturday, Sept. 26, at 7 o'clock in the evening at the Calvary Baptist Church.

The Rev. A. T. Nixon officiated at the double ring ceremony before an altar of white gladiolas.

Mr. and Mrs. W. B. Williams of Route 1 and Mrs. and Mrs. A. H. Osborn of Lubbock are the parents of the couple.

Given in marriage by her father,

the bride wore a street-length gown of white chiffon made with a fitted bodice and bouffant skirt. The bodice was covered with lace and extended into long tapered sleeves. Her elbow-length veil of illusion was edged in matching lace. She carried a bouquet of feathery carnations atop a white Bible.

Mrs. Nolan Williams, sister-in-law of the bride, wore a gown of ice blue brocaded taffeta and carried feathery carnations.

Sonny Wattle of Lubbock was best man. Brothers of the bride served as ushers.

Miss Joanne Rogers accompanied Miss Sharla Pierce, at the organ as she sang "Oh Promise Me" and "I Love You Truly."

A reception followed at the church.

The couple will be at home at 4820 40th St., in Lubbock where Mr. Osborn is employed at Furr's Warehouse. Mrs. Osborn is a 1963 graduate of Post High School and attended South Plains College at Levelland.

## It's My Turn

— By MRS. C.

Mr. C says I have a very unscientific mind, which I know, but I can't help but wonder how much it cost to find out through the Warren Commission that Lee Oswald shot President Kennedy, which we all knew; that Jack Ruby shot Lee Oswald which we all knew, and that President Kennedy did not have enough protection, which we all knew.

I also do not think our weather forecasters have very scientific minds; else how can they get us so fouled up at times. Two weeks ago when Texas Tech played Mississippi State they (weather men) kept yakking about rain, so the C's went prepared. Nary a drop fell. So did we listen when we got ready to go to the Texas Tech-University of Texas game? We did not. Nary a bit of us stayed dry!

I always think of radio and TV announcers when I think of weather. That is, in connection with tornado warnings. My unscientific mind fails to be able to cope with finding out if I'm in the severe alert area. They rattle all this stuff off, such as a line 30 miles southeast of a line 45 miles northwest of a line 60 miles on the other side of Podunk and this side of Pumpkin Center. Without a map and a compass what does this tell anyone? It tells me to stay alert and enjoy the storm, and the tornado will hit many many miles away where no warnings have been

received.

Looking back over what I have already written I see that I am griping about things so I'll toss in another one. This one is directed at the grocery supply trucks that park in front of grocery stores to deliver their items and play havoc with the traffic. We do have alleys.

I'm amazed and amused at some of the reactions I've had from friends and strangers since I stopped smoking. I've found this out, those who are still smoking do not particularly like those who are not. I've even had mail calling me traitor. I don't remember reacting so violently when friends of mine stopped.

One of the most frequently asked questions seems to be "when do you stop wanting a cigarette?" After a month of this pure living I'm sure the answer is NEVER. I find I still reach for one many times during the day and there have been a few moments of stress when I wondered why I ever thought this was a good idea.

One thing I have found out. It is easier to stop smoking than it is to diet, or at least it takes a different kind of will power. I've never lasted a whole month on a diet in my life but guess I have had the eating habit a "bit" longer than my 25-year-old smoking habit.

MR. AND MRS. ARNOLD KENNETH GERNER

## Wilson-Gerner vows read Sept. 12 in San Diego, Calif.

The Good Shepherd Lutheran Church at San Diego, Calif., was the scene of the wedding of Miss Judith Ann Wilson and Arnold Kenneth Gerner, Sept. 12, at 7 o'clock in the evening.

Dr. Thomas D. Rinde of Fremont, Neb., great uncle of the bride, officiated at the double ring candlelight ceremony before an altar decorated with circular candelabra. Dr. Rinde also officiated at the marriage of the bride's parents.

White and gold colors were used throughout the church in brass baskets holding white and yellow gladiola mums and roses.

Parents of the couple are Mr. and Mrs. Donald C. Wilson of San Diego, and Mr. and Mrs. Amos Gerner of Route 2, Post.

Given in marriage by her father, the bride wore a floor-length gown of silk organza over taffeta featuring a fitted bodice, elbow-length sleeves and a sweetheart neckline enhanced with Venetian lace which was repeated on the skirt and sleeves. The skirt formed a modified A-line in the front and formed a full chapel train in the back. The elbow-length veil of silk illusion was held by a headpiece of tulle leaves and iridescent orange blossoms. She carried a cascade bouquet of white roses and lilies of the valley surrounding a golden throat orchid.

Miss Donna Wilson, sister of the bride, was maid of honor. Bridesmaids were Susan Wilson, sister of the bride, Miss Louise Gerner, of Dallas, sister of the bridegroom,

and Miss Bonnie Tidd of Boston, Mass. They wore floor-length gowns of antique gold made with modified bell skirts and jackets with three-quarter length sleeves. The headpieces were single yellow roses and they carried long stemmed yellow roses. They added gold gloves, gifts of the bride.

Miss Linda Engle of San Diego was flower girl.

Jerry Gerner served his brother as best man. Groomsman and ushers were Dave Vorpahl and John Nagel, of San Diego, and John Phillips of Los Angeles.

Mrs. Kenneth Grant sang "O Perfect Love," "Song of Ruth" and "The Lord's Prayer" accompanied by Mrs. Olaf Brayton.

A reception followed in the church fellowship lounge. The hall was flanked with candies and yellow and white flowers. The four-tiered wedding cake was topped with fresh yellow roses.

Miss Laura Gerner of Post, the bridegroom's sister, registered the guests.

For travel to Las Vegas, the bride wore a two-piece teal blue suit with black accessories and the orchid from her bouquet.

The couple will be at home at 1182 St. Agnes in Houston. Mrs. Gerner is a graduate of Texas Lutheran College at Seguin and the Hermann School of Physical Therapy. Mr. Gerner is also a graduate of Texas Lutheran and is employed as a field representative for State Farm Insurance.

## Homemakers go to workshop

Mrs. Mack Terry, Mrs. Wayne Carpenter, Mrs. Bobby Cowdrey and Mrs. Marion Duncan, members of the Young Homemakers of Garza County, attended a leadership workshop for Area I and Area II officers last Saturday at Hale Center.

The meeting opened at 10:30 a. m. with welcomes being given by John Criner, Hale Center Supt. of Schools, and Miss Karen Foraker of the Hale Center Future Homemakers of America chapter.

State President Doris Weil spoke on state-level news and Mrs. Nancy Morchel gave the devotion. The Rev. Herman Williams, educational director of the Second Baptist Church of Lubbock, spoke on "Do's and Don'ts of Leadership."

Following the luncheon the group was divided in small discussion groups with the meeting ending at 3 p. m.

## DISMISSED FROM HOSPITAL

Mrs. Rusty Dean, who underwent surgery last Thursday in West Texas Hospital was dismissed Tuesday. Sunday, her parents, Mr. and Mrs. Lyda Odom, visited her in Lubbock and also visited in the home of Mr. and Mrs. Norman Tanner.

## TOPS group is organized here

A TOPS club was organized last Thursday night with assistance of four members of Lubbock club.

The club will be known as Postex TOPS and the following officers were elected:

Leader, Mollie Kolb; vice leader, Pearl Polk; secretary, Jerry Oster; treasurer, Carrol Griggs; weight recorder, Bonnie Medley; program chairman, Edna Smith; and reporter, Margaret Stet.

In order to be eligible for the club one must be at least 10 pounds overweight. Anyone meeting this qualification is cordially invited to attend the weekly meetings at 7:30 p. m. Thursday at the Postex Mills Community Room.

Seventeen were present for the organizational meeting.

## Mrs. E. W. Cross is Merrymakers hostess

Mrs. Irvin Cross was a guest when Mrs. E. W. Cross was hostess to the Merrymakers Club Sept. 22 in the Reddy Room.

The afternoon was spent piecing quilt blocks. Following a business meeting, gifts were exchanged by club pals.

Refreshments were served to the following:

Mmes. Arthur Floyd, Percy Printz, Alice Parsons, Lonnie Peel, J. F. Storie, H. F. Wheatley, Mabel Martin, Bonnie Adamson, Alma Sims, S. C. Storie Sr., and the guest.

Mr. Floyd will be hostess at the Oct. 5 meeting in her home at 1 o'clock in the afternoon.

## WEEKEND AT HOME

Margie Harrison, Diane Maxey and Shirley Sappington spent the weekend with their families. The girls attend a business school in Odessa.

## Mrs. Polson is shower honoree here Thursday

Mrs. Tommy M. Polson, the former Miss Judy Clary, was complimented with a miscellaneous bridal shower last Thursday in the home of Mrs. Paul Jones, 115 Ridge Road.

Guests were received by the honoree, her mother, Mrs. Alton Clary, and her grandmothers, Mrs. O. B. Taylor and Mrs. Nolan Clary.

Miss Lynda Taylor, aunt of the recent bride, registered the 45 guests calling between the hours of 7:30 and 9 o'clock. The artificial flower arrangement on the table was presented to the honoree.

The serving table carried out Mrs. Polson's colors of blue and white. The table was laid with a white cloth and centered with a floral arrangement featuring a bride and groom and blue satin streamers. Crystal appointments were used.

Misses Ruthell Martin and Beverly Young served cookies, punch and nuts to the guests.

Hostesses for the occasion included Mmes. Jones, Junior R. Hagins, Robert Thomas, Eugene Martin, Keith Kemp, C. L. Morris, Barney Martin, Boy Hart, L. G. Thuel Jr., Harry Mason, B. E. Young, Inez Capps, Ben Howell, C. R. Wilson, Homer McCrary and Miss Ruthell Martin.

## Former Post girl marries in Tahoka rites Saturday night

Repeating double ring wedding vows Saturday night at the Tahoka First Baptist Church were Miss Lynda Kay Driver and Fred Wright Martin.

Officiating at the ceremony was the Rev. James Efrid.

Parents of the couple are former Post residents, Mrs. William E. Overacker of Washington, D. C., and William L. Driver of Lubbock, and Mr. and Mrs. J. Weldon Martin of Tahoka.

Presented in marriage by her step-father, Capt. Overacker, the bride wore a formal-length gown of silk organza over taffeta, featuring a scalloped Sabrina neckline and bracelet-length sleeves of re-embroidered Alencon lace. Bands of lace motifs were on each side of the pleated back skirt which flowed into a chapel train. A tiny crown of pearls and crystals atop an Alencon lace caplet held a tiered veil of imported silk illusion. The bride carried a white cattleya orchid with stephanotis in a cascade arrangement atop a white Bible.

Miss Judy Terry was maid of honor. Junior bridesmaid was Miss Deborah Scott of Lovington, N. M., and bridesmaids were Misses Yvonne Moreland of Post and Sherri Driver of Lubbock. Bridesmatron was Mrs. Billie Ledbetter of Carlisbad, N. M.

They wore street-length empire

gowns of pale pink wool. Their headpieces were circular maline veils with matching pink silk organza bows. The maid of honor carried a bouquet of pink feathers and red roses and the other attendants carried bouquets of pale pink feathers and carnations.

Flower girl was Miss Debbie Martin, and Mike Edwards was ring bearer. Candelights were Miss Rhonda Littlepage and Mrs. Melvin Edwards.

Wayne Martin attended his brother as best man. Ushers and groomsmen were Ronny Driver, brother of the bride, Bobby Martin, Melvin Edwards and Tommy Jones.

Mrs. Clay Bennett accompanied the soloist, Miss Jackie Burnett. A reception followed at the church.

For travel to Colorado the bride chose a pink wool A-line coat dress with matching accessories and added the orchid from her bouquet.

The couple will be at home on Route 2 where the bridegroom is engaged in farming.

## LEAVES FOR OKLAHOMA

Mrs. Roy Taylor of Baker, Ore., left Wednesday for Madill, Okla., after spending a week here visiting her brother, Charles Didwaw, and family. Mrs. Taylor will visit relatives in Oklahoma before returning to Oregon.

# Dine Out during RESTAURANT MONTH

**October Is Restaurant Month here in Post Across Texas — and Throughout the Nation.**

Most Americans adhere to the restaurant industry's motto—"Eating Out Is Fun." Eating out has become a billion dollar American pastime. In fact, Americans enjoy "eating out" more than any other people in the world—and as a result, the food service industry is now the nation's fourth largest.

According to a survey made by the National Restaurant Association, the average United States family spends \$275 for food away from home each year—or about 25% as much as the amount spent for food consumed at home.

**FTA group would prove beneficial**

The organization of a chapter of Future Teacher's Association (FTA) on the Post High campus is a move which will gain recognition for the students, faculty, and community. The progress of this community depends upon its young citizenry. Through student organizations, and especially the FTA, the young people can be recognized in their contributions in building a better community where all of us can be proud to reside.

Each of us, no matter what our vocation, can make a contribution to each organization. Verbal support is in order at all times. Be sure you understand the purpose of each organization before you voice your opinion to the community. There is not one organization on the Post campus which has anything to hide from the community. Each club would be pleased if you would take enough interest to inquire about its objectives and functions.

However, once you have made this step, don't stop there. Give your support in helping each organization fulfill its objectives. Thusly, not only does each organization gain, but this community and YOU are elevated in stature.

If quality education exists in the classrooms of Post High School, then there are many leaders in our community. The FTA proposes to identify leaders in the field of education and to allow each young man and woman to develop to his or her maximum potentiality. Proper guidance and support in such an organization can elevate that potentiality which might not develop if it were left unattended.

Give generously of your support and help Post produce the leaders of tomorrow through the young adult's organizations.

**Baptist minister is FHA speaker**

The Rev. Joe Vernon, pastor of the First Baptist Church, was guest speaker at the Future Homemakers of America meeting Monday night at 7:30. The meeting was held in the Post High School speech room.

Rev. Vernon was chairman of a panel discussion. Those on the panel were Ann Greer, Vicki Wilks and Benny Owen. These four discussed the leading problems of dating today. The three main topics were dress on a date, behavior on a date, and conversation on a date.

It was pointed out that dressware for a date should never consist of shorts or slacks, except for picnics. Behavior should be that of ladies and gentlemen for that is what we were brought up to be. It was pointed out that talk on a date should not consist of personal problems.

Mrs. Mack Terry and Mrs. Wayne Carpenter, both of the Young Homemakers of Garza County, were present at the meeting and invited all FHA members to a tea, on Tuesday afternoon, given in honor of the FHA girls by the Young Homemakers. The meeting closed with refreshments being served by Linda Gist and Mary Ann Stone.

**SOUTHLAND HIGH Eagle's Nest**

**By Connie Wartes**  
The Senior class had a very successful hayride. There certainly were many thrills in the back of that truck.

Southland Eagles were downed by the Cotton Center Elks Friday night but the Eagles have high aims of overcoming the Loop Longhorns this Friday night.

Southland Eagles play the Loop Longhorns Friday night at 7:30 at Loop. Good luck, boys.

Where is all the tar coming from that seems to be getting in the girls' hair around Southland.

Johnny, how was the horse ride across the field? How did the horse seem to throw you off?

Hey, girls! How is the P. E. class liking the feet-backwards running? Come on Jettie, show us how!

Pep rally was very good! Spirit was very high! What you say, let's keep it up! Congratulations, Cheerleaders, on the good work. Libby, you're looking good.

Everyone around is invited to attend pep rallies every Friday afternoon at 3:40. Come on, let's see you at the school house Friday.

**WEEKED IN ALPINE**  
Mr. and Mrs. Alton Clary spent the weekend in Alpine visiting their son-in-law and daughter, Mr. and Mrs. Tommy Polson.

**Jr. High library serving students**

The Junior High library has had many new books added to its shelves this year. We are proud of our library and of its use. Since the beginning of school a daily average of 315 books have been checked out.

All students now have a library period, which allows more time to use reference books and to become acquainted with available facilities.

During the first week of school the 6th grade Language Arts classes visited the library for orientation. Many of these students had never used a library, so it was fun learning how a library is set up. Lookline in the card catalog for a particular book then locating it on the shelf is fascinating to many 6th graders.

Among the new books are eight sports books purchased by the Antelope Football Association in memory of Bill Cates. New reference materials include the World Book Popular Science Encyclopedia, Our Wonderful World, and Young People's Science Encyclopedia.

**Proclamation**

The food service industry of Post represents a large and necessary business in our city and not only forms a part of the daily life of our citizens, also plays a considerable role in extending our hospitality to out-of-town visitors.

Our visitors, as well as tourists, depend upon the men and women who work in the food service industry to provide their dining-out needs while they are at work, in schools, relaxing, or traveling. These men and women also provide good food and hospitality for numerous religious, service, civic and business organizations in our city.

The food service industry is a keystone in the economy of Texas, employs thousands of persons, and contributes to the general economic welfare.

THEREFORE, I as Mayor of Post do hereby designate October, 1964 as

**RESTAURANT MONTH IN POST**

and invite the attention of all citizens to the importance of the food service industry in our city.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Zechariah	8	14-23
Monday	Luke	8	4-15
Tuesday	Acts	10	34-48
Wednesday	Romans	13	8-14
Thursday	I Corinthians	3	1-9
Friday	I Corinthians	11	17-22
Saturday	I Corinthians	11	23-32

**GROWING TOGETHER**

"God's garden" . . . those were St. Paul's words to describe the early Christian fellowship. From its mighty seed of revealed truth, the Church has grown and flourished . . . spreading into many lands, developing in many ways, but always linked by oneness in Christ.

World-wide Communion Sunday is a day of spiritual renewal for Christians of every creed. It is a time to remember our brothers in all lands, and to pray that our differences may be transcended by the power of the Holy Spirit working among us. It is a call to greater effort, greater personal participation, so that by our example all men may be led to know Jesus as their Saviour.

The Church needs the support of every Christian on this meaningful occasion. Decide now that you and your family will be present at the Lord's Table.

## 3 A.M. in a pharmacy...

It is 3 A.M. in a community pharmacy. The street is in darkness, yet lights are on in the pharmacy. Why? Because the pharmacist is faced with an emergency.  
 He received an urgent telephone call at 2:50 A.M. Mrs. Saxon, a sufferer from asthma, was having severe difficulty in breathing. Her husband told the pharmacist that she had run out of the medicine prescribed by her physician.  
 The pharmacist dressed quickly, rushed to his store, located the original prescription in his file, telephoned to Mrs. Saxon's physician, prepared and delivered the medication. Soon, Mrs. Saxon was breathing normally again, and a possible tragedy had been averted.  
 Such crises are frequent, yet your pharmacist meets them with speed and confidence as part of his complex professional duties. Today, a pharmacist goes to college for five years, spends many hundreds of hours in apprenticeship, and must pass a rigorous

state examination before he is licensed. He must stock thousands of dollars worth of health products you need every day—as well as those you may need only once in a lifetime.  
 It was not by chance that the pharmacist had the proper drug ready for Mrs. Saxon when she needed it. We call the complex process by which a drug moves from manufacturer to patient "the miracle of drug distribution."  
 The teamwork of manufacturer, drug wholesaler and pharmacist assures that you—as well as Mrs. Saxon—will always receive the medicine you need. This miracle of drug distribution—the fact that the medicine you need is ready when you need it—is just one reason why prescriptions are today's best bargains.

When your physician asks where to call your prescription, say "CALL BOB COLLIER!"

## Lecture, 'Red Shadow Across Asia,' heard Friday in special assembly

Post High students assembled in the gymnasium on Friday, Sept. 25, in a special assembly to hear Dr. No-Yong Park lecture on "Red Shadow Across Asia."  
 Now an American citizen, Dr. Park was born and reared in Manchuria and received his education in Asia, Europe and America. He holds a bachelor of arts degree from the University of Minnesota and M. A. and Ph. D. from Harvard University. While in college, he won many literary and oratorical prizes in competition with our American students in their own language.  
 He has taught at many of our leading universities and colleges and has written many outstanding

books, some of which were highly recommended by the Book-of-the-Month Club and literary critics throughout the world. Henry Steele Commager, one of our leading historians, thought highly enough of his book to reproduce it in America in Perspective, which includes the famous works of De Tocqueville, Charles Dickens, Lord Bryce and other immortals. Above all, he is one of the very few Oriental writers and lecturers who has been honored by the Freedom Foundation at Valley Forge for an outstanding achievement in bringing about a better understanding of the American way of life.  
 In addition to teaching and lecturing at various universities and colleges and lecture forums, and in addition to writing scores of articles and books, he served for more than a decade as a special lecturer on Far Eastern affairs at the Institutes of International Understanding under the auspices of Rotary International. He likewise has criss-crossed the country for over a quarter of a century lecturing for The Associated Clubs composed of various Executives' Dinner Clubs and Knife and Fork Clubs International.  
 His Oriental background and Occidental training, his gift of expression, and keen sense of Mark Twain-like humor, his forceful, dynamic platform personality and his profound knowledge of Far Eastern world affairs have made him one of the most widely acclaimed Oriental lecturers in America.

## Homemakers tea is in honor of FHA members

The Young Homemakers of Garza County were hosts to a tea honoring the Post Chapter Future Homemakers of America on Tuesday afternoon at 4 o'clock. The tea was held in the Community Room.  
 As the members entered, name tags were pinned on their blouses. They visited and read the Young Homemaker's creed and purpose, which was printed on poster paper and placed on the wall.

 A birthday party was given for Danny Cooper at Postex Mill Community Room, Sept. 18. Refreshments were served by Mrs. Glyndora Cooper. For entertainment, the couples listened to records and danced.

The Lubbock High football game of Sept. 18, was attended by Pamela Stewart, Susan Ramsey and Meredith Newby.

Fifteen of the Antelopes attended the Slaton-Tahoka football game Sept. 18. They were Ricky Welch, Jimmy Kennedy, Dennis Odom, Benny Owen, John L. Sutter, Buddy Howell, Larry Dalton Osman, Butch Cross, Ronald Simpson, Danny Pierce, Billy Mitchell, Gary Hays, Jackie Braddock and Finis Corley.

Several girls have asked me to announce that a Fat Club is now at PHS. The purpose of this club is just to be fat. Charter members are Susan Ramsey, Meredith Newby, Becky Thompson, Mary Ann Stone and Pamela Stewart. Officers are elected every week and the fattest is president. Membership is open to all interested people.

Mrs. Jane Bigott has been begging for her name in the paper, so here it is. JANE BIGOTT, JANE BIGOTT, JANE BIGOTT.

Tuesday, Sept. 22, Mr. Jim Cornish came before the journalism class at PHS. He spent the period explaining the tasks and expense of printing a good newspaper. Mr. Cornish commended the class for the work that had been done and made suggestions to make it better.

The bet between Teddy Scott and Dennis Odom was called off.

Several of the Post teachers are going to night school. They are Mr. Norman Gee, Mr. Glyndol Snodgrass, Mr. Bud Davis, Mr. James Pollard, Mr. Charles Hutchins, Mr. Billy Hahn, Mrs. Bettye Scott and Mrs. Ida Jones. We should really have some well prepared teachers around PHS.

One error was contained in The Dispatch's story last week on the county budget.

The story said that other receipts in 1964 were \$539,577.48 when the figure should have been only \$368,408.67. The larger figure was the total receipts for the year, including ad valorem taxes.

## Speech teacher is interviewed

Mrs. Howard Davis is this week's featured teacher. Mrs. Davis, who resides at 805 West 5th St., is the new speech teacher.

Mrs. Davis attended North Texas State University and taught English and Speech at Evan's Junior High School in Lubbock before coming to Post.  
 This is the first year for Mrs. Davis to be a troop sponsor of the National Thespian Society. When asked to comment on the Post schools, she said, "I am really pleased; the students are very cooperative and the work load is light. I had twice as many students in each class at Lubbock."  
 Mrs. Davis has been married six weeks. Her husband is the vocational agricultural teacher for PHS.

## Cheerleaders Column

By Dee Ann Walker

The outcome of last week's football game was not what we had hoped it would be. Nevertheless, I must congratulate the pep squad and band. They put out a tremendous effort all during the game. The spirit never diminished from the first kickoff until the final whistle. Linda Stephens visited with one of Abernathy's English teachers following the game. She reported that he complimented the Post pep squad highly. Evidently all our yelling sounded real good on their side of the field. We're one of the few schools in the area that has a pep squad and I think we have one to be proud of.

The adults did a great job Friday also. They really yelled, but I'd like to apologize to them for not knowing "Razzle Dazzle." I'll have to look that one up. I think it's wonderful that the entire town is rooting for our team, no matter what the yell.

According to the outcome of our first four games it seems that some banshee, or the likes, has cast an evil spell over us. The only way to break a spell, so I've been told, is to cast an even larger, more powerful one, ourselves. With the help of the student body we can try our hands at casting our own home-brewed hex. I've been investigating witchcraft lately and I've discovered that tying a string to a person's left little finger will counteract any spell formally cast. It may not work, but if everyone will have faith, it will be worth the try.

Tomorrow let's follow the formula, tie a string on our finger, and put a hex on the Cowboys. With over 300 students and possibly a few boosters participating, I'd be willing to bet that no spell of any kind could survive.  
 Be sure to come to Antelope Stadium Friday night and help the Post Antelopes put a hex on the Plains Cowboys.

## Commercial Club new organization

A new club called the Commercial Club has been formed at PHS. The sponsors are Mrs. Cora Fleming and Mr. N. R. King.  
 The purpose of the organization is to develop knowledge of the business world, to help each member grow in personality, and to render a particular service to the school or community.

At the first meeting, Sept. 18, officers were elected; they are as follows: President, Karen Haley; vice president, Barbara Britton; secretary, Yvonne Moreland; treasurer, Darla Pierce, and reporter, Peggy Thorne.

The 25 members besides the officers are: Vera Jones, Judy Ballentine, Shirley Doggett, Paula Helms, Jimmy Huntley, Linda Stewart, Charlotte Gilmore, Wynza Windham, Lana Haynie, Pamela Stewart, Cindy Wilson, Becky Thompson, Pat Landreth, Marilyn Jones, Linda Stephens, Ann Greer, Buddy Howell, Ronald Simpson, Bobbie Compton, Deborah McCambell, Carolyn Carlisle, Vivian McWhirt, Charlie Landtroop, Barbara Holleman and Martha Blodgett.

There are more than 250 kinds of cotton cloth and more than a thousand different finishes.

# DE program is in good start

The school year 1964-65 welcomes a new course and club to the Post High campus. Eighteen students, members of the Distributive Education Class, attend classes during the morning and then work in the afternoon in various business establishments. Mr. Dale Schmidt is the instructor of the new course.  
 Students and merchants participating in the new program are: Piggly Wiggly, Sherry McAfee and Dennis Brackeen; Wacker's, Gene Nowell; Cox Lumber Company, Diann Foster; Bob Collier Drug, Janice Nichols; Collier Chevrolet, Bobby Gibson; Tom Power Ford, Ronnie Cook; Post Pharmacy, Elwin Gill; Maurine's Flower Shop, Judy Cook; Garza County Hospital, Donna Bowen; Golden Years Nursing Home, Evelyn Gill; Hudson Furniture Company, Joe Smith; Maxine's, Paula Smith; Parrish Grocery, Charlie Landtroop; Short Hardware, G. T. Mason; Lavelle Shop, Brenda Bilberry; Happy Donut Shop, Patsy Snow; Jackson Bros. Meat Market, Neil Driver.

The D. E. group has organized their own club. It is the Distributive Education Club of America (DECA Club). The DECA Club released the following information about the organization:  
 (1) DECA is the only youth organization operating through the public schools of the nation to attract young people to careers in marketing and distribution.  
 (2) DECA encourages free enterprise and economic awareness through instruction, studies in marketing projects, creative marketing projects, exposure to successful business leaders, and by practical experience in business establishments.

(3) DECA encourages civic responsibility through professional conferences, chapter activities, school improvement projects, and support of community activities.  
 (4) DECA maintains a series of state and national contests—all designed to stimulate and motivate classroom interest, career encouragement, and vocational competence.  
 (5) DECA believes in competition and offers awards and recognition to students members for outstanding accomplishment.  
 (6) DECA maintains its own scholarship loan program to assist and encourage its members toward higher education.  
 (7) DECA pays its own way. Its national headquarters and staff are maintained entirely by student dues and other internal income.  
 (8) All contributed funds are used directly for student benefit through our program of youth activity: (1) awards and recognition; (2) leadership conferences; (3) program development; (4) public information, and (5) leadership training.

Cotton is superior for a wide range of textiles, available in many weaves and finishes.  
 Designs are printed on cotton cloth similar to printing on paper, using paste for inks.

## Student Council's initial meeting

Friday, Sept. 18, the Student Council met during guidance period.  
 In their first meeting of the year, they elected the remaining officers. For the 1964-65 year officers will be co-presidents, Dee Ann Walker and Teddy Scott; vice president, Rickey Welch; secretary, Barbara Britton; reporter, Sandy Gary, and Mr. T. C. Clark is the sponsor.

It was decided the council would meet every second Thursday at 7:30.

## Accident victim leaves hospital

Six-year-old Mike Hair, son of Mr. and Mrs. Jack A. Hair of 704 Chantilly Lane, was brought home yesterday afternoon from Methodist Hospital in Lubbock, where he was taken Monday after being seriously injured in an accident involving an ice cream wagon.

The boy received a head injury, a knee injury and a cracked shoulder blade in the accident, which occurred near his home about 6 p. m. Monday. He is reported to be recovering satisfactorily and is expected to be able to return to school Monday.

Details are meager as to how the accident occurred, but it is believed that the boy fell off the side of the wagon and that a wheel of the light vehicle might have passed over his body. Kelsie Nowell, about 20, was driving the wagon, which is owned by T. B. Harmon.

The youngster was taken to the Medical Center for emergency treatment and from there by ambulance to the Lubbock hospital.

sitting on the top row in the student section when the rains came for the second time shortly before the half. He and another student headed for Walter's car to keep reasonably dry during the intermission only to find that Walter had lost his car key and they couldn't get into the car. While the rains came down they scratched both area and the stadium's student area for the lost key, but couldn't find it. So Walter had to call home and have his father-in-law, Mutt Graves, drive another car key up to him.

## Enrollment here hits 1,404 mark

Enrollment in the Post Public Schools went over the 1,400 mark for the first time Tuesday when 1,404 students were counted.

Supt. Barry B. Thompson reported that 696 were enrolled in the elementary school, 388 in junior high school and 320 in high school.

The enrollment by grades was: 1st, 134; 2nd, 156; 3rd, 150; 4th, 132; 5th, 124; 6th, 127; 7th, 150; 8th, 111; 9th, 96; 10th, 78; 11th, 71; 12th, 85.

## Pair sentenced to penitentiary

John D. Rollins of Snyder and Clyde Slaughter of Abilene pleaded guilty here Monday afternoon before District Judge Truett Smith to one charge of forgery and passing as true a forged instrument in writing.

Judge Smith sentenced each to a three-year term in the penitentiary.

The guilty pleas came after the pair were indicted that same afternoon by the Garza County district court grand jury on two charges of forgery and passing as true a forged instrument in writing.

In each case the indictment was based on a check for \$20 to which Riley Miller's signature was forged.

No plea was entered to the second count of forgery.

Bryan J. Williams was elected foreman of the new grand jury which will serve through the district court's September term.

## Jury panel not called until Tuesday, Oct. 13

The Dispatch was two weeks late in reporting last week that the jury panel for the September term of Garza County District Court had been called for Tuesday to hear some nine damage suits and a trespass to try title case for trial.

The jury panel won't be called until 1:30 p. m., Tuesday, Oct. 13.

# Antelopes to meet Plains Cowboys here Friday night

## Post hopes to hit win trail against invaders

Antelopes, still without a win in four games, will reach a new low Friday night when the Post team will play its first home game since last season's 9-0 loss to the Antelopes.

Coach Rip Sewell's Cowboys, idle last week, have won two and lost one this season. The Class A eleven whacked Sudan, 30 to 12, in their opener, fell to Friona, a strong Class AA club, 9-7, and then defeated Farwell, 19 to 7.

## Ship 'B' to Post team

Scouting reports indicate that Plains is anywhere from two to three touchdowns better than Abernathy, which downed Post, 3 to 0, last Friday night.

COACH HAROLD Teal said there is a possibility that end Danny Pierce, who missed the Abernathy game because of an injury received at Hamlin, will be able to play Friday night. Guard Jackie Braddock, who saw only limited service against Abernathy because of a shoulder injury, is expected to be at near full strength for Plains, the coach said.

Plains, which has a young, but aggressive, team, is expected to be in fine shape for Friday night's game following their open date last week.

Coach Teal said scouting reports are that the Cowboys have good speed and fair size and are expected to throw a power type attack at the Antelopes. They run their plays from a variation of the "I" formation, and haven't done much throwing this season.

HALFRACK DENNIS Crutcher and fullback Joe Dan Cooke are the Cowboys' big offensive threats in the backfield, and Jack Lowe, a 177-pound senior who plays end or quarterback, is a tonnoch field goal and extra point kicker.

Plains' probable starting line-up on offense will be: Jim Smith, 169, left end; Dan Smith, 185, left tackle; Fred Carmley, 185, left guard; Richard Spencer, 165, center; Bruce Long, 175, right guard; N. C. Clannahan, 198, right tackle; Harold Swann, 162, right end; Bobby Taylor, 147, quarterback; Gregg Jones, 140, left halfback; Dennis Crutcher, 167, right halfback, and Joe Dan Cooke, 172, fullback.

Post's probable starters on offense will be: Donnie Windham and Sammy Sims or Danny Pierce at ends, Charlie Kennedy at tackles, Dennis Odom and John Sutter, guards; Gary Hays or Donnie Cornell, center; Teddy Scott, quarterback; Benny Owen and Richard Simpson, running backs, and Mike Ayala, split back.

Post's defensive unit will probably be: Brown and Cornell, guards; Odom and Sutter, tackles; Sims and Larry Osman, inside linebackers; Owens, deep linebacker; Pierce and Windham, corner men, and Simpson and Rickey Welch or Scott, halfbacks.

"It's hard to tell what the answer is after our poor showing at Abernathy, but we're going to try to find 11 boys who want to play Friday night," Coach Teal said.

Southland Eagles, who lost to the Center Elks, 28 to 8, tonight, will play their first game of the season at Friday, Oct. 2, against the Antelopes.

They scored 20 points in the first half against the Eagles Friday, holding a 20-8 halftime lead after a 50-yard pass by Rod Callaway to Duke scored for Southland in the second quarter. Callaway added the points.

Eagles held the Elks to one point in the second half. Captain, Eagle captain, was injured on defense for South-

# Abernathy field goal decides tight contest

Post loses, 3-0, on damp field

After hanging on the ropes throughout most of the first half, Abernathy kicked a wind-blown third quarter field goal Friday night and then hung on the rest of the way to pin a 3-0 defeat on the Post Antelopes in a game on a damp field at Abernathy.

Coach Harold Teal's Post team, going down to its fourth consecutive defeat, held a big edge in statistics, but that doesn't tell the complete story. Fumbles, missed passes, a clipping penalty, and other mistakes stymied the heavier Post team on its frequent scoring opportunities. The Abernathy defense also had a lot to do with the final outcome.

Neither team presented a serious scoring threat in the first quarter, but late in the second period, Post drove deep into Abernathy territory on slashing runs by halfbacks Benny Owen and Ronald Simpson.

THE DRIVE started after quarterback Mike Tannehill's punt from the 22 carried to the Abernathy 49. Running plays, mixed in with a nine-yard pass from quarterback Teddy Scott to Simpson, carried the ball to the 23, but halfback Mike Ayala couldn't hang onto Scott's pass in the end zone.

Simpson rounded end for 13 yards and a first down on the 10 and then plowed for five more yards after Scott's pass to Ayala was broken up by Lane Wade. With the ball on the 5, Scott kept around his left end to hit the corner at the 1-yard line, but a clipping penalty pushed the Antelopes back to the 16. Sophomore Paul Walker came in to try a field goal with Rickey Welch holding.

down and goal situation on the 4. Tannehill's field goal, kicked against the wind from the 15, appeared to sail wide of the uprights, but was signaled good by the referee.

POST DROVE deep into Abernathy territory again after Owen returned the kickoff six yards to the Post 36. The big gainer in the drive was a 28-yard end run by Simpson that deposited the ball on the Abernathy 28. Three plays later, Post had another first down on the 17, but Scott was chased for a six-yard loss back to the 23, and on the next play Abernathy recovered a fumble at the 21.

Abernathy picked up a first down on the 34, but three plays later, Sammy Sims recovered an Abernathy fumble on the 37, and Post started another goalward drive.

WITH SIMPSON and Scott lugging the ball, the Antelopes put together two first downs to get to the 17, and three downs later, Post was on the 4-yard line with nearly three minutes left to play.

Simpson lost a yard in a try at end, and Scott lost four more to shove the ball back to the 9. Owen rammed for five yards back to the four, but fell two yards short of the distance on the fourth down try, and Abernathy had the ball on their 2-yard line with 2:06 showing on the clock.

Abernathy gained only three yards on two plays, and Tannehill's punt went out of bounds on the 40. Scott hit Sims with a 19-yard pass to the 21, but four more passes failed, and Abernathy took over to run out the clock.

Antelope Stadium  
Here in Post**

When the Post Antelopes take the field at Antelope Stadium here Friday night against the Plains Cowboys they will be tackling the only Class A club on their schedule, but a real Class A toughie.

Plains has a two-one record for 1964 and come off an open date last weekend for the Post invasion. The Cowboys hold victories over Sudan 30-12 and Farwell 19-7 with the only blot on their record a 9-7 loss to a very rugged Friona ball club.

Coach Harold Teal's club, which yet to post a victory on the scoreboard in four fall outings, had the statistical advantage over both of their last two opponents except for the all-important points.

The student body has done an excellent job in the "school spirit" department and local fans are strong behind the club. Be there for the kickoff Friday night and give the Antelopes a boost.

# Justiceburg residents attend Reed funeral

**By MRS. BUD SCHLEHUBER**  
All of us extend sympathy to Mrs. Harry Wood and son upon the death of her father, Joe Reed, and to his brothers, Lee and Luther, and sister, Mrs. Lillie Cantrell, of Lubbock and other relatives. Those from the area attending funeral services for Mr. Reed Friday at 2 o'clock at Hudman Funeral Home were Mr. and Mrs. Bud Schlehuber, Mr. and Mrs. Douglas McWhirt, Mr. and Mrs. Elton Nance, Mr. and Mrs. Sid Cross, Mr. and Mrs. Mason Justice, Mr. and Mrs. Jim Tidwell and Bob, Mrs. Clyde Pettigrew, Mrs. Add Jones, Henry Key, Mrs. Jim Boren, Mr. and MRS.

## Funeral held for pioneer resident Justiceburg area

Funeral services for Joseph Nelson Reed, 74, of Justiceburg, who died Wednesday night of last week at the Golden Years Nursing Home, were conducted at 2 p. m. Friday at the Hudman Funeral Home chapel.

Mr. Reed, a retired farmer, had been a resident of the Justiceburg vicinity since 1905, two years before Garza County was organized. He was born May 15, 1890, in Jackson County, and was married to Miss Nora Lee Cannon in 1914. Mrs. Reed died some 40 years ago.

Mr. Reed is survived by a daughter, Mrs. Eugenia Odom Wood of Justiceburg; a sister, Mrs. W. L. Cantrell of Lubbock; two brothers, Luther and Lee Reed, both of Justiceburg; one grandson, Haskell Odom of Lubbock; two great-grandsons, Joel Joseph Nelson Odom and Gregory Paul Odom, and one great-granddaughter, Nancy Eugenia Odom, all of Lubbock.

The Rev. John Floyd of the First Christian Church, Slaton, and the Rev. Max Bunting of the Bethany Christian Church of Lubbock officiated at the funeral services. Winnie Tuffing played piano selections.

Burial was in Resthaven Mausoleum at Lubbock under the direction of Hudman Funeral Home. Pallbearers were Ira Farmer, Don Tatum, Ted Tatum, Jim Boren, Sam Bevers Jr., Jack Ainsworth, Buck Harrison and Spencer Bevers.

## Post physician attends Houston AMA session on occupational health

Dr. Harry A. Tubbs attended the 24th annual Congress on Occupational Health of the American Medical Association at Houston on Saturday and Sunday.

The various programs presented at the congress were concerned with how diet affects heart disease patients; the best drugs for treating hardening of the arteries, diagnosis and treatment of poisoning and methods of determining the amount of poisoning deriving from agricultural insecticides and other poisons in a given area.

The medical examiner for Harris County showed slides and described cases in which murder was proven to have been committed or not to have been committed contrary to the initial impression in several cases. Of most particular interest was the periodic health examination, lecture by Dr. V. C. Baird.

Dr. Tubbs is a member of the Committee on Rural Health, which is concerned with the occupational health of the Texas Medical Association, and is also a member of the Committee on Environmental Medicine of the Texas Academy of General Practice.

Rafael Rios and Eddie, Mrs. Dezzie Bevers, Mrs. Sam Bevers Jr. and Glenna, Mr. and Mrs. Raymon Key, Mrs. Jim Boren, Mr. and Mrs. and Mr. and Mrs. Jerry Crader.
