

ASSIST IN MARKER DEDICATION

The Garza Point marker, reached by an inclined walk of native stone, was dedicated Sunday 15 miles south of Post on the Gail highway. From left to right are District Highway Engineer Oscar Crain of Lubbock, Winnie Tuffing, History Appreciation Week chairman, Mrs. Walter Boren, co-chairman, Joe Williams, highway maintenance foreman, who erected the marker and made the walk; Frank "Chief" Runkles, master of ceremonies, and Julian F. Smith, resident highway engineer.—(Staff Photo)

More than 100 attend dedication of marker

A crowd of more than 100 persons, including approximately 40 junior high school history students, attended the roadside dedication of the Garza Point marker at 4 p. m. Sunday 15 miles south of Post on the highway to Gail.

Frank "Chief" Runkles, who was master of ceremonies, told of the excavation of the highway salvage site at the location, which resulted in the discovery of the Garza arrow point and many other artifacts left by Indian hunters.

The historical marker was obtained for the site after the arrow points found in the excavation were designated as the Garza point.

Following the dedicatory prayer led by the Rev. Curtis Lee, pastor of the First Methodist Church,

Rites conducted here Wednesday for Dick Roach

Funeral services for J. R. (Dick) Roach, 54, manager of the Planters Gin, who died Monday afternoon of a heart attack, were conducted at 4 p. m. Wednesday at the First Methodist Church.

Mr. Roach, who had been a resident of Post for about 35 years, was stricken Monday while mowing the lawn at one of his rent houses. He drove home in his pickup and was taken to West Texas Hospital at Lubbock where he died in the hospital's intensive care unit a short time after his admission.

Born April 25, 1902, at Honey Grove, Mr. Roach moved to Post from Roscoe. He had been manager of the Planters Gin for about four years.

Surviving are his wife of the home, 601 South Ave. R; a daughter, Mrs. Jess Compton of Post; a sister, Mrs. Pearl Huggins of San City, Calif.; and three grandchildren.

The Rev. Curtis Lee, First Methodist pastor, officiated at the funeral services.

Burial was in Terrace Cemetery under the direction of Hudman Funeral Home. Pallbearers were Paul Fickett, Louis Adams, Carroll Blumberg, Earle Thaxton, Harold Cass and Ira Farmer.

In annual "State of City" message

Sewage plant expansion needed Mayor tells Rotarians Tuesday

Post's sewage treatment plant is inadequate to meet all requirements of the state health department and will have to be expanded to combat the pollution problem, Mayor Harold Lucas told Post Rotarians at their weekly luncheon in City Hall Tuesday.

In his annual "state of the city" message to the civic club, Mayor Lucas reviewed city operations and needs, estimated that the city's present population is approximately 4,000 and refused to view the storm Post's "vacant house

situation." He also explained the various aspects of the "low water pressure problem" here this past summer.

"We have outgrown our sewage disposal system," Lucas declared. "It will be necessary to increase the capacity of the plant."

He said Ralph Douglas, consulting engineer used by the city, will make his recommendations to the council in the near future on the expansion of the disposal plant.

AS TO POST'S population—losses here also have been "viewed

with alarm" — the mayor said the 4,000 population estimate for Post is based upon an average water connection serving 2.5 people. Lucas said this rule of thumb is generally accepted for small towns. Lucas said city water connections here, on the average January through July of this year, were 1,341, which is a loss of 82 water connections from the 1963 peak of 1,423 connections.

Post's 1960 census listed the population at 4,646. Mayor Lucas' population estimate of 4,400 probably

was aimed at those here who have feared a far greater population loss in the last three years.

On the vacant house situation, Mayor Lucas said it is true Post has many vacant houses, but he said most of these houses are small ones and in need of repair. There is a real demand today for "good rent houses," Lucas said. He termed it "impossible" to find a three bedroom house to rent.

The mayor went on to point out that from 1949 through 1963, a total

Industrial fund goal of \$80,000 'in sight' as end of drive nears

Girls cage coach recovering from highway crash injuries

N. R. "Jiggs" King, girls basketball coach at Post High School, was recovering in West Texas Hospital at Lubbock yesterday from serious injuries he received about 11 o'clock Sunday morning in a three-car accident seven miles east of Tahoka on U. S. Hwy. 350.

King received a fractured left arm, fractured right ankle and cuts about the head and face in the accident, which occurred when a car driven by William Henry Osby, 15, of Route 1, Tahoka, veered into the path of King's automobile after striking another car.

King's wife said Tuesday night there was a possibility of her husband getting to come home from the hospital today (Thursday), but that it is indefinite how long it will be before he can resume his teaching and coaching duties at the school. He has casts on his arm and foot and will be in a wheelchair and on crutches for an indefinite period.

The Post man was driving east when the accident occurred, en route to Welch, between Lamesa and Brownfield, to visit his mother and to see about some of his cattle which are on her farm there.

Weekend wind-up on solicitations

The \$80,000 goal for the new Post Industrial Fund is in sight and the Chamber of Commerce Industrial Committee is "optimistic" about reaching it, Bryan J. Williams, committee chairman, announced today.

He said solicitations for the fund will be wound up this weekend.

Williams said the committee already is preceding with plans to incorporate a non-profit industrial foundation for the community as this will require a few weeks to complete.

"The response has been good," Williams told The Dispatch. "We have received a lot of local support as well as a lot of out-of-town support."

The campaign, launched four weeks ago, is seeking \$1,000 to \$5,000 notes from contributors payable at 20 per cent per year for five years to finance the employment of an experienced "industrial hunter" to spearhead this community's drive for additional industry.

Plans are to secure first payment on the foundation notes Nov. 1.

Additional time was required for the drive, originally scheduled for 10 days, to make contact with out-of-town contributors.

Actual organization of the Post Industrial Foundation will await completion of the fund drive. Members will have one vote per \$1,000 share of stock in the foundation, according to present plans.

Court, hospital trustees meet

The Garza County Commissioners' Court and the Garza Memorial Hospital Administrator and trustees held a special joint meeting Tuesday night in the commissioners' room to discuss hospital problems and finances.

County Judge J. E. Parker said the meeting covered a wide range of topics involving the hospital with trustees bringing the court up to date on various subjects.

With the county pinched for funds until new taxes begin coming in next month, the court was interested in probable hospital expenses over the next couple of months particularly.

The need for more doctors also was discussed.

"We have the same problems, but no new answers" is the way Judge Parker summed up the meeting.

Coins tossed to break ASC ties

Three ties among candidates for community committeemen were settled by coin tosses last Friday at the county ASC office.

David Tyler won over Floyd H. Hodges for the position of vice-chairman in Community "D", with Hodges automatically becoming the regular member of the community committee.

Jimmy Bird won the toss over W. C. "Matt" Graves in the same community for the position of first alternate member, with Graves becoming second alternate.

In Community "E" the coin toss was won by Bob Tidwell over Handy Cash for vice-chairman, with Cash winding up as regular member.

Bobbie Compton named Angelo band twirler

Bobbie Compton, daughter of Mr. and Mrs. Bob Compton, was selected Tuesday as one of the two twirlers of the Angelo College band.

Miss Compton is a sophomore at the San Angelo school and was a twirler in the Post High School band while in high school here.

FRIDAY IS 'M DAY' FOR GARZA FARMERS

Tomorrow is "M Day" for some 1,600 Garza County farmers.

In the mail to them Friday will come approximately \$1,712,000 in federal funds for cotton and feed payments.

Mrs. C. H. Harst, ASC office manager, said the checks were being typed yesterday.

It is a record payout of federal funds in Garza County.

Post has a lot of "good things" going for it right now.

The high school Antelopes are still ranked No. 1 on the South Plains among the AA clubs; the \$80,000 industrial foundation drive is "within sight of its goal"; oil activity here is at its highest point in several years; the White River Lake is half full and "out of danger" as a water supply source; school enrollment has "turned up" this year and indications are that the town hasn't lost nearly as many citizens as the "calamity howlers" would have you believe; and some \$1,712,000 in federal checks will be in the mail tomorrow to Garza farmers.

Total all that up — and it's high time for a lot of positive thinking.

Leo Acker, who has contributed a great deal on a virtually every community front you can name through the years, attended what probably will be his final Rotary luncheon Tuesday and was given a standing ovation by the members in appreciation of his work for the club and community. Leo told Rotarians it "is with a great deal of regret that I leave Post and this Rotary Club." He added that he will cherish always his many friendships here and memories of his life in this community. Leo plans to get away for his new position in Houston this weekend or early next week. Mrs. Acker will follow around Oct. 1 when their new Houston apartment becomes available. No town can afford to lose many Leo Ackers. He and his wife certainly leave with the best wishes of the entire community.

You football fans who haven't paid your \$10 family memberships for 1966-67 in the Antelope Booster Club need to "get with it." At the club's weekly meeting in the fieldhouse Monday night it was reported by Secretary-Treasurer Lonnie Duke that over \$500 in membership dues already have been turned in. But the goal is \$1,000 to cover costs of some of the club's projects to aid the school athletic program here. Since the boosters don't have any concessions at the

NEW PASTOR AND FAMILY

The Rev. George L. Miller and wife, Marilyn, and their 13-month-old daughter, Anna Louise, have moved from Houston to Post, where he has assumed his new duties as pastor of the First Presbyterian Church.

From two pay zones

Deep test completion to be triple producer

George R. Brown's deep test—Unit 35, Well No. 1, City of Post—located just north of the First Christian Church will be completed as a triple producer from pay zones in the Gorieta and San Andres after failure to find productive oil in the Strawn, Mississippi or Ellenburger.

E. R. (Buster) Moreland said the test was cored through the Cnayan, Strawn and Mississippi without oil shows and that a drill-

stem test from 5,500 to 5,600 feet in the Ellenburger formation indicated no productivity.

HE SAID THE rotary rig has been skidded to the west of the No. 1 well on the same half block location to drill the No. 2 well, Unit 35, City of Post, which will be drilled to approximately 3,750 feet with plans for a dual completion in other pay zones of the Gorieta and San Andres not tapped by the No. 1 well.

Surface pipe was set Tuesday and the well is now drilling. A completion rig will be moved in for the No. 1 well.

Moreland said the No. 2 well should complete drilling in the Unit 35 zone of the city.

The failure of the deep test to come up with new deep production highlights the week's oil news. (See Deep Test, Page 5)

Dog catcher hired; will vaccinate, license pets

Thomas Ammons of 113 East 4th St. was employed yesterday as city dog catcher, Mayor Harold Lucas announced.

The mayor said Ammons will be equipped to vaccinate dogs against rabies and will also issue city licenses and dog tags. His telephone number is 2528.

The dog pound has been moved to the city warehouse area and strays picked up by the dog catcher will be impounded there, the mayor said.

Dog attacks, severely bites girl here Friday

Six-year-old Peggy Lynn Jackson, daughter of Mr. and Mrs. Arthur "Bo" Jackson, returned to school Monday after being severely bitten about the face and head by a neighbor's dog last Friday afternoon near her home at 965 West 4th St.

The dog, a greyhound owned by J. B. Cole of 811 West 4th St., at-

tacked the child as she crossed the street returning home from play with a cousin who lives nearby.

Peggy's aunt, Mrs. W. B. Pewitt and Mrs. Travis Thomas, both of whom live nearby, ran the dog away from the child after she had gotten up from where it had knocked her down and bitten her.

More than 20 stitches were required to close gashes in the child's face and on her head. She was in the hospital until Sunday.

Another dog, which officers said was a stray, but had "taken up" at a nearby house, was with the greyhound when it attacked the girl, but Peggy's father said she told him the second dog did not attack her.

The stray dog was killed by city police and its head sent to the state health laboratory at Austin for rabies observation. The dog that attacked the child was taken by its owner to an animal hospital at Station to be kept for observation.

Police Chief Leidon P. Miller said he was informed in his investigation of the incident that the greyhound and the stray dog euth.

Attendance law being violated

William F. Shiver, superintendent of the Post schools, this week called attention to attendance requirements under the Compulsory Education section of the Texas School Law.

As amended last year by the state Legislature, the law requires that every child in the state who is seven years and not more than 17 years of age shall be required to attend the public schools a minimum of 185 days of the regular school term.

Sup. Shiver said there are violations of this attendance law here and that parents of the students face possible court action unless they comply with the law.

APPECIATION DAYS FOR POSTEX SLATED

"Postex Appreciation Days" are scheduled for Post next Friday and Saturday, Sept. 30-Oct. 1.

Local merchants are planning two days of real bargains aimed at showing Postex employees that they are truly appreciated on Main Street.

Plans for the bargain extravaganza were made last Friday afternoon at a meeting of the Post Chamber retail committee headed by Bryce Martin.

Letters to merchants explaining the event have been mailed from the Chamber office.

Highway offices invite visitors

In observance of Highway Week in Texas, open house will be held all day Friday at the resident engineer's office, maintenance department and general warehouse, all on the Snyder highway.

Julian F. Smith, resident engineer, said the public is invited to visit his office during the day to look over the facilities, to see over a cup of coffee and to see why "Better Highways Save Lives-Time-Money."

Joe Williams, maintenance foreman, and Sam R. Etter, general warehouse manager, said the public is also invited to visit their office and other facilities during the day.

Man Brown, the Kirby Petroleum Co. and the Howard Corporation.

George R. Brown has simply taken over the operations of Brown Brothers in agreement with the other partners in Brown Brothers holdings.

The change was effective Sept. 1. Office records on Brown Brothers operations here are now being transferred to the oil and gas division office of George R. Brown in Houston.

National 4-H week observance

Approximately 75 Garza County 4-H Club members and their adult leaders will join others throughout the nation Sept. 24-Oct. 1 in the observance of National 4-H Week.

The Garza County club members and their leaders have plenty of company in observing "their week," for there are nearly 2.25 million boys and girls who participate in the activity of some 96,000 4-H clubs in all the 50 states.

Organized for young people between the ages of 9-19 in cities, towns, suburbs and rural areas, 4-H clubs carry on a wide variety of educational projects in civic and community service, in farming, homemaking and personal improvement.

The goal of developing good citizenship is foremost in all 4-H programs. This goal is emphasized by the national 4-H emblem, which stands for the pledge: "My Head to clearer thinking, My Heart to greater loyalty, My Hands to larger service, My Health to better living, for my club, my community and my country."

By this pledge, millions of young boys and girls—many of them right here in Garza County—have developed character, talents and skills which today make them better citizens. National 4-H Week deserves the support, cooperation and respect of every citizen.—CD

This couple will be missed here

Leo M. Acker, who with his wife, Lucille, is moving to Houston within the next few days, wouldn't tell you so himself, but during the 16 years he has been a resident of Post he no doubt has devoted as much, or more, time to community affairs as any other man.

Currently, Leo is a member of the City Council, to which he was elected last April, and his moving away will leave a vacancy there. His departure will also leave a big gap in the Rotary Club membership, where he has edited the club bulletin for a number of years and where he has served as president and in other offices. Leo is also chairman of the Community Student Loan Fund.

He was a member of the school board during those trying years when the Post school district was experiencing some of its most excruciating growing pains and acquitted himself well in the eyes of his fellow board members and the public.

In the pre-United Fund days, Leo was a volunteer worker in Red Cross and various other

fund drives and since the United Fund was established, he has devoted much of his time, in various capacities, to helping put the fund drive over every year.

As office manager of Brown Bros., Et Al, he has had a big hand in that firm's commendable community work, which probably has been most noteworthy in such youth benefit programs as summer baseball and high school athletics.

One could go on and on enumerating the many things Leo has done for the good of his community, but knowing Leo to be a modest fellow, as are all community builders, we feel sure that this editorial would please him more if it had been cut short after the first paragraph—or even sooner.

The community will miss Leo and Lucille and we hope he doesn't take on so much work above and beyond the call of duty at Houston that they can't find time to come back and visit their friends in Post and Garza County.—CD

Highway Week to be observed

The annual observance of National Highway Week is under way, and which Garza countians are invited to give some thought to good roads, in addition to riding on them and paying for them.

The Texas version has been properly hailed by Governor Connally, who said under his official seal: "I do hereby designate the period of Sept. 18-24, 1966, as Highway Week in Texas and earnestly ask all Texans to give serious thoughts to the blessings and benefits derived from good highways and a Highway Department with vision to consider that 'Better Highways Save Lives, Time and Money.'"

Garza County is blessed and benefits from a representative network of highways that include two U. S. highways, three well-traveled farm-to-market roads and a good system of county roads.

Garza County also at this time has one of the area's biggest highway projects under way—the widening of U. S. Highway 84 from the top of the caprock northwest of Post to the Lynn County line near Southland.

We have many reasons to be thankful for and grateful to our Highway Department during this year's observance of National Highway Week.—CD

"YOUR CREDIT IS GOOD"

WE HERE AT The Dispatch office always circle the date of National Newspaper Week on our calendar, even though we don't always do anything about it in the way of special promotion. This year it's Oct. 9-15, and just on the chance that we won't get around to doing anything about it again this year, we're coming up early with a suggestion from the Midland (Mich.) News that an Anti-Newspaper Week might be better.

The Midland News says: "The newspaper is an institution developed by modern civilization to present the news of the day, to foster commerce and industry, to inform and lead public opinion and to furnish that check upon government which no constitution has ever been able to provide.

"We don't have enough special weeks in the year as it is now, so let's add another one and promote an appropriate observance.

"We have Anti-Noise Week and Anti-Litter Week, so now let's all get together and have Anti-Newspaper Week. From all indications it should be a tremendous success.

"It will be an appropriate time to join together to blame the newspaper for what's wrong with the community and with the people in it. Everybody can get it all off their chests and then sit at home in the evening and drink beer and watch television, secure in the knowledge that they have done their part.

"A committee can be organized to work out all the details, but certainly special attention should be given to news reporting. Hundreds of people are convinced weekly that the news reporting idea is all wrong, and they would be glad to serve to help correct it. Perhaps they can emphasize that the newspaper, should only print good news, and glad tidings, and nice things about nice people. They can campaign to do away with bad news, and prohibit newspapers from reporting that people do get drunk, get involved in auto accidents, receive traffic tickets, make fools of themselves, go into bankruptcy, shoot their wives, assault their neighbors, set fire to the church, embezzle money and spend tax dollars foolishly.

"Perhaps a special award can be given for the newspaper that doesn't offend anybody.

"Of course this newspaper couldn't run wedding stories, on the off chance that the bride may be pregnant or the groom a fortune hunter or both seeking matrimony on the rebound from unhappy love affairs.

"This perfect newspaper could never print the church notices, for there are those who don't believe in churches, and who oppose organized religion, and the newspaper should not offend these people.

"This perfect newspaper would carry no advertising, because advertising is competitive, and it isn't fair for one store to buy an ad in the paper because it might help the store sell some merchandise at the expense of some other competitor who didn't buy an ad.

"Our perfect newspaper will carry no pictures, because there is a very good chance that someone might be offended. The camera doesn't lie, they say, but maybe the newspaper does. . .

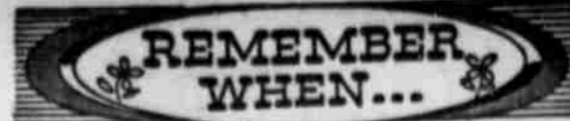

"It goes without saying that the perfect paper will never carry news reports of city council sessions or school board meetings or court trials or public hearings. We can't have the newspaper offending elected officials who as everyone knows are the only ones who know how to run the government. There will be no embarrassing quotes, no reports of what they did or how they acted. Government will reach a new high in efficiency.

"This newspaper can't carry social items, for fear someone will be hurt because they weren't invited to Mrs. Whosit's social; there will be no obituaries because there is the possibility that one might be longer than that of some other person, or might omit a pall-bearer; no legal notices, because they cost money and the judges and the lawyers want to keep the estate costs as low as possible. . .

"There will be no news stories of happenings or new stores or new people because someone may get a little free publicity and that's not fair to anyone else who doesn't have his name in the paper that week.

"There will be no sports stories, for in every game there is a winner and a loser, and we can't mention losers in the perfect paper. There is also the chance that the paper would forget to mention that Junior Glutz scored three points and Mr. and Mrs. Glutz would never forgive the editor for such an omission.

"Most important, there will be no editorials or columns; no attempts to explain or to comment or to lead the community. This is the best possible way to offend people so let's cut it out right now. Who cares if we have a better community? Who cares if someone attempts to speak for the people? "So there we have it—the perfect newspaper. No news, no pictures, no editorials, no ads. Take an imperfect newspaper and color

Service to the community

A colleague of ours tells this one. On Saturdays he sells dimes (10¢ each). Seems the neighborhood movie is next

door. The kids stop in before the show for dimes—for the vending machines in the theatre. A lot of our business is like this—service to the community. Glad to do it. Because we're conveniently located and open long hours, we're a handy place to pick up change or a bottle of aspirin. But a pharmacist's true service to his community is to be a quick, reliable source of the drugs and medications your physician prescribes. That's the real reason we're here. "Tame The Whirlwinds!"

AT FLOYDADA 8 P.M., Friday, Sept. 23

Floydada's Whirlwinds—this Friday night's foe of the Post Antelopes—will be no easy touch, but a mighty tough opponent despite their two opening 1966 losses.

The Whirlwinds exhibited a stout defense in holding both Hereford and Tulia, a pair of high ranked AAA grid powers, to a pair of touchdowns each. In both contests, the Winds made a real game of it.

Floydada is big and strong this year. With strong grid tradition behind them the Winds are on the road back. This will be Post's third straight test against District 3AA foes. And it probably will be their toughest yet.

Coach Glynn Gregg's Antelopes, in case you haven't noticed, have one of the stoutest defenses they've had in years this season.

Grid followers liked the way they took complete control of the game after Lockney's quick first quarter touchdown last Friday night. The club showed good balance, strong second effort by the backs, improved blocking, stout tackling and the poise to avoid making costly mistakes.

Social Security talk made Lions

Gerald Schantz of the Lubbock office of the Social Security Administration spoke on Medicare and the social security program in general at Tuesday night's Post Lions Club meeting. It was announced at the meeting that Lions Carl Aycock, Jack Alexander and Jim Jackson are working on plans for the club's annual luncheon supper to be held in October. Mike Thomas and Pat Sullivan were guests at the meeting. Lion Lonnie Duke is in charge of the program for next Tuesday's meeting and urges all Lions and guests to be present for an outstanding program.

Cemetery fund at Grassland sought

Residents of the Grassland community have elected a board that is accepting contributions to an endowment fund for the care and upkeep of the Grassland Cemetery. At a recent meeting, it was pointed out that the care of the cemetery has required approximately \$200 a year, but with labor costs rising, it is likely to be more in the future. Board members elected were J. H. Huddleston, Kelly Laws and Glenn Norman. All persons with an interest in the cemetery will be contacted in efforts to raise the fund, from which it is believed the interest would take care of the cemetery upkeep needs. Contributions to and inquiries about the proposed fund should be mailed to J. H. Huddleston, Route 3, Post, Tex. All checks should be made payable to: Grassland Cemetery Fund.

Pastor tells sermon subjects for Sunday

Sermon subjects at the First Christian Church Sunday will be "Marred Vessels" at 11 a. m. and at 7 p. m., "Bittersweet". The evening message is a continuation of the "Greatest Words" says the minister, Bernard S. Ramsey. The public is cordially invited to attend all services.

Three delegates attend state Demo convention

N. C. Outlaw, Frank Blanton and Sam Ellis of Southland represented Garza County Democrats Monday and Tuesday at the state Democratic convention in Austin. Outlaw, who is county Democratic chairman, served on this senatorial district canvassing and party nominating committee at the convention. Blanton and Ellis returned following the convention, but Outlaw went on to Houston to be with his wife, who is receiving medical treatment there.

Cotton 'hurting' for sunshine

Recent cool, cloudy weather hasn't helped the cotton crop a bit, County Agent Syd Conner told The Dispatch yesterday. He said the cool weather is slowing down the maturity and making some excess stalk. "What we need is a hot spell with lots of sunshine to warm up the nights," the county agent explained. He said the temperature has to stay above 60 degrees at night to help cotton growth. Several Garza rural areas "caught a shower" early Tuesday morning with rain gauges measuring up to .30 of an inch in various localities.

Culture Club coffee is held Sept. 14 to open club year

Woman's Culture Club opened its 1966 club year with a coffee and Community Room Sept. 14 from 9:30 until 11:30 o'clock in the evening.

President's message was given by the vice president, Mrs. Bilbo, in the absence of Mrs. Minor, incoming president, and to Live and Learn For the chosen theme for the year.

C. R. Thaxton, outgoing president and program chairman, presented the yearbooks which carry the theme, "Footprints on the Sands of Time."

Tillman Jones spoke on ethics and the club history. A discussion, led by Mrs. F. Storie, was on "Vacation Activities."

Dick Dickson, Mrs. C. H.

Gifts presented two at meeting

Mrs. Doug Hill of Snyder and Mrs. Leo Acker were presented with gifts by members of the Tuesday Morning Bridge Club when it met last week in the home of Mrs. James Minor.

A going-away gift was presented to Mrs. Acker, who is moving to Houston where her husband has been promoted from office manager at Brown Bros., Et Al, to chief accountant for the oil and gas division of George R. Brown and Highland Oil Company, Inc.

Mrs. Hill, a former Post resident and still a member of the bridge club, received a birthday gift.

Following bridge play, the group was surprised with a luncheon of jalapeno cornbread and blackeye peas, prepared and served by Mr. Minor.

Members present for the event were: Mmes. Acker, Jack Burrell, C. I. Dickson, Minor, Powell Shytle, Mason Justice, Ira Greenfield, Oliver G. Morgan and Hill.

Lubbock woman speaks here at salad luncheon

Twenty-five women were present for a salad luncheon held Sept. 12 in the First Methodist Church Fellowship Hall in conjunction with a meeting of the Women's Society of Christian Service.

Mrs. Mark Williams, wife of the minister of St. John's Methodist Church in Lubbock, was guest speaker and told of her travels in Europe. She also spoke on a tour of the Holy Land and of the World Methodist Conference held in London, England.

Mrs. Williams was accompanied from Lubbock by Mrs. Mable Love. A brief business meeting was conducted by Mrs. A. C. Cooke, president.

Those present besides the guests were:

Mmes. A. M. Lucas, Al Norris, Lonnie Welborn, Jess Rogers, K. W. Kirkpatrick, Jack Kirkpatrick, Jim Hundley Jr., Powell Shytle, Bob Collier, R. A. Honored here at dessert bridge

Mrs. Leo Acker, who is moving to Houston with her husband after living 16 years in Post, was complimented with a dessert bridge last Thursday in the home of Mrs. Harold Lucas.

The honoree was presented with a set of gold salt and pepper shakers and a crystal compote banded in gold.

Mrs. J. H. Haire won high and Mrs. D. C. Williams won the bingo prize.

The guest list included: Mmes. Haire, Williams, V. L. Peel, Powell Shytle, Mason Justice, Oliver G. Morgan, Bob Collier, Bill Cates, and James Minor.

Hostesses were: Mmes. Lucas, Lee Davis, J. E. Parker, Ira Greenfield and Jack Burrell.

WCS meeting held here Monday morning

Mrs. L. G. Thuet Sr., served refreshments before the Monday morning meeting of the Women's Society of Christian Service at the First Methodist Church.

The meeting was opened with a song in the chapel. A special offering was taken for the Texas Mission Home in San Antonio following the business meeting.

Mrs. Jack Kirkpatrick was leader of the new study "Keeper of the Poor" by J. Edward Carruthers.

Mrs. James Brown was a guest member present were: Mmes. A. C. Cooke, Kirkpatrick, Thuet, H. W. Schmidt, Carl Aycock, Curtis Lee, Wayne Richardson, Jess Rogers, J. E. Parker, Ralph Welch, Tillman Jones and Joe Callis.

It's My Turn

— By MRS. C.

Things aren't all that quiet at the C house with our Misses C's off to the university. We still have Mrs. Sam Basset and one of her pups around to keep things lively.

Much as Mr. C and I love "Sadie" (temporarily named by the Misses C's) it seems a shame to "waste" a puppy on people-who-work. So, we're still looking for a good home where she can be full of appreciated. Notice I didn't say that Mrs. Sam "loves" her. We have decided she is entirely too spoiled to make a good mother. She enjoys playing with Sadie and shares her water bowl with her but that is all. We have to feed one in the house and one on the patio to make sure Sadie gets to eat without getting her head bitten off.

Motherhood evidently comes just as hard to some animals as to some human beings.

Mr. C and I went to see "Who's Afraid of Virginia Wolf" while in San Antonio. Even though we were happy as larks before we went, we felt most antagonistic toward each other as we left the theatre. I'm not sure it's the type of movie couples "who do not get along" should go see. Heaven only knows how they might react. After 25 years of living together and still liking each other, we recovered pretty fast.

We've become "pros" at getting the Misses C's into their dormitories. Starting at 9 o'clock Wednesday morning, we had them both unloaded and their rooms straightened and cleared by noon. We then got out fast before the next mover-in arrives and everything gets torn up again.

When we encounter one of those monsters on a rainy highway I have trouble not blowing mine—stack, I mean.

Down in the hill country they have sensibly built climbing lanes for slow traffic on hills. The trouble is some drivers don't know they're "slow traffic" so they slow up all traffic for miles. It's absolutely amazing the number of people who cannot read who drive. Anyway I presume they can't read or those "stop" signs would mean something to them as they approach a highway.

However, one learns to look out for these fools and they don't worry me nearly as much as the big diesel trucks do in the rain. The smoke from their stacks blows downward in the rain and makes passing a blind danger.

When we encounter one of those monsters on a rainy highway I have trouble not blowing mine—stack, I mean.

Shower is held for bride-elect

Miss Pamela Owen, bride-elect of Billy Joe Hall, was complimented with a bridal shower last Thursday evening in the home of Mrs. Willard Kirkpatrick.

Guests were received by Mrs. Kirkpatrick, the honoree, her mother, Mrs. Ben Owen, and Mrs. Buddy Hall, mother of the prospective bridegroom.

Miss Pat Martin registered the guests calling between 7 and 8:30 o'clock.

Misses Cerritha Jones, Pat Landreth, Betty Hutchins and Mrs. Charley Landreth served from a table laid with a Normandy lace cloth featuring a blue and green floral centerpiece and white candles.

Gifts were dispensed.

Misses Sharia Pierce and Arieta Robinson played piano selections throughout the evening. All the friends of Miss Owen who assisted were long formal.

Hostesses were: Mmes. Kirkpatrick, Lee Davis, J. H. Haire, J. B. Jones, Bernard S. Ramsey and Jack Burrell.

Bargsley family reunion is held

The annual reunion of the Bargsley family was held Sept. 4 at the home of Mr. and Mrs. Henry D. Bargsley, 1115 Holly St., Austin.

Mr. Bargsley is a former resident of Post and Garza County, having lived here for 31 years.

Those attending were: Mrs. Viola Smith, Coleman; Mrs. Nannie Greer, Slaton; Mrs. Willie Coleback, Portland, Ore.; Mrs. Ethel Bargsley, Coppell; Mr. and Mrs. Elvis Roberson and family, Fort Worth; Mr. and Mrs. H. R. Corder and family, Lewisville; Mrs. T. E. Kristinek and family and Mrs. W. T. Seward and family, Belton.

Also, Mrs. Reba Davis, Mrs. E. E. Sherrill and family, Mr. and Mrs. James C. Bargsley and sons, Mr. and Mrs. Lewis Bargsley and son, Mrs. Maxine Bargsley and sons and Mrs. Lorene Bargsley, Austin.

and families, who wedded hosts for the occasion.

An arrangement of yellow spider mums placed in front of an antique five-candle candelabra centered the serving table, which was laid with an ecru cloth over gold. The three-tiered wedding cake was iced in white and decorated with yellow flowers. Nuts, mints, cake, punch and coffee were served.

Miss Barbara Lucas and Rita Riding of Granite City, Ill., granddaughters of Mr. and Mrs. Lucas, and Miss Sharyn Bilberry, great-niece of the Lucases, were members of the house party.

Out-of-town relatives and guests attending were Mr. and Mrs. Lona Marlar of Morton, Mr. and Mrs. John Sheick of Amarillo, Mrs. Izora Jones and Edward Smith of San Saba.

SUNDAY VISITORS Sunday visitors in the home of Mr. and Mrs. Ben Seward were his brother-in-law and sister, Mr. and Mrs. Weldon Gibson, and children of Loop and his mother, Mrs. Maudie Seward.

FAMILY VISIT Weekend visitors in the home of Mr. and Mrs. Bill Snow were his son and daughter-in-law, Mr. and Mrs. Billy Snow and children of Albuquerque, N. M., and their daughter, Mrs. Ruth Hardy and sons of Brownwood.

Mrs. Mae Shipley is sewing club hostess

Mrs. Mae Shipley was hostess to the Mystic Sewing Club in her home last Friday and served potato chips, dips, cake and punch.

Plans were made for a family party to be held at the Reddy Room Thursday, Sept. 29, at 7 o'clock in the evening.

The next regular meeting will be Friday, Sept. 30, when Mrs. Nell Windham will be hostess.

Those attending the meeting included: Mmes. Edna McLendon, Katherine Rankin, Nell Windham, Cecil Gray, Winnie Henderson, Annie Hodges, Aylene Runkles, Estelle Nichols, Lillie Short, Nora Willingham and Miss Henrietta Nichols.

Gifts were dispensed.

Misses Sharia Pierce and Arieta Robinson played piano selections throughout the evening. All the friends of Miss Owen who assisted were long formal.

Hostesses were: Mmes. Kirkpatrick, Lee Davis, J. H. Haire, J. B. Jones, Bernard S. Ramsey and Jack Burrell.

BEAUTY'S BABY

One day, recently, the children and I stopped, on our way home, to pet Beauty and her baby. Beauty lives at Mr. Ryder's farm, not far from our home, and the coming of her colt has been a prime topic of conversations these past few weeks.

This particular day Carla's question about Starlight's Daddy and his whereabouts sparked a discussion with my threesome that ranged from God's plan for the birth and care of baby animals, on to people and their babies.

It was a rare and precious moment, such as parents and teachers treasure, when young minds reach out effortlessly for information and understanding.

As we drove home, I thanked God for the opportunity He had given me to share in this eager unfolding of my children's thoughts and ideas. I thanked Him, too, for His Church which has inspired my religious growth and thus helped me keep pace with the developing queries of my children.

The Church is the source of great understanding.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Industrial development is launched by SWPC

Southwestern Public Service Company is embarking on an expanded industrial development program, it has been announced by W. L. Pearson, vice president and industrial manager for the electric com-

pany. Larry S. Milner, who has been an industrial development consultant with the Texas Industrial Commission, will become manager of industrial development at Southwestern Public Service, Pearson said.

Pearson also announced that an industrial development seminar for the company's managers will be held at the Southwest Service Center in Amarillo on Sept. 22.

Milner, who is a native of Brownwood, has been with the Texas Industrial Commission since 1964. Prior to that time, he was chamber of commerce manager at Cisco and a staff member of the San Angelo Chamber of Commerce.

The new industrial development manager attended Howard Payne College and graduated from the University of Texas. In addition, he has taken a number of post-graduate courses in area and industrial development.

"As far as electric power is concerned, and its role in industrial development, each of the communities that we serve starts off equal with any other. Because of our interconnected generation and transmission systems, we can meet the electrical needs of any industries that are likely to locate in this area at any point in the area. What we hope to do now, with the addition of Milner to our staff and with the seminar and other activities that we are planning, is to provide for each community some additional manpower, informed manpower, to help it in its industrial development," Pearson said.

Among the speakers at the Sept. 22 seminar will be Jack G. Springer, executive vice president of the West Texas Chamber of Commerce; James A. Covell, economic development consultant for the General Telephone Company of the Southwest; Harry W. Clark, executive director of the Texas Industrial Commission and Roger K. Owen, area development manager for Southwestern Public Service Company. Milner will be the master of ceremonies for the program and also a speaker.

Attending the seminar from Post will be Glen Barley.

NATIONAL 4-H CLUB WEEK

Sept. 24 to Oct. 1, 1966

As They Learn, They Serve... and the Future Is Brighter, Thanks to 4-H'ers

With pride, we salute our Garza 4-H Club members, for their efforts and achievements. Through their Head . . . Heart . . . Health program, they are learning better ways of farming and homemaking, better ways of working together, better citizenship for a brighter tomorrow. Valuable 4-H training for our youngsters means much to our community today . . . and will mean still more tomorrow, for experience shows that the worthwhile work, the aims and ideals of 4-H, do much to foster the priceless qualities of leadership. We take pleasure in congratulating our 4-H boys and girls, and wish them the best of success in all their projects.

'State of City'—

(Continued From Front Page) of 122 residences were built in Post at a cost of \$1,537,910, and that a 28-unit public housing project also was completed during the period.

"With a total of 150 new residences, it is easier to understand the vacant house problem," the mayor concluded.

LUCAS SAID that while "low water pressure" was a familiar phrase here during the summer, the fact was that the actual water pressure was fairly constant.

"Our engineer thinks the situation will right itself in a matter of a few months," Lucas said.

He went on to say that during peak usage, it was necessary to change out 50 or more meters monthly and that this was quite an expensive item.

MAYOR LUCAS cited the Post Public Library as a new public facility now available to Post folks and commented that the "council should be commended for providing facilities for the library." He reported over 2,300 books now on the shelves and pointed out the many contributions "a great many people have made to the library."

He said the Friends of a Public Library organization took it "upon themselves to operate the library on a volunteer basis and we think they have done a fine job."

"It is our thinking," the mayor said in opening his talk, "that an informed public is the key to good government. No public policy, even well conceived, can succeed without broad citizen support and understanding."

MAYOR LUCAS said "sound financial management over the years" has made it possible for the council to hold the tax rate the same for another year — \$1.50 rate at 25 per cent of value.

The current budget is realistic and there is no evidence of extravagance or waste in our city government," Lucas said.

LUCAS POINTED out it is necessary to replace some city equipment each year for efficient operations. He pointed out the city last year purchased a street sweeper, one police car, and a shredder at a cost of \$10,500 above trade-ins.

In the 1966-67 budget, the city proposes to purchase a half-ton pickup truck and a two-ton truck with flat bed and hoist at an estimated cost of \$8,000. He added all such purchases are in cash, saving the cost of interest.

The mayor said that while \$10,500 was spent last year in installing larger water mains and relocation of fire plugs, many more mains will need to be replaced with larger ones to adequately serve residents in the northwest portion of the city.

Lucas said the city obtained a reduction in the key rate for fire insurance from 42 to 35 cents in January of this year because the city has followed recommendations of the insurance commission in the installation and relocation of fireplugs. The key rate reduction, he emphasized, has resulted in a considerable savings in fire insurance premiums to local residents.

Lucas said every paved street and avenue within the city has been seal coated during the last two years at a cost of \$34,000 and "only minor repair is anticipated for the next two years."

THE MAYOR reported the city has 24 employees, including the city-park custodian, including four in police department, two in cemetery, four in city hall administration, four in street department, five in sanitation department, and three in the water and sewer department.

Lucas handed out copies of the city's balance sheet as of July 1, 1966, to Rotarians and went over items with them. The financial statement appears on page 10 to today's Dispatch.

"With mutual effort and understanding the city will remain strong," Mayor Lucas said in closing. "Working together, we can be assured of a limited expansion in Post in the years ahead."

Three groups in Garza County are observing weeks

Three Garza County organizations — 4-H, Young Farmers and Young Homemakers — are observing special weeks this week.

It's National 4-H Club Week for the members of the county's six 4-H clubs and their adult leaders, with the observance under the direction of the county Extension Service agents, Syd Conner and Mrs. Juanette Gentry.

Approximately 75 boys and girls are members of 4-H clubs in the county, with 17 persons serving as adult leaders.

The stage for the observance of Young Farmers and Young Homemakers Week was set at Snyder last Saturday at the annual Area 11 Young Farmers meeting, which a number of Garza County members attended. U. S. Sen. John Tower was the principal speaker. Some 20 chapters from West Texas were represented at the convention.

Young Homemakers of Texas is the state association for young women interested in homemaking. The organization is sponsored by the Division of Home and Family Life Education, Texas Education Agency. Homemaking teachers serve as chapter advisors.

Robert Craig is president of the Garza County Young Farmers and Mrs. Jerry Thuet heads the county's Young Homemakers.

Deep test—

(Continued From Front Page) but isn't all of it by any means.

THE BOND Operating Co. of Dallas has completed the city's first triple-producer in its Merrell - Storie No. 2 from the San Andres and Glorieta and plans to complete its Merrell - Storie No. 1, now a dual producer, as a triple producer too.

These twin wells, 50 feet apart, are located on the northwest edge of the city, a block west of Mohawk Street.

George R. Brown also is completing the Robinson No. 5G dual producer of the Post Stampede rodeo grounds, as a dual producer, and is now drilling at 1,793 feet on the Montgomery - Davies E. No. 3G, a new test which is located just south of the roadside park on US-84 northwest of the city.

TWO NEW wildcat tests also were reported this week in Garza County.

Bert Fields Jr., of Dallas is drilling a 4,000 foot Glorieta wildcat No. 1 C. Eason, two and one-quarter miles north of Post and three-quarters of a mile northeast of the Garza San Andres and Glorieta pool.

D. J. Stone Oil and Gas Operations is drilling the No. 1-93 Post Estate, six miles northeast of Post to a 3,300 foot projected depth.

Brown Bros.—

(Continued From Front Page) Brown Brothers here for the last 16 years, is being promoted and transferred to Houston where he will become chief accountant for the oil and gas division of George R. Brown and the Highland Oil Co., Inc.

Moreland said the only other personnel changes which will be effective here would be the discharge of two office employees because of the transfer of the office records.

SHOWING AT TOWER

Brian Keith and Steve McQueen are co-starred in the epic western, "Nevada Smith," now showing through Saturday at the Tower Theatre. The film is in color and Panavision.

Bullfights set for Astrodome

HOUSTON — Portuguese - style bullfighting, which was so successful in Houston last February, will return to the United States and the Astrodome on the weekend of Oct. 21, 22 and 23.

Antonio Ordonez, the Spanish Matador who is called "The finest torero of the generation" by the Encyclopedia of Bullfighting, will head the cast of matadors and rejonadores.

Jaime Bravo, who was a sensation in the Houston fights last February, will return and Guillermo Carvajal, the champion bullfighter of Mexico, will be the third matador. Felipe and Evaristo Zambrano, who thrilled the Houston crowd in their first American performance will also return with bullfighting on horseback. Each matador and the rejonadores (bullfighting on horseback) will fight two bulls at each performance.

The bullfights are the same as in Spain and Mexico except that the bull is not picked, nor is he killed at the conclusion. The bulls wear a rubber pad on their back into which the banderillas are placed.

Church World Service ships India fertilizer

AUSTIN — Church World Service has just shipped 350 tons of fertilizer from the port of Galveston destined for India to help that country's struggle against starvation according to Norman A. Sunwall, Texas field representative for CWS.

CROP, the community resources program of Church World Service, will be providing approximately one-fourth of the cost of this shipment and an additional 1,500 tons to follow in about 30 days. The balance is being provided by other resources of Church World Service, the Protestant relief agency of 24 denominations in the U. S.

TRIP TO DALLAS — Mr. and Mrs. Jim Hundley left Monday for Dallas to see some football games and go to some shows. Mr. Hundley said before they left that they'd be back in time to go to the Post-Floydada football game Friday night.

Car crash—

(Continued From Front Page) to their home in Plains, where he is high school vocational agriculture instructor, had just passed King and Bowen had decided to stop him in Tahoka to talk to him about some horses he (Bowen) had broken for him.

Stephens said he looked in his rear view mirror after passing King and saw a big cloud of dust and smoke back down the highway. He returned and helped extricate the Post man from his automobile, it being necessary to break out a glass because of the car's doors being locked. It was reported that King had his seat belt fastened, but that the seat belt apparently was broken in the accident.

An ambulance brought King to the Medical Center here, where he received treatment before being sent to the Lubbock hospital.

School Supt. William F. Shiver said today that Mrs. Glenn Norman has been hired as a substitute teacher to teach King's commercial class students and assist Coach Will Bigott with Coach King's girls physical education classes until the injured teacher is able to resume his duties.

Girl bitten—

(Continued From Front Page) er were fighting or had been fighting just before the greyhound attacked the child.

Mrs. Cole, contacted yesterday by a Dispatch reporter, said the greyhound had shown no signs of being vicious all the time they owned him and that their small son "played and wrestled with him all the time."

They kept the dog penned in the yard, she said, but that he at times jumped the fence and that she found the yard gate open the afternoon he attacked the little Jackson girl.

ATTENDS CONFERENCE — Leldon P. Miller, Post chief of police, spent Wednesday morning in Lubbock attending a law enforcement officers' conference conducted by agents from the Federal Bureau of Investigation.

ATTEND FUNERAL — Mr. and Mrs. Chester Keeton attended funeral services of their son-in-law's mother, Mrs. J. W. Copeland, last week in Temple, Okla.

Library Listening Post

Books continue to pour into the Post Public Library. What is so keen about the books being received is that so many of them are new, current ones.

Next week, we'll run a list of all the 1965 and 1966 books we have to offer and you'll really be surprised.

Since new hours have been added at the library we thought a new list of hours were in order so here goes:

Monday: 9-12 a.m., 1-7 p.m.
Tuesday: 7-9 p.m.
Wednesday: 9-12 a.m., 1-7 p.m.
Thursday: 7-9 p.m.
Friday: 9-12 a.m.
Saturday: 9-12 a.m., 1-4 p.m.

These new hours are designed for use by school students. Volunteers making this possible are Mmes. B. E. Young, K. W. Kirkpatrick, Maxine Cummings and Raymond Perdue. Mrs. Peggy Dennis and Mrs. Bernice Eubank are the 1 to 4 o'clock Wednesday afternoon workers. New substitute volunteers are Mrs. Carl Aycock, Mrs. Carleton Webb and Mrs. Dick Dickson.

CORRECTION DEPT.: The book given by the Bobby Cowley family was in memory of Mrs. B. K. Bowen and E. E. Cass, not for C. C. Cass as was erroneously stated in the last library column.

Mrs. O. H. Hoover has placed "Profiles in Courage" on our shelf in memory of her late husband. She also brought in some paperbacks and more "hardbacks."

Other books have been received from Carleton Webb, Mr. and Mrs. K. W. Kirkpatrick, Mr. and Mrs. Bud Davis, Mr. and Mrs. David Newby, Mrs. C. K. Pierce, Miss Elisabeth Tubbs and more books from Mr. and Mrs. John Lot of Lubbock, Mrs. Bob Olson and Mr. and Mrs. Earl Chapman.

Miss Tubbs donated 16 in the American Heritage series—some of the nicest junior books published. We don't always have room to publish all the book titles but since we're working hard at the young people to use the library we thought these worthy of note: "Cowboys and Cattle Country," "Thomas Jefferson and His World," "The Pilgrims and Plymouth Colony," "The Roads of the Spanish Main," "Railroads in the Days of Steam," "Trappers and Mountain Men," "Indians of the Plains," "The Story of Yankee Whaling," "Naval Battles and Heroes," "The California Gold Rush," "Steamboats on the Mississippi," "Great Days of the Circus," "The French and Indian Wars," "Discoverers of the New World," "Men of Science and Invention," and "Texas and the War with Mexico."

Those all sound invaluable for "loppers" and research among our younger set, as well as just good reading fun.

Marker dedication ends History Week

Garza County's first annual History Appreciation Week came to a close Sunday afternoon with the dedication of the Garza Point marker on the Gail highway.

The series of events during the week were directed by Winnie Tuffing, historian of the Garza County Historical Survey Committee, which sponsored the observance. Wendolyn Boren was the co-chairman.

One of the week's activities was clean-ups around the marker sites, directed by George "Scotty" Samson, marker chairman.

Various store windows in town displayed artifacts and other items of interest from earlier eras.

Mrs. A. C. Surman and Mrs. Boren made talks to history classes in the Post schools, inviting them to visit markers and geographic sites of historic interest, and explaining to them the work of the GCHSC.

A \$10 award is to be made to the student doing the most research and having the most authentic history on the landmarks, the committee members said.

The students' tour of historical sites ended with two busloads of them attending the marker dedication Sunday afternoon. Geographical locations visited on the tour subject to naming were Two Bush Hill, Duffy's Peak, Twin Chimneys and Buffalo Point. Rain and muddy roads forced postponement of a visit to Cooper's Canyon.

Also during the week, George

Samson represented the GCHSC at a meeting of the county commissioners' court at which the accepted the old Poston Sanatorium as a gift from the state.

A meeting room for the board committee will be provided in the old sanatorium building as repairs are made to walls and doors. The meeting room will include five cabinets for the filing of papers and records in the possession of the historical committee. A planning committee will be appointed to consider some of the building as a museum in time in the future.

SCHOOL FOR LAWYERS — COLLEGE STATION—The West Academy for Law Education begins Sept. 26 at Big Bend. Scheduled at Howard County Junior College, the four-week course is expected to attract some police officers from West Texas. Classes will be held seven days a week.

Friday Night Picks By HARRIS RATING SYSTEM of DALLAS

As sponsored weekly by Bob Collier, Druggist on outcome of games played by Post Antelopes and their seasonal opponents.

Post over Floydada 99.5 — Power Ratio — 95.8 By 3 Points

Post this week jumped from 102nd among the state's 193 Class AA teams to 61st and was given a 5 1/2 point boost in its power ratio for its showing over Lockney. Denver City has dropped to 59th ranking in state, just two positions and .6 of a power ratio point above the Antelopes.

Difference between power ratios determines predicted margin.

WINNER	LOSER	MARGIN
Hereford 121.8	Hale Center 93.2	28.6
Lockney 91.3	Ralls 90.5	0.8
Hamlin 82.2	Cisco 77.2	5.0

Antelopes face stern test at Floydada Friday night

Whirlwinds 'hungry' after two setbacks

The Post Antelopes will face a hungry, but by no means lean, team of Floydada Whirlwinds at 8 o'clock Friday night on Wester Field in Floydada.

Coach Bill Curry's Whirlwinds have lost to two Class AAA teams, Hereford and Tulia, by scores of 14-7 and 14-0.

"We've moved the ball well and we've been solid on defense . . . we're just going to have to get

Post frosh and Wilson deadlock

The Post freshman and Wilson "B" teams battled to a 6-6 tie here last Thursday in a game played on the Antelopes' practice field, with the gridiron wet from rain that fell intermittently during the game.

Post scored in the first half when quarterback Jay Bird reversed his field and ran 60 yards following a "busted play." George Torres failed in an attempt to run over the extra points.

Post downs Longhorns, 20-6

Ball control pays off in victory at Lockney

The Post Antelopes scored 20 points in the first half then played masterful ball control in the second half to pin a 20-6 defeat on the Lockney Longhorns Friday night on a rain-soaked field at Lockney.

The Longhorns broke in front on the third play of the game when their fleet halfback Melvin Sissney shot through a gap in the left side of the Post line and raced 70 yards to score. The kick for extra point was blocked, and after that it was Post all the way.

The Antelopes' first touchdown came with 6:22 remaining in the opening period after Paul Walker pounced on a Lockney fumble on the Longhorn 14. Duke Altman crashed through from the one on a quarterback sneak four plays later, with Walker missing the try for extra point to leave the score deadlocked at 6-6.

POST WENT AHEAD WITH 1:29 gone in the second quarter when Altman again scored on a quarterback sneak after a 69-yard drive. Walker booted the point to make it 13-6.

The final touchdown came with only 38 seconds remaining in the half when Walker cut back with a pitchout on an 11-yard scoring run, then kicked the extra point.

The Antelopes failed to dent the scorebar in the second half, but controlled play throughout, running 36 plays to only 12 for the Longhorns, and holding onto the ball for all but two plays in the third period.

On two occasions, Post scoring drives in the second half were halted by holding penalties and on two other occasions by Longhorn goal line stands.

The Antelopes' first touchdown following Walker's fumble recovery came after he and Jimmy Bartlett had advanced the ball to the one, from where Altman went over.

IN THE 69-YARD DRIVE leading to the second six-pointer, end Roy Sappington caught two passes for 18 and 7 yards from Altman and Walker snagged one for 10 yards. Walker and Bartlett also ripped off good ground gains in the drives.

The final touchdown came after Sissney's high punt sailed out on the Lockney 35. The Longhorns had been put in a hole by a booming 45-yard punt from the toe of Davis Heaton that end Donnie Windham

man's pass on the 32, but Lockney had the ball for only two plays, with Dennis Altman recovering a fumble on the 35.

WITH WALKER AND BARTLETT ripping off good gains, the Antelopes got back down to the 2, but another holding penalty set Post back to the 22, with the Longhorns holding for downs on the 20.

The Antelopes mounted another scoring threat early in the fourth period when Sissney's high punt traveled only 22 yards out of bounds on the 50.

Heaton, Walker and Bartlett advanced the ball to the one-yard line, with Heaton gaining 15 yards on one of the runs. The Longhorns again held, however, and took over on downs with only a little over two minutes remaining.

The Longhorns' only serious scoring threat after Sissney's touchdown gallop came on the last play of the first half when Sappington, trying to intercept Webster's long pass, deflected it into the hands of Sissney on the Post 15. The speedy halfback didn't go anywhere, however, with Dennis Altman latching onto him before he could break away.

THE GAME WAS ONE of the best-played ever turned in by a Post Antelope eleven. They managed to hold onto a ball that was so wet it had to be exchanged every play or two for a dry one, and put on probably the best exhibition of ball control ever turned in by a Post team.

Except for the one play on which Sissney got away, the defense was excellent, with Windham, center Jack Huff, guards Ronnie Petty and Clyde Cash, tackles Norman Tanner, Dick Kennedy and all the other Antelopes who saw action turning in good games.

Walker was Post's leading ground gainer with 90 yards net on 23 carries. Bartlett and Heaton each netted 62 yards, Bartlett on 16 tries and Heaton on 11. Duke Altman had a net gain of 13 yards on five attempts, while Kennedy, shifted from end to quarterback for the last play, gained four yards on one try.

Sissney was easily the Longhorns' leading ground gainer, his 70-yard touchdown run accounting for all except 47 of the 117 net yards his team gained.

7th, 8th graders split at Lockney

Post's junior high school football teams split a pair of games at Lockney Tuesday to open their 1966 season, and go to Slaton for games next Tuesday.

Coach Bud Davis' 8th grade team beat Lockney's 8th grade eleven, 8 to 6, but Coach Will Bigott's 7th grade team lost, 6 to 0.

Post's score in the 8th grade game came in the first half when defensive tackle Mike Feagin blocked a punt on the 36 and Arthur Torres grabbed the loose ball on the 10 and ran it across. Larry Scrivner tackled on the extra points on an end run.

Coach Davis named Robert Bullock as outstanding in the backfield and Jimmy Poyer in the line.

The 7th grade game was a defensive battle, with Lockney pushing across the only touchdown. Coach Bigott said quarterback Kyle Josey and halfback Danny Vargas were outstanding on offense and Ricky Bush, Kim Owen and Mike Hays on defense.

REMEDIAL PROGRAM PLANNED

Post couple attends symposium on language disabilities at Austin

Dr. and Mrs. Harry A. Tubbs represented the Medical Center Foundation last Friday at House Speaker Ben Barnes' Symposium on Language Disabilities, held in Austin.

Barnes announced at the symposium steps to lift children out of "word blindness," where their inability to understand what they read often brings on physical as well as emotional ailments and upsets.

Barnes said at the conclusion of the symposium that a committee of 10 will recommend to the 1971

legislature plans to set up statewide diagnostic and remedial programs for language disorders.

Recommendations for the program leading to that goal begin next January with the appointment by the Texas Education Agency of a planning director for language disabilities and a 15-member advisory committee's job will be to ask the legislature for money and to recommend setting up three area research and demonstration centers.

Barnes followed five experts in language disabilities to the speaker's stand before an audience of some 2,000.

Dr. Stanton Barron of Abilene, chairman of the legislative committee on language disorders, said that many Texas school children suffer from the problem of dyslexia, which means they can't comprehend words. Some children, he said, refuse to go to school "and develop body complaints, vomiting and headaches."

Other speakers included Dr. Macdonald Critchley, president of the World Federation of Neurologists; Dr. Ralph D. Rabinovitch, director of the Hawthorne Children's Center; Dr. Gilbert Schiffman of Johns Hopkins University; Dr. Richard Mastland, chief of the Institute of Neurological Diseases and Blindness, and Dr. Douglas O. Crowther, assistant professor of neurology, University of California.

Eagles vanquish Smyer, 36 to 0

SOUTHLAND — The Southland Eagles ran roughshod over Smyer last Friday night, 36 to 0, and will try to make it three in a row when they play Cotton Center this Friday night at Southland.

The Eagles opened two weeks ago with a 50-0 win over Bula, so the Smyer victory runs their point total to 96 against none for their opponents.

Southland posted its one-sided win over Smyer despite the absence of two regulars, David Dabbs and Sammy Warts.

Joe Basinger scored two of the touchdowns against Smyer, with Dennis McGehee, Bill Bevers and Jackie Abshire scoring one apiece. The extra points were made by McGehee, Habier Salinas and Stanley Abshire.

WEEKEND IN AUSTIN

Mr. and Mrs. Shelley Camp spent the weekend in Austin visiting their children, Roger and Carol, students at Texas University. They attended the Texas-University of Southern California football game Saturday afternoon.

79-member band elects new officers

By Gaylon Hutto
The Antelope band, under new director Douglas Hillock, has elected its officers for the 1966-67 school year. Leading the band will be drum major Linda Davis.

Other officers are: Bo Hutchins, president; Donnie Windham, vice president; LaGayluah Young, secretary; Belinda Lee, reporter; Linda Davis, Student Council representative; Ronnie Pierce, senior class representative; Jane Hutchins, junior class representative; Jane Bullock, sophomore class representative; Kay Herron, freshman class representative; Mickie Taylor, uniform custodian; Emily Potts, assistant custodian.

This year, the high school band is composed of some 79 members. They are as follows:
Flute and Clarinet: Nancy Basinger, Jo Beth Dillard, Jane Hutchins, Glen Ann Barley, Carolyn Breedlove, Debbie Brewer, Jane Bullock, Adrienne Cook, Barbe Gilmore, Debbie Hays, Kay Herron, Helen Hodges, Jim Hutchins, Cindy King, Brenda Lee, Kay Litton, Kim McClellan, Martha Miller, Benita Noble, Nancy Norman, Patti Peel, Emily Potts, Pat Robinson, Micki Sterling, Jane Strofer, Voda Beth Voss, Pam Petty, Ronnie Petty; Saxophone: Janice Gordon, Ricky McMillan, Karen Sterling, Karon Windham, Gary Young, Garland Davies, Larry Cummings; French Horn: Jay Bird, Elaine Bland, Don Collier, Joe Irons, Joey Lee, Mike Petty, Mike Robinson; Cornet: Rocky Gribble, Joe Hudman, Bo Hutchins, Larry Kirby, Sue Litton, Giles McCrary, Wiley Miller, Steve Newby, Jan Olson, Ronnie Pierce, Norman Tanner, Micki Taylor, Jan Wilks, Kim Young; Trombone: Joe Bilbo, Cathy Cates, Zelika Freeman, Ken Heron, Gaylon Hutto, Jaymie Josey, Roger Kirby, Donnie Windham, LaGayluah Young; Baritone: Ricky Hines, Charles Neff; Percussion: Dennis Altman, Glenda Bilberry, Timmons Bull, Janet Cheshire, Suelinda Little, James McGuire, Robert Pierce, Grady Shytle; Bass Horn: Boyd Noble, Linda Davis.

First meeting of FHA is picnic
The opening meeting of Future Homemakers of America was an indoor picnic to introduce the freshmen to homemaking. Approximately 63 girls attended the picnic. They were welcomed by FHA President Sue Gilmore and the other officers.

Linda Hays, second vice president, explained to the girls the point system by means of which they can become degree girls. After Sherry Gist led the girls in a series of games, the hostess, Nedra Childs, served hot dogs, Cokes, potato chips and cookies.

'ANTELOPE TRACKS' BACK IN DISPATCH

The Post Dispatch this week welcomes "Antelope Tracks" back for another school year. The high school news staff consists of some of the senior English students under the direction of English teacher Mrs. Jack Alexander.

The junior high school news will be written by members of a journalism club now in the process of being organized under the direction of Mary Lee Wristen. The high school staff had only a very little time for the first week's news assignments, but both staffs—high school and junior high—will be "in the groove" by next week.—Dispatch Editor.

Billy Jack Hodges choir president

Billy Jack Hodges, last year's choir president, was re-elected to serve again this year as the president of the Post High School choir. Billy Jack is only the second person ever to serve as president two consecutive years.

The other officers are as follows: Edith Johnson, vice-president; Davis Heaton, secretary-treasurer; Sherry Gist, student council representative; and Marcia Newby, reporter. The 1966-67 Post High choir, directed by George Wilson, consists of nearly 60 members, ranging in age from Freshmen to Seniors. The choir has no definite plans thus far, other than attending contest in the spring.

Post Antelope band will march at Fair

The Post High School Band will march in the South Plains Fair parade Monday, Sept. 26. The band will leave here Monday morning at 8:15 and is to be in place, ready to march, at 9:30. The group will spend the afternoon at the fair grounds after the parade.

ON DEAN'S LIST

Mr. and Mrs. James Minor received word last week that their daughter, Mrs. Tracy Ehrlich, was on the Dean's Honor List for the spring semester at Texas Tech. Mrs. Ehrlich, the former Marilyn Minor, is enrolled as a junior at Tech this fall.

Pep rally held Friday in gym

By Brenda Haley
"We are Number 1 and we are going to stay there." Those were the words of Elwood Wright, second vice president of the Antelope Booster Club when he spoke at the pep rally in the high school gym last Friday afternoon.

There seemed to be a spirited atmosphere as the band played "Dixie," and the cheerleaders led the student body through a series of yells. The rally closed with the playing of the School Song and the Antelope Fight Song. All the trouble and time spent were worthwhile, for the final score Friday night was 20 to 6 in the Antelopes' favor.

TEXAS TECH STUDENT

Curtis Steel moved to Lubbock Sunday and has enrolled at Texas Tech where he is an agriculture major.

CONDUCTING REVIVAL

The Rev. Jimmy McGuire, pastor of the Trinity Baptist Church, is conducting revival services this week at the Pansy Baptist Church.

News from Grassland

Reporter resigned to West Texas weather

By MRS. O. H. HOOVER
Well, it sure looks like more rain as the clouds are low and heavy. We really don't need any more rain but if it comes we will take it along with the high wind and sand in the spring, heat and dry weather in the summer and the cold winds in the winter. That's West Texas—bless her.

Mrs. H. B. McCord Sr. spent most of last week with her daughter, Mrs. Lena Short. Mrs. A. Z. Sewell and friends attended church services in O'Donnell Sunday night.

Mr. and Mrs. W. T. Luttrell of Tahoka and Mr. and Mrs. J. E. Sherrill were Monday luncheon guests of Mrs. A. Z. Sewell. The Rev. and Mrs. Onnie Reed of Midland spent a few days with her mother, Mrs. Lucy Cunningham, and attended the revival at the Church of the Nazarene. They also visited J. W. Warrick in Lubbock.

Mr. and Mrs. Otis Bosworth are here from Harrison, Ark. They came to attend funeral services of his brother-in-law, O. E. Eubanks. We extend sympathy to Mrs. Eubanks.

Mrs. Cordie Laws and son, Kelly, went to Wichita Falls over the weekend to visit Mrs. May Lewis and Mrs. Polly Chism. Both ladies have been in bad health for some time. They lived in Grassland for years.

Mr. and Mrs. Gus Porterfield spent several days last week in Abilene with their son and family. They report lots of rain there also. Mr. and Mrs. Kelly Laws, Mr. and Mrs. Tom Crutchfield, Mr. and Mrs. James Murray and family and the Otis Bosworths spent Sunday afternoon in the J. F. Moore home.

Karen Laws has enrolled for the fall term at Texas Tech. She plans to commute most of the time. Cherri Norman has registered at West Texas State University at Canyon. Mrs. Roy LeMond and Mrs. Gus Porterfield went to Levelland Monday night to a workshop meeting of the Methodist Church.

Mr. and Mrs. Randy Workman have moved to Grassland and are living in the James Davis Walker home. MR. AND MRS. Hubert Ritchey of Tahoka were luncheon guests of their parents, the Mac Ritchies, Sunday. Late Sunday, the Mac Ritchies visited the Carl Greers. They found Carl just about the same. However, J. B. and Hazel and Leri and Mrs. Greer fixed a lunch and went to the park north of Tahoka and had a picnic. Mrs. Greer said Carl enjoyed it.

Mr. and Mrs. J. L. Hester of Lamesa visited in the Greer home Sunday afternoon. Mrs. Bonnie Johnson and Miss Henrietta Nichols visited Mrs. Ada Oden Sunday afternoon. Mrs. Oden visited Mrs. Hoover late Sunday evening.

Lee Doggett is home on leave from Memphis, Tenn. He and his wife are visiting her parents, the Rusty Deans, and other relatives. He will be stationed in Kingsville when his leave is over. He is in the Navy Air Force.

Bobby Dean has entered West Texas State University for the fall term. Mr. and Mrs. Dean spent the weekend with him. Jerry Gerner left Sunday for Camp Pendleton, Calif., where he will be stationed. His mom hopes he gets to stay there indefinitely. He has 16 more months to serve. Mrs. Gerner just called me to tell me that Jerry had called at midnight Sunday to say he was 70 miles west of Arizona and would get to his destination some time Monday. Happy landings, Jerry.

Jerry had lunch with his sister, Laura in Lubbock Saturday and visited his grandmother, Mrs. Halcy, Mr. and Mrs. Jurd Young and Mr. and Mrs. Bob Norman that

afternoon, Wednesday and Thursday he visited Mr. and Mrs. Jerry Baker in Cisco and a friend in Denton. Mr. and Mrs. Virgil Haley visited in the Gerner home Thursday. The Rev. and Mrs. J. E. Yeats are pastoring the Wellman Methodist Church for the next nine months. Mrs. C. C. Jones spent two days with her sister, Cordie Laws, last week.

Mrs. Zuella Thomas and Mrs. Reba Turner visited Mrs. Jones Sunday afternoon and her son, Carl, visited awhile Sunday morning. MISS JOY Thomas has enrolled for the fall term at West Texas State University. Happy school days, Joy.

Mr. and Mrs. Roy LeMond and daughter, Jerri Pridmore, and Leslie and Jewell Cook were Sunday luncheon guests of Mrs. A. Z. Sewell. Mrs. Lula Busby of Dallas is still visiting here and was an overnight guest of Mrs. A. Z. Sewell Friday.

Mr. and Mrs. J. E. Sherrill visited their son, Paul, near O'Donnell Monday afternoon. Mr. and Mrs. C. A. Walker visited the Jim McGrews in Lamesa Friday. Mr. and Mrs. C. A. Walker went to Lamesa Monday to help her sister, Virginia Terry, celebrate her birthday.

Bishop and Reba Mathis visited the Gerners Friday evening. Call news to 327-5046, please.

FAMILY VISITING

Visiting in the home of Mrs. S. W. McCrary last week were her brother, G. O. Ainsworth of Long Beach, Calif., a sister, Mrs. Nell Woollever of Marble Falls, two sons and their wives, Mr. and Mrs. Homer McCrary of Post and Mr. and Mrs. Scott McCrary of Dallas, a sister-in-law, Mrs. Bess Ainsworth of Post, and a host of nieces and nephews.

Post band will help open Fair

Director Doug Hillock's Post High School band has accepted an invitation to participate in the Parade of Bands, which officially launches the 49th annual Panhandle South Plains Fair at Lubbock on Monday, Sept. 26.

Approximately 40 bands are expected for the parade, which will be led by the 589th Air Force Band from Amarillo AFB. Cash awards of \$100, \$75 and \$50 will be presented to the top three winners in UFL Classes B, A, AA, AAA and AAAA. All participating units will receive engraved trophies.

Russell L. Wiley, director of bands at the University of Kansas for 31 years, will be the judge. He is the brother of Dr. D. O. Wiley of Lubbock, former Texas Tech band director who also is chairman of the Parade of Bands. Top winners last year were Muleshoe, Abernathy, Hale Center and Whiteface.

SUNDAY VISITORS

Mr. and Mrs. Gary Welch and son of Amarillo visited his parents, Mr. and Mrs. Ralph Welch, Sunday. Gary was on his way home from a three-week reserve training airborne jump school at Fort Benning, Ga. His wife and son had visited her parents in Ballinger while he was in Georgia. Gary is a bank examiner in Amarillo.

TAHOKA VISITORS

Mr. and Mrs. R. V. Long and children of Tahoka visited Mr. and Mrs. E. H. Britton Sunday.

Lunchroom Menus

Meals served in the Post school cafeteria Monday through Friday of next week will be:

Monday: Barbecued franks, battered rice, health salad, pickles, oatmeal cookies, bread, milk.

Tuesday: Boiled pinto beans with chili seasoning, tossed crisp salad, onion rings, cornbread, apple crisp, milk.

Wednesday: Beef tureen with gravy, buttered whole kernel corn, crisp celery, hot rolls, pudding, milk.

Thursday: Hamburger on hot bun, lettuce, tomatoes, pickles, onions, fruit cobbler, milk.

Friday: Salmon croquettes, soup, blackeye peas, creamed potatoes, hot rolls, fruit, milk.

MOVE TO NASHVILLE

Mr. and Mrs. Bernie Welch have moved from San Antonio to Nashville, Tenn., where he has a scholarship and is working on his master's degree at Scarritt College. The Welches were staff members at the Wesley Community Center in San Antonio and Mrs. Welch holds a similar position in Nashville. The Ralph Welches plan to visit their son and daughter-in-law the end of the month.

THANK YOU, FOLKS

We have closed our drive-in restaurant business at Antelope Corner after 14 months operation and wish to take this opportunity to thank all you fine folks for your patronage during that period. We certainly appreciated it. Nathan will continue to operate his dirt contracting business.

Acting postmaster at Southland appointed

By MRS. EDMUND WILKE
 Hi there. Hope this finds each of you well and happy.
 As most of you know Mrs. Nellie Mathis is retiring from her position at the post office Sept. 30. Last week, James Mason received an appointment to be acting postmaster of our local post office and we would like to extend congratulations to Mr. Mason and wish him well. The Masons have lived here for a long time and everyone knows them and we all know that Jim will make a good postmaster. I think that we all should say a great big thank you to Mrs. Mathis for her fine work and patience all these years.
 A fascinating thing happened to us on Sunday afternoon. Herbert Dunn called and said he would like to bring someone over to interview us. Well, it seems that

two girls from the Peace Corps had spent the night in the Dunn home. They are in training at Lubbock and had been sent out to this community as part of their training to collect notes on things happening in a small rural community such as ours. The two young ladies were Miss Bonnie Ferguson of Altadena, Calif., a graduate of the University of Santa Clara, and Miss Suguana of Honolulu, a graduate of the University of Hawaii. They both have majors in business. They will receive 11 weeks training in Lubbock, then they will go to Puerto Rico for a month's training and then to Costa Rica for two year's service. They are a part of 43 volunteers training in Lubbock and this is their first trip to Texas.
 LARRY LONG son of Mr. and Mrs. Robert Long, has enrolled

in the fall semester term at Lubbock Christian College. He lives in Lubbock with his grandfather, J. H. Poindexter, and is working part time at the college.
 Allen Lester, son of Mr. and Mrs. Winston Lester of Commerce, underwent surgery recently for an appendectomy in a Dallas hospital. He is at home now and doing well.
 Mrs. Robert Mason and Brenda and Mrs. Ray McClellan visited Mr. and Mrs. Billy Lester last week.
 Mrs. Abbe Davis of Grandview is visiting her sister, Mrs. W. P. Lester, and Mr. Lester.

A large group of Southland High School students went on the annual senior hayride Saturday night to Silver Falls riding in a big truck filled with hay. Adults accompanying them were Mr. and Mrs. F. W. Callaway, Coach and Mrs. Bob Dyess, Mr. and Mrs. Payton Crawford and Mr. and Mrs. James Mat-
 I attended a shower in Post on Tuesday night of last week for Martha and Larry in the Community Room.
 Mr. and Mrs. Billy Earl Myers and sons of Clairmont spent Sunday with Mr. and Mrs. L. J. Myers.

Mr. and Mrs. Ned Myers and Nedra spent the weekend at the home of Mr. and Mrs. Ronnie Ragland at Crosbyton.
 Mr. and Mrs. Herman Havis and Mrs. Lucille Myers and Nedra were supper guests of Mr. and Mrs. Jessie Lane before attending the football game at Smyer Friday night.
 Mr. and Mrs. Bill Giles of Fort Worth visited his mother, Mrs. G. D. Ellis, and Mr. Ellis Monday on their way to Lubbock to attend the funeral of James F. McCrary, an uncle of Mrs. Giles.
 LAST FRIDAY WAS the 50th Wedding Anniversary of Mr. and

Mrs. E. L. Anderson. Several of their neighbors went over in the Yours Truly. Jettie Crawford and coffee with Mrs. Anderson. They were Mmes. F. W. Callaway, G. D. Ellis, Payton Crawford, Willie Becker, Ed Lieske, Mrs. Eckert, daughter of the Andersons, and Yours Truly. Jettie Crawford and Marion Eckert were also there. The little visit was all a surprise to Mrs. Anderson and she seemed to enjoy it very much. She received several pretty gifts and cards.
 Mr. and Mrs. Cecil Lee and Shirley have returned from a two week's trip to California. While there they visited in San Diego

with her sister, Mrs. Alfred McBeth, the former Joyce Kenley, and in Los Angeles with his brother and family, Mr. and Mrs. Loyd Lee. They also visited in Disneyland and enjoyed it very much. On the way home they visited Las Vegas, Nev., and the Grand Canyon and other points of interest.
 The Pleasant Valley HD Club met last Thursday in the home of Mrs. B. L. Thomas. Mrs. J. W. Payton, a guest, gave a program on New Zealand. Mrs. Payton was born there so I know that the program must have been very interesting. A ten-minute demonstration on "Making Bound Button

Holes" was given by the Mrs. Lewis, Travis Lancaster, Carl and the guest speaker.
 My father, A. B. Decker, House, N. M., visited us on Friday.
 Mr. and Mrs. Monroe spent the weekend with the Mason family.
 I promised you last week I would get the number of school enrollment and here it is. We have 130 students in school with 40 of them in school.
 So long until next week.

Big rattlesnake killed in Graham community

By MRS. GLENN DAVIS
 Quannah Maxey killed a rattlesnake with 16 rattles Sunday near the Noel White home. Sure hope there are not many more around like that.
 Mr. and Mrs. Bob Lusk visited Saturday in Paducah with his sister, Mrs. Schuyler Booth.
 The Mack Ledbetter family visited Sunday afternoon near New Home with the Gene Bruton family.
 Mr. and Mrs. L. G. Thuet Sr. attended the Golden Wedding anniversary reception of Mr. and Mrs. A. M. Lucas Sunday.
 Mr. and Mrs. Fred Gossett and Mr. and Mrs. Aubrey Ritchie went to Lake Proctor last week on a fishing and vacation trip. They didn't have too good luck fishing because of the rain but did have a nice vacation from work. The Junior Smith family of Garland joined them for part of the time. They also visited Aubrey's aunt, Mrs. Nola Ritchie, in May.
 Cary Cowdrey spent the weekend with his grandparents, Mr.

and Mrs. Delmer Cowdrey. His father, Clark, came for him Sunday evening and attended services at the Church of Christ. His mother was on a bus tour with her parents, the Weldon McGehees, and other relatives in New Mexico.
 Visiting Sunday in the Carl Fluit's home were the Marion Matthews family of Morton, Mrs. Harold Reno of Lubbock, Mrs. Maud Thomas, Mrs. Royce Josey, Mrs. Elmo Bush, Rickie and Roger Reno, Mr. and Mrs. Morris McClellan and the Delwin Fluit family.
 Mr. and Mrs. Lewis Mason returned Monday from a vacation trip to Fort Stockton, El Paso and Captain, N. M. Their two sons visited their grandparents, the Quannah Maxeys, while they were gone.
 Mr. and Mrs. Butch Burkett and son were Sunday supper guests of her sister, Mrs. Melvin Williams, and family.
 Mrs. Will Wright visited Mrs. Glenn Davis a short while Wednesday morning.
 Mr. and Mrs. Quannah Maxey visited recently in Lipan with Mrs. Pearl Graham, near Thorp Spring with the Richard Overtons and in Weatherford with Mrs. Ona Berdine and family.
 Saturday visitors of the Ray McClellans were the Jess Chedisters of Brownfield and the Raymond Thanes. Sunday guests were the Mason McClelland, Bill Stone and Raymond Thane families.
 Sunday luncheon guests of Mrs. Glenn Davis were the Alvin and Elvas Davis families. Afternoon callers were Cary and Susie Cowdrey, the Delmer and Elmer Cowdreys.
 The Melvin Williams family visited Friday evening with the Butch Burkett family, Saturday evening with the Nolan Williams, and Sunday afternoon in Lubbock. Mrs. Burkett and son went with them to Lubbock.
 THE GRAHAM Thursday Club met with Mrs. Viva Davis last week. The afternoon was spent sewing and visiting. Some members were out of the community and Mrs. Hoover couldn't get to the meeting because of the rain and had read. Refreshments were served to Mmes. Sue Maxey, Lelia Gilley, Minnie Wright and Ada Oden. Because of five Thursdays in September, the next meeting will be Oct. 6 with Mrs. Hoover.
 Mrs. Gary Glasscock and baby daughter of Dallas are visiting her parents, Mr. and Mrs. Joe Taylor. Mrs. Carl Fluit visited in Tahoka with her mother and an aunt who was visiting there.
 Mr. and Mrs. Delmer Cowdrey and Cary were Sunday luncheon guests of the Bobby Cowdreys.
 Mrs. James Stone underwent major surgery in the Brownfield General Hospital Tuesday morning. We wish for her the best.
