IOWA PARK NEXT

Antelopes finish fast for triumph

Glynn Gregg's Post Antelopes battled their way into the round of the state Class AA playoffs at Plainview Friday by scoring two fourth quarter touchdowns to overcome a 12-point deficit and knock the speedy Cyclones out of the run-

Antelopes their one-point margin. The line-drive extra point kick, which barely cleared the uprights, was not one of Walker's better kicks, but it proved good enough.

The Cyclones, who held a 12-7 halftime advantage, further dimmed the Antelopes' hopes early in the third period, when quarterback Tony Pounds passed 14 yards to end Dwayne Jones for a touchdown and then booted the extra point to give Memphis a 19-7 lead.

BUT THINGS started looking up for the Post eleven late in the third quarter when tackle Norman Tanner recovered a fumble on the Post 46, and the Antelopes went 54 yards to score on a 16-yard pass from quarterback Duke Altman. Walker's extra-point kick sailed wide of the uprights to leave the score at 19-13, with just over ten minutes remaining.

Split-end Roy Sappington's leaping interception of Pounds' pass on the Memphis 34 set the stage for the tying touchdown, with 3:59 left in the game.

While the hundreds of Post fans alternately watched the scoreboard clock and the bruising action on the field, an 11-yard gain by Duke Altman was wiped out by a five-yard penalty for illegal procedure that set the Antelopes back to the 39.

Halfback Davis Heaton grabbed an 11-yard pass from Altman, who followed with a 10-yard completion to tight-end Donnie Windham for a first down on the 24.

Halfback Jimmy Bartlett gained five on a reverse, and pass interference was called against Memphis on the four-yard line, with Walker's touchdown slant following.

MEMPHIS TRIED desperately to get back into the game on Pounds' passing arm, but yielded the ball on downs on the Post 46 with just 1:11 remaining, and the Antelopes ran out the clock, with (See Fourth Quarter, Page 5)

Barton funeral held Saturday

Funeral services for Will Barton, 79, retired farmer and resident of the Pleasant Valley community since 1913, who died last Thursday night, were conducted at 10 a.m. Saturday at the Pleasant Valley Baptist Church.

Mr. Barton had been in ill health for some time, but had been seriously ill only for about a month. Death came in Mercy Hospital at Slaton.

A native of Texas, Mr. Barton moved to Garza County in 1915, purchasing a place in the Pleasant Valley community from C. W. Post's Double U Company, which he improved and on which he lived until his death. He moved here from Wilbarger County.

Mr. Barton was a charter member and deacon of the Pleasant Valley Baptist Church. (See Barton Rites, Page 5)

No slackening seen in local oil pace

More year-end drilling may be in prospect for George R. Brown's oil interests here, it was indicated today, along with the announcement that the F. B. Robinson No. 8G was drilling at 3,364 feet yesterday morning.

This test is 130 feet southwest of the discovery well, the Robinson 1G, and just west of the Ave. Q cutoff to US-44 highway.

Present plans call for it to be completed in the San Andres B and D zones as a dual producer. E. R. (Buster) Morland announced that the J. E. Lynn No.

SAFETY AWARD MADE AT POSTEX MILLS

The bleachery finishing department at Postex Mills is being presented a Certificate of Safety to show the company's appreciation of the completion of one year without a lost time or disabling accident. The show of appreciation also

Union Thanksgiving service set Tuesday

The Community Thanksgiving Service, sponsored by the Post 44 Ministerial Alliance, will highlight Post's Thanksgiving holiday observance which disappointed local grid fans hoped also would include a regional playoff game for the Post Antelopes.

Instead, Iowa Park won the toss and chose to play the regional clash with the Antelopes in Wichita Falls Coyote Stadium, 215 miles away on Friday night.

The Community Thanksgiving Service will be held in the First Methodist Church this year at 7:30 Tuesday night with the Rev. Joe Vernon, president of the ministerial alliance, presiding.

The Rev. Curtis Lee, pastor of the host church, will bring the

Thanksgiving message. The Post Music Club Choir will sing the Thanksgiving anthem, "We Worship and Adore Thee" and the Methodist Church choir will sing the offertory anthem, "For the Beauty of the Earth." The offering taken during the service will be used by the Post Ministerial Alliance to meet "emergency needs of this community." Mrs. K. W. Kirkpatrick will play the organ prelude.

Signup begins for Fiesta prizes

Local shoppers began signing up in local stores this week for the big Christmas Fiesta prize drawings, scheduled for Saturday afternoon, Dec. 3.

Dozens of merchandise prizes will be given away from the Fiesta bandstand during the afternoon with the grand prize being \$50 in cash.

Fiesta plans include the arrival of Santa Claus at 1 p. m. for an afternoon-long visit with local boys and girls and three hours of downtown music by two western bands and one rock and roll band from 2 to 5 p. m.

The Fiesta is being sponsored by the Post Chamber of Commerce retail promotions committee and local merchants.

The Chamber's permanent downtown Christmas decorations are scheduled to be set up by city employees this coming weekend to give the business district a yuletide appearance.

Other local pastors participating in the community service will be Lucio Moreno, call to worship; Richard Casey, invocation; George L. Miller, responsive reading; Joe Vernon, Thanksgiving prayer; Jimmy McGuire, scripture reading; and Charles Peters, benediction.

The Thanksgiving holiday Thursday is a Chamber holiday on which business firms will be closed.

The bank, post office, federal, county, and state offices all will be closed.

In fact the courthouse will make it a real holiday weekend and stay closed Friday too to give employees a four-day holiday weekend.

A 15,500 bale crop for the county is the current "expert" opinion, as compared to about 23,000 bales a year ago.

This year's cotton crop was hurt both by a 30 per cent reduction in allowed acreage and an early freeze.

A lot more cotton would have been made if that freeze had held off until now, more than one ginners opined.

Not only was Garza's cotton crop expected to be smaller this year but the price also was down considerably. Most ginners said the cotton was testing out as worth between 16 and 17 cents per pound on the average.

The reduced acreage and price, of course, has been considerably offset by the direct payment to Garza's cotton farmers in September of \$1,462,000 under the new federal cotton program.

When a couple of ginners were asked when the rush began in their areas they answered: "What rush?" Some said there simply

Work forum for Jaycees is held

A program on new membership and membership reactivation was presented at a regional Jaycee work forum held here Sunday at the city hall auditorium by the Post Junior Chamber of Commerce.

The forum was conducted by Gary Stacy, state director from Levelland, with Chancey Hommoh, state vice-president from Clarendon, presenting the program.

Refreshments were served at the close of the first business session and when the meeting was called to order, a "speak up Jaycee" speech was presented by Ronnie Morris of Post.

Some 20 guests were present, representing Jaycee organizations of Spur, Levelland, Lubbock, Clarendon, Amarillo and Post.

A door-prize was won by Ed New, president of the Lubbock Jaycees.

Game Friday night at Wichita Falls

The chips are down early for the fighting Post Antelope football team in its quest for a state championship, with the formidable Iowa Park Hawks standing in their way at Wichita Falls Friday night in the second round of the Class AA schoolboy playoffs.

The Antelopes and their coaches, who will be followed by several hundred fans on their 200-mile-plus trip to Wichita Falls, will enter the game as definite underdogs.

The kickoff is set for 8 o'clock in the 8,000-seat Coyote Stadium, home field of the Wichita Falls High School Coyotes.

The undefeated and untied Hawks of Coach Tommy Watkins outlasted the Phillips Blackhawks, 24 to 16, at Wichita Falls Saturday night to go into the second round of the playoffs against the

NOW, WHOS NEXT?

The winner of Friday night's regional playoff game between Post and Iowa Park, will play the winner of the Stamford-Granbury game, which is to be played at 7:30 p.m. Friday at Abilene. Granbury advanced by beating Hallinger, 28-0, and Stamford by nudging Alpine, 15-14.

Antelopes, who edged Memphis, 20-19, in their bi-district match.

THE FAST, heavy and resourceful Iowa Park eleven was extended on only two occasions in posting its 10-0 regular season record, and all season long has been rated either second or third in most Class AA ratings — either behind Sweeney and ahead of Plano or behind both those teams.

The Hawks' closest call came against Class AAA Wichita Falls Hirsch, which lost to Iowa Park, 12 to 8. The only other time they were extended was against Bishop Dunne High School of Dallas, from whom they won, 14 to 7.

One of the Hawks' most impressive victories was an early-season (See Regional Tilt, Page 5)

Airport ready by Christmas, if

Post and Garza County may have an unusual Christmas present next month — a brand new \$88,000 joint airport ready for operations.

Tom Gamblin, chairman of the joint airport committee, reports that if the weather holds, the contractor expects to be completed before Christmas.

One runway will be ready for traffic Tuesday, Gamblin said.

Roy Biscant and W. O. Kampenke, engineer and head of the airport branch of the district office at Albuquerque of the Federal Aviation Agency, flew in Thursday for an inspection and were pleased at progress made to date on the airport's construction.

The sheriff said Kansas officers found loot here from 12 or 14 Kansas burglaries and that New Mexico burglaries involved two in Lovington and one in Hobbs.

Claborn last week filed charges here against the three for fraudulently receiving and concealing stolen property in Justice of the Peace court pending action by the Garza County Grand Jury.

The trio charged are Troy Lisco, Robert L. R. Cullum Jr., and Bryan E. Marsh.

Reserved seat sale for game to begin today

Reserved seat tickets for Post's regional playoff game in Wichita Falls Friday night were scheduled to go on sale here Tuesday or Wednesday (as soon as received) at \$2 per ducat.

High School Principal Charles Hutchins said the Antelope Booster Club will be in charge of the reserved seat sale. He said student tickets for the game may be purchased at the high school office here prior to Friday night for 75 cents each. The tickets will cost \$1 for students at the gate of Coyote Stadium Friday night.

Post's football fever was getting all mixed up with Thanksgiving holiday plans this week as preparations were being completed here for the 215-mile trip to Wichita Falls' high school stadium for the 8 p. m. Friday night kickoff against the big and fast Iowa Park Hawks.

The Hawks last year whipped Denver City 26-0 at Snyder to take the regional crown.

Arrangements for the regional playoff were completed in Wichita Falls Sunday following Iowa Park's victory over Phillips Saturday night in the bi-district playoff.

For the second straight week, Iowa Park won the coin flip for (See Reserve Seats, Page 5)

3 states claim burglary loot

Garza County Sheriff I. E. (Fay) Claborn said today that law enforcement officers from Texas, New Mexico and Kansas have picked up thousands of dollars worth of stolen merchandise recovered here Nov. 4 when a three-man burglary ring was smashed.

He said only three small trailer loads of the loot remained to be claimed and that Nebraska officers are due here in a few days to see if some of what remains was stolen in that state.

Claborn said that Texas law-recovered was taken in burglaries in Castro, Hockley, Lynn, Andrews, Yoakum and Young counties and that the last four counties have filed burglary charges against the trio now being held for safekeeping in the Lubbock County jail.

The sheriff said Kansas officers found loot here from 12 or 14 Kansas burglaries and that New Mexico burglaries involved two in Lovington and one in Hobbs.

Claborn last week filed charges here against the three for fraudulently receiving and concealing stolen property in Justice of the Peace court pending action by the Garza County Grand Jury.

Thanksgiving Day—a great tradition

Nothing is so constant as change, with bulldozers and earth movers giving evidence of this every day. And yet, a few traditions and principles will very likely be with us as long as there is a United States, and as long as we enjoy freedom under representative government. A typically American tradition is Thanksgiving, to be observed Thursday—a day of quiet when the family gathers in the privacy of the home to give thanks and to partake of that fine old symbol of Thanksgiving—a roast turkey.

However, in many homes across the nation Thursday there will be a vacant seat at the dinner table, and once again it will be a sober day for many who have members of their families in the Armed Forces. And it will be a sad day for more than a few who must endure an empty space at the table that will never be filled. For these, the tragedy of war has exacted the ultimate price.

It seems like yesterday when the high chair was put away, and he sat down at the table for the first time, propped up with a few pillows.

As he began to grow tall, he talked about many things. He would be one day a policeman or space scientist, professional ballplayer or a college professor. The world was his oyster.

His adolescent years passed quickly—high school days had come and gone—and suddenly overnight he became a man—for Uncle Sam beckoned and approved.

His turkey dinner with all the fixings will not be the same as ours. The Viet Cong may not wait. To those families with the empty chair—words are inadequate to express the feelings of a family separated by war.

What all of us can do when we sit down to that traditional Thanksgiving Day feast, is to pause—give thanks to the Supreme Being and pray that a safe return may be granted to those absent and that peace will come to the world.

And while we think of Thanksgiving in terms of family gatherings, it should not be forgotten that giving thanks with due humility is a matter for the individual. In that moment, we are alone with our thoughts. They should be worthy of a great day and a great tradition.—CD

THURSDAY NOT only is Thanksgiving Day, but it is the traditional jumping off point into the Christmas season, and there will be only 28 shopping days between Thanksgiving and Christmas. But, that is one more shopping day than last year. Christmas this year is on Sunday, providing a full week for late shopping.

SEVERAL HUNDRED years ago when the Roman, Seneca, lived, there was no Thanksgiving Day, at least not as we know it, but he had a thought that fits in well. He said: "We can be grateful to a friend for a few acres or a little money; and yet for the freedom and command of the whole earth, for the great benefits of our being, our life, health, and reason, we look upon ourselves as under no obligation."

This Week's Question: Who was the only wife of a President to have her picture on currency? See answer at bottom of column.

HEY, KIDS! The earliest pre-Christmas visit of Santa Claus to these parts will be Friday and Saturday mornings when he will drop in at the Tower Theatre. See him there!

The man up the street says a small town is a place where everybody knows whose check is good and whose husband isn't.

COME TO THINK of it, a lot of people have had things to say about small towns, which some of them insist on calling little towns. I've had this in my files for a long time, and this is a good time to use it:

A HICK TOWN IS A PLACE WHERE—

Just three things happen—Morning, Noon and Night. (Shep Fields)

Where the barber shop is the only place at which you can be clipped. (Del Casino)

Where you leave from to make enough money to go back to. (Carol Weyman)

Where the only siren in town is found on the fire engine. (Oscar Bradley)

Where the movie cashier (when she gets a ten dollar bill) has to send out for change. (Louise M. S. S. E. Y.)

Where the railroad tracks take the place of the social register. (Juliet Lovell)

Where you can belong to the Country Club without having relations who came over on the Mayflower or a Rockefeller fortune. (Bill Carr)

Where you don't have to count your change. (Bobby Hayes)

Where only the lights go out at night. (Len Hollister)

Where a columnist is read — not feared. (J. M. J.)

Where quintuplets put a town on the map. (Buddy Ebsen)

Where you don't see very much, but what you hear makes up for it. (Alice E. Roberts)

Where, if you see a strange car in front of your neighbor's house — you go over and borrow a cup of sugar. (Buster West)

Teen-ager writing home from summer camp: "Send food! All they serve here is breakfast, lunch and dinner!"

A FRIEND TOLD me the other day that they've discovered a new game to play at his house. He said it is called "Identify the Cackle Track," and evolved as a means of utilizing their TV set, not that few of the programs are good enough to hold their interest.

He said all of today's TV shows produced with even a faint hope of winning a smile from the viewer, are accompanied by cackle track—canned laughter. "I'm sure you've been quite aware of it," my friend said.

"By concentrating on these sound tracks you can soon identify them," he went on. "The 'laughing hyena' track, featuring a woman with a raucous hoot, may be heard regularly on most shows. The more muted ones — the 'chuckling sextet,' for instance, are often harder to identify. But you'll hear nearly all the same cackle tracks on all the shows. No show has ever produced its own individual laugh track, to my knowledge."

So let us gather at the TV tonight this new family game. Get more pleasure out of the boob tube!

Have their hope set... on God, Who gives us richly all things to enjoy. —(1 Tim. 6:17)

His will for us is abundant supply of all that we need to make life happy, secure and complete. God's supply is not limited to time or place. We need to know that God's law of increase is constantly active in our life and affairs, and we are richly and bountifully prospered.

New Santa Fe calendar out

AMARILLO — "Land of the Navajos" is the title of the painting reproduced on the 1967 issue of the Santa Fe Railway calendar.

The scene depicts a group of Navajos on horseback traveling across their reservation which stretches across 25,000 square miles of Arizona and New Mexico.

Originally founded in 1888, the Navajo Reservation, was inhabited by 10,000 Indians. Today's population is in excess of 75,000. This colorful land is adjacent to the Santa Fe transcontinental main line where Navajos are a familiar sight to Santa Fe travelers en route to the Southwest.

The 1967 Calendar painting by Gerald C. Delano, renowned western artist, and is one of more than 650 fine art subjects in Santa Fe fine art subjects in the calendar.

Due to the popularity of its paintings, the Santa Fe Railway has arranged a special exhibition of subjects from its collection throughout the West and Southwest.

Burlington reports record sales in '66

GREENSBORO, N. C. — Burlington Industries, Inc. today reported record sales and earnings for its 1966 fiscal year, ended Oct. 1.

Consolidated net sales were \$1,371,698,000, an increase of 4.4 percent over 1965. On a comparable basis, with adjustments for sales

in fiscal 1965 by three divisions which were liquidated or sold last year, 1966 sales were approximately 10 per cent ahead of a year ago.

Net earnings for the year were \$77,054,000, equal to \$3.06 per share on 24,178,000 common shares outstanding on Oct. 1. For the previous year, net earnings were \$68,613,000, or \$2.76 per share.

Sales for the company's final quarter (three months ended Oct. 1) were \$329,653,000, compared to sales of \$331,447,000 for the period last year. Net earnings for the quarter were \$18,579,000, equal to 64 cents per share, compared to earnings of \$18,043,000 or 71 cents per share for the period a year ago.

Charles F. Myers Jr., president, commented that fourth quarter earnings were adversely affected by several factors. "Principal among these were reductions in raw material prices, particularly polyester fibers, which occurred near the close of the quarter. In addition, expenses incurred through start-up of a record number of new facilities were at their high in the quarter. Margins and volume were affected by the tight money market, which caused many customers to reduce inventories and forward commitments. Finally, substantially increased imports of fabrics and yarns also had an influence on margins and volume."

Results for 1966 are subject to confirmation by the company's auditors.

A regular quarterly dividend of 30 cents per share, payable Dec. 1 to shareholders of record Nov. 4 was declared by the Burlington Board of Directors, which met at the company's new J. C. Cowan plant, dedicated in ceremonies at the site near Caroleen, N. C. Earlier in the day the directors toured the William G. Lord finishing plant now nearing completion at Cramerton, N. C.

Railroad pays Garza County \$16,319 taxes

AUSTIN — Current annual taxes paid to the various government agencies in Garza County totaled \$16,319, it is announced by the Texas Railroad Association.

That amount was the county's share of the nearly \$10,000,000 the railroads paid in Texas on their own right of way and other property.

The biggest railroad contribution was to the school systems throughout the state. Large sums were also distributed to city, village and county governments and for road and bridge funds.

In addition, of course, was the large total in taxes the railroads' nearly 35,000 Texas employees contributed on their own property. The vast majority of rail workers, many of whom live in Garza County, own their own homes.

"With the future of our country and state depending to a great extent upon the education of our youth, I am delighted that nearly half of the taxes paid by the railroads go to support the schools," said Walter Caven, general counsel of the Texas Railroad Association. "Recognizing this need for education, many of the railroads operating in Texas also make scholarships available to a large number of students every year."

COLLEGE STATION — Farmers and ranchers planning to plant windbreaks this year can pick up applications for tree seedlings from their County Agricultural Agent, Soil Conservation District or by writing to the Texas Forest Service, College Station.

Seventeen windbreak species are available this year: black locust; buffaloberry; catalpa; Chinese elm; cottonwood; euonymus; mulberry; multiflora rose; sycamore; Osage orange; redbud; ponderosa, Austrian, shortleaf, slash and loblolly pine; and black walnut stratified seed.

Seedlings are sold only for windbreaks and other types of conservation planting. None are sold for ornamental or shade tree purposes. No order for less than a total of 100 trees will be accepted.

Mason Cloud, head, Reforestation Section, Texas Forest Service, said the delivered cost of both seedlings and seed will be \$1.50 per hundred plus state sales tax. Shipments will begin about the middle of February and end around the middle of March.

Windbreak planting guides are shipped with each order and are also available from County Agricultural Agents and from the Texas Forest Service, College Station.

Battle of Hastings fought 900 years ago, but affects our lives even now

The 900th anniversary of an event that molded the world and as a result, affects our lives today was observed recently.

It was on Oct. 14, 1066, that an army led by Duke William of Normandy won the Battle of Hastings, establishing the Norman dynasty and conveying England from a loose organization or nobles into a unified kingdom that someday would become the world's pre-eminent nation.

William was the illegitimate son of a tanner's daughter and of Duke Robert I of Normandy. He inherited his father's lands and title as a child, and some historians consider it a wonder that he managed to survive the intrigues, murders and revolts of the time. In 1047, with the aid of King Henry I of France, he put down a great rebellion at the Battle of Val-les-dunes.

From then on, William ruled Normandy with an iron hand. **BUT THE HANDS THAT RULED** England were feeble. Edward the Confessor had become king in 1042. "Edward was a weak ruler," World Book Encyclopedia says. "Most of his reign was dominated either by his father-in-law, Godwin, Earl of the West Saxons, or by Norman advisers and friends whom he advanced to important governmental and church positions."

In 1051, William visited England, and Edward granted him the succession to the English throne. In 1064, Harold, Edward's brother-in-law, was shipwrecked on the Norman coast and taken prisoner. He promised to support William's claim to the throne in support for his freedom.

But when Edward died in 1066, Harold obtained the succession on the basis of a deathbed grant by Edward and election by the nobles and prelates of England. World Book continues.

William immediately gathered an army. But he was not the only one eager to fall upon England. King Harold Harefoot of Norway invaded northern England before William could move. Harold marched north and, at the Battle of Stamford Bridge, virtually annihilated the Norwegians.

While he was away, William land-

ed without opposition.

TRADITION SAYS that he slipped and fell upon landing, and his superstitious followers took this as an evil omen. William replied, "I have taken possession of England with both my hands. It is now mine, and what is mine is yours."

Harold hurried south, leaving much of his army—badly cut up by the Norwegians—near Stamford Bridge. He collected what forces he could in London and the surrounding area, then marched about 50 miles to Senlac, a strong position near Hastings. His men—most of them on foot and burdened by heavy armor and weapons—arrived exhausted.

On the morning of the 14th, tradition says that as William dressed in armor for the battle, he inadvertently donned one piece backward. Again his followers took this for an evil omen, but William replied, "The hauberk which was turned wrong and then set right by me signifies that a change will arise out of the matter which we are now stirring. You shall see the name of duke changed into king. Yea, a king shall I be, who hitherto have been but duke."

The Saxons—on foot—were in line atop a ridge, protected by their shields. The better-armed men had javelins and battle-axes, but many peasants also were present, armed with only clubs and picks.

THE BATTLE-AX was a shaft five feet long with an enormous blade. It was swung with both hands, which meant the axman could not use his shield in hand-to-hand combat. It could cut through any shield or armor and was capable, as was shown at Hastings, of lopping of a horse's head at a single stroke.

The Norman knight fought on horseback. He was armed with a lance, and also carried a sword, mace, or small battle-ax for close-in fighting. William's army also included many archers.

The Saxon shield-wall withstood attack after attack. Losses on both sides were heavy. William's infantry was halted. His horsemen wavered, then fled down the hill in such confusion that their retreat

resembled a disordered flight. Many of the Saxons charged down the hill in pursuit. The mounted knights wheeled and cut them to pieces. But Harold still was not defeated.

Now William changed his tactics. He ordered his archers to shoot high so that their arrows would fall onto the heads of the Saxons—and at the same time sent his weary horsemen up the hill for another attack.

One of the descending arrows hit King Harold in or near the eye. Probably mortally wounded, he was cut down a moment later. The whole shield-wall began to disintegrate. Soon the scattered remnants of Harold's army were in full flight.

There was no force left in England to oppose William. A little more than three nights later, on Christmas Day, he was crowned King of England.

During World War II, Dawson County provided the armed forces more men per capita than any other county in Texas.

When a man gives thanks he is recognizing how small a part he himself has contributed to this world's abundance.

When a man gives thanks he is expressing his affection for and his dependence on those who constantly share the experiences of his life.

When a man gives thanks he is laying aside his discontentments to rejoice in the more numerous and more meaningful satisfactions that have marked each passing day.

When a man gives thanks he is escaping from the webs of pride, greed and self-addition that could otherwise imprison his soul.

When a man gives thanks he is meeting God on God's own ground. For God is God! And we are His children.

When a man gives thanks he is discovering his greater need. For all that God has provided is but the threshold to all that God promises.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Operation Glandless Cotton' is launched in South Plains area

New effort titled "Operation Glandless Cotton" has been launched in the South Plains to bring an estimated 3,000 tons of seed-free seed for research.

the market for cottonseed products for three reasons, according to the agent.

First, gossypol is detrimental to swine and poultry when fed in unrestricted amounts so it limits the use of cottonseed meal in rations not fed to ruminants unless gossypol is inactivated in processing.

Second, gossypol appears as dark red pigment in the oil and is frequently difficult to bleach to acceptable whiteness.

Third, a new drive is underway to develop vegetable protein foods from cotton and soybeans for human foods.

"Operation Glandless Cotton" is an effort by oil mills, ginners and producers to bring together all of the seed from Gregg 25V, which was released in 1966 primarily as a verticillium wilt tolerant variety.

The variety is also free of glands and Conner said national and area cotton groups recently decided this characteristic offered a tremendous opportunity for research.

Plans are underway to gin and crush the seed separately and producers growing the variety are urged to contact their ginners for information about the program.

All of the gland free seed will be made into flour and used for research in development and marketing of cottonseed for human consumption.

'Protecting Our Food' title of 1966 Yearbook of Agriculture

COLLEGE STATION — "Protecting Our Food" is the title of the 1966 Yearbook of Agriculture. According to a U. S. Department of Agriculture announcement, its 416 pages and 105 photographs follow our food supply from the farmer's field to the saucer on the stove.

During this journey, the giant job of protecting our food against pests, disease, and damage is described. Secretary of Agriculture Orville L. Freeman points out in his foreword that U. S. food abundance is one of the miracles of the age, but it didn't just happen.

Authors of the yearbook point out that we have to fight 10,000 kinds of insects, combat 1,500 plant and 250 animal diseases for our food. Then, they add, we have to fight spoilage and decay.

The results of this battle to protect our food are evident, they say. In our own country, food quality is high, the abundance great, and the cost relatively low. Overseas, we have supplied 98 per cent of food aid received by the less developed nations.

Men and women in 500 different occupations help protect our food, reports the yearbook. They include chemists, entomologists, bacteriologists, horticulturists, meat and poultry inspectors, quality control specialists, refrigeration engineers, nutritionists, and food technologists. The housewife also plays a key role through the proper selection and preparation of food for her family.

The U. S. Department of Agriculture participates in virtually every aspect of food protection, often working shoulder-to-shoulder with other Federal agencies, the States, local agencies and private organizations. Among these activities are the far-ranging research, quarantine systems against plant and animal diseases and pests, inspection...

and meat products each year, grading some 3.4 billion pounds of frozen fruits and vegetables annually, and programs to wipe out animal diseases and eradicate serious insect pests.

Copies of the yearbook may be purchased from the Superintendent of Documents, Government Printing Office, Washington, D. C. 20402, for \$2.50 each. Senators and Congressmen each have a limited number of copies for free distribution to constituents.

Plainview 4-H girl winner of Santa Fe achievement award

AMARILLO — Miss Alice Baumgardner, 17, of Plainview, has been named winner of a 1966 Santa Fe Railway achievement award for outstanding 4-H Club work, according to Mrs. Marcheta Wood, assistant county home demonstration agent, Plainview.

Miss Baumgardner, an honor student, is a senior at Plainview High School, and the daughter of Prof.

and Mrs. John H. Baumgardner, Olton Road, Plainview. She plans to enroll at Texas Tech next year, where her father teaches animal husbandry, and major in either home economics or education.

She has been in 4-H Club work nine years and has held every office in the Halfway Community 4-H Club. She currently serves as District 2 council chairman and is first vice-chairman of the state 4-H Club council. She has been active in leadership work and has attended labs at Austin as a Hale County delegate.

Concern mounting over increase in number of motorcycle deaths

COLLEGE STATION—An alarming increase in the number of deaths from motorcycle accidents is causing concern among physicians, traffic experts and safety officials, says Miss Lucille Moore, Extension recreation specialist at Texas A&M University.

In 1965, 1,580 persons were killed in motorcycle accidents in the nation, more than a 40 per cent increase over 1964. Studies have shown that as many as 50 per cent of those involved in motorcycle accidents were under 20 years of age.

National Young Artist Competition scheduled for Odessa Jan. 28-29

ODESSA — The fifth annual National Young Artist Competition sponsored by the Midland-Odessa Symphony Orchestra will be held Jan. 28-29, 1967, in Odessa's Bonham Junior High School Auditorium.

Entries in the competition are being accepted by contest chairman Mrs. Don S. Caldwell Jr., Route 1, Box 424, Odessa. Secondary school and college student musicians are eligible. Entry deadline is Dec. 15.

The Midland-Odessa competition is one of the few music awards contests in which there are five divisions, with possible winners in each division on both secondary school and college levels. The divisions are piano, voice, strings, brass and woodwind.

Winners share in the \$3,000 Raiford H. Burton memorial award and the W. D. Noel Award; and have the opportunity to perform with the Midland-Odessa Symphony in concerts March 19, 20 and 21.

Mrs. Caldwell said about 75 requests for further information already have been received with some coming from New York, Michigan, Massachusetts, Ohio and California, as well as over the Southwest.

Anyone desiring any further information write to Mrs. Don S. Caldwell Jr., at the above address, by Dec. 15.

Danah Imports, 287 E. Main

Safety authorities have noted that much of the motorcycle problem seems to be centered on college and some high school campuses where motorcycling is rapidly increasing. They also point out that the nature of the motorcycle seems to encourage riders to take chances. It is a light, "sporty" mode of transportation and lends itself to group traveling.

Miss Moore says that injuries are greatest to the legs, arms and head. Most of the deaths are due to head injuries. The possibility of injury is increased when more than one person is riding.

Because a motorcycle rider is more than an automobile driver, he is subject to greater injury in an accident. For this reason, the National Safety Council says it is essential for motorcyclists to wear a helmet, goggles or wind visor, heavy shoes or boots and heavy outer clothing.

Motorcycle registrations have doubled in the past five years. An estimated 1.5 million motorcycles, motor scooters and motor bikes are being operated today. Their use is considered a growing recreational sport. However, in spite of the special skills needed to ride a motorcycle, only five states have special driver's license requirements for a cycle operator. Texas requires both written and driving tests for cycles over five brake horsepower. The rapid increase in popularity of motorcycling has occurred without a matching increase in training programs for riders.

Doctor back home on 'mercy mission'

By MRS. O. H. HOOVER
Dr. Ronald Huddleston, East African missionary doctor, spent one night last week with his parents, Mr. and Mrs. J. H. Huddleston of the Grassland community, after a "mission of mercy" from East Africa to Parkland Hospital in Dallas.

Dr. Huddleston had accompanied a seriously injured missionary couple on a strenuous three-day plane trip from East Africa to Dallas.

The couple, Dale Dennis, a Church of Christ missionary, and his wife, Elnora, both of Amarillo, were injured in an automobile accident near Mebya, Tanzania.

After performing surgery on Dennis to remove his spleen, Dr. Huddleston made his decision to take the injured couple (Mrs. Dennis received a brain injury) to the Dallas hospital.

The doctor said it was possible he could have gotten the facilities he needed in Nairobi or London, but he decided to take the couple to Dallas "so they could have their folks with them."

"None of the trip was easy," Dr. Huddleston said. "We left the mission in a bush plane we managed to hire, later switching to an East Africa airliner after I had wired ahead to New York to arrange for special beds in the plane that would take us to Dallas, where we arrived at Love Field at about 9 p.m."

The Pan American flight that brought the Dennises to Dallas came as near to having proper hospital facilities as was humanly possible, an airline official told Dr. Huddleston.

"Our big problem was Mr. Dennis," the doctor said. "It was possible that he had a pericardial effusion (blood leaking around the heart) and he had to be watched closely."

"Mrs. Dennis seemed to be much better when we left Africa, although she didn't know what was going on. By the time we reached Dallas, she was coming to. An ambulance was waiting at the airport to take the couple to the hospital as speedily as possible."

Lubbock woman hurt in wreck

Mrs. Aaron White of Lubbock was seriously injured about 10 a. m. last Thursday when a pickup truck towing a house trailer went out of control and turned over 10 miles southeast of Post on U. S. Hwy. 84.

Mrs. White was taken to a Lubbock hospital after receiving emergency treatment at the Medical Center here. Her husband, who was driving the pickup, escaped injury.

Highway Patrolman Max Knox, who investigated the accident, estimated the damage at approximately \$7,000. The trailer was totally demolished.

The Whites were en route to Austin at the time of the accident.

Cotton harvest—

(Continued from Page 1) wouldn't be any.

Only the Hackberry Gin is trying to operate round the clock with two crews. Other gins are only running 15 or 16 hours a day with one crew if they have enough cotton to keep going that long.

To hear most of the ginners tell it, the 15,500 bale prediction for the county is going to be too high. This was the way the ginners reported Monday afternoon:

Planters Gin, Post: Rush started over weekend, 191 bales ginned to date, ranging all the way from bale to acre to one bale per 20 acres. Only 1,500 to 2,000 bales expected this year. Last year Planters ginned 3,164 bales.

Storie Gin: 299 bales ginned. Only 1,000 to 1,500 bales anticipated.

Graham Coop Gin: 1,173 bales ginned to date, 160 bales on the yard. Rush began last week. One crew working 15 hours per day. Not over 3,000 bales expected in 5,200 bales ginned last year.

Close City Co-op Gin: 1,135 bales ginned to date. One crew working 16 hours a day, only a few bales on the yard. A total of between 2,500 and 3,000 bales expected this year as compared to 4,100 bales ginned last year. Grade pretty fair.

Pleasant Valley Gin: 297 bales ginned to date. Only 700 to 800 bales expected this year as compared to 2,200 ginned in 1965. Grades are fair. Cotton averaging 17 to 19 cents a pound with some bringing 20 cents.

Bassinger Gin: 475 bales ginned to date and almost half through. Not over 1,000 to 1,200 bales anticipated this year.

Hackberry Gin: (Half of output considered Garza cotton), 2,200 bales ginned to date. Two crews working round the clock. "Might get 4,800 bales." Same area produced 7,500 bales last year.

Dr. Bausman to resume practice here Monday

Dr. C. H. Bausman, now recuperating at his home here from recent major surgery, will resume his medical practice Monday at the Bausman Clinic.

He said his hours will be limited at the start.

2 fans en route to game injured

Two automobiles carrying Post fans to the Post-Memphis football game at Plainview Friday night were involved in accidents near Idalou, with two persons from here injured.

Donnie Hays, 23, and Charlotte, Gilmore, 19, were dismissed after receiving emergency treatment at Methodist Hospital in Lubbock, where they were taken after Donnie's automobile and a pickup truck collided at the intersection of U.S. Hwy. 62 and FM Road 400. Two occupants of the pickup, residents of the Lorenzo community, also were injured.

The collision occurred while a highway patrolman at the scene was investigating another crash between a pickup and an automobile in which the Douglas McWhirts of Justiceburg were traveling to the ball game. No one was hurt in this mishap, but the vehicles involved were heavily damaged.

Both accidents occurred in a highway construction zone.

The Rev. Sherman Ervin, pastor, and the Rev. Joe R. Green, former pastor, officiated. Vernon Scott sang two solos, accompanied by Mrs. Maxine Lewis.

Interment was in Terrace Cemetery here under the direction of Hadman Funeral Home. Pallbearers were Cecil Lee, Douglas Livingston, Jack Meeks, Jack Burnett, Elmer Hitt, Carl Payton, Gene Gollehon and Spence Bevers.

Oil pace—

(Continued from Page 1) Unit No. 2 is being completed this week as a single producer from the San Andres C zone and that its potential will be taken within a few days.

A completion rig was moved in yesterday to the F. B. Robinson No. 7G test, located on Chantilly Lane, which will be completed as a dual producer from the San Andres C and D zones, Moreland said.

Moreland said the limits of the new pay formations now being drilled here have been pretty well established to the west, north, and east, but are still to be determined in the southwest, south, and southeast.

The fact that the northern limits have been reached was indicated again this week with announcement that the F. W. Holbrook and R. S. Brennan Jr., No. 1 Pose-Montgomery, a wildcat drilled to 4,265 feet, two and three-quarter miles northwest of Post on top the cap, was a duster.

Regional tilt—

(Continued from Page 1) 28-0 blanking of Decatur, which won its first round game in the state playoffs from Hillsboro, 33 to 6.

Iowa Park opened by trouncing Class AA Henrietta, 49 to 14, then followed with its wins over Decatur and WF Hirschi. The Hawks dumped Class AAA Burkburnett, 36 to 16, then posted its win over Bishop Dunne before going into District 2AA play.

IOWA PARK GOT off to a flying start in conference action by drubbing Wellington, 41 to 7, then waxed Seymour, 28-7; Electra, 53-20; Quanah 27-0, and Olney, 33-0.

Against Phillips Saturday night, the heavier Hawks led, 17-0, at the end of the first half then pulled the game out of the fire after Phillips had closed the gap to 17-16.

Iowa Park had posted five downs and 120 yards gained at the end of the first half to Phillips' one first down and 23 yards gained.

Post coach Waco Reynolds, who scouted the Iowa Park - Phillips game, said there is no doubt of the Hawks' being the best team the Antelopes will have faced thus far. "They are big, fast and tough, with an explosive offense and a rock - ribbed defense," Reynolds said.

PHILLIPS, WHICH had little trouble winning the championship of District 1AA, was outwheeled by Iowa Park 23 pounds to the man.

Iowa Park runs its offense from a slot "I" formation, with variations, and uses a 4-5 defense, the same as that employed by the Post team.

Very few of the starters on offense go both ways, the Post scout said, and the Hawks send in a whole new team for punts and kickoffs.

"They have exceptionally good linebackers," Reynolds commented.

The Hawks pin their offense on both running and passing, and on one occasion in the Phillips game the split - end threw a pass on an end-around play.

COACH GLYNN Gregg, gratified Monday that the Antelopes seem to be "coming around" physically from a rash of injuries that plagued them in the Memphis game, predicted that "we'll have to put out our best effort, minus mistakes, to get past Iowa Park and on into the quarter - final round."

The coach said quarterback Dick Kennedy, who was off form Friday night because of a pulled leg muscle, will be in much better shape for the Iowa Park contest. Center Jack Huff, who went into the Memphis game a virus victim, apparently is fully recovered, and alternate quarterback Duke Altman is getting around better this week on his injured leg.

"The starters will be about the same bunch that started against Memphis," the coach announced.

Probable starters on offense for Iowa Park and their weights will be as follows:

Harry Price, 190, split-end; Doug Pennington, 205, right tackle; Wendell House, 165, right guard; Jimmy Bradberry, 230, center; Mickey Patterson, 165, left guard; Kevin Holdeman, 191, left tackle; Rocky French, 140, tight end; Robert Watson, 140, quarterback; Barry Jackson, 140, wingback; Gregg Walker, 172; tailback; Mike Skinner, 175, or Mark Brubaker, 167, fullback.

The Post teams will leave for Wichita Falls by chartered bus before noon Friday and will return to Post Saturday morning, Coach Gregg said.

Division II rating received by Band

Post High School's "Black and Gold" band received a Division II rating Saturday in the University Interscholastic League's regional marching contest at Big Spring.

This is the same rating the band received last year, but Director Doug Hillock said one of the judges commented that this year's band from Post is the best he has seen from here in a number of years.

Director Hillock gave the band credit for doing an excellent job. "The band has worked hard this year and deserves recognition for its fine effort," he said.

A total of 51 bands participated in the contest. Division I ratings went to 28, Division II ratings to 17, Division III ratings to five, and a Division IV rating to one.

Post's individual twirlers competing received the following ratings: Janice Gordon and LaGaylan Young, Division II; Jo Beth Dillard and Elaine Bland, Division III, and Brenda Lee, Division IV.

A Division III rating went to the twirling quartet of Karon and Sharon Windham, Patti Peel and Kay Herron.

Bob Barnes of Colorado City and Ralph Beistle, minister of the Tahoka church, officiated, with burial in the Grassland Cemetery under direction of White Funeral Home of Tahoka.

Pallbearers were Johnny and Kelly Laws, Wendell Huddleston, Roy Ford, Dan Curry, L. S. Williams, James Murray, R. C. Rav, George Childress and Roy Huffaker.

Paducah man hurt in accident here

A Paducah construction worker, Morris Vernon Leslie, was found beside his wrecked automobile in a ditch just outside Post on FM-651 Monday morning.

Given emergency treatment at the Medical Center here for a crushed chest, he was taken by ambulance to the Veterans Hospital at Big Spring.

He was reported to be an employee of the McFarland Construction Co. of Paducah.

With 10 of the 12 weeks recorded, Charlie has picked 110 winners in 150 games. Last weekend (the results yet to be announced at Olton) Charlie missed only two (the Notre Dame - Michigan State tie and the Tech upset of Arkansas), so he doesn't figure to lose any ground there.

Despite the fact that he leads for the big prize, Charlie has hit the weekly prize money only once at Olton.

Charlie gets into these football contests because he reads about them in all the newspapers which pour in each weekend to The Dispatch's exchange desk.

Besides shooting for the New

Year's bowl trip at Olton, Charlie also has picked off a first in Slaton football contest, a first in Ralls, a first and a third at Post, a second at Olton, a tie for one at Denver City, and a first in Spur.

About the only complaint Charlie has is that he has been shut out in the Dallas News weekly contest — and the Post's weekly football contest here.

TEXAS CLASS AA Playoff Picks

By HARRIS RATING SYSTEM OF DALLAS AS SPONSORED WEEKLY BY BOB COLLIER, DRUGGIST

Only 16 Class AA elevens are now left in the running for the state football championship and these 16 clubs will be reduced to eight this coming weekend in regional playoff games, Iowa Park, Post's opponent in regional 1 is ranked third in the state behind Sweeny (133.1) and Plano, defending champion, 130.5. If the Post Antelopes upset Iowa Park and advance into next week's quarter-finals, they will play the regional 2 champion, either Granbury or Stamford—with Granbury the big favorite in this one. Difference in power ratios of each team determines the predicted point margin of victory for the team with the highest ratio.

Fourth quarter surge pushes 'Lopes past Memphis

Walker's extra point kick provides margin

Continued from Page 1)
 The fans chanting off the sidelines from the 10 - second quarter.

Cyclones hit the scoreboard late in the opening quarter. Roy Long returned Heaton's 17 yards to the Post 48.

Back Kenneth Cornish got the line and Memphis drew a yard delay penalty before hit Gary Rea on a 47-yard play that carried to the Post where Bartlett made the tackle.

Graves failed to dent the line, but split - end Dwayne went wide to the left, where a flare pass from Pounds caught that caught the Post defender. A Post defender of the play, but too late, with sidestepping him for an touchdown. A high snapback center kept the Cyclones from the extra point attempt off.

EMAN JOE Hudman's recovery of a Cyclone fumble on the early in the second quarter to the Antelopes' first touch-down.

passing incomplete to Bartlett. Quarterback Dick Kennedy into the clear on a roll-out 27 yards to the Memphis line. Kennedy tried to roll - out at the opposite end, but failed to gain, and limped to the field, with Duke Altman in his replacement.

Altman rolled out for five, but Altman was dropped for a - yard loss on a double reverse. Duke Altman then rolled out cutting back sharply for a first-and-goal on the Memphis five-line.

At the line got only before Walker banded left tackle for the touch-down and kicked the extra point.

CYCLONES lost little time gaining the lead after fumble-kickoff at the 10-yard line finally getting it back up 20.

 The Cyclones got down to the Post 39 after receiving the second half kickoff, but Dennis Altman's pass interception gave the ball to the Antelopes on their 26.

Bartlett gained six, but Walker fumbled in a try at the line and Garvin Speed recovered for the Cyclones on the 30.

CORNISH BROKE through the middle for 16 to the Post 14, from where Pounds, faking beautifully, passed to Jones in the end zone for another Memphis six points, with the extra point kick making the score 19-7.

Following Tanner's fumble recovery on the Post 46, Heaton and Walker made a first down on the Memphis 42, and a 15-yard personal foul penalty against Memphis gave the Antelopes another first down on the 22.

On a fourth - and - one situation from the Memphis 13, Heaton carried two tacklers for three yards and a first - and - goal on the 10. Bartlett was thrown for a six-yard loss on an attempted sweep before Dennis/Altman hauled in Duke's end zone pass with a leaping catch.

Memphis got back to the 30-yard line, but a bad punt traveled only eight yards, with the Antelopes taking over on their 42.

Windham made a shoestring catch of Altman's fourth - down pass for a first down on the Cyclone 45, and a 15 - yard penalty on top of it gave the Antelopes another first down on the 26.

"Didn't give up," Gregg says

Coaches are proud of Post club's comeback

Coach Glynn Gregg said Sunday night that "we are proud that the team didn't give up" in their bi-district clash with Memphis "and had what it took to come back and win in the last period."

"We weren't happy with ourselves," Gregg said of the Post Antelopes' performance in their 20-19 bi - district title win at Plainview. "Not to take anything away from Memphis," he hastily added.

"They (Memphis) were ready and came to play," Gregg said. "They really got after us for three quarters."

THE ANTELOPE coach had just returned from a 34 - hour trip to Wichita Falls Sunday night during which the Antelope coaches "scouted" Iowa Park during the Hawks' 24-16 Saturday night bi-district victory over Phillips and then stayed with local school officials to make arrangements for the regional showdown.

Gregg was obviously tired after the long football weekend. "I don't know what was wrong with us," Gregg commented in referring to the Antelopes' play against Memphis. He said it could have been the big stadium, or a combination of a lot of things. He added that he didn't think the Antelopes were almost caught "looking past" Memphis to the regional clash this weekend.

Gregg said the loss of quarterback Dick Kennedy early in the game due to an old leg injury was "pretty tough for us" both on offense and defense.

THE COACH praised Duke Altman, who then came in to guide the club to its come - from - behind victory as "doing a real good job." It was the first time Altman had been at the helm for more than a few plays since injuring a knee at the start of the Morton game in mid-season.

As Gregg put it both Kennedy and Altman simply "guttled up and went."

The Antelope mentor thought the team proved their worth when "they hung in there" despite everything, including a string of heart - breaking penalties in the last five minutes, to pull out the victory.

He explained that most of the flags that were thrown against the Lopes on their winning TD drive were due to lining up wrong in the seldom - used spread formation and in some movement before the ball was snapped. He said sometimes the club "would have eight men on the line and the next time five in the backfield."

"I thought it was a well officiated ball game," Gregg declared.

GREGG SAID that the squad "physically is beat up pretty good."

Southland tournament

8th grade girls win second place trophy

Post's 8th grade girls basketball team lost to a tall Slaton team, 31 to 33, for runner - up honors Saturday night in the championship game of the annual Southland Junior High basketball tournament.

Coach Bud Davis' 8th grade boys were eliminated by Shallowater, 62 to 24, Saturday morning after beating Wilson, 34-19, in a first round game Thursday night.

The 8th grade girls, coached by George Edgerton, opened Thursday with a 40-15 victory over Wilson, with Sherry Bird scoring 21 points. Stephanie Davis, 8, and Cynthia White, 6.

In their semifinals game with Shallowater Saturday morning Post won, 22-21, on a field goal by Sherry Bird in the last 20 seconds. Sherry again was high scorer with 15 points, while Stephanie hit 7.

Sherry also led the Post scorers in the team's loss to Slaton, hitting 17 points, while Stephanie scored 12.

Seeing most of the action at the guard positions were Sue Eubank, Bertha Torres, Karen Sneed and Debra Mason.

Robert Bullock was high scorer for the 8th grade boys in the Wilson game with 15 points, and was tops in the Shallowater game with 11.

The Post starters were Bullock, Robert Pace, Larry Scrivner, Larry Bilberry and Johnny McGuire.

Roundball still sidelined here

The Post Antelope varsity's basketball season will remain "sidelined" as long as the Antelope football team remains in the playoffs, basketball coach Will Bigott said today.

The Antelope cagers' opener was to have been Friday night at Hamlin, but the game is being cancelled, Coach Bigott said. Also being cancelled is the other half of the Friday night cage bill, which was to have been a game between the Post Does and the Hamlin girls' teams.

After Hamlin, the cagers' next game is with Seagraves, but it, too, will depend on whether or not both Post and Seagraves, or either of them, are still in the football playoffs, Coach Bigott said.

The boys Coach Bigott now has out for the team scrimmage Snyder at Snyder Monday afternoon, with the Snyder cagers due here for a scrimmage Wednesday afternoon.

Gregg said other players had sore throats Friday and he was going to check the "first thing Monday" to see how his thin line of players had come through the weekend.

Gregg credited Dr. Harry Tubbs with keeping the squad patched up so it could play this season. "I don't know what we would have done without him," Gregg commented.

Gregg said the squad had come through the Memphis victory without any new injuries.

The Antelope mentor said Memphis Coach Bert Glascock was "terribly disappointed" in losing to Post after the fine game his team had played, but that Glascock had come to the Antelope dressing room after the game and was "real nice to the boys." "He wished us luck in our regional game," Gregg added.

Former Post youngster is named Anton's 'Student of the Month'

Danny Markham, son of Mr. and Mrs. Tommy Markham, former residents of this community, has been chosen by the Anton High School faculty as Student of the Month for November, based on leadership.

Danny, a junior in Anton High School, is the grandson of Mr. and Mrs. J. A. Propst of Route 3, Post, and Mrs. T. K. Markham of Lubbock.

He is president of the Anton chapter of Future Farmers of America, and was elected parliamentarian of the FFA district for 1965-66. He received the Medal of Agriculture his freshman year and the outstanding leadership award last year. He has attended the state FFA convention three times as a delegate from Anton.

Danny is secretary of the National Honor Society at Anton High School and is serving his first term on the Student Council as junior class representative.

He was selected by the Anton Study Club to attend the Second Annual Attorney General's Youth Conference in Austin in 1965; was class favorite of the freshman class and a runner-up for the honor in his sophomore year. He has had science projects and was a contestant in the math contest at the South Plains Science and Math Fair in Lubbock.

Danny was a starter on this season's Anton Bulldog football team and has earned two football letters. He was one of the tri-captains of the junior high football team, and a member of the first place marching band at this year's South Plains Fair parade in Lubbock.

Danny has been an honor student throughout his school years. He was salutatorian of the 8th grade, and has consistently been an "A" student.

A former student in the Post schools, Danny is also a member of the Central Baptist Church.

Mail to be airlifted between U. S. and military post offices overseas

Postmaster A. J. McAllister today announced that henceforth all first class mail, personal sound recordings (voice letters), and parcels weighing five pounds or less and measuring not more than 60 inches in length and girth combined will be airlifted on a space available basis between the United States and all military post offices overseas.

Also, under Public Law 89-725 -The Dulski Military Mail Act - which was signed by President Johnson on Nov. 2, 1966, second class publications such as newspapers and magazines published weekly or more often, and featuring current news of interest to the military, will be airlifted from San Francisco to the armed forces serving in Viet Nam.

Postmaster McAllister explained that parcels weighing five pounds or less and not exceeding 60 inches in length and girth combined, paid at surface rates, will be moved by surface transportation within the United States from the points of mailing to the port of embarkation.

To speed up separation and delivery of these smaller parcels falling within this category, Postmaster General Lawrence F. O'Brien directed that all parcels be clearly marked upon acceptance at the post office with the letters SAM (surface airtail mail).

This will eliminate the task of reweighing and measuring the parcels at the San Francisco Concentration Center prior to dispatch to Viet Nam or other overseas military post offices.

Postmaster McAllister also reminded mailers that Christmas parcels weighing five pounds and under, though they are given airtail priority from San Francisco to Viet Nam on a space available basis, should be mailed no later than Dec. 1. Airmail, he said, should be sent no later than Dec. 10.

The deadline for Christmas packages weighing more than five pounds going to Viet Nam and other military post offices by surface means was Nov. 10.

There are an estimated 1.5 million migrant farm workers in the United States.

DISCUSS SEARCH FOR PEACE

This picture is of interest locally because of the Post Lions Club's participation in the "Search for Peace" project, in which it is offering \$100 for the best essay on the theme "Peace Is Attainable," written by a Post youth between the ages of 14 and 22. In the picture, Edward M. Lindsey (right), president of Lions International, explains the world-wide service organization's peace project to Pope Paul VI in a private audience held in Vatican City. Mrs. Lindsey is in center (left) and the Right Rev. Monsignor Paul Marcincus is at the right.

Garza historical chairman is on program at state meeting

FORT WORTH — Mrs. A. C. Surman of Post, county chairman of the Garza County Historical Survey Committee, will be on the program of the 1966 annual meeting of the Texas State Historical Survey Committee and the Texas Historical Foundation.

The meeting will be Dec. 1, 2, and 3 in Fort Worth at the Green Oaks Inn.

Mrs. Surman's topic will be: The organizational duty and responsibilities of sub-committees of county historical survey committees. This will be during the general session program for county committees.

A highlight of the event will be an address on Dec. 2 by Stewart L. Udall, secretary of the U. S. Department of the Interior.

Activities at the meeting will include award presentations to outstanding county historical survey committees throughout Texas, orientation of new committees, a review of 1966's work, and planning for 1967's work programs.

Workshops will be conducted on the development of history as a tourist attraction, historical markers and marker research; history appreciation; preservation; archives; written and living history; historic buildings and sites; beautification; methods to acquaint the Texas public with Texas heritage, and cooperation with commissioners' courts, chambers of commerce and civic organizations.

Library Listening Post

By ROSEMARY CHAPMAN

Mrs. Ben Jones, librarian at the Chapel Hill Public Library in Chapel Hill, N. C., will be visiting in Post this week, and one of the first things which she wants to see, of course, is the Post Public Library. I am curious to hear her comments, and will pass them on to you next Thursday.

Mrs. Jones is my sister, and represents the brains in our family with the rather formidable I. Q. of 147. She is also the blonde, which is UNFAIR.

Vicki received her master's degree in Library Science at the University of North Carolina, and she liked the country so well that she decided to stay on as a librarian at the public library after graduating.

Chapel Hill is noted for its independence as much as for its beauty. A sign on the outskirts of town reads, "20 miles to Dook". Otherwise, neighboring Duke University is completely ignored. (No offense intended, Mary Prather!)

Naturally, the Chapel Hill Public Library is one of the few libraries in the United States which refuses state aid. They don't want to feel "obligated". The library was first opened in 1858, and they are now moving to a new building with 12,000 square feet, two fireplaces, beautiful landscaping, and other amenities. Ninety per cent of their 18,000 volume collection consists of gifts, which DOES give one ideas.

Many books have been written about the famous cowboy artist, Charles Russell. We are pleased to announce that we now have the latest and perhaps the finest of them all, "Charles M. Russell, Paintings, Drawings, and Sculpture in the Amon G. Carter Collection," with a description catalogue by Frederic G. Renner, has been given to the library in memory of P. W. Anderson by Mr. and Mrs. R. S. Anderson of Midland.

Those of you who are building a new house, re-doing an older one, or just plain like to look at pretty things, might be interested in another 1966 book which we have just received, "Decoration U. S. A." by Jose Wilson and Arthur Leaman.

Our out-of-town book donors this week include the Midland County Library, Mr. and Mrs. R. S. Anderson of Midland, and Mr. and Mrs. Ben Jones of Chapel Hill.

In-town, Carol Webb, Mr. and Mrs. Ronald Babb and Mrs. Tom Sims have added considerably to our collection.

A number of people have expressed a desire to browse through the books which Mrs. Merriweather Post has given us before they are placed on the regular shelves. Accordingly, they may be found on the book cart at the front of the library from Nov. 28 until Dec. 3, or for long as they last, whichever comes first!

Buffet luncheon is enjoyed by club members

The Woman's Culture Club members enjoyed a covered dish luncheon last Wednesday, including turkey and all the trimmings.

The buffet luncheon was served at 1 o'clock in the afternoon in the home of the club president, Mrs. James Minor, with Mrs. M. J. Malouf and all club members as hostesses.

Mrs. Bailey Mayo was welcomed into the club as a new member.

Mrs. Lee Davis told of the "First Thanksgiving" in the program, which followed the luncheon. Mr. J. H. Haire made comments on a "Typical Thanksgiving Today." A Thanksgiving prayer was given by Mrs. Louie Burkes. The group joined in singing Thanksgiving hymns, directed by Mrs. R. L. Marks, and accompanied by Mrs. Tillman Jones at the piano.

During the business meeting Mrs. Marks explained about the gift box which is sent annually to the Wichita Falls Mental Hospital. Mrs. Davis spoke on behalf of the United Fund drive and the club voted to make a donation.

Those attending the affair were: Mrs. Virgil Bilbo, Burkes, Davis, C. I. Dickinson, Ira Lee Duckworth, Haire, Jones, Mason Justice, Malouf, Minor, J. F. Storie, C. R. Thaxton, E. A. Warren, D. C. Williams, Ralph Welch, Mayo and Joe Irons.

Steve Short is party honoree

Thirty guests were present to help Steve Short celebrate his ninth birthday when his mother, Mrs. Bob Short, entertained with a party last Saturday afternoon from 2:30 until 4:30 o'clock.

After games were played, Steve blew out the candles on his cake and refreshments were served to the following:

Becky, Chris and Dodie Beggs, Ray Martinez, Mike Morris, Freddie Huff, Beth Ann Grigby, Rickie and Rodney King, Sherita and Ray Gerner, Curtis Kolb, Jerry McGuire, Billy and Olin Criswell, Dempsey Zachary, Lisa and Charles Clanton, Mike and Mark Short, Mmes. Beth Beggs, Carrol Grigby, Phyllis Garner, Allene Clanton, Lala Pennington and Lorene Scarbrough of Lubbock.

Marion Duncan is chapter hostess

Gamma Mu chapter of Epsilon Sigma Alpha met in the home of Gale Birkes last Thursday night for a salad supper and business meeting.

Marion Duncan was hostess of the affair.

The home of Mary Raphael in Lubbock will be the scene of the Christmas party Dec. 17.

Present were:

Betty Bilbo, Theresa Gilbert, Bertha Irons, Betty McLeroy, Laveta Norman, Kay Pace, Linda Reynolds, Blenda Roberson, Mary Mayo, Betty Howell, Gale Birkes and the hostess.

PRESBYTERIAN CHURCH

At the 11 a. m. Sunday worship at the First Presbyterian Church, the Rev. George Miller will deliver a sermon entitled "Life With Father."

Be not dismayed by sickness or ill health; God will heal. Do not believe anything is impossible or incurable with God. Set your faith to work, bring life and power to your prayers by believing in life. Overcome your fearful concern with your fervent faith God can be trusted. God will heal!

'Games' program given last week at club meeting

The Close City Home Demonstration Club met last week at the Community Center with Cleo Sappington and Hooter Terry as hostesses.

Roll call was answered with "What I'd Do If I Had a Million Dollars."

County HD Agent Juanette Gentry gave a program on "Games." She showed how to make several different marble games, which the group played. Directions on making the games were distributed.

Theilma Thomas won a guessing contest and all participated in a Bible game.

Plans were finalized for the annual Christmas party which will be held Dec. 6 at 2 o'clock in the afternoon. Members are urged to attend and bring gifts for secret...

'Who's Who' roster includes Post student

PORTALES, N. M. — Robert J. Haynes of Post, Tex., is one of 34 students at Eastern New Mexico University who have been nominated for listing in the 1966 edition of "Who's Who Among Students in American Universities and Colleges," according to Dr. Edgar Petty, dean of students.

To be eligible for the publication, students must be in either the junior or senior class, have a grade-point average of 2.5 or higher, and be considered a leader among students.

Some canaries live 15 years or longer.

By MRS. GLENN DAVIS
This week's news will be brief as we didn't have much time to get the news. We are happy to help the group at The Dispatch take off for Thanksgiving.
The children of Mrs. L. W. Gandy enjoyed an early Thanksgiving dinner in the home of Mr. and Mrs. Reuben Gandy at Taboka. Family members present were: Mrs. L. W. Gandy, Mr. and Mrs. Carl Flutt and grandchildren, Belinda and Russell, Mr. and Mrs. Clifford Gandy and children, Mr. and Mrs. Gilbert Gandy, Mr. and Mrs. Clinton Gandy and children of Wilson, Mr. and Mrs. Dorman Gandy and children, Mr. and Mrs. Charlie Mason and son, Mr. and Mrs. E. M. Hammonds and children, Mike and Gilda Taylor and Charles Ray Isbell, Theda Joe, Nita and Kerry Gandy.

Mr. and Mrs. Fred Gossett visited in Lubbock Saturday with the Donald Gossetts and E. A. Dunlaps. They brought their grandchildren, Diane and Keith, home with them to spend the night and their parents came for them Sunday.
Mrs. Bryan Maxey went to McLean the first of last week with Mr. and Mrs. Barnie Jones on their way to Canadian for a visit.
Mrs. Esther Barlow of Purcell, Okla., is visiting her nieces Mrs. Melvin Williams and Mrs. Butch Burkett and families. They all visited in Lubbock Sunday afternoon with relatives.
Mrs. Duff Green of Roaring Springs is visiting her daughter, Mrs. Quannah Maxey, and family. They visited in Lubbock Sunday afternoon with another daughter, Mrs. John Kirksey, and family.
Mrs. Maud Thomas visited the Carl Flutt's Sunday afternoon and

visited Mrs. Childs on Friday.
Mr. and Mrs. Billie Woods and family of Odessa spent the weekend with her sister, Mrs. Carter White, and family. They all attended the basketball games in Southland Saturday evening.
Weekend visitors of Mrs. Glenn Davis were her grandchildren, Glenn Robert and Debbie Davis. Their parents were in Sweetwater

to attend the National Horse Show. Patricia Davis spent part of the weekend with her grandmother. Sunday luncheon guests were the Alvin Davises and Elvius Davises and Stephanie.
Sunday luncheon guests of the Bobby Cowdreys were the Delmer Cowdreys, Cary Cowdrey and Mrs. Ethel Redman.
Roy Ethridge is a patient in West Texas Hospital. We wish for him a speedy recovery.
Mrs. Lucille Bush and Mrs. Ruth McClellan and their mother visited in Ralls Sunday with Mrs. Tom Ferguson and family. The J. E. S. Prosops were also visitors.
Mrs. Hoyt Hill visited Mrs. Johnnie Rogers Sunday afternoon.

Mrs. Steen of Plainview is visiting her daughter, Mrs. Bill McMahon, and family.
The Jimmy Byrd family spent the weekend with her parents. Other guests in the Elva Peel home on Sunday were Mr. and Mrs. Paul Hedrick.
We extend sympathy to all the relatives of Ollie Stanley in their time of sorrow.
MR. AND MRS. J. B. Potts visited Saturday evening with the Elmer Cowdreys.
Earl Ritchie of Springdale, Ark., came by Wetumka, Okla., to pick up his uncle and aunt, Mr. and Mrs. Sol King, for a visit with his sister, Mrs. Ambrose Parrish and his brother, Aubrey Ritchie, and families.

Mrs. O. H. Hoover was hostess to members of the Graham Thursday Club last week. After visiting, the hostess served refreshments to a guest, Mrs. Steen, and to Mmes. Lella Gilley, Minnie Wright, Irtis McMahon, Viva Davis. The next meeting will be Dec. 1.
Bruce Evans was a Sunday luncheon guest of Mr. and Mrs. Elmer Cowdrey.
Steve White was on the sick list Sunday. We hope he soon feels better.
Patricia Davis was on the sick list most of last week and had to miss school.
Mr. and Mrs. Elmer Cowdrey visited Sunday afternoon with the

Fred Gossett, Mr. and Mrs. Vernon Lively, Mrs. Pearl Baker and Mrs. Harvella Mason and Daria Stewart.

Grassland hunters bag 3 deer and 2 turkeys

By MRS. O. H. HOOVER
The hunting party from Grassland to Rock Springs had good luck. Alton and Steve Greer and Kenneth Huffaker each got a deer. J. B. Greer and Jim Bob Porterfield each got a turkey. Guess they will be eating high on the hog for awhile.
Our hearts were saddened Sunday morning by the death of Ollie J. Stanley, apparently from a heart attack. He had worked until midnight at the Grassland Co-op Gin and passed away at 6:30 a. m. We want to express our sympathy to his family.
Mrs. O. H. Hoover plans to spend the Thanksgiving holiday in

Plainview with her daughter, Mrs. Nina Belle Chapman. Her granddaughter, Sandra Bloodworth, and family also plan to be there.
Mrs. C. C. Jones was a weekend guest of her two sisters, Mrs. Ivy Young and Mrs. Calvin Cooper, and her son, Carl Jones and family. She plans to spend Thanksgiving with the Joneses. Have a lovely day, folks.
Mrs. Hoover visited Mrs. C. B. King one morning last week.
Mr. and Mrs. Richard Kucel and children of Houston plan on spending the Thanksgiving holidays with her parents, the L. S. Turners.
Mrs. E. A. Thomas spent last weekend with her son, John Paul Lawson, and family at Andrews. The Lawsons family and Mrs. Porter Fox and children of Wilcox, Ariz., plan to spend the Thanksgiving holiday and weekend in the Thomas home.
MR. AND MRS. J. A. Propst returned Friday from Okmulgee, Okla., where Jess took some treatments. They visited in Arkansas, Tulsa, Okla., and Edmond, Okla.
Mrs. Era Aten's children, the Ted Atens, and grandchildren, the James Atens, will be her guests for Thanksgiving dinner.
Mrs. Inez McGrew spent Thursday night with her sister, Lucile Walker, and they were joined on Friday by Mrs. Lucian Walker for a trip to Lamona.
Mrs. Bernice Gribble, Mrs. W. G. McCleskey, Mrs. Maggie and the Rev. and Mrs. Rawlings went to Big Spring to a missionary meeting one night last week and saw slides the Big Spring pastor had taken on a trip through the Holy Land.
Mr. and Mrs. W. G. McCleskey visited the W. M. Duboses last Saturday in Brownfield.
Mrs. J. W. Warrick and Mrs. Bernice Gribble visited the Carl Greers Saturday morning. Mr. and Mrs. N. O. Townsend brought the Greers their supper one night last week. Mr. and Mrs. John Stoner and Mrs. Grace Thomas were also visitors in the Greer home.
Don Baldas of Dallas, an old Army buddy of Jim Bob Porterfield brought his family and visited with the Porterfields from Thursday until Sunday.
I was talking to Mrs. A. Z. Sewell and she says they are taking her son John's wife, Louise Edwards Sewell, to Houston for a checkup and possible operation. She has a heart condition, and is the sister of Lura Hoover.

VISITORS FROM DALLAS

Mr. and Mrs. Richard Feris and children, Gregory and Lisa, of Dallas were to arrive Wednesday to spend Thanksgiving with Mrs. Feris' parents, Mr. and Mrs. Charles Didway, and her brother, Walter Didway, and family.

COLORADO GUESTS

Mr. and Mrs. Benny Bullock will arrive late tonight (Tuesday) to spend the Thanksgiving holidays with her parents, Mr. and Mrs. David Newby. The Bullocks are both students at the University of Colorado at Boulder.
