

Curtain to rise Friday on annual Garza stock show, county fair

Sale and barbecue among highlights

The curtain will rise here Friday on the third annual Garza County Junior Livestock Show and Fair, with sponsors hopeful that the mid-week's comparatively mild weather will continue and that there will be no repeat weekend performance of Monday's "surprise" snowstorm.

Stock show association officers and directors braved hazardous driving conditions Monday night to get to a meeting at which final plans were made for the Friday and Saturday stock show and sale.

Approximately 120 animals will be exhibited in the show, where they will be judged by Bill Roach of Snyder, Scurry County agricultural agent.

Sixty of the show's top animals will be sold at an auction beginning in the sale barn at 1:30 p. m. Saturday, with Corky Bozeman of Lubbock as the auctioneer.

"We are looking for the best show and sale in the history of the event," said Arnold Sanderson, president of the Garza County Junior Livestock Association.

More buyers, local as well as out-of-town, have indicated that they will be on hand when the bidding starts Saturday afternoon for the 4-H Club and FFA youngsters' steers, hogs and lambs.

The county's home demonstration club women, who are sponsor-

ing the fair, will get a head start on the stock show workers when they start accepting youth entries for the fair at 4 p. m. today (Thursday).

All fair entries will be in place by 9 a. m. Friday, with judging to begin at 1:30 that afternoon, and the exhibits opened to the public from 5 until 9 p. m.

The fair building will also be open from 8 a. m. to 6 p. m. Saturday. Prize winning cakes and pie will be sold by club women at an

auction following the stock sale.

On the stock show side, all animals are required to be weighed, tagged and placed in pen or stall by 11 a. m. Friday. The lambs will be judged at 8 p. m. Friday, the swine at 9 a. m. Saturday and the beef cattle at 10 a. m. Saturday.

A barbecue will be served at noon in the City - County Park, near the show grounds. If moved inside by the weather, the barbecue will be served in the school

lunchroom.

A dummy auction to raise funds to complete club members' new feeding area will be held at 1:15 p. m. Saturday, just before the sale.

Show officials Wednesday released a list of trophy donors, who are as follows:

Floy Richardson, grand champion steer; Cash Implement Co., grand champion barrow; Higginbotham-Bartlett Co., grand champion gilt; Post Dispatch, grand

champion lamb; D.C. Hill Jr., reserve champion steer; Post Implement Co., reserve champion barrow; Cox Lumber Co., reserve champion gilt; Bryan Williams Insurance, reserve champion lamb;

Junior Chamber of Commerce, beef cattle showmanship; Howard Kolb, Dirt Contractor, swine showmanship; First National Bank, over-all showmanship; Lions Club, over-all showmanship; Farm Bureau Insurance, buyers' plaques and ribbons.

The Post Dispatch

Forty-First Year

Post, Garza County, Texas

Thursday, March 14, 1968

Number 42

Enough is enough. That's why The Dispatch, which showed the way in West Texas by carrying ads for moisture, carries its first advertisement for "dry weather" on page 3 this week. The oil industry hereabouts has been hard hit by virtually weeks of inactivity due to the record winter moisture. So it should not be too surprising to find an ad for "dry weather" on behalf of the employees of the Rocker A Well Service, coupled with an appeal to local merchants to let them get back to work before considering repossession on overdue installment purchases.

It might be news to some of his local friends to hear that Norm Cash, the Detroit slugger, is going to turn from beef to banking in the off season and will move from El Dorado, Tex., to Fort Worth.

We couldn't confirm this locally yesterday after picking up the item from the Sporting News, the baseball weekly, which had the item at the end of its weekly report from the Lakeland, Fla., training camp of the Tigers.

It isn't hard to put two and two together though. Cash and Irby Metcalf, former First National Bank president here, are close friends and Irby now is president of the Continental National Bank of Fort Worth.

As for Cash's immediate base—(See Postings, Page 5)

Residents 'more ready' this time

Second 'sudden' snow of season falls here

The second "surprise snowstorm" of 1968, accompanied by near blizzard proportion winds which whipped up drifts up to five feet, didn't catch the area unprepared Monday as did the record-breaking "seven inch snowfall" of Jan. 15.

There was more wind this time, but less snow.

County Agent Syd Conner admitted having difficulty getting any accurate measurement because of the wind but recorded it officially as only two inches of snow with a .19 of an inch moisture content.

On top of .33 of an inch of rain which fell Sunday this brought Post's 1968 official moisture total to 5.82 inches.

Many estimated snowfall of up to four inches here.

Again, highway maintenance personnel worked all through the night Monday to keep major highways in the area open. By getting maintainers on the job almost with the "first flakes" Monday morning, the highway department managed to keep both US-84 and US-380 routes "up the crack" open.

No accidents of injury nature were reported Monday although the highway department estimated at least 10 to 15 cars slid off the pavement on US-84 above the cap and had to be abandoned until Tuesday.

Drifting on the highways was worse, especially on US-380 west toward Tahoka.

There was no "school bus problem" either thanks to the cooperation of parents of the over 300 rural students who are bussed into Post schools each day.

Supt. Bill Shiver told The Dispatch that all but 23 of the over 300 students were "picked up" at the schools by their parents' late

Hospital receives—

No official word yet on Medicare renewal

Garza Memorial Hospital received a second Medicare inspection Friday, but as yet there is no official word as to where the hospital stands in seeking re-certification for Medicare funds.

Hospital Administrator Kenneth Sledge told The Dispatch that the inspection was made by a representative of the Texas Department of Health, which in Texas makes recommendations on hospital certification to Medicare.

Apparently, the hospital came out much better this time around than it did Dec. 18 when it was first inspected after reopening on Dec. 1.

The hospital administrator said the hospital apparently came out well on the list of deficiencies

Monday morning and early Monday afternoon in response to his radio appeal, via KPOS that parents pick up their children.

The 23 were loaded aboard one bus at mid-afternoon and followed by a radio car volunteered for the emergency were all taken to (See Surprise snow, Page 5)

which have been corrected since the December inspection, but that the hospital, of course, does not meet Medicare's requirements for having a registered nurse on duty around the clock.

Both United States senators from Texas, Democrat Ralph Yarborough and Republican John Tower, have advised by letter here that they are looking into the county hospital's situation in regards to Medicare to see what they can do.

Senator Tower wrote that he had a promise from the head of the Social Security Administration to "look into the problem." (Medicare is under social security control.)

As far as it is known here, the hospital's Medicare application is being held in the regional office of HEW in Dallas at the request of Cong. George Mahon until the congressman sees what he can do about the registered nurse requirement in Washington.

There was no new word here this week from Cong. Mahon's office.

There is some talk of passing a petition here on behalf of the hospital's Medicare application to forward to elective officials in Washington, but as The Dispatch understands it, this has been proposed by a private citizen who had been a hospital patient and wasn't sponsored by anyone officially associated with the hospital.

Administrator Sledge said the considerable attention being given the hospital's problems by Tom (See Medicare, Page 5)

Another \$5,000 into hospital fund

The Garza County Commissioner's Court transferred another \$5,000 from the general fund to the hospital operating fund at its March meeting Monday.

This leaves only \$3,000 of the \$17,000 the court promised Garza Memorial Hospital trustees for 1968 still in the general fund. A total of \$9,000 already has been transferred into the fund prior to the Monday action.

In another action Monday, the court amended the meetings of its Jan. 15 special meeting to show a \$630 travel allowance for Mrs. Karen Parnell, the new county home demonstration agent for the period Feb. 15 through Dec. 31.

Mrs. Parnell's salary was set at the January meeting, but the customary travel allowance was not included in the minutes. Mrs. Parnell began her duties Feb. 15.

JUST ONE OF MANY JOBS Mrs. Vera Gossett and her mother, Mrs. Vera Gossett, are loading eggs on an electric egg cart in their caged layer "farm" three and a half miles southwest of town. Fifteen thousand hens lay between 11,000 and 15,000 eggs a day.—(Staff Photo)

Idle hours few at caged layer 'farm' enterprise

Probably more activity is in the three caged layer enterprises operated by Mrs. Vera Gossett and her mother, Mrs. Vera Gossett, than anywhere else in Garza County.

The Gossetts' caged layer "farm" is three and one-half miles west of town. 15,000 hens lay between 11,000 and 12,000 eggs

as transporting and marketing the eggs.

The commercial-type hens were especially raised for cage laying. They were 19 weeks old when delivered last Oct. 8 and began laying Nov. 4.

Each of the three buildings in which the hens are housed in their welded galvanized cages are 212 feet long and 30 feet wide. There are four rows of cages in each building, extending from the front to the back, with five birds to each cage compartment.

Down each side of the cages run feed and water troughs, easily accessible to the hen, through the chicken-wire of their compartments. The feed comes in by metal pipe from feed bins outside the building, flowing from the pipe into a cart from where it is hauled to the feed troughs. The birds are fed twice daily.

The water runs through the water troughs, (See Caged layers, Page 5)

Windham twins named to all-district team

Post Does' Windham twins, Don and Sharon, were named to the District 10A girls' basketball team at a district meeting Wednesday night at Frenship School in Wolforth.

The Anapole was named to the district boys' team, but the names of the other players were not announced.

The girls — six forwards and six guards — were selected on the first team by the district coaches. Forwards besides the Windham sisters were Donna Howard of Frenship, Kay Harrell of Stanton and Marilyn Davis and Jackie Clark, both of Slaton, which won the district championship.

Named as guards were Sherry Avery and Nancy Madison of Stanton, Betty Gravor and Roxie Gandy of Frenship and Rita Payne and Barbara Bingham of Slaton.

Miss Davis of Slaton was named by the coaches as the district's outstanding player on offense and Miss Gravor of Frenship as the outstanding on defense.

The boys' all-district first team is: Earl Carter of Midland Carver, the district champions; Bryon Wilcox of Morton, Richard Washington of Slaton, Dwayne Young of Denver City and David Jones of Stanton.

On the all-district second team besides Tanner and Harper are Jimmy Dixon of Midland Carver, Paul Hall of Slaton and David Avery of Stanton.

Representing Post High School at the district meeting were Principal C. R. Hutchins and Coaches Glynn Gregg, Wilbert Bigott, Jiggs King, Billy Hahn and Waco Reynolds.

Query from Ralls Meeting in making on junior college district

A joint meeting of representatives from six counties interested in forming a District 10 junior college district is in the making. The Ralls Chamber of Commerce has written the Post Industrial Foundation and Chamber about such a meeting and the progress to date on a junior college project here was reported to Ralls.

Post's committee to such a meeting, when set up, will include J. B. Potts, chairman, Vernon Scott, Bill Shiver, Pat Walker and Mrs. Ruby Kirkpatrick. District 10 comprises the coun-

Pioneer promotes Ansil O'Neal to Slaton manager

Ansil O'Neal, manager of the Pioneer Natural Gas office here for almost six years, is being promoted to manager of the utility firm's Slaton office, effective April 1.

O'Neal will be succeeded here by Gene Moore, who is senior general plant operator of Pioneer's Slaton office.

Announcement of the two promotions was made yesterday afternoon by C. H. Rainwater of Lubbock, vice president and general manager of Pioneer.

O'Neal, who has been with Pioneer Gas since Oct. 1, 1939, will succeed Dick Evans who will go on a leave of absence from the utility firm.

Mrs. O'Neal, who teaches sixth grade math in the Post schools, will complete teaching the present spring term.

O'Neal would have completed his year as president of the Post Rotary Club July 1 and was just installed last month as president of the Post Chamber of Commerce.

Jury awards \$1700 to Cornell

Joe Tijerina, who filed a \$16,500 damage suit against Don Cornell as the result of a dirt road auto collision Jan. 29, 1967, will pay, instead of collect.

A Garza County district court last Friday afternoon found Tijerina guilty of negligence, instead of Cornell, and ruled that Tijerina should pay \$1,700 for the damage to the 1965 Impala, owned by Jess Cornell, Don's father.

Tijerina had sought \$16,500 damages for personal injuries to be and his wife as a result of the collision in the civil case on which trial began last Wednesday afternoon.

Jess Cornell had filed a counter claim for \$5,000.

The jury found no negligence on Cornell's part but placed the blame on Tijerina instead.

OUT OF HOSPITAL

The Rev. Joe Vernon, pastor of the First Baptist Church, is up and around again following a few days' illness which included a brief stay in a Lubbock hospital. Raymond King, a Baptist layman and wholesale grocer at Lubbock, preached at the church Sunday morning and evening in the pastor's absence.

Funeral held for Jesse H. Peede

Funeral services for Jesse H. Peede, 73, of 119 West 11th St., who died at 3 a. m. Sunday in a Lubbock convalescent home, were held at 10 a. m. Wednesday at the First Baptist Church.

Mr. Peede, a retired farmer, had lived in Garza County for 30 years. He was a member of the Post Masonic Lodge.

Surviving are his wife, Edna; a son Jim Peede of Amarillo, and two sisters, Mrs. Nancy Jeter and Miss Minnie Peede of Mabank.

The Rev. Bryan Ross of San Angelo officiated at the funeral services, assisted by the Rev. A. T. Nixon. Burial was in Terrace Cemetery under the direction of Mason Funeral Home.

Youth interest in Interact shown

The first major step toward the organization of an Interact Club for outstanding Post High School boys was taken Friday afternoon when four members of the Post Rotary Club appeared before sophomore and junior boys.

Speaking before the youth group were Ansil O'Neal, club president, Louie Burkes and Bob Collier, Bill McBride, who is chairman of the Rotary committee seeking to organize an Interact Club in the local high school, presided.

Aims of Interact to help develop community responsibility and leadership were explained to the group. Of the 67 boys attending, 39 indicated in a poll they were interested in an Interact club.

Nine were not interested and 19 did not indicate an opinion.

McBride told Post Rotarians at their Tuesday luncheon that interest in an Interact Club definitely was shown. The local Rotarians would sponsor the Interact club here.

Two Post girls in princess contest

Janice Gordon and Nancy Hart, both of Post, are among the 38 girls competing for princesses of the South Plains Junior Livestock Show in Lubbock, March 19-23.

Two princesses are to be selected from among the 38 candidates, one to represent area 4-H clubs and the other to represent regional Future Farmers of America chapters.

Miss Gordon, who is the Post FFA chapter's "sweetheart," is in the running for the FFA princess title. She is the daughter of Mr. and Mrs. Bill Gordon.

Miss Hart is competing for 4-H princess. Her parents are Mr. and Mrs. H. H. "Boy" Hart.

The contest will be staged March 19 at the Panhandle South Plains fairgrounds.

1967-68 "MR. AND MISS PHS" Dennis Altman and Micki Sterling have been elected "Mr. and Miss PHS" for the 1967-68 school year by the student body. Dennis, son of Mr. and Mrs. Deamos Altman, is a basketball and football letterman, FFA Sweetheart, Pop Squad Beau and a Senior class superlative as "Most Athletic." Micki, daughter of Mr. and Mrs. Dean Sterling, is head cheerleader, editor of this year's high school annual, and the Spanish Club's representative on the Student Council.

Flying club is proposed here

There is under way here to organize a flying club and anyone interested in age and over who is interested is asked to contact the club.

Curly Lee, who has a private pilot's license, is the club's instructor for ground and flight training. It is planned.

The Administration assisting veterans would be providing the club.

We are mainly interested in lining up prospective members for the proposed flying club. Contact the Rev. Mr. Lee, who can be reached by telephoning

Young Friends meet Tuesday

Annual membership meeting of the Young Friends of a Public Library will be held at 7:30 Tuesday evening in the community room at the library.

Officers is scheduled for the meeting. Those who will be present are: Mrs. J. B. Potts, chairman; Mrs. J. B. Potts, secretary; Mrs. J. B. Potts, treasurer; Mrs. J. B. Potts, publicity; Mrs. J. B. Potts, membership; Mrs. J. B. Potts, finance; Mrs. J. B. Potts, entertainment; Mrs. J. B. Potts, refreshments; Mrs. J. B. Potts, flowers; Mrs. J. B. Potts, music; Mrs. J. B. Potts, singing; Mrs. J. B. Potts, prayer; Mrs. J. B. Potts, benediction; Mrs. J. B. Potts, dismissal.

The meeting will be held at 7:30 Tuesday evening in the community room at the library.

The case for small museums

The ever-increasing interest being shown here in the establishment of a museum is in keeping with a trend throughout Texas and the nation.

Museums have taken on a new image. No longer are they looked upon as musty buildings where a few eccentrics go once in a while to view some historical exhibits that have been in the same case for so long that the faded interpretation tag can barely be read.

Nope, all this is changing. Museums have now become accepted as an integral part of our society. We no longer view the attempts of others to establish a museum with disdain. We no longer look skeptically at those who visit museums.

A reflection of this changed attitude is the growing number of small museums in Texas and throughout the nation. Texas can count 275 museums open to the public, an increase of 32 museums over the 1966 count. The Texas State Historical Survey Committee, the agency charged with maintaining liaison with museums throughout the state, can count another 166 in various stages of development.

Visits to museums with their tangible reminders of the past give both children and adults an understanding of how our ancestors helped make Texas what it is today. Not to mention that such visits subtly inject bits of history into minds that perhaps would not have otherwise acquired this knowledge.

Small museums, such as the one in the early planning stage here, can tell a city's and a county's story in an effective, entertaining and

interesting fashion. A local history museum differs from other museums because it reflects the significant experiences of the community it serves.

In turn, this preservation of local heritage has four values to the community.

First of all, history becomes a common denominator. Under the banner of history, all elements—be they conservative or liberal, young or old, laborer or executive—are brought together. When this is accomplished there is a sense of unity and an improvement in the community attitude.

The second important value is education. The local museum serves as a supplementary educational facility, enabling textbook lessons to become real and meaningful.

Tourism, the industry without a smokestack, is the third benefit endowed on the community with a locally active museum. It is a known fact that people like to visit museums. Last year, more than 16 million people visited museums in Texas, staying an average of one or more hours.

The fourth value to the community is an intangible one. Carl Sandburg said: "When a nation goes down, or a society perishes, one condition can always be found... they forgot where they came from." When we look at our past, we understand better what we are today and what we must do to make the future worthy.

All of which are good reasons for the citizens of Post and Garza County to take an interest in the plans for establishment of a museum here.

Attend the stock show and fair

There'll be something for just about everybody out at the county 4-H building this Friday and Saturday.

In progress as the main attractions will be the third annual Garza County Junior Livestock Show and the Garza County Fair. Scheduled for noon Saturday as an added attraction is a big barbecue to be held just across the lake from the 4-H building in the City-County Park—unless the weather moves it inside, as it did last year.

Everyone is urged to attend Friday and Saturday's stock show and sale and both days of the county fair. Let's show the young owners of the animals, the home demonstration club women who are putting on the fair, and the members of the junior livestock association that we appreciate their efforts in making such an outstanding event possible in Garza County.

You'll be missing something big if you miss this weekend's stock show and fair!

Important baseball meeting set

The president of the Babe Ruth League, Jimmy McLeroy, appeals to parents of Babe Ruth League players and to others interested in the program to attend Friday night's meeting at 7:30 o'clock at the Reddy Room.

The league president says that in a number of ways the success of this year's Babe Ruth League program might well depend upon the size of the turnout at Friday night's meeting.

A Babe Ruth League meeting scheduled for last Friday night had to be called off because

not enough parents and other adults showed up, the league president said.

Post has been selected as the site of this year's district Babe Ruth League tournament, but it is liable to be shifted somewhere else unless more interest is shown here on the parts of parents.

Officers will be elected and other plans for the season made at Friday night's meeting. If you are interested in the Babe Ruth League, be sure to attend.

Don't become 'The Other Fellow'

Don't write off National Poison Prevention Week, March 17 to 23, as just another one of "those" weeks which do not mean anything. Today's drugs and chemicals have made life more wholesome and healthy, but the price of carelessness can be high.

Home medicine cabinets and utility room shelves have become stockpiles of sophisticated drugs and chemicals—many of them potentially dangerous. Hardly a day goes by but what we read of the accidental misuse of poisonous substances. Usually children are the victims.

The medical profession, through its principal

spokesman the American Medical Association, conducts a ceaseless education campaign to awaken everyone to the latent perils of the family medicine cabinet. It repeatedly warns against the hazards of unlabeled bottles and the danger of leaving drugs or medicines—even aspirin—within the reach of children.

The message of National Poison Prevention Week is aimed at all of us—with no exceptions. Because when accident or tragedy strikes and we find that we have suddenly become "the other fellow," it is too late.

What our contemporaries are saying

An old-timer is a person who can remember sitting through many a dull evening without television.—The New London (Iowa) Journal.

Vanity has never been purchased at a greater sacrifice than by the man who wears his boots too small. Douglas Moulder in Matador Tribune.

Three mothers complained because they never had a chance to wear their regis's anymore for their teen-age daughters always had them on.—The Drumright (Okla.) Derrick.

A beautician says that plenty of sleep is an invaluable aid to good looks. It would seem that a considerable number of people suffer from insomnia.—The Duncannon (Pa.) Record.

That fellow on Division Street says nothing brings back the "good old days" like a bad memory.—Speedy Nieman in The Sinton Stationer.

Don't worry if you get kicked from the rear, because that means you are out from.—James H. Russell in The Belton Journal.

THE FIRST DAY of spring is only ten days away this Monday morning, but you wouldn't believe it from the weather outside.

Well, anyway, mini-skirt hems, if any, won't get wet in snow drifts.

A FEW YEARS ago, it snowed here on the first day of spring and the winter that year hadn't been anywhere near as "rough" as this year's, so there isn't any telling what to expect on the first day of spring 1968.

The man up the street says it may not be polite to eat your peas with a knife, but it is a sign of good, steady nerves.

I WROTE IN this column a couple of weeks ago that March 5 was the only day in our Birthday Book for which no birthdays were listed. Well, Mrs. Bill Dixon has remedied that. She writes as follows:

"Reading your 'Thursday to Thursday' column about a March 5th birthday—well, I have one! Rev. Lee R. 'Tut' Jones of Big Spring, Texas. He was our pastor and people in Post know him.

"I looked for others, too, on this date, but it was the only one I could find. Will it help?"

If you know what all these names have in common, you're keeping up with things: Smith, O'Daniel, Hill, Carr, Locke, Briscoe, Whittenburg, Yarborough, Veloz, Hackworth.

SUNDAY, MARCH 17, is St. Patrick's Day. Don't forget the Irish stew.

Now I know why the Boy Scout district in this area is called the Comanche Trail District. It came to light in one of Ed Syer's recent columns, in which he wrote as follows:

Lamesa's Ed A. Noret would "like to hear from others of stories along the old Comanche Trail to Mexico." He traces a line roughly across the Red River at Childress, thence via Matador, Crosbyton, Post, Lamesa, Fort Stockton, Marathon and from here down U. S. 365 into Big Bend through Permian Gap, crossing the Rio Grande by old Presidio San Vicente, near Mariscal Canyon. Comanche rode it for fall raids during the time of the Mexican War.

"Our county (Dawson) had several Indian villages destroyed by Ronald Mackenzie's troops in the 1870's. I would think there are stories all along it, for the trail has been used by humans as long as buffaloes were here. I'd like to hear more of what happened down the trail."

DEPARTMENT OF Useless Information: The song with the longest title, "Green with Envy, Purple with Passion, White with Anger, Scarlet with Fervor, What Were You Doing in Her Arms Last Night Blues," was written in 1961 by Philip Springer and Nita Jones.

The big news down at Snyder lately has been the breaking of ground for the construction of a multimillion-dollar plant to produce magnesium and chlorine from a brine pool said to be the remains of a subterranean sea which covered the area millions of years ago.

INITIAL PRODUCTION is scheduled for May, 1969. The plant has a planned capacity of 30,000 tons of magnesium a year. Operator of the plant will be the American Magnesium Co. of Tulsa.

"In the recovery process," says Royer M. Wheeler, principal stockholder in the new plant, "magnesium chloride is crystallized and separated from the brine during a dehydration process. It is then fed to electrolytic cells where magnesium metal and chlorine gas is separated. For each pound of magnesium produced, three pounds of chlorine are recovered."

WHEELER SAID their brine pool contains about 11 per cent magnesium chloride compared to a concentration of only one-fourth of 1 per cent in sea water, another prime source of magnesium.

He said the use of the light-

Funeral held for former resident

Funeral services were held at Ontario, Calif., March 6 for Charles F. (Pete) Ray, a former resident of the Close City community, who died Feb. 26 at San Bernardino, Calif.

Mr. Ray lived in the Close City community from 1914 until about 1928, when he moved to California. He is survived by a son, Frankie; three brothers, M. B. Ray Jr. of Denton, Ted Ray of Lubbock and Bob Ray of Fort Worth, and three sisters, Audrey Stephenson of Santa Monica, Calif., Helen McGuire of Big Lake, and Sadie York, who lives in Germany.

M. B. Ray Jr., Ted Ray and Mrs. Stephenson and Mr. and Mrs. Glen Redman of San Diego, Calif., were among those attending the funeral.

While the out-of-town relatives and friends were in Ontario for the funeral, they were guests of Ray and Maxine Farrar, who were lifelong friends of Pete Ray.

Blizzard in Graham area proves groundhog right

By MRS. GLENN DAVIS
 When it was blizzard in Graham area Monday? We are about to determine that some blizzard we know the groundhog knew what he was doing when he saw his shadow and went back for six weeks. The guests of Mr. and Mrs. Lois James Stone were Mrs. Lois Stone and Mary Ann Stone. Other Sunday visitors were Mr. and Mrs. Arvel Stanley and Mrs. Billie Stanley and children. This community extends sympathy to the relatives of J. H. Peede. The family once resided here for a number of years. Recent visitors of Mr. and Mrs. G. Thuet Sr. were Mr. and Mrs. Jimmy Thomas of Hereford. Mrs. Debra Thomas and a young girl friend visited Sunday afternoon. Mr. and Mrs. Theibert McBride and Mrs. David visited in Lubbock Sunday. Mrs. Peede burned her hand real bad Sunday evening. We hope she will soon heal as a burn is so hard for a child. Mr. and Mrs. Douglas Livingston and Mrs. L. H. Peel visited Friday evening with Mrs. S. R. Rankins and new baby in Lubbock hospital. Mrs. Wanner Johnson and family recently had a birthday supper in honor of her mother, Mrs. G. Thuet Sr., and her son, G. Thuet Jr. These present were the Mrs. Thomas, Julius Johnson and Mrs. Thuet. Mr. Carl Fluit visited Friday evening with the Theibert McBrides. Bonnie Green was a Friday night guest of David. Mr. and Mrs. Melvin Williams, Mrs. Butch Burkett and Mrs. Esther Barlow attended luncheon in Lubbock Saturday afternoon. Evening visitors of Mr. and Mrs. Roy Ehrhidge were the

Melvin Williams family, the V. A. Dodson family and Mr. and Mrs. G. N. Leggett. Mrs. W. O. Fluit Sr. is a patient in West Texas Hospital suffering from pneumonia. She was feeling better Monday. We hope she soon feels much better. The Lonnie Gene Peels were Sunday luncheon guests of the L. H. Peels. Mr. and Mrs. Elmer Cowdrey and Bud Sparlin visited in Odessa Saturday with relatives. The Ray McClellans and Quannah Maxeys are fishing at LBJ Lake this week. The Jimmy Byrd family spent Saturday night and Sunday with the Elva Peels. Mrs. Steen is spending some time with her daughter, Mrs. Bill McMahon, and Mr. McMahon. On Sunday Miss Bonnie McMahon and Mr. and Mrs. Carl Fluit visited. Sunday luncheon guests of the Bobby Cowdreys were Mrs. Ethel Redman and Mrs. Gladys Floyd. Mr. and Mrs. Clarence Morrison of Hereford spent Saturday night and were luncheon guests Sunday of Mr. and Mrs. L. G. Thuet Sr. In the afternoon they visited the L. G. Thuet Jr.s. The Melvin Williams family were Sunday luncheon guests of the Claud Williams. PATTY McCowen daughter of Joe McCowens, is a patient in Slaton Mercy Hospital. We wish for her a quick recovery. Mr. and Mrs. Bobby Rogers of Borger were Sunday luncheon visitors of the Curtis Williams. Sunday visitors of Mrs. V. J. Davis were the Alvin Davis family, the Elvus Davis family and Mr. and Mrs. Carol Davis. Sunday luncheon guests of Mrs. Johnnie Rogers were the Bruce Evans family and Karen Hawley. Jack Fluit visited over the week-

Ask Dr. QUIZMEE

Dr. Quizmee, our information specialist, is happy to answer his readers' questions in his weekly column. All responses are verified by Funk & Wagnalls Standard Reference Encyclopedia.

As a starter, I'll take the query from John L. who asks: "Are helicopters of fairly recent origin?" Not unless you consider 500 years ago recent! Leonardo da Vinci visualized such a machine in the 15th Century. All the 20th Century did was make an old dream a new reality. "Please tell me whether air and ozone are the same thing?" is the question from Jan. R. Ozone is not air—it is a special form of oxygen and is present in air in tiny quantities. Ozone has a sharp odor, giving rise to its name which comes from the Greek word meaning "smell." Water, water, everywhere—and Frances G. wants to know: "How come 150 inches of rain may fall yearly in one spot, while 20 miles away the annual average may be only 15 inches?" It takes moist air and mountains for this to happen. The moist air, rising over the mountains, cools and causes heavy rain on one side; then the clouds are drained of most moisture, causing much smaller amounts of rainfall on the other side. If you are the first to submit a question to Dr. Quizmee, in case of this newspaper, (the writer of this column to be sole judge), you will receive free the full 25 volume set of Funk & Wagnalls Standard Reference Encyclopedia.

Library LISTENING POST

By ROSEMARY CHAPMAN
BEAT THE PRESS
 (The second in a series of stimulating studies - in depth on library personnel)
 Q. Good morning, Rev. George L. Miller, R. Chapman, Post Dispatch, here.
 A. Huh.
 Q. Are you ready for your interview?
 A. Hardly.
 Q. As our new head librarian, surely you'll permit an interview?
 A. I've read one of your "interviews". It was absolutely pointless.
 Q. But this one's going to be different. I had a Poor Subject the last time.
 A. Buzz off, pest.
 Q. Actually, it occurred to me that you might feel that way, so, rather than an interview, I've brought along a psychological test for you to take.
 A. I'll bet you made it up.
 Q. I certainly did not. This test came straight out of a book called, "What Makes You Tick?"
 A. W-e-i-l, I DO enjoy quizzes. ... all right, I'll take it!
 Q. Good show, George! Ready? Here we go: What was the name of your third grade teacher?
 A. Mrs. Lee or Mrs. Halleck — I think I had two different ones.
 Q. What did you have for dinner last Tuesday?
 A. Creamed tuna on toast.
 Q. Where did you go on the first train trip you took without a grown-up?
 A. San Francisco from Los Angeles.
 Q. What was your telephone number before the present one?
 A. OR4-2825.
 Q. What did you do on your 21st birthday?
 A. Came home from college for a quiet evening with my family and discovered my mother had planned a surprise birthday party. It was my one and only surprise party.
 Q. What was the first book you read outside of school?
 A. Probably "Tom Sawyer" or "Huckleberry Finn".
 Q. What was the name of the first person you went out with "alone"?
 A. You mean a girl person, like a date?
 Q. Right.
 A. Elinor something or other.
 Q. What's the name of the person you were introduced to most recently?
 A. Charles Gibson of Burlington Mills.
 Q. Who was the first acquaintance you met when you left your home yesterday morning?
 A. Helen Cornish.
 Q. What was the theme of the last sermon you heard?
 A. I try to listen to myself when I'm preaching. My last sermon was on stewardship and giving. The last sermon I heard someone else preach was at Presbytery which concerned the Proclamation of the Gospel today.
 Q. What was the name of the leading character (not the actor's real name) in the last movie you saw?
 A. Scarlett O'Hara in "Gone With the Wind".
 Q. What was the name of the last novel you read?
 A. "The Record of Justine" by Louis Auchincloss.
 Q. Do you remember how much income tax you paid last year?
 A. (Censored)
 Q. What suit or dress did you wear last Thursday?
 A. My best one — blue suit — my first tailor-made suit.
 Q. What was your first favorite song?
 A. "K-K-K-Katy" or possibly "Pistol Packing Mama".
 Q. O. K., that's it. That was the last question. Thanks, George.
 A. How did I do?
 Q. How did you do what?
 A. How did I do on the quiz, of course.
 Q. How should I know?
 A. Look, you've given me a psychological test. What's my score? What's the analysis?
 Q. I didn't bring the answers, just the questions.
 A. Go home and get the book then.
 Q. I can't. I've lost it, George.
 A. George? ... GEORGE!
 George, I hate to see a grown man cry.

Application period for All-Risk Federal Crop insurance open in area

The application period for All-Risk Federal Crop Insurance protection on irrigated cotton opened today for a limited time in Garza County. Mike E. Custer, FCIC representative from the district office at Lubbock, said the program being offered for the 1968 crop year remains much the same as last year except for some minor adjustments. "Seven insured farmers in the county shared during 1967 more than \$2 million in Federal Crop Insurance payments made in Texas for losses on cotton, grain sorghum, and wheat crops due mostly to drought, flood, excessive moisture and wind." "This added an estimated \$7,000 to the county farm economy and helped to offset financial losses due to poor crops," Custer says. The All-Risk FCIC insurance plans guarantee farmers an established amount of good quality production based on yield history of the land, amount of risk involved, and estimated costs of production. FCIC by Congressional Act is allowed to insure only production costs or the farmer's investment in his crop.

Whittenburg calls for expanded vocational training in Texas

HOUSTON — Edward L. Whittenburg, Democratic candidate for governor, has called for expanded vocational training programs "If Texas is to fully meet its responsibility in education." The Houston businessman kicked off his formal statewide campaign last week, announcing the opening of "Texans for Whittenburg" headquarters in Dallas and Houston. "A college education is an excellent way for thousands of our young people to prepare for adulthood," Whittenburg said over the weekend "But is not the only way." He said most Texas youngsters do not complete a college education. Those who do not enter college or who do not finish college are largely untrained in a marketable skill. "Yet, of the \$1,100,000,000 Texas appropriated for education this year," Whittenburg said, "only \$16,800,000 is earmarked for vocational training, and most of that is federal money." State funds for vocational training totaled only \$2,700,000, he said. "The State of Texas must do more to make sure that all our young people are adequately prepared to become productive citizens."

CLOSE CITY SOCIAL

The monthly Close City social will be held Saturday night at the Close City Community Center. A covered dish supper will be held at 6:30 o'clock, to be followed by the usual games and visiting.

Rotarians watch big bridge built

Julian Smith, resident highway engineer, showed color movies to Post Rotarians Tuesday noon of the construction of the \$4,500,000 mile-long Herbert C. Petry bridge near the Amistad dam near Del Rio.

Concrete pillars for the dam were built 220 feet above the dry bottom of Devil's River.

When the huge reservoir formed by the dam is filled, beginning next month, the water will be 200 feet deep beneath this tremendous bridge and the bridge itself only 20 feet out of the water.

Smith narrated the pictures taken by G. P. Brown, highway resident engineer for the massive bridge project now completed.

The interesting methods used in the construction were shown in the 30 minute film.

KERR JARS TO BE WON

The Kerr Glass Manufacturing Corp. will offer premium awards at the Garza County Fair, which will be held in conjunction with the Garza County Livestock Show and Sale this weekend. Nine dozen jars will be awarded in all canning divisions.

Besides the multitude of star attractions booked for HemisFair, strolling mariachis, trios and choral groups will be appearing on the various walkways and plazas.

Tech coed hurt in auto crash

One Texas Tech coed, Miss Nancy Hurn of Henrietta, was treated at Garza Memorial Hospital here late Sunday night for minor injuries and then released following an auto accident on US-84 southwest of Post near the Scurry County line.

Highway Patrolman Henry Harden said the car containing six Tech girl students slid off the slick pavement and crashed through a fence.

Miss Hurn, a passenger the only one injured. Harden stopped other bound students going through and caught rides for the night into Lubbock. The car was enough damaged to require in by a wrecker.

Ask Dr. QUIZMEE ????

Dr. Quizmee, our information specialist, is happy to answer his readers' questions in his weekly column. All responses are verified by Funk & Wagnalls Standard Reference Encyclopedia.

Today's first comes from Mrs. Linda D. who asks: "What makes an alpaca sweater so expensive?"

The cost lies in the scarcity of the wool, since alpacas are found only in the Andes in South America at altitudes of 13,000 to 15,000 feet.

"Is a sea robin a bird or a fish?" writes John K.

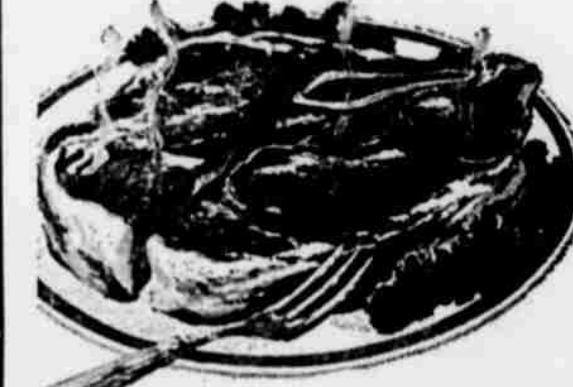

The same name, sea robin, is applied to both a fish common on the North Atlantic coasts and to a fish-eating duck!

Steve R. wants to know: "Where do we get the expression, 'A kaleidoscope of events'?"

A kaleidoscope is a tube with bits of glass packed loosely between a clouded glass disk and a clear one at one end, and an eye glass at the other. When the tube is turned, a viewer sees many changing designs.

And a "kaleidoscope of events" means a variety, or constant changing of events.

If you are the first to submit a question to Dr. Quizmee, in care of this newspaper, (the writer of this column to be sole judge), you will receive free the full 25 volume set of Funk & Wagnalls Standard Reference Encyclopedia.

THANKS

Thank you for your response to our announcing the opening of the Chevrolet-Oldsmobile dealership. Many friends have expressed their approval. Some have placed their orders for new cars.

PLEASE BE PATIENT

We have been delayed in opening the dealership due to the illness of Mrs. H. E. Hickman.

The front door will be open soon.

The first shipment of new cars should arrive late next week.

In the meantime we are writing fire, auto and casualty insurance. Also we have a few choice listings of residential property.

Harold Lucas Chevrolet-Olds

'Mr. and Miss Post' are to be selected in Saturday's contest

A "Mr. and Miss Post" will be selected from an entry list of 38 girls and boys, ages three through eight, Saturday night at 7 o'clock at the primary auditorium.

The contest is being sponsored by Mu Alpha Chapter of Beta Sigma Phi with cash prizes being awarded to the top three winners in both categories. Out-of-town judges will make the selections.

Admission to the event is \$1 for

adults and 50 cents for students. Tickets may be purchased at the door or from any sorority member.

Boys and girls entered in the contest are:

Nancy McCowen, Debbie Gordon, Peggy Jackson, Vickie Teaff, David Blanton, Jeffery Riedel, Leanna Davis, Amy Babb, Randy Gordon, Kenda Windham, Scott Teaff, Diana Blanton, Jeffery Wil-

liams, Patti Ann McClellan, Becky Scott, Brad Mason;

Also Dayla Redman, Vickie Gordon, Amy Thuet, Scarlett Riedel, Stacy Callaway, Jay Young, Caren Gray, Dale Redman, Pam Scott, Kirt Robinson, Darla Jackson, Brent Mason, Cindy Terry, Jay Callaway, Jana Terry, Benny Young, Bryan Compton and Craig Peel.

14 are hostesses at layette shower

Mrs. Tommy Polson and her new son, Mark Shayne, of Lubbock were complimented with a layette shower Tuesday night from 7 until 9 o'clock in the Community Room.

Yellow and white colors were used in the decorations with the serving table featuring a yellow and white flower centerpiece enhanced with miscellaneous baby gifts.

Yellow filled cookies and yellow punch were served by Mrs. Charles Alexander, aunt of the honoree, and Mrs. Dickie Vardiman.

Mrs. O. B. Taylor of Denison was a special guest. She is the grandmother of Mrs. Polson.

Hostesses were: Mrs. Paul Jones, Douglas Livingston, Jack Ballentine, S. M. Young, Barney Martin, W. C. Graves, Dickie Vardiman, B. E. Young, V. O. Rasbury, Homer McCrary, Dan Lamb, Inez Capps, J. R. Hagins and Chester Morris.

Bride-elect is honored here

Miss Shannon McCampbell, bride-elect of Richard Brush, was honored at the Afternoon Circle meeting of the First Presbyterian Church Monday at 2 o'clock in the home of Mrs. A. C. Surman.

Gifts were presented to the honoree from the United Presbyterian Women and the hostesses.

Mrs. D. C. Williams and Mrs. Walter Boren served cake, coffee, nuts and mints from a table decorated in the bride and groom decor.

Mrs. Shelley Camp presented the Bible study program on the second chapter of Mark.

Those attending were Miss McCampbell, her mother, Mrs. Howard McCampbell, her pre-nuptial, Mrs. W. E. Dent and the following members:

Mmes. Bryan J. Williams, Gies McCrary, David Newby, Mike Mitchell, Camp, D. C. Williams, and Walter Boren.

Special guests included Mrs. H. J. Haire and Mrs. Winnie Tuffing.

SUNDAY GUESTS

Sunday guests in the home of Mrs. Vera Gossett and Sonny were Mrs. Gossett's sons-in-law and daughters, Mr. and Mrs. Arlie Ramage of Spur, Mr. and Mrs. Jimmy Stanford of Littlefield and Mr. and Mrs. Ronnie Morris and children of Post.

ATTEND FUNERAL

Mr. and Mrs. Bobby Gordon attended funeral services for her grandmother, Mrs. Nancy Ann Akins, in the Bob Riley Funeral Home at Hamilton last Friday.

Inclement weather cuts short MYF's historical marker tour

Due to the inclement weather Sunday afternoon, the Methodist Youth Fellowship did not have a complete tour of the historical markers in the county but thoroughly enjoyed the markers they visited and the talks they heard.

The Garza County Historical Survey Committee, headed by Mrs. A. C. Surman, conducted the tour for

the youth group.

The first stop of the tour was the old C. W. Post home on West Main Street with Walter Duckworth telling its history.

The old Ponton Sanitarium was visited next with a tour of the building and its history explained by Dr. Surman Alfred J. Stallings was in charge of the talk at the Lutheran Church, which is the first church built in Post still being used.

From there the group went to the home of Mr. and Mrs. Walter Boren for a tour of the Judge Boren home and concluded the tour by eating sack lunches and punch in front of a roaring fireplace in the Boren home.

Mrs. Winnie Tuffing told members of MYF that the local historical committee is sponsoring an essay contest with first and second prizes to be made. The essays are to be written on one of the sites visited and concluded activities of "History Appreciation Week" which ended Sunday.

Other sites in the county will be visited at a later date when the weather permits.

Mr. and Mrs. R. L. Marks and Mrs. Pat N. Walker, sponsors of MYF, accompanied the group.

YOUTH REVIVAL

A youth revival will be held at the Church of God of Prophecy beginning Sunday and continuing through March 22. James Green, a student at Tomlinson College, Cleveland, Tenn., will be the evangelist for the services, which will be held at 7 p. m. The Rev. W. O. Green is pastor of the church and extends a cordial invitation to all youth to attend the revival.

REPORTS TO FORT SAM

Pvt. Gary Hays, son of Mr. and Mrs. Bill Hays, left Saturday for Fort Sam Houston at San Antonio where he will attend the medical training center there. He was home on a 15-day leave after completing basic training at Fort Polk. La. Gary graduated from Post High School in 1966 and attended the University of Houston.

VISIT WITH CHILDREN

Mr. and Mrs. C. R. Wilson spent last weekend visiting their son-in-law and daughter, Mr. and Mrs. Tom Bouchier, in Houston. The Bouchiers accompanied them to Galveston where they visited Mr. and Mrs. Butch Wilson, and daughter, Jennifer.

VISIT IN LEVELLAND

Mr. and Mrs. Bandy Cash and E. M. Woodard visited in Levelland Friday with Mrs. Callie Cash, who is ill, and attended the double-header baseball game between Ranger and Levelland Ranger won one game, 5 to 4, and Levelland won the other, 2 to 1.

MRS. JACK W. STANLEY

Jack Stanleys are at home in Odessa following recent vows

Mr. and Mrs. Jack W. Stanley are at home at Odessa following their marriage Feb. 27, in the home of the bride's mother, with the Rev. C. B. Hogue, former pastor of the Post First Baptist Church now a pastor at Odessa, officiating.

The bride is the former Iris Gayle Howell, daughter of Mrs.

J. B. H. Dunn of Odessa and Ben Howell of Houston, former Post residents, and the bridegroom is the son of Mrs. Rita Hobbs of Seattle, Wash., and E. K. Stanley of Tempe, Ariz.

The bride wore a formal A-line gown of Maye green featuring a bateau neckline, an empire waist and bell sleeves. Her fingertip veil of illusion was attached to a crown encrusted with seed pearls. She carried a bouquet of white roses atop a white Bible.

Miss Ann Robinson, maid of honor, wore a gown of a deeper shade of green identical to the bride's. She carried a long stemmed white rose with green streamers.

Trinity GA's attend meeting at Lubbock

The Junior Girls' Auxiliary of the Trinity Baptist Church attended the quarterly GA Association meeting held at the College Avenue Baptist Church in Lubbock Saturday.

During the morning session the girls attended separate "Forward Steps" conferences and in the afternoon there were conferences for officers.

Members attending were: Susie Smith, Ila Workman, Kathy Morris, Nancy Maddox, Sue Britton and Cynthia Morris, and guests, Judy Morris and Tammy Thomas.

Adults accompanying the girls were Mrs. Billy Cross, Mrs. Nell Morris and Mrs. June Kiker.

MIDLAND GUESTS

Weekend visitors in the home of Mr. and Mrs. Burl Ford were their son-in-law and daughter, Mr. and Mrs. Stoney Stalcup, and son of Midland.

ENTERS COLLEGE

Miss Linda Hays, a 1967 graduate of Post High School, is attending the second semester at South Plains College. She is the daughter of Mr. and Mrs. Bill Hays and was employed at Bob Collier Drug and Postex Mills before entering college.

Chapter selects ESA'er for year

Gamma Mu chapter of Epsilon Sigma Alpha sorority met last Thursday in the Community Room with Linda Reynolds as hostess.

The chapter selected Blenda Robinson as the ESA'er for 1967-68. A nominating committee for new officers to be elected at the first meeting in April was named. Bertha Irons will serve as chairman and Linda Reynolds and Margaret Allen are committee members.

Sandra Alexander presented a program on "Making the Most of Your Time."

Mrs. Reynolds served refreshments of strawberry pie, Cokes and coffee to four guests, Johnnie Norman, Patty Bausman, Thelma Mason and Sandra Claborn, and members:

Kay Pace, Laveta Norman, Sandra Alexander, Betty McLeroy, Bertha Irons, Margaret Allen and Mary Mayo.

A social will be held March 21 at the Community Room with members to dress as "tourists."

Mrs. Callis hostess to Needlecraft Club

Mrs. Lucy Callis was hostess to members of the Needlecraft Club last Friday afternoon in the community room.

The program was presented by Mrs. F. A. Gilley, who gave a reading on the life of St. Patrick, and Mrs. W. R. Graeber, who gave a reading on the life of St. Kera, a contemporary of St. Patrick.

Mrs. Callis served open - faced sandwiches, cake and coffee to the following:

Mmes. Graeber, Gilley, H. J. Irons, Scott Storie, Carl Jones, M. H. Hutto, Montie Adams, Nell McCrary, Oscar Smith, F. C. Barker and H. J. Dietrich.

Southland area news

McNeely family's prize is trip to the Ozarks

By MRS. EDMUND WILKE
SNOW! Once again we awoke to find the ground covered with snow. Had a nice rain on Sunday and now this morning it is snowing. Who could ask for anything more?

At least one family in this community had real good news last week. Mrs. Aubrey McNeely received word that she and her family had won an "expense free" trip to the Ozarks, staying at a beautiful lodge at Bella Vista, Ark., for four days and three nights. Mrs. McNeely said that she signed up for the trip when they attended the Fat Stock Show in Dallas in January. Congratulations! How about me going along as part of your family?

Congratulations to Mr. and Mrs. Mike Riney who are the proud parents of a fine baby boy born early Tuesday, March 5, at Mercy Hospital in Slaton. The grandparents are Mrs. Norma Eckert of Southland and Mr. and Mrs. F. B. Riney of Wilson.

Congratulations to Polly Martin, Southland senior and top-notch basketball player. She has received an invitation to go to Wayland College to try out for a place on their basketball team. The try-outs will be March 30, and Polly, we are all rooting for you. This is a real honor to be chosen for the try-outs.

Mr. and Mrs. Milton Gindorf and Shelly of Dallas were here during the weekend visiting friends and relatives.

Southland's track team participated in the Denver City Track Meet last Saturday with the following results: High jump, Joe Basinger, first place with 5-11 1/2; pole vault, Bill Bevers, first place with 12-0. Southland was in Division II and had 24 team points. Congratulations, boys!

The Rev. and Mrs. H. W. Hill and Darrell will be moving to Anton soon where he will be the pastor of the Central Baptist Church. This community is certainly losing a fine family and preacher, but our loss is Anton's gain. I, for one, have really enjoyed knowing this family. May God bless this family richly in their new location.

Mr. and Mrs. Delmar Wilke and two daughters have recently re-

turned from a trip to Dallas and LBJ Lake.

F. W. Callaway, Weidon McGehee, Herman Dabbs and Edmund Wilke returned last Wednesday from a fishing trip to Falcon Lake. Seems the weather wasn't very pleasant all the time they were down there, so they didn't get to fish very much. I heard that the weather got better later in the week, so guess this bunch should have stayed a few more days. I guess the rest of the Hackberry Gin men came home during the weekend.

Edmund, Sherri, Darrell and Yours Truly attended some of the Regional Basketball games that were held in the Lubbock Municipal Coliseum Saturday and witnessed some mighty fine ball games. I think the game between the Springlake girls and the Stratford girls was one of the best girls' game that I have ever seen. Now that is what I call real ball playing. We also saw Mr. and Mrs. Herman Havis there.

Mrs. Bertha O'Keefe of Andrews spent the weekend with her mother, Mrs. Lena Lieske. They attended church at Grace Lutheran in Slaton Sunday.

Mr. and Mrs. Otis Cash of Loco Hills, N. M., visited with her aunt, Mrs. Z. K. McKee, last Thursday.

Among the basketball fans from our fair community that attended the bi-district basketball playoffs at Levelland on Tuesday night were Coach and Mrs. Bob Dyess and children, Mr. and Mrs. Jerry Meicher and Karen, Mrs. Les Martin and Polly, Mrs. Mable Meicher and son, Dayneen Dunn, Sherri and Darrell Wilke and Yours Truly. I'm sure there were others but these are the ones that I saw.

Mr. and Mrs. G. D. Ellis went to Lubbock Sunday and were dinner guests of Mr. and Mrs. Otto Carnes. Other guests were Mr. and Mrs. Ben Vernon.

Mr. and Mrs. Sam Ellis and Mr. and Mrs. P. W. Crawford and Debra were Thursday dinner guests in the home of Mr. and Mrs. G. D. Ellis.

Mrs. Mary Ellis and Mrs. Winnie Henderson were in Lubbock Saturday.

Mr. and Mrs. Dee Hodges visit-

ARMORED PHONES

To prevent thefts of cash, telephone pay stations use remote money banks in which the deposited coin is released into a steel tube that is built into nickel stainless steel backboard.

ed Mrs. Nellie Mathis Sunday, Friday, Mrs. Dee Hodges and Mrs. Sadie Weaver of Levelland, visited her.

Coach and Mrs. Bob Dyess and children went to Oak Creek Lake on Sunday and did a little fishing. Mrs. Dyess caught a two-pound black bass right away and I know she must have been thrilled. Coach caught a smaller one a little later and that is all the luck they had. They said that the lake is real pretty. I am going to try to talk Edmund into taking me down there one of these days! Oh, to catch a great big black bass! Wow!

Copycats

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Kathy and Kevin celebrate St. Patrick's Day . . . Kathy wears her green plaid dress, and Kevin his sweater with the emerald stripe. The hats are those we brought home from last night's party!

They don't really know what the day is all about. But they heard Dan singing in the shower, "the wearin' o' the green," and saw the color of the tie he placed on the door knob.

They don't miss a thing! That old saying that actions speak louder than words is certainly true around our children. They are regular little copycats.

That's why Dan and I make it a habit to go to church every Sunday with them. We want God and His Church to be a real part of their lives, not just something they have heard about.

Give your children a chance to know God. Go to church and take them with you.

Cast named for senior play

By Jane Hutchins
The Senior Class play, "They Were a Good Team", by John Nash presented April 26 in the school auditorium under the direction of Mrs. G. E. Fleming

and Mr. Gordon Lee.
This play, a comedy of college and youth, tells of how a farm boy is mistaken for a college dean and how the real dean is mistaken for a lunatic. It is the laugh sensation of the year.

The characters are Dean Brown, a farm boy from the state of Maine, played by D'Wayne Gannon; Gary Blaine, a peaceful youngster of 20, Ronnie Petty; Dal Thomas, president of the Senior class, Chris Stelzer; Chuck Rhoades, president of the Donta Carra Rappas, Gary Young; Herb Grant, president of the Athletic Club, Danny Cooper; Gloria Manson, a lovely young heiress, Nedra Childs;

Una Scanlon, a "feudin' young woman, Emily Potts; Margie Thornhill, Emily Wayne and Ione Babson, attractive young co-eds, Micki Sterling, Jane Hutchins, and Natha Jo Mears; Miss Howard, a serious woman of 28, Teresa Maddox; Beth Hanson and Mabel Reese, average young co-eds, Voda Beth Voss and Miriam Smith; Roland Graves, a very serious young man, Mike Robinson; Charles Bradley Brown, the new dean in person, Gaylon Hutto, and The Stanger, "historical" young man, Jim Johnston.

Mr. and Mrs. J. L. Hedrick, plans to attend college to prepare for teaching. She has not decided upon the college she will attend.

She has been a member of choir four years, paper staff two years, pep squad three years, Rodeo Club one year, Commercial Club one year, FHA three years, FTA three years. Besides being a member of these clubs, she was chosen class president her freshman year, FFA chapter sweetheart her junior year, football queen her senior year, pep squad officer her junior year, and second runner-up in the FHA Valentine contest. She has served as a member of the senior girls' sextet, and as paper staff columnist.

Natha Jo feels that the highlights of high school for her have been the junior-senior banquet, the FHA Valentine contest, the junior and senior plays, and the various class parties.

ANTELOPE TRACKS

Post Public School News

The Post (Texas) Dispatch Thursday, March 14, 1968 Page 7

Band gets good Festival rating

The Post Antelope band performed Saturday at the annual Lamesa Band Festival.

The ratings received by the Post band were better than at past festivals, but Director Herb Gerner says: "We are proud of our progress, but do not intend to stop working, for there are still three weeks until the University Interscholastic League contest, and the Tri-State Festival after that."

In concert competition, James Matthews, band director at the University of Houston, judged the Antelope band Division I at Lamesa Saturday. Gary Zook, band director at Canyon High School, judged the band Division II, and Lloyd Cook, band director at Sul Ross College judged the band Division II in sight-reading.

To help the Antelope band prepare for UIL competition on April 3, Dean Killion, director of the "Going Band From Raiderland," will be in Post from 8:30 a. m. until 11:50 a. m. Tuesday. He will clinic the band and offer as much help as possible on their three contest numbers.

SHOWING AT TOWER

Two Walt Disney pictures, "The Jungle Book," and "Beaver Valley" are now showing through Saturday at the Tower Theatre. The above scene is from "Beaver Valley."

Open houses held for 'school week'

By Zelika Freeman

Last Monday and Tuesday evenings open house was held in observance of Public School Week.

On the scene Monday night at the high school could be found various decorations and attractions in Choir and other departments.

All the teachers were on hand, along with the students and parents. Members of the Future Teachers of America club served as hosts and hostesses at Primary, Elementary and high schools. Mr. Willson and his three choirs (boys, girls, and mixed) performed Monday night, singing the selections that they will sing March 16 at UIL contest in Lubbock.

Refreshments were served by FHA members in the Homemaking Department Monday night and in the cafeteria Tuesday night.

On Tuesday evening all of the high school students teaching P.E. in the lower grades were on hand to greet their "student's" parents.

Everybody enjoyed a good time as it was a perfect opportunity for students to show off school work to parents, and for parents to become acquainted with teachers.

Judy Gandy heads Girl Scout troop

Judy Gandy was elected president of Girl Scout Troop 84 when it met last Thursday afternoon at the Girl Scout Little House.

Other officers named were Pauline Gilmore, vice president; Esther Kay Guajardo, treasurer and Edna Jean Huffman, reporter.

Troop members made plans for the Girl Scout Fair in Lubbock, March 23, completed arrangements to attend the worship service of the Church of God of Prophecy Sunday morning for Girl Scout Week observance and heard a report on the annual cookie sale.

Iva Cruise was a visitor. Esther Kay Guajardo rejoined the troop. —Edna Jean Huffman, reporter.

Three students from county at Tarleton

STEPHENVILLE — There are three students from Garza County attending Tarleton State College this semester.

They are as follows: Dick R. Kennedy, a freshman pre-vet major; David L. Nichols, a junior industrial arts major, and Ronald W. Simpson, a junior physical education major.

Freshmen have lots of fun being 'initiated'

By Natha Jo Mears
Initiation day for freshmen was sponsored by the Student Council of Post High School recently.

It was a whole day of excitement. In the morning from 8 to 8:30 all "fish" were checked to see if they were dressed properly with old clothes. Girls wore long dresses and their hair was styled

but not combed. Seniors painted the faces of the freshmen. Between classes many air raids, allahs and carrying the Seniors books took place.

During the assembly, the freshmen entertained the student body. These activities consisted of peanut races, egg races, cheerleading for boys and more air raids and allahs.

Some unusual looking freshmen were Rhonda Case and Cynthia White. Also Kippy Payne had a creative sign that read "I Love Seniors," which all freshmen had to have. Bobby Hodges did a very good job (the second time) of reciting the saying to the Seniors of '68. Larry Bilbercy seems to have missed his calling — that is to be a cheerleader.

At the end of the day Karen Potts and George Morales were selected as the ugliest dressed boy and girl.

Yarborough calls on Texas to help stop exodus to big towns

WAXAHACHIE — Democrat Don Yarborough said here that Texas must stop the exodus of young people from the homes they love by providing more industrial and job opportunity in small towns.

"According to recent polls, 50 per cent of the population want to live in small towns or rural areas, but 79 per cent of the population live on one per cent of the land," the gubernatorial candidate said.

"Texas must place special emphasis on helping small towns obtain new industry to revive the economy of these cornerstones of our society," Yarborough said.

"We can no longer shrug off the problem of the exodus of the young people from small towns and say 'Let the cities worry about their new citizens'."

"It is senseless to dry up small towns just to create urban population problems when the situation can be solved by imaginative leadership willing to go all the way to find solutions."

Post student pledges college social club

ABILENE — Joe Hudman of Post is a spring pledge of Chi Omicron, social club at McMurry College.

The son of Mr. and Mrs. Victor Hudman, he is a freshman student at the Abilene college. To pledge, a student must have a grade point average of 2.00 or better for the fall semester.

Gospel singers to appear here

The Thomas Family of Garland, Tex., well-known gospel singers, will present their program of in-

spirational song Sunday, March 17, at the Assembly of God Church, 314 North Ave. I.

Juco meeting—

(Continued from Page 1) foundation committees. Chairmen are to select their own committee personnel from the foundation membership.

Committee chairmen are Bryan J. Williams, membership; Harold Lucas, finances; S. E. Camp, prospective labor; Pat Walker, by-laws; Louie Burkes, contact for industry; Victor Hartman, promotion of existing industries; Giles Dalby, communication; and Mrs. Ruby Kirkpatrick, community improvement.

Directors noted in minutes mailed foundation members that the foundation also is working hard to bring in industry and find "the right person" to fill the vacant salaried post of executive director of the foundation.

The Thomas Family will present a complete gospel concert, starting at 2:30 p. m.

They entered the field of gospel quartet singing, as a group, in 1965, although, separately, each member had been connected with gospel singing and quartets for many years.

The Easter Seal Society employs approximately 4,000 therapists and program specialists—to serve the handicapped—the largest professional work force of any voluntary health agency.

BOOSTING THE CUB SCOUTS

Giving the Cub Scout program here a big boost are these committeemen and other Cub workers. From left to right are Dean Sterling, Bailey Mayo, Charles R. Hutchins, District Scout Executive Don Allgood, Cubmaster Jack Bishop and Glen Barley.—(Staff Photo)

Caged layers—

(Continued from Page 1) or troughs by gravity flow from an irrigation well, with an emergency well standing by in case something stops the flow from the first well.

An electric cart is used in gathering the eggs, which is done twice daily, on the average. "If we had more help, we'd gather them three times daily," Mrs. Gossett said.

After the eggs are gathered, they are stored overnight in the cooler, and cased—30 dozen to the case—every morning for the trucks.

Around 94 per cent of the eggs are Grade A, ranking among the highest the Ralston-Purina Co. receives anywhere.

The mortality rate among the hens is low, amounting to only about one per cent. Dead birds are not replaced because of disease danger. The entire flock is replaced, however, when it drops below 50 per cent egg production, which is about every 13 months.

The body temperature of the hens provides all the heat they need in their cage houses, but there are fans for cooling and ventilation in the summer.

The electric lights in the cage houses are regulated by timers. "I don't see much use of it though," said Sonny Gossett. "I've noticed that these birds pretty well know their schedule."

Despite their busy schedule, Mrs. Gossett and Sonny say they are well pleased with their enterprise, which is the only one of its kind in Garza County.

Surprise snow—

(Continued from Page 1) that roads would quickly become impassable so he issued the call to the parents for individual pick-ups.

Shiver said he issued his call to parents after being advised by the highway department here that rural roads were expected to become impassable "within an hour."

The school administrator said when the storm hit he decided to wait until 3 p. m. before sending the buses back out on their routes and so advised parents via radio. He told The Dispatch that he made this decision with the thought that he would rather have all the students safe in town where they could be fed and bedded down for the night than on rural roads in a storm of unusual wind intensity.

After making the 3 p. m. decision, he was shortly thereafter, advised by the highway department

that roads would quickly become impassable so he issued the call to the parents for individual pick-ups.

Shiver commented yesterday that these parents "generally were very understanding and cooperative."

The superintendent then got up before 6 a. m. Tuesday to check the weather. Advised that all main roads were open, he ordered the school buses out for student pick-up and decided not to call off school Tuesday.

"It hurt our ADA (average daily attendance upon which state aid is based) a bit," Shiver said, "but that's all." The buses didn't run off the pavement.

Some parents brought their children out to the pavement on tractors to get through the drifts.

The school administrator said that trucks with radio sending equipment were volunteered for school use in the Monday emergency by Giles Dalby, Earl Chapman and Bob Macy.

Monday's snow didn't last long. The sun came out Tuesday and Wednesday and by yesterday afternoon almost all of it had melted away.

Postings—

(Continued from Page 1) ball future, he and Eddie Mathews, the former Atlanta Braves home-run slugger, are locked in an all-out battle for Detroit's first base job. The Detroit manager announced at the opening of spring camp that the job was up for grabs between the two. Detroit acquired Mathews in mid-season last year from the Houston Astros after big Eddie had failed to sock them into the seats with any consistency in the Astrodome. Whoever wins the job will hit No. 5 in the Tiger batting order.

Danny Richardson is the new addition to The Dispatch crew to replace Ronnie Morris, who will leave this weekend with his family for Farmington, N. M., where he will begin his duties next week as an insurance adjuster. Danny is already busy learning the tricks of his new "trade" — and when it comes to operating The Dispatch's old Babcock press there are plenty of "tricks" involved.

There are only two more weeks for interested Dispatch readers to save some vacation money by buying their HemisFair discount books across our front counter. We do want to make the point that the four different books on admissions to various attractions at the San Antonio world's fair this summer will be withdrawn from the market April 1 — here and everywhere else — and you'll have to pay full admission without them when you get to HemisFair. The Dispatch receives no commission for helping out with the advance sale. It's just a practical contribution on our part to help promote Texas tourism.

Fact is we've had only one customer for HemisFair discount books so far. But he became so interested when he checked over the books that he bought \$110 worth — and we've had to reorder.

But don't wait until the last few days of March. We won't have time to reorder then because all sales stop April 1.

The Dispatch's story last week of the "break-in" of the press box at Antelope Stadium where various items of bedding were left behind made the Associated Press wire and appeared in Dallas and other metropolitan papers. We are now inclined to agree with Mrs. C that if we had been a sharper headline writer, we would have topped the story, "Break-in or Love-in?"

COURT NEWS

Cecil Claud Lynn was charged Monday in county court with driving while intoxicated.

Buck Basham pleaded guilty Monday to a charge of driving while intoxicated. He was fined \$75 and costs and had a three-day jail sentence and six months driver's license suspension probated.

Medicare—

(Continued from Page 1) Gamblin, local attorney, in contacting officials through letters and long distance phone calls is

being done by Gamblin as a "friend of the hospital" and certainly "an appreciated friend," Sledge added.

The administrator also announced that some members of the hospital staff have been "laid off"

as an economy measure such time as Dr. Gerald Ly turns to his local practice patient load at the hospital up considerably. He said adequate nursing still provided patients.

Ken's Mobil holds lead in City Basketball loop play

Ken's Mobil Service defeated the First National team Wednesday night, but was ahead by only a point, 28-27, at the half. The winners had upped their margin to 53-45 by the end of the third period, however.

Bill Crane's 28 points paced the winners, while Jack Kirkpatrick hit 25 for the losers.

Post Pharmacy trailed Jelco, 12-6, at the end of the first quarter, but had a 28-point second quarter to forge into a 34-29 halftime lead and was out in front 49-44 going into the final period.

Johnny Kemp's 20 points and

Good turnout is urged for Friday Babe Ruth meet

Parents of boys of Babe Ruth League age and all others interested in the league are urged to attend a meeting at 7:30 p. m. Friday, March 15, at the Reddy Room.

Jimmy McLeroy, league president, said the meeting originally was scheduled for last Friday night, but was postponed when not enough people showed up to elect officers and transact other league business for the coming season.

In urging a good turnout at Friday night's meeting, McLeroy said the district Babe Ruth League tournament has been awarded to Post this season, but that there is a possibility of the tournament being shifted to some other town unless more interest is shown here on the parts of players' parents and other adults.

Antelope golfers prep for season

Seven candidates for this spring's Post Antelope golf team are working out under Coach Wilbert Bigott, when the weather permits.

Two of the seven, Mike Scott and Ben Miller, were members of the 1967 golf team, which was runner-up to Slaton in District 4AA competition.

Other candidates for this year's team are Dennis Altman, Tommy Duncan, Elbert Rudd, Charles Baker and Bobby Wilkins.

At Abernathy meet

'Lopes finish first, third, sixth in mile

Coach Waco Reynolds' fast-improving Post Antelope track team, which scored 30 points at Abernathy Saturday for its best showing of the season thus far, will try to do even better this Saturday in the Hale Center track and field meet.

Seventeen of the 30 points scored

by the Antelopes at Abernathy came in the mile run, where Peter Morales finished first, Arthur Torres, third, and Steve Colazzo, sixth.

Morales won the event with a time of 4:32.0, which is one second faster than the time he posted at Idalou the week before, but 3.4

seconds slower than the 4:28.6 he posted at Brownfield three weeks ago in the first meet of the season.

Finishing second to Morales in the Class AA mile run at Abernathy was Rando of Friona. Torres was third with a time of 4:54.5, only one-tenth of a second behind the second place finisher.

Norman Tanner scored eight points for the Antelopes with a second place effort in the shot put. He heaved the shot 47 feet, only two inches behind the first place effort of Floydada's Baker.

Jerry Crenshaw placed fourth in the 220-yard dash, which was won by Benny Akin of Olton, and Steve Newby placed sixth in the 880-yard run, which was won by Mack Rogers of Abernathy.

Olton scored 131½ points to win the Class AA team championship. Abernathy was second with 94½; Lockney third with 62; Floydada fourth with 52; Frenship fifth with 51; Friona sixth with 32, and Post seventh with its 30 points. Hale Center had a total of 26 points, with Morton scoring nine.

Spur scored 115 points to win the Class A division team championship.

Basinger and Bevers

Southland wins two firsts at Denver City

Two Southland High School trackmen, Joe Basinger and Bill Bevers, won first places Saturday in Division II of the Denver City track and field meet.

Basinger won first in the high jump with a leap of 5-11½, and Bevers won the pole vault at 12 feet.

Denver City, defending District

4AA track and field champions, won the team championship in Division II with a total of 126 points. Eunice, N. M., was second with 80. Slaton and Midland Carver, both of District 4AA, finished third and fifth with 71 and 29 points, respectively.

First places won by Denver City were in the mile relay; Joe Harris in the mile run with a time of 4:59.0. Tom Sprawls in the 440-yard dash with a time of 52.3, and Dwayne Young in the high hurdles with a time of 15.6.

Richard Washington of Slaton won the 220-yard dash in 23.4 seconds, and Edward Christian finished second in the mile run with a time of 4:59.5.

Midland Carver placed third in the 440-yard relay for 12 of its 29 points.

Vet's Forum

Q. What is the limit on the amount of G. I. loan, and what is the maximum length of time allowed to repay a G. I. loan?

A. VA has no limit on the amount which may be borrowed with a guaranteed or insured loan. There is a limitation, however, on the guaranty issued by VA to the lender making the loan. The guaranty cannot be for more than 60 percent of the loan and in no event can it exceed \$7,500. G. I. home loan mortgages may run up to 30 years.

Q. I am attending school under the provisions of the War Orphans Educational Assistance Act. Will I be paid additional allowances for dependents?

A. No. In this program no provision is made for increased allowance for dependents.

Q. My pension as an unmarried widow of World War I veteran was terminated last July when I inherited some money from my brother's estate. My only income at present is from Social Security. Can I get my VA pension again?

A. You may reopen your claim for pension by furnishing the VA a report of your net worth and your anticipated income for 1968.

Locke says he's gaining ground

AUSTIN — Eugene Locke, Democratic candidate for governor, expressed confidence here Tuesday his fast-moving campaign was pushing him out in front of his nine opponents.

He told reporters at a news conference he entered the race near the bottom of the list with three contenders, Lt. Gov. Preston Smith, former Atty. Gen. Waggoner Carr and Houston lawyer Don Yarborough, the leaders.

Since opening his campaign and launching drives in several cities, said Locke, his position has changed and he is now "seeking the front running spot."

Texas schoolboy cage champions crowned at meet

Houston Wheatley, Lake Highlands, Kirbyville, Aspermont and Kennard won Texas schoolboy basketball championships in their respective divisions at the state tournament in Austin last Thursday, Friday and Saturday.

Houston Wheatley finished the season undefeated by slipping past Dallas Thomas Jefferson, 85-89 in overtime to win the Class AAAA title.

Two free throws by Larry Allen with 20 seconds left enabled Lake Highlands to upend Lubbock Dunbar, 51-49, for the Class AAA crown.

Kirbyville took the Class AA championship with a 57-52 win over Mexia.

Aspermont's Jimmy Parker stole an in-bound pass and raced in for a layup with one second left to give his team a 52-50 victory over Louise for the Class A title.

Kennard repeated as state Class B champions by downing Friendswood, 64-49.

Karon Windham top Doe scorer

Karon Windham scored 559 points, an average of 20.7 a game, to lead the Post Doe scoring parade during the 1967-68 basketball season.

Second highest scorer with 368 points for a 13.6 average was Karon's twin sister, Sharon.

The Windham twins are sophomores, with two more years of varsity eligibility for Coach N. R. "Jiggs" King's Does.

Third in scoring with 269 points and a 11.2 average in 24 games was freshman Sherry Bird.

Karen Lee finished with a 158-point scoring total for a 7.9 average in the 20 games in which she played.

The other Doe forward, Benita Noble, scored a total of 98 points in 13 games, an average of 7.6 a game.

In free throw shooting, Sharon Windham led the Doe squad, with 124 out of 185 attempts for 67 percent. Karon Windham hit 227 of 347 for 65 per cent; Karen Lee 40 of 67 for 59 per cent; Sherry Bird 43 of 78 for 55 per cent, and Benita Noble 34 of 53 for 64 per cent.

As a team, the Does had a field goal average of 37 per cent and a free throw average of 63 per cent, according to season statistics compiled by Barbara Lucas, team manager.

In winning 16 games and losing 11, the Does scored 1,479 in their opponents' 1,358 — averaging 54.8 points a game to their opponents' 50.3.

Volleyball tourney is scheduled at Jayton

JAYTON — The Jayton senior class is sponsoring a men and women's outsiders volleyball tournament March 29-30. Games will be played to the best two out of three.

Entries should be mailed as soon as possible to: Jayton Senior Class, Box 167, Jayton, Tex. 79528.

Trophies will be awarded to the top men and women's teams.

No entry fee will be charged, but there will be an admission fee at the door.

Vietnam View

as reported by
Marine Corps Combat Correspondents
and edited by
GySgt. Bob Montgomery

Marines recently were given the opportunity to fight on a battlefront quite different from their numerous rice-paddy battles. Suddenly it was street and house-to-house fighting.

This was the type of fighting that Marines on Operation Hue City found themselves facing.

One of the Marine companies fighting the enemy on a house-to-house basis was Company H, 2nd Battalion, Fifth Marines.

Some of the problems a company commander faces in street fighting were explained by Capt. Ron Christmas, 27, of Ft. Leauderdale, Fla., commanding officer of "Hotel" Company.

"Street fighting is the dirtiest

Revival meeting to start Sunday at First Baptist

The Rev. T. O. Uphaw, who has been pastor of the Central Baptist Church at Pampa since 1957, will do the preaching at a one-week revival starting Sunday, March 17, at the First Baptist Church and continuing through March 24.

Roy Edwards Jr., minister of music and education at the First Baptist Church of Floydada, will be in charge of the singing during the revival.

The Rev. Joe Vernon, pastor, announced that services will be held at 7:15 p. m. weekdays and 7:30 p. m. nightly, and that the church nursery will be open for all services.

The Rev. Mr. Uphaw, a native of Rotan, served in the U. S. Air Force during World War II. He has been preaching since 1947 and was pastor of the Hobbs Baptist Church at Rotan and the First Baptist at Lefors before going to Pampa.

He is a graduate of Hardin-Simmons University and Southwestern Baptist Theological Seminary, and served on the State Executive Board for six years.

Mr. Edwards, a graduate of Baylor University and Southwestern Seminary, served in churches at Lawton, Okla., Petersburg and Morton before going to Floydada.

Lunchroom Menus

Meals served in the Post school cafeteria next week will be as follows:

Monday: Macaroni and cheese, crisp bacon, new potatoes with sauce, lettuce and spinach salad, wholewheat bread, banana pudding, milk.

Tuesday: Pinto beans with chili seasoning and salt pork, vegetable sticks, tomato wedges, rolls, butter, orange juice, jello with whipped cream, milk.

Wednesday: Meat loaf, glazed carrots, buttered potatoes, cabbage slaw, fruit, bread, milk.

Thursday: Hamburgers, potato chips, pork and beans, lettuce, tomatoes, pickles, onions, apricot cobbler, milk.

Friday: Grilled pimiento cheese sandwich, green beans, potato salad, orange juice, egg custard, bread, milk.

FIRST CHRISTIAN CHURCH

Sermon topics at the First Christian Church this coming Sunday as announced by the minister, the Rev. Bernard S. Ramsey, will be "God Does Not Like You" at 11 a. m. and "Man: Devil With a Halo" at 7 p. m. The public is invited to all services.

type of fighting I know," he explained, "because all the action is close in and centered in one small sector. Another big problem is keeping all the platoons connected. The buildings being so close often interfere with communications between my elements."

To the individual rifleman, street fighting, in contrast to rice-paddy fighting is a wholly new concept.

"It's tougher in the streets," said Pfc. Norman K. Estelle, 24, of Lawrence, Kan., a fire team leader. "In the streets your objective can change at any moment, depending on where the enemy moves in when you close in on him."

But to Estelle, there are a few compensating points in house-to-house fighting.

"It beats trying to fight in rice paddy mud!" he asserted. "Also, in this type of fighting you can see more of the damage you're doing to the enemy because they don't manage to drag off most of their dead."

How did the Vietnamese feel about the Tet offensive? One action in the city of Hue, one of many similar incidents, summed up the answer fairly well.

The action involved a Vietnamese civilian aiding Marines in the search for North Vietnamese Army snipers during Operation Hue City. "A very excited Vietnamese man came running up the street to us," said Lance Cpl. Fred A. Vandennakker, 20, of Inglewood, Calif.

Through a mixture of broken English and sign language, the man explained to Vandennakker that an NVA soldier was using his house as a sniper tower.

Following the man with extreme caution, the Marines surrounded the house, after which the sniper opened fire. In an ensuing brief fire fight, Vandennakker killed the roof top agitator.

After thanks from the grateful man, the Marines continued their tedious, danger-filled task of weeding the enemy out of the war-torn city.

The Viet Cong Guerrilla presents a special problem to American and Vietnamese forces. He is able to blend into the civilian population.

When Vietnamese civilians take action on their own behalf to point out the enemy, however, he can be rooted out and apprehended.

The Psychological Operations Office of the 1st Marine Division has for months urged the Vietnamese civilians to take this action themselves.

In the village of Kanh Son, near Da Nang, a group of villagers recently did just that. They lost no time in turning in a Viet Cong to the local Popular Forces unit.

Two members of a Viet Cong intelligence team entered the village. They confronted the village chief and told him to organize a demonstration against the United States and Popular Forces troops in the area.

The two guerrillas threatened to murder the chief if he did not do as they wished. Fearful for his life, he agreed to organize the demonstration.

The villagers, however, had different plans. Noticing the two strangers in their village, they suspected them to be Viet Cong. A group of the villagers went in a nearby Popular Forces compound and returned with seven troops.

One of the VC escaped, but the other was arrested. The chief was taken into custody for questioning.

The people of Kanh Son plan to hold an election in the near future to choose a new village chief.

Smith stressing 'people approach'

Lt. Gov. Preston Smith was running like a West Texas school boy beating a dust storm last week.

On a tour into the High Plains and Panhandle, Smith stressed the personal approach.

In Canyon, Smith called for "eyeball-to-eyeball" communications between those in government and the people. Only by talking and listening to the people can our next governor have the information to understand the real needs of all our people," said Smith.

Putting this into practice, Smith hit 34 cities and towns during the week.

NEPHEW INJURED

Robert Baker, a former Post resident and a nephew of Bobby Page, was critically injured in a car-truck accident during the weekend and is hospitalized in Amarillo. Mr. and Mrs. Henry Key had gone to Spur Sunday to visit their son-in-law and daughter but returned home when the Pages received word of the accident and left for Amarillo.

New historical marker to honor Dan Moody

AUSTIN — An official Texas Historical Marker honoring former Gov. Dan Moody, will be dedicated on March 17 at 3 p. m. in Taylor. The announcement was made today by Charles R. Woodburn of Amarillo, president of the Texas State Historical Survey Committee.

SKI AT RUIDOSO

Mr. and Mrs. Don Pennell and Mr. and Mrs. Jerry Thuett spent the weekend skiing at Ruidoso, N. M.

CORNED BEEF and CABBAGE

5 Pounds Corned Beef
1 Bunch Soup Greens
4 Peppercorns
Place corned beef in large kettle and cover with cold water. Add soup greens and peppercorns, bring to a boil, cover, and simmer over low heat about 2 1/2 to 3 hours, until tender. Remove from water, drain, serve on hot platter with boiled cabbage. Serve with horseradish. Yield: 6 servings with leftovers for serving cold or for hash next day.

IRISH STEW

Have 3 pounds stewing meat (beef, veal or lamb) cut in 1" cubes. Roll in seasoned flour. Brown in 3 tbsp. hot fat in heavy kettle. Cover with boiling water, simmer 1 1/2 hours then add...

1 cup each cut-up carrots, turnips, celery
1 cup whole tiny onions or cut-up cauliflower
4 cups cubed potatoes
1 bay leaf
2 tbsp. minced parsley
1/2 tsp. thyme

Simmer 30 minutes. Thicken liquid for gravy. If desired, cook dumplings on meat. Serve garnished with celery leaves. Amount: 6 servings. (Mutton or lamb with a little marjoram may be substituted for beef.)
