The Post Dispatch

Fortieth Year Post, Garza County, Texas Thursday, June 15, 1967 Number 3

BURROS PROVE POPULAR AT CAMP POST

Burros provided by Pearl Nance of Justiceburg as pack animals for the summer camping season at Boy Scout Camp Post are proving popular with the Boy Scouts as well as with their adult leaders. Shown astride two of the burros at the first week of camp are Mike Kennedy (left) of Troop 610, Leveland, and Roy Salis of Troop 405, Lubbock. Standing at the left is Tom Cherry, camp director, and at the right is Bill Bennett, program director.—(Staff Photo)

4,400 acres leased here for mining of uranium

Operations may start this week

Uranium mining is scheduled to return to Garza County after a 10-year absence almost immediately—possibly this weekend — The Dispatch learned today.

Mr. and Mrs. W. A. Long, Mrs. Velma Long and others have leased a total of 4,400 acres to Alpheus C. Bruton, reportedly an independent mining operator, for the surface mining of uranium.

The big lease is located nine miles north of Post on the Rails highway.

Grants, N. M., hundreds of miles away, is a matter of conjecture.

How big an operation the undertaking will be, whether tests first will be required, and the extent of possible employment at the mining site are other questions unanswered here at present.

Uranium needs for private industry, just developing into the uranium field, have caused the upsurge in uranium interest after a relatively quiet decade since geiger counters were the vogue 10 to 12

years ago when just about everybody went prospecting across the Southwest for uranium to sell the federal government which had a monopoly on purchases at the time.

But the government needed only so many "bombs" so the demand slackened quickly after major New Mexico uranium sites were discovered.

Now the price and demand are up again.

Whether there is any truth to the story of a rare element, vanadium, having something to do with the Long mining lease is another matter of conjecture here.

The Dispatch has also learned that one of the major companies in the uranium field which was seeking a 25,000-acre uranium lease block in northeast Lynn County has secured leases on approximately half of its sought acreage.

This leasing has been suspended by lease scouts for the summer. (See 4,400 Acres, Page 8)

Water-flooding set for Rocker 'A' pool

A water flood operation for about one-third of the Rocker A (San Andres) oil pool, near Justiceburg in southeastern Garza County, is scheduled to begin July 1 with R. S. Anderson of Midland, the operator.

David Newby of Post, production superintendent for Anderson, will direct the water flood operation.

Anderson and Newby told The Dispatch there will be 23 producing wells and nine injection wells in the water flood operation which will cover the 815-acre RSA (San Andres) Unit.

This is one of the three new waterfloods now getting under way for older Garza County oil pools. The first waterflood in the county was begun by McDonald Oil Company four or five years ago.

The RSA unit to be flooded is in the southeast sector of the Rocker A field which also has production from the Giorieta and the Clear Fork.

The Rocker A (San Andres) reservoir was opened in 1950. It now has 25 producing wells, four are temporarily abandoned and one has been converted to a water injection well.

The major pay section is the Rocker "A" zone of the San Andres which is found at depths ranging from 2,460 and 2,500 feet. Some wells in the northwest portion of the unit have penetrated several additional oil zones between 2,500 and 2,700 feet.

Cumulative production from the San Andres wells in the RSA Unit to Jan. 1 was 1,209,000 barrels.

It is calculated that employment of primary production techniques will recover an additional 158,000 barrels of crude. This reveals that the unit is about 86 per cent depleted unless the pressure maintenance program by water flooding is installed.

Engineers estimate that the secondary recovery activity will add approximately 1,070,000 barrels to (See Water Flooding, Page 8)

Homes for 2 employes okayed by lake board

Construction of two more homes at the White River Lake for employes of the White River Water District was authorized by district directors at their June meeting at the White River Restaurant last Thursday night.

Foxworth-Galbreath Lumber Co. will build the two homes for \$11,904 each, the same price for which they constructed the district's three employe homes in 1964, plus the cost of air-conditioning and back yard snake fencing which were added later to the first three employe homes.

The store was authorized five per cent from the sale of the permits for handling the sales.

District Manager Al O'Brien pointed out that the store last weekend in two days sold some \$700 worth of daily boating and fishing permits at \$1 each and this required the attention of a full-time employe to handle. He said about 300 more of such permits were sold at the filtration plant and in member cities for the same weekend.

Directors heard a request from Gene Finley, grandson of Mrs. Aileta Walker, who has platted some 20 cabin site lots to be sold from a 22-acre area above the lake's high water line which Mrs. Walker retained on the eastern shore of the lake in the settlement three years ago on the court fight on condemnation of a considerable part of Mrs. Walker's ranchland as the lake site.

One lake employe who has had to live in Spur for the last several months and drive back and forth to work will move into one of the additional homes when completed. The other will be for an additional employe the lake district needs to take care of its mushrooming work load, which has grown with the use of the lake by thousands of fishermen and sportsmen.

The board authorized payment for one of the homes to come from

Finley asked the directors for an understanding as to whether or not such lot buyers would control access to the lake shore in front of their properties, and whether the water district would extend their water line for cabin users 300 additional feet over what is planned to reach this addition and the 1200 feet to go through the addition with such cabin owners buying water from the water district.

Directors decided the first step (See New Homes, Page 8)

City manager says

Individual spraying will help in 'skeeter' fight

Residents of Post can help keep down mosquitoes if they will get spray guns of their own with which to spray hedges and shrubbery and will keep their weeds cut, especially on the alleys and around trash cans, City Manager Eddie Warren said today.

The city manager said the city is doing all it can to keep the mosquito menace down, but that recent weather conditions have not been of the best for fogging.

The city fogged for the third time Friday night and had the fogging equipment all rigged up yesterday afternoon for another fogging. Because of a high wind, the fogging last Friday night was not as successful as it otherwise would have been.

The city has been spraying alleys regularly and also has sprayed at Two Draw Lake and South Lake. The manager explained that spraying destroys the larvae of flies and mosquitoes, while the fogging operation destroys the adult mosquitoes.

The city has sprayed the grounds at the 4-H building, where the Girl Scout day camp is under way this week, and also has been asked to spray at the Boy Scout camp,

Chamber project

Scenic place mats being distributed

"Post, the Scenic City, welcomes you," reads the catch-line on 10,000 attractive new tourist place mats the tourist committee of the Post Chamber of Commerce has had printed for use in local restaurants and cafes.

David Newby, co-chairman of the committee with Harold Lucas, began distribution of the place mats to eating places here this week.

The Chamber has borne the major cost of preparing and print-

ing the place mats and is asking cafes and restaurants to pay a small portion of the cost for using them.

The Rotary Club and the Garza County Historical Survey Committee also have contributed to making the place mats a reality.

The place mats, printed in brown, contain the story of Post on the front side, together with art sketches of the C. W. Post statue, the old C. W. Post home, the city-

(See Place Mats, Page 8)

Wholesale hot house operation

Tourist edition gains prospect for industry

The 1967 tourist edition of The Dispatch, published only 10 days ago with free distribution to its readers here, Tuesday morning at the Post Industrial Foundation, is a good prospect for a new industry for Post.

Men read the tourist edition at a local service station where their car serviced. They read the front page story on the \$50,000 industrial promotion and an invitation to any and all seeking locators to stop at Tom McKeown, executive director of the foundation at his home in the McCrary building.

As soon as the car was ready they drove over to see McKeown and told him they would like to consider Post for a West Texas location of a wholesale foliage plant growing operation.

The two, who are partners with plants in south Texas and Mexico, told McKeown they read about Post seeking new industry and wanted information on gas rates, water analysis, etc.

The pair told McKeown such a "hot house operation" would put approximately two acres under glass and would employ from 12

to 20 persons, if established here.

McKeown got busy as soon as they left getting winter temperature data, gas rates, and land taxes. The visitors had approved the water analysis McKeown had just received from White River Water District officials as very satisfactory for their growing operation before leaving his office.

The industrial foundation's executive director intends to follow up on his "tourist edition contact" just as soon as he has compiled all the information the two men requested before making a site decision.

After chasing down The Dispatch's uranium story yesterday, which sounds mighty exciting to us, we remembered a conversation we'd had with Elwood Wright Sunday afternoon. He told us to his knowledge he was the first to discover uranium in Garza County.

That was in the fall of 1954, three years before the first uranium lease was made here. Using a geiger counter he found some low grade (non commercial) uranium on the land of Mr. and Mrs. Bill Edwards in the Verbena area and traces of other low grade deposits on the Jimmy Bird ranch, northeast of Post. It was in the Dodson conglomerate, two feet below the surface.

Elwood at the time was a partner of Wallace Simpson at K&K Market, but was planning then to go to work for the Campbell Drilling Co., which was interested in uranium exploration. This he did in early 1955, before returning to Post years later to take over his present filling station operation.

That's why he was busy here in 1954 with his geiger counter. Elwood hopes some uranium interest is sparked locally. He thinks it would be good for everybody's businesses here — including his own filling station.

One of the interesting attractions at the White River Lake Restaurant is the architect's drawing of the proposed 18-hole golf course which has been proposed for construction by some sort of a combined country club made up from golfers of the four towns and other interested area residents.

The course provides a par 72 layout of 6,920 yards with one of the holes over lake water. The course is proposed to be built on the northern edge of the White River Lake in the land V between the separated northern portions of the lake which fill two different streambeds. This would put the lake on 3 sides of the golf course.

Also included in plans by the architectural firm of Cantrell and Bruns is a club house, putting green, practice range, and parking area with provisions made for clubhouse expansion at some future date.

No district funds would be involved in construction of the course, clubhouse, and other facilities.

Organization of non-profit or private (See Postings, Page 5)

Replanted crops rained out in Monday's storm

Early Monday morning thunder accompanied by high winds and only light hail, dumped an inch up to five inches of moisture on various parts of Garza County, washing out all that which had been planted last Thursday through Sunday.

Garza County hail damage reported, although Tahoka reports battering from large hail.

Agent Syd Conner said the cotton which will have been planted is in the south half county.

There were unconfirmed reports of five inches of moisture in the Justiceburg area and in the country east of Post.

Post's streets ran curb through the heavy downpour from 6 to 7:30 a. m. South of the city - county park

caught a three-foot rise and generally was back to normal size with the second June storm.

Moisture totals reported included: Close City area, 1.25 inches; Grassland, up to 3 inches; south of Graham, up to 3 inches; Graham through Post, two inches; north of Post, the driest spot in the county, .70 to one inch; Grassburg area, .75 of an inch; Justiceburg, three inches, unconfirmed of five inches.

The official rain gauge on the courthouse lawn here measured 1.80 inches of moisture.

All of the county now has sufficient planting moisture.

Person again is drive head

Dickson, personnel director of Cotton Mills, was re-elected president of Garza County's Chamber of Commerce this week in an election conducted among members by mail ballot.

Officers named were: Dickson, president; Lee, vice president; Duke, treasurer, and Miss Floyd, secretary.

Chairman of drive chairman Dickson's 1968 financial campaign to be filled, Dickson

Friday night's—

Moonlight Sale is another Post first

The Post Chamber's retail promotion committee, in conjunction with 15 participating local stores, will sponsor a Moonlight Sale here Friday night with the stores remaining open to 8 p. m. — and later if shoppers are still in the stores.

It's the first - ever night promotion of this kind here any time outside the Christmas buying season.

Many stores are advertising specials for the Moonlight Sale event in individual ads in today's Dispatch. Many of these specials

will not be in effect until 6 p. m. Friday. Others will carry through the weekend.

Bargain hunters will find many excellent buys for the night-time sales event.

"It's not our fault that Post is now on daylight savings time and the sun won't be down until 9 p. m.," John Brockman, chairman of the retail promotions committee told The Dispatch. "The moon is up there, daylight or no."

Idea of the promotion is to give shoppers the opportunity to shop (See Moonlight Sale, Page 8)

Library

LISTENING POST

By ROSEMARY CHAPMAN
 Mrs. Earl Chapman
 Post Public Library
 Post, Texas
 Dear Mrs. Chapman:
 The Senior Class of 1954 is donating this small token (\$10) to the Post Public Library, in memory of J. C. Shedd, former classmate and friend.
 To our shock and sorrow, J. C. was killed in an automobile accident last month. We believe he would have preferred this, so that others might be able to enjoy and use the library facilities which were not available when we were in school.
 It is our wish that you use this in any way which will be to the best interest of the library. If it is used for the purchase of a book or books, we ask that you please make an inscription on such material denoting that it is in memory of him.
 Yours truly,
 Bobby Cowdrey
 Class President, '54
 Thank you, Bobby. The Acquisition Committee will take particular care in choosing a book for the library in memory of J. C. We are

at all times honored to be of service in the selection of such a thoughtful, lasting, and useful tribute in remembrance of a friend.
 "Horse Tradin" and "Horses and Their Bosses" have been given to the library in memory of Scott Storie by Mr. and Mrs. A. C. Cash.
 "Horse Tradin" by Ben K. Green contains 20 authentic tales of the author's experiences around the corrals, livery stables, and wagonyards of Texas. "For those who have in their blood either a touch of larceny, or an affection for the Old West, or both."
 "Horses and Their Bosses" by Bill Ballentine is described on the bookcover thusly: "There's a horse for every man and a man for every horse and, in these pages, a writer who can tell about them with surprising wit and memorable descriptions. From Hollywood stunt horses, to police horses, and from beer haulers to Jake Posey's forty-horse hitch. Bill Ballentine's book is a fresh bale of hay for all breeds of readers."
 Two books inscribed "To the Li-

TRIP TO FLORIDA

Mrs. Evelyn Gurley and Ruby Carpenter returned recently from a week long visit in Miami Beach, Fla. They toured the Bahama Islands, Cape Kennedy, Cape Coral and the West Coast of the state.

More than half the soil of New Mexico is stony and shallow and generally poor for farming.

Library of Post" has arrived from author Grace Halsell of Washington, D. C. It's nice to have a writer on our list of book donors, especially a good one. "Getting to Know Colombia" and "Getting to Know Peru" are both highly recommended by the "H. W. Wilson Children's Catalog", the "Bible" of the library trade.

Other book donors this week are Mr. and Mrs. Ed Warren.

The Jaycees have rented the marquee over the unused theatre downtown, and this week it reads: SUMMER READING PROGRAM — EACH THURSDAY — GRADES 1-5 — POST PUBLIC LIBRARY. We appreciate the clever idea, PLUS the fine publicity!

The Touch Of Time

What marvelous buildings has man erected through the centuries. What lofty and inspiring structures has he created.

But how many of these glorious accomplishments stand intact today? We can see famous ruins the world over — mute reminders that what man builds is not permanent.

Today our buildings contain great slabs of concrete holding hidden wire and steel that will not break with stress. But can we be sure that today's creations will be standing a hundred years or two hundred years from now? Of course not.

Of what can we be certain? What does last?

Certainly the gifts of God tower indestructibly today as they have for generations . . . the things of the spirit — faith, hope and love. Our church buildings may crumble or be destroyed, but the fellowship of believers is perpetual throughout the ages.

Discover for yourself the great spiritual truths. Discover for yourself through His Church, those things which endure forever.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

The War Wagon on Tower screen

A high-budget western exploding with excitement, thrills, suspense and drama, and starring John Wayne and Kirk Douglas, "The War Wagon," photographed in Technicolor and Panavision, is now showing through Saturday at the Tower Theatre.

The production is an action-packed story of a group of five men who ingeniously capture an unpredictable horse-drawn steel armor on wheels carrying half-million in gold. The bullion, half-million in gold, had been brutally wrestled from the plotters by Bruce Cabot and a gang of half-a-hundred armed thugs.

Others in the recovery scheme, which in its execution involves some of the screen's most spectacular action and dramatic suspense, are Howard Keel, Robert Walker and Keenan Wynn. Each has a specialty needed for the drama, and each enhances the drama, as he participated in the dangerous and complicated mission.

Southland area news

Former AF buddies and families visit together

By MRS. EDMUND WILKE

Hi. Since I missed writing a column last week, thought I better get with it this week. Two things kept me from writing last week. First and most important, I didn't receive but one news item and second, I was teaching Vacation Bible School. I was happy to teach VBS and enjoyed it very much but it sure was discouraging not to get news for YOUR friends and neighbors to read. Speaking of happiness, have you heard this one? "Happiness has a habit of pursuing the person who feels grateful to his God, comfortable with his conscience, in favor with his friends, in love with his labors and in balance with his banker."

Recent visitors in the home of Mr. and Mrs. Paul Winterrowd included Mr. and Mrs. H. H. Buchanan and family of Snyder and Mr. and Mrs. Joe Brewer and family of Tulsa, Okla. The three men were part of a crew on a B-17 and were stationed in Italy during World War II. The whole crew corresponded for a long time but as the years passed fewer and fewer continued to write. These three families have continued to do so. They had a happy reunion with a lot of reminiscing. I would like to have sat in on a few of those sessions, myself.

We would like to extend our deepest sympathy to Mrs. Ed Lieske and family. Her sister, Mrs. Bertha Noack, passed away last week and was buried in the Southland Cemetery Tuesday. Mrs. Noack was also the sister-in-law of Mrs. Ed Siewert and Mrs. Walter Voight and the aunt of Mrs. Arthur Stolle and Mrs. Bob Camden. May God bless and comfort all these families in their sorrow.

Mr. and Mrs. Ronnie Mathis and daughter of Medford, Ore., are here visiting their grandmother, Mrs. Nellie Mathis. I stopped by to visit Ronnie for a few minutes and met his cute wife and darling little girl.

Congratulations to Mr. and Mrs. Delroy Odum on the birth of their daughter. This makes them one of each.

My sister, Mrs. Romayne Bryan, underwent spinal surgery last week and is doing real well. She hopes to go home from the hospital one day the middle of this week.

Patsy and Joan Gindorf visited their Grandmother Wilke in Slaton Sunday and helped her celebrate her 83rd birthday.

Mr. and Mrs. Albert Smallwood and children of Odessa, Mr. and Mrs. Arthur Smallwood and family and Mr. and Mrs. E. C. Smallwood and children visited the G. N. Smallwoods recently.

Mrs. Jess Strickland of Venus, Calif., visited her sister, Mrs. G. N. Smallwood, and Mr. Smallwood recently.

JOEL Neugebauer, son of Mr. and Mrs. Douglas Neugebauer, underwent an emergency appendectomy at Methodist Hospital a week ago Wednesday night. He is doing nicely and will probably get to come home one day this week.

We would like to extend our sincere congratulations to Mr. and Mrs. W. A. Basinger who will celebrate their Golden Wedding anniversary Sunday. May God shower his richest blessings on this couple on that day and all the days of their lives.

Mr. and Mrs. Lee Janke of Bartlett visited Mr. and Mrs. Marcus Wilke over the weekend. They came to help their aunt, Mrs. A. Wilke, celebrate her birthday. Miss Selma Wolf came with them and she will remain and visit for awhile with her aunt, Mrs. Wilke and other relatives.

Lynn Stabeno is spending a week with her aunt and uncle, Mr. and Mrs. Leroy Mueller, at their home in Artesia, N. M.

Mr. and Mrs. Herbert Dunn spent Sunday at Lake Thomas making repairs to their property that was damaged by a recent hail storm. Mrs. Dunn said the trees around their property looked like they do in winter, all the leaves gone and everything else pretty well beat up. Their trailer house suffered quite a bit of damage.

Jackie Dunn is living in Midland this summer and is working with Mobil Oil Corp., in their accounting department.

Mrs. J. E. Day of Muleshoe visited in the home of her son-in-law and daughter, Mr. and Mrs. Herbert Dunn, returning to her home on Wednesday of last week.

Ladies from this community who have been teaching and helping at the Vacation Bible School at Grace Lutheran Church in Slaton are Mrs. Junior Becker, Miss Carol Stolle, Mrs. Cecil Stolle, Sheri Wilke and Yours Truly.

Mrs. Elmer Belk, a teacher in the Southland schools, is attending Texas Tech this summer.

The Elmer Belk family spent from Thursday until Sunday visiting her parents, Mr. and Mrs. M. E. Beck, in Carlsbad, N. M.

Miss Carol Stolle will be working in the ASC office in Post again this summer.

Norma Jean Eckert will spend most of the summer in Brown-

Training project is requested for farm mechanics

Richard Bunting, office manager in Lubbock for the Texas Employment Commission, announced today that his office had requested a training project be approved under the Manpower Development Training Act (MDTA) to train farm equipment mechanics.

The training project is expected to be approved to start some time in July.

Bunting reported that the training will be conducted in the Lubbock area, but the location is not yet known. The exact requirements for the training have not been announced, but, in general, any person with mechanical experience or aptitude, 18 years or above with 10th grade education or equivalent, may qualify for the training. Training allowances are paid in most instances.

Bunting announced that his office is compiling a waiting list for this training project and invites anyone interested to contact T. K. Morris at the Lubbock office, 1602 16th St., or A. C. Cash at Cash Implement Co. in Post.

Youth director at church here

Garry Wright, Wayland University student, assumed his new duties June 5 as youth director at the First Baptist Church, the Rev. Joe Vernon, pastor, announced.

Wright will spend the summer here as the church's youth director, resuming his studies in the fall at Wayland University where he will be a senior student.

Wright, whose home is in Durango, Colo., spent last summer in Bolivia, South America as a summer missionary.

Calgary community news

Lake dotted with sail boats Sunday

By MRS. FRED A. HARDIN

There was a very large crowd at the lake Sunday even though the lake was a little rough. Very few fish were caught this week. S. J. Waters won the three dozen minnows by catching a four pound catfish. There were many sailboats out Sunday and made the lake a pretty sight.

There has not been any reported rise in the lake.

Monday guests of the Conda Starretts were Mrs. Dee Berry, a Mrs. Hart and Conda Howard.

Mrs. Jack Pierce and Jackie visited the Starretts Tuesday morning.

Mr. and Mrs. Jack Pierce and family spent Sunday in Floydada with the Neil Pierces.

Friday guests of the Conda Starretts were Mr. and Mrs. S. J. Starrett and Cheryl, Mrs. Hollie Smith and Bessie, Jacques Self, and the Cleve Starretts.

Mr. and Mrs. Conda Starrett attended the Swenson reunion Saturday night in Spur.

Mrs. Darrel Fisher visited Mrs. H. E. Fisher and Opal Hintner in Crosbyton last week while Greg took his classes in Drier's Education.

Mr. and Mrs. K. Morris visited her parents, Mr. and Mrs. Millard Smith in Spur Sunday. They all attended Bethel Church to hear a preacher friend.

Saturday guests of Mr. and Mrs. K. Morris were her sister, Louise Gunn of Spur and her son, Robert McGinnis of Irving.

Mr. and Mrs. R. G. Havens and family enjoyed homemade ice cream with the Silas Usserys last Thursday night.

Saturday and Sunday visitors of Mrs. Cragg Parsons in the Crosbyton hospital were Mr. and Mrs. Glen Havens and the Ralph Parsons family.

Mr. and Mrs. Buran Jones were Mr. and Mrs. Pat Patterson of San Manuel. Mr. and Mrs. Clark Jones and children of Tatum, N. M., and Leon Greer of Dickens.

David Dean spent the weekend with the R. W. Self family. He has just returned from serving two years with the Peace Corp in Kenya, Africa.

Luann Rush of Tulsa was a guest of Gwen Self Thursday night.

Mrs. R. W. Self and Gwen visited

Rails were Sunday night visitors of the Boney Winklers.

Sunday guests of the Jimmy Alexanders were his sister and family, the O. B. Angels of Albany.

Supper guests of Mr. and Mrs. Thurman Morrow Thursday were Mr. and Mrs. Jimmy Alexander and family, Mr. and Mrs. Deane Turbyfill and children of Mesquite, Mr. and Mrs. Bill Ward, Stella Ward, W. D. Sprayberry and Mrs. Martin Turbyfill.

Sunday visitors of Mr. and Mrs.

The origin of knitting is completely unknown, although it is assumed to have been developed from netting.

Raymond O'Neal were Mrs. Bill Carlisle, Mr. and Mrs. Wayne Sherrin, Mr. and Mrs. James Sherrin and son of Tokio, Tex., David and Ralph Parsons, Ray Webster, Benny Wilks and sons, Wynette, Angelita, Bert, Sammy and La Vonda Byrd and Leta Beth Havens.

Cardinals hold Little League lead

Two players hit 4 homers as Wildcats bang Yankees

The Wildcats unlimbered their heavy guns to shoot down the Yankees, 14 to 5, Monday night, with catcher Johnny Minor and pitcher John Redman each blasting out a pair of home runs in the Little League contest.

The victory was the second in a row for the Wildcats, who had outlasted the cellar-dwelling Tigers, 19 to 15, Saturday night.

The Cardinals, although losing to the Dodgers, 7-6, last Thursday

night, held on to their league lead by beating the Tigers, 16-13, in a see-saw battle Monday night.

Tonight, the Red Sox, who have pulled up into a second place tie with the Dodgers, play the Cardinals in the first game, while the surging Wildcats try the Dodgers in the second contest.

IN THE Wildcat's triumph over the Yankees Monday night, Redman led off with a homer, then Minor blasted his first four-master to score Slatter ahead of him. Redman's second homer, a grand slammer, came in the third inning, with Minor also getting his second circuit smash in the third.

Redman was the winning pitcher, going all the way for the Wildcats, while Garland Dudley, the first of three Yankees hurlers, was the loser.

The Tigers almost upset the front-running Cards in their game Monday night before bowing, 16-13. The Tigers led at three different stages of the game, but wildness on the part of their pitchers in the late innings helped the Cardinals to salvage the win.

Graydon Johnson, who had relieved Charles Bell, was the losing pitcher, with Junior Stelzer finishing up on the mound. Tony Conner, who had relieved starter Rusty Conner, received credit for the victory.

Saturday night's Wildcat-Tiger contest was also a wild-scoring affair, with the Cats finally coming out on top, 19-15. D. Williams was the winning pitcher and Steve

Idaho cowboy is top winner, Vernon, Texas

DENVER, Colo. — Kenny Stanton, 24, Weiser, Ida., cowboy, emerged Monday as top money winner of the annual Vernon, Tex., rodeo, where a total of \$13,169 in prize money was up for grabs.

Stanton, snapping a six-week losing streak, swept bareback bronc riding for \$755.

Sixth in overall rodeo winnings last season, Stanton has put together over \$105,000 during five years in pro ranks but has yet to win a national riding championship.

Winners at the Vernon rodeo were: Saddle broncs, Winston Bruce, Cochrane, Alta.; bareback broncs, Ken Stanton, Weiser, Ida.; bull riding, Melvin Fields, Burk Burnett, Tex.; calf roping, Barry Burk, Comanche, Okla.; steer wrestling, Don Feddersen, El Reno, Okla.

41 members attend officer installation

Forty-one members of the Methodist Youth Fellowship attended installation of the officers for the coming year last Sunday.

Those installed were: Jane Hutchins, president; Micki Sterling, vice president; Barbara Lucas, secretary; Ken Herron, treasurer; Kay and Kim Hundley, publicity; Kay Herron, pianist.

After church services the group enjoyed volleyball and refreshments. Mr. and Mrs. Darrel Eckols are sponsors of the group and Dee Ann Walker is summer youth director.

Babe Ruth action

The defending champion Indians, sponsored by Wilson Bros., and managed by Jimmy Bird, widened their already big lead in the Babe Ruth League race by sinking the Cubs, 21-3, last Friday, and the Pirates, 8-1, Tuesday night.

With the regular season scheduled to end June 29, the Indians appear to be headed for another championship, with their closest

Junior High officers are elected by MYF

Junior High officers were elected Sunday evening at the regular meeting of the Methodist Youth Fellowship. They are:

Scotty Lee, president; Tol Thomas, vice president; Nancy Cook, secretary; Linda Stewart, program chairman; Mary Ann Wright, publicity.

New members recently welcomed into the Junior High MYF are Phyllis Eckols, Jan Bilbo, Jo Beth Gandy, Tol Thomas, Debbie Hundley, Rusty Conner and Johnny Johnson.

Three of the members, Becky Brewer, Mary Ann Wright and Linda Stewart, are attending the junior high camp at Ceta Canyon near Happy this week.

Monday, June 19: Wildcats vs. Cardinals; Tigers vs. Yankees.

Jaycee Junior Champ event to be June 24

The Post Junior Chamber of Commerce's second annual Junior Champ track and field meet will be held Saturday, June 24, at the school's quarter-mile track here with competition open to boys and girls in two age divisions.

First place winners in each event will receive a medal and will be eligible to compete in the state Jaycee Sports Spectacular track and field meet at Harlingen on July 14-15.

The age divisions for both boys and girls are 13-15 and 16-18, providing the 18-year-olds will not have reached their 19th birthday by Sept. 1, 1967.

The track meet will start promptly at 9 a. m.

An entry fee of 50 cents to help pay for medals and ribbons will be charged each contestant and is payable when the entry is filed. Each contestant will be allowed to enter as many as five events.

Entry forms will be available this Friday morning at the Post Dispatch, Ken's Mobil Service and Corner Barber Shop. Contestants are urged to enter as soon as possible so that the schedule of events can be set up by the Jaycees. No entries will be accepted after 6 p. m. Friday, June 23.

The contestants will be required to furnish their own equipment. Since interscholastic League rules

do not allow school equipment to be used in such programs, boys and girls who have such equipment as shot, discus, etc., are asked to bring them to the meet.

While each first place winner will be eligible to compete at the Jaycee Sports Spectacular in Harlingen, local Jaycees will not be able to finance their transportation or other expenses, according to Don Ammons, the club's Junior Champ program chairman.

"The main thing now is for everybody to enter as early as possible so we can set up the schedule of events," the chairman said.

Indians increase league lead gap

The Indians' 21-3 victory over the Cubs Friday, going the distance, Jerry Hair was the losing hurler.

Danny Vargas pitched the Pirates to their 10-8 triumph over the Braves last Thursday night, with Bustos the losing pitcher. Trailing 8-6 going into the bottom of the seventh, the Pirates chased across four runs to win their second game of the season.

Heavy rains and lots of wind at Grassland

By MARY LEE LAWS
We sure have been having some hard rains and lots of wind. However, we have had no hail like some places close by have had.

Mr. and Mrs. Gartman of Post came by to see Mrs. R. L. Craig for a few minutes Sunday afternoon.
Mr. and Mrs. C. T. Ingle and Mr. and Mrs. Z. R. Ingle of Tahoka were Sunday luncheon guests of the Bill Ingles.

The Rev. Joe Serratt, Bobbie and David visited the Dean Laws Sunday afternoon.
Bonnie Young and two daughters of Fort Worth spent Monday with the Jurd Youngs.

Rebecca Ingle of Plains was a Saturday dinner guest of the Bill Ingles.

Bobby Dean is home for the summer and is working for his father.
Mrs. Lucille Walker visited Mrs. O. H. Hoover Saturday afternoon.

Mrs. Hoover and son, Jerry, of Lubbock were in Grandfield, Okla., Thursday and Friday to attend the auction sale of Mrs. Hoover's brother, Fred Basinger's estate. They came back through Childress and visited her sister, Mary Stevens, who is in a nursing home there and is ill.

Mrs. Hoover visited Mrs. Carl Greer, Mittie Walker and Lucy Cunningham Wednesday afternoon. Mrs. Greer had planned to go to California with the Townsends but became ill. She is better now.
Mr. and Mrs. J. C. Allen of Lubbock was a Tuesday dinner guest

of the C. O. McCleskeys.
Jim Patterson was dismissed from the hospital Sunday morning. The James Murrays and Bert McDonalds were Sunday luncheon guests of the T. G. Murrays.
Kent McCleskey was on the sick list Sunday.
DELBERT McCleskey of Lubbock attended the Bible school exercise Sunday at the Church of the Nazarene and was a dinner guest of his parents, the C. O. McCleskeys.

Mr. and Mrs. Tom Crutchfield of Lubbock visited the Moores on Sunday.
Karen Laws, a summer student at Texas Tech, was home Sunday.
The W. G. McCleskeys went to Brownfield Saturday to visit her sister and brother-in-law, and a niece, Hattie Douglas from California whom they hadn't seen in 15 years.

The Elmer Rashes visited the C. L. McCleskeys Sunday.
Chester Gray of Sundown visited the R. C. Rays Friday.
Mrs. R. L. Craig and Barbara and Shawn Hawkins went to Lubbock Wednesday and spent the night with the Dennis Hermans. They went on to Brownfield Thursday and visited Leona Pendleton. Barbara and Shawn left Friday for their home in Waco.

Mr. and Mrs. Jurd Young visited Elmer Gray in West Texas Hospital Friday. He isn't doing too well.
Buck and Tressie Thompson and Maud Dobbs visited the Jurd Youngs Saturday.
Sunday, Jurd and Artie went to Two Draw Lake to fish but had no luck. While they were gone, Desie and Howard Gartman came by to see them.
Charlie and Vivian Craig visited the Jurd Youngs Saturday afternoon.
Mrs. Carl Greer visited Mrs. C. C. Jones Sunday afternoon.
Mr. and Mrs. Marvin McDaniel

In Our Time

Monday's rainfall at Justiceburg 3.5 inches

By MRS. RAYMON KEY
Three and one-half inches of rain fell here Monday.
Mr. and Mrs. Hardy Ainsworth attended funeral services for his nephew, Nelson Ainsworth, of Milnesand, N. M. He was killed in a car wreck Sunday near Bronco.
Mr. and Mrs. Claude Pettigrew

visited the first of the week with their daughter and son-in-law, Mr. and Mrs. Kenneth Hale of Commerce.
Mr. and Mrs. Doug McWhirt were in Lubbock Wednesday.
W. T. Helms, former resident of Justiceburg, is seriously ill in an Abilene hospital after suffering a stroke. We certainly hope he gets along all right.
Mrs. Bobby Page of Spur visited her parents, Mr. and Mrs. Henry Key and she and her mother went to Lubbock.
Mr. and Mrs. E. C. Franklin visited their son and family in Jal, N. M. Monday and Tuesday.
Mr. and Mrs. Raymond Rivera welcome a new son into their family.
Pearl Nance visited her sister in a Snyder hospital last week.
Mr. and Mrs. Weldon Reed and family spent Thursday and Friday with Mr. and Mrs. Jerry Key and family of Breckenridge.
Mr. and Mrs. Lee Morgan and family were in Goldthwaite over the weekend. They returned home on Tuesday.
Mrs. Lester Wright of Ft. Sumner, N. M. and Jessie Lee George of San Angelo spent the weekend with Mr. and Mrs. Cecil Smith. They all visited his sister Sunday in Crosby County.
The Doug McWhirts are in Dallas on vacation and visiting their children there.
The Sam Heints family visited the Raymon Keys Monday.
Mrs. George Duckworth, Mrs. L. L. McLaurin and son, George, attended the wedding of Mrs. McLaurin's daughter, Sydne Lee, to Hank Lynn at Amarillo Saturday night.
Mrs. R. E. Stewart of Columbus, Ohio, visited her parents, Mr. and Mrs. Elton Nance.
Mrs. Ed Owen of Truth or Consequences, N. M. visited Mr. and Mrs. Cecil Smith Monday afternoon.
Mr. and Mrs. Jim Boren visited friends here Monday.

FIRST GRANDCHILD BORN
Mr. and Mrs. Boy Hart, Nancy and David, were in Odessa June 5 when the Harts' first grandchild was born to Mr. and Mrs. Sonny Hart of Crane. Mrs. Hart remained with her son and daughter-in-law through Thursday and returned on Tuesday of this week. The baby is doing fine although still in an incubator at the hospital.

HOME FROM VACATION
Mr. and Mrs. Lou Marks returned last Friday night from an 11-day vacation trip through Colorado, Wyoming where they visited with the Tom Powers in Casper, and into Montana and Idaho where they visited with Lou's relatives. He reported that they had rain all but three days and the country was lush and green.

RETURN FROM EAST
Mr. and Mrs. David Newby and daughters, Meredith and Marcia, arrived home Sunday night from a 10-day trip to Bradford, Mass., where they were present for the graduation of Meredith from Bradford Junior College.

of Oklahoma are in Post visiting his parents and attended services at the Church of the Nazarene Sunday night here.
Billy Gwen Jones visited with his grandmother, Mrs. C. C. Jones Saturday. Later Mrs. Bill Jones and daughter and Mrs. C. C. Jones granddaughter, Dorothy Custer, visited Dot and her family are on their way to Taiwan where Cordell will be stationed with the Army. Call news to 327-3063.

Graham community news

Family reunion is held in A. P. Hedrick home

By MRS. GLENN DAVIS
What a rainy country we had Monday morning. It has rained three inches in some places here. We feel sure some of the cotton will have to be replanted if it is not too late to replant.

Mr. and Mrs. Charlie Dice of Dayton, Ohio, have been recent visitors of her parents, Mr. and Mrs. A. P. Hedrick. One Sunday while they were here they held a family reunion in the Hedrick home. Attending were the Glenn Sheltons, Paul Hedricks of Lubbock, Everett Windhams and several grandchildren and great-grandchildren.

Mr. and Mrs. Marvin Killgore of Bloomfield, N. M., visited awhile recently with the Elmer Cowdreys while waiting for the Bryan Maxeys to return from Wichita Falls. Then they visited for a few days with the Maxeys.
Mr. and Mrs. S. D. Lofton visited Sunday afternoon with his cousin, George Smith, in Snyder.
Mr. and Mrs. Ray Young and the Lonnie Peels drove out to the White River Lake Sunday afternoon.

Alec Bruce and Mrs. Ledbetter brought Carolyn Ledbetter home after she had visited with them and spent the weekend with relatives. Alec Don and Mrs. Hammond of Austin and Mrs. Hammond of Lubbock attended Church of Christ services here Sunday morning.
Mrs. Elva Peel visited one day last week with the Paul Hedricks in Lubbock.
A week ago Sunday the Quanah Maxeys, Bryan Maxey family, the Lewis Mason and Noel White families and Mr. and Mrs. Ronnie Graves attended a Maxey reunion

Post student makes college Dean's List

ABILENE — Rickey Lee Welch, son of Mr. and Mrs. L. F. Welch of Post, has been named to the Dean's List, an academic honor roll, for the 1967 spring semester at McMurry College.
The list consists of students who achieve a grade point average of 3.5 or above and are carrying a minimum of 12 semester hours. The total number on the list does not exceed 10 per cent of the entire student body.

First Christian Church sets Installation Day

The First Christian Church will observe Installation Day Sunday at the 11 a. m. worship. New church officers will be installed and a charge will be made to the new officers and congregation.
The sermon subject will be "From Bored to Board Members." At 7 p. m. the subject will be "Was Jesus a Good Jew?" Bernard S. Ramsey is minister and cordially

FRONTIER DAYS RODEO

COLORADO CITY — The annual Frontier Days Rodeo will open here at 8 o'clock tonight (Thursday) and continue through Saturday Red Whately of Crosbyton will be the producer and sponsors are the Western Riding Club and Colorado City Jaycees.

COULD YOU GET BY IF YOU HAD TO PAY CASH?
How many people could enjoy the pleasure and convenience of an automobile, piano or refrigerator if they had to pay cash? Credit is your most valuable possession.

The only way to maintain a good credit record is to buy only what you can pay for — and pay for it on the date it is due.

You will find it mighty convenient to say: "Charge it please."

Texas Highway Department expects summer visitors in record numbers

AUSTIN — Out-of-state visitors are coming to Texas this year in record-breaking numbers, according to figures released by the Texas Highway Department.
To better serve the anticipated rush of summer visitors the Department's seven Tourist Bureaus have extended their hours of operation to 12 hours daily, 7 a. m. to 7 p. m. The Bureaus are located on primary highway entrances to the State, and are open seven days a week.
Last year three-quarters of a million tourists visited the Bureaus. Despite the 1966 record year when the tourist industry in Texas topped the billion dollar mark for the first time, tourism officials are pointing for an even greater year.
The expected increase is forecast by an 8 per cent rise in the total services provided by the Tourist Bureaus during the first four months of 1967 compared to the similar 1966 period.
The Bureaus extend the first taste of Texas hospitality to many visitors and a warm welcome to all. They are staffed by untrained travel counselors who are credited with extending the enjoyment of many motorists and upping the tourism receipts. They provide route assistance and charting, are experts on state attractions, history and local events.
Also showing a marked increase are the services provided by the Highway Department's main office in Austin. These tourist aids include distribution of the Official State Highway Map, in-state information brochures, colorful Texas replies to requested information. Some 30,000 more inquiries have been processed this year than the comparable 1966 period.
Materials used in the promotion program include literature, brochures from chambers of commerce, and promotion items provided by individuals and companies interested in the tourist industry.

OUR READERS Write

ACCLADE FOR SERVICE
 Dear Editor:
 In Post, there's a man who takes your town look VERY good. He's Elwood Wright of the Texaco Service at the corner of Broadway and Main.
 I met him last Sunday, June 11, and my husband and I and our boys were en route to the Scout's Camp Post to deposit older boy, Dave, for two weeks.
 Just your side of Slaton, the pump on our car began to sputter. By the time we reached it, it was gone. We stopped at a station where we were told we couldn't get a part on Sunday and if we did we couldn't get one to put it on.
 My husband made several calls with no success. Then a man was getting a tire changed and we drove up to see Elwood Wright.
 He was kind enough to offer HIS car to take Dave on to Camp Post so the boy wouldn't be late. He found a chair for me while we waited. He charged us \$3 less than the same job had cost earlier in a Lubbock shop. And while he had our car fixed he worked on four more for travelers who drove up with trouble. One car had a used-up air filter; on another the air conditioner had fizzled; a third needed a fan belt, and I don't know what trouble the fourth had.
 Everybody in Mr. Wright's shop worked fast, efficiently and were genuinely courteous. And this wasn't true of ALL the travelers.
 The reason I'm writing you is because what I saw Sunday made me think Post must be a pretty good town. And if other Post merchants are like Elwood Wright, the people who live in your town are lucky. If they're not trading at home, they may need their heads examined! It's a real pleasure to do business in Post.
 Thanks for listening.
 Sincerely,
 Mrs. J. R. Zeech
 2607 West Fifth Street
 Plainview, Texas

BOYS RANCH ROUNDUP
 Dear Editor:
 Mr. Giles Dalby is the Wagon Boss for the 8th Annual West Texas Boys Ranch Roundup in Garza County. I would appreciate it if you would publish a story in your paper to assist him in his task. Roddy Peoples is the general chairman for 1967.
 This is the eighth year that folks in the 61 - county area of West Texas Boys Ranch have had the opportunity to support the ranch by donations of livestock and cash. Most livestock donated will be sold at auctions throughout West Texas during the week of June 19.
 Several head of livestock have been promised for these sales; however, more are needed if the roundup is to be a success. The county Wagon Boss will process all donations.
 Since the merger of Texas Boys Ranch of Odessa and West Texas Boys Ranch, there are 81 boys in residence at the 963 - acre facility near San Angelo.
 Sincerely,
 Earl Palmer
 Area Co-ordinator

LCC enrollment in slight drop

LUBBOCK — At the close of summer school registration, Lubbock Christian College has 150 students enrolled. This number is slightly lower than the record breaking 20 of last summer.
 Accounting for this drop in enrollment, Norman Keener, dean of students at the college, stated, "The lessened enrollment of last fall accounts for the drop. However, the same percentage of students have enrolled this summer as last."
 Five foreign students are included in the group, representing three different countries, Brazil, Nigeria and Japan. There are also nine states represented in the student body. States represented are Texas, Oklahoma, Virginia, Washington, Ohio, New Mexico, California, Iowa and Arkansas. The majority of the students are, of course from Texas, with Lubbock boasting 45 enrollees.

Dual program revival to begin Tuesday at Church of Nazarene

The Rev. Leon F. Wyss of Bethany, Okla., will be the evangelist-singer at a dual program revival beginning Tuesday, June 20, at the Church of the Nazarene and continuing through June 25. Services, which will include special singing, will begin at 7:30 each night. School also will be under way during the time of the revival, the Rev. Charles E. Peters, pastor of the church's Vacation Bible school is to begin Monday, June 19, and continue through June 23, with graduation exercises set for Sunday, June 25. Mrs. Charles E. Peters will be bible school director.
 Rev. Wyss, an elder in the Church of the Nazarene, is now devoting his full time to the work of itinerant evangelism as preacher and singer.
 He is a graduate of Bethany Nazarene College and prior to his entering this field of labor, he served as pastor of churches in Missouri and Texas. A strong holiness preacher, his messages are stirring, challenging and inspirational. He has a unique delivery which appeals to both young and old.
 "The church and its pastor are pleased to extend a hearty welcome to you and your friends to attend this dual program revival," Rev. Peters said.

REV. LEON F. WYSS

SOCIAL POSTPONED
 There will not be a social this month at the Close City Community Center. An awards program will be held July 15 at which time a check will be presented to the Community Improvement Program.

WEEKEND IN STAMFORD
 Mr. and Mrs. Monroe Lane spent the weekend in Stamford as guests of his brother and sister-in-law, Mr. and Mrs. Richard C. Lane.

Ramseys to leave on Georgia visit

Bernard S. Ramsey, minister of the First Christian Church, and Mrs. Ramsey will leave the first of next week to visit their home state of Georgia.
 Sunday, June 25, Mr. Ramsey will preach at the morning worship at his first pastorate, the Columbia Avenue Christian Church in College Park, Ga. He will participate in the mortgage burning services at the church in the afternoon.
 The Ramseys will be visiting his mother, Mrs. G. H. Miller at Atlanta, who will return to Post with them for a visit, and Mrs. Ramsey's mother, Mrs. John A. Greer, in Pine Bluff, Ark.
 They plan to return to Post around July 15.

Vet's Forum

Q. What insurance coverage is available to men now in service?
 A. Every man now in service is automatically covered with \$10,000 SGLI at a cost of \$2 per month which is deducted from his pay. He can, upon written request to the military, reduce this to \$5,000 coverage, or refuse coverage.
 Q. Why did I not receive my pension check on March 1, 1967?
 A. Your payment was suspended on Feb. 1, 1967, because you failed to return your income questionnaire. Payment of pension is based on a veteran's income from other sources and the number of dependents. This annual report is required in order to ascertain the correct amount of payment, if any, due.
 Q. Is any allowance paid for funeral expenses for a person who has had military service?
 A. An allowance of \$250 is paid toward the burial expense of any person who had other than dishonorable wartime military service, or who had a service-incurred disability resulting from any military service. This expense is not payable if funeral expenses are met from sources other than members of the immediate family, i. e., if they buy fraternal organization burial insurance, etc. An additional allowance for transportation of the body is allowed if the eligible veteran died in a VA hospital.

OKLAHOMA GUESTS
 Mrs. Warren Yancey and two sons, Steve and John, of Tulsa, Okla., are spending the week in Post as guests of her mother, Mrs. D. C. Williams.
FORMER RESIDENT VISITS
 Wm. Zetzman of Comfort and his daughter, Mrs. I. U. Parker of Dallas were in Post during the weekend to visit friends and transact business. Mr. Zetzman is a former resident, now making his home at the Hermann Home in Comfort.

Post teacher attends college art workshop
 BROWNWOOD — Mrs. Florence Allen, first grade teacher from Post, is attending the art education workshop at Howard Payne College this month.
 Featuring a number of well-known consultants, the workshop is under the direction of Charles Stewart, head of the art department at Howard Payne.

HIGHLIGHTS and SIDELIGHTS

... from the State Capitol

By VERN SANFORD
Texas Press Association
AUSTIN — A task force of federal officials, here for a conference as federal-state relations, got a painful disorientation from state agency officials who complained of poor communication between Austin and Washington.

Gov. John Connally opened the conference by telling the men from D. C. that the federal grant system is characterized "by misunderstanding, disharmony and, in some instances, utter confusion."

Other state officials got down to specifics when the conference broke up into small groups to discuss intergovernmental coordination, health and welfare, education, water development, outdoor recreation, economic opportunity and manpower development.

They said they want to be consulted in advance about proposed programs; they want federal agencies to work through state agencies on local programs; they want block grants which would give state agencies greater latitude in tailoring federal programs to fit local needs; and they want specific, unconflicting instructions from Washington as to what is expected of them.

Since the federal officials had been through similar sessions in 39 other states, they took the criticism without flinching.

ENOUGH OIL? — Texas Railroad Commission is keeping an eye peeled on the Middle East crisis in case it becomes necessary for Texas to help make up for crude oil shortages growing out of the hostilities between the Israelis and the Arab nations.

Commission Chairman Jim C. Langdon said Texas has enough reserves to meet any emergency; but while increasing oil allowances is easy, overcoming logistical problems would require ingenuity.

INSTITUTE OF TEXAN CULTURES — Newest state office to open in Austin is the Institute of Texan Cultures. Its task is to assemble educational exhibit material for the ITC building at the HemisFair in San Antonio.

After HemisFair '68 closes its six months' run, the educational program by the State of Texas will be continued there as a permanent feature.

Institute is under the direction of H. Henderson Shuffler, former West Texas newspaperman who has been heading the UT Texana programs for the past five years. Exhibits will portray the colorful history of Texas in terms of the people who made that history.

COURTS SPEAK — Supreme Court will hear arguments July 19 on whether parents can collect damages from premature birth and subsequent death of a child due to injury of the mother in an accident.

In other questions the high court: —Agreed to review the \$200,000 judgment favoring a workman who was burned when his bulldozer burst an underground pipeline in Brazoria County.

—Unheld a trial court decision awarding damages to a woman who lost her hair from application of a lanolin bath on bleached hair (extending doctrine of strict liability to cases other than foodstuffs).

—Pound parents of injured child who poured kerosene on smoldering stick are not barred from suit against an oil company which allegedly adulterated fuel with gasoline.

AGRICULTURE AND THE URBAN LEGISLATURE — Although the lawmakers turned down a proposal for creation of a coordinating board to study problems in agriculture, Agriculture Commissioner John C. White was given the job — and the money — to make the sort of studies envisioned for the proposed super-board.

In the appropriations bill, funds were earmarked for studies on ways to expand marketing outlets for Texas commodities and research on boll weevil eradication, aflatoxin control, peanuts, plums, peaches, dairy products, fire ants, castor beans, vegetables, cotton, mohair, wool and statistics on county farms.

In addition, appropriations were bigger and better than ever for the Texas Animal Health Commission, A&M's Agricultural Experiment Station and Extension Service, salaries of teachers of veterinary medicine and the Veterinary Diagnostic Laboratory.

ATTORNEY GENERAL RULES — Texas gas and oil production taxes do not apply to gas and oil which is severed in Texas, but produced from reservoir located entirely out of state. Atty. Gen. Crawford C. Martin held.

In other opinions Martin concluded that: —"Cable TV" concerns are not required to pay gross receipts tax charged telegraph message companies.

—Parks and Wildlife Department has authority to control and protect mark, sand, shells, gravel and oyster-bed resources and to seek court action to protect fish and shell-fish breeding grounds against disturbances (except those necessary to navigational purposes).

—Lamar County Hospital district may pay private institutions located within its district for medical care rendered to needy and indigent in district's own facilities.

Depending on degree earned and years of experience, a classroom teacher may, under the new law, be paid anything from \$3,132 to \$6,912 for nine months.

With the same conditions applying, administrative personnel get the same sums, but spread over 12 months for superintendents, 11 months for principals and 10 months for counselors.

On top of the base pay, each superintendent gets a 20 per cent to 40 per cent increment, depending on the size of his school system; each principal gets a 20 per cent increment; and each counselor gets a \$300 increment.

Under the new law, the lowest possible salary for a superintendent is \$5,011.20 and the highest possible salary is \$12,902.40. Principals can earn as little as \$4,593.60 and as much as \$10,137.60. Salary scale for counselors will run from \$3,780 to \$7,980.

PAYROLLS — Governor Connally is keeping state employees and legislators guessing as to whether he will veto a bill which would improve retirement benefits for both.

Connally has made known he is giving serious consideration to a veto because lawmakers tagged benefits for themselves onto a bill designed originally for state employees.

While retired workers would get a 10 per cent hike in their pensions, credit for five years military time, for widows and dependent children, legislators would receive a 50 per cent hike in their retirement compensation under the tampered bill that passed late in the session.

Connally resented the manner in which the legislators' extra compensation was written into the bill in conference committee rather than by open floor amendments. Bill would raise legislators' retirement from \$100 to \$150 a month for eight years' service. Also, it increases longevity add-ons from \$10 to \$15 a month for each year of service beyond the 10-year mark.

Speaker Ben Barnes has urged the governor to veto the bill. If he does, he will probably submit the employee retirement benefits proposal at the special session.
