Year of change?

1967 cotton harvest in Garza County under way

Garza's 1967 cotton harvest has begun with scattered reports of hand pulling, custom machine picking, and stripping in various parts of the county.

County Agent Syd Conner sees the upcoming harvest which will not get into full swing until the first frost, as a possible year of change.

The change is coming in two ways — in the first efforts to return to the planting of long staple cotton and in the method of harvesting the long staple cotton.

Conner said it will be a month after the freeze, when grading reports are received back on the long staple varieties, before farmers will know how successful the long staple varieties will prove in terms of dollar income.

Some are predicting the county's

Five TB suspects found here by x-rays

The Post Rotary Club, which sponsored last May's visit of the mobile x-ray unit to Post, heard a report at its Tuesday luncheon from the West Texas Tuberculosis Association on the results.

A total of 800 x-rays were taken here and turned up five TB suspects and 10 additional respiratory disease suspects.

KPOS SPONSORING OPERATION CANINE

"Operation Canine" will be held Saturday, Oct. 28, at radio station KPOS with a veterinarian here from Spur to vaccinate all dogs brought to the station.

The vaccinations will be made from 9 a. m. until noon and from 1 p. m. until 3.

The vaccination fee will be \$2 and city dog licenses will be available at \$1.

1967 cotton harvest will turn out much better than has been anticipated by most.

The county agent said the county's cotton is "maturing out pretty good now" and that probably a majority of it is ready for a freeze.

Conner said a light freeze now would help all of the cotton.

The change in the harvesting method comes with the advent to Garza cotton fields already of a few custom spindle pickers, much more expensive machines than strippers.

They can pick the long staple cotton which is now ready before it is blown off or washed off and lost and leave the immature cotton to stripping after the freeze.

As for Garza's big milo crop — the best county-wide milo crop in several years — Conner reports a "little cutting in all parts of the county" which will continue at such a pace until the frost when the bulk of the grain sorghum harvest will be cut.

SWPS request for rate hike approved

The City Council by a four to one vote Monday afternoon approved the Southwestern Public Service Co's request for a residential and commercial rate increase for Post averaging 7.62 per cent.

The rate change presumably will be effective No. 1, the date the utility firm asked for the change.

Glen Barley, Southwestern Public Service Co. manager here, said the rate boost for Post was the 42nd authorized among the 60 cities and towns in which the in-

Rites conducted for Bill Mathis

Last rites were conducted here at 2 p. m. Tuesday for William Lee (Bill) Mathis, 73, of 104 East Third St., who died Sunday in a Dallas hospital where he had been a patient for two and a half months.

Born April 5, 1894, in Parker County, Mr. Mathis had been a resident of Post for 30 years. He was employed as a loom fixer at Postex Mills.

Mr. Mathis is survived by his wife, Nona; five daughters, Mrs. Myrtle Lee Holliday of Itasca, Mrs. Ida Pearl Fisher of Garland, Mrs. Jessie McDonald of Dallas, Mrs. Lottie Faye Melton of Jackson, Ala., and Mrs. Helen Faye Hubble of Kermit.

Also six sons, Charles D. of San Antonio, Albert Jr., Roy L. and Johnny, all of Garland, Tommy of Houston and Franklin D. Mathis of Opelika, Ala.; four sisters, Mrs. Liza Kirkpatrick of Yoakum, Mrs. Lillie Daffren of Eastland, Mrs. Nannie Wade of Lubbock and Mrs. Maudie Graves of Denison; 51 grandchildren and seven great-grandchildren.

The funeral services were held at the Calvary Baptist Church with (See Mathis Funeral, Page 8)

Trustees to map course of action

Reopening of Garza Memorial Hospital here before the first of the year appeared likely today with the announcement by Dr. Gerald A. Lively, a new physician for Post, that he will open a general practice of medicine here Nov. 1.

Dr. Lively, who has practiced since 1954 at Collinsville and Whitesboro, Tex., two small towns six miles apart, between Sherman and Gainesville, has leased the former Batsman Clinic building at 320 West Eighth St.

The new physician is hopeful of bringing in another physician within six months or a year.

Dr. Lively has leased the former Stoker home at 802 West Main St. for his residence.

Here for several days to arrange details for his move to Post, Dr. Lively left yesterday to return to Collinsville to pack his equipment and family belonging to move in sometime this weekend.

Dr. Lively obtained his medical degree from the University of Oklahoma and interned at St. Joseph Hospital in Fort Worth.

The Livelys have one son and one daughter, both now attending college. They are Gerald Lively Jr., 18, who is attending Grayson County Junior College at Sherman, and Miss Pamela Lively, 20, who is a junior at North Texas State University at Denton.

Dr. Lively is a native of Muskogee, Okla.

The new physician was attracted to Post for the establishment of a new medical practice because

Tom Bouchier's 12 years of service to Post in bringing the White River Lake from mere dream into hard reality as an adequate water source for this community has been as important an individual contribution to his hometown as any man could make.

He has served as chairman of the directors of the White River Municipal Water District from the day the district was officially organized. In this role, he has made many important contributions to the continuity of effort which has resulted in the construction of the White River Lake, filtration plant, and water pipelines to solve Post's 60-year problem of having sufficient water for its needs.

He has given of his own time and money through these 12 years without compensation for either, except for the immense satisfaction of having a part in the water solution.

He has spent hundreds, probably thousands of hours, in meetings in the four member cities, in court-houses, in side meetings, and in Austin before state authorities all at his own expense to help bring the White River Lake into being.

His prime objective has been realized. Post now has its sufficient water supply for the first time in its history.

Graveside rites for Mr. Holster

Graveside services will be held here at 4 p. m. today (Thursday) for Harold H. Holster, 44, who died suddenly of a heart attack Sunday in Marietta, Ga., where he was employed by the Lockheed-Georgia Company.

Mr. Holster's wife is the former Dixie Nell Smith, daughter of Mr. and Mrs. Wallace Smith, who were longtime Garza County residents.

Mr. Holster was a brother-in-law of Mrs. W. C. Graves of Post.

He was born Oct. 30, 1922, at Gatesville and was a veteran of World War II. He and Miss Smith were married at Fort Worth on Sept. 12, 1951.

Other survivors are four sons, Wayne and David of Fort Worth and Robert and Russell Lee of the home; two daughters, Mrs. Vickie Paire of Kingstown, R. I., and Mrs. Earlie Edna Rice of Newhall, Cal. (See Graveside Rites, Page 5)

Arrival of new doctor heightens hopes for reopening of hospital

of the well-equipped county hospital here, hospital trustees reported.

Hospital facilities were not available to him in the two towns in which he has been practicing, they said.

The reopening of the Garza Memorial Hospital could come Dec. 1, or even earlier, according to financing under consideration this week.

Hospital trustees met with the county commissioners court Monday afternoon at which the pos-

sibility of an early reopening of the hospital was discussed.

County Judge J. E. Parker told The Dispatch yesterday that hospital trustees were told that for the fiscal year 1968 the court would make available to the trustees for hospital subsidization approximately \$17,000.

This is the amount 15 cents of the county's tax for the general fund would raise (something slightly over \$25,000 less the \$8,120 in principal and interest the county would have to pay next year on

the \$28,000 worth of hospital improvement warrants.)

Judge Parker said that due to bank loan commitments, the county cannot make this money available until after Jan. 1.

Hospital trustees suggested that possibly the county could borrow sufficient salary funds for an early reopening of the hospital, but were told the county was not in a position to do so, The Dispatch has been told.

The court suggested perhaps the hospital trustees could arrange for

the loan.

J. B. Potts, president of the First National Bank, told The Dispatch yesterday the bank would make such a loan to the trustees, if they so desired to do so, to get the hospital back in operation by Dec. 1, or even earlier.

Ed Sawyers, vice chairman of the trustees who heads the board following the resignation this week of Chairman Dave Sanford, said hospital trustees probably will meet sometime next week to discuss (See New Doctor, Page 8)

Issuance of time warrants up to voters

Auditorium building, site would cost about \$13,000

Would you believe?

Total cost for obtaining the former bowling alley building on the Taboka highway as a city auditorium for all types of community activities will be only \$13,000.

This includes \$7,500 for the building, originally built and equipped at an estimated cost of nearly \$75,000, \$2,000 for the purchase of an auditorium parking area to the east of the building measuring 200 feet in depth, and \$3,500 for a new roof for the building and perhaps some minor building repairs.

This was revealed at a special city council session Tuesday noon when the council authorized publication of a notice of the council's intentions to issue the issuance of up to \$13,000 in time warrants Nov. 10 for this purpose.

City Attorney Carleton P. Webb said a date for a special municipal election then would be set to give voters the opportunity to approve or disapprove the city auditorium project.

If the voters approve the plan, the council then would issue the time warrants and make the building and lot purchases and put on the new roof.

Webb said the law requires adequate notice to be given of the council's intentions to pass an ordinance authorizing the issuance

of interest bearing time warrants against the general fund of the city.

The time warrant issue would be at interest not exceeding five per cent with a maximum maturity to not exceed six years. The publication notice appears on page 4 of today's Dispatch.

The law provides for calling an election to approve the time war-

rants should objections be raised prior to Nov. 10's scheduled vote on the ordinance.

But if no objections are made, the council already has decided to put the city auditorium issue up to the voters anyway.

Councilmen point out the city can obtain the building as an auditorium without any increase in taxes.

Vernon Scott, president of the Post Chamber of Commerce which has the auditorium as its No. 1 project for 1967, told The Dispatch that the Chamber has secured a 60-day option to purchase the bowling alley building from the United Fidelity Life Company for only \$7,500.

He also announced the Chamber (See Time Warrants, Page 8)

Lease, water contract for lake recreation club OK'd

White River water district directors last Thursday approved a 41-year lease and water contract for the proposed White River Golf and Recreational Club, but the district's proposals have cleared only the first of six hurdles which must be topped if a golf course and club facilities are to be built in the fork of the White River Lake as a recreational attraction for the area.

The water district's proposals must be approved in all legal aspects by the bond attorneys for the Texas Water Development Board, the district's engineering firm, and the trustee of the Texas Water Development Board.

Then, if they are still cleared, they must be acceptable to the group now trying to organize the recreational club, and last but not least, by the Farmers Home Administration which must grant the long-term lease to the recreational club for construction of a golf course, swimming pool, clubhouse and other facilities.

District directors have approved leasing of 200 acres of water district land for the club facilities and golf course on a "dollar a year" basis, and agree to furnish water, if a sufficient supply is available, unfiltered from the lake at 10 cents per thousand gallons with the club standing the pumping costs.

Filtered water used in the clubhouse would be paid for at the same rate as charged Crosbyton water users.

The 10 cent rate for unfiltered water has been the point of controversy for several weeks, but directors in the end wrote into the contract the right to reserve all necessary water for the four member cities and their industries, plus

a surplus of two million gallons daily ahead of the club's water requirements.

Extra water sales of the two million gallons daily would be more than enough to end all the current water district taxes now being paid in the four member cities of the district.

At the special meeting last Thursday, the majority of directors insisted that the 10 cent water rate

was "no subsidy" for the recreation as the White River filtration plant and pipelines would not be involved, the club would have to do its own pumping, and that the club would pay for drinking water at the same rate as member cities.

Directors also pointed out that enough lake water has been "reserved" by the district ahead of any club requirements to retire (See Lake Club, Page 8)

Bouchier resigns as chairman of board

Tom Bouchier of Post, chairman of the directors of the White River Municipal Water District since the district was officially organized, has submitted his resignation as a White River director to the City of Post and the White River board because of his opposition to the provisions of the district's contract offered the White River Golf and Recreational Club.

White River directors took no action last Thursday morning on his letter of resignation and indicated without a vote that they had no desire to do so.

Bouchier has been associated with the White River project since its inception early in 1955.

In his letter, Bouchier wrote the board that "you who have worked so hard and faithfully for the last 12 years furnishing your own time, thought and money in order that a permanent water supply should be-

come a reality and not a dream. I will always consider you my best friends."

Directors of the water district from Crosbyton, Rails, and Spur all voted for the contract, which did not draw an approving vote from any of the White River directors from Post.

James Minor voted "no" to offering the recreational club the contract and Dr. A. C. Surman abstained from voting.

Bouchier did not attend the Thursday meeting.

He submitted his letter of resignation (See Resignation, Page 8)

Dave Sanford to Odessa YMCA post

Dave Sanford resigned Monday as chairman of the Garza Memorial Hospital trustees preparatory to leaving Post Friday for Odessa where he will become the new program director of the Odessa YMCA in charge of all adult and youth programs.

His family will join him in Odessa at the end of the semester or if his wife, Mrs. Betty Sanford, can be replaced earlier in her teaching position in the local schools.

Sanford came to Post in January, 1963, and took over operation of Radio Station KPOS March 12 of that year. He held the radio station here Sept. 1 and has been a regional representative for the National Dividend Club since that time.

He is a past president of the Post Chamber of Commerce and was very active in many civic projects.

Halloween event

School carnival is to be held Oct. 31

The first school Halloween carnival here in several years will be held by the Post Elementary School Tuesday, Oct. 31, from 6:30 p. m. until 9 p. m.

The carnival will be held in the elementary building, primary building and school cafeteria.

There will be activities for all ages with emphasis on events for elementary and pre-school age children. The attractions will in-

clude fish ponds, grab bags, apple bobbing, spook houses, cake walk, bean bag throw and a picture taking booth.

Everyone is invited to bring their family and eat sandwiches, pie and cake in the school cafeteria at very reasonable prices, said Vernon Payne, elementary school principal.

There will be a domino room for adults.

Dispatch analyzes six constitutional amendments to be voted on Nov. 11

Voters in Garza County and elsewhere in Texas will go to the polls Saturday, Nov. 11, to vote on six proposed amendments to the Texas Constitution.

In presenting analyses of the six amendments this week, it is not The Dispatch's purpose to indicate how anyone should vote, but to present facts which will be helpful in determining whether these amendments are desirable and for the best interests of our people as a whole.

We do plan, however, to take an editorial stand in a subsequent issue of The Dispatch on each of the proposed amendments—presenting our opinion on the merits, or demerits, of each proposed measure.

Because our Constitution is the instrument guaranteeing our liberties and since it is not simple or easy to revise it, citizens have a great responsibility in voting to adopt or reject proposals such as the six which are analyzed here.

The amendments are discussed in the order in which they will appear on the official ballot.

PROPOSITION 1: "Counties May Put All County Taxes Into One General Fund Without Regard to the Source of Purpose of Each Tax."

This is a proposal to amend Article VIII, Section 9, of our State Constitution, which names the funds for which a county may levy ad valorem taxes and provides that the total levy for General Fund, Permanent Improvement Fund, Road and Bridge Fund and Jury Fund purposes shall not exceed 80 cents, with the same section also authorizing an additional 15-cent ad valorem tax to be levied and collected for the further maintenance of public roads, if approved by the voters.

The only change made by the amendment to be voted on in November would be to add the following words: "Any county may put all tax money collected by the county into one general fund without regard to the purpose or source of each tax."

PROPOSITION 2: "Allowing Municipalities and Other Political Subdivisions Located in Hospital Districts to Support Mental Health and Retardation Services."

This proposition would add a new Section 13 to Article IX of our Constitution under which municipalities and other political subdivisions might be allowed to levy taxes, issue bonds and expend public moneys for establishment, maintenance or support of mental health services and mental retardation services. The permitted activities would include public health units or clinics and related public health activities or services.

Adoption of the amendment would permit cities and other political subdivisions lying within a hospital district to finance comprehensive community mental health and mental retardation services, support public health units and clinics and related public health activities, and cooperate and contract with each other for these purposes.

PROPOSITION 3: "More Bonds for Veterans' Land Fund—Increasing the Interest Rate—Extending the Life of the Program."

This is the third time this amendment has been submitted to a vote. It was defeated in 1963 and again in 1965. The changes proposed this time are, in most instances, word for word the same as in the two previous elections.

The major changes it would make are (1) to allow the sale of \$200,000,000 more in bonds, (2) to increase the rate of interest (now 3 1/2 per cent), (3) to extend the life of the Veterans' Land Program to an indefinite date, (4) to limit eligibility to the time of formal withdrawal of United States troops from the present armed conflict in Vietnam, and (5) to include veterans who are now residents of the State but were not Texas

citizens when they entered service.

PROPOSITION 4: "County Payment of Medical and Hospital Bills for Law Enforcement Officials Injured in the Course of Duty."

This proposition would "authorize" each county in the state to pay all medical expenses, all doctor bills, and all hospital bills for a Sheriff, Deputy Sheriff, Constable, and other county and precinct law officials who are injured in the course of their official duties. It would provide that counties "shall" pay the maximum salary of such an official while he is hospitalized or incapacitated as a result of such injury.

Usually the Constitution will authorize the Legislature to use its discretion in implementing and putting such a program into effect. In this instance, however, the amendment is self-enacting and it authorizes action by counties without reference to legislative approval or interpretation.

PROPOSITION 5: "Authorizing Issuance of State Bonds to Acquire and Develop Sites as State Parks."

This proposition would authorize issuance of \$75,000,000 in general obligation bonds of the State for the purpose of acquiring and developing State park sites.

The State Parks & Wildlife Department would operate, maintain and improve the parks. It would have authority to issue and sell the bonds in such form, denomination, and upon such terms as might be prescribed by law. The interest rate on the bonds would be fixed by the Parks & Wildlife Department, but the weighted average annual interest rate could not exceed 4 1/2 per cent per annum.

Interest and principal on the bonds would be paid by receipts from admission charges to State parks. If in any year such receipts were not sufficient the amendment would appropriate, without any legislative action being needed, a sufficient amount to pay the principal and interest due, out of the first moneys coming into the Treasury in that fiscal year.

The bonds, together with \$7,000,000 of estimated federal aid, would finance a program which the Parks & Wildlife Department believes would be "a self-supporting program, financed by a nominal entrance fee at state parks."

PROPOSITION 6: "Allowing Paid Non-elective State Officers and Employees to Hold Other Non-elective Positions Under the State or the United States."

The Constitution of Texas prohibits payment of a salary or compensation to any person as agent, officer or appointee who holds more than one office or position of honor, trust or profit under this State or the United States. This does not prohibit a person from holding an office under the State or one of its political subdivisions and at the same time serving in some capacity with a private enterprise.

If the proposition is adopted it would provide for the first two years, that is until Sept. 1, 1969, that a non-elective state officer or employe could hold other non-elective offices or positions of honor, trust or profit under the State or United States provided (1) the other offices or positions are of benefit to the State, or are required by State or federal law, and (2) there is no conflict with the original office or position for which he receives compensation.

After Sept. 1, 1969, these same conditions would prevail only if authorized by the Legislature by general law and under such restrictions and limitations as the Legislature prescribed in the law.

No member of the Legislature would be allowed to hold any other office or position of profit under this State or the United States.

THIS WEEK'S big event will be the bowing out of Daylight Saving Time at midnight Saturday. One of our readers, a mother of four youngsters, thinks the mayor ought to proclaim a day of celebration and blow the whistles and ring the bells at the stroke of midnight to mark the demise of this "noble experiment."

Daylight Saving Time will make its exit only a couple of days before Halloween, but this time of tribulation will be with us for only a few hours, whereas, we've had to put up with DST since way back yonder in the year.

- 9. Don't use commas, which aren't necessary.
- 10. Try to not ever split infinitives.
- 11. Its important to use apostrophe's correctly.
- 12. Proofread your writing to see if any words out.
- 13. Correct spelling is essential.

THE WHOLE FAMILY got together on Grandmaw's birthday and gave her their best wishes between halves of the televised football game.

NEXT WEDNESDAY not only is Halloween, but it's also the last day of October, with the new month of November bringing in all sorts of deadline approaches. For instance, on Nov. 1, there'll be only 45 shopping days until Christmas, and Thanksgiving will be a mere 21 days away.

Other deadlines worthy of mention are voter registration, tax payments, and car inspections. To be eligible to vote in all elections from March 1, 1968, through Feb. 28, 1969, everyone of voting age must have been registered prior to the Feb. 29 deadline.

THE THREE branches of local government — city, county and school — urge taxpayers to pay their taxes before penalties begin in February. Car inspections, tougher and more expensive this year than last, must be made before the April 15 deadline.

NOT LONG AFTER I came to Post, the late Charlie Henderson told me about a horned toad that had emerged alive from a big rock in northeast Garza County. That was the last I heard about it until I read Ed Syers' column in Sunday's Fort Worth Star-Telegram. Here is what Syers wrote about the toad:

Well, you Eastland folks, here it is: the way I got it from Spur's C. A. McClain. That horned toad displayed in your courthouse—Old Rip, who slept out 31 years in your cornerstone: he's an infant, a dozing rookie in the big sleep leagues. Now, here's a real greybeard from up Panhandle-ways. "In northeast Garza County," recalls McClain, "a man and two sons broke up a hard sand rock on farm land, to remove it. It had to be broken with several sticks of dynamite; it was about 10 tons in weight and about three feet thick. "When the rock broke in several pieces, a horned toad dropped out of a cavity that was shaped as though molded with a large spoon. This skinned the toad's head some. The toad's size was about that of an adult one today; it's color, snow white. "There was no air passage of any kind leading to the toad's location; but he was alive some two hours later — the last time the men noticed him. "This happened in 1935, and I do not hesitate to tell you I don't know when the toad was entombed; but it must have been in ante-diluvian times. "I tell you this because I was the farmer, with my two sons, who broke up that rock."

Area man killed, wife injured in auto wreck

By FRAN McWHIRT

Word was received here Sunday morning that Mr. and Mrs. Meri Jones of Fluvanna were in a car accident near Hermleigh and Mert was killed instantly. Ruby is in critical condition in the Snyder hospital. Everyone was saddened to hear of this tragedy. Funeral services were held Monday at the First Baptist Church in Snyder for Mert and burial was in the Fluvanna cemetery. The Joneses were returning from the State Fair at Dallas when the accident occurred.

Will see you at the Halloween Carnival Saturday night. You are all invited! We would like everyone over at the schoolhouse Friday around 1 p. m. to help set up for the carnival.

Mrs. Sam Bevers' sister, Mrs. Jack Russell, recently received cuts and bruises in a car accident in Lubbock. She was hospitalized

but Della said she is now at home and doing well though still pretty sore.

Mr. and Mrs. John Boren and sons accompanied her parents, the G. E. Bradfords, on a trip to Arkansas and Missouri recently.

Mr. and Mrs. Leslie Welch were Sunday luncheon guests of the Elton Nances.

A week ago Wednesday, Mrs. Howard Price of Lubbock and Mrs. Buster McNabb of Ropesville, took their mother, Mrs. Cameron Justice, to Snyder to celebrate her birthday by taking her out to dinner. While there they visited Mrs. Pearl Williams.

Mr. and Mrs. Roscoe Kropp and their grandchildren — the Jim Jackson children — attended services at the church Sunday.

Sunday visitors of the Weldon Reeds were Mr. and Mrs. John Boren and son and Mr. and Mrs. Donnie Cole.

Mrs. Fernie Reed and sons visited her brothers, Dick and Bill Cornett in Hobbs, N. M. Sunday and her parents, Mr. and Mrs. C. C. Cornett in Lamesa.

Mrs. Bud Schiehuber and Mrs. Ellen Schiehuber stopped by the store to visit the Smiths a few minutes Friday.

Mrs. Riley Miller and Jenny were medical visitors in Lubbock Monday.

Jim and John Boren visited the Cameron Justices Thursday.

MR. AND MRS. Ray N. Smith were Monday guests in the home of Mr. and Mrs. Elton Nance.

Mrs. Pearl Nance and Mrs. Winnie Tuffing were in Fluvanna Friday.

Mr. and Mrs. Frank Breeden of Albany visited their daughter and family, the Douglas McWhirts, on Friday and Saturday.

Mrs. Jim Tidwell was hostess to a home appliance party Friday. She served Cokes, coffee and cake to Mmes. Pearl Nance, Winnie Tuffing, Cameron Justice, Elton Nance, Lee Reed, Douglas McWhirt and Fernie Reed and son.

Sunday visitors in the home of Mrs. Lee Reed and Luther Reed were the Weldon Reed family, the John Boren family, Fernie Reed and the Ronnie White family of Dallas.

Mrs. Pearl Nance visited the E. C. Pettigrews Saturday. The Pettigrews returned from their trip on Thursday.

Mrs. Jerry Crader and Sydney Clark of Odessa were weekend visitors of Mrs. Bud McLaurin, Mr. and Mrs. Sid Cross and Mrs. George Duckworth.

Mrs. Riley Miller and children were Sunday guests of Mrs. Clyde Miller.

Mrs. George Duckworth and Mrs. Bud McLaurin are attending revival services at the Post Church of God of Prophecy, Bro. Silvers of Sweetwater is the evangelist.

Mr. and Mrs. Sam Dillard of Odessa visited Mrs. Riley Miller and children Sunday.

By 1965, more than one-third of all miles driven in Texas will be on the 3,029 miles of Interstate highways in the State. In its 50th Anniversary year, 1967, the Texas Highway Department has completed more than 1,850 miles of this system.

Meet a 1968 "youngmobile" from Oldsmobile.

Now that you've been introduced, why not get together?

Why not take the wheel of this Cutlass 5—youngest of the "youngmobiles" from Olds. A new 350-CID Rocket V-8 delivers more power at lower operating cost. (And does it more smoothly and quietly, as well.) You say you prefer a Six? Olds has a 250-CID Action-Line 6, too. These are only openers. You can tailor Cutlass 5 to your fancy and finances. 4-speed stick to stereo to sporty pinstriping. Front disc brakes to dual

exhausts to Rally Sport Suspension. (All the new GM safety features are standard.) What it adds up to is this: If you like cars with a lot of pizzaz in the way they look—cars with a lot of moxie in the way they drive—your Oldsmobile Dealer is the man to see. They're the only kind he carries.

Changes in new driving law are told Rotarians

Major changes in the new Texas driver registration law were explained to Post Rotarians at their Tuesday luncheon in City Hall by N. R. (Jiggs) King, school driving instructor.

He pointed out that the minimum driving age for teen drivers has been raised from 14 years to 16 years without completing a driving course, or to 15 years for graduates of such a course.

King also pointed out that teens receive a provisional license good until their 21st birthday and then obtain renewals as all other adults.

Drivers of motor scooters also must be licensed just like car drivers and must meet the same minimum age requirements, he said.

The new law provides that the state can request a driving test now on any application for license renewal if it so desires.

Licenses can be either revoked or suspended for a period if a driver has two or more accidents in a single year.

King also said the new law provides for both two and four year license renewals in 1968 under the new law with \$3 being charged for a two-year renewal and \$6 for a four-year renewal. Drivers will be either two or four years depending on whether the last number in their current license ends in an odd or even number. Thereafter all renewals will be for four-year periods.

The law requires that a motorist must present his driving license to any peace officer when such peace officer asks to see it, King added.

He also explained many of the other changes involved in the new licensing law.

The Gulf Stream can be clearly recognized from an airplane because of its distinctive color and wave pattern.

Youth to 'trick or treat' here for CROP program

Youths of the First Methodist, Methodist Church at 4:30. Following the drive, the youths will return to the church for refreshments served by the Presbyterian women.

Purposes of the program are (1) to secure resources for the overseas relief programs of the churches; (2) to provide a program for youth at Halloween; (3) to utilize the church youth groups of a community in a common service project; (4) to inform the people of the community about world hunger and CROP's mission to help eliminate it, and (5) to provide an opportunity for the people of our communities to "Help Stop Hunger" abroad through the overseas programs of the churches.

Fire destroys home; aid is solicited for family

Contributions of clothing, household goods and money are being accepted here for the Frank Perez family, whose home in the north-east part of town was destroyed by fire last Friday night.

Everything in the home was destroyed, and clothing is especially needed for the five Perez children, who range in age from one to 12 years.

Those wishing to contribute are asked to telephone 495-9933 and Louise Valdez will arrange to pick up any and all donations.

Lonnie Duke family to move to San Antonio

Lonnie Duke, local attorney, will move with his family to San Antonio in two weeks to become an attorney for the Bexar County Legal Aid Association with offices in the courthouse at San Antonio.

He will assume his new duties Nov. 13.

The Dukes moved to Post in April, 1965.

Story of BSP is told at meeting

Barbara Ethridge and Flute King were hostesses at the Monday night meeting of Mu Alpha chapter of Beta Sigma Phi sorority in the Community Room. Special guests were Billie Newman, Juanella Hays and Winnie Tuffing. Janey Middleton told the story of BSP, which started with 12 members and has grown to an organization composed of 8,000 chapters throughout the world. This was the last meeting for collecting wastebaskets and costumes for "Gristown" and the chapter set Sunday as the day to donate the items collected and visit the home at Whiteface. Members present included: Lois Fluitt, Karen Callaway, Sammie Maddox, Margaret Barley, Dorothy Perdue, Maritta Reed, Jane Peel, Becky Brown, Janey Middleton and the hostesses.

CALIFORNIA GUESTS
Mr. and Mrs. Monroe Davis of Los Angeles, Calif., spent last week in the home of her brother and sister-in-law, Mr. and Mrs. Thomas Ammons.

Class of '62 holds reunion during homecoming weekend

The Post High School Class of 1962 held its first class reunion Saturday following homecoming activities Friday night, with most of the class members and their husbands or wives attending the

Post Antelope - Stanton Buffalo football game.

The rural home of Mr. and Mrs. Jerry Thuet was the scene of the reunion at 6 o'clock in the evening. Assorted crackers, dips and cold drinks were served.

Highlight of the reunion was the showing of films of the classes' banquets and proms and Senior Day. The class will and prophecy were also read.

Harold Wayne Mason of El Paso, a member of the class who was unable to attend, called during the reunion and had a short conversation with each of those attending.

Those attending were: Mr. and Mrs. Jerry Stone, Midland; Mrs. Morris D. Kirby, Chatfield; Mrs. Richard Souter, Tulsa; Wayne Gamblin, San Antonio; Mr. and Mrs. Delton Robinson, Plano; Mr. and Mrs. Tommy Polson, Amarillo; Mr. and Mrs. Darrell Hanks, Odessa; Mr. and Mrs. Dwayne Capps, Fort Carson, Colo.; Mr. and Mrs. Forrest Claborn, Mrs. James Melton and Neal Francis of the Air Force.

Coffee, shower held Saturday for Mrs. Capps

Mrs. Dwayne Capps, the former Miss Edith Johnson, was honored with a coffee and a shower Saturday morning from 10 o'clock until 11:30 in the Community Room.

Sgt. and Mrs. Capps are stationed at Camp Carson, Colo.

Miss LaGayluah Young registered approximately 50 guests.

The serving table was laid with white lace over yellow and centered with an arrangement of yellow and white primroses. Streamers extended from the centerpiece inscribed with "Edith" and "Dwayne". Coffee, spiced tea and doughnuts were served by Miss Nancy Hart. Silver coffee service and crystal appointments were used.

The out-of-town guest list included Mrs. Jerry Stone and Mrs. Ben Isacks of Midland, Mrs. Ronnie Wicker of San Marcos, Mrs. Tommy Polson of Amarillo, Mrs. Darrell Hanks of Odessa and Mrs. Richard Souter of Tulsa.

Hostesses, who presented the honoree with a set of stainless steel cookware, were:

Mmes. Ruby Shedd, Billy Ruth Lowe, Ruth Hill, W. C. Windham, Mary Landreth, Dorace Wilson, Kay Hays, Jerry Hester, Elizabeth Hart, Margie Pennell, Edna Blodgett, Mary Gist, Margaret Dixon, Joyce Midkiff, Jim Jackson, June Dozier, Violet Howell, Ann Altman, Annie Odum, Ruth Little, Ronald Storie, Tom Harmon, Ray Young, Jim Hays, Roy Gilmore, Tommy Woods, Kay Pace and Louise Hagins.

GIRLS ADVANCE TO CADETTES

These five girls went from Junior Girl Scouts to Cadettes in a recent candlelight ceremony at the Reddy Room. It is the highest achievement for any Girl Scout to reach here since 1963, leaders said. Parents of the girls and members of Girl Scout Troop 377 also attended the ceremony. From left to right are: Jean Huffman, Terry Shedd, Mrs. W. E. Gandy, leader, Mary Ann Huffman, Jodi Gandy and Maxine Collazo.—(Staff Photo)

It's My Turn

— By MRS. C.

The nicest thing about Halloween is that it's strictly for the younger set.

Christmas, Thanksgiving and Easter are family holidays. Valentine's Day is a big day in the life of the kiddoes but it's really a day for "lovers" and friends of all ages. The custom of making and delivering May baskets, (not observed in Post, Tex.) on the first day of May is delightful but the Russians had to horn in on that day by showing their military might to the rest of the world.

Children's Day has never become as popular (nor as commercial) as Mother's or Father's Day.

So, that really leaves Halloween as the only true children's holiday. However, if one is a real cagey adult one can have some fun along with the younger ones.

I'd never heard of "trick or treat" until after the "war years" and we moved to Garden City, Kans. I'd grown up in a town, as had Mr. C, that had a two-day celebration called "Arkalah" which kept everybody in town busy, including the younger set and teen-agers. A big show, using local talent of all ages, climaxed by crowning of Queen Arkalah, (a local beauty or not, as the case may be) was held the night before and EVERYBODY went to this affair. The next day the streets were roped off downtown and all sorts of races were held for the children with elegant prizes presented to the winners. In the afternoon a big parade consisting of decorated bicycles, doll buggys, pets and beautiful floats was held. Bands and drill teams came from all over to perform and the parade lasted a good hour or longer. The parade was repeated at night, usually followed by a football game and then a big dance to end the day. One was too pooped after all the fun and excitement to be able to do much more than crawl home to bed.

Boy, I really got carried away there. When I started this column I wasn't even thinking about my home town of Arkansas City, Kans. and that big celebration, which is still going strong through the years.

We had an Indian school, Chiloco, located about four miles from our town over in the neighboring state of Oklahoma and they always had a parade entry. I still remember how impressed we all were when an Osage Indian boy, clad only in breech-cloth and Indian war bonnet, and riding a beautiful horse bareback rode the length of our Main Street (about 10 blocks, parade-wise) with back arched and arms outstretched without moving a muscle the whole way. It was a brisk day and we watchers got gooseflesh for two reasons that day.

Meanwhile back in Garden City,

White elephant sale held at club meeting

A "white elephant sale" was the highlight of the meeting of the Mystic Sewing Club last Friday afternoon when it met in the home of Miss Henrietta Nichols.

Miss Nichols served open-faced sandwiches, cookies, nuts, punch and coffee to a guest, Mrs. Iona Blake and to Mmes.

Alylene Runkles, Annie Hodges, Neil Windham, Jimmie Hudman, Estlea Nichols, Ruby Butler and Mae Shipley who will be hostess of the Nov. 3 meeting.

New Arrivals

Mr. and Mrs. Jerry Long of Bossier City, La., are the parents of a daughter, Samantha Carol, born Oct. 18, weighing 5 lbs., 6 ozs. Mr. and Mrs. Lee Snow of Post and Mrs. Virgie Long of Bossier City are the grandparents.

ANNUAL MEETING

The Rev. and Mrs. Jimmy McGuire, Mrs. William Robinson, Mrs. Chester Keeton, Mrs. June Kiker and S. A. Horton attended the annual Lubbock Association meeting at the Monterey Baptist Church Tuesday night.

Gayle Heaton's engagement to Will Glen Parker announced

Mr. and Mrs. Mavis D. Heaton are announcing the engagement and approaching marriage of their daughter, Catherine Gayle, to Will Glen Parker, son of Mr. and Mrs. Hardy Parker.

The wedding date has been set for Nov. 22 in the First Baptist Church at 4 o'clock in the afternoon.

Miss Heaton, a 1963 graduate of Post High School, is employed at The Medical Center. Mr. Parker attended PHS and received his diploma while serving in the Navy. He is a teller at the First National Bank and is attending Texas Tech.

Library LISTENING POST

ROSEMARY CHAPMAN

Children's Book Week celebrated Oct. 29 to Nov. 5 are giving go-go heads and care-for-books books to the first 200 children who come to the library during that time. The kids with a little fun, the headbands and booklets were designed by Hardie and author and illustrator Little Toot, a favorite with younger set.

Ungerer has designed the four-color Book Week poster that shows two grinning tots in a cross-hatch pattern. Off With Books!, Gay Marmers have been done by Marmers and Irene Haas; a color-plate by Aiki; and Ogden has written the 1967 Book Week too.

The Newbery Medal award, begun in 1921 by Frederick G. Melcher, is given to the author of the most distinguished contribution to American literature for children. It is named for John Newbery, the first publisher to print books especially for children.

Further information on the Caldecott and Newbery Medal books can be obtained at the library. These books represent the "cream of the crop" in 20th Century children's literature, and we are pleased to be able to offer them to young Postites.

Eight "extra-special" 1967 easy books arrived from the Charles M. Gardner Company today. If I can stop looking and laughing at them long enough to process them, they'll be in the library for Book Week too.

"The Charles Addams Mother Goose" by Charles Addams. Perhaps you noticed the write-up on this book in last week's "Saturday Evening Post." Mother Goose and her fabled flock have at last fallen into the clutches of Charles Addams in his untraditionally illustrated collection of traditional nursery tales. For all ages, really.

"A Dozen Dinosaurs" by Richard Armour. Children love to hear about dinosaurs, and love to try to pronounce their exotic, many-syllabled names. Richard Armour and Paul Galdone have joined forces to produce a hilarious, informative picture book. Ages 4-8.

"The Happy Lion's Vacation" by Louise Fatio. There are many surprises in store for readers here, and whether the Happy Lion travels by train or bus, by foot or car, or by balloon, with Roger Duvoisin's gay pictures in bright colors, they will have a wonderful time! Ages 4-8.

"I Saw a Ship A-Sailing" by Beni Montresor. More rhymes from Mother Goose but again, not an ordinary Mother Goose. It is Beni Montresor's Mother Goose — an enchanting experience for anyone, with colorful, imaginative illustrations by the Caldecott medal-winning artist. Ages 5-8.

"Higglety Pigglety Poo!" OR "There Must Be More to Life" by Maurice Sendak. The adventures of Jennie, the dog, when she seeks Experience to become a Leading Lady for the World Mother Goose Theatre — in a remarkable fantasy by a Caldecott Medal winning author - artist. Ages 4-8.

"Moon Man" by Tomi Ungerer. The story of the man in the moon and how he comes to visit the earth one night. This one is the "sleeper" of the year—Librarian Vicki Jones says that the kids in Chapel Hill are falling all over themselves to get it. Ages 4-8.

"Zeralda's Ogre" by Tomi Ungerer. Through culinary magic, Zeralda converts a terrible, child-eating ogre into a docile connoisseur of French cuisine, in a marvelous take by the author of Prize Picture Books. Ages 4-8.

"When I Have a Son" by Charlotte Zolotow. A little boy intends the rules to be different when he has a little boy — his son will have triple maltes before dinner, won't have to take piano lessons, etc. Illustrated by Hilary Knight. Ages 4-8.

Don't forget—National Children's Book Week — Oct. 29-Nov. 4 — Take OFF With Books!

WEEKEND IN AUSTIN
Mrs. L. A. Barrow accompanied her son-in-law and daughter, Mr. and Mrs. Earl Perser, and daughter, Earlyn, of Snyder to Austin over the weekend where they visited the Persers' son, Gary, a student at the University of Texas.

Members of the Post Music Club attended the annual District Federation of Women's convention at Crosbyton Saturday at the First Methodist church.

Mrs. Bill Pool, president of the local club; Mrs. Bob district chairman of American; Mrs. R. L. Marks, district chairman of past president's meeting by singing the federation.

Members of the Crosbyton Museum and The Fashion Manufacturers of Women's wear, was conducted in the district and club members were heard at the business meeting. Mrs. Pennell and C. Poer sang a duet, "Now We All Our God," accompanied by Mrs. Olson during the program.

Members of the luncheon Stinson of Slaton entertained by the dulcimer.

Woman attends meeting, workshop

C. R. Thaxton represented woman's Culture Club recent 8th annual fall board meeting and workshop of the Capital District of Texas Federation of Women's Clubs at Littlefield.

Members of the meeting was "Serious Harmony: Youth and Americanism." District President, Mrs. Louis Cummins of Plainview, presided.

Thaxton and Mrs. Keith Lockney presented a program on the High Plains Trainer, Plainview, which is the district project. Mrs. Thaxton also led the education department meeting and spoke on library in the district.

RETURNS HOME
Sonny Payne and baby, who been visiting here with her, Mrs. Frances McAfee, and grandmother, Mrs. Mattie Ramey returned to their home in Bismarck, N. M., with her and who came for them over weekend.

Southland homecoming scheduled for Friday

By MRS. EDMUND WILKE
Remember Homecoming Oct. 27. Please come!

Hi there. Isn't this a wonderful time of the year? The fall colors are just beautiful. Seems like in the spring and in the fall, nature just bursts out all over. Someone once said: "Nature always wears the color of Spirit. One of the most satisfying experiences in life is a deep appreciation of nature. Wealth, health, friends and fame can be taken from us, but if we have a deep feeling for the beauty in nature, we can still be happy." How true!

Frank Valdez fell off the swings at school Monday morning and broke his arm. We hope that all goes well with him and he doesn't have too much trouble.

Another young man who is in Vietnam is Troy Lewis, son of Mr. and Mrs. Richard Lewis. His address is Pfc. Troy E. Lewis, US 54404099, Co. D 2nd. Bn. 1st Inf. 196 Bde., APO San Francisco, Calif. 96256. Why don't you drop him a line? I am sure he would be very pleased.

Don Altman, son of the Deamos Altmans will be coming home on

leave soon. He, too, has been overseas with Uncle Sam's forces. I know that his folks are mighty thankful that he will be home with them for awhile.

Visitors in the home of Mr. and Mrs. Jim Mason over the weekend were his sister, Mrs. Norma Ruth Simmons of Houston and her son-in-law and daughter, Mr. and Mrs. Ronnie Black and sons of Hobbs, N. M.

Mrs. Mariellen McNeely White received her "port-call" orders on Monday so she will be leaving for Yokota, Japan, Nov. 6 where she and her husband, Alc Charles White and son will be living for the next three years. Yokota is approximately 30 miles from Tokyo. Charles has been serving in Vietnam but is here on leave now and has to report back Nov. 1. Mariellen is the daughter of Mr. and Mrs. Aubrey McNeely. Good luck, Mariellen. I hope you like it over in Japan. I think that would be quite exciting!

Larry McNeely and his fiancée, Miss Nola Jones of Fort Worth, will be visiting Mr. and Mrs. Aubrey McNeely this weekend. Larry and Nola are planning a Nov. 24

wedding. Congratulations and may God's richest blessing be yours.

Debra Crawford and Ann Monk ate supper with Brenda Belk last Tuesday night to help her celebrate her 7th birthday. They were served fried chicken with all the trimming and for dessert, birthday cake and punch.

Mrs. M. E. Beck of Carlsbad, N. M., mother of Mrs. Elmer Belk, has been visiting for a week in the Belk home. Saturday, her husband arrived and spent the weekend. Saturday, Mr. and Mrs. Leslie Jolly of Slaton and Ocie Pate of Littlefield were guests and on Sunday the E. L. Belk family of Levelland were dinner guests. Sounds like the Belk home was the scene of a lot of activity over the weekend.

Mrs. Wes Donahoo spent several days last week visiting relatives in Lubbock. Her son, Louis Donahoo, broke his foot recently, but is getting along just fine.

MR. AND MRS. Bene Wilke of Wilson and Mr. and Mrs. Malcolm Limmer of Slaton visited the Willie Beckers Sunday.

Mrs. Willie Becker talked to her daughter, Mrs. Floyd Forester, Saturday. The Foersters recently moved to Monte Vista, Colo.

Well, everyone who went to Dawson last Friday night to the football game witnessed one of the best games of the season, I'm sure. It was quite exciting from start to finish! All the boys played an excellent game. Seemed like all the plays just clicked just right—we'll almost all of them—so they won 34-20! This was their second district game and they have won both. I just don't know who was the most excited and happy — the coach, the boys or the fans.

Darrell Wayne Wilke attended a Northwest Texas executive meeting in San Angelo Saturday where the finishing plans were made for the Fall Retreat of the Luther Leaguers to be held during the Thanksgiving holidays. He spent Friday night with the Rev. and Mrs. Eckert in Lamesa.

The Paul Winterrowd family went to Waco recently to visit her sister who had undergone surgery.

Bill Basinger and two of his daughters of Mercedes are here visiting for awhile. Bill is tending to some business and the girls are visiting friends and relatives. Bill is the son of the W. A. Basingers.

Mrs. Harvey Louis Pennell is a patient in West Texas Hospital awaiting the arrival of their baby.

Larry and Martha Wilke visited with Joe and Pam Hall Sunday. I understand that Joe has finished his Highway Patrolman School and they will be living in Austin. Good luck in your new job, Joe.

Mrs. Z. K. McKee spent a recent weekend in Lubbock visiting relatives. She is expecting a niece and nephew from California to visit her this week.

Please give me a call at 996-2423 or 996-2631 and give me your news. I will see you next week, God willing.

The Ice Age altered America's topography more quickly than it was altered at any other time.

FORGOTTEN SOMETHING

Have you been forgetting something lately? Have you been forgetting yourself?

Let's be completely selfish, for the moment, about this matter of going to Church. Let's look at it solely from your own point of view.

Will the Church offer you an escape from reality? Will it lead you into some kind of a rosy dream world? Will it be your own, personal panacea—a kind of spiritual crutch?

Emphatically no! What the Church will do is give you Faith. It will help you find the courage and strength to meet life's tests. It will bring you complete realization of one all-important fact: with God's love, it is never too late to begin again.

If you haven't been going to church you have undoubtedly forgotten yourself. Start going now!

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Dennis Altman is Pep Squad Beau

By Beth Peel
Dennis Altman was crowned Pep Squad Beau preceding the football game between the Antelopes and the Stanton Buffaloes Friday night.

The other nominees for Pep Squad Beau were Gary Young, Ronnie Petty and Norman Tanner.

Dennis was escorted by Marsha Tipton and crowned by Barbara Lucas, president of the pep squad.

Dennis is a Senior and plays half-back for the Antelopes.

Slides of European trip shown at FHA meeting

By Martha Jo Walls
Slides that Emily Potts took on her tour of England, France, Italy, Switzerland, Austria and Denmark were shown to the Future Homemakers of America at a meeting Oct. 16.

After the slides were shown, the Little Sister officers were installed and given a rose in appreciation of their future help to the organization.

The Freshman initiation was also held. A skit entitled "Truth or Consequences," prepared by Christine Morris, was given. Each Freshman had to answer a question. If they didn't give the correct answer, they had to act out or sing a song. If they answered correctly, they had a Part II to their question.

Refreshments were served.

Needlecraft Club is organized, Jr. High

By Lanita Justice
Wednesday in Post Junior High School, the girls met to organize a Needlecraft Club and elect officers.

The officers elected were: Jan Bartley, president; Karen Moriearty, vice president; and Lanita Justice, secretary - treasurer and reporter.

We discussed things we would like to do. The suggestions were embroidery and making pillows and tote bags.

Archeology Club goes on outing

By Kelly Duren
The Archeology Club of Post Junior High School went to the Cross H Ranch on their first outing Sunday, Oct. 15. Forty - four of the 58 members went on the outing.

Sponsors Mr. Davis, Mr. Burnett and Mr. Breedlove went along and also Emmett Shedd.

There were many who found things. Ricky Spinks, Thomas Zachary and Danny Lee found broken spear points. Kevin Duren, Freddie Huff and Jerry Smith found broken arrowheads. Gary Shepherd and Mr. Shedd found five arrowheads. Ronlad Tyler and Karen Pruitt found perfect arrowheads. Julius Stelzer and Larry Hutchins both found knives.

The Archeology Club wishes to express its appreciation to Giles Dalby for making this outing possible.

Student Council projects are discussed at meeting

By Micki Sterling
The Post High Student Council met Oct. 17 to discuss a variety of projects and to hear committee reports.

The council discussed a report concerning cookie wrappers and other trash being left around the Coke machines in the hallways. They decided to wait until the newly ordered trash cans arrive before taking any action on the matter.

The committee appointed to work on the bench in the breezeway reported their progress. Committee members Jim Johnston, Norman Tanner, Dennis Altman, Dennis Ray and Coach Bigott, sponsor, filed in the names that had been carved in the wood and painted the bench black and gold.

Peggy Bevers, Sharon Bilberry, Micki Sterling and Randy Hudman were appointed to make signs and posters to remind the students of Post High "Twirp Week."

A College Entrance Committee was appointed by the president of the student council. This committee will write for information about colleges in which juniors and seniors are interested. The members of this committee are Adrienne Cook, Sue Harrison and Voda Voss.

Another committee formed by the council is one for welcoming out-of-town students to our school. This committee not only welcomes the other school, but they show them where they can dress, get a snack to eat, and where the visiting band can practice. Karen Lee and Janice Gordon served on this committee for the Stanton visitors.

Mickie Sue Taylor is band sweetheart

By Zelika Freeman
Miss Mickie Sue Taylor, daughter of Mr. and Mrs. Joe B. Taylor of Route 3, was crowned Band Sweetheart during half-time at last Friday's homecoming game with Stanton. Miss Taylor, who is a senior, has served in the high school band for four years. Besides holding various band offices and being in stage band for three years, she has competed in solo and ensemble contests throughout the years. Her junior year, Miss Taylor succeeded in making the all-district band. Currently, she is serving as assistant drum major to the band and is sitting first chair cornet.

First runner-up for band sweetheart was Janice Gordon and second runner-up was Jan Bullock. Joe Bilbo escorted Miss Taylor, Mike Petty escorted Miss Gordon, and Joey Lee escorted Miss Bullock to the center of the football field where the crowning ceremony took place.

Christine Morris is FHA high point girl

By Martha Jo Walls
Christine Morris, daughter of Mr. and Mrs. Wilburn Morris of Route 3, was Future Homemakers of America high point girl for the month of September with a total of 410 points.

Christine is historian of the organization and has been a member of the FHA for three years. Her favorites are: Color, pink; television show, "Second Hundred Years"; hobby, reading; food, steak.

The Little Sisters high point girl was Stephanie Davis.

DUE HOME NEXT WEEK

Mrs. Jim Keel, 305 West 12th St., is scheduled to return home next Tuesday from Houston where she has been an out-patient at M. D. Anderson Clinic for the past six weeks for treatment.

Post High School Happenings

By Natha Jo Mears
Everyone saw some old friends Friday night that they haven't in a long time. The pre-game activities consisted of the Antelopes crowning the football queen and the pep squad crowning the pep squad sweetheart. The football queen was Natha Jo Mears who was crowned by Norman Tanner, with the other nominees being Nedra Childs and Sulinda Taylor. The pep squad sweetheart was Dennis Altman crowned by Barbara Lucas. The other nominees were Ronnie Petty, Wiley Millard and Gary Young. At half-time Mickie Sue Taylor was crowned band sweetheart by Joe Bilbo. First runner-up was Janice Gordon and second runner-up was Jan Bullock.

School spirit was shown Friday as the halls were decorated with traditional school colors and student's cars were also decorated.

Mrs. Fleming is back with us this week. We certainly enjoyed her. Mrs. Fleming is able to be with us.

It seems as though Sue Litton has been playing football of a kind instead of marching in the band. How do you feel, Sue?

Friday Billy Jack Hodges visited the high school choir. Billy Jack is attending Hardin - Simmons on his scholarship. He told the choir about similarities and differences of college choir to high school choir. Also he sang for third and fourth period choirs. Everyone

enjoyed visiting with Billy Jack and hope that he will come again soon.

Third period has become some choir students' most dreaded period, especially when you have to sing by yourself. Isn't that right, Paula?

Registration open now for 1968-69 National Merit Scholarship tests

Post High School students who wish to complete their second-school requirements and to enroll in college in 1969 can register to participate in the 1968 - 69 National Merit Scholarship Program. Principal C. R. Hutchins announced today.

The first step for all students wishing to enter the nationwide competition is to take the National Merit Scholarship Qualifying Test (NMQT). The test will be given in the school at 9 a. m., Saturday, Feb. 24 (or Tuesday, Feb. 26).

Participating students pay a \$1 fee when the test is given on a school day. The school may charge an additional fee up to \$1 for special administrative costs of testing on a non-school day. If an unusually promising student is unable to pay the \$1 test fee, it will be waived by the National Merit Scholarship Corporation at the request of his school.

When his NMQT scores are received, each participating student will receive a handbook to help evaluate his scores, compare performance with that of other school students across the country, and give him information

Is Determination Really Necessary?

Webster defines determination as the act of deciding definitely and firmly; but, teen-agers know it more as "the spark that stays alive and keeps you going when 'the going gets rough'."

Determination needs to be present no matter what you do. Whether it be participating in a sport, studying for an exam, writing a research paper, or running for an office in a special club.

If you are a freshman wishing you were a big senior, or perhaps a sophomore hoping to pass world history, or a junior looking forward to that big day when the seniors are gone, or a senior wanting to pass Civics and get this first mile-

stone behind you, determination is behind you pushing you toward the mark of greater achievement. Is determination really necessary? Yes, if you want to make a success out of your life on this earth and no, if you just want to loaf around and work when you feel the urge! — Emily Potts, Editor.

Karate assembly presented here

By Karen Potts
Wednesday afternoon the Post High student body was witnessing the art and sport of unarmed Self-Defense — Karate! The demonstration was given by David Moon from the Karate School of Moo-Duk-Kwan in Lubbock. He was assisted by Chip Wilkens of Texas Tech.

The two men demonstrated striking and kicking techniques, which basically is what karate consists of. Mr. Wilkens broke a pumice block in half with his head.

Mr. Moon is from Korea and has been practicing karate for nine years and is now engaged in teaching karate lessons at the school in Lubbock.

Many students from PHS signed up to take karate lessons. If enough sign up for the lessons, Mr. Wilkens will be coming to Post to teach those who might be interested!

The assembly was sponsored by the Post High School Student Council.

Farmers Union is opening meeting today in Lubbock

Five delegates from the Garza County Farmers Union will be among those from the county attending the 64th annual state convention of the Texas Farmers Union, which begins its three-day meeting today (Thursday) at the KoKo Palace in Lubbock.

Representing the GCFU as delegates are Arnold Sanderson, Bob Tidwell, Wayne Carpenter, Cecil Stolle and C. R. Lancaster.

Jay Naman of Waco, president of the Texas Farmers Union, said a record attendance is expected at the convention.

Speakers will include Tony T. Dechant of Denver, president of the National Farmers Union; U. S. Sen. Ralph Yarborough; Russell Giffen of Huron, Calif., board chairman of the Cotton Producers Institute; Agriculture Commissioner John White of Austin; State Department official Jim Boren of Washington, D. C.; former Secretary of Agriculture Charles Brannan of Denver, and Ray Novak, National Farmers Union Insurance manager.

FOOTBALL TICKET REFUNDS

Refunds for the Post-Lubbock Christian College High School football game that was to have been played Oct. 27 will be made season ticket holders at the high school office Monday, Oct. 30. Principal C. R. Hutchins has announced cancellation of the game by LCC High School came after the tickets had been sold.

Lake club—

(Continued from Page 1) all taxes in the district if such water can be sold to oil firms in Garza County for waterflooding purposes in the near future.

The water contract also provides that the 10 cent unfiltered water rate may be adjusted annually upward or downward in direct ratio to the increase or decrease of the Bureau of Labor Statistics Consumers' Price Index. It also provides should the district have to purchase water from any other source during the life of the contract that the water price to the club will be increased in the same amount as the cost to the district for the purchase of such additional water.

The contract also states that should the White River Lake water supply be insufficient to furnish the club with water, but enough was available for sale of two million gallons of surplus water daily, the club would have the right to purchase such water from this allotment at the rate of 37.45 cents per thousand gallons, which is the district's established sales price delivered in Post for waterflooding less the cost of pumping such water to Post.

The club shall not have the right to assign or sublet any of its leased premises without the written consent of the water district.

District directors say construction of such a club will enable many more real estate lots to be sold in the vicinity of the club and golf course, thus boosting the water district's recreational revenues, as well as providing the best possible recreational facilities for the lake area.

New doctor—

(Continued from Page 1) cuss their course of action. Trustees point out that if the hospital is reopened by Dec. 1, key members of the hospital staff would still be available and that there would not be great expense in such an early reopening because efforts have been maintained to keep the hospital clean during the October "suspension" period.

Mathis funeral—

(Continued from Page 1) the Rev. Dale Dozier, pastor, officiating.

Burial was in Terrace Cemetery under the direction of Hudman Funeral Home. Pallbearers were Dick Tanner, Pete Smith, L. D. Lowe, Hollis Branson, Pete Hays and Wallace Hill.

Three burglaries are investigated

The Garza County Sheriff's office is investigating three rural burglaries reported this week.

The largest was a second break-in of the American Radio and Telephone relay station east of Post on US-380 in which three sets of checking instruments, valued at approximately \$1,500, were taken.

The break-in occurred at 6:30 a. m. Sunday with entrance gained by removing the lock cylinder out of the door. The station was broken into in September and \$600 worth of instruments stolen.

The office of the Caprock Sand and Gravel Co., located on the county line north of Post, was broken into Monday night and three coats, an electric clock, and \$3 or \$4 in change from the Coke machine taken.

The third burglary, in which nothing was reported missing, was the break-in of Radio Station KPOS's transmitter station sometime between Sunday and Wednesday mornings. The station is located near the highway overpass south of Post.

Resignation—

(Continued from Page 1) nation Tuesday after the board at a special meeting Monday night voted in favor of the 10 cents per thousand gallons water rate for unfiltered water to the recreational club to be pumped from the lake at the club's own expense. Minor and Surman were not present at the Monday night meeting.

Bouchier's expressed opposition to the "dollar a year" lease and 10 cent unfiltered water rate for the club did succeed in reducing length of the conditional contract from 84 years to 41 years by striking out the renewal option and reducing the length of the actual contract from 42 to 41 years.

Bouchier opposed the 10 cent water rate as unrealistic for such a long period of time as he said who could determine the worth of such water in this area 41 years from now or the demands for it at that time.

The Farmers Home Administration requests the 41 year contract period to cover its proposed 40 year loan for the construction of the recreational club's facilities.

Doubts have been expressed by some that the terms of the contract will be approved as legal by the agencies involved or that the FHA will approve the loan under water conditions offered by the water district.

CLOSE CITY SOCIAL

A potluck supper will be held at the Close City Community Center Saturday night at 7 o'clock. Games and dominoes will follow the supper.

EARLY HALLOWEEN, OUTHOUSE BURNED

Halloween apparently got off to an early start in Post last night, six days ahead of the calendar schedule.

Volunteer firemen answered a call to extinguish a blaze in the outdoor toilet at the Little League baseball park.

One merchant reports he already has sold more balloons recently than he has in the last five years. Youngsters use them for ammunition—filled with water, that is.

Postings—

(Continued from Page 1) cilities, which has been created by the opening of the lake, has not been an easy one for White River directors to solve. They have moved forward with careful deliberation in matters of recreation.

Tom's objections to the water contract proposed by the district for the recreational club compromise his personal beliefs as to where the water district should stand. So he has asked to be allowed to step down from the board.

His letter of resignation is still "laid on the table" unacted upon as far as water district board members are concerned. They would prefer he remain on the board and continue to offer his advice, his leadership, and his vote on water problems as he sees fit.

Directors from the other member cities of the water district view the recreational club only as something "in addition" which can be offered people of the towns and area as a result of building the lake as a water supply source. They feel in good conscience that the recreational club contract is a fair way for everybody involved.

This column effort has been a "painful experience" for this writer under such circumstances, but one which we deem necessary for general reader understanding.

There is no mistake as to the immense contribution Bouchier has made to our community with his unselfish service to the White River Municipal Water District.

No man or men can accurately prophesy 41 years into the future. Any prophesy of the future can only be based on history—or past experience. Tom has made his judgment—and other members of the board have made theirs. And all have done it, we believe, to the best of their individual abilities.

Post is losing a real civic worker when Dave Sanford moves to Odessa tomorrow to begin his new duties as program director of the Odessa YMCA. Dave has never been too busy to do more than his share of community good works during his more than four years in Post. He served as the Post Chamber of Commerce president and has headed the hospital trustees through its recent financially troubled year. And those are but two of his many accomplishments for the good of Post. His many friends wish him the best of luck in his move to Odessa.

The Hudman Furniture Co., as the reader will note on pages 10 and 11 of today's Dispatch will open their 22nd Anniversary Sale Friday. It's the "biggest ad of the year" for The Dispatch with two full pages chucked full of furniture, TV carpet, and linoleum "goodies."

He also lived in Hobbs and Carlsbad, N. M., where he was a plumbing contractor until retiring a few years ago.

Mr. Winslow moved back to Post in 1964 and occupied himself here with building a Kingdom Hall as a meeting place for the Jehovah's Witnesses, in which he was a minister.

Surviving are his wife, Delphia Ann, of the home; a sister, Mrs. Jennie Lawson of Chico, Tex., and a number of nieces and nephews, one of whom is Mrs. Esther Crider of Post.

Time warrants—

(Continued from Page 1) has entered into contract to purchase the 200 foot by 252 foot frontage east of the bowling alley building from R. G. Sneed for \$2,000.

Only major repair now needed for the building, Scott pointed out, is a new roof which probably would cost around \$3,000.

Scott and other Chamber officials term the proposed city auditorium "a tremendous bargain" in every respect and expressed confidence the project would meet with approval from voters when election time rolls around.

Graveside rites—

Post Antelopes idle this week after losing to Stanton Buffaloes, 22-13

The Post Antelopes came close to scoring an upset victory over Stanton Buffaloes before a cheering crowd here Friday night, but couldn't match their opponents in the second half and lost 22 to 13.

The Antelopes scored first, late in the first quarter, when junior halfback James Pollard broke through the line and went 14 yards for a touchdown and center Randy Hudman booted the extra point.

Stanton got its first touchdown on the first play of the second quarter and tacked on two extra points for an 8-7 lead, but Post drove 65 yards after receiving the kickoff to regain the lead on halfback Dennis Altman's one-handed end zone catch of quarterback Ray Altman's 19-yard pass. Hudman's place kick try for the extra point failed.

THE BUFFALOES went back ahead with 35 seconds left in the first half on halfback Alan Gregston's six-yard touchdown burst through the line, and went to the dressing room with a 14-13 halftime lead.

After a scoreless third quarter, the Buffaloes scored their third touchdown and tacked on the extra points in the final period of play.

The Antelopes "stayed in the game" throughout the contest on the passing of Ray Altman, the running of Pollard, and tight defensive play that included the recovery of three Stanton fumbles.

Altman had his best night of the season in completing 14 of 24 passes for 189 yards, with Dennis Altman hauling in most of the completions.

Charles Harper returned a short Stanton kickoff 15 yards to the middle stripe to open the game, and the Antelopes got down to the Stanton 29, mainly on the running of Pollard, before losing the ball on downs.

Stanton picked up two first downs en route to the Post 44, but Danny Cooper recovered a fumble there to give the ball back to the Lopes.

Four plays later, a 15-yard personal foul penalty pushed Stanton back to its 31, from where short gains by Pollard and fullback Ronnie Petty and a screen pass to Dennis Altman took the ball to the 20. Petty plowed the line for six yards before Pollard broke for his first varsity touchdown.

On the Post kickoff, an on-side kick backfired on the Antelopes when a Post player touched the ball before it traveled 10 yards.

Slashing runs by Decker and Gregston took the ball to the Post six in nine plays, from where Gregston bored through the right side of the line for a touchdown, with 35 seconds left in the half. Jones' pass for the extra points was batted down to leave the score at 14-13.

Stanton choked off a Post drive in the third quarter when a Buff fell on Petty's fumble on the Stanton 21 after three passes from Ray to Dennis Altman had taken the ball to that point on the Post 25.

The Buffaloes set up the momentum for their third touchdown moments later when Decker raced 50 yards from his 25 to the Post 25, with tackle Nick Pantaja finally hauling the big fullback down.

SIX PLAYS carried the ball to the two, from where Jones ran a right end for the touchdown, then circled the other end for the extra points, with only 1:11 of the final quarter gone.

The Antelopes mounted a desperate passing attack throughout the rest of the game, but two Buffalo interceptions helped keep the locals away from the goal line.

Late in the quarter, Stanton drove to the Post 15, but Petty recovered a fumble to halt the proceedings.

In the fading seconds, Stanton got the ball on downs on the Post 10, but a fumble on a short gainer across the goal line was recovered by Post and the ball brought out to the 20. On the final play, Ray Altman passed to Dennis Altman for a 35-yard gain to the Stanton 45.

and Stanton got the ball on the Antelope 45.

Quarterback David Jones' pass to Gregston gained to the 12, from where fullback Bert Decker and Gregston punched it to the eight-yard line as the quarter ended.

AN OFFSIDE penalty against the Lopes gave Stanton the ball on the three, from where Decker carried it over, and Jones passed to Gregston to give the Buffaloes an 8-7 lead.

Harper returned the kickoff five yards to the Post 35 to start the Antelopes on a 65-yard touchdown drive. Pollard gained five yards on two tries, and Ray Altman passed to Dennis Altman for 15 yards and a first down on the Stanton 45.

Petty and Pollard again picked up five yards between them before Ray Altman rounded end on the option for 20 yards and a first down on the 20. Pollard picked up five yards in two stabs at the line, but the Lopes found themselves back on the 20 following a five-yard penalty.

Altman kept around left end for 10 yards, but was trapped for losses of four and five yards, back to the 19, before passing to Dennis Altman, who made a lunging, one-handed catch of the ball across the double-stripe. Hudman's kick was short, but the Antelopes led, 13-8, with 6:53 left in the first half.

THE BUFFS took Post's on-side kick on their 47, but a clipping penalty set them back to the 32. Decker gained nine through the line, and Jones passed to David Avery for a first down on the Post 48.

Slashing runs by Decker and Gregston took the ball to the Post six in nine plays, from where Gregston bored through the right side of the line for a touchdown, with 35 seconds left in the half. Jones' pass for the extra points was batted down to leave the score at 14-13.

Stanton choked off a Post drive in the third quarter when a Buff fell on Petty's fumble on the Stanton 21 after three passes from Ray to Dennis Altman had taken the ball to that point on the Post 25.

Break comes in Post and Slaton gridiron rivalry

The ancient gridiron rivalry between Post and Slaton high schools has ended — for two years at least.

Slaton has been moved up to Class AAA in the Texas Interscholastic League's biennial realignment and will compete next year in the 11-team District 3AAA.

Monday, the District 3AAA committee, meeting at Snyder, voted for a 10-game loop schedule for the next two years.

Which means there will be no more on the Slaton schedule for Post, since all the Tigers' games will be with loop opponents.

So, Post and Slaton temporarily end their long grid rivalry as well as their 17 wins apiece, Slaton having pulled up even with their win over Post on Oct. 13.

District 4AA loses three teams and gains two in the realignment. Tahoka and Idalou, both up from Class A, come into the district as new members, with Midland Carver and Stanton going out in addition to Slaton.

Both Midland Carver and Stanton will compete in District 6AA with Big Lake, McCamey and Ozona.

District 4AA for the next two years will have Post, Denver City, Idalou, Morton, Tahoka and Frenship.

Post boy winner district PP&K

JOHN W. REDMAN

Twelve-year-old John W. Redman Jr. of Post, zone winner in Ford Motor Company's Punt, Pass & Kick competition, will leave Friday for Dallas, where he will compete at 10 a. m. Saturday in district competition.

The youngster's parents, Mr. and Mrs. John W. Redman Sr., will take him to Dallas, with Ford paying the trip expenses.

Winners at Dallas will advance to area competition and from there to divisional and national.

The Post youngster scored 365 1/2 points in winning at Lubbock Saturday. The previous Saturday he had won first place in the 12-year-old division in the PP&K contest sponsored here by Scott-Pool, Inc.

and a senior at Texas Tech. will be the class instructor.

Classes will be offered here weekly on Thursday nights. For further information see karate ad on page 9 of today's Dispatch.

Junior High gridders win two from Slaton

The Post junior high football team won two from Slaton here Tuesday night, the 8th grade squeaking by the visitors, 18-15, after the 7th grade had won, 18-0.

The 8th grade game was a cliff-hanger, with Coach Bud Davis' team coming from behind in the second half after trailing 15-0.

Slaton scored in the first quarter on a 50-yard run and added the extra points, with neither team able to score in the second quarter.

Slaton pulled one "out of the hat" to score again in the third quarter, with a back taking a pitchout and hiding the ball behind him, where it was taken on a reverse and carried 40 yards for a touchdown. Slaton kicked the extra point for a 15-0 lead.

Post started coming up following a long gain by David Woods into Slaton territory on a reverse. Quarterback David Hart faked a handoff into the line, then scooped 15 yards for a touchdown, with Danny Vargas running over the extra points to make it 15-8.

Post scored again on a 36-yard broken field run by Hart, and Vargas ran the extra points to give Post its one-point win.

Slaton freshmen play Post '11' here today

Coach Bill Smith's Post freshman team will play the Slaton freshman team here at 6:30 p. m. today (Thursday).

Post's junior high teams go to Tahoka for a pair of games next Tuesday. The first game—between the 7th grade teams — will start at 5:30 p. m.

Tahoka 'B' team edges Post, 6-0

The Post Antelope "B" team put up a tight defensive battle in losing to the Tahoka Bulldog "B" team, 6-0, here last Thursday night.

Earlier in the season, the Tahoka team had won over Post 47-14, but were lucky to do it by one touchdown here Thursday.

The Tahoka touchdown was scored on a fluke play — recovery of the second half kickoff in Post's end zone.

Coach Waco Reynolds said Robert Bullock at quarterback and Larry Bilberry, Johnny McGuire and R. Pace at running backs did a fine job on offense for Post.

Named as outstanding defensive players by the coach were Arthur Torres, Karl Bruce Hall, Howard Keel, David Perez, Boyd Noble, Kenneth Mitchell, Butch Heaton, Steve Newby and David Stelzer.

HUDMAN'S 2

Sale Starts Friday, Oct. 27th

Dear Customers:

As you know we don't have promotional SALES wherein we would buy cheap merchandise to promote at a cheap price. We have always tried to stock GOOD merchandise ranging from the economy groups through the top grades in the industry. That is why we do not have promotional sales and this is not one.

However, we are FURNITURE dealers and not ANTIQUE COLLECTORS. So once a year we have this sale to move any merchandise off our floor that has not moved as we think it should. Most of this is GOOD merchandise, maybe too good and a little high priced so we have priced it to sell.

Now is the time to furnish that room with the furniture or carpet you want at a price you want to pay.

Use your credit, we would like to have your account.

Sincerely
Hudman Furniture Company

Couple home from trip to Northwest

By MARY LEE LAWS

Mr. and Mrs. W. G. McCleskey returned Oct. 17 from a two-month trip to Washington and California. They left Amarillo Aug. 22 by train, accompanying their granddaughters, Carrie and Sandra McDonald, to their home in Selah, Wash., after they had visited here for six weeks. They spent five weeks with the Ted McDonalds, who have been raising fruit for the past three years. The McCleskeys were introduced to fruit picking in a big way. They picked apples, pears, peaches and prunes and said they had never seen such luscious fruit.

Sandra works as a volunteer in a hospital for the mentally retarded so she took them for a tour. It was a sight never to be forgotten by the Texans and made them think how much one has to be thankful for. The biggest event of their visit was attending their grandson, Steve's, wedding, which

was a very beautiful affair. They visited Mt. Rainer National Park, which they reported to be so green and had such lovely wild flowers. They also saw the big glaciers on Mt. Rainer. They picnicked in one of the camping spots and said they had never seen such well equipped camp grounds. They didn't camp out as it was too cold.

The McCleskeys also visited his niece, Mrs. Hugh Bustetter, in Yakima. They made many new friends and would have enjoyed staying and helping with the apple harvest; but the call of home beckoned.

After spending three weeks in California with their son, Leonard, and family, they landed at home and said they were happy to see Grassland and say "howdy" to friends.

Ruth and Jim Doggett of Graham visited the Dean Laws Wednesday night.

The Young Adult Class of Central Baptist Church went bowling in Lubbock Thursday night. Attending were Mr. and Mrs. Leo Witcher, Mr. and Mrs. H. C. Gribble, Mr. and Mrs. Dean Laws and the Rev. and Mrs. Joe Serratt.

Robert Weatherby of Lamesa is staying a few days with his daughter and family, the Dean Laws, while doing some farm work for Bill Ingle.

The Rev. and Mrs. Joe Serratt were Sunday dinner guests of Mrs. R. L. Craig and then went to Denton to visit their son, David, who is attending school there.

Ruby Shedd of Post and Ruby Ray recently visited Elmer Gray in a nursing home in Levelland. He is doing fairly well.

Leona Pendleton and grandson, Mark Davis, of Brownfield visited Thursday afternoon with her mother, Mrs. R. L. Craig.

The W. G. Carlos and Deibert McCleskeys were Sunday luncheon guests of the C. O. (Hoolie) McCleskeys and helped Hoolie celebrate his birthday.

Karen Laws was home over the weekend.

Eight churches were represented at the singing at Central Baptist Church Sunday.

Pamela and Penny Ingle stayed with Cindy Laws while their parents attended the 7th grade football game Thursday.

Sister Rawlings and Mrs. O. H. Hoover visited Mrs. C. C. Jones Saturday afternoon.

BOBBIE SERRATT of Lubbock visited Ruth Ingle and Mary Lee Laws Tuesday morning and was a luncheon guest. Bobbie visited others in the community also.

Mrs. C. C. Jones visited Cordie Laws Saturday morning and was a luncheon guest.

Mr. and Mrs. Ruel Smith visited the Earl Odoms in Ropesville on Sunday.

Jurd and Artie Young visited Saturday afternoon with Mrs. J. P. Morgan.

Erwin and Lyle Young of Lubbock have a new baby, who was born Saturday. Mr. and Mrs. Jurd Young are the proud great-grandparents.

Mr. and Mrs. T. B. Mason took her mother, Mrs. J. B. Ray, to Tahoka to church Sunday morning. They went on to Levelland and ate lunch before going to Friona to visit her grandson, Sonny Mason, and family. Mrs. Ray saw her new great-granddaughter for the first time. They report a nice visit.

Mrs. E. A. Thomas is visiting in Texarkana.

Billie Inklebarger is lots better and is able to sit up for a few minutes at a time.

Mrs. Mittie Walker, Mrs. Gus Porterfield and Mrs. O. H. Hoover, members of the Grassland WSCS, attended the "Week of Prayer" at Tahoka Monday.

Mr. and Mrs. Gus Porterfield had visitors from Odessa over the weekend.

Mrs. O. H. Hoover visited awhile with Mrs. W. A. Oden Monday.

Mrs. W. L. Gribble and Crystal Murray are on the sick list.

Mrs. Minnie Stanley of Abilene visited over the weekend with her son and family, the Orvil Stanleys.

L. S. Turner's sister, Crissie, had surgery in Houston Thursday. She was reared in this community.

Mrs. Edna Wright and son, Mike, of Lubbock, Addie Jossey, Ivy Young, Maudie Dabbs and Treasie Thompson visited the Jurd Youngs Sunday.

Jurd and Artie Young went fishing at Two Draw Lake Wednesday afternoon.

Rocky Gribble and Terry and Clifford Laws attend the Church of the Nazarene Bible Quiz at Brownfield Monday night at 7 o'clock. Teams competed from Post, Brownfield and Grassland.

OKLAHOMA VISIT

Mr. and Mrs. Douglas Livingston and Mr. and Mrs. J. C. Steel spent the weekend in Stillwater, Okla., as guests of the Steels' son-in-law and daughter, Mr. and Mrs. L. M. Verhalen. They all attended homecoming activities at Oklahoma State University on Saturday and on Sunday they visited the Cowboy Hall of Fame in Oklahoma City. The Livingstons went on to Missouri to continue their vacation.

Lt. McInturff's unit deals blow to enemy

Marine First Lt. David L. McInturff, son of Mr. and Mrs. E. L. McInturff of Sundown, Tex., and husband of the former Miss Beatrice L. Kiesel of Rt. 2, Post, Tex., participated in operation "Swift" while serving with the First Battalion, Fifth Marine Regiment, First Marine Division in the Republic of Vietnam.

During the 12-day search and destroy operation his unit made substantial contact with a large enemy force.

Correspondent at Graham is brand new grandmother

By MRS. GLENN DAVIS
We are sorry there isn't much news this week but your correspondent went to Levelland Sunday afternoon to stay a few days with Alvin Davis and children while Mrs. Davis is in the hospital with their baby son born Sunday morning. The baby has an 11-year old brother, Glenn Robert, and a nine-year old sister, Debra Ann.

Mr. and Mrs. C. R. Baldwin visited recently in Levelland with the Jerry Ligon family.

600 dead and tons of ammunition and weapons captured.

Mrs. Glenn Davis visited Wednesday afternoon with Mrs. Scott Storie.

The Thursday Club met last week in Post in the home of Mrs. Will Wright. Mrs. O. H. Hoover gave a program on "Questions on the Bible." Some members did hand sewing and crocheting and all members did a lot of visiting. Refreshments were served to one guest and seven members. The club will meet with Viva Davis on Nov. 2.

THE GRAHAM HD Club met last Friday in the community cen-

ter with Mrs. W. C. Bush and Mrs. Viva Davis as hostesses. Roll call was answered with "A New Food Product I Have Tried." The president, Mrs. Sue Maxey, read a letter from the state hospital listing things they can use. The program, "Holiday Foods" was given by the hostesses. Refreshments were served to a guest and nine members. The next meeting will be Nov. 3.

Mr. and Mrs. Eimer Cowdrey visited most of last week in San Angelo with relatives and friends. Mr. and Mrs. L. G. Thuest Sr.,

returned home last week from a two week's stay in Truth or Consequences, N. M.

Mr. and Mrs. Aubert Newberry of Duarte, Calif., recently visited with his cousin and wife, Mr. and Mrs. Bob Lusk.

Mr. and Mrs. Aubrey Ritchie returned Saturday from a visit with Earl Ritchie in Springdale, Ark.

While there they accompanied Earl on a visit to Iowa.

The Jimmy Parrish family of Cotton Center visited Sunday with his parents, the Ambers Parrishes.

Mr. and Mrs. Elvyn Davis and daughters attended church Sunday in Levelland and visited the Carl Davises and Jerry Ligon family.

Funeral held for Dr. Sam Dunn

Funeral services for Dr. Sam G. Dunn, widely known Lubbock physician and pioneer resident, were held at 3 p. m. Saturday in the First Methodist Church at Lubbock.

Dr. Dunn died at his home in Lubbock last Friday afternoon. He was 68.

A native of Tarrant County, he was a 1918 graduate of Tahoka High School. He had practiced medicine in Lubbock since 1926.

Dr. Dunn had extensive oil holdings in West Texas, including Garza County. He had many friends and acquaintances in Post, where he was a frequent visitor.

FORMER TEACHERS VISIT

Mr. and Mrs. Troy Akin of San Angelo attended the homecoming activities last Friday night and visited with many of their ex-students. Mr. Akin, who is retired, taught algebra and geometry in the Post schools for a number of years before he and his wife left here in 1940. Mrs. Akin is still teaching in San Angelo.
