

Twelve Garza Men Report To Lubbock For Examinations

Twelve Garza county registrants have taken pre-induction examinations recently.

Those who took their examinations in Lubbock February 29 were Leland A. King, Jesse Hinton Peede, Jr., Paul Edwin Winterford, Dorris Ray Porter, Jose Lopez Hernandez and Billy Leslie Woodworth. Those who have been transferred here from other boards are Barney Easmond Day, Patrick A. and Kenneth Edward Warshaw.

The three colored registrants who went to Lubbock today for re-induction examinations were T. T. Taylor, Miller Alexander and Clyde Edward Jones.

Infantile Paralysis Fund Totals \$113.07

Celebrations of the President's birthday, supplemented by other programs, are held by the people of our nation each year for the purpose of raising funds to finance research devoted to the prevention and cure of infantile paralysis. J. Lee Bowen, county chairman for raising these funds in this county reports that a total of \$113.07 was raised here. Of this amount \$47.53 was raised by the post schools; \$39.04 was collected by the coin banks; \$3.00 was received from the Post Volunteer Fire Department; \$7.25 from Post Lions club and \$16.25 from Post dance club.

One half of the total amount raised (which is \$56.53) will remain in this county for the purpose of quickly providing for our boys and girls who may fall victims of the dread disease. The other half goes to the maintenance of research by the National Infantile Paralysis Foundation.

Mother Receives Purple Heart Awarded Son

John David Miller, Seaman First Class, has been awarded posthumously the Purple Heart for wounds received in action at Pearl Harbor and resulting in his death Dec. 7, 1941.

Miller, son of Mrs. J. O. Miller of Post, was reared here, coming here with his parents in February, 1924. His father, J. O. Miller, died Jan. 18, 1944. His citation was re-

ceived February 2 and the Purple Heart was received February 14; both were sent to his father but were received a few days after his death.

The Purple Heart was originally established by General George Washington at Newburgh, New York August 7, 1782. Though the oldest established military award in the United States of America, it was not issued for many years. It was reestablished in 1932, and made retroactive to cover all awards to all officers and men who were wounded in action in any war or campaign under conditions entitling them to wear a wound chevron.

Funeral Services For Joyce Anderson Held Here Tuesday

Joyce Anderson, 11, daughter of Mr. and Mrs. Joe Anderson of Seminole, was fatally injured about noon Sunday when she was accidentally shot while visiting relatives in Aspermont.

Mr. and Mrs. Anderson and Joyce were visiting Anderson's mother when the accident occurred. The father is foreman of the state highway department for Gaines county.

Joyce was born in Post October 9, 1932. She was an only child and was a granddaughter of Mrs. Jessie Voss.

Immediate survivors, besides her parents, are her grandmothers, Mrs. Jessie Voss of Post and Mrs. H. W. Anderson of Aspermont.

The funeral was held in the First Methodist church at Post, Tuesday, February 29 at 3 p. m. Rev. E. H. Crandall of O'Donnell officiated for the funeral assisted by Rev. I. A. Smith, pastor of Post First Methodist church, Rev. E. A. Thorpe and Rev. Preston Florence both of Seminole, and Rev. O. B. Herring of Snyder.

The pall bearers were R. T. Jackson, J. R. Oaker, J. H. Heath and Floyd Stark of Seminole and E. D. Calfee of Seagraves and Cliff Clark of Post. The attendants were Jack Coekrum and Chester Browne of Seminole.

The flower girls were schoolmates from Seminole.

Interment was made in Terrace cemetery at Post.

Among relatives attending were Mrs. Jessie Voss, grandmother, Post; Mrs. H. W. Anderson, grandmother, Aspermont; Judge and Mrs. Roy G. Anderson and three children, Aspermont; Mr. and Mrs. Tommy Anderson and daughter, Post; Mr. and Mrs. Joe Matthews and child, Wichita Falls; Cpl. Roy Anderson, Camp Mackall, North Carolina; Sarah and Lora Anderson, Lubbock; Weldon and Vera Voss, Amarillo; Cpl. Harold Voss, Walker Field, Kan.; Geneva Voss, St. Louis, Mo.; Mr. and Mrs. Adrian Hamilton, Floydada; Mrs. Stella Parish, Altus, Okla.; Mrs. A. M. Curry, Snyder; A. L. Baggett and daughter, Olney; Mr. and Mrs. Knox Parr, Bryan, Texas and Mr. and Mrs. C. M. Voss, Post.

Also, many friends from Aspermont and Seminole attended.

C of C to Construct Waiting Stations For Service Men

Plans for the construction of two waiting stations for hitchhiking service men, to be erected near the intersection of Highway 84 and Main street, have been announced by B. J. Edwards, president of the Post Chamber of Commerce.

These waiting stations will be large enough to house three or four service men and protect them from the weather. The stations will be floored, have roofs and are to be constructed with three walls, the fourth side will be left open facing the highway. They will be provided with a bench for the comfort of the service men.

Flags will be provided to be used by the service men as signs telling which way they want to go. Signs will be painted on the waiting stations telling motorists and servicemen alike the purpose of the buildings.

The Chamber of Commerce is to be highly commended on this worthwhile project which is rapidly spreading all over the nation. We heartily approve of this—another kindness shown our boys.

Red Cross Chapter Executives Hold Meeting Feb. 21

A meeting of the Executive Committee of the Garza County Chapter of the Red Cross, along with a few other interested parties, was held February 21. At this meeting it was decided to call a meeting of the workers from the several communities of the county at 8:30 o'clock, Monday evening, March 6th, at which time the final plans for the 1944 War Fund Drive will be completed.

Our quota is the largest the county has ever had, but with the enthusiastic group of workers and with the good people of the county interested as they are, we are sure that we will reach the quota.

Mrs. Geo. Flippin and Mrs. Dot Houston of Big Spring attended the Hundley funeral Tuesday.

WAR BONDS will preserve and protect the American Way of Life.

New Arrivals...

Mr. and Mrs. Albert Stone are announcing the arrival of a 9 lb., 10 oz. baby boy, Jerry Nert, at the Mercy hospital in Slaton Feb. 28.

Mr. and Mrs. Zeb Duncan are announcing the arrival of a baby girl, Louise Fay, on Feb. 21.

Mrs. Clyde Hundley Funeral Rites Held Tuesday Afternoon

Mrs. Clyde Hundley died early Monday morning, February 28 after an illness of several weeks and was buried in Terrace cemetery Monday.

Arlene Maupin was born August 27, 1899 at Plainview, Texas and moved, with her parents Mr. and Mrs. F. L. Maupin, to Post in July 1907 and lived here until the time of her death. She was married to Clyde Hundley Nov. 6, 1922 and to this union three children were born.

She had been a member of the Methodist church thirty years and was, at all times, active in the affairs of the church.

Survivors, besides her husband, are two daughters, Helen Jo and Mary Ann, and one son, Wayne; mother, Mrs. F. L. Maupin, Post and one brother, Winfield Maupin, Los Angeles, Calif.

Rev. J. E. Stephens, pastor of Cooper and Union Methodist churches near Lubbock, officiated for the funeral assisted by Rev. I. A. Smith, pastor of the First Methodist church at Post and Rev. R. C. Tennison, pastor of the First Baptist church at Post.

Pall bearers were J. E. Parker, Tom Bouchier, Phil Bouchier, Ollie Weakley, John Nichols and John Baker.

Among the out of town relatives attending were three uncles, Henry Darden, Hamlin; Albert Darden, Whiteface, and Ramon Darden, Lawton, Okla.; Mrs. Betta Cresswell, Brownfield; Mrs. Stella Winn, San Diego, Calif.; Mrs. J. B. Earhart Groce, Lubbock and Jimmie Hundley, Reno, Nevada.

BED SHEETS TO BE AVAILABLE TO THE PUBLIC IN NEXT 30-60 DAYS

Serviceable quality sheets in full bed sizes should be available to the public at \$2.00 or less within the next thirty or sixty days, according to J. B. Mooney, District OPA Price Executive.

The Office of Price Administration in Washington has taken action to make production of bed linens profitable to manufacturers, he said. The action was in the form of a revised price schedule for manufacturers. Also, wholesalers of bed linens are allowed a mark-up of 7 per cent on their cost or they may use their prices of March 1942, whichever is higher.

Mooney stated that this move was made so that the more popular weights and weaves of bed sheets and pillow cases will be available to retail merchants and to their customers at a reasonable price—no higher than the price of March 1942.

Mrs. C. W. Duncan, the former Marian Evans, of Louisville, Ky., is visiting her parents Mr. and Mrs. Boone Evans.

Phil Trammell and daughter, Mary Eula, were Saturday visitors of Mr. and Mrs. Joe Callis.

Mrs. Harvey Tolison and two small sons visited over the week end with her parents, Mr. and Mrs. Andy King.

Own A Jeep?

The streets of Post are in a deplorable condition... Just two weeks ago an article was published stating that tax collections were higher than in several years... Why not use some of this money to improve the streets?

Post streets have deteriorated to such extent that it is practically impossible to drive to many sections of the city in wet weather. Sunday many people living in town could not drive to church.

Most streets could be repaired with very little expense and time as there is an abundance of material such as caliche and gravel nearby. If the streets were repaired and kept in condition the present situation would not exist.

The first of the week, a man who is planning to move to Post asked this question, "How do people get around town in wet weather?" The best answer to that question is to walk or if you were fortunate enough to own an Army jeep you would be able to drive on most of the streets.

It is hoped that something will be done SOON to improve the streets and clean up all alleys.

Several years ago the County Commissioner loaned their equipment to the city and during this time most of the streets were worked. Why couldn't this same deal be worked out again? If the streets were put in condition once more and the city would constantly work them they would be passable in any weather.

Point Value Of Pork and Beef Is Reduced

Fewer ration points will be required for pork and many beef cuts beginning Sunday.

The OPA, reporting a larger civilian allotment of meat available for March than had been anticipated, announced the good news for housewives Tuesday.

The increased supplies are confined to pork and beef. The point values of veal, lamb and mutton cuts are not changed.

There is no change in butter, fats and other dairy products.

The War Food Administration said the adjustment in ration values is designed to help reduce stocks of meat which, together with other perishables, are crowding cold storage facilities.

Civilian allocation of meats has been increased by nearly 550,000,000 pounds for the January-March quarter. Some of this extra allocation already has moved to consumers under the special pork ration coupons, but much of it still remains in storage.

Only the values of spare ribs are unaffected in a general reduction of pork points. The cuts range from one to three points, bringing the average ration value of pork down to 1.7 points a pound. Beef cuts used for roasts, rib steaks and stew are also reduced.

The reductions came as a surprise since the OPA had indicated that point values would be boosted steadily during the next few months. Marketing of more livestock than had been anticipated was given as the principal reason for the reduction.

Farm Gasoline Rations

Six-month gasoline rations for non-highway use on farms may be issued in installments rather than all at one time, as in the past, the OPA has announced. If the local board has issued the farmer only part of his ration, when the farmer needs more gasoline he makes no formal application but simply asks the board for it. The board then either will issue the remainder of the total six-month ration as originally determined or issue such portion of the remainder as the board decides the farmer needs for the rest of the six-month period.

Fine Rains Improve 1944 Crop Prospects For Garza County

Following the week-end rainfall farmers said that prospects were good for all varieties of crops here, but a great deal depends upon whether or not needed rain is received about planting time. Ranchmen said that it was a good grass rain but very little stock water was put into the tanks which have been low all winter.

At Justiceburg, Lee Reed reported 20 inches of rain on the 24th of February. On the 28th of February .57 inches of rain.

In the Graham community, P. E. Stevens reported .84 inches of rain on Feb. 27. Mr. Stevens also reported on Feb. 1, .35 inches of rain, this was not previously reported.

At Kaligary, Charles P. Witt reported .73 inches of rain on Feb. 27, between 5 to 9 a. m. Mr. Witt also reported .21 inches of rain between 8 to 11:30 p. m.

At Pleasant Valley, S. M. Lewis reported .90 inches of rain on Feb. 27.

The Double U company reported .90 inches of rain in Post on Feb. 27.

At the W. F. Long place, route 1, .95 inches of rain fell on Feb. 27-28.

Red Cross 1944 War Fund Drive Starts March 1

March 1, 1944, was a day of great significance in the history of the American Red Cross.

First, it marks the opening of Red Cross Month, during which there will be the 1944 War Fund campaign to raise \$200,000, the largest goal in the organization's history and in the history of the Garza county chapter. This year our local goal is \$43,000 which is \$1,600.00 more than last year's quota of \$2,700.00.

Second, it marks the 62nd anniversary of America's ratification of the Geneva Treaty which set into motion the train of events which today has set American Red Cross workers all over the world in a global service-for-victory program.

From the signing of the Geneva Treaty in 1862 until 1944, the development of the Red Cross has been continuous. Today, with Red Cross workers in every theatre of war rendering morale-building services, back home the American Red Cross has nearly one-third of a nation enrolled in its ranks.

It is a long road which leads from the first little band of villagers to today's vast organization of good neighbors wearing the Red Cross. To the people of America, March 1, 1944, is not only the birthday of a hallowed ideal, but also the challenge to continue the development of humanitarianism in the affairs of man.

District Court Convenes Feb. 21

District Court convened in session February 21-25. It was a very light court week and no indictments were turned in. There was one divorce case.

Ray N. Smith, County and District Clerk, reports the following grand jury was chosen for the February term of District Court to serve for six months: G. F. Carpenter, W. T. Cook, W. N. Crisp, H. J. Edwards, J. H. Haire, H. D. Hullman, J. A. Johnson, Quannah Maxey, Ray McNeill, L. A. Nance, E. M. Pettigrew and Luther Reed. J. H. Haire was appointed foreman of the grand jury.

Less Sugar For Civilians

U. S. Civilian supplies of sugar will be 6 per cent less than 1943 consumption, according to WFA, due to use of substitute molasses for industrial alcohol, to increase needs of the armed forces and our allies, and to wartime shipping conditions.

Buy a War Bond Today!

RATIONING CALENDAR

March 1 to March 15

Sugar— Stamp No. 30; Book IV, good for 5 lbs. effective January 8 through March 31. Stamp No. 9, Book IV, good for 5 lbs. sugar for 1944 home canning.

Meats and Fats— Book III, stamp Y became valid Feb. 13, good through March 20. Z became valid Feb. 20—good through March 30th. Book IV, red stamps A8, B8, and C8 good for 10 points each—valid February 27 through May 30. D8, E8 and F8 become valid March 12th, good through May 20.

Processed Foods— Book IV, stamps K, L, and M expire March 30, Book IV, blue stamps A8, B8, C8, D8, and E8 are good for 10 points each; valid Feb. 27 through May 20.

Shoes— Book I, stamp No. 18, and Book III, stamp one with airplane picture, are each valid for the pair indefinitely.

Gasoline— (Coupons must be endorsed on front). A coupons, 3 gal. each, with No. 10 coupons expiring March 21. In B2 and C2 books valid on December 1, the coupons nationally have a value of 5 gal. each. Other B and C coupons, including B1 and C1, all outstanding will retain their two gallon value.

Tire Inspection— A book holds before March 31, 1944; B before February 29; C before Feb. 29 and T every six months or every 5,000 miles, whichever ever comes first.

"Remaining green and brown stamps in War Ration Book III will be used as at present until they expire after March 20, 1944. They will be accepted only at their denominational values of 5, 2 or 1 point," according to J. Boyle Settle, District Ration Executive for the Lubbock District of the Office of Price Administration. This statement was to clarify any erroneous idea that ration stamps would be given as change for these stamps.

"Red and blue ration tokens will be used as change only for these stamps from Ration Book III which become valid February 27 or after," Mr. Seattle explained.

Gas Book Check Due Next Week

One week from Monday the OPA plans a nation-wide check up on gasoline ration books to see whether their owners have endorsed the coupons.

Administrator Chester Bowles, announcing the plan Sunday night, said such endorsement—the writing of automobile license tag numbers on each coupon—provides "the only sure-fire way" of tracing leaks to gasoline black markets.

Motorists found with unendorsed coupons after March 6 are to be given a notice requiring them to show fully endorsed books to their local ration boards within 10 days. "Any motorist who fails to do this faces revocation of rations," said Administrator Bowles.

Bowles recently estimated that 2,500,000 gallons of gasoline were being lost through the black market daily, or a gallonage which could permit a 25 per cent increase in the low-mileage motorist's rations.

Infant Daughter of Robert E. Outlaw Buried In Dallas

The infant daughter of Mr. and Mrs. Robert E. Outlaw died in a Dallas hospital at 2:30 p. m. Wednesday, Feb. 23 and was buried Thursday in Laurel Land cemetery at Dallas. Rev. Harold A. Rea officiated for the funeral.

Survivors, besides the parents, are a brother, Bobby Outlaw; grandparents, Mrs. J. A. Williams, Dallas and Mr. and Mrs. E. A. Outlaw, Port Lavaca, Texas.

Mr. and Mrs. Outlaw lived in Post several years. Before her marriage Mrs. Outlaw was Kathryn Williams, a former teacher in the Post grade school. Mr. Outlaw is a brother of N. C. Outlaw and was connected with Outlaw Motor company while living here.

Mrs. Jack Harper and two children returned to Post from Pensacola, Florida Feb. 19. She has been with her husband who was stationed at Sandley Field. He accompanied her to Post where he visited two days before going on to Providence, R. I. where he will now be stationed.

L. L. Sam C. Gatzki Visits Parents

L. L. Sam C. Gatzki spent a few hours with his parents Mr. and Mrs. Gus Gatzki at Grassland last week. Sam is now a flight instructor stationed at Long Beach, Calif.

Cpl. Arlin (Hoots) Windham Appears On Radio Program

Sunday, February 13, Mrs. John Windham turned on her radio at 2 p. m. and was happily surprised to hear her son Cpl. Arlin E. (Hoots) Windham on the Army Hour program at Fort Dix, N. J.

Improved Uniform International SUNDAY SCHOOL LESSON

By HAROLD L. LUNDQVIST, D. D. Of The Moody Bible Institute of Chicago. Released by Western Newspaper Union.

Lesson for March 5

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

JESUS URGES HIS DISCIPLES TO WATCH

LESSON TEXT: Mark 13:33-37, 37-38. GOLDEN TEXT: Watch ye therefore: for ye know not when the master of the house cometh.—Mark 13:35.

God has a plan, and even now when men seem to have turned all order into chaos, we know that God is working out His purpose.

He will come secretly to call His own Church, the Bride, to Himself, and then He will come openly, in great glory, when every eye shall behold Him.

We look for His coming, but while we wait (and it may not be long) we are to occupy for Him until He comes. Our lesson tells men

I. What to Expect While Waiting for Christ (vv. 33-39).

First, we note that we are to expect the coming of false teachers and false Christs, who will claim to be the fulfillment of the prophetic Scriptures.

There have always been such false leaders who for the prominence or gain afforded them are willing to offer bewildered mankind all sorts of panaceas whereby it is supposed to solve its problems.

Christ warns believers that before the end of the age there will be world-wide war, earthquakes in many places, and famines. These are to be expected, and will come.

We should be alert in relating world events to the teaching of Scripture, but let us "make haste slowly." But let no one assume that the need for caution justifies him in ignoring either the Word or world events.

II. What to Do While Waiting for Christ (v. 10).

Preach the gospel! That is our first and most important business. Our Lord said that the whole world was to be evangelized before the end came.

There seems to be a revival of interest in the work of missions now, and there are many who believe that at the close of this war almost the entire world will be open for Christian missionaries.

And in the meantime we should all be busy about the all-important matter of teaching and preaching the gospel. It is the best preparation for the coming of Christ and the thing we would want to be doing when He comes.

III. How to Live While Waiting for Christ (vv. 31-37).

There should be an air of expectancy constantly characterizing the Christian. We are looking for Someone—yes, a very definite and glorious One—our Lord Himself.

We do not know when He will come (v. 22). That is a matter hidden in the eternal counsels of God the Father, a secret into which angels do not pry, and which even the Son did not know.

We do not know the day, but of the fact we are sure. Christ is coming again! So we are to be watchful as we wait. God has not called us to stand idle, looking for the dawning of that glorious day.

That kind of a believer (and all believers should be that kind) will pray. We are to "watch and pray." They go together. The one who prays will watch. The one who watches will pray.

Grade School News

Miss Bonnie McMahon, Reporter

Bond and Stamp Sales

On Feb. 22 the sales amounted to \$224.80. Mrs. McRee's sixth grade had the largest sale, which was \$63.

The following bought bonds: El Wanda Davies, Billy Bynum, Sue Bynum, Carolyn Cummings, Maudie Fay Ray, Jerry Ray, Darwin Sanders and Wayne Kennedy.

Thanks, Jerry, for buying a bond from us.

New Books

We, the whole grade school, certainly do appreciate the new library books and the new Encyclopedia Britannica Junior.

Some of the different kinds of new library books we have are travel books, historical books, mysteries and everyday adventures.

We hope to get as much information out of them as we do pleasure. We are eager to start reading them.

Marjorie Freeman, Grade 7

Assembly

Miss Richardson's first grade students presented the program Friday. It consisted of a rhythm band number, a play, readings by Willie Ruth Fry, Betty Jean Witherspoon, and Tommy Malouf.

Thank You Note

We want to thank Mrs. Lee Davis and Sol for the nice work they did on the school grounds last week. Sol hauled many loads of fertilizer which took a great deal of his time as well as the use of his car and trailer.

Thanks to the students also. Many of them worked hard helping Sol load and unload the dirt. Other students worked hard digging beds and smoothing and packing the fertilizer.

Miss Lucile Davenport of Roscoe was the week end guest of Viola King.

The word "candy" in India means a 500-pound weight. Some dieting ladies are of the opinion that it means about the same thing here.

Former Pastor of First Christian Church Now Chaplain At Fort Bliss, Texas

Jim Moudy, former pastor of the First Christian Church here, is now stationed at Fort Bliss, Texas, as chaplain. News of his transfer to the Texas station after he completed work at the Chaplain School at Harvard University was welcomed by his many friends here and according to the chaplain also by him.

"Chaplain School at Harvard lasted from Sept. 27 to Dec. 4. It was extremely interesting and a rich experience in meeting and living with ministers of other faiths. I slept in the upper bunk of a double decker, and under me was a Catholic of several years experience in chaplaincy and a Maine Baptist who previously had not been outside the state of Maine.

"My first assignment was to the Port of Embarkation at New York. It sounded like it meant overseas immediately for me, and Lucy and I were not too happy as we went to N. Y. Luey had been living in Washington with my mother. I found out that the New York port was just a replacement pool to place new chaplains temporarily until a permanent post was assigned. So in New York most of the little time I worked was spent in certain classes given for new officers there, plus assisting the Post Terminals Chaplain in his work.

that they were too uppy to feel at home in. I guess we have too much Texas in our blood.

"When, on Dec. 7, we received orders back to Texas we were happier than we can describe. We tucked into an apartment within a few days and so we live in town and I drive out to the Station Hospital where my work is. I guess I couldn't have a much

better set-up, though the constant visiting in the hospital wards is enough to get me down sometimes. I hold a Bible class and the morning worship service each Sunday; aside from those services, our main work (there are two of us chaplains here) is personal work, either as the patients come to our offices, or as we contact them in the wards.

Former Post Boy Wounded At Kwajalein Atoll

S/Sgt. Gale C. Clem, 26, of the Army Infantry, was seriously wounded in action in Kwajalein Atoll of the Marshall Islands group in the Pacific on February 4, according to word received by his parents, Mr. and Mrs. Charley A. Clem of Route 1, Tahoka but formerly of Post. Word was received from the War Department.

Sgt. Clem has been in the Pacific for 11 months, and he helped make the initial landing on Attu, where the fighting was bloody. He entered the service Dec. 1, 1941.

Sgt. Clem is a graduate of Post High school. For four years the family lived near New Home, and more recently east of Tahoka.

Another son, Pfc. Roland W. Clem, 23, is with the Marines in the New Guinea area of the Southwest Pacific, having been overseas 13 months.

Mr. and Mrs. Clem are anxiously awaiting further word of their son's condition.

SOUTHLAND BOYS IN SERVICE

The G. N. Smallwoods received word that their son, Cpl. Harvey Smallwood was safe after taking part in the invasion of the Marshall Islands.

Mrs. H. C. White of Lubbock and son, Billy who is now in the Navy, came last Monday to Hackberry to visit Mrs. White's brothers, the Clem and William Lesters. Billy is stationed at Redlands University, Calif.

Mrs. White's son-in-law, S-Sgt. Herman Irwin has recently transferred to the Air Corps. He has been in the signal corps since entering the army.

Talmadge Day and wife visited her sister, Mrs. Herbert Dunn and family before leaving for duty on the East Coast.

Pvt. and Mrs. Joe Childress returned to Laredo Friday after several weeks visit with their parents and other relatives here and at Slaton.

The Ed Martins recently received a letter from each of their sons. Dickie is still a patient in a hospital in England. Ding mailed his letter while in Florida, hoping to get off enough days to come home, but he was not that lucky.

From Somewhere In The Pacific Comes Word From Curtis Neal

"Everything is alright with me except the weather, which I despise. Of course I can't say whether its cold or hot but nevertheless its plenty rough. How was everything with the Dispatch force at Christmas? Did you have snow?"

"I have just missed Clyde Williams by the skin of my teeth twice and according to his letters he has just missed seeing me twice. I keep hoping that our ships will sometime be in port at the same time. The same thing has happened with Weldon Pantler."

I imagine that I am a proud and happy father by this time, altho I haven't received any mail since the first of January and I don't know for sure yet, but when you hear a real loud war-whoop you will know that I have reached port and received the news that I have been waiting for so long.

"Write as often as you can," he continued in his letter to Mrs. F. I Bailey, "and tell everyone hello for me."

Curtis is Storekeeper, second class of the Navy and has been seeing service in the South Pacific for several months.

WHAT WILL HE COME HOME TO?

Will our boys return to a land of freedom and opportunity where a man may be rewarded according to his own initiative, his industry and ability—or will they find themselves hampered by a combination of strange new isms and political ideas?

Will he come back to a land where a man's courage and ambition can transform poverty into comfort and wealth—or will they find that our standards of living are being forced down to a common level? Will they come back to a land where anyone, rich or poor, may climb to great positions of honor and influence? Will they come back to a land where government is the servant of the people and not the master?

Will they come back to a United States of America where freedom of opportunity provides the greatest happiness for the greatest number of its people—where the standard of living is the highest in the world—where anyone can get an education if he wants to—where anyone can own property through thrift and willingness to work—where a man is free to work for others, or to start his own business—to worship and talk and read and do as his conscience dictates as long as he stays within the laws that he has helped to make—where invention and ingenuity still pay off—and the burning desire to see his children better off than he is, can still be satisfied.

That is the true America—it is up to us to keep it for the day when our boys come home.

FOR THE RECORD

Some information has just been released by the American Petroleum Institute which is almost beyond conception. Our average fighting man overseas requires his weight in oil every three days to get him there, keep him going and protect him overhead.

It takes an average of three tons of 100-octane gasoline to deliver and drop one ton of bombs. Think this over when you read of 2,000 tons of bombs being dropped on one German objective. Then think of the thousands of tons of bombs that are being dropped day after day on German and Japanese objectives.

The fulfillment of our hopes that there will be an ever-increasing tempo of such blows until the enemy is crushed, is dependent on a never ending stream of gasoline.

The unheard of production of

(Women in essential war industry must have release from their employer or the U. S. Employment Service.)

Views of Neighboring Editors:

The Slaton Slatonite— Things certainly have changed, newspapers used to give away automobiles, diamond rings and shetland ponies, fountain pens, butcher knives and razors and subscriptions and now the daily papers are doing the old subscribers a big favor to renew, having reduced the size of their papers, are usually late in delivery and if you get sore and do not want to take the papers they will thank you.

Lynn County News— While the war has been going strongly in our favor in the Pacific and on the Russian front, yet the magnitude of the army which the Germans have thrown into Italy and the power and the stubbornness with which they have been resisting the allied forces, together with the fact that they have been demonstrating for the past two weeks that they are yet able to strike some powerful blows at London from the air, should serve to admonish us that the end of the war is not yet in sight by a long shot. Evidently we have already been suffering heavy casualties in Italy and doubtless we will suffer still more heavily when the allied forces undertake to invade western Europe. We have a hard fight ahead of us yet.

Scurry County Times— What will be the best path for young men after the war for success in work and business? Great numbers of them used to think that the best path was through some so-called "white collar" job, some kind of office, clerical or selling work. They usually found the field crowded, and many of them did not do very well at it.

Now a good part of them have quit the white collar work. They have put on overalls and lined up in front of some bench or machine. They have earned good and often very high pay. Many of them probably will stay in that line after the war.

If some of them dislike the idea of getting their hands and shirts cuffs soiled, they can consider that they have probably got a clearer idea of how goods are made so as to please the world. Also they have learned a lot about human contacts. The path up Success Hill has never been easy. It runs into plenty of dirt, rocks and thorns.

The Petersburg Journal— We never studied Greek, but we just know we could have mastered it from the proficient way we manipulate our ration books. After the grocer has told us how many points are needed, what color the stamps are; what letters and pictures are on them, and what book they are in, we are (nearly) always able to locate and tear out the right ones. Unless we find at the last minute the books are in our other purse.

The Terry County Herald— The whole country has been blessed with a fair degree of prosperity during the past few years. The demands of the war, of course, have greatly reduced the attendance upon our educational institutions, both state and denominational. But churches and denominations are looking to the future and are preparing for a period of expansion of their institutions following the war. The Methodists, for instance, are raising a vast fund with which to construct new buildings and launch a greater educational program for McMurry College at Abilene. Baptists are raising funds for the expansion of all their schools in Texas, and the Baptists of this section are particularly interested in Wayland College at Plainview. If their plans half-way materialize, Wayland will be built into a really great school following the war. Many churches of different denominations are likewise laying up funds with which to build new and larger houses of worship. All these worthy causes should have the liberal support not only of the church people but also of all other good citizens, for they will make a better and more enlightened citizenship.

Seems like it always works out this way: watch the face of the clock and you'll never be more than one of the hands.

The more arguments you win, the less friends you'll have.

When you stop to think, don't forget to start again.

gasoline by the United States is entirely the result of private initiative and enterprise. This is in striking contrast to the production from government-owned or government-dominated oil resources in foreign countries. It is just one more argument against government ownership or domination of the American oil industry.

LET IT BLOOM AGAIN

A merchandizing authority writing in Nation's Business says: "Retail distribution in the United States after the war will be governed by a single, major objective: How to bring the greatest amount of goods at the lowest cost to the largest number of consumers."

"It will be an era of opportunity for manufacturer, distributor and consumer. Never before will so many business forces have combined to achieve a practical ideal, the employment of private enterprise in the service of the consuming public."

Whether the objective of the retail distribution industry will be realized depends more upon government policies than upon retailers. The ability of American merchants is well known. But that ability at present is smothered under a semi-dictatorial, centralized government. After the war it is devoutly to be hoped that the process of liquidating government oppression will begin promptly. Not until then can opportunity, so long familiar to the United States, be counted upon to return in full bloom.

FARMER'S ACE

A wholesome change is taking place on the farm. Farmers are growing wary of centralized government control. After a decade of trying to fit their existence to the dictates of politics rather than natural laws, the farmers are fed up. Their attitude is best exemplified in their battle against subsidies.

Farmers in the future are going to have to depend upon themselves to an increasing extent in reaching sound solutions on agricultural problems. This does not mean that each farmer will have to fight his battle alone. That day is long past. He can now turn to such farmer-owned business organizations as the marketing cooperatives. The co-ops help him sell his produce at a fair price. They strive to stabilize supply and demand, while leaving the farmer free to concentrate on the job of production.

The marketing cooperatives will prove to be the farmer's ace in the hole when disillusionment with "super" government becomes complete.

In all the planning, far too little has been said and done to stimulate and encourage initiative, self reliance and the sense of individual responsibility.

The man who hasn't got time to read hasn't got time to succeed. The best way to kill work is to die.

Shower ments Miss Robinson

Dickie Robinson, who became the bride of Sgt. E. J. Henderson, was the center of attention at a shower party held in Goldthwaite, which was a pre-nuptial party last afternoon when several guests were entertained with a tea.

A beautifully planned party was given in the home of Mrs. W. Young with Mrs. Davis and Mrs. Smith, O. L. Weakley, Mrs. Ira L. Duckworth, J. Young and Miss Lucille Meador as hostesses.

The theme was white and pink. The decorations were effectively by the use of flowers of pink carnations and white daisies. The tea table was laid with a white lace and was centered with a beautiful arrangement of flowers in a crystal vase. Candles in crystal holders added illumination to the room. The punch was served in silver tea service with cake squares frosted with pink and white.

The bride was attractively dressed in a becoming model of aqua and wore a shoulder pink carnations. Beautiful gifts were presented to the bride, which was comprised of, in the bride, Mrs. Ernest Brown, Mrs. Bert Henderson, Mrs. Brown of Roswell, Mrs. Young, Mrs. Lucille Meador, Mrs. Wilcox, Mrs. Buddy Hall and Mrs. Henderson poured tea in the dining room. The bride's book, presented throughout the afternoon from four until six by Mrs. Ray Smith, J. A. Stallings and Miss Mary Margaret

4-H Club Organized At Graham Feb. 10

The Graham 4-H club girls met Feb. 10 at Graham school to organize a 4-H Club. The following officers were elected: Iris Steen McMahon, president; Juseita Peel, vice-president; Joy Stewart, secretary-treasurer; Jeneice Fluitt, reporter; Janet Stewart, song leader; Mrs. McMahon and Mrs. Young, adult leaders.

The girls met again Feb. 24, without Miss Manley, but with the adult sponsors, Mrs. McMahon and Mrs. Young.

After a business meeting and group singing the president gave her demonstration on good grooming.

The club will meet again March 9 with Miss Manley and the adult sponsors present. —Reporter

Ponder Y.W.A. Meets At Baptist Church

The Ponder YWA met last Monday night at the First Baptist church at 8 o'clock. There were eleven present and after a short business meeting Mrs. R. C. Tension gave a report on the mission book "Christianity, Our Citadel" by Roland O. Leavell.

We have planned a very interesting program for next Monday night and are hoping there will be a large attendance. If you are between 15 and 25 years old, please come.

Those present were Mrs. A. A. Suits, Mrs. R. C. Tension, Mary Margaret Duckworth, Agnes Windham, Doris Faye Kirkendall, Gretta Bilberry, Joyce Stephens, Maxine Tucker, Dorothy Teel, Imogene Preston and a visitor Ramona Tension. —Reporter

Buy a War Bond Today!

Duckworth. Many beautiful and useful gifts were on display. A host of friends of the honoree attended the affair.

Mrs. L. A. Presson Leader For Culture Club Program

The Woman's Culture club met in regular session Wednesday, February 23, in the Men's Bible Class Room of the Baptist church with Mrs. Manly and Durrett as hostesses.

February is the birth month of two outstanding American patriots. In recognition of these days and our own trying times the program for the last Culture club meeting was based on "Americanism."

After the usual opening and conducting of a short business session, the president presented Mrs. L. A. Presson as program leader. Two verses of "America the Beautiful" were sung by club members after which Mrs. Jones led in giving the salute to the flag. "The Flag on the Farm" by Edgar A. Guest was read by Mrs. Presson.

"The American Flag," a statement of facts about the flag was presented by Mrs. Parker. Its symbols and significance and the things it stands for were called to our attention.

In her discussion of Americanism, Mrs. Jones answered the question "What is true Americanism and where does it reside?" True Americanism consists of all those beliefs on which this nation was built and the Democratic principles by which it lives. She answered the question "What Are We Fighting For?" by giving "The American's War Creed." Mrs. Jones reminded us that a spiritual heritage, a people's government, a vast wealth, and a hopeful future are some things America has to defend.

Mrs. Presson was the voice for 132 million people when she read "I Am the United States," a biography of the nation that was born July 4, 1776 and is still Democracy in Action. To remind each of us of the things we must do Mrs. Presson read Guest's "A Patriotic Creed."

In conclusion "America" was sung, the last verse offered, without accompaniment, as a prayer. We feel this program was particularly appropriate at this time and we hope that the inspiring thoughts presented by Mrs. Presson and her assistants may be reflected in our actions.

Another special program, an observance of Texas Independence Day, will be presented March 9 with Mrs. E. W. Williams as leader. The meeting will be with Mrs. Presson with Mrs. Parker as co-hostess.

Church Of Christ Announces Dates For Revival Meeting

We are making announcement of the meeting at this time to avoid possible conflict. The meeting will begin May 26 and run through June 4. The preaching will be done by Cled E. Wallace of Temple, Texas. We hope that everyone will make their plans to attend.

Ford Shropshire, Minister

NEEDLECRAFT CLUB

The Needlecraft club meeting was postponed Friday, Feb. 25, but will meet with Mrs. Tol Thomas, Friday, March 3.

Miss Dickie Robinson Sgt. Jack Henderson Wed At Goldthwaite

On Sunday morning, Feb. 27, at 10 o'clock, Dickie Robinson, daughter of Dean A. Robinson, became the bride of Sgt. E. J. (Jack) Henderson, son of Mr. and Mrs. Ernest Henderson, with the Rev. D. A. Bryant of the First Baptist church officiating. The single ring ceremony took place at Goldthwaite, the former home of the bride's mother, Myrtle Randles Robinson, and Dickie's birthplace, and in the spacious and attractive home of Mr. and Mrs. John G. Berry. Mrs. Berry was the music teacher of Mrs. Robinson and a very close friend of the family.

The vows were taken before an improvised altar of banked ferns, flanked by tall baskets of white gladioli and tall, branched candelabra.

The nuptial music was given by Mrs. S. P. Sullivan, Mrs. Marsh Johnson, Mrs. F. P. Bowman, Mrs. R. V. Littlepage, with Mrs. Berry at the piano, all in white vestments. These ladies were friends and schoolmates of Mrs. Robinson. The program included: Bridal Chorus from "The Rose Maiden," "I Love You Truly" by Carrie Jacobs Bond, "Bridal Chorus" from Wagner's "Lohengrin." During the ceremony "Leibestraum" by List was played softly on the piano. The couple knelt on a white satin pillow during the prayer as the quartette sang "Lord's Prayer" by Mollette.

The bride was given in marriage by her father and attended by her sister, Billie Jane. The groom was attended by his cousin, Bertram Henderson, Y. 2/c, of Davisville, R. I.

Immediately following the ceremony the wedding cake was cut by the bride, assisted by the groom. The cake was served with coffee, mints and nuts, with Mrs. S. P. Sullivan pouring, assisted by Mrs. Lucile Fairman.

The dining room was decorated with long, graceful sprays of plum blossoms held in flat, crystal bowls. The table was centered with a large, round mirror, edged with small crystal bowls of white sweet peas and fern, with the beautiful tiered wedding cake in the center.

The bride was very lovely in a modish suit of powder blue wool with British tan accessories. She wore a shoulder corsage of gardenias. The bridesmaid wore an attractive dress of aqua crepe, with shoulder corsage of pink carnations.

The couple left immediately after the reception for San Antonio, where Sgt. Henderson is stationed at Brooks Field.

Others who attended the wedding were Mr. and Mrs. Ernest Henderson, Post; Mrs. Eita Henderson or Alpine, aunt of the groom; Mrs. Byron L. Brown of Roswell, N. M., aunt of the bride, Dr. and Mrs. J. M. Campbell, J. P. Bowman and Mr. Berry, all of Goldthwaite.

MRS. C. D. MORREL ENTERTAINS WITH PARTY

Last Saturday afternoon the home of Mrs. C. D. Morrel was the scene of a beautiful party honoring Mrs. J. T. Herd. In the center of each of five bridge tables and the dining table, were red carnations. Prize for high score went to Mrs. Phil Bouchier, while guest prizes were presented to Mrs. Winston Wharton and the honoree.

Delicious refreshments were served to the following members: Mmes. Phil Bouchier, Arno Dalby, Belle Fairbanks, Glen Kahler, James Minor, Martin Reynolds, Novis Rodgers, Walter Roy, Skeeter Slaughter, J. A. Stallings, A. C. Surman, Bob Warren, Ollie Weakley, Bryan Williams, Bryan J. Williams and the following guests, Mmes. J. T. Herd, Irene Rodgers, Carl Webb and Winston Wharton. —Rep.

Armed Services Need Nurses

An additional 2,000 nurses are needed for the U. S. Army Nurse Corps by April 1 to replace hundreds of army nurses being sent overseas in connection with plans for a European invasion. The American Red Cross, recruiting agency for nurses, reports that the Navy Nurse Corps, which has completely exhausted its reserve, also needs 500 additional nurses each month during 1944.

Local Girl Appears In College Play

Nedra Jo Evans, who is attending W.T.S.T. college in Canyon appeared in the play "Brief Music" which is a Penthouse production. The play was also presented in Amarillo.

Mrs. J. B. Slaughter Entertains In Her 'Home On the Range'

A beautifully appointed wartime reception was held at the U Lazy S ranch on Thursday, Feb. 24 when Mrs. J. B. Slaughter, Sr. entertained in her "Home On the Range" honoring Mrs. Skeeter Slaughter on her birthday.

The guests were greeted at the door by the hostess and the honoree and a receiving line composed of the Novelty Luncheon club and Mrs. John Herd as a special guest. They each wore a corsage of sweet peas presented by the hostess.

After the guests had signed the guest book in which the hostess keeps a record of the many beautiful parties she has given, they were comfortably seated in the living room of the ranch home.

Mrs. Slaughter made the presentation of her gift to Skeeter which was a beautiful silver engraved loving cup filled with long-stemmed American beauty roses. The cup was presented by the hostess in her own original manner with a clever tribute that she had herself composed.

After Skeeter had graciously accepted the cup the hostess presented each guest with a gift, a book of inspirational reading and in each book was attached a printed copy of the tribute.

The guests were then invited into the dining room in small groups where they were served tea by Mesdames Morrel and Roy. The table was covered with a beautifully appointed lace cloth and in the center was the loving cup filled with roses. A delicious tea was served, consisting of iced cookies, nuts and sweets.

Much merriment ensued when the guests were given the privilege of choosing the book of their choice. Each guest treasures her book and looks forward to enjoying their inspirational and devotional readings.

BOYS AND GIRLS...

Have Fun
but...

Please Be Careful
Flying Kites!

Your kites are lots of fun, boys and girls, but they must be flown properly if you want to be sure not to get hurt. Maybe it's hard for you to believe, but it's an actual fact that hundreds of youngsters throughout the country are seriously hurt every year at kite-flying time. So please be careful... watch these precautions, especially:

- Don't use metal or wire on any part of your kite.
- Don't use string with wire in it... Keep your string dry at all times.
- Don't climb trees near electric wires to recover your kite.
- Don't climb electric power poles to recover your kite. If it lodges in either pole or electric wires, call our serviceman to recover it for you.

Remember—you can help set a new record for safety kite-flying time if you'll heed these warnings. Show this advertisement to your Dad and Mother—they'll be glad to check your kite and be sure it's safety-proof.

Don't Fill It Up, Lady!

USE LESS GAS FOR HEATING WATER AND CONSERVE FUEL FOR THE WAR EFFORT

America is a land of bathtubs—millions of them. We Americans take our luxurious hot baths in well-filled tubs as a matter of course. But please do not forget that the natural gas used to heat your bath water is a vital war fuel, and that your government wants you to use it sparingly.

It is said that the King of England ordered a line to be painted around the inside of each bathtub in Buckingham Palace, five inches from the bottom. That was so that no one in the royal household, including the King himself, would fill the tubs above that line. They have a fuel shortage in England, too.

They say cleanliness is next to Godliness, so let's continue to take our hot baths. BUT, let's use no more hot water than we need. And let's save natural gas in all the ways we can. Some of the ways are suggested in the box to left.

HERE IS HOW YOU CAN HELP

1. Shut off seldom or never-used rooms.
2. Do not keep homes too warm. Moderate temperatures are more healthful.
3. Turn down fires at night and when away from home.
4. Keep all gas-burning equipment in top-notch condition. Keep it clean.
5. Never use a gas range oven for heating the kitchen.
6. Don't use running hot water for washing dishes or hands. Repair leaky hot water faucets. Insulate water heater pipes.
7. Winterize your home by insulating, weatherstripping and caulking, if possible. Your home will be warmer in winter and cooler in summer.

Soil Conservation District News

Recent rains have cut short the time left for building terraces. Many farmers wish to put up their land while they have the proper season. Terrace building may, however, go on through the summer. Many farmers who have more terraces marked off than they can build before planting time plan to leave a 40 or 50 foot blank construction strip on the marked line and continue building terraces throughout spring and summer. Late feed can be planted on these strips after the terraces have been built or early feed can be planted and terraces constructed after the feed has been harvested.

Simean Kemp has recently acquired a small amount of weeping love grass seed. He plans to plant the seed on his father's farm which he is operating. Weeping love grass is a perennial grass which matures early. It is said to be an excellent pasture grass. If a good stand is obtained it may be possible to harvest seed for further use. Grass seed production can be used as another cash crop making conservation rotations and cover crops pay cash dividends while doing a conservation job on the farm.

Charlie Bird and J. W. McQueen of the Verreba community are making fills in the low and broken places in their terraces using tractor fresnos.

Dewitt Taylor, a new cooper with the Duck Creek Soil Conservation District, is building terraces on the Huntley farm, four miles northeast of Post, which he is now operating. He is using a two bottom mold board plow. He is also building some terraces for Sam Sanders who recently bought a farm about two miles northwest of Post.

Son of Mr. and Mrs. Fate Williams Stationed in New Caledonia

Dear Folks:
I was glad to begin receiving mail. Thought I would drop you a few lines. They have natives here to work for us and at the present the natives are talking to us. They say they like us Americans. We pay them money, the English work them for nothing and when we Americans leave this island they will return to their homes. Boy do they love to see papers and magazines. They can't read a word but look at the pictures. You should see their feet. They are as large as my feet turned crosswise—maybe not that large—but they are as tough as rawhide. They can climb a tree as fast as a monkey can and they throw down coconuts faster than we can pick them up.

I guess I have told you I am on New Caledonia.

We got our seabags lost with all our clothes and personal belongings in them. They haven't caught up with us yet. When we get liberty here we don't have anywhere to go. We have an out-door free picture show and a canteen. I guess Buddy Bailey will be in service before this month is over.

We have been taking those shots—boy do we feel tough. Can't hardly raise my arms and am not able to work but the old Sarge will come and say "Get the hell out of your sleeping sack, where do you think you are, in your grandma's house?" Well there is a lot more to it but can't remember all he says—but right there we remembered we were in the Navy. One morning we were called out and about half our company was there so the old Chief went in the grass huts and did those sailors come out in doubles. A guy can learn a lot and fast too. Well—write soon.

Love,
Weldon

James Weldon Williams, S 2/c, 357-63-65, Navy Adv. Base 152, Dept. 14, c/o Fleet Post Office, San Francisco, Calif.

Political Announcements

All political announcements are accepted for publication strictly on a cash-in-advance basis.

The Dispatch is authorized to announce the following candidates for office in Garza county, subject to the action of the Democratic Primaries:

E. W. CROSS (Re-election)

For District Attorney 106th Judicial District:

KARL CAYTON
Of Lamesa, Dawson County

For Congress:

GEORGE MAHON (Re-election)
C. L. HARRIS

RIGHT BEFORE A FARMER SEES END ON EASTER SUNDAY

Baldwin, Ga.—Virgil Smith, the farmer who predicted the correct date for the end of World War I, says the present war will end on Easter Sunday, 1944.

Smith, who makes his predictions as a result of dreams, said three months before the end of the first World War that it would be over on Nov. 11, 1918. He even predicted correctly just how that war would end and how peace terms would be arranged.

Smith also made another prediction which came true—that Italy would be out of the present war by the middle of October, 1943, and would immediately declare war on Germany. He said that major battles would be fought on Italian soil, and adds that before the winning battle is fought, the Allies will have gained enough strength to force Hitler to retire to private life on Easter of 1944. He said Japan would follow in "short order."

He further predicted that the world following this war, will be "war proof"—that this will end all wars and the United States will have the leading voice in arranging the "everlasting" peace.

WANT-ADS

CLASSIFIED RATES
First insertion, 2c per word; subsequent insertions, 1c per word. No ad taken for less than 25c, cash in advance.

FOR RENT

FOR RENT—Small furnished house, for couple only. Bed room, kitchenette, dinette and bath. 2 blocks north of grade school. Phone 178. Mrs. Surman. 1tc
