Post High School will be represented by seven contestants in the Region I University Interscholastic League meet Friday and Saturday at Lubbock.

The Post contestants will be: Kippy Payne, girls' tennis singles; Peter Morales, mile run; Norman Tanner, shot put; Karen Hundley, ready writing; Jimmy Johnston, science; David Hamilton, poetry; Barbara Lucas, informative speaking.

Miss Payne, a freshman student and daughter of Mr. and Mrs. Vernon Payne, will be Post's first competitor, with the Class AA

girls' tennis singles scheduled to begin at 1 p. m. Friday. Kippy won the District 4AA championship in girls' singles here two weeks ago to qualify for the regional meet.

Tanner, a senior student who qualified for the regional meet by winning second place in the shot put in the District 4AA meet, will compete Saturday morning, with preliminaries and finals in all field events to begin at 9:30 o'clock. Norman is the son of Mr. and Mrs. Julius Tanner.

The Class AA mile run, in which

Peter Morales will represent Post, is scheduled for Saturday afternoon and will be one of the final events of the day. Morales, defending state champion in the Class AA mile, is the son of Mr. and Mrs. Jesse Morales. He has been district champion in the mile run every year since his freshman year.

The ready writing event, in which Karen Hundley will compete, will be held at 10 a. m. Saturday. Karen, a junior student, is the daughter of Mr. and Mrs. Jimmy Johnston, son of Mr. and

rs. Harold Johnston, will compete in science at 8:30 a. m. Saturday. Jimmy is a senior student.

The poetry interpretation contest, in which David Hamilton will compete, will be held at 9 a. m. Saturday. David is the son of Mr. and Mrs. Tom Hamilton.

Barbara Lucas, daughter of Mr. and Mrs. Harold Lucas, will compete in informative speaking at 1 p. m. Saturday. Barbara is a junior student.

First and second place winners in the regional meet will be eligible to compete in the state meet.

## Candidates for state office visit Jaycees

Two candidates for president of the Texas Junior Chamber of Commerce were guests of the Post Jaycees at their regular meeting Wednesday night of last week at the Community Room.

The candidates, each of whom made a campaign speech at the meeting, were Bob Buck of San Antonio and Vince Crixwell of Brownsville.

The Jaycees set their regular meeting night up one night from Thursday in order to play host to the visiting candidates.

The state president will be elected at the annual state Jaycee convention in Austin, May 9-11.

The Post Jaycees voted at the meeting to sponsor the White River Lake Day bathing beauty contest here. Each of the four member towns of the White River Municipal Water District is to choose two finalists in elimination contests, and the eight finalists will compete for the "Miss White River Lake" crown at the lake dedication to be held in August.

Five members of the Spur Junior Chamber of Commerce attended the meeting here.

The Post Jaycees provided refreshments of chips and dips which were served after the meeting.

## Library week to be observed here

Post's observance of Texas Library Week next week will include a series of posters, containing book quotations, in the library and other public places and a series of capsule book reviews which will appear in next week's Dispatch.

The book reviews will be written by various patrons of the Post Public Library.

The Rev. George L. Miller, librarian, pointed out that Post's book fair May 11 will be the major emphasis this spring, so a more complete observance of Library Week was not planned.

## Accident victim's condition better

The condition of Mrs. W. C. (Mutt) Graves, who was critically injured in a car-truck accident shortly after midnight Wednesday last week, was reported slightly improved late yesterday at West Texas Hospital in Lubbock.

Mrs. Graves, who received a concussion and other injuries in the accident, which occurred near Slaton on U. S. Hwy. 84, still is in the hospital's intensive care ward.

The accident occurred while the Graves automobile was passing a truck, with the automobile overturning three times. Mr. Graves escaped serious injury.

## HOME FROM HOSPITAL

John Brockman, manager of the G. F. Wackers store, was returned to his home here Wednesday from Methodist Hospital in Lubbock, where he had been for 11 days, during which time he underwent surgery. He is expected to be able to return to his duties at the store here within the next few days.

## IN LUBBOCK HOSPITAL

Joe Marshall of the Marshall-Brown store here still is in Methodist Hospital, where he has been for the last several weeks. His condition is reported improved after having undergone surgery early last week.

## EASTER CLOSING NO STOP FOR HAIRCUTS

Three local high school sophomores boys came up with rather unusual Easter haircuts last weekend.

By the time they got around "to going to the barber shop" Saturday evening, the shops were closed.

That's when Don Collier and Ginny Edwards, an Easter visitor from Richardson, stepped into the breach at the Bob Collier residence and served up haircuts to the three with a pair of pinkish shears.

Showing off their haircuts Sunday were Timmons Bull, Giles McCrary and Steve Newby.

## "They Gave Him a Co-ed"

# Senior class play set for April 26

"They Gave Him a Co-ed," a three-act play of college life by John Nash, will be presented by the senior class of Post High School on Friday night, April 26, as its annual class play.

The play will be presented in the primary school auditorium at 8 o'clock under the direction of senior class sponsors Gordon Lee and Mrs. G. E. Fleming.

The cast is as follows: Dean Brown, D'Wayne Gannon; Gary Blaine, Ronnie Petty; Dal Thomas, Chris Stelzer; Chuck Rhodes, Gary Young; Herb Grant, Danny Cooper; Gloria Manson, Nedra Childs; Una Scanlon, Emily Potts; Margie Thornhill, Micki Sterling;

Emily Wayne, Jane Hutchins; Ione Babson, Natha Jo Mears; Miss Howard, Teresia Maddox; Beth Hanson, Voda Beth Voss; Mabel Reese, Miriam Smith; Roland Graves, Mike Robinson; Charles Bradley Brown, Gaylon Hutto; The Stranger, Jimmie Johnston.

Other class members taking part in the production are as follows: Miriam Smith and Voda Beth Voss, prompters; Mickie Taylor, (See Senior Play, page 8)

## Absentee voting continues for May 4 primary

Absentee voting for the first primary election May 4 entered its second week Monday and will continue through April 30.

The place to vote absentee is the county clerk's office at the courthouse.

County Clerk Carl Cederholm reminds those wishing to vote ab-

## NINE APPLICATIONS

No absentee votes in person had been cast up to 3 p. m. Wednesday, but nine mail applications for absentee ballots had been received, the county clerk's office reported. Most of the mail applications were from men in the armed forces.

sentee in person to bring their voter registration certificate with them.

The following persons may vote by mail after making application for and receiving an absentee ballot:

1. Qualified voters who because of sickness or disability cannot appear at the polling place on the day of the election.
  2. Qualified voters who expect to be absent from the county of his residence on election day and during the clerk's equal office hours for the entire period of absentee voting.
- Cederholm also said that qualified voters who are members of the Armed Forces, his spouse and dependents residing with him or accompanying him are entitled to vote absentee by mail upon making a sworn application by mail for absentee ballot or an Official Federal Post Card Application.

## Taped address is heard by Lions

A taped address by Mayor Johnson F. Williams of El Paso on law enforcement was presented by County Atty. Preston Poole at Tuesday night's Lions Club meeting.

Mayor Williams, who is president of the Texas Municipal League, delivered the address at a recent convention of the District and County Attorneys Association.

Guests at Tuesday night's Lions Club meeting included L. J. Richardson Jr., L. G. Smith and Ed Hill, all of Brownfield, and Joe Shields of Amarillo, a guest of Lion Bill Soarle. Two of the Brownfield men, Richardson and Smith, are former Post residents.

## Program enters fourth year

Several new techniques plus the continuation of an intensified spraying program will lead the way this year as the High Plains Boll Weevil Control Program enters its fourth year, County Agent Syd Conner said yesterday.

Conner attended a meeting for all county agents in the boll weevil control zone at Spur April 9 at which Lyndon Almand, area entomologist at Lubbock, summarized the progress and results of the boll weevil control program to date.

At this meeting, Almand also

# Five school buses damaged by vandals Easter weekend

Vandals prowled the school grounds again over the Easter weekend and left five damaged school buses in their wake.

First aid kits were destroyed on three of the buses and their con-

tents scattered on the floor.

On one of the buses, chemical from the fire extinguisher was sprayed over the seats and throughout the interior of the vehicle.

On two of the buses, the vandals raised the hoods and jerked wiring loose. On one, they sprayed chemical from the fire extinguisher into the water tank.

It all added up to a big headache for school officials and drivers of the buses — in addition to costing the taxpayers money.

It was the first time the buses had been hit by vandals since last summer, but it was only another in a long series of vandalism at the schools, which has included break-ins, broken door and window glass, and other lawless acts.

Supt. Bill Shiver suggests that motorists not use the school bus road just south of the elementary and primary school buildings and on which the buses are parked.

"By staying off this road in their cars, motorists will give police a better chance to stop such acts of bus vandalism," the superintendent said.

REV. JAMES CRISWELL  
Trinity Baptist has new pastor

The Rev. James A. Criswell will serve in Post next Thursday, April 25, as new pastor of the Trinity Baptist Church, which has been without a full-time pastor since the resignation of the Rev. Jimmy McGuire a few months ago.

The Rev. Mr. Criswell will come to Post from Buffalo, Okla., where he is serving as pastor of the First Baptist Church.

He is a native Texan, having been born in Stonewall County in 1923. He is a graduate of Peacock High School and Hardin-Simmons University, and was married to Alma Nell Smith of Spur in 1950. They have three children — Mike, 17; Paula, 14, and Ronda, 10.

The Rev. Mr. Criswell moved to Oklahoma in 1956 as pastor of the Corinth Church, near Eldorado. He has since pastored First Baptist at Headrick, Okla., Lake Creek Church at Granite, Okla., First Baptist at Guetbo, Okla., and First

## Former resident killed in wreck

Ben Owen returned last Thursday from Crockett where he attended funeral services Wednesday for his brother, John Travis Owen, 31, who was killed in an automobile accident near Crockett.

Mr. Owen was a former resident of Post, the son of the late Mr. and Mrs. G. W. Owen. He was a Civil Service employe at Big Spring air base before retiring and moving to Crockett.

Mr. Owen's wife was injured in the automobile accident, but has been dismissed from the hospital.

Besides the brother of Post, Mr. Owen is survived by his wife, four sons, six other brothers and two sisters.

Funeral services were held at the Church of God in Crockett with burial in the cemetery there.

## RETIREMENT PLANS MADE BY MERCHANT

One of Post's oldest merchants, measured in the number of years of service, plans to retire.

Cling Herring, who opened his store here March 1, 1935 — 33 years, one month and 17 days ago yesterday — announced this week he will retire upon completion of the current "quitting business" sale of Herring's Department Store announced on page 3 of today's Dispatch.

Herring said when the sale is over in mid-May, he plans to rent or lease his business building.

## Foundation will discuss project

Directors of the Post Industrial Foundation were scheduled to meet at 10 a. m. today in the bank's community room with Larry Milner, Southwestern Public Service Co.'s industrial man from Amarillo, on a local community development project.

J. B. Potts, head of the foundation, declined to release details at this time on the project for discussion.

## Lions Club convention to be at Littlefield

The Post Lions Club will be represented at the annual convention of District 27-2, Lions International, to be held Friday and Saturday, April 26-27, at Littlefield.

Miss Jan Wilks, the local Lions Club sweetheart, will compete in the district queen contest, which will be one of the convention highlights.

District 27-2 comprises 44 Lions clubs.

## MOTHER DIES

Bobby Gordon and Randy left Monday for California after receiving word of the death of his wife's mother, Mrs. H. P. Askins, who died Saturday night. Mrs. Gordon's daughters have been in California for about two weeks.

## BANQUET SPEAKER

The Rev. Bernard S. Ramsey pastor of the First Christian Church, will be the guest speaker at the Post High School Choir banquet to be held Saturday night. His message will be entitled: "Borrow to Raze Hell!"

World Newby is the latest to be the "Amenen hotel problem."

appointed himself a committee last week to get cost estimates on boarding up the broken windows of the empty and dilapidated building in the name of the summer tourist season.

HemisFair expected to draw thousands of vacationers to US-44 through Post heading for San Antonio, Newby's thought is at least make the hotel look presentable as possible.

proposes also to paint the board he would use to cover windows. Certainly a bright color might liven up old building a bit.

Newby hasn't said yet where plans to turn for the financing. It is likely he intends it as a member of Commerce project.

Texas Industrial Commission recommends such tactics for abandoned old buildings which are a community "eye sores."

praised David's efforts to least soften the shock of that building, now that the city council has apparently backed off in any action whatsoever designed a fire marshal's report that hotel is a dangerous downtown hazard.

only hope that our summer tourists don't come too close. That building is liable to collapse the street some day just as it of its back wall did into the city months ago. And we'd hate see any happy tourists injured killed in the rock fall.

most tragic thing about Amenen hotel is that its presence on the corner in the center downtown Post reflects our community attitude of apathy.

## Brown to drill another Post test

George R. Brown and associates have approval from both the Texas Railroad Commission and City of Post to drill another well here.

will be a "step-out" east of the well drilled on the vacant north across the alley from the well Short residence, 504 West

R. (Buster) Moreland said new test will be known as the Post Unit No. 40.

will be testing five production zones in the San Andres and through the Gloria S. Z. Moreland said. He explained Brown's drilling plans will depend on what is found in each step-out.

We hope to get at least a twin of the well south from here," Moreland said.

Drilling operations are expected to start within a week or two.

## New councilmen are sworn in

Frank Blanton and Donald Windham were sworn in as new city councilmen by Mayor John Hopkins at a special meeting of the council Tuesday afternoon.

Blanton and Windham were elected in the council in the April city election, for which the votes were canvassed by the council at Monday's meeting.

All members of the city council are present, including outgoing councilmen Arnold Parrish and Jerry Cox.

the only other action at the meeting, the council granted an oil well drilling permit to George R. Brown.

## Cancer unit here visited by 1,009

The American Cancer Society's mobile educational unit was visited by 1,009 persons while it was in Post last week, despite the fact that rain cut down the flow of visitors one day early in the week.

Post Jaycees, Lions, Rotarians and other volunteers assisted in showing visitors through the unit, which was parked at a different location every day.

At 7:30 p. m. Thursday, April 11, a meeting will be held at the Community Room for the purpose of organizing a Garza County chapter of the American Cancer Society. Everyone interested is invited to attend.

## Lake dedication plans under way

White River Lake Day in August will give Post and Garza County two attractive events for that month—the annual Post Stampede Rodeo being the other.

The formal dedication of White River Lake, on either Aug. 3 or Aug. 17, won't be Post's alone, of course, since the cities of Ralls, Spur and Crosbyton also will share in the fun. Even so, it is expected to be one of the outstanding events of 1968 for residents of Post and Garza County.

The lake dedication has been overly long in coming, since the lake has been furnishing water

to the member towns for nearly three years now. Once again, however, the old adage of "Better late than never" applies.

Talk of a dedication preceded even the completion of the lake's construction, and the fact that it has not been forgotten is shown in the plans now being made by a White River Lake Day committee for its production.

Let's all resolve to do whatever we are called upon to do to help make next August's White River Lake Day an event long to be remembered.

## Library Week and the Book Fair

National Library Week starts Sunday, April 21, and continues through April 27, but, for all practical purposes, it will continue through May 11 here in Post, for that is the date of the big Book Fair to be sponsored by the Friends of a Public Library.

The Book Fair will be the biggest library benefit held since the establishment of the Post Public Library nearly two years ago. Community response to the Book Fair already has exceeded the sponsors' fondest hopes, and nearly every organization in the city will have a booth at the Fair.

The purpose of the Book Fair is to raise funds with which to purchase new books for Post's growing public library.

So, National Library Week, April 21-27, and the Book Fair on May 11 gives us two opportunities to pause and reflect once again upon the value of books to the individual and to society in general.

The purpose of National Library Week is to encourage the development of lifetime reading habits as the foundation of a better informed people.

## What our contemporaries are saying

Guess we're old-fashioned, naive, and everything else that isn't modern, but it is hard for us to understand why anyone who is an American, who has spent his life here, who has read and seen conditions in other countries—can, for even a minute, give in to the civil disobedience occurring across the land. Free speech? Yes! But within the bounds of decency and respect for a nation that has nurtured and cared for us for more than a hundred years.—Childress Reporter.

Most of the world's knowledge is contained in books and is transmitted to others through the magic of the printed page. It has been estimated that the world's knowledge that was accumulated from the dawn of civilization to about 1300 A. D. doubled by 1900; that it doubled again by 1950, and that it had doubled again by 1960. It is accumulating faster than ever right now.

Much of this knowledge explosion can be traced to the computer, the fantastic machine that stores and computes and transmits knowledge. But before the computer can be used it has to be programmed, and the information for programming is contained in a book.

When man learned to record his accomplishments and his knowledge, progress became a cumulative thing, each generation building upon the progress of the past. Without this method of recording knowledge we would still be living in caves.

Our community is indeed fortunate to have the Post Public Library, a community asset that has been in the process of enlarging ever since its establishment.

Books are priceless and the basic tool for all learning is reading.—CD

A general advantage of being inefficient is that the condition is seldom recognized by the public, unless a lot of noise is made to bring it to its attention.—Douglas Meador in Matador Tribune.

MANY PEOPLE are still talking about last week's two "free shows"—the Academy Awards on Wednesday night and the eclipse of the moon on Friday night. The eclipse came off as scheduled, since it was outside the realm of human tinkering, but the Academy Awards didn't go according to most people's hope. After the pre-awards build-ups, very few expected to see "Bonnie and Clyde" and "The Graduate" almost totally eclipsed.

The man up the street says kindness is a language which the blind can see and the deaf can hear.

HOW DOES ONE go about getting out of his daughter-in-law's dog house? My number one daughter-in-law teaches homemaking at Post High School and is an advisor of the Future Homemakers of America chapter. It seems that every time we publish a story on FHA activities and write a bigger-than-usual head for the story, the gremlins go to work, and it comes out "FFA" in the head instead of FHA. I don't know how E. A. Howard and Taylor Knight, FFA chapter advisors, feel about it, but I hope I am not in their dog house, too.

I've got to start doing better though, for if I keep mixing up FHA and FFA in my headlines, someone is liable to accuse me of being on LSD, STP or POT—the escape-from-reality drugs.

MY FAVORITE internal revenue service man just hates children—he says they're so deductible.

"What happened to your last job?" is a question asked applicants for positions in a large New York City store. These are recent answers that merit some form of recognition:

"The boss fired a friend of mine. So I told him I'm fired too."

"Every night when I got home I was tired. I just had to quit."

"I asked the boss to lend me a dollar, but he only gave me 50 cents."

"I wanted an extra day off to go to a picnic. The boss would not give it to me, so I quit."

"They bawled me out because I was a few minutes late and I was humiliated, so I quit."

"Just because I gained 50 pounds while packing candy, the boss insisted I was eating too much."

"The girl next to me was singing all day long. How much is that doggie in the window, erf, erf."

"I did not want to be transferred to another department—there was nobody to talk to there except some women and girls."

"I was secretary to a big oil man, but his shoes squeaked and he always wore white socks and a red satin tie. I ask you, how much can a person stand?"

"In the summertime the air conditioning blew right in my face, but in the winter a big radiator was boiling behind me. I want a job where it's cool in the winter and warm in the summer."

"I was driving a cab in Florida because my wife wanted to spend the winter on the beach—but she divorced me to marry a life guard. When they hauled me on Lincoln Road and we in my taxi to go to their wedding, I slammed the door and walked away."

"I was driving a truck for a perfume factory, but they put me inside filling bottles. I went home one night smelling of gardenias and violets. My wife understood, but one night I got in the subway near six other guys. They all sniffling looked at me and each other with funny smiles. That was enough for me."

One of our primary school teachers had a bad moment the other day. One of the kids brought a kitten to class and asked her if it was a boy cat or a girl cat.

Before she could answer, a kid on the back row said he could tell from there it was a boy cat.

Fearfully, the teacher asked him how he could tell and he said: "By its whiskers."

Range and pasture conditions supply cattle with very low levels of phosphorus. In summer, cattle on grass may get 50 to 60 percent of their phosphorus needs; under drought or winter conditions, only about 40 percent.

Purina Range & Pasture Mineral supplies a high level of phosphorus, 16% from three sources, to supplement grazing conditions. Fed free choice, Purina Range & Pasture Mineral fills all the known trace mineral needs of cattle in amounts exceeding the National Research Council's recommendations. It contains organic iodine to help prevent foot rot and soft tissue lumpy jaw, and iron in highly available sulfate form.

## Card of Thanks

Just a word of thanks to all my friends and neighbors who sent cards and flowers, and to Dr. Tubbs and his office staff and to the staff of the hospital for their kindnesses during my recent stay in the hospital.  
 Mrs. Ethel King & children

I would like to thank all of my neighbors, friends and relatives for all the kindnesses they have shown me while I was in the hospital and at home. Also for the beautiful flowers, cards, food and prayers. May God bless each and every one and all the homes. Lots and lots of love.  
 Maud Thomas

We would like to extend our heartfelt thanks to those who expressed their sympathy in so many ways during our recent bereavement. A special thanks to those that sat up with our loved one, to the wonderful nurses at Garza Memorial Hospital, and to Dr. Tubbs. May God bless each of you.  
 The family of  
 Mrs. W. O. Fluitt Sr.

I wish to express my appreciation to all those who sent flowers, cards and the long distance calls I received while I was in the Leveland hospital. Many thanks for all the food which was brought in for the family and since I have returned home.  
 Mrs. Mary Mayo

We would like to take this opportunity to say thank you for the flowers, cards and visits during our stay in hospitals. It's wonderful to have friends when you need them so badly. Also our thanks to Drs. Tubbs and Lively for our road back to recovery.  
 Mr. and Mrs. Douglas McWhirt

The kindness and sympathy of neighbors and friends in our recent sorrow will always remain with us as a precious memory. Our sincere thanks and gratitude to the ladies who brought food and served and for all those comforting acts.

# It's My Turn

— By MRS. C.

Calls keep pouring in for the Book Fair. So far the response has been most gratifying but we still have 33 organizations to hear from. Latest "do-gooders" are the Post Music Club with plans for a balloon dart throw; Woman's Culture Club with a white elephant and jewelry booth; Mu Alpha chapter of Beta Sigma Phi, bean guessing.

We've received two nice checks from clubs who couldn't for one reason or another work at the Book Fair. The Needlecraft Club, which is composed of "girls" who have done more than their share of work throughout the years in such community projects and felt maybe they weren't quite up to this project, sent us a check for \$10. We thank them kindly.

The other check arrived Tuesday morning and it was for \$25! This support came from Theta Eta chapter of Delta Kappa Gamma, a sorority composed of teachers from Lynn, Garza and Scurry (I hope) counties. How nice that people from other counties are interested in our library! They begged off because of end-of-school activities. Glad to have you aboard.

Our biggest gap is the food booths so if your club hasn't quite decided what to do, give that some thought. We're inviting people to come at 5 o'clock and eat with us and so far we only have brownies, cookies, popcorn and snow cones to offer. Those items do not make for a well-balanced meal!

Hooray. We just had a call from Dick Dickson, who is chairman

of the committee to work out plans for a booth for the Rotary Club. We now have more food, namely hot dogs! Hot dog! Where are you Lions?

Remember way back in December when I wrote my "things I don't want for Christmas" list. Included were "his and her" candles which could be purchased from Neiman-Marcus. Well, Mrs. Ralph Lowe of Fort Worth, formerly of Midland, didn't want them either but she ended up with a "her." The gift was from her daughter, Mrs. James Cone.

This item was gleaned from "The Midlander" by Rosemary Chapman and passed on to me. The tidbit continues with explaining that Mrs. Lowe saw the TV coverage of the camel being unloaded at the airport and remarked to her daughter, "What idiot would give a present like that?" The card arriving with the camel read, "I'm the idiot who bought the camel."

Ah, what affluency!

This one is too good to pass up. Ruth Ann Newby, who teaches the kindergarten Sunday School class at the First Presbyterian Church, took her little charges into the church sanctuary Sunday to see the Easter lilies and to ask a few questions such as what feeling the children had on being in the sanctuary.

After much silence and a little prodding from Ruth Ann for a response, one came. Sharla Macy, young daughter of the Bob Macys, finally spoke up and said: "My pants are too tight." The children then retired to their Sunday School room.

All the C's Easter traditions went by the boards this year. No digging out the old Easter baskets, no egg coloring, no egg hunting, no Easter - after church snapshots, no strawberry shortcake. In short, no fun. The C's daughters were unable to be home for the holiday and it just seems to take children (regardless of age) to make a holiday complete. Boo hoo!

MISS JUDY SIMS

## Wedding date is set for June 8

The engagement and approaching marriage of Miss Judith Ann Sims, daughter of Mr. and Mrs. Rozell Sims of Hazel Park, Mich., to Charles Allen of Bethany, Okla., is being announced by her parents.

Mr. Allen is the son of Mr. and Mrs. Will Allen Sr., of Post.

The wedding will be an event of June 8. Miss Sims, a 1963 graduate of Hazel Park High School, is attending Bethany Nazarene College and is employed at Deaconess Hospital in Oklahoma City. Mr. Allen is a 1964 Post High School graduate, and attended Bethany College and Oklahoma Technical Institute. He is employed at the pharmacy of Baptist Memorial Hospital in Oklahoma City.

## CLOSE CITY SOCIAL

The monthly Close City social will be held at 7 p. m. Saturday night at the community center. A covered dish supper is planned with the usual entertainment to follow.

## EASTER GUESTS

Easter weekend guests in the home of Mr. and Mrs. L. B. Pate were their son and daughter-in-law, Mr. and Mrs. Carol Pate of Clovis, N. M., and their son-in-law and daughter, Mr. and Mrs. Skipper McWhirter and son of Dallas.

## FORT WORTH VISITOR

Wayne Kiker of Fort Worth spent the weekend with his parents, Mr. and Mrs. W. C. Kiker. They visited Easter Sunday in Lubbock with Mr. and Mrs. Lee Watts and Miss Doris Clark.

## Officers elected and pledges installed at chapter meeting

Officers were elected and pledges installed at a recent meeting of Gamma Mu chapter of Epsilon Sigma Alpha sorority held in the Community Room. Laveta Norman is the new president, replacing Linda Reynolds; vice president, Blenda Roberson; secretary, Mary Mayo; treasurer, Sandra Alexander; educational director, Kay Pace. These newly elected officers will be installed at the Founder's Day program, May 1. Mrs. Reynolds was in charge of the pledge installation, assisted by Margaret Allen, before the election of officers took place. Pledges are Johnny Norman, Sandra Claborn, Thelma Mason and Patty Bausman. Members of Bud Davis' junior high history class presented the program on the "Battles of the Texas Revolution" preceding the business meeting. Students taking part were Pam Gray, Roger Pace, Donna McBride, Rusty Conner, John Johnson and Lonnie Black.

Refreshments of strawberry ice cream, sundaes, cookies, Cokes and coffee were served to the school group, the pledges, the new officers and Betty McLeroy and Helen Cornish. Kay Pace will be hostess at the meeting tonight (Thursday) in her home.

## Chapter program is on history

Mrs. A. C. Surman and Mrs. Winnie Tuffing presented a program on Garza County history and the aims and goals of the Garza County Historical Survey Committee at the April 8 meeting of Mu Alpha chapter of Beta Sigma Phi.

It was announced at the meeting, which was held in the home of Sammie Maddox, that Gov. John Connally has proclaimed April 26 through May 3 as Beta Sigma Phi week. Janie Middleton was co-hostess and served refreshments with Mrs. Maddox to the guests and following members:

Lois Fluitt, Barbara Ethridge, Flute King, Dorothy Perdue, Janet Peel, Becky Brown, Maritta Reed, Billie Newman and Karen Callaway.

## FIRST CHRISTIAN CHURCH

Sermon subjects at the First Christian Church this coming Sunday will be "Why Easter Worshipers Fall to Worship Regularly" at 11 a. m. and a sequel at 7 p. m. entitled: "And What They Miss!" Bernard S. Ramsey is the minister and he also announced that Bryon Gray was welcomed into the church family along with the other four youths previously mentioned.

## Karen Blanton, 10, is honored on birthday

A "come dressed in mother's clothes" was the theme of the 10th birthday party honoring Karen Blanton, daughter of Mr. and Mrs. Frank Blanton, April 10, in the Blanton home. Guests, besides "dressing-up", also brought their favorite dolls. Prizes were awarded to Lorry Chapman for being the "best dressed lady"; Kim Plaster for bringing the prettiest doll; Cynthia Morris for the oldest doll, and Tammy Thomas for the best-loved doll. Judging the girls and dolls were Mrs. Jon Robbins, Mrs. Lucile McBride, Miss Vearl McBride and Miss Annette McBride. Sandwiches, potato chips, Cokes and birthday cake were served to the winners and to Pam Carpenter, Patricia Bilberry, Christie Davis, Gena Birkes and Kim Mitchell.

## Mrs. Smith hostess to Sunday School class

# Library

## LISTENING POST

**By ROSEMARY CHAPMAN**  
Read "It's My Turn" by Helen Cornish for the latest news on the library fair!

Two exceptionally charming chairs have been purchased for our new children's room this week by Mrs. R. S. Anderson of Midland.

Mrs. Anderson said that she has been planning to give our library a major donation for some time and when she saw the chairs, she simply couldn't resist them. One is shaped like a cowboy and the other is a young girl complete with doll and pigtales. They ARE just darling — do send the children down to sit!

By the way, Mrs. Anderson is sometimes referred to in this column as "Mother." Daddy, don't you want to do something for us?

Recent book donors are Mrs. Winifred Blake, Mrs. Eleanor Cooke and Mrs. Hattie Foster of Post, the Earl Champan Sr. of Midland, and Vicki Anderson Jones of Fort Worth.

an abode elsewhere, so I will do my best to help write your column for next week.

Since Ruth Ann was so nice to publicly admit her stupidity, I shall have to admit mine. One night a school boy wanted something on "The Battle of New Orleans." Not wanting him to know how many years it has been since I graduated from school, I finally finagled the year 1812 out of him so we would know about where to look for information on said battle. I saved face and found books, books, books, one of which had quite a write-up on this big naval battle.

Tell Joy Parker that "Susie's Babies" is marvelous for the birds-and-bees age. It is about hamsters but the information is the same and is told in such a sweet, wonderful, tender way.

I hope all this will save me and the kittens from losing a happy home.

Love,  
Pee Wee Pierce

It's really amazing what one can accomplish with ten kittens and no scruples.

Thursday

Dear Rosemary:

After reading your column in yesterday's paper, decided I'd better get on the ball. Two more of your kittens I don't need. The one you gave us has taken over completely — house, yard, and neighborhood. So please — NO MORE, and I'll promise to be more observing of "Happenings" at the library.

Ruth Ann, if nothing exciting ever happens to you on the way to the library, I would suggest walking. It won't be dull. The dogs object to your walking on the sidewalks, so you take to the middle of the street. This will also create a problem, so allow yourself plenty of time to stop and chat with each passerby. Bless their hearts, they all think you are in trouble.

And I was by the time I reached the library, late and out of breath. Though I'd rather visit with the occupants of the cars than to wave, I've given up walking. I'd rather the dogs chase the cars than me.

Love,  
Jo Cash

Friday

Dear Rosemary:

Ever since the house was flea-infested, Papa Bear has said "No More Cats!" Since I could not resist the precious little ones, the kittens and I would have to find

## Board meeting is held at Trinity

The executive board of the Lubbock Baptist Association met April 9 in the Trinity Baptist Church with the Rev. J. B. Fowler, pastor of the Southeast Baptist Church of Lubbock, presiding.

Following a report from the area superintendent, Doyle Holmes, reports were presented by the Church Related Services Division, of which Gayle Bowen is coordinator. Reports were also heard from the Church Development and Expansion and Human Welfare divisions, and Educational and Denominational Promotion.

Sandwiches, tea and coffee were served in Fellowship Hall after the meeting adjourned.

### Marriage Licenses

James Albert Brown and Willia Bruce Mitchell: April 12.

Which reminds me — today's contributions by Jo and Pee Wee, no matter how grudgingly given, just put four kittens back in the pot. That leaves THREE for Sonja THREE for Pauline, and FOUR for Barbara. (Sorry about that Barbara. In every game, there's one big loser.)

**NEW! For clean Sorghum...  
spray weeds when you see them!  
with BANVEL**

Velsicol announces Banvel herbicide for control of all hard-to-kill weeds of major importance in grain sorghum. This includes carelessweed (pigweed), sunflower, lambs-quarter, purslane, morning glory and other annual broadleaf weeds. Banvel herbicide is applied post-emergence, so there are no wasted sprays in years when rain is scarce and weeds are not a problem. With Banvel you see your weed problem and then spray—all in plenty of time to give young sorghum plants plenty of opportunity to grow.

Banvel is sprayed onto weed leaves and translocates to the roots...for new, total control of weeds. Just apply Banvel between the 10th and 25th day after emergence of grain sorghum (approximately 4 to 12 inches tall).

Banvel is not dependent on soil moisture for its effectiveness, so its results are dependable. And it's a liquid that won't clog your sprayers; nor does Banvel need constant agitation.

Banvel increases yields. It's excellent for use on grain sorghum, wheat, barley, oats and field corn. Order Banvel herbicide to get full potential from your valuable, high-yielding sorghum seed.

See your dealer today. You'll be glad you did!

# HAPPILY EVER AFTER

You know how it is when you're a child, you are sure you are going to "live happily ever after" somewhere, sometime.

As you grow older, the story may change a little. The fairy tale princess turns out to be the girl next door; your castle in the air, a white house on Orchard Street. But the goal remains the same, the happy ending on the far side of the rainbow.

But life doesn't always happen like that. Sometimes storybook marriages end in divorce, a promising job becomes a dead end, or a sure-fire investment turns out to be a total loss. Misfortune or your own weaknesses make your days seem futile and empty. What then of childhood expectations? Where do you look for joy and hope and bright tomorrows?

God's love is the only way to find real and lasting happiness. Comfort, strength, and purpose are yours for the asking. Why not attend your church today and find new inspiration for your life?

**Garza's oil production hits 100 million bbls.**  
 Texas crude oil production, recorded for the past 73 years, surpassed the 30-billion-barrel mark in 1967, according to projections based on a study by Texas Mid-Continent Oil & Gas Association.  
 The state's crude total to Jan. 1, 1967, was 29.4 billion barrels, and the state annual production in recent years has averaged a billion barrels or better.  
 With 199 of Texas' 254 counties producing crude oil, income averaging about \$3.4 billion a year is distributed widely over the state, making oil production an important part of the commercial scene.  
 Garza County, which has had recorded production since 1926, has had a total crude oil output of 95,638,465 barrels up to the beginning of 1967. The county's production in 1966 was 5,150,365 barrels.  
 The rough approximation of Garza County's production through 1967 is 100,808,830, which means that the county passed the 100-million-barrel mark last year.  
 The state has 36 counties which produced at the rate of 25,000 barrels or more a day. The three largest are: Andrews, 215,000 barrels per day; Ector, 175,304 barrels per day; and Crane, 139,000 barrels per day. Gregg County, which still produces 75,000 barrels per day, is the only county to have produced more than two billion barrels of oil.

# HemisFair '68 is receiving raves

SAN ANTONIO — HemisFair is here and receiving raves from thousands of visitors who were among the first to visit the 92.6-acre World's Fair in San Antonio. From the dreams of 1963 to the drawing board of 1964 and the construction noises of the past two years, the international exposition has quickly become the gathering place for fun-seeking tourists.

The elevators on the 622-foot Tower of the Americas, boats on the lagoons, fun rides on Fiesta Island and ovens and grills at 100-odd restaurants are all buzzing with activity.

Visitors have found it is a World's Fair designed for people offering such conveniences as outside air conditioning to accommodate those waiting to get into the popular assortment of pavilions, transportation by skyride, monorail or boat to get around the compact fair and both elevated and ground-level walkways.

## Special museum week set for April 23-30

LUBBOCK—Mayor W. D. "Dub" Rogers has proclaimed April 23-30 as International Museum Week here, and urges all local and area citizens to visit West Texas Museum during the special world wide observance.

The museum will be open free to the public during International Museum Week from 9 a. m. to 5 p. m. Monday through Saturday and from 2 p. m. to 5 p. m. on Sunday.

# Vietnam View

as reported by  
Marine Corps Combat Correspondents  
and edited by  
GySgt. Bob Montgomery

There have been many reports of late about the failure of our pacification efforts. Contrary to the apparent beliefs of many people, civic action and pacification did not end with the TET offensive. The Marine Corps civic action and pacification efforts were without a doubt affected by the increased hostilities; some areas experienced serious setbacks. But to say that the program has been terminated is a gross misrepresentation of the facts.

The Marine Corps approached the pacification problem in two primary ways — the first was with a vigorous civic action program and the second was with the formation of Combined Action Platoons.

Shortly after their arrival in Vietnam the Marines initiated their civic action program in an effort to earn the support of the local populace.

AT THE END OF our first year in Vietnam, the relationship of civic action to pacification was reviewed. It was found that civic action was a prerequisite to general pacification.

The considerable exposure of the Vietnamese people to Marines during MEDCAPs, construction projects, distribution of commodities, and social contacts made the

people more susceptible to general pacification efforts.

Thus, the objectives of civic action — instilling confidence into the people for their duty constituted government while strengthening the confidence of the people in Marines — were achieved.

Civic action is in full swing. In fact, an increased demand has been levied on the program due to the increased number of refugees in both I Corps and the whole of the country.

THERE HAVE BEEN many distorted reports of numbers of refugees created by the offensive. Before the offensive there were 529,000 in I Corps; as of March 15, 1968, there were 619,000. While the number of these displaced persons is large, it by no means represents an unsolvable problem. Many of these people are returning to their homes daily.

A joint South Vietnamese-American undertaking named Operation Recovery has been launched to help meet the immediate needs of the people. It is country-wide and funded by the South Vietnamese Treasury. It is reported that the civilians are responding well and working to their common betterment.

The second important step taken by the Marines after being in Vietnam for a year was the creation of Combined Action Platoons. By mutual agreement between the Marine Corps command and the Vietnamese Military command in I Corps, combined action platoons were formed composed of 14 Marines and a Navy corpsman integrated with a popular force platoon of 35 men.

THESE UNITS were organized to provide military security to selected villages and hamlets in the I Corps Tactical Zone in the north. By virtue of living in the immediate area of operation, Popular Forces are inherently familiar with the terrain, government, indigenous personnel and VC activities in their area.

Combining PF and USMC forces into units with the mission of village security, releases Marine combat units for offensive operations with reasonable assurance that rear areas are under control. Additionally, the CAP provides a credible security for the local populace and permits local government to function.

The combined action platoon in I Corps are all in operation today; none were "wiped off the map" by the NVA. Many were hit hard, but all were defended.

The attacks proved to many of the hamlets that the CAPs were not just "fair weather friends" — they are there to stay. The Revolutionary Development Teams and other Vietnamese constituted civil affairs units are at about 80 per cent of their pre-TET number and that percentage is increasing daily.

While this program did suffer, the structure and organization has been established and functional. Thereby eliminating the necessity of "starting over from scratch" every time hostilities occur.

NOW, AFTER more than two and a half years in Vietnam and the TET offensive, another review has revealed that no major change has taken place in the relationship

between civic action and pacification.

It is in the rural areas, where government is often weak, that assistance is most needed. It is in the rural areas where the loyalty of the people is most needed by the Marines and the enemy. It is in these same areas that the VC seeks his recruits, his food, and information. It is in these areas that civic action can still be one of the most effective rounds fired in the fight to pacify the countryside.

Contrary to the apparent beliefs of many people, civic action is very much alive in Vietnam today.

## IN THIS WORLD

THE SAN MATEO-HAYWARD BRIDGE THAT SPANS THE SOUTHERN REACH OF SAN FRANCISCO BAY IN CALIFORNIA HAS BEEN AWARDED THE OUTSTANDING CIVIL ENGINEERING ACHIEVEMENT AWARD FOR 1968.

THIS AWARD IS GIVEN ANNUALLY BY THE AMERICAN SOCIETY OF CIVIL ENGINEERS TO THE ENGINEERING PROJECT THAT DEMONSTRATES THE GREATEST CONTRIBUTION OF SKILLS TO CIVIL ENGINEERING PROGRESS AND HUMANITY.

Mr. and Mrs. Ronnie Graves are parents of a 7 lb. 13 oz. son born Monday in West Texas Hospital at Lubbock. Grandparents of the new arrival, who had not been named late yesterday, are Mr. and Mrs. W. C. (Mutt) Graves and Mr. and Mrs. Quanah Maxey.

A son, John David, was born to Mr. and Mrs. John Gass of Lubbock in Porter Clinic April 15, weighing 7 lbs., 15 ozs. He is the first grandchild of Mr. and Mrs. Harold Lucas of Post. Paternal grandparents are Mr. and Mrs. Henry Gass of the Draw community.

## Wallace coming to Texas soon

AUSTIN — Former Alabama Gov. George Wallace will come to Texas April 25-27 to get his name on the ballot for president.

Wallace's American party must persuade at least 14,259 Texas voters to sign petitions before his name will be placed on the November general election ballot.

Party workers will begin collecting signatures at the American party precinct conventions and signers must not have voted in the Democratic or Republican primary elections.

again highly successful. However, all is not a "bed of roses," pointed out the agent. There has been an air of complacency among some cotton producers in the control zone which could "upset the entire applicator" and throw years of painstaking work right out the window. Continuous control is possible only through continuous spraying, and once the weevil is given a foothold, no matter how small, the situation could revert back to earlier years.

Last year's trash surveys showed the lowest number of overwintering adult weevils in the control zone, since the advent of the program, Conner said.

An intensified spraying program will be used again this year and all producers in the control zone are urged to cooperate. The spray program consists of two phases, explained Conner. Phase - one consists of three applications of undiluted technical malathion at 12 ounces per acre at five-day intervals, beginning in September. This phase is designed to kill newly emerging adult females before they can mate and lay eggs that could produce potentially overwintering adults.

Phase - two of the program calls for spraying to commence 10 days after the completion of the first phase. Applications consist of 16 ounces of malathion per acre at 10-day intervals until the first frost. Purpose of this phase, according to Conner, is to kill any adult weevils that might have emerged from eggs laid before phase - one was begun and to kill any adults that might have sur-

vived the phase - one sprayings.

The two-phase spray program known as the High Plains Diapause Boll Weevil Control Program was begun in September, 1964, and is a cooperative venture of Texas A&M University, U. S. Department of Agriculture, Plains Cotton Growers, Inc. and Texas Department of Agriculture.

## TO THE VOTERS OF PRECINCT 1

I have not had too much luck in contacting the voters of Precinct 1. At first the rain hindered me and I couldn't get around. Then where I have been most people are not at home. Therefore I am using the paper to tell you how I stand on certain things.

If elected, I favor:

- (1) Paying off the debt that the county now has.
  - (2) No increase in taxes.
  - (3) I will do my best to take care of your tax money to the best of my ability.
  - (4) I will take care of Precinct 1 business to the best of my ability—the same way I take care of my own.
  - (5) No salary increases for county employees until the county debt is paid off. If they don't want to work at present salaries there are plenty of capable people that would like the jobs.
  - (6) I am not going to tell you that I will spend all my time on the county's business, but when duty calls I'll be there.
  - (7) Vote for a man that knows how and what you have to do to pay off debts—for I have paid lots of debts of my own.
  - (8) As to the hospital, I have no answer. I will meet the problems as they come and do the best I can with them.
- This will be the way I will vote on things that will come up. Many other things will come up, I am sure. I will just face them with an open mind and do the best I can.
- If you are in favor of these things, I would like your vote and help in the Democratic primary Saturday, May 4.

Thanks

# Morales, Tanner to carry 'Lope colors in regional

## Will be gunning for state in shot, mile

Peter Morales and shot Norman Tanner, who will represent the Post Antelopes in Region I track and field meet at Lubbock Saturday, won first place last Friday in the Mustang meet at Andrews.

Morales, defending state AA mile champion, stepped upon into Division I at Andrews to find competition. He posted a 4:28.2 mile, the best time of the season, to win the large school athletes meet. Strickland of Midland finished second in Morales in 4:28.7.

Tanner won the shot put in Division I with a heave of 51-7 1/2 feet, one inch under the mark with which he won second place in the District 4AA meet.

Arthur Torres, Post freshman, turned in his best time of the season — 4:43.4 — to place second in the Division III mile run at Andrews, finishing behind David Shelton of Jal, N. M., who posted a 4:40.0.

The performance of Torres in the Andrews meet indicates that Post High School will be strong in the mile run for at least three more years, since Torres is in his first year of high school. Morales, a senior this year, has been a consistent winner in the mile ever since he was a freshman.

Both Morales and Tanner are considered good bets to qualify for the state meet in Saturday's regional meet at Lubbock.

Morales has not been defeated

### Girls volleyball won by Stanton

Stanton upset Denver City in the District 4AA girls' volleyball tournament to end the Fillies' 10-0-0 reign as district champions.

Coach Jack King's Post Does led their second round match in the district tournament to Friendship after upsetting Morton in first round play.

In other first round games, Denver City beat over Slaton and Sherman faced post Midland. Carver, Stanton then downed Friendship in advance of the championship game with Denver City.

## Three Does qualify for regional meet

The field events in the girls' district track and field meet were held at Idaho Monday, with Karen Windham qualifying for the regional meet in the broad jump and Karen Lee in the shot put.

The track events were held indoors at Lubbock last week, but the field events were postponed because of rain. In the track events, Sherry Bird of Post won first place in the 80-yard hurdles to qualify for the regional meet, which is to be held at Kress on Tuesday, April 23.

At Idaho Monday, Karen Windham placed second in the broad jump and Karen Lee second in the shot put to qualify for the regional meet.

Miss Windham had a jump of 15 feet 7 inches for second place, with Townsend of Hale Center winning first with a distance of 15-8 1/2. Sharon Windham placed third with a jump of 15-1/2, and Glen Ann Barley fifth with 14-7.

Miss Lee's second place in the shot put came on a throw of 23 feet 4 inches. D. Twitty of Littlefield was first with 29-4. Sharyn

Bilberry of Post placed sixth with a throw of 25-5.

Other girls competing for Post included Pam Petty, 220-yard dash; Sherry Bird, Brenda Lee and K. Windham, 60-yard dash; S. Windham, 80-meter hurdles; K. Windham, B. Lee and Nancy Hart, 100-yard dash; Linda Jossey, S. Bilberry and A. Morales, 440-yard dash; K. Lee, G. Barley and Theresa Sims, triple jump; T. Sims, high jump; Janet Ray, shot put; Martha Walls, Kay Altman and S. Bilberry, discus throw.

### Three Eagles in regional meet

Joe Basinger, Bill Bevers and Dan Eckert will represent Southland High School in the Region I track and field meet at Lubbock Friday and Saturday.

Basinger will compete in the high jump, Bevers in the pole vault and Eckert in the 220-yard dash.

Southland is in Conference B, where preliminaries and finals in all field events will be held at 9 a. m. Friday, and all running events are to begin at 12:30 p. m. Saturday.

Basinger won first place in the high jump in Division IV in the Mustang Relays held last Friday at Andrews, with a leap of 5-10.

### Area residents invited to Fellowship Christian Athletes Snyder meet

SNYDER — The Snyder Chapter and Huddle of the Fellowship of Christian Athletes is sponsoring an area FCA rally on Monday night, April 22. The rally will be held in the new Scurry County coliseum and will have as its theme "The Life That Wins."

Coach Tom Landry of the Dallas Cowboys will be featured on the program scheduled to begin at 7:30 o'clock. There will also be a number of other out-of-town sports personalities on the program.

There is no admission charge. Members of the Snyder FCA request all interested persons to take advantage of this opportunity to become better acquainted with the Fellowship of Christian Athletes and its purposes.

LOTS OF GUESTS — Guests in the home of Mr. and Mrs. Aubrey Ritchie during the Easter holidays were Mr. and Mrs. Junior Smith and daughters of Abilene, Mr. and Mrs. Bert Sparks and sons of Portales, N. M., Donald Gossett and family of Lubbock and the Bowen Stephens family of Plains.

### Freshmen's top scorer

## Pierce moves to guard for Frogs

Ronnie Pierce, former Post Antelope basketball star, returned to his studies at Texas Christian University Tuesday after spending Easter at home, and will report for spring basketball practice in about ten days.

Ronnie, who was the high scorer on TCU's freshman basketball team with a 16.7 point average, has been shifted to guard and says he will be given every opportunity

during spring practice to make the varsity squad.

Ronnie says there are three openings on the TCU squad and that the Horned Frogs are looking for a big center from among junior college transfers to replace Mickey McGary, who graduated.

The Frogs do not expect to bring in any junior college guards, however, and the ex-Antelope center expects plenty of opportunity to play at that position.

The Horned Frogs won the Southwest Conference basketball championship this past season and are expected to be among the top contenders for the 1968-69 championship.

### Teen-age League meeting Friday

Whether or not to continue Teen-Age League Baseball in Post this summer will depend on the size of the crowd and interest shown at a meeting at 7:30 p. m. Friday, April 19, at the Reddy Room, Pat N. Walker said today.

Walker, who has managed the Post Teen-Age team for the past three seasons, said everyone interested in the teen-age baseball program is invited to attend the meeting. Parents of boys eligible for league play are especially invited.

If enough interest is shown at the meeting, officers and directors will be elected and plans made for the upcoming season.

### Am-am tourney slated Sunday

An am-am two-ball handicap tournament will be held Sunday afternoon, April 21, at the Caprock Golf Course.

The entry fee will be \$2 plus green fees, and merchandise prizes will be awarded winners.

The tournament will be the second of the season at the local course. Cool, windy weather cut the number of teams in the first tournament three weeks ago.

**PETROLEUM EVENT**  
LUBBOCK — More than 300 persons are expected to attend the 15th annual Southwestern Petroleum Short course at Texas Tech today (Thursday) and Friday. A total of 27 papers, lectures and demonstrations will be presented.

**Children visit mother in Lubbock hospital**

Mr. and Mrs. R. B. Dodson took their grandchildren to Methodist Hospital in Lubbock on Easter Sunday to visit with the children's mother, Mrs. Molly Conoly, who underwent surgery there April 2.

Mrs. Conoly was able to be up in a wheelchair for a short visit with the children, their first together since she went to the hospital.

This year and twice has moved up to higher divisions to find competition. The 4:26.2 he posted at Andrews last Friday is believed to be the best time for the mile turned in by a Conference AA runner this year. Morales won the mile in the state meet at Austin last year in 4:24.8.

Jimmy McKee of Denver City, who won the District 4AA championship with a heave of 53-11, has the best mark of any Class AA shot putter in the area, but Tanner has a good chance of beating him at Lubbock Saturday, Coach Waco Reynolds believes.

The only other shot putters in the region who have been putting the 12-pound ball over 50 feet is a boy at Phillips and one at Seymour.

### Baseball openers drawing closer

Tryouts have been held and practice is under way in both the Babe Ruth League and Little League for the upcoming baseball season.

Little League play is scheduled to begin April 29, with Babe Ruth League play starting about a week later. Jim Kennedy is president of the Babe Ruth League and Jerry Conoly of the Little League.

Team sponsors, managers and player rosters for both leagues will be published in The Dispatch as soon as they are made available by league officials.

### Danner will retire as phone company prexy; Beck to succeed him

SAN ANGELO — E. H. Danner will be succeeded as president of General Telephone of the Southwest by L. Gray Beck, executive vice president, when Danner retires June 30, it was announced today by James J. Clerkin Jr., executive vice president — telephone operations of the company's parent organization, General Telephone & Electronics Corp.

A 40-year veteran of telephony and graduate of Illinois College in Jacksonville, Ill., Danner has been president of the Southwest Company since 1957.

Beck, a native of Everett, Wash., began his telephone career in 1934 with the West Coast Telephone Co., now a part of General of the Southwest.

### Grassland Co-op Gin meeting next Monday

The 35th annual meeting of the stockholders of the Grassland Co-op Gin will be held Monday, April 22, at the gin, at which time two directors will be elected and other business transacted.

The program will include addresses by visiting speakers. A barbecue supper will be served beginning at 6:30 o'clock.

# Kellums in California when earthquake hit

By MRS. EDMUND WILKE  
Back at the "old desk" after a week's vacation. Yes, we went fishing for a week and I enjoyed every minute of it. We went to Buchanan Lake and stayed with George and Margaret at Circle S Camp at Tow. We stay with these fine people nearly every Easter and so do a lot of West Texas people. Nearly everyone that was there during the week were from Lubbock and surrounding towns. In fact, it was just like "old home week!" Happy Smith of Tahoka stayed next door to us. We caught more than our share of fish. After keeping all we wanted we started giving them away. How's that for good luck? Now, I'm looking forward to our next fishing trip! It is good to be home, though.

Mr. and Mrs. W. J. Kellum have returned from a trip to California where they visited Mr. and Mrs. Pete Kellum in Banning. They also visited in Palm Springs and saw how the "hippies" live. They were

in California when the earthquake occurred and I don't think they enjoyed it very much. Mrs. Kellum said that it was quite an experience.

Mr. and Mrs. D. L. Jones of Fort Worth were weekend guests of Mr. and Mrs. Aubrey McNeely. Mr. Jones teaches photography in a Fort Worth high school.

Mr. and Mrs. Larry McNeely of Fort Worth will be visiting his parents, Mr. and Mrs. Aubrey McNeely, this weekend.

Jackie Dunn of Austin spent the Easter holidays with his parents, Mr. and Mrs. H. C. Dunn.

Joe Basinger won first place in high jump at a track meet at Andrews last Friday and Dan Eckert placed third. Congratulations.

Miss Sharla Taylor of El Paso spent the Easter holidays with her parents, Mr. and Mrs. H. D. Taylor.

The Rev. and Mrs. Wilson Hill and son of Anton were in Southland two different days last week.

I sure hate it that I missed them. Jackie Abshire, a freshman at West Texas State University, spent the Easter holidays with his parents, Mr. and Mrs. Delbert Abshire.

Mr. and Mrs. F. W. Callaway and Mr. and Mrs. Bob Dyess and children spent Sunday afternoon at White River Lake.

Mr. and Mrs. D. J. Dyess of Spur spent Easter Sunday with their son and daughter-in-law, and children.

All the children of Mr. and Mrs. Sam Ellis, and their grandchildren were with them for the holidays. They are: Mr. and Mrs. George Ellis and family, Mr. and Mrs. Sammy Ellis and family, Mr. and Mrs. Larry Alford and family and Mr. and Mrs. Eddie Gravel and family.

She asked me to help by sending names, addresses, birthday, etc., of the boys from our community who are in the service. Any of you who live in Lynn County and know of anyone that is in the service, please send me the information or call me at home (996-2423) and I will give you the information. I would greatly appreciate it and you will be helping our servicemen a great deal.

Edmund's nephew, Lonnie Stabeno, son of the E. C. Stabenos, underwent eye surgery at Presbyterian Hospital in Dallas last Saturday. He will have surgery on the other eye in about five days. This was an emergency operation and as yet we do not know the outcome. If you would like to send Lonnie a card, call either his mother or me for his address.

I received a card from Mrs. Nellie Mathis who has been vacationing in Oregon for the past month, and she said that she would see me soon, so I guess she will be home in a few days. She has been visiting her son, Dick Mathis, and family and a grandson, Ronnie Mathis, and family. She says everything is so pretty up there.

Patsy Dunn, a Texas Tech student, spent the holidays with her parents, Mr. and Mrs. M. A. Dunn. Alejo Cisneros fell off a roof April 8, and broke his leg. He was in Mercy Hospital until April 11. Hope all goes well with you.

Mrs. Howard Monk and children went to California during the Easter holidays to visit Mr. Monk, who is living and working out there. Mrs. Monk and children will move to California when school is out. They were there when the earthquake occurred and Mrs. Monk said it was quite an experience.

# Announcing Chevrolet's new Torque-Drive.

Nobody else offers anything like it at the price. Torque-Drive does away with the clutch pedal. Most of the shifting, too. And for the most economy, it's available exclusively on all Camaro sixes and Chevy II Nova 4- and 6-cylinder models. Look how simple it is. You accelerate in 1st, then shift to Hi for cruising. That's all. If you like, you can even start in Hi. And accelerate from standstill to cruising speed. It's just a little slower that way.

The shift lever is conveniently located on the steering column, and there's a selector quadrant with easy-to-read indications: Park-R-N-Hi-1st. Only your Chevrolet dealer has it—clutchless driving at only \$68.65.

# Reed children winners of prizes in egg hunt

By FRANK McWHIRT  
 Surprise! Surprise! I know all know Doug was sick and was very good. The school held its annual Easter program and egg hunt before Easter. A prize was given by all the students and was very good. The school received prizes for the children finding the prize eggs. Cold drinks were served to all and we had a very good time. Sandra Price of Lubbock and her grandparents, Mr. and Mrs. Cameron Justice, recently attending the revival at Calvary Baptist Church last Sunday were the Douglas Mc-

Mrs. Lee Morgan returned home last Thursday after undergoing a tonsillectomy in Hendricks Memorial Hospital at Abilene. She was there for a week.  
 MR. AND MRS. Billy Blacklock and Donnie were in Taylor to visit his brother, R. T. Blacklock, and family during the Easter holidays. Their son, Billy Wayne, of Dallas met them there Saturday for a visit.  
 Mr. and Mrs. Carroll Moore of Elton Nance were Sunday guests of the Elton Nances.  
 Mr. and Mrs. Vaughn Harris of Odessa recently visited their daughter, Mrs. Riley Miller, and family.  
 Miss Lois Nance of Denver, Colo., spent the Easter holidays with her mother, Mrs. Pearl Nance, and also visited friends.  
 Well, your correspondent and two sons went to Arlington over the Easter holidays. We stopped in Albany on the way to see my parents. My father is feeling much better. While in Arlington we visited the Jackey Fluitts, Boba McWhirt and Mr. and Mrs. Wayne McFee and Butch and my new niece, Dawn Michelle. The boys toured Six Flags on Saturday Sunday, accompanied by the Fluitts. We went to Albany to fish with relatives. Visian and Jackey returned home with the Douglas McWhirts of Dallas, who were in Post visiting over the holidays. It was a lovely trip but am very glad to be home.  
 Mrs. Bud McLaurin and Micah Cross went to Amarillo for the holidays to visit her daughter and family, the Doyle Camerons.  
 Cecil Smith was a business visitor in Slaton Monday.  
 WE WISH Luther Reed and Mrs. C. E. Robison a speedy recovery. They are in Garza Memorial Hospital and at the time of this writing were not feeling so well.  
 Mrs. Cameron Justice and the Buster McNabbs went to HemisFair over the weekend and toured other points of interest.  
 Mr. and Mrs. Buck Huckabee of Morton were Saturday guests of the Elton Nances.  
 Mrs. Lillie Cantrell of Lubbock visited her brother, Luther Reed, in the hospital Monday.  
 George McLaurin of Odessa is visiting this week with his mother, Mrs. Bud McLaurin, and other relatives.  
 Enjoying a fish dinner with the Elton Nances Thursday evening were Iva and Cecil Smith.  
 Mr. and Mrs. Don Strubling of Lubbock visited her parents, Mr. and Mrs. Hardie Ainsworth, Easter Sunday.  
 Mr. and Mrs. Horace Hancock and family of Seminole visited the Henry Keys Monday.

# Graham families hosts to many Easter guests

By MRS. GLENN DAVIS  
 Congratulations to Mr. and Mrs. Ronnie Graves on the birth of a son born in West Texas Hospital Monday.  
 We are sorry to report that Mrs. Fannie Robinson is seriously ill in Garza Memorial Hospital after suffering two strokes late Sunday.

 The Glenn Barron, Jimmy Hutton, Jody Mason, Lewis Mason, G. T. Mason families all visited during the weekend with their mother, Mrs. Willie Mason.  
 Mr. and Mrs. Jerry Ligon and son of Levelland visited here with relatives and then accompanied the C. R. Baldwins to their ranch near Eliasville for some fishing over the weekend.  
 The families of Mrs. Tennie Mason and Mrs. Willie Mason and their visitors enjoyed Easter Sunday dinner in the 4-H building.

# Son-in-law of Post couple awarded for microbiology paper

Robert Tracy Ehrlich, son-in-law of Mr. and Mrs. James L. Minor, won the O. B. Williams award for the outstanding research paper at the Texas branch of the American Society for Microbiology (ASM) at College Station last weekend.  
 Ehrlich, a graduate microbiology student at Texas Tech, presented his paper, "Regulation of Glucose Metabolism in Aspergillus Niger by Fatty Acids," before approximately 200 microbiologists from major colleges in Texas, along with 23 other students presenting papers.  
 As a result of this award, Ehrlich will present his paper at the national meeting of the ASM in Detroit, Mich., during the first week in May.  
 Ehrlich is the first student to win such an award since the establishment of the microbiology graduate program at Tech three years ago. Pending graduation in June, he will also be the first student to receive his master's degree in microbiology from Tech.

# Legion post is to be honored

William C. Cole Post No. 270 of the American Legion will be one of 12 posts to be honored at the annual 19th District convention in Lubbock, Saturday and Sunday, for attaining their 1968 membership quotas.  
 The local post, of which Bill B. Hall is commander, will be presented a citation, along with posts from Anton, Brownfield, Crosbyton, Hale Center, Lamesa, Lubbock, Morton, Muleshoe, O'Donnell, Slaton and Stanton.

The joint session of the American Legion and Auxiliary will be called to order by District Commander Billy Bond of Seminole. The principal speaker for the convention will be Willis H. McGregor of Austin, Department Adjutant.

**HOW IS YOUR CREDIT?**

The worst thing you can do is not to respond to a reminder that your payments are overdue.

The best thing you can do is go in and talk it over.

**TIPS ON KEEPING A GOOD CREDIT RATING.**

1. Pay promptly. This is more important than a big income.
2. Don't buy more than you can afford with charge accounts and time payments.
3. Leave some of your income free for emergencies.
4. Balance your use of cash and credit.
5. Never try to dodge your debts.
6. Explain matters to the credit manager.
7. Start making payments, however small.

## Three crashes on rural roads probed in March

The Texas Highway Patrol investigated three accidents on rural highways in Garza County during March, according to Sgt. A. E. Roberts, Highway Patrol supervisor in this area.

The three Garza County accidents resulted in one person injured and an estimated property damage of \$1,440.

The rural traffic accident summary for this county during the first three months of 1963 shows a total of 10 accidents, resulting in one injury and an estimated property damage of \$4,955.

## Dispatch 'Support the Church' series receives Freedoms Foundation award

The Freedoms Foundation at Valley Forge, Pa., has announced that the Keister "Support the Church" series (which has been running in The Post Dispatch for the last eight years) is again the recipient of the George Washington Honor Medal. This is the 11th such annual award bestowed upon this nationally famous feature since its origin in 1944.

The object of the Foundation's annual awards program is to honor

citizens regardless of race, creed or economic status, for outstanding efforts to improve public understanding and appreciation of the basic constitutional rights, freedoms and corresponding responsibilities inherent in the American Way of Life through the things they write, do, or say.

"The Support the Church" series is now appearing in over 1,000 newspapers throughout the United States and Canada; inter-

estingly enough, one subscriber in Sweden. It has received enthusiastic endorsement from ministers and leaders in virtually every major denomination in the United States.

This paper is pleased to present these forceful messages to its readers. We feel that the sponsors should be proud to be a part of this influential project, reflecting high credit to their own business establishments, and helping to strengthen our churches and indeed our whole community.

Leadership of the Freedoms Foundation includes Gen. Dwight D. Eisenhower, chairman; the Honorable James A. Farley, sen-

ior vice chairman; admiral Arthur W. Radford, executive commit-

tee, and Dr. Kenneth D. president.

## THANK YOU, VOTERS

I want to take this opportunity to thank you voters who elected me to the city council in the recent municipal election. I pledge myself to work in the best interests of all the people to help build a better and more progressive community.
