Notes From County Agent's Office

By Wallace Kimbrough
 County Agent of Texas A.A.M.
 Extension Service

BANG'S DISEASE OF DAIRY CATTLE

A. J. Lewis of Lubbock and County Agent spent one day last week taking blood samples from 122 head of cattle. These samples of blood were put through laboratory and the results were 100 head showed negative; 20 positive reactors and 2 suspicious. Since most of these cattle were of the dairy type and the milk from them is for human consumption it is fairly serious. Persons can contact undulant fever from drinking milk from a reactor. It is a reactor to this test. This shows a little better than 10 percent of the cattle tested to be reactors.

Any animal found to be a positive reactor should be sent to market as meat and not as a dairy cow. Any animal found to be suspicious should be tested again within three months as she may now be all right on the next test. The suspicious animals will run out about 50 percent reactors and 50 percent will turn out to be negative or give a negative report or test.

Dairy cattle should be tested each year for Bang's disease as there are a number of ways for the disease to be spread from an infected animal to a clean animal. A person cannot tell by looking at a cow if she is a reactor or not. It requires a laboratory test to show positive if she is a reactor or not. Some times the best cow in the best of condition is found to be a reactor. In many cases the cow will drop a dead or premature calf, however, they will also sometimes drop a normal calf. Any one interested in having their cattle tested may get in touch with the County Agent for details.

New Reporters Are Added To Dispatch Staff

High school news will be a feature of each week's publication. Reporters who will turn in news items from the school are Miss Betty Cash, Bobby Cash, Harriett Smith, and Peggy Sue Robinson. Miss Cash has been named chairman of the reporters group and all school news will be turned in to her before it is sent to the printer. Miss Cash was the school reporter last year for several months. She is a Senior student this year.

Other reporters who will contribute reports during the year are Miss Barbara Cox for the P-T-A; Margaret Stone for the Senior Culture club, and Mrs. B. Young for the Senior Culture Club.

The Dispatch welcomes these new reporters.

Grade School Grounds To Be Beautified

At long last the grade school campus will be beautified. This decision was reached last week when room mothers and teachers held a meeting and decided that the problem must be faced now. For years the job has been neglected and all efforts have been directed toward the High school. With the aid of the Parent-Teacher association, and as the chairman of the group said "any other group or group of persons who want to help," the campus will be landscaped and planted as soon as it is feasible.

Prize money for attendance to Parent-Teacher meetings will be used this year for the campus project and each room will, of course, strive for record attendance just as they have done in previous years. At the end of the year the room winning the attendance record will be given a money prize to use as the teacher and pupils see fit. Room mothers will not spend money this year for parties but will contribute what would have been spent for parties to the general fund.

Children of the grade school when told of the proposed plans gave a happy cheer and everyone from the oldest to youngest showed eagerness in the project. They are making plans to have a part in it. Larger boys will be given the job of helping with the preparation of the ground and others may volunteer for jobs that will be necessary before planting can begin.

There are a number of hurdles to be jumped before work can begin in earnest. One major problem is outside water connections. With priorities to face the item of faucets and pipe could prove to be a real problem. Persons who have second-hand equipment of this nature that is not now in use might be called on for help. Rubber hose for watering the shrubs will also be a problem. All these will in time be solved, however, for the room mothers and teachers are ready for action as far as the grade school is concerned.

Miss Haggard, principal of the school expressed gratitude and pleasure that the campus was to be beautified and declared the teachers would lend every effort in helping put the project over. "Small children are the most appreciative group in the world and they will enjoy the campus to the fullest degree," she said.

Mrs. Ira Lee Duckworth will have charge of the landscaping problem. Mrs. Lee Davis is chairman of the room mothers club and Mrs. Lillie McRee, secretary.

Room mothers selected to serve for the entire year and rooms they will serve are: Miss Richardson's room, Mrs. Ed Caffey; Miss Schoolcraft's room, Mrs. Jack Kennedy; Miss McMahon's room, Mrs. Jack Dale; Mrs. Briester's room, Mrs. Raymond Redman; Miss Cromer's room, Mrs. Cummings; Mrs. Lee Smith's room, Mrs. W. K. Kistner; Miss Scott's room, Mrs. Roy Stevens; Mrs. Luffel's room, Mrs. Lee Davis; Mrs. McRee's room, Mrs. Curtis Davison; Mrs. Snowdon's room, Mrs. Tom Sims; Miss Haggard's room, Mrs. J. A. Boyd; Mrs. Knott's room, Mrs. Hodges.

Room mothers for the month of September are: Mrs. Fry, Mrs. Bill Flint, 1st grade; Mrs. Tom Hendrix, 2nd grade; Mrs. Tom Hendrix, Mrs. Williams, 3rd grade; Mrs. W. H. Parker, 4th grade; Mrs. E. B. Brown, Mrs. L. P. Kennedy, 5th grade; Mrs. T. R. Thomas, Mrs. Mitchell Bowen, 6th grade; Mrs. G. A. Moore, Mrs. Dixon, 7th grade.

NORMANDIE FLOATS AGAIN

S. S. Lafayette (Normandie) was floated off mud recently and passed critical point in salvaging operations, righting to an angle of 47 degrees.

Cotton Opening Rapidly; \$1.25 General Wage

A steady sun popped open thousands of bales of cotton in this immediate plains area during the last week, bringing the harvest season much earlier than in average years.

Many farmers estimate their crops are already half open. The prevailing price for pickers is \$1.25 a hundred, or \$1.50 where the harvest crew also hauls the cotton to the gin, using gin weights. This is 25 cents higher than prices which prevailed last year when there was a bigger crop, and a more plentiful number of pickers.

The labor situation is complicated. There definitely is a shortage of help but farmers' harvest help will come along later even the fewer Mexicans will make up the bulk of pickers this fall. Drouth and short crops will permit the migration to this section of many families.

Mexicans, many of them drafted for the army and others stranded in South Texas for lack of mileage which county boards are reluctant to grant as they did last year has reduced the labor total. No one expects an ample supply of labor, much less a surplus. On the other hand, much local labor will be pressed into service when the pinch begins to be felt. Further, the cotton crop is perhaps 40 percent lower than that of last year. This county ginned 24,051 bales in 1942; this year the estimated bales totals 10,600. One-third of the cotton grown in this county is ginned in Lynn county.

Comparison On County-City Tax Rolls Released

County and City tax collectors, Lon Cross and W. F. Presson, respectively, have about finished 1943 tax rolls.

This year's rolls show total valuation of \$4,331,763.00 for county property as compared to \$4,189,534.00 for 1941. An increase of \$142,229.00 is noted for this year.

City property shows a slight decrease due, Presson stated, to the smaller merchandising stocks in Post's stores. Personal property for 1943 totals \$237,330.00; real, \$688,925.00. In 1942 the total valuation was: personal property, \$232,051.00; real, \$657,215.00.

There is a \$37,000 increase this year in personal property for the Post Independent School District. Nineteen forty-three valuation for personal school tax property is \$475,532.00; for real, \$1,525,062.00 making a total of \$2,000,594.00. In 1942 the valuations were on personal property: \$459,413.00; on real, \$1,506,917.00, making at total of \$1,966,330.00.

Church of Christ to Begin Meeting Sept. 23

The Post Church of Christ meeting begins Sept. 23 and will continue through October 3. The preaching up until Sept. 27 will be done by Thomas F. Shropshire, the regular minister. On Sept. 27, the evangelist A. R. Lawrence, will arrive to complete the meeting. Bro. Lawrence preached for this church some twenty years ago, and those who knew him then are looking forward with much pleasure to hearing him again.

Quotas On Burlap Bags Removed

Quotas on farmers and packers purchasing new burlap bags for packing certain agricultural products have been removed for the balance of 1943. Certain agricultural products include, but is not limited to, beans, cotton, feed, flour, meal, fruits, potatoes, vegetables and tobacco. The restriction on the bag sizes permitted for certain commodities has been relaxed by allowing an additional size for each of two types of seed. A 1-2 bushel bag is allowed for hybrid seed corn, a 3 bushel bag for cottonseed. These are in addition to the sizes previously permitted.

Farmers Urged To Keep 1943 Cotton Production Records

Farmers are asked to keep records of their 1943 cotton production and it is highly important that these records be kept accurately, according to Avery Moore, Jr., Chairman of the Garza County AAA Committee.

Mr. Moore explained that in past years, growers have cooperated with the AAA by furnishing detailed records of cotton production for each farm, but that this year these records will not be obtained from all growers, due to the suspension of marketing quotas.

In the past, the records of production have served as a basis for determining the yields used in marketing quota programs, emergency programs and in determining AAA payments.

"It is by a farmer's best interest that an accurate record of his 1943 cotton production be kept because this record may be needed in future AAA programs," Mr. Moore said. He said that each farmer should keep each gin ticket, bale receipt, or sales ticket for baled cotton and for lots of seed cotton sold. The AAA has offered to keep these records for any farmer who wishes to deliver or mail them to the county office.

Wheat Crop In Italy Believed To Equal Pre-War Average

In spite of the war, the Italian wheat crop this year is believed to have been as large or even larger than the pre-war average, according to the Office of Foreign Agricultural Relations of the Department of Agriculture. The 1943 crop may have amounted to as much as 260 million bushels. That estimate compares with unofficial estimates of 269 million bushels last year.

U. S. Marines Again Enlisting 17-Year Old Boys At Lubbock

The U. S. Marine Corps Recruiting Officers at Lubbock inform us that word has been received from their headquarters at El Paso that enlistments for 17 year old young men will be resumed until further notice. Any young man who is physically fit, can obtain their parents consent and furnish a birth certificate may make application through the Lubbock office of the Marine Corps. If accepted at Lubbock all men will be sent to El Paso for further examination and then on to San Diego, California for training. Upon completion of "Boot" training they will be assigned to one of the many duties and stations of the Marine throughout the world. Apply now at Room 217, Post Office Building, Lubbock, Texas or write for questionnaires which will be mailed you immediately.

March of Time Tells Story of Army Air Transport Command

This month's March of Time "Airways to Peace," tells the dramatic story, for the first time fully revealed in the screen, of one of the newest U. S. flying services—the Army's Air Transport Command. It shows the Garza Theatre Wednesday 9:30 Thursday, Sept. 23-24.

Today the Air Transport Command is the world's greatest air line with bases circling the earth. Flying wide by wide with hundreds of modern planes, its thousands of Army pilots have taken us from the icy wastes of Alaska to the tropics and the jungles of New Guinea and China's war-torn New York, Los Angeles, San Francisco, and dozens of all the world's details and procedures, which must be taught to future pilots "getting their wings with the most."

The film goes on to show the various duties of the A. T. C.—flying key personnel, supplies, drugs, even wounded, to their destinations as swiftly as possible. There is also a section on the various routines of briefing, radio communications, and other precautionary measures.

Highlight of the film are shots showing remote regions traversed by A. T. C. planes. The flying hospitals, where transfusions and operations are performed en route, bring home the time and lives saved by this service. The climax of the film shows how the airways of war can become the airways of peace.

Close City to Have Pie and Box Supper

There will be a pie and box supper at Close City school house on Friday night, Sept. 24, at 8 p. m. The proceeds will go to the benefit of the school. The public is invited to come and bring a box or pie. Come and enjoy the occasion.

Cotton Oil Mills Charged With Unfair Methods

Mrs. W. C. W. Morris, secretary-reporter of the Garza County Farm Bureau Federation releases a news story of interest to farmers of the section. The story concerns every farmer and is a report from Walter Hammond, president of the Texas Farm Bureau Federation.

"Cotton oil mills are striking against the farmer and against the war effort when they refuse to extract the oil from the seed and return the residue in cake or meal to the grower," charged Hammond in his report.

"I am told," he asserted, "that a great many cottonseed crushers while admonishing farmers not to take their seed home for feed, are still unwilling to guarantee the return of any definite amount of cake or meal to the producer. If they persist in this attitude, it may be necessary for farmers to take their seed home until such time as the oil mills are willing to call off their strike," he said.

"Farmers know from bitter experience what it means to be forced to sell their livestock for lack of protein feed. When the farmer leaves a ton of cottonseed at the gin this year, he is going to want concrete assurance that he will be allowed to get back a sufficient amount of the meal taken from that seed to feed his livestock.

"Farmers have no wish to deny the government of any oil or linters needed in the war effort, but they do feel that they are entitled to the use of the meal that they themselves have produced. They feel it is worth just as much to the war effort when fed to their cow as it is when fed to somebody else's cow."

Garza County Lagging In 3rd War Loan Drive

Garza county is lagging in the third War Loan Drive. In fact the county is \$192,300.00 short of the goal of \$362,300.00. At five o'clock Wednesday afternoon, John Herd, chairman, declared we had not even reached the half-way mark. Only \$170,000.00 was reported.

"Many people in this county have not bought bonds in this drive nor in the two that were held previously. Perhaps it is because they do not have any representative in the service but that is no excuse. Boys and men are fighting and giving their lives without a murmur, why shouldn't each one of us lend them our money? It's our war too."

News looks good but the war is not over and we all know it. Think of the events to come and realize that our boys will need everything we have to help them win. Some Garza county boys are now in the battles in Italy. We as a county, can't let them down.

These are the thoughts of many who are vitally concerned with the lack of cooperation some Garza folks are showing toward reaching the goal. "Our fighting men don't have a chance to refuse to go to battle—are we going to refuse to help them now in their great time of need?" is the question many people will ask when they realize this county is far behind in reaching its quota.

In the recent rally held on Main street in which Texas Rangers Jim Newill and Guy Wilkerson participated, under the auspices of the Garza theatre, the bond total for the twenty minute show was approximately \$2,500.00. The theatre purchased a \$1,000.00 bond that was not announced over the loud speaker system. Many persons bought \$100.00 bonds and several school children bought \$25.00 bonds. The stars were graciously accepted and the younger generation went in for autographs in a "big way." Schools were dismissed in order that children could attend the rally.

A rally was also held in Southland recently. A large crowd attended and a total of \$4,343.75 was reported. Miss Erma Lee Case, impersonating Uncle Sam, and Mr. and Mrs. Victor Hudson attended from Post.

Bond and stamp sales continue at the schools but even with these figures reports the county as a whole is falling in this drive.

Wake up Garza. The battle is on; we must win!

Fact And Fiction On Teachers Is Program Theme

Rotarians were genial hosts Tuesday night in the Post school teachers, board members and their wives, Rotary Anna and special guests in an annual banquet. The banquet was held in the Methodist church basement and 88 persons attended.

The theme of the program was a surprise known before the banquet to only those on the program. Fact and fiction in the teaching profession were intermingled in talks made by Dean Robinson, toastmaster, W. F. Presson, president, Lee Smith, principal of the Grade school, J. A. Stallings and T. R. Greenfield. Each talk was centered around the school teacher and each Rotarian apparing on the program gave a "masterpiece." Individualism was predominant in every talk and the audience thoroughly appreciated the experiences of each man as he so vividly described his life as teacher.

Musical numbers on the program were presented by Misses Jackie Thomas, Mary Helen Robertson and Mrs. Skeeter Schlaugher.

As a fitting climax to the fine program, a tribute was paid to Rotarians and sons of Rotarians in service. Dean Robinson read the roll of honor, and a period of meditation was held after which Mrs. T. L. Jones sang the appropriate song, "My Buddy." Mrs. Ray Smith gave the piano accompaniment.

The invocation opening the meeting was given by Rev. R. C. Tension, the benediction by Rev. O. B. Herring. Roy Holland led the group in several familiar songs following the banquet.

Introductions were a feature of the evening's entertainment which all declared was one of the most novel held in many years.

Half-Way Mark Not Yet Reached; Garza Citizens Are Asked To Lend Money Now

Registration For War Ration Book 4 To Be Held In Oct.

A nation-wide registration for ration book No. 4—which the Office of Price Administration hopes will be the last ration book of the war—will be held within the last ten days of October.

The OPA spokesman, in discussing plans today for distribution of the new set of coupons, said it was hoped the book would last three years, if necessary. It will be used in conjunction with Book No. 3 and with glass and plastic tokens scheduled for distribution after January 1.

The decisions to hold another nationwide registration, instead of distributing the book by mail as was done with No. 3, is based on OPA's desire to get the new coupons into use in November.

Exact dates and places of registration in each community will be determined by regional and local rationing officials.

Public May Get Copper Wire

The public may purchase copper wire without restriction from retailers: electricians, radio repair men and others who sell it. Under a new War Production Board regulation any taller or repair man may order up to \$100 worth of copper wire for delivery during any calendar quarter. Citizens must use this with care. WPB officials pointed out, as it will be needed to cover essential repairs for general public use.

**Maxine Durrett Is
Personnel Director
Of Midland Field**

Miss Maxine Durrett, civilian personnel employee of the Midland Air Field, was responsible for one of the most successful parties of the end of the summer season at the field recently. The party was sponsored by civilian employees of the field and was attended by 900 persons.

The party began with an exciting water carnival at the Ector county swimming pool. Swimming, diving, life saving exhibitions, and water polo were featured. The pool served as a background for the parade of thirty-seven bathing beauties, prettiest of whom was Miss Betty Jo Ratliff, daughter of Mr. and Mrs. Bill Ratliff of Odessa. Climax of the evening came when Miss Ratliff was crowned queen by Colonel Kenny, commanding officer of AAFBS. The queen and her court ruled during the festivities.

Following the beauty review the Odessa Chuck Wagon Gang were hosts at a typical West Texas barbecue for which they are famous.

Miss Durrett has been employed at the AAFBS since early summer. She is the daughter of Mr. and Mrs. J. R. Durrett, and was a member of the Post High school faculty last year. This is only one of the entertainment features planned by Miss Durrett. Her work she says, "is very interesting."

**Close City Women
To Assist In Lunch
Room Project**

The Close City Lunch Room Sponsors was the name chosen for the new service club of Close City. The purpose of the club is to help in every possible way with the school lunch room.

It was decided not to have a Parent-Teacher organization this year. All money will be put into the lunch room. No definite amount was set for dues. Each one will contribute what she can to the project as it is a worthy cause.

Everyone in the community is invited to become a member of the club and assist the school program.

**Woman's Culture
Club Begins Year
With Fine Meeting**

The opening meeting of the Woman's Culture club met last Wednesday in the home of Mrs. J. R. Durrett, vice-president of the organization, with Mrs. T. L. Jones, president, as co-hostess.

Phases of the world at war will form the basis for study programs this year selected from "Time" magazine. Programs on music, art, and other affiliated subjects will be presented during the year.

A message from the president who in turn related a message from the State president to all the club women in this important year in history was the first number on the program Wednesday. Mrs. Durrett gave a stirring message to the group from the National president. Others on the program were Mrs. D. C. Williams who presented the topic, "War on Waste," and Mrs. Durrett who presented the topic, "Worlds Outlook on War."

Important business matters pertaining to the resumption of the year's work after a vacation of three months was attended to with efficiency and several plans for the coming year were discussed. Several new members were voted into the club. Those who accepted were Mrs. McRee and Mrs. L. V. Presson.

Officers who will serve for the year are: Mrs. Jones, president; Mrs. Durrett, vice president; Mrs. B. E. Young, reporter; Mrs. J. E. Parker, corresponding secretary and treasurer; Mrs. W. L. Davis, recording secretary; Mrs. John Corley, literature chairman; Mrs. B. J. Edwards, music chairman; Mrs. D. C. Williams, critic and parliamentarian.

The membership roll of the latest federated club in Post is made up of the following members: Mmes. Jones, Durrett, Tom Sawyer, John Corley, W. L. Davis, Lee Davis, E. J. Edwards, L. W. Kitchen, J. P. Manly, J. E. Parker, Jim Power, D. C. Williams, E. W. Williams, B. E. Young, J. B. Slaughter and the new members Mrs. Presson and Mrs. McRee.

During the tea hour following the meeting, an informal period of reminiscing was enjoyed. Summer activities were discussed as the hostess served a delicious refreshment course.

**Mrs. Bill Wood
Honored With Party
Last Friday Night**

Mrs. Bill Wood was honored Friday night with a surprise birthday party at the American Cafe when Mrs. Wilf Scarborough entertained with a dinner party.

The dinner table was attractively arranged and a pink and green color theme was stressed in favors, table napkins and other decorative features. A beautifully decorated birthday cake formed the center piece. On each side of the cake were placed pink candles in low crystal holders. Many gifts were placed around Mrs. Wood's place.

Attractive place cards marked places for the honoree and Mmes. Weldon Johnson, Weldon Jones, Jack Edwards, Robert Johnson, Baker Robinson, Jr., and Misses Erma Lee Cook, Martha Thomas, Skeeter Smith and Margaret Stone.

Following the party at this cafe the group went to the Scarborough home where they enjoyed an informal hour of talk and music.

3RD WAR LOAN

BACK THE ATTACK...WITH WAR BONDS

Southland News

Mrs. Marvin Truelock, Correspondent

At the Bond Rally Saturday evening, the total purchases were \$4,343.75. Group singing was led by Mrs. Hub Haire, accompanied by Mrs. Herman Dobbs. Rev. E. C. Armstrong introduced the guest speaker, Chaplain H. A. Long of the South Plains Army Flying School, Lubbock. This native of New Brunswick, Canada, expressed delight at his first trip into the country here, as all large towns are mimeographed copies of each other. Other out-of-town visitors at the rally were from Post: Mr. and Mrs. Victor Hudman and son, and Miss Cass of the First National Bank, who wrote the bonds.

Rev. and Mrs. O. J. Harmonson and grandson, James Olen, spent the week end at Olney with their son, John and family.

Rev. E. C. Armstrong and wife returned last Monday from Idalou where he conducted a revival. There were five conversions and eight additions to the church.

W. H. Lucky, father of Mrs. Barney Walker, died Sept. 13, at the Millerst hospital in Waco. The funeral was held Thursday afternoon at Hico Baptist church and interment was made in the cemetery beside his wife who died in 1929.

Mrs. E. H. Ussery left two weeks ago to spend a month with her children in California. She has two daughters in Albany, Calif., two sons and a daughter in Fresno and a daughter in Richmond.

Thursday morning Carl McNece returned from Oklahoma, after attending the funeral of his father. Five of his seven children attended the funeral Tuesday.

Mr. and Mrs. Dan Siewert honored her sister, Miss Idilla Corley, Sgt. J. P. Hedges and other friends from Lubbock Wednesday night with a supper.

Mr. and Mrs. W. J. Waltrip and three children of Morton visited her mother, Mrs. Ed Lieske and sister, Mrs. Leonard Angle last week end. Other visitors Sunday were Mrs. Lieske's brother, Charlie Siewert and wife and daughters, Vera and Ruby of Wilson, and Mr. and Mrs. Malcolm Limmer and children.

Mr. and Mrs. Walter Voltz were Sunday dinner guests of the Herman Klesels.

Mr. and Mrs. C. R. Howell and children who moved to Lubbock several months ago, have returned to Southland.

The Lynn-Garza Lutheran League had their regular monthly program and business meeting at the local church Sunday evening. About 25 young people and Rev. and Mrs. E. Herber went to the home of Myrtle and Edmund Wilke where they enjoyed a watermelon feast.

Southland Boys in Service

Glen Shelton, son of Mr. and Mrs. Andrew Shelton of Pleasant Valley, came home a week ago Friday. He had recently seen Carlos Wagner, another local boy in the Navy.

Kyle Hancock was last heard from in Sicily. His third brother will enter service soon.

Ding Martin's stay at home will be six days, Sept. 17-23rd. He has been in the Pacific for more than a year and never saw a familiar face until he arrived back in Lubbock, although he met several Texas seamen.

Racy Hallman, Jr., is now home on leave. He is stationed at Gulfport, Miss., about 80 miles from his father's birthplace.

Ensign W. E. Pharr (husband of Julia Johnson) has been transferred to Shawnee, Okla., where he has charge of a large number of cadets.

Harvey Gibbs, Jr., the son of Mrs. J. T. Simmons, is Flight Commander at Wickenburg, Ariz.

W. J. Waldrip and wife of Chillicothe are visiting his sister, Mrs. J. H. Campbell and his brother J. W. Waldrip of Graham community.

Kerosene Coupons May Be Renewed For More Than 6 Months

Persons who use small amounts of kerosene for domestic cooking and lighting may now get renewal rations for periods longer than the six months formerly permitted. This provision of a recent OPA amendment is to reduce the number of renewal applications by the consumer and the amount of paper work performed by the rationing board. The amendment provides that rations issued for domestic cooking and lighting no longer will bear dates of issuance and expiration, and coupons may be used as long as they last. The rationing board may issue the ration for any period up to a year from date of application. The maximum ration allowed for domestic cooking has been increased to 20 gallons a month for the first seven persons. It was formerly 24 gallons for six or seven persons.

SOUTHLAND WINS FIRST FOOTBALL GAME OF SEASON

Friday afternoon the score was 7-24 in the first football game of the season. Southland defeating Wilson on their home grid. Supt. J. P. Hewlett is coach of the team. Members of the team are: Wesley Scott, capt., Mack Field, Joe Boyce Lester, Billy George Kelly, Don Max Jackson and Roderick Duff on the regular team. Substitutes were: Frank Row, Max Jimmy Morris and Max Chaffin. Lyle Brasfield, principal of Slaton High school and Southland coach last year, was referee and Mr. Robinett of Wilson was lineman.

DECREES DON'T PRODUCE COWS

For sometimes past the American people have been reading that they can expect milk rationing. They are therefore partially prepared for such drastic steps. The civilian butter reserve is at the vanishing point, which means that our milk supply is below needed amounts.

Farm labor costs, dairy feed, seed and everything the dairy farmer uses, have shown either normal or abnormal rises. No matter how fine our economic planners spin their theories, all of them combined cannot produce a milk cow in less than three years, by law, executive decree, or otherwise.

There is just one way to get more milk, and that is to allow the farmer who produces it a fair and reasonable profit based on the cost of production and the labor involved. Until that is done, the milk, butter and cheese supply will grow shorter and there is no use in "hiding the American people about the issue.

From the time a soldier is inducted until the day he is ready for field duty, he is furnished with more than 40 cotton articles. The Quartermaster Corps reports that it requires 250 pounds of cotton per soldier to fully equip an army.

"WHITE MAN CRAZY," IS OPINION OF INDIAN

The following story was turned in by Jack Martin of the Soil Conservation Service and an explanation thereof is not necessary. Sometimes, however, we are inclined to agree with the Indian. How about you?

Two pictures, one showing a dilapidated house, the other a field badly washed out, were published in the Oklahoma Farmer-Socokman which offered prizes for the best essays suggested by these pictures. First prize went to a Cherokee Indian's entry, brief but to the point, which reads as follows:

Both pictures show the white man crazy. Make big tepee. Plow hill. Water wash. Wind blow soil, grass all gone. Squaw gone, papoose, too. No chuckaway. No pig, no corn, no hay, no cow, no pony. Indian no plow land. Keep grass. Buffalo eat. Indian eat buffalo. High make tepee, moccasins, too. Indian no make terrace. No build dam. No give a dam. All time eat. No hunt job. No hitchhike. No ask relief. No shoot pig. Great Spirit make grass. Indian no waste anything. Indian no work. White man much crazy.

Views of Neighboring Editors:

The Slaton, Slatonite—They way some of the young ladies, and a few of those who claim to be young, are fixing their hair takes me back to my High school days. Some of the girls in my classes went to extremes in the way of padding in both front and rear and I remember one young lady who used to use a stocking "rat" in her hair and still others would use paper and old hair combs. They would come to school and with a little encouragement from one or two of the boys, the top-heavy pompadour would fall to pieces. It was a painful sight to see a young lady mincing down the street in a hobble skirt with her hair built up into a pillow size bundle in front. They looked like a flock of leaning towers of Pisa in slow action. It frightens me to think what the fashion designers may do to women's clothes when the war ends, and I am not too optimistic about the prospect in men's fashions.

The O'Donnell Index—If a member of your family died, would you print the resolutions on a billboard? If you wife entertained would you send an account of it to the theatre program man? If you were going to enlarge your business, would you advertise it in a hotel register? If you were going to have a wedding in your family, would you get out a handbill? You would send such items to the newspaper, wouldn't you? Then why don't you put your advertisements in a newspaper? The newspaper builds your town. There is no better advertisement in the world for a town than a good newspaper. A good newspaper full of advertising is indicative of a good town full of live merchants. Newspapers are town builders, town advertisers, fortune makers, news disseminators, sermon deliverers, prosperity forecasters. They are a necessity, not a luxury. They must be maintained. Without them we would retrograde to the medieval days. Don't patronize them from a charitable standpoint. Patronize them because they deliver the goods. And then when the time rolls around and you need a friend, you'll find your newspaper a real amigo.

Haskell Free Press—It seems that the congressmen are more concerned about the drafting of the fathers than the fathers are themselves.

Chances are that a majority of the fathers would lots rather that plans to draft them would be put into operation than to wonder what is going to happen.

If drafting of fathers will help speed up victory, they are ready—and would like it a lot better if congress wouldn't do so much talking. They make it appear to men in service that fathers are objecting to being drafted—in reality, a majority of them are ready.

What would be wrong with drafting them and then those who have essential jobs or reasonable exemptions could present their cases? There may be a few who do not want to be drafted—but why make it appear that all of them object—whereas only a small percent of them do?

Nolan County News—Before the days of gas rationing and draft boards and please-come-and-work-for-me labor, this was the time of the year when you drove down the highways and met truck after truck filled with Mexican and negro cotton pickers, headed for the whitening cotton fields of West Texas. . . . Even now there are enough such trucks to keep you well reminded of the good old days when. . . . For instance, over in Trent Sunday afternoon it was nearly like old times. . . . A half dozen trucks stopped near the depot there, beside the highway, and had disgorged their human cargo while the leaders discussed terms with farmers who were also gathered there. . . . Times being what they are, we'll lay a bet that it was the farmers who were waiting to be picked (meaning "chosen") by the pickers rather than the pickers waiting to be picked by the farmers, as it used to be.

Baker-Mason Vows Exchanged Friday Night In Southland

In a ceremony read Friday evening at 7 o'clock at Southland in the home of the bride's sister, Mrs. Clarence Basinger, Miss Pauline Baker, daughter of Mr. and Mrs. John Baker, became the bride of James M. Mason, Pharmacist Mate, 1/c, brother of Marshall Mason.
The double ring ceremony was read before the fireplace with beautiful gladioli reflecting in a large mirror above the mantel.
Thomas F. Shropshire, minister of the Church of Christ, read the marriage vows.

The bride wore a black tailored suit, white lace blouse and black veiled hat with black accessories and a corsage of red rosebuds.
The ceremony was followed with a reception with the bride cutting a blue and white two-tiered wedding cake topped with a miniature bride and groom. Miss Kathryn Baker presided at the punch bowl and Mrs. Clarence Basinger served cake to the following: Mrs. John Baker and daughter Billie, Mr. and Mrs. Marshall Mason, and son Marshall, Jr., Thomas F. Shropshire, all of Post, and Mr. and Mrs. Robert E. Stewart of Lubbock.

Both the bride and groom are graduates of Post High school. Mrs. Mason was formerly employed by the Southwestern Public Service Company here. Mason has been in the United States Navy for three years and was stationed until recently in Hawaii.

The couple left early Saturday morning for Rockland, Maine where they will move into their new home. James M. Mason is with the U. S. Naval Air Forces stationed at Rockland, Maine.

PRISCILLA CLUB

Mrs. East Thaxton will entertain the Priscilla club Friday in the Raymond Redman home.

Mrs. Bess Thompson arrived in Post last week. She will visit in the home of her mother, Mrs. J. H. Ramsay, and her sister, Mrs. Winnie Tuffing.

Rush Week Parties Continue To Fill Sub-Deb Calendar

Continuing the activities of the Sub Deb club, several parties have been given this week. The first of the Rush Week parties was given last Sunday week when Miss Betty Williams was hostess with a formal tea in honor of the six new members.

On Wednesday night Miss Marian Hodge was hostess with a Mexican supper at the home of her parents. The Mexican theme was stressed and the buffet table was attractively arranged to add emphasis to the idea. Colorful individual pottery services were used. The menu consisted of delicious Mexican food.

Quartet tables were arranged in the living room for the following guests: Misses Iris Parker, Melba Jo Miller, Betty Williams, Marian Edwards, Mary Margaret Graham, Mary Helen Robertson, Wanda Thomas, Norma Joy Puddman, Mary Carpenter, Pearl Flemming Maxine Doggett, Doris Propst, Billy Kennedy Joyce Kinley, Edna Mae Pierce and the hostess.

Slumber Party Given By Marian Edwards

A slumber party that turned out to be quite slumberless was enjoyed on Friday night when Marian Edwards was charming hostess to the group. To start the party off to a tiny beginning the hostess' mother served about 12 o'clock a midnight supper consisting of cheese sandwiches, potato salad, pickles, potato chips, mints and punch.

Following the supper, a variety of games, and some new, were enjoyed and guests vied with one another in telling jokes. About three-thirty o'clock in the morning the group were served hot chocolate, and cake.

Dawn caught up with the crowd before sleep overtook them but some of the new members said "It was surely fun."

Initiation Party Planned Friday

Plans are underway for the initiation party on Friday night. Miss Iris Parker will be hostess to the affair. New members have undergone a series of initiation measures all week and a formal ceremony will be held on Friday night. Some had to beg, some have worn very peculiar looking clothes and have been marked with war paint of various styles. The hallways at the school building have been subjected to unusual sights as classes change to the enjoyment of all except those being initiated.

To bring the series of affairs to a fitting climax a formal dance will be held in the near future. Plans for this event are not complete.

Southland Lutheran Aid Met Wednesday With Mrs. G. Voigt

The Lutheran Ladies Aid of Southland met at the G. Voigt home Wednesday afternoon, Sept. 15 for their regular monthly meeting with Miss Marie as hostess. Several hymns were sung accompanied by Miss Edna on the piano. Scripture readings and prayer were given by Rev. E. Herbert. Readings were given by Mrs. Ed Becker, Mrs. Willie Becker and Mrs. Pauline Siewert. After the business meeting refreshments of coffee, cakes, pies and sandwiches were served to all present.

Members present were: Mmes. August Becker, Ed Becker, Ben Becker, Willie Becker, Wallace Becker, Henry Bruedigam, C. W. Gindorf, Elmer Gindorf, Rev. and Mrs. Herber, Herman Kiesel, O. Klaus, Ben Catchings, Oscar Nelson, Pauline Siewert, Walter Voigt, Marcus Wilke and the hostess. Visitors were Grandmas Kiesel, Mrs. Berno Wilke, Mrs. Walter Marker, and Miss Gertrude Siewert. Children present were: Gilbert Becker, Rudine Becker, Miriam Herber, Rosalie Ann and Beatrice Kiesel, Helen Catchings, and Delmar Wilke. —Rep.

Mr. and Mrs. J. C. May of Winslow, Arizona, en route to their home from Abilene where they took their daughter, Katherine to Hardin-Sarum University, visited in the J. E. Parker home here last week. Their oldest daughter, Gene, is in California where she is working in a factory as an expert welder. Esther is a Junior student in High school and the son is a student in Grade school. The Mays are former Post citizens and have a host of friends who enjoy hearing about them and their children.

Bridal Shower Is Given For Mrs. Baker Robinson, Jr.

Mrs. Jim Power entertained on last Thursday at her home with a tea-shower complimenting Mrs. Baker Robinson, jr., who before her marriage recently was Mrs. RaDel Kirkendoll, daughter of Mrs. Della Kirkendoll. Fall flowers were used to grace tables in the entertaining rooms of the Power home with emphasis placed on a blue and yellow color theme.

Mrs. Power greeted the guests and presented them to the honoree who was dressed in an attractive floor length dress of white taffeta which gave emphasis to her brunette beauty. She wore a corsage of white carnations. Others in the receiving line were the bride's mother; the groom's mother, Mrs. B. M. Robinson; grandmother of the bride, Mrs. John Lamond, Mrs. Mike Thomas; Mrs. J. E. Rice of Jayton, aunt of the groom; and Miss Peggy Sue Robinson.

Music was furnished throughout the calling hours by Mrs. Ray Smith, Mrs. Skeeter Slaughter and Mrs. Thomas. A feature of the musical program was the song given by Miss Jackie Thomas, cousin of the bride. The number was composed by the bride's grandmother and piano accompaniment was given by the bride's aunt, Mrs. Thomas.

An attractive center decoration following the bridal theme was placed on the lace covered tea table. The chosen colors of blue and yellow were stressed on the archway on which blue asters were entwined and in the canopies in branched candelabra that gave light to the scene. A miniature bride en route to the altar under the archway completed the arrangement.

Mrs. Bill Wood and Mrs. Robert Johnson presided at the table from which individual cake squares decorated with blue roses and yellow punch were served. Others in the house party were: Miss Marcia Thomas, Erma Lee Cass, Marion Edwards, and Marion Hodge and Mmes. Tom Ashley, E. J. Robinson, and Emmet O'Bryant.

Gifts were on display. Fifty guests attended and registered in a handsomely designed and handpainted bride's book, a gift of the groom's mother. Calling hours were from four until six o'clock.

Fall Theme Stressed In Party Honoring Mrs. Jim Mason

Six hostesses honored Mrs. Jim Mason, who until Friday was Miss Pauline Baker, with a lovely shower on last Wednesday morning. The party was held at the home of Mrs. Roy Holland from 9:30 until 11:00 o'clock. Those assisting Mrs. Holland were Mmes. L. W. Kuhn, Maggie Childress, Cecil Thaxton, Weldon Jobe and Lee Smith.

The hostesses chose decorative appointments emblematic of the early fall color theme. The shades were noted in the floral arrangements for the tea table and in the fruit arrangement of the buffet. To add emphasis to the groom's service connection, a silver ship on a mirror reflector and encircled with the chosen flowers formed the center decoration for the table. Candles in crystal holders flanked each side of the mirror.

Mrs. Holland and the bride, who was becomingly attired in an attractive green dress of wool jersey with metallic embroidery trim and her mother, Mrs. John Baker, greeted the guests.

The bride's sister, Miss Kathryn Baker, secured signatures of those who called in a beautiful bride's book. Serving tea and individual cake squares from the lovely table were Mrs. Weldon Jobe, Mrs. Robert Johnson, and Miss Martha Raye Roach and Miss Nedra Johnson.

Sixty persons registered. Many lovely and appropriate gifts were on display.

Initial Meeting Of Junior Study Club Held Tuesday

The opening meeting of the Junior Culture club for the 1943-44 club year was held last Tuesday night when Mrs. Jack Martin was hostess to the group at her home. The Martin home was gaily decorated in fall flowers for the initial business and social meeting of the organization.

Mrs. Wilbur Love, president, called the meeting to order and conducted business pertaining to the addition of new members for the club roll. Plans for the year were discussed in a general manner and new officers for the year were introduced. Miss Ruth Haggard served as president last year. Officers who will direct the activities this year in addition to Mrs. Love are Mrs. Ashley Lawson, vice president; Miss Barbara Cox, secretary; Miss Kitty Faries, treasurer; Mrs. Jack Martin, librarian; Miss Luth Haggard, parliamentary; and Miss Margaret Stone reporter.

The program was under the direction of Miss Stone who gave a resume of the course of study and introduced Mrs. Lawson and Mrs. Surman Clark who presented numbers on the program. The new president gave an interesting account of Texas Federation summer activities preceding these numbers. The topic for the Tuesday night program centered around clothing. Mrs. Lawson discussed Styles and Mrs. Clark gave a talk on Materials.

New Members who were voted into the club were: Jackie Thomas, Mattie Evelyn Stone, Margaret Weaver, Mary Kelley, Winnie Pitzer, Dickie Robinson, Inez Caffey, Mrs. Foy Winn and Mrs. Weldon Johnson.

Those attending the meeting were Mmes. Love, Lawson, Martin, Clark, and Misses Stone, Haggard, Thomas, Cox and Thelma Clark.

The hostess served delicious refreshments of punch and sandwiches during the refreshment hour.

The next meeting will be held on September 28 at 7:30 o'clock in the home of Mrs. Lawson. Mattie Evelyn Stone will have charge of the program.

Mrs. Harvey Herd Is Recent Hostess To Bridge Club

Colorful giant dahlias graced tables in the spacious living room of the John Herd home when Mrs. Harvey Herd was hostess recently to member of the Bridge club. The guest list also comprised a number of guests. A single giant dahlia also was used to decorate the center of the foursome tables during the refreshment hour.

Mrs. J. E. Parker was lucky winner in the bingo game following a series of contract bridge games. Mrs. Bob Davis won high score for the guests and Mrs. J. A. Stallings for the club members.

A delicious refreshment course consisting of pressed chicken salad, cheese biscuits, brownies, salad wafers and iced tea, were served to the following: Mmes. James Minor, Marshall Mason, J. E. Parker, D. C. Williams, Bob Warren, Bryan Williams, Martin Reynolds, Ashley Lawson, Wallace Kimbrough, Phil Boucher, Novis Rodgers, A. C. Surman, B. J. Edwards, Skeeter Slaughter, Ollie Weakley, J. A. Stallings, C. D. Morrel and Bob Davis.

Luncheon and Book Review Planned By Presbyterian Aid

Plans are underway for a luncheon to be held by the women of the Presbyterian church on next Monday, September 26. The affair will be held at the home of Mrs. J. N. Power at one o'clock. After the luncheon the group will review an interesting book based on Christian education program. All members of the aid will take part on the program and give excerpts from the book.

The group spent the day Monday in the Red Cross Sewing Room and quilted for the Red Cross.

Mr. and Mrs. M. L. Richardson of Big Spring visited in the home of Mr. and Mrs. J. E. Parker Monday.

Tech Red Raiders 1943 Schedule

The 1943 Texas Tech Red Raiders will be one of the most unique football teams in the Southwest this year because the Texas Tech gridiron juggernaut will be composed only of young "civilians." The major part of Southwest teams will be made up mostly of Naval material, but not the Red Raiders. Most of the boys are only 16 and 17 years old.

Seniors Select Class Rings Wednesday the Senior class picked out their class rings. They expect to get them in about seven weeks. The rings were purchased through Mrs. Della Justice at the Gift Shop. The Juniors have ordered their pins.

Seniors Stage Assembly The Senior class had charge of the assembly program last Friday. They staged an interesting program based on the poem, "Lochinvar" by Sir Walter Scott. The presentation followed the burlesque theme.

Characters taking part were: Jeff Justice, Dale Cravy, Imogene North, Johnnie Ruth Cato, Kathryn Childress, Betty June Travis, Mary Margaret Duckworth, Donald Windham, James Lee Smith, Cecil Trull, Alvia Davis and Jimmie Thomas. Hazel Cash read's the poem; Melba Miller was stage director. The hit of the vaudeville numbers was the Barber Shop Trio comprised of Marshall Mason, Hugh Templeton and Buddy Malouf. They sang "Bartown Cowboy," "On the Banks of the Washash" and "Let Me Call You Sweetheart." As an encore they sang the Scout song.

Closing the program the entire audience sang "The Star Spangled Banner" and the school song.

Tin is used for electrical, telephone, and radio equipment.

What You Buy With WAR BONDS

Sick Boy In this war our wounded fighting men have a greater chance for recovery than in any previous conflict because of the medical aids and services that have been developed by the War and Navy Departments. One of these aids is the Hospital Transport Plane service that has been bringing our wounded back from Africa.

Your increased and continued purchase of War Bonds is required to help the Treasury Department finance this hospital transport service. "Back the attack with War Bonds." U. S. Treasury Department

ED LAWRENCE ROBERTSON IS MEMBER OF TEXAS TECH FOOTBALL TEAM

Ed Lawrence Robertson was a member of the starting line-up for the Texas Tech Red Raider team which opened the football season for the Lubbock college last Saturday night. Opponents were the strong Lubbock Army Air Field team.

Robertson holds the position of right tackle on the Red Raider team—the same position he played during his high school football days here. He is a freshman student.

The Texas Tech mentor, Coach Dell Morgan, has been forced to build from scratch this season. Only one Red Raider, Buck Gillenwater, tackle, was left around which a team could be built. Robertson was selected from a large group of newcomers and made a favorable impression not only during practice sessions but in the game Saturday.

Mrs. Robertson went to Lubbock for the game and was joined by her husband who is employed in Lubbock.

The game was a big victory for Texas Tech with the Red Raiders scoring 26 to 14.

The Red Raiders will invade Oklahoma City Friday for a clash with the highly rated Oklahoma Aggies from Stillwater.

Know Texas

By A. Garland Adair, Commissioner Centennial of Texas Statehood. Texas occupies all the continent of North America except the small part set aside for the United States, Mexico, and Canada. Texas owns all the land north of the Rio Grande, the only dusty river in the world, and the only one with the possible exception of the Trinity which is navigable for mud cats and pedestrians.

Texas is bonded on the north by twenty-five or thirty states, on the east by all the oceans in the world except the Pacific, and on the south by the Gulf of Mexico and South America, and on the west by the Pacific ocean, the Milky Way and by the sidereal universe.

Texas is so big that the people in Brownsville call the Dallas People Yankees, and the citizens of El Paso sneer at the citizens of Texasiana, Texas, as being snobs from the effete East.

It is one hundred and fifty miles farther from El Paso, Texas, to Texasiana, Texas, than it is from Chicago to New York. Fort Worth is nearer St. Paul, Minn., than it is to Brownsville, Texas.

Unless your front gate is eighteen miles from your front door you do not belong to society as constituted in West Texas. One Texan's gate is one hundred and fifty miles from his front door and he is thinking of moving his back so that he will not be annoyed by passing automobiles and peddlers. Texas cowboys are often heard and seldom seen.

Texas has such a unique history that she is the only state to have voluntarily surrendered her sovereignty as a nation to join the United States of America.

Not content with merely celebrating her centennial of independence in 1936, her people are proud that they are now numbered with Uncle Sam's children and in 1946 will celebrate a second centennial within a decade—the Centennial of Texas Statehood, with Karl Hoblitzelle, chairman of the commission and Jesse B. Jones, chairman of federal participation to plan the statewide observance.
