Funeral services scheduled today

Funeral services for Mrs. Bama Howell, 86, of 103 North Ave. who died shortly after 7 a. m. Monday in Methodist Hospital at Lubbock, will be conducted at 2 p. m. today (Thursday) at the First Baptist Church here. Mrs. Howell, who had lived in Garza County since 1914, was born in the Lubbock hospital here. She was born Bama Reaves on June 21, 1882, and was married to C. Howell on June 13, 1901, at Amarillo. When they moved to Garza County in 1914, the Howells lived in the Close City community where they lived until moving to Post about 14 years ago. Mr. Howell died May 25, 1954. Mrs. Howell was a member of the First Baptist Church of Post. She leaves five sons, Lonnie Byron, both of Tahoka, A. O'Donnell, Conor of Post, and Don Howell of Long Beach. She also has four daughters, Mrs. Lorena Massey of Amarillo, Mrs. Lois of Post, Mrs. Lenis Joplin of Lubbock and Mrs. Doris Damm of Brownfield; three sisters, Mrs. Mildred Demming of Pasadena, Tex., Mrs. Maggie Lewis of Oklahoma, and Mrs. Inez Pear of Oklahoma; 16 grandchildren and 21 great-grandchildren. The Rev. Joe Vernon, First Baptist pastor, will officiate at the funeral services. Burial, under the direction of Hudman Funeral Home, will be in Terrace Cemetery, with grandsons serving as

Repair storm damage

Dirt contractors move in workers

The Soil Conservation Service's emergency work program has resulted in the moving into Post of ten families by the Hudson & Sparks dirt contracting firm. The heads of the families that have moved here are engaged in conservation work in Garza, Dickens and Lubbock counties. The SCS emergency program was set up as a result of last June's storms, which did heavy damage to terraces, tanks and other installations on farms in Garza and adjoining counties. The Hudson & Sparks workers are building tanks and terraces and doing grubbing and root-plowing. They moved here from Electra where they had been doing dirt contract work on the 6666 Ranch. Most of the families that have moved here brought trailer houses, with the others renting. There are approximately 40 people in the ten families, it was reported at the Hudson & Sparks office here. Bailey Mayo, work unit conservationist for the Garza County Soil Conservation District, said this county was allocated \$33,120 for the emergency work. He said about fifty people have signed up for work, taking up about half the funds, with the remainder expected to be used before the sign-up deadline.

Night patrolman hired by council

The employment of John Cochran as night patrolman on the city police force was approved by the city council Monday night on the recommendation of Police Chief Bill Gordon. Cochran replaces Dave Sparks, who has been ill for several weeks. The new policeman has moved here from Rotan, where he had been on the police force since March 1. He is a former employee of the U Lazy S Ranch and the Beggs Cattle Co. here. Cochran's family consists of his wife and a daughter, Dorothy Louise.

Enrollment total 1,275 Wednesday

Enrollment Wednesday in the Post Public School totaled 1,275, an increase of 75 students over the 1,200 enrolled Aug. 28, the first day of school. The gain over the first-day enrollment is 13 in high school, 29 in junior high, and 41 in the elementary school. Enrollment by grades on Wednesday was as follows, with the first-day enrollment in parentheses: 12th, 69 (67); 11th, 92 (94); 10th, 97 (85); 9th, 117 (112); 8th, 112 (103); 7th, 112 (106); 6th, 103 (94); 5th, 121 (114); 4th, 14 (106); 3rd, 104 (95); 2nd, 116 (100); 1st, 118 (100).

Food locker here loses to burglars

Approximately \$20 was stolen in a break-in at Jackson Bros. Food Locker, 121 South Ave. H. sometime Friday night or early Saturday morning. The breakers gained entrance by breaking out the front door glass with a rock—which was found inside the door—reaching in and throwing the night lock. The money was all that was reported missing, but the intruders had scattered papers around the desk and filing cabinets.

Drilling started at 'uptown' well

Drilling was under way at 2,289 feet Wednesday morning at George R. Brown's City of Post, Unit 43, Well No. 1, which is being drilled just across the street south of the Garza County courthouse. "It is the farthest south and east we have gone with a well within the townsite," said E. R. "Buster" Moreland, George R. Brown manager. Projected depth of the Giorietta test is 3,750 feet, with drilling going on around the clock.

Post pioneer patient in Lubbock hospital

R. H. Collier, Post pioneer, was admitted to the Methodist Hospital in Lubbock last Friday. Mr. Collier's condition was described as "serious" late Wednesday.

Well marker is dedicated

The Pioneers' Well was one of two historical sites, officially marked Saturday at C. W. Post Memorial Scout Camp, site of the old Llano Ranch. Shown at the well are F. A. "Chief" Runkles (left), Camp Post manager; Mrs. A. C. Surman, chairman of the Garza County Historical Survey Committee; and Dr. W. C. Holden of Lubbock, the principal speaker. —(Staff Photo)

Council votes, 3 to 2, to purchase auditorium

The city council voted three-to-two for the city to proceed with its plans to purchase the Tang Bowl building for use as a community auditorium at a special meeting at 5 p. m. Tuesday. Councilmen Bob Collier, Donald Windham and Frank Blanton voted for the purchase, with Lewis C. Herron and D. C. "Billy" Hill voting against it. The motion, made by Councilman Blanton, was for the city to "accept the will of the people as voted and buy the building." Before the vote was taken, Blanton, at the suggestion of Councilman Collier, added to the motion that the city "pursue every effort to clear the title against the property." The city's purchase of the building has been held up for several months because of the council's reluctance to buy the building without a clear title, which at this time is "clouded" by three tax

jeins, according to City Atty. Carlton P. Webb. In a referendum last December, citizens approved the city's purchase of the building through the issuance of \$13,000 in warrants. The building, which is owned by the United Fidelity Insurance Co., is priced to the city at \$7,500. The cost of a new roof is \$3,500 and the purchase of a parking area is \$2,000, making the \$13,000 total. A new roof has been paid for by the insurance company, which will be reimbursed by the city upon its purchase of the property. The Post Chamber of Commerce has bought the parking area at the \$2,000 price, for which they also are to be reimbursed by the city. There was very little discussion preceding Tuesday afternoon's vote, most of the discussion having taken place at the council's regular meeting Monday night, at which six members of the auditorium board were present.

Councilman Hill said at Tuesday's special meeting that he was opposed to the auditorium purchase because he felt it would be a burden to the city and the taxpayers. "Many of the people who wanted it to begin with, have lost interest in it," he said. "We're in need of something to serve as a community center, but I don't believe in the city putting its money out there." Councilman Collier said he felt the city should abide by the wishes of the majority of the voters in last December's referendum, in which they expressed approval of the auditorium purchase. In expressing his approval of the purchase, Councilman Windham said he believed the city should buy the building, but that it should not put in any more money at this time than the purchase price; that the city should wait awhile before

committing itself as to paying for planning, maintenance, etc. Councilman Blanton said he thought the purchase of the building would be money well spent and that the project would be a good thing for the young people of the community. He also predicted that the auditorium would be used more by adults "than some now think." Councilman Herron's principal objection to the purchase of the building appeared to be the "clouded" title. At Monday night's council meeting, Vernon Scott of the auditorium board told the council that at a meeting that afternoon the board had decided to "withdraw completely" its request for \$17,000 from the city over a five-year period to pay for architect planning fees, repairs, maintenance, etc. The request for the \$17,000 was made at the council's July meeting.

Funeral services for Mrs. Outlaw set for Saturday

Mrs. N. C. Outlaw died at 3:30 a. m. today (Thursday) in West Texas Hospital at Lubbock following an illness of some 12 months. Mrs. Outlaw, who was 66, had been in the Lubbock hospital at different times for the past 10 weeks. She had been a resident of Post for 38 years, was active in church and political work, and a devotee of art, music and literature. Born Mildred L. Pate on Feb. 7, 1902, at Wooster, Ark., she was married to N. C. Outlaw at Carlsbad, N. M., Feb. 17, 1926, following her graduation from Baylor University in 1925. Mrs. Outlaw was a certified graphoanalyst and a member of the South Plains Writers Club at Lubbock. She was a longtime member of the First Methodist Church here. Surviving are her husband; two daughters, Mrs. Joe W. Evans of LaMarque and Mrs. Stephen Austin Boone Jr. of Midland, and six grandchildren. Mrs. Outlaw was preceded in death by two brothers and a sister. Funeral services for Mrs. Outlaw will be conducted at 10 a. m. Saturday at the First Methodist Church here. The officiating ministers will be the Rev. Curtis Lee, pastor, and the Rev. Marvin Boyd of Lubbock, Methodist district superintendent. Interment will be in Terrace Cemetery under the direction of Hudman Funeral Home.

Council okays budget, cuts tax 10 per cent

Following a public hearing at which none of the public appeared, the city council Tuesday approved the 1968 - 69 city budget and reduced the tax rate 15 cents — from \$1.50 to \$1.35 per \$100 property valuation. The new budget calls for total expenditures and balance of \$538,331.52, which is an increase of \$21,261.34 over total expenditures and balance of \$517,070.18 for the 1967-68 fiscal year, which ended June 30. Actually, the new budget figure is an increase of only about \$13,000 over the 1967 - 68 budget figure, since actual expenditures last year were well under the budgeted figure. Increases in the new budget will go for raises in salaries for salaried workers on the city payroll, equipment purchases and to pay for the second year's phase of a three-year street improvement program. Making the 10 per cent tax cut possible were an increase of more than \$400,000 in taxable property valuations, an anticipated operating balance of some \$29,000 at the end of the fiscal year, and the fact that the city has effected savings by paying cash for equipment purchases. The new budget anticipates \$96,850.63 in ad valorem tax collections as compared to actual collections of \$100,725.27 in the fiscal year that ended June 30. In the new budget, \$230,264.11 is earmarked for the general fund as compared to actual general fund expenditures of \$225,049.36 in the 1967-68 fiscal year. The new budget figures for the various general fund departments

and the actual 1967-68 expenditures are as follows, with the new budget figure given first:
City Hall: \$24,880.93; \$25,038.65.
Police Department: \$34,777.60; \$34,974.12.
Fire Department: \$10,540.50; \$9,625.59.
Street Department: \$43,733; \$38,934.25.

Sanitation: \$29,843; \$28,116.08.
Cemetery: \$7,907; \$7,397.09.
Park: \$5,349; \$4,660.13.
Library: \$1,492; \$1,500.
Other: \$42,521.75; \$37,585.99.
The total budgeted for the water and sewer fund is \$209,657.07 as compared to actual expenditures of \$187,307.82 during the 1967 - 68 fiscal year.

Two pioneer markers dedicated Saturday

The stories behind the pioneers' well and the infant's grave on the site of the old Llano Ranch at the Boy Scout camp here were told by Dr. W. C. Holden, a past director of the West Texas Museum, at last Saturday evening's historical marker dedication. The dedication program was sponsored by the South Plains Council, Boy Scouts of America, in cooperation with the Garza County Historical Survey Committee. Dr. Holden told the history of the Llano Ranch, once one of the biggest "spreads" in West Texas, of the men who owned it and of many of those who worked there. He told how and why the pioneers' well was dug, and told the gripping story behind the death and burial of the new-born infant, whose grave is only a few yards from the well. The baby was Kate McCommis, the first-born of Mr. and Mrs.

Parker, who presented the markers, recognized George "Scotty" Samson as donor of the grave marker, and Dr. A. C. Surman and Tom Bouchier as donors of the well marker. Mr. Samson donated the grave marker in memory of his wife, son and daughter. The markers were accepted on behalf of the South Plains Council by F. A. Sometimes its way too late

The tragic news story of three Wichita Falls teen-agers who were killed last Friday in an automobile accident while being chased by police for "dragging" should be required reading for Post "hot rodders" who are making a dangerous, and foolish, habit out of tearing up and down this city's residential streets at all hours of the night and early morning.

What happened at Wichita Falls last Friday could happen anywhere and turn a few hours of what reckless drivers consider fun into a lifetime of tragedy for their families.

It's a wonder that such an accident hasn't already happened here. For several months now, it has been getting worse and worse, despite ef-

forts of the police department to put a stop to it. We've talked to people who say they sometimes, especially over the weekends, lie awake for hours at a time and listen to racing motors and a d screeching brakes and rubber, all the time wondering when these sounds are going to be followed by the horrible sound of a crash.

Maybe blind luck will never play out for some of these drivers who risk their own necks and the lives and property of others by dragging and other hare-brained driving practices. But when it does play out, as it did in the case of the three Wichita Falls youths, it's too late then for a lesson to be learned.—CD

Boost the Antelopes Friday night

Even if we didn't know it otherwise, the fall nip in the air here of late would tell us that opening of the 1968 football season is the next stop on the sports schedule.

Friday night of this week is the big night for the Post Antelopes and Hale Center Owls and for several hundred other high school grid aggregations throughout the great state of Texas.

With the rebuilding program still going on, Coach Glynn Gregg's Antelopes are going to need all the support they can get in their Friday night home opener against Hale Center. This year's Post squad is liberally sprinkled with sophomores.

In fact, there are only three seniors on the entire squad.

It will mean a lot to those youngsters Friday night to know that the home side of the field is packed with their supporters. They've showed in scrimmages with two tough teams that they have everything it takes except experience, and they'll get that as they go along. Post fans should turn out in large numbers Friday night to boost the young Antelopes along in the first game of a tough ten-game schedule. How they fare in their next two games, both away from home, could well depend on how much fan support they get here Friday night.—CD

What our contemporaries are saying

The class-pin of the School of Experience is the safety pin.—Times, Louisville, Ky.

Conscience gets a lot of credit that belongs to cold feet.—U. S. Coast Guard Magazine.

Well, we can't miss something we haven't had. While a number of area communities have waved goodbye to their last passenger train,

Crosbyton residents won't suffer directly. It's been years (can anyone tell how many) since we have had passenger train service here. And, off-hand, I can recall very few local residents reporting a trip they made by train leaving from Lubbock. This is, no doubt, why the passenger service has been discontinued.—Billye Stockton in The Crosbyton Review.

Dear Turnrow Junkel O. C. McBride

Did you know that a new limousine has been built for the President? It is equipped with 3 television sets.

That should be handy this fall, in case Lyndon, Lady Bird and Abe Fortas each want to watch a different football game.

I understand that all privately-owned bars have been closed in Cuba. The owners were put to work in the fields.

Bartenders probably won't make very good field hands. There's a lot of difference between pouring corn, and plowing it.

I read that the complete platform of the Democratic party contains 60 pages. Don't you think that's too long?

Yes, especially since the promises in it amount to about \$1 billion per page.

What did you think about Coach Bear Bryant

receiving 1½ votes from the Alabama delegation at the Chicago convention?

That's not many votes, but after losing to the Texas Aggies in the Cotton Bowl, Bear couldn't expect a landslide.

I read that a plastic easy-chair which is inflated with air is now on the market.

Is it 2-ply or 4-ply? I might consider buying one, but I've gained a lot of weight lately, and it would be downright embarrassing to have a blowout while watching television.

Did you know that many of the foreign countries criticizing our actions in Vietnam are depending on U. S. power to protect them from a Communist invasion?

Yes. This reminds me of Americans who complain about police brutality, but when they start they are in danger from a criminal they start yelling for a cop.

Amarillo firm finds uranium

AMARILLO — Pioneer Natural Gas Company today announced that Amarillo Minerals, Inc., a wholly owned subsidiary, has discovered ore grade uranium in drill holes on nine different leases located in the Texas Coastal Plain area. Company officials indicate that more drilling will have to be done on these leases before detailed estimates of tons of ore and pounds of uranium oxide can be made.

During July, 82,500 feet of exploratory hole was drilled on land in which Amarillo Minerals holds an interest. Total footage of hole drilled to Sept. 1 is slightly in excess of 465,000. As announced earlier, contracts have been let for engineering studies regarding an uranium mill in South Texas.

Amarillo Minerals, Inc. now has an interest in over 326,000 acre feet of leases.

Our cat, Blackie, despite his many shortcomings, is a firm believer in school safety, as illustrated here.

INCIDENTALLY, a local dog lover has objected to my not giving dogs equal time with cats in this column. "You have a dog named Snoopy," he said, "so why don't you say something about him the same as Blackie?" Well, there it is. . . I said something about Snoopy," he said, "so why don't that Snoopy speaks for himself at most all the hours of the day and night, as any of our neighbors will tell you.

I've also learned that Snoopy already has two strikes called against him on account of not having the right name. A French woman, Marie Ann Guerin, who travels the world giving courses in "How to Live With Your Dog and Make Him Like It," says dog names are properly given according to the year and that most moderns do not know the art of naming an animal.

Mlle. or MADAME Guerin, as the case may be, says that in 1967 the names given baby puppies must begin with the letter R. We didn't know that when we gave Snoopy his name last April, so we missed the boat by one letter. If we had waited until next year to name Snoopy and had spent this year just calling him, "Hey, you," he'd probably have been more of a success, for the French woman says the letter S will be de rigueur in 1969, and so on.

It makes me less concerned about Snoopy's future to know that we missed naming him right by only one letter, but I shudder to think how close we came to missing the boat by a mile or two. We started to name him Danger, but didn't, because at the time we weren't sure whether he was or not.

MEANWHILE, OVER in Amsterdam, animal lover Eily Wagtmans, 15, was so unhappy about the signs reading "No Dogs Allowed" that she enrolled six neighborhood friends to help her care for pets while their mistresses did their marketing. Now Eily is also encouraging shopkeepers in other parts of town to erect rails outside their stores to which dogs can be tied and also dog bars at which they can enjoy snacks and drinks. I'll bet if Eily has a dog she named it right.

The man up the street says the Republicans are in a tough spot. They can't come up with anything to say about the Democrats that the Democrats haven't already said about each other.

New type Asian flu looked for

ATLANTA, Ga. — A committee of prominent scientists here has predicted extensive outbreaks of Asian flu in the United States because of a new strain of virus spreading out from Hong Kong.

The committee, the Public Health Advisory Committee on Immunization Practices, said it would be three to six months before a new vaccine could be developed for the virus.

"Current vaccines may provide only limited protection" against the new virus, the committee report said.

It was recommended that sent vaccine be given to those with "the highest risk of severe complications as a result of influenza," and that group be given the first dose of the new vaccine when it developed.

This group includes old and persons with chronic conditions such as cardiovascular, kidney, renal or metabolic diseases.

HALE CENTER OWLS

Friday Night, Sept. 13

in

Post's Antelope Stadium

8:00 P.M. KICKOFF

Coach Glynn Gregg's Post High Antelopes will make their 1968 football debut before the home folks in Antelope Stadium Friday night against the Hale Center Owls.

The Lopes this season are a junior-sophomore team which will make mistakes but hits awfully hard and comes in shape to play.

The Owls are an explosive type club which likes to throw the ball a lot and go for the long gainers. Hale Center is rated a title threat in their 3AA district.

This is the third game of a new fall series between these two teams with each club holding a victory. The Antelopes won two years ago and the Owls last year.

Let's have a good turnout for a real sendoff for the young Lopes in a new season.

Card of Thanks

I wish to thank everyone who was so kind and thoughtful during my stay in the hospital. I'm especially grateful for the cards, flowers and visits and other expressions of kindness. May God bless each of you.

Mrs. Cameron Justice

Words cannot express our appreciation for the thoughtfulness of our many friends and neighbors during this time of great sorrow. Thank you for your prayers, all of the lovely flowers, the memorials, cards, food and other kindnesses you have shown. May God bless you for helping to lighten our burden.

The family of Melvin Basinger

I wish to say "thank you" to Dr. Tubbs, all the nurses, to all who visited me, those who sent flowers, and to all who helped make my stay in the hospital pleasant.

R. L. Cummings

Many thanks to friends for flowers and gifts to churches, charities and worthy institutions. Letters later.

Mrs. T. L. Jones

Top economist says

Supply of cotton smallest in years

BROWNSVILLE — The supply of cotton in the United States is now the smallest since the Korean War in the early 1950s, a top cotton economist said here Thursday.

Dr. M. K. Horne, chief economist for the National Cotton Council, said the small supply is attributed to a low estimate of the current crop and a carryover stock of only 6.7 million bales.

Dr. Horne told of the low supply in a report presented during the fall meeting of the board of directors of the National Cotton Council.

"A tight supply situation creates very wide swings in the price, both up and down, great concern about future swings in the price and doubts about the future supply of whatever quality is needed," Dr. Horne told the directors. "Against our modern fiber competition, these things cost us heavily in the markets," he added.

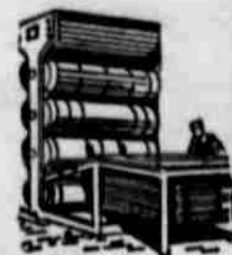

George S. Buck Jr., research director for the National Cotton Council, reported that the cotton industry research program has produced impressive results in terms of reduced costs and more competitive markets.

David Hull, market research director of the council, said a major portion of the industry's promotion

budget of \$6.6 million is being spent on direct advertising this year.

Debra Britton becomes bride of Earl Ray Sifford here Saturday

It's MY TURN

always put Mr. C in a class well—else why would I have him? That distinction falls his way, however, when he is in the same category as "all" men and Miss C and wishing him a speedy recovery.

is full of "bugs" this week, being over the weekend. I'm talking about Mr. C being just about the third to have happened in our 27 years of wedded bliss. I'm saying men should never be change quickly from they change to demand- ing people to demand- ing patients. And that "patience" is not to be com- plicated.

doctor tells a woman she is better off in a hospital than at home. Tell that to the man and he is still able to answer "no." This I find because I don't know of any place where one is waited on and foot so competently or when he is under the wea- ter.

child-mannered and thought- ful. C has rapped out orders like a Marine sergeant. It's liquid he wants and trouble keeping glasses as we run back and forth cold water, orange juice, Coke and milkshakes.

have also been kept busy with lowering windows, air-conditioning on and either putting on or taking off the bed.

Miss C's first encounter with her father as a bed patient is just shakes her head and she scurries back and I just get to scurry after 5 until 8 a.m. when I get to the office.

ing that in a few days Mr. C back to his usual lovable as holding up well—and I him well "fast."

might be my shortest col- lected but popping up and bring the night to take care C and do his onerous chore Miss Sam Basset in and social visits and drinks the night has gotten to me, possible to keep my eyes under minute so if the phone ring and no one comes into the in the next hour I think I catch up on my z's.

Didway—take over.

The Trinity Baptist Church was the setting of the wedding of Miss Debra Maureen Britton and Sgt. Earl Ray Sifford, Saturday, Sept. 7, at 7:30 o'clock in the evening.

The Rev. James A. Criswell, pastor, officiated at the reading of the double ring vows. The altar was enhanced with pyramid candelabra and featured a basket of white gladiolas holding a white candle which the couple lit after the ceremony.

Parents of the couple are Mr. and Mrs. Harold H. Britton of Post and Mr. and Mrs. W. E. Sifford of Puxico, Mo.

Given in marriage by her father, the bride wore an A-line white satin gown under Alencon lace. The scalloped neckline was adorned with seed pearls and sequin appliques which were repeated down the front of the dress. Elbow-length sleeves featured bows. The lace train was attached to the shoulders of the gown. Her elbow-length veil of silk illusion fell from a small crown of seed pearls. She carried a bouquet of yellow spider mums around a corsage of white orchids atop a white Bible belonging to her sister, Greenery and yellow satin streamers tied in love knots accented the bouquet.

As the bride came down the aisle she presented her mother with a white rose and presented her mother-in-law with one after the ceremony.

Mrs. Danny Odom was her sister's matron of honor and Mrs. Wayland Fronterhouse of DeLeon, cousin of the bride, was bridesmatron. They wore yellow bonded crepe A-line street-length dresses made with square necklines and lace bell sleeves. Each carried a white gladiola tied with long yellow streamers tied in love knots.

Miss Vickie Gordon was flower girl. She was dressed identical to the attendants and wore a barrette of miniature mums in her hair. The flower basket was filled with mum petals.

Serving as best man was Bernard S. Schlitz of Appleton, Wis. Sheldon A. Earley of La Moille, Ill., was groomsmen and Dennis Odom and Wayland Fronterhouse seated the guests.

Mrs. Boo Olson accompanied Vernon Scott at the organ as the song "The Twelfth of Never" and "Because."

At the reception following at Fellowship Hall, the table laid with white lace over yellow, centered with a yellow floral arrangement and featured the bride's bouquet. Punch and cake were served. Silver and crystal appointments were used.

Members of the house party were Mrs. Willard Yarbo, W. C. Kiker, Wayne Eckols, Ricky Little, and Misses Beth Peel and LaGayluh Young.

For the wedding trip to Missouri and Wisconsin the bride wore a cocoa brown sheath dress with matching plaid coat and patent accessories. She added the corsage from her bouquet.

Sgt. Sifford is in the Air Force and after a 45-day leave will be stationed on Okinawa. His wife will join him there as soon as arrangements are made.

Frankie Robbins, Johnnie Francis, Sue Dorner, Lorrye McAlister, Lois Kennedy, Joyce Teaff, Sammie Maddox, Ruby Jones, Allene Ammons and Lora Blanton.

ments can be made. In the meantime she will live with her parents.

Out-of-town guests included the bridegroom's mother, and Mrs. Glenn Keena and Mrs. W. C. Sifford, all of Puxico; Mrs. Max Knox and Rebecca and Miss Pat Gaff, San Angelo; Monte C. Dahlman, St. Helens, Ore.; Mrs. Lucille Long, Memphis, Tex.; and Miss Sheila Fronterhouse.

MRS. EARL RAY SIFFORD (Debra Maureen Britton)

Post Music Club begins new year with brunch Saturday

The Post Music Club, a member of the National Federation of Music Clubs, began its new club year with a brunch at Floyd's Steak House last Saturday morning at 10 o'clock.

The club chorus, under the direction of Mrs. Don Pennell, sang "Invocation" by Julia Smith, followed by the group singing of "New Year" (Rosh Hashana) by James G. Heller and Penina Moise.

Mrs. Boo Olson, club president, extended a welcome to members and two guests, Mrs. Russell Wilks Jr. and Mrs. Don Davenport.

Vice President Mrs. George L. Miller presented the yearbook to members. The course of study for the year is "What to Listen for in Music" by Aaron Copland and the theme is "The Art of Listening to Music."

Mrs. R. L. Marks, chairman of the Audio-Visual department, State Board, spoke on the aims of federation and explained the values of a club being federated.

Post's new elementary school music instructor, Mrs. Davenport, addressed the club. At the request of the club she explained what assistance it could give her and what goals she will be trying to accom-

plish in the new position.

A Fall and musical decor was carried out on the tables. Mrs. Olson and Mrs. Miller were in charge of arrangements.

Those attending were: Mrs. Willard Kirkpatrick, a patron member, and active members Mrs. Hershel Bevers, John Boren, Bo Jackson, K. W. Kirkpatrick, Dan Lamb, Marks, Ray Moxley, Pennell, Jim Ed Poyer, Bill Pool, Edwin Sawyers, Bill Shiver and Harley Turbyfill.

DONNA KAY WORKMAN

Auxiliary meets in Cooke home

The Woman's Auxiliary of Garza Memorial Hospital met last Thursday morning in the home of the president, Mrs. A. C. Cooke.

Plans were made to sell scented candles in glass holders and candy to help with the organization's projects.

It was stressed that new members are welcome and any inactive member wishing to work at the hospital are asked to call Mrs. Cooke.

Coffee, spiced rolls and cantaloupe squares were served by Mrs. Cooke and Mrs. Joe Irons from a table featuring a fall floral arrangement. Crystal and copper appointments were used.

Those attending were: Mrs. Mmes. Irons, David Rogers, W. E. Smith, Jim Prather, D. C. Williams, M. J. Malouf, L. G. Thuet Sr., J. E. Parker, John Baker, W. A. Long, Jewell Gregg and a guest, Mrs. A. B. Haws of Jacksonville.

Nov. 23 set as wedding date

Mr. and Mrs. Norris Workman are announcing the engagement and approaching marriage of their daughter, Donna Kay, to Lance Cpl. Roy D. Britton, son of Mrs. Gay Britton.

A Nov. 23 wedding is planned. Cpl. Britton is serving with the Marines in Vietnam and is scheduled to return to the states in November.

CHOOSE-IT YOURSELF WEATHER

TO GET THE MOST FROM YOUR AIR-CONDITIONER SO YOU CAN "KEEP YOUR COOL" NO MATTER HOW HIGH THE TEMPERATURE, HEED THESE EXPERT TIPS FROM AIRTEMP.

1. MAKE FRIENDS WITH YOUR THERMOSTAT. YOUR UNIT HAS A THERMOSTAT WHICH PERMITS SELECTION OF THE TEMPERATURE BEST SUITED FOR ROOM AND WEATHER CONDITIONS. FIND OUT WHERE IT SHOULD BE SET TO KEEP YOU AND THE FAMILY MOST COMFORTABLE AND LEAVE IT THERE!
2. SIMON SAYS "FOLLOW DIRECTIONS." READ AND HEED THE MANUAL THAT COMES WITH YOUR AIR-CONDITIONER. FOR INSTANCE, CHECK THE FILTER REGULARLY. A DIRTY ONE MEANS MORE WORK WITH LESS EFFICIENCY FOR YOUR UNIT. WASHING YOUR OLD FILTER IS EASY AND ONLY TAKES A MINUTE.
3. DON'T BLOW HOT AND COLD. SWITCHING YOUR UNIT ON AND OFF ADDS AN EXTRA LOAD AND LOWERS ITS EFFICIENCY. LEAVING IT ON, HOWEVER, WILL PROVIDE NOT ONLY CONSISTENT COOLING, BUT ALSO A STEADY SUPPLY OF FRESH, FILTERED AIR.
4. BE YOUR OWN WEATHERMAN. IF YOU FOLLOW THESE SIMPLE PRESCRIPTIONS FROM EXPERTS AT CHRYSLER AIRTEMP—YOUR AIR-CONDITIONER WILL SUPPLY YOU WITH PLENTY OF CLEAN, COOL COMFORT AND PERMIT YOU TO TRANSFORM SUMMER'S HOTTEST DAYS INTO THE IDEAL CLIMATE OF YOUR CHOICE.

All-day prayer meeting held

Mrs. Dortha Jackson was the program leader for the all-day prayer meeting for state missions held by the Women's Missionary Union of the Calvary Baptist Church at the church Tuesday.

All members took part in the service with the theme "Rivers of Living Water" being used.

A salad luncheon was served at noon to the following: Mrs. Juanella Hays, Dessie Duren, Bessie Windham, Mabel Martin, Lola Knowles, June Zoier, Katherine Teaff, Ruby Shedd, Marvel Pearson and Doris Jackson, who will be hostess at the Sept. 17 meeting in her home.

Chapter begins its new year

Gamma Mu chapter of Epsilon Sigma Alpha met for its first regular meeting of the fall in the Reddy Room last Thursday night with President Laveta Norman conducting the business meeting.

Members discussed whether to use a room in the old Post Sanitarium building as a meeting place. New yearbooks were distributed.

A "love offering" was taken for an out-of-town sorority sister who recently suffered a family tragedy period.

Refreshments of chips and dips were served to the following: Sandra Alexander, Margaret Allen, Patty Bausman, Sandra Claiborn, Thelma Mason, Johnnie Norman, Laveta Norman and Kay Pace.

Fall Rush party held by chapter

Six guests were present at the first Fall Rush party of Mu Alpha's chapter of Beta Sigma Phi sorority last Thursday night at the Community Room.

Enjoying the games led by Janet Pennell, Sue Carpenter, Linda Peel and Lois Fluit were Cherry Richardson, Carol Cartwright, Brenda Bass and Karen Parnell.

Billie Newman presented a brief program.

Other members present were Barbara Ethridge, Flute King and Marietta Reed.

Refreshments of sandwiches, chips, dips, Cokes, and coffee.

1969 Chevrolet pickups with added features on display

The new and rugged 1969 Chevrolet pickup trucks went on display this week at Harold Lucas Chevrolet - Olds.

Major styling changes give the front end a more massive appearance, with a higher, virtually horizontal hood line and new anodized aluminum grille.

New cab and sheet metal mounts, better door seals, and a new steering shaft coupling which isolates road noise and vibration make the cab interior much quieter. A new polyurethane foam seat-back cushion gives increased comfort.

Other new chassis features include automatic choke with all engines, two - stage multi - leaf rear leaf springs for better ride with light loads on models where leaf springs are standard or optional, foot - operated parking brake, wide - base tires on three - fourths and 1-ton models for better ride and lower vehicle height, and optional power steering on four-wheel drive models for the first time.

Among other improvements are new optional Below - Eye-Line outside mirrors with low-mounting brackets for unobstructed side vi-

sion and reduced wind noise, a higher capacity windshield wiper and washer assembly, and relocation of instrument controls for more convenient access to light and wiper - washer switches.

Interiors are brighter, with five new colors available, and a carpeting option now is offered for three-fourths and 1-ton cabs. A new design two - spoke steering wheel is larger for reduced steering effort.

Optional dressup items available include vinyl bucket seats with hand - tooled leather appearance, and a variety of bright metal trim, including exterior moldings with black paint or vinyl simulated wood - grain side inlays.

Auto registration is nearing one million

WASHINGTON — Motor vehicle registration in the United States will reach almost 100 million by the end of this year, the Federal Highway Administration has estimated.

The agency put the total at 99,958,000, an increase of about three million over 1967.

Passenger car registrations are to reach about 85 million, with that of trucks and buses totaling about 17 million.

Sing Unto the Lord A New Song

By Rev. George L. Miller

We've sung a lot of old songs in our time. We're still singing them. We know the words by heart. The melodies are etched on our brains. They are so familiar we don't even have to think about them while we're singing.

Of course, that may be the secret of their popularity. Nothing is easier and more comfortable than repeating what's already been said before.

"What this country needs is more respect for law and order" (sung to the tune of the Battle Hymn of the Republic).

"We need to get back to the Bible" with violins playing "Sentimental Journey".

And countless more.

Our hymns get more and more stale when we talk about the Church. "There are too many hypocrites in the church." "I'd go to church, but Sunday's my only day off." "That preacher just doesn't speak to me." "The church is dull, old-fashioned, out of touch with modern life,

irrelevant, always asking for money, a waste of time."

What else is new? The way we talk, you'd think we expected the church to be a cross between Lawrence Welk and the Ed Sullivan shows.

Wouldn't it be refreshing to hear some really new songs? Something like: "I got insulted in church last Sunday—and it was about time." "I haven't got time to pray this week, the Stock Market is too uncertain." or "Gee, God, if you'd just love me half as much as I love myself."

Our new songs wouldn't always be very pretty, but they would have the virtue of honesty. And they might make us aware of just how ridiculous our old songs can sound.

Honesty, humor, common sense. These are ingredients that might well give us something to sing about. We need them, our old songs are just about worn out.

7th grade class elects officers

By Sue Cowdrey
 The 7th grade held a class meeting Friday afternoon to elect class officers and to take care of other business.
 Officers were: Ray Lynn Basinger, president; Ricky Shepherd, vice president; Jan Hall, secretary; treasurer, and Sue Cowdrey, reporter.
 Student Council representatives elected were Jay Pollard, Jerry Her and Becky Dalby.
 Room mothers were also elected. They are Mrs. W. H. Childs, Mrs. Rose, Mrs. Jimmy Bird and Pete Hays.
 Ricky Shepherd presided over the meeting in the absence of Ray Lynn Basinger.

Choir needs help for Enid journey

By Sharyn Bilberry
 That is what the choir needs to be able to go to Enid, Okla., to the Tri-State Music Festival.
 The choir is going to need a large amount of money to make the trip. We are going to have two projects going in the near future to help us make money. One is a book with "Antelope" written on it, and a football. The second project being undertaken is selling a cleansing product specially designed to attack stubborn mineral deposits through chemical action.
 The choir wants very much to go to Enid this year, so when a member comes to your door please help!

Terry Miles new Senior at PHS

By Kay Lofton
 Another new member of the Senior class of Post High School is Terry Miles. Terry joins us from Andrews, where he was a student at Andrews High School.
 Terry has one brother, who is a freshman at Andrews High School. Terry makes his home in Post with his uncle and aunt, Mr. and Mrs. Bob Raines.
 Terry's favorite color is maroon. His favorite song is "Ever Now and Then I Cry," and his favorite group "The Neutecus."
 When asked how he likes Post, Terry replied, "I like Post, I guess."

County clerk's office

Limited vote forms now available here

County Clerk Carl Cederholm has issued a reminder that new residents of Texas who wish to vote in the presidential election this year must apply for a ballot at the county clerk's office by 5 o'clock Friday, Sept. 20.
 The reminder is for voters who will have lived in Texas more than 60 days but less than a year on next Nov. 5, general election day. This is the first time that residents of less than a year will be able to vote in a Texas presidential election. A law passed in 1967 allows a new resident to vote if he will have lived in Texas for at

Officers named by Jr. High classes

Classes at Post Junior High School have elected officers for the new school year.
 A separate story on the 7th grade election appears elsewhere on today's school page. The other classes elected as follows:
 Eighth Grade: Ricky King, president; Mike Huff, vice president;

Karen's Korner

By Karen Hundley
 All right. So school has started, homework piles up, your feet ache in your new shoes, and your eyelids have to be propped open by toothpicks. I agree with you! I would like to see those good old lazy summer days again. However, if wishes could come true... (?)

Look out for the Junior class! When the Juniors elected officers, they also elected several chairmen to head important functions throughout the year. They are Pam Petty, school - class spirit; David Hamilton, Jr. - Sr. banquet; Debbie Hays, scholastic average; Nancy Norman, publicity; Terry Cross, concession stand; Timmons Bull, fund raising, and David Pierce, class activities. Also, as reported to me by Nancy Norman, the Junior class will soon put on sale Post Antelope decals or stickers and Antelope book covers. Everyone is urged to buy these items from the Juniors, since the money is used to help finance the Jr.-Sr. banquet.

Everyone taking chemistry got a lesson in cleaning and washing last week. The students cleaned and straightened the lab for class experiments. Karen Lee, Mike Scott, Jan Wilks, and Nancy Hart proved to be fairly good dishwashers, although Mike cracked a flask. At the same time, Barbe Gilmore, Barbara Lucas, Kay Heron, Sharyn Bilberry and Terry Cross somehow delicately managed to dry the oddly - shaped GLASS pieces. While there weren't any mentionable mishaps, there certainly were some close calls!

Don't forget to attend our first football game here Friday night at 8. And remember to go to the dance after the game with "The 14th Phoenix Blues Band" from Lubbock playing at Teen Town. The dance will be \$1 per person and will last until around 12:30. By the way, who was it who almost tumbled onto the floor in chair last week?

Johnny Minor, secretary - treasurer; Johnny Johnson, reporter; Jo Beth Gandy, Deborah Hundley, Danny Lee, Kevin Duren and Tol Thomas, Student Council representatives. Roommothers are: Mrs. L. D. Jackson, Mrs. Cecil Johnson, Mrs. Robbie King, Mrs. James Minor.

6 - IX: Augustine Cerda, president; Jay Kennedy, vice president; Jamie Norman, secretary - treasurer; Eddie Gannon, Student Council representative; Mrs. Gene Kennedy and Mrs. Cecil Williams, roommothers.
 6-2X: Sarah Vernon, president; Renee Thomas, vice president; Tina McAlister, secretary-treasurer; Don Rogers, Student Council representative; Mrs. Ben Owen and Mrs. Jimmy Moore, roommothers.

6 - 3X: Melanie King, president; Jana McKamie, vice president; Dana Pool, secretary - treasurer; Jerry Johnson, Student Council representative; Mrs. Robbie King and Mrs. Robert Craig, roommothers.

Lunchroom Menus

Meals served in the Post schools lunchroom Monday through Friday of next week will be as follows:
 Monday: Toasted cheese sandwich, peanut butter and crackers, green beans with butter, crisp spring salad with French dressing, chocolate pudding with topping, milk.
 Tuesday: Fish sticks with catsup, buttered potatoes, seasoned spinach, bread, peach half, lazy daisy cake, milk.
 Wednesday: Baked chicken, giblet gravy, cornbread dressing, tossed salad, blackeye peas, cranberry sauce, bread, purple plums, milk.
 Thursday: Hamburgers, seasoned pork and beans, lettuce, pickles, onion rings, buttered buns, orange juice, fruit jello.
 Friday: Lunch meat and cheese sandwich, potato salad, chilled tomatoes, fruit, oatmeal cookies.

Club officers elected at meeting on Friday

By Martha Jo Walls
 Last Friday, during the activity period, the various clubs of Post High School held individual election of officers. Some organizations had elected their officers last year. Results of the elections Friday were as follows:
 Spanish Club: Steve Collazo, president; Dennis Dodson, vice president; Debbie Eubank, secretary; Johnny Hodges, treasurer; Helen Hodges, reporter; Miss Teresa Molinar, sponsor.
 Commercial Club: Sue Harrison, president; Donna Stewart, vice president; Brenda Lee, secretary; Jan Bullock, treasurer; Debbie Eubank, reporter; Mrs. Cora Fleming, sponsor.
 Pep Squad: Sue Harrison, president; Barbara Lucas, vice president; Marsha Tipton, secretary-treasurer; Mary Ann Strawn, reporter; Mrs. N. R. King, sponsor.
 Science & Math: David Hamilton, president; James Pollard, vice president; Karen Lee, secretary; Karen Windham, treasurer; Glen Ann Barley, reporter; Mrs. Iris Wilkins and Tom Hamilton, sponsors.
 Future Teachers of America: Delbert Rudd, president; Donna Stewart, vice president; Sharyn Bilberry, secretary; Gordon Lee, sponsor.

Jr. High Student Council elects

Post Junior High School Student Council officers and class representatives have been elected for the 1968 - 69 school year. The council will meet each Tuesday during the noon hour. Students attending the meeting should bring a sack lunch on that day.

The officers are: Rusty Conner, president; Lindy Bird, vice president; Cindy Bird, secretary-treasurer.
 The class representatives are as follows:
 Eighth Grade: Danny Lee, Tol Thomas, Kevin Duren, Jo Beth Gandy, Deborah Hundley.
 Seventh Grade: Jay Pollard, Jerry Tyler, Becky Dalby.
 Sixth Grade: Tony Conner, Eddie Gannon, Don Rogers, Jerry Johnson, Kent Kirkpatrick.

Will your water heater's next birthday be a happy one?

It's not uncommon for a water heater to reach the age of retirement on its 10th birthday. Some may just dribble water... others rupture with resulting damage and yet others fall to put out as much hot water as they did in their youthful years.

If your water heater is approaching its 10th birthday then it's time you talked to your Public Service manager about the value of a modern electric replacement.

And, incidentally, should an electric water heater ever need servicing, your Public Service manager will take care of it for you.

District governor to visit with Rotarians

Rotarians will welcome on Tuesday and Wednesday, Sept. 16-17, the governor of Rotary District 573, Dr. Jack Rodgers of Odessa.

Dr. Rodgers will address the Post Rotary Club, one of 47 in his district, at noon Tuesday, and will confer with Curtis Lee, president of the local Rotary Club, and with other club officials to obtain information on the group's plan for its service activities, for emphasis on the theme of the Rotary International of "Participation," and the district theme of "More Rotary Information."

Dr. Rodgers is one of 288 Rotary governors in all parts of the world who are serving as representatives of Rotary International in districts composed of member clubs. Each district leader is responsible for supervising the clubs in his area. Rotary, an international men's service organization, has more than 530,000 members in some 13,000 clubs in 142 countries.

A member and past president of the Rotary Club of Odessa, Dr. Rodgers is president of Odessa College. He was elected to his Rotary office at the Rotary convention in Mexico City in May, 1968, and will serve until June 30, 1969.

Though a seasoned Rotarian before his election to the office of district governor, Dr. Rodgers attended an eight-day International Assembly last May at Lake Placid, N. Y., at which all Rotary governors for 1968-69 attended in-depth seminars to plan for their jobs.

One of his biggest jobs will be to hold a district conference of all Rotary Clubs in this district. The conference will be held in Midland on April 17, 18, 19, 1969. The District Assembly, a training school for incoming club officers for 1969-70, will be held in Levelland on the campus of South Plains College on June 16, 1969.

\$500 allocation made for new library books

An allocation of \$500 to purchase new books was made at a meeting of the Post Public Library board Tuesday night at the city hall.

Board members also decided to give phonograph records, presented by the Radio Corporation of America, to the schools, if they can be used.

In the only other action, the board approved current bills.

Rites conducted at Slaton for accident victim

Funeral services for Melvin E. Basinger, 34, of Route 2, Post, who was fatally injured about 8:30 a. m. last Thursday in a collision of two pickup trucks 7.8 miles west of here, were held at 2 p. m. Saturday in the First Baptist Church at Slaton.

Basinger was crushed when his pickup overturned on him after he was thrown out of the vehicle by the force of the collision. He was pronounced dead on arrival at the Garza Memorial Hospital.

The other driver, S. C. Storie Jr. of Post, was not injured.

Storie's pickup, going west, was in collision with the right rear side of Basinger's pickup, which was headed north. Highway Patrolman Henry Harden reported.

The collision occurred at a county road intersection about a mile north of Basinger's home near the Close City community.

Basinger is survived by his wife, Jo Ann; a son, Ray Lynn; three daughters, Nancy, Carla and Lea Ann; his parents, Mr. and Mrs. W. A. Basinger of Southland; and three brothers, Don of Plainview, Harlan of San Antonio and Bill Basinger of Mercedes.

The Rev. Boyce Evans of Lubbock officiated at the funeral services, assisted by the Rev. John Cartrite of Slaton. Burial was in the Southland Cemetery under the direction of Englund's Funeral Home of Slaton.

Appointments made to Post's housing board

The city council Monday night reappointed Jim Jackson to the board of the Post Public Housing Authority and appointed Malachi Mitchell and Ed Blanton as new members.

Mitchell and Blanton replace Frank Blanton and A. C. Cash on the board, whose other members are Bill Pool and Ed Sawyers.

Asst. city secretary employed by council

Mrs. Jerry Hester, assistant cashier in the water department, was employed as assistant city secretary by the city council at its Monday night meeting.

Mrs. Hester, who was employed by the council on the recommendation of City Manager E. A. (Eddie) Warren, replaces Mrs. Kay Hays, who resigned.

ANOTHER IN A SERIES OF ANALYSES

Proposed Amendments

AMENDMENT NO. 9 — S. J. R. No. 4: Allowing contributions to be made to the Teacher Retirement System of Texas on the basis of full salary of members.

This proposed amendment to Section 48a of Article III removes the ceiling on contributions which teachers may make to the Teacher Retirement System for their own retirement benefits. As now provided in Section 48a, Article III, a ceiling of 6 per cent on a maximum of \$8,400 in salary, or \$504 in contributions, is set. Amendment No. 9 would permit contributions, and resulting retirement benefits, to be based on a teacher's full salary, rather than the first \$8,400 of that salary.

A change in wording in the proposed amendment directs that money coming into the Teacher Retirement Fund be managed and invested as provided in Section 48b of Article III of the Texas Constitution. The result of the change in wording has already been effectuated through the adoption of Section 48b in 1965.

BACKGROUND: The original Section 48a, Article III, of the Texas Constitution, was added in 1936 in an effort to provide a form of security for teachers that would serve as an incentive for qualified persons to become and remain teachers. This first amendment established a ceiling on contributions of \$180 annually, plus interest, to be matched by the state in determining the total amount of the annuity payable to the participant.

In 1956 Section 48a, Article III, was amended to raise the ceiling on contributions to \$504, as further encouragement to persons to enter and remain in the teaching

profession. This higher ceiling, with resulting increase in annuity benefits, also recognized the rising cost of living and the need for greater retirement income for subsistence.

Continuing inflation and salary increases for teachers provided by the legislature during the past sev-

Post Rotarians attend meeting

Approximately 25 Post Rotarians and their wives were among the 1,300 persons who attended the 41st annual Rotary Inter-City meeting Tuesday night at the Municipal Coliseum in Lubbock.

Rotarians from 47 towns throughout West Texas and Eastern New Mexico were present to welcome Kiyoshi Togasaki, Rotary International president.

The 73-year-old Togasaki, who spoke of world peace, was introduced by J. Edd McLaughlin of Ralls, who served as president of Rotary International in 1960-61.

Among the Post Rotarians attending the meeting were club president Curtis Lee and Mrs. Lee.

Recent guests in the home of Mr. and Mrs. Ralph Welch were their sons and daughter and families. They are Mr. and Mrs. Bernice Welch of Baltimore, Md., Mr. and Mrs. Burl Carey and three children and Mr. and Mrs. Larry Welch of Lubbock and Mr. and Mrs. Gary Welch and son of Abilene.

Proceeds from the car wash will be used to help finance the band's trip to the Tri-State Music Festival at Enid, Okla.

eral sessions have indicated a need for still larger retirement benefits, which Amendment No. 9 proposes to provide.

ARGUMENTS

FOR: If Texas is to attract and keep the kind of teaching personnel needed to bring Texas public schools up to first rank among the states, teachers must be given adequate retirement benefits as well as good salaries. The legislature has frequently increased teachers' salaries in recognition of the need for good teachers, and it is imperative that retirement benefits be commensurate with these higher earnings. Adoption of the proposed Amendment No. 9 would make this possible.

AGAINST: Estimates indicate that it will cost the state some \$3 million in matching funds during the biennium after the 61st session of the legislature if the present \$504 ceiling on contributions by teachers and other public school employees for retirement benefits is removed.

Antelopes to open here Friday against Hale Center

Contest helps pry lid off 1968 grid season

The boys play the brand of football they are capable of playing. We've got a good chance to win it," Coach Glenn Gregg said Sunday of the opening football game here at 8 o'clock Friday night between the Post Antelopes and Hale Center Owls.

The Antelopes will be seeking revenge for a 40-6 defeat panted here at Hale Center in the 1967 season by an Owl team that "was better by that god." The year before, the Antelopes won by a score of 14 to 12.

The Owls have the talent to make an aerial game go. Senior Burt Johnson, who weighs 165, returns as a quarterback and the receiver's job is said to be the best Hale Center has had in some time.

WITH POST also expected to do a lot of throwing on the arms of quarterbacks Ray Altman and Jay Bird. Friday night's battle shapes as an aerial game.

Post fans who saw the Post-Hale Center game last year aren't forgetting, though, that the Owls have a flashy breakout runner in halfback Larry Hammitt, 140-pounder who scored three times on 100-yard runs against the Antelopes last year.

Hammitt, along with split end Ed Roberts and tight end Bill

Davis, also will be the target of Ferguson's passes here Friday night, with even fullback T. J. Ozburn being used as a receiver.

Offensively, converted guard Tufo Castillo (135) is slated to start in the Owl backfield along with Ferguson, Hammitt and Ozburn.

Slated to go at guards are Dan Thomas (138) and Hugh Garrett (169), with Tommy Louthan (200) and Jimmy Joe Schenck (195) at the guard positions, and Don Brown (152) at center.

The Owls go with a multiple offense, including a tandem-T, pro-set, and spread. They employ a five-man monster defense.

COACH GREGG said Tuesday that the Antelopes probably will be without the services of junior tackle Steve Newby against Hale Center. Newby received an eye injury in last Friday's scrimmage with Spur, and the coach said Tuesday that it is doubtful if he will play Friday night.

If Newby is able to play, he is slated to start at one of the tackle positions, with sophomore David Perez at the other. If Newby is not available, either Jimmy McKamie or Mike Feagin will start at tackle, the coach said. McKamie missed the Spur scrimmage because of illness.

Neither end David Pierce nor tackle Boyd Noble, both juniors, will be able to go against Hale Center, according to Coach Gregg. Pierce is sidelined with a knee injury received in the Petersburg scrimmage two weeks ago, and Noble is sidelined with heel troubles.

Coach Gregg listed as the only other "casualty" a broken finger received by sophomore tackle Bobby Hodges.

OTHER TENTATIVE starters on offense besides the tackles are Randy Hudman and Dennis Dodson at guards; David Stelzer at center; Butch Heaton at split end; Jay Bird at tight end; Ray Altman, quarterback; Jimmy Pollard and George Torres at running backs, and Neff Walker at wingback.

On defense, tentative starters are Perez and Newby (if available) at guards; Stelzer and George Morales at tackles; Dodson, Hudman and Walker, linebackers; Pollard and Arthur Torres, at the corners, and Altman and Bird, halfbacks.

Coach Gregg said he and the rest of the coaching staff were generally well pleased with the showing the Antelopes made here last Friday against the tough Spur Bulldogs.

"We looked more like a ball club than we did against Petersburg," the coach said.

THE ANTELOPES held Spur on even terms in the late stages of the scrimmage after the Bulldogs had dominated play in the early stages.

Q. I was recently separated from active duty after three years of service. However, I now belong to an Organized Reserve unit which trains two days each month and two weeks each summer. Will this Reserve service increase my education and training benefits or add to the time in which I can use my G. I. Bill home loan entitlement?

A. No. The Post - Korean G. I. Bill, which grants veterans such as you with active duty after Jan. 31, 1955, both education and training and home loan benefits, excludes Reserve training from this program.

However, you are already entitled to the maximum of 36 months of education and training benefits by virtue of your three years of active duty.

You must complete this training within eight years after leaving active duty. And you have 20 years from the date of your separation from military service to use your G. I. Bill home loan entitlement.

Any time you have a question about any of your veteran benefits, check with your nearest VA office for the answer and assistance.

Meeting is set by 'Lope boosters

The first meeting of the new football season for the Antelope Boosters Club was held Monday night, at which time \$7.50 was set as the club's family membership fee.

The boosters postponed the election of new officers until their next meeting, which will be held Monday night, Sept. 16, upstairs in the junior high school auditorium.

In addition to the election of officers next Monday night, a film will be shown of Friday night's Post-Hale Center game, and team reports will be heard from Coach Glenn Gregg and other members of the coaching staff.

Elwood Wright, president of the booster club, urges parents of the Antelopes and other sports fans to attend next Monday night's meeting. Women fans are especially invited.

"We have a fine bunch of boys to support this season, and urge all fans to help generate enthusiasm for Friday night's opening game and all the other nine games," Wright said.

PP&K competition registration begins

Boys age eight through 13 in the Post area can begin registering now for the eighth annual Punt, Pass & Kick competition, with trophies and trips to be awarded football-minded youths with skills in punting, passing and kicking.

Headquarters for registering in Post is Scott-Pool Ford, 122 West Main, where entries will be accepted through Oct. 4. Boys wishing to enter must be accompanied

by a parent or guardian. There is no charge as the entire competition is absolutely free to all entrants, and all equipment such as footballs and kicking tees are provided.

When they register, boys receive a free booklet of competition tips written by Green Bay's star punter, Bart Starr; the Atlanta Falcons' punting specialist, Billy Lothridge, and the St. Louis Cardinals' kicking leader, Jim Bakken. The booklet includes exercises for better physical fitness oriented to boys of PP&K's competition ages.

In addition to the booklet, each registrant receives an attractive PP&K lapel pin.

The basic principle of PP&K underlines fairness in competition to give every boy an equal chance to win, pitting contestants only against those their own age. Points are awarded for each foot of distance the ball travels on the fly, with points subtracted for each foot the ball lands to right or left of a center line.

Eighteen handsome trophies will be awarded locally by Scott-Pool Ford. Gold trophies go to first place finishers, silver to second and bronze to third, with first place winners going on for further competition in zone contests.

Winners of zone competitions move to district competition where 216 district champions will be awarded trophies and go on to compete for area championships. Area champs travel to division events in NFL stadiums in St. Louis or Atlanta where 12 finalists are chosen—six from the NFL Eastern Division and six from the NFL Western Division.

The 12 division winners go, with both parents, to the Orange Bowl in Miami, Fla., for the National Finals during the annual NFL playoff game. Then all 12 national finalists and their parents will go on a "Tour of Champions" to Washington, D. C.

The PP&K competition is sponsored nationally by Ford dealers and the National Football League.

Vietnam View

as reported by Marine Corps Combat Correspondents and edited by GySgt. Bob Montgomery

A Leatherneck had his helmet shot off, his pistol shot out of his hand and an enemy grenade landed in the bomb crater he'd taken cover in, yet he didn't suffer a scratch.

Sgt. Percy Love, 22, Chicago, Ill., was a platoon guide with "E" Co., 2nd Bn., Third Marine Regiment, when his company was assigned to secure a helicopter landing zone near Khe Sanh and occupy a hill overlooking the landing site.

Love's platoon took the lead as the company advanced up the hill. "It was bad terrain and the going was hard," Love recalled.

The Marines were approaching a tree line when they were hit by heavy enemy rifle and automatic weapons fire. The initial burst killed the point man and wounded another Marine.

Love maneuvered forward to see where the enemy was located when he saw the point man lying in front of a bomb crater.

"I didn't know if he was dead or not," said Love. "I decided to go get him."

Armed only with a pistol, Love crawled to the crater, dropped in and moved to the edge where the point man was lying. He stood up in the crater to reach the fallen Marine and was hit by automatic weapons fire that knocked off his helmet and shot the pistol out of his hand.

Love crouched down in the hole and decided to make one more attempt to reach the casualty. Aware that the enemy had his position zeroed in, he stood up to make one more effort to pull the point man into the crater.

As he stood, a grenade struck him in the shoulder, bounced, and landed next to him.

"I looked at the grenade lying there smoking and knew I had to get out of the crater," said Love.

He jumped just before the grenade exploded.

The platoon called for Marine artillery on the enemy positions and assaulted the tree line.

The Marines recovered the point

man's body and found several blood trails around the enemy positions indicating dead or wounded enemy soldiers.

The enemy must have expected victory as an unsuspecting leatherneck squad moved into their ambush site.

They didn't figure on the audacity of one Marine, armed only with a grenade, who braved the enemy fire and charged their most vital position — a well-trenched machinegun nest.

After the squad from "H" Co., 2nd Bn., Fourth Marine Regiment, moved into the trap, Pfc. Henry L. Payne, 18, Miami, Fla., point man for the patrol, hit the dirt as heavy fire raked the Marines.

The man behind Payne was hit immediately and another Leatherneck who rushed to aid him was also wounded.

As the enemy machinegun zeroed in on the casualties, Payne crawled 50 meters through the rice paddies to flank the enemy trenches.

"We shouted to the wounded to crawl to a dike and stay there," recalled Payne. "We realized we couldn't reach them safely because of the enemy machinegun, but once the casualties reached the dike and had some safety, we could concentrate on laying down a base of fire."

If the machinegun could be silenced, Payne figured they could overpower the North Vietnamese (NVA) soldiers.

He pulled the pin on a grenade and charged the machinegun.

Payne hurled the grenade and hit the deck. The explosion silenced the position.

Payne demolished the enemy nest with another grenade.

Immediately after the second explosion, the Leathernecks started rushing enemy trenches.

Payne maneuvered back to the casualties as the remaining Marines charged through the enemy line, accounting for five NVA kills.

Two other enemy soldiers were found dead near the machinegun as the remaining enemy retreated.

Weather brings smiles to faces of farmers

By MRS. EMUND WILKE
Monday, again, and it is a beautiful day here at Southland. This is the kind of weather that makes the farmers smile — dry, sunshine and very little wind.

This community was greatly shocked when we received the news that Melvin (Tuny) Basinger, 34, had been killed in a pickup truck accident within a mile of his home. Tuny was born and raised here and everyone knew him. He was a good friend to everyone. His funeral was held at the First Baptist Church at Slaton last Saturday afternoon and he was buried in the Southland Cemetery. May God comfort and strengthen his bereaved family.

Mr. and Mrs. Hub Taylor and a daughter and Earl Lancaster sang at the funeral and they did a mighty fine job of it. This is the first time that I had heard the four of them sing and they did beautifully.

Mr. and Mrs. Marcus Wilke and Mr. and Mrs. Jake Mueller of Wilson attended a funeral for a cousin of Mrs. Wilke's in Westoff last week.

Mr. and Mrs. Cecil Stolle celebrated their second wedding anniversary with a dinner party Sept. 3. Those attending were Grandma Mary Stolle, Grandma Rose Gindorf, Mr. and Mrs. Edmund Stolle, Mr. and Mrs. Carlton Stolle, Pearl and Ella Mae Stolle and Mr. and Mrs. Walter Stolle. Here's a belated Happy Anniversary to you, LaVerne and Cecil.

Darrell Wayne Wilke celebrated his 18th birthday Sept. 3, and you know what that meant? He had to sign up for the draft! Or rather he registered!

Congratulations to Mr. and Mrs. Don Altman on the birth of a daughter, Amber D'Lynn, who was born Aug. 29 at Mercy Hospital at Slaton. The little miss weighed 7 lbs., 7 ozs. May God bless this young family.

Edmund and Yours Truly visited

the Billy Lester family Thursday night and the James Riney family Friday night.

THE WINNERS! Yup, the Southland Eagles beat the Gail football squad in a scrimmage game here last Saturday morning. Stanley Abshire, Joe E. Basinger and Darrell Wilke each scored a touchdown and Gail only scored once! Keep up the good work, boys. Our first real game will be Friday night with the Eagles traveling to Bula. All you Southland football fans — let's get behind the Eagles and let them know that we think they're GREAT!

The Rev. Tommy Wilson, former Southland Methodist minister, who now resides in Hartley, is at home and doing real fine after suffering a heart attack several weeks ago. Mrs. Wilson was in the hospital last week, but at this writing I don't know if she is still a patient or not. May God bless this family in their time of need.

I received a letter from Mrs. Z. K. McKee last week and she said to tell all her friends and neighbors hello. She is living in Hollister, Calif., but says that she plans to move back to Southland one of these days.

Patsy Gindorf, daughter of Chris Gindorf, is now living with her brother, Milton, and family and is working for the same company that Milton works for.

Mr. and Mrs. Stonewall Jefferson and family have moved into the Donahoe house.

Mr. and Mrs. Buford Jones are at home now after spending most of the summer at Ruidoso, N. M. Miss Hedwig Kinkler of Galveston spent several days last week with Mr. and Mrs. Otto Klaus.

SOUTHLAND homecoming has been set for Sept. 27 and there will be a dinner this year. Plans are going to be made this week and cards will be sent out. If you don't receive a card and would like to attend the dinner please contact Mrs. Otho Dillard, 845 South 17th

Cancer Society holds meeting

The four campaign objectives of the Garza County Unit of the American Cancer Society were presented at a breakfast meeting of the board of directors Sept. 3 at Floyd's Steak House.

The four campaign objectives for 1968-69 are: (1) Memorial Program; (2) Advance Gifts and Year-end Cultivation; (3) Legacy; (4) Crusade.

The means to be used to reach the objectives will be detailed and presented by each program committee chairman at a later date.

The board, at its Sept. 3 meeting, accepted the unit's Certificate of Authorization and the standards of certification.

Programs were scheduled for presentation to the Ministerial Alliance, Rotary Club and Lions Club to acquaint those organizations with the Cancer Society program.

Also discussed were the unit and statewide objectives. The unit's educational committee met Thursday night to discuss its objectives.

Bess rites held in New Mexico

Mrs. Inez Satterwhite, Mrs. J. D. McCampbell and Mr. and Mrs. Jerry Bush attended funeral services for Mrs. Satterwhite's brother, James Russell Bess, at the First Methodist Church in Melrose, N. M., Tuesday afternoon.

Mr. Bess, who was 73, died suddenly at his home in Melrose, Sunday. He had lived in Melrose for about 20 years and was a former resident of Post.

Surviving are his wife, Julia; a son, J. R. Morris of Frederick, Okla.; a daughter, Mrs. Delilah Thompson of Waco, and three sisters, Mrs. Satterwhite and Mrs. Clifford Kelly and Mrs. Tommie Shuman, both of Roswell, N. M.

St. Slaton. The Eagles will play Cotton Center. Make your plans to attend!

Mrs. W. P. Lester is visiting in Commerce with the Winston Lester family.

Mr. and Mrs. Walter Kellus of Slaton visited Mrs. Nellie Mathis last week.

Mr. and Mrs. Carlton Stolle visited several days last week with his parents, Mr. and Mrs. Edmund Stolle, before returning to Texas A&M University where he teaches.

Mr. and Mrs. Edmund Stolle left Tuesday for a visit to Corpus Christi and HemisFair.

Mrs. Irmgard Bredemeyer from Sweetwater is visiting the Cecil Stollers.

Mrs. Mary Stolle is spending a few days in Shallowater with Mr. and Mrs. Lee Stolle, and Roy Stolle.

How about calling me your news?

A kid's got a right to some privacy too.

If your kid's been hiding out lately when he gets on the phone, take the hint. There are probably some things he'd rather discuss without an audience around. And he's entitled. After all, asking a girl out at his age is hard enough. But when the whole family's listening in, a guy could freeze.

Help loosen young Don Juan's tongue. Call your General Telephone business office and get him an extension phone. Then he can have his tête-à-têtes without feeling self-conscious.

When a kid feels you don't want to listen in on all his private conversations, he's more apt to tell you about them. An extension phone gives him that choice.

WHEREAS, on the 29th day of July 1968, TOM W. LANDERS recovered in the County Court of Gregg County, a judgment against FIA GRIESHABER for the sum of Two Hundred Thirteen and 43/100 Dollars with interest thereon from the 29th day of July 1968, at the rate of Six percent per annum and costs of suit; and, whereas, the said judgment is a foreclosure of an Attachment lien on the following described property, to-wit:

(1) Tom W. Landers - McCrary "B" Lease and being all of the East Half (E 1/2) of the Northwest Quarter (NW 1/4) of Section 125, Block 5, H&GN Railroad Company Survey of Garza County, Texas;

(2) Tom W. Landers-McCrary "C" Lease and being all of the Southwest Quarter (SW 1/4) and the West Half (W 1/2) of the Northwest Quarter (NW 1/4) of Section 125, Block 5, H & GN Railroad Survey of Garza County, Texas;

(3) Tom W. Landers-McCrary "D" Lease and being all of the East 80 acres of West 213.43 acres of Section 1, E. W. Clark Survey of Garza County, Texas; and

(4) Tom W. Landers-McCrary "E" Lease and being all of the East Half (E 1/2) of the West Half (W 1/2) of Section 2, Holmes, Divers and Long Survey of Garza County, Texas.

as said Attachment lien existed on the 15th day of August, 1967, and it is ordered and decreed by said judgment that said property be sold as under execution in satisfaction of said judgment. And if said property shall sell for more than sufficient to pay off and satisfy said sums of money, the excess should be paid over to the said Fia Grieshaber. But if said property should not sell for enough to pay off said sums of money, the balance due shall be made as under execution, and such order of sale shall have the force and effect of a writ of possession, and the officer executing same shall make a good and sufficient mineral deed, and place the purchaser of said property in possession thereof within 10 days from date of sale.

Therefore, you are hereby commanded that you proceed to seize and sell the above property, as under execution, and make a good and sufficient Mineral deed and to place the purchaser of the same in possession thereof within 10 days after the day of sale, and you apply the proceeds thereof to the payment and satisfaction of said sum of Four Hundred and 07/100 Dollars, together with the interest that is due thereon, and the further sum of Ten and 45/100 Dollars, costs of suit, together with your legal fees and commissions for executing this writ. And if the said property shall sell for more than sufficient to pay off and satisfy said sums of money, then you are hereby directed to pay over the excess thereof to the defendant Fia Grieshaber. But if you fail to find said property, or if the proceeds of such sale be insufficient to satisfy said judgment, then you are directed to make the money, or any balance thereof remaining unpaid, out of any other property of the defendant, as in case of ordinary executions.

Herein Fail Not, but due return make hereof within 90 days, showing how you have executed the same.

Given under my hand and seal of the County Court of Gregg County, at my office in Longview, this 29th day of August, 1968.

AMERICA'S LEADERS

JOSEPH CURRAN, president of the National Maritime Union of America, AFL-CIO, has been a leader in American maritime affairs for more than 30 years. He went to sea when he was 16. In 1936, he gained national attention when he led a strike on the SS California in San Pedro harbor, during which the crew kept the liner tied up for three days.

Curran received personal insurance from U. S. Labor Secretary Frances Perkins that she'd help the striking sailors get a hearing on their grievances. Her intervention got some improvements for the crew but Curran and a dozen of his shipmates were fired and blacklisted for their role in the strike.

The company's action against Curran set off a wave of sympathy strikes by crews of other ships which turned into a crusade against the low wages, miserable conditions and shakedowns from which women suffered in those years. Curran became the leader of the crusade. It led to the founding in 1937 of the National Maritime Union and Curran's election as its first president.

Curran has been reelected president of NMU 12 times since then. He is one of the most vigorous supporters of a strong U. S. merchant marine. As chairman of the AFL-CIO Maritime Committee, Curran is spokesman for nearly 270,000 maritime workers, including longshoremen, ship officers and seamen and shipyard workers. Curran warned recently that unless the U. S. acted quickly to rebuild its merchant fleet, the Soviet Union would become the world's greatest maritime power by 1970 and would be able to use its ships to apply an economic stranglehold to this country.

'The Green Berets' coming to Tower

"The Green Berets," starring John Wayne, opens Friday at the Tower Theatre and continues through Sunday.

An epic - scaled drama of exploding action and emotions, "The Green Berets" is the first motion picture drama to be centered on the war in Vietnam.

Combining comedy, drama spectacular battle scenes and intrigue, the film is a compelling account of the U. S. Army's Special Forces branch in action.

A gripping story of courageous men under extreme stress, "The Green Berets" was filmed in robust human terms and not as political commentary. Photographed with meticulous attention to detailed authenticity, it was filmed largely on location at Fort Benning, in Georgia.

Library LISTENING POST

A review of "THE CENTER" by Stewart Alsop, Harper & Row, 1968. Millions of Americans read their newspapers every day because of their curious interest in people and power.

That's why Stewart Alsop's new book, "The Center", should be in for a rapid rise to the top of the non-fiction "best seller" list by the end of September (it climbed into the tenth spot last week).

"The Center" is the story of people and power in today's political Washington as seen through the eyes of a skilled journalist and political columnist who has made Washington his "beat" for the last 20 years.

Interpretive reporting has bred a whole new pack of political writers in the last two decades and Alsop long has been recognized as being one of the leaders of the pack.

Alsop divides his fascinating book into chapters on the various seats of power in Washington. The one every reader should save for last, however, though it is found just past the center of the book, is the one about the CIA.

It's a climactic 39 pages of "eye openers" about its accomplishments (U-2 spy planes and Cuban missile crisis to name two) and its failures (the Bay of Pigs disaster set forth in play-by-play detail for one), the unknown men who once ran and are now running this vast intelligence agency, and its importance to the country.

President Eisenhower first gave the green light to the CIA's U-2 spy planes to photograph the Soviet Union's secrets after he was shown a photograph of the Augusta golf course, taken from 70,000 feet, which showed every detail so clearly that the President delightedly picked out a golf ball on a green.

It was the CIA which developed into a science the "spy from the sky" techniques and for which the Pentagon now spends nearly a billion dollars a year. All told the U. S. is spending about \$3 billion annually for intelligence and employs 160,000 to do it, but of this vast cost and manpower outlay the CIA controls but a small portion.

Alsop terms a "myth" the notion that the CIA is the "invisible" government of the United States, as some have contended.

Despite its many frustrations, Alsop reports, the CIA has never produced a defector and as far as is known it has never been penetrated by "the opposition" as have the Soviet KGB, the British MI-6, and both German and French intelligence.

There are many other very interesting chapters in the book, including those on LBJ himself (the center of the center), the state department (the sad state of state), the defense department (the McNamara revolution), on Congress and why it has been steadily losing power and prestige (the sinking hill), and "the Warren (supreme) Court" (mystique and reality) in which Alsop takes a very hard look at the very controversial Miranda decision.

Alsop concludes that Washington today is an "uneasy and unhappy place" because of the Vietnam war (which he calls President Johnson's Albatross) and the threat of race war at home, neither of which can be successfully dealt with via money and power.

This gifted writer ended his book one chapter short. Missing is the chapter analyzing the all perplexing fall from power of the American electorate.

Perhaps instead of a chapter, it would be better if Stewart Alsop would devote his entire next book to that. — Jim Cornish.

Mark Twain's Story OF THE READING SPIDER

During Mark Twain's days as a newspaperman, he was editor of a small Missouri newspaper. One day he got a letter from a subscriber, stating that he had found a spider in his newspaper and asked if this was an omen of good luck or bad luck.

Twain wrote: "Finding a spider in your newspaper is neither good luck nor bad. The spider was merely looking over our paper to see which merchant was not advertising so that he could go to that store, spin his web across the door and lead a life of undisturbed peace ever afterward."

You will find no spider webs across the doors of the merchants who advertise in your local newspaper.
