

FIVE GIRLS MADE IT TO THE FINALS (second and third from left) during White River Lake Day. The other five finalists, from left, were: Patti Peel, Liz Dalby and Sue Eubank. Pam Petty and Martha Miller were selected last Friday night as Post's representatives in the Miss White River Lake contest to be held Saturday, Sept. 6. —(Staff Photo)

School trustees adopt \$757,430 budget for year

Post school trustees Friday afternoon adopted a 1969-70 budget calling for \$757,430.11 in expenditures, an increase of \$35,950.07 over the school year which will end Sunday. No tax increase will be required this year, although anticipated revenues total only \$717,146.51. The \$40,283.60 deficit will be avoided by the freezing of \$25,000 in budgeted expenses, if necessary, and use of carry-over surplus.

The action to adopt the budget was taken without discussion at the public budget hearing. Trustees have had the proposed budget under consideration for two months. Of the \$717,146.51 in receipts, \$20,547.27 will come from school district taxes, \$9,605.80 from the county available fund, \$287,957.44 from state sources, \$1,911 from tuition of incoming transfers, and \$125 from the sale of property.

The breakdown of budgeted expenses includes \$494,291.14 for instruction, \$40,969.76 for administration, \$4,311.60 for health services, \$5,913.26 for pupil transportation, \$1,141.26 for school plant operation, \$11,081.50 for plant maintenance, \$13,000 for fixed charges, \$2,000 for food services, \$4,382.89 for student body activities, \$6,648.33 for capital outlay, \$82,396.26 for bus service, and \$216 for out-of-town transfers.

Other actions at the Friday (See School Budget, page 8)

Lope barbecue tickets on sale

Antelope Booster Club membership tickets, which will admit families to the "Meet Our Antelopes" barbecue Tuesday, Sept. 9, went on sale this week.

The tickets, selling for \$5 each, entitles the holder and his family to attend the barbecue and to take part in booster club activities throughout the football season.

The barbecue, at which all football players — from the 7th grade up through the varsity — will be introduced by the coaches, will be held at 7 p. m. at the City-Park. Each player will wear his numbered jersey and will be introduced by name and number.

Elwood Wright, booster club president, urges all fans to purchase one of the tickets. "One of the tickets not only makes you a bona fide member of the club, but it entitles you and your family to attend the barbecue," he said.

Garza Red Cross is aiding storm victims

Garza countians wishing to help victims of Hurricane Camille may do so by contributing money to a special American Red Cross fund. An official of the Garza County chapter said today.

The county has been assigned a quota for hurricane relief and available funds have already been exhausted. Those wishing to make contributions may do so by contacting Susan A. Robinson or Jim Sexton.

Commodities, such as food and clothing, will not be sent, because of the difficulty in collecting, packing and shipping, it was said.

Post entrants picked for WR beauty event

Pam Petty, daughter of Mrs. Patricia Coppedge, and Martha Miller, daughter of Mr. and Mrs. George W. Miller, were selected from among 13 contestants last Friday night to represent Post in the second annual White River Lake Day beauty contest to be held Saturday, Sept. 6, in conjunction with other lake day activities.

The contest to select Post's two contestants was sponsored by the Jaycees and held in the primary school auditorium.

The contestants were judged by a panel of Lubbock Jaycees, with Butch Terrell, also a Lubbock Jaycee, serving as master of ceremonies. Tommy Young was the Post Jaycees' contest chairman.

Miss Petty was sponsored by Maurine's Flower Shop, with Peel's Conoco Station sponsoring Miss Miller.

There were five finalists, of the other three being Patti Peel, sponsored by the Garza County Abstract Co., Liz Dalby, by Floyd's Steak House, and Sue Eubank, by the Double L Snack Bar.

The other contestants and their sponsors were as follows: Judy Norman, Gale's Beauty Shop; Rhonda Case, Maxine's Gift Shop; Karon and Sharon Windham, Ken's Mobil Service; Sherry Bird, Western Auto; Barbara Lucas, Toby's Drive-in; Becky Brewer, Wacker's, and Janie Gomez, Hi-Way Cafe.

Piano music was played by Mrs. Margie Pennell during the event.

Graham event is set for weekend

Former pupils and teachers of the Graham Chapel School, which was started in 1904 — three years before Garza County was organized — will gather at the Graham Community Center, seven miles southwest of Post, Saturday and Sunday for a homecoming celebration.

A highlight of the two-day program will be dedication of an Official Texas Historical marker at the school site on Sunday afternoon and dedication of markers for the community's Church of Christ and Methodist Church.

Activities will begin at the community center at 6:30 p. m. Saturday with an ice cream supper and musical, with visiting to follow.

Registration Sunday will begin at 2:30 p. m., with the program scheduled to start at 4:30.

Alvin G. Davis of Levelland will open the Sunday afternoon program with a prayer, and the welcome address will be by Mrs. James Stone.

Recognitions, to be made by Mrs. Wilbourn Morris, will include Dean A. Robinson, county school superintendent; teachers and pupils of the school's first and last classes; graduating class; the three generations who attended the school; person traveling the longest distance to the homecoming, and the family with the most former pupils present.

The marker presentations will be by Mrs. Walter Boren of the Garza County Historical Survey Committee. The school marker will be accepted by Quannah Maxey, community center president; the Church of Christ marker by E. E. Peel, and the Methodist Church marker by Mrs. Fred Gossett.

Refreshments of cookies and punch will be served.

The homecoming committee has been working on plans for the celebration for the last several weeks. (See Graham Event, page 8)

WE NEED HELP ON COLLEGE ROUNDUP

The Dispatch is doing a roundup on students going off to college and needs help to make the list as complete as possible.

Parents or other relatives or friends of students who will be going back to college or going for the first time are requested to telephone The Dispatch—numbers 2816 or 2817.

E. W. Williams, Jr. Former Post man to Amarillo bank

E. W. Williams Jr., a native of Garza County and a former student in the Post schools, has been named vice president of the Amarillo National Bank in Amarillo, and will assume his new duties there Sept. 2.

Williams is chairman of the board of the First National Bank of Post. He also serves as chairman of the board of Citizens National Bank in Lubbock, vice chairman of the board of the Citizens State Bank in Slaton, vice president and director of the Hale County State Bank in Plainview and P. or jump E. W. Williams 100 cut advisory director of the Citizens State Bank in Springer, N. M. In addition, he has farming and ranching interests in Garza County, including interests in Lubbock since 1952.

A resident of the New Mexico Military Institute in Roswell, ico Southern Methodist University and of graduate schools of banking at Louisiana State University and Rutgers University.

He started his banking career in Grapevine and was an assistant bank examiner for the Federal Reserve Bank in Dallas. (See Former Post, page 8)

City paving hearing will be held today

A public hearing on the City of Post's proposed paving project is to be held at 6:30 p. m. today (Thursday) at the City Hall.

All property owners affected by the proposed paving are invited to attend the hearing.

The city's fiscal agent for the paving project will be present at the hearing, along with the paving engineer and the city council.

Schools' new budgeting system breaks down to cost per pupil

Without a computer, School Supt. Bill Shiver and his administrative staff have completed the first phase — "where we are dollarwise" — of the Post schools' new Planned Program Budgeting System.

They can tell you, for example, exactly how much it costs per pupil to teach any type of course in the local system.

What's more the figures show such interesting things as how much it costs a year to discipline students, to grade their papers, to clean the school buildings, and to pay for debt service on the school district's big construction debt.

For example, a language arts course costs an average of \$61.09 per pupil while only \$31.14 per pupil is being spent on mathematics. Art courses are the least expensive — only \$8.72 per pupil — and vocational agriculture, the most expensive, \$166.75 per student due to small classes.

Athletics cost \$104.03 per athlete. Such things as parental conferences cost \$36 per pupil for the year, another \$17.82 per pupil is sent on planning, \$15.42 for faculty meetings and in-service instruction for teacher, \$40.93 per pupil just for grading for the year, and even \$6.88 per pupil to supervise the recesses.

It costs \$5.17 per pupil for janitor service in the Post schools, \$22.16 for lunchroom duty, \$5.39 just to keep attendance records.

Food service costs \$30 per pupil annually, bus transportation \$112.46 per student, and debt service \$63.88.

The entire new 1969-70 school budget is broken down into such figures.

Breaking down the budget on a cost per pupil basis is just the first phase of the three to five year program.

The second phase is setting up long range objectives for teachers to best utilize their time.

Supt. Shiver explains this work will be done by the administration in consultation with teachers and will be aimed at the best utilization of professional time.

The administrator told Post school trustees in presenting the phase one cost breakdown to them Friday afternoon that the study is not designed as any check on teachers to see how they spend their time.

"Putting it on a per pupil cost basis, however, enables us to find the weaknesses in our program," Shiver continued.

He pointed out it is obvious that one of the objectives will be to get the professional costs concentrated in instruction not in the wide range of non-professional duties now done by the teaching staff.

Work began on the cost breakdown last May when teachers were asked to make a careful record. (See New System, page 8)

The Post Dispatch

Forty-Third Year Post, Garza County, Texas Thursday, August 28, 1969 Number 13

Supt. Bill Shiver today asked all school district parents to make an all-out effort to keep their children in school every possible day this year, except when absences are necessitated due to sickness.

State aid this year is based on average daily attendance for the current year, not on last year's ADA. That means the administrator had to guess at the probable enrollment when he made up the 1969-70 budget this summer.

A big "first day" enrollment drop is going to hurt because it will mean less state aid than anticipated.

State aid is paid not per child enrolled but on the average number of students in class throughout the year.

This means that a child who misses a number of class days is losing the Post schools state money they need to operate.

As Shiver says unnecessary school absences is just like taking money out of the local taxpayers' pockets.

We hope all local parents "get the message" and cooperate.

Robbins moving to San Marcos

Jon Robbins, who has been stationed in Post as a Texas Highway patrolman since June of 1967, is being transferred to a new highway patrol assignment at San Marcos. He will also attend Southwest Texas State College, the only school that gives a degree in law enforcement.

Ken Gilbreath of Levelland has been transferred to Post to replace Robbins and will assume his duties here Sept. 1. Gilbreath is new to the highway patrol ranks, having previously served as a deputy sheriff at Seminole.

Robbins' wife, Frankie, was a second grade teacher in the Post schools. They have a son, Jon Mark.

Gilbreath's family consists of his wife, Pauline, and three children — Kenny Joe, 10; Tammy, 8, and Michelle, 4. The Gilbreaths are residing at 906 West 13th St.

Labor Day holiday to be observed Monday

The Labor Day holiday which comes Monday is going to be a holiday for most folks, but not all.

The Post schools will be out for the day with classes not resuming after the weekend until Tuesday morning.

It's a Chamber of Commerce holiday which means many local stores, but not all, will close. The bank will be closed as will the courthouse and post office.

Perez receives combat award

VIETNAM — Marine Pfc. Johnny J. Perez, son of Mr. and Mrs. Paul Perez of 305 North Ave. F, Post, Tex., was awarded the Bronze Star Medal with Combat "V" while serving with the Third Battalion, Fifth Marine Regiment, First Marine Division in Vietnam.

The Bronze Star is one of the highest awards a Marine can receive for outstanding performance during combat.

Before entering the service in May 1968, Pfc. Perez attended Post High School.

Near three-inch rain breaks area heat wave, drought

The record summer heat wave and crop-damaging drought was broken over the weekend with a general rain which dumped from two to 2.9 inches of moisture generally over the entire county.

County Agent Syd Conner said dryland cotton had already "quit growing" before the rains came and it would depend upon the weather from here on in to harvest whether the welcome moisture would give the cotton the added growth it needs to climb into the "big crop" category.

Conner said the moisture was of material benefit to the late feed.

The county agent said it will take the dryland cotton from 10 days to two weeks to start blooming again.

"Normally we figure a bloom by Sept. 15 will make a boll by frost but that figures on a normal frost which would be around Nov. 10."

An early freeze, however, would not give late blooming cotton enough growing time.

The county agent points out that to get added cotton growth the weather needs to "clear up and get hot again." No new growth would be possible if the weather remains wet and cool.

Conner said that if the weekend rains "had come three weeks earlier we would have had a lot more cotton growth."

The county agent also pointed out that this is only the second year that Garza farmers have been using some new cotton varieties and "we don't know if some of these new varieties will start growing again under present conditions."

"We're just going to have to wait and see," he explained.

The official moisture for Post was 2.06 inches over the weekend with a .25 of an inch shower Friday afternoon; .26 in another shower Saturday evening, with 1.55 inches falling late Sunday night and early Monday. Only a trace was recorded here early Wednesday morning.

The weekend moisture keeps 1969 above average moisture-wise. The official total here through July was 13.98 inches as compared with 11.40 inches normal through July. The average for August is 2.25 inches which virtually fell (See 3-inch Rain, page 8)

Enrollment down 135 on first day

First day enrollment in the Post schools Tuesday took a sharp and unexpected drop of 135 students to only 1,126, the lowest first day turnout in over a decade.

Supt. Bill Shiver in announcing the opening enrollment said he did not know exactly what caused the loss and it probably would be next week before the reasons could be accurately determined.

The administrator said he expected 40 to 50 more students to report for classes within the next few days.

Shiver said no opening enrollment losses had been anticipated from last year's 1,261 students.

Whether the early start has any thing to do with the enrollment is simply conjecture at the moment. It appears the losses will be attributed to move-aways, parents being late in sending their children to school or a combination of both.

First grade enrollment the first day dipped to 83, down 31 from last year, and Shiver termed this "significant." "We always anticipate from 100 to 110 first grade students," he said.

Eight of the other 11 grade classes also recorded losses for the (See Enrollment, page 8)

Tizard rites are held in Lubbock

Last rites for Mrs. Lillian Tizard, 79, who died at 9 a. m. Saturday in a Lubbock rest home, were held at 10:30 a. m. Monday in the Franklin - Bartley Funeral Home Chapel.

Mrs. Tizard, a native of Nebraska, had been a resident of Post for 12 years before entering the Lubbock rest home. She lived in Kansas City, Mo., before moving to Post.

Survivors include two daughters, Mrs. John F. Lott of Lubbock and Mrs. M. S. Bennett of Fort Worth; two sisters, Mrs. A. J. Chisom of Omaha, Neb., and Mrs. Fay DeHart of Long Beach, Calif.; five grandchildren and 11 great-grandchildren.

The Rev. O. Curtis Lee, pastor of the First United Methodist Church of Post, officiated at the funeral services.

Burial was in Resthaven Memorial Park at Lubbock. Pallbearers were Bob Macy, Jack Kirkpatrick, Doyle Justice, David Bennett, Tom Bouchier and Max Mitchell.

\$1,600,000 PAID TO GARZA FARMERS

Garza County farmers last week received approximately \$1,600,000 in 1969 price support payments and diversion payments on cotton, feed grain and wheat.

Most of the checks were mailed out Aug. 19 and 22.

There are only a few more to be sent out, Mrs. Emmarhe I. Hartel, county office manager for the ASCS, told The Dispatch yesterday.

Mrs. Hartel said the \$1,600,000 is the approximate figure and is about the same as Garza County farmers received in 1968 for these payments.

Jaycees to set up holiday rest stop

The Post Jaycees, with assistance from the Jayceettes and local merchants, will open their Labor Day rest stop Friday night and keep it open through Labor Day.

The rest stop will be located southeast of town on U. S. Hwy. 84, according to Jerry Bush, the Jaycees' rest stop chairman.

Jaycees, in addition to offering traveling information and goodwill to travelers, will serve coffee, soft drinks and cookies.

The Labor Day rest stop are a Texas Jaycee project and will be carried on by Jaycee organizations throughout the state.

The local chairman urged Post residents on the road for Labor Day weekend visits to stop and relax at Jaycee stations in other towns.

In addition, local residents are invited to visit Post's rest stop and visit with some of the travelers.

The project across Texas last year served 2.5 million people and larger cities had as many as 15 operating within their individual vicinities.

Tiner, administrative secretary of the Lubbock - South Plains area planning commission for community action projects, has employed local interviewers for the survey who will be paid from federal OEO planning funds.

Tiner emphasizes that all answers will be confidential and will be used only to compile essential statistics on needs.

He will feed the survey results to the Garza County Community Action Committee which meets monthly.

County survey now under way

THURSDAY, AUGUST 28, 1969

It'll take time to live it down

The Texas Legislature can be accused of just about everything, including hypocrisy and very poor timing, in its efforts to produce a tax bill that both the House and Senate would approve.

Furthermore, the majority of Texans are appalled and not a little disgusted at what has gone on in the Legislature in its last-ditch efforts to come up with a tax bill.

In the first place, the legislators should have been far-sighted enough to realize that there would be public opposition to a tax scheme that would take from the taxpayers \$160 million more than is required to cover state spending for the next two years—\$70 million from the sales tax exemption that would go to cities and \$90 million from the gasoline tax that would go into the state highway fund.

In between the Senate's approval of the tax bill and its rejection by the House on Monday, public reaction really built up over the proposal to extend the sales tax to include groceries. The public also voiced its opposition to paying more taxes on another necessity—gasoline.

While the food tax proposal apparently was born of frustration over Senate liberals' refusal to accept any tax proposal offered, the proposed tax increases on cigarettes and liquor smack of hypocrisy. It was a case of tobacco and alcohol once again being made the "whipping boys" in a tax bill.

The manner in which the whole tax bill was put together, no one ever had a chance to speak out at public hearings on the food under the sales tax, or on the higher tax on gasoline, liquor, cigarettes, vending machines, and other items. No one had the chance to speak out, that

is, until after the tax bill had been approved by the Senate and before it went to the House. In that brief space of time, public reaction boiled and bubbled in no uncertain terms.

Undoubtedly there would have been loud outcries "way back yonder" if the public—or a majority of the legislators—had been given advance notice that such taxes were to be considered.

On top of everything else, the democratic process was bowled over by the unconstitutional closed-door sessions of much of the proceedings accompanying the writing, the debating and the voting on the tax bill. Typical of the Legislature's entire action in trying to pass a tax measure was Monday's telephoned bomb threat, which caused the Capitol to be emptied for 1½ hours. Reporters were locked outside the door until the building could be searched, although some legislators were allowed to come and go as they pleased.

The Legislature's feeling over the tax bill appeared to be "let's sock it to 'em, and go home—they'll get over it." Well, it didn't work out that way.

The public reaction to the tax bill indicates that the concoctors of the idea couldn't have come up with a more unpopular one if they had sat up nights trying.

As it stood Tuesday—when this editorial was written—the Legislature had only the rest of the day to go in this first special session. So, it will be a case of coming up with "more of the same" or the Governor calling a second special session. But, whichever course is taken, let's conduct open-to-the-public hearings to prevent a recurrence of what must be one of the biggest fiascoes ever to befall a state Legislature.—CD

Whom can we thank for this?

The only time most of us in Post and Garza County come face to face with organized labor and its contribution to our economy is on Labor Day, traditionally the first Monday in September.

So, while Labor Day is meant for rest and recreation, that shouldn't rule out constructive activity. Why not, then, set aside a little time to consider why it's one of our most important holidays.

The way the meaning of the word "labor" has changed over the years is one clue to why this anniversary is increasingly significant to all Americans. When the holiday was started nearly a century ago, men really labored—and hard. Then the one-day respite provided much-needed relief from toil.

Today, people still work diligently and ambitiously—but the enervating drudgery and sheer expenditure of muscle are no longer the standard pattern. Thanks to modern facilities and a huge expansion in creative occupations. Moreover, the worker of 1969 has both the opportunity and energy to enjoy his day off and the fruits of

his labor.

This has been brought about by the ingenuity of industrial science, which—coupled with a remarkable partnership between employer and employee—has made the American worker the most productive in the world. In counting our Labor Day blessings, we should bear in mind the need to maintain a balance in the relations between management and employees.

While resolving to extend the cooperative spirit that enhances our economy, organized labor and management might do well to sign another pact: a contract to work jointly to improve the lot of those who still do not share in the material and social benefits of our times.

Industry has already taken substantial steps in that direction—through such efforts as manpower training for the hard-core unemployed and affirmative action to provide equal employment opportunities. But organized labor's participation is vital to making these programs more effective, and the determination to make such a contribution is an appropriate Labor Day resolution.

Graham homecoming just ahead

Graham Chapel, one of Garza County's oldest and most progressive communities, has the welcome mat out for its school homecoming and marker dedication program Saturday and Sunday.

The energetic residents of the community apparently have left nothing undone in their plans to make the weekend event one long to be remembered.

The Graham Chapel community and its school and churches have played a prominent

role in the area's history since shortly after the turn of the century—even before the county was organized.

The people who still live there and who continue to make the community a good place to live are hopeful that all former pupils and teachers of the Graham Chapel School—those who did so much to help put the community on the Garza County map—will attend the homecoming celebration.—CD

Cearley funeral held in Houston

Funeral services for F. B. Cearley of Houston, a former resident of the Close City community, were held at 2 p. m. last Friday at the George H. Lewis Mortuary in Houston.

Mr. Cearley, who was 84, died Wednesday of last week in a Houston hospital, where he had been since breaking a hip in a fall.

He was a resident of the Close City community for many years before moving away about 11 years ago.

Surviving are his wife; four sons, Cecil and Orville, both of Houston, Melvin, who lives in California, and Vernon Cearley, a daughter, Mrs. Olan Horn of Houston; a sister, Mrs. J. H. Stroud of Cottonwood, Tex., and a number of grandchildren and great-grandchildren.

Mr. Cearley was an uncle of Mrs. Stanley Butler of Post.

AND THE RAINS CAME! Yes, we finally got some nice rains — about three inches on Saturday and Sunday. Sure looks good to see the water standing in the yard!
 Rodney Callaway has been hired as head coach at Southland school. He and his wife, Beverly, have moved into the house formerly occupied by Coach and Mrs. Blane Dyess. Welcome to the community. Rodney and Beverly both graduated from Southland High School

in 1965. Beverly is the daughter of Mr. and Mrs. Leo Stolle of Shallowater, former residents. Congratulations to Mr. and Mrs. Jackie Abshire on their wedding, Aug. 19. Jackie is the son of the Delbert Abshires and the bride is the former Linda Marie O'Daniel of Amarillo. May God bless this young couple and their life together.
 Congratulations to Larry Wilke, our No. 2 son, who graduated from Texas Tech on Aug. 23 with a degree in Agricultural Engineering. He plans to enter post-graduate school and work on his master's degree in September.
 Mrs. G. D. Ellis' son and grandsons visited with them several days last week.

THE FALL semester at the various colleges around the country will begin very soon now and there will be a number of young folks from Southland entering one of these colleges for the first time, and some will be continuing their education in their second, third or fourth years. The list that I have is as follows: Texas Tech, Dayneen Dunn, Darrell Wilke, Mickey Mason, Patsy Dunn, Mike Mason, David Dabbs, Larry Long, Mrs. Pauline Mason and Judy Kiesel; West Texas State, Curtis Abshire and Bill Bevers; Tarrant County Junior College, Joe E. Basinger. I have probably overlooked someone, so let me know if I have.

We extend sincere sympathy to Mrs. C. W. Gindorf whose sister, Mrs. Dora Neitsch, 84, passed away Aug. 23 after a two-year illness. She was buried in Englewood Cemetery in Slaton Aug. 26. Besides Mrs. Gindorf, Mrs. Neitsch is survived by another sister, five sons and one daughter. May God comfort this family in their time of sorrow.

Mr. and Mrs. Donald Pennell recently visited his brother, Robert Pennell, and family in Yellowstone National Park, Wyo. They were accompanied by Mr. and Mrs. Carl Cederholm.

Mrs. Lynn Freeman and son, Jud, of Houston have been visiting in the Donald Pennell home for the past week. While Jud is in the Army Mrs. Freeman plans to live

Brownfield sets Harvest Festival

BROWNFIELD — The small folk will have a special part in the annual Harvest Festival in Brownfield this year, according to George Weiss, chairman. The event is sponsored by the Terry County Chamber of Commerce and Agriculture. Plans are being made to include the youngsters in the day long festival, which is slated for Saturday, Oct. 4.

At a meeting held Thursday, all chairmen reported that plans are going forward to make this year's festival "the biggest ever". Red Coats have begun solicitation of local merchants for prizes, and invitations have been issued to area bands, riding clubs, and other organizations to attend and participate.

Again this year, cash prizes will be offered for first, second, and third place bands and to winners of the old fiddlers contest, and trophies will be awarded top sheriff's posses and junior riding clubs.

in Post. The Freemans formerly lived in Southland.

Mr. and Mrs. Donald Pennell visited Sunday with his uncle and aunt, Mr. and Mrs. Oscar L. Nislar in the Altura Towers Apartments in Lubbock. Mrs. Pennell says there is a real good view of the city from their 12th floor six-room penthouse balcony which faces the north.

Mrs. Paul Winterrowd, Jerry and Breonna, and Mrs. Frances Lightfoot went to Lamesa Sunday to visit Mrs. Lightfoot's sister, Mrs. Clara White. Mrs. Lightfoot left Southland on Tuesday to return to her home in Fort Worth. She says she must go home now because her Senior Citizen's Club will be meeting on Thursdays after a summer vacation.

Mrs. Aubrey McNeely returned to her home Sunday night after a 10-day visit in Fort Worth with her son and daughter-in-law, Mr. and Mrs. Larry McNeely. While there, she attended the theatre-in-the-round presentation of "South Pacific." She also saw the opening night performance of the Broadway musical "Cabaret" in Dallas.

TITLE WINNER

Sheila Poulson of Lorenzo was crowned Miss Texas Rural Electrification at the recent statewide meeting of Texas Electric Cooperatives in San Antonio. Miss Poulson will take time from her studies at Texas Tech to represent the association at functions throughout the coming year and compete for the national title at the Las Vegas meeting in February.

JOIN Trade Parade TODAY

All 1969 Models at Eye-Opening BARGAIN PRICES!

The only way we're going to make buying your cars from us a habit is to give you some things that are pretty tough to kick—like a good car and a good trade. ¶These days, just about everybody seems to want to sell you a car cheap. Fundamentally, there's nothing wrong with this as long as you're not getting a cheap car. ¶When and if you buy a 1969 Chevrolet, Chevelle or Oldsmobile from us, it's nice to know that a lot of people (including us) will be waiting to take it off your hands at a good price when you're through with it. ¶Sure, we'll give you a good deal—right now, and when you buy your next Chevrolet or Olds. See if you can find anybody else who'll go that far out on a limb.

WE'VE GOT TO MAKE ROOM FOR THE NEW 1970 MODELS COMING SOON

4-H books are award winners

Five blue ribbons, three red ribbons and one white ribbon were awarded Garza County 4-H Club members in recent District 2 record book judging. Receiving blue ribbons were: Patti Parrish, foods and nutrition; Phyllis Kennedy, clothing; Mary Ann Norman, consumer education-home economics; Steve White, horsemanship; Sue Cowdrey, leadership, and Amy Cowdrey, sow and pig production.

Red ribbons went to Bruce Sanderson, achievement; Jay Kennedy, agriculture, and Marla Shelton, achievement.

Jan Bilbo's beef record book received a white ribbon.

These awards will be presented, along with other special 4-H awards, at the annual Achievement banquet and program this fall.

AWARDED SCHOLARSHIP RALLS — Don Hargrove, son of Coach and Mrs. J. D. Hargrove of Ralls, has been awarded a \$1,000 academic scholarship at Lubbock Christian College. Hargrove, a n outstanding high school basketball player, will be a candidate for the LCC cage team.

One of the earliest newspapers serving Washington, D. C., was the "Times and Potowmack Packet," a weekly first published in Georgetown in 1789.

Receives degree at Texas Tech

Mrs. Don Moody, daughter of Mr. and Mrs. Bailey Matsler, was among those receiving Bachelor of Arts degrees at the Texas Tech commencement exercises last Saturday night.

Oscar Gray's horse Keller show winner

Miss Navajo Bar, a 1969 filly owned by Oscar Gray of Post, won first place in her class Saturday at the Keller Painted Horse Show, sponsored by the Keller Mounted Patrol.

Miss Navajo Bar has been entered in five shows and has won first place in her class in each of them, Gray said.

Mrs. Moody majored in history and English. A 1965 graduate of Post High School, she attended Texas Tech this summer to complete her college requirements.

Attending the exercises were her parents, her brother, John Matsler, and family of Oklahoma City, and her husband, Sgt. Moody. The Moodys will leave this week-end for Memphis, Tenn., where the sergeant is stationed and where Mrs. Moody will be employed as an insurance secretary.

BALLINGER — Seventy-four boys, including 12 freshmen, are out for football here, where James Williams, formerly of Post, is a member of the coaching staff.

Glen Ann Barley becomes bride of James McBride here Friday

Miss Glen Ann Barley and James Albert McBride were united in marriage Friday, Aug. 22, at 8 o'clock in the evening at the First Presbyterian Church.

The church chancel was enhanced with white asters, gypsophila, stock, votive candles and trailing English ivy.

Steven Jay White birthday honoree

Mrs. Noel White entertained with party for her son, Steven Jay, Saturday morning on his 10th birthday at their home on Route 3.

Upon arriving each guest chose "branded steer" which was roped to a bandana. The "steers" surrounded a rodeo birthday cake.

After Steve opened his gifts, candy, bubble gum and red balloons completed the western party.

Games played included drawing chosen brand, feeding partners blindfolded to bandanas, a balloon race and using the stallion (pitching horses at horse heads on poles).

Mystic Sewing Club members attend tea

Members of the Mystic Sewing Club attended the tea hosted by the Woman's Culture Club last Friday afternoon at the Community Room instead of holding their regular meeting.

Slides were shown of the Holy Land at the tea.

Hospital Auxiliary to host coffee Sept. 5

The Women's Auxiliary of Garza Memorial Hospital will host a coffee for auxiliary and contributing members and prospective members Friday, Sept. 5.

The coffee will be held at 9:30 o'clock in the morning at the Community Room.

ATTENDS SEMINAR

The Garza County school nurse, Mrs. T. W. Strawn, attended a seminar in Lubbock recently on "Initial Emergency Management and Transportation of the Sick and Injured" presented by the Texas State Department of Health and the Lubbock - Crosby - Garza County Medical Society at Methodist Hospital.

VISIT IN LOCKNEY

Mr. and Mrs. L. W. Kitchen spent Sunday and Monday in Lockney visiting her sister, Imogene Myers.

with a bateau neckline and fitted elbow-length sleeves. The slim skirt was complemented by a cascade of scalloped flounces down the back to form a mini-train.

An open wedding ring of starched lace, crested with pearls and crystals, held her veil of illusion. The bridal bouquet of Japette orchids and white stock was carried on a white Bible.

Miss Karen Lee was maid of honor and Mrs. Joe Bilbo was matron of honor. Bridesmaids were Miss Connie McWhorter and Miss Annette McBride, sister of the bridegroom.

Mrs. Michael Cummings of Lubbock was a bridesmatron. They wore formal gowns of green chiffon over mint peau de soie with the empire waists accented with mint velvet ribbons.

Each carried a bouquet of white jackstraw chrysanthemums.

Shelby Lee Barley, brother of the bride, was ringbearer.

Joe Bilbo was best man and Ronnie Williams and Curtis Lancaster seated the guests. Groomsmen were Mike Scott, Jimmy Jones, Charles Redman and Ben Miller.

Mrs. Boo Olson played appropriate organ music and accompanied Lloyd Thompson of Lubbock as he sang "My True Love" and "Wedding Prayer."

Miss Janet Ray registered the guests at the reception which followed in Fellowship Hall. Serving were Miss Debbie Dickson and Miss Brenda Lee. Members of the house party were Mmes. Levi Noble, Gerald Lively, Edsel Cross and Harold Lucas.

For the wedding trip to Ruidoso, N. M., the bride chose a white plaid dress suit dress with pale shades of blue and bone, and taupe accessories. She added an orchid corsage.

The couple will live at 6A Carswell, Waco, where Mr. McBride will be a student at James Connally Technical Institute, majoring in electronics. Both are 1969 graduates of Post High School.

Wedding guests attended from Lubbock, Lorenzo and Dallas.

MRS. JAMES ALBERT McBRIDE (Glen Ann Barley)

It's My Turn

— By MRS. C.

There are changes taking place in Post other than the weather!

This column might appropriately be called "A Pat on the Back" one. I get almost ecstatic when I see "things" that we are coming to pass in our town.

Where to begin? They are all equally important. Liking individual effort and one of the things that has impressed me most recently took place in our neighborhood so I'll start there.

Mrs. Lillian Nance has bought a home on Mohawk — one can see it setting at the end of 10th St., in the curve. She got it all in tip-top shape before moving into it. Now, bless her heart, she has had the lot to the north of her cleaned and mowed. It has been setting there being an eyesore for years. Welcome to the neighborhood, Mrs. Nance. And thanks for showing your "city" friends that a "country gal" knows how to get "things" done.

A great big pat on the back goes to Charlie Cooper, our new fire marshal. He not only went to school to learn how to destroy abandoned houses, he's putting his knowledge to use. He and the Volunteer Fire Department burned two houses down in the northeast part of town last week and they have more on the docket. Fire Chief Loyd Mock and his men have been most cooperative in burning off lots, too. Hurrah for "volunteers."

Burning down the houses is all to the good but if the debris were left there that wouldn't be much of an improvement. Thanks to our City Manager Bobby Pierce that, too, is being taken care of. I'd been keeping my eye on one of the lots where a house had been burned last week and noticed Monday that it had been cleaned off and leveled. It looks lovely!

The city deserves another pat on the back for the keen job they are doing with their shredder in the parkings about town. They're looking neater and better done every time.

Big things are taking place in the "tear-down" department also. The old laundry building on South Broadway is coming down—slowly but surely. Work has been started on another building on north

Broadway and the old ice factory is well on its way to being a "thing of the past." It wasn't an eyesore—even after it burned—but the only way to keep towns looking good and prosperous is to get rid of old buildings not being used.

In the beautification department, we have a new park going in in the northeast part of town. We'll have a big story on that soon as that is "front page" not column news.

Georgie Willson is at it again. Instead of being known as the man with the prettiest and cleanest alley in town he has now become "the man with the hanging baskets". The Willsons have hung various containers filled with flowers in their trees and they are well worth a drive by to see. The address is 908 West 12th.

So, I'm content with the way things are progressing and I'm more than content with this nice cool weather. Maybe we can keep up with both.

Hospital Notes

Those admitted to Garza Memorial Hospital since last Tuesday were:

Mrs. Henry Wheatley, medical
Lela Patterson, medical
Donald Williams, medical
Robert Pace Jr., accident
Nellie Redman, medical
Mrs. Augusta Tipton, medical
Joseph E. Yates, medical
Dismissed
Daniel Mindlet
Mrs. Bobby Hudman

New vice president is named for Shop Rite

LUBBOCK — J. S. Reinhart, president of Shop Rite Roods, Inc., Piggly Wiggly, has announced the appointment of C. L. (Mac) Godwin to the position of vice president in charge of retail operations for the western region of Shop Rite foods.

In this capacity, Godwin will direct the operation of 100 stores in El Paso, Albuquerque, Lubbock, Amarillo, Wichita Falls, Midland, Odessa and surrounding areas.

Godwin will operate this region from offices in Lubbock at 2222 Ave. A. He has been a Lubbock resident for 27 years.

Neon is a gas that is found in the atmosphere in the proportion of 18 parts in a million.

The Old timer

"The persons most difficult to convince they're at retirement age are children at bedtime."

Shower is held for bride-elect

Miss Doyleene Fry, bride-elect of Billy Shumard, was honored with a bridal shower last Thursday night at 8 o'clock in the Community Room.

Miss Martha Jo Walls registered the guests.

The serving table was covered with a red net cloth over red and centered with an arrangement of red velvet roses in a silver vase. White streamers, inscribed in red letters, read "Doyleene" and "Billy." White candles entwined with red ribbon completed the decor. Silver and crystal appointments were used.

Debbie Sneed and Karen Davis served red-filled cookies, red punch, nuts and mints.

Hostesses were: Freda Harmon, Ruth Reno, Ruth Hill, Margie Johnson, Mary Sneed, Lynell Warren, Karen Davis, Debbie Sneed, Ramona Brockman, Lois Walls, Irene Walls, Martha Jo Walls, Bonnie Tyler, Cordia Johnson, Lela Huntley, Faye Maddox, Pauline Mathis, Melba Mathis, Daisy Smith, Daisy Tension, Inez Smith, Christine Smith, Karen Jones, Barbara Stice, Billy Ruth Lowe, Ruth Dale, Martha Pennell, Diane Brockman and Mary Ehridge.

Post folks and guests make Arkansas trip

The Rev. and Mrs. S. L. Downey and Cami of Kansas City, Mo., spent the first part of last week in the home of her parents, Mr. and Mrs. W. B. Sanders. The Downeys' two other daughters, Cindy and Cherry, had been in Post for two weeks with their grandparents.

They all visited in Bella Vista, Ark., for three days and also attended the Central Church of the Nazarene in Fort Smith, where a former Post pastor, the Rev. H. E. McClain, preached.

Before returning to their home the Sanders visited her brother-in-law and sister, Mr. and Mrs. Dennis McKinzie, at Poteau, Okla.

Garza County unit of Teachers Association holds first meeting

George Pierce, president of the Garza County unit of the Texas State Teachers Association, gave a report on the state TSTA meeting which he attended at a meeting Monday of the Garza County unit in the school lunchroom.

The group accepted Mrs. Linda Linn's resignation as second vice president and elected Mrs. Florene King to replace her.

The group's building representatives were announced as follows: Joy Pool, high school; Ella Mae Hudman, junior high, and Lea Mock, primary. The elementary building representative, Mrs. Nona Lusk, was not present.

The minutes of the previous meeting were read by Lora Blanton, secretary, and Mrs. Linda McGinnis gave the treasurer's report. The meeting was adjourned following announcement of the district workshop to be held in Lubbock.

GUESTS OF MINORS

Visiting in the home of Mr. and Mrs. James L. Minor on Tuesday were Dr. and Mrs. James Marshall Miner and her parents, Mr. and Mrs. Leonard Hattox of Houston. James will do research in the field of physics at Texas Tech University this school year and his wife, Pat, will attend Texas Tech and do work toward her master's degree.

Rhonda Bailey party honoree

Missy Carter and Peggy Howell were hostesses for a surprise farewell party in honor of Rhonda Bailey last Friday afternoon at the O. L. Carter home.

Rhonda has moved to Perryton with her parents, Mr. and Mrs. Joe Bailey.

Gifts were presented to Rhonda and her mother received an artificial flower arrangement from the guests, as she had been their Girl Scout leader.

Cakes, cookies and homemade ice cream were served to the following:

Terry Smith, Peggy Jackson, Karla Pepper, Shari Carter, Cindy Kirkpatrick, Rhonda and her mother, Mrs. Carter and Mrs. A. J. Howell Jr.

Used clothing, shoes needed for children

With the new school term under way, many underprivileged children here are in need of clothing. R. G. "Wilke" Wilkerson said today.

Anyone with used clothing and shoes they wish to donate may leave them with Wilkerson at his home, 109 East 15th St.

Wilkerson said there is also need for used toys. "The tiny tots seem to want toys more at this time of year than they do at Christmas," he said.

Mary Ann Stone is recipient of degree

With a major in speech-hearing therapy and a minor in psychology, Mary Ann Stone of Post received the degree of Bachelor of Science in Education at Abilene Christian College's summer commencement exercises last Thursday.

Miss Stone is the daughter of Mr. and Mrs. James Stone of Route 3, Post. She will teach speech and hearing therapy in the Abilene school system this year.

ACC presented 235 graduate and undergraduate degrees at the exercises. The commencement speaker was Dr. Don H. Morris, who will become chancellor of ACC on Sept. 1 after serving 29 years as president of the college.

New Arrivals

A son, Timothy James, was born to Mr. and Mrs. Rex Prather at 4:40 a. m. Aug. 23 in Mercy Hospital, Slaton. Timothy weighed 8 lbs., 1 oz., at birth. He is the grandson of Mr. and Mrs. W. H. Childs, Route 2, and Mr. and Mrs. Charlie Prather of Vinita, Okla.

Mr. and Mrs. Royce Hart are the parents of a daughter, born at 5:20 p. m., Aug. 25, in Methodist Hospital, Lubbock, weighing 6 lbs., 7 ozs. Mr. and Mrs. Paul Jones and Mr. and Mrs. Boy Hart are the grandparents.

LOUISIANA GUESTS

C. R. Wilson went to New Orleans, La., to get his daughter, Mrs. Tommy Bouchier, and his granddaughter, Monica, for a visit in Post in the Wilson and Phil Bouchier homes. Mrs. Bouchier will attend the Susie Jo Schmidt-Sammy Beebe wedding in Lubbock Saturday night.

HOME FROM TRIP

Mrs. Grace Curb is home after spending six weeks in New York and New Jersey visiting her son, Jessie Curb, and family. While she was there a daughter, Trace Ann, weighing 9 lbs., 1 1/4 ozs., was born to the Curb's in Rosedale Park, N. J.

Many Boy Scouts take part in summer camps

Eleven hundred and fifty Boy Scouts and more than 100 of their adult leaders took part this year in the summer program of camping and special events provided by the South Plains Council, Boy Scouts of America.

Camping Chairman, Howard Schmidt reports that 13 weeks of summer camp were conducted at the Council's camps at Post, Tex. and Tres Ritos, N. M., including special weeks for Forestry Camp and Aquatics camp and training for the camp staff.

Local Scouts also participated in the Seventh National Jamboree in Idaho with sightseeing tours en route. They flew to Minnesota to paddle canoes in the stormy waters of that state and Canada, and they challenged the vast reaches of the Philmont Scout Ranch at Cimarron, N. M.

Listed high among the summer adventures for Scouts was a new Mountain Man Camp at Tres Ritos which took boys and leaders on week-long back-packing trips into

the mountains of New Mexico in the Carson National Forest.

Men and boys in the South Plains Council traveled more than 750,000 man-miles to participate in Scouting events this summer.

Scout Council officials report that plans are already underway to continue and improve these outstanding summer activities for additional Scouts in 1970.

Head of teachers attend meeting

AUSTIN — George Pierce of Post, president of the Garza County Association, was among some 300 local, district, and state leaders of the Texas State Teachers Association who held their 1969 Local and District Association Presidents Conference here recently at the Terrace Motor Hotel.

Participants in the conference included TSTA state officers, committeemen and staff members, presidents from many of the 20 district units and 400 local associations of TSTA, presidents and executive directors of affiliate organizations, and invited guests from the Texas Education Agency and Teacher Retirement System of Texas.

Chief order of business was planning for the 1969-70 organization, activities, and objectives of the 123,000 member association of teachers, particularly as related to local associations.

Heading up the conference planning and direction were the TSTA state officers: Claude A. Hearn Jr., of San Antonio, president; Jewell Harris of Abilene, president elect, and L. P. Sturgeon of Austin, executive secretary-treasurer.

SERVICES CONSOLIDATED

AUSTIN — Texas services to the blind will be consolidated under a new Commission for Rehabilitation, governed by a six-member board, beginning Sept. 1, as authorized by the 61st Legislature.

Total Electric Gold Medallion homes have that extra touch... that extra something which means full value for the money you pay. Look for this sign when you're looking for a home.

PHARISEE OR PUBLICAN?

By Rev. Thomas Andrew

Which one are you? How do you know?

The pharisee is self-satisfied. He has certain well chosen religious practices which he carefully performs so as to be sure of his worth and salvation.

Christ wants religion to be in spirit and in truth. Christ wants us to love God and men.

The pharisee has reduced religion to a set of obligations, which he dispenses in the same way as he settles his gas bill. Religion is a cold and calculated obligation instead of a warm, personal friendship with Christ.

The self-satisfied publican says "I am not like that. I do not go to church every Sunday. I seldom take the Lord's Supper. I'm no worse than those who display religion." They are worse than the pharisee; they praise themselves for not doing what they should.

The true publican says "I am not worth much. I need Christ not only to do good but to avoid the worst sins." His trust is in Christ—not religious practices. But he accepts them because it is Christ who counsels him to use them.

Let us not make distinctions. We are all in the same class — we are all sinners whose Savior is both good enough and powerful enough to make us his children.

Field days set at Halfway and Lubbock centers

LUBBOCK — Two major agricultural research centers on the High Plains, one at Lubbock and the other at Halfway, will be touting their wares at field days during the week of Sept. 8.

Their "wares" consist of the latest and most efficient farming techniques plus the most promising new plant varieties developed through years of scientific research.

The 60th annual field day and open house at the Texas A&M Agricultural Research and Extension Center, located just off the Amarillo highway North of Lubbock, will begin at 1 p. m. Tuesday, Sept. 8.

The 13th annual field day of the High Plains Research Foundation, Halfway, will be held on Thursday, Sept. 11, also beginning at 1 p. m.

L. D. (Don) Anderson, Crosbyton farmer and president of Plains Agricultural Growers, Inc., which provides financial grants-in-aid each year to many of the research projects at both the research centers, is urging all PCG members to attend the field days and avail themselves of the latest advancements in farm technology.

"Of all PCG activities, Anderson said, our support for agricultural research has provided and continues to provide some of the most profitable returns to our members, and these returns could easily be doubled if it weren't for the serious lag between the development of new and improved farming techniques and the field application of those techniques by farmers."

CALIFORNIA VISITORS

Mr. and Mrs. Louis Wolfe and a nephew, David Gossett, of Ontario, Calif., arrived in Post last week to visit friends and relatives in the Lubbock community and in Post. The Californians had attended the Gossett-Crownover reunion at Norman and visited in Oklahoma and Kansas before arriving in Post.

GRAIN SORGHUM REFERENDUM

Grain sorghum producers in a 29-county area of the Texas Panhandle and High Plains will vote this fall on whether to assess themselves for crop promotion and research. Agriculture Commissioner John C. White recently signed a certificate authorizing the Grain Sorghum Producers Association of Lubbock to hold the referendum. Standing at left is House Agriculture Committee Chairman Delwin Jones, who helped make the new legislation a reality. Elbert Harp, right, is executive director of the GSPA.

FORMER TEACHER WRITES

Dear Editor: We get the Post Dispatch every week and I enjoy reading it. It is interesting to read about former pupils and friends of mine.

Reading about the old Post High School getting a historical marker brought back memories. I taught there long ago and I am sure most people in Post would have to think twice before they would remember Miss Ledger — but I haven't forgotten. Some of the happiest days of my life were spent there.

I am sending a picture to show I am not senile yet; also I am quite active. I have been editor of the (Johnson City) Record-Courier for three years and have had some exciting experiences meeting the elite of the news media when Mr. Lyndon B. Johnson was President . . . attending news conferences at the LBJ Ranch, etc. For some reason I do not know, was selected as one of the Foremost Women in Communications for 1969; have been mentioned, favorably and unfavorably, in Harpers, Life, Time, U. S. News Report, New York Times, Los Angeles Times, and Texas city newspapers.

Being editor, news editor, society editor, sports writer, advertising, janitor, and what have you, keeps me alert all the time, as well as weary and worried — but I am not sitting in my rocking chair with my hands folded and counting the hours until I leave this world for a better or worse one. So, you see, there is life in the "old gal," and age has nothing to do with what one can do.

I like to read Mr. C's and Mrs. C's and Mr. Didway's columns and comments. Weekly newspapers still have a mission the big city newspapers can't perform.

Cordially,
Claudialea Watts,
Johnson City, Tex.

SEE "TEXAS" PAGEANT

Mr. and Mrs. Henry Key spent the weekend in Canyon as guests of Mr. and Mrs. Homer Liles. Other guests in the Liles home included the Keys' son-in-law and daughter, Mr. and Mrs. Bobby Page, and sons of Dimmitt and Mrs. Liles' niece and family of Wichita Falls. The group attended the pageant "Texas" at Palo Duro State Park.

Former resident of Post appointed Slaton secretary

LaRue May, daughter of Mr. and Mrs. John Edd May of Odessa, returned last week from a 21-day tour of Europe and the Middle East made with a group of 31 persons under the direction of the Rev. John S. Rasco, pastor of the First Baptist Church of Odessa.

The Mays are former residents of Post. Mr. May was a science teacher in Post High School and is now teaching in Permian High School. Mrs. May teaches music in elementary school there.

LaRue, who said the trip was a rewarding and unforgettable experience, will be a junior at PHS this fall.

The group visited Rome, Italy, Athens, Greece, Beirut, Lebanon, Cairo, Egypt, Jerusalem, Tiberias and Tel Aviv in Israel, Lucerne, Switzerland, London, England and Copenhagen, Denmark.

According to LaRue, the highlight of the trip was Jerusalem where they saw many places where Christ had been. They saw the Dome of Rock, Garden of Gethsemane, Sea of Galilee, Jordan River, Calvary, Garden of the Tomb, and many other interesting places.

LaRue said that Rome had many beautiful sights, including St. Peter's Church, the coliseum and the catacombs.

Four towns set water election

FLOYDADA—A miniature "Texas Water Plan" will go before voters in four South Plains towns Sept. 6. The plan would provide adequate water through the year 2000.

A 150-foot dam would be built across Tule Creek in Briscoe County, with a water processing and purification plant in Silverton. Pipelines would carry the water to Silverton, Tulia, Lockney and Floydada.

Two propositions are on the ballot.

The first proposition would authorize \$4,165,000 in tax bonds to finance the dam, reservoir and plant. The second would allow each city to accept or reject a water supply contract with the authority thus authorizing the issues of special project revenue bonds against the contracts.

Enactment of the plan depends on each town passing the entire measure. A similar measure was defeated two years ago by two of the cities, Floydada and Tulia.

New Post teacher is Texas Tech graduate

Miss Betty Katherine Kuwaski, who will teach in the Post schools this year, was among the Texas Tech University graduates in commencement exercises Saturday in Jones Stadium.

Miss Kuwaski is the daughter of Mr. and Mrs. Ted Kuwaski of Tahoka. She specialized at Tech in Social Studies Secondary Education and was on the Dean's List her junior and senior years.

COLORADO TRIP

Mrs. Henry Key and Mrs. Hern Pettigrew spent three days recently in Colorado Springs, Colo., where they visited Mrs. Pettigrew's daughter, Mrs. Mike Wheeler, and family.

Summer program ends

Library certificates to 40 young readers

Forty youngsters who completed the Post Public Library's 1969 Summer Reading Program by reading 12 or more books were presented certificates by Librarian George L. Miller at the library at 9:30 a. m. Saturday.

The forty boys and girls completed the program out of a total of 121 enrolled. Sixty-nine of the others read books during the summer, with only 12 of the 121 enrolled failing to participate.

In all, 1,159 books were read during the summer program, the librarian reported.

Heading the list with a total of 53 books each were Rhonda Bailey and David Morrow. Not far behind were Daniel Morrow, 51 books, and Isela and Lillie Rosas, 48 books each.

This year's program showed a big gain over last year's when 83 were enrolled, with 24 earning certificates by reading the required number of books.

The number of books read by those other than the five mentioned above in the 1969 program were as follows:

- 35 — Shari Carter.
- 32 — Julie Raymundo.
- 26 — Terry Carter, Virginia Fuentes.
- 25 — Maude Cade.
- 24 — Patricia Raymundo.
- 22 — Timmy Carter, Karla Kay Duren.
- 20 — Ken Bell, Missy Carter, Larisa Shiver.
- 19 — Leanna Davis.
- 18 — Donna Gayle Josey, Irma Raymundo, Stephanie Slater.
- 16 — Connie Halford.
- 15 — Diana Blanton, William Halford, Cindy Robinson, Lynn Simpson.
- 14 — Cristy Lynn Davis, Angelita Fuentes, Sammy Guerrero, Lisa Ann Potts.
- 13 — Norma Guerrero, Susie Jackson.
- 12 — Allen Blanton, Kyle F. Duren, Randy Gordon, Vicky Gordon, Carlos Guerrero, Nellie Guerrero, Kerri Pool, Wynn Sterling, Jodine Tipton.

Enrollment—

(Continued From Front Page) opening day.

Enrollment by grades, compared to last year, is as follows: second grade, 93, down 20; third grade 111, up 11; fourth grade 97, down 19; fifth grade 93, down 26; sixth grade 110, up 19; seventh grade 89, down 23; eighth grade 105, down 7; ninth grade 101, down 15; tenth grade, 94, down 2; eleventh grade 78, down 15; and twelfth grade, 72, up 2.

Shiver said that state aid this year is based on the average daily attendance for the current school year, not on the ADA for the previous year as has been the rule in the past.

The superintendent said this will be "murder on the budget" if enrollment is down even 50 to 60 students. Converted into state aid educational dollars that will mean \$15,000 to \$20,000 less state aid than had been anticipated when the budget was drawn, Shiver pointed out.

Opening day enrollment totals for the last five years include 1,385 in 1964; 1,220 in 1965; 1,287 in 1966; 1,183 in 1967, and 1,261 in 1968.

Shiver told The Dispatch that it was already vital this year for parents not to take their children from school except for health reasons.

"Keeping students out of school is going to be just like taking money out of the taxpayers' pockets this year," Shiver said. "In a tight situation like this, it's important for parents to keep their youngsters in school."

4-H Horse Club names officers

The Graham 4-H Horse Club elected Melvena Stewart president when it met at the home of Mr. and Mrs. J. T. Hedrick Tuesday evening after the horse workout.

Sherry White was elected vice president; John Johnson, secretary-treasurer, and Steve White, reporter.

Plans were made to attend the Seminole 4-H Horse Show Sept. 6, and the Lubbock 4-H Horse Show, Sept. 13.

The weekly practice sessions have been changed to 2 o'clock on Sunday afternoons because of school.

Those present for the meeting, other than the officers were: Bill Aten, Jimmie Norman, Melanie King and Jerry Johnson.

Some ground squirrels spend as much as three - fourths of their time sleeping underground.

School budget—

(Continued From Front Page) meeting, trustees:

Accepted the resignations of Mrs. Frankie Robbins and Mrs. Dorothy Meador as teachers. Mrs. Robbins' husband is being transferred to San Marcos by the state highway patrol and Mrs. Meador will teach this year in Wilson.

Employed three new teachers, Mrs. Leocy Lott, second grade; Mrs. Sharon Montagna, second grade, and Mrs. Linda Poole for combination high school assignment of math, typing, and physical education. Mrs. Lott is the wife of the new White Auto Store owner here and formerly taught in New Mexico. Mrs. Montagna is a Howard Payne College graduate of 1969, and Mrs. Poole is the wife of Coach Kenny Poole.

Approved recommended change for school bus route No. 6 as proposed by Supt. Shiver.

Approved payment of bills, which included one for \$378 worth of repairs to seats in school buses which were damaged by 'sharp instruments.'

Adjusted the school district's 1968 tax rolls by \$584.03.

Accepted Supt. Shiver's recommendation not to become involved in setting either the girls' high school dress styles (shortness of dresses) nor length of boys' hair.

The administrator pointed out that high school girls solved the dress length problem last year by establishing their own policy through student government and will do so again this year.

Rotary talk—

(Continued From Front Page) to live without thought stimulation. Collier suggested that local folks would find life more interesting if they took a night adult education course, took a Dale Carnegie course, got involved more in state politics, took the time and effort to get to know other Post residents better, try to become better informed on the federal government in Washington, or work harder at being good Rotarians both in local club and district activities.

He told how ideas have created a number of successful new companies in a variety of fields and wound up with his list of needs for Post.

Marvin Hudman was presented with a Rotary membership pin denoting 16 years of perfect club attendance.

Bill McBride spoke on Antelope Booster Club plans, including the family barbecue at the City-County park Sept. 9 at which all the boys out for any of the football teams will be guests. The barbecue is free providing the family attending has a \$5 annual booster club membership, McBride reminded.

3-inch rain—

(Continued From Front Page) over the weekend.

Conner sees the 1969 cotton crop as "better than average" but not to compare with the 1968 harvest, which was the best in several years, unless there is a lot of late growth.

The Graham area, which had the best crop last year for any county area, may have it again this year. Graham received a spotted cotton shower three weeks ago which fell when needed.

Auditor, council discuss budget

The City of Post budget for the new fiscal year that began July 1 was discussed by Bud Davis, city auditor, and members of the council at a council discussion meeting last Thursday afternoon.

Since the new city budget was no farther along than its early planning stages, the auditor had only a set of penciled figures to go over with the council.

Mayor pro tem Donald Windham presided at the meeting in the absence of Mayor Giles C. McCrary, who was out of town.

The council will hold another discussion meeting at 1 p. m. today (Thursday) with its next regular meeting scheduled for Monday, Sept. 8.

Opening of dove season Sept. 1

The dove season for the North Zone of the state, including Garza and surrounding counties, opens at noon Monday, Sept. 1, according to an announcement by Bud Howell, game warden with the Parks and Wildlife Service.

Howell said the bag limit is 10 doves per day per person and the possession limit is 20. Hunting will be permitted only from 12 o'clock noon until sunset. The season ends Oct. 30.

The quail season has not been set yet, but the Parks and Wildlife Service is expected to announce the dates around Sept. 1.

Howell reminded hunters that it still is unlawful to discharge a firearm from a public road. Previously, the law provided for a fine up to \$100. A recent change, now in effect, set the minimum fine for this violation at \$50 with a maximum fine of \$200.

Howell said several cows had been killed in Garza and Crosby counties by hunters firing from a public road.

Graham event—

(Continued From Front Page) weeks. Invitations have been mailed former pupils and teachers living outside the county, with those living in the county invited through the press.

COLOR TV PROMOTION

Ed Sawyers, left, and Bill Hays are pictured above with floor display at the TV-Appliance Center of their current Official RCA Color TV Clearance Sale. Sawyers is one of only 10 dealers in this West Texas distribution area of 50 dealers to be selected by RCA for this special color TV sales event. See sale ad on page 7 for complete details.—(Staff Photo)

Former resident of Post appointed Slaton secretary

Alex A. Webb, son of Mr. and Mrs. Jake Webb of Post, has been appointed city secretary at Slaton to fill a vacancy created by the recent resignation of Gerald Kendrick.

Webb is a former resident of Post, where he graduated from high school in 1937. He served six years in the Air Corps, and has been a resident of Slaton for about 15 years, where he is manager of a dry goods store.

The former Post resident is well known in the Slaton community as a business and civic leader and Boy Scout worker. He was recently honored by the South Plains Council, Boy Scouts of America, by being presented the Silver Beaver, highest award given to a Boy Scout volunteer leader.

Webb is a member of the official board of the First United Methodist Church, where he is also adult Sunday School superintendent. He is a former Little League president and Rotarian, and is a member of the Chamber of Commerce and Masonic Lodge.

Funeral held for Rev. Oscar Bruce

Funeral services for the Rev. Oscar Bruce of Shamrock, a former pastor of the First Methodist Church here, were held at 2 p. m. Monday in the Trinity United Methodist Church, Amario, with Dr. Howard Crawford of Lubbock and Dr. Luther Kirk of Pampa officiating.

The Rev. Mr. Bruce died last Friday in Methodist Hospital at Lubbock following an illness of three months. He was pastor of the First United Methodist Church of Shamrock.

A native of Rising Star, the Rev. Mr. Bruce had been a minister for 34 years. He was graduated from Southern Methodist University and the Perkins School of Theology.

Besides Post, he has pastored churches in Oklahoma and in Adrian, Floydada, Weinert, Amos Groom, Lockney, Matador, Ruffin, Bovina, Knox City, Ralls, Haskett, Amarillo and Hale Center.

Survivors include the wife, four sons, a daughter, two sisters, and four brothers.

Burial was in Llano Cemetery. Harold Lucas of Post was a pallbearer.

New system—

(Continued From Front Page) port to the minute on how they spend their days at school.

Shiver took these reports and over the summer worked out the cost breakdown to within a \$293 total accuracy with the new budget.

The new PPBS program—planned program budgeting system—was explained to Supt. Shiver at a Texas Educational Agency conference in Salado last spring. Only 30 school administrators were invited to this conference to introduce the program to Texas.

Shiver feels the program will be invaluable in the constant striving to get the best education possible for each tax dollar.

School trustees gave him the go ahead last spring after the conference to put PPBS into action here.

Southland opens new school year

The Southland schools, which enrolled approximately 160 students, opened Monday for the 1969-70 term, with Tuesday the first day of regular classes.

Supt. F. W. Callaway announced that teachers in the Southland schools will be as follows:

Mrs. Ruby Hulse, first grade; Peggy Wheeler, second grade; A. Chaffin, third grade; Noble G. Ilen, fourth grade and elementary principal; Mrs. Ruth Hall, fifth and sixth grades; Mrs. Betty Ferrell, seventh and eighth grades; Mrs. Irene Kuykendall, high school English; Bill Mathis, social science, and Rodney Callaway, co-

Post, Petersburg squads to scrimmage here Friday

Antelopes looking sharp after week of workouts

The Petersburg Buffaloes, who are picked by some grid "experts" to do no worse than a quarterfinal finish in this season's Class A playoffs, will test the Post Antelopes in a controlled scrimmage here at 7:30 p. m. Friday, Aug. 29. A scrimmage between the Petersburg and Post "B" teams, starting at 6:30, will precede the varsity session.

Coach Billy Hahn said Tuesday, showing the Antelopes first week of practice, that everything is looking good. "In fact, it's looking so good that I'm keeping my fingers crossed," he added.

Only 32 boys trotted out for Monday's practice sessions—the same number that was out for practice last week—but Coach Hahn predicted that since Tuesday was the first day of school the amount will increase to 40 or 42 for the rest of the week.

The 'TOPES have fared much better physically than they usually do through the first week of practice. The only two serious casualties thus far have been junior

quarterback Robert Pace and sophomore lineman Tommy Shumard. Pace received a knee injury Wednesday of last week, but was back at full strength Monday, the coach said. Shumard, a 225-pound tackle prospect, suffered an eye cut Friday which required six stitches to close, but was expected to be scrimmaging again by Wednesday of this week.

"The boys worked most of the soreness out of their muscles by the end of last week, and were going good in last Thursday and Friday's workouts," the coach said.

Both the offense and defense is looking good, Hahn said, with the overhead game shaping up especially well. He reported both Ray Altman and junior quarterback Robert Bullock are throwing the ball well and that the receivers are doing a good job of latching onto it.

Coach Hahn said he and other members of the coaching corps are well pleased with the boys' spirit and with the fans' support, even before the first scrimmage game.

"WE ARE LOOKING real good and running real smooth—if we can just keep it that way," the coach announced.

Friday night's scrimmages with Petersburg, in which the coaches will get a good look at all the candidates for this season's team, will be stiff tests.

The Buffaloes, who were state champions in 1963, are returning six offensive and six defensive regulars from a 5-3-1 club.

The Petersburg returnees include all-star timber in backs Wendell Solis and Harold Morgan, tackle Steve Weaver and guard Bobby Pierson. Halfback Joe Robertson, tackle Larry Martin and end Joe Scarbrough (will Petersburg ever run out of Scarbroughs?) are other prime names on the roster.

Coach Hahn said the public is invited to attend Friday's scrimmages at Antelope Stadium. A large number of Petersburg fans is expected to accompany their team here.

TEACHER COMPLETES WORK

Thomas B. Hamilton of Post is among the 28 high school teachers who completed their work at a Summer Institute in Physics at Texas A&I University in Kingsville, Tex., last Friday. The institute, supported by the National Science Foundation, was designed to help teachers improve their backgrounds in the fundamentals of physics. Besides Texas, six other states were represented. The institute covered a six-week period.

Revival is continuing at Close City church

By MRS. BARNIE JONES

Our news this week is mostly thanksgiving for the wonderful rain God blessed us with Sunday night. Everyone I called for news they were just enjoying the rain. Aren't we thankful we don't have hurricanes out here, though? Our community was saddened by the death of Forrest Cearley of Houston. He was a resident of our community for several years. He died last week from a heart attack after suffering a broken hip ten days earlier at his home at 3610 Stoneham, Houston, Tex.

The revival meeting at Friendship Baptist Church started Sunday morning. The Rev. J. Prentice McGee of Amarillo is doing the preaching and is staying with the Rev. Wayne Sistrunk family. Everybody is invited to come at the morning services at 10 and the evening services at 8. Saturday night service is scheduled for 8:45.

Mr. and Mrs. Junior Smith and daughters of Hawley visited her parents, Mr. and Mrs. Aubrey Ritchie last weekend.

Nancy McCowen spent last week in Lubbock with her grandparents, Mr. and Mrs. A. V. McCowen. Her mother, Mrs. Joe McCowen, went after her Friday.

Mr. and Mrs. Lonnie Peel were in Lubbock a week ago Tuesday to be with Mrs. Douglas Livingston while she underwent surgery. She came home Saturday and is doing very well.

Mr. and Mrs. Ray Young of Post and Mr. and Mrs. Lonnie Peel were in Ruidoso, N. M. for a few days of rest and pleasure last week.

CONGRATULATIONS to Mr. and Mrs. W. H. Childs. They are the grandparents of a new baby boy, Timothy James Prather. We offer congratulations to the proud parents.

MRS. JOE McCowen and daughters, Mrs. Billie Dempsey and Mrs. Glenda Huie of Seagraves were in Fort Worth recently to visit a new nephew, the son of the John Kocureks. He was born Aug. 3.

Mr. and Mrs. Aubrey Ritchie and their daughters and families spent several days in Las Vegas.

Mustangs to be better balanced

DENVER CITY — The Denver City Mustangs have more speed than usual and the passing should be a little better, says Coach Don Orr.

The Mustangs opened workouts Aug. 18 with approximately 30 boys, including 1. returning lettermen, reporting for the varsity.

Some 50 other boys turned out for "B" team and freshman workouts.

Coach Orr says the only player who is virtually assured of his old job is Gene Richardson, who was all-district quarterback in 1968. "There'll be a battle for the other positions," Orr said.

Commenting that the Mustangs have no one outstanding player, Coach Orr said, "We could develop into a better - balanced ball team than we have had in recent years."

The Mustangs open their season Sept. 12 against Seminole.

Roosevelt looks for best season

ROOSEVELT — The Roosevelt Eagles, who are on the Post Antelopes' 1969 football schedule, are looking for their best season yet.

The Eagles are picked for a second place finish, behind Petersburg, in District 4A.

Roosevelt lost 11 players by graduation, but Coach Houston Powell says the ones who are back are in fine physical condition after working all summer and that their attitude is good.

Assisting Powell on the coaching staff are Don Black, John Alexander, Gene Mimms and a newcomer, Lane Tannehill.

N. M., recently. Those enjoying the cool weather and mountains and being together were Mr. and Mrs. Jackie Grimes of El Paso, Mr. and Mrs. Junior Smith of Hawley and Mr. and Mrs. Butch Sparks of Portales, N. M.

The Rev. Ishmael Justice of Florida spent last week in the home of his brother and sister-in-law, Mr. and Mrs. Howard Justice. On Wednesday they all went to Petersburg to attend a Justice family reunion.

Mr. and Mrs. Barnie Jones went to Palo Duro Canyon last Monday night to see the drama "Texas" and then on to Canadian Tuesday to visit his cousins Frank and Claude Cook, and families.

Sterling City is first foe for Southland club

SOUTHLAND — The Southland Eagle football team, under new coach Rodney Callaway, is scheduled to open its season at home Friday night, Sept. 12, against Sterling City.

Callaway was hired as coach to replace Blane Dyess, who resigned to accept the coaching job at Borden County High School in Gall.

The new Southland coach is a graduate of Cisco Junior College and attended Texas Tech.

The Eagles have five home games and five away from home. Game time for the first four non-district contests will be a 8 p.m. The final six games, all district contests, will start at 7:30 p. m. The schedule:

- Sept. 12: Sterling City at Southland.
- Sept. 19: Garden City at Garden City.
- Sept. 26: Loop at Loop.
- Oct. 3: Gall at Southland.
- Oct. 10: Cotton Center at Southland.
- Oct. 17: Bula at Southland.
- Oct. 24: Smyer at Smyer.
- Oct. 31: Three-Way at Three-Way.
- Nov. 7: Open.
- Nov. 14: Witharal at Witharal.
- Nov. 21: Union at Southland.

Minor receives doctor's degree

James Marshall Minor, son of Mr. and Mrs. James L. Minor of Post, received the Doctor of Philosophy degree in Physics at the 43rd annual summer commencement exercises Saturday night at Texas Tech University.

Minor's doctoral dissertation was "Two-Electron Correlation Effects in Hartree - Fock Atomic Systems." His doctor's degree was the only one awarded in physics at the Tech commencement exercises.

Minor, a 1961 graduate of Post High School, received his Bachelor of Science degree in 1965 and his Master of Science degree in 1967, with minors in mathematics.

He has received a one-year research associate grant from the Defense Department for study in Solid State Physics, Crystal Field Theory, along with Dr. Raymond W. Mires, associate professor of physics.

VISITS PARENTS HERE

Mrs. Marilyn Ehrlich and two children, Lisa and Robert, of College Station are visiting this week in the home of her parents, Mr. and Mrs. James L. Minor. Mrs. Ehrlich's husband, Tracy, is a professor at Texas A&M University and is working on the Ph.D. degree in bio-chemistry.

The computer complex developed for the Apollo Spacecraft flights handles 80 billion calculations a day.

Graham community news

More plans made for homecoming

By MRS. GLENN DAVIS
 A meeting was held in the Graham Gin office last Thursday evening and several plans made for the Graham School Homecoming. Mrs. Loucille Morris, chairman, pre-

sided. Thursday morning was set as clean-up day for the center. It was reported that the historical marker is in place and also the church medallions. The ice cream committee asks that each family in the community and also ex-students in the county bring a freezer of ice cream. Also plain cakes are needed to be served Saturday night. We hope to see you at the homecoming festivities Saturday and Sunday.

What a nice rain we received early Monday morning. There was one and three-tenths here but a bit

more fell in other places close around. We are so thankful for any rain and the cool weather is so nice.

Five of the Graham HD Club members and nine other persons attended the pageant "Texas" last Tuesday evening after visiting part of the museum in Canyon. A light shower fell about 30 minutes before the end of the pageant so we didn't get to see the ending. We all enjoyed it and want to go back.

Thursday luncheon guests of Mr. and Mrs. Elmer Cowdrey were the Buck Gossetts and Butch from

California, the Virgil Stones, L. H. Peels, Fred Gossetts and Keth, the Delmer Cowdreys and grandson, Clay, Mrs. Pearl Wallace and Mrs. Viva Davis.

The Melvin Williams family recently took a vacation trip to Arkansas, Tennessee and North Carolina. They spent the night near Idabel, Okla., with the Cletus Polards on the way home.

Mr. and Mrs. Elvus Davis and Patricia visited relatives in Leveland Sunday afternoon.

The Lewis Mason family and Mrs. Willie Mason visited in Fort

Stockton last Thursday and Friday with the Jimmy Hutton family.

ALVIN DAVIS visited his mother, Mrs. Viva Davis, Saturday evening on his way home from Dallas.

Mrs. Myra Green was dismissed from West Texas Hospital Monday of last week and is in the home of her daughter and son-in-law, Mr. and Mrs. Quanah Maxey. She is doing as well as anyone can with a long leg cast.

Sunday visitors of the Quanah Maxeys were Mr. and Mrs. Grady Webb and nephew Bruce Stevens

of California, the Louis Sinclairs, Mrs. Gladys Floyd, Mr. and Mrs. Elmer Cowdrey, Mrs. Viva Davis, Lewis Masons, Ronnie Graves, John Kirkseys, Mr. and Mrs. Doug Jacobson and Bud Sparlin.

The Carl Fluitts and Pat Martins enjoyed a fish supper in the Theibert McBride home Saturday.

Mr. and Mrs. Lonnie G. Peel and children visited in Olton over the weekend.

The Carl Fluitts, Delwin Fluitts, Shelly Fluit, Mrs. Clinton Edwards, Mr. and Mrs. Ronnie Edwards and her brother spent Sun-

day at White River Lake.

The Lewis Mason family visited Friday evening with the Pete Price and Gerald Dean Jr. families.

Mr. and Mrs. Bobby Cowdrey and children (except Clay who stayed with his grandparents, the Delmer Cowdreys) spent from Wednesday until Sunday at Pecos sum Kingdom Lake. They also visited the Junior Gray family.

Mr. and Mrs. Louis Wolfe and David Gossett of Ontario, Calif., spent Sunday night with her cousin, Mrs. Pearl Wallace.

North Africa worker vacationing at home

By MARY LEE LAWS
School has begun and most of the mothers are about ready for a few hours of peace and quiet. However, football games will begin in a few days, so there we go once again. Jimmie Warren is home on a 21-day vacation from North Africa where he works in the oil fields. He works nine weeks and then is off for three. He is visiting his wife, Kathy, and children, as well as the Dean Laws, R. A. Weatherbys, Victor Bullards, Donnie Fair-

weathers, and the Willis Prysocks of Hobbs, N. M. While the rest of the family visits Mr. Warren's brother and family, the Dean Laws, in Rome, Miss., Sheila is staying with Cindy Laws.
A'Leta and Chip Parks of Odesa spent several days visiting their grandparents, the O. C. Harrison. Jim and Dottie came after them Sunday.
Mr. and Mrs. Kenneth Huffaker and family have returned from a week's stay in Colorado.
Wayne McDonald left for Bethany, Okla., Sunday to attend Bethany College.
Mr. and Mrs. W. L. Gribble and

Mr. and Mrs. W. G. McCleskey visited in the H. E. Huffaker home Saturday night. Ollie is reported to be doing pretty good since she was involved in a two car accident last week and suffered some cracked ribs. Ruby Patterson spent a few days in Mercy Hospital but is at home now.
The Carlos McCleskey family and Mrs. Melton visited the I.V.J. Meltons at Ropesville Sunday.
Mr. and Mrs. Young of Welch visited the O. C. Harrison Sunday night.
The H. C. Gribbles visited in the Alvin Bradshaw home Sunday afternoon.

Bud Inklebarger is out of the hospital but is staying in Lamesa for a few days so he can be close to his doctor.
Mrs. Mae Lewis of Wichita Falls, Mr. and Mrs. Arch Aten and the Dean Laws family were Saturday dinner guests of the Kelly Laws. Kelly took Mae home Sunday.
Mr. and Mrs. W. G. McCleskey were Sunday dinner guests of the Rev. and Mrs. E. A. Rawlings.
CONGRATULATIONS to Mr. and Mrs. Steve McDonald on the birth of a daughter, Jo Marie, in Yakima, Wash. Steve is in Vietnam and Judy is staying with her parents while he is there. Grandpar-

ents are Mr. and Mrs. Helmer Valentine and Mr. and Mrs. Ted McDonald, both of Selah. Grandparents are Mr. and Mrs. A. E. Riley and Mr. and Mrs. W. G. McCleskey.
Z. R. Ingle is still in Medical Arts Hospital and seems to be improving some each day.
We sure did enjoy the much needed rain. We've had close to two inches since Saturday.
Ruth Ingle and children spent the weekend in Muleshoe visiting her parents, the B. M. Seales, her sister, Mary and children of California and other brothers and sis-

EYE ACCIDENTS

The National Society for the Prevention of Blindness estimates that industry is hit by an estimated 1,000 eye injuries every working day of the year. The society says that 90 per cent of the eye injuries due to industrial and school lab accidents can be prevented through proper safety precautions.

WEEKEND VISIT

Mr. and Mrs. M. A. McDaniel and Mr. and Mrs. Lyndell McDaniel visited relatives in Burleson over the weekend.

ALL PIGGLY WIGGLY BEEF IS GRADED BY THE UNITED STATES GOVERNMENT!

90% of the homemakers today prefer USDA Choice Grade Beef... the ONLY beef sold at Piggly Wiggly in Post.

PIGGLY WIGGLY BEEF IS NATURALLY TENDER!

No enzymes are added to the beef sold at Piggly Wiggly. Piggly Wiggly USDA Choice Beef is grain-fed for flavor and NATURALLY aged for tenderness.

PIGGLY WIGGLY BEEF IS VALU-TRIMMED!

All beef sold at Piggly Wiggly is "valu-trimmed" to give you more meat for your money. All excess fat and bone is removed before packaging. No tenderizers are added... you pay for only lean, naturally tender beef.

AT PIGGLY WIGGLY THE PRICE IS RIGHT!

We invite you to compare Piggly Wiggly prices! Our policy is to sell quality beef at the lowest possible price always! You save money... plus the added bonus of valuable S&H Green Stamps with your purchases.

LOOK FOR THIS LABEL EACH TIME YOU BUY BEEF!

It's the sign that it has been government inspected and it is your assurance of naturally tender, flavorful beef.
