## 1970 United Fund drive to seek out new givers

### Campaign opens Monday morning

"Go, Givers, Go!" This adaptation of Post's football battle cry signals the opening of Garza County's 1970 United Fund campaign, which officially gets under way on all fronts come Monday.

The reorganization has been basically concentrated in three regular divisions of the drive and with the addition of one entirely new division.

First, the "big gifts division" which formerly went after all larger fund contributors has been redesigned as the "business division."

Sixty-five local business firms made no contributions last year, mostly because many of them did not fall within the "big gifts" division minimum of \$25 or more, and thus were not contacted.

To correct this situation, "big gifts" became the business division and every business firm in the area will be contacted this year.

The 13 workers who started making contacts to business firms this week in advance of other sections of the drive, include Jim Corish, chairman, Bryan J. Williams, J. B. Potts, S. E. Camp, Harold Lucas, Fred Myers, Glen Barley, Mike Mitchell, James Mitchell, A. C. Cash, Gene Moore, Lou Marks and Mayor Giles McCrary.

The second major "re-organization change" was in recruiting 13 farmers and ranchers to date to take campaign cards and contact from six to a dozen rural neighbors.

In previous years, the farm and ranch division was handled by "catching" contributions at the bank. Consequently it was a hit and miss operation and many were missed.

Cards on farmers and ranchers were prepared in advance by Mrs. Cornish and workers who are making the rural canvass so far include Robert Craig, Lonnie Gene Peel, Wayne Carpenter, Clarence Gunn, Darrell Jones, Tommy Young, Dale Cravy, David Tyler, Russell Wilks Jr., Delwin Fluitt, Bobby Cowdrey, Jerry Bush, and Jerry Thuet.

The third change was to attempt better coverage in the employees division. Mrs. Lorrye McAlister spent two weeks preparing a listing of all such local employees so that cards can be prepared in advance. Boo Olson and Mrs. McAlister are co-chairmen in charge of making the employe contacts.

The entirely new United Fund drive division this year is the "private citizens division."

Mrs. Cornish has organized a 13-woman committee under Mrs. Wanda Mitchell, as chairman, who are taking pledge cards for up to 200 families in Post who would probably be completely missed in business contacts.

This group met last night in the

pastor's study of the First Presbyterian Church to organize their efforts. The women workers include Mmes. Minnie Williams, Ruth Ann Newby, Patty Kirkpatrick, Louise McCrary, Neida Dalby, Mary Lee Wright, Marky Rasbury, Weaver McKamie, Rosemary Chapman, Nancy Macy, Maudie Rose and Marcella Hair.

Chairman of other drive divisions include: Walter Didway, Postex plant employe; Max Mitchell, oil employe; the Rev. George L. Miller, ministers; Dean Robinson, county em-

ployer; Don Windham, hospital employe; City Manager Bobby Pierce, city employe; Julian Smith, highway department employe; A. J. McAlister, post office employe; Mrs. Max Chaffin, Southland schools; Bailey Mayo, ASCS and SCS employe; Jimmy Holmes, bank employe; Benny Valdez, Lincoln addition business, and Mrs. Winnie Tuffing, Justiceburg.

The United Fund goal is \$10,000 again this year.

Last year, the fund drive fell well short of the goal and even

though United Fund reserves were added to the contributions, all participating agencies still had to be cut 10 per cent.

Mrs. Cornish has scheduled a two-week drive with the first week being scheduled for original contacts and the second week for the follow-ups on all those missed.

"There will still be some we'll miss despite our efforts to reach everyone," Mrs. Cornish said today. "If you are missed and want to make a contribution please bring it or mail it to The Post Dispatch."

The largest "help wanted" ad in The Dispatch's history appears on page 11 of today's Dispatch because there wasn't room on the want ad page where such notices appear.

We hope it brings the desired results — to the benefit of the entire community.

As you'll note in his "thank you ad" on page 2, Jim Hundley will be celebrating his own Golden Jubilee as a Post business man Saturday. With his 50th anniversary coming up, Jim obviously is the oldest Post business man in years of service" on Main Street.

Jim also was telling us that he is the oldest dealer in the nation for the Kahn Talking Co., which sends representatives to Jim's store twice annually to measure Post men for tailored suits. Jim has been representing Kahn for 41 years, longer than any other dealer in the country now. Jim points out it took both he and Kahn to establish that mark.

Congratulations, Jim. How about 50 more?

There's been a change in The Dispatch "family."

Amado Fuentez Jr., is our new pressman and stereotyper replacing Danny Richardson, who explained to us he is just the outdoor type and didn't like being enclosed in the pressroom of The Dispatch.

So Danny went out and signed on with the highway department here and Amado, who is a real hustler, has come to work for The Dispatch.

### Two injured in highway crashes

E. M. Woodard of Justiceburg, who received a cut on his head and bruises when his automobile was struck from the rear by a truck last Thursday afternoon, was reported Wednesday to be "getting along fine" at Garza Memorial Hospital and expected to be dismissed within the next few days.

The accident in which Mr. Woodard was injured occurred about 3:40 p. m. last Thursday some 16 miles southeast of Post on U. S. Hwy. 84.

Mrs. Sherry Josey of Post received a neck and back injury about 5:45 p. m. Tuesday when her automobile was struck from the rear by a pickup truck about a mile northwest of Post on U. S. Hwy. 84. She received treatment at a local physician's office.

Gordon Gass of Slaton was driver of the pickup that struck Mrs. Josey's automobile, according to the Highway Patrol, which investigated the accident.

### Seminar, council slated by church

The Church of God of Prophecy at 111 East 5th St. will be host to a training mission seminar and council from Friday evening, Oct. 24, through Sunday morning, Oct. 26, the Rev. Howard L. Smith, pastor, announces.

Bishop Homer Hunter Jr. and John A. Stubbs, both of Cleveland, Tenn., will attend the event as representatives, and state overseer Bishop W. A. Howard of Lubbock as moderator.

From 75 to 100 are expected to attend, including pastors and leaders from other area churches.

### Not helping cotton

## Annual rainfall mark goes by boards here

Post already is well past its average yearly rainfall of 20.43 inches with over two more months still to go — and it's still raining. A total of 2.53 inches of additional moisture had been measured here from Saturday through this morning to bring total moisture in 1969 to date to 23.42 inches.

Measurements included .14 of an inch Saturday morning, .58 Monday morning, .65 Tuesday morning, .26 Wednesday morning, and .90 this morning.

"It's not helping the cotton any," County Agent Syd Conner told The Dispatch yesterday and it's hurting the cotton that is open.

Conner said that the rain is falling so slowly there is very little runoff to aid ranchers in filling stock tanks.

"We're ready for some sunshine," Conner declared. The overnight low this last week came last Wednesday night, a 43 degree reading. The high for the period was an 85 degrees last Wednesday afternoon.

### Farmers Union will meet here tonight

The Garza County Farmers Union is to hold a general meeting at 8 o'clock tonight (Thursday) in the Community Room of the First National Bank.

Bob Tidwell, president, said all Farmers Union members and all others interested in agriculture are invited to attend the meeting.

### SUNDAY TIME TO TURN BACK CLOCK

"Backward, turn backward, oh time in your flight . . ." The poet who wrote those lines probably wasn't thinking of Daylight Saving Time, but they do apply.

Sunday, Oct. 26, clocks will be turned back one hour as Daylight Saving Time ends and Standard Time takes over again.

### For teacher, student

## Fast trip home from convention

E. A. Howard, high school vocational agriculture teacher, and Lee Norman returned last Friday night from the national Future Farmers of America convention in Kansas City, Mo., where Lee received FFA's highest honor, the American Farmer Degree.

Mr. Howard and Lee left Kansas City by plane at 5:05 p. m. Friday and arrived in Post in time to see the Antelopes score their final two touchdowns against Tahoka in the homecoming football game.

Lee and the other American Farmers of 1969 were honored Wednesday evening at a banquet in the Grand Ballroom of the Muehsbach Hotel.

Approximately 12,000 FFA members attended the convention, which was the organization's forty-second.

Harry Birdwell of Oklahoma was elected Central Region president and Dennis Joe Barris of Texas, national student secretary.

Needville, Tex., and Jackson, Minn., tied for first in livestock judging, and Garland, Tex., won (See FFA trip, Page 8)

### Three newcomers in District 4AA

## Grid slate completed following ULL changes

School officials and coaches of newly-expanded District 4AA lost little time in meeting and drawing up schedules following the University Interscholastic League's assignments for the next two school years, announced last Thursday.

The District 4AA meeting was held Monday night at Frenship High School, Wolfforth, with Supt. Bill Shiver, Athletic Director and Head Coach Billy Hahn and Coaches Waco Reynolds and Bud Davis representing Post at the meeting.

Post's schedule, completed at the meeting, includes new district members Slaton, Ralls and Roosevelt; present district members Tahoka, Frenship, Denver City and Idalou, and non-conference opponents Hale Center, Lockney and Floydada.

The size of District 4AA was increased to eight schools with the addition of Slaton, Ralls and Roosevelt, and the moving of Morton into District 3AA.

The Antelopes' 1970 schedule follows:

Sept. 11: Hale Center at Post.  
Sept. 18: Lockney at Lockney.  
Sept. 25: Floydada at Floydada.  
Oct. 2: Ralls at Ralls.  
Oct. 9: Roosevelt at Post.

Oct. 16: Slaton at Slaton.  
Oct. 23: Tahoka at Post.  
Oct. 30: Idalou at Idalou.  
Nov. 6: Denver City at Post.  
Nov. 13: Frenship at Post.  
The first three games — non-conference — will start at 8 p. m.

and the seven conference games at 7:30 p. m.

The 1970 schedule does away with the home - and - home arrangement as far as Post's games with Denver City, Tahoka and Idalou (See Grid slate, Page 8)

### Broke out Oct. 13

## County jail escapees captured in Arizona

The two Lubbock youths who broke out of the Garza County jail here the night of Oct. 13 have been captured in Prescott, Ariz., Sheriff L. E. (Fay) Claborn said here this week.

The pair, Williams Deubler, 19, and Gary Dale Earnest, 19, were arrested in Prescott Monday night and are being held there at present on grand theft charges, the sheriff said he has been notified. Federal warrants, charging unlawful flight to avoid prosecution for burglary, were issued Monday against both youths by U. S. Com-

missioner Frank R. Murray in Lubbock.

Deubler and Earnest had been brought here the morning of Oct. 13 for a district court trial scheduled Tuesday or Wednesday for the attempted burglary of Hundley's Men's store here last year.

The pair already are under three concurrent eight - year prison sentences for burglary and "three or more other Texas counties want them for other charges," according to Sheriff Claborn.

"Eventually the two will be brought back to Post to stand trial for the Hundley burglary attempt," Claborn said, but the sheriff said he didn't know when that would be.

Deubler and Earnest escaped the county jail by breaking out of the cell onto the roof of the courthouse and then using a rope made of bedsheets to lower themselves to the fire escape on the west side of the building.

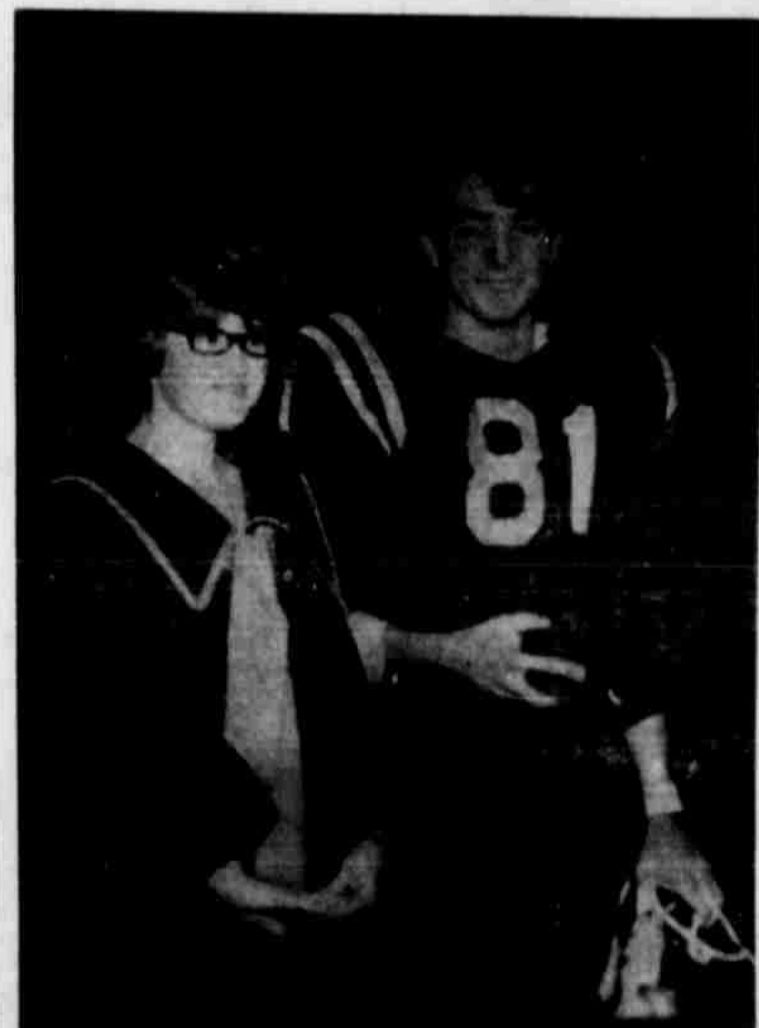

### Rites for mother of Post resident

Funeral services for Mrs. May Rotta Nichols, 87, of Albuquerque, N. M., mother of Lester Nichols of Post, were held at 2 p. m. Monday at the French Mortuary in Albuquerque, with burial in Memorial Park Cemetery.

Mrs. Nichols, who was a resident of Post for six years, died early Friday morning in an Albuquerque hospital.

Besides the son of Post, Mrs. Nichols is survived by two daughters, Mrs. Georgia B. Johnson of Albuquerque and Mrs. Lorena G. Miller of Truth and Consequences, N. M.; one brother, Herbert Lester of Dallas; one sister, Mrs. Ethel Nichols of Pasadena, Calif.; seven grandchildren and 20 great-grandchildren. Her survivors also include four generations of nieces and nephews.

Those attending the funeral included Mr. and Mrs. Dale Andress of Fort Worth, Mrs. Auvey McBride of Lubbock, Lester Nichols of Post, Mrs. Leon Nichols of Los Angeles, Calif., Maj. Tom Hill and grandson of Alabama, Milford Hill of Redlands, Calif., and Mrs. Jerry Comstock of Los Angeles.

## United Fund drive needs everybody

Two essential points need to be made to Garza Countians before the 1970 United Fund drive opens Monday.

First is that only a small minority of residents of the county have been contributors in past years and it is about time everybody put some money into the pot.

Second, a \$1 contribution to be divided among 11 participating agencies doesn't go very far. Under the current \$10,000 drive goal, the biggest participating agency, the summer baseball program for boys, would receive just 19 cents. The smallest participating agencies—the Medical Research Foundation and the Texas Rehabilitation Hospital—would receive a quarter of a cent each.

Obviously, \$1 contributions won't help much. So let's think in more helpful terms.

If a small donor gave \$5 this year, here is how his or her donation would be divided among the various fund agencies.

The Post Child Day Care Center would get 80 cents. Summer baseball would get 95 cents, the Garza Youth Center 40 cents, the Girl Scouts would receive 80 cents, the Medical Research Foundation and the Texas United Fund would draw 2½ cents, the Boy Scouts would be given 92½ cents, the American Red Cross and the Salvation Army would get 45 cents each, the USO would benefit by 5 cents, and the Garza United Fund would receive 12½ cents for drive expenses.

When one considers that if 11 separate drives were held you would probably at least give \$1 each. If most folks would give \$11 the drive would make it.

About half of the local business firms, some 55 of them, in years past have contributed about 80 per cent of all money given to the United Fund in this county. That's extremely out of

proportion to what it ought to be, quite unfair, but the way it is nevertheless. Then there is the fact that 63 other local businesses last year didn't contribute a single penny.

A lot of good folks have failed to give at all and the problems here is in reaching them. That takes a lot of work. Big city fund drives, like those conducted in Lubbock, take most of the year to plan because the strategy is worked out and the workers secured to reach just about everybody in town when the time comes.

This year, for the 1970 United Fund campaign which gets under way Monday, more efforts will be made to reach more people. And the emphasis in telling the United Fund story is in emphasizing that dollar donations won't do the job.

Garza County would have no trouble at all in raising \$10,000 for its United Fund if everybody gives "a fair share." But everybody won't be reached, no matter how great the effort, and those who are in many cases won't consider how important an expense item the United Fund is in their daily lives.

Without it there would be NO summer baseball program, NO child day care center for working mothers, NO Boy Scouts, NO Girl Scouts, NO youth center, NO Red Cross and NO Salvation Army to help in times of emergency, great or small, NO USO to give recreation to our boys in uniform, NO Texas Rehabilitation Hospital, NO Medical Research Fund, and NONE of the many worthwhile agencies funded by the Texas United Fund.

United Fund time is the time for each and every one to help the worthy organizations so funded and thus make our community a much better and happier place to live.

Think a moment—are YOU giving a "fair share" to the United Fund.—JC

### FOOD FOR THOUGHT:

"I buy my insurance from an experienced agent for the same reason that I buy my honey from the grocer rather than the bee. While I might save money from dealing directly with the bee, there's a possibility my lack of training, knowledge and experience would result in my getting stung. There's no substitute for experience!"

THE MAN UP the street says keeping a budget is usually an orderly way of discovering you can't live on what you're making.

Several months ago, Mrs. C "tracked down" in her "It's My Turn" column, the whereabouts of former Postite Floyd Tillman, who over the years has made quite a ripple in the field of country music, writing and making famous the song, "It Makes No Difference Now," among others.

WELL, I LEARNED last Thursday night that Floyd is still "at it" and going strong after recovering from an illness that had slowed him for some time. While listening to a radio broadcast of part of the weekend's "Grand Ol' Opry" 44th birthday celebration, I heard Floyd interviewed in the lobby of the Andrew Jackson Hotel at Nashville, Tenn., the world's country music capital.

Floyd told Mel Tillis, who was interviewing him, that he had written five new songs in the last three months, but that he isn't doing any singing now — just devoting his time to song-writing.

ALL IN ALL last week was an unusually big country music week and I enjoyed all I saw and heard of it, starting with Kraft Music Hall's televised country music awards program Wednesday night.

If any of my readers are surprised that I am a country music fan, they shouldn't be . . . it's sort of one of those "You can't take the country out of Salem" situations. Besides, I can understand the words in a country music song, whereas in a rock and roll song I can't even understand the reason, let alone the words.

THE LETTER reprinted below is not the type I usually repeat in print. It came my way as a joke—more or less. But, the more I read it, the more I see the logic of it. The letter is entitled "Perspective," and is to be read in its entirety, not scanned.

Dear Mother and Dad:  
Since I left for college I have been remiss in writing and I am sorry for my thoughtlessness in not having written before. I will bring you up to date now, but before you read on, please sit down. You are not to read any further unless you are sitting down. Okay?

Well, then, I am getting along pretty well now. The skull fracture and the concussion I got when I jumped out of the window of my dormitory when it caught on fire shortly after my arrival here is pretty well healed now. I only spent two weeks in the hospital and now I can see almost normally and only get those sick headaches once a day.

Fortunately, the fire in the dormitory and my jump was witnessed by an attendant at the gas station near the dorm and he was the one who called the fire department and the ambulance. He also visited me in the hospital and since I had nowhere to live because of the burnt-out dormitory, he was kind enough to invite me to share his apartment with him. It's really a basement room, but it's kind of cute. He is a very fine boy and we have fallen deeply in love and are planning to get married. We haven't set the exact date yet, but it will be before my pregnancy begins to show.

Yes, Mother and Dad, I am pregnant. I know how much you are looking forward to being grandparents and I know you will welcome the baby and give it the same love and devotion and tender care you gave me when I was a child. The reason for the delay in our marriage is that my boyfriend has a minor infection which prevents us from passing our premarital blood tests and I carelessly caught it from him.

I know that you will welcome him into our family with open arms. He is kind and, although not well educated, he is ambitious. Although he is a different race and religion than ours, I know you often - expressed tolerance will not permit you to be bothered by that.

Now that I have brought you up to date, I want to tell you that there was no dormitory fire, I did not have a concussion or skull fracture, I am not pregnant, I am not engaged, I am not infected and there is no boy friend in my life. However, I am getting a "D" in history and "F" in science, and I want you to see those marks in their proper perspective.

Your loving daughter

## Post youth gets top FFA award

The Dispatch congratulates Lee Norman, who last week was awarded the American Farmer Degree at the national Future Farmers of America convention in Kansas City, Mo.

Lee, a Post High School graduate who is in his first year of college, earned the FFA program's top award while a member of the Post High School FFA chapter.

The American Farmer Degree honors not

only Lee, but also his high school chapter advisor and vocational agriculture instructor, E. A. Howard, who accompanied the Post youth to Kansas City and was present when the award was made.

It is indeed refreshing to be able to report news of a local youth receiving such an outstanding award at a time when most of the news seems to be slanted toward giving our young people a "black eye."—CD

## CROP campaign set for Sunday

The people of Post will be given an opportunity Sunday, Oct. 26, to contribute to the only statewide community food appeal in our state for the overseas program of our churches.

Sunday marks the beginning of Texas CROP Week, designated as such by Gov. Preston Smith. The young people of three local churches—the First Christian, First Methodist and First Presbyterian—will make a canvass for the benefit of CROP.

CROP in Texas is sponsored by the Texas

Conference of Churches, and local CROP canvasses are sponsored by county CROP boards, local Ecumenical Youth Councils, Jaycees and local Councils of Churches and Councils of Church Women United.

The boys and girls calling on you Sunday in Post's CROP campaign will be recognized by CROP identification buttons and official CROP Canvass Kits or CROP Canvass Envelopes. Be generous when they call—it's for a good cause.

## Spirit high at PHS pep rally

By NANCY STRAWN  
Last Friday Post High School had one of the greatest pep rallies we have ever had. Spirit was high and it was quite evident that the whole school was behind the Antelope team all the way. I am sure that all the spirit helped the Antelope team to another victory.

The cheerleaders did a great job of leading the school in some yells. The skit was given by Sally Dorland, Phil Mathews and Kim Owen. David Hamilton and Chip Polk had wonderful results with their Antelope machine. The band played several numbers and the twirlers did their routines to the songs. The spirit stick was presented to the sophomore class this week. Let's keep the spirit up and help the Antelopes GET A TIGER!

## Decorations in hall generate spirit for Tahoka grid contest

By KIM McCLELLAN  
As I walked into the school building last Friday morning, I noticed how nicely the halls were decorated and wondered how much time the Pep Squad spent in making the fringed crepe-paper and the great signs that were up on the walls. This time and effort on the part of the girls that are in the Pep Squad shows the spirit and belief the girls in Post High School have in their football team. This time they think and know that the football team is great and can do the job.  
The halls were decorated with signs that read: "Bully the Bulldogs," "Sock it to 'em," "Dog Meat DeLuxe," and "Trample Tahoka." Of course, the football team did bully the Bulldogs and they did trample Tahoka.

ly, as both Martha Miller and Pam Petty are beauties. They were both in the Miss South Plains contest this weekend. After the contest was over, I asked them both a few questions about the contest and their feelings toward their honors.

The first question I asked was why Martha and Pam entered the Miss Post contest, their "gateway to fame." Martha said, "One night Patti asked me if I had heard the good news?" That's when Martha found out that Peel's Conoco had entered her in the contest. Pam said, "I entered because Maureen Hudman asked me to and I did want to."

I asked Pam if she felt any different after all the "glamour and excitement"? Pam's answer was, "I don't really feel different except that I've gained experience and poise, and I'm glad of that." Martha's reply to the same question was, "I learned a lot of things, getting over stage fright and how to act around new people." People say experience is the best teacher. In this case, however, experience would have scared me to death!

Both Martha and Pam feel that people still treat them the same, and both say they would do it all over again. I say they both have courage and I admire them for it.

I asked them both what they felt benefits were from this exciting experience. Pam feels that she gained experience being in front of people and that she gained confidence in herself. Martha also welcomed the experience and feels that she greatly benefited by meeting new people.

Pam did add something that I didn't ask about, and that was "If it wasn't for Margie Pennell and Lynette Thuet, we couldn't have done it. They pushed and helped us a lot. They made it all possible." I think we should give both girls a hearty round of applause and a warm "thank you" each time we see them. Martha and Pam were wonderful representatives of the city of Post and they deserve all the recognition we can give them.

## GIRL SCOUT NEWS

By KIM HESTER  
The following is all about the "in's and out's" of Girl Scout Troop 331.

Girl Scout Troop 331 meets on Monday from 7 to 8 p. m. Mrs. Lee W. Davis Jr., is our troop leader and Mrs. Jerry Hester is assistant. Officers are: Carol Davis, president; Sherry Compton, vice president; Jana McKamie, secretary; Renee Thomas, treasurer; Kim Hester, reporter; camp council representatives, Shirley Allen, Lee Ann Gandy.

The troop has two new members this year. They are DIAnna Collier and Patricia Davis.

We recently had a "Come As You Are" party early one morning. Everyone was in pajamas. Rolls and doughnuts were served.

During the summer we rode bikes out to the Davis' tank and spent the night. Altogether that was about 34 miles of bike riding.

We will soon celebrate our 5th birthday in Girl Scouting.

Many thanks to Mrs. Davis for being our leader and to Mrs. Gandy for helping.

## Program to aid small towns is announced

AUSTIN — Gov. Preston Smith has announced a "Texas Communities Tomorrow" program to revitalize the small towns in Texas.

The aim is to provide a central source through which small towns can get information on governmental aid available to them and to help find technical and financial know-how for improvement programs.

Most "hometowns" are "becoming crowded cities" or "are decaying into nothingness," complained the governor.

## 'Fifth Quarter' is entertaining event

By JUDY LOFTON  
After game entertainment was thoroughly enjoyed by all persons attending the fellowship at the "Fifth Quarter" Friday night after the ball game. The entertainment was by a group known as the "Country Gentlemen," from Wayland Baptist College.

Those attending the fellowship were: Bobby Norman, Daria Baker, Sue Britton, Susie Smith, Sherry Brockman, Terry Holmes, Danny Williams, Carla Cook, Mike Hays, Steve Hays, Robert Pierce, Dewayne Morris, Kyle Josey, Kelly Duren, Charles Baker, Patti Nelson, Nancy Strawn;

Donna Maddox, Christine Morris, Lillie Wilke, Sue Parrish, Danny Rose, Carol Davies, Gail Browning, Judy Lofton, Elbert Rudd, Donna Rudd, Gary Ray, Terry Shedd, Dick Helms, Jodie Gandy, Freda Mahon, Carol Conrad.

Those people would like to thank Mr. and Mrs. Thurman Maddox, Mr. and Mrs. Arnold Parrish, Mr. and Mrs. Bob Baker, and Bro. Joe Vernon for making this fellowship possible. Also thanks goes to the group from Wayland for making the trip to entertain the group.

There will again be a very special fellowship after the Denver City ball game. Everyone is invited and refreshments will be served to all.

## HERE FOR VISIT

Mrs. Maxine Edwards and daughters, Ginny and Julie of Richardson, arrived Friday to spend a few days in Post. They attended the Post homecoming game along with Mrs. Edwards' son-in-law and daughter, Mr. and Mrs. John Hegi of Lamesa.

## ATTEND HOMECOMING

Mr. and Mrs. Noel Don Norman of San Angelo attended the Post-Tahoka homecoming game and the homecoming activities Friday night. They also visited her parents, Mr. and Mrs. Mike Custer, before returning to their home in San Angelo.

## Chatti Patti . . .

by PATTI PEEL

I hope everyone has recuperated from the Homecoming weekend. Too bad the hippies didn't invade us. I think a lot of people were disappointed they didn't, right, Boyd?

There are a lot of students absent with a virus. I want to wish all of them a speedy recovery, and hope they get back in school soon.

The Juniors decorated cars last week for Homecoming. I want to congratulate them on the great job they did. It helped raise the spirit of the students.

The bonfire was full of spirit Thursday night, as the band played and the crowd did yells. There was a great turn-out even though it was so cold. The only sad thing was that Tol Thomas was injured in the game before the bonfire. He is in the hospital in Lubbock and is expected to remain there for awhile. Everyone misses you Tol and wishes you a very speedy recovery.

The game the Seniors have been playing in Civics has finally ended. The 1st period class blew up the world. The 4th and 6th periods talked peace and established peace over the world.

The Evergreen Hi-Ways played for the Homecoming dance Friday night. Some of the people there were: Kathy Jones and Joey Lee, Barbe Gilmore and Bill Bevers, Kay Herron and Weldon Swanger, Pam Petty and Steve Newby, Liz Dalby and Dennis Altman, Sharon Windham and Jay Bird, Debra Mason and Rickey Richards, Sally

Dorland and Butch Heaton, Kippy Payne and Neff Walker, Melvena Stewart and Johnny Hodges;

Nancy Cook and Larry Hair, Nancy Basinger and Dickey Wallace, David Woods and Ann Aten, Randy Hudman and Jan West, Janice Brockman and Mike Huff, Shelly Fluitt and Johnny Johnson, Becky Brewer and Garland Davis, Phyllis Eckols and Charles Neff, Sherry Bird and Robert Bullock;

Don Collier and Judy Norman, Joy McCathere and David Pierce, Marcia Newby and Steven Bruton, Karen Lee and Wiley Miller, Vicki and Joe Bilbo, Glen Ann and James McBride, Mary Ann Wright and Kim Owen, Nancy Hart and Clyde Cash, Martha Miller and Jerry?

Others there were: Kim McClellan, Sue Litton, Karon Windham, Jane Johnston, Rhonda Case, Cynthia White, Howard Keel, Gaynell King, Rickey King, Billye Williams, Laura Bevers, Sue Bevers, Connie Abshire, Stanley Abshire, Ken Herron, Larry Cummings, Karl Hall, Danny Lee George Torres, Boyd Noble, Ronnie Petty, James McGuire, Jan Adams, Davy Midkiff, Freddy Huff, Debbie Eubank, Debbie Cummings, Brenda Lee, Marie Crenshaw, Colleen Gilmore, Scott Lee, Thomas Zachary, Bill Hudman, Steve Birchfield.

Maxine Cummings asked me to say that she appreciates the discipline of everyone and thanks each of you for coming to the dance. The next dance will be after the Denver City ball game.

# Halloween attack on world hunger

The youth of the First Christian, First United Methodist and First Presbyterian churches here will unite their forces with church youth in some 250 other Texas communities to wage an attack on world

hunger during Texas CROP Week, the last week in October.

The Post youth will meet at the First United Methodist Church at 3 p. m. Sunday, Oct. 26, for the local CROP canvass.

The CROP Youth in Action project began as a Halloween project with the youth collecting "treats" for hungry children abroad in the form of milk. The Halloween date has lost its preference in most communities in order that the CROP youth canvasses for world hunger might be more effective.

CROP is the Community Hunger Appeal of Church World Service collecting resources for the overseas relief programs of the churches. It has helped CWS to minister to the starving refugees of the Niberian - Biafran crisis and other similar emergencies from disasters. Its major thrust is providing aid for the root causes of hunger with its seeds, fertilizers, and food for work projects.

The Texas youth who will be conducting CROP canvasses in ecumenical endeavors will be recognized by CROP identification buttons and official CROP Canvass Kits or CROP Canvass Envelopes.

**BOW AND ARROW HUNT**  
Bob Carpenter and Charles Morrow returned last Friday from a five-day bow and arrow hunting trip in the Sandia Mountains near Albuquerque, N. M. Both returned with a mule deer each. This was Mr. Carpenter's second bow and arrow hunting trip and Mr. Morrow's first.

## College night is to be at Snyder

By BARBE GILMORE

The Snyder High School Guidance Department is sponsoring a College Night to be held Oct. 27, at 7:30 p. m. They have invited the seniors and their parents of this area to attend. There will be representatives from 31 colleges and universities participating. During this time each student and his parents will have an opportunity to attend two 45-minute sessions, each represented by different colleges. The students and parents can get many of their questions about college answered directly from these college representatives.

A bus will be furnished for those students who need transportation. Please sign up in your English class by the end of school, Friday, Oct. 24, if you plan to attend by bus.

## WEEKEND GUESTS

Weekend guests of Mr. and Mrs. Powell Shytles were her parents, Mr. and Mrs. C. G. English of Corpus Christi, and their daughter, Mrs. James Williams and children of Ballinger, and their son-in-law and daughter, Mr. and Mrs. Kent Wheatley and Clark of Austin.

## Garza countians at soil meeting

Mr. and Mrs. Ralph Welch and Mr. and Mrs. Bailey Mayo are representing the Garza Soil and Water Conservation District at the 29th annual statewide meeting of Texas Soil and Water Conservation district directors being held in Dallas.

At the state meeting, which began Tuesday and ends today (Thursday), the conservation district directors will discuss ways to improve their service to both urban and rural districts. They will also elect officers.

There are 188 conservation districts in Texas covering 99 per cent of the state. They are governed by 940 directors who by state law must own land within the district. The locally-run conservation districts sponsor a wide range of conservation activities. Technical help from professional conservationists is furnished by the Soil Conservation Service.

# It's My Turn

— By MRS. C.

"The hippies are coming, the hippies are coming." So the cry reverberated up and down Main Street and took a sharp detour throughout the school buildings. The cry was heard from little fry to great big fry.

"I do believe this is the biggest rumor I've ever heard in Post, Texas," I announced to Mr. C. about mid-afternoon last Friday.

Just in case, and I believe it is quite doubtful, that anyone didn't hear the rumor, let me pass it along. (That's what makes a rumor, you know.) There was supposed to be a colony of hippies—numbering all the way from 35 to 400—camping near Post who were coming to town en masse to break up the homecoming game being between Post and Tahoka and after doing that repeat their performance at the ex-student dance!

As the rumor persisted and I grew, I hinted to Mr. C. that as newspaper-types it was our DUTY to run down this rumor. Armed with our weapons—pencils and with our weapons—we started out to do just that.

Driving many miles out on the Dallas Highway we finally turned to the east and were in virgin country as far as Mr. C. and I were concerned. We ended up in an oil patch with many roads running out in all directions. Realizing that we didn't know where we were going we turned back to a house we had spotted nearby to get some information. My eyes were a bit bleary by this time as I peered in all directions looking for a hippie camp.

We were stopped at the fence around the house bearing a sign on the gate reading: "Beware of dog." "Obey that sign, Mr. C.," I said, "it doesn't sound as if it will be a Basset Hound type."

Mr. C. was met at the gate by Mrs. Buzzie Odom and he explained our mission. She, too, had heard the rumors but couldn't enlighten us as to where they could be or how many were "there." She did inform us that about 2½ miles from the house there were some springs and a waterfall that is quite popular and she had "heard rumors" last summer that some hippies were camped there.

Back to town we came and on an exciting football game even

without the hippie invasion.

The rumors were still flying on Monday!

But now they can be dispelled! Mrs. Odom called Monday evening yelling "uncle." Please, please, she cried, pass the word around that there are no hippies out here. I am being over run with traffic, day and night, our dogs are exhausted with protecting the place and I have a sick husband in the hospital and don't have time for all this foolishness.

How did the rumor get started? It seems as though Texas Tech fraternities have been using the area (with permission for initiation parties at night and their campfires and loud music had been disturbing people no end. Boys being boys, (that doesn't change even with the generation gap) they had even stopped someone from going to an oil well by saying they were hippies. The rumor that they had threatened the landowner with the burning of his pastures was just that—a rumor.

So, all you hippie hunters, just settle back to a normal existence and leave poor Mrs. Odom alone.

It is not a rumor that the Garza County United Fund drive will begin Monday and continue for two weeks. It is also not a rumor that the Avery Moore Jr.'s are the first contributors to the fund this year and Rosemary Chapman is No. 2.

These two ladies made their nice contributions over the weekend. Mrs. Moore took care of the matter at the grocery store Saturday thereby brightening my day considerably and Rosemary made a special trip by Sunday afternoon. I didn't mind at all being awakened from a nap!

Be prepared to Give, give, give. And you Antelopes, be prepared to Go, Lopes, Go!

## Garza County HD Club News

The Graham HD Club voted to change their meetings from the first and third Fridays to the first and third Mondays of each month when they met for an all-day meeting last Friday at the community center.

The group presented Mrs. Tom Drake, a guest, with a basket of gifts for her new son. A short recreation period was enjoyed.

Guests at the luncheon on the afternoon were Mrs. Karen Parnell, HD agent, Mrs. Duff Green, Mrs. Bryan Maxey, Mrs. L. H. Peel and Mrs. Drake and son.

The next meeting will be Nov. 3 with Mrs. Mary Cowdrey and Mrs. Orabeth White as hostesses.

## BENEFITS OF TOPPING COTTON QUESTIONABLE

Questions arise each year among producers concerning the practice of topping cotton. Is it a paying proposition? Can I gain in lint yield and quality by removing terminal growth?

Obviously, there is no pat answer to these questions. Research in several cotton-belt states has generally shown no advantage from topping. In cases where yields were increased, the gain was small. Important factors such as the season, variety and frost date no doubt affect results of this practice. Topping too early causes lateral branches to grow and actually defeats the purpose of topping.

Topping removes excessive terminal growth to allow better sunlight penetration as well as a circulation around lower maturing bolls. Light seems to promote boll development and maturation. Therefore, plants with mature bottom bolls but with immature fruit in rank top growth with no opportunity to mature would benefit most from topping. Yet, even under these conditions, beneficial results are not always assured.

One problem, is that topping will remove some mature bolls that should be kept while leaving some immature bolls that should be removed. In other words, mature and immature bolls are usually not distinctly separated on the cotton plant. On the other hand, little or no advantage can be expected on cotton with quarter size and larger bolls near the top. In fact, reduc-

tion in yield can be expected when topping this type cotton.

Another reported advantage of topping is reducing foliage to aid in stripper harvesting. This may be especially beneficial in rank cotton receiving excess water in certain areas of the field. However, most cotton this year is generally not too large due to the hot, dry summer. Therefore, the need for topping is less than in previous years.

Of course, the primary factor to consider is the cost of this practice. Topping costs will range from \$2-\$4 per acre. This means a yield advantage of at least 25 to 30 pounds of lint is needed for a break-even proposition. So the producer should take a careful look at this practice before considering it. If you can only expect to break even, the time and money can be more profitably spent on other enterprises.

**AIRS DEVELOPMENTS ON BOLL WEEVIL CONTROL PROGRAM**

With the 1969 High Plains Diapause Boll Weevil Control Program in full swing, certain conditions have developed that will directly affect cotton farmers in Garza County.

A heavy buildup of weevils late last year in several southern counties above the Caprock resulted in an expansion of the control program, thereby causing funds to be inadequate to effectively reduce weevil populations as in previous years. Weevils are again present in this new area this fall and another squeeze is being put on funds.

In line with these developments, I have been informed by officials of the control program that spraying will now be concentrated on the weevil infested area above the Caprock in an effort to prevent further spread this year. However, officials are hopeful that some fields in the infested area below the Caprock will receive limited treatment.

Program officials believe that this approach will contain the weevil and that acreage will be kept to a reasonable level. This will allow for increased funds next year with which to carry out an adequate control program over all the area.

A total of about 260,000 acres of cotton are infested this year with weevils and about 120,000 of these acres are above the Caprock. And with the overall objective of the diapause program being to control the movement of weevils onto the High Plains, officials felt that a concentrated effort should be aimed at controlling and checking the spread of the weevils already above the Caprock.

Program officials have already requested an increase in federal appropriations back to the original level of \$1 million as was appro-

## Sen. Ratliff on new committee

AUSTIN — Lt. Governor Ben Barnes today announced the appointment of five Senators to the Senate Interim Vocational-Technical Education Study Committee.

Named by Barnes were Sens. Chet Brooks of Pasadena; Jim Bates of Edinburg; Mike McKool of Dallas; David Ratliff of Stamford; and Murray Watson of Mart. Brooks was named chairman of the Committee by Lt. Governor Barnes.

Authorized by Senate Resolution Number 317, the group will review the overall problems of vocational-technical education, placing emphasis on (1) recruiting training, and certifying of teachers of vocational-technical education; (2) study the administration of current programs.

(3) Study the level and format of state, local and federal funding, pointing to problems of districts with large numbers of disadvantaged or non-college-bound students; (4) plans to improve the adequacy of present and proposed programs.

Initiated in 1964 when the program was initiated. Some 300,000 acres were infested with weevils at that time. However, appropriations were reduced to one-half the original amount in 1967 when the infested acreage had been reduced to 118,000.

Officials are confident that the additional funds will be appropriated for the 1970 control program. Then the program will once again be operating in full force in an attempt to deliver a death blow to the menacing boll weevil.

## Library LISTENING POST

By ROSEMARY CHAPMAN

I've never been much of a Daphne du Maurier fan, but, in all good conscience, it must be admitted that her latest book, "The House on the Strand", is a real dilly. I thoroughly enjoyed it, a doubly surprising confession in view of the fact that the story hinges on the effects of an imaginary hallucinogenic drug, and if there's anything I thought I was tired of hearing about, it's drugs, real or imaginary.

The setting of Miss du Maurier's book is Kilmarth, a 600-year-old house in the wilds of Cornwall near the coast. The protagonist, Richard Young, an Englishman who has recently quit his job with a publishing firm in England, is spending the summer at Kilmarth at the invitation of his best friend, Professor Magnus Lane, an eccentric bio-chemist. Magnus has persuaded Richard to be a guinea pig for a new drug which he has been experimenting with.

The story opens as Richard is on his first "trip". He finds himself transported 600 years into Kilmarth's past — a past in which the people and environment seem more real to him than the present.

After extensive experimentation with the drug, Richard becomes hopelessly caught up in a medieval life not his own.

"The House on the Strand" is truly a masterpiece of suspense and eerie atmosphere. Miss du Maurier deftly juggles past and present throughout, and the devastating climax of the tale will undoubtedly leave you gasping. Try it.

Harry for Preston Poole! He's supplied the library with another year's subscription to National Geographic. The magazine has proved very helpful to Post students during the past three years.

In the mood for Christmas card shopping? It's about that time again, and the library has a number of catalogs featuring beautiful cards which are sold to support worthy causes. Among them: The New York Public Library, UNESCO, the Metropolitan Museum of Art, the New York Museum of Modern Art, the Philadelphia Museum of Art, and the National Wildlife Federation. # Lead Us Not Into Temptation

By Rev. George L. Miller

Most people seem to think they know what temptation is. It is the urge to do that which you should not do. Therefore the way to avoid sin is to refuse to give in to temptation.

But few of us stop to think about the subtlety of temptation. We assume that if we are being tempted to do something we know is wrong, we realize what is happening. It is a simple matter of choosing between right and wrong.

The facts of the matter are that temptation is not that simple or that obvious. Temptation is an urge to do what is wrong—draped in the appearance of something right. We aren't tempted to openly disobey our moral and spiritual values. Instead, we are given an opportunity to do what LOOKS good but which is actually evil.

Usually it is something small that wouldn't hurt in itself—like a few words of gossip. We intend no harm, no one will think a thing of it. What we don't realize is that words can't be recalled and broken reputations can't be mended.

Or we are tempted to do something we know is wrong, but we are convinced that it will lead to something better. The end justifies the means in our practical minded society. Thus cheating is a common temptation. We know it is wrong,

but it accomplishes something that seems good. The better grade makes acceptance in college later on more certain. In our society it's not what a man knows, but what people think he knows that makes the difference between failure and success.

The most difficult temptation of all is the one which may be good or not depending on who you listen to. One authority says marijuana is bad for you, and the government seems to agree. Other medical authorities says it is less harmful than alcohol or cigarette smoking. Faced with an experience that is reported to be pleasant (and some even say it is enlightening)—how are you to decide? Perhaps we are missing out on something that is really good.

You may recall that the serpent used the same argument when he tempted Adam and Eve. The forbidden fruit was described as a good thing which would improve them, not harm them.

Temptation is a far bigger problem than most of us realize. Ninety percent of the time we don't know we are being tempted at all. We do well to pray—"Lead us not into temptation."

# SHOWDOWN GAME NO. 1

# POST ANTELOPES VS Frenship Tigers AT WOLFFORTH FRIDAY, OCT. 24 7:30 P.M. KICKOFF

Every schedule has crucial games—because they count for so much more—and Coach Billy Hahn's Post High Antelopes will journey to Wolfforth tomorrow night to play the first of two crucial games which the Lopes must play on consecutive weekends. The undefeated Frenship Tigers are the foes and tough and dangerous ones too. It will be homecoming for Frenship, but it's our guess that Post will have as many of its fans in the Wolfforth stands as Frenship come the 7:30 p. m. kickoff. Post fans have been waiting three years for this—since their district championship club of 1966.

### Meeting set on gate rate issue

City Manager Bobby Pierce will attend a buffet dinner meeting of area city officials at 6:30 p. m. today (Thursday) for a discussion of Pioneer Natural Gas Company's proposed gate rate increase for cities in its West Texas distribution system.

The dinner meeting will be held at the Red Raider Convention Center in Lubbock.

Representatives of the cities of Hereford, Littlefield, Dimmitt and Tulla called the meeting and invited other city officials to attend. A panel of Bill McMorris, engineer; John Aiken, attorney, and Wayne E. Brown, CPA, will discuss the subject.

The Railroad Commission has set Nov. 4 as the date of a hearing on Pioneer's request for an increase in gate rates.

### Judge, 3 commissioners attend Dal as meeting

A Garza delegation of County Judge J. E. Parker and three county commissioners are attending the annual conference of the County Judges and Commissioners Association in Dallas yesterday through Friday.

Commissioners Paul Jones, Ben Sanchez and Herbert Walls are attending. Wives making the trip included Mrs. Parker and Mrs. Walls.

### Grid slate—

Nobody was interested in creating an engine oil specially for your big equipment

... until now!

Plenty of other engine oils are on the market. Many are good ones. But, until now . . . until John Deere created new Torq-Gard, none has been custom-made for long hours of grueling big-equipment work.

Torg-Gard is the first of its kind, formulated for tractors and similar power equipment—all fuel types . . . gasoline, Diesel, and LP-Gas. Why was it developed?

Broad-spectrum automotive oils just aren't made for tough, steady going. In fact, conventional highway driving—even pulling a camper at turn-pike speeds—is an easy test for an oil, compared with operating big equipment under full load for long, sustained periods.

John Deere says your equipment deserves just-right protection. We agree. Stop in and put Torq-Gard to work for you—now!

# Antelopes go to Frenship Friday for crucial game

## Both teams possess impressive records

The Post Antelopes will try to outdo the Frenship Tiger Express at Wolfforth Switch at 7:30 p. m. Friday.

If the Antelopes can jam the Tiger tracks enough to derail the Tiger Express, it will be the first team to do so this season.

Several hundred Antelope fans will be on hand to encourage Coach Billy Hahn's crew of saboteurs, while even more hometown Frenship fans will crowd the right-of-way to help keep Coach John Blocker's Tigers on the track.

If there is a wreck — and the Antelopes are confident there will be — it will spoil Frenship High School's homecoming.

**BOTH TEAMS** opened their District 4AA campaigns with victories last Friday. Frenship blanked Morton, 14 to 0, and Post pounded Tahoka, 35 to 8.

The Morton victory was the sixth in a row for Coach Blocker's Tigers, who also hold decisions over Boys Ranch, Lorenzo, New Deal, Cooper and Bovina.

The Tigers are riding the crest of a winning season for the second consecutive year under Coach Blocker, who was a member of the Post coaching staff in 1959-60. Their only loss last year was at the hands of Denver City in the District 4AA showdown game.

Sports report that Frenship has about the same type of team as Post — big and favoring the ground attack over the aerial bombardment.

Post partisans see hope for a victory in the fact that Frenship's schedule up to the Morton game was against weaker opponents than those faced by the Antelopes in compiling a 5-1 mark.

Friday night's game will see the district's two top scorers — Neff Walker of Post and John Carri-

# Post defeats Tahoka in conference opener

**Six players score in 35-8 victory**

With six players figuring in the scoring, the Post Antelopes hurdled their first District 4AA test of the season here Friday night by drubbing the Tahoka Bulldogs, 35 to 8, before an enthusiastic homecoming crowd.

Coach Billy Hahn's charges scored single touchdowns in the first, third and fourth quarters and a pair in the second, while the Bulldogs scored their eight points in the final quarter.

Neff Walker, Karl Bruce Hall, George Torres, tackle Jimmy McKamie and Terry Moreau scored touchdowns for the 'Lopes, while Randy Hudman place-kicked five extra points for a perfect night.

Robert Bullock, who suffered a severe leg bruise in the Tahoka game, is the only doubtful starter against Frenship. Coach Hahn said Tuesday. Bullock, who plays quarterback on offense and cornerback on defense, received a bruise on the calf of his leg against Tahoka and was admitted to the hospital Saturday morning.

"Otherwise, we're in good shape and ready to go," Coach Hahn said.

**IT TOOK** Post some ten and a half minutes to notch its first touchdown, with Walker blasting through the line for a yard after having uncorked a 39-yard run on the previous play. Earlier in the quarter, the 'Lopes had made it to the Tahoka 17 only to have Jeff Atwell intercept a Ray Altman pass to halt the threat.

The Antelopes drove 76 yards for their second touchdown, with Hall crashing through the center of the line for seven yards, 5:37 deep into the second quarter. Ground-eating gainers by Hall, Walker and Torres and a 15-yard penalty against the Bulldogs had generated the drive.

One minute later the 'Lopes scored again when Torres bulled over from the one after Robert Bullock intercepted Marin Warren's pass on the Tahoka 12 and ran it back to the one-yard line. Post's Dennis Dodson had put the Bulldogs in a hole by throwing Warren for a 16-yard loss to the eight.

Hudman's ensuing kickoff went into the end zone and Tahoka took the ball on the 20, from where they cranked up a drive that went to

Post's potent 8th grade football team blanked the Tahoka 8th grade eleven, 34 to 0, here Tuesday evening, while its improving 7th grade team dropped a close one, 12 to 6.

A six-yard run by John Redman rang up a first quarter touchdown for Post, with Redman also running over the extra points. The young Antelopes also scored a first quarter safety to make the score 10-0.

In the second quarter, Rickey Shepherd scored on a 45-yard pass play, with Redman on the throwing end. Charles Bell scored the extras to give Post an 18-0 lead. Donnell Harper's eight-yard touchdown run and two extra points by Redman closed out the first half scoring, with the locals in front, 26-0.

The third period was scoreless, but Post rang up another touchdown in the fourth on a four-yard

run by Harper, with quarterback Steve Sawyers keeping for the extra points.

Johnny Jefferson, Joe Morris Hays and Randy Peel were other Post offensive standouts, with the entire defensive unit turning in a good performance, according to Coach Waco Reynolds.

Post got on the scoreboard first in the 7th grade game on a five-yard halfback pass from Grayling Johnson to Eddy Gannon. The six-point lead stood up until the fourth quarter when Tahoka scored on a 95-yard reverse after recovering an Antelope fumble at the five. The Bulldogs won the game with a touchdown in the last 50 seconds.

Outstanding for Post on offense were Johnson, Gannon, Joe Moore, Tony Conner, Joe Martinez and Mark Terry, with Ruben Ayala, Andy Williams, Kent Kirkpatrick and Joe Baker excelling on defense.

**POST'S fourth** touchdown didn't come until late in the third quarter when lineman McKamie intercepted Warren's pass at the line of scrimmage — the Tahoka 27 — and ran it in for a touchdown. The 220-pound tackle neatly sidestepped a Tahoka defender at about the five to go across unmolested. Hudman's kick made the score 28-0.

Tahoka junior halfback Robert Montemayor, a 150-pounder, took

## 8th grade rolls on with Tahoka victory

Warren's pass was incomplete and Durham gained four at the line before tackle Mike Feagin knocked Warren loose from the ball. Bullock recovered the fumble for Post and went to the eight before being downed.

Walker and Terry Moreau each picked up two yards, with Moreau circling left end on third down for four yards and the final touchdown with eight seconds left. The path was cleared on Moreau's run by blocks thrown by sophomores Kenny McKamie and Kim Owen. Hudman's fifth extra point of the night brought the final score to 35-8.

# Freshmen rap Idalou, 20-6, here Thursday

## Idalou romps on 'B' team, 28-8

The Post Antelope "B" team scored first against Idalou here last Thursday, but couldn't hold on and lost a 28-8 decision.

The Post score came in the first quarter after they fielded a short Idalou punt. Scotty Hoyle set up the touchdown on a 15-yard end-around run to the 10, and Ricky Hair drove over from the eight. Hair also ran the extra points.

Idalou came back with two touchdowns to lead 14-8 at the end of the first half, then added 14 more points in the second half.

Coach Kenny Poole said the Post team's blocking and tackling just wasn't up to par in the game.

The coach mentioned Hair, Hoyle, Thomas Zachary and Danny Rose as the locals' outstanding players.

Coach Bud Davis' Post freshman football team scored two touchdowns in the second half to defeat Idalou's freshmen, 20 to 6, here last Thursday after the teams had battled to a 6-6 deadlock in the first half.

The victory proved costly for the Post team when first string half-back Tol Thomas suffered a dislocated left hip in the third quarter after gaining nine yards on a dive. He will be in the hospital three weeks and on crutches six weeks.

After a scoreless first quarter, in which Johnny Minor tried a field goal from the Idalou 20, Post scored in the second period on a fourth down lateral from Freddy Huff to Robert Mindieta, the play covering 25 yards.

Idalou tied the score on an 11-yard run after a 27-yard gallop from a fake punt formation took the ball to the Post 25.

Huff scored Post's second touchdown late in the third quarter, with Mindieta's extra point attempt failing, to leave the score 12-6 in Post's favor.

Post intercepted three Idalou passes in the fourth quarter, Mindieta running the third interception back for a touchdown and Huff carrying over for the extra points. The other interceptions were by Jerry Smith and Jerry Saldivar, Saldivar running his interception in for a touchdown, but having it nullified because of a clip.

Post made 11 first downs to Idalou's three and chalked up 196 yards rushing to 34. The locals connected on two of five passes for 17 yards, while Idalou hit none of five, with four intercepted. Each team lost a fumble.

Outstanding for Post on offense were Roger Pace, Mindieta, Robby James, Junior Steizer, Smith, Randy Kennedy, Abbe Perez, Thomas and Huff. On defense, Minor, Martin Morales, Perez, Kevin Duran, Thomas, Pace, Smith and Mindieta turned in the best jobs.

# Freshman team goes to Slaton

Post's freshman football team goes to Slaton today (Thursday) for a game at 5 p. m. with the Slaton freshman team.  
The Antelope "B" team was to have played the Plains "B" team here today, but Plains called to cancel the game, saying a number of their players had been injured and they were unable to suit out a full squad.  
The Post 7th and 8th grade teams have games Tuesday, Oct. 28, with Idalou junior high teams at Antelope Stadium, with the 7th grade kickoff set for 5:30 p. m.  
The Post freshmen will play Tahoka here at 5:30 p. m., Thursday, Oct. 30, while the "B" team has an open date that day.

# Club members of area make Muleshoe visit

By MRS. BARNIE JONES  
"Greetings to everyone back home," was the message Mrs. John Cearley of Pecos sent to all of her friends and acquaintances when I visited with her over the phone last Saturday morning in Pecos. She said they are grandparents of three lovely children; the youngest being only a few weeks old. They still receive the Post Dispatch and keep in touch with us all.  
The Close City HD Club and the Merry-makers Club members went to Muleshoe last Tuesday to visit Mrs. Mabel Caldwell and see all the work she has done with bottles, including a glass house she has built. Each took a covered dish.  
Mrs. Larry Elliott, Byron and Bard and the Thomas Autry family of Wilson visited the Clarence Gunns Saturday night.  
Mr. and Mrs. Sammy West of Hereford visited Mr. and Mrs. Bob Thomas over the weekend and attended the homecoming game Friday night.  
Mr. and Mrs. Barnie Jones visited in Fort Stockton with the E. W. Howell family Friday night, in Pecos on Saturday with the Jake Joneses; in Seagraves Sunday afternoon with the Arthur Jones and in Brownfield that evening with Mrs. Dayton Ingle and children and Mrs. Virgie Jones.  
The Harold Mac Kemp family of Lubbock visited Sunday with the Glenn Sheltons.  
Miss Kathleen Smith of Wichita Falls was home over the weekend.

**SERMON TOPIC**  
"Fathers and Sons" is the sermon topic planned for the 11 a. m. worship at the First Presbyterian Church Sunday, according to the pastor, the Rev. George L. Miller.

**VISIT IN ODESSA**  
Mr. and Mrs. M. A. McDaniel spent the weekend in Odessa in the home of their son and daughter-in-law, Mr. and Mrs. Charlie McDaniel.

# Homecoming held at Southland on Friday

By MRS. TOMMIE WILKE  
Southland Homecoming turned out to be a huge success. Lots of students turned out; a delicious meal was enjoyed by many; Jack Lancaster was guest speaker; an Ex-Student Queen was chosen and other than Mrs. O. T. O. (Margie Becker); a great football game was played between Southland and Bula with Southland emerging as the winner with a score of 48-36; a football sweetheart was chosen by the team and the lucky girl was Desso Dodd, a senior, and the evening was topped off by a coffee and doughnut party in the gym after the game. All in all, the whole evening was a success.

Mrs. Winston Lester spent several days last week in West Texas Hospital because of dog bites she had suffered the week before. She returned home on Saturday but is still confined to bed part of the time. May God grant her a speedy recovery.

Mrs. Howard Monk, who now lives in Beatty, Nev., called Mrs. Paul Winterrowd one day last week just to say hello and ask how everyone is getting along. She and her family are getting along just fine and say "hi" to all their friends here.

Edmund and Yours Truly made a quick trip to Mobile, Ala., last week where I appeared before the grand jury as a witness concerning the Southland Post Office robbery that occurred Dec. 22. We left late Monday afternoon and got back late Thursday. This was

something entirely new for me and let me tell you it nearly scared me out of my mind!

**FRIDAY was a RED LETTER** day for the Southland seniors. They received their rings, and they are very pretty.

Mr. and Mrs. Bill Basinger of Mercedes spent last week in the home of his parents, Mr. and Mrs. W. A. Basinger.

Congratulations to Capt. and Mrs. David McInturf on the birth of a daughter who arrived into this world Oct. 17 around 8 p. m. at Methodist Hospital in Lubbock. This young lass weighed in at 5 lbs., 9½ ozs. Mrs. McInturf is the former Beatrice Kiesel. The proud grandmother in this community is Mrs. Selma Kiesel. May God bless this young family. Capt. McInturf is in Vietnam.

Angie Wilke, daughter of Mr. and Mrs. Delmar Wilke, celebrated her 5th birthday Oct. 16 with a great big birthday party. The house was decorated in the Halloween motif and "bobbing for apples" and other Halloween games were played. Angie's guests were Tonda and Cindy Klaus, Donna Ehlers, Lynn Steinhauer, Ken Wilke, Lisa Steinhauer, Paige and Billy Bishop, Denise and Jennifer Ehlers, all of Wilson; Pam Krause of Tahoka; Michele Harlan, Mrs. Cherie Poer, Christi and Max, and Mr. and Mrs. Max Arrants of Slaton and Darrell Wilke of Lubbock, and Angie's mother and dad and sister, Cheryl. Here's a belated "happy birthday", Angie.

Mrs. Arda Long and granddaughter, Beth Grigsby, visited Mrs. D. D. Pennell Saturday.

Among the ex-students attending the homecoming was E. L. Howard of Hyattsville, Md. He graduated in 1936 and was probably the one attending from the greatest distance. He is here visiting his sister, Mrs. Audrey Bishop, at Wilson and she attended homecoming with him. Mrs. D. D. Pennell is their aunt.

Mr. and Mrs. Leroy Zieschang

# Safari Moja is bringing thriller to Tower here

Anyone for safaris?  
Or, maybe you prefer a trek up the famed Alaskan Highway?

Whatever your bag, the color-adventure film "Safari Moja" promises hunting and fishing, wildlife and native life on two continents and the Polar Ice Cap to boot! It comes Wednesday, Oct. 29, to the Tower Theatre.

Filed and produced by internationally known sportsman-photographer Wally Taber, "Safari Moja" is a whole-family entertainment designed for those who share Bwana Taber's hang-up for the out-of-doors.

The film boasts more firsts than the New York Mets made all season. Taber bags a massive polar bear with bow and arrow; he blasts half-a-dozen rhino with blunt arrows to precipitate a charge for the camera; he performs a canoe safari, while on the majestic Peace River of British Columbia, and uses a rubber life raft to catch up on his fishing.

A trip up the famed Alaskan Highway reveals the hunting and fishing available to any who travel thataway.

and Edmund and Yours Truly entertained with a fish fry in our home Sunday evening. Friends attending were Mr. and Mrs. Alvin Kettler of Needville, Mr. and Mrs. Jimmy Becker of Floydada, Mr. and Mrs. Bill Walter of the Roosevelt community, Mr. and Mrs. Wallace Becker, Mrs. R. M. McMinn, Mr. and Mrs. D. B. Kiser, Mr. and Mrs. Alvin Becker and the Rev. and Mrs. Delmas Luedke, all of Slaton and the latter's father from Deanville.

Lt. Jackie Dunn is stationed at Tyndall AFB in Florida following a short stay in Duluth, Minn.

The Rev. and Mrs. Tommy Wilson and Tommie Jean, former residents, attended the homecoming activities.

Please call or send me your news. Thank you!

## OKLAHOMA GUESTS

Mr. and Mrs. Leonard McKeever were Wednesday overnight guests of his brother-in-law and sister, Mr. and Mrs. Jim Cornish, on their way home to Ponca City, Okla.

## MONAHANS VISITORS

Mrs. Minnie Jo Mears and Danny of Monahans visited recently with her aunts, Mrs. Lela Parrack and Mrs. Vera Ferguson, and Mrs. Billy Greene.

## WEEKEND GUESTS

Weekend guests of Mr. and Mrs. Willie Daniels were her son-in-law and daughter, Mr. and Mrs. Ben Seward, and two children from Temple.

## HOME FROM HOSPITAL

Mrs. Johnny Ray's mother, Mrs. W. R. Greer, of Slaton fell and broke her hip about two weeks ago and was a patient in Highland Hospital in Lubbock. She was dismissed to her home last Thursday and is doing quite well.
