

# Part in nutrition program voted if grant is funded

Garza County Community Committee Tuesday night voted to participate in new program if grant is funded.

John Moody of Levelland, representing the South Plains organization of which Garza is a member, told directors at their first fall meeting that the request has SPAB approval and must receive state approval in Austin.

Moody explained plans call for setting up some kind of a program in participating counties to provide senior citizens who can't get one otherwise, one good hot meal daily, five days a week. He said details are to be worked out.

The nutrition program for the infants would be both pre and post natal and would include infants up to one year of age and their mothers, he said.

"We may or may not get the funds," Moody said. "They must come from federal funds allocated to Texas."

Moody reviewed the three-year program of the South Plains organization in many fields, pointing out that nothing new has come through on Garza's requested drug

(See Program, page 8)

**MANY COWBOY ARTISTS COMING FOR SHOW**  
John Hampton of Scottsdale, Ariz., left, and Jim Hamilton of Pawhuska, Okla., right, are two of the many cowboy artists who will attend the O. S. Ranch Benefit Art Exhibit here Sept. 30-Oct. 1 in person. Hamilton is shown working on

his well known sculpture, "The Contract," one of which is among the art owned by the First National Bank here and permanently displayed in the bank lobby.

# Weather appears only hangup as big event nears

All preparations for the O. S. Ranch Benefit Steer Roping and Art Exhibit — which promises one of the most unique weekends in Post's 65-year history Sept. 30-Oct. 1 — are on schedule with no hitches in sight unless it's the "dabblamed weather", Jim Prather who heads the combined sporting and art event, told The Dispatch yesterday.

Even the restoration of the historic O. S. Ranch house, delayed over two weeks by downpours, now is headed for completion a few days before the western "double-header".

Painting of the ranch house, where the art exhibit will be held 13 miles southeast of Post, and its new yard fence has begun. Prather says the carpenters "should be finished by Saturday."

Prather had to hire a local firm with an earthmover to get the ranch road, that leads from US-84 at Green Tank, to the ranch house and roping arena, back into shape. A portion had been washed out by all the rain. It will be "caliche" by roping and art time.

The Garza County Benefit Association, an organization formed by Prather to sponsor the steer roping, met Tuesday night in the bank lobby to complete plans for the roping.

No problems were reported.

"We've been through one roping and everybody now knows what to do and what to expect," Prather explained.

The steer roping with an invited field of 33 professional steer ropers, including seven world champions in the event and all top five of the 1972 money winners, will be held at 1:30 p.m. Sunday, Oct. 1 in the 300-yard-long roping arena.

Prather reports only one withdrawal and one "doubtful starter" from last year's field. Toots Mansfield of Big Spring may have to undergo surgery — he'll know by this weekend — and Short Webster of Lenapah, Okla., has had to pull out because of a "bad back."

Prather said the steer roping winner will receive a saddle, now on exhibit in the First National Bank's lobby, plus a beautiful \$200 silver belt buckle now being made in California by a silversmith especially for the O. S. Ranch Steer Roping, besides the biggest cut of the \$15,000 jackpot.

On Saturday, Sept. 30, jackpot calf roping, team roping, and a barrel race are planned for all who wish to enter.

The barrel race was added on request of a woman rider from California who is coming to the roping and wants to compete in a barrel race.

The Saturday events will begin at 10 a.m. with the calf roping first — and probably will run until about 6 p.m.

There will be belt buckles too for winners in each of these events.

Admission for the weekend of roping and the art exhibit will be \$3 per person at "the cattle guard" entrance to the ranch with the one ticket good for both days, as last year.

The art exhibit will be conducted both days.

With 30 of the finest cowboy and western artists entering over 100 pieces of art, the first benefit art exhibit is attracting wide interest from cowboy art fans and collectors.

Over 300 collectors from all over the west who have received written invitations to the exhibit

**ALSO COMING**  
Gordon Snidow of Belen, N. M., top, and Melvin C. Warren of Clifton, bottom, are two other artists planning to be on hand for the upcoming O. S. Ranch Art Exhibit. Snidow is due to arrive this Saturday with two others to spend a week sketching in this area prior to the show.

RETURNED FROM ITALY FOR RANCH EXHIBIT

## Funny start, funnier ending to three lost pieces of art

The sort of a local "mystery" you couldn't believe happened — and came to a head.

The disappearance of three pieces of sculpture brought to Post, via return from Italy for the O. S. Ranch Art Exhibit next

who were to receive the art from an Italian airline, pass it through U. S. customs and ship it to Lubbock by Braniff.

The man who was to handle this assignment was "on vacation", McCrary told. The firm first said it had cleared the art Monday, but when Braniff couldn't locate it, denied they had received it.

So McCrary cabled Italy the bad news and started trying to locate the bearded sculptor to inform him of the apparent disappearance.

Jackson had come back to the U. S. in late August. He formerly lived in Meeteetse, Wyoming, so McCrary called there. But there was no listing for Jackson, no Chamber of Commerce to inquire

of, so he tried the police.

The woman at the town marshal's office said she couldn't be of much help because she had just gotten out of the hospital after an auto accident. She told McCrary all about her injuries. Then she went outside to the town marshal in the street and came back to report that Jackson in the past had stayed at a ranch about an hour's drive away, but the ranch was out of the marshal's "territory."

McCrary finally prevailed upon her to have the marshal drop out with a message for Jackson.

The next morning, Jackson called McCrary from Cody, Wyo. His ranch friends had phoned the message on to him.

Jackson reported the New York custom brokers he contacted finally told him they had cleared his art and shipped it on last Friday.

So another check was made on every airline into Lubbock.

Now here's the funny ending.

While McCrary was trying to trace the "lost art" Tuesday afternoon the Railway Air Express line had been given the art somehow in Lubbock and brought it to Post.

Nobody was at the station here but the watchdogs, they reported, so they had carried it on to Sweetwater and then returned it to Lubbock.

"We don't stop when the man isn't around, just drive right on through," McCrary was told.

## 'Last Picture Show' is booked to close Tower

Commonwealth Theatres announced this week it is closing down operations of the Tower Theatre here Sunday night and have fittingly booked for the final weekend offering, "The Last Picture Show."

Mrs. Joan Guthrie, who has been operating the theatre for Commonwealth the last several months, told The Dispatch she and her husband, Wesley, are attempting to work out a lease arrangement with Commonwealth to continue operation of the Post movie theatre.

Bert English, in Commonwealth's Dallas office, told The Dispatch by phone over the weekend that the closing here is due to two reasons, loss of money in operations over the last two years and because the Post theatre is so far away from other theatres in the chain it cannot be given the necessary supervision it needs.

As Oct. 1 is the start of the new fiscal year for the theater chain, the closing comes this weekend.

English said his firm has the theater up for either lease or sale.

The Post Chamber of Commerce contacted English in an effort to keep the theatre operating while some new arrangement could be worked out. But the way matters stand now, the theatre will close Sunday night until a new operator has made necessary lease or purchase arrangements with Commonwealth.

Mrs. Guthrie said Commonwealth is willing to lease the theatre to the Guthries if the couple can meet the chain's terms. Mrs. Guthrie said she hoped a final decision can be worked out within a few days.

Mrs. Guthrie arranged with English for a final "midnight show" Friday night and for Saturday and Sunday special matinees for the youngsters as "The Last Picture Show" is rated R.

Efforts to keep the movie operating here has drawn considerable downtown support to provide recreation for local young people.

## Rainfall 'creeps' toward 30 inches

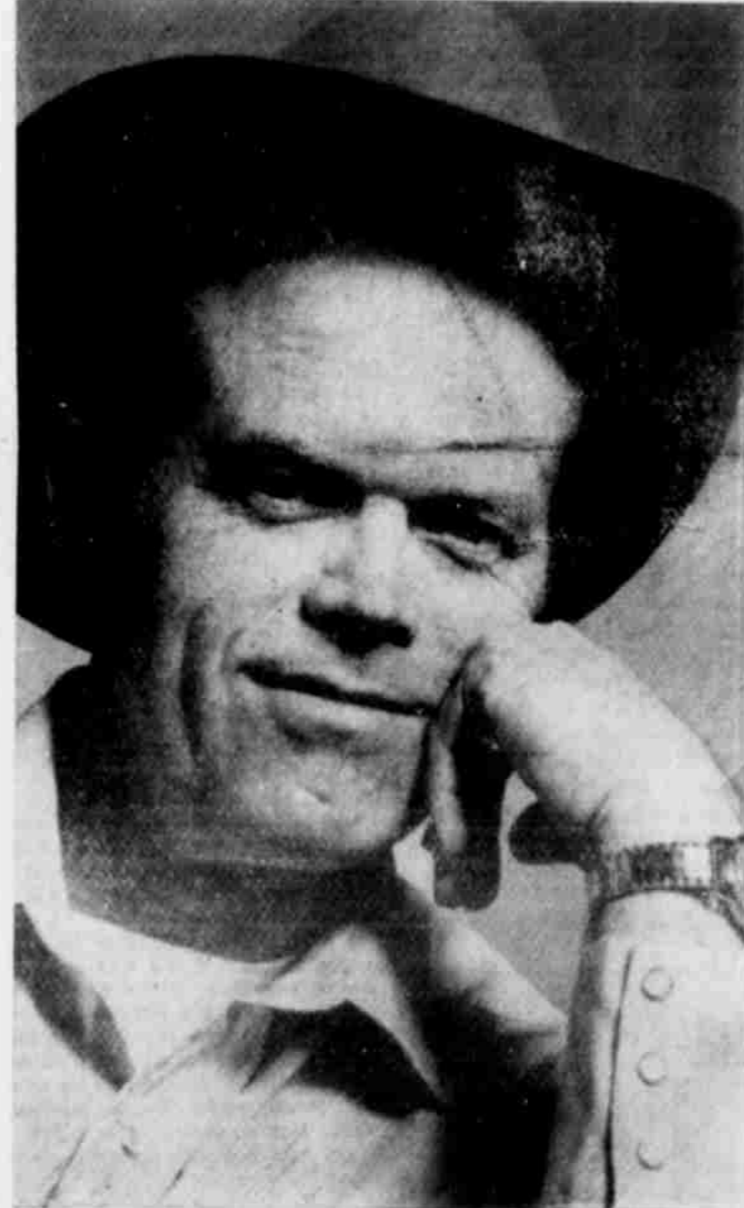

Post's rainfall crept nearer the 30-inch mark last Thursday night with a 1.13-inch rain that brought the 1972 total to date to 28.61 inches according to precipitation records at the Southwestern Public Service Company office.

Normal rainfall for Garza County is somewhere around 20 inches and it's always considered a "wet" year here when the normal mark is hit.

With about three and a half months of 1972 to go, it is conceivable, but highly unlikely, that the 40-inch record of 1941 could be surpassed. The "rainy" season here is believed about over.

Light rains fell in the area yesterday, including Post.

**Special session set for county commission**  
The Garza County Commissioners will hold a special session next Wednesday, County Judge Giles Dalby announced yesterday. The court in the morning will receive preliminary plans and specifications on the new "law enforcement complex" from Architect Stanford Whittaker of Lubbock. In the afternoon the court will confer with a Mr. Brown from Austin on details of a state operated retirement plan for county employees.

James Boren of Clifton, one of the most popular Texas cowboy and western artists among collectors, is another who is coming for the O. S. Ranch event.

Wayne Baize of Baird, Tex., probably the youngest artist among the 30 who will exhibit here, will be in Post for the benefit exhibit.

**Rotary to host teachers at banquet Sept. 26**  
The Post Rotary Club will host local teachers, school administrators, their wives or husbands, and the Rotary Annex next Tuesday evening at the annual Teachers Banquet, sponsored annually by the local club in the city hall auditorium beginning at 7:30 p.m.

**Boy Scout rally set for Monday**  
Post's annual Scout Roundup Rally will be held at 7 p.m. Monday, Sept. 25, at the Garza County Museum building, 179 North Ave. N. in the "Scout Hut" upstairs.

Parents of boys who are 11, 12 or 13 years old and who are already Boy Scouts or who would like to join the Scouts are invited to attend the rally, presided by Scoutmaster Jimmy Mitchell of Troop 316.

The purpose of the annual roundup rallies are to seek new members.

"We have had a great year topped off by an exciting summer camp experience at Camp Tres Ritos, N. M., and we are planning bigger and better things this fall," the scoutmaster said.

Parents and their sons are advised to come early in order to get a seat. Highlights of the evening will include a slide show of Camp Tres Ritos, and information on the improved Scout program.

Parents must be present at the rally in order that their sons may join the Scouts, Mitchell said.

**Trio injured in highway mishap**  
A Lubbock man and his two children were injured about 3:30 p.m. Sunday when a tire blew out on their 1964 model station wagon and the vehicle veered off the highway into a narrow ditch and hit a culvert.

Injured in the accident, which occurred about 21 miles southeast of Post on U. S. Hwy. 84, were Edward Gene Donaghey, 33, of Lubbock, his 10-year-old daughter, Helen, and his 8-year-old son, Donald Gene.

The three injured persons were taken to a Snyder hospital. The girl, with what was described as a serious back injury was the more seriously injured of the trio, according to Highway Patrolman Ken Gilbreath of Post, who investigated the accident.

**Farmer outdoes himself with gigantic tomato**  
Virgil Stone says he has been growing tomatoes "for a long time," but that he has never grown a tomato as large as the one he brought by The Dispatch office Wednesday morning.

The "whopper" of a tomato measured 13 1/2 inches in circumference and weighed one pound, two ounces. The tomato was grown on Stone's farm, six miles southwest of Post.

First things, first!

The "big game" for this football weekend comes up Friday night at Antelope Stadium when what looks like a surprisingly-good Antelope club lays its new unbeaten record on the line against South Plains powerhouse, Floydada.

We're not giving Floydada a thing!

Of all the football games we've watched to date — and we're a "football nut" on the "boob tube" games — and a rabid Tech supporter — the Antelopes excite us the most.

Maybe it's because we've been waiting and hoping so long they would come up with another district contender.

One of the best pro coaches once declared that football is about "99 per cent attitude and emotion" — and do those 'Lopes have attitude. With a capital A, that's what! Co. get 'em Lopes, and put this cowboy football town on its ear for the entire autumn.

Then next weekend comes the O. S. Ranch Benefit Steer Roping and Art Exhibit. That "double-header" is really going to be some- (See Postings, page 8)

THURSDAY, SEPTEMBER 21, 1972

## Going 'Lopes to play at home

The Post Antelope football team, off to its best start in several years with two impressive wins under their belts, play their first home game of the season at Antelope Stadium Friday night against the Floydada Whirlwinds, also known as the Mean Green.

Friday night's game will be the sternest test yet of the 1972 season for Coach Bobby Davis' Antelope crew. Floydada was idle last week after opening their season with a 32-8 win over Crosbyton. They were the pre-season picks to win the District AAA championship, and last week were rated No. 2, just a notch under Denver City, in the Lubbock Avalanche-Journal's rating of the top eight Class AA teams on the South Plains.

While we don't understand why Post was not rated among the top eight teams after the first week of play, we do agree with the A-J's high rating for Floydada, since they are defending champions in their district and their win over Crosbyton was an impressive one.

This editorial is being written before the Lubbock paper makes its pick of the top eight teams for this week, but we look for it to be unchanged as far as the No. 1 and No. 2 spots are concerned. Denver City no doubt will retain its top rating after its 28-8 win over Class AAA Brownfield, and since Floydada was idle, that'll probably keep them No. 2. But if Post isn't rated in the top eight Class AA teams when the A-J makes its selections this week, a lot of Antelope fans are going to have "a bone to pick" with the Lubbock sports writers.

Coach Davis, the five other members of his coaching staff, and all the Antelopes feel they are capable of beating Floydada here Friday night. The game more than likely will go to the team that manages to come closest to "putting it all together" on this particular night, and we feel that the 'Lopes, playing at home for the first time this season, will be the team to do it.

There is certain to be a large number of Floydada fans accompany their team to Post, and it's a pretty sure bet that the home side of the field will be packed, all of which means that if the weather is good, Antelope Stadium stands a good chance of hosting the largest crowd in its history.

As we enter into the third week of the football season, we need to remind ourselves, however, of the responsibility of every fan to recognize that the decision of game officials is final.

In any athletic contest, certain individuals must make decisions, and their decisions must be final. Otherwise the game could not be continued and the outcome determined.

The code which is accepted by all schools in the University Interscholastic League simply means that all decisions are accepted without protest. It also means that officials are extended protection and courtesy by players, school personnel and fans.

There have been instances of misconduct of Post fans toward game officials in both football and basketball. And the fact that we are not the only school that has been guilty of such acts of misconduct does not minimize them, neither for Post nor for the other schools that have been guilty.

Let's "cool" it this year. Should a conflict between fans and officials occur, U.I.L. takes stern action against the school district involved. Records show that more schools are given penalties for misconduct involving game officials than for any other rule violations. Let's not see our school penalized by acts of misconduct.—CD

## Cotton program mainly satisfactory

Current indications are that most cotton producers in Garza County and elsewhere across the South Plains have been "pretty well satisfied" with the cotton section of the Agriculture Act of 1970, and "with some reservations" would probably be pleased to see it extended beyond the 1973 crop.

Or, at least, that is what Donald Johnson, executive vice president of Plains Cotton Growers, Inc., told ginners and other industry people attending the 1972 annual meeting of Plains Ginners Association last week in Lubbock.

Concerning the "reservations," Johnson said most producers with whom he had discussed a cotton program for 1974 would like to see the present program extended.

—If the payment level can be kept at the present statutory minimum of 15 cents per pound.

—If the loan level can be raised to give a little more protection against disastrous prices in the event of overproduction on any given year.

—If the "boom to bust" aspects of the program can be eliminated, meaning if some means can be incorporated into the program to assure enough production to adequately

supply markets without unduly depressing prices.

On this latter point Johnson went on to say, "This is a tough order to fill, admittedly, but it is extremely important that it be filled in the provisions of any future cotton program."

"Unless some way is found to keep supply and demand in better balance," he said, "it seems to me we are doomed to a vicious and crippling circle of high prices one year and high production the next, then low prices followed by low production, and back around again. So there needs to be a leveling out from year to year of both supplies and prices if the cotton industry is to achieve anything like its maximum potential."

Johnson expressed confidence that PCG "can be and will be" a potent factor in writing the provisions of a 1974 cotton program. He said: "We have among the officers, directors and committee members of PCG people who, first, are capable of reaching sound, practical conclusions with regard to needed program provisions, and second, are capable of bringing their logic to bear on other people whose support for those conclusions will be necessary if they are to be enacted."

CHINA HAS ITS Year of the Dragon, Year of the Rat, etc., and here in 1972 we are having our Year of the Mosquito.

I don't believe I've ever seen mosquitoes as numerous as they have been the last few weeks, or felt them bite as hard. And I'm not by myself; I've heard many others say the same thing.

THE HEAVY RAINS of the last few weeks have had a lot to do with it, of course, but it also appears that the mosquitoes are building up an immunity, or at least a tolerance, to whatever kind of spray or fog the city is using on them.

Whatever it is the city is using on the mosquitoes, it only seems to make them madder and bite harder. Many people are of the opinion that the spray temporarily drives the mosquitoes indoors to vent their wrath on the people who are paying taxes to help try to get rid of them.

PERHAPS THE mosquitoes would be much worse if the city wasn't spraying, but, frankly, I don't see how they COULD be much worse than they have been here lately.

Nor is Post the only town having mosquito problems. At the football game at Ralls last Friday night, they sprayed at the field while the game was in progress, and some of the people I've talked to who were over on the Post side of the field said the spray only seemed to make the mosquitoes bite harder.

ONE FAN TOLD me she saw some of the players on the field slapping at, and even kicking at, the insects while the game was going on. Another fan said she sat behind a Post man who swore the mosquitoes were biting his legs through his cowboy boots.

Those sound like tall stories, but, believe me, this year's mosquitoes are tall, too!

LIVE AS EVERY day is your last, the man up the street advises, and some day you will be right.

Ever since the Lockney football game three weeks ago when the man on the PA system welcomed "Superintendent Shriver" and all the other Post people to Lockney, I've been intending to pin Supt. Bill Shriver down long enough to tell him, "I'm going to vote for you next November, Mr. Shriver."

COME TO THINK of it, this is the first time in the history of our nation in which we have the opportunity to have a McGovern in the White House.

And in Minneapolis, Minn., June Louise Nixon asked the county judge to allow her to change her name because she didn't want a name with political associations. She said she was tired of having people ask her if she was a relative of President Nixon and she didn't care for the President politically. The judge granted her request and she became Jean Francis Kirkpatrick. The last name was her great-grandmother's maiden name. Her new initials are JFK. (Now there's a girl after my own heart!)

SIGN OUTSIDE a church: "If your trouble is deep-seated and of long standing, try kneeling."

This reached me a little late, but a Post man told me his boy ended up playing second base on his Little League team this year after starting out at first. It was a case of "if at first you don't succeed, try second."

AS ELECTION DAY nears, thousands of canine patriots across the country will be wearing red, white and blue "Vote Coats" bearing the message "Vote as You Dog-Gone Please, But Please Vote."

The plastic coats are available free to dog owners interested in transforming their pets into non-partisan vote stimulators. They are being offered by the makers of Gaines dog foods for the third time in a national election year.

IN BOTH 1964 and 1968, vote coats were featured in canine "get out the vote" parades sponsored by many individuals and organizations in communities across the United States.

Dog owners can obtain a free coat by writing to Gaines Vote Coat, P.O. Box 687, Kankakee, Ill. 60901. When ordering, be sure to specify whether the dog is small, medium or large. Supplies are limited, so prompt action is recommended.

I'M TWO WEEKS late in welcoming Rosemary Chapman as the newest member of The Dispatch's "column family." I know I'll enjoy all of Rosemary's columns, but so far I've enjoyed the first one most — the one in which she asked read-

Carlo, Chevelle, Pickup Trucks

# Chevrolet offers three restyled lines for 1973

For 1973 is offering the new Monte Carlo, Chevelle and Chevrolet trucks completely new "ground up", Harold Lucas Chevrolet dealer said, unveiling the new Chevrolet.

Chevrolet will offer 47 car models in 1973, more than in the previous years.

Monte Carlo, Chevrolet's personality car, is one of the auto industry's strongest candidates for the year's top honors, Lucas said, having both outstanding styling characteristics.

The new impact resistant roofline, redesigned interiors, instrument panel and steering wheel.

The new acoustically-engineered all-metal sliding roof, while a standard feature on the new 22-gallon fuel tank.

Another customer favorite, the standard Chevrolet, the top selling car, offers a new series, the top of the line Classic. The Classic

sports a convertible model for the first time along with two and four-door hardtops and a four-door sedan. Also offered are two and three seat Caprice Estate wagons which have a 125-inch wheelbase and the popular Glide-Away tailgate.

Both Nova and Camaro have new model entries in 1973, Lucas said. The Nova hatchback coupe features a lift-away deck and six-feet of flat floor when the rear seat is in a down position.

The newest member of the Camaro family is the Camaro Type LT coupe, a luxury touring model that has a 145-horsepower, Turbo-Fire 350 cubic inch engine.

New styling and handling highlights the Chevelle for 1973 along with the introduction in the line of the Colonnade hardtop design. The Chevelle is offered in three series — top of the line luxury Laguna, popular Malibu and a new base deluxe model. In addition, the SS option is available on Malibu Colonnade hardtop coupes and Malibu station wagons. Wheel bases for the Chevelle include 112-inch for coupes, and 116-inch for sedans. Two and three-seat wagons are offered in all Chevelle series.

The Nova model line-up in 1973 is increased from two to six models consisting of a new hatchback coupe, a regular coupe and four-door sedan in two series, including a new personal luxury Nova Custom.

Vega again offers four body styles including hatchback coupe, notchback coupe, Kamback wagon and panel express truck. Vega also offers new front bumpers with stronger mounting for improved protection, new Chevy-built three and four-speed manual transmissions with improved shift linkage design and improved emission control system.

In the regular Chevrolet series, two and three-seat wagons are available in both Bel Air and Impala series.

The popular Impala offers four models including a custom coupe, a sport coupe, a sport sedan and a four-door sedan, while the Bel Air series offers a single four-door sedan only.

Chevrolet's 1973 pickup truck line embodies the most extensive redesign in the division's history. It combines a high degree of styling and comfort appeal, along with significant changes in the power train and suspension for much better ride and handling.

Also new are six-passenger crew cab models and a dual rear wheel option for Fleetside trucks.

FLAGSHIP OF THE FLEET

The all-new Chevrolet Monte Carlo is among the most changed of all seven Chevrolet car lines in 1973. Featuring beautifully sculptured side and rear-quarter metal, new grille, and an optional Landau or opera-type vinyl roof, the Monte Carlo is a styling classic.

## 1973 Olds line features new compact, redesigned Cutlasses

Oldsmobile's 1973 lineup features a new compact car, completely redesigned Cutlass models and a long list of engineering advancements, Harold Lucas, Post's Oldsmobile dealer, announced today.

From its new compact, Omega, to the luxurious 98 and Toronado, Oldsmobile spans the automobile market with 27 models, two more than in 1972.

Oldsmobile's new entry, the Omega, is built on a 111-inch wheelbase and has an overall length of 197.5 inches. It is offered in three body styles — two-door coupe, four-door sedan and a hatchback coupe that has a rear door that opens upward to reveal a flat, carpeted load floor extending from the front seat to the rear end when the rear seat back is folded down.

The Omega's standard engine is the 250 cubic inch, six-cylinder and the 350 V-8 four-barrel is optional. Other Omega options include power drum and power disc brakes, variable ratio power steering, and turbo hydraulic transmission.

All intermediate Cutlass models have been completely redesigned for 1973. The design of these cars is new and contemporary, but still readily identifiable as Oldsmobiles, Lucas said.

The Cutlass lineup features seven models — two Vista Cruisers, two Cutlass Supremes, one Cutlass 'S' and two Cutlass models. The F-84 nameplate has been discontinued.

Two special packages, the Salon and 4-4-2, are optional for 1973. The Salon is available with the Cutlass Supreme colonnade hardtop sedan. Many exceptional features comprise the Salon package to create a highly personalized car combining the comfort and appearance of a domestic car with the flavor of a European road car.

The Salon option includes contoured, reclining front seats, steel-belted radial whitewall tires, front and rear stabilizer bars, a front compartment console, and a headlight dimmer switch actuated by a turn-signal lever.

Sixteen models are offered in Oldsmobile's 1973 88 and 98 lineup, including a new addition — the Regency sedan. Introduced as a limited option on the 98 last year, the Regency has become a full-fledged model in 1973.

Design modifications are evident in all new 88's and 98's. Hoods and fenders on these cars have been revised, and front end panels and parking lamps are new.

All full-size models are equipped with power front disc brakes, power steering and Turbo Hydraulic transmission. The Delta 88 and Delta Royale have the 350 V-8 two-barrel as standard, while the 98 and Custom Cruiser have the 455 V-8 four barrel. The 455 four-barrel is optional on the Delta 88 and Royale.

Oldsmobile's front-drive Toronado, now in its eighth model year, features an all-new front appearance for 1973. Design changes include new fender extensions, parking lamps, a grille and an energy-absorbing bumper.

At the rear, the Toronado has a new bumper and new vertical tail-lamps that complement modified rear quarters and deck lid.

**NOTICE TO BIDDERS**  
The City of Post will accept bids on one 1972 or 1973 model sanitation truck to be used by the sanitation department of the City of Post.

Bids will be received by the City Secretary at City Hall until 1:00 p. m., October 9, 1972.

Specifications for the new truck may be obtained from the City Secretary at City Hall.

The City Council reserves the right to reject any and all bids and waive formalities.  
G. C. McCrary, Mayor  
City of Post  
2tc 9-14

**NOTICE TO BIDDERS FOR THE CONSTRUCTION AND EQUIPMENT OF A LAW ENFORCEMENT COMPLEX AND JAIL**

Sealed proposals addressed to Honorable Giles Dalby, County Judge, Garza County Courthouse, Post, Texas 79356, will be received by the County of Garza, Texas, for the construction and equipment of a law enforcement complex and jail until 10:00 o'clock a. m., 9 October, 1972 and immediately thereafter will be publicly opened and read aloud. Any bid received after the stated time will be returned unopened. No bid may be withdrawn until the expiration of thirty (30) days from date of receiving bids.

Specifications are on file and may be examined without charge in the office of the County Judge, Garza County Courthouse, Post, Texas. Specifications will be mailed to prospective bidders upon receipt of their request.  
The County of Garza intends to enter into a contract for the construction and equipment of a new enforcement complex and jail, with the lowest and best responsible Bidder, but the County reserves the right to reject and/or all bids, to waive formalities, and in case of ambiguity or lack of clearness in stating proposal prices, to adopt such interpretations as may be most advantageous to the County.

Notice is hereby given that it is the intention of the Commissioners Court of the County of Garza to issue and deliver the interest bearing certificates of obligation of the County of Garza for payment of a part or all of the Contract to be let and made pursuant to this Notice. The Commissioners Court has made provision for the contractor to sell and assign such certificates to another and each bidder is required (at the time of the receipt of bids) to elect whether he will accept such certificates in payment of all or a part of the contract price or assign such certificates in accordance with such arrangements.

## Pep rally held for Ralls game

The pep rally preceding the Ralls game Friday, during sixth period, started off with the Antelope fight song, and was highlighted with the cheerleaders' skit on Antelope fever.

Then the team captains were brought forth and gave confident speeches on the game to the students. Afterwards the cheerleaders led the student body in several yells, again arousing the spirit of everyone.

After the school song was played everyone was dismissed and ready to beat Ralls.

## Phillys' Phrases . . .

By PHILLYS ECKOLS

The seniors' proofs of their senior pictures have gotten in, and they certainly did turn out well. If you're a senior and missed your appointment with the photographer in August, be sure to catch him next time he's here. Everyone has to have their picture made so all of us can look back when we're old and gray and remember that great class of ours.

Congratulations to Mr. Hodges, our teacher of the week last week. He must feel very special — his first year to teach and already so popular with the students. It must be those seances he and Jill Cash have been conducting that brought on his sudden recognition. I bet Mr. Hodges is the first school teacher to ever lie down on the stage, just to see if it's possible to pick a person up with only two fingers. Oh yes, it works! If you don't believe it—ask our floating Mr. Hodges.

The school page has a new attraction—

## Marching band gets good start

By KELVIN THOMAS

The Post High School marching band made its first marching appearance Friday night at Lockney. According to Band Director Mr. Herb Germer, "The band looked very good considering it had only a few short days to practice."

The new officers for the 1972-73 school year include: President, Rusty Conner; vice president, Darla Baker, secretary, Donna McBride, treasurer, Crystal Nichols, reporter, Kelvin Thomas, and a freshman representative, Patricia Bilberry.

## Achievement tests given in high school

By YANN ATEN

On Tuesday and Thursday of last week, achievement tests were given in the mornings, during the given in the mornings, during the second and third period classes.

These tests will be given once each semester to all four high school grades. These tests show which areas as a whole the student is low in, and they also give the student a general idea of the areas in which they need to improve.

## Junior class members elect room mothers

By RICKY SHEPHERD

The Post High School juniors met recently and elected Mrs. Childs, Mrs. Josey, Mrs. Williams, Mrs. Dalby and Mrs. Cash as room mothers.

Officers of the Junior class are: Jill Cash, president; Karla Josey, secretary-treasurer; Ricky Shepherd, reporter, and Albert Varela, Janet Childs and Sherril Guichard, student council representatives.

The officers were elected at the end of school last May.

## Student Council proud of project

By RAFAEL RIOS

The student council of this year is proud to know that they have accomplished the task of sending Post High School 1972-1973 cheerleaders to cheerleading school. President Rusty Conner brought the suggestion up at a meeting that was called during school last May.

The student council discussed the "cheerleader subject" and decided it would be a great help to the cheerleaders if any of their expenses were met. The student council feels that every year at least some should be met by the student council.

The student council plans to be involved in more money making projects this year to elaborate more on the money spent for this year. Those who attended cheerleading school were: Gaynell King, Anita Criado, Becki Dalby, Cindy Bird, Stella Torres.

## NOVEL NEWS . . .

By MIKE SMITH

This week's novel is "Friday", written by a Frenchman. It is the new version of "Robinson Crusoe."

Robinson is shipwrecked on a seemingly uninhabited island. He lives happily in his own private world full of remarkable and creative inventions. Then one day he met a swarthy young man who was running from the natives of the island. Robinson gave him refuge from their threat of human sacrifice to the island god. He christened the youth "Friday" because he found him on that day of the week.

But it turns out that Friday is more creative and resourceful than Robinson. After many years of living on the island, a rescue ship arrives at the island, ready to take the two men, both Robinson, and Friday, to civilization again. In the night, Friday takes off with the ship's crew and leaves Robinson behind.

This novel is full of creative imagery which allows the reader to understand the story fully. "Friday" is more exciting and meaningful than the original "Robinson Crusoe."

## SOUTHLAND SCHOOL NEWS

# Eagle Roundup

Southland Public School begins the 1972-73 school year with a new look, some new faculty members, and 157 students.

Ray Simmons from Miami, Tex. is the new superintendent. Mrs. Simmons is the school's teacher aide. The new junior high and high school coach, also from Miami, is Coach Dan Kennedy. Locke Tuttle, from Seagraves, is newly employed as the school's custodian.

The school cafeteria has three recently employed workers: Mrs. Norma Eckert, Mrs. Selma Boring, and Mrs. Tuttle. Separate articles about each new school employee will be written in the Eagle Roundup, beginning with Supt. Simmons next week.

All classrooms, the school hall, the gymnasium floor, and the dressing rooms have been freshly painted. A new classroom with dressing rooms and lockers is being built on the school campus. A coke machine has been added to the school gymnasium.

Three new subjects have been to the high school curriculum. Mrs. Betty Hall teaches art, Mr. Bill Mathis teaches speech, and Mrs. Laura Jo Wheeler teaches journalism. Maria Shelton is editor of the Eagle Roundup. Other staff members are Sue Bevers, Connie Abshire, and Ray Valdez. Drivers

education will be offered later in the year.

Johnny Haire is president of the newly organized Southland Booster Club. Mrs. Lottie Shelton is vice-president, and Mrs. Doris Lester is secretary-treasurer. For additional information about the Booster Club, contact any of these officers.

For the first time this year, Southland has a junior high football team. The team of 26 boys plays at Ira Thursday, Sept. 21 at 7 p.m.

The Southland pep squad and cheerleaders have new red and black uniforms. The girls have been decorating the halls with colorful football posters. Junior high cheerleaders are Suzie Beck, Joy Jean Basinger, and Phyllis Cisneros. High school cheerleaders are Connie Abshire, Sue Bevers, Lupe Cisneros, and Aria Nelson. Pep rallies will be in the gymnasium on Thursdays at 2:10 p.m. for the junior high team and on Fridays at 3:25 p.m. for the senior high team.

The high school six-man football team plays Patton Springs at Southland Friday, Sept. 22 at 8 p.m.

The tiger is exclusively Asiatic and ranges from Siberia to Indonesia and from Japan to eastern Turkey.

# We're Beginning Our 13th Year

Serving you here in Post.

Our first 12 years have been wonderful ones. We want your help this year too — because we don't want our 13th to be unlucky.

We want to take this opportunity to thank you for your patronage and say we are looking forward to a "lucky 13th" here in Post.

T. B. and Louise Odam

# The Church Going Habit

Rev. George P. Ascher

Going to church every Sunday is a good habit. But is it only a habit? Even a good habit can become harmful, or at least empty, if it degenerates into a mere thoughtless and dull routine. It is quite evident that this is the case with a good many habitual churchgoers. For them, churchgoing is a mere matter of form, of keeping up the appearance of pious respectability. Each Sunday, through force of habit, they go through the motions of public worship without giving serious thought to what it actually means or to what they are really doing.

Has churchgoing become for us a mere habit? If so, the solution is not to break the habit by staying away from church! Rather the solution is to prepare ourselves in prayer

as we prepare ourselves to go to church. We can, we must involve ourselves in purposeful and serious meditation as we make ready to enter and again after we have entered God's house.

Then we can be sure that our going to church will not be in danger of deteriorating into an empty formalism, or unthinking habit. Then we shall be able to say with the psalmist: "I WAS GLAD WHEN THEY SAID UNTO ME LET US GO INTO THE HOUSE OF THE LORD." Ps. 122

May your church attendance this coming Sunday be a glad experience. May God's Spirit help you to worship each Sunday not in dead habit but in a true sense of gladness as we join our fellow Christians in the house of the Lord.

REV. ROBERT L. SWANSON

### Nazarene Church holding revival

Revival services are in progress this week at the Post Church of the Nazarene, 202 West 10th, and will run through Sunday night.

Rev. Robert L. Swanson of Bethany, Okla., is the evangelist. Rev. Swanson is known as a strong holiness evangelist who loves souls and delivers biblical messages. He received his education at Olivet Nazarene College.

Time of the services is 7 o'clock each evening. The times for the Sunday services are: Sunday School, 9:45 a.m.; morning worship 10:30, and the evening service at 7 o'clock.

A special invitation is extended to all.

### Weekend reunion held by family of R. S. James

The R. S. James family reunion was held Saturday and Sunday in the Graham Community Center.

85 attended with all nine of the James children present. The group enjoyed singing Saturday night, with homemade cake and ice cream and a noon meal was served Sunday.

Those attending were Mrs. L. W. Gandy, Muriel Wilkins, Mr. and Mrs. T. F. Ethridge, Mr. and Mrs. Jesse James and family, Mr. and Mrs. Rubin Gandy and family, Mrs. Verna Lee Brown, Mr. and Mrs. Gilbert Gandy, Mr. and Mrs. Clinton Gandy and Miss Denise Gandy all of Tahoka.

Mr. and Mrs. M. O. James, Mr. and Mrs. Thane Cornett and family, Mr. and Mrs. Dean James and family all of Seagraves, Mr. and Mrs. J.M. James of Sherman, Mrs. Nina Bean, Mr. and Mrs. Shortie Roberts of Brownwood, Mr. and Mrs. James Brooks, Mr. and Mrs. Johnny Falanigan and son, and Mr. and Mrs. Williams Jones and family all of Slaton, Mr. and Mrs. John Inman of Abilene, Mrs. Arnie D. Beshers and Mrs. Jonell James and boys of Dilley.

Mrs. Bobbie Green of Prairie Village, Kans., Mrs. Carlene Jones of Sand Springs, Okla., Mrs. Linda Adams and Ron of Shawnee, Kans. Mr. and Mrs. Kenneth Ethridge and family, Mr. and Mrs. Harold Ethridge and son of Lubbock, Mr. and Mrs. Tharon Bean and family of Brownwood. Those attending from Post were Delwin Fluit and

### Postings —

thing — 'if it doesn't rain.

Lin Helton of LaGrande, Ore., announcer for the first benefit steer roping last year who will be back again, called from Kansas yesterday morning to bring us the latest "info" on the ropers after the big Pendleton Rodeo out in Oregon last weekend.

He reported that Eldon Dudley of Perryton, another roper in our 32-man field, won the all-around cowboy honor at Pendleton by placing fifth in steer roping and second in calf roping to collect the biggest share of the \$43,543 paid the Pendleton winners.

That jumped Dudley to 12th in the 1972 money winning ranking in steer roping and assured him of a spot in the National Steer Roping Finals which will be held in Pawhuska, Okla., again this year the weekend after the benefit roping here.

Other tidbits Helton reported was that Rooney Sewall, fifth ranking calf roper nationally who will be here, won over \$700 at Pendleton in that event to keep his high ranking. That should have boosted his calf roping winnings this year over the \$16,000 mark.

Helton is rooting for Charley children, Mr. and Mrs. Frankie Stanley and daughter, Mr. and Mrs. Charles Mason and family, Mary Jean Mason, Mr. and Mrs. Avery Moore and Mr. and Mrs. Carl Fluit.

Lynn, sixth ranking steer roper, from South Coffeyville, Okla., to be a replacement in next week's field here. Lynn is a college kid who won the steer roping this year at Walla Walla, Wash.

Helton also will be the announcer for the national finals at Pawhuska, so the reader can see that Jim Prather has quality everywhere in his benefit roping event.

On the artistic side, three of the participating artists are due to arrive here Saturday and spend a week sketching in the area. They will be guests of the Jack Lotts in the "guest house" on the U Lazy S Ranch.

The three are Ned Jacob of Denver, Gordon Snidow of Belen, N.M., and Robert Loughheed of Santa Fe. Most of the participating artists plan to be here for the exhibit so by next weekend Post is going to be the unchallenged "western and cowboy art capital" — at least for a weekend.

The weather still stays "iffy" which has everybody connected with either the roping or the art exhibit on proverbial needles and pins.

Too much rain would simply "wash out" the roping. And if necessary the art exhibit would be moved into the community center here. But nobody even wants to talk about that possibility — not after all the work that has gone into the double-barreled benefit.

### Program—

(Continued From Page One) education program, and that the housing program is "behind", but "we're bogged down in getting funds from HUD in an election year."

Mrs. Sue Shytles, director of the Lorenzo Alexander Center here, reported that 1,200 individual contacts have been made by her office since March.

"Our work is simply mushrooming," he said.

She reported that since July, 1971, the Well Baby Clinic has given 687 DPT shots, 563 for polio, and 234 for measles.

She said 17 already have signed up for the new GED educational program to study for the equivalent of a high school diploma. Coach Lane Tannehill will give the tests locally and conduct the two nights of weekly study.

Paper work done by the center on applications for food stamps and welfare has doubled, she added.

Socorro Fuentes reported 68 women are now participating in the family planning program. Moody estimated seven or eight times that number are eligible for the birth control program, but said the program here was doing well in view of the language barrier faced in many instances.

Mrs. Shytles said two students have been enrolled in the John Connally Technical Institute at Waco, two others in the job corps, and five had been helped for college enrollment.

Moody said the South Plains Community Action Association is seeking over \$100,000 for a greatly expanded health program for 14 rural counties, including Garza.

Giving the youth report, Mrs. Shytles said, the center was open every day during the summer under the direction of Mac Porter, youth director, and that modern dance classes, story hours, and two puppet shows were conducted.

Directors observed the ping pong table and chairs given by Postex Plant to the center and Moody said the center has federal funding to buy a good used stove. Anyone having such a stove should contact Mrs. Shytles.

Attending the meeting were Dana Feaster, Jack Alexander, Socorro Fuentes, Pee Wee Pierce, Moody, Molly Conoly, who was elected board secretary to fill a vacancy, the Rev. George L. Miller, Patricia Cruse, Melvin Lee, Madie Johnson, Mrs. Shytles, and Jim Cornish.

### O. S. event—

(Continued From Page One) will come to Post for the event. They also will be guests in local homes and will help with the serving of the barbecue.

An open air dance on the big Post Stampede slab is planned for Saturday night, Sept. 30, with Johnny Bush and The Bandaleros providing the music. Admission will be \$4 per person.

**My Neighbors**

"I was darned lucky to get my attack on the day I was eligible for retirement."

### Rotary governor in Post club visit

Farris Oden of Amarillo, governor of Rotary District 573, paid his official visit to the Post Rotary Club Monday and Tuesday, and in a talk before Rotarians at their luncheon meeting in City Hall Tuesday urged the local club to participate in Rotary's world community service program.

He explained that clubs in undeveloped countries around the world sent in project needs to Rotary International headquarters and individual United States clubs can adopt one of the projects as their own.

"Our country is in deep trouble and we are a confused people," Oden said in opening his talk before the club. "We're in quite a box and we have an obligation to think our way out of the present mess."

"How far down the road to socialism have we already gone?" he asked.

Oden was accompanied here for his club visit by Mrs. Oden.

# Post to play 'Winds here Friday in first home game

Neither team has lost; Kickoff set for 8 p. m.

## SECTION TWO Sports The Post Dispatch

Thursday, September 21, 1972

Page 9

stands on both sides of the expected to be packed Antelope Stadium here Friday for a game between two unbeaten teams — the Post Antelope and the Floydada. The game will be at 8 o'clock.

L. G. Wilson's Floydada had an open date last Friday evening their season Sept. 15. They won over Class A Cross-Country Coach Bobby Davis' Post Antelope, has won over Class AA foes — Lockney, Vinson, right halfback, and Hearon, fullback.

Bunch, the 215-pound left tackle, who was named to the all-state second team last year, plays guard on defense. DeLeon, the starting center, also plays at a defensive end position. Other offensive starters going both ways include Goen, linebacker; Cagle, safety, and Smitherman, defensive halfback.

Cagle is also the team's alternate quarterback. Floydada runs out of a wishbone-T formation. Coach Davis said Tuesday afternoon that the Antelopes' attitude continues good and that they feel they can beat Floydada and win their home opener.

The team is still plagued with quarterback troubles, however. Jerry Tyler, the starter, is going much better on the knee he injured in the Spur scrimmage, but a backup quarterback is the big problem since sophomore Tony Conner suffered a broken leg in the Ralls game.

Senior John Johnson, who suffered a broken collarbone, in one of the pre-season scrimmages, started working out again Monday, but is not being allowed to do any contact work. There is a possibility of Johnson being ready to go again by the time of the first district game with Cooper, which will be Oct. 6, Coach Davis said.

Ricky Shepherd, who plays offensive end and defensive halfback, has been working out some at quarterback and right now is considered Tyler's replacement in case the latter should be forced out by an injury Friday night, the coach said.

Coach Davis said the rest of the squad is in good shape, including offensive tackle and linebacker Roger Pace, who injured a knee in the Lockney game. Pace saw only limited action at Ralls last Friday. There is a possibility of Rodney Compton starting for Pace at tackle again Friday night, and Tom Thomas replacing him at his linebacker position.

The 'Lopes will be out to avenge a 24-0 defeat pinned on them by the 'Winds last season on the latter's gridiron.

### SOPH QUARTERBACK BREAKS LEG

## 'Lopes roll up 41-0 score over 'Rabbits

Scoring 21 points in the first quarter and a touchdown in each of the other three quarters, the Post Antelopes rolled over the Ralls Jackrabbits, 41 to 0, at Jackrabbit Field in Ralls last Friday night for their second win in as many starts.

The victory was costly for the Antelopes, however, with the team's No. 2 quarterback, sophomore Tony Conner, suffering a broken right foot in the second period.

Conner had gone in to replace starting quarterback Jerry Tyler to start the second quarter and was in for only three plays before suffering the injury when tackled while trying to regain the line of scrimmage after a fumble.

Tyler went back in to finish the game, with the exception of the closing minutes of the final quarter when sophomore Jay Kennedy went in at quarterback.

Fullback Robert Mindieta scored two of the Post touchdowns, both on passes from Tyler; tailback Kenneth Price, two, and halfback David Conly and tailback Donnell Harper, one each. For Conly and Harper, it was their first varsity touchdowns. Conly's being set up on his 71-yard run from the Post 24 to the Ralls five-yard line, where he was overtaken by Ralls' Lyle Donathan.

Danny Lee made good on five out of six extra point tries, missing after the fifth touchdown because of a bad snafu.

The Antelope defense was as superb as the offense was potent. The nearest Jackrabbits came to the Post goal line came early in the second quarter when they took the ball on downs on the Post 39 following Conner's injury. Junior Salinas, Donathan and James Couch made it to the 28 for a first down. Jody Moore, Ralls' freshman quarterback, kept for three yards, but was nailed by Mindieta for a three-yard loss on his next try, and Donathan got only two yards at the line. Moore's fourth down pass failed to find a receiver and the ball went to Post on downs on the 26-yard line.

Ralls failed to go anywhere with

### Game Statistics

Post	21 7 6 7-41
Ralls	0 0 0 0-0

the opening kickoff after Jay Pollard booted the ball over Moore's head and out of the end zone, and the 'Lopes took over on the Rabbit 39 with Ricky Shepherd's fair catch of a punt.

Mindieta hit the line for two and Price wheeled for nine more and a first down at the 28. Conly gained five, then Price broke two tackles to gain 10 yards to the 13, from where a penalty set Post back to the 18. After Conly and Mindieta picked up short yardage, Price went for seven, but another penalty set Post back to the 15.

Tyler then shot a pass to Mindieta on the eight and the Post fullback went over for the first score, with Lee tacking on the extra point.

Couch returned Pollard's kickoff 40 yards to the Post 48, but Donathan fumbled, and the 'Lopes recovered on their 48. Price carried twice, once for 12 and again for seven yards, but a Post line man jumped offside and the 'Lopes had to retreat to the 38. From there, Price took a pitchout from Tyler and swept the right side of the Ralls line for 34 yards to the four. Called on again, Price went in for the TD, and Lee's PAT kick made it 14-0 with 5:23 of the first quarter remaining.

Late in the first quarter, Albert Varela recovered Moore's fumble at the Post 46. Tyler passed seven yards to Mindieta to the Rabbit 47, but Tyler got only a yard at center after bobbling the ball. Mindieta blasted through center for 13 to the Ralls 33, and Price swept the left side of his line for six

yards to the 11, from where Price took Tyler's pitchout and circled the left side of the Ralls line for the TD. Lee's extra point kick boosted the score to 21-0, with 44 seconds of the first quarter to go.

On the next to the last play of the first period, Lee intercepted Moore's pass on the Post 33, and SPT AD Ralls Game — Price rambled for 17 yards to the midfield stripe before the teams changed ends of the field.

### Eagles to play Patton Springs in 8-man game

SOUTHLAND — The Southland Eagles will try to hit the "victory trail" at 8 o'clock here Friday night against Patton Springs in an eight-man football game.

Coach Dan Kennedy's Eagles are in a six-man district, and have dropped their first two games, losing to Benjamin in their opener, then falling to Bula, 55 to 6, here last Friday night.

Despite the one-sided score run up by Bula, the teams were even in first downs at halftime, each with four.

The Eagles' touchdown came in the first half when Joe Bevers passed 15 yards to end Larry Koslan and Koslan ran 40 more yards for the score. The try for extra points failed.

One Southland touchdown, made on a run by Joe Edd Eckert, was wiped out by a penalty against the Eagles.

The game was called three minutes deep into the third quarter on the six-man 45-point lead rule.

The other three touchdowns came a little harder, with the Ralls defense stiffening some, and a number of Post reserves being sent

(See Ralls game, Page 11)

more, Mindieta tacked on 16 more yards to the 11, from where Price took Tyler's pitchout and circled the left side of the Ralls line for the TD. Lee's extra point kick boosted the score to 21-0, with 44 seconds of the first quarter to go.

**MUSEUM EXHIBITION**  
LUBBOCK — A major exhibition of 74 color reproductions of the Vatican's Sistine Chapel ceiling will open Sept. 24 at the Museum of Texas Tech University. The exhibition will remain in the museum through Oct. 22.

**LEASES AUCTIONED**  
AUSTIN — An auction of oil and gas leases by the Board of Lease of University of Texas Lands brought \$2.47 million. Highest bid of \$260,000 was on a 320-acre Winkler County tract.

## Pete says 'Lopes will convert' Mean Green

Pete, The Dispatch's forecaster, is off to his best yet.

Games on which Pete made his predictions last week, he hit on 17 of 20 — and two of three he missed were ties.

big-hearted Pete is going to make his percentage of .850 week's predictions.

With the first two weeks, his pick is 795, since he hit 14 of 15 the first week.

are Pete's picks for this week's games, his choices in letters.

you know? Two in a row!  
Clyde at STAMFORD. Won't even be close.

COLEMAN at Winters. Blizzards to lose after two wins.

CROSBYTON at Ralls. Jackrabbits run into trouble again.

OLTON at Lockney. Mustangs win first.

ABERNATHY at Hale Center. These 'Lopes to stay unbeaten, too.

## THE STATE OF TEXAS COUNTY OF GARZA SHERIFF'S SALE

WHEREAS, on the 1st day of June, 1970, in Cause No. 2298, in the District Court of Garza County, Texas, wherein Post Independent School District, White River Municipal Water District, City of Post, and County of Garza were plaintiffs, recovered judgment against Mike Ayala, Jr., Defendant, for taxes, penalty, interest and cost against the hereinafter described property:

Whereas, on the 11th day of September, 1972, by virtue of said judgment and the mandates thereof of the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property:

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 21st day of September, 1972, seize and levy upon as the property of the above defendant the following described property, situated in Garza County, Texas, to-wit:

(Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)

Lot 3 in Block 143 in the City of Post, Texas, according to the map or plat thereof as recorded in Volume 13, page 1 of the Deed Records of Garza County, Texas.

And I will on the first Tuesday in the month of November, 1972, the same being the 7th day of said month, proceed to sell all the right, title, and interest of the Defendant in and to said property at the Court House door of said county in the city or town of Post between the hours of 10:00 a. m. and 4:00 p. m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, which ever is lower, subject also to the right of the Defendant to redeem same in the time and manner provided by law and subject also to the right of the Defendant to have said property divided and sold in less divisions than the whole.

DATED at Post, Texas, this 15th day of September, 1972.

J. A. HOLLEMAN Sheriff Garza County, Texas By Mary Jo Tanner Deputy 3tc (9-21)

## THE STATE OF TEXAS COUNTY OF GARZA SHERIFF'S SALE

WHEREAS, on the 1st day of June, 1970, in Cause No. 2402 in the District Court of Garza County, Texas, wherein Post Independent School District, White River Municipal Water District, City of Post, and County of Garza were plaintiffs, recovered judgment against B. H. Braddock, Defendant, for taxes, penalty, interest and cost against the hereinafter described property:

Whereas, on the 11th day of September, 1972, by virtue of said judgment and the mandates thereof of the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property:

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 21st day of September, 1972, seize and levy upon as the property of the above defendant the following described property, situated in Garza County, Texas, to-wit:

(Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)

Royalty Interest: Section 1227, EL & RR, 001202 in Garza County.

And I will on the first Tuesday in the month of November, 1972, the same being the 7th day of said month, proceed to sell all the right, title, and interest of the Defendant in and to said property at the Court House door of said county in the city or town of Post between the hours of 10:00 a. m. and 4:00 p. m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, which ever is lower, subject also to the right of the Defendant to redeem same in the time and manner provided by law and subject also to the right of the Defendant to have said property divided and sold in less divisions than the whole.

## Texas 1971 sales crops, livestock over \$3 billion

AUSTIN — Sales of Texas crops and livestock during 1971 exceeded \$3 billion, Texas Agriculture Commissioner John C. White said today. This is the third year in a row that cash receipts have exceeded the \$3 billion mark. Only California and Iowa have higher cash receipts. Texas total cash receipts were \$3,254,000,000.

Hidalgo County in the Lower Rio Grande Valley had the highest cash receipts of all counties with \$117,365,000. Only one other county—Deaf Smith—was above the \$100,000,000 mark with \$103,364,000.

The other top 10 counties in cash receipts were Parmer, Castro, Hale, Swisher, Cameron, Lubbock, Hansford, and Lamb. Livestock products amounted to almost two-thirds of the total cash receipts with 65.2 per cent.

The major agriculture production area of the state is in the irrigated High Plains. That crop reporting district had cash receipts of crops and livestock of \$668,109,000. The Blacklands were second in the state with cash receipts of \$347,816,000.

Complete details of cash receipts for Texas counties is available in a bulletin titled Cash Receipts from Texas Crops and Livestock for 1971. Copies can be obtained free of charge by writing the Texas Department of Agriculture, Box 12847, Austin, Texas 78711.

# Senior High team in bit with Floydada

Senior high football teams in their season here Tuesday... The 7th grade game was close until the final quarter when Floydada scored 18 points against Coach Don Black's gridders, after having led by only 6-0 up to that point.

Post's offense managed only 35 yards against Floydada's 175. One of the only two passes attempted by Post was intercepted, while Floydada completed one of four for 19 yards. Post lost two fumbles and Floydada, one.

Dorland scored both Post's first on a 25-yard run in the first period, with Kyle Durling over the extra points to make the score 8-0. Dorland's touchdown came on a 54-yard return in the second with 5:59 remaining in the first quarter.

Post defense held Floydada to two first downs, one in the second and one in the third. All of 50 yards gained, all on the ground. Post, meanwhile, scored seven first downs and a total of 183 yards. They had one of three passes for 19 yards, while holding Floydada to one completion in four attempts, including one Floydada.

Post gridders lost a pair of yards to Floydada's one. They were assessed one penalty yard and Floydada three.

## Ralls game—

(Continued from Page 9) into action.

The first stringers were still in, however, when Conoly made his 71-yard dash to the Ralls five, going over for the TD one penalty and one play later. Lee had to kick from five yards farther back after Post jumped offside, but his kick split the uprights and the count soared to 28-0 with 5:48 of the second quarter still showing on the clock.

Benny Blackburn, a 198-pound senior fullback, came on the scene for Ralls late in the first half and he helped the Rabbits drive from their 36 deep into Post territory, where the threat was ended on successive tackles by Harper, Albert Varela and Johnny Minor, each tackle resulting in lost yardage for Ralls.

The 'Lopes lost a golden scoring opportunity after Robert Varela ran the opening kickoff back 31 yards to the Post 41. On the first scrimmage play, Tyler found Mindieta open on the Ralls 37 and hit him with a pass, with the 'Lope fullback racing to the 15. Post was called for clipping on the play, however, and set back to the 34. 15 yards from the point of the foul, Price swept end for 14 yards, but fumbled when hit, and the Rabbits came up with the ball on their 20.

Three plays left Ralls two yards short of a first down, and the ensuing punt was whistled dead on the midfield stripe.  
Price carried for six yards and Conoly for seven, with Ralls penalized 15 yards to their 22 for a personal foul on Conoly's carry. Price gained six yards in two tries, but a 15-yard holding penalty set the 'Lopes back to the 30. Tyler hit Shepherd with a 15-yard pass to the 15, then found Mindieta with a seven-yard pass which the Post fullback carried on across, behind a clearing block by Randy Kennedy. Lee picked up a bad snapback on the extra point try and tried to run the ball over, but was tackled short of the goal line, leaving the score at 34-0.

Late in the third period, Post drove from its 39 to the Ralls four, only to lose the ball on a fumble by Tyler. Back-to-back 15-yard runs by Robert Varela and Harper and a 24-yard canter by Albert Varela had taken the ball to the Ralls four.

Early in the fourth period, Ralls stayed out of more trouble by recovering Albert Varela's fumble at the Rabbit 42. Shepherd got the ball back on the next play by intercepting Moore's pass and running it up to the Post 48. The 'Lopes couldn't go, though, and Lee punted to the Ralls 17.

With Couch and Donathan doing most of the ball carrying, Ralls drove back up to their 45, where Minor pounced on a fumble to give the ball back to Post. Albert Varela made 13 yards and a first down on the 32 and Harper carried for five more to the 27. An offside penalty against the Rabbits put the ball on the 22, from where Harper swept his right end for his first varsity touchdown, with Lee kicking the extra point. The clock showed 3:52 to go in the game.

After running Pollard's kickoff back to their 23, the Rabbits came up to their 35, but could go no further and got off a short punt to the Post 47.

With Jay Kennedy in at quarterback, sophomore Joe Moore carried three times for 15 yards and a first down on the Ralls 38, Kennedy's pass was incomplete as the game ended.

**HOME FROM MEXICO**  
Mr. and Mrs. T. B. Odum returned last week from a five-day vacation trip to Topolobampo, on the Mexican coast on the Gulf of California where they enjoyed deep sea fishing.

# John Johnson is speaker at Sweetwater meeting

By MRS. GLENN DAVIS

John Johnson spoke at the Young Farmer and Homemakers meeting in Sweetwater Saturday night. Mr. and Mrs. Hobart Howard of Alamogordo, N. M., and their daughter, Linda Lee, visited Mrs. Gladys Floyd and Mr. and Mrs. Bryan Maxey last Saturday afternoon.

Mr. and Mrs. Jimmy Byrd and family came over on her mother's birthday last week and surprised her dad and mother, Mr. and Mrs. E. E. Peel by bringing supper with all the trimmings down to the birthday cake.

Mr. and Mrs. Dolan Dempsey and Lana spent the weekend with her sister and family, Mr. and Mrs. Curtis Williams and family.  
Mr. and Mrs. Jason Justice visited Sunday afternoon with Mr. and Mrs. Howard Justice and later with her parents, Mr. and Mrs. Fred Gossett, where they had supper.

Mr. and Mrs. Roy Pennington of San Angelo are here visiting relatives and friends. They once lived in the Graham Community and it is nice having them back for a visit.  
Mr. and Mrs. Clinton Edwards spent the weekend at Possum Kingdom Lake.  
Mrs. Bill McMahon visited Mr. and Mrs. Fred Gossett Thursday afternoon and took Mrs. Gossett a birthday gift.

Mr. and Mrs. Pete Pierce and family visited Sunday afternoon with her parents, Mr. and Mrs. James Stone.  
Mr. and Mrs. Mason McClellan and family had Sunday lunch with her grandmother, Mrs. Esther Bird. Mrs. Bird had a birthday Tuesday so they celebrated early.

Mrs. Marlin Hawkins and sons and a cousin, Wayland Morris, were Saturday evening visitors of Mr. and Mrs. Melvin Williams and David.  
Mr. and Mrs. Noel White and family, Mr. and Mrs. Bobby Cowdrey and some of their family attended church in Tahoka, and were supper guests on Tuesday of Mr. and Mrs. Jerry Bush and family in Tahoka.

Mrs. Muriel Wilkins and Mrs. L. W. Gandy of Tahoka were Saturday supper guests of Mr. and Mrs. Carl Fluit. Mrs. Wilkins was an overnight guest.

Russell Fluit received an injury to his ankle last Friday afternoon. He was in Garza Memorial Hospital at first and later was sent to West Texas Hospital where he underwent surgery. He returned home Monday. We wish for him a fast recovery.

Mr. and Mrs. Ray McClellan visited in Andrews Sunday with Mrs. Harry L. Mason in the hospital and other relatives.  
Mr. and Mrs. Melvin Williams visited Friday evening with Mr. and Mrs. Mack Ledbetter.  
Mrs. Nita McClellan and Mrs. Willie Mason visited Tuesday with Mrs. Billie Lester.  
Mr. and Mrs. Noel White and Steve went to a 4-H Playday in Muleshoe last Saturday. Steve

# It's 1973, and Chevrolet roofs are opening, seats are swiveling, bumpers are retracting, hatches are flipping up.

Did you ever have so much to talk about that you didn't know what to say first?  
We're happy to report that's us for 1973. But since everything must begin somewhere...

**Isn't it romantic?**  
You see that rectangle beaming at you from above? That's a moonroof. Not to be confused with a sunroof. (Although many people will undoubtedly be caught using it like one.) A power roof is available on Chevelle and Monte Carlo; a manual one on Nova.

**Bumpers are exciting?**  
This year's are something to get

stirred up about. One of our new bumpers, for example, is built around twin hydraulic cylinders. So on minor impact, the whole system retracts to cushion the shock.  
It's standard on all big Chevrolet, Chevelle and Monte Carlo

**Look what we hatched**  
You know us for our little Vega Hatchback. Now dependable Nova has'one. Which literally makes it half trunk with the backseat down. It's a feature as practical as Nova itself.

**We've been thinking about your legs**  
One of the few things people asked us to improve in our popular Chevelle was leg room in the backseat. Well, your knees will be pleased with the '73s. There's almost 3 1/2 more inches in the sedans.  
**So what else is new**  
Naturally this is only a taste of what's new for '73.  
Among other things, we're introducing larger gas tanks for longer cruising range, a new Exhaust Gas Recirculation system, a hatchback for wagons, and a highly refined flow-through power ventilation system.  
Plus a reading light for front seat passengers, improved suspension systems, engines that give you performance combined with gas economy, reclining seats and scores of dramatic styling changes.  
We invite you to see it all at your Chevrolet dealer's.
