

# The Post Dispatch

Post, Garza County, Texas Thursday, April 20, 1972 Number 47

With two grand openings this week for expanded local stores — United Super Market and White Auto Store — and the bulging Democratic primary little more than two weeks away, The Dispatch is stuffed with ads again this week.

We had to leave out two columns of news all set in type and several pictures last week due to a lack of room and even "edited out" an explanation of the space shortage in this column due to that same lack of space. We've gotten all the pictures in this week, but not all of the news. Sorry about that. We'll catch up one of these days, and in the remain we will at least remain solvent.

In case you didn't know, bedding plants aren't easy to come by this spring. When the spring "weather hit about six weeks early setting all kinds of new high temperature records, the first demand just about wiped out everything the wholesale flower growers had in stock.

So lots of things, plants we mean, are hard to get. The Flower Shower, which opens today as a library benefit, is being called a "flower trickle" by the Rev. George L. Miller because Ruth Ann Newby and Louise McCrary couldn't get nearly as big a plant order as usual. For that reason, we're advising you to shop early at the Flower Shower (anything is a shower on these dry days) because it might close early after hanging a "sold out" sign in the window.

We want to doff our columnar hat to United Super Markets, Inc., for their beautiful new Post store and to Grant Lott on the eve of his grand opening in White Auto's new location which gives him more room for all the stock he wants to carry.

Post's business section has taken on a "new look" in recent months and we hear more "good changes" are on the way.

## Absentee voting gets slow start

Absentee voting for the May 6 Democratic primary election opened Monday, but is off to a rather slow start, according to County Clerk Carl Cederholm.

Up until noon Wednesday, five absentee ballots had been applied for by mail and two absentee votes had been cast at the clerk's office.

The last date for voting absentee is Tuesday, May 2. Those wishing to vote absentee may request ballots by mail by writing the clerk's office or may vote in person at the office between the hours of 8 a.m. and 5 p.m. Monday through Friday.

## Little Leaguers to open Monday

Two games Monday evening, April 24, will open the Little League baseball season here for another summer.

Opening play Monday will be the against the Wildcats in the lidiffers at 6 p.m., and the Cardinals vs. the Dodgers in the nightcap.

Sponsors of the six league teams are: Yankees, Postex Plant; Dodgers, First National Bank; Cardinals, Post Fire Department; Tigers, Bob Collier Drug; Wild cats, A. C. Cash; Red Sox, George R. Brown.

# Burlington purchasing 197 acres for construction of waste treatment facility

Burlington Industries is purchasing approximately 197 acres, immediately adjoining its Postex Plant on the southeast from Post-Montgomery Estate for construction of its new waste treatment facility which will be ready for use in about six months.

These and other details on the new facility were spelled out yesterday by Vic Slater, Postex Plant manager, following announcement of the \$100,000 project by Charles F. Myers Jr., chief executive officer of Burlington, in a visit here last week.

Slater said plans call for construction of aerating lagoons or ponds through which both waste of Postex and the City of Post will be passed via a 22.1 days retention period process.

The largest of the three lagoons will be 500 by 1,000 feet and the other two each will be 400 by 600 feet. In all the ponds will handle 22.1 million gallons of waste or 2,960,000 cubic feet.

Some 11.5 acres will be under water in the three ponds.

## Memorial funeral service held for Ella Mae Hudman

A memorial service for Mrs. Ella Mae Hudman, Post Junior High School teacher, who died about 9 a.m. Monday at Baylor University Medical Center in Dallas, was conducted at 3:30 p.m. Wednesday at the First Christian Church of which she was a member.

Mrs. Hudman, who was 60, had been ill since early in January and had been in the Dallas hospital for three weeks at the time of her death. She was the wife of Victor Hudman, Post businessman.

She was born Ella Mae Blanton on June 2, 1911 in Brownfield, the daughter of Mr. and Mrs. D. Y. Blanton. She was a graduate of Ralls High School and of Texas Technological College with a degree in home economics.

She had taught at Owens, Shal (See Hudman Rites, page 8)

## Spring roundup of pupils set

Spring roundup for all pupils who will enroll in the first grade for the school year beginning in August of 1972 will be held Friday, May 5, from 3 until 4 p.m., according to Jack Alexander, Post elementary school principal.

Pupils currently enrolled either in kindergarten or first grade will be dismissed at 2:30 on this day only.

The principal said parents will find it to their advantage to register their children at the primary office prior to May 5 for spring roundup. Parents who are unable to come to school to pre-register may telephone to make arrangements for their child to attend the roundup.

During the hour of the roundup, parents will be seated in the primary auditorium and will receive a school supply list, a public health record form, and general school information.

300,000 gallons of waste daily. The facility calls for the handling of a total capacity of a million gallons, 40 per cent over current needs.

Slater said that tests show effluent from the city measures only 200 mgs as compared to the much heavier 3,400 mgs. for the plant.

The plant manager said that the treatment facility will reduce 16-

600 pounds of waste produced by Postex, and 900 pounds by the city, to only 110 pounds after treatment.

Slater explained that since both the city and the plant would have to have treatment facilities to meet current Texas waster disposal requirements the plant's facility has been designed to accommodate both the plant and the city.

# Exercise in disaster set for tonight

The Post Community Center will be a beehive of activity from 6:30 until 9 p.m. today (Thursday) with an Emergency Operations Simulations exercise being held during those two and a half hours to climax a Civil Defense Training course that began Tuesday of last week and is continuing until 4 p.m. today.

Visitors are invited to the exercise, County Judge Giles W. Dalby and Mayor Giles C. McCrary have announced, and a briefing for them is scheduled from 4 until 5 p.m. this afternoon.

The purpose of the exercise and the training session leading up to it is to provide training for local Emergency Operations Center personnel under conditions simulating a natural disaster. The Post-Garza County Civil Defense organization is conducting the exercise.

Clark Titus of the Texas Department of Public Safety is in Post for the event, and following the exercise will conduct a 30-minute critique of it to point out any shortcomings which might have developed. Titus, who is a training specialist with the DPS Division of Defense & Disaster Relief, spoke on the operation to Post Rotarians at their Tuesday luncheon meeting.

Also here for tonight's exercise will be Texas National Guard personnel from Austin, Judge Dalby said.

The training sessions began April 11 with a general orientation for all participating. The same day, two simulator orientations were held for simulators only. Simulator training continued the following day with a final review from 2 until 4 p.m.

Six sessions of plotter and messenger training were held April 13 to conclude the first week's schedule.

Monday morning of this week, there was a practice run for operating personnel.

More than 30 persons will take part in the exercise, some in the operations room and the others in the simulations room.

## Grand opening for White Auto in new location Saturday

Grant Lott will hold a one-day grand opening sale Saturday for his White Auto Store in a new and larger quarters at 207 East Main.

Three prizes, including a 5-band portable radio, a rod reel and line set, and an instant load camera, will be given away in a late afternoon drawing.

Lott, who moved his store from the eastern portion of the same block three weeks ago, purchased the store building from Clint Herring and this week is completing a 20 by 30-foot addition on the rear of the building for his tire and battery service department.

With the new addition for the service department, in which Lott will mount tires and install batteries, the store's new location contains 5,700 square feet of display, storage and service space.

Lott already has increased his store's merchandise stock 25 per cent (See White Auto, page 8)

# \$348.85 FROM BRANDING Library memorial fund gets boost

The benefit branding at the U Laxy S Ranch Saturday morning drew approximately 80 youngsters and adults and provided a \$348.85 boost for the memorial building fund of the Post Public Library, Mrs. Patty Kirkpatrick, chairman

of the project, reported. She also reported a \$500 anonymous gift to the building fund last Friday, a \$100 life membership for Earl Chapman in Friends of the Public Library, and a gift in memory of Mrs. Elizabeth Baskins, sister of the Rev. George L. Miller.

This brings the building fund total to \$7,518.80, most of it now in certificates of deposit at the First National Bank. An initial \$10,000 goal for the fund was set nearly two years ago when it was established, but more probably will be needed for additional library construction.

Despite a chilly north wind Saturday morning, the youngsters and adults who turned out enjoyed watching 17 cowboys and their calves.

The initial "benefit branding" was a local effort to determine a public response with the thought that the branding might be expanded next year to an area event.

The Calvary Baptist Church and the Post Church of Christ loaned their buses for transportations of youngsters to the branding with Mrs. Janie Davis and Ray Brown as volunteer drivers. Joe Williams of the high department provided traffic control at the branding site.

Cowboys, big and small who participated in the branding, were Jack Lott, Jay and Jeff Lott, Bob Macy, Bobby and Mike Macy, Jim Prather, Rex Prather, J. L. Hedrick, Buck Hawley, Rickey and Vernon Ferguson, Robert McElroy, Mike Johnson, John F. Post, Sidney H. and Babe Underwood.

# United Super Market holds grand opening

Everything is at least twice as big as the United Super Market's new square foot store which is holding its Grand Opening here today, after closing only for a day, to "move across the street" from the former location at 122 North Broadway. That was the day the three weeks stocking operation of the new super market was completed.

Surrounded by a big 75-car all-weather parking lot, the new super market features among other ultra-modern food merchandising equipment, a meat department that is triple the size of the one in the former store with a refrigerated cutting room which enables red meat to be moved at the same temperature from the vault, through the cutting room and into the 36-foot fresh meat display case.

The department also includes a 20-foot frozen meat case and a 36-foot case for service meats, with 12 feet for cheeses.

The produce case is 72 feet in length, twice the size of the one in the former store. Also included are 114 feet of frozen food display cases, 48 feet of dairy foods display, and 32 feet of pastry.

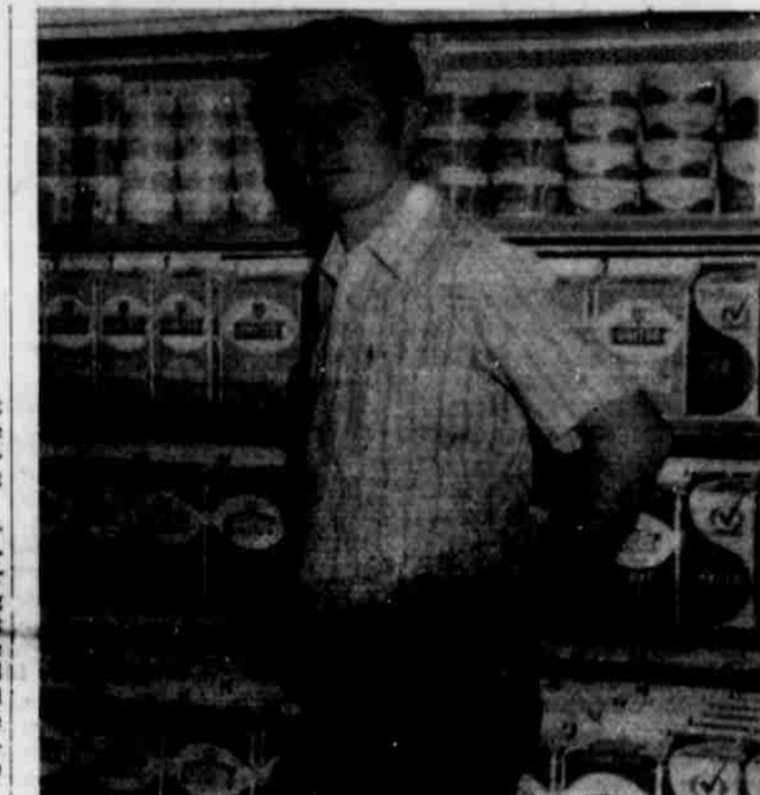

Morris Tyler, store manager, said the firm has added four new employees here for the new store's operation bringing the United payroll here to 15.

Pete Kennedy is the produce department manager and Walter Besuchamp is the meat department manager. Assistant store manager is Manuel Ledesma.

The store's five checkout stands have been in operation this week moving the crowds of local shoppers through.

H. D. Snell Jr. of Vernon is the owner and chairman of the board of United Super Markets, Inc., which operates 23 super markets in Texas. His son, Robert Snell of Lubbock, is president of the company.

The firm began operations 57 years ago under H. D. Snell Sr., father of the present owner. United's grand opening ad in today's Dispatch can be found on pages 6 and 7.

OPEN FOR BUSINESS United Super Market's twice-as-big new store, with its grand opening pennants waving in the sandy breeze, is pictured in the top photo with Morris Tyler, store manager, shown in the bottom photo on a busy, get-everything-ready Sunday afternoon in front of a portion of the store's big dairy case.

# Post loses postmark; rural routes merged

Hold onto those old envelopes with postmarks, folks. It won't be long until they will be collector's items.

Post finally lost its postmark Saturday, except for letters mailed locally to local addresses.

Postmaster A. J. McAlister said Post was the last town in this area of Texas to lose its postmark. It had kept it longer than any of the other because of early dispatch of mail from here.

The postmaster also announced that effective last Saturday, Post's three rural routes were consolidated into two. All patrons formerly on Route 1 will now have Route 2 as their address. Patrons on Route 2 living within three miles north of U. S. Hwy. 380 will now have a Route 3 address.

# Post loses postmark; rural routes merged

J. D. McCampbell is the carrier on Route 2 and Phil Bouchier on Route 3. The route being consolidated was that of the late Curtis Davies, since whose death had been served by a substitute carrier.

In announcing the loss of the postmark, McAlister said the local office is now a part of the Area Mail Processing Plan set up by the U. S. Postal Service. He asks that patrons separate all mail into local and out-of-town bundles.

# FLOWER SHOWER, RUMMAGE SALE OPENING TODAY

Post's third annual Flower Shower and its second annual Grand Rummage Sale opened today for a 10-day run in the Hundley building at 107 West Main Street.

Proceeds from the spring doubleheader event will go to the memorial building fund of the Post Public Library.

Mrs. Ruth Ann Newby and Mrs. Louise McCrary report that the best selection of bedding plants and house plants possible in the 1972 early spring rush will be offered local homeowners.

Mrs. Rosemary Chapman, who directs the Grand Rummage Sale promises she will have "something for everyone" at bargain prices on the rummage racks. See the advertising announcement on page 5 for store hours.

## Spirit of 'togetherness' exists

Burlington Industries and its Postex Plant are good citizens of Post.

In the wake of last week's visit of Charles F. Myers Jr. and his sizeable party of key Burlington executives, this is a good week to examine our community-plant relationships.

Important contributions have been made by both sides.

Certainly there is general local agreement that this relationship is better today than at any time since Burlington purchased the Postex Plant 17 years ago and began converting it from a small but profitable local plant into a highly automated, modern one and an integral unit of the vast Burlington textile operations now global in size.

That has cost Burlington over twelve million dollars to date and in so doing has provided Post with a modern industrial plant capable of competing with any anywhere and thus assuring this community of an industrial payroll and an industrial future. Small towns with good modern plants don't wither and die.

The town has made its contribution to this relationship too by solving its water problem in such a successful cooperative effort with three neighboring West Texas communities that the White River Lake today is literally the prize example held up to all others in Texas water circles. This has cost our town too quite substantially at the tax paying window, but it has assured Burlington of its Postex Plant's future and thus the future of this community.

Both have made sizeable contributions in other ways.

Our town has worked steadily and consistently to provide in community facilities all of the many essentials so important for a "plant home" of modern industry.

Post has developed under responsible leadership one of the outstanding small school systems in Texas and none in the Lone Star state today is more modern and progressive in its educational processes as well as plant facilities. Post has built a good small airport, developed its park and recreational facilities, and produced through the love and devotion of its citizens the best small library probably anywhere in Texas, or the Southwest for that matter.

Civic stewardship has manifest itself in good, progressive community services of all kinds and in staunch efforts to maintain the cost of all these governmental services at the most reasonable level possible.

Post, through the good works of its citizens and their sizeable individual contributions, has developed itself into a modern but very friendly town.

Total it all up and it's simply good, happy place in which to live and raise a family. Its community blessings far outnumber its shortcomings—and those shortcomings are being steadily reduced one by one.

Burlington has made a host of other contributions, too.

All that is humanly possible has been done by Burlington planners to make Postex Plant a "good place to work."

Employee relations have never been better. A portion of Burlington profits are funneled into a progressive retirement plan. Working conditions have been immeasurably improved with bright surroundings, air-con-

ditioning for worker comfort, attractive employee "break centers", and a fully developed employee health program.

Coming into Postex has been an influx of college trained junior executives and from Postex has gone capable Burlington-trained employees promoted to higher positions of increased responsibility.

Those are but some of the highlights of an outstanding employee relationship program which includes sizeable employee representations of this community's two minority groups.

Beyond this, Postex folks have extended themselves individually into all types of community projects and endeavors. They have become good community citizens and thus made individual community contributions from the plant management right on down.

Tremendous improvements also have been made in two other important fields of plant-community relationship—communications between Burlington and the community, both ways, and in the ability and desire of the town and plant to work together to solve common problems.

Two years ago an \$800 contribution from the Burlington Foundation to the Post Day Care Center enabled that community facility to operate successfully through its second year when it was hard-pressed financially. Burlington made the gift at the time without public announcement.

A sizeable chunk of local real estate was given to the schools instead of its disposal through private real estate sale when Burlington found it no longer had use for the cleared, residential property.

Now that Burlington is spending \$100,000 for a waste treatment plant to handle its waste water it has worked with the city to make this waste water cleansing effort a part of the city's disposal system so it can be used as needed by the city as well.

But what has helped almost even more than all of this on both sides of our present plant-community relationship is the development of candid, open lines of communication between industry and community.

We now understand each other far better than we ever have before and in this new understanding a far better plant-community relationship has grown. Fears and doubts on both sides have been replaced with a new era trust and understanding in which both sides try to help the other with neither taking advantage.

The luncheon last week which Burlington hosted for community leaders is in itself a tremendous example of that new understanding. Mr. Myers and his executive took almost half of the time of their inspection visit here to sit down and "break bread together" with community leaders—if that feast could be termed simply "breaking bread."

That is the final example of the importance to which Burlington attaches to its good plant-community relationship with the town of Post.

Speaking for the community, The Dispatch wishes herewith to put it solidly on the record that the community is every bit as appreciative of our "togetherness" as is Burlington, and to express our thanks for the many accomplishments already chalked up by both sides and the rich promise all this holds as we move into the future of a rapidly changing world together.—JC

**DON'T COMPLAIN** about not having anything to look forward to: Daylight Saving Time starts Sunday, April 30.

The man up the street says if you've given up on trying to get something open, tell a four-year-old not to touch it.

**HOW MUCH IS** a cord of wood? How many feet in a nautical mile? How high is a hand? How long is a horseshoe court? How big is one acre? The answer to these and other sometimes perplexing questions about weights and measures can be found in a booklet recently published by the Texas Department of Agriculture.

The title of the "tell it all" book is "Everything You Have Always Wanted to Know About Weights and Measures But You Didn't Know Who to Ask."

**YOU'D THINK** a book with such a long title would set you back a lot of money, but all it will cost you if you want a copy is a postage stamp or a postcard. You can get a copy of the booklet by writing to: John C. White, Commissioner, Texas Department of Agriculture, Box 12847, Austin, Tex. 78711.

Since I can hardly be accused of plugging a book that doesn't cost anything, I might go on to tell you that it also includes measurements for linear, nautical, square or area, cubic or volume. Also covered are liquid, dry, metric weights, angles and arcs, paper, decimal equivalents of common fractions, weight of water, winds, Roman numerals, and standard measurements for baseball, football, tennis, basketball, men's volleyball, girls' volleyball and single handball courts.

**SINCE I ALREADY** know them by having looked in the book, I'll answer the questions asked above: A cord of wood is four feet high, four feet wide, and eight feet long. There are 6,028 feet in a nautical mile; a hand is four inches high, a horseshoe court is 40 feet between pegs; an acre is 43,560 square feet.

Talk about happy marriages. There's a couple who've been married 25 years and they still go out to dinner and dancing twice a week. She goes on Mondays and Wednesdays and he goes on Tuesdays and Thursdays.

**WE CAME CLOSE** to having a contested school trustee election here, which would have been just one more, since a number have already developed at various places over the state.

A PETITION HAS been filed in district court at Odessa asking that a recount be made in the April 1 school board election there. After trustees had met to try for a second time to canvass the election vote, a recess was called with no new members being sworn in.

What happened was that one of the voting boxes did not contain a tally sheet in one of its sets of returns, therefore requiring a court to grant an order to have the votes recounted under the court's supervision.

**SO, YOU SEE,** the "little things" do count in making an election legal.

Up at Perryton, it was a different situation. A request for a recount in the school election was submitted to the board by the attorney for two candidates who "just missed" being elected—on by five votes, the other by nine. The Texas election law provides that when a race results in a difference of 5 per cent or less between winning and losing candidates, a recount may be requested.

**THIS LAW WAS** passed by the last session of the legislature and makes it easier to conduct a recount. Before that time, a recount had to be ordered by the district judge following filing of a suit by one of the parties. Under present state law, the candidate or candidates calling for the recount will be required to pay the expense of the recount if it is determined that the results are not changed by the recount.

If the recount results in a change which replaces one of the candidates, then the school board stands the expense of the recount.

Mike established radio station KTFY (now KKUB) at Brownfield in 1949, and later owned station KRAN at Morton. He was one of the best advertising salesmen I've ever known, but never got around to learning how to do backstop work at his weekly (later semi-weekly) newspaper and cared very little for the newswriting end of the business. It was much the same at his radio stations. He sold all the advertising it took to keep them going, but he couldn't have been dragged in front of a microphone by a team of wild horses.

**MIKE, LIKE** many of the rest of us, had his weaknesses, but insincerity and double-dealing wasn't one of them. He was the type who'd go the last mile for a friend, and the world would be better off with more Mike Barretts in it.

## What our contemporaries are saying

A search by the IRSI How diligently does the IRS search for a taxpayer who has a refund coming to him? Apparently not as much as when he owes the government. When the IRS office in Albuquerque gave an "unable to locate" list to the newspapers, an editor spotted the name of a U. S. magistrate who

holds court across the street from the IRS office.—Niles, Ill., Scrap Age.

## LISTENING POST

hey! Rally round all the Flower Shower people. It's the Third Annual Flower Shower and the ever-remembered Rosemary Chapman has a repeat performance and a repeat performance. Fantastically successful! With Ruth Ann Sale! Louise McCrary giving and a host of your favorite friends — former fair from our volunteer library. Flower Shower has got the sunniest, Spring-like-way-around happiest events ever launched.

Do you expect to buy at the Flower Shower? Heaven with the early Spring this year. A nursery man has no idea what is available. We may see some of the most exotic plants ever heard of—or we will be seeing petunias and daisies going to be a grab bag of plants. First come, first served.

starts in the Hundley down on Main Street, to 2 p.m. We'll keep going until Saturday, April 29, and then last night long. The open week days at 1:00 p.m. to 6:00 p.m. On the Saturdays up to 9 in the morning.

Oh, yes, for those of you who like to hear statistics, we raised over \$300 on this benefit. We are speechless with pleasure and pride, and can't offer enough thanks to Jack Lott and all those who assisted him, making the whole thing possible. Anything this good has to be done again. And next year we're going to see if we can't spread the word a little more. Keep it in mind.

Last week I told you about the picture our local artist Joe Taylor was doing for us. Well, friends, you're going to be green with envy when you see it. I'm no art critic, and so I'm probably not entitled to an opinion, but I think it's the best picture he's ever done—that I've seen anyway.

I've been showing it to some of you and everyone's been impressed with it. The bank has offered to display it for us in their lobby, so lots more people can see it. In another week, we'll be auctioning it off to the highest bidder. We haven't worked out the details yet. We're think of taking sealed bids so plenty of people can get in on it. By next week we'll have our plan worked out and announce it in the paper.

In the meantime, come down to the bank and have a look at it. I think you're going to be impressed with what you see.

Amid all this flurry of fundraising, it is well to remember that there is a reason for it all—the expansion and completion of our library. That day is still ahead of us, but there is one community that has reached its goal. The town of Muleshoe will be dedicating and opening its new library facility this Sunday, April 23. The ceremonies begin at 2 and last until 5. The well-known author, Tanner Lane, will be their guest speaker and folks from all around are invited to attend.

We're happy for Muleshoe. Their new library, a \$100,000 facility, built with the help of federal funds, is one of the last to get help from outside local resources. They were most fortunate.

As we face our building project, such funds are drastically reduced, much less available. We know, before we start, that we have little chance of planning that kind of fa-

city. With that kind of price tag, that is.

But we have something Muleshoe would envy, I'm sure. We have a community which has supported us through thick and thin. We have interested citizens who are willing to chip in time and money to see the library grow. If my column hadn't already gotten so long I'd tell you about some of the people, and some of the gifts they've given.

In the meantime, we'll just say congratulations to Muleshoe (why don't you run up Sunday afternoon and join in on the celebration?) and many thanks to Post. We're glad our friends up the road have reached their goal, and we send them word to watch out for us, we're going to be having a dedication and opening of our own one of these days.

Now isn't that news worth bragging about?

The Statue of Liberty faces away from shore because she is supposed to be enlightening the world.

**Former Postite elected director of stock show**  
John E. Birdwell of Lubbock, formerly of Post, has been elected as one of eight new directors of Fort Worth's Southwestern Exposition and Fat Stock Show for 1972-73.

W. P. Watt Jr. of Fort Worth has been named general manager of the show to succeed his father, W. R. Watt.

Shakespeare, according to estimates, never made a continuous journey as far as a round trip from Boston to New York.

**Card of Thanks**

We want to say thank you to the choir parents for the salad supper which brought in \$288.00 toward the choir trip to the TEI State Festival to be held in Amarillo, April 27-29. A special thanks to Mrs. Stanley Mathis and her committee and the parents who helped with our talent show and queen contest, which profited our choir \$335.00. Mrs. Margie Pennell, Mrs. Marita Jackson and the Rev. George L. Miller are especially appreciated for judging our talent show. The choir wishes to thank everyone who came and helped make our trip to Amarillo possible.  
 PHS choir

We would like to take this opportunity to express our thanks to our many friends for the beautiful flowers, wonderful food, prayers, visits, phone calls, and cards during the loss of our loved one. Also our thanks to Mr. and Mrs. James Minor, Rev. James Criswell, and Rev. Lee Jones. May God bless you is our prayer.  
 Howard Ferguson  
 Louise, Billy, Benny, Jeff and Tina Greene  
 Lela Parrack

We wish to express our most sincere thanks to those who were so kind and sympathetic during the loss of our loved one. We wish to thank the hospital staff, Dr. Charles Tubbs, Bro. Jim Taylor, Rev. James Criswell, Rev. Tommy Davis, and those who brought food and sent flowers. Our special thanks to Dr. Wilson for all he did to comfort mother during her illness.  
 The family of Mrs. Lee Snow

The Post Junior High School and Student Council would like to show our deepest sympathy to the family of Mrs. Victor Hudman. We will always remember her as our teacher and friend, who was always willing to help us in any way she could.  
 Sincerely,

## Woman's study club members told of area boys ranch

gelo as guest speaker at a meeting of the Woman's Culture Club Wednesday, April 12, in the home of Mrs. R. T. Dickson, with Mrs. B. E. Young as co-hostess.

Mr. Prather said since the ranch began in 1947, 800 boys have made their home there. There are 72 boys residing there at the present with four due to graduate this spring.

The boys who are received at the ranch are between the ages of 7-14, and stay until they graduate from high school, or college if they prefer. The boys attend school at the San Angelo public schools. The ranch does not practice taking orphaned boys. The average cost of each boy's support is \$140 monthly which comes from contributions.

Mr. Prather reported that the second annual benefit roping here in Garza County for the ranch is scheduled for Sept. 30-Oct. 1 of this year.

Roll call was answered at the meeting with names of Texas lakes. The group sang "Texas, Our Texas", with Mrs. Tillman Jones at the piano.

Mrs. Dickson presented a short program on the executive mansion at Austin, concerning the history and furnishings of the mansion. "Wild Cotton" was the topic of a short program given by Mrs. Jones, which included pictures of different blossoms of wild cotton and the countries in which such cotton can be found.

Those attending were Mrs. Dickson, Jack Burrell, Ira Lee Duckworth, J. H. Haire, Jones, Willard Kirkpatrick, M. J. Malouf, Bailey Mayo, Jack Myers, D. D. Pennell, J. F. Storie, Helen Richards, Young and Mr. Prather.

The next meeting will be April 26 at which time Etta Lynch will review her book, "Help Is Just a Prayer Away". Guests will be invited. Piano selections will be presented by guest Mrs. H. J. Dietrich.

## OES to beautify hospital grounds

Beautification of the grounds at Garza Memorial Hospital has been chosen as a continuing project by the Post chapter of the Order of the Eastern Star.

The project is scheduled to begin Monday, with geraniums, petunias and other small flowers to be planted in the brick planters at the front of the hospital. Roses and shrubs will be added as the curbing of the bed is completed.

Anyone wishing to give flowers in memory of loved one or money to buy what is needed, may do so by contacting Anne Leake, worthy matron; Bea Dodson, project chairman; Lester Nichols, Mrs. L. A. Barrow, or Carolyn Halford.

The figure 99.993% stands for the dependability - the continuity of the electric service we deliver to you. We think you'll agree with us that missing our 100% goal by only seven one-thousandths of a % is a pretty fine record. It's good, but we keep trying to do even better.

Actually, we don't have any "company secrets". We're in a goldfish bowl regulated by the FPC, the FCC, the SEC, the IRS, and state and local regulatory commissions but most of all by our own self-imposed good business practices.

# Former teachers visit in Graham community

By MRS. GLENN DAVIS  
Sunday visitors of Mr. and Mrs. Quannah Maxey were Homer Jones and Dorenda of Wellman, the Noel White, Lewis Mason and Ronnie Graves families.

Mr. and Mrs. D. C. Arthur of Dublin were here over the weekend. The Arthurs taught school in Graham and Post a number of years back. We hope they come again soon. Sorry I didn't get to see them.

Mr. and Mrs. Jerry Bush and Mr. and Mrs. Lonnie Gene Peel spent the weekend in El Paso.

Mr. and Mrs. Elvius Davis and Patricia visited in Plainview Sunday with Mr. and Mrs. Glenn Hill and family.

Capt. and Mrs. Joe D. Rogers and daughter are here visiting relatives. They will be going to Australia soon. Others visiting Mrs. Johnnie Rogers have been Mr. and Mrs. Cletus Pollard and Mr. and Mrs. Wayne Pond of Idabel, Okla.

The Gerald Carpenter children of Lubbock spent the weekend with Mr. and Mrs. Wagoner Johnson and sons. The parents came for them and visited a while.

Mrs. W. D. Williams entered Garza Memorial Hospital Monday. We hope she soon will feel much better and be back home.

Mr. and Mrs. Melvin Williams and David visited her mother, Mrs. Floyd Morgan and Mr. Morgan in Slaton Sunday. They visited in the Troy Nelson home Sunday evening.

Twenty-one people of the Graham Church of Christ attended one night of the meeting in Wellman last week. They were guests of the Homer Jones family after church.

Last Tuesday afternoon visitors of Mrs. Elmer Cowdrey and Mrs. Brenda King were Mmes. Estelle Williams, Jewell Parrish, Jo Williams, Esker Stone, Pearl Wallace, Louise Robinson and Rene Fluit. Thursday afternoon visitors were Mmes. Estelle Williams and Nita McClellan.

Friday luncheon guests of the Elmer Cowdrey family were Mr. and Mrs. Roy Pennington of San Angelo and Mr. and Mrs. Delmer Cowdrey.

Mr. and Mrs. Mason McClellan and daughters were Saturday evening visitors of Mr. and Mrs. Elmo Bush and Treva Bush, who was spending the weekend with her grandparents.

Mr. and Mrs. Otto Ferguson of Laverne, Okla., and Mrs. Willie Mason of Post were Wednesday night guests of Mr. and Mrs. Ray McClellan. Other relatives visited in the evening. Mrs. Pat King and daughter, Cindy, have been recent visitors in the McClellan home.

I returned Monday morning from a week's visit in Willcox, Ariz., with the Carrol Davis family. The new granddaughter born March 7 was the center of attraction. We made a tour of a number of interesting places Saturday afternoon and over in Mexico from Douglas, Ariz., into Agua Prieta, and other places of interest.

Mr. and Mrs. James Stone were in Temple recently when their

grandson, Kirk Pierce, had ear surgery. They attended the Stanley reunion in Kingsland Monday and Tuesday of last week.

Mr. and Mrs. Roy Pennington of San Angelo and Mrs. Esther Clem of Post visited one afternoon last week with Mr. and Mrs. Mason McClellan and family.

Mr. and Mrs. James Stone visited Sunday near Grassland with Mr. and Mrs. Orville Stanley, and Mrs. Lois Huddleston was visiting from Abilene.

Mrs. Don Brown of El Paso came over last week for her sister, Mrs. Bob Foote, and daughter, who had been visiting her parents, Mr. and Mrs. Bill McMahon. She will visit in El Paso for a few days before returning to her home in Maryland.

We hope Clinton Edwards is getting along much better. He has been a patient in Garza Memorial Hospital. A car someone had left was getting away without a driver, and Mr. Edwards stopped it by some means, and it proved to be too much for him since it hasn't been too long since he had open heart surgery. Mr. and Mrs. Edwards run the Graham store.

## HOSPITAL NOTES

lowerwater, Fort Stockton, Archer City and Southland before becoming a member of the Post Public Schools faculty several years ago. She taught fifth and sixth grade math and science here for a number of years and was teaching the seventh and eighth grades at the time she became ill last January. Ella Mae and Victor were married in Slaton on Nov. 11, 1937, after having met while freshmen at Texas Tech.

Mrs. Hudman was a member of the First Christian Church, had served as a Cub Scout den mother and was active in United Fund and other civic activities. She was a member of the Priscilla Sewing Club, Theta Eta chapter of Delta Kappa Gamma, honorary teachers' society, and Texas State Teachers Association. She also was a licensed funeral director.

Survivors include her husband, Victor; three sons, Dr. Victor E. Hudman of Dallas, Curtis Hudman, a graduate student at Texas A&M University, and Joe Hudman, a graduate student at the University of Kansas; two brothers, Lloyd Blanton of Hart and David Blanton of Gatesville; one sister, Mrs. Helon Wiley McDonald of Albuquerque, N.M.; and three grandchildren.

Bernard S. Ramsey, minister of the First Christian Church, and the Rev. Ricardo Hernandez of San Antonio officiated at the memorial service. The Rev. Mr. Hernandez is the father-in-law of Dr. Victor E. Hudman.

The church choir sang, "Joyful, Joyful We Adore Thee," and Bill Hudman sang a solo, "How Great Thou Art," accompanied by George M. Willson. Mrs. Winnie Tuffing was organist.

Burial was in Terrace Cemetery. Pallbearers were Dave Sanford, John Cearley, Billy Hahn, Bud Davis, George Pierce, Jack Alexander, Bland Tomlinson and J. D. McCampbell.

An Ella Mae Hudman Scholarship Fund has been established in Mrs. Hudman's memory. Those wishing to contribute to the fund may leave their contributions at the First National Bank.

## Guest speaker to be heard Sunday at the First Christian Church

Jack Alexander is to fill the pulpit at the First Christian Church this Sunday morning in the absence of Bernard S. Ramsey, minister, who is visiting his daughters and families in Dallas and Garland. There will be no evening service at the church this Sunday.

Mr. Ramsey was en route to Corpus Christi Monday to attend a church assembly when he received word of the death of Mrs. Ella Mae Hudman, at whose funeral service he officiated Wednesday.

After returning to Post, the minister decided not to attend the assembly, since only one night of it was left. Instead, he will visit his daughters and families and be back in his pulpit here April 30.

## Police investigating vandalism, burglary

Police Chief Otis G. Shepherd Jr. said today his department is continuing its investigation into recent incidences of vandalism and burglary.

The police chief said the vandalism occurred when someone slashed the screens on 12 windows at the front of the junior high school building.

The burglary occurred at the Log Cabin, where two cases of beer and about \$30 from a coin-operated pool table were stolen.

## Mystic Sewing Club meets in Polk home

Mrs. Pearl Polk was hostess for a meeting of the Mystic Sewing Club in her home recently.

T. C. Polk and son, Chip, presented a selection of music during the meeting.

Those attending were Katherine Rankin, Nell Windham, Maggie Kennedy, Jimmie Hudman, Mae Shipley, Winnie Henderson, Maudie Hankins, Edna McLendon, Ruby Butler, Henrietta Nichols, Josephine Robinson, Allyene Runkles, Isabel Stelzer, Opal Williams and the hostess.

HAROLD LEE WATTS

## Airman finishes officer school

Harold Lee Watts graduated with honors from three months' officers training school at Lackland Air Force Base, San Antonio, and has been assigned to Tyndal AFB in Panama City, Fla., as weapons controller.

Mrs. Watts and daughter, Crystal, who spent the past three months with her parents, Mr. and Mrs. Charlie Kiker, were accompanied by her mother to San Antonio last week for the graduation service.

Other relatives attending the graduation were his parents, Mr. and Mrs. Fred Watts, and daughter, of Louisville, Ky., his brother and sister-in-law, Mr. and Mrs. Fred E. Watts, and daughters of Jacksonville, Miss., and her brother-in-law and sister, Mr. and Mrs. Andy Kajel, and son of Austin.

Second Lt. and Mrs. Watts and Crystal left for Florida Friday.

## Coffee planned by Women's Division

Plans for a membership coffee, to be held May 16 in the home of Mrs. Maxine Marka, were discussed at a meeting of the Women's Division of the Post Chamber of Commerce at noon Tuesday in the Reddy Room.

Ronald Simpson, Antelope Booster Club president, was present to discuss the "Miss-Less Post" pageant with the women's division. It was decided to postpone the pageant to a later date in the fall.

Other business included limiting the Well Baby Clinic to one session a month, a donation of \$25 to the West Texas Boys Ranch, and plans for a bake sale to be held May 13.

Those attending were Mmes. Inez Hartel, Maxine Marks, Marie Neff, Dottie Joyner, Patsy McCowan, Betty Posey, Nancy Jolly, Wynonne Kennedy and Mr. Simpson.

## Sherry White is queen of choir

Sherry White was elected Post High School choir queen in a penny-a-vote contest that ended Saturday night, the same night of the choir's talent contest.

Janita Justice, pantomimist, won the \$15 first prize in the talent contest, with the second place prize of \$10 going to singer Randy Gordon, and the third place prize of \$5 to Cy Willson, who gave a piano and horn solo.

Miss White, the choir queen, is a sophomore student and the daughter of Mr. and Mrs. Carter White. Other queen contestants were Nan Bilberry, freshman; Donna McBride, junior, and Janita Justice, senior.

The queen and talent contests were held for the benefit of the choir's Amarillo trip fund.

## Revival starts Sunday at the Calvary Baptist

John Jenkins of Lorenzo will be the evangelist for a revival meeting starting Sunday at the Calvary Baptist Church and continuing through Sunday, April 30. George Denny of Haysville, Kans., will be the singer.

Services will be at 7:30 p. m. during the revival, according to the Rev. James A. Criswell, pastor.

**PAY BILLS To Enjoy Continued CREDIT**

The credit bureau's message to the consumer is simple. Pay promptly. Spelling it out clearly—never let an account go past due without payment or immediate contact with the creditor.

Never allow an account to become an item charged off to profit and loss. This means that the merchant has given up hopes of collecting and has changed your account from an asset to an expense item. The item is automatically recorded in the files of the credit bureau. There it cannot be changed—altered unless subsequent dealings with the same firm results in a better record.

Never allow an account to be listed in the collection department of the credit bureau. Payment in full will result in better credit reports, but the item must remain on file for many years to come—perhaps for the rest of your life.

Your credit record is a picture of your character and has been found to be an extremely accurate guide to your future actions, particularly pertaining to whether you will pay future contracts and debts.

Keep your picture bright and shining and enjoy all the conveniences of the machine age. You can cut off the advantages of credit buying by disregarding or ignoring warnings of your merchant friends.

# Antelopes qualify two for regional track, field meet

Post Antelopes qualified Mike Bevers and long jumper Mark Lee for the Region I track and field meet at the District 4AA meet at the Idalou last Friday.

Bevers qualified by winning the 100-yard dash in a time of 4:48.3, and Lee by placing second in the long jump with a leap of 20-1. It was the best jump of the season by two feet. Coach Lane Tannehill said.

Roger Pace barely missed qualifying in the shot put, finishing third behind Clifford Laws of Tahoka and Kerr of Denver City. Laws won with a toss of 49-3, and Kerr's throw was 48-7, beating the best Pace heave of 48-4 by just three inches. Only the first and second place winners in each event qualify for the regional meet that is to be held this weekend at Odesa.

The Antelopes scored a total of 31 points in the district meet, which Tahoka won with 128½ points. Friendship was second with 83, Roosevelt third with 78, Denver City fourth with 67½, Idalou fifth with 62, and Slaton sixth with 46. Ralls' two points placed it eighth behind Post.

Tony Rosas scored four points for the 'Lopes with a fourth place finish in the mile with a time of 4:57.8. The mile relay team composed of Kenneth Price, Danny Lee, Donnell Harper and Randy Kennedy finished sixth in 3:46.8, and David Conoly placed sixth in the 100-yard dash in 10.9.

District 4AA qualifiers for the Region I meet are as follows: High Jump: McKinney, Friendship; McClendon, Tahoka.

Pole Vault: White, Tahoka; Pe-tree, Idalou.

Discus: Laws, Tahoka; Bobo of Roosevelt.

Long Jump: Kendrick, Idalou; Lee, Post.

Shot Put: Laws, Tahoka; Kerr, Denver City.

400 Relay: Friendship, Denver City.

880: McCutchen, Denver City; Ancico, Idalou.

120 Hurdles: Rogans, Friendship; Flippin, Tahoka.

100 Dash: Blackwell, Roosevelt; Van Gilder, Friendship.

440 Dash: McClendon, Tahoka; Vasquez, Roosevelt.

330 Hurdles: Zedlitz, Tahoka; Turnbow, Friendship.

220 Dash: Vasquez, Roosevelt; Blackwell, Roosevelt.

Mile: Bevers, Post; Lamb, Slaton.

Mile Relay: Tahoka, Slaton.

# 4-H girls start project leading to Dress Revue

By PILAR VASQUEZ  
"4-H's Be a Model Every Day" is the title of a project started April 12 by Garza County girls who will participate in the 4-H Dress Revue this summer.

Mrs. Arnold Sanderson, project leader, showed the girls how to make paper beads. Linda Sanchez discussed the importance of walking with a correct posture and showed the other girls how. A practice session followed.

Three more meetings are to be held on posture, grooming, hair care and current fashions. Those attending last week's meeting were: Lisa and Amy Cowdrey, Lucy Ayala, Edna Solis, Helen Perez, Nora Valdez, Darlene and Nita Jo Gunn, Patricia Craig, Nancy McCowen, Karla and Phyllis Kennedy.

Also, Irene and Mary Ann Sanchez, Pilar Vasquez, Nancy Maddox, Jamia Norman, Sandra Bostick, Patricia Maddox, Terri Clary, Pat Raymond, Theresa Orr, Mrs. Joe McCowen and daughter, Patty, Mrs. Sanderson, Dana Feaster and Mrs. Aurora Vasquez.

# Post Girl Scout is selected as model

Members of Girl Scout Troop 331 recently attended a Girl Scout style show at the First Presbyterian Church in Lubbock.

Each area troop selected a model to try out for modeling, and Nelda Leake was selected from the Post troop. Of the 34 girls attending, only 10 were named as models.

# Frosh thinclads win District 4AA meet

Post's freshman track and field team won its division of the District 4AA meet at Idalou last Friday with a total of 143½ points — 36 points ahead of second place Denver City, which scored 107½ points.

Post's freshmen scored six first places, including a first by the mile relay team of Roger Taylor, Chris Wyatt, Joe Martinez and Ruben Ayala in 3:55.1.

Other first places won by Post were: Dennis McDonald, first in the 100-yard dash in 11.0, and in the 220 yard dash in 24.5; Ruben Ayala, first in the 440 in 56.2; Roger Taylor, first in the high jump, 5-4; and Ayala, first in the long jump, 18-1.

Other point-scoring finishes by Post's freshmen were as follows:

440-yd. Relay: Third (Kevin Thomas, Joe Moore, Ruben Ayala, Dennis McDonald).

660-yd. Run: Randy Josey, sixth.

70-yd. Hurdles: Jackie Blacklock, second; 10.1.

100-yd Dash: Thomas, second in 11.2.

440-yd. Dash: Taylor, fourth, 58.3.

230-yd. Hurdles: Tony Conner fourth and Mark Terry, fifth.

220-yd. Dash: Joe Martinez, sixth.

Mile Run: Andy Williams, second; Randy Babb, fifth.

Pole Vault: Babb, second, 9-6.

High Jump: Blacklock, tie for sixth.

Discus: Tim Owen, third; 130-10.

Shot Put: Owen, third; 42-8.

Post netters are district losers

Post High School tennis players are looking forward to next year after being "wiped out" in the District 4AA tennis meet held last Friday in Idalou.

The new tennis courts at the school, in use for the first time this spring, are expected to begin paying off in improved play by the time of the next district meet.

Also, a number of Post players who competed in this year's meet will be back next year.

The Post racquet wielders failed to win a game in the district meet.

Those competing were Steve Hays and Johnny Minor, and Bill Hudman and Rusty Conner, boys' doubles; Rodney Compton and Tom Thomas, boys' singles; Mary Ann Wright and Melvena Stewart, girls' doubles, and Mary Heaton and Wynette Byrd, girls' singles.

Merrymakers meet to piece quilt for club

Bertha Printz was hostess for a meeting of the Merrymakers Club in her home recently with the afternoon spent piecing a club quilt.

Refreshments were served to Ida Wheatley, Lola Peel, Pearl Storie, Sadie Storie, Bonnie Adamson, Alma Sims, Gladys Floyd, Linda Malouf and Bonnie McMahon.

The next meeting will be April 25 with Mrs. Wheatley.

# 7th, 8th grades second at Idalou

The Post 7th and 8th grade track teams each finished second in the point standings at the District 4AA junior high track and field meet held Tuesday in Idalou.

The 8th grade team scored 98 points to finish second to Stanton's 106. Denver City was third with 90 points. The 7th grade team missed the championship by just a couple of points, finishing with 88½ to Friendship's 90. Roosevelt was third with 76 points.

Post 8th graders scored as follows:

Dale Odom, first (5-4), and Rodney King, third, high jump; Edward Price, second, broad jump; Ray Martinez, first (113-4½), Mike Hair, second, and Garland Dudley, sixth, discus; Odom, fourth, shot put; David McBride, fifth, pole vault; Dudley, sixth, 70-yard high hurdles;

# Move under way to build up Southland

**By TOMMIE WILKE**  
Greetings from Southland! Friday night, April 14, a community meeting was held in the Southland School Auditorium with approximately 60 interested persons attending. A good slogan for this group could very well be "Save Southland" because that is the very thing we're trying to do.

Over the years we have become smaller instead of larger and we're right at the point of losing our identity entirely. This "Save Southland" idea first came up at the school trustees' meeting recently and has snowballed from there.

Sam Ellis spoke to the group and outlined for them just what had been discussed by interested individuals and some of the things that could be done to build up the community and school.

Later on in the meeting, Sam introduced Charles Diegel, a Lubbock business man who moved here and his family out here to Southland about 1 1/2 years ago, just to get away from the hustle and the bustle of Lubbock. Diegel lent great encouragement to the people and assured them that many more people are ready to move out of the cities into a small community, such as Southland, if we show them that we have something good to offer.

By something good, I mean, attractive houses, reasonable taxes and a good school. We have a good school system, but it is getting smaller and smaller. This is why the school trustees came up with this idea — "Let's try to build up our school!"

Men from each surrounding community were elected. They will be looking into every angle of this thing and trying to come up with some definite things to bring before another community meeting in the near future. These men are Billy Lester of Gordon, Johnny Haire of Hackberry, Dillard Dunn of Pleasant Valley, Valton Wheeler of Southland, and Sam Ellis, member at large.

If any of you have any ideas on this, contact one of these men and discuss it. It is going to take all of us pulling together and working together to really get anything done — because we do have a fine community out here and I know that if we care enough we will be able to build it back into a place we will be mighty proud of.

You will be hearing much more of this, so let this be your slogan too — "Save Southland!"

The Southland School Board have hired a new superintendent for the coming school year. He is Ray Simmons from Miami, Texas. There will be a picture and writeup on him later.

Mr. and Mrs. Max Chaffin and children took a trip during the Easter vacation. They went to the Bottomless Lake near Roswell, N. M.; Ruidoso, N.M.; visited Lincoln, N.M., and the home of Billy the Kid; visited the Mescalero Apache Indian reservation; toured White Sands; stayed three days in Albuquerque and visited the Isleta Indian Reservations. Sounds like they had a most interesting vacation and I know the kids loved it!

Kathrine Chaffin, daughter of Mr. and Mrs. Max Chaffin, celebrated her 11th birthday on April 8 with a party. Helping her celebrate were Debra Crawford and Jay and Stacy Callaway. They played games and later enjoyed birthday cake, punch, ice cream and favors.

We extend our deepest sympathies to Mrs. G. D. Ellis whose sister, Mrs. Charlie Harp, passed away last week in Oklahoma City. She was 89 years young and had

been in ill health for several years. May God comfort Mrs. Ellis in her sorrow. She was unable to attend the funeral.

Marla Shelton mashed her finger in a car door last week and broke it bad enough that it required surgery. Hope all goes well with it, Marla.

Mr. and Mrs. James Shelton and girls went to the Valley during the Easter holidays. They visited in Rio Grande City, Brownsville, and Laredo.

Mrs. James Shelton went to Clovis last week to visit her sister, Mrs. Bob Tucker. The occasion was Mrs. Tucker's birthday.

Mr. and Mrs. Spence Bevers and children went to Corpus Christi during the Easter holidays.

Easter weekend guests of Mr. and Mrs. Delbert Abshire were their son and family, Mr. and Mrs. Curtis Abshire and Jessica from Canyon. On Easter Sunday, Mr. and Mrs. Jack Allen and family from Denver City visited as well as other relatives from Andrews.

Here's a belated Happy Birthday to Breonne Winterrowd who celebrated her birthday on April 14. Her sister and brother-in-law, Mr. and Mrs. Leon Anderson from Lubbock came down that night to help her celebrate.

Mr. and Mrs. Herman Havis returned last week from a trip to North and South Carolina. They report that the country is just beautiful.

On Wednesday of last week, Shane and Wade Maner were sitting in the family car in their yard waiting on their daddy to finish putting his truck in the driveway, and some way, Wade put the car into reverse. It started going backwards and little Shane fell out of the car and it rolled over him. It was a small car, thank goodness, because if it had been a bigger car it might have killed him. But this way he was bruised very badly and skinned up all over and his ear was kind of torn loose, but he is going to be all right.

His mom and dad are Mr. and Mrs. Clinton Maner and his grandparents are Mr. and Mrs. P. W. Crawford.

Mrs. Mary McKee entered Mercy Hospital Monday afternoon for some tests.

Mr. and Mrs. Alva Albright went to Lake Champion this past weekend.

Mr. and Mrs. Jackie Abshire spent this past weekend here with his parents, Mr. and Mrs. Delbert Abshire, Stanley and Connie.

D. D. Pennell and Rev. C. T. Jordan went to Post Thursday night to attend the Masons Past Masters' night. They were served a delicious dinner by the Eastern Joe McCowen and daughter, Pat-Star, Mrs. D. D. Pennell and Mrs. Jack Myers served on the food committee.

So long until next week. "Never miss an opportunity to make others happy, even if you have to let them alone to do it."

**Post woman and niece are home from trip**

Miss Henrietta Nichols and her niece, Mrs. G. B. Johnson of Albuquerque, N.M., recently returned from a trip to Mississippi, Alabama, Georgia, Louisiana, Florida and a cruise to Nassau.

Some of the highlights of the trip were tours of Walt Disneyworld, Kennedy Space Center, Cypress Gardens, and Rainbow Springs in Florida; the three-day cruise to Nassau, a tour of New Orleans, a tour of "the first White House of the Confederacy" in Montgomery, Ala., and a visit to the National Military Park, Vicksburg, Miss., to name a few.

Others representing Post in the events were: Mark Clayton and Brad Lott, debate; Jo Beth Gandy and Sue Cowdrey, debate; Phil Mathews, informative speaking; Wayne Bell, persuasive speaking; Zack Short, Mark Hays and Sylvia Smith, poetry interpretation; Phyllis Eckols, Paula Criswell and Mary Ann Wright, ready writing; Mary Ann Wright, spelling; Pat Nelson, Rodney Compton and Randy Josey, number sense; Rusty Conner, Joe Craig and Rodney Compton, science; Mary Ann Wright, Jan Bilbo, Rafael Rios and Terri Shedd.

## Plans of are made

Wanda Heintz, who will be the paper staff will be the seniors' graduation. This week staff decided to tell Texas Tech and the other business colleges. People will attend: Kim Owen, K e n n y Soe Parrish, Sally Dorsey Cook, Patti Nelson. People will attend a com- business college: Wy- Carol Compton, Debbie Torres, Wanda Heintz, Boyle, Dejuana Hays, Norman.

## High and Junior High bands are staying active

By DEBRA YORK  
It seems the busiest classes around school these days are those in band rehearsals. On April 11, the Junior High School band went to contest in Lubbock at Estacado High School. They received a Division II rating in concert and a Division I (superior) rating in sightreading.

The high school band will go to Seagraves this Thursday for contest. It seems as if everyone is really anticipating this day, since this is the first time in many years the band has a chance to bring a sweepstakes trophy home with them. The band received a Division I rating in marching contest last fall which qualified them for the sweepstakes trophy.

The band has been working very hard on their numbers, especially Mr. Germer, to get them to perfection. We want to wish them the very best of luck.

The band will leave Thursday morning shortly after the first period. The band will perform at 2:30 p.m. and should be home around 8 p.m.

## Miss Pat Johnson 'Citizen of Week'

By LANITA JUSTICE  
This week the paper staff's "Citizen of the Week" is junior Pat Johnson. Pat is the daughter of Mr. and Mrs. Pee Wee Johnson. Pat adds a lot to the halls of PHS. She has a warm smile and an outstanding personality. We are all proud to have her as a member of our school and also as our new "Citizen of the Week."

## VISIT FROM DALLAS

Dee Justice, a student at the Dallas Institute of Mortuary Science, visited over the weekend with his parents, Mr. and Mrs. Mason Justice. Dee's roommate, Don Pattilo, also a student at the institute, visited in the Justice home a short while before going on to Lubbock to visit his parents.

## Nancy Reno also 'Citizen of Week'

Nancy Reno was named "Citizen of the Week" last week by the paper staff, but her story did not get in last Thursday's paper. So this week, there are two "Citizen of the Week" stories on the school page. Nancy, a freshman, is the 15-year-old daughter of Mr. and Mrs.

Marshall Reno. Her favorite hobby is singing; food, steak, and color, purple. During her first year in high school, Nancy has been engaged in Future Homemakers of America, basketball, choir and Top Twenty.

## LEAVING FOR AUSTRALIA

Capt. and Mrs. Joe Dick Rogers and their six-weeks-old daughter, Jennifer Kay, are here visiting their mothers, Mrs. Johnnie Rogers and Mrs. Helen Morgan. They will leave Monday for three years station at Brisbane, Australia, and will stop en route for several days in Hawaii. Capt. Rogers will command an air force radar station near Brisbane.

## Byrd Heard??

By CAROL COMPTON  
Well, since Wynette is out of town for the tennis meet, I'm going to take her place this week!

I would like to say I am very glad to see Darla Baker and Don Ellenberger back together again. I would also like to welcome back Patti Nelson and Liz Thomas, and Teresa Murphy.

state meeting in Fort Worth. All FHA members should start looking toward the Mother-Daughter banquet next Monday night.

I sure hope everyone kept their cool while writing their themes for Mr. Shiver. Really our school is not so bad. You should see some of the other schools in our district.

Hope Janet Childs, Carmen Villa, Patti Parrish and Mary Ann Norman have a nice time at the FHA

I would like to remind all of the Seniors that your invitations are in at the Dispatch.

## Science and Math club organized

By ALLEN WOODS  
The Science and Math Club was organized April 11, at which time they elected officers for next year. Jan Bilbo was elected president, vice president went to Joe Craig, Crystal Nichols was elected secretary, and reporter went to Darla Baker.

By the way, what was so funny on the back of the bus coming home from Ralls, Wednesday? Huh, Melba?

Hey, Sally, had any more trick calls from the Air Force?

Mary Ann, looks like you're going to have to nail your chair to the bleachers.

Seniors, you'd better start thinking of something to will. Won't be long.

Thought for Today: "If you can't hold on to what you had—don't forget you once had it." — Mark Hays.
