**MINI-BUS FOR SENIOR CITIZENS** — Garza County's new mini-bus for senior citizens, a novel experiment in transportation for the older folks, is shown here with Mrs. Sue Shytle, who drove the bus here from Waco last week. It is being used in the wide doorway to the 13-passenger vehicle. The Garza County Community Action Committee soon will name a committee to work out the lines for the operation of the mini-bus which is scheduled to be driven by a Green Thumber. When placed in operation, senior citizens will telephone the bus, just like a taxi. — (Dispatch Photo)

## All county workers get wage boosts

Salaries for all county employes and elected officials were given a boost for 1975 by the Garza County Commissioners Court at its January meeting Monday.

The court authorized \$30 per month increases for all county officials and courthouse employes not on an hourly wage basis.

The hourly increases were for either 15 or 17 cents per hour with the court attempting to round out hourly wages in each category.

Hourly wage increases hiked the hourly wage of such county employes as follows:

Radio dispatchers, \$2.05 (subject to approval by city council who helps pay these salaries); all part-time hourly clerical employes, \$2.05; motor grader operators, \$2.50; loader operators, \$2.25; and truck drivers, \$2.15.

Monthly employe and official pay increases became effective Jan. 1 and hourly employes' boosts Jan. 13.

The salary hikes were not unexpected as allowances for the increases were contained in the 1975 budget approved by the court several months ago.

By law, the January meeting of the court is the one at which salaries are established for the year and at which the court is required to determine several other items for the year, such as election hours, voting places, and judges, etc.

The court set the election places and judges as follows:

Precinct 1, Presbyterian Church, Faye Cokrell; Pct. 2, Southland school, judge to be appointed; Pct. 3, old mill office, Minnie Lee Tanner; Pct. 4, Justiceburg school, Mrs. H. F. Ainsworth; Pct. 5, Close City community building; Mrs. Cleao Sappington; Pct. 6, Graham Community Center, Bill McMahon; Pct. 7, City Hall, Mrs. Alton Warren; Pct. 8, Post High School Library, Mrs. Ruth Ann Newby; Pct. 9, Lorenzo Alexander Community Center, Mrs. Billie Cross; and Pct. 10, Lutheran Church, Mrs. G. H. McAfee.

Polls will open at 8 a. m. and (See Com. Court, Page 12)

**MR. AND MISS PHS AND CLASS FAVORITES** — Mr. and Miss PHS for 1975 are top row, left, Tina McAlister and Tony Conner. They are pictured with five of the other class favorites all selected by their fellow students. Class favorites, top row, left to right, Matt Allison and Nelda Leake, sophomore

favorites; and bottom row, left to right, Cindy Kirkpatrick and Brad Shepherd, freshman favorites; and Patricia Bilberry, one of the junior favorites. Not shown are Johnny McCowen and Randy Josey, junior and senior class favorites respectively. — (School Photo)

## Bruton to head chamber in 1975

Ed Bruton, Postex Plant manager, has been elected president of the Post Chamber of Commerce for 1975 in the recently completed mail ballot membership.

ED BRUTON

The five new Chamber directors also elected in the balloting are Curtis Hudman, Walter Didway, Dr. Charles McCook, Lewis Herron and Robert Cox. They were elected for two-year terms.

Plans for the Chamber banquet were the major topic of discussion at the Chamber's January directors meeting at the Drover House Restaurant last Thursday noon.

A banquet theme is yet to be decided upon. Banquet tickets, which will be \$5 each this year, will go on sale the first week in February.

Jackson's again will cater the banquet meal.

The banquet theme will tie in with the Bicentennial of 1976 with the colors being red, white and blue.

Directors attending the luncheon session last Thursday included Alexander, who presided, Bruton, Will Parker, Gene Moore, Bobby Davis, Jimmy Mitchell, Ronald Thuet, Joe McCowen, Jim Wells and Chamber Secretary Joy Greer.

DAVID SULLIVAN

## Attorney opens office in Post

Post has a new "part-time attorney" — part-time in Post, that is.

He is David Sullivan who has opened an office on the second floor of the McCrary building which he plans to keep open Monday afternoons and all day Fridays.

The rest of the time he will maintain a law office in Lubbock and live in Lubbock.

Coming to Post part-time because he says local friends "asked me to," Sullivan is young and single, grew up in a small town in Illinois and is a graduate of Harvard Law School.

He taught at Texas Tech's law school for three years as an assistant professor before resigning last summer to run as a Republican candidate for state representative in Lubbock County against Elmer Tarbox.

Tarbox won with 54 per cent of the vote to Sullivan's 40 per cent and six per cent for the Mexican-American candidate.

Before moving to Lubbock in 1971, he practiced six months in New York City where he (See Attorney, Page 12)

## First aid course offered Jan. 25

Post Girl Scouts are offering a Multi-Media First Aid Course, Jan. 25 from 8 a. m. to 5 p. m. in the Community Room of the First National Bank.

There will be a \$5.00 fee for the First Aid Book and workbook. Anyone interested in taking the course, call Nell Morris, 495-3214.

## 26 receive historical service awards here

Twenty-six members of the Garza County Historical Survey Committee received certificates of distinguished service from the Texas Historical Commission and the Texas Historical Foundation at the committee's meeting Tuesday morning in the bank community room.

The presentations were made by Mrs. Gwen Boren, acting chairman.

A tribute to the memory of Charlie Didway, editor of Garza County's history "Wagon Wheels", The Post Dispatch, and former member of the GCHSC was read by Mrs. Winnie Tuffing.

Joy Greer, representing the Post Chamber of Commerce,

reported on the progress of the commemorative coins, now being minted.

Vada McCampbell reported that sales and inquiries were still brisk for Wagon Wheels. The book committee has sold 750 copies to date.

It was announced that the agreement between the committee and the Post City Council concerning the restoration of the Algerita Hotel Building was terminated Jan. 6.

Members attending were: Gwen Boren, Winnie Tuffing, Mrs. Ruby Kirkpatrick, Joy Greer, Vada McCampbell, Nita Burruss, Lottie Shelton, and Maxine Marks.

## Rites held for Mrs. Sepeda, 88

Funeral services for Mrs. Clara G. Sepeda, 88, a resident of Garza County since 1937, were conducted at 10 a. m. Saturday in the Mexican Baptist Church in Brownfield with burial following in the Brownfield Cemetery.

Mrs. Sepeda died last Thursday in Twin Cedar Nursing Home here.

Born Aug. 12, 1886 in Mexico, Mrs. Sepeda was married in 1902 in Mexico to Belgrave Sepeda. He preceded her in death in 1962.

Mrs. Sepeda was survived by 109 descendants, including two daughters, Mrs. Andrew Martinez of 105 E. 7th St. here and Mrs. Isabel Cabrera of Hereford; two sons, John Sepeda of Long Beach, Calif., and Esequiel Sepeda of Greeley, Colo.; 31 grandchildren; and one great-grandchild.

Mrs. Sepeda had been a member of the Bethel Baptist Church since 1942. She had been a resident of the nursing home for a year and five months.

Paul Nieto conducted the funeral services.

The Hudman Funeral Home was in charge of arrangements.

CURTIS HUDMAN

## Curtis Hudman now mortician

Curtis Hudman received his license as a mortician here last week after completing his apprenticeship under his father, Victor Hudman.

He is an August, 1974, graduate of the Dallas Institute of Mortuary Science.

Curtis Hudman bought out the interest of his uncle, Marvin Hudman, in the Hudman Funeral Home and Hudman Furniture store here in 1972.

The funeral home has been operated here by the Hudmans since 1948.

Curtis is a 1964 graduate of Post High School, 1968 graduate of McMurry College in Abilene, and a 1972 graduate of Texas A&M University.

He was married to Julie Landers of Sweetwater in August, 1968. They have two children, Richard, 3, and Jana, 2.

## Charles Tubbs considers move

Dr. Charles Tubbs told The Dispatch this week he is considering relocating his medical practice in Garland, but expects to continue seeing patients here at least until mid-March.

The young physician, who has practiced here for the last 3 1/2 years, said he will announce his plans in detail just as quickly as they are finalized.

Dr. Tubbs owns the Medical Center facilities here and told The Dispatch he would like to see the community acquire the property for future use in attracting other physicians to Post.

He told The Dispatch he is considering the move because the offer he has received is simply too good to turn down.

## Three flutists in all-regional band

Three flute players from the Post High School band won positions in the all-regional band tryouts conducted Saturday at Lubbock Christian College in Lubbock.

The trio includes Tiana Shiver, sophomore, who won third chair flute in the regional band; Dana Giddens, freshman, who won fifth chair, and David Morrow, freshman, who won sixth chair.

The all-regional Class A and AA band will present a concert at LCC Feb. 25.

## Tina McAlister, Tony Conner Miss, Mr. PHS

Mr. and Miss PHS for 1975 are Tony Conner and Tina McAlister, as selected by the Post High School student body.

Tina is the daughter of A. J. McAlister and Mrs. Gene Moore. Tony is the son of Mr. and Mrs. Syd Conner.

Class favorites for each of the four classes also have been elected.

The class favorites are: Freshman, Cindy Kirkpatrick, daughter of Mr. and Mrs. K. W. Kirkpatrick, and Brad Shepherd, son of Mr. and Mrs. Doug Shepherd.

Sophomore: Nelda Leake, daughter of Mrs. Anne Nelson,

and Matt Allison, son of Mr. and Mrs. Rex Allison.

Junior: Patricia Bilberry, daughter of Mr. and Mrs. Luther Bilberry, and Johnny

McCowen, son of Mr. and Mrs. Joe McCowen.

Senior: Tina McAlister and Randy Josey, son of Mrs. Bobby Josey.

## Supt. Shiver's contract is extended by trustees

The contract of School Supt. Bill Shiver was extended for an additional year, through 1978, by Post school trustees Monday night at their January meeting.

Shiver, whose contract calls for \$5,000 above state as superintendent, also was given \$1,000 in life insurance premium payments instead of a salary increase.

Trustees customarily consider the superintendent's contract in January, principals in February and teachers at the March meeting.

Trustees had a short agenda for their monthly session.

Tax Collector Dad Greenfield appeared before trustees to explain two problems which have arisen out of sales of tax delinquent property. Trustees asked Shiver to refer both cases to the school district's attorneys.

Trustees authorized the sale of some used game jerseys and the payment of the 1974 bill to the Earl Ray Music Co. The bill has been subject to negotiation and Shiver recommended the board's approval of the agreed settlement.

Several budget changes were approved.

Trustees were given copies of a letter to Shiver from Robert H. Anderson, dean of the College of Education of Texas Tech University which was very complimentary of the Post schools development project and the evaluation system emerging from that project.

Anderson spent a day here Dec. 5 as a visiting consultant in connection with the Southern Association accreditation process.

## Police, sheriff share in grant

The City of Post and Garza County have been included in a grant award to the South Plains Association of Governments by the Texas Criminal Justice Division.

The \$11,273 grant will provide investigative equipment for 12 law enforcement agencies in the SPAG region.

The Post Police Department will receive \$242 for the purchase of investigative equipment and the Garza County sheriff's office will receive \$322 for the purchase of a portable police laboratory.

The 1975 criminal justice plan for the South Plains region pointed out that "some departments have a small amount of photographic and investigative equipment, but it is either obsolete or insufficient for complete crime scene investigations."

## New attorney in Rotary talk

David Sullivan, Post's new part-time attorney, was the Rotary Club luncheon speaker Tuesday noon in City Hall and discussed his views on governmental problems facing state and nation today.

Sullivan said while everybody out here agrees that West Texas needs to import water, nobody is actually moving on a project which would require 20 or more years to complete. He says he is for action now.

He also took a stand for Texas state constitutional reform.

## Stabbing did not occur at Allsup's

The Dispatch wishes to correct an erroneous impression created in its story of last week on the stabbing of Ernest Montes.

The stabbing did not occur at Allsup's food store, but several blocks away. Montes only came to Allsup's for help and it was at the store the ambulance picked him up.

Although the story did not say where the stabbing took place, it erroneously left the impression with some readers it had actually occurred at the store.

## Workshop to end tonight

The first half of this week's Young Adult Workshop was Monday night in Post High School with 48 Garza residents attending the session.

Wyatt gave the introductory and welcome.

Ma Cawthon, assistant extension agent, gave a presentation on self-concept. A self-concept, entitled "My Lingo" was shown.

Following a group discussion on the subject were Mrs. Carolyn Herron, Mrs. Marion Wheatley and Mrs. Cawthon.

Refreshments and door prizes were given by the Home Demonstration Council, the Home Demonstration Council and the County 4-H Clubs.

The second half of the workshop will be held tonight at Post High School. Prizes will be given by the Workshop, Page 12.

**WORKSHOP SCENE** — Shown above is a candid camera view of some of those participating in the discussion at the first of two sessions of the Young Adult Workshop which was held in Post High School Monday night.

## What about new youth center?

What has happened to the proposed youth center project?

We have heard absolutely nothing about it for several months now.

It wasn't so long ago that the youth center board was given verbal assurances that its search for a home would be solved by the current city administration.

Since then, the youth center has been "poor boyed" in the old teen town building which the school roofed for its own future use.

Post for many years has failed to come to grips with the problem of providing facilities for its young people. When the movie house shut its doors, there was no organized effort at entertainment left but the youth center program and it has been hampered by being woefully short of funds.

We of course don't know the answer except that it is virtually impossible for any board, such as the youth center board, which seeks both city and county support, to get an organized major program going when it has to

deal with two different governing bodies, often with widely varying viewpoints.

Obviously, the basic responsibility here should rest with the city. Here is where the kids live.

The youth center originally appealed to the Garza United Fund for inclusion in its 1975 budget because of its need for additional operating funds.

Now the United Fund was so successful in not only reaching but exceeding its goal by a thousand dollars, it would seem logical to us and we have proposed it to United Fund officials that the UF board of directors consider fulfilling the youth center's request for 1975 support.

The funds are available and we feel sure such action would merit full community support.

Solving the larger picture of a permanent home for the youth center is something else again. But in spotlighting the problem, The Dispatch hopes to "get things going again." — JC

## Trying to improve the paper

The Dispatch through the addition of Beth Short to its news staff as a reporter is attempting to expand its coverage of the "little news", or better put the personal news of the community.

We hope to come up with lots more stories about local folks, more personals, and more features. We encourage our readers assistance in getting them too. We ask you to call in your news items regularly or give us tips we can follow up on other people.

Beth this week started up the "courthouse

notes" column we lost several years ago when Ray Smith retired from writing it, and she began establishing regular contact with the pastors of the community to enable The Dispatch to print more church news, and also to learn of those who are sick and in Lubbock hospitals.

We have taken over the editing job ourselves. What we want is more news in the newspaper. That's the best way to improve the paper. — JC

## YF16 Choice good news

Announcement that General Dynamics Corp.'s YF16 has been selected by the Pentagon to the U. S. Air Force's new lightweight fighter plane should be greeted with cheers all over Texas and particularly in Post which has sent a lot of its high school graduates to work in General Dynamics big airplane plant at Fort Worth.

By winning the design and test competition, General Dynamics may well sell 3,000 of these planes at a price tag of \$15 to \$20 billion.

That should help a lot in neutralizing the effects of any recession here in Texas.

The YF16 is certainly going to turn things completely around for General Dynamics, which up until announcement day was exactly in the same condition as a lot of other big U. S. corporations, poorly that is.

It is not too hard to guess that some of that tide of "fighter dollars" is going to flow out from Fort Worth to other parts of Texas through sub-contracting and the like.

All kinds of business will pick up in the Fort Worth area as soon as the YF16 impact is felt. Even sheet sales should be good there. — JC

## On letters to the editor

Every once in a while, The Dispatch receives a letter to the editor, obviously intended for publication which we cannot print because it isn't signed.

One such arrived in Friday's mail about the lack of local fan support for girls basketball. It was signed "The parents of the past, present and future basketball teams."

The Dispatch established a rule on letters to the editor a long time ago that those which were published would have to be signed and the names affixed in print.

It is too easy to be critical anonymously. A string of critical, unsigned letters would easily change a letter to the editor column into one of complaint and abuse. A lot of folks might take a rather savage delight in reading something like that, but this is not for us.

It is an established fact that the "letters" department is one of the best read in any newspaper. We would like more letters. We will print critical letters too if those who write them will sign them and stand up and be counted for their convictions. — JC

ENERGY EFFICIENT...

We call the heat pump a "Bright Star" because although the idea has been around for some time now... there's a lot more interest in saving energy than ever before... people want to save energy, but they don't have to give up their comfort. With the heat pump, you don't have to give up anything. The heat

pump makes wise use of energy because it uses otherwise wasted heat and electricity to heat and cool your home. Electric heat, in any form, is a wise use of precious energy and the heat pump is today's star of the system... more than 100% efficient at the point of use... actually provides more energy than it

uses. Call us this week for a free electric heat cost survey of your home... and ask about the heat pump!

## Our Readers Write

OFFERS BOOK

Dear Editor:

Thank you for the feature article with photographs on the life and work of our mutual friend and good neighbor Frank A. (Chief) Runkles in the December 23rd issue of The Post Dispatch. The Scouts, leaders, parents, committee and pastors related to our Church's Troop 404 are especially grateful for the fine spirit, help and leadership "The Chief" has shown us over these past years and we are indebted to The Post Dispatch for this published record which we can read, post and keep with our Scouting history. 30 of our number came to Camp Post last month to honor the Runkles by preparation of a Sunday noon meal and presentation, as our own personal expression of thanks.

It was good to learn of the \$300 gift from the First National Bank for the outstanding and growing Post Library to develop the Texas history collection. I would recommend including the book "The Main Trail" by the late Ralph J. Hall, first full time pastor of the Presbyterian Church in Post (page 278 Wagon Wheels), a native of our area and widely known as "the cowboy preacher". If Pee Wee does not already have it let me contribute it to the library in Ralph Hall's memory.

An appreciative friend and reader,

Robert D. Nicholson, Pastor

First Presbyterian Church

Lubbock, Texas 79408

P. S. Can anyone of your readers shed light on whether there is any connection between the Rev. O. G. Jones who founded the First Presbyterian Church of Lubbock in 1903 and Abner G. Jones who founded the First Presbyterian Church, Post in 1907?

## State employes meet with legislators

Joe Williams, Bob West and Ray Bagby, state highway employees of Post, attended a meeting and barbecue in Lubbock last Friday night.

The meeting, one of three held in the state over the past year, gave state employes an opportunity to meet with state legislators and discuss various problems they might have had during the year.

Wives of the employes were guests also.

One major point discussed during the meeting was bringing salaries of current employes of the state up to a current rate with private industries. Out of some 900 attending the meeting, approximately two thirds of the employes had to have a supplementary income or their wife or husband were required to hold a job also.

Seven state agencies took part in this meeting.

## Three attend youth fellowship rally

Three First Christian Church young people, George Pierce Jr., Wade McDougale and Ken Forbus, attended a Mid-winter Christian Youth Fellowship Rally at Ceta Glen Church Camp, near Happy this past weekend. Rev. Ed Kilbourne of Atlanta, Ga., was the keynote speaker.

Youth sponsors attending with the group were Mr. and Mrs. James Pollard and Mr. and Mrs. Pete Maddox. Mr. and Mrs. George Pierce provided transportation.

**Rites Friday for B. Spence**

Funeral services for B. Spence, 84, of Levelland were held at 2 p. m. Thursday in the George Price Funeral Home Chapel in Levelland with John Boor, pastor of Austin Street Church of Christ officiating.

Spence died at 11:30 p. m. Tuesday at Cook Memorial Hospital in Levelland following a lengthy illness.

Born in Groveton, Spence had been a Levelland resident since 1945 having moved there from Morton where he lived one year. Before that he lived in Garza County.

He married the former Ruth Spotts, April 7, 1917 at Southland.

Survivors include his wife; three sons, A. J. of Seattle, Wash., Murl L. of Lubbock and Jimmy of Carlbad, n. m., a brother, Ed Spence of Los Angeles, Calif., two sisters, Mrs. Johnnie Hall of Lubbock and Mrs. Boone Evans of Post; 13 grandchildren and 12 great-grandchildren.

Grandsons served as pallbearers, with burial in the Southland Cemetery.

**Mrs. Eula Gollehon dies in California**

Funeral services for Mrs. Eula Gollehon, of Peco Rivera, Calif., and a former Garza County resident were held Jan. 10 in Peco Rivera.

Mrs. Gollehon, born Eula Drake in Eastland County April 25, 1885, passed away Jan. 5 at the age of 90.

She moved to Garza County in 1919 from Eastland County.

Survivors include two daughters, Mrs. Roy Eureka Reed and Mrs. Joe Oleta Godwin of Peco Rivera and one son, Bobby Gene, also of Peco Rivera. Several grandchildren and great-grandchildren. She was preceded in death by her husband, Lewis, and a son, Loys "Shorty" Gollehon.

**'74 not good Texas ag year**

COLLEGE STATION record books will show 1974 "not so good" agricultural year in Texas but there were some bright spots, according to current estimates of agricultural cash receipts by the Agricultural Extension Service.

"Our estimates show cash receipts from agriculture will be down about \$900 million to \$5.6 billion in 1974 compared to the record \$6.3 billion in 1973," points out Charles R. Extension Service economist.

The big drop, to most surprise, is in total receipts from livestock. Our estimated cash receipts total about \$2.5 billion, or more than \$1.1 billion less than the 1973 total. The drop in cash receipts from beef accounts for almost all of this decrease.

## Potluck

Rosemary Chapman

The latest six-weeks exercise classes started with a bang on Monday. Actually "groan" might be the better word. It's amazing how out-of-shape some of us can get, but the important thing is: now we're finally doing something about it!

That's what I keep telling myself anyway. Everytime my knee creaks, I say, "Rosie, you are getting rid of fat." Everytime I find myself puffing louder than usual, I say, "Oh well, it takes energy to make energy."

And it does. The first three or four days of exercise class are usually pure, unadulterated torture but there comes a time when one suddenly finds oneself, head high, walking with a lighter step, and a gleam in the eye. Vitality is a wonderful thing.

Most women start an exercise class because they want to look better. The bonus comes when they realize they can feel better too.

Our 9:00 class includes Sharon Morris, Glenda Morrow, Lynette Thuet, Ann Tubbs, and Carol Waters. At 5:00 we have Elfreda Carpenter, Martha Compton, Dolores Redman, Ida Mae Wilks, Sandra Fielder, Rita Nelson, Margie Pennell and Mary Beth Stalcup.

We are all going to be fit and beautiful, and if you would like to join us this coming Monday, we have room for four more in the morning and one more in the afternoon. Call me — 2984.

The classes are an hour long, five days a week (Mon. — Fri.) Wear old, loose clothes or leotards. Proceeds (\$6.00 per week per person) will be used to buy lights for the tennis courts.

Attention, Southpaws! Had an interesting note from Alylene Runkles the other day. She said that before the days of mixers her mother couldn't stand to see her stir a cake "backwards."

BUT, three out of Alylene and Frank's five "younguns" are left handed so the good guys out number "them" at the Runkles' house.

Put 'em on the list! Our revolution may be closer than anyone knows.

**Ropesville rites for V. A. Bethany**  
 Funeral services for V. A. Bethany, 61, of Wilsonville, Ore., were held Friday in the First United Methodist Church of Ropesville.  
 Bethany was a former resident of the Close City community.  
 Survivors include two sisters, Mrs. Mae Keese of Midland and Mrs. Ruby Sturdivant of Globe, Ariz., and one brother, W. R. of Lubbock.  
 Burial was in Ropesville Cemetery.

**Chicken pox hits hard in Graham area among kids**

By MRS. GLENN DAVIS  
 A number of children in the community have the chicken pox or have had them the last few weeks. Most of them have been real sick.  
 Mr. and Mrs. Mack Ledbetter had their children at home Sunday. They are Mr. and Mrs. Larry Moreman of Childress, Mr. and Mrs. Kenneth Cook and son of Post and Mr. and Mrs. Bruce Ledbetter of here.  
 Sunday luncheon guests of the Noel White family were Mr. and Mrs. Quannah Maxey, the Lewis Mason family, and the Bobby Cowdrey family.  
 Bill McMahon returned home last Friday from Garza Hospital. He is getting along fairly well.  
 Mr. and Mrs. Jason Justice were Wednesday supper guests of Mr. and Mrs. Fred Gossett. Mrs. Pearl Wallace visited Wednesday afternoon.  
 Elmer D. Jones and Darlene and her niece visited Mrs. E. E. Peel last Friday afternoon. Visitors through last week of

Mr. and Mrs. L. H. Peel were the Pank Peels and grandson, Rance, the James Stones, Cecil Lees, Mrs. Wayne Carpenter, Mrs. Aubrey Ritchie, the Daren Whites and Douglas Livingstons.  
 Sunday luncheon guests of the Peels were Mr. and Mrs. Delmo Gossett and Mr. and Mrs. Delmer Cowdrey, the Lonnie Gene Peels were supper guests.  
 Mr. and Mrs. Quannah Maxey visited one day last week in West Texas Hospital in Lubbock with her sister, Mrs. Grady Webb of Roaring Springs. Mrs. Webb received a fractured arm last week in a fall in her home and had to have surgery.  
 A number of ladies from here and two ladies from Post visited the nursing home Monday

afternoon and sang a number of songs.  
 A number of ladies met in the Methodist Church Monday morning and surprised Mrs. Carl Fluitt with a birthday luncheon. There were 18 ladies present.  
 Visitors of Mrs. Elmer Cowdrey and Brenda King last week were Mmes. Jewell Parrish, Rene Fluitt and Pearl Wallace.  
 Mrs. Rene Fluitt and Mrs. Nita McClellan visited one afternoon last week with Mrs. Mary Ethridge and later with Mrs. Willie Mason.  
 Word was received here last week of the death of Don Cox in Miami, Okla. He was the son of Mr. and Mrs. Sam Cox. The family resided in this com-

grandson passed away last week in California. It seems cancer strikes old and young. Mrs. Booth was twenty years old and left an eight month old baby.  
 Mrs. Jason Justice and daughter, Judy visited Monday with their parents and grandparents and took them out for lunch.

### Fryer prices to go up but sugar is to drop

COLLEGE STATION — Beef prices show signs of fluctuating in coming weeks, and fryer chicken prices will increase immediately, but sugar prices indicate a downward trend, one forecaster says.

She's Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

"More grass-fed beef is now available, and the current beef supply is plentiful — however, there will likely be fluctuating prices in the coming week," the specialist said.

"Fryer chickens will probably show an immediate increase in price, though,

because demand is usually heavier after holidays," she added.

Mrs. Clyatt, reporting a drop in sugar prices, pointed to a decrease in demand for sugar as one reason.

Pork supplies are starting a decline, and consumers can expect prices to increase at the retail level soon, the specialist noted.

Although eggs currently are priced at last year's level, they will show a substantial increase in price later in the year, she predicted.

At fruit counters, grapefruit and oranges are in peak supply with good quality.

"Fresh vegetables include plentiful supplies of dry beans, peas and potatoes. Dry bean and potato prices are down substantially from the 1973-74 crop year, as are dry onion prices."

Steady prices include those on broccoli, cabbage, lettuce, turnips and rutabagas.

**CONSUMER WATCH-WORDS:** Food retailers may sell some food below cost to attract customers. That's happening now at many egg counters — which makes eggs an "economical must" these days.

# Antelopes to invade Denver City for showdown game

## Does open as they ready title bid against Slaton

The district SAA boys cage race has turned into a three-team affair and Coach John Alexander's Antelopes now get down to the nitty-gritty of playing Denver City's contending Mustangs away out at Denver City Friday night and then coming home to entertain the other contender, the Slaton Tigers, the following Friday night.

Coach John Morrow's Does have an open date this weekend as they await their showdown with the defending Class AA girls cage champs, the Slaton Tigerettes, here next Friday night. That one will be for the district crown too.

These games will wind up the first half of the district season for the two local teams.

There is the matter of a non-district tripleheader with the Spur Bulldogs here Tuesday night just to keep the Does and the 'Lopes tuned for the Slaton showdown. The JV boys will clash in the preliminary of that one.

The Antelopes actually are in the favored position in the three-way boys race as they are undefeated while the Mustangs and the Tigers each have one loss on their records.

Slaton's boys whipped Roosevelt Tuesday night to remain in the race, but Denver City scored the "big win" by defeating Tahoka at Tahoka, 70 to 62. Some observers figured the Tahoka shooters to win that one on their home floor and climb back into the thick of things and at the same time eliminate Denver City from contention.

Coach Alexander knows the trip to Denver City shapes up as the 'Lopes toughest road game of the district season.

He says Denver City probably has the two best outside shooters in the district this year in Tommy Thorne and Cooper Ivy.

The Mustangs also have been strengthened in rebounding and defense recently by the return to action of Scott Murray and Ricky Lehnert, both injured during Denver City's football season. Both of these lads are about 6-2 and tip the scales around 200 pounds.

A loss at Denver City wouldn't put the 'Lopes out of title contention though. They could win or tie for the first half crown with a victory over Slaton the following Friday night.

Then in the second half, the 'Lopes will catch Denver City on the Post floor and that should make considerable difference.

"But we don't want any ties, we want a clear title," Coach Alexander told The Dispatch.

Crowd support really helps, Coach Alexander said. He pointed out there was about as many Post fans as Frenship fans at the Frenship game Tuesday night.

He is hopeful that a big contingent of fans will follow the 'Lopes to Denver City Friday night and that a lot of students will sign up for the trip by school bus to support the 'Lopes district title bid.

"We will need the fans' help at Denver City," Alexander emphasized to The Dispatch.

The Antelopes are a strong road team because they depend more upon rebounding and defense than shooting to score victories. That kind of a club can be just as consistent at home or away.

## 8th grade boys bow to Cooper

Coach Danny Chisum's Post eighth grade boys team played better form Monday night at Cooper in dropping a district contest to Cooper's eighth graders, 30 to 18.

It was a close ball game until the final quarter when the home club broke away from a 19 to 16 lead to outscore Post 11 to 2.

It was 13 to 10 at the half for Cooper.

Bryan Compton led the local scoring with six and Dale Redman was next with five.

The next district game will be against Slaton here Monday night.

## Post JV boys win Jayton tourney Saturday 33-29

Coach Jackie Brown's Post Junior Varsity boys won their division of the Jayton JV cage tournament at Jayton Saturday night by defeating Jayton in the finals, 33 to 29.

The Post team jumped in front in a close first period and led throughout, but not by much. It was 10 to 8 at the quarter, 21 to 14 at the half, and 25 to 24 at the end of the third.

Jayton came strong in the third outscoring the locals 10 to 4 but Jimmy Dorland got three baskets in the fourth period and Rodney Teaff another for the victory.

Dorland led the scorers with 12 points. Teaff had seven.

## Post hosts 8th grade tourney this weekend

Post will host a seven-team eighth grade tournament in the high school gym here this weekend in both boys and girls divisions.

Besides the two Post teams, other schools entered in the two divisions are Slaton, Tahoka, Idalou, Roosevelt, Cooper and Crosbyton.

The Slaton and Tahoka girls will open tourney play at 4:30 p. m. this afternoon.

Other games on today's program include Slaton vs. Tahoka boys, 5:45 p. m.; Post vs. Crosbyton girls, 7 p. m.; and Post vs. Crosbyton boys at 8:15 p. m.

The Friday tourney schedule will open at 1 p. m. with the Idalou and Roosevelt girls meeting in one of the other two first rounders, to be followed by

a clash between the Idalou and Roosevelt boys at 2:15 p. m.

At 3:30 Friday, the winner of the Post-Crosbyton game in the girls division will play Cooper in one semi-final and at 4:45 p. m. the Post-Crosbyton boys winner will play the Cooper boys in a semi-final in the boys division.

The Friday night schedule will see the loser of the Slaton-Tahoka boys game meeting the loser of the Idalou-Roosevelt boys game in the first consolation game, to be followed at 7:15 p. m. the loser of the Slaton-Tahoka and Idalou-Roosevelt games in the girls bracket in another consolation game.

Saturday action will get under way at 9 a. m. with the Post-Crosbyton girls loser play-

ing the loser of the Post-Crosbyton winner vs. Cooper game in the girls division.

At 10:15 a. m. it will be the same consolation game only in the boys division, to be followed at 11:30 a. m. with the other girls semi-final matching the Slaton-Tahoka and Idalou-Roosevelt winners. This one will be followed by exactly the same pairing in the boys division at 12:45 p. m.

Consolation girls' finals are scheduled at 4:30 p. m. Saturday to be followed by the boys' consolation finals at 5:45 p. m., with the girls' division title game set for 7 p. m. and the boys' championship game for 8:15 p. m.

Coach John Alexander is the tournament director.

## Lopes zap Tahoka, leading all way

The Post Antelopes didn't have the shooting touch of the Tahoka Bulldogs, but they had everything else in their favor here Friday night as they led from start to finish in knocking over the only other unbeaten team in the district SAA race.

The score was 57 to 51.

The Bulldogs stayed close all the way on their outside shooting, closing to within two points at halftime, 27 to 25, the closest they got all night.

The 'Lopes pulled away to an 11-point lead midway in the fourth as three of Tahoka's starters fouled out in rapid succession.

Tahoka's full-court press wasn't nearly as effective as the Bulldogs had hoped with the defensive alignments resulting in as many easy Post baskets as it did turnovers.

The Antelopes had four of their five starters in double figures which is the kind of scoring balance any coach wants.

Bryan Davis led the way with 18 points, Tony Conner and Kent Kirkpatrick had 12 each and Mike Shepherd added 11, including five straight final quarter free throws.

Post took a 14 to 10 first period lead, managed a 27 to 25 advantage at the half and was six points in front, 41 to 35, going into the fourth.

The 'Lopes managed only seven of 17 free throw efforts.

## Post JV boys win Jayton tourney Saturday 33-29

Randell Wyatt six, Kyle Duren four, and Dan Savyers and Roy Martinez two each.

Post thumped Crosbyton 48 to 33 in the first round Thursday and downed Roby Saturday in the semi-final 42 to 31.

Wyatt led the Post shooters in the Crosbyton game with 15 points and Dorland getting 10. Duren was high in the Roby victory with 13 and Dorland was next with 11.

## Frosh boys sock Cooper

Coach Lane Tannehill's freshman boys cagers walloped Cooper Monday night, 69 to 51, at Cooper to complete their first go-round in district play with a 3-2 record.

Post jumped into a 22-13 first period lead at Cooper, widened its margin to 55 to 27 at the half and coasted home with a 63 to 42 reading at the end of the third and substitutes getting lots of playing time.

Jim Hays led the Post shooters with 19 points, followed by Brad Shepherd with 13, Evans Heaton 10, Brad Davis six, Ronnie Braucher five, Randy Baker, Steve Shedd and Bruce Waldrip, four each, and Donnie Greathouse and Mark Williams, two each.

## JV teams play in Slaton meet

The Post JV girls and boys teams will be playing in their second straight weekend tournament this weekend when they compete in the eight-team JV cage tourney at Slaton.

The boys will play their first game against New Deal at 11:30 a. m. today and the girls will open against Roosevelt at 1 p. m. today.

The boys are in the same bracket with Roosevelt and Clovis and the girls in the same bracket with Abernathy and Tahoka.

The championship games will be Saturday night with the girls' tipoff at 7 and the boys at 8:30.

## Does thump Tahoka, 64 to 48 for third straight

After a slow start, Coach John Morrow's Post Does won their third in a row in District SAA play here last Friday night with a 64 to 48 triumph over Tahoka.

Joni Hays had her biggest scoring night of the season as she slipped an even dozen field goals through the nets for 24 points, half of them coming in the final period when Post tallied 26 points to put the game out of reach.

Mel King and Jenda Gilmore each had seven fielders but King also added nine out of 10 free throws for 23 points when Jenda managed only one out of four to total 15 points for the game.

Tahoka jumped out in front, 6 to 5, at the end of the first quarter, but the Does got

## 7th grade boys in consolation win at Idalou

Coach Don Black's seventh grade boys team won the consolation title in the seventh grade tournament at Idalou Saturday and then journeyed to Cooper Monday night for an easy 29 to 6 district win over Cooper.

The three victories in four games brought Post's record to five wins and six losses for the season after a slow start and a two-three in district play.

St. Joseph of Slaton defeated the Post team, 30 to 29 in the first round of the Idalou tournament Thursday and then went on to win the tourney championship, defeating Floy-dada in the finals.

Post bounced back Friday to defeat Slaton, 35 to 27 and then defeated Lockney Saturday, 36 to 24 for the consolation title.

"It's the best basketball we've played this year," Coach Black said of the team's Idalou tourney play. "We played real good defense, and moved the ball well setting up easy shots."

Scott Walker was the high point shooter for Post in all four games.

He tallied 23 in the loss to St. Joseph, 25 in the victory over Slaton, 23 in the win over Lockney, and 12 at Cooper Monday night.

## 7th grade gals lose 3 games

Post's seventh grade girls cagers dropped three weekend games, losing a pair in the seventh grade tournament at Idalou Thursday and Friday and then bowing in a close one, 22 to 20 to Cooper in district play here Monday night.

Post lost in the first round at Idalou to St. Joseph of Slaton, 51 to 26, with Carolyn Pringler scoring 11 points, Donna Baumann 10, Melissa Pantoja four and Susan Jackson one.

New Deal defeated the locals Friday 26 to 11 with Pringler scoring six, Baumann four, and Jackson one.

In the Cooper game, Pringler tallied 15 points, Baumann two and Jackson three.

## Lopes, Does win fourth straight

The Post Antelopes and Post Does, both undefeated in SAA play, rang up their fourth straight victories against district foes Tuesday night at Frenship, despite a few anxious moments in the fourth and third quarters respectively.

The 'Lopes, struggling to get the ball through the hoop, had about their poorest shooting night of the season as they hit only 25 per cent from the field in defeating Frenship's Tigers, 57 to 51.

Coach John Morrow's Does "let up at both ends of the court" in the third period and Frenship's girls closed to within five points of the Does before Post picked the tempo back up in the fourth period to maintain their advantage to the gun, winning 67 to 62.

Post's JV girls squeezed out a 36 to 34 victory in the prelim to make it a tripleheader sweep for Post.

In the Antelope triumph, the locals led throughout the game until midway in the final period when the Tigers spurred to take a four-point lead.

Tony Conner hit a fielder to cut the margin to two and then Guard Mike Shepherd stole the ball from Frenship and was fouled. He converted both frees to tie the game and the 'Lopes picked up and went on to pull away to their six point victory margin.

Not only was the shooting off, but Mike Waldrip got into foul trouble early and was out of the game via the foul route before halftime intermission. His replacement, Bob Craig, also fouled out in the fourth period.

Bryan Davis again led a four-pronged 'Lope scoring attack with all four players in double figures. Davis had 17 with Conner getting 14, Shepherd with 14 and Kent Kirkpatrick with 10.

Conner topped the club in the important rebound department with 14 followed by Davis with 13.

In the girls game, Mel King came up with one of her best scoring nights of the season as she collected 13 fielders and

nine charity throws in nine for 35 points.

Jenda Gilmore scored Karen Williams 14, and Hays eight.

Starting guards were Mitchell, Kim Mitchell and Hays.

The Does jumped into a 19 first period lead, increased their scoring output to 22 points in the second period and led to 24 at the halftime intermission.

When the two teams returned to the floor, Frenship grabbed the momentum, outshot the Does 22 to 12 in the third period and trimmed 10 points to Post's 15-point lead.

The Does got rolling again in the fourth, not exactly command of things but enough to shoot even with Frenship's 16 points each and maintain a five-point advantage to the gun.

In the JV girls game, the 'Lopes opened up with a strong first quarter to take a 14 1/2 lead only to see Frenship close the gap down to 18 to 12 at half.

Frenship outshot the locals to 7 in the third and 14 to 11 in the fourth, but Post hung on to the victory.

Amy Cowdrey came up with big 18-point night and Brenda Weaver, always a strong scorer, added 17. Donna Baumann got the only other 10 point with a fourth period goal.

### SOUTHLAND SCHOOL NEWS

**Little Girls Basketball**  
Libby McGehee and Linda Kiesel are coaching Southland area girls, ages 9-13, in the Texas Interscholastic Basketball League. Libby works with the offense, and Linda helps the defensive players.

The girls will participate in an area tournament later on. For additional information, contact either Libby or Linda.

### Basketball

The high school girls and boys lost both games at Ropes Jan. 7. The boys' score was 82-33. Larry Koslan made 16 points and Mark Bevers had 10.

The girls' final score was 66-26. Kelly Chaffin was high point with 15 tallies, and Joy Basinger scored 11.

The junior high girls and boys lost their games at Wilson Jan. 6. The boys' score was 53-26, and John Sertuche tossed in 10 points to be high scorer for Southland.

Katrina Chaffin and Camille Wheeler both scored eight points in the girls' game, which ended with a 43-22 score.

## Two semester under way

Everyone around PHS came again last week as we to the end of the semester.

Students became kinder to all faculty and everyone was with all their studies. The change in the attitudes of many students was amazing.

Schedules were carefully arranged by Coach Tannehill Mr. Hahn and everyone was to be quite satisfied. At the holiday everyone was refreshed and ready for a fresh new semester. Good to all of you hard working students!

## Mark Lemon is PHS visitor

Mark Lemon is one of its visitors this past week.

Mark Lemon, a 1974 graduate of Sweetwater High School and former student of PHS visited the Commercial Department day afternoon and also day afternoon. Mark is a minister in religion and was on his Christmas vacation until 26.

He will then return to Baptist College where he is classified as a freshman. He enjoyed visiting with him and we are looking forward to his visit from a fine young man.

The Veterans Administration operates 171 hospitals, all accredited by the Joint Commission on Accreditation of Hospitals, and more than 300 patient clinics.

# A Faith for the Future

By Gene Prevo

Faith points the direction in which we should move. Sometimes we walk only by faith and not by sight until faith gives us sight. In the thirteenth chapter of the book of Numbers in the Old Testament, the incident is recorded where Moses sent out 12 spies to spy out the Promised Land. Ten of them could see only the obstacles. Only two of them Caleb and Joshua, returned with a triumphant faith in God to believe that, "We are well able to overcome it." (Numbers 13:30). The ten faithless spies could only see the obstacles, but Caleb and Joshua looked above the obstacles to God and to God's promises. The people listened to the ten faithless spies, and they were required to wander in the wilderness for 40 years.

Faith teaches us the truth that God is greater than the obstacles we encounter in life. In military life, obstacle courses are encountered in Basic Training (or Boot Camp as the navy calls it) to condition the body physically. Obstacles in life are intended of the Lord to be used for conditioning exercise. And they should strengthen our faith in God.

God desires a persistent faith. A faith that lacks

persistence lacks vitality and depth. Some people begin in faith and then falter along the way because of some obstacle which causes them to stumble. They are like the children of Israel in their wilderness wanderings. The writer of the book of Hebrews warns us about this faltering. He says, "Take heed brethren, lest there be in any of you an evil heart of unbelief, in departing from the living God." (Hebrews 3:12). The word "unbelief" means "no faith." The Israelites did not "unbelieve" as to their redemption from Egyptian slavery. That was a proven experience. But they had "no faith" to believe that God could lead them into the land of Canaan—the Promised Land. By application, this means for people today that they have "no faith" to believe that God in Christ can lead into Christian growth and service.

The evidence of the genuineness of faith is love and compassion for others. True faith has a seal of its genuineness in its expression of love, concern, and action for others. God always honors faith wherever He sees it. He condemns unbelief.

How is it with us?

## PHS reporters link to public

Every year each class and organization elects an individual who is responsible for reporting activities to the citizens of Post. These people have a responsibility not only to their organizations but to the people of Post. They are the link between the school and the public. Their news ranges from the electing of officers and members to reporting upon the different activities undertaken by each organization and class.

To show you how proud we are of these students we are featuring the reporters at PHS for the 1974-75 school year in the accompanying photo.

You should be hearing more from each of these students as they report to you different happenings around PHS.

## Health classes taking physical fitness test

The health classes are now completing a physical fitness packet under direction of Coach Joe Giddens.

An activity within this packet is to take the AAHPER Youth Fitness Test. AAHPER is the American Association of Health, Physical Education and Recreation. "The AAHPER Youth Fitness Test is a battery of seven test items designed to provide a measure of physical fitness for both boys and girls in Grades 5-12. The tests were selected to evaluate specific aspects of physical status which, taken together, give an overall picture of the young person's general fitness. It is the only fitness test for which national norms have been determined.

The seven items are first, pull-ups for boys; flexed-arm hang for girls; second, sit-ups;

third, shuttle run; fourth, standing broad jump; fifth, 50-yard dash; sixth, softball throw (for distance); and last, the 600-yard run-walk.

All the classes seem to enjoy this test and are putting forth a lot of effort to do their best. Good luck to all of you!

## Who is reporter for Student Council?

The paper staff is faced with quite a mystery. Nobody seems to know who the reporter is for the Student Council. Any information leading to the capture and photograph of this mystery person would be greatly appreciated.

You simply have to give yourself up to Mrs. Fleming, Nan Hair, or Mary Ann Norman.

## Farmers going to have problems getting seed

LUBBOCK — A series of crippling factors during the 1974 cotton season have combined with a severely short crop yield to cast shadows over hopeful prospects for next year, according to an area economist with the Texas Agricultural Extension Service.

Marvin Sartin, area specialist here, says that cottonseed products and cotton planting seed definitely will be affected by the problems that befell the 1974 season.

"Farmers are becoming increasingly aware of the adverse effects of cool, wet weather this past fall," says Sartin. "Yield and quality of all crops deteriorated as a result."

"Cotton producers know these conditions dictate relative immaturity of the fiber, and probably expected lower than normal micronaire readings."

"Because the plants were not killed by a freeze until after the normal frost date, some of the late-set bolls matured enough to go into the stripper basket. The fiber in these late bolls was made during unseasonably cool and cloudy conditions, and were very low in micronaire. Mixing this immature cotton with the better quality that matured earlier in the year resulted in low micronaire classification," Sartin explains.

An additional problem for the cotton industry resulting from this situation is poor seed quality, he adds. Immature bolls caught in the stripper contained small, light seed which will not be fit for planting and not worth much for processing. The more mature bolls, especially those that have been open during much of the rain, may have seed that have deteriorated in ability to germinate.

"Combining these factors with the very small cotton crop on the plains this year means a definite reduction in cottonseed products and in cotton planting seed for 1975," the economist reports. "Additionally, the seed that is bagged could well be less than normal quality. Reduced supply and high prices for cottonseed products indicate rising planting seed prices for next year."

Sartin says that grain suffered less than cotton during the prolonged wet weather.

"Some milo shattered, and some sprouting in the head was reported. However, overall the grain crop withstood the situation."

Corn producers probably incurred the worst problems, he adds. Much of the corn fell that was not harvested before the wet conditions set in. Reports indicated this fallen corn was effectively picked up with combine attachments, and yield losses were held to a minimum.

"Most area seed producers did not harvest before the rains, and production of hybrid grain sorghum seed may suffer proportionally more than grain production," Sartin predicts. "Problems of seed swelling with the moisture, shrinking as they dry, and subsequently shattering were reported from certain areas. Reduced total production and probable lower quality in those seed produced will provide substance for price increases for grain sorghum seed. Also, some particular hybrids may be in fairly short supply."

He adds that although little seed is produced in this area, the adverse season in the corn belt will likely have about the same effect on the availability of corn seed. Producers can expect price increases and possibly less choice than usual.

"Potential repercussions of these problems for 1975 suggest that seed prices, along with most farm inputs, will be going up. Even more serious may be the shortage of particular varieties and the quality of the seed produced this year," the economist warns.

"A possible alternative for farmers is to obtain 1973 seed where possible. This seed was generally high quality, and insuring your supply of the preferred varieties or hybrids could be a very positive step for next year. Farmers who

## JV girls lose finals in double overtime

The Post JV girls team took runner-up honors in last week-end's Jayton JV tournament when Jayton girls defeated them in the Saturday night finals, 69 to 60 in double overtime.

The game was tied at 31 all at the end of regular play and at 57 all at the end of the first overtime period.

The Post girls defeated Crosbyton JVs 34 to 24

Thursday in the first round and Roby, 53 to 39 in the Saturday semi-final. Beenda Weaver was the high point shooter for Post in all three tournament games, scoring 33 points in the final against Jayton, 29 against Roby, and 20 against Crosbyton.

Other scorers in the Crosbyton game were Amy Cowdrey 12, Donna Ammons seven, Vickie Gannon three, and

led throughout. Melanie Holly two, Cowdrey got 14 against Roby, Ammons and Gannon, four each and Holly two.

Cowdrey tallied 12 against Jayton, Ammons seven, and Holly and Gannon four each.

Post trailed all the way through the final, being down by six, 44 to 38 going into the final quarter before pulling even.

# Dr. Surman recalls pioneer doctor's life

**EDITOR'S NOTE:** In clean-up Editor Charlie Didway's last weekend, we ran the following feature which was written by a Tech journalism student, Shultz, some years ago forwarded to The Dispatch one of the journalism editors there. The teacher's went at the end read:

"This is pretty good, Gary, but I don't get a physical picture of the doctor which in this type of writing is very important."  
Diagnosing by smell and beating heavily by instinct to beat out death in a fight for a patient's life, a vanishing breed of man — the pioneer doctor — helped those early settlers who tamed the South Plains of

Texas.  
Such a doctor was A. C. Surman of Post who "grabbed his pill bag and ran" to ease the suffering of folks from all the counties around, from the South Plains to the breakland to the south. He answered the call of the ill in this desolate area from the time he left medical school in 1913 until his retirement in

1964.  
"Folks didn't see a doctor all the time then," he said, recalling how "by the time they called me, they were hurting bad or scared." Carrying his remedies in his medical bags, he was ready for whatever was waiting at the end of the ride. Traveling often by starlight through shiny, sand-covered

creek bottoms and over hills in a "long-legged Model T," Dr. Surman battled fickle Texas weather and impossible roads to answer patients calls for everything from shootouts to childbirth.  
The extra precaution of carrying everything in his bags came in handy since one call usually wound up as a dozen.

Folks would see him ride by or hear the call on the "party line" and be ready to flag him down and get on his return-trip list or ride over and sidetrack him after he had treated his original patient.  
The young, gentle-eyed doctor's long trips weren't always all taken up with treating the ill. He always carried guns

along to bag what game was handy. On many occasions he arrived home with his "stripped down Ford half full of birds that were plentiful and always in season then."  
"A Lubbock insurance man often came by to take me to examine a new client on the spot, so we'd hunt all the way there and back."  
"Hunting wasn't limited to birds. Antelope were to be had just three miles from town for

the diligent hunter. We'd hunt from the car. We'd run them down like we did coyotes. Long as we had a good rifle, we could bag one. They ran in circles and we headed them off," he recalled.  
Game wasn't the only thing pot shots were aimed at from the doctor's car. One day he and his partner, Dr. A. R. Ponton, were driving down the street with a cowboy of rather wild reputation in the back of the car. This cowboy, who was carrying his rifle, spotted a fellow crossing the street ahead of the car and "cut loose at him with his Winchester."  
"The car was going along and I was in it. There wasn't anything I could do but hope the other fellow didn't get his gun and start shooting back," Dr. Surman said with a laugh.

Bullets did whiz by the car but no one was hurt.  
Shootings and knifings, mostly "kinfolk quarrels," were common and have persisted through the decades. Patching holes in people was a regular thing for the doctor but it by no means played a major role in his practice.  
Though he hasn't kept a record, he estimates he has delivered more than 2,000 South Plains residents over a 20-county area in his 51 years of practice.

"They didn't engage a doctor ahead of time then and there was no prenatal care. I just got a call, usually in the middle of the night, and the man would say, 'It's a woman, Doc.'"  
"Never would they say the word, baby, just that the woman was sick and I had to know or figure close that it was a baby because a woman usually didn't call for much else."  
Dr. Surman was called early to one birth where the patient cooked and served a big meal to him and a dozen other neighbors who had "come to help." She was well known for "setting a big table" and had not wanted to disappoint anyone expecting food. Her son was born near the end of the meal and the doctor was present only because he noticed she hadn't come around to offer second helpings for a few minutes and went in search of her!

Eating was a big thing to patients, who fed their doctor fried chicken when he came to treat them. After a family had summoned him, they'd put someone on lookout. As he would come into view, the lookout would dart into the house and then out the back door wringing a chicken's neck. By the time he had checked out the patient, the meal would be ready regardless of the time of day.

The Surmans "lived on chicken," getting chickens, ham, eggs and produce in payment for medical services — eggs for that sick cowboy, etc.  
As the cowboys he treated have hung up their spurs, the now gray-haired doctor has hung up his stethoscope. It hangs next to framed documents of honor and appreciation presented him by local and state medical associations. He is kept busy with some land he "likes to drive out and look at" as well as "the memories of a rich and rewarding life and lots of friends."

## POLICY: Food Once Placed on our Shelves

1. We will not increase the price of food once placed on our shelves for sale. When we are forced to increase a price, items on our shelves marked at the lower price will be sold at that lower price.
2. When we reduce a price, shelf stocks will be reduced and sold at the new lower price.
3. Weekly Specials will revert to the regular price after the sale has ended.
4. We are determined to help you Whip Inflation Now — so shop Piggly Wiggly and WIN.

### PAY BILLS To Enjoy Continued CREDIT

The credit bureau's message to the consumer is simple. Pay promptly. Spelling it out clearly — never let an account go past due without payment or immediate contact with the creditor.  
Never allow an account to become an item charged off to profit and loss. This means that the merchant has given up hopes of collecting and has changed your account from an asset to an expense item. The item is automatically recorded in the files of the credit bureau. There it cannot be changed or altered unless subsequent dealings with the same firm results in a better record.  
Never allow an account to be listed in the collection department of the credit bureau. Payments in full will result in better credit reports, but the item must remain on file for many years to come — perhaps for the rest of your life.  
Your credit record is a picture of your character and has been found to be an extremely accurate guide to your future actions, particularly pertaining to whether you will pay future contracts and debts.  
Keep your picture bright and shining and enjoy all the conveniences of the machine age. You can cut off the advantages of credit buying by disregarding or ignoring warnings of your merchant friends.

### Post gets first snow of season

Post and Garza County got its first snow of the season early Sunday morning, but it didn't last long. Most of it was melted and gone by Monday. The official measurement of the snow was a one inch fall. This is the second bit of moisture for January with .05 of an inch recorded in cold rain and sleet Jan. 2.

If Post isn't the best lit town anywhere within two weeks it won't be the fault of the local band youngsters who have swarmed the community to sell bulb packages this week to raise money for a spring band trip.

—O—  
The only suggestion we'd have to make on the project, if they repeat it, is to provide with each package of light bulbs, a little easy-to-read button for shirt or dress of the buyer which reads: "I've bought my bulbs, bub!" to help ward off other eager sellers.

### Com. Court —

(Continued From Page One) close at 7 p. m., as determined by the court.

Salaries for election clerks and judges will be \$2 hourly for clerks and \$3.10 hourly for judges with maximum amount of \$30 per day for clerks and judges of all elections with presiding judge receiving \$5 allowance for delivering election returns same day as the election.

In other actions, the court: Authorized County Judge Giles Dalby to notify the city by letter that the county would participate in the demolition of the Ameen Hotel, bearing their pro-rata share of the cost with the city and school district.

Appointed Mrs. Nell Lemon and Mrs. Lucille Bush members of the Garza County Child Welfare board. Outgoing members are Mrs. Tommie Williams and Lewis Ammons.

—O—  
Made the required inspection of the county jail and made recommendations to the sheriff for painting, repair of fixtures and grills and maintenance, as required by law.

Adopted the following 1975 federal revenue sharing budget: \$8,250; for each of the four precinct road and bridge funds, \$10,000 for public safety, \$3,654 for the treasurer's commission, \$3,000 for the community-youth center, \$2,250 for the Post Special School and summer recreation program, and \$21,188 for general, making a total of \$73,092.

Followed the recommendations to make the following appointments to the Garza County Historical Survey Committee: Mrs. Gwendolyn Boren, chairman; Ted Aten, co-chairman; Lottie Shelton, secretary; J. B. Potts, treasurer; Vada McCampbell, historian; and George Samson, marker chairman; and the following as

### 'Resusci-Anne' now ordered

The Garza County chapter of the American Heart Association has finally raised enough in donations to purchase a life-size training manikin, called "Resusci-Anne."

The First National Bank put the drive over the top at year's end with a \$250 contribution toward the \$800 plus goal.

Mrs. Ann Tubbs announced completion of the funding for "Resusci-Anne" at the chapter's meeting Tuesday night at the Medical Center.

The manikin has been ordered.

Attending the chapter meeting were Bob Rooker and Mary Johnson from Lubbock, Yvonne Lewis, Henry Wheatley, Madge Webb, Charles and Ann Tubbs, Paula Cawthon, Yearl McBride, Molly Conroy, Kathi Rankin and Elaine Gindorf.

### Burglar loss is mostly damage

Harmon's Hamburger Hut at 312 North Broadway was broken into sometime Friday night with the burglar or burglars getting an estimated \$25 to \$30 from the Coke and pinball machines and doing an estimated \$300 worth of damage, most of it to a pool table.

Entrance was gained by cutting out the walk-up window to the drive-in portion of the business, operated by Mrs. Edwards.

Voted to advertise for bids for a bank depository and for gasoline bids for county usage.

### Lots of cotton acreage to be planted to milo

COLLEGE STATION — Texas farmers are breaking with traditional cropping patterns as they prepare for a new crop year.

"Cropland use is shifting to reflect relative profit potentials," says Charles Baker, economist for the Texas Agricultural Extension Service. "A considerable amount of cotton acreage will be planted to sorghum due to the depressed cotton market and better sorghum prices. Plantings of wheat, sunflowers, flax and several other crops are also expected to be up due to reduced acreages of cotton, oats and hay crops."

According to Baker, sorghum acreage this spring is expected to be up 12 per cent over 1974 plantings. However, cotton acreage should drop 7 per cent below 1974 plantings. Furthermore, this will be about 20 per cent below the potential for the

1975 cotton crop. The 1975 wheat crop seeded last fall boasts an acreage increase of 16 per cent over the 1974 crop.

"Total crop production should be up considerably in Texas this year as planted acreage should exceed 27.1 million acres," points out Baker. "This is up almost 4 million acres from 1972."

"Of the 7.5 million acres in
