Garza United Fund drive zooms over \$11,000 mark

Difficult year--best

United Fund workers and donors responded so well to the call to try harder this year that the 1975 Garza County United Fund drive has not only topped its \$10,000 goal, but has soared above \$11,000.

Drive Chairman Jim Cornish announced an \$11,043 total today in his final drive report and said possibly another \$150 can be expected.

"This was a remarkable achievement by the men and women of this community working together and giving together for a common cause," Cornish declared.

It was the sixth straight year the United Fund has reached its campaign goal.

But the 1975 campaign, expected to be the toughest in a decade because of some adverse local economic conditions, outdid all the others in topping 110 per cent of its goal.

Cornish said he will ask Dr. Charles Tubbs, United Fund organization president, to convene directors to consider appropriate community uses for the surplus.

"Everybody gave this money to be used and we should use it," Cornish declared.

Several campaign divisions reported gains from last year and the two divisions expected to suffer substantial losses — Postex Mill Employees and the Farm and Ranch Division — didn't.

Postex employees were down only from \$1,324.75 last year to \$1,138.50 this year despite week-a-month layoffs this fall due to soft sales conditions.

The farm and ranch division actually reported a \$26.25 gain from \$1,068.75 last year to \$1,092.50 this year despite a virtually non-existent cotton crop and a range full of "worthless calves."

To offset expected losses, all business firms were asked for their first increases in a number of years this year and approximately one third of them responded by hiking their contributions.

The business division contributed \$6,838.50 this year, an increase of \$1,075.50 or slightly less than 20 per cent over the \$5,763.00 it raised for the fund a year ago.

Other division totals for the 1975 drive with last year's total shown in parenthesis are:

Downtown employees \$120 (\$86); Teachers \$505 (\$460); Private Citizens \$467.50 (\$386); county employees \$134 (\$263.50); hospital employees \$111 (\$136.50); George R. Brown employees \$115 (\$91); ASCS and SCS employees \$65 (\$78); bank employees \$250 (\$172.50); clubs \$5 (\$20); state highway employees \$50 (\$37); postal employees \$41 (\$35); ministers \$50 (\$105); and city employees \$12 (\$27).

Cornish said he wished to thank all his division drive chairmen, their workers, and all United Fund contributors for their tremendous effort.

He called it simply "a great community job."

Check boosts 'Anne' fund

The \$250 contribution of Burlington Industries Foundation this week has raised total contributions to date to \$432 to apply toward the purchase of a Resusci-Anne for the Garza chapter of the American Heart Association.

About \$800 will be needed to purchase the training manikin which will be used to train local persons in cardio-pulmonary resuscitation.

Other contributors to date have included six individual donors, the Women's Division of

the Post Chamber of Commerce, and the Needlecraft Club. The Garza County United Fund has voted an additional \$200 from its emergency fund toward the purchase.

The Resusci-Anne enables persons being trained to apply proper techniques and it even includes a battery-powered recorder with a feedback tape to show how much pressure is being applied by the person practicing on the dummy.

Trustees okay assignment of new principals

Post school trustees had one of their shortest monthly sessions on record Monday night, barely missing the kickoff of the Monday night football game.

Trustees accepted the resignation of James Pollard as high school principal and accepted the reassignment of Billy Hahn from junior high principal to high school principal, and Lee Davis Jr. from junior high teacher to junior high principal.

Mrs. Kathi Rankin was employed to replace Davis as the junior high social science teacher.

Hahn is under a two-year contract as a principal, but Davis was advanced to his administrative post at a salary \$2,000 above state authorized salary for junior high principal. His contract will be reviewed next year.

Trustees also approved the investment of over \$600,000 of idle school funds for short periods.

Trustees closed the short meeting by naming the school district's textbook committee of which Supt. Shiver will be chairman.

Other members are Mrs. Lucille McBride, Mrs. Lea Mock, Miss Dianne Lewallen, Mrs. Laverne Murphy, Georgie (See Trustees Okay, Page 10)

Richardson's rites Tuesday

Funeral services for Mrs. Willie Jewel Richardson of Post were conducted at 2 p. m. Tuesday in the First Baptist Church here. Mrs. Richardson, who was 84, died at 12:45 p. m. Sunday in the Brownfield General Hospital following a six weeks illness.

Mrs. Richardson was a member of the First Baptist Church of Post.

Survivors include one daughter, Mrs. Preston Mathis of Post, her three sons, Floy and Bill Richardson, both of Post; and L. J. Richardson Jr., of Brownfield; 12 grandchildren; and 10 great-grandchildren.

One of her two daughters, Mrs. Evelyn McCrary preceded her in death in September, 1961.

The Rev. Glenn Reece, pastor, and the Rev. Pat Cummins, pastor of Brownfield's First Baptist Church, officiated at the funeral service.

Palbearers were Harold Cass, Dale Stone, L. G. Thuest Jr., Glen Mathis, Pat Blacklock, Harold Jordan, Carl Hoguc and W. H. Kinley. Burial was in Terrace Cemetery under direction of the Hudman Funeral Home.

Suit filed over property sold for tax delinquency

A suit has been filed in Garza district court here to set aside judgement and deed of a piece of property in Lincoln Addition taken over by the local units of government at a sheriff's sale of tax delinquent property in 1972 and then sold to Mr. and Mrs. Robert Greathouse.

The suit names as defendants, not only Mr. and Mrs. Greathouse, but the Post Independent School District, the White River Municipal Water District, the City of Post and Garza County.

It was filed by Mr. and Mrs. Alberto R. Pantoja and Danil Pantoja of Potter County, Tex., and Adelita Emperial, a resident of Galesburg, Ill.

The suit contends that the plaintiffs were never made parties to a tax delinquent suit on the property filed by Pat N. Walker on Dec. 30, 1970 and that no effort was made by the attorney employed by the taxing units to determine the rights of the plaintiffs in the

property. The suit also alleges that the deed, dated Dec. 1, 1972, purporting to convey the property to the Greathouses "did not expressly state that the same was subject to the right of redemption in favor of the owners thereof as required by Article 7345b of the Revised Civil Statutes of Texas as amended." (The property was sold for \$167.35 to the Greathouses.)

The suit further contends prior to the sale of the property to the Greathouses all delinquent taxes on the property had been paid.

The suit asks the court to declare the sale of the property void and return it to the plaintiffs and that the plaintiffs have judgement for the costs of the legal action and "for such other and further relief as they may be entitled to either at law or in equity."

Carl Webb, local attorney, is the attorney for the plaintiffs.

Christmas concert of Post bands Sunday

The annual Christmas concert of the four Post bands is scheduled for 2 p. m. Sunday in the high school gym. Band Director Scott Houston has announced.

Some 250 members of the fifth grade band, the sixth grade band, the junior high band and the high school band will perform.

Admission is \$1 for adults and 50 cents for students with the money raised being used for the band's spring trip. Tickets may be obtained either from a band member or at the door.

\$85,000 suit in Didway death

An \$85,000 damage suit has been filed in the U. S. District Court in Lubbock against Southwestern Newspapers Corp. as the result of the recent death of Dispatch Editor Charles L. Didway.

The suit was filed by Mrs. Zula Didway, widow of the local newspaper man, seeking payment of hospital and doctor bills, other expenses and for the loss of her husband's earning capacity.

The Southwestern Newspaper Corporation is the firm which owns and operates the Lubbock Avalanche-Journal.

The suit contends that Editor Didway slipped on a puddle of printer's ink or grease in the A-J's pressroom July 29, suffering injuries to his back, legs, pelvis and hips which led to his death.

Moore heads Post Stampede

Officers and directors were elected when the Post Stampede stockholders met for an annual stockholders meeting Dec. 4 in the Community Room at 7:30 p. m.

Jimmy Moore was re-elected as president. Other officers named were Johnny Kemp, vice president; Tommy Young, secretary-treasurer; James Dye, manager; and Pee Wee Johnson, arena director.

Seven directors were also named who include Jay Hart, Royce Hart, David Nichols, Dwayne Gannon, Ronald Simpson, Cliff Grigsby and Robert Harris.

Post commemorative coins to be ordered

The Post Chamber of Commerce "coin committee" has approved plans for a set of four Post commemorative coins.

The committee met last Thursday at Gene's Coffee Shop and decided to undertake the project.

The Dispatch understands a four-coin set was to be authorized Dec. 11 at the Chamber of Commerce board meeting with Don Crocker to meet with the directors and

There was no spark, or in a flash it could have been a raging inferno.

As it was oil sprayed all over the dump grounds and a crew of eight Amco Petroleum workers from the pipeline and two city employes, including City Manager Pete Maddox, worked until 3 a. m. Sunday cleaning up the mess.

Three truckloads of oil about 180 barrels, were picked up during the cleanup operations.

Santa, big gift give-away, market 'run' due Saturday

This is going to be the biggest Saturday of all in Post's downtown Christmas promotions.

Featured will be the first seasonal visit of Santa Claus at 2:30 p. m., the Merchants Gift Drawing at 4 p. m., and a "five minute run" through United Super Market by some lucky shopper shortly after 2 p. m.

Santa will be downtown for a few afternoon hours and has telephoned ahead to the Chamber of Commerce saying he wants to see all his little friends and he will have some goodies for them.

The merchants gift drawing at 4 will feature the giving away of 40 gifts from local merchants worth several hundreds of dollars.

To participate in the no obligation drawing for any particular store's gift, the shopper must sign up in that particular store prior to Saturday afternoon's drawing and must be present to win if his or her name is drawn.

Christmas story will be sung

"The Story of Christmas" a cantata by John W. Peterson will be presented in the Presbyterian Church Sunday, Dec. 15 at 7:30 p. m. with Patty Kirkpatrick as director.

Members of different church choirs make up the choir with Kent Kirkpatrick as narrator, Tiana Shiver, pianist, Boo Olson organist.

The choir will include members Louella Bilberry, Mattie Collier, Janie Davis, Louise Dietrich, Patsy McCowen, Inez Norris, Ida Mae Wilks, Barbara Babb, Zoe Kirkpatrick, Delores Redman, Nan Bilberry, Jeannie Hunsaker, Debbie Sneed, Marc Hays, Jo Ann Kocurek, Sue Metzger, Maury Shiver, Carl Cederholm, Harold Lucas, Kenneth Metzger, Charlene Nelson and Glenn Voss.

The public is cordially invited to attend the program.

City Council, police to talk over problems

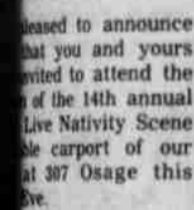

Police Chief Jim Trulove said he didn't know he was to have prepared such a report but he would work it up and have it ready before next Monday night.

Trulove had three of the other four officers on the force with him, the fifth being at law enforcement school.

In other actions Monday night, the council:

Voted on first reading to employ the tax evaluation firm of Pritchard and Abbott for 1975 at the same rate of four cents per \$100 valuation as the firm did the oil, industrial and utility valuations for the city this past year.

Everybody likes revenue sharing

Probably the best domestic program to come from the Nixon years which preceded Watergate is federal revenue sharing.

Now into its third year of a five-year initial run, federal revenue sharing is a simple way to return federal income tax funding to cities, towns, counties and states.

The local units of government virtually can use the money as they see fit.

How successful has federal revenue sharing been?

Well, have you heard any politician complaining about it lately? No sir, nary a peep.

Every local unit of government we know about is solidly for federal revenue sharing. In fact, they are ready right now to organize a movement to guarantee its extension, two years before it is due to expire.

So one point has been proven. New federal bureaucracies do not have to be set up to administer spending at local levels of government and a long list of restrictions do not have to be written in an effort to insure that our tax money will be "wisely used" when mailed back home.

It is true that voters exercise more control over local units of government than they do over mushrooming state and federal bureaucracies.

So it also must be true that if federal revenue sharing funds are not properly and wisely spent, it is simply the people's fault in letting local units of government get away with anything.

If Sam wiped out federal revenue sharing tomorrow, the depression would hit the municipal and county levels of government across the land, or as a bad alternative property taxes would jump like everything else.

Most folks don't realize that Washington has been pouring billions of dollars annually into dozens and dozens of various aid programs ever since Johnson's "Great Society" era through almost "a shadow government" which exists outside of normal government channels.

We have watched some of it through the Garza County Community Action Committee. But most of this goes to the larger cities — not to the small towns.

Federal revenue sharing is a simple, straight-line method, as your accountant would say, of putting federal funds to use at local levels of government.

Revenue sharing has been a boon to Post and Garza County. Both units of government have benefitted greatly. Both have high hopes of more of the same to come.

If you do not like the way revenue sharing money is being spent here, it is pretty easy to put the pressure on city council or commissioners court. Their expenditures must be printed in The Dispatch at regular time periods to keep you informed.

The Dispatch likes revenue sharing. We think everybody does. Let's keep this simple program and extend it. Let's support it. It works. — JC

United support gratifying

To most folks in Post's and Garza County's economy this has truly been a year of trouble.

The Postex Plant has been forced to shut down a week each month through the fall due to slack sale orders in the sheeting industry. A spring drought simply "rubbed out" the county's 1974 cotton crop. Thousands of head of cattle on Garza ranges all of a sudden became a losing proposition for our ranchers.

Only Garza's "oil patches" have prospered in 1974.

Still and all when Garza County's annual United Fund drive rolled around last month, the same amount of money was needed to keep the participating agencies going. Here was a community financial duty which for years had been successfully handled under the United Fund's "one drive method" umbrella.

Drive planners had to be apprehensive.

They took the home front economic outlook into consideration and called for folks to do their best, and for those business firms that

could to give a little more this year to make up for those who couldn't.

What happened? Everybody responded so well to this plea that the United Fund has gone right over its \$10,000 goal for the sixth straight year. But what's more the goal was topped by a thousand dollars or so, more than the drive had raised in any year in a decade.

The Dispatch thinks the community amply demonstrated its compassion with the success of the drive.

We know United Fund directors will hold the surplus funds for good, deserving causes during 1975. We feel sure that a very good use will be made of them and perhaps a "special campaign" next year saved from being necessary.

It is good to live in a community where folks want to do their share, and where so many who can give more to make up for neighbors who can't. — JC

The real law enforcement problems

With the police force and the city council planning to sit down together Monday night and hash over "the problems" and with the county commissioners court and the sheriff invited to sit in on the discussion, it would appear to the casual observer that Post is back where it was years ago with a "law enforcement problem."

Well, in this newspaper's opinion, this is not exactly the case.

Post had made an admirable start on the establishment of a professional police department. What should make it work this time is governmental requirements for police training of those entering the field. A new breed of young professionals already is beginning to emerge.

Right now it appears the important thing

needed is clear channels of communications between council and officers so both thoroughly understand each other.

Councilmen should go into Monday night's session with the realization that what is really uppermost in the minds of their young police officers is that they have council backing and support.

We'd be surprised if all members of the police and sheriff's departments could work side by side month by month and year by year without a personality flareup somewhere along the line once in a while. These are human and should not be magnified.

The main thing in helping the two law enforcement arms to operate smoothly together over the long run is that neither interferes with the internal affairs of the other. — JC

A LEADER LOST

Dear Editor: Our community lost a distinguished citizen and a leader in Charles Didway. It will be impossible to fill his shoes, but no one really fills another person's shoes. God has given each one of us talents and abilities, and we should seek to fill our own shoes and not those of someone else. It will be extremely difficult to replace him as the Editor of the Dispatch.

Someone has said there are four classes of people according to knowledge. First, there are those who don't know. Secondly, there are those who don't know and don't know that they don't know. Thirdly, there are those who know, and fourthly, there are those who know and know that they know. This pastor is persuaded that Editor Didway was one of the latter, yet, there was no pride and boasting about him. He possessed a sweet and humble spirit. He will be missed in our community.

Sincerely yours,

The 1974 circulation of the Post Public Library — books checked out by patrons — totaled 11,137 for the first 11 months and left the library well ahead of record 1973 but likely to fall short of the 12,000 mark.

With all the Christmas activities, December is not one of the library's "big months."

Librarian Pee Wee Pierce in her monthly library report over the weekend reported 805 books checked out in November, 646 of them adult books and only 159 juvenile.

Only five books were library shivers during month bringing the acquisition to 500 books. Overdue book fines totaled \$11.50 for the month bringing the fine total to \$108.10.

WHEN IS AN INSURANCE BARGAIN NOT A BARGAIN?

Dear Policy Holder:
We regret to inform you.

A lot of irate policy holders can't say that one: They've discovered that a tag too often is followed by a first cancellation.

The reason? Some companies, frankly, lack the "know-how" to write properly and casualty coverage at a rate that is realistic for the client themselves. Or they lack the strength to sustain their coverage through good times and bad.

Bad times like 1971, when Los Angeles was shaken by an earthquake. Or 1972, when Hurricane Agnes swept across the southern U. S.

Both times the market dried up. And now, it's 1974. The recent years are forcing many companies to revise their underwriting. But we maintain our rates and our willingness to write business. Unchanged. With reasonable and competitive premiums.

That's why more and more people are placing their property and casualty coverages with us. They know we'll be here tomorrow. And we'll be here tomorrow, no matter which way the wind blows.

Card Of Thanks

The recent breavement which has visited our home has brought to us a greater appreciation of our friends. Such kindnesses and neighborly thoughtfulness can never be forgotten. For the food, cards, visits and flowers. We say a special thanks.
The Family of Eddie Gonzales

The family of John Alfred Stallings wishes to thank all our friends in Post for the kindnesses shown during our time of sorrow. We appreciate the visits, food, and flowers, but most of all the genuine love and concern expressed in the loss of our father.
Aileen and James Stallings and family
Kathryn and Royce Durham

To all of you dear friends in Post and surrounding communities, we want to send our love and deepest appreciation for the many expressions of sympathy you have extended to us since the loss of our husband and father, Charlie Didway. We especially want to thank Jim Cornish for his unflinching support during this difficult time.

Christmas program to be Sunday night

The First Christian Church will have its annual Christmas program at 6 p. m. Sunday Mrs. Curtis Hudman and Mrs. Jack Alexander are in charge of the arrangements.
The sermon topic for the 11 a. m. Sunday worship as announced by the Rev. Edgar L. Fox is "The Other Side of This Christmas."

Holiday food outlook is mixed for prices

COLLEGE STATION—Lower turkey prices and higher vegetable prices than last year is the Christmas-menu forecast, one observer said this week.
She's Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service.
"Vegetable prices will be higher for the rest of the year because acreage is off eight per cent."
"Also, some higher retail prices on vegetables are the result of wider price margins," the specialist explained.
Best vegetable choices for the holidays are sweet potatoes, broccoli, dry onions, potatoes, cabbage and carrots, Mrs. Clyatt said.
Also, cauliflower, rutabagas and hard shell squash. "On the other hand, dry beans, dry peas and rice are abundant and economical, so they could serve as nutritious holiday budget stretchers," the specialist added.
Holiday fruits now in season include cranberries, grapefruit, oranges, tangerines, tangelos, bananas, pears and grapes.
"Avocados are more abundant this year after several years of short supply, and all the new-crop nuts are available. This is also persimmon and pomegranate season," Mrs. Clyatt noted.
Since peanuts are also

plentiful, prices on peanut butter may decline, she predicted.
At meat counters, turkeys will sell for considerably less than they did last year, the specialist said.
"Beef supplies are plentiful, and pork supplies are adequate," she added.
"Beef production is moderately higher than last year with record supplies now coming to market. Grass fed beef accounts for most of the increase," Mrs. Clyatt pointed out.
Features on chuck cuts, ground meat and liver scattered with steak and sirloin.
Best pork variety but roasts, chops and loins.
"Ham is being stockpiled days, but lower in the price," the specialist said.

Amity club to sponsor ad

The Amity Study Club met Dec. 3 in the Women's Club House for a regular meeting at 7:30 p. m.

Mrs. Tom Middleton, president, presided over the business meeting.

Members voted to sponsor the annual club Christmas ad and are requested to have names in by the next meeting.

Mrs. Henry Wheatley and Mrs. Ed Sawyers presented the guest speakers, Grayling Johnson, Sammy Gutierrez and Pam Carpenter, who presented the program, "Ethnic Culture" and "What Americanism Means to Me."

Hostesses Mrs. Thomas Price and Mrs. Jerry Linn served refreshments to members.

Mrs. Charles Adams, Ronald Babb, Malcolm Bull, Wayne Carpenter, Bob Collier, Lee Davis Jr., C. H. Hartel, John Hurston, George Nelson, Tom Middleton, George Miller, Lonnie Peel, V. L. Peel, Bill Pool, Ed Sawyers, Russell Wilks Jr., Ed Bruton, and Charles McCook.

Sorority has Christmas party

Mr. and Mrs. Tommy Young were hosts to ten couples when the Gamma Mu sorority held its annual Christmas party Dec. 7 in their home.

Laveta Norman and Kathy Fluitt led the group in games and Mrs. Fluitt played several selections on the piano.

Following the games each guest had a gag gift under the tree.

A menu of ham, smoked turkey, and trimmings was served to Mr. and Mrs. Jerry Bush, Mr. and Mrs. Noel White, Mr. and Mrs. Gerald Norman, Mr. and Mrs. Jim Norman, Mr. and Mrs. Jody Mason, Mr. and Mrs. Lewis Mason, Mr. and Mrs. Morris Tyler, Mr. and Mrs. Delwin Fluitt and Mr. and Mrs. Jimmy Mitchell and hosts.

Being left-handed is really not so bad.

Lynette sent me an article that she had cut out of the Sunday A. J. last week which contained some interesting statistics about left-handers. One of the mysteries of the subject is why left-handed boys outnumber left-handed girls about two to one. As Lynette says, "Looks like even in a minority group, females are the minority — RATS! Oh, well, at least we are unique!"

The part of the article that I liked, though, read: "A generation ago it was estimated that 6 per cent of the population in the United States was left-handed. Today educators and psychologists believe that 11 per cent is now the correct figure. Thus, there are about 24,000,000 left-handed Americans."

We're growing! Someday we're going to take over the world and you'd better remember that and be nice to us now.

Sue Maxey hostess for Thursday Club

Mrs. Sue Maxey was hostess to the Graham Thursday Club when it held its Christmas party Dec. 5 in her home.

Gifts were exchanged with secret pals and their names revealed.

Refreshments were served to members Meses, Ada Oden, Iris McMahon, Myrtle Hoover, Viva Davis, Pearl Wallace, Loucille Morris, and one guest, Linda Malouf.

The club adjourned to meet Jan. 16.

Focus on Home Economics

FAVORABLE — FADING OR RECEIVING

A current ad is discussion of the decline in family life, the irrelevance of families and the purpose of a family unit.

In view of this fad, a few minutes spent reflecting on what the word "family" means — and what a family is for — seems relevant.

A family has many purposes. One primary purpose — recognized by almost everyone — is to serve as the carrier of heritage and culture. Everyone needs a sense of belonging and a "sense of place," often difficult to achieve in a highly mobile society.

Another purpose involves physical security and protection usually given each member of a family unit.

This applies to all family units — whether the central core of husband and wife, or a larger unit including children, in-laws, grandparents and cousins.

A family is the place where adults and children can be given full opportunities for emotional, intellectual and social development.

These opportunities need to be unconditional. That means love and emotional support given freely by family members — not preceded by "if or because."

Related to this is the family responsibility of developing in its members the character traits it sees as socially desirable.

Those traits may be different for each family unit. Families can help younger members identify and prepare for adult roles they will assume in the future.

On the other hand, the family can help adults understand and adjust to new or changing roles that each individual faces constantly in contemporary society.

The family unit may be termed a possible "buffer" between the individual and society, helping members develop social relationships with the outside community.

This family function is important because of increased feelings of alienation and helplessness among people.

In this way, "family" can be interpreted to mean persons who care for one another physically, intellectually, socially and emotionally.

This definition holds for the immediate family — and the larger, universal family of man.

Presbyterian women in party

The annual Christmas meeting of the United Presbyterian Women met Tuesday, Dec. 10 at 2 p. m. in the home of Mrs. Giles McCrary.

Mrs. Giles Dalby, president, presented the program, "Let's Keep Christmas" by Peter Marshall.

Mrs. Giles McCrary read a letter stating that Mrs. Giles Dalby had been selected as an honorary member of the program agency of the United Presbyterian Church in the United States. Mrs. McCrary presented Mrs. Dalby with a certificate and pin.

Missionary friends were revealed and gifts were exchanged.

Members present were Meses, Bob Arheiger, Burney Francis, Walter Boren, Lois Williams, M. J. Malouf, Giles Dalby, Mike Mitchell, Jim Prather, Earl Chapman, Bob Macy, Giles McCrary, David Newby, Charles Adams, Henry White, and Rev. White and guest, Mary Belle Macy.

Visiting Sister Mr. and Mrs. Jim Skiles and family of San Angelo were in Post over the weekend visiting her sister, Mrs. Billy Williams and family.

Potluck supper out at Close City

The Close City Community Center meeting will be Saturday night at 7 p. m. with a potluck supper, and games.

Members are reminded to bring goodies for Christmas bags for shutins.

The public is invited.

Sherri Riedel has open house event

Approximately 40 people attended an open house given by Sherri Riedel from 8:30 a. m. to 7 p. m. Dec. 5.

Homemade Christmas cookies, cakes, coffee and punch were served.

Liz Gannon won the door prize and Nita Terry the gift certificate.

Chapter will decorate tree

The Gamma Mu Chapter of Epsilon Sigma Alpha met recently for a regular meeting in the Reddy Room to prepare socks for Twin Cedars Nursing Home.

Plans to decorate a tree for the home to be Dec. 13 were also made.

Discussion of the annual Christmas party was held with the hostess to be Ruth Ann Young.

Refreshments were served to members Brenda Stelzer, Jane Mason, Bonnie Tyler, Laveta Norman, Judy Bush, Cindy Mitchell, Ruth Ann Young and hostess Carolyn Norman.

Invitation Extended

The children of Mr. and Mrs. H. F. Wheatley would like for you, the friends and relatives of their parents to come and join them in the happy occasion of their 60th wedding anniversary to be held Sunday, Dec. 15, 1974, in the Community Room of the First National Bank of Post, Texas, from 3 to 5 p.m. No gifts, Please.

Later chapters of the Book of Judges have an account of a ferocious battle between the Israelites and the Benjamites. The latter tribe assembled an army of 26,000 men. Among them were 700 chosen men, left-handed. Each one could sling stones at a hair's breadth and not miss.

In the first two days of battle the Benjamites were winning. Then the Lord interceded for the Israelites and each of the Benjamites who drew a sword was slain. But the left handers, the slingshot warriors, were spared. Way to go, God!

Being left-handed is really not so bad.

Lynette sent me an article that she had cut out of the Sunday A. J. last week which contained some interesting statistics about left-handers. One of the mysteries of the subject is why left-handed boys outnumber left-handed girls about two to one. As Lynette says, "Looks like even in a minority group, females are the minority — RATS! Oh, well, at least we are unique!"

The part of the article that I liked, though, read: "A generation ago it was estimated that 6 per cent of the population in the United States was left-handed. Today educators and psychologists believe that 11 per cent is now the correct figure. Thus, there are about 24,000,000 left-handed Americans."

We're growing! Someday we're going to take over the world and you'd better remember that and be nice to us now.

CYF holds its holiday party

Approximately 30 young people and sponsors enjoyed an evening of fun and games during the annual Christmas party of the Christian Youth Fellowship held Saturday night in fellowship hall of the First Christian Church.

The program was under the direction of Pete Maddox and Mr. and Mrs. James Pollard, youth sponsors. Other adults attending were Mrs. Willard Kirkpatrick and the Rev. Edgar L. Fox.

A highlight of the evening was a Christmas supper with special Christmas cookies. The room was decorated with the traditional Christmas colors of red, green and white.

7 'Lopes named to all-district squad

The Post Antelopes, who missed the 5AA district football crown "by only a foot" when they failed on a two-point conversion try at Denver City in the final minute of play, placed eight players on the all-district team selected by coaches at Slaton Dec. 4.

Coach Bobby Davis' fine club placed five on the 15-player offensive platoon but only three on the 15-player defensive platoon despite the finest defensive record in the league.

Grayling Johnson, named the previous week to the South Plains Class AA all-star team, was the only district player chosen on both platoons and was one of only three unanimous selections.

'Lopes and Does in two more tourneys

It's going to be a busy week for both the Post Antelopes and Post Does on the cage front.

The Post Does will journey to Greenwood, a Class B school, 11 miles east of Midland, for an eight-team girls tourney.

The locals will open at 4:20 p. m. Thursday in a first rounder with Alpine. If they win, they will play the Ira-Stanton winner at 4:20 p. m. Friday, and if they lose will meet the loser of Ira vs. Stanton at 11 a. m. Friday.

Both will be playing in pre-holiday tournaments again this week, starting today, and then Tuesday will resume their regular schedule with a road trip together to Idalou with the varsity B girls playing the opener of that tripleheader.

Other teams in the tourney are Greenwood, Grady, Borden County and Reagan County.

Antelopes placed on the offensive platoon, besides Johnson were Dennis McDonald, 150-pound senior, who tied with Rodney Jackson of Roosevelt and Bill McCleskey of Slaton for the second running back position.

Freshman boys whip Frenship

The Post freshman boys team defeated Frenship here Monday night, 32 to 42 with scoring well spread among six players.

'Lopes are 7th at Plainview tourney

Coach Alexander couldn't believe it when his Post Antelopes were presented with a trophy for winning seventh place in the eight-team Plainview boys cage tournament Saturday.

Pairings for AA semi-finals

The Class AA semi-finals of the Texas high school football playoffs will match Spearman vs. Bowie at 7:30 p. m. Friday at Pampa, and Newton vs. LaGrange at 2 p. m. Saturday at Conroe.

Leaves for Germany

Roger Dale Hood, grandson of Mr. and Mrs. Chester Keeton left Post Nov. 29 for a year of duty with the United States Army in Germany.

The 'Lopes will participate in the Floydada tournament and have drawn the host Whirlwinds for the feature first rounder at 8:30 p. m. tonight.

Post freshmen boys bow to Slaton

Only honorable mention for the Antelopes went to Joe Moore, the senior fullback, who along with Denver City's Jeff Ham, was nominated for one of the two running backs.

Does beat Shallowater on Gilmore's shot at buzzer

Jenda Gilmore hit a 20-foot shot at the buzzer here Tuesday night to give the Post Does a 53 to 51 victory over the Shallowater girl eagles, but the Shallowater boys went on to defeat the Post Antelopes 50 to 44 in the final of the tripleheader.

Coach Alexander told The Dispatch that "you can't beat people when you hit only 27, 28 and 30 per cent of your shots. That's what we did."

Guard Mike Shepherd, who was just beginning to find his outside shooting range, went out with a badly sprained ankle in the third period of the second game and will be lost to the 'Lopes for at least a week and possibly until after the Christmas holidays.

Bryan Davis got 37 points in the three games for the locals, 18 of them against Frenship, and led the team in rebounds for the tourney with 30.

Post splits pair of games New Home girls' tourney

Coach John Morrow's Post High Does split their two starts in the 12-team girls basketball tournament at New Home last weekend, defeating McCamey, 76 to 69, in the first round before being bumped out of further competition by Seagraves, 81 to 73, on Friday.

In the second rounder against Seagraves, the Does trailed through the first half, but uncorked a 26-point surge in the third period to take a 54 to 51 lead.

But Seagraves bounced right back in the fourth to outscore Post 30 to 19 on the hot shooting of Cindy Mitchell and Tootie Stevenson to win it going away.

Eighth graders in rally to win 30-24

Coach Danny Chisum's eighth grade boys team came back from a 14 to 6 intermission deficit here Monday night to defeat Frenship 30 to 24.

The Does brought it down and Gilmore got off her winning shot just as time expired.

The Does maintained a lead at each of the quarter poles, 12 to 6 after the first, 26 to 22 at the intermission, and 41 to 36 at the end of the third.

Shepherd was the leading scorer against Abernathy with 14 points but eight of those points came on free throws. He had six in the first half of the second game before spraining his ankle.

A rousing 28-point second quarter provided the Does with the impetus they needed to whip McCamey's Badgerettes on Thursday.

King again had a 34-point game for the locals. This time she hit 18 frees missing only two to give her 32 free throws in 36 trips to the line for almost a 90 per cent accuracy.

Overlooked on that tough 'Lope defensive unit were Bob Craig at tackle, Mark Terry at noseguard, Mike Shepherd at free safety, Tim Owen and Sammy Gutierrez at linebackers, and Bryan Davis as a defensive back.

This newspaper thinks some of these players deserved all-district selection and all of them at least rated honorable mention.

The seventh, eighth and freshmen boys team will play at Tahoka Monday night.

Brenda Weaver led the scoring for Post with 21 points, followed by Donna Annmons with 10, Melanie Holly R. and Amy Cowdrey 7.

That broke the game open with a narrow 17 to 15 advantage for Post at the end of the first period to a 45 to 32 edge at the halftime intermission.

Jenda Gilmore rang up 17 points before fouling out and Karen Williams had 15. Joni Hays added six and Sandy Bullard one.

Each team committed 29 fouls with Gilmore, Hays and Guard Ann Mitchell fouling out of the contest for Post.

The Does extended their lead to 66 to 49 at the end of the third and cleared the bench in the fourth.

Each team committed 29 fouls with Gilmore, Hays and Guard Ann Mitchell fouling out of the contest for Post.

Ropes won the tourney, defeating Seagraves in the semi-finals and the host New Home team in the finals.

Mel King had her biggest scoring effort of the young season with 10 fielders and 14 out of 16 free throw tries for 34 points. Karen Williams added 23, Jenda Gilmore 13, Joni Hays 4, and Tricia Bilberry 2 to round out the Post scoring.

Carolyn Ridley of the Badgerettes was high point for the game, however, with 40 points in 15 fielders and ten frees.

Cotton harvest now half over

LUBBOCK — The High Plains cotton harvest passed the half way point during the first week in December, according to Paul R. Dickson in charge of the USDA's Cotton Classing Office here. "Curiously enough," he added, "the half way mark was the first week in December last year."

Post's first snow was 'poop out'

Post's first snow of the season Tuesday was a "poop out." It melted as it fell, and not a whole lot of it fell. Officially the city received .07 inch of moisture Tuesday, and .03 of an inch Monday to bring the moisture total for 1974 to date to 23.28 inches. Happy, Tex., derived its name for happy hunting ground because of water in nearby Happy Draw.

Lunch Menus

The Post schools lunchroom menus for the coming week are as follow:
 Monday: Stew, cheese sandwiches, lettuce salad, purple plums, home made buns, half pint milk, orange juice.
 Tuesday: Chicken taco, buttered corn, blackeyed peas, no bake cookies, cornbread, half pint milk.
 Wednesday: Tomatoes, ma-

caroni with meat, green beans, strawberry short cake with topping, cornbread, half pint milk.
 Thursday: Chicken fried steak with gravy, sweet peas, whipped potatoes, peaches, hot rolls, butter, half pint milk.
 Friday: Stoppo Joe, cabbage slaw, buttered carrots, apple-sauce, home made buns, half pint milk.

Third graders wow Rotarians

The Post Rotary Club at their weekly luncheon Tuesday were treated to a delightful program of Christmas music and skits by a group of Post third graders under the direction of Marita Jackson.

Christmas selections sung included "Jingle bells," "Children Go," "Silent Night" and "Away in a Manger."

New poster contest here

Bob Arhelger, district conservationist here, announces that due to the interest shown last year the Garza Soil and Water Conservation District will hold another conservation poster contest this year.

The district has selected the theme, "Conservation and Our Environment." Students through the sixth grade who live in the district are eligible to enter the contest.

Sam Ellis, district board chairman, said entries will be judged on subject and originality. Cash prizes of \$15, \$10, and \$5 will be awarded for the top three posters.

The first place entrant also will be honored at the annual Garza SWCD awards banquet to be held in February.

Posters from all entrants must be turned in at the Soil Conservation Service Field office by Jan. 15.

Passed on second and final reading, an ordinance prohibiting the consumption of alcoholic beverage in public places within the city and prohibiting littering in public places.

The action came after Attorney Morton was instructed to make two changes in the wording of the ordinance which went into immediate effect with its passage.

The ordinance will be published, as required by law, in The Post Dispatch, probably in next week's edition.

ENTERS AIR FORCE — Dewayne Martin, son of Bernice Martin and the late Wayne Martin of Union City, Calif., graduated with the Class of 1974 at Zame Logan High School. He entered the Air Force at San Antonio Nov. 25 to study special law enforcement training.

Choir concert to be this Sunday

The Post Junior High and High School Choirs will sing their annual Christmas concert at 4 p. m. Sunday afternoon in the primary auditorium.

The concert, originally scheduled for 2 p. m. last Sunday, was postponed when Choir Director Georgie Willson became ill with an allergy which resulted in a badly swollen tongue and made breathing difficult.

He was taken to Garza Memorial Hospital for treatment an hour prior to the scheduled start of the concert.

Truck loader—

(Continued From Page One) didn't think he was deep enough to hit it when he was pushing the trash.

Maddox announced that henceforth, the dump grounds will be closed at night at about 5:30 p. m. to prevent dumping trash outside the pit when the dump ground is unattended.

Somebody dumps a load in the road, the next person doesn't want to drive through it and piles his on top and pretty soon we have a trash pile clear out to the highway, Maddox said.

He asked for public cooperation in proper operation of the dump grounds.

 Thanksgiving day guests of Mr. and Mrs. Elmo Bush were Mr. and Mrs. Harold Reno, Mr. and Mrs. Joe Reno and baby, Mr. and Mrs. Roger Reno all of Lubbock, and Mrs. Ruth McClellan. Maybe there were other visitors and we didn't get the names.
 Mr. and Mrs. L. H. Peel and Mrs. Judy Teas and two children were Thanksgiving day guests of Mr. and Mrs. Lonnie Gene Peel and family.
 Cody Lee who once was a resident of this community visited with friends in the gin office one day last week.
 Recent visitors of Mr. and Mrs. L. H. Peel have been Mrs. Fred Gossett, the Delmer and Elmer Cowdreys, Mrs. Inez Ritchie, the Cecil Lees and Douglas Livingston.
 Mr. and Mrs. Larry Moreman recently moved to Childress, Tex. We will miss them so much at the Graham Church of Christ.
 Mr. and Mrs. Delmer Cowdrey visited in Littlefield Monday with her brother and sister-in-law, Mr. and Mrs. Gus Clark.

BROTHER AND SISTER ACT — When the gavel falls this year at an FFA meeting it probably will be a Gannon swinging it. Eddie Gannon, above, is president of the senior chapter, and his sister, Vicki, right, is president of the Greenhands.

Billion mark hit in loans

Jay Dee House, Manager of the Federal Land Bank Association of Tahoka, announced today that the Federal Land Bank of Houston reached a billion dollars in loans to Texas farmers and ranchers on Nov. 27.

This represents a milestone in service by the Federal Land Bank System to Texas agriculture, and is a 48 per cent increase in mortgage loans outstanding during the past two years. The Bank has provided long-term credit to farmers and ranchers of the state since 1917.

In making this announcement, House said, "The capital requirements of farmers and ranchers have increased substantially in the recent years and is expected to continue." He also emphasized the importance of providing credit to farmers and ranchers with the critical world needs for food and fiber.

The Federal Land Bank Association of Tahoka has \$7,350,000 of loans outstanding

to 297 farmers and ranchers. The Federal Land Bank of Houston makes farm and ranch loans throughout Texas through 66 Federal Land Bank Associations, and the Billions Dollars in loans outstanding is to over

35,000 farmers and ranchers. The local Association makes and services loans in Lynn, Garza and Borden Counties. Officers and directors of the Association are Fred McGinty, Avery Moore Jr., L. A. Forsythe, Joe D. Unfred and J. D. McCampbell.

Lubbock area to receive library grant of \$37,049

AUSTIN — A total of 23 libraries in the 29 county area for which Lubbock serves as the major Resource Center have qualified for membership in the Lubbock Resource Libraries System organized under provisions of the Texas Library Systems Act.

Dr. Dorman H. Winfrey, director of the Texas State Library, the agency that administers the Systems Act. Like the people of Texas, library resources are unevenly distributed. In fact, 40 per cent of all Texans are served by the 10 largest libraries. Grants made to the systems assist in giving all Texans access to materials and staff expertise that would otherwise be available only to users of the large libraries.

The Lubbock Resource Libraries System will receive a \$37,049 grant. This includes \$3,473.75 in State funds from the \$50,000 appropriated by the legislature in 1973 allocated on a per capita basis and \$33,575.25 in federal library services and construction act funds being used to demonstrate how systems can improve library service in Texas.

The major Resource Center Library for the Lubbock Resource Libraries System is the George and Helen Mahon Library at Lubbock. Area libraries are Howard County Library at Big Spring, Midland County Public Library at Midland, Ector County Library at Odessa, and Unger Memorial Library at Plainview. Community libraries are Andrews County Library at Andrews, Kendrick Memorial Library at Brownfield, Crane County Library at Crane, Crosbyton County Library at Crosbyton, Yoakum County Library at Denver City, Floydada County Library at Floydada, Winkler County Library at Kermit, Dawson County Public Library at Lamesa, Hockley County Memorial Library at Levelland, Lamb County Library at Littlefield, Upton County Public Library at McCamey, Ward County Library at Monahans, Cochran County Library at Morton, Muleshoe Area Public Library, Yoakum County Library at Plains, Post Public Library, Rankin Public Library and Gaines County Library at Seminole.

Twin Cedars Nursing Home News

By NELL MATHEWS

New water sprinklers are being installed in the home for fire protection. If you come by and see holly hanging down all over the top of the building, it is to cover the pipes.

With Christmas coming on and decorating going on, this has been a busy place. The doors and sunroom have been decorated.

The Christmas tree will be put up and decorated the 13th and our Christmas party for all the residents and staff will be the 19th at 2:30 p. m.

We have a new resident at the home, Mrs. Grace Dunn. She is a darling lady and invite all to come by and get to know her.

Those having birthdays in December are Eleda Martinez, Edith Maulden, Suda Gurley, Myrtle Sherrill, Lela Williams, and Edna Franklin.

Church services held at the home this month were by the Rev. Edgar L. Fox on Dec. 1, Rev. Leon Smith on Dec. 8, and Dec. 15, the First Presbyterian Church will have the service.

Those visiting us from out of town this past week were James and Martha Queen of Weatherford, Okla.; Nita and Glenn Trent of Eufaula, Okla.; Bea Brown of Brownfield, Ershel Franklin of Slaton, Jess Gurley, Myrl Mathis, Lucille Walker, Virginia Terry and Inez McGraw all of Tahoka, and Mrs. Hoover of Plainview.

Post visitors were Mary Weiborn, Ruby Carpenter, Pam Carpenter, Hooter Terry, Cindy, Kathy and Shell Smith, Freda Harman, Mrs. Mack Ledbetter, Lela Huntley, Wade Terry, Sybil Cockrum, Elfreda Carpenter.

IN HECE PROGRAM HERE
17 high schoolers learning on job

By SANDRA KAY DUDLEY
The Home Economics Cooperative Education Class is starting its fourth year in Post High School. This is a cooperative effort of some of the businesses in Post and the local high school.
There are several advantages to the type of program. It gives the student practical work experience that will help them when they enter full time employment upon graduation, or to supplement their income now and later if they further their education. Information related to the students occupation is provided by our high school in the Homemaking Department with Mrs. Marion Wheatley as teacher-coordinator.
Seventeen students have been placed in Homemaking related occupations.
They are Mary Anne Abraham, childcare aid; Marsha Lynne Arhelger, childcare aid; Norma Bradbury, Garza Memorial Hospital; Diana Collier, Collier Drug; Hope De Leon, Mrs. Anne Tubbs; Sandra Kay Dudley, Postex Plant; Lee Ann Gandy, United Super Market;

Daria Hudgens, Garza Memorial Hospital; Grayling Johnson, Physical Fitness Assistant; Randy Josey, Physical Fitness Assistant; Otto Martinez, Cox Lumber Company; Danny McBride, childcare aid; Lucy Pena, Twin Cedars Nursing Home; Mary Villa, Raferti; Zack Short, United Super Market; Gary Lynne Newdiger, Piggly Wiggly; and Joe Carl Shedd, Piggly Wiggly.
To these training stations the class would like to express its thanks for giving these students an opportunity to learn what the world of work is. To the businesses who usually train students the class wants to thank you for your cooperation in the past and will be looking forward to using your business as a training station again. The programs has had excellent cooperation from all training stations, and it is due to this that this course is one that fits many of the students needs while in Post High School.
The Home Economics Cooperative Education Class elected their Hero-PHA officers for the 1974-75 school year. They are
Lucy Pena, president; Grayling Johnson, vice president; Lee Ann Gandy, secretary-treasurer; Sandra Dudley, reporter.
The officers carry on the business of the class which includes inviting at least one guest speaker each month. We have had three guest speakers since school started. They are Dr. Charles Tubbs, Mrs. Margie Wilson and Mrs. Lynette Thuett.

HECE OFFICERS HERE — Officers of Post High's Home Economics Cooperative Education class show above left to right are Sandra Dudley, Cooperative Education Class reporter; Grayling Johnson, vice president; Lucy Pena, president; and Mrs. Wheatley, sponsor. FFA sweethearts, talent to district meet

The Ag Department is at it again. It seems they are always involved in something exciting. Monday night the FFA talent team and the FFA and Greenhand chapter sweethearts will travel to Levelland where they will compete with other Mesa district chapters. The Talent team has been practicing diligently and are very optimistic about competing.
For those of you who are wondering how things happen at the District Banquet, it is like this: after eating a delicious meal the competition begins. While the different bands and talent teams are setting up, the Parade of Sweethearts begins.
The girls are escorted around the convention hall by the presidents of their chapter. In the case of Post, Patti Parrish will be escorted by the Senior Chapter president Eddie Gannon, Cindy Kirkpatrick will be escorted by the Greenhand Chapter vice president, Eric Howard. The reason for the switch from president to vice president for Cindy's escort is because the Greenhand president is a girl, Vickie Gannon. When the parade is concluded the girls are asked different questions on different subjects.
Next is the talent team. The talent team has seven minutes in which to set-up their instruments and play their songs. The talent team will be Danny Guthrie on lead guitar, Wesley Redman on bass guitar, Bruce Sanderson on rhythm

guitar, and Nan Hair on the drums. Accompanying these students will be five delegates Mr. and Mrs. E. A. Howard and Gene Thomas.
The paper staff would like to wish these people the best of luck and hope you demonstrate great pride in PHS, the home of the Fighting Antelopes and Does.
Whoever said that the teenagers of today were unaware of how great and beautiful our country is never knew the kids at Post High School.
The student council had a meeting and decided that it was time that PHS unleashed its patriotism and showed the citizens of Post how much we love God and country.
Fourteen years before President Abraham Lincoln proclaimed the first official U. S. Thanksgiving on Oct. 13, 1863, Texas Governor George T. Wood proclaimed the first Thursday in December, 1849 as a day of Thanksgiving.
More than 200,000 Texans saw service during World War I.

VOE class gets six transcribing units

By PAT NELSON
Turn up the volume on your hearing aid, get ready, begin. This will soon be heard in the VOE room.
The VOE class has just received six transcribing units. These units have dictation belts with various assignments. The students will listen to the belts and type what is said. The new bookkeeping machine was programmed so the VOE girls will soon learn machine bookkeeping.

High school to have Monday flag raisings

Every Monday there will be a flag raising ceremony and a devotional given to the student body.
The flag raising ceremony will consist of the Star Spangled Banner played by someone and the pledge of allegiance by the student body. It warms hearts to know there are more than just a handful who are mature enough to show the world that they are very proud of what this great country has done for them and that they are willing to show this appreciation.
The students would also like the other people to join our celebration each day on your way to work or wherever. This is what our town needs to pull the adults and the younger generation together.

The Meaning of Christmas
By Gene Prevo

Christmas is Christ, and without Christ there would be no Christmas. My wife asked her Sunday School class this question, "If you had just come to America and knew nothing of Christmas or Christ, what would you think Christmas was all about?" Everyone getting presents. Christmas tree decorations. People gone mad in hurrying and scurrying. Nothing that would cause one to think about Jesus Christ.

Yet Christ is the meaning of Christmas. He is our example of giving gifts, because He gave His life so that you and I might be saved. Christ is the reason for this great celebration. Christmas celebrates the birth of Christ, and we should celebrate His birth in a manner that is fitting for a King. He is the King of kings, and the Lord of lords. At Christmas, we

celebrate the coming of Christ into the A sin-sick, needy world. He came to heal, and to save.

Christmas is not the trees, the tinsel, the gifts. It is Christ's birthday up to you and me to show the world Christmas is all about. It is about the greatest gift. It is about Jesus Christ's gift—His life. And it is about our gratitude to Him: our life in dedicated service to Him. This is the meaning of Christmas.

THOUGHT: What do you plan to do Christmas? To Christ. Why not give gift to your church? Or to the hungry, naked, stranger, sick, or imprisoned. Name of Christ.
