

### Notes From County Agent's Office

By Wallace Kimbrough  
County Agent of Texas A.A.M.  
Extension Service

#### Bang's Testing Of Dairy Cattle In Garza County

Dr. A. J. Lewis of Lubbock working with the local County Agent took blood samples from 55 dairy cattle on February 11. Dr. Lewis carried these blood samples back to Lubbock and they were tested in the laboratory for Bang's disease. The results were: 54 show negative reports, 6 with positive reports and 5 showed suspicious.

According to Dr. Lewis the State of Texas has about 8 percent reactors, but in this area of Texas the reactors to the test runs about 12 percent. Any animal showing a positive reaction should be sold for slaughter and not to a neighbor or some one else for a milk cow. Humans can contract undulant fever from using milk or milk products from a Bang's reactor. Any animal with a suspicious report should be checked again in about three to six months to see if she clears up or shows to be a reactor.

#### Aid For Farmers On Their Income Tax Problems

Word has been received by the County Agent that F. E. Nelson and Ben M. Hawkins of the Treasury Department, Internal Revenue Service will be at the Algerita Hotel February 22, 1944 to assist farmers who need any information about the preparation of their 1943 income tax returns. This service will be given without any charges to the farmer.

If you have any point you are in doubt about in preparing your income tax return, get in touch with either of these men and they will be happy to assist you.

#### TO THE CITIZENS OF PRECINCT NO. 1:

I take this means to announce that I am a candidate for Commissioner of Precinct No. 1, Garza County, subject to the action of the Democratic Primaries.

I shall do my best to contact each individual personally, but under recent conditions it may be impossible. If I should fail to see you, please consider this announcement my personal appeal to you for your support.

Your vote and influence will be appreciated.

Sincerely,  
ERNEST HENDERSON

## 1943 City Tax Collections Are Best In Years

The 1943 tax collections are the best on record in the history of Post, according to Tax Collector Preason.

Up to date, \$12,389.44 current taxes have been collected which represents about 90 percent of the tax roll.

October collections were highest with over \$9,000.00 coming in. This was due to the fact that 3 percent discount was allowed on October payments.

January collections totaled \$2,100.00.

Delinquent city taxes have also been coming in good with some \$1,300.00 collected so far during the current fiscal year.

It is hoped that some of this money will be used to repair the streets and clean up the alleys of the city; also, that a complete financial statement will be published at an early date.

## Funeral Rites For Mrs. J. D. McCaskill Held At Southland

Funeral services for Mrs. Audie Lee McCaskill, 21, who died at the West Texas Hospital in Lubbock Friday night at 7:20 o'clock were held in the Southland Methodist church Sunday afternoon. Her husband, S/Sgt. J. D. McCaskill, is stationed at South Plains Army Air Field at Lubbock.

Services were conducted by Rev. E. C. Armstrong, Southland Methodist pastor, assisted by Rev. V. W. Allen, former Baptist pastor at Southland. Mesie Mae and James Baker sang "Farther Along."

Pall bearers were: Lottie Collingsworth, R. Robinson, Kenneth Davies, Sgt. R. C. Tullos, Sgt. L. H. Caffey and Sgt. R. O. Malcik, the latter three stationed at SPAAF.

The flower girls were: Juanita Merrill, La Wanda Lovelass, Hope Robinson, Maurine Lester, Dorothy and Catherine Bartlett, Dorothy Smallwood and Eulalee Davies.

Besides her husband, she is survived by her parents, Mr. and Mrs. J. C. Harris; two sisters, Mrs. M. S. Reynolds of McCauley, Texas, and Mrs. Glen Allen of Stockton, Calif.; three brothers, Fern R. Harris, S-2/c, San Diego, Calif., Ennis Harris of Hereford and Wayne Harris of Ralls.

Audie Lee was born on a farm four miles from Southland, where she lived until August, 1942, when she went to Lubbock to attend Draughton's Business college. She graduated from Southland High school in 1940. On April 11, 1943 she and Sgt. J. D. McCaskill were married at the Southland Methodist parsonage with Rev. E. C. Armstrong performing the ceremony. They made their home in Lubbock.

Interment was made in the Southland cemetery.

## Staff Of Tech Board Elected

Officers of the board of Texas Technological College at Lubbock were re-elected by directors at Fort Worth Saturday.

The re-elected officer are Chas. C. Thompson of Colorado City, chairman; Mark McGee of Fort Worth, vice chairman, and Chancellor E. Weymouth of Amarillo, treasurer. W. E. Gaston, business manager of the school but not a director, was re-elected board secretary.

Others attending the meeting at the Fort Worth Club were President Clifford B. Jones, president of the college, and A. G. (Pat) Mayes of Paris, Kyle Spiller of Jackaboro, and O. B. Ratliff of Spur, directors.

With several of the college buildings now in use by the Air Forces and the 8th Service Command, President Jones reported that in the school's civilian enrollment women students outnumber men students two to one, an almost exact reversal of the prewar ratio.

#### TO THE VOTERS OF PRECINCT NO. 3:

The Political announcement of the candidacy of E. W. Cross (re-election) for Commissioner, Precinct No. 3 was paid for by his friends.

## Boy Scout Week Sale Of War Bonds Amounted to \$7,260

Post Scout Troop 16, in common with Boy Scouts all over America, celebrated last week the 34th anniversary of the founding of the Boy Scout movement in this country. It was in 1910 that William Boyce started the Boy Scouts of America. Scouting was first begun in England by Lord Baden-Powell in 1908 and it has grown to gigantic proportions all over the world. Captain Ted Lawson, one of the fliers who bombed Tokio, in his book "Thirty Seconds Over Tokio" tells how he was touched and amazed upon his entrance into one Chinese village to find a troop of Chinese boy scouts, all dressed up in the same kind of uniform our boys wear, lined up in the official reception committee to greet him.

Military leaders have informed National Boy Scout Headquarters that 75% of their commissioned officers are former boy scouts and that they consider the scout training the finest preparation in the world for basic training which is given our men in the armed forces. They report that many army and navy fliers say they owe their lives to early boy scout training which taught them to exist under the most primitive conditions and to find their way out of a trackless wilderness.

In spite of the fact that membership in the Boy Scouts has recently increased by leaps and bounds, the movement finds itself handicapped for lack of leaders, most of them being in the armed services.

Troop 16 of Post was requested by the Lions Club to give a program at their meeting last week, which they did under the direction of Weaver Moreman, local scoutmaster.

They also, in celebration of their anniversary, took over the government of the city last Thursday. The following officers, elected by the Scouts, were in charge: Mayor, Bobby Cash; Fire Chief, Buddy Malouf; Chief of Police, W. L. Crider; Health Commissioner, Wayne Hundley. During the day they sold War Bonds and Stamps to the amount of \$7,260.00.

In the past three weeks ten new members have been received into Troop 16.

## Drastic Cut Due In Passenger Tires

Garza contains will not receive any relief in the passenger tire situation in the next six months according to Rubber Director Broadly Dewey who made a statement a few days ago. Civilians will get 6,000,000 to 12,000,000 fewer passenger car tires this year, he reported.

Previously, 30,000,000 tires were considered the essential annual minimum for civilians.

"The situation is tight but there is no sign of disaster," Dewey told a news conference. "I don't think there will be any further tightening of rationing—we're at the low point now and will stay there for about six months."

The rubber director said that sharply increased pre-invasion demands of the armed forces were largely responsible for the shortage of synthetic rubber and cotton cord available for civilians. Passenger tire production in 1944 for civilians probably will run between 18,000,000 and 24,000,000, he said.

## Former Post Boy Reported Missing In Action Feb. 12

The names of two West Texans were among those made public by the War Department Saturday as missing in action. They are Sgt. Charles V. Hannah, formerly of Post, Henry F. Hannah, father, Houston, and 2nd Lt. Julius O. Flusche, Mrs. Imogene M. Flusche, wife, Pecos. Both were reported missing in the European area. Names of 232 United States soldiers were included in the list.

Mrs. Leunnie Pierce and five children left Sunday for Las Vegas, Nevada, to join Mr. Pierce who has been there for some time.

## Telling of Nazi Brutality

LAGONE, ITALY—An Italian woman tells Lt. Louis Ochoa of Laredo, Texas, of the brutal treatment of her husband, (lying on stretcher) received at the hands of the Nazis before they were driven from this mountain town by Gen. Mark Clark's Fifth Allied Army. The 65-year-old Nazi victim is unable to walk as a result of the severe beating he received.

## New Incubator-Hatcher Being Installed By Fry's

Fry's Feed and Hatchery are installing in the near future a modern Bundy Incubator and Hatcher of 28,000 egg capacity.

The Bundy Incubators and Hatchers are constructed according to the most advanced engineering principles for efficient incubation and strict sanitary hatching.

The hatcher is a separate compartment into which the eggs are placed on the eighteenth day and provides absolutely ideal conditions for the vitally important three-day hatching period, assuring practically perfect hatching results. Special fumigating equipment in the hatcher makes a quick, easy job of thoroughly cleaning and disinfecting after each hatch is taken off.

With this modern equipment making Fry's Hatchery one of the best in West Texas, they will be prepared to accommodate Garza County and this trade territory with chicks that are strong and healthy and fully developed.

## Funeral Rites Held Friday At Close City For J. L. Waldrip

Joseph Louis Waldrip died last Thursday in the home of his parents Mr. and Mrs. J. W. Waldrip. He was buried Friday at Terrace cemetery.

Mr. Waldrip was 32 years old and had lived 19 years in Garza County, coming here from Parker county where he was born.

He joined the Friendship Baptist church at Close City in 1925 and was active in the various affairs of the church until his death. Survivors are his parents, Mr. and Mrs. J. W. Waldrip; two brothers, T. W. Waldrip and J. M. Waldrip of Graham; three sisters, Mrs. G. C. Milam and Miss Opal Waldrip of Close City and Mrs. B. W. Loper of Artesia, New Mexico.

Rev. North pastor of the Friendship Baptist church assisted by Rev. D. W. Reed officiated for the funeral Friday in the Friendship Baptist church at Close City. Active pallbearers were Elene Roderick, B. Wilson, Elmer Cowdrey, Delmar Cowdrey, Aubrey Ritchie and George Carpenter.

Out-of-town relatives who attended the funeral were an uncle, W. J. Waldrip of Chillicothe, Texas and a sister, Mrs. B. W. Loper of Artesia, New Mexico.

## Funeral Rites For Herbert Jones, Jr. To Be Held Friday

Herbert Edward Victor Jones, only son of Mr. and Mrs. Herbert Jones, died in the Heights hospital in Houston on Tuesday, February 15, at 7:30 o'clock in the evening. His death came as a shock to his family and friends. He had suffered a severe case of influenza.

The former Post boy who until a short time ago lived here was at the time of his death employed at the Navy Shipyards at Houston. He had tried to join the Navy but was not accepted on account of his health. This fact was a great disappointment to him, members of his family stated. Until the time he and his family moved to Houston he was superintendent of the Postex Cotton Mills until the plant closed last July.

He was born on October 21, 1915 in Goodyear, Conn., and moved with his parents to Post when he was three years of age. He was a graduate of Post High school and received his Engineering degree at St. Edwards University in Austin, Texas. At both institutions he was acclaimed an outstanding student. On January 17, 1939, he was married to Miss Alta Grace Robinson.

The body will arrive in Post today on the noon train, accompanied by George Herd of Houston. His wife and two children and others will make the trip by car.

Final funeral arrangements will be made pending the arrival of his widow and children.

Immediate survivors besides his wife are two children, Karol Kay, 4, and Herbert Ray, 2; his parents, Mr. and Mrs. Herbert Jones, Sr., and two sisters, Mrs. Wilbur Love of Post and Mrs. C. O. Parr of Dallas.

Interment will be held in Terrace cemetery.

#### TO THE VOTERS OF GARZA COUNTY, TEXAS:

I take this opportunity to announce myself as a candidate for re-election for a second term as County Attorney of Garza County. It has been a pleasure to serve you for this first term, and I wish to thank each and every one of you for the support you gave me in the Democratic Primary, July 25th, 1942, and to solicit your support in my candidacy for re-election.

I have tried at all times to make you an honest and efficient officer and to co-operate with all officials, Precinct, County, and State. If I am re-elected for a second term, I will continue to work in the same spirit, and I believe that, with the experience of the past two years behind me, I can give you even more efficient service. Thanking you again for your loyal support, I pledge myself, if you see fit to return me to office, to fill the office in a way that will be approved by you, the voters of Garza County.

Respectfully yours,  
V. J. CAMPBELL  
Candidate for re-election for County Attorney, Second Term.

## U. S. Casualties Now Total 150,478

Announced casualties of the United States forces now total 150,478, the Office of War Information reported recently.

The total, combining the latest war and Navy reports, shows 34,179 dead, 31,292 wounded, 34,746 missing and 30,261 prisoners of war. Of the latter, the report said, 1,936 have died in prison camps, mostly in Japanese occupied territory.

Army casualties totaled 112,030 and Navy casualties, including Marines and Coast Guardsmen, 38,448.

#### WILL WRIGHT ELECTED SUPERVISOR OF THE DUCK CREEK SOIL DISTRICT

The election of the District Supervisor was held as scheduled, February 12 at 2 p. m. at the court room in the Court House. There were five farmers who attended the election. As the result, Will Wright, Route 3, Post, is the new Supervisor of the Duck Creek Soil Conservation District. Mr. Wright is taking the place of W. L. Dalby who is now living in Lubbock.

#### Weather Of Close City Man Killed In Airplane Crash

Capt. Dale B. Francis, the pilot of the American Airlines transcontinental plane which crashed into the Mississippi River last Thursday night, was a brother of C. C. Francis of the Close City community.

Since the recent revelation of Japanese atrocities toward prisoners of war, persons in authority have issued statements regarding treatment of prisoners in the European area. This information has been released in the 'Prisoners of War Bulletin' as published by the American Red Cross for the relatives of American prisoners of war and civilian internees. These bulletins are sent free of charge to those people registered as next-of-kin with the Office of Provost Marshal General, to American Red Cross chapters, and to workers engaged in prisoner of war relief.

Conditions vary in the several camps but the general report is that the authorities have shown proof of their good will in their consideration of prisoners. There are barracks, infirmaries, and hospitals. Some camps have libraries and most have recreational facilities which have been furnished by the YMCA. The food situation is the most acute, many of the prisoners relying on Red Cross kits and next-of-kin parcels to supplement their prison meals. However, soldier prisoners fare better than civilian internees since civilians only receive allotments equal to German civilian rations. Mr. Russell Singleton, who was repatriated in the middle of 1942, reported the following as the meals at his camp: for breakfast, weak imitation peppermint tea; for dinner, potatoes and soup made of more potatoes, carrots and cabbage and cabbage; for supper, soup and potatoes with two ounces of skimmed milk cheese on Sunday. The weekly meal ration was about 14 ounces, including bones.

Delegates of the International Committee of the Red Cross and YMCA are allowed to visit prisoner camps in Germany and occupied countries and to talk with the camp spokesmen. The internment camp should not be confused with the concentration camp because the army and not the Gestapo controls the internment camp.

A report from one soldier camp stated that American prisoners were held under strict military discipline and that special measures had been taken in regard to aviators "who are constantly seeking in every way to escape."

Numerous inquiries have been received by the Red Cross about the condition and care of airmen who have been reported missing and later listed as prisoners of war suffering from wounds. Seriously wounded men are sent to a 'lazaret' which means a military hospital, where they are under the care of competent German doctors who are often assisted by captured doctors who served with British or American forces. It is customary of the large camps to have one of these hospitals in the vicinity. The lazarets are visited by representatives of the Protecting Power, which is Switzerland, and delegates of Red Cross and YMCA just as are the camps. Red Cross relief supplies go regularly to the lazarets housing American and Allied prisoners.

About 110 officers and men survived the raid on the Ploesti oil refineries last August and are prisoners in a camp on the north slope of the Carpathian Mountains near the old town of Brasov, in Rumania. Nine men who took part in this raid are prisoners in Tuzlaria. Wounded men were treated at a hospital at Sinala, owned by the Rumanian Red Cross. Soon after this raid a delegate of the International Committee obtained permission to visit these men. He reported the meals were adequate and surgeons were Rumania's best. The prisoners expressed satisfaction, no complaints were heard, but desires were expressed for relief supplies.

According to all reports, the general conditions of the prisoner camps are much better than in the early days of the war and possibly further improvement will be made.

**Southland Boys In Service**

Pfc. J. L. Taylor is now stationed at Ft. Nelson, Canada. He was first sent to Edmonton before Christmas. He is direction-finder operator in radio in the Air Forces.

Pfc. Norman Bruster received the watch his relatives sent him for Christmas. This Marine is stationed in the South Pacific.

Sgt. and Mrs. V. Johnson spent last week visiting friends here and at Slaton and his parents there, the Verne Johnsons. Sgt. Johnson is stationed at Brookville, Fla. He was formerly manager of the Southland lumber yard.

Miss Dorothy De Oats, a WAVE stationed at Seattle, Wash., was recently promoted to 2/c petty officer.

Mink and Wink Cash recently postponed their visit home as they had hopes of a promotion. Their brother-in-law, Carl Rains, stated that the twin mechanics received their sergeant's stripes on the same day.

Earl Morris, who is stationed at Camp Coffee, Ark., accompanied by his wife and baby, is now at home visiting his parents, Mr. and Mrs. M. E. Morris.

Mrs. Herbert Dunn and her brother, Dick Day of the Navy, and his wife and baby, are visiting their parents in Muleshoe.

Junior Nord, who is stationed at Ft. Knox, Ky., sent a nice picture of himself to Mrs. J. L. Whitted.

Fulton (Shorty) Fletcher wrote his brother in San Antonio, not to mail him any more films as he would be home before any more might reach him. He is serving his second stay in New Guinea.

Mrs. Marvin Truelock does not think early Christmas mailing of packages to boys in foreign service foolish. Her brother, Fred Fletcher in India, received the fruit cake on Jan. 23 which she mailed Oct. 13.

**SOUTHLAND NEWS**

Mrs. Marvin Truelock, Community Correspondent

Total bond sales at the Southland school amounted to \$882.40. Paul Painter of Dallas is visiting his aunt, Mrs. S. N. West and family.

Mr. and Mrs. Bunch Fullinger and son of Petersburg were guests of Mr. and Mrs. Hub Haire and Mr. and Mrs. Sam Ellis and children last week.

Mr. and Mrs. Beene and children of Lockney were Sunday dinner guests of Mr. and Mrs. Dave Mayfield.

There were no services at any of the four churches Sunday night because of bad weather.

Tuesday night, sixteen from the Methodist and Baptist churches and one from the Church of Christ met to sing. Most of the songs were from the Baptist hymnal. The singers decided to meet each Tuesday night, alternating the places with the two churches and hoping for a larger crowd of interested people.

The Hackberry Red Cross meets all day every Wednesday and would like to have help.

Mrs. L. A. Dunn returned home after spending two weeks in Mineral Wells.

Junia Reyes is taking a two-week vacation. A supply foreman is here taking his place.

**Promoted To Rank of Corporal**

Dodge City Army Air Field, Kansas—Recently promoted to Corporal is Leon F. Simpson son of Mr. and Mrs. W. F. Simpson of Post. He is a member of the 61st Two-Engine Flying Training Squadron here.

Dodge City Army Air Field—home of the "Phi Bombs Kappas of the Skies" is a B-26 Marauder pilot school of the Army Air Forces Training Command. Selected fliers who have just graduated from advanced flying schools are trained at Dodge City Army Air Field to become First Pilots and Commanders of the hard-hitting Marauder, speedy and deadly medium bomber.

**Wood Wright Now Serving In Pacific Theatre Of War**

Elwood Roy Wright, 21, a former Texas Technological college student who was reared in Post, is now serving as a gunner in the Navy Air Forces, according to information reaching his mother, Mrs. T. L. Price. Wright is a graduate of Post High school, where he played football, and had completed two years at Texas Tech when he enlisted in May 1942. He received his boot training in San Diego, Calif., special training in Tennessee, and his advanced work in Quonset Point, R. I. where he was transferred aboard a ship. A sister, Mrs. Wallace Simpson, resides in Eunice, N. M.

Mrs. Hayes Holman underwent surgery at the Scott & White sanitarium in Temple, Texas, last Friday. According to a report from Mr. Holman, former superintendent of the Post schools, Mrs. Holman is doing nicely at the present time. Jerry Joan, young daughter of the Holmans is with her grandparents, Mr. and Mrs. John Baze in Colorado City.

**SUNDAY SCHOOL LESSON**

By HAROLD L. LUNDQUIST, D. D. Of the Moody Bible Institute of Chicago. Released by Western Newspaper Union.

**Lesson for February 20**

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education, used by permission.

**JESUS TEACHES TRUE GREATNESS**

**LESSON TEXT**—Mark 9:35-39; 10:13-16; 14:35  
**GOLDEN TEXT**—The Son of man came not to be ministered unto, but to minister, and to give his life a ransom for many.—Mark 10:45.

Ambition to be great is not wrong—provided one has a proper conception of greatness, and seeks it in a right way. Every one of us should be our very best, not for selfish reasons, but for God's glory.

The disciples were earnest and eager to have a place of honor with the Lord in glory, but even in that holy purpose they became selfish and argumentative. Jesus gives several marks of a truly great man.

**Greatness Means Being—**

**I. Not First, but Last (9:35-35).**  
The way of the world is to seek the place of "No. 1 man"—to be looked up to, honored, and served by all. True greatness takes the last place, the place of a servant; and lo, God regards that as the first place.

It is not a question of timid diffidence, or self-effacement, but a willingness to take the humble place in order to serve all.

**II. Not Proud, but Humble (9:36, 37).**

"Great" people of this world have no time for children. Let them be cared for by servants, teachers, anyone at all, but not by their "distinguished" parents.

But Jesus said that the one who set aside human pride and received a child with humility of heart and mind—and in His name—received the Lord who gave them life—spiritual as well as physical—and is interested in them; in fact, He is with them and hence when we receive them in His name, He is there!

**III. Not Exclusive, but Co-operative (9:38, 39).**

John, quick to apprehend spiritual truth, saw in the teaching of Christ concerning the little child the condemnation of something he had done.

The man who casts out demons, or who gives the disciple of Jesus a cup of water, in His name—that is, with true faith in Christ, and in His power, and for His glory—must be a believer. He may not belong to our group or circle, he may not speak our language, he may not use our methods, but if he is serving Christ we should not forbid him or speak evil of him. You and I may not like one another's appearance, or voice, or methods, but let us love and co-operate with one another for Christ's sake!

**IV. Not Important, but Approachable (10:13-16).**

Some who think they are great, pride themselves on being hard to reach—protected from the rabble and their problems by secretaries and servants.

The disciples had built up such an idea of the importance of Christ in their own minds. He had never given them any ground for it either by word or deed.

So the man who is truly great follows in the Master's footsteps. He is approachable, kind, has time for simple folk and little children. If that isn't true of a man he is not great—no matter what he may think of himself or what others may say about him.

**V. Not a Supervisor, but a Servant (10:42-44).**

Christianity is not organized after the manner of secular government (v. 42). Much of the mischief that has come to pass in the church is the result of "running the church" as an organization, when it should be allowed to develop as a living organism.

The way up is down. That is always true in the spiritual realm. The Son of man came not to be ministered unto but to minister, yea, to give His very life (v. 45). Shall not those who bear His name walk the same path of humble self-denial?

Anyone who observes with even a little care knows that the church of Jesus Christ is hindered most seriously by the presence of pride and selfish ambition. Some people will not work unless they can rule.

Are there then no Christians who humbly serve the Lord? Yes, praise His name, there are many, and wherever they are found they are the salt of the earth.

**VI. Not Unselfish, but Sacrificial (10:45).**

The world is full of people who want to be served. Their little personalities swell with pride and pleasure if someone else cringes and bows, and serves.

There is nothing commendable about being served. The great and good thing is to serve.

The Son of man—Himself the Lord of glory, the One who might have called legions of angels to do His will—came "not to be ministered unto but to minister." That service meant going about doing good even when He was exhausted and worn. But it meant far more than that, for it took Him to the cross where He gave "his life a ransom" for us. Are we ready to learn of Him?

**C. L. HARRIS ANNOUNCES FOR CONGRESSMAN FROM 19th DIST.**

In announcing my candidacy for Congressman from this the 19th Congressional District in the National House of Representatives in Washington, I do so, only after having given much consideration to the responsibilities of the office and to the many problems now confronting the nation and to those problems that will come with the post war era.

This office has been held for five terms by the present Congressman, who lives in Colorado City.

I believe the time has come for the people of this district to have a man representing them in Washington who will give all of his time to the office and who will know as his master, only the voice of the people of the 19th Congressional District.

I believe the man who represents this district should mingle with our farmers, stockmen, business men and industrialists to learn from them the desires of the people of the district. He should then conduct himself accordingly in Washington.

The man who represents this district should be able to look to the welfare of the nation as a whole, but he should never lose sight of the desires of the people of this district. I contend that when the national picture does not reflect the welfare of the average man and woman of this district then there is something wrong with the national picture.

As a member of Congress, I would make a determined stand for a return of the government to "the people. I would fight for a return to that brand of freedom

C. L. HARRIS

and government which our forefathers had in mind when they wrote the first phrase of the preamble to the constitution, "We, the people . . ."

Woodrow Wilson once said that the history of liberty is the history of the limitations on the power of government. This is as true today as it was in the time of Wilson, of Jefferson, or at the founding of this great nation.

States rights would also come in for close attention on my part. One of the greatest protections we have from the dangers of dictatorship is that of states rights and I would guard them most jealously for Texas.

I would lend every effort and full cooperation to a speedy and victorious end of the war. I would cooperate with the President when I thought he was right and for the best interest of the people of this district, and I would oppose him when I thought he was wrong and it was not for the best interest of the people of the 19th Congressional District. When a representative adopts the attitude that he will follow the Executive Department right or wrong, then he ceases to be a representative of the people. Our Government is made up of three separate and distinct branches, Executive, Judicial and Legislative. Each acting as a check on the other and they must remain free and independent of each other, in order for our present form of government to survive.

Texas fighting men are famous all over the world. Texas men and women should be permitted to enjoy the freedom for which they are now giving their lives. We should never be forced to knuckle down to Washington or any clique or power. This is what I ask for the people of the 19th Congressional District of Texas, and, God willing, we shall have it.

I would work for simpler tax laws and simpler forms of tax returns so the average man could understand what he is doing when he pays his taxes.

Immediate action should be taken on legislation to pay full compensation to the men and women who are in the services of our country.

I believe in the rights of organized labor, but I am opposed to the labor racketeer. There are no strikes on the home front.

The years immediately ahead will be the most critical we have ever faced as a nation. The people, tired and worn by the confusion of war and post-war prob-

lems, will need, as never before, to be kept alert and informed as to what is going on in their nation's Capitol. I will endeavor to do this.

I believe in the right of every man to a useful, well paid job. The right to earn enough to provide adequate clothing, food and recreation.

The right of every farmer and rancher to raise and sell his products at a return which will give him and his family a decent living; the right of every business man, large and small, to carry on his business in a normal manner; the right of every family to a decent home and the right of adequate education and religious freedom for our people.

I believe in the right of every Texan to be looked upon as an individual and not as a cog in a machine which rolls the lives out of men for the benefit of a few in a party, class or clique.

I am 35 years of age, married and have one child, seven years of age.

This Congressional District has been my home for 31 years; McAdoo being my home until I entered Lubbock High school, where I graduated in 1926.

In 1936, I was elected to the State Legislature from the Spur District and was re-elected in 1938. I did not seek another term, but came to Lubbock and opened law offices, where I have since been actively engaged in the practice of law.

I am State President of the Young Democrats of Texas.

I volunteered my services to both the Navy and Army and was turned down because of defective vision. However, should Uncle Sam change his mind, I stand ready to serve.

Your vote and a word to your neighbor about C. L. Harris, who wants this district to have a representative in Congress, who will attend to the business of this district, will be appreciated.

Respectfully submitted to the voters of the 19th Congressional District.

Pfc. Rebel Thomas and his wife are here this week visiting Mr. and Mrs. Luther Thomas of Grassland. Rebel is stationed in Garden City, Kansas.

AN OBLIGATION

Milk, and the products made from it, are among the most necessary of our foods. Dairymen are anxious to meet the challenge of production. They face a great responsibility—the responsibility to think, to plan, to act and to combat the strangulating restrictions and limitations which prevent them from producing to the maximum of their resources.

And You're Only Asked to Buy War Bonds

U. S. Treasury Department

THE CHALLENGE

"Transportation plays an indispensable part in preparation of the blows to be delivered against the enemy," says Major General Chas. P. Goss, Chief of Transportation, U. S. Army.

GLOBAL AIR TRANSPORT

The United States has always been a nation of movement—transportation. In the Revolutionary War and the War of 1812, American sailing ships made historic records.

The first World War saw the practical application of the next great means of transportation—aviation. Its progress has outdone a tale by Horatio Alger.

When the second World War broke, three factors were predominant—production, transportation and speed. Failure of either meant failure for all.

Each war, from the day of the Revolution, has promoted transportation and speed. After the present war, the story can be told of the advancements in our air arm of transportation which will help America hold her rightful place in global air transport.

American air lines are already planning to invest hundreds of millions of dollars in the newest type of equipment for service at home and abroad, thus providing work and opportunities for tens of thousands of fighting men when they come home.

Many a courteous husband believes that "Women first" also applies to getting up on cold mornings.

Views of Neighboring Editors:

Scurry County Times— We know rationing in all its forms and inconveniences, is a constant source of irritation to those few souls who have had their personal whims and fancies throughout the past 15 to 20 years.

In this particular trade zone, civilians are fortunate in that no large scale black markets are operating to defeat the purposes of rationing and in having been able last year to process hundreds and hundreds of jars of home raised fruits and vegetables.

Slaton Slatonite—I heard someone say the other day that we could not pay more taxes—and, indeed there are many who cannot bear any additional tax burden. It was cleverly pointed out that "you can shear a sheep many times but you can skin him only once."

Nolan County News— Congress seems to be working itself up again into a useless blue funk—this time it is over granting voting privileges to soldiers. If voting is as important to the soldiers as congressmen seem to think then they had better begin to look for new jobs when the soldiers start coming home.

Don't forget to get a bunch of bonds, to buy a bunch of bombs, to bomb a bunch of bums.—Management Review.

The Ralls Banner— A couple of weeks ago this column stated that "not ten per cent of the service men were losing sleep about the ballot." After that was published, we began to wonder if maybe soldiers had changed since we inhabited fox holes.

"The progress of science has made all nations neighbors," says Gov. Saltonstall of Massachusetts. Then it looks as if science should rest awhile until religion catches up.

SAVE THE CHICKS

The loss of a baby chick a few hours old wouldn't seem to have any great bearing on our war effort, but the War Food Administration is concerned over the loss of baby chicks in shipping, as a result of suffocation, chilling, overheating, or mishandling.

If saving a baby chick is important in conserving the nation's resources, it is equally important to save all useful products and materials. Let others besides those handling baby chicks, take this lesson to heart and save time and

Turn it DOWN, Lady

HERE IS HOW YOU CAN HELP

- 1. Cook whole meals in oven. Cook "one-dish" meals on top burners.
2. Don't use running hot water for washing dishes or hands. Repair leaky faucets. Heat no more water than necessary.
3. Do not keep your home too warm. You can save gas and have more healthful living conditions by maintaining moderate temperature.
4. Reduce temperature at night and when away from home.
5. Keep all gas-burning equipment in first-class condition.

USE LESS NATURAL GAS and Conserve Fuel for the War Effort

The perspiration on the brow of Hitler and his gang these days is caused by overheated rooms.

Let's keep the heat on them, by using everything we can to back up our fighting men.

One of the things we at home can do is to conserve natural gas, a vital fuel.

To do your part in saving fuel—less gas today and every day.

**P-TA Has Founders' Day Program and Tea February 10th**

Members and visitors of the Parent-Teacher Association enjoyed a very interesting Founders' Day program Thursday, Feb. 10. The audience was led in a song by Miss Irene Kral. Mrs. Willard Kirkpatrick was program chairman for the afternoon. Misses Wynell Scott and Geraldine Evans gave the story of the lives of the founders of the Parent-Teacher Association. Eight little girls, pupils of Mrs. Roy Mullins, gave a short musical program and sang "Say A Prayer for the Boys Over There" and "If I'm Dreaming." Six faculty members and six mothers gave a playlet titled "Burn, Candle, Burn," signifying the lighting of candles of Courage, Cooperation, Comradship, Diligence, Hope and Charity.

After the program the group was invited to the Home Economics Department. Mrs. J. E. Parker and Mrs. Raymond Redman presided at the beautifully appointed tea table. The department was decorated with yellow jonquils and forsythia.

Mrs. Ray Smith and Miss Margaret Weaver were the hospitality committee for the entertainment.

**Same Quality Of Shoes To Be Made Reports O P A**

Shoe rationing is a year old this week. What is the outlook? OPA says it expects to continue to have about the same quantity of shoes now being rationed—25,000,000 pairs a month. That's about 2 1/2 pairs a year per person, or one pair every 21 weeks.

The leather situation still is called "tight," and the Army needs are increasing. So the current airplane stamp No. 1 will have to last a full six months—until May 1. OPA repeats that this doesn't mean rationing will go on a two-pairs-a-year basis; the longer period events up for two shorter ones.

Greater use of synthetic materials for civilian shoes may be expected. There's no present intention, OPA says, to put a time limit on shoe stamp No. 18, which became valid last June. OPA is committed to giving 30-day advance notice of any expiration date on shoe stamps.

OPA calculates that 10,000,000 pairs will be released ration-free under the order permitting sale of 15 per cent of stocks of women's shoes (based on Sept. 30 inventories) at prices of not more than \$3 a pair.

The problem of children's shoes has been a knotty one. All kinds of suggestions—like giving two pairs with a child's stamp—have been considered, but OPA figures the best answer yet is the present plan: permitting local ration boards to issue a special shoe stamp for anyone who hasn't two wearable pairs.

A study of local board actions from last February to Sept. 15 indicated that some 2,600,700 special stamps were issued during that period, of which 676,736 were for children's shoes.

**HELEN JO HUNDLEY IS STUDENT DIRECTOR OF THE McMURRY MAIDENS**

Arlene, Feb. 12—Helen Jo Hundley, daughter of Mr. and Mrs. C. E. Hundley, will have a part in the McMurry Maidens' annual Sweetheart Program to be presented in a series of appearances during this week at Camp Barkley, the Abilene Air Base, the First and Second Street USO and the Abilene High school. The colorful all-girl orchestra composed of twenty-two members is supervised by Mrs. Harold L. Thomas, faculty sponsor and organizer. Miss Hundley will be student director for the program.

**L. M. P. (Buck) Slatter Writes Garza Friends**

This is a part of a letter Mrs. Bob Russell received from Lt. M. P. (Buck) Slatter recently: "In the past few months I have been moving around quite a bit. I got my commission about the first of November at Yale University. From there I went to another radio school at Tannah, Wisconsin. I found the weather there just a little bit cool. When I left there after Christmas the temperature was down to 18 degrees below zero. I left there on the 30th of December with a ten day delay in orders so I went home for a few days. While I was there Weldon Parter came by to see the folks. He was just back from the South Pacific.

"From Long Beach I came up here. This is a secret location with only a couple of hundred men. We are up in the mountains out side Berkeley. It is a fighter control squadron. We tell the pilots which way to fly to intercept any enemy raiders that might be coming in. My duties are concerned with this type of work and also I am working with the intelligence office for this field. I like it here fine. The weather is bad at times, lots of fog and rain. On clear days we have a very good view of San Francisco and the bay which is between us and the ocean.

Mrs. Emma Slade has returned to Post after spending several weeks with her sons, Dumas and Warren in Santa Fe, N. M. and Ernest of Albuquerque.

**Culture Club Meets In Home Of Mrs. E. W. Williams**

One of the nicest meetings the Woman's Culture club has had this year was last Wednesday afternoon in the home of Mrs. E. W. Williams.

The club met in regular session for a Time Magazine program. Business was taken care of as usual with Mrs. T. L. Jones, president, presiding. The program was under the able leadership of Mrs. W. L. Davis who discussed two topics: "Education for War Veterans—Harvard or Yale," and "Prejudice and Intolerance." Mrs. B. E. Young substituted for Mrs. J. P. Manly and discussed two topics: "Peace—Not Truce—For Poland" and "Who Should Handle the Soldier Vote?" Mrs. T. L. Jones closed the program substituting for Mrs. D. C. Williams and discussed "National Service for All?"

The club was honored to have as their guest Miss Manley, new county home demonstration agent for Garza county.

Delicious refreshments were served to eight ladies. On February 23 a program on Americanism will be presented under the leadership of Mrs. L. A. Presson, with Mmes. Edwards and Jones assisting. Hostesses will be Mmes. Durrett and Manly.

**Mrs. Noah Stone Entertains The Needlecraft Club**

The Needlecraft club met Friday afternoon, Feb. 11, with Mrs. Noah Stone as hostess.

A busy hour spent with needlework and visiting was followed by an amusing contest of questions and answers and a Valentine writing contest. Refreshments were served to members: Mmes. C. W. Terry, Carl Clark, J. B. Faulkner, Joe Callis, Boone Evans, L. C. Carmichael, Geo. Samson, Weaver Moreman, Paul Moore, J. R. Durrett, J. M. Boren, T. L. Jones, Tol Thomas, Ida Robinson, Frank Gilley, Mrs. W. F. Pierce, and guests, Mrs. Luther Harper, Mrs. Jessie Walden, Little Carolyn Moore, Jo Ann Moreman and the hostess.

The next meeting will be with Mrs. Tol Thomas Friday, Feb. 25.

**BAPTIST PONDER YWA IS ENTERTAINED IN HOME OF MRS. A. A. SUITS**

The Ponder YWA met in the home of the sponsor, Mrs. A. A. Suits, after church Monday night for a valentine social.

Games and contests were enjoyed and valentines were exchanged. Refreshments reflecting the valentine motif were served to Doris Faye Kirkendall, Joyce Stephens, Maxine Tucker, Greta Bilberry, Agnes Windham, Frances Terry, Virginia Evans, Margaret Peed, Mary Margaret Duckworth, Norma Joy Hadman and one guest, Billie Nichols.

**MRS. D. C. WILLIAMS HOSTESS PRESBYTERIAN MISSIONARY SOCIETY MONDAY**

Mrs. D. C. Williams was hostess to the Presbyterian Missionary Society last Monday evening. It was a prayer and praise service with Mrs. J. W. McConch as leader. Following the program and business meeting a Valentine box was brought out from which all members received a gift from their secret friend, Mrs. Howard McCampbell and young son were guests.

The next meeting will be with Mrs. Geo. Samsan.

**"WORLD DAY OF PRAYER" PROGRAM TO BE HELD AT PRESBYTERIAN CHURCH**

Never was there a greater need in this world for Divine guidance than at the present time. With this in mind all Christians are urged to observe the World Day of Prayer and meeting at the Presbyterian church at 3:00 p. m. Friday, February 25th. A special program is being arranged with Mrs. A. C. Surman as leader. Come with prayerful hearts that right may speedily triumph and that God's will prevail in bringing peace on earth.

**Cpl. Jerrald Bowen Visits Parents**

Cpl. Jerrald Bowen returned to his camp at Needles, Calif. last week after spending about twelve days here with his parents, Mr. and Mrs. Mitchell Bowen. His sister, Shirley, who is working at Kelly Field, San Antonio, also spent a few days in Post while Jerrald was here.

**Mrs. O. J. Harmonson Hostess to Southland Baptist S. S. Class**

Friday evening Mrs. O. J. Harmonson was hostess at a party for her Junior Sunday school class and Junior G.A.'s. After many games and puzzles occupied their time, refreshments of candy, mints, pink and white heart-shaped cookies and cocoa were served to Betty, Billy and Norma Barkley, Doris Jean Sartain, Mary Frances King Glynda and Calvin Grantham, Connie and Tim Field, Tommy and Dave Mayfield, Tommy Leake, Carlton Davies, Mr. and Mrs. Dave Mayfield, Sr., Winston Davies, B. **CUSTOM SLAUGHTERING CERTIFICATES MUST BE FILLED OUT IN DUPLICATE**

A custom slaughtering certificate covering point-free transfer of meat to livestock producers must be filled out in duplicate and signed by both the custom slaughterer and the livestock producer at the time meat is transferred point-free to the producer. It was announced today by J. Doyle Settle, District OPA Rationing Executive.

Producers planning to slaughter livestock should get certificates from the local War Price and Rationing Board. Settle said. Before meat can be transferred from the slaughterer to the producer the certificate must be completed and signed by both parties. The slaughterer is then required to send one copy to the War Price and Rationing Board and the other copy to the District OPA office along with his primary distribution report.

**GARZA BOY RECEIVES COMMISSION AT FOSTER FIELD, VICTORIA, TEXAS**

Randolph Field, Tex.— Texas, already traditional as the home of great combat pilots, placed 470 fighting men today as graduation names on the list of its aerial ceremonies were held at eleven AAF Training Command advanced schools in this state and Oklahoma.

In this class, largest ever produced by the Central Flying Training Command, Texans far outnumbered the representatives from any other one state.

Texans who will become fighter pilots received their wings at Eagle Pass; Aloe and Foster Fields, Victoria; and Moore Field at Mission. Bomber pilots were graduated at Frederick and Altus, Okla.; Blackland Field, Waco; Ellington Field, Houston; Lubbock; Pampa; and Brooks Field, San Antonio.

Among the new pilots is one man from Garza county. He is Douglas G. Carradine who was commissioned second lieutenant.

**ENSIGN L. H. SNIVELY TO COMMAND GUN CREW**

Ensign Lawrence H. Snively, USNR, Colorado City and formerly of Post, has completed his Naval training at the Naval Armed Guard Center, New Orleans, La., awaiting assignment, it was announced last week.

He will be commander of the Navy gun crew aboard an American merchant ship and will be responsible for the safety of the vessel in case of enemy air, submarine, or surface attack.

Ensign Snively was teaching in Post when he enlisted Feb. 25, 1942. He spent 18 months as a storekeeper first class in Santa Barbara, Calif., and San Diego, Calif., before he received his commission and assignment to Armed Guard late last summer.

The young Texas officer attended John Tarleton Agricultural College and was graduated from Texas Tech, Lubbock, in 1939.

His parents, Mr. and Mrs. Paul Snively, reside in Colorado City.

Mr. and Mrs. B. J. Edwards returned Sunday from visiting their son, S/Sgt. Bill Edwards and wife at Hugo, Oklahoma. They also visited in Dallas and Ft. Worth.
