

# New contracts offered coaches and teachers

School trustees at March meeting Monday night voted to extend contracts to all teachers and coaches on the faculty except three who did not wish to be

considered here for the next school year.

Two are in the elementary school, Mrs. Carol Bagley who is expecting a baby in September and Mrs. Lillian Potts, who plans to retire from teaching. The third is Larry Doyle, a high school instructor.

Trustees set Saturday, April 15, as the date for a runoff election for the school board should one be needed after the school election Saturday April 1 which will see 11 candidates on the ballot for three trustee positions.

Runoffs will be required for any position in which one candidate does not receive a majority of the votes cast.

Trustees also decided to meet Monday night, April 3, to canvass the April 1 election returns.

Trustees also set 9 a. m. May 15 for the school district's board of equalization hearing and discussed selection of members of the equalization board.

Dr. William Wilson appeared before the trustees to obtain trustee approval for the city's volunteer fire department to burn the weed off the lots behind the high school gym, and to ask what progress has been made by the school board in giving a final accounting of the joint delinquency tax sales conducted here a few years ago with the schools acting as the sales agent.

The city councilman explained the city wants to be sure that property sold under the sale is returned to active tax rolls under the names of the new owners.

Supt. Bill Shiver advised Wilson that the school board's attorneys had been asked to complete such a (See Contracts, Page 16)

# Two choirs win superior ratings

The Post High School Mixed and Boy's choirs walked away from UIL competition Tuesday with two Superior ratings in sight reading.

The Post groups were the only class B, A, or AA choir to receive a I rating.

Both choirs received a III rating in the concert division of the contest. A III is

classified as "good" according to UIL standards.

The contest was held at Lubbock Christian College. Eddie Chance, contest director, told the choirs that excellence in sightreading was the "true mark of good musical education."

The judges also complemented Mr. Willson on his (See Two choirs, Page 16)

The good news this week is that the Texas Health Facilities Commission in Austin has scheduled a hearing today on the request of Hank Huntley for a certificate of need to build a 90-bed nursing home in Post.

Hank called his brother, Sexton, here this week and was quite optimistic about the hearing after months and months of almost endless delays. Hank is now operating a nursing home at Luling.

# Taba'na Yuan'e is coming Wednesday

Garza farmers of the American Agricultural Movement ought to be out in force early next Wednesday morning in the city-county park to see if it's worth planting any crops at all this year.

The answer will come at sunrise, according to Indian legend, in Post's annual Taba'na Yuan'e ceremony, sponsored by the Post Chamber of Commerce.

Sunrise is at 6:50 a.m., but everybody should come early for a 6:30 a.m. catered breakfast in the 4-H building.

Frank (Chief) Runkles will perform his "sunrise wind ceremony" in Indian dress.

Indian legend has it that the direction from which the wind is blowing at sunrise the morning of March 22 will foretell the harvest of that year.

Strangely enough, the legend has been remarkably accurate.

Last year the wind blew straight from the west to

predict a fair crop on the "Indian legend scale." That's about what it was too after getting off to a good start but wilting badly in mid-summer.

Noah Stone, who has been testing the winds at sunrise on March 22 for over 40 years here, will be on hand to finalize the legendary "crop forecast."

Tickets for the breakfast are \$2.50 and are now on sale at the Chamber office. (See Taba'na, Page 16)

# EVERYBODY INVITED MARCH 24—

# Open house for radar site

An open house will be held all day Friday, March 24, at Post's new mobile bomb scoring site just east of Post on US-380, Chief Sergeant Charles Brock told Post Rotarians at their Tuesday luncheon in the Post Community Center.

He said all adults and youngsters interested in taking a tour of the bomb scoring site are welcome from 9 a. m. to 4 p. m. a week from Friday.

Several members of the 17-man U. S. Air Force detachment will serve as guides and refreshments will be served.

Sergeant Brock, who commands the air force detachment, said an open house has been delayed by weather and until a date could be assigned on which no huge bombers would be making bomb scoring runs at 400 miles an hour only 500 feet above the ground.

This is not because the situation is dangerous, but because the detachment is very busy when the big bombers are zipping down the eight-mile wide corridor.

Already over 200 of the big planes have been scored on simulated bombing runs just east of Post, but Sgt. Brock points out that you can't hear one unless you are almost directly under the big plane when it comes over.

"Maybe you heard or saw one Sunday night," Chief Sgt. Brock commented. It was 14.2 miles off course and flew past Post to the west instead of a number of miles east.

Actually, most bombers cross US-380 at about the turnoff to Judge Dalby's Cross H Ranch six miles east of the location of the seven air force vans beyond the cemetery.

Chief Sgt. Brock said two radar sets score every plane so there will be no argument

# Record \$57,825 paid exhibitors

# \$30,400 in premiums

By NORMA BAUMANN

The 13th annual Garza County Junior Livestock Show broke the biggest record of all Saturday, when the total money going to the youthful exhibitors hit \$57,825.91 for 253 animals.

The premium auction held Saturday afternoon fell slightly below last year's record breaking \$32,125 with 84 animal bringing premium prices of \$30,400. The auction did set a new record of \$45,039.57 which included the premium and floor price of 32 hogs, 32 lambs and 21 steers.

The 125 hogs in the show brought a total of \$11,088.81; 23 steers, \$10,355.98; 93 lambs, \$5,781.12; and 12 horses a premium of \$200.

Floor prices were up from last year when the Lubbock Stockyards set the bid for 46 cents per pound for steer, up from 41 3/4 cents last year; Armour Packing Co., of San Angelo was high bidder for the lambs with 64 cents per pound, up from 48 last year; and South Plains Marketing Assn. of Lubbock set the price for hogs at 45 1/2 cents from 38 cents last year.

Jana Middleton showed the grand champion heavy weight steer which brought her a \$900 premium from the First National Bank and Post-Montgomery for the 150 pound animal. Jana also showed the first place medium weight steer which put her in the class for reserve champion, but she withdrew her animal from competition to give someone else a chance and was awarded a bouquet of flowers at the beginning of the auction Saturday for her sportsmanship.

Overall sportsmanship trophy was awarded to Mike Johnson, son of Mr. and Mrs. Wendell Johnson, he also carried home the showmanship trophy for steers and the rate of gain trophy for his steer.

Other showmanship trophies were awarded to Lance Dunn, son of Mr. and Mrs. Ronnie Dunn for swine; Jana Terry, daughter of Mr. and Mrs. Mack Terry for the horse division; and Randy Conner, son of Mr. and Mrs. (See Stock show, Page 14)

# It's pancake night tonight in Post

The Post Rotary Club will sponsor its third annual benefit pancake supper tonight in the Post Community Center with pancakes, bacon, and coffee or milk served from 5:30 to 8:30 p.m.

Tickets are priced at \$2 for adults and \$1 for children under 12.

All Rotary members have been charged with \$18 worth

of tickets, whether they sell them or give them away, to stir up some advance attention to the affair.

Funds raised by the supper will go to help finance materials for the Garza Trail Blazers clubhouse now being constructed on the first floor of the historic Algierita Hotel under direction of David Newby. (See Pancake, Page 16)

# Chamber divided into 3 work divisions

Within the next 10 days, all 108 members of the Post Chamber of Commerce will be given the opportunity to pick one of three activity divisions within which to work during the new Chamber year.

The new chamber direct-

ors met Monday night in the bank community room, adopted a \$12,000 budget for the civic organization, and went over assignment of projects to the three operational divisions with Larry Willard, new Chamber president.

The three divisions, each headed by vice president are the Community Development Division, headed by Rob Robinson and with directors, Iva Hudman, Mike Beard and Charles Adams also assigned to it;

The Economic Development Division, headed by Jim Wells with directors Linda Lewis and Danny Shaw assigned to it;

The Organization Affairs Division, headed by Jim Cornish with directors Don Payne and Linda Waldrip assigned.

# Gene Prevo to new pastorate

The Rev. Gene Prevo, pastor of Trinity Baptist Church, will preach his last sermons here Sunday.

He is resigning to accept the pastorate of the Trinity Baptist Church of Muleshoe after four years and five months in his pastorate here.

Mr. Prevo told The Dispatch that "the decision to leave Post has been one of the hardest decisions I have ever made." He added that in making it he "feels gratitude, love, pain, concern and appreciation" for the community he is leaving behind.

The local church has named a five-person pulpit committee to guide the selection of a new pastor.

# Two farmers to Washington

The Garza office of the American Agriculture Movement sent two more of its members flying off to Washington Tuesday as farmers issued a call for a "final push" this week in support of farm aid legislation.

Bud Spurling and Randy McAllister left Tuesday and are scheduled to return Friday night from the nation's capital.

A senate bill to provide up to 100 percent parity for farmers who plant only 30 percent of their acreage moved out of the senate agriculture committee Friday by a thumping 16 to 1 vote and efforts were being sought to recess the current Senate debate on the Panama Canal treaty long enough for the senate to consider the emergency farm bill.

A very similar emergency bill also is moving toward house consideration.

# Budget vote March 27

# Two guilty pleas here

Writing a \$5.92 worthless check can be expensive. Robert Barbosa, 215 S. Ave. H was arrested by sheriff deputies on a worthless check for this amount which he gave a local merchant.

He pleaded guilty in county court Monday and was fined \$10, ordered to pay court costs of \$55, and make restitution for the amount of the check.

Lee Price, 630 Pine, also pleaded guilty in county court to writing a \$50 worthless check. He was fined \$4, ordered to pay \$51 court costs and make restitution on the check. He also was given a year's probation by the court.

## Your Chamber opportunity

Hey, you Chamber members, roll up your sleeves and let's go. Chamber President Larry Willard is giving you the opportunity to carve yourself a Chamber niche this year. So let's get with it.

It's a well known fact that folks get a lot more interested when they have a piece of the action. So let's get together and go to work for community betterment. That's what the Chamber organization is for—a vehicle to improve the Post quality of life.

In little more than a week Larry has completely reorganized the Chamber into three working divisions. Now every member gets to pick his or her spot.

Chamber projects will be divided up and assigned to the three divisions. This isn't

going to be a year in which the directors do it all from putting up chairs and tables for the annual banquet to cleaning up the place after the rest have gone home.

It's YOUR Chamber and YOU are going to get YOUR chance.

It's not hard to guess that Larry's plan will work too. Get a person interested in a project and you've usually got a dedicated member.

To paraphrase a rather famous American quotation, "Ask not what your country can do for you, but what you can do for your country."

"Chamberized", it comes out like this: "Ask not what your Chamber is doing, but what are you doing in your Chamber."

How about it?

## To expand Taba'na Yuan'e

Next week will be "Indian legend time" again with the direction of the sunrise winds Wednesday morning indicating crop prospects for 1978.

Again Frank (Chief) Runkles will perform his Taba'na Yuan'e ceremony in city-county park at 6:50 a.m., and from it Post will receive an unbelievable amount of regional and national publicity, especially on the TV networks.

There of course is no charge to witness the ceremony but if you're hungry the catered breakfast at 6:30, or earlier, is available in the 4-H building with lots of hot coffee.

As a publicity promotion, Taba'na Yuan'e is one of the best things ever undertaken by the Chamber of Commerce because it has wide appeal both from the standpoints of crop prospects and Indian lore.

Chief Runkles wants to expand the ceremony and Chamber directors at their first meeting of the new year this week quickly agreed to his suggestion. There won't be time to add to the "agenda" this year, but in 1979 the Chamber is hopeful of working up an expanded format which should make for ever a better crowd-pleaser and better publicity draw.

It's all on the Chief's shoulders now, and has been since the beginning, but it is going to be interesting to see what can be planned and added a year from now.

The trouble with Chamber promotion of the event in recent years is that it comes so closely after the change in Chamber administrations, little time is left for planning. But now the present administration is going to handle and expand the project for 1979.

## Put pancakes on menu

The Rotary Club's Pancake Supper tonight fulfills a twofold purpose. It gives local folks a chance to sit down together, and the opportunity to make a small but worthwhile contribution to another important local project.

Last year, the benefit was for the hospital. Tonight it is to raise some funds to help build a Garza Trail Blazers clubhouse in the Algerita Hotel.

Before the year is out that clubhouse is going to be completed and will become the hub of senior citizen activities in this community. For them, it will be a place of their own, where they can leave their hobby work out and not be required to vacate the premises as it is necessary for everybody to do from time to time in the community center.

It's too bad we don't have "before" pictures of that first floor hotel interior. That's because the "after" pictures are going to look so good.

David Newby is virtually giving a year out of his life to build these clubrooms. We think

he has a real soft spot for the old hotel. Remember he was the guy who boarded up all the broken windows and took most of the "soreness" out of it being an eye sore quite a number of years ago.

The place has a new roof on it now and the crumbled back wall has been "fixed." But the work this year is to build the clubhouse, complete with new wiring, new plumbing, and if there is money enough to give the old Algerita some outside eye appeal by restoring it as it was when it was built.

The pancake supper isn't going to raise enough money to do all this of course. But every dollar it raises will help. Most towns our size long ago got themselves a nice senior citizens center. We're just catching up—and doing it the hard way, moving ahead on the work with donated vision, donated labor, and donated dollars.

So let's eat some pancakes tonight, listen to the music, and put two bucks—or however big a contribution you want to make—to good use in our community for a group of folks who deserve "a place of their own."

## SOME REDUCTIONS TOO—

### Phone firm seeks big installation increase

AUSTIN — General Telephone Company of the Southwest has filed revised tariffs with the Texas Public Utilities Commission which would give a credit to customers who provide their own primary instrument, reduce all extension rates and greatly increase service connection charges in many parts of the state.

R. Rex Bailey, vice president-revenue requirements for the company, said the filing is not a rate case filing but is being made in response to a PUC order issued to all Texas telephone companies. The order requested all companies to file tariffs in compliance with the new Federal Communications Commission registration program under FCC Docket 19528.

Bailey explained the filing as basically providing a credit for customers who provide their own primary instrument and a redistribution of customers who provide their own

Bailey explained the filing as basically providing a credit for customers who provide their own primary instrument and a redistribution of revenues through reduced extension rates and adoption of a statewide multipart service connection charge. Effective date if approved would be April 15.

Under the new tariffs the company would provide a 55-cent per month credit to the bills of customers providing their own primary instruments.

At the same time, the company proposed to reduce all extension rates for both business and residence to 85 cents per month, resulting in an annual savings to existing customers of \$2,614,560.

However, Bailey said to offset this decrease in revenues, the company proposes to extend to all Texas exchanges the multipart service connection or change in service charge similar to the one now being charged in some major Texas exchanges and other states served by General Telephone Company of the Southwest.

He continued this would

result in \$2,611,995 in additional revenues from new customers or customers who request a change or addition to existing service.

"The five-part service connection charge is designed to pass the cost of providing each service to those customers using the service," Bailey explained.

The five-part service charge plan includes separate fees for:

1. Paperwork in establishing records for billing, etc., associated with the account;
2. Work performed to connect the customer's service to the telephone network;
3. Premise visit;
4. Customer-initiated premise wiring, and;
5. Instrument handling charge.

"Under this proposal, the customer pays only for services rendered," Bailey states.

The new charges, which would be a reduction from those already in effect in several Texas cities, would range from a minimum of \$34.50 to \$49.75 for a residence, the latter charge applying when all services are performed at least one time. Likewise, a business telephone installation or change of service would range from \$46.50 to \$73.00.

Bailey pointed out the five-part charge is designed to place the cost of providing the service on the customer using the service, not the entire customer group.

"The changes are being proposed to comply with the new FCC registration program and to change current rate structures which have become inappropriate as a result of the FCC decision," he explained.

"Traditionally, basic service rates have been based upon value of service concept. Rates for optional services or products such as extensions were priced to contribute to basic service rates in an effort to keep basic rates at the lowest possible level."

"Now, under the current FCC program, the company believes extension telephones and nonrecurring activities such as service

connection charges should be closely related to actual costs, and that is what the revised tariff filing proposes."

Bailey said the end result will mean roughly the same amount of revenue for the company, in fact, an estimated \$2,500 loss in revenue, with the reduced rates for extensions offsetting the increases to be received from the multipart service connection charge.

## POT LUCK SUPPER

The Close City Community Club will have its pot luck supper and a short business meeting this Saturday, March 18 at 7 p.m. in the community center. Due to bad weather, the Friday meeting was cancelled. Short business meetings are needed. Members and non-members are urged to attend as plans for the coming year will be discussed. Visitors are always welcome to attend these suppers.

## IDEAS Tips To Help You

Surprising to some American homeowners is the fact that electric heat is not only more efficient than gas or oil heating systems—it can save you money as well.

Unique to electric heating is the fact that you can control the heat in each room of your house. This is called a zonal system. By turning down your thermostat to, say, 60 degrees in rooms not being used, you not only protect your budget, but conserve energy, too.

## Motorcycle rodeo set

By D'LINDA TYLER  
 Graham 4-H club met Tuesday night, March 14 to discuss plans for a motorcycle rodeo. The meeting was called to order by President Brad Mason. The motto and pledge was led by Phil Tyler. The roll call and minutes were read by Belinda Fluitt. Congratulations were extended to the stock show contestants and winners.

The date for the motorcycle rodeo was set for April 15 at 7 p. m. Seven events were decided upon with a two dollar charge per event. Gate admission will be \$2 for adults and \$1 for children under twelve. Several committees were appointed and the club will meet next Tuesday night at 7:30 p. m. to discuss progress.

Refreshments were served to the following: Clay, Curt and Lisa Cowdrey, Belinda Fluitt, Brad, Brent and Kelly Mason, Patti, Michael and Roxanne McClellan, Kirk Stevens, Barry, Phil and D'Linda Tyler, Orabeth, Noel and Steve White, Jane Mason, Mr. and Mrs. Gerald Norman, Glenda McClellan, Morris Tyler, Glenda Stevens, Jeannie Cowdrey and Helen Mason. The refreshments were served by Rynn, Kim, Jay, Jarita and Amber Norman.

## Denver City's gas plight

If you think your gas bill was high for February read about the situation at Denver City, a town which owns its own natural gas distribution system.

Denver City is hooking up a new propane injection system to mix propane with its too expensive natural gas.

Although the propane costs more normally than natural gas it does not cost nearly as much as the \$5 per thousand cubic foot penalty the city is now having to pay El Paso Natural Gas for exceeding its natural gas quota for the community.

Denver City must pay \$5 penalty plus the cost of the gas for the amount exceeding the community's six months quota.

By the end of February, the Denver City penalty alone totaled \$55,233.

The city council will pass along the penalty to all its customers who use over their individual quotas.

Denver City built an injection system to mix propane with natural gas in an effort to hold down the cost. It's about to get into operation. The city hopes to get out of its penalty payments with the new system.

Cranberries will keep for 4 to 8 weeks in your refrigerator. Or you can freeze them with no preparation.

# 205 women attend Caprock district convention here

The 18th annual convention of the Caprock District of Texas Federation of Women's Clubs was held in the Post Community Center last weekend, March 10 and 11 with approximately 205 delegates attending.

Convention theme for this year's meeting was "Volunteers-Achievement; Recognition."

Registration began at 11 a.m. Friday with each guest attending receiving a 'ditty' bag. The bag contained pencils, paper, date books and other useful items but the unique item was a box of "Post cereal".

A welcome by Mayor Giles McCrary and Mrs. Willard Kirkpatrick, president of the local Woman's Culture Club, began the afternoon activities.

An election of officers was held during the business meeting Friday afternoon with Mrs. E.H. Boedeker of Lubbock being elected president of the Caprock District, succeeding Mrs. Jack Akin of Denver City.

Other officers elected were first vice-president, Mrs. James Davis of Silvertown; second vice president, Mrs. Glenn E. Reeve, Friona; third vice president, Mrs. Orval Williams, Anton, and junior director, Mrs. Gary Weaks, Silvertown.

Mrs. Harold Green of Tahoka was endorsed for the office of state third vice president. The new state officers will be elected in April at the state convention in Austin.

An Achievement banquet concluded the days activities Friday night at 7 p.m., with Mrs. Jack Akin presiding.

Special awards were presented to the overall winner of arts and crafts, leadership development, year-books, outstanding club program, high point club, poetry, outstanding clubwoman and a presentation to Girlstown.

Mrs. M.L. Sanders Jr., of Ralls was selected as Outstanding Clubwoman. The Post Culture Club won a first place in the international affairs department and the Amity Study club won a second place in the conservation, environmental action department.

Varied musical selections were given by the high school boys quartet of David Morrow, Steve Shedd, Bryan Elliott, and Mark Williams, with director Georgie Willson as accompanist. The quartet received a standing ovation by the convention.

Registration began Saturday morning at 8 a.m. in the center with the Fashions for Fun judging held shortly after. The general convention reconvened with club presidents' oral reports, presentation of club awards, and department reports all presented.

A recognition luncheon was held at noon with a fashion show presented by various club members who had entered garments in the Fashions for Fun contest. Judges for the fashions were Frances Camp, Nancy Flanagan and Paula Cawthon.

The closing session included the country store report (Members donated items to be sold) made \$419.35 for the Texas Federation of Women's Clubs historical foundation, a registration report was given and an invitation was given to the 1979 Caprock District Convention. Adjournment was called at 3:30 p.m.

Conventioners visited an arts and crafts display with Mrs. Ronald Babb winning a blue ribbon for a decorated shirt. Judges for the crafts were Mrs. David Newby, Mrs. Jack Kirkpatrick, and Glenda Morrow. The best of show award in art went to Beth Thompson of the Modern Study Club of Friona for her painting "Work Day". The best of show in crafts went to Mrs. E.B. Rainer of Lubbock Woman's Study Club for her decorated egg.

MRS. LARRY SCRIVNER (Sandra Kay Bostick)

## Bostick-Scrivner nuptials Saturday

Sandra Kay Bostick and Larry Glenn Scrivner exchanged wedding vows Saturday, March 11, at 2:30 p.m. in the Faith Lutheran Church.

The double ring ceremony was officiated by Rev. Don Johnson of Lubbock and assisted by Rev. Robin Steinbronn of Friona before an altar decorated by candles and arrangements of Killion lilies and white daisy flowers. White bows with yellow daisies marked the bride and the couple lit a unity candle.

Members of the bride are Mrs. Frank Bostick and the groom is the son of Mrs. and Mrs. Lowell Scrivner.

The bride, presented in white by her father, carried her mother with a white rose before the ceremony and her mother carried a white rose following the ceremony. The bride wore a formal length gown with a high neckline of yellow silk Venice lace, a length sheer Bishop veil of lace with a deep ruffle at the wrist. Her hair was fashioned in a see thru sheer yolk and with Venice lace and styled with pearly motifs. The full a-line skirt was into a chapel length. The headpiece was a

Juliet cap of matching lace holding a low edged veil of illusion. The bride carried a bouquet of cascade white and yellow roses and baby's breath. Carrying out the tradition of some new, her dress, blue, her garter, borrowed, hair pin, old, a penny which she wore in her shoe.

Penny Howell of Girard, cousin of the bride served as matron of honor and wore a gown of yellow organza fashioned with a Victorian neckline. She wore a band of silk yellow roses in her hair and carried a nosegay of yellow and white daisies and baby's breath.

Candles were lighted by Tanya Bland, niece of the bride. Serving as best man was Gary Briley of Post.

Ring bearers were Lance Bland of Post and Randall Bostick of Waco, nephews of the bride. Acting as ushers were Danny Bostick of Waco, brother of the bride and Larry Moreman of Post.

Traditional wedding music was provided by Georgie Willson, organist who played "Twelfth of Never" and the "Lord's Prayer". Registering guests for the wedding was Gwen Scrivner of Snyder, cousin of the groom.

A reception followed the ceremony in the parish hall. Serving at the bride's table was Shirley Bland, sister of the bride and Sharon Bostick, sister-in-law of the bride. A four-tiered wedding cake trimmed with daisies and angels topped with a pair of wedding bells was served from a table laid with a yellow satin cloth overlaid with lace. An arrangement of yellow and white daisies and baby's breath was used in an arrangement with a three-tiered candelabra. Crystal and silver appointments were used. The groom's table was laid with yellow satin and lace and chocolate cake and punch were served by Karla Gribble, sister of the groom and Debbie Moreman.

Following a wedding trip, the couple are residing in Post. The bride and groom are both graduates of Post High School. She is employed by Retail Merchants Association and he is engaged in farming.

Out of town guests registered from Lubbock, Lamesa, Hart, Girard, Snyder, Clifton, Saint Jo, Stephenville, Hereford, Valley Mills, Amarillo and Carlsbad, N.M.

Conventioners visited an arts and crafts display with Mrs. Ronald Babb winning a

# Butch and Cindy Mr., Miss PHS

Butch Booth and Cindy Kirkpatrick have been selected for the honor of Mr. and Miss PHS for 1977-78.

Butch, a 2-year letterman on the varsity football team and an outstanding member of the Antelope band, is well known around Post High School for his goofy grin and happy-go-lucky attitude. Cindy, who is head cheerleader, homecoming queen, a member of the National Honor Society, and plays on the Does team, is also well liked for her friendliness and her sunny disposition.

Named as senior class favorites are Bruce Waldrip and Donna Josey. Junior class favorites are rather unique in that they are brother and sister, Danny and Nita Jo Gunn.

Meg Reed and David Poole are sophomore favorites for 1978, and Barry Morris and Tricia Craig have been named freshmen class favorites.

The election was sponsored by the publications staff under the direction of Tricia Dudley, editor, and Mrs. Florene King, sponsor.

## Spotlight on SENIORS

Kelly Mitchell is the first senior this week. She is the daughter of Mr. and Mrs. Mike Mitchell and has lived in Post all her life.

Kelly has been a valuable member of the Does basketball team and was named to the all-district team last year. She has also participated in NHS, the junior play, UIL poetry interpretation, secretary of the FHA, president of the choir and cheerleader for four years.

She has no definite plans for a career, but does plan to attend Texas Tech this fall.

The next senior in spotlight is Charles David Morrow. David is the son of Mr. and Mrs. Charles Y. Morrow. He was born in Post and has attended Post schools all his life.

In his spare time, David enjoys reading, listening to music, cooking and being with friends.

During his years at PHS, he has been active in many organizations and extra-curricular activities. He plays oboe in the band and has been drum major for three years. David has also been a member of the all-region band for four years, and first chair for three years. He has qualified for the state solo and ensemble contest in flute, oboe solo and woodwind trio. Last year, he was rated superior in oboe solo. David has been named Outstanding Bandsman for the past two years.

David has also been part of the Post Choirs, both mixed and boys. He has been selected to the all-region and all-state choirs for two years. He has earned two Superior ratings at state in voice and was selected as Outstanding Performer in 1976.

David has been active in speech and drama at PHS. He won third place in state in informative speaking, and two all-star cast awards in one-act play. He has also appeared in three all-school plays and the junior class play.

Last year, he served as vice-president of the student council. He also placed first in UIL Ready Writing contest.

After graduating from Post High School, David plans to attend Texas Tech and major in vocal performance.

### SPC plans Tejano Day on March 31

LEVELLAND — Entertainment, a chance for college scholarships, and a dance will highlight Tejano Day March 31 on the South Plains College campus. The theme is "Lo Podemos Hacer" or "We Can Make it Happen."

The special day is aimed at junior and senior Mexican-American high school students throughout the South Plains area, according to Adam Gonzales, SPC foreign language instructor and sponsor of the host organization, Los Tejanos.

CLASS FAVORITES — Shown above are the newly elected class favorites. Seated l to r, Meg Reed, Donna Josey, Nita Jo Gunn, and Tricia Craig. Standing are David Poole, Bruce Waldrip, Danny Gunn and Barry Morris.

### VFW visit made to Big Spring hospital

Local VFW members and their wives visited the Big Spring VFW Hospital recently and took fruit, cake and cookies to the patients there.

The local club also received \$700 credit for the books, magazines and stationery that they took to the patients.

Attending the visit were Jake and JoElla Sparlin, Dink and Joe Boren, Lola Ryan, Matt Mathews, MaLeecy Johnston, Margaret Sharp and Mr. and Mrs. Andy Stelzer.

### Nurse's cap to Justiceburg girl

Da la Hudgens of Justiceburg was one of 14 West Texas College students receiving caps in graduation and capping ceremonies for vocational nursing students of that school held recently in the Colonial Baptist Church in Snyder.

Ten other students were graduated. Students and their families were honored at a reception in the fellowship hall of the church following the ceremonies.

### Slaton faces growth pains

SLATON — School authorities here are beginning to wonder if this community's \$3,800,000 worth of school improvements are going to be enough, even before bids for the construction are opened (not due until April 4.)

Cause of the dilemma is the upcoming integration of Lubbock schools and busing of students between some schools.

This community is just getting development started on a huge new home building project on the north edge of town adjacent to US-84 into Lubbock. Included will be a 36-unit apartment project announced only last week.

Developers of the several blocks of new home sites of course help to attract families of Lubbock workers.

School officials had planned for a normal growth through the new housing development. But after all plans were drawn and bonds sold what was unforeseen

## Tune in to Morrow

By DAVID MORROW

Members of the Biology class were working in the lab the other day when Terry remarked that she saw something run across the floor. Since there is a gerbil living in the store-room, we naturally assumed it had gotten loose. I got down on the floor and poked around in some boxes, when suddenly, staring me in the face, was not a sweet, innocent gerbil, but a big, ugly, nasty, slimy mouse! I then proceeded to frighten Danna and Terry to death

and make a complete mess of myself by screaming and leaping onto a lab table. Some reason, I had a strange idea of mice, so if you ever scare me into a corner now you know how I feel.

A big congratulatory order for the members of the Post High School who represented us well at regional UIL Awards like these result of hard work and dedication. Good choir!!

### Lunch Menus

### Meal grant for Garza

LUBBOCK — The Office on Aging, South Plains Association of Governments has received a grant from the Governor's Committee on Aging for a rural nutrition program to serve residents of Hockley and Garza Counties. The grant is one of 19 awarded across the state.

Garza County's program will be contacted by the Trailblazers; Hockley County will be served by the Hockley County Senior Citizen Association's RSVP project in Levelland. All programs will be under the direction of the South Plains Office on Aging located in Lubbock. The grant will eventually be expanded to serve the 14-county area in addition to the currently operating Title VII program in Lubbock County.

A hot meal will be served noon at a central location

### Spur man heads U. S. phone coops

SPUR — James R. Wright, general manager of Caprock Telephone Company headquartered here, has been elected president of the National Telephone Cooperative Association at its 34th annual meeting in San Diego, Calif., recently.

Wright has been a member of the NTCA board of directors since 1962 and served as vice president of the organization the last two years. The organization had 2,000 delegates for the convention. NTCA represents over 270 rural telephone systems located in 34 states.

and home delivered meals will be available for those who are temporarily unable to attend the congregate program. Participants will also benefit from additional supportive services.

# Krueger campaigns here

Congressman Bob Krueger of New Braunfels, a most unusual candidate who is seeking Republican John Tower's seat in the U. S. Senate, brought his campaign to Post Monday afternoon.

It was a shame that his advance publicity didn't arrive here until after last Thursday's Dispatch, so more people could have had the opportunity to meet and hear him during a coffee in his honor in the community room.

No other Texas politician has his PH. D degree from England's Oxford University and has served a major university as one of the youngest deans in the nation, as Krueger did at Duke University before returning to Texas to oversee operations of his family's Krueger Brangus Ranch in East Texas.

Now serving his second term in congress, Krueger was selected in 1976 as "the most effective first term Democratic congressman."

This 42-year-old Texan, who is described as statesman-like, rich, handsome and fond of quoting Shakespeare, has been called in Washington "a political romanticist misplaced in the 20th century." But that writer quickly added: "Yet his eloquence and academic roots are perfectly acclimated to the changing political times of the '70's."

Krueger showed both charm and a low key campaign style here Monday afternoon as he met a good number of Post and Garza folks and made a five

minute talk on what he sees as the issues.

"I come from a small town where people really care," Krueger said, "and most people I encounter don't want the federal government to solve all their problems but just to give them a little more room."

Touching on the farm situation, Krueger said he is co-sponsoring Jack High-tower's bill in the house which would give farmers better prices for their products as they reduce plantings on a sliding scale.

He said this legislation is very similar to the bill which cleared senate committee Monday.

"I've worked hard on energy policy," he declared. "I don't expect people in other states to pay more for Texas oil and gas, but I certainly am not satisfied when they pay less than we do in Texas for our own energy. That is directly discriminatory against the state."

Krueger said he was offering a bill which would require the same inspection procedures for imported meat as now required for domestic meat, that imported meat be so labeled all through the marketing process, and that importation of live cattle from Mexico be counted as meat import quotas.

He predicted emergency farm legislation now has a real chance for passage in this session of congress.

Commenting on President Carter's \$500 billion federal budget, he said that amount "was certainly more than any group of men can spend wisely" and called for reducing the federal spending rate, which he said is running far ahead of the nation's inflation rate.

He said his campaign is going well, there is an increasing amount of interest in the race, and polls are very encouraging.

Commenting he had been told here that Senator Tower hasn't been in Post in his entire 17-year political life, Krueger said this is my second visit and I'll be back again before the campaign is over."

**COTTON TALKS**  
 FROM PLAINS COTTON GROWERS, INC.

LUBBOCK — County Agricultural Stabilization and Conservation offices are now in the process of figuring the "established" yield to be used on each farm in the 1978 government cotton program, following a new formula just in from Washington.

The results will affect potential producer benefits under the program, and this in turn may have some effect on producer planting decisions.

Producer payments under the disaster section of the program, and price deficiency payments, if any, will be based on each farm's established yield as opposed

to actual yield. Disaster payments will be made to program cooperators at the rate of 17.3 cents per pound times the established yield when crops are destroyed or production severely reduced by drought, hail or other factor beyond producer control. Price deficiency payments, which will be due only if the national average price paid to farmers in 1978 falls below the 52-cent target price, will equal the amount of the short-fall times established yield.

In essence the new ASCS instructions call for basing established yields on the average actual yields for the past three years. However the average yield for the best four of the last five years will be taken, and if this average is below any one of the yields of the last three years, the four-year average will be substituted for that low year.

The three-year average calculated in this manner will be the farm's established yield, except that no farm's 1978 established yield will be lowered more than ten percent from 1977. Thus farmers at this reading can assume that their established yield. And, since 1973 and 1977 were both good years, some farmers may have a higher established yield in 1978 than in 1977.

In forming an example of the new yield-computing formula, Plains Cotton Growers, Inc., Lubbock, used 1973 through 1977 average actual yields for the 25 High Plains counties in PCG territory. The area average was 498.1 pounds per acre in 1973, 263.5 pounds in 1974, 278.8 pounds in 1975, 365.46 pounds in 1976, and is estimated at 445 pounds in 1977.

Thus the average of the best four of these five, leaving out 1973, comes to 396.8 pounds per acre. This figure substitutes for the low 278.8-pound yield of 1973, giving a three-year average, 1975 through 1977, of 402.4 pounds per acre.

This figure would be the 25-county average established yield, assuming that the ten percent reduction limit did not come into play.

12 noon, 8th boys shot, 8th girls discus, 9th boys high jump, 9th girls triple jump, and 7th boys long jump.

1 p.m., 9th boys shot, 7th girls discus, 7th boys high jump, 8th boys pole vault, and 8th girls long jump.

2 p.m., 9th girls shot, 7th boys discus, 7th girls high jump, 8th girls triple jump, 8th boys long jump, more to this story.

## Post tumblers win trophies

The Post gymnastic team won three first place trophies, three second place ribbons and three third place ribbons at the recent Shallowater Invitational Tumbling Meet which drew a field of 10 teams.

The Post team was composed of these 16 students of Jackie Arwine:

Matt Pennell, Patty McCowen, Stacy McWilliams, Risa Willard, Keitha Beth White, Kerri Hart, Keith Hart, Rhonda Storie, Leigh McCook, Jeff Lamb, Cheryl Thompson, Kenda Williams, Korri Payton, Mara Jones, Trudy Woods and Melody Schuartz.

## Williams wins long jump in Odessa meet

Johnny Williams won the long jump Saturday in the West Texas Relays at Odessa as Coach Lane Tannehill's Post Antelopes opened their spring track season by placing eighth in the big meet's AA division.

The Lopes also picked up a third and three fifths for a total of 24 points, as the talent-rich Slaton Tigers ran off from the field to score 120 points and an easy victory.

Stanton was a long distance second with 70 points, followed by Van Horn 52, Permian JV 30, Coahoma 49, Denver City 32, Kermit 30, Post, Odessa High JV 23, Lubbock Christian 21 and Ector JV 20.

Williams got his 10 points for first with a leap of 19 feet, 7 1/2 inches.

Bryan Compton was fifth in the same event with a best leap of 18 feet, 5 3/4 inches.

Cliff Kirkpatrick picked up the Post third place points in the 330 yard intermediate hurdles with a 43.1 second clocking.

Evans Heaton got a fifth in the pole vault, clearing 11

feet, and Post's 440 yard relay team, composed of Butch Booth, Kohen Josey, Steve Davis and Brent Terry, got the other four points with a fifth place finish in 46.3 seconds.

Other members of the track squad competing for Post included Rance Adkins, Shawn Scott, Bobby Finch, Larry Rodriguez, Walter Perez, David Hawkins, Jerry Perez, Rex Cash, and Eddie Bass.

## Lopes to Whirlwind relays at Floydada

The Post Antelopes will compete in a 10-team field in Division II of the Whirlwind Relays at Floydada Friday in its second meet of the season.

Other teams in Division II will be Abernathy, Dimmitt, Floydada, Frenship, Idalou, Lockney, Littlefield, Morton and Tulla.

Five field events will get under way at 10 a.m.,

## 8th grade teams are fourth and sixth

The eighth grade boys finished fourth with 69 points and the girls sixth with 36 points in the Coahoma track meet Saturday.

The only first place finish went to Steve Fielder in the 330 yard dash with a finish of 42.0, and Trushell Marts earned the only first place ribbon for the girls for her winning long jump.

The results are as follows: 8TH GRADE BOYS High Jump: Price, sixth. Shot Put: Price, second. 440 yd. relay: Scott, Lamb, Fielder, Price, second. 100 yd. dash: Price, third.

**NEW STATE CHAMPS** — Forward Lynn Webb, kneeling right, is one of the principal reasons for the Slaton High School girls basketball team won the state AA cage title in Austin Saturday. She is the granddaughter of Mr. and Mrs. Jake Webb of Post — and that is the reason for this picture. In the 78 to 50 win over Pflugerville Lynn scored 36 points and in Slaton's 55 to 45 triumph in the finals against Granbury Lynn rang up 36 more. Shown with Lynn is senior guard Roxanne McDonald. Standing is Coach Cathy Wilson. Another Slaton player not shown in the picture is Chris Kennedy, whose grandmother also lives in Post, Mrs. Pete Kennedy.

## 7th boys second and 7th girls are third

The seventh grade boys and girls finished second and third respectively in the Coahoma Puppy Relays held Saturday.

The boys finished the meet with 117 points behind the host team, Coahoma who had 120 points.

The girls wound up with 73 points to earn their third

place finish, with Monique Claborn earning 30 of those points with three first place finishes.

Events, entrants by last name only and placings follow:

## Three Post Does are all district

Three Post Does were selected on the 14-player 5AA all-district girls basketball team for the 1977-78 season—and a fourth received honorable mention.

Receiving all-district honors were Debbie Wyatt and Nancy Clary, forwards; and Lisa Cowdrey, a guard. Karla Kennedy received honorable mention.

The Slaton Tigerettes, district champs who went on to win the state championship at Austin, placed five of their six starters on the all-district squad.

These included Lynn Webb, Chris Kennedy and Cynthia Robinson, forwards; and Roxanne McDonald and Debbie Bednoz, guards. The sixth, Janee Jensen was one of the four honorable mentions.

The all-district squad, 12 were to be selected but two ties brought the total of 14, was voted recently by district coaches but announcement of the selections were withheld until Slaton's state championship triumph.

Others named to all-district were Tonia Ivey of Frenship and Debbie Parker of Roosevelt, forwards; and Bonnie Adams of Roosevelt, Susie Smith of Frenship, Barbara Mann of Roosevelt, and Lynett Martin of Cooper, guards.

The five unanimous selections were Ivey, Webb and Kennedy, forwards, and

## Holly wins 3 of 4 matches

Raymie Holly won his first three matches in the Brownfield tennis tournament boys singles at Brownfield Friday before bowing to Howard Moore of Lockney 6-2, 6-1 Saturday morning.

He ousted Shelby Brake of Slaton 6-4, 0-6, 6-1 in the first round, Weldon Nichols of Forsans 6-0, 6-4 in the second, and David Henning of Seagraves 6-7, 6-3, 6-2 in the third round.

In the doubles Mike Holly and Jimmy Pruitt defeated Summers and Martin of Forsan 5-7, 6-0, 6-2, before being eliminated by Bristow and Barron of Lamesa 6-1, 6-0.

In the other singles Pat Mitchell lost a three-setter to Wendell Click of Wellman 2-6, 6-2, 4-6. The other Post doubles team of Jackie Steizer and Mike Macy also lost a three-setter to Martin and Hollandsworth of Forsan 4-6, 6-3, 4-6.

In girls singles, Leanna Davis lost to Linda Sellers of Seagraves 5-7, 6-7, and Debbie Wyatt was eliminated by Meonie Pavado 2-6, 4-6. In the doubles Cindy Kirkpatrick and Nancy McCowen scored a 6-4, 6-4 win over Hemmeline and Turner before losing to Pearson and Wood 6-0, 6-1. Susan Sawyers and Peggy Jackson lost to Verden and Bures 2-6, 1-6, and Charla Macy and Holly Giddens were defeated by Ward and Fitzgerald, 4-6, 1-6.

**Texas Farm Bureau supports Dole bill**

WACO — The Texas Farm Bureau will support legislation which would provide higher payment incentives for cutting acreages of wheat, feed grains, and cotton this year, according to Carrol Chaloupka of Dalhart, president of the 214,000-member organization.

The Texas Farm Bureau Board of Directors recently adopted a recommendation to the American Farm Bureau Federation which states, "We support higher target prices and set asides such as those proposed in the Dole Bill."

The AFBF Board, of which Chaloupka is a member, was scheduled to meet March 5-9 in Washington, D.C.

"Our intent is to get a workable program that will pump money immediately into the farmers' pockets, reduce production, and not be too costly to taxpayers," the Dalhart cattle and grain producer said.

"We are not locking ourselves onto any one proposal, but are free to work in any way we can for the principles of the Dole Bill which is designed to cut production in return for higher target prices," Chaloupka said.

The Dole Bill (S. 2481) By Senator Robert Dole of Kansas provides a formula of variable government-set target prices for set aside acres. The more a farmer sets aside, based on past history the higher his target price would be. The government would pay the farmer the difference between the market price and the target price. This is known as a "deficiency" payment.

Under the Dole Bill, a 50 percent reduction in wheat acreage would provide a target price of \$5.00 per bushel.

Corn acreage reduced by 50 percent would result in a target price of \$3.45 per bushel. Grain sorghum, and other feed grains if the Secretary of Agriculture so designates them, would have a target price based on

corn. Cotton producers would earn a target price of 84 cents a pound by cutting acreage in half. Theoretically, the program should not be costly to the taxpayers. If production is cut enough, market prices would rise and the "deficiency" payments would be minimal.

1 out of every 3 acres of cotton on the High Plains is planted to PAYMASTER varieties (U.S.D.A. statistics). PAYMASTER 266 is just one reason why.

PAYMASTER 266 proved that it is in a class by itself in the Texas Agricultural Experiment Station, Verticillium Wilt Tolerance Test at Lubbock. Over a 6 year period, from 1971-1976, PAYMASTER 266 yielded more lint pounds per acre than any other competitive variety tested.

Because of its high tolerance to Verticillium Wilt, PAYMASTER 266 has been acclaimed by researchers as being one of the best available varieties of upland cotton. PAYMASTER 266 is a Plains type variety with all the characteristics necessary to make it one of the BEST MONEY MAKING varieties you can plant.

For an early maturing, highly productive, superior verticillium wilt tolerant cotton... plant PAYMASTER 266... you simply can't go wrong!

### Historic group to send six

Six members of the local Garza County Historical Commission will attend the state meeting April 28-29 in San Antonio was announced at the commission's regular meeting March 7 in the bank community room.

Repairs on the Post Sanitarium property was discussed and several different examples of revenue projects were shown to those attending.

Attending the meeting were Maxine Marks, Ruby Kirkpatrick, Gwen Boren, Nita Burruss, Winnie Tuffing, Mr. and Mrs. Tom Bauchier, Evelyn Neff, Vada McCampbell, Lottie Shelton and Phyllis Morris.

### Big grant to South Plains action group

Approval by the Governor's Office of a \$106,956 Community Services Administration grant to fund ongoing community action programs provided by South Plains Community Action Association, Inc., in Levelland is announced by Ben F. McDonald, Jr., executive director of the Texas Department of Community Affairs (TDCA).

TDCA's Economic Opportunity Division has review responsibilities for the grant.

The grant includes \$18,000 for administration, and

\$88,956 for local initiative programs. Funded for a 12-month period that begins March 1, 1978, the grant is made under Title II of the Head Start, Economic Opportunity, and Community Partnership Act of 1974.

Administration funding will be used to continue the management of the agency both of CSA-funded programs and for other programs for which the agency has contracts; to provide staff and Policy Advisory Council training; to seek increased participation of civic, church and community-based organizations in the community action program; and to mobilize resources.

Local initiative funding will be used to operate a system of 12 neighborhood centers; to achieve active participation of seven County Advisory Committees; provide transportation, referrals, and general social service counseling to 3,000 low-income families; to work with 400 low-income families toward eliminating their most pressing social problems; to maintain sites for delivery of health care services; to provide education counseling for school dropouts, to increase school attendance, and to students interested in vocational training, home nursing, homemaking, consumer education, nutrition, etc.; to provide education classes in driver's license training, home nursing, homemaking, consumer education, nutrition, etc.; to continue community development programs; and to improve services to migrants in the area.

**FREE ART CLASSES**

Jim Huntley, James Mitchell, Lorene Blacklock, Lillie Kitchen and Maxine Marks. Anyone who is interested in art is invited to attend the classes.

### Garza director to be named

Garza County cotton producers and agribusinessmen will elect a businessman director to Plains Cotton Growers, Inc. at a 7:00 p.m. meeting Thursday, March 16, in the community room of the First National Bank, Post.

Announcement of election arrangements comes from Wayne Carpenter of Post, Garza County producer director to the 25-county commodity organization, and Lewis Herron, also of Post, current businessman director. Each of the counties in PCG territory has two directors, one a cotton producer and the other a businessman. They are elected on alternate years to serve two-year terms. Each is eligible for re-election every second year.

Carpenter and Herron are urging all interested parties to attend and take part in the election in which both farmers and businessmen are eligible to vote.

A member of the PCG staff will conduct the election, present a brief summary of PCG objectives and activities and answer any questions concerning the commodity organization and its work.

### Arizona rites for Charlie Taylor

## Senators told U.S. agriculture 'bankrupt'

WASHINGTON — T.A. Cunningham, president of the Independent Cattlemen's Association, appeared before the U.S. Senate Committee on Agriculture, Nutrition and Forestry recently to testify during an oversight hearing on the economic problems of the American Livestock industry. Cunningham emphasized strongly that "the time for decision making concerning agricultural legislative reforms is long overdue." "Agriculture as a whole is bankrupt," he said. "It is ridiculous for the finest agriculture in the world to

reach this condition." The ICA leader has continuously stressed during three years of testimony before congressional committees that if one segment of agriculture is depressed, all segments will soon follow. Now that all agriculture is bankrupt, he said, we are

risking the economic security of the entire country. Cunningham countered the position of the National Cattlemen's Association which told committee members that it is not practical to include live cattle in import quotas established by the 1964 Meat Import Act.

The Post (Tex.) Dispatch Thursday, March 16, 1978 Page 13

On the contrary, Cunningham said, "It is essential that the live cattle be included in import quotas." ICA has been working for several years to change the 1964 Import Act to include live cattle and reduce the number of imports allowed to enter this country. "Anyone should be able to understand what this has done to our market," said Cunningham. "According to

the Census Bureau, Mexico shipped 594,020 live cattle into the U.S. in December, 1977, alone. The total number of cattle imported from Mexico in 1977 was 1,025,250. From Canada, the total was 528,806 giving a grand total of live cattle from both countries as 1,544,056."

Also, he said, Mexico sets an allotment regulating the number of cattle shipped to the United States but there is no law in the U.S. governing how many live cattle we accept from Mexico. The U.S. rancher is at Mexico's mercy, he said.

Cunningham called on the committee to pass legislation to require inspection and labelling of foreign meat products as well as legislation that would revamp the existing import law.

"Do you think it is fair and honest for these foreign products to be mingled with ours, making it impossible for the American housewife to know whether she is buying a domestic product which has been carefully inspected and regulated or one from a foreign country which has had no restrictions?" Cunningham asked the committee.

The Independent Cattlemen's Association is working hard for passage of meat import limitation legislation sponsored in the Senate by Sen. Lloyd Bentsen and in the House by Rep. Jake Pickle, both of Texas. Pickle has obtained eight co-sponsors of his bill in the Texas delegation: Jack Hightower, Ray Roberts, Bob Krueger, Olin Teague, Charles Wilson, Sam Hall, George Mahon, and Omar Burleson. More co-sponsors are expected. Congressman Kika de la Garza has introduced similar legislation.

**BARNEY'S BOILED DINNER**

Now here's a hearty, hot meal that can simmer slowly all afternoon while you tuck about with your chores. Just start with delicious corned beef from Piggy Wiggly and our crisp, fresh vegetables and the next day if you have any corned beef left over - it will make a super-tasty "leftover".

4 lbs. brisket  
 1 bouquet garni (a mixture of thyme, bay leaf and celery powder)  
 2 cups mixed chopped vegetables (onions, carrots, celery, white turnips, parsnips)

8 leeks  
 3 carrots, quartered  
 6 cabbage wedges  
 6 potatoes, quartered

Place brisket in large kettle. Add 3 quarts cold water, 1 T salt and bouquet garni. Bring to a boil, simmering frequently. Reduce heat and simmer, covered for four hours. Add vegetables and simmer until tender about 45 minutes longer. Discard the bouquet garni and correct the seasonings.  
 To serve, remove the meat to a warm platter and surround with vegetables. Serves 8.

## Letters to the Editor

**MERCHANTS THANKED**

Dear Editor:

I wish to publicly thank the merchants of Post and Postex-Burlington for their support of Amity Study Club and Woman's Culture Club of Post. We do thank them for the beautiful door prizes furnished for our 18th Annual Caprock District Convention held this past Friday and Saturday at the Community Center in Post. And, we were delighted we had included the Boys Quartet of Post High School Choir as our musical entertainment at our banquet. They were wonderful and we wish them much success in their state competition.

Also, our thanks to Mayor Giles McCrary for his time and warm welcome, and our appreciation to the Post Dispatch for their coverage.

I see now why Mrs. Willard Kirkpatrick and Mrs. Charles Adams, presidents of the Post Clubs, are so proud of their town!

Thank You,  
 Mrs. Jack M. Akin,  
 President,  
 Caprock District

## LEGAL NOTICE

General Telephone Company of the Southwest has filed tariffs with the Public Utility Commission of Texas to implement the Federal Communications Commission's telephone equipment registration program (FCC Docket 1952B). The tariffs have an effective date of April 15, 1978. The proposed changes will reduce rates for extension telephones and 25 foot long cords; will restructure one-time charges for service connection, moves and changes, increasing some and reducing others; and will offer reduced monthly rates for one-party business and residence customers who provide their own primary telephone instrument. The proposed changes in rates, with some increasing and others decreasing, will reduce General's gross revenues from its Texas operations by \$2,565.00.

## No waiting in grain reserve

Beginning March 1, Garza County farmers can place their 1976 and 1977 wheat, barley, and oats under loan, directly into the grain reserve program without waiting for their price support loans or purchase agreements to expire.

The program offers farmers an opportunity to place their commodity in the grain reserve for a three-year period and receive storage payments annually in advance. Farmers, in return, must agree to hold their grain off the market until the price reaches an established level or the contract expires.

The national grain reserve should isolate approximately 715 million bushels of feed grains and 300 million bushels of wheat from the marketplace in order to increase commodity prices.

Syd Conner for the lamb division.

Judges for the show were Joe Ed Wise of Lamesa for steers and lambs, Bob Ballard of New Home for the swine and Leo White of Plains for the horse show.

Mike Dye won the horse show Friday afternoon with his gelding which brought him a \$40 premium and a first place trophy. Toby Craft with his first place mare also received a trophy and a \$40 premium.

Winning second in the mare class was Trasi Craft who received a premium of \$30; third went to Sheryl Anderson, \$20 and fourth to Jana Terry and \$10.

In the gelding class, Jana Middleton won second and reserves, or you have questions, stop by your ASCS office at 208 W. Main, or call 495-2420.

\$30; third place went to Ken Young and \$20 and D'Lynn Young took fourth for \$10.

Randy Conner took reserve champion honors with his heavyweight steer.

The champion duroc was shown by Lance Dunn and reserve champion by Kelly Mitchell. The champion Hampshire and reserve champion was shown by Derrick Dunn.

Breed champion of all other purebreds was shown by Derrick Dunn and reserve champion by Dale Redman. Breed champion in the light weight cross was won by Lance Dunn and reserve champion by Denise Smith.

The lamb division was won with breed champion southdown by Nancy Clary and reserve champion, Shelby Barley. Breed champion in fine wool was Randy Conner and reserve champion Adolfo Varela. Trasi Craft won the breed champion in the medium wool and Derrick Dunn the reserve champion. Toby Craft won the grand champion with a cross and Drew Kirkpatrick the reserve.

The auction was conducted by Danny Burns and Herb Henderson of Lubbock who opened the sale with a Chinese auction. The auction raised an additional \$100 for the jackpot and Benny Jackson walked away with a \$50 bill for his \$1 contribution.

At the close of the auction, the First National Bank announced it would raise the premium bids to \$300 on any animals sold for under this amount. Only three such raises were necessary.

Many a Texas cotton grower now wishes he'd planted his whole crop to Coker cottons last year. Coker 312 and Coker 5110 performed and yielded extremely well under both dryland and irrigated conditions. With grades, staple and "mike" well above average, the loan price on these cottons has been from 3 to 5¢ per pound above the average loan price. Join the big swing to Coker cottons this year!

**These men know it**

**DON M. SANDERS, Seminole, Tex., 1977 National Cotton Farmer of the year:**  
"My Coker 312 averaged 1100 lbs./acre on 390 acres. It's always been my highest yielder. It matures all at the same time, so when it's ready to strip, it's all ready."

**ED BOYLES, AVI FARMS, Seminole, Tex.:** "Coker 312 has always beat other cottons by 200 to 300 lbs. per acre. We averaged 1200 lbs. on 430 acres. I figure it cost me about 100 bales of cotton by not having all my crop in Coker 312."

**BRENT DAVIS, Lubbock, Tex.:** "I planted Coker 5110 & Coker 312 and averaged 980 lbs. acre on 80 acres. For this type soil, no other variety compares with Coker's production and staple."

**CLOIS BYARS, Vernon, Tex.:** "Coker 5110 bolts were all mature and open at the same time. It stripped easier and made me more money per acre on grade & staple than other varieties."

**COKER 312\***

Developed for the Texas High Plains. Preferred for its fast fruiting, early maturity and high yields under irrigated conditions. Has shown good storm resistance.

- ★ TURNOUT — 23 to 26%
- ★ STAPLE — 1 1/16" to 1 1/32"
- ★ STRENGTH — 82,000 to 88,000 p.s.i.
- ★ MIKE — Usually 3.5 to 4.3
- ★ MATURITY — Medium Early

**COKER 5110\***

A great dryland cotton! Performs better under stress conditions and makes more cotton with less water than any other cotton we know of. Very vigorous.

- ★ TURNOUT — 20 to 25%
- ★ STAPLE — 1 1/16" to 1 1/32"
- ★ STRENGTH — 78,000 to 85,000 p.s.i.
- ★ MIKE — Usually 3.5 to 4.3
- ★ MATURITY — Medium

## Twin Cedars Nursing Home News

By FLETA WALLS  
Sunday services were brought to us by Rev. Phillip Daniels of the Nazarene Church. Next week's service is scheduled by the Methodist Church with Rev. Conrad Ryan.

Bill Bartlett came to visit Monday afternoon and played the organ for our residents. Everyone enjoyed this tremendously. Our residents thoroughly enjoy any entertainment provided for them.

Our director of nurses, Toni Britnell has been out of town the past few days due to the death of her uncle. Everyone is glad to have her back with us again.

Visitors at Twin Cedars this week were: Barbara Green, Walter and Myrl Mathis, Phillip and Alma Daniels, Ella Mae Jones, Fern Strange, Mrs. Douglas Buchanan, Joyce Bailey, Beulah Tew, Virginia, Bill and Lottie Sanders, Inez McGrew, Lucille Walker, Mrs. James F. Sexton, Bill Clayton, Laura Mosier, W.E. Pierce, Mr. and Mrs. Tom Lewis, Sue Maxey, Ruby Kirkpatrick, LaVerne Hays, Mrs. W. B. Roberts, Ione Huges, Henrietta Nichols, Paul Sherrill and Tara, Jan Naron, Eddie Bea York, Castell Nelson and Ruby Bostick. There were others who failed to sign the register.

We at Twin Cedars were bereaved to hear of the death of Beulah Harper in Gorman. Mrs. Harper was a past resident of Twin Cedars and we still receive inquiries about everyone from Luther Harper. We all send our sympathy to Mr. Harper who reads the Post Dispatch through weekly subscription.

Until next week...

## CANCER ANSWER LINE

American Cancer Society  
M. D. Anderson Hospital and Tumor Institute

What do oncology, neoplasm and chemotherapy have in common?

While they may sound more like names from a Russian novel, they are actually medical terms commonly used in cancer treatment and research.

Because it is often human nature to fear that which we don't understand, words that sound complex and confusing do nothing to ease our fears of cancer.

A few of the most commonly asked about words concerning cancer are defined below. While this list is far from complete, it can serve as a useful reference to clip and save.

**ONCOLOGY** — The study of cancer which has become a specialty branch of modern medicine.

**CANCER** — A large group of over 100 diseases characterized by uncontrolled growth and spread of abnormal cells.

**NEOPLASM** — Any new abnormal growth of cells or tissues that may be benign or malignant but is usually used to describe a cancerous tumor.

**BENIGN TUMOR** — An abnormal swelling or growth that is not a cancer but causes a reaction by its pressure on adjacent tissues or organs.

**MALIGNANT TUMOR** — A tumor made up of cancer cells. These tumors continue to grow and invade surrounding tissues, with

the ability to break away and grow elsewhere.

**BIOPSY** — The surgical removal of a piece of tissue from a patient for microscope examination to determine whether cancer cells are present.

**CARCINOGEN** — A substance that causes cancer.

**CHEMOTHERAPY** — Treatment of cancer by administering chemicals and drugs to destroy the cancerous cells with minimal effects to normal, healthy cells.

**RADIOTHERAPY** — Treatment of cancer with radiant energy to destroy cancerous cells. Cobalt-60 is a commonly used radioactive element in radiotherapy.

**IMMUNOTHERAPY** — Treatment of cancer by stimulating the body's own immune system against the disease.

**SARCOMA** — A form of cancer that arises in the connective tissue and muscles, such as bone and cartilage.

**CARCINOMA** — A form of cancer that arises in the tissues that cover or line such organs of the body as skin, intestines, uterus, lung and breast.

## Congress must be held accountable for the laws it writes

Today, we're saddled with higher taxes than ever before and yet we get fewer services and benefits. Congress writes the tax laws.

Our Social Security payments are going up again, but the Social Security System is so mired in waste and inefficient management that many of our older citizens subsist on fatback and beans. Congress writes the Social Security laws.

Just about everybody you can think of has to fill out reports and forms in triplicate just to allow the government to meddle in your business. Congress writes the laws that require all these reports.

Thousands of people are out of work. And if you do have a job, inflation eats into your pay check before you even see it. Congress writes the laws that make economic policy.

Congress writes the laws that govern our lives. And Congress must be held accountable when these laws don't work. BUT IS IT?

We need someone who will be accountable in Congress. As your Congressman, Dusty Rhodes will be accountable to you. We need Dusty Rhodes in Congress.

vention here with stories and pictures. In fact, she came up with a whole page full of pictures on the stock show, see page 3, as well as three pix of the convention. It was darned good coverage of both major events.

Too bad there wasn't a larger crowd—74 on hand—for the drug education meeting at the community center Monday night when the operator of a halfway house in Lubbock described its operation and the programs available to help area folks lick the drug habit. Two former drug addicts told their stories, too, and one of them, we are told, was related to the Post drug scene. Interest shown by the crowd was proven by the long question and answer period which followed the three talks.

Don't forget to eat pancakes tonight with Post Rotarians at the community center and to turn out early Wednesday morning at city-county park to see Frank (Chief) Runkles make his fire—usually in a high wind—by rubbing sticks together. That never ceases to amaze the Taba'na Yuan'e crowd, most of whom have a much harder time lighting their cigarettes with matches in the same wind.

The Mixed Choir includes: Lea Ann Babb, Amy Ault, Jalena Bilberry, Penny Shedd, Melodie Willson, Pam Taylor, and Janice Bradbury, sopranos; Jerri Blacklock, Sharon Johnson, Gina Lee, Irma Raymundo, Donna Nelson, and Julie Raymundo, altos; David Morrow, Bryan Elliott, Shawn Scott and Pat Reidel, tenors; and Raymie Holly, Steve Shedd, Mark Williams, Tommy Reed, Mike Holly, and Mike Haas, basses.

## Girls sweep tennis dual

Post's girls tennis team swept a dual meet with Colorado City's girls here Monday afternoon, winning all nine pro set matches, while the Post boys team was being shut out by Colorado City's boys, not winning one of the 11 matches.

In the girls singles Debbie Wyatt defeated Lisa Babo 8-2, Nancy McCowen downed Diane Kelly 6-3, Cindy Kirkpatrick beat Teresa McClure 6-0, Nancy Clary defeated Kathy Wilson 3-0, Leanna Davis downed Sidney Stewart 6-3, and Susan Sawyers trounced Tammy Agullion 6-0.

In girls doubles, Clary and Kirkpatrick beat McClure and Wilson, 9-7, Leanna Davis and Susan Sawyers defeated Agullion and Stewart 8-1, and Wyatt and McCowen beat Babo-Kelly 8-3.

In the boys singles, Raymie Holly bowed to Freddie Alvarez 6-8, Mike Macy lost to Tony Franco 5-8, Jimmy Pruitt lost to Randy Anderson 8-9, Randy Conner was beaten by Dale Adams 4-6, Dick Kirkpatrick lost to Otis Ruffin 1-6, and Mike Holly bowed to Don Jones 8-10.

In the boys doubles, Pruitt-Kirkpatrick lost to Anderson-Ruffin 6-8, Conner-Holly bowed to Adams-Jones 1-6, R. Holly-Macy lost to Franco-Alvarez, 6-8, Chuck Black and Jackie Stelzer bowed to Bobo-Reeves 8-9, and Barry Tyler and Johnny Morrow lost 6-8.

Development Division will be the Fourth of July celebration, development of playground facilities in the west part of town, solicitation of playoff games for Antelope Stadium or the high school gym, an improvement certificate of month project.

Projects discussed for the Economic Development Division include the March 22 Taba'na Yuan'e celebration, rodeo parade, Double U Hereford Sale, retail promotions, business recognition, agricultural appreciation, shop Post first project, and supporting airport terminal building project.

Going to the Organization Affairs Division would be such projects as the annual membership drive, publication of a newsletter to the membership, rewriting of the Chamber's bylaws, and the annual Chamber banquet planning.

As Willard said at the recent Chamber banquet, "We're going to give each member a chance to work on Chamber projects this year in the field of his or her choice."

As soon as members signify their choice of divisions, the divisions will begin meeting regularly to plan and carry out their various assigned projects.

## Hospital willing--

(Continued From Page One)

Pooler that in the near future, the state commission will require such certificates as it now is in the process of revising its rules and the exclusion of emergency vehicular medical services from certificate requirements is not contained in the new rules.

City Councilman Jim Jackson and Sheriff Jim Pippin met with hospital directors to discuss a plan for the hospital to take over ambulance operations with both city and county continuing their financial support of the operation.

Jackson pointed out that the only cost to the hospital would be to provide a nurse to ride with a patient being transported in the ambulance when the condition of the patient was serious enough to require such a trained attendant.

Hospital Administrator Ed Zintgraff told directors that the hospital is now providing a nurse for transfers of patients to Lubbock hospitals when physicians request it.

Zintgraff had proposed recently that he would undertake the ambulance service as an individual with city and county support because he understood a long state hearing to obtain a certificate of need would be required for the hospital itself to take over the ambulance operation. He then withdrew the proposal.

The city-county ambulance committee asked the county attorney to check out the point of a certificate being required and thus discovered that a certificate was not needed at present, but will be required when new state rules go into effect in about 30 days.

Bo Jackson, vice chairman of the directors, named Gene Moore and Jack Alexander from the hospital board to meet with the city-county ambulance committee on Jackson's proposal for the hospital to take over the ambulance's operation.

Hospital directors discussed the operation with Zintgraff and listed points the hospital board would like to see agreed upon by the

three local units of government.

In other actions, hospital directors:

Amended its bylaws so that hospital employees will be paid every two weeks instead of twice monthly. No salary increases are involved. The hospital administrator pointed out that it would simplify bookkeeping procedures now employees are punching a time clock.

Decided the hospital could not afford to provide rate discounts to employees of one local physician because such discounts would have to be offered to all such employees and this could develop into a sizable group.

Decided to ask city and county aid in getting a paved parking lot at the west end of the hospital for patients of Dr. Rodriguez who is now practicing in the hospital's new "doctor's suite."

Decided to offer hospital supplies to Dr. Rodriguez at the same discount offered to other local physicians.

Discussed the legal action which is being threatened against the hospital for damage in shipment of television sets the hospital was returning to a Kansas City firm from which they have been rented. (The hospital recently leased TV sets from patients' use from another firm.) The hospital administrator said the sets were properly packaged when they were loaded out here and said the loss should be the responsibility of the carrier.

In a discussion of the hospital's financial condition, Zintgraff said he has yet to touch \$100,000 in tax money put into certificates of deposits in November and he hoped to at least get into April before having to do so.

The funds are being held to help the hospital through the slow summer period when it has a normally low patient load.

In his report on February operation, the administrator told the board 61 patients were admitted to the hospital for an average of 7.9 patients per day. Six babies were born in the hospital during the month and 129 outpatients treated. Operating expenses for

## Texas farm and ranch income fell in 1977

(COLLEGE STATION)

Texas farmers and ranchers are losing ground where it hurts the most in net income. That's the indication for 1977 from preliminary estimates compiled by county program building committees and marketing specialist with the Texas Agriculture Extension Service.

"Although our assessment shows a small increase in cash receipts by Texas farmers and ranchers in 1977, net income will be down," contends Dr. Carl Anderson, an Extension marketing economist. "Cash receipts from crops and livestock should reach the \$6.7 billion mark, up from \$6.3 billion in 1976. But net income should fall below the \$931 million earned in 1976, which was less than half the \$2.1 billion net income in 1973."

Anderson cites the higher costs of machinery, fuel, labor, interest, taxes and other production inputs as the culprit that is absorbing net income. "The total outlay for production items has increased by an average yearly rate of more than 11 percent since 1970," he notes.

"The financial plight of agricultural producers is even more severe when inflation is taken into account," emphasizes Anderson. "Because of the rapid run-up in the cost-of-living, a dollar of income in 1977 purchased, on the average, slightly less than two-thirds the goods and services it would in 1973."

"Particularly hard hit by the cost-price squeeze during 1977 were crop farmers. Cotton and grain producers, especially those on irrigated farms, suffered the worst income crunch," notes the economist.

The plight resulted from a drop in crop prices that was compounded by increasing costs of production. Wheat, for instance, averaged \$2.25 a bushel, down from \$3.16 a bushel in 1976. Sorghum growers received \$3.27 per hundredweight in 1977 compared to \$4.06 the previous

year. And cotton farmers saw the average price for their crop plummet from 46 cents per pound last November to 36 cents in November. Rice was one of the crops showing improvement over 1976.

As far as livestock producers were concerned, the cost-price squeeze changed little during Anderson points out. "Producers received an average price of 23 cents per pound for all beef about the same as in Hog prices slipped from 26 cents, Egg prices averaged lower and milk prices generally unchanged. Lamb, broiler, turkey wool prices were slightly higher.

What does 1978 hold?

"It's only fair to say the cost-price squeeze continue to plague agricultural producers," contends Anderson. "causing debts to pile and driving many small operators out of business."

I just found the most fantastic selection of WEDDING STATIONERY in town!! terrific! McPherson mutations in every price range. Wait till you see them all!
