

Garza voters favor Krueger Hill, by slender margins

Garza County didn't help Republicans Bill Clements and John Tower in their bids to win races for Texas' two top offices, which Wednesday noon were still "too tight to call."

But they didn't hurt them much either. Democrat John Hill edged Clements in Garza voting by 68 votes out of 1,009 cast. Hill had 547, Clements 497 with Clements winning only

two out of the nine voting boxes. In the state senate race, Democratic challenger Bob Krueger edged Senator Tower by only seven votes, 478 to 471 in their battle for

the senate seat currently held by Tower. State-wide, as The Dispatch went to press Wednesday, Clements held a slim 31,000 vote lead over Hill of the 2,078,000 votes cast and

Hill was reportedly starting to edge down Clements lead again in late tallying. This includes results from 246 of the state's 254 counties with 174 of them complete. The Tower-Krueger race was even closer with Tower holding to a 20,000 vote lead — 1,021,623 to 1,001,443 for Krueger.

Said a Lubbock newsman with an eye on his wire service teleprinter: "This could go on for days."

Tower won five out of the nine boxes in the county, but Justiceburg "done him in." Of the 33 votes cast in this southern Garza box, Krueger got 27 and Tower but 3. It was almost as bad in the governor's race with Hill getting 28 to Clements 5 at Justiceburg.

Garza's largest box, voting precinct one, in northwest Post favored both Tower (120 to 109) and Clements (131 to 109).

In other important races, Garza Countians helped both Charles W. Stenholm and E. L. Short build their big winning margins in winning the congressional and state senate seats.

Stenholm was a big winner over Republican Bill Fisher 654 to 263 in the county and Short smothered Republican Robbins 711 to 246.

Both scored landslide wins district wide.

Only 37 percent of Garza's 2,702 eligible voters went to the polls. The total vote cast for the county was 1,009.

There were no election day surprises here other than the closeness of the vote for the state's two major offices.

Mark White outdistanced Republican Jim Baker in the attorney-general's race, as far as Garza was concerned, 448 to 264. In the only other state contest, Democrat John Poerner was a big Garza winner over Republican James W. Lacy, 632 to 224, for an unexpired term on the state railroad commission.

Of the four Democratic candidates up for county offices, each unopposed, County Clerk Carl Cederholm turned out, as usual, to be the biggest vote getter.

Cederholm polled 823 votes for county clerk. Others elected to county offices with their totals are County Judge Giles W. Dalby 787, County tax assessor-collector Ruth Reno 818, and county treasurer Voda Beth Voss Gradine 819.

County Commissioners Ted Aten and Herbert Walls were reelected without opposition. Aten got 224 votes and Walls 138. Racy Robinson received 294 votes in his unopposed race for reelection as justice of the peace for precinct 1.

As for the nine constitutional amendments, the tax (See Politics, Page 16)

COMING QUEEN — Kerri Pool, center, daughter of Mr. and Mrs. Bill Pool, was crowned Homecoming Queen during the coronation ceremonies held at the pep rally last Friday. Runnersup were Nita Jo Gunn, left, and Dana Babb, right. (Staff Photo)

Kerri Pool is football queen

Pool, daughter of Mr. and Mrs. Bill Pool, was crowned Homecoming Football Queen during the pep rally in the gym at 3 p. m.

Runnersup for the honor were Nita Jo Gunn, daughter of Mr. and Mrs. Leslie Looney, and Dana Babb, daughter of Mr. and Mrs. Joe Babb.

Other runnersup were W. F. Shiver, daughter of Mr. and Mrs. W. F. Shiver, and band sweetheart Lisa Davis, daughter of Mr. and Mrs. Leon Davis.

The coronation ceremony was held at the pep rally in the gym at 3 p. m.

raised carnival

Annual Graham Halloween was a huge success with lots of fun, prizes and good prizes. A total of \$600 was raised for the Community Center to be used for upkeep and improvements.

The children's contest was Miss Delwin Fluitt in the girls and the daughter of Mrs. Daymon Chris Wortham, Mrs. Claude of Lubbock was the boy's division. The carnival was attended by his grand- Mrs. Louise Diet-

of the special prizes were Mrs. Sue and Mrs. Lewis Delwin Fluitt was the winner of the black and white TV set by the center. The Graham decorated the carnival. They were in charge of the games, prizes and the games.

h sacred music program draws big

Annual Sacred Music program was held at United Methodist Church, Monday, Nov. 6 with a crowd in attendance. The music, "In Thee We Trust," was presented by K.W. Kirkpatrick.

regational hymn, "We'll Sing Together" was sung by the choir director for the program.

Program opened with the High School Choir singing, "The Message," by the Post High Singers, "Everytime We Meet," by the First Baptist Church, "Have You Been to Calvary?" by the First Baptist Church.

nees and band sweetheart and runnerup were introduced during the halftime ceremonies of the football game, escorted by their fathers.

If we waited to write this column until the two top state races had been decided for governor and senator, the readers would get "a vacation" this week at least.

When The Dispatch went to press, Bill Clements and John Tower were leading but not by much with still a long way to go.

One could guess at this stage that the losers might seek some recounts to tie up the final determination for days or weeks.

Whichever way it went, John Hill and most Texas voters got the surprise of their lives. This one was so tight that the pre-election polls were generally wrong.

Two observations we do want to make. One is that Garza Countians, like most Texans, never really warmed up to this campaign. Our reason "why" will be found in an editorial on page 2. And we blame the candidates not the voters for the lack of public interest.

Our other observation is that television to our way of thinking "struck out" with their so-called electronic election coverage Tuesday night.

We turned on the tube three times and spun all three Lubbock stations and never did get a reading on either the Texas governor or senate races. The TV watcher isn't going to sit glued to that set all night. That was a false premise to start with.

What the public wants is (See Postings, Page 16)

BAND SWEETHEART — Larisa Shiver, right, daughter of Mr. and Mrs. Bill Shiver was elected Antelope Band Sweetheart for the 1978 Homecoming. Shown l to r, David Foster, Teresa Davis, runnerup, and Kevin Craig. (Photo Courtesy Mike Dye)

City employes worried about getting pensions

A group of nine city employes who met with the city council Monday night about progress on the employe pension plan were told that a new pension plan is being written as soon as changes in the recent federal income tax law can be analyzed for changes.

Harvey Morton, attorney for the city, explained that the city has retained Karl Clifford, a Lubbock attorney expert in pension law, to rewrite the plan after new internal revenue requirements are evaluated.

The recently passed federal tax bill has a provision which imposes non-

discriminatory requirements on individual retirement accounts.

Morton assured the group that the city has budgeted its first year's contribution to the new pension fund and will put the money into the fund as soon as the plan can be written.

Mayor Giles McCrary explained the city has been waiting for Congress to complete its session to see what the Congress would do which would affect the law governing pension plans.

Show building is erected

David Newby told Post Rotarians at their Tuesday luncheon that 12,000 persons have participated in Rotary International's Rotary Foundation program which promotes international goodwill through foreign study.

As this is Rotary Foundation Week, he explained the goals and operations of the Rotary Foundation.

All expenses for such exchange students are paid by the foundation which derives its funds from member Rotary Clubs.

He reported the Post club over the years since the foundation was launched has contributed \$2,600 to the foundation but other clubs in this district have given much more.

Allen Hall told the council a man from San Angelo wants to buy the Marshall building and use it to collect and dry furs there. He said the drying would be done in the basement and would not cause an odor to the area.

Hall asked if the council needed to approve the plan, but was told until a "problem might be created" the council would have no jurisdiction.

In other actions, the council advised Bill Gandy, who wanted permission to put damaged cars around his residence enclosed by a fence, that he would have to follow the ordinance which would require a solid fence to hide the vehicles from public view.

Asked Morton to check into a George R. Brown request for an easement for a two-inch water line for water flooding purposes to be sure the easement was such that a water line could be accommodated.

Approved on first reading an amended garbage ordinance rewritten to apply to the city's new containerized garbage disposal system.

Decided to leave all cemetery lots priced at \$100. It had been suggested some of the less desirably located lots be reduced to \$50.

Approved purchase and installation of the bank's drive-in window on the west side of city hall for use by water customers. The cost will be \$1,600.

All invited to breakfast

The Veterans of Foreign Wars Post here will celebrate the 60th Veterans Day here Saturday morning with a breakfast to which the entire community is invited.

The serving will begin at 6 a.m. and continue through 9 a.m.

VFW Commander Max Chaffin told Post Rotarians Tuesday the breakfast was to celebrate the holiday once known as Armistice Day.

The VFW will have their regular barbecue and dance that night at regular charges, but the holiday breakfast is free to all who come out.

Foreign study program told

The contractor has completed the erection of the new Garza County Junior Livestock building just north of the Post Stampede Rodeo grounds on US-84, Noel White, president of the GCJLA, announced Monday.

Considerable work remains, including plumbing and electrical wiring. White said the organization expects to have the new building ready for use for the 1979 Garza County Junior Livestock Show in February.

Bernie Welch in 'Centennial'

One of Post's very own last week, and Welch took a week's vacation to work with the studio as a "stand-in" helping with the lighting.

Welch enjoyed it so much, he resigned his duties at the ranch and has been working for Universal ever since. He has worked as an "extra," "stand-in," and has had two speaking parts and has done two stunts.

In his role as "extra," he had a non-speaking background part as a member of

the infamous Skimmerhorn Volunteers taking part in the massacre of the Arapahoe Indian village and in the same role, he helps restrain Levi Zent (Greg Harrison), at the scene of his mother-in-law's shooting (in the scene where Clay Basket is killed.)

Welch is also a sentry at Zent's Trading Post when Capt. Mercy (Chad Everett) escapes and he helps capture and hang Mike

Trucker killed in fiery crash

In what Sheriff Jim Pippin described as "the worst mess I have ever seen on a highway," a 57-year-old Abilene trucker, Johnny McCullough, was burned beyond recognition in his cab when his loaded cattle truck smashed into the rear of a semi-trailer loaded with 100 pound bags of calcium.

The accident occurred about 6:45 p. m. last Thursday seven miles northwest of Post on US-84.

Approximately 35 to 40 head of cattle were killed in the collision and other singed by burning diesel fuel ran in terror across nearby fields.

Two with broken legs were found and destroyed.

Sheriff Pippin said the trucker with the load of calcium was having engine trouble and pulled completely off the highway onto the shoulder.

He told Pippin he heard the other truck approaching

from the rear, peeked around the cab and saw the cattle truck was about to ram into the rear of his truck.

He said he ran, but was knocked over in the collision and covered with calcium from broken sacks.

While he was trying to get the calcium out of his eyes he told the sheriff he heard an explosion. The driver though knocked to the ground was unhurt.

The sheriff said the cattle truck bounced off the rear edge of the calcium truck and came to a stop in the middle of the highway about 60 feet beyond.

The right side of the cattle truck was ripped off in the collision spilling the dead cattle out into the highway.

All of the cattle truck did not burn.

The blast was at the front of the truck and flames there left over a mass of wreckage. They were extinguished by the Post fire department.

The sheriff said he didn't know what part of the truck exploded. The diesel fuel tanks were under the cattle and were ripped open with the diesel as he described it "knee deep" on the highway. "I've always been told by diesel men that diesel fuel wouldn't explode," Pippin said.

Traffic was detoured around the wreckage across a field.

The wreckage or flames did not get across the median into the lane of oncoming traffic, Pippin said. The sheriff said he had known the cattle truck driver who was killed for 25 years.

"He must have gone to sleep at the wheel," Pippin guessed. "The truck he hit was completely off the highway."

It took several hours to clear the highway.

Pair fined on drug charge

Two Post men, Leo M. Lopez, 37, and Raymundo Lopez, 26, were fined \$25 each and ordered to pay court costs of \$51 each by County Judge Giles Dalby after pleading guilty to a misdemeanor charge of possession of marijuana Monday afternoon.

The pair was arrested by Highway Patrolman Louis Cardinal and Sheriff Pippin after three lids of marijuana were found on them when they were searched about 6 p. m. last Thursday on US-84 northwest of Post.

The patrolman had stopped the car containing the pair and another Mexican man and female because it had only one headlight burning. He asked for assistance and the group was searched and the marijuana found.

Paint job to begin Saturday

Post Rotarians will begin painting house numbers on curbs Saturday.

Danny Shaw, chairman of the committee on the project, reports that paint, stencils, 100 pounds of fluorescent granules and all other necessary supplies have been secured.

Two shifts of Rotary volunteers will go to work Saturday, the first at 8 a. m.

New electric bills reflect rate boost

Electric bills being mailed Post customers this week contain seven to seven and one-half percent rate increases for that portion of the service period beginning Oct. 18.

Mayor Giles McCrary and the Post City Council have been notified by Glen Barley, Southwestern Public Service manager here, that

the new "interim rates" have been approved by the Public Utility Commission of Texas.

Barley appeared before the council Monday night after notifying McCrary in writing of the rate increases.

He explained that the utility's request of a \$21 million rate increase for its service area has been trimmed to \$15.9 million by the PUC.

The rate increase was requested of the city council here months ago. The council has yet to approve it.

Barley said the interim rate hike will apply until the PUC holds a hearing Jan. 5 requested by the Texas Municipal League on the rate hike.

If the commission does not change its mind at that hearing, the new increase is expected to become permanent.

Actually, the council's only future recourse, as The (See New electric, Page 16)

Grazing management aid to wildlife

CHARLES MORRIS has not been an easy year for Garza County birds and animals. In dry conditions, out the spring and have made life a struggle for wildlife. Production of quail has slowed. Soil moisture needed for proper germination has been in short supply. Early weed control is an important factor. These factors have inhibited over-reproduction and summer insects have been a great asset to the quail. However, these factors have had a negative effect on young birds in the nesting season and small covey sizes. The removal of vegetation by livestock have predators in further numbers. Weather cannot be predicted yet many of these factors can be improved. Proper grazing by

livestock will leave ample vegetation for cover, food and help conserve soil moisture.

Many ranchers throughout the state have increased wildlife numbers through grazing management. Over twelve million acres of grazing land in Texas are now managed under a grazing system. These ranchers have not applied these systems for wildlife. They are used to increase production of beef cattle and do a very good job. Consequently, quail and deer populations have flourished.

The increase in wildlife is contributed to additional growth by range plants which aid both cattle and wildlife.

The Soil Conservation Service will be glad to help Garza County ranchers in developing grazing systems and or wildlife management programs. For more information contact the Soil Conservation Service, Box 340, Post, Texas 79356, or phone 495-2056.

TRANSPLANTING WHITE TAIL DEER — These deer were moved from Meridian to ranch country south of Crosbyton by truck. This is a joint effort of the local ranchers and Texas Parks & Wildlife Department. (Wildlife Service Photo).

Healthy House Plants

Essentially, there are two kinds of house plants, either of which can make your home look and feel livelier and lovelier: plain green-leaved and variegated, or flowering plants. The former are often easier to grow; the latter, often more of a pleasure to show.

The first known passenger train ran in 1825.

Proper repotting can help keep your houseplants from going to pot.

Eagle Roundup

SOUTHLAND SCHOOL NEWS

WEE BASKETBALL
Wee Basketball night scheduled to begin at 7 Nov. 9 in the Southland gym.

Three games will be held, with tiny tot cheerleaders and a gymnastics as added attractions. Grades K-2 will play in the game, grades 3-4 in the game, and grades 5-6 last game.

Co-leaders will be Hodges, Jenni Gast, Alvis, Michelle McGehee, Tammy Weaver and Vasquez.

Referees will be Genevieve Alvis, Shirley McInroe, K-2; McGehee and Debbie, 3-4; Donna Basinger, Jeannie Adamek, 5-6 and Johnny Haire, 5-6.

Referees will be members of the freshmen class.

Admission is 50 cents and \$1. **SENIOR HIGH WINS**

Junior High Eagles won their last game Nov. 3 Hermleigh 52-6. The top scorer was Ray Lopez. Louis Milo and Rodriguez also had points for the Eagles. The team swept through District 8-0 record.

Jenni Gast is their coach. **COMING EVENTS**

Nov. 9 — Pee Wee Basketball night, sponsored by freshmen class, school 7 p.m.

Nov. 13 — Junior high basketball with St. Joseph, 5 A & B boys, A & B at home.

Nov. 14 — High school girls with McAdoo (A boys girls), home.

Nov. 15-16 — Quarter basketball with Hermleigh, 7 home (last game), after Workday, no school.

Nov. 20 — Meadow, junior basketball, 5 p.m.

Nov. 21 — Patton Springs, school basketball, 6:30 p.m. (A boys and girls.)

Nov. 23-24 — Thanksgiving holiday.

Nov. 27 — Teacher In-Service at Wellman, no school.

CARNIVAL NEWS

A high school king and queen and an elementary king and queen were selected at the Halloween carnival Oct. 28 to round out the night's festivities.

The high school king and queen were Jay Callaway and Stacy Rush, both seniors. Stacy is the daughter of Mr. and Mrs. Fred Lucero and Jay is the son of Karen Gail Callaway.

The king and queen of elementary were Tamra Abshire and Justin McInroe. Tamra is the daughter of Mr. and Mrs. Curtis Abshire, and Justin is the son of Mr. and Mrs. Jim McInroe of Slaton.

Tips To Help You

You can save money and treat your guests to super-tasty hors d'oeuvres if you use leftover canned ham to make sensational tidbits to serve before dinner.

The meat may be spiked on toothpicks with pineapple or olives, or shredded and combined with mayonnaise for a spread for crackers. Or slice the meat paper-thin and wrap it around bit-size bits of canteloupe or honeydew.

Another tasty combination is a quarter-inch thick square of ham on a cracker that has been covered with a spicy garlic-and-herb spread.

If you forgot to buy crackers, don't worry. You can make "breadless sandwiches" combining thin-sliced ham, a cheese like gouda or gruyere, cream cheese thinned with milk, and another slice of ham. Chill the "sandwich" for 2 hours, then use a mini-sized cookie cutter.

Using left-over canned ham for hors d'oeuvres is not only thrifty—it tastes good, too!

fire safety

HINTS ON FAMILY PROTECTION

You may one day save the lives of your loved ones and protect yourself against disastrous financial loss if you avoid these fire safety blunders:

- Don't let rubbish accumulate. Be sure to inspect attic, basement, closets and garage regularly for these fire hazards.
- When lighting a gas stove, hold match to burner before turning on. Stand on one side.
- Don't develop bad smoking habits such as smoking in bed. When emptying ashtrays into wastebaskets, be sure to check all matches and butts to see that they are out.

MR. AND MRS. SAM BYRD

Sam Byrds honored on 50th anniversary

Mr. and Mrs. Sam Byrd were honored with a reception on their 50th wedding anniversary in the bank community room Sunday, Oct. 28.

Approximately 75 guests registered between the hours of 2 and 4 p. m. from a table which featured two framed poems, one written by Mr. Byrd to his wife about their 50 years together and the other from their daughter, Linda. Cookies, punch and coffee were served to the guests from a table laid with a white lace cloth, featuring a flower arrangement with streamers, "Sam and Lucile."

Shower for Miss Medlin

A miscellaneous wedding shower honored Deborah Medlin, bride-elect of Jim Stevens, Thursday, Oct. 26 in the home of Mrs. Robert Elliott.

The 50 guests attending registered between the hours of 7:30 and 9 p.m.

Special guests attending were Mrs. Dean Medlin, mother of the honoree, Charlotte Medlin, her sister, Mrs. B.A. Medlin of Lubbock, grandmother of the honoree and Mrs. R.L. Gartin of Shallowater, and Mrs. Jerry Hopper of Anton, both aunts of the honoree, and Mrs. Rex Childress of O'Donnell, a cousin.

Filled red cookies, punch, mints and nuts were served with crystal appointments from a table laid with a white cloth and featuring an arrangement of red silk roses, and red hearts with "Jim and Deb" written inside the hearts. Hostesses alternated with serving duties.

Hostesses for the occasion were Mmes. Jan Elliott, Irene Mitchell, Mary Gist, Leona Mickey, Theona Josey, Mary Tillman, Lela Huntley, Thelma Epley, Bonnie Taylor, Dorothy McCook, Fannie Richards, Maxine Cummings, Juaneila Hays, Winona Barnett, Besie Strawn, Opal Ray, Joyce Tatum, Leecy Lott, and Jewel White.

Hostess gift was a vacuum cleaner.

Sam Byrd and Anna Lucile Stanley were married Oct. 28, 1928 in Clairmont. They farmed in the Spur area in Dickens County until 1953 when they moved to Post where both worked at Burlington Industries until their retirement.

Hosts and hostesses for the occasion were the couple's children, Mr. and Mrs. Richard Swan (Edna), Tulsa, Okla.; Mr. and Mrs. Delbert Byrd, Slaton; Mr. and Mrs. Bill Thomas (Lois), Jefferson, Ga.; Mr. and Mrs. Lewis Ammons, (Jody), Post; Mr. and Mrs. George Byrd, Big Spring; Mr. and Mrs. Cisco Hernandez (Estelle), Houston; Mr. and Mrs. Melvin Byrd, Port Orchard, Wash.; Mr. and Mrs. Ed Byrd, Crosbyton; Linda Byrd, Tulsa, Okla.; and Mr. and Mrs. Bill Lowe (Ann) of Post.

The couple also enjoy 33 grandchildren and three great-grandchildren.

Out of town guests attending were from Ralls, Floydada, Spur, Snyder, Levelland and Lubbock.

Needlecraft club meets

Mrs. Alma Hutto was hostess to the Needlecraft Club when it met in her home, Oct. 27.

A poem, "Love Cannot Harm," was given by Selma Kennedy and then she told the origin of Halloween.

Mrs. Linda Malouf read an article on the "Month of October."

Following a short business meeting, members enjoyed fellowship and needlecraft.

Members attending the meeting were Eula Evans, Margie Dietrich, Innis Thuet, Selma Kennedy, Lucy Callis, Linda Malouf, Katherine Johnson, Johnnie Rogers, Katherine Cathcart and Analue Clinesmith and two guests, Judy and Jennie Parson, both of Lubbock and the hostess, Hutto.

Bridal coffee here honors Debbie Wyatt

The community room of the First National Bank was the scene for the Saturday morning bridal coffee honoring Miss Debbie Wyatt, bride-elect of Greg Eubanks.

The guests were greeted by Miss Wyatt, her mother, Mrs. Syd Wyatt, and the mother of the prospective bridegroom, Mrs. James Eubanks of Brady.

Other special guests included Mrs. Bernice Simpson and Mrs. Juanita Wyatt of Anson, grandmothers of the bride-elect and her aunt, Mrs. Margaret McClung of Ft. Collins, Colo.

The approximately 55 guests called between the hours of 10:00 a.m. and 11 a.m. They were registered by Miss Anissa Wyatt, sister of the bride-elect.

The prospective bride's chosen colors of wine and white were used throughout the entertaining room.

The serving table was covered with a white cloth edged with a lace ruffle. It was centered with an arrangement of large white lace candles, wine baby mums and baby's breath in a crystal stem. Silver and crystal appointments were used.

Coffee, hot wassail, miniature crescent rolls, cinnamon rolls, sausage balls and small mint wafers were served. Those assisting with the serving were Misses Nancy Clary, Nancy McCowan, Dana Giddens, and Peggy Jackson.

The hostesses presented the couple with a food processor and the candle and crystal stem used on the serving table.

Miss Wyatt gave each hostess a crystal Christmas tree ornament as a token of appreciation.

Hostesses for the occasion were: Mmes. Judy Bush, Cindy

Culture club in change of dates

The Woman's Culture Club Thanksgiving program date has been moved to November 15 instead of the scheduled date of Nov. 22.

Members will eat lunch in the Algerita Senior Citizens Center at noon and then go to the Woman's Club House for the Thanksgiving program.

The Grassland Community Center is sponsoring a Pie Supper to be held Nov. 11 at 6:30 in the center with no admission charge. Proceeds from the pie supper will go for repairs and upkeep of the Grassland Center. The public is invited to attend.

Thomas' hold family reunion

The Thomas family, formerly of Grassland, held a family reunion Saturday, Oct. 28 in the South Park Inn of Lubbock.

Fifty persons enjoyed a noon lunch and an afternoon of visiting.

Out-of-town guests included Mr. and Mrs. L.H. Arnold, Mrs. Vada Hold, Mr. and Mrs. Tom Stillwell, Tommy Arnold and son, Bo of Texarkana, Mr. and Mrs. Sterling Yeary, Mrs. Cleo Yeary and Mrs. Jess Moyer of Weatherford, Mr. and Mrs. Ira Graves from Hobbs, N.M., and Mr. and Mrs. German Chapman of Brownfield.

Also attending were Mr. and Mrs. B.L. Thomas and Kirk, Mr. and Mrs. Robert Mock, Mr. and Mrs. Ted Aten, Bill Aten and Donna Josey, Mrs. Eva Childs, Mr. W.H. Childs, Mr. and Mrs. James Aten and Mike, all of Post; Mrs. Willie Thomas, Mrs. Etta Burk, Mr. and Mrs. John Paul Lawson, Cindy and Susie of Tahoka, Mr. and Mrs. Ed Young, Mrs. Grace Thomas, Mrs. Ann Lewis, Mr. and Mrs. David Martin, Miranda and

Loucille Morris told of her trip to the state meeting held recently and at the meeting the name of Home Demonstration Clubs was changed to Texas Extension Homemakers Clubs.

Hostess Orabeth White served refreshments to members. Nona Lusk, Sue Maxey, Loucille Morris, Bernita Maxey, Jewel Parrish and Viva Davis.

The club adjourned to meet Nov. 17.

PSYCHOLOGY

Since many of us don't worry about what we can't see, we tend to let a hazy or cloudy day deceive us into believing we can't get sunburned. Actually, these atmospheric conditions merely scatter the sun's rays and can produce a burn.

A good way to guard against a false sense of protection is to apply a sunscreen like Sundown brand

Marissa, Miss Dana Martin, Mark Martin, Alan and Leslie of Lubbock.

Co-hostess for the reunion were Hazel Young and JoAnn Mock.

34,000 more young Texans now in 4-H

COLLEGE STATION — Almost 34,000 more Texas youth were active in the 4-H program during 1977-78 than the previous year, according to the latest figures. Current 4-H enrollment stands at 137,500.

4-H, for boys and girls between the ages of 9 and 19, is the youth development phase of the Texas Agricultural Extension Service established in 1915 to diffuse among the people practical information relating to agriculture and home economics. However, 4-H goes back further than that. It actually had its beginning in 1908 in Jack County when a boys' corn club was organized to help youth grow better corn. Shortly thereafter, girls got involved in such organized groups as tomato clubs, canning clubs and poultry clubs.

"4-H in Texas has grown from an organization for farm boys and girls to one that offers a wide range of learning opportunities for all youth," points out Dr. John T. Pelham, state 4-H and youth leader with the Extension Service.

Girls now consistently outnumber boys. Current figures show 72,472 girls to 65,028 boys. More than 19,500 4-Hers come from towns and cities from 10,000 to 50,000 population while more than 45,500 live in suburbs and cities of more than 50,000 population. Almost 28,000 still live on farms and ranches while the remainder live in small towns under 10,000 population.

According to current figures, the number of organized clubs and groups has also increased from 2,699 to 3,136.

Dr. Waco to sing, preach

A short series of meetings designed for church renewal and inspiration will be led by Dr. Michael Waco at the First Christian Church next Sunday, Monday and Tuesday evenings, Nov. 12, 13, 14 at 7 p.m.

Dr. Waco, who is the senior minister of the First Christian Church of San Angelo, is widely acclaimed for his preaching and his singing. His musical activities include seven seasons at Casa Manana musicals in Fort Worth, Starlight Theatre in Kansas City and the Lyrick Theatre, Oklahoma City. He has appeared as a guest soloist with various symphonies and operatic companies including the Ft. Worth, Houston, San Angelo and New York City companies.

Waco's educational accomplishments include: A.B.A. from Texas Christian University; and a M. Div. and D.D. Min. from Brite Divinity School of TCU.

At each service Dr. Waco will sing two solos, lead the singing and preach.

A reception which will take place in the church parlor, is planned for Sunday evening following the first service.

The public is cordially invited to attend all of these functions.

Less reading in October

Only 549 books were checked out by Post Public Library readers during October, one of the lowest monthly totals in a long time.

Librarian Pee Wee Pierce reported 472 adult books and 77 juvenile books were checked out to bring to 8,408 the total circulation for the first ten months of the year.

Fifty new books were added to library shelves during the month to bring new additions to 510.

Fines, book sales, and other miscellaneous income totaled \$23.55 for the month for a total of \$265.40 for the year to date.

DISCOUNT SHOES

Station Shoe Box
Downtown Station

Courtesy code given CBers

The Code of Courtesy Rules was presented to the Caprock CB Club members when it met Sunday Nov. 5.

Chairman, Jake Baldrée presented the rules to the club members and all voted the rules into the club.

Attending the meeting were Robert, Marie Bartlett and children, John B. Guthrie, Dorothy Perdue, A.D. and Carolyn Halford, Charles Sullivan, Dane, Ruby Cromer and daughter, Daisy Redman, James L. and Dora Halford, Lupe Martinez, Jake and Mary Baldrée and sons, Helen Coffee, Leslie and Edna Seals and son and Lubbock guests, George B. and Laverne Snow.

The next meeting will be Dec. 3 at 1 p.m. in the banks community room with a Christmas party to follow.

Chicken and eggs among 'best buys'

COLLEGE STATION — Budget items at Texas grocery markets this week include eggs, fryer chickens, onions and potatoes, Gwendolyn Clyatt reports.

Rodeo stockholders will meet Nov. 20

The Post Stampede Rodeo Association will hold its annual stockholders meeting at 8 p.m. Monday, Nov. 20, in the rodeo office on the rodeo grounds, Secretary Tommy Young announced this week.

VISITS PARENTS

Shelby Barley and friend, Scott Kenamer, visited in Post over the weekend with his parents, Mr. and Mrs. Glen Barley. They attended the Post Homecoming activities and returned to Stephenville Sunday afternoon.

Also, low-price feature items are bananas and cheeses in some markets, she says. Mrs. Clyatt is a consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A & M University System.

This week's price-quality trends are the following:

POULTRY — Eggs are a low-price source of top-quality protein compared to many meats. Fryer chicken prices are steady with features on whole birds and parts.

FRESH VEGETABLES — Both onions and potatoes have low prices. Other economical items are pumpkin, bell peppers, cooking greens and dry beans.

Varying prices — with some bargains — appear on cabbage, rutabagas, hard-shell squash, sweet potatoes,

Brussels sprouts, eggplant and cauliflower. Compare prices on these before buying.

FRESH FRUITS — Bananas have feature prices in many markets. Apple production is heading toward a record second — largest crop in 45 years — perhaps 11 percent over last year. Best buys are bagged apples usually. Reasonable prices appear on pears, cranberries and grapes. Grapefruit supplies and quality are improving weekly.

DAIRY — Many varieties of cheese are features in some markets.

PORK — Prices are still relatively high. However, the most economical cuts, generally, are Boston butt roasts, rib and loin-end chops and liver.

BEEF — Prices also

remain relatively high. A few markets are featuring chuck cuts of beef, sirloin steaks and liver. One economy item is ground beef with soy protein.

Holiday Watchwords — Fruitcake bakers — it isn't too early to shop for ingredients. Crop damage will make raisin prices higher probably, but prunes or dates work as well.

Rites for mother of Syd Conner

Funeral services for Anna Conner, 82, of House, Tex., mother of County Agent Syd Conner, were conducted Oct. 25 at the Evatt Funeral Home.

Mrs. Conner, who has been ill in the home Oct. 25, was rushed to a hospital in Lampasas where she died.

Friday rites for Tom Wood

Funeral services for Tom Wood, 79, former Garza Countian, of Lamesa were held at 4 p.m. Friday at the First Presbyterian Church with the Rev. Dick Schmidt, pastor, officiating.

Wood, a widely known cotton buyer on the South Plains for many years, died about 7:45 a.m. Thursday following a brief illness.

A native of Taylor County, he was a graduate of Post High School, and had lived in Dawson County for 71 years. He was married to the former Mildred Boren on Jan. 30, 1927 in Post.

Survivors include his wife; six sisters, Juanita Bryant, Della Holder and Alma Berry, all of Lamesa, Mrs. W.D. Lacy of Wichita Falls, Mrs. T.C. Horne of Lubbock and Mrs. Grace Hendrix of Abilene.

PEACH TREE PESTS

For homeowners with peach trees, fall is the best time to treat for one of the most destructive of all peach tree pests, the peach tree borer. A sure sign of the pest is the gum oozing down the trunk or branches of the tree. This insect is mostly a pest of peach but is also found infesting plum, cherry and apricot trees.

Actually, two borers commonly attack peach trees, he adds. The larval stage of the peach tree borer feeds within the tree's cambian layer in an approximate six inches above the soil line to six inches below. The lesser peach tree borer attacks the cambian layer of the upper portion of the tree's trunk and larger

branches. The approach to controlling these pests is basically the same, but the method of application differs.

Two fumigants generally used for peach tree borer control are paradichlorobenzene (PDB) crystals or ethylene dichloride in the liquid form.

Using fumigants around peach trees is a delicate operation and should be done with great care and precision. Over-treatment can damage the tree. The crystals, when applied to warm soil, quickly volatilize into a heavy gas which penetrates through soil crevices into burrows of overwintering borers and kills them. Crystals should only be applied when soil is dry and the temperature is 55 degrees or above.

"When using PDB for peach tree borer control, weeds should be removed from around the base of the tree and the soil leveled one foot from the tree trunk. PCB crystals should be placed in a narrow groove encircling the tree about two inches from the tree trunk. Care should be taken to keep crystals from directly contacting the tree. Clean soil should be placed over the crystals to form a cone-shaped pile about six inches high around the base of the tree. This soil should be removed from the base of the tree in late March or early April.

The amount of PDB to use is determined by age and size of the tree. In general, one-half ounce of crystals should be used for two to three year old trees, three-fourths ounce for four to five year old trees, and one ounce for mature trees.

Both PDB and ethylene dichloride can also be used to treat peach trees infested by the lesser peach tree borer. Affected areas, recognized by masses of gum mixed with grass and sawdust running down the surface of the trunk and branches, should be treated after the leaves fall from the peach trees. A mixture of four ounces PDB in one pint of miscible oil diluted in two pints of water or a smaller amount at the same proportions should be prepared. The mixture should be painted on the wounds and damaged areas, without encircling the trunk or limb. When using ethylene dichloride for either peach tree borer or lesser peach tree borer control, proper rates and application instructions will be found on the product label.

For the homeowner with peach trees infested with either the peach tree borer or the lesser peach tree borer, control measures can greatly lengthen the life of the trees.

Further information on control of the peach tree borer is available at the County Extension agent's office.

\$1,695 in fines here in October

Municipal Judge Louise Greene reported to the city council Monday night that \$1,695 was collected in October from 53 fines levied against law violators in her court.

Of this amount the city retains \$1,510 with the remainder going to the state.

New Arrivals

Seminole 'escapes' with narrow 13-0 victory

Six turnovers costly in tough Lope effort

The favored Seminole Indians had their hands full Friday night in Antelope Stadium in pulling out a 13-0 victory over a big Post homecoming crowd in a game which was anything but the "defensive battle" the low score would indicate.

The two clubs between them ran and passed for a total of 621 yards with 11 turnovers — nine of them lost fumbles — having a lot to do with the lack of points on the scoreboard.

When you consider, for example, that Post Wingback, Cliff Kirkpatrick reeled off 109 yards in the second quarter and the Lopes still couldn't reach the end zone, you know it had to be a very unusual type of football game.

Some might even have gotten it mixed up with an early start on the basketball season the way backs on both sides were "dribbling" the pigskin.

Offensively, the Lopes outplayed the big and flashy Seminole club in the first half, or at least all but the last minute of it.

The Indians recovered the fourth lost Post fumble of that first half on their 38 with 1:39 left on the clock and the game still a scoreless deadlock.

Three running plays got them a first on the 50 with less than a minute to go.

Quarterback Mike Grass, who up until that time had connected on only one of six passes, found Flanker David Stone on the side line for 13 yards to the Post 37.

On the next play he hit Split End Summer Shaw in the end zone for what proved to be the winning score. It was his last pass of the unusual night and there were but 19 ticks still on the clock. Tackle Pete McClesky converted.

But there were still 19 seconds — and the half wasn't over yet. In fact the Lopes almost succeeded in tying the score.

Kirkpatrick returned the Seminole kickoff to the Post 39. After an Indian pass interception was nullified by offsetting penalties, Kirkpatrick almost broke one.

With the Indians spread expecting a desperate pass, Kirkpatrick slashed right over the middle of the Seminole line, veered to his right and momentarily broke into the clear.

The only thing which kept him out of the end zone on that final first half play was that the Indian safeties were so deep expecting a throw, they had time to recover. One dropped him after 54 yards on the Seminole 7.

That was the closest thing the Lopes got to the Seminole goal line.

Seminole got its clinching touchdown with only 3:52 left in the hard fought game when Fullback Jim Hill found only daylight on a quick opener through right tackle and zipped 23 yards for the tally. This time McClesky's kick was wide.

This touchdown came at the end of a 75 yard march on the ground which was set up with the Indians dug in to take the ball away from the Lopes on downs on their own

The Lopes had driven 43 yards in their efforts to tie the score, but with fourth and one on the Seminole 22, Quarterback Rance Adkins was dropped for a three-yard loss on a wide surprise keeper.

After the second Seminole touchdown, the Lopes took to the air and drove 64 yards to the Indians 11 where a fourth down pass was batted away by a linebacker with but nine ticks left.

The Lopes totaled 231 yards on the ground and 63 more in the air for a total offensive effort of 294 yards.

In the first half, the Lopes outscored Seminole 162 to 96 yards, but were held more in check in the second half as the Indians rolled up 195 yards rushing to boot 69 for the Lopes who took to the air 11 times in the final two periods with five completions for 63 yards.

Three of Adkins 16 throws were picked off by the best pass defense the Lopes have seen this season, but one of them was cancelled by offsetting penalties.

One of the interceptions cost the Lopes a chance for a first quarter score and the lead.

After recovering a Seminole fumble on the Indian 37, Post drove to the Indians 13-yard line where on second and one, the Lopes went to the air. The first throw was incomplete and the second into the flat was intercepted by Seminole on its 5.

The Indians, who never got to midfield in the first period, gave Post another scoring opportunity with a lost fumble recovered by Jeff Lott on the Indians 30 with only seconds to go in the initial period.

Post got nothing that time on two incompleting passes, a forced out of pocket run for no gain by Adkins, and a handoff fumble on fourth down.

Seminole then cranked up early in the second and moved in six plays to a first down on the Post six with Ricky Green, junior running back contributing two good gains. But the Indians fumbled on the next play and Tackle Greg Pollard came up with the football on the Post 4.

Then Post starting dropping the ball. The first came after the Lopes had moved to their own 39 when a long pitch on a sweep went awry.

The Lopes dug in and took the ball back after four plays on their 36.

Then came another bad lateral pitch and Seminole recovered on the Post 20, but immediately drew a 15-yard penalty and failed to move with Post holding for downs on its 30.

Post then cranked up and drove to the Seminole 28 where another lost fumble

Page 8 Thursday, Nov. 9, 1978 The Post (Tex.) Dispatch

OP picks Seminole to win playoff berth

The "big one" this week is at Seminole where the Indians can virtually wrap up the 5AA post-season playoff berth Friday night by beating the Slaton Tigers.

All they will have left for the closing weekend are the cellar-mired Cooper Pirates.

Since the Indians already have scalped Frenship it doesn't really matter whether the Tigers win their last two and tie for the

set up the Indians last minute touchdown drive.

In the third period, Green broke loose for a 39-yard ramble to a first on the Post 15, but this time, it was Seminole's turn to drop the ball. Jeff Lott recovered on the Post 15.

Seminole drove right back to the Post 15 after forcing a kick, but fumbled again and Linebacker Larry Rodriguez this time covered for Post on the 17.

All told, Kirkpatrick had a 135-yard "night" although getting only nine yards in four calls in the second half as the Lopes went upstairs in an effort to score against a Seminole defense that toughened every time it was pushed back to its 20 yard line.

Kirkpatrick got his 135 in 14 carries, almost 10 yards a try.

Clinton Curtis was the other big gun in the Post attack getting 69 yards in 13 carries, 46 of them in the second half during which he led the Lope ground attack.

The Lopes cut out the fumbling in the second half and Seminole "outfumbled" them for the game with seven dropped and five lost to five and four for the Lopes.

A final statistic should convince one and all it was weird as football games go.

Not a single penalty yard was stepped off against the Lopes — the first time this has happened in the last 21 seasons to this editor's knowledge.

This isn't to say flags weren't thrown at the Lopes. They were. But either it was an offsetting penalty or a walk-off that Seminole didn't want.

district championship or not.

The Old Prognosticator just fires out and picks Seminole for two reasons. In a tough one, the home field is an advantage, and the other is momentum.

Slaton dropped a game to Frenship back in October, so even should the Tigers win Friday night, the end result probably would be to send Frenship into the playoffs rather than Seminole. Slaton has been blocked off at the pass.

In any three-way race with two to play there is of course the opportunity for somebody to upset Frenship. Slaton must get a helping hand from either Denver City or Post, two longtime rivals, to get that accomplished. Frenship plays both on the road.

The OP thinks both clubs are strong defensively, but that the Seminoles can do more things on offense.

The OP says this week is no easy "pickens", to aptly apply an old phrase.

His other choices: POST at Tahoka. This is the upset special of the week. All-Stater Cliff Bailey won't be playing due to a cracked bone in his back, but the Bulldogs are pretty solid without him. Still the Op says the Lopes are due.

FLOYDADA at Abernathy. Abernathy knocked off Idalou last week to put the A-Lopes right in the middle of the 4AA race. But can they win two big ones back to back. The OP is going against his arguments on homefield advantage and momentum here which are both in Abernathy's favor.

Colorado city at COAHOMA. As best we can find out this one will be the 6AA decider. The Wolves offense hasn't shown so much fire of late and Coahoma is very rugged before the home folks as Post well knows.

FRENSHIP at Denver City. The improving Mustangs will be trying to shoot the Tigers down, but the OP doesn't think it is going to happen.

Cooper at ROOSEVELT. Time for the Eagles to win big and Roger to run — and they will.

Thank goodness Lockney has an open date this week. Thus the OP won't have to take an almost automatic miss even if he tosses a coin on the Longhorns. They are resting up their unpredictableness this week getting ready for the curtain-dropper with Idalou.

The OP had another disaster last week, managing only four out of seven right in his outcome of games involving the Lopes and their season foes.

This is another 571 Friday night for him, dragging his seasonal "success" percentage down to 42 right in 66 tries for a .636 percentage.

Here are last week's results with the OP picks in capital letters.

SEMINOLE 13, Post 0. ABERNATHY 16, IDALOU 13. TULIA 12, LOCKNEY 7. DENVER CITY 47, Cooper 0.

SLATON 28, ROOSEVELT 14. FRENSHIP 28, TAHOKA 13. COLORADO CITY 21, Merkle 0.

Frosh edge Seminole

Dana Scott returned a punt return for 50 yards and the td for six points with the extras no good in the victory over Seminole frosh Thursday night with a 12-6 score.

Post's other score came from Phil Tyler when he went off tackle for one yard and the td, with extras no good.

Seminole got their only score when Post threw a pass and it was intercepted and run back for 98 yards.

The frosh had one apparent score called back when the pass receiver caught the ball in the end zone but was called out of bounds.

Coach Lane Tannehill said the team played real well and was proud of all the boys.

The last home game for the team will be played Thursday at 5:30 against Tahoka.

All-stater Bailey may be out of Tahoka lineup

The Post Antelopes will journey to Tahoka Friday night for their traditional battle with the Tahoka Bulldogs, and with All-State Halfback Clifford Bailey sidelined with an injury it should be quite a ball game.

Bailey is reported to have suffered a back injury last week in practice and did not see action in the Bulldogs' 28 to 13 loss to Frenship at Frenship which all but eliminated them from the tight District 5AA title race.

Although no press announcement has been made on the injury, reports from Tahoka indicate he is not expected to play against the Lopes and may not suit up for the rest of the season. The Dispatch has been told that Bailey has a cracked bone in his back.

Tahoka coaches are said to be hoping the big 210-pound senior runner can return for the grid finale against Slaton.

Coach Jackie Brown told The Dispatch this week "we're getting ready for Tahoka either way, with or without Bailey."

The Tahoka team has a nucleus of veterans back from the junior dominated club that represented 5AA in the 1977 post-season playoffs.

In Jerry Hachett, the Bulldogs have another outstanding senior back which some teams have ranked as more dangerous with the football in his hands than Bailey. And in some games he certainly has been.

Tahoka is a running team and doesn't throw very much. In fact, the Denver City victory was the only time they have put the ball in the air very much at all.

The Tahoka offense is run out of the T formation or a flanker set.

The Lopes were the only district team to defeat the Bulldogs last year, coming from behind to win on a long pass in the final seconds of the game.

That night Bailey was held reasonably well, but the Tahoka quarterback had field night as the Lopes were concentrating upon Bailey.

The Lopes are in good physical condition for the game. Coach Brown re-

ports, except for Tackle

Chuck Black. Black sprained his other knee in practice last week and did not play against Seminole. He is doubtful for this one — and may be out

for the rest of the season. Coach Brown told The Dispatch that the team played a strong game against Seminole. In fact it was one of their defensive efforts of the season.

7TH, 8TH GRADERS SWEEP Williams in three long scoring runs

Post's seventh and eighth grade football teams swept a twin bill with Coahoma in Antelope Stadium here last Thursday night with Wingback Melton Williams scoring three touchdowns for the seventh graders on long runs.

The seventh graders won 18-0 while the eighth graders squeezed out an 8-6 decision. Williams took the game opening kickoff in the opener back 70 yards for a touchdown.

Coahoma then drove from the next kickoff to the Post 20 where Defensive Back Stephen Fluitt intercepted a Coahoma pass.

On the first running play for Post, Williams broke around right end for 84 yards and the second touchdown.

After a scoreless second period, Williams broke loose for a second time around right end and this time went 75 yards for the third and final touchdown.

All three attempts for the extra points failed.

Williams in the three runs totaled 219 yards.

In the eighth grade game, after a scoreless first quarter, Linebacker Danny Martinez intercepted a Coahoma pass and ran it back 34 yards for the locals' only touchdown.

Halfback Wade Giddens scored what turned out to be the winning conversion points on a dive up the middle.

In the fourth period, Coahoma hooked up for a 60-yard pass-run play for their only touchdown, but the Post defenders threw Coahoma back in their try

for the extras which have tied the game. The two Post School teams will play Tahoka tonight for a district games, beginning 5:30 p.m.

POST ANTELOPES VS. TAHOKA BULLDOGS

At Tahoka--- 7.30 P.M. Friday, November 10

The question for Friday night's game is will all-state running back Clifford Bailey play or be sidelined by a back injury? Bailey did not play last week against Frenship and may not return to the lineup for the final two games. No announcement has been made of the injury, but The Dispatch understands he won't play against the Lopes but just might be back for the finale against Slaton. He is reported to have a cracked bone in his lower back. Without Bailey, the Bulldogs are a skilled, veteran team with another ace runner in Jerry Hatchett, whom some think is better than Bailey.

Two Garza countians honored in HD month

A select group of farmers and homemakers from the South Plains were honored in Lubbock recently in observance of Farm Demonstration Month in Texas.

Honored from Garza County were Mrs. Loucille Morris and Pete Lancaster.

The program in the board room of the Plains Cooperative Oil Mill commemorated the 75th anniversary of the first successful farm demonstration in which a volunteer producer applied new scientific methods to improve local production.

Lancaster was an early result demonstrator in Garza County and has carried demonstration in cotton varieties, skip row, irrigation and many others, while Mrs. Morris has been connected with Extension most of her life. She has been a member of 4-H and a member of the Texas Home Demonstration Association for many years, and has held many county and club offices.

Presenting the awards were Rep. James E. "Pete" Laney of Hale Center and Mrs. Mike Fillingim of New Home, District 2 director-elect of the Texas Home Demonstration Association.

Dates which have the ability to make things taste better. This easy recipe for Applesauce-Date Cake offers advantages to the busy cook. It can be prepared ahead, is ideal to serve at a buffet and is easily portable. It is also a great after-school treat with a glass of milk.

DROMEDARY Chopped Dates are versatile, nutritious and are delicious in combination with many foods.

OLD FASHIONED DATE-APPLESAUCE CAKE

1/2 cup butter or margarine
1 cup granulated sugar
1 cup applesauce
2 cups all-purpose flour
1 teaspoon baking soda
1 teaspoon ground cinnamon
1/4 teaspoon ground cloves
1/2 teaspoon ground nutmeg
1 cup DROMEDARY Chopped Dates

Cream butter or margarine; add sugar gradually. Stir in applesauce. Blend together next five ingredients. Add to applesauce mixture, mix until blended. Add chopped dates. Turn into greased 8-inch square pan. Bake in preheated moderate oven (350°F.) 50 to 55 minutes. Makes 9 (about 3-inch) squares.

Your Just Desserts
Fresh From Your Oven

This moist old-fashioned Applesauce cake is dotted with DROMEDARY Chopped

GARZA COUNTIANS HONORED — Shown l to r, Rep. Pete Laney, Pete Lancaster, Loucille Morris and Mrs. Mike Fillingim. Lancaster and Morris were honored recently by the Texas Agricultural Extension Service.

Beneficial beetles kill mesquite

By F.E. NORTHAM
Range Conservationist
Dying mesquite over Garza County are showing the effects of an infestation by a round-headed wood boring beetle called the mesquite twig girdler. The insect is a small, charcoal black beetle less than one inch long, and it has antennae (feelers) that are longer than its body.

Most round-headed borers feed on dry, dead wood, but this one attacks living mesquite branches. The female of this species chews a neat ring through the bark around small branches. She then lays eggs under the bark of the girdled twig. The dying branch provides food and shelter for the beetle larvae.

This girdler usually attacks branches with a diameter of 1/4 to 3/8 inches. These smaller branches are important carbohydrate (plant food) storage sites. If many branches are destroyed, the plant is weakened and will not compete as well with other pasture plants. For a stockman this means less mesquite com-

MESQUITE KILLING BEETLE — Pencil points to portion of mesquite where beetle has eaten ring through bark. Garza's mesquite is heavily invested with these beneficial insects this year.

petition with his grass. A farmer or rancher can tell if he has any of these beetles by looking for patches of rusty brown, dead leaves in his mesquite. A closer look at the damaged area will find the ring cut on the branch below the leaves.

This insect is not a cure for the mesquite problem because in some years the damage by the twig girdler is slight. But research from Texas Tech University shows that in years of large populations, 90 percent of the trees may be attacked with forty percent of the small branches being destroyed. Roadside surveys by local Soil Conservation Service personnel indicates that 50-80 percent of the mesquite have girdled branches this fall. Hopefully next year's mesquite production will be retarded by this beneficial insect.

IN 1976, MORE THAN 100 CHEFS FROM 21 COUNTRIES COMPETED IN THE 1ST ANNUAL INTERNATIONAL CULINARY OLYMPICS, HELD IN FRANKFURT, GERMANY.

To make the largest pizza ever—eight feet in diameter—Little Rock, Ark., chefs used 150 pounds of dough, 25 gallons of sauce, 75 pounds of pepperoni and 200 pounds of grated cheese.

TEKIN NOW!

WHEN PROBABLY THE FIRST MOTORCYCLE EVER SEEN IN AMERICA WAS A TWO WHEELED VEHICLE INVENTED BY WILLIAM A. MORTON OF RINTHROP, MASS., IN 1868, IT WAS STEAM DRIVEN AND HAD A BUNGLER SUSPENDED AMIDSHIP. THE VEHICLE HAD A VERY LIMITED TRAVELING RANGE BECAUSE OF THE SMALL AMOUNT OF STEAM GENERATED.

NOW THERE ARE AN ESTIMATED SIX MILLION MOTORCYCLES REGISTERED FOR STREET USE IN THE UNITED STATES, EACH USED BY AN AVERAGE OF 2.3 RIDERS. THAT'S ABOUT 15 MILLION CYCLISTS WHO ARE SHARING THE ROAD WITH MOTORISTS. THE MOTORCYCLE SAFETY FOUNDATION POINTS OUT THAT DRIVERS SHOULD KEEP A CLOSE WATCH ON TRAFFIC AND BE PREPARED TO SHARE THE ROADWAY WITH MOTORCYCLES AND OTHER VEHICLES!

While we feasted our eyes on the scenery, the mosquitoes feasted on me.

Paradise Found.

The only vacation trip Marge and I ever took was our honeymoon. Money was in short supply, so we figured it'd be terrific fun to camp out on the Appalachian Trail. Start our life together in a veritable Garden of Eden.

Well, while we feasted our eyes on the scenery, the mosquitoes feasted on me. I was riddled with bites. Marge came off second best in an encounter with poison ivy. After that, we swore we'd never go anywhere again until we could do it in the grand manner.

That was the start of our vacation kitty. Every chance we got, we'd buy U. S. Savings Bonds and stack them away. As soon as the kids were grown and on their own, we were going to take off. We kept dreaming and the Bonds kept growing.

About six months ago, I called the family together and announced that Marge and I

would finally take our vacation. In Hawaii. We were gonna shoot the works. Tour the Islands. Laze in the sun. Nibble on pineapples and lychee nuts. And do exactly what we wanted.

Well, we finally found paradise. It's been a great vacation. And two people never deserved it more. I did go down to the airline ticket office the other day to book our return flight. But, instead, I just turned in the tickets.

As they say in the Islands—"Aloha."

U. S. Savings Bonds can help pay for that dream vacation. So join the Payroll Savings Plan at work or buy Bonds where you bank. A little planning can go a long way.

Take stock in America.

Before you put those shoes or boots on, take a good look at the soles, the heels and the shine.

Do they look as good as the rest of you?

If not, drop them off for repair on you way to work or shopping. You'll like what we do to them.

WE MAKE YOUR FEET AS WELL DRESSED AS THE REST OF YOU.

High Plains cotton received were 25 to 22.50 per bale week ending Nov. 8 ending to Paul R. Area Director at Marketing Services Lubbock. Sold mixed lots of grades 42 and better, 20-33, mikes 3.5-4.9 58.15 cents per pound. New crop loss of grade 43, staples 30 mikes 3.5-4.9 brought 30 cents per pound.

STATE CAPITAL HIGHLIGHTS
By Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN—The economy-seeking State Sunset Commission apparently will recommend abolishing nine inactive or minor Texas governmental agencies.

more probably will be left intact after evaluation.

Twenty-six agencies are under current review. They are the first of 177 directed by the Sunset Act to justify their existence in the review process or leave themselves open to being abolished, reorganized or merged to reduce cost and improve service.

The other agencies will be scrutinized over the next decade.

After 16 months of study, the commission seems likely to suggest to the legislature next year abolishing the Burial Commission Rate Board, Board of County and District Indebtedness, Texas Stonewall Jackson Memorial Board, State Board of Morticians, Pesticide Advisory Committee, Pink Bollworm Commission, Texas Private Advisory Committee, Texas Private Employment Agency Regulatory Board, Texas Vehicle Equipment Safety Commission and Texas State Railroad board of managers.

A tie vote of Senate members seemed to knock out efforts to change status of the State Bar of Texas, which lawyers must join to practice. Other agencies which apparently will get the nod to retain their status quo are the Cosmetology Commission, Good Neighbor Commission, Battleship Texas Commission, Motor

Vehicle Commission, Texas Navy Inc., and State Licensed Land Surveyors and Public Surveyors.

Dispute Ended

Texas finally got a \$33.9 million settlement out of the federal government, ending a five year legal hassle over matching funds for welfare services.

Attorney General John Hill said the check from the U.S. Department of Health, Education and Welfare to the Texas Department of Human Resources represented a successful culmination of the litigation concerning funds for needed social services provided by the state agency.

Hill said HEW also agreed to withdraw a request for a refund of more than \$178 million in claims from the Department of Human Resources.

Twenty states were involved in the settlement.

New Appointments

Gov. Dolph Briscoe named Cam F. Dowell Jr. of Dallas to the State Finance Commission. Dowell, a banker, succeeds the late J. A. Clements of Longview.

Briscoe also appointed Henry C. Wendler, retired IBM executive, to the State Board of Control.

John Ben Shepperd of Odessa was selected by the governor to serve on the Texas Library and Historical Commission, succeeding Frank Prescott Horlock, Jr., of Houston.

Three new members were named by Briscoe to the Texas Commission on the Arts and Humanities. They are Mrs. Nancy Nelson of Dallas, Leon P. Gilvin of Amarillo and Edward L. Protz of Galveston.

Records Broken

Political candidates broke all records for campaign spending this year.

Republican gubernatorial candidate Bill Clements led the field with more than \$6.3 million. Democratic gubernatorial candidate John Hill said he expects to spend about \$3 million.

U.S. Sen. John Tower probably will pass the \$4 million mark, and Democratic Senate candidate Bob Krueger is beyond the \$2 million level. Jim Baker and Mark White, candidates for attorney general also topped \$1.2 and \$1.3 million a week before the election.

Courts Speak

Texas Supreme Court, in a case important to homeowners, agreed to consider a Dallas suit against a builder who sold a couple a \$55,000 home in which the flooring collapsed in front rooms after a year's warranty expired.

In another case, the Su-

preme Court affirmed a Fort Worth intermediate court ruling which invalidated a Wichita Falls ordinance prohibiting sales of alcoholic beverages within 300 feet of a school.

The Court of Criminal Appeals reversed the murder conviction of a Houston mental hospital patient accused in the death of a roommate.

Third Court of Civil Appeals upheld a state water agency's revocation of a South Texas firm's permit to build a waste disposal plant near Three Rivers.

AG Opinions

State colleges and universities must secure the copyright holder's permission for their musical performances unless the performance is specifically exempted under a 1976 revision of the copyright law, Attorney General Hill held in a new opinion.

Payment of licensing fees to secure permission for such performances would not violate the Texas constitution, the opinion continued.

The opinion also concluded that state institutions of higher education may pay for blanket licenses from performing rights societies if they receive adequate consideration for the payment. Whether or not the blanket licensing agreements violate the federal anti-trust laws is a fact question in each case.

Short Snorts

Gross receipts taxes on mixed drinks earned the state \$16.7 million in revenue during the third quarter of the year, according to State Comptroller Bob Bullock.

The Railroad Commission scheduled a December 1 public hearing here to consider application of the federal Department of Energy for expansion of its strategic petroleum storage facilities at Bryan Mound in Brazoria County.

More than 1300 new attorneys were sworn in here Monday.

State Board of Control Executive Director Homer A. Foerster is new president of the National Association of State Purchasing Officials.

Eight thousand Texas oil and gas operators were requested to defer submission of documents in connection with the Natural Gas Policy Act of 1978 until implementing regulations have been published.

A seminar on South Texas' place in Sunbelt tourism is scheduled in Rockport Friday.

Public expenditures for criminal justice increased 9.3 per cent in 1977 to a record \$21.5 billion, according to a Law Enforcement Assistance Administration.

Rites held for Mr. Simpson

Funeral services for Monte Simpson, 85, former Garza countian, of Route 5, Brownfield were held at 10:30 a.m. Saturday, Nov. 4 in the First United Presbyterian Church of Brownfield.

Simpson died at 7:50 a.m. Thursday in Brownfield Regional Medical Center.

Born in Coryell County and raised in Howard County, he married Ione Frances Wilcox Dec. 30, 1916 and moved to Garza County. They moved to the Union Community south of Brownfield from Garza County in the '30's. He was a retired farmer and member of the Presbyterian Church.

Survivors include his wife, a daughter, Mrs. Cletus Floyd of Brownfield; a brother, Edward of Big Spring; three grandchildren, five great-grandchildren and two nephews, Paul Simpson and R.L. Simpson, both of Post.

WEEKEND GUESTS

Visiting with Mrs. Verna Roberts over the weekend were Mr. and Mrs. Gene Gollehon of Portales, N.M., Mr. and Mrs. Lester Adams and Mrs. Randy Kennedy of Tahoka, Mrs. Pearl Robinson of Pleasant Valley and Mr. and Mrs. Roy Robinson, John and Tom of Slaton.

VISITS HOUSTON

Mrs. Jake Webb, accompanied by her son, Alex Webb, visited in Houston over the weekend with her granddaughter, Mrs. David Bartholomew. Mrs. Webb reported she had a very enjoyable time and a fast plane trip.

TEEN SCENE

By Norm

WHAT CAN I SAY? When you have a jammed packed room full of people in the new youth center I have to say it was a success, somewhat crowded, but a success.

I don't know if all those people there were friends of Post kids, friends of a friend, or just people passing through and saw the crowd and decided to join the fun. I had never seen a lot of those faces there before! But I hope you all enjoyed it. I was somewhat disorganized, but promise to do better next time.

All of you who spent countless hours of decorating the gym deserve recognition, but don't know who was all involved. The signs, coronation areas, Indian in the body suit were all quite impressive. THANKS TO ALL OF YOU WHO DID IT.

To Kerri Pool, Dana Babb, Nita Jo Gunn, Larisa Shiver, Teresa Davis, Dale Redman, Leslie Looney and Shawn Scott, I say congratulations. To the escorts, David Foster, Kevin Craig, Jeff Williams, Shorty Bilberry and Danny Gunn, I don't know what to say and will let it go at that.

I heard the car bash was a huge success and it looked as if it was. The bon fire was not so well attended, but the fire was big anyway. Barry Morris takes credit for the snake at the top and Rynn Norman, Kirk Stevens and Jimmy Pruitt take credit for stirring up the dirt.

Lacy McGinnis of Calallen, and formerly of Post talked to Donna this week and said she wanted to tell all her friends in Post "Hi."

I want to thank the kids for helping me move the equipment into the new youth center and it goes to Chuck Black, Johnny Morrow, Lea Ann Babb, Mike Sullivan, Amy Babb, Jerri, Larry Dodson, Kelly and Terry Odom. Sorry if I left someone out.

The new center is now open on Tuesday and Saturday nights and hope to see you all there.

OK LOPES. You played a good game last Friday night, now you must put forth your best effort and **DEFEAT THEM DOGS** over there. Tahoka remembers what you did to them last year and they think you are going to be an easy pushover. Are you going to let them do that? Of course not!!! We're behind you all the way. **NOW GO GET 'EM.**

CHOW

Louis Homer rites pending

Funeral services are pending at the **Hudman Funeral Home** for Louis Lee Homer, former Post resident of the late 1940s, who died Sunday in the Veterans Administration Hospital in Walla Walla, Wash.

He was a resident of Kennewick, Wash., at the time of his death.

Survivors include his wife, Mary, of the home; one son, Steve, of Pasadena, Ca.; one daughter, Dixie Lee Smith of Pecos Beach, Ca.; one

brother, T. J. Homer of Shreveport, La.; three stepsons, Bob Autery of Oregon, Dan Autery of Washington, and Bill Autery of Flagstaff, Ari.; and nine grandchildren.

Homer was a member of the Baptist Church.

The Rev. Jimmy Kennedy will conduct services here and burial will be in Terrace Cemetery.

The first potato chips were prepared in 1853 at Moon Lake House Hotel in Saratoga Springs, N.Y. They were made when a diner asked for "thinner than normal French fried potatoes."

PEP SQUAD BEAU — Dale Redman, center, was crowned Pep Squad Beau during the pep rally last Friday afternoon. Dale was crowned by Laura Mason. Runnersup for the honor were Leslie Looney, left, and Shawn Scott, right. (Staff Photo)

Tonie sells 33 annuals

By **TONI AMMONS**
First prize of \$10 was awarded to **Tonie Ammons** for selling 33 annuals in the recent Post Middle School annual sale which sold a total of 175 annuals.
Second prize was awarded to **Crystal Mason** for 27 and

third prize was divided between **Rene Hall** and **Ron Mason** for selling 18 annuals each.

Several people have volunteered to sell signature ads for the Antelope Memories annual.

London pair to perform

By **RENE HALL**
Two London performers, **Jan and Jerry Rogers**, will be performing for the Post Middle School, Nov. 16 at 2:15 in the Primary Auditorium.

Music will be from the classics to folk-pop. Instruments they will play are the piano, electric organ, guitar, drums, and trombone.

The couple has been playing together for six professional years and Jerry had the privilege of playing for the Royal Family of England. The couple has also appeared on many TV and radio shows.

Understanding Yourself

REMAINING YOUNG

Growing old. Many people fear it, but we all do it.

It is a fact of life that need not inspire terror if it is looked at in the right way. Growing old is best accepted as a way of the world. Age brings new wisdom, experiences not possible in days of youth.

The wrong attitude—the one that causes fear and unhappiness—is to lament how great life would be if we could live a long time without having to grow old! If we could afford to continue enjoying all of the things we like, and with the passage of time to keep adding to that list!

To have the maturity and wisdom that come with time and experience could make life fun and fascinating. It seems that when we were young, there was always too little time. Now that we are no longer young, there is too much spare time.

"An intelligent man never snubs anybody."

HUDMAN FUNERAL HOME
Presents
Wordsworth

Looking at our lives, have any of us done as well as we could have? While managing the Washington Senators, the late **Gil Hodges** learned that four of his players had violated his curfew. Instead of imposing his customary \$100 fine on each, he addressed the entire baseball club: "I know who you are and I don't want to embarrass anybody," he said. "There's a cigar box on my desk. At the end of the day I want to see \$400 in it." At the end of the day, he found \$700.

Mrs. Northam new librarian

By **ALPHONSO REYNA**
Mrs. Donna Northam is the new librarian for the Post Middle School.

Mrs. Northam is taking Mrs. Pearl Rileys place. Mrs. Riley moved to the Primary School as a teaching aide.

Her duties are to check books in and out, order materials and to keep order in the library. She has been a librarian in Post for two weeks and she says she likes working in the school district.

Married to Eddie Northam of Lubbock, she has two daughters and one son, and they are Deann, six years; Jana, five and Frank, three months. Deann and Jana go to school in Lubbock.

The most expensive table lighter in the world is an 18-carat gold replica of a lighthouse that is set on an island of amethyst. It sells for \$56,875.

Dances to be shown today

By **MARTA HOLLY**
Mrs. Lu Allen is presenting a program Thursday, Nov. 9 at 2 p.m. in the Middle School gym to show off the sixth grade girls dances.

Parents are invited to attend along with anyone else who would like to come.

Happy 37 Norma

Thought we forgot didn't ya!!

Lunch Menu
BREAKFAST
Monday — Sausage, egg, orange juice, half milk.
Tuesday — Omelette, con, toast, applesauce, half milk.
Wednesday — Cold banana, half pint milk.
Thursday — Chicken rolls, peaches, half milk.
Friday — Cold con, toast, juice, half pint milk.
LUNCH MENU
Monday — Corn chow, lettuce, salad, whipped potatoes, cookies, fruit, cornbread, half pint milk.
Tuesday — Hot chili, pinto beans, carrots, peaches, made buns, half pint milk.
Wednesday — French fries, tomato, strawberry short cake, pint milk.
Thursday — Tuna, cheese, lettuce, salad, green beans, late no bake cookies, pint milk.
Friday — Beef mixed greens, jelly fruit, cornbread, half pint milk.
Long bamboo poles used for two of the group.
Songs that will be sung are "The Entertainer," "Put Your Hand In Hand," and "Jerry's Song."

Dish Up A Dutch Treat

Like many Americans, the Dutch are fond of desserts, particularly fruit desserts. Although the Dutch Boy is actually an American version of a German pancake, we're sure the Dutch would approve! You will, too, when you discover how quick and easy it is to prepare. This unusual pancake is baked in the oven. All you need to do is beat together the batter ingredients and pour them into a pie plate. The scrumptious fruit topping takes only a minute or two. Don't limit this great recipe to dessert time, though. Fruited Dutch Boy would also be great as a late night snack or hearty brunch.

FRUITED DUTCH BOY

1 to 2 servings

- 2 small bananas, sliced
- 1 can (11 oz.) mandarin oranges with liquid
- 1 tablespoon butter
- 3 eggs
- 1/2 cup milk
- 1/4 cup all-purpose flour
- 1 tablespoon sugar
- 1/4 teaspoon salt
- 1/4 cup flaked coconut, toasted
- Whipped cream, optional

Combine bananas and oranges. Set aside while preparing pancake. Preheat oven to 450°F. While it is preheating, put butter in 9-inch pie plate and put in oven to melt. (It will take about 5 minutes.) Beat eggs, milk, flour, sugar and salt with rotary beater until smooth. Pour batter into hot buttered pie plate. Bake 8 minutes. Reduce heat to 375°F.; bake an additional 8 minutes or until golden brown. Surface should be irregular with high sides. With slotted spoon fill center with reserved banana-orange mixture. Sprinkle with coconut and top with whipped cream, if desired. Serve immediately.

NOTE: For a more traditional Dutch Boy, sprinkle with powdered sugar and lemon juice or serve with maple syrup or warm honey.

The average American TV set is on about six hours a day.

MORTGAGE INSURANCE

Politics-

(Continued From Page One) relet amendment — naturally — was the biggest winner here in Garza County as well as statewide. The Garza vote was 797 for and only 85 against.

Only amendments three and eight were opposed by Garza voters. Three would grant the legislature power to issue tax increment bonds to finance redevelopment of blighted areas. Amendment eight would authorize water districts to engage in fire fighting activities and issue bonds to finance it.

Statewide incomplete returns showed only amendments two and three probably headed for defeat. Two is the "jobs for Texans" amendment.

Garza's state representative, W. S. (Bill) Heatley was reelected without opposition. He polled 696 Garza votes.

10th sacred-

(Continued From Page One) The Post Music Club sang "Alleluia," and the Post Community Chorus closed the program with "Come, Ye Thankful People, Come," with Mrs. Bo Jackson as guest director.

Benediction was given by Rev. Frank Pickett.

The annual music program is sponsored by the Post Music Club, a member of the National Federation of Music Clubs and member.

Centennial stars---

(Continued From Page One) sheepmen as the sheep are being driven down the street after being unloaded at the railroad in Centennial.

Later he plays the speaking part of an unnamed cowhand who talks with Sheriff Dumir (Brian Keith) about the Cartwright International Circus.

Welch's nephew, Burl Cary, son of Wilma Jean Carey of Lubbock plays a non-speaking role as the circus tallman-strong man. He is 6'9".

In Bernie's part as a stunt man, he is involved in a

street brawl and barroom fight. He also was a stunt double for Jim Loyd (Bill Atherton) when he rides in spurring and whipping and jumps under a wagon where Calender (Jesse Vent of Oklahoma) and his son are being pinned down with pistol fire by members of the Pettis Gang.

Welch got to do this stunt because the stunt man broke his shoulder and two ribs as he attempted the jump and the horse shied.

His part in this historical film has been very gratifying and enjoyable and he only has one regret. That being that he would liked to have been able to have been a part of the cattle drive which was filmed near Del Rio. One of his deceased

relatives, Welch Schromm formerly of Dermott drove cattle on the Chisholm Trail in the late 1800's.

Another former Post will take part in the drive segment. Mr. and Mrs. Bob Pool appear in a non-speaking part.

These segments should appear in the showing of the film.

Postings-

(Continued From Page One) news and analysis of the tight contests. Television hasn't figured out how to do that. From Walter Cronkite on down, television has a lot to learn about election coverage.

Some sharp focusing on major races between regular programing would have been a big improvement, we think. Anyway, we thought it was ghastly. We'd run out of Carl Cederholm's office in the courthouse to get a TV report and never could get a darn thing on the governor and senate races.

We'd say the TV coverage was just about as ho-hum as the campaigns and election.

If you like horses, you'll love

The Post Dispatch

New electric-

(Continued From Page One)

Dispatch understands the new state law, would be an appeal to the courts.

Residential rates here will vary in summer and winter, the council was told under a guideline issued by the PUC. The residential user will pay \$4.50 per month for the first 30 kilowatts of electricity used each month. For eight months of the year the amount used over 30 will be billed at \$2.25 cents a kilowatt. But in the peak electric usage months of June, July, August, and September the cost per kilowatt will be billed at \$2.75 cents each.

The electric bills received this week also for the first time did not include the five percent sales tax. The legislature at a special session lifted the four percent state sales tax and the City of Post lifted its one percent sales tax on the utility bills.
