### COTTON INSECTS

Insects do not attack cotton in the fields with any regularity, therefore it is necessary to determine if they are attacking the cotton. Numbers to do before applying the proper insecticide. If the insects are in sufficient numbers, the insecticide should be applied as soon as possible and no application should be made unless needed. The insect population change quickly so it is necessary to begin early and conduct examinations for insects.

### Flea Hopper

Examinations when the cotton is big enough and old enough to produce squares. Examine as many as five points in different parts of the field. The insect should be located in such manner to obtain a comparable view of the field.

Use either of the following methods for taking flea hopper counts: a. Examine 100 terminals (the tip of 100 plants) at a point. With both hands, pull the small leaves of the plant and count the flea hoppers present. b. Use a net (see and make 100 sweeps. A net consists of passing the net over the row of cotton brushing the tops of the plants over which net passes. One hundred sweeps of the net will be comparable to examining 100 terminal plants.

From 15 to 25 flea hoppers found per 100 terminal buds or 100 sweeps, the infestation is sufficiently high to warrant the application of sulphur. Of course, should take into consideration factors as the moisture and dry conditions of the plants. Heavy dew, there would be no need in applying poison to cotton will not produce enough cotton more than pay for the material and labor.

The first application should be made when the infestation is averaged fully ground dusting at least 93 to 95 per cent through a 325 mesh screen should be used.

Apply from 12 to 15 pounds sulphur per acre per application depending upon the size of the field.

Applications should be made at intervals of 7 days as long as hoppers occur in injurious numbers (15 to 25 per 100 terminals).

The net for making flea hopper counts is made as follows: a. A brown handle about 2 1/2 feet long, and to this attach a 1/2 inch rope 16 inches in diameter. A funnel shaped bag 24 inches should be attached to the rope. It is suggested that the net be made of blue or black netting to enable one to see the small colored flea hoppers better against a dark background.

July 31 is Deadline for Transferring School Pupils

Ann A. Robinson, County School Superintendent, has announced that July 31st is the last day for transferring pupils from one school district to another. Pupils whose grades are not completed in their home district must be transferred before that date. It will be a benefit to the school districts involved if the parents will attend to the matter during the few days before the deadline.

ROGERS HAS PRE-WAR AUTO AND TRACTOR PARTS

A large stock of pre-war merchandise was recently purchased by Earl Rogers. Included in the stock are parts for tractors and autos. Such accessories as Farm Filters and filters, used tubes, radiator hose, seat covers, jackets, seat covers, and tractor and auto parts are in the stock.

He invites all persons who need auto and tractor parts to visit his store and see if he can't fill their needs. The store is located at the corner Food Store.

## Mail Reaching Yanks In Japan

Washington, D. C.—The American Red Cross has announced that there is substantial evidence that letters written by the next of kin to American prisoners held in Japanese prison camps have been received by them in considerable number.

The greatest assurance rests in the fact that relatives within the last week have received letters from prisoners held in Japan acknowledging receipt of mail.

Among those was Mrs. Royal C. Johnson of Washington who received a letter from her son, Lt. Harlan T. Johnson, Navy aviator, held in Zenkai Prison Camp, Japan. Writing to his wife and his mother he said: "I have received six of your letters. It is impossible to say what letters mean to us here. It is such a grand pleasure that it hurts at first. Then you read, re-read and re-read the letters until you are again happily at home."

The American Red Cross urges next of kin to continue writing regularly to imprisoned members of their families, even though they may not yet have had a reply from the Far East. The delegate of the International Red Cross Committee in Japan has notified the American Red Cross that many thousands of letters have been delivered to the Americans, as well as other United Nations prisoners held in the Far East.

The mail route has been long and difficult, but the American Red Cross announces that a new and faster route has been opened only during the past month. This new route is capable of handling only a limited cargo of first class mail, so the American Red Cross emphasizes the importance of using the lightest weight paper and envelopes, thus permitting a greater volume of letters to go through. Censorship is expedited if letters are typewritten or block printed.

Relatives are requested to follow closely directions issued regarding the proper addressing of mail to prisoners of war. Publication ARC 316, available at all local Red Cross chapters, gives full directions.

## Ed L. Robertson To Play In Oil Bowl Classic Sept. 1st

Ed Robertson has been selected to play football in the Oil Bowl classic to be held in Wichita Falls on September 1. Announcement came this week when Ed Lawrence was notified by Eck Caste, member of the coaching staff of the Oil Bowl Classic.

This is the sixth annual classic to be sponsored by the Masked Temple of Wichita Falls. Members of teams to play are selected from outstanding High School players from north and west Texas and are under the direction of college coaches.

Ed Lawrence, who played fullback on the Antelope team and who made an excellent record, was one of the twenty-two boys selected from this area. He will leave here in time to arrive in Wichita Falls on August 23 for a week of training before the game on September 1.

## Brother Of Mrs. G. N. Leggett Dies At Her Home Here

Last rites for B. F. Davis, 55, who died late Monday at the home of his sister, Mrs. G. N. Leggett of west of Post, were conducted in the Baptist church at Hale Center at 5 o'clock Tuesday afternoon.

His funeral home directed burial in Hale Center cemetery. Survivors include his wife and two daughters, Monette and Jeanette, of San Diego, Calif., and three daughters, Mrs. Clarence Corbett of Brownfield; one son, Orvis, of Lumbert; one grandchild, one brother, C. E. Davis of Lumbert, N. M., and one sister, Mrs. Leggett and the W. E. Cannon family of Hale Center.

Mrs. L. W. Dalby, accompanied by her grandson, Giles Dalby, and her daughter, Mrs. Allen Banton, and little daughter Lynn, of Lumbert, left Monday morning for a visit in Denver with Captain and Mrs. Arno Dalby for a few days.

## George Mahon Expects To See People In District

Washington, D. C.—Congressman George Mahon left Washington this week for Texas where he expects to visit and confer with the people in each of the twenty-five counties of the 19th District during the Congressional recess. In commenting on the general situation prior to leaving Washington, Mahon said: "It must be frankly admitted that on the home front the situation is not altogether wholesome. There has been too much bungling and waste and too much bitterness even among high officials of the Government. On the other hand there is no cause to despair; our country is fundamentally united and there will be no home front collapse."

Mahon added: "We must also be frank with ourselves in regard to the war. We have a long road ahead and we have no reason to feel that all is over but the shouting. But there can be no doubt that we are on our way to victory. Our cause is just; we have an unshakable determination to win; we have the best fighting force in the world, both from the standpoint of men and equipment, and this force is growing stronger by the hour. We are greatly outstripping the enemy in the production of planes and weapons and our margin of superiority is rapidly increasing. We are linking the submarine and this makes possible a closer approach to an all-out offensive. Nine million Americans are in uniform and our military leadership is superb. This all adds up to final victory."

## RATIONING CALENDAR

### War Ration Book 1:

Sugar: Stamp 13 valid for five pounds through August 15. Stamps Nos. 15 and 16 good for five lbs. each through October 31 for canning sugar.

Coffee: Stamp No. 21 good for one pound through July 21. Stamp No. 22 becomes valid July 23 and expires August 11.

Shoes: Stamp 1R valid through October 31.

### War Ration Book 2:

Blue stamps (canned fruits, canned vegetables, fruit juices, soups, frozen foods, catsup, etc.) N. P. Q good through August 7.

Red Stamps (meat, canned meats, butter, margarine, lard, cheese, canned fish, fats and oils, canned milk) P became good June 27. Q became good July 4, both will expire July 31. R becomes valid on July 11 and will expire on July 31. S will become valid July 18 and will expire July 31.

### War Ration Book 3:

(No stamps in this book to be used until announcement is made. Many books still to be mailed to consumers.)

Gasoline: No. 6 "A" coupons good for 4 gallons through July 21. "B" and "C" coupons good for 4 gallons each, expire according to date on individual book.

Transport rations for commercial users issued for third quarter, under ODT certificate of war necessity good from July 1 to Sept. 30. Each coupon good for five gallons.

Tires: Replacement must be recommended by official tire inspector and application made to local board for certificate. Replacements do not require certificates.

Tire Inspection: "A" book holders required to have second official inspection by Sept. 30; "B" book holders, third inspection by Oct. 31; "C" book holders, third inspection by August 31, and "D" book holders must obtain second inspection within 60 days from last date of inspection or every 3,000 miles, whichever comes first.

Other Rationing: Persons must apply to local boards for certificates for new automobiles, bicycles, typewriters, rubber footwear and to USDA for board for farm machinery and pressure cookers.

Mr. and Mrs. Will Scarborough returned last Wednesday from a short vacation in Ruidosa, New Mexico.

Prize of Allied Invasion—Sicily, one of the main islands on the outer defense rim of the Axis, is being rapidly overrun by Allied invaders as they storm toward Hitler's European fortress. This map shows strategic points throughout the island. The island has an area of 9926 miles, slightly smaller than Maryland. Population is four and one half million. It has been the natural stepping stone from Africa to Europe for 3000 years. It is studied with axis naval bases and airfields and its volcanic sulphur supplies Italy's munition industries. Allies have already swarmed up the coast of the island and have taken the important port of Augusta and are on their way to the most strategic port of Messina just across from the boot of Italy.

## Farmers Holding Meetings To Discuss Soil Conservation

Several meetings have been held among farmers recently for the purpose of discussing plans for soil and water conservation. One meeting was held on July 2 at the Pleasant Valley school building. Those who attended were: Charles Scott, Henry Edwards, Henry Wheatley, S. M. Lewis and F. W. Hall. Plans were discussed for controlling the run-off water that flows into the lake on J. C. Roberts' and S. W. Webb's farms.

Another meeting was held on July 6 at S. W. Webb's home. Those attending besides Mr. Webb were: J. C. Roberts, F. W. Hall, Hugh Webb and Wallace Kimbrough, county agent. At this meeting, plans were discussed for controlling the run-off water that flows into the lake on J. C. Roberts' and S. W. Webb's farms.

Mrs. Howard McCampbell and little son, David, went to Lubbock Friday to spend several days with her sister, Mrs. Gordon Sanders, and Mr. Sanders.

## New Arrivals...

Mr. and Mrs. Keith Kemp are announcing the arrival of a baby girl Wednesday morning at 1:30 o'clock in the Slaton hospital.

Mr. and Mrs. Reese Bivens are announcing the arrival of a baby boy named Bob Terry on July 7 in the Lubbock General Hospital. The new baby weighed 8 pounds and 8 1/2 ounces. Mrs. Bivens is the former Ahlene Terry of Post.

Congratulations to—Pfc. and Mrs. F. M. Allen on the birth of a son, Samuel Edward, weight 8 pounds, 4 ounces, at Mercy Hospital, Slaton, Wednesday morning at 8 o'clock. Mrs. Allen is staying with her parents, the Charles Skellie at Scotland while Pfc. Allen is on desert maneuvers.

Mr. and Mrs. Dan Stewart are the proud parents of a son, Dan, Jr. who arrived last Thursday. The baby weighed 7 pounds, 7 ounces.

## Butchers Must Show Evidence Of Permits By July 15th

Butchers and local slaughterers in Garza County must submit to the county war meat committee by July 15 evidence of the amount of livestock slaughtered during the period upon which current permits are based. Avery Moore, Jr., chairman of the committee announced today.

Permits may be cancelled if this evidence is not presented to the meat committee on or before the deadline date Moore said.

Evidence may include books or records kept by the slaughterer, records of persons from whom he bought livestock or to whom he sold meat. Other proof of the amount of slaughtering done during 1941 includes grading certificates or inspection records.

If the slaughterer was not operating during the corresponding period of 1941, he must substantiate the amount of slaughtering done in 1942. Moore said in explaining the permit program. He emphasized that evidence should be submitted only if livestock actually owned by him at the time of slaughter.

Evidence submitted to the county war meat committee will be used in establishing a more uniform system of permits and quotas for livestock slaughterers.

Other members of the committee are: Dr. D. C. Williams, W. R. Gruber, R. C. Beator, J. E. Roberts, Lou Baker and Rev. R. C. Tennison.

## CURB'S CAFE IS RE-OPENED

Clyde Curb reopened Curb's cafe this week. The cafe has been closed for several weeks and has been undergoing repairs and refinishing. Curb leased the cafe several months ago to Jim Posset while he took a much needed vacation. Recently he decided to re-open and has been busily engaged repainting and refinishing the interior. His many patrons will be glad to know that he is resuming business.

O. C. Thomas, former High School principal of the Post school and who served in the Spur school for eight years, is now living in Ralls. He is retiring from the school profession. It was learned here, it is not known just what he plans to do in Ralls. The school profession has lost a fine man from the field of education.

Mrs. Emmett Deal left Friday for an extended visit with her parents, Mr. and Mrs. Sam Morrow of Fort Worth.

## Gas Rationing "A" Books Expire On July 22nd

Many people who have Gas Rationing "A" Books are learning that these books either have expired, or will expire within a few days. A new application must be made for a new book and this application must contain the following information:

You must have the registration certificate of the tires on your car when you first made application for a Gas Rationing Book. Also, have the backs of your first "A" books as these contain information that you will need.

Your applications for Gas Rationing "A" Book, or any other gas rationing books, will be handled by the Garza County Rationing Board. File these applications with Vera Gollebon, the Secretary of the Garza County Rationing Board, and when the Board holds their regular meeting they will pass on your application. No other county rationing board has any authority over your gas rationing book.

The book expires July 22.

## Funeral Rites For Mrs. Ethel Neal Held Monday Afternoon

Funeral rites for Mrs. Ethel Neal were held Monday afternoon, July 12, at 2:30 o'clock at the First Baptist church. Rev. O. B. Herring of the Methodist church conducted the service.

Appropriate scriptures from the writings of St. John were read followed by an obituary. Fitting words of sympathy and comfort were expressed by the pastor. Several vocal numbers were sung by a mixed choir composed of members from Post churches.

Mrs. Neal died at her home here on July 7 after a long illness of many years duration. Seemingly she was no worse than usual at the time of her going. She was born in September 22, 1891. She had lived in Post for about twelve years.

Survivors are her son, Curtis Neal, third class petty officer of the U. S. Navy who is assigned to the USS Balboa, a new cruiser. He is stationed at Norfolk, Virginia, and came here for the funeral, her husband, R. W. Neal of Post, who arrived here from that city early on the day of her death; a sister, Mrs. R. R. Qualls of Granger, Texas, who was also present for the funeral.

Interment was made in Terrace cemetery by Mason and Company funeral directors.

Pull houses very Clint Herring, Dan Crookham, C. B. Everett and L. V. Bearden.

## Calvary Baptist Church To Begin Revival July 16th

Grayson Tennison, pastor of the Calvary Baptist church, is announcing the dates of a revival meeting to begin at that church on July 16. His father, the Rev. R. C. Tennison, will be guest preacher for the meeting which will continue for ten days.

Miss Mary Margaret Duckworth will serve as pianist and Jim Hays will serve as choir director during the meeting.

## MANY RATION BOOKS STILL NOT MAILED YET

Garza County applicants who have not yet received War Ration Book No. 3 are advised by the Office of Price Administration to cease worrying about the matter. The OPA knows about it, and such applicant is no exception. In fact, 3,000,000 books are yet to be mailed to residents of Texas, Oklahoma and Louisiana from the Dallas mailing center.

Such applicants are requested to save themselves and OPA workers trouble by refraining from further letter writing on the subject.

Mrs. Francis Lawson and three boys left Monday for Carlsbad, New Mexico, where they will join Mr. Lawson and make their home.

## July Bond Quota For County Set For \$22,400.00

The July Series E Bond quota for Garza county is set for \$22,400.00, according to Marshall Mason chairman of the Garza county War Bond committee. The quota was set by Frank Seofield of the Office of State Administration of the Treasury Department.

Mr. Seofield's letter in part to Mason is as follows: "During the month of June we failed, for the first time in several months, to make our quota for the State of Texas as a whole. However, some of the counties did a swell job in exceeding their quota.

"For the moment the withholding tax apparently may have threatened War Bond purchases, but in my opinion the bark will prove worse than the bite.

"At this time it is costing 240 million dollars a day to equip our men in the fighting forces and properly care for our necessary war expenditures. This is nearly 100 millions more a day than we were spending last year. During the coming months it will be necessary for us all to buy more War Savings Bonds than ever before—in fact, we are going to have to purchase more than twice as many as in the past six months.

We have proven in the past what we can do and in the future we must do more if we are to win this conflict which we have set out to win. In order to accomplish this we will need the cooperation of all people everywhere and I am depending wholeheartedly upon you, as the leader, to keep your country in the first line ranks. Our fighting forces have never failed us—we must not fail them now."

## An Extra Dollar Will Help Boys Bomb Tokyo Again Soon

This month every man, woman and child in America can have a part in launching a new ship... a new ship which will carry the planes to bomb Tokyo again, and avenge the execution of some of Jimmy Doolittle's fliers. This new carrier of Uncle Sam's is a Mystery Ship—and it will be called the Shangri-La. This will make a fact out of President Roosevelt's joke on the Japs... when he said, after Doolittle's raid, that these American fliers came from Shangri-La. But it's up to you and all true Americans to make the Shangri-La come true! It's up to you to build the Shangri-La with an extra dollar's worth of War Stamps this month... today. Remain every member of your family to buy extra War Stamps to help build the Shangri-La. You'll never miss the dime that goes to make that dollar... that extra dollar from every American which will drop bombs on Tokyo again. Get your Stamps at your retail store, or motion picture theatre.

Gateway for the Shangri-La, Tokyo here we come again!

## Maximum Price Set For Oil Meals In Carload Lots

"There is a maximum price on sale of soybean, cottonseed, and peanut oil meals and oil cake in carload lots," Howard Gholson, OPA district director, said today in warning stockmen to not make contracts over this price. The maximum price set by Commodity Credit Corporation is \$40.00 per ton for sale of the commodities in car load lots by jobber, wholesaler, and retailer, f. o. b. the mills. If the products are ordered shipped then transportation costs may be added, the OPA director said.

To this maximum price, OPA regulations allow an additional 50 cents in sale by jobber, \$2.50 by wholesaler, and \$3.50 by retailer, all per ton. The transportation costs may be added in these cases, also, the OPA pointed out. In the event that jobber, wholesaler, or retailer buys any of these commodities unshipped and resells some sacked, he may add the actual cost of sackings not to exceed \$3.50 per ton. All charges mentioned will take care of brokerage, commissions, storage and carrying charges and no additional charge may be added for these services, the OPA director said.

Mrs. F. A. Young of Ellaville, Texas, arrived last week to visit in the home of her daughter, Mrs. H. M. Ford and Mr. Ford.

**DR. B. E. YOUNG**  
DENTIST  
—X-RAY—  
Office in Double U Building  
Telephone - - - 15W

Miss Lois Nance is spending a part of her vacation with her parents, Mr. and Mrs. Ott Nance of Justiceburg. She is employed with the Ordnance Plant in Amarillo and spent two or three days at the Peecos rodeo before coming on to Post to visit. She will return to Amarillo on Sunday.

Rev. R. C. Tennison is conducting a meeting in Dickens this week.

### With The Men In Service

#### Southland Boys In Service

Sgt. Billy Basinger arrived here Thursday on a fifteen day furlough with his parents, Mr. and Mrs. Alfred Basinger of Hackberry and other relatives. Sgt. Basinger is a gunnery instructor in Kingman, Arizona.

A cablegram from S. Sgt. Fred Fletcher last week informed his mother of his safe landing, but failed to mention which continent.

Pfc. Bryce King wrote his mother from Australia. He sailed from San Francisco the first of June.

While St. Sgt. Calvin Klaus was on his furlough, he went by to see James R. King, but he was away on leave. Calvin learned from the boys there that our postmaster had recently been promoted to Corporal.

Julian Vela, who is joining the Paratroops, had a two weeks furlough, which ended Tuesday of this week.

Sunday evening, J. L. Gary filled the pulpit of the local Baptist church. J. L., a former local resident, now lives near Pleasant Valley. The church granted him license to preach.

The S. M. Truelocks were Sunday dinner guests of the Marvin Truelocks.

Brother S. D. Lofton plans to have recovered sufficiently from his appendicitis operation to preach here at the Church of Christ next Sunday.

#### Avon Dunlap Likes The Navy

Avon Dunlap's mother says he is liking Navy life fine but he really enjoys getting letters from his old friends and wishes more of them would write him.

His address is: Avon Dunlap, A/S. Co. 4, 192 USNCS, San Diego, 23, California.

#### Bruce Shepherd In Australia

Mrs. W. J. Shepherd has received a letter from her son, Cpl. Bruce Shepherd, saying he was somewhere in Australia. He said "I was sure good to be on land again and think he will like Australia fine."

#### Visits Parents Here

J. W. Hester left Post Thursday for Norfolk, Virginia after spending a few days furlough with his parents and friends of Post. He is now a first class seaman after graduating June 25 from the Coast training school.

#### Jerrald Bowen Completes Course At Fitz Simmons Hospital

Jerrald Bowen completed a course at Fitz Simmons Hospital at Denver last week, and is now enroute to his training base at Camp San Luis Obispo, California. He visited his parents, Mr. and Mrs. Mitchell Bowen here for a few days.

#### L. Wayne Veach Enjoys Swimming In Mediterranean

Lieut. Wayne Veach writes his parents, Mr. and Mrs. J. H. Veach that he is doing okay in North Africa and is making friends with the French people. He has been enjoying swimming in the fine waters of the Mediterranean Sea. The battle grounds after the battles are a sight to see, he continues. So far he has not been in combat. He is looking forward to the time when he will be at home again and declared that he will be back sometime.

Buy a War Bond today!

### Pepsi-Cola Uses Barges To Transport Drinks Over Area

The bottle barge, each one of which releases for the haulage of Navy supplies fourteen large trailer trucks which formerly made wholesale deliveries of soft drinks, has joined the commercial flotilla of New York Harbor as a result of the gasoline shortage.

Walter S. Mack, Jr., president of the Pepsi-Cola Company, said yesterday that the idea of floating his bottled goods upon the local waters had come to him "as a brainstorm" a few nights ago as he wrestled with the problem of meeting the truck mileage and delivery cuts ordered by the Office of Defense Transportation. The next morning he hired a barge.

There are now six barges, towed by coal-burning tugs, which deliver the bottled soft drinks, 7,000 to 8,000 cases to a boatload, from the East River bottling plant in Long Island City to piers in the Bronx, Coney Island and other points in the metropolitan area, where the local distributors pick up their orders for short haulage to stores and fountains. Already, said Mr. Mack, he has cut his truck mileage and gasoline consumption by 25 per cent, and thinks the barge delivery system may be extended up the Hudson River many miles.

A delivery by barge from the Long Island City Bottling plant to a Bronx pier at 188th street and the East River took one hour, Mr. Mack said. This was the same time which a truck used to take for the overland route. Mr. Mack said his company used trailer trucks of the Motor Haulage Corporation for its highway deliveries, and that all trucks taken from soft drink runs because of the barge deliveries were used by the haulage concern on other contracts involving Navy work.

#### Mathematics Coming Into Front In Curriculum

Mathematics, long shunned by the average student or studied only under compulsion, is coming into its own, educators declare.

Currently more than 75 students are taking college algebra and analytic geometry by correspondence from the University Extension Teaching Bureau, Miss Julia Vance, registrar, reports.

The bureau conducts approximately 75 University courses by mail, under instruction by regular members of the University faculty. These courses embrace almost all fields of study in the University's regular curriculum, from Bible to pharmacy, from music to air transportation.

Eight towns in the United States are named Cuba.

#### Russel Smith Wants Watermelon, But Not At \$4.00 Apiece

Russel Smith, former Double U employee, who is now serving in the Seabee Division of the United States Navy wants to enjoy watermelons when he comes to Post on the 26th for a furlough. Recently on a trip to New York for a few hours, he saw melons for sale and when starting to purchase one was asked \$4.00 for it. "Just a little high, I thought," he said in writing to Sam Bardwell of the Double U office here. Russell is stationed at Camp Endicott in Davisville, R. I. His wife, who is a member of the Women's Army Corps, is stationed somewhere in Florida. They both expect to be in Post around the 26th for a few days visit with family and friends.

PALATE PLEASING MEALS FOR BUSY BUSINESS PEOPLE

Enjoy mealtime more by eating regularly in our restaurant, where appetizing meals, tastefully prepared are a speciality of the house. Our menu is planned with an eye to giving you the most vitamins-value at a pleasing price.

SUNDAY SPECIAL—CHICKEN DINNER - - 75c

The American Cafe

### Southland News

Mrs. Marvin Truelock, Correspondent

The Baptist church decided Sunday morning to dispense with the annual Vacation Bible School this year because of the Texas epidemic of infantile paralysis. The date formerly set for the school was the last week in July.

Mrs. Fred Davis and daughter, and Mrs. Woodrow Locklear and daughter arrived Saturday to spend an indefinite length of time here with the children's grandparents, Mr. and Mrs. A. F. Davies, Mrs. G. W. Davis, and Woodrow's mother at Post. Both of their husbands are employed in aircraft factories in Dallas.

Miss Elizabeth Parker, who is a consolidated employee at Fort Worth, spent the week end here with her parents, the E. F. Parkers, and her two sisters.

Ben Etta Mining is back in Missouri again, according to her mother.

Mrs. G. W. Basinger's mother, who resides in Oklahoma, is visiting her.

There were 65 attending Sunday school at Hackberry July 11, which is a banner attendance for a rural church.

The A. M. Tanners and relatives and friends from Morton had a picnic in Lubbock's MacKenzie Park Sunday.

Charles Hafer of Vernon, who has been visiting his grandparents, Mr. and Mrs. Jones at Hackberry, came here Saturday to spend the week end with his cousin, Billie Van Leske. Sunday the J. C. Leskes visited her parents, Billie Van went to Wilson Sunday afternoon to help his brother, Joe.

High school principal J. J. Duff has preached at Wilson last Sunday and the Sunday before.

Mr. and Mrs. Vernon Dunn and children of Abilene spent the week end here with their parents, the I. A. Duns. They were accompanied by Olive Davies who visited her parents, Mr. and Mrs. A. F. Davies. Olive returned with them to begin the second semester of summer school at Hardin-Simmons University.

Last Monday, Rena Belle and Florine Noak visited their cousin, Mrs. Leonard Ansel and her mother, Mrs. Ed Lieske.

Betty Sue Basinger, who has been manager of her father's store here, moved back home to take charge of his store at Hackberry.

Mrs. Nell Smallwood of Midland attended the reunion of her mother's relatives, the Mathis family at Lubbock this week end. She was accompanied by her sister-in-law Dorothy Sue Smallwood, who has been employed at Midland several weeks, and Pauline Noak, who went to work at the Midland Air Base last Monday morning.

Rev. and Mrs. O. E. McGee—a daughter went last week visiting his church members at Challowater.

A visit in the home of Mrs. Cora Cash Monday was Carol Caserman who was enroute to his home in Littlefield from San Antonio where he has been visiting for several days with Mrs. Cash's daughter, Miss Maxine. The visitor is a runner and is stationed at present at a bomber school in Kansas. He has been in active service overseas for a year and in enjoying a twenty-one day visit with his family and friends. Displayed on his jacket are three medals, one for a year's service overseas, one for a year's service before Pearl Harbor and one for meritorious service.

Buy a War Bond today!

Miss Sibyl Anne Pirtle, daughter of Mr. and Mrs. R. L. Pirtle of Draw, who recently enlisted in the WAVES, is taking hospital training at the U. S. Naval Hospital at St. Albans, New York. Miss Pirtle was a teacher in the Post High school last year.

Second Lieut. Zelma B. left Monday for Lubbock to work at the South Plains Flying School. She has been on her call to duty at the school for several weeks.

1 cup Sugar  
1 tablespoon Flour  
2 cups Milk  
2 teaspoons Vanilla  
3 cups Light Cream

1/4 cup White Corn Syrup  
1/4 teaspoon Salt  
2 Whole Eggs, or  
3 Egg Yolks, slightly beaten

Mix sugar, corn syrup, flour and salt, stir in milk, cook over boiling water, stirring constantly, until slightly thickened. Cover and continue cooking for ten minutes. Stir a little of the hot milk into the egg, then stir into the remaining hot milk. Cover and cook about 5 minutes or until mixture coats the spoon. Cool, add vanilla and cream.

## ICE

War has brought many restrictions, but there is no SHORTAGE OF ICE—use it freely! It's so easy—so economical to assure freshness and vitality of your precious foods with ICE. It's so important to the war effort to let ICE remove the danger of food-spoilage.

### STAY AT HOME!

Did it ever occur to you that staying at home this year is a very patriotic gesture? Travel facilities are crowded to the limit and every person who takes up space on trains and buses just to go on a vacation somewhere is considered in a very favorable light either by the soldiers, sailors or nurses who are having to shuttle back and forth over the country, or by the train and bus men as well. Recently we had occasion to see just how crowded the servicemen were and watched them pile out on the hot brick pavement of a station platform to stretch out for a minute of complete relaxation just because there was "standing room only" in the coaches. On many of the coaches we counted as many as twenty-five children. Many of the passengers were, we feel sure, en route to see a father or brother who was in service somewhere but others, we were told by the conductor, were just going on a "vacation." In our opinion travel should be restricted.

People can really relax better at home than anywhere in the world so statistics say, so if you are wanting to do something to aid the war effort, stay at home for your vacation this year.

Snatch a few hours of peace along some stream or lake, treasure a few hours in the shade of a tree. Take advantage of the leisure hours instead of moaning over the loss of days that used to be when travel was easier. There are certain beauties of nature to be found in Garza and adjoining counties, remnants of pure relaxation to be had in your own back yard, simple pleasures to bring renewed interest in life inside your home. Try them this year and leave the trains and buses for the men who are sacrificing almost everything for us on the home front.

### LIVES—THE PRICE OF STRIKES

Many people have not realized the full threat to the war effort that attaches to labor trouble in the mines. In 1943 it is estimated that upward of 100,000,000 tons of coal will be chemically utilized. Coal derivatives are used in explosives, plastics, the priceless sulfur drugs, solvents, food preservatives, insecticides, fertilizers, lacquers, rubber, nylon and hundreds of other vital war materials. Total demands for coal have grown to astronomical proportions. Prior to work stoppages in the mines, the industry was endeavoring to meet all demands placed upon it. It was succeeding. Now it remains to be seen whether there will be a coal shortage. No power on earth will be able to bring back the lives of the service men who may be lost because of any shortage. Men's lives are the price of strikes in wartime.

"Who are these capitalists? Why, almost every one of us. A capitalist is any person who saves a dollar and puts it to work, who has the right and uses that right to invest it in any property, or in any legitimate business, which he or she believes will be profitable." —Robert P. Barbour, President, National Board of Fire Underwriters.

It takes about five hours for an experienced man to wrap the decorative bottle used in christening ships.

A steamship is by far the largest structure capable of motion that man has ever built.

They need your cooperation along this line. Do your bit. Stay at home.

## Our Merchant Marine

"PACKET" ORIGINALLY MEANT ANY SHIP CARRYING PASSENGERS AND FREIGHT ON SCHEDULE. SMALL COAST-WISE PACKETS EXISTED EVEN IN COLONIAL DAYS.

BUT TRANSATLANTIC PASSENGER AND FREIGHT SERVICE WAS INCIDENTAL TO TRADING VENTURES. ENROUTE, PASSENGERS MIGHT FIND THEMSELVES IN ANY STRANGE PORT. THEN, IN 1816, CAME THE FAMOUS AMERICAN BLACK BALL LINE RUNNING PACKETS BETWEEN NEW YORK AND LIVERPOOL ON REGULAR SCHEDULES.

WITH A FLEET OF NOT MORE THAN 50 PACKETS WE SOON COMPLETELY DOMINATED THE ATLANTIC.

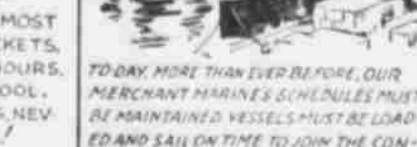

DARING AMERICAN SKIPPERS CARRIED SPARE SAILS AND SPARS RATHER THAN SHORTER SAIL. CHARLES DICKENS SAILED BACK TO ENGLAND ON AN AMERICAN PACKET RATHER THAN A BRITISH STEAMSHIP. THEN SOMETHING CALLED A "THINK BOX".

TRADE FROM THE ERIE CANAL, (OPENED 1825) MADE NEW YORK LEADING PACKET PORT

THE DREADNOUGHT, (1413 TONS) MOST FAMOUS OF WESTERN OCEAN PACKETS, HELD THE RECORD OF 13 DAYS, 8 HOURS, BETWEEN NEW YORK AND LIVERPOOL. HER CAPTAIN, SAMUEL SAMUELS, NEVER ONCE "LAY TO" IN ANY STORM!

TO DAY MORE THAN EVER BEFORE, OUR MERCHANT MARINE SCHEDULES MUST BE MAINTAINED. VESSELS MUST BE LOADED AND SAIL ON TIME TO JOIN THE CONVOYS SO ESSENTIAL TO VICTORY.

### Views of Neighboring Editors:

The Lynn County News: One result of this war is going to be that many of our young men and boys are going to get a lot better acquainted with this old world on which we live.

American boys are now to be found in many parts of the world. Many thousands of them spent the Fourth of July in old England, the country from which we won our independence. Other thousands are in Ireland. The Irish have always been exceedingly friendly to America and thousands of them have migrated to this country. A lot of Irish blood flows through the veins of Americans, but because of the animosities that have long existed between the Irish and the English, our boys were not very hospitably received when we began sending them over several months ago to the Emerald Isle. It is to be hoped that July 4 brought no clashes between the Irish and our boys on their shores. In act, it should

## UP your bond buying

### THROUGH PAYROLL SAVINGS

U. S. Treasury Department

There has been an occasion to draw the Irish a little closer to our boys for they have long sought the complete independence and separation from Great Britain that Americans won a hundred and sixty years ago.

The Slaton Slatonite: Reports from Amarillo are that there is no beer in the beer joints, no whiskey in the liquor stores, no water in the bath tubs and that things are so dry that a soldier back on leave from Africa dug himself a foxhole in his father's back yard, and one man has been trying to buy a camel so he can make a safari cross country to Dalhart.

The behavior of German soldiers in Tunisia indicates what will happen in Germany when the people are convinced beyond doubt that further fighting is hopeless. It is our prediction that the Germans, as in 1918, will fold up fast when hope expires.

The first locomotive built in the United States was completed on Jan. 15, 1831.

Moral: Put no faith in a liar, no matter what you hear.

Mrs. J. F. Storie Entertains Merry Makers Tuesday

On Tuesday, July 13, fourteen members of the Merry Makers club met with Mrs. J. F. Storie for an afternoon of quilting.

The afternoon was spent in quilting and quilting a pretty quilt. Delightful refreshments consisting of punch, cookies, salad wafers and jello were served.

As one of the major projects of the club for the year it was decided to meet at the Close City school house Wednesday morning, July 21, to can for the lunch room.

The next meeting will be with Mrs. L. W. Dalby on the 4th Tuesday afternoon in July.

Mrs. Geo. Samson Entertains Club Last Friday

On Friday, July 9, Mrs. George Samson entertained members of the Needlecraft club at her home. After an hour of sewing the club enjoyed a social hour.

The next meeting will be with Mrs. Frank Nease on July 23.

Benny Joe Clary Observes Third Birthday July 8

Benny Joe Clary, the son of Mr. and Mrs. Iven Clary, celebrated his third birthday on July 8 when he entertained a group of his friends with a lawn party at the Clary home.

After the many lovely packages were opened and inspected, the children spent an hour playing.

The pink and white birthday cake was cut and served with pink lemonade to John and Mozelle Edwards, Harley Franklin, Homer Cato, Gerald and Darlene Carpenter, Danny Cockrum, Don Davies, Elvis Curb, Don Clary and Benny Joe.

Other guests were Mesdames Garland Davies, Dan Cockrum, Hall Franklin, Cloyd Curb, Lloyd Edwards and Ralph Carpenter and Miss Margie Edwards.

Two Hostesses Entertain For Club At Graham

The Graham Homemakers' club met on Thursday afternoon, July 8, in the home of Mrs. Lola Peel with Mrs. Dora Redman as co-hostess.

This was our Rosebud party and names of each member's Rosebud pal for the first half of the year was revealed when many useful and beautiful gifts were exchanged.

Names were drawn for the last half of the year and gifts will be exchanged at our Christmas party.

We had about 23 members and 8 visitors present.

Rene Pluh and Alma McBehe had charge of the program for the afternoon. A very interesting and patriotic program, consisting of songs and stories, was enjoyed.

The next meeting will be with Mrs. Nettie Seay on Thursday afternoon, July 22.

Buy a War Bond today!

L. Frances Williams, Capt. Jim Arceneaux To Marry August 1

Announcement of the approaching marriage of Miss Lois Frances Williams, daughter of Dr. and Mrs. D. C. Williams, to Captain James C. Arceneaux, Jr., of Rayne, La., was revealed at a beautifully appointed tea last Sunday afternoon when Mrs. Harvey Herd was charming hostess from five until seven o'clock.

Miss Williams, daughter of Dr. and Mrs. D. C. Williams, who has been working in Denver, arrived home Saturday to remain with her parents until the wedding date on August 1. The wedding plans are incomplete at this time. Captain Arceneaux is stationed in Denver at Camp Logan and is connected with the Administrative department of the Army Air Corps. He is a graduate of Louisiana State University law school and has been a member of the Army Reserve since 1937. He has been on active duty since 1941 and has served at air fields in San Antonio, New Orleans, March Field in California, in addition to his present assignment in Fort Logan. He is the son of Mr. and Mrs. J. C. Arceneaux, Sr., of Rayne.

The Herd home was beautifully decorated with handsome bouquets of vari-colored gladiolus, dahlias and other summer flowers for the occasion. Many of the flowers came from flower gardens in Post.

Mrs. Herd greeted the guests and presented them to the honoree and her mother, Mrs. Williams. Miss Williams was becomingly dressed in a tangerine red crepe floor-length frock made of graceful body lines and finished with lillike net bows at the neck line. In her hair she wore an attractive arrangement of flowers.

Mrs. Williams wore a black crepe dress with beaded neckline and a purple orchid for a shoulder corsage. The hostess wore a becoming two-piece model of white jersey and a corsage of white zinnia daisies.

In the house party were Mrs. John D. Hassell of Lubbock, Mrs. James Minor of Lubbock, Mrs. H. M. Timmons, Mrs. Bryan J. Williams, Mrs. Phil Bouchier, and Miss Martha Thomas, Maxine Durrett of Midland, Eugene Bowen of Lubbock and Barbara Cox.

Presiding at the beautiful bride's table was the sister of the bride-elect, Miss Betty Williams.

A program of music was presented by Bill J. Davis, violinist, and Mrs. Ashley Lawson, pianist. Featured on the program was a vocal trio composed of Misses Iris Parker, Mary Evelyn Nease and Hazel Louise Cash. Numbers presented during the calling hours were "Skylark," "Bells of Saint Mary's" and "Don't Get Around Much Any More." Miss Betty Williams was accompanist for the trio.

The date of the wedding was revealed in a very appropriate and clever manner by the hostess who had arranged on the tea table a mirror design featuring sky writing as it would appear by a plane in the air. A miniature white plane was placed at one end of the oblong mirror which centered the attractive table laid with Italian cut work cloth. Written on the mirror were the words "They're off, Jim and Francis, August 1." Encircling the mirror were white shasta daisies. On each side of the arrangement, silver candelabra holding deep cream tapers were placed. Silver trays holding individual cake squares topped with small decorative roses graced each end of the table. Punch was served from a small table.

Approximately eighty-five guests attended the lovely affair, among whom were a number from Lubbock.

A series of parties will be given in honor of the bride-elect within the next few days. Mrs. A. C. Surman will open the series with a bridge party on Friday afternoon. On Saturday Mrs. John D. Hassell of Lubbock will entertain with a luncheon in Lubbock.

Mrs. James Minor will be hostess in Lubbock with a luncheon on Wednesday and several hostesses Mesdames Bryan Mathis, J. E. Parker, Jim Power and Miss Martha Thomas will entertain on Thursday night at the home of Mrs. Power. Friday night Mrs. Irene Rodgers, Mrs. Novis Rodgers and Mrs. Phil Bouchier will entertain at the home of the former.

Mrs. Oscar Gibson will return home today from the Lubbock General hospital, where she had been since June 27. She underwent an operation on June 28.

Hart-Westbrook Wedding Held Saturday 10:30 p. m.

Miss Dorothy Faye Hart, daughter of Mr. and Mrs. W. C. Hart, formerly of Post, now of 505 E. Ave. B, Sweetwater, became the bride of Mr. Granville B. Westbrook, son of Mr. and Mrs. B. R. Westbrook of Truscott, Texas, in a double-ring ceremony performed by L. N. Moody, minister, in the home of the bride's parents at 10:30 p. m. Saturday, June 26.

The bride wore a pink silk street dress with white accessories and carried a corsage of white carnations on a white Bible. She was given in marriage by her father.

Miss Dorcas Dean Westbrook, sister of the groom, was Maid of Honor and wore a white linen suit with white accessories. Mrs. Dewain Brown of Tahoka, Texas was best man.

Miss Shirley Hart, sister of the bride, accompanied Misses Dorothy Young, Louise Grimes, Maxine Bonner and Elizabeth Comelli on the piano as they sang "When Your Hair Has Turned To Silver." She then played the wedding march which was followed by the "Flower Song" softly during the candlelight ceremony.

About forty guests including the parents, immediate relatives and a number of friends were present. Following the ceremony the wedding cake was cut by the bride and groom and served by Mrs. H. D. Williams of Fort Worth. Mrs. Verline Mundy of Norman, Oklahoma, presided at the punch bowl.

Many wedding gifts were opened and shown to the guests.

The bride and groom spent the week following the occasion visiting in Truscott and Sweetwater. They returned to Fort Worth Thursday where they will reside at 2709 Memphis.

Mrs. Westbrook is a graduate of Post High school and attended Spangston's Business College in Lubbock. She is now employed as stenographer by the Geo. H. Merrill Co. in Fort Worth.

Mrs. Westbrook is a graduate of Tompsett High school and Harding College, Sevier, Arkansas. He is now employed as assistant draftsman for the Civil Aeronautics Administration in Fort Worth.

Mrs. Ashley Lawson Hostess To Church Group Monday

The Women's Society of Christian Service met in the home of Mrs. Ashley Lawson Monday, July 12th, with the president, Mrs. W. P. Presson, presiding.

After a short business session, a very interesting program was led by Mrs. Frank Nease.

Theme of the program was "The Discovery of Christian Leaders in the Orient." Scripture lesson by Mrs. Tol Thomas; Meditation, Mrs. Smith; Prayer, Mrs. Herring; Talks were given by Mesdames Presson, Parker, Durrett and Stone.

Mrs. Lawson served delicious refreshments of ice cream and cookies to 12 members and one guest, Mrs. Houston Hoover, of Littlefield.

Bill Wood Given Dinner Party On Friday Night

Bill Wood who left Monday morning for Fort Sill, Oklahoma, to begin the indoctrination period of army induction, was honored on Friday night when his mother, Mrs. Wilf Scarborough, was hostess with a dinner party. The party was held at the American Cafe with only a few close friends attending.

A bright colored Mexican cloth covered the attractively arranged table which was set in Russell Wright pottery services of harmonious colors. A delicious four-course supper was served. Centering the table was an unusual arrangement of seasonal fruits with the central piece a bright colored pineapple.

Places were arranged for Mr. and Mrs. Wood, Mr. and Mrs. Weldon Jobe, Mr. and Mrs. Jack Edwards, and Mr. and Mrs. Weldon Johnson.

Following the supper guests went to the Scarborough home and enjoyed several hours of dancing and rummy.

Before departing the friends presented Bill with several cartons of cigarettes and an army shaving compact.

Priscilla Club Met Last Friday In Jim Hundley Home

A very enjoyable afternoon was spent by the members of the Priscilla club last Friday when Mrs. Jim Hundley was hostess.

There was much laughter over some of the experiences of members who had been on trips. Some of the ladies sewed and others crocheted the rest just visited.

Mrs. Stewart assisted her daughter in passing refreshments.

Vernon (Shorty) Greenfield formerly of Post and now of San Antonio visited here for several days last week. He is associated with the Minger Electric Company of San Antonio and is on contract work at Stamford and Ballinger for the next few weeks. He was a guest of his sister, Mrs. Dan Altman, and his uncle, T. R. Greenfield, while here.

Mrs. J. H. Babb has returned from Amarillo where she visited with her daughter, Mrs. Sherrill Boyd. Mrs. Boyd the former Evelyn Babb, has been in San Antonio with her sister, Mrs. Jcy McCartney and stopped over here for a short visit, taking her mother on to Amarillo with her for a ten day visit.

D. W. Parsons was released from the Lubbock hospital last Thursday, several days earlier than it was expected, according to a member of the family who was contacted. Mrs. Parsons will not be able to be up for sometime.

Pfc. Elvis Davis who is stationed at Bryan Field, Bryan, Texas, came home Sunday for a furlough. He will return to camp next Tuesday.

**NOTICE**

Greenfield Hardware Company will not take any more applications for ammunition until further notice. This announcement is being made by Homer McCrary.

Mrs. Mark Roberts and son Jerry of Hollywood, California, have been visiting in the home of her mother, Mrs. H. J. Shepherd for the past two weeks. She will return home Friday to continue her work with Vega Aircraft Co.

**"Desert Victory" Coming To Garza Wednesday-Thurs.**

Mention the word battle to those unfamiliar with the complex workings of modern warfare and it will immediately bring to mind a picture of two immense bodies of troops being hurled one against the other in a bloody conflict for survival.

This may have been true in the days of the Roman phalans or the stirring, picturesque, yet futile cavalry charge of the Civil War period. Today however, a battle with all the ramifications necessitated by long range artillery, motorized transport and air combat becomes an entirely different kind of war. This is a war of speed, planning, coordination and endurance.

Perhaps the best illustration of this is the thrilling full length motion picture of Rommel's rout in Egypt, "Desert Victory" which is due Wednesday and Thursday at the Garza theatre.

Photographed by the Film Units of the British Army and the RAF, "Desert Victory" is a complete story of the entire Egyptian and Tripolitanian campaign.

It graphically shows, and for the first time in a manner completely understandable to the layman, the thorough planning and disposition of troops and arms necessary—even before the first gun is fired.

While "Desert Victory" shows the victorious British Eighth Army in dramatic action throughout its historic 80 day, 1,400 mile head-on dash across the African desert that resulted in the rout of Rommel's vaunted Panzers and Africa Korps, it also points out the support given these ground troops by the Royal Navy and the Royal Air Force. This was according to a prearranged plan of battle which was prepared months in advance, changed only to meet the needs.

"Desert Victory" is hailed as the greatest feature film ever made of modern battle.

**PROTECT HEAD AND NECK FROM SUNSHINE TO PREVENT SUNSTROKE**

"Sun Stroke is not thought to be due to the heat of the sun, but to certain direct effects of the sun on the human brain. It is likely to occur after the sun has shone excessively on the back of the head and neck," Dr. Cox, State Health Officer, explained. "This can be prevented by protecting the head and back of the neck from the sunshine," he added.

Dr. Cox asserted that exposure of the skin to the sun has some virtue since the action of the sunshine tends to kill the germs on the skin. Further, sunshine produces vitamin D from the fats in the skin and this product is absorbed and used by the body.

"In general the good effects of sunshine are not due to the heat rays but ultraviolet rays," Dr. Cox stated. "It must be remembered, however, that it is these same rays which burn the skin and extensive application of direct sunshine to the skin may produce painful and severe burns which actually may endanger life."

The State Health Officer advises those who wish to obtain an extensive suntan to get it by slow degrees. Expose small portions of the skin to the sun for a short period of time. When tanning is established, exposing a greater area for a longer period of time should prove safe and comfortable.

**Demand For Teachers To Be Greater This Year**

Teachers for Texas schools are going to be even more urgently needed this year than last, predicts the Texas Teachers' Appointment Committee of Austin.

The committee has on hand calls for more than twice as many teachers as it can fill with the applicants in its files.

Since January 1 more than 1,000 requests for teachers have been placed with the committee.

The greatest shortages are in commercial work, science, mathematics, and physical training-teaching.

**CALVARY BAPTIST CHURCH**

"The little church with a big welcome." Sunday School 10 a. m. Worship Service 11 a. m. and 8:45 p. m. Mid-Week Prayer Service, Wednesday, 8:45 p. m. A welcome awaits you.

Grayson Tension, pastor

O. G. Hamilton and daughters, Faye Ruth and Beth are visiting Mrs. Hamilton who is a patient in a sanatorium in San Antonio. They will return to Post Friday or Saturday. Mrs. Hamilton wrote the Dispatch editor not long ago that she thoroughly enjoyed the home town paper and could keep up with many of her friends through its columns.

"I have just finished reading the Dispatch and noticed where our soldier boys wrote you their appreciation of the Dispatch. Well, I too want to tell you how much I appreciate and enjoy the paper," she wrote in part. Friends here hope that Mrs. Hamilton will be able to come home very soon.

Mr. and Mrs. Robert Gollehon and daughter spent Sunday in Post with Mr. Gollehon's mother, Mrs. I. L. Gollehon and his sister, Vern.

Mr. and Mrs. Tom Garner and son left Friday for Phoenix, Arizona where they will make their home.

Coins were sometimes cut into halves or quarters to make change in early England.

**SMALL TOWNS BACKBONES OF THE RED CROSS**

Washington, D. C.—It is the small communities throughout the country that form the real backbone of Red Cross.

The latest tally of Red Cross chapters shows that of 3,755 chapters in the United States, 2,910 chapters are in communities having a population under 10,000.

Every chapter, regardless of size, is obligated to provide Home Service to service and ex-service men and their families and to organize for disaster preparedness and relief. In addition, the majority of chapters provide additional Red Cross services, including the all-important Nursing Enrollment, Home Nursing, First Aid and Life Saving, Production, Nutrition and Junior Red Cross.

In 2,153 chapters, these services are maintained by all-volunteer staffs made up of civic minded people in the community. Home service volunteer staffs alone have expanded 71 percent in the past nine months.

**CARD OF THANKS**

We wish to express our thanks to neighbors, friends and Dr. Williams for the kind words and deeds in our recent bereavement. Also for the beautiful flowers.

Mr. and Mrs. Geo. Leggett Mrs. and Mrs. Clarence Cornett Mr. and Mrs. Henry Wheatley and family Orvis Davis

**DESERT VICTORY**

Produced by the Film Units of the British Army and the R.A.F.

**'Happy Go Lucky' At Garza Theatre Sunday-Monday**

A colorful, musical funfilm, Paramount's "Happy Go Lucky," is headed this way, due to arrive Saturday night 11:30, also showing Sunday and Monday at the Garza with Mary Martin, Dick Powell, Betty Hutton, Eddie Bracken and Rudy Vallee among those present.

The five stars sing, dance and make merry to the tune of five hit songs, namely, "Happy Go Lucky," "Let's Get Lost," "Murder, He Says," "The Fuddy Duddy Watchmaker" and "Sing a Tropical Song." In the singing they are aided by Sir Lancelot and his Calypso Song. If you're not yet a Calypso fan, you will be after you see "Happy Go Lucky."

The picture tells the laugh-filled story of a fortune-hunting Miss (Mary Martin) who arrives at a resort island in the Caribbean on board a luxury cruiser and pretends to be the daughter of a millionaire. It's her idea that it's a lot easier to land a goldfish by using her own gold as bait. Unfortunately, her own gold doesn't last too long. Dick Powell and Eddie Bracken, a couple of happy go lucky beach boys, help her in her campaign to snaffle millionaire Rudy Vallee. By the time Vallee is safely on the hook, however, Mary is head over heels in love with Powell, and vice versa.

Filmed in gorgeous Technicolor, "Happy Go Lucky" is said to radiate good cheer and vacation fun.

**CARD OF THANKS**

More words are far inadequate to express our sincere feelings of appreciation and gratitude to our numberless friends who have shown no end to their faithfulness and goodness during our troubled times. We also appreciate the beautiful floral offering. May God richly bless each of you in our humble prayer.

The family of the late Mrs. Neal

Melvin Stewart returned from the Lubbock General hospital Saturday where on Thursday he had his tonsils removed. He is now recovering at the home of Emory Young in the Close City community.
