S. JOHN B. SLAUGHTER IS FIVE IN RED CROSS WORK

Chapter in County was Organized Under Direction of Slaughter Leader in 1917

Among the outstanding pioneers of the section of West Texas is John Bunyan Slaughter. For the many years of her life at Post, she has been fostering every kind of cause, being especially active in Red Cross and church work.

S. J. B. SLAUGHTER

Several hundred dollars was made for the Red Cross. After that time, she never had any trouble in raising funds. "I had the cooperation of every man, woman and child in Garza county, and she was very active in all her work," she asserted.

SENIOR of The Week

Bettie Jo Stevens of Gollehon was elected to the senior class this year. She was born October 25, 1925, in Lynn County, Texas. She attended school at Garlynn for two years. She has always been active in athletics. He played end on the football team during his junior and senior years in track and basketball. He has played basketball for several years. He is one of the leading cast in the play this year. He is a talented and he has a musical way on several instruments.

1942 Cotton Report Shows Increase Over 1941 Record

Reports from the Department of Commerce in Washington reveal that 18,462 bales of cotton, counting round as half bales were ginned in Garza county from the crop of 1942 as compared with 15,679 from the crop of 1941. The report came from J. C. Capt, director of the department.

Junior Culture Club To Present Play On April 16

An interesting play with an all girl cast is to be given Friday at the Junior Culture Club auditorium. It is being sponsored by the Junior Culture Club. Proceeds of the play will be used to help send a girl to Nurses' School in cooperation with the request from the Federal government.

A synopsis follows: Ruth Farris, played by Sybil Pirtle, is having a difficult time keeping Mrs. Stratton, Laurine Richardson, who considers herself quite a shrewd business woman from swindling her out of her share in the store. To add to her troubles, Ruth has several summer boarders, each presenting a different problem. Among the boarders we find Mrs. Spivens, played by Mrs. Brister, a wealthy woman who has a new ailment every morning. The actress, Ruby Thornton, better known to us as Fannie Faye Porter, comes to town for a quiet vacation and nearly gets involved in several love affairs. Dora Tappan, a long-suffering niece of Mrs. Spivens and Vera Tilden, a young woman interested in athletics are played by June Bowen and Kitty Failes.

Ruth's assistants in the house are Mrs. Warren, the housekeeper, Florence Meekma; Matilda, the peppery colored maid, by Marjorie Smith, and Tiny, so named because she "forgot to stop growing," played by Margaret Stone.

Grade School Tops Records In Bond Sales

Post grade school went over the top in a big way this week by buying \$500.45 in war bonds and stamps. This is the largest amount purchased to date and the increased sales are due to the fact that the grade school children are participating in the Schools at War program now under way and are trying to buy a jeep.

In the weekly contest, pupils in the seventh grade won first place with total sales of \$247.75. Miss Barbara Cox is teacher of this grade. In the Primary department pupils in Mrs. Nola Brister's room were second place winners, with total sales of \$179.85. Winners in the contest were given a free picture show by the Garza theatre.

Tractor Tire Recap Rules Changed

Farm tractor and implement tires now will be recapped only with a material made almost entirely of reclaimed rubber, and replacements will not be issued for tires that are recappable, OPA announced. A rationing certificate is not necessary in order to have a farm tractor or implement tire recapped with the Grade F camelback.

Ration Warning Given Farmers On Farm Products

Farmers were told Tuesday that they could not give their city customers any meats, butter, fats, cheese or oils they produce on their own farms without receiving ration points. This important regulation was announced by the Garza USDA board in compliance with orders received from the Office of Price Administration and the order was released by John L. Wallace, chairman of the Garza County USDA War Board.

The Office of Price Administration issued a warning that producers cannot transfer (sell or give away) rationed products without taking ration coupons which in turn must be turned in at the local war price and ration board office.

Other regulations issued to farmers included: Do not slaughter for sale or transfer without first receiving a permit from your local USDA county war board.

Keep records of all transfers of the commodities and points received.

If you produce for sale or transfer any of the rationed commodities, register with your local OPA war price and rationing board on or after April 30, giving report of operations during March.

Turn in all points received to your local war price and rationing board for cancellation when you file your monthly report.

Office of Price Administration ceiling prices remain in effect and maximum price regulations must be observed.

To livestock dealers and slaughterers, the department of agriculture requires: Anyone who buys livestock and sells it in less than 30 days to get a dealer's permit from his county USDA war board or the local livestock office of FDA by April 1.

Anyone who slaughters any amount of livestock for sale must get a slaughterer's permit from his county war board or the local livestock office of FDA by April 1.

Purpose of the order, OPA emphasized, is to kill the livestock black market that has sprung up throughout the nation.

W. F. Presson Is Elected Head Of Post Rotary Club

W. F. Presson was elected president of the Rotary club for the coming year at a called meeting of the directors on Tuesday. Jack Martin was elected secretary.

President and secretary are always elected following the annual directors' election. Presson succeeds Roy Holland and Martin succeeds Ira Greenfield.

The four new directors chosen last week were Dean Robinson, Pat O'Commer, B. E. Young and Jack Martin. The four holdover directors are Roy Holland, W. F. Presson, Ashley Lawson and A. B. Haws.

Dr. B. E. Young discussed World Trade at the regular Tuesday luncheon.

Baptist Elect Rev. R. C. Tennison As New Pastor

Following a conference last Wednesday night at the First Baptist church, Rev. R. C. Tennison was elected pastor of the church to succeed Rev. A. C. Hardin who resigned recently to accept the pastorate in Tahoka. The conference votes were unanimous in favor of Rev. Tennison who was one of a group of pastors who had been here as guests of the church.

Rev. Tennison notified the church of his acceptance last Saturday and stated that he would arrive to take over duties here on May 9. He is now pastor of the South Side Baptist church in Wichita Falls and has served there two years. Prior to going to Wichita Falls he served two neighboring towns, Idalou and Crosbyton, as pastor. It is understood that he served in Idalou two or three different times.

The new pastor will be accompanied to Post by his wife and three small children, ranging in ages from 7 to 11. Three older children are serving in the armed forces of the United States. Two sons are chaplains in the army and one is in active service. Both Mr and Mrs. Tennison are able workers and have a fine record of achievements to their credit. He is a graduate of Howard Payne College in Brownwood and also of the Southwestern Theological Seminary in Fort Worth. Mrs. Tennison, it is understood, was also a student in Howard Payne.

The parsonage is being remodeled and refinished and will be ready for the new pastor and his family within three weeks.

Dean Robinson presided over the conference in the absence of W. L. Davis, who is chairman of the board of deacons.

Miss Jean Duff Joins WAACS On Saturday

Miss Jean Duff, teacher in the Post Grade School, joined the Women's Army Auxiliary Corp on Saturday. She will not, however, begin training until June as she plans to continue the school term here, it was learned in an interview from the attractive and talented young lady Tuesday.

The oath was administered Saturday in Lubbock at the general headquarters of the recruiting office after physical examinations had been given. She took her mental examinations in Post under the direction of Lieutenant Rose Smothers and Lieutenant Dees, recruiting officers, who were in the city the week before. She enlisted in the corps as a dietitian and will go to Des Moines, Iowa, for her basic training.

Mr. and Mrs. W. R. Graeber and Mrs. Lester Presson spent Sunday in Colorado City visiting with friends.

Trustees To Be Elected for Garza County Schools

Voters in rural communities of the county will go to the polls Saturday in their respective communities to elect school trustees. Trustees for the Post Independent School District will also be elected. Regular election rules on time and procedure will be followed.

Three new members will be elected to the board of the Post Independent District. Members whose terms expire are Bennie Sarge, Ashley Lawson, and King Bingham. Holdovers are Tom Boucher, Allen Cash, Willard Kirkpatrick and Roy Holland.

Grassburg has one out-going trustee, W. C. Carradine; holdovers are C. W. Hunt and Bailey Matsler. E. A. Morgan is the out-going member of the LeForest school; S. S. Beavers and Bandy Cash are the holdovers. At Cross Roads R. B. James is the out-going member; holdovers are J. G. Dealey and Jim Graves. At Justiceburg Cecil Smith is the out-going member; E. C. Pettigrew and W. T. Parchman are the holdovers.

W. F. Landcaster is the out-going member at Pleasant Valley; C. R. Scott and Henry J. Edwards are the holdovers. R. W. Sanders is the out-going member at Hackberry; Ed Cummings and Sam Martin are the holdovers. In Verbena Julius Fumigalli and H. Holly are the out-going members; Charlie Bird, M. R. Davis, Roy Pennington, A. M. Lucas and Allen Bird are the holdovers.

Pete Gerner, J. B. Ray, and R. M. Tucker are the out-going members at Garnolia; L. R. Craig, J. E. Thomas, L. R. Mason and Dan Carpenter are the hold-overs. Lewis West is the out-going member at Hartford; Carl Rains and J. Tom Sims are the hold-over members. One member will be elected at Barnum Springs to fill out the unexpired term of Percy Printz who resigned. Holdovers are Geo. Sartain and A. A. Ferguson. Out-going members at Graham are Charlie Rogers, E. A. Porterfield, and Ray Young. Holdovers are J. W. McMahon, L. E. Gossett, Fred Babb and Arthur Morris.

Mike Custer and Charlie Brown are the out-going members at Close City; holdovers are Tom Williams, B. L. Longshore, E. O. Young, E. W. Perry and A. O. Rosenbaum.

Two trustees-at-large will also be elected. The term of J. W. Maxey from Precinct No. 2 expires. It is understood that his name has been placed on the ticket again. From Precinct 3 the term of E. O. Russel expires.

Deferment Appeals Handled Locally

All appeals involving claims for occupational deferment are now being handled by the Selective Service Board of Appeal in the area of the worker's employment. Formerly these appeals were handled in the area in which the worker was registered.

SECOND U. S. WAR LOAN DRIVE IS ANNOUNCED BY BOND CHAIRMAN

Nation Must Renew Efforts On Scrap Metal Drives

The War Production Board tells us that we must renew and intensify our efforts to collect all available scrap materials, and get them started toward the places they are needed for the war program. Many people say they prefer to donate their scrap direct to the Government rather than have it go through the junk dealers.

Arrangements are now available for this to be done, according to information received this week from the Lubbock Chamber of Commerce. The Army will accept donations of scrap, and if sufficient quantities of it are available on any one locality, army trucks will be sent out to pick it up.

It has been reported that many farmers and ranchmen, as well as some community organizations, have considerable amounts of scrap material already collected or that can be collected, which they would be glad to donate to the government.

Information as to this scrap should be checked on and if as much as 4,000 to 5,000 pounds be available at one place the army will send a truck to pick it up. Information should be sent to the Lubbock Chamber of Commerce, or get in touch with your local scrap chairman.

Any salvage collected from this community by the Army under this program will be credited to this county.

Hint Of Things To Come Shown In Pre Flight Classes

Many a parent who keeps hearing that airplanes will be as popular as automobiles after the war, dreads the day when Junior will shout, "Hey, dad, can I have the plane tonight—I've got a date with a gal in Kalamazoo."

A hint of what is to come through is being written now as schools all over the land are introducing Pre-Flight courses and are teaching the fundamentals of flying to high school students. The course is in its infancy—yet it is proving one of the most popular subjects of the entire curricula.

Of the 17 students enrolled in the new course at Post High school almost all are avid plane enthusiasts and spend a large portion of their time designing plane models. Many of these models are on display at the Greenfield Hardware store.

Plane models displayed in the store are of the American Fighter class. Thurman Maddox has 7 planes on display, Weldon Rogers 1; Ray Ricker 2; and Paul Duren, 1. Others whose models are shown in the window display who are not members of the class are: Herman Maddox with 3 planes and Billy Patty with 1 plane.

"It is our conviction that the average person wants to fly his own small plane if he can fly safely and automatically. Developments to date make it possible safely to say that we can see the time of automatic flying coming within the next few years," said a Bendix Aviation official.

The plane of the future will have to be safe enough for popular appeal. It will have to dodge mountains automatically, keep itself out of collisions with other planes, find its way through fog, stand still in the air, land safely when the gas runs out and cope with all the unpredictable emergencies which have caused crashes in the past.

How all this will be taken care of is a job for the smartest engineers and among this group of engineers may be numbered names of Post students who are now studying with so much interest the whys and wherefores of plane construction.

Mrs. Jim Cloud received word last week that her husband, who joined the army about three weeks ago, is now in Minidoka, Idaho. He took his indoctrination at Camp Wolters in Mineral Wells. Pvt. Cloud will probably be assigned to the administrative department at the Idaho camp. He was formerly County Judge of Dickens county and when he entered the service was living in Snyder.

Series Of Bonds To Be Offered To Investors

The first and dominating motive of the Second War Loan drive which starts on April 12 is the patriotic desire to back up the American men on the fighting fronts, declared John Herd, Victory Fund Committee chairman for Garza county, in charge of sales, along with Marshall Mason, chairman of the War Savings staff.

The welding of the activities of the two committees into the United Treasury War Finance Committee is a natural development to provide leadership in a drive of such magnitude. The goal of the April drive is to raise \$13 billion dollars, eight billion of this amount must be raised from non-banking investors.

Plans are being formulated now by the chairmen to start the drive for this county. A special meeting was held in Lubbock last week for the purpose of completing plans. Both chairmen attended and announced upon their return a desire to help put this county over the top in this campaign that has reached tremendous proportions. Quotas will be announced by next week but an appeal is being made to every citizen to invest to the limit.

In the next few weeks Garza citizens will probably be visited by a member of the War Bond committee or a selected volunteer worker.

The offerings to be sold under the direction of the War Finance Committee will consist of: Twenty-six year 2 1/2 percent bonds dated April 15, 1943, due June 15, 1969, callable June 1, 1964, to be issued in coupon or registered form at the option of the buyers. Commercial banks, which are defined for this purpose as banks accepting demand deposits will not be permitted to own these bonds until April 15, 1953. There will be no limit to the amount of this issue and no restriction upon the issuance excepting the temporary exclusion of commercial banks from ownership for their own account. Subscription books will be opened April 12 and will remain open several weeks. The bonds will be sold in denominations from \$500

City Officers To Be Elected Tuesday, April 6

A mayor and two commissioners will be elected Tuesday, April 6, when citizens of Post will go to the polls.

Walter W. Hyde is a candidate for re-election as mayor and T. R. Greenfield and J. A. Stallings are candidates for re-election as commissioners. The election will be held in the City Hall from 8 a. m. until 7 p. m.

NEW ARRIVALS

Mr. and Mrs. Grady Davis of Brownfield are announcing the arrival of a baby boy on Friday, March 26, in the Brownfield Sanitarium. The young man was named James Riley. Mrs. Brown will be remembered as Clarice Wagner.

Mr. and Mrs. Paul Moore are announcing the arrival of a baby girl weighing six and one half pounds at 6:30 a. m. on Sunday morning, March 28. The new baby has been named Carolyn Ann.

Mr. and Mrs. Thurman Francis of Arlington announce the arrival of an 8 pound, 4 ounce baby girl on Friday, March 19, at the Bobo Hospital in Arlington. The little girl will be known as Carolyn June. Her grandparents are Mr. and Mrs. C. C. Francis and Mrs. John B. Coleman of Post.

Proclamation...

I, Walter W. Hyde, Mayor of the City of Post, Texas, do hereby proclaim the week of April 12th to 17th, as City-Wide Clean-Up Week.

All citizens are urged to co-operate fully in this Campaign by beginning now to clean up their premises, raking up all tin cans, trash, rubbish, etc.

These should be raked up in convenient piles along the side of alleys, back of your property.

All weeds, tree limbs, etc. should be burned, taking care that the fire does not endanger surrounding property.

The City wagons will start out Monday, April 12th, making the rounds of all alleys in town as they come to them. If there's a vacant lot adjoining your property, please don't neglect it. If the wagons should by any chance miss your trash pile, call the City Secretary's office. We respectfully ask for your cordial co-operation. Let's give Post a thorough "Cleaning" this time.

Walter W. Hyde
Mayor

With The Men In Service:

Son-In-Law of F. A. Gilley Is Promoted To Rank of Captain

Gordon Treadway of Dallas, intelligence officer at the Lubbock Army Flying School since June 20 of last year, has been promoted from first lieutenant to captain, it was announced Monday.

A son of Mr. and Mrs. James W. Treadway of Rosebud, Capt. Treadway was an attorney in the U. S. Department of Labor at Washington for five years before receiving his commission last summer. He holds degrees from Texas Tech college and the Dallas School of Law.

A graduate of Lamesa high school, he later taught there and at Texas Tech. From 1933 to 1936 he was assistant director of the Dallas YMCA schools, after which he practiced law in Dallas a short time before going to Washington.

Mrs. Treadway is the former Frances Gilley, daughter of Mr. and Mrs. F. A. Gilley of Post. They have a ten-month-old son, Frank Gordon. The family is residing at 3208 Twenty-second street in Lubbock.

Graduates From Mechanics School

Pvt. Marvin B. Porter, son of Mr. and Mrs. B. H. Porter of Post, has graduated from an intensive course in aviation mechanics at Sheppard Field, near Wichita Falls. The school trains the technicians who maintain our bombers and fighter aircraft in perfect combat condition. He is now eligible to become crew chief on a bomber and to win a rating as corporal or sergeant.

Glendon Presson Promoted To Staff Sergeant

Glendon Presson was recently promoted to the rank of Staff Sergeant. He is with the Mobile Hospital unit of the U. S. Army and is stationed somewhere in England. His uncle and aunt, Mr. and Mrs. W. R. Graeber, received a V-mail letter from him on March 18. It was written on March 1. He described some of the country that is familiar to the Graebers and seems very happy over still being able to get birthday packages from home so quickly and thanked Mrs. Graeber for her package and the letters. Glendon is the younger son of the W. F. Graebers.

Sons of Mr. and Mrs. Hal Jones Serving in Army and Navy

Mr. and Mrs. Hal Jones of the Graham community received word last week their son, Elmer Dee, had been promoted to rank of Sergeant. He is stationed at 837 FGTS, Kingman, Ariz. He was previously stationed at Williams Field, Ariz. Their youngest son, Hal, Jr., enlisted in the Navy Jan. 2nd. He is stationed at Camp Endicott, Davisville, R. I.

C. F. Sanders Visits Here Recently

Chief Petty Officer C. F. Sanders of the United States Navy visited here recently with his parents, Mr. and Mrs. Dan Sanders. His wife accompanied him on the trip and will remain here to make her home for the duration as Sanders will go to sea. He volunteered into the service and is a member of the Seabee division.

PUNCH FOR GROGGY JAPS

GUADALCANAL—U.S. Marine Corps Photo—Instead of risking men to ferret out Jap pockets of resistance in the Guadalcanal jungles, U. S. Army cannon was brought up to pulverize the remaining sore spots. In this photo we see a 155 MM cannon hurling its weighty steel at the Jap lines. Note how the litter is shaken off the ground by the big gun's concussion.

Harry Evans Writes From Camp Polk

The editors of The Dispatch received a letter from Harry Evans, son of Mr. and Mrs. George Evans of Justiceburg last Thursday. He indicated that he was still getting the Post paper and surely enjoyed getting it. Other portions of the letter read:

"I have been down in Louisiana and East Texas since January on maneuvers. I've had lots of new experiences since I have been here. We have to go through the same things here as we would if we were in real battle. I have got used to sleeping on the ground now and it's not so bad. It has been pretty cold and it has rained about 8 days since we have been here.

"I am working in Company Supply now and I like my work fine. The work is real interesting. I have been made corporal now. My address is 346 Ord. (MT), Co. (Q), APO 403 Annex, c/o Postmaster, Shreveport, La."

Harry Evans

Husband of Former Post Girl Joins U. S. Air Corps

Mrs. M. E. Corbin who is now living in Waco with her son, Myron, and wife wrote friends here recently and in her letter told news that will be of interest to friends of her daughter, Loraine. The Corbins made their home in Post for many years and Loraine and Myron received their public school education here. Loraine is now living in Spokane, Washington. Her husband, an air mail pilot, recently joined the Department of Investigation with the United States Air Corps. They made their home in Littleton, Colorado, until he volunteered. He flew from Denver, Colorado to El Paso for a number of years.

Soldier in Alaska Would Like To See Sand Storm

Roark Martin recently wrote to his sister, Mrs. Tom Longshore, that he couldn't tell much about Alaska, but he sure would like to see a West Texas sand storm.

Roark will welcome letters from all who care to write to him as there is not very much entertainment where he is. Martin has been in service one year and has been in Alaska 8 months. His address: Pfc. Meekly R. Martin, Hqs. Co., 58th Inf. 1st. Bn. c/o Postmaster, APO 975, Seattle, Washington.

Training At College Station

Private Herbert C. Hoover of Ropesville, Texas, son of Mr. and Mrs. O. H. Hoover of Post, has arrived at Texas A and M College for a course of Army Air Force instruction lasting approximately five months prior to his appointment as an Aviation Cadet in the Army Air Forces. During this period he will take numerous academic courses, as well as elementary flying training. Upon completion of the course he will be classified as a pilot, navigator or bombardier and go on to schools of the Flying Training Command for training in these specialties.

Pvt. William Edwards Training For Armored Division

Pvt. William E. Edwards, son of L. S. Edwards of Post, is now at Fort Knox, Kentucky, and is among the thousands of selectees entering the armed forces at Fort Knox for their basic training in the newest branch of the service. The twelve-week training program includes special courses in light tank, medium tank, scouting and patrolling, motor, anti-tank, machine gun, assault gun and reconnaissance work. From the Fort Knox training center are formed the many Armored Divisions which make up the fastest moving land army of the Army.

Pleasant Valley Boy Now in Africa

Lieut. Wayne Veach writes his parents from North Africa that he is in the best of health and is having a lot of fun over there. He had a pleasant trip over the Atlantic, didn't even have an air raid, and that was one thing he surely wanted to witness. Wayne sailed from New York early in February. His parents are Mr. and Mrs. J. H. Veach of Pleasant Valley community.

Southland Boys In Service

Pfc. H. C. White, Jr., who is stationed in California, couldn't attend his father's funeral. But his recent furlough, spent here with his parents, was such a comfort to his father.

Recently Herman Willis received 24 V-mail letters from his wife in one day. He has been in Australia for several months, and is now in New Caledonia.

James R. King, in his work in a postoffice somewhere in England, handled a letter written by Calvin Klaus to his parents here. "Skinny" wrote to Calvin and they plan a week end together, before either of them should be moved.

Cadet Ralph Landers has completed his primary training at San Antonio and has been transferred to Pine Bluff, Arkansas. Junior Hord writes that he will be here about the first of April.

Claude Miller of U. S. Navy Is Visiting Parents This Week

Claude Miller, U. S. Navy, Gunners Mate Second Class, arrived in Post last week for several days visit with his parents, Mr. and Mrs. J. O. Miller. Claude who is well known here is being transferred from the West Coast to Boston, Mass. He has been in the navy for the past three and has only had one furlough, that was an emergency in December 1941. He and Phil Foreman, classmates in Post High school, joined together and have taken quite a lot of their training together. Phil, who is now with a submarine crew, has never had a furlough. The two boys still keep in touch with each other even though they are now serving in different branches of the navy. Claude has seen much service in the Pacific.

Dan Altman Now in Africa

Word was received here last week that Dan Altman is now in Africa. Dan is a mechanic with a bomber crew and has been in training at various places in the United States. He formerly was associated with Connell Chevrolet company. His wife, the former Billie Greenfield, is now in Canyon where she is visiting with her sister and family.

Merl Shelmutt Visiting Homefolks

Sergeant Merl Shelmutt of Pyote Field arrived home last week for a short visit with his parents. He fell recently from a telephone pole where transformers were being installed and is suffering from several broken ribs. He was a patient in the hospital at Pyote Field for several days. He is enjoying this period of recuperation by visiting with his many friends here.

Miss Betty Seay who is in training in the Lubbock General hospital was a visitor with her parents and friends here on Monday.

Pfc. James Patty Returns To Camp After Visiting Here

Pfc. James Patty returned to Camp Howze, Texas, last week after spending two weeks with his parents, M. and Mrs. H. L. Patty. He also visited his sister, Mrs. June Caffey in Lubbock. He likes army life fine, he said.

Bobbie Collier Now in Little Rock, Arkansas

Mr. and Mrs. R. H. Collier talked to their son, Bobbie, Sunday and he is now stationed in Little Rock, Arkansas, at Camp Joseph T. Robinson. Bobbie who withdrew from Texas University recently to await his call into the army reserve, spent his first few weeks at Camp Wolters, Mineral Wells. He is in the medical corps.

Transferred To Goodfellow Field

Charles Walden, son of Mr. and Mrs. C. M. Walden, was transferred recently to Goodfellow Field, San Angelo. Walden has been in Uvalde, Texas, for nine weeks and will be in San Angelo for that length of time. He transferred several months ago to the air corps. The Waldens plan to visit their son in the very near future.

Double Names Become WAAC Lieutenant

The comely and attractive WAAC stationed in the Lubbock Recruiting office and known to people here as Lieut. Rose Smothers, is not Lieut. Smothers at all. She is Lieut. Howlett.

The WAAC with the personality plus was a guest last week of the Post Lions club and on the guest register signed her name as Howlett. Your reporter sensed a story and here it is:

The Lieutenant took her training and received her bars for the WAACs all under the name of Smothers. Just before Christmas she was married. Upon returning to her duties, she expected to use her husband's name just as all American women do, but Uncle Sam had her registered as Smothers so Smothers she had to be until red tape in Washington should decree otherwise. In the meantime she was being introduced all over the recruiting district as Smothers. Uncle Sam decreed recently, however, that she could be called by her rightful name, Howlett, but since so many people know her already as Smothers she does not correct them, but continues to be Smothers when she is really Howlett. You figure it out!

With one name or two, the Lieutenant has the situation well in hand and Uncle Sam is fortunate in having a representative who not only can cope with double names but can represent in such a suitable manner the first women's army of the United States.

BRAZIL

BRAZIL, THE NAME ORIGINATES FROM THE PORTUGUESE WORD BRAZA, MEANING LIVE COAL. IT IS DERIVED FROM THE DYE-WOOD (CALLED PAU BRASIL-BRAZIL WOOD) WHICH MADE UP THE FIRST CARGO TAKEN FROM THE COUNTRY TO PORTUGAL IN 1503, THREE YEARS AFTER CABRAL DISCOVERED BRAZIL.

BRAZIL IS LARGER THAN CONTINENTAL UNITED STATES. POPULATION, 46,000,000. RIO DE JANEIRO, THE CAPITAL AND LARGEST CITY, HAS A POPULATION OF 2,000,000.

BRAZIL ATTAINED INDEPENDENCE FROM PORTUGAL IN 1822, AND WAS AN EMPIRE UNTIL 1889. BRAZIL BECAME A REPUBLIC IN 1889.

MORE THAN 3,000,000 COFFEE TREES BEAR BRAZIL'S MOST IMPORTANT COMMODITY. IN NORMAL TIMES BRAZIL SHIPS ABOUT 17,000,000 BAGS (132 LBS IN A BAG) OF COFFEE EVERY YEAR. ABOUT 10,000,000 BAGS GO TO THE UNITED STATES, AND THE REST TO EUROPE AND OTHER PARTS OF THE WORLD.

Views of Neighboring Editors

The Scurry County Times—While indicated war crop production goals for Scurry County are not tabulated in final form—due to several producers not signing as yet their farm plan sheets—information obtained from the county AAA office reveals that Scurry County will be up near the front this year in producing vital war crops—both food and fiber crops.

If Scurry County is given an average amount of rainfall during 1943, county farmers indicate they will raise more sorghums, more peanuts, produce more cattle, dairy products, poultry and hogs than in many years. War crop goals are important subjects for discussion these days, and county farmers are making adequate preparations—now that they have a

than hinder production. In the case of oil, the regulatory officials know something about the oil business.

We will eventually learn that our free institutions of production and supply are the source of our great strength—in peace as well as war—and that we will remain strong only so long as they remain free.

The Texas Spur—Spending of the OPA'ers. They are not such bad eggs, after all. Gave us back sliced bread and a bigger allowance of beans all in one week, and tacked on the promise we could gulp our next pound of coffee down in four weeks instead of five. Bless their hearts on the coffee deal. We are already out of coffee and stamps too and we are now drinking Raul English's JAV-VAH—and we don't like the stuff. Somehow we believe JAV-VAH was blended especially for big business executives such as J. D. McCain over at the Palace theatre and Frank Watson up at the Red Front.

The Lynn County News—The county judge and the commissioners' court are to be commended for publishing last week a financial statement showing receipts and disbursements in the various county funds and other data respecting the financial condition of the county. This statement gives at least a general idea as to how the people's money has been expended, and if any of these items needs clarification or explanation we are sure that the county judge and any member of the commissioners' court will be glad to give the desired information in so far as they may be able to do so. The county judge and the commissioners court apparently are doing a good job both from the standpoint of economy and service.

The Ralls Banner—There has been talk about the drafting of labor. We beg to give thanks for none such. We are quite willing to see young men who want to dodge the draft be told they must work or be drafted. We want youngsters who are deferred because of their occupation and who are frequently absent from their work without reasonable excuses told they must find some better excuses or lose their deferred status. But we don't want any workers sent into this community with orders to go to work or go to jail. We don't want any slave labor. Nothing could be a greater disservice to a farm than labor that worked only because of force. What opportunity for sabotage and malingering for slow-downs and general discontent. The answer for the shortage of farm labor is not drafting labor, but setting farm prices so farm producers can pay wages that can compete with the inflated industries.

The Colorado City Record—Will the Presbyterians take a bow? Not in recent years has anything so constructive been done for the young people of Colorado City as the thing which is being done by our friends the Presbyterians and the two recreation evenings a week being sponsored by them in their church basement. Most of us are guilty of neglecting our town's kids. We talk of "wholesome entertainment" in a pious sort of a passive way, and we arch our eyebrows and huzz over our teenagers in a wicked sort of active way when the kids get bored and go out and kick up some fun of their own—fun not to our liking. But what do we actually DO about it?

The Canadian National is the only railway in North America which operates a shipbuilding yard.

THEY MUST EAT

Former president Herbert Hoover, outstanding leader in agriculture and milk production, and the governors of many states have been pointing out the dangers involved in undermining our farm output by policies which treat agriculture as a non-essential industry, in comparison with so-called war industries.

It is self evident that any policy which cripples food production, will wreck the whole war program. Men and women have to eat every day before they can produce or fight. We can't keep our promises to our Allies to furnish them food, and at the same time feed this nation, unless the farmer has the manpower and the equipment to raise the crops.

A lost crop season or a lost milk cow involves a time element for replacement, of from one to three years. It is well that these facts are now being impressed on those responsible for future farm policies.

A LESSON FROM OIL

Oil, so essential to victory, is a bright spot in the war effort. We have plenty of it in the ground and, what is of equal importance, thanks to the oil industry, there is plenty of it above ground.

In commending the oil companies for a job well done, the San Francisco Examiner says: "They have given American aviation a high octane motor fuel of a quality equaled by few nations, and in tremendous quantities possessed by none. They have given American mechanized warfare superior lubricants, adaptable to all extremes of weather, with attendant advantages over the enemy nations. They have eliminated inefficiencies, duplications and waste in transportation and distribution."

The Examiner then observes that the oil industry is a good example of what free enterprise can do when capable government administrative agencies aid rather

Santa Fe gives right-of-way to Victory Gardens

Now Santa Fe employees do war work in their hours off duty too! They're grabbing spades and tilling fertile stretches near their homes, along their railroad's 13,199 miles of right-of-way. They're raising fresh, vitamin-packed vegetables their nation needs to win a war.

Santa Fe—all out to win—gives right-of-way to troops and victory-winning freight... moving millions of men, and tens of millions of tons of vital food, raw

materials and finished products—swiftly and surely to where they're needed now.

Santa Fe locomotives, cars, tracks and men are all working in their country's service. And now the Santa Fe right-of-way itself steps into victory uniform!

And Santa Fe people—already working hard, and buying war bonds—like this Victory Garden scheme—this chance to do one more thing for victory!

Santa Fe goes all the way, for the U. S. A!

Essential Motor Repairs Receive Priority Rating

Essential motor vehicle repairs should be given priority over repairs which may be put off without endangering the mechanical life of vehicles, Richard E. Wood, Lubbock District Manager, Office of Defense Transportation, division of motor transport, said today. Garages and service establishments in this area have been called upon to voluntarily ration their facilities and mechanics' time so that essential repairs are given preference.

"Automotive maintenance establishments are a vital link in the country's transportation chain," Mr. Wood said. "Today they must shoulder a great portion of the responsibility for keeping our nation's trucks and passenger cars rolling. Garages face critical problems due to shortages of skilled mechanics and scarcity of replacement parts.

"They are doing a splendid job, but in some instances we have had reports from truck operators engaged in essential hauling that they are unable to have vital adjustments and repair made on their vehicles because mechanics are engaged in other work which may be profitable and desirable but is not essential.

"ODT is working closely with the industry in an effort to solve increasing wartime problems. Representatives of the various

Mrs. Marvin Truelock, Correspondent

Mrs. Clyde Haire was reported doing fine Monday morning. She had undergone a major operation at Lubbock last week.

Misses Ruth Reed and Ben Etta Mining, Seniors who have completed their High school work at mid-term, had enrolled for a six-weeks training course with the Western Union Telegraph in Springfield, Missouri, were given work with the same company in Lubbock.

Friday a son, Talmadge Erwin, was born to Mr. and Mrs. Royce Loveless in Slaton's Mercy hospital. The new arrival weighed six pounds.

Also in Slaton Friday a 7 lb., 5 oz. son was born to the W. J. Waltrips of Morton. This grandson of Mr. and Mrs. Ed Lieske was named William Jennings, Jr.

A week ago Sunday Miss Ruby Edwards, formerly of Southland, and Mr. Donald Bedford, who is stationed in Wilmington, N. C., were married at the home of the bride's sister, Mrs. Dale Calvert. Rev. O. J. Harmonson performed the ceremony.

Mrs. Cecil Cummings of Lubbock came Wednesday to take care of her mother-in-law, Mrs. B. Cummings, who has the flu. Mrs. Cummings' husband and daughter spent the week end here, before returning to Lubbock.

Tuesday Mrs. Herman Willis of Carlsbad, N. M. arrived to visit her mother, Mrs. G. W. Davis. Monday both women left for Portales to visit with their son and brother.

Mrs. John Draper has recently had a cancer removed from her ankle and is now on crutches. She spent the week end with Mrs. J. Bartlett. The Drapers now live at Hereford.

Grady King has been in the Slaton hospital since Friday because of an operation.

Sunday dinner guests of the M. E. Morris family were their daughters, Mary Lynn of Tech and Mrs. J. L. Gray and family.

Edward Homah Ussery, Jr., was ordered by the doctor to stay completely off his leg for a month, or have it put in a plaster cast. Two weeks ago Sunday, he was thrown from a horse and tore loose the ligaments in his leg.

Mrs. E. H. Ussery's sister, Mrs. W. C. Sims of Brownwood, came Tuesday of last week to spend several weeks here.

Out-of-town relatives and friends attending the Hollie C. White funeral were: Mr. and Mrs. K. S. White of Portales, N. M., Mr. and Mrs. J. W. Houston and son of Idalou, Mr. and Mrs. Ford Greenhaw and son and Mr. and Mrs. W. A. Maby and son of Lorenzo, Mr. and Mrs. J. B. 7B's Flower Garden

7B's flower garden has gotten under way. The class spaded, watered and fertilized the ground while they were waiting for the seeds. Yesterday they got the seeds. They are of different assortments—poppies, zinnias, sweet peas, and others. We hope to see them coming up soon.

Program By Spanish Club

The Spanish club, and 7B class gave the chapel program week before last.

Margie Beth Edwards opened the program with a piano solo. Then all the Spanish club members sang several songs in Spanish.

"The Three Bears" was given as a play in Spanish. Father bear was L. D. Earick, mother bear was Elsie Verna West, baby bear was J. G. Cash and Goldilocks was Sue Bell Brister.

The actors spoke in Spanish, but the story was interpreted in English by Mary Ann Nolen.

The program ended with a piano solo by Wanda Rogers and a song by Macey Casey, Loraine Baker and Helen Thaxton. Billie Wynell Rogers announced the program.

Sixth Grade Salt Map

The Sixth grade geography class is working on a large salt map of the United States. They have covered a table with beaver board and have drawn the map on the board. Now they are covering each state with salt paste to show the mountains and low places. They have almost finished it, and then they are going to paint it.

We congratulate Miss Thacker and her class for making such a good map.

The Red Cross Club

The Red Cross club will meet again as soon as they get their supplies. Boys and girls wishing to be in the Red Cross club will have to sign up for it. This week has been the week for signing up. The club will be limited to about 20 workers a day.

Movies For Soldiers Overseas Are Most Welcome Pastime

Shortly after American troops landed in North Africa, General Eisenhower cabled, and this is a direct quote: "Let's have more motion pictures."

Now, according to advices received from the Special Services Division of the War Department, several shipments of 90-minute film programs, along with the equipment necessary to exhibit these films, were sent to North Africa in January.

This means that your boy, or your neighbor's boy in Algiers or Casablanca may very well be seeing the same movie you'll be seeing next week! There are, however, several differences between the method of exhibiting the films for the armed forces, and the way you see them at your favorite theatre.

For instance, you pay. Men in uniform overseas do not. The motion picture industry, through the War Activities Committee, has given free to the War Department 4,700 current features, short subjects and news reels, arranged in 90-minute programs for free showing to men in uniform overseas.

These gift films are 16-mm. The movies you see are 35-mm, roughly twice the size of those shown abroad.

You get your motion picture entertainment in a comfortable seat, with a roof over your head. Your boy, somewhere in North Africa, might be sitting in a jeep, or on top of a tank with the sky over his head; and, letters from soldiers declare . . . even if it rains the show goes on. The projector is usually in a pup tent with the flap open, and there is a canopy over the screen. There is almost never a canopy over the intervening area, but nobody ever leaves. The boys want to see these movies . . . and getting a little "moist" is okay with them.

Chief Petty Officer C. F. Sanders of the U. S. Navy was visited by his sister, Mrs. L. F. Janier of New Mexico, his brother, Dan Sanders, Jr., and wife of Hobbs, and a brother-in-law, Homer Smith of Goldsmith, Texas, while he was on leave. His wife, who accompanied him here and who will make her home here, went to work in the Postex Cotton Mills Monday. She wants to put all her salary in war bonds and feels that by doing that she can be helping her country and her husband.

Armond Samson
Married Recently
To Dallas Girl

Of interest here is the news of
the recent wedding of a former
Post boy, Ensign Armond Sam-
son, son of Mr. and Mrs. James
Samson now of Lubbock. The
wedding took place in Dallas
Saturday, March 20, in the parlors
of the East Dallas Christian
church with Dr. Harold Lovitt of-
ficiating. A program of pre-nup-
tial music preceded the ceremony.

The bride was Miss Mary
Whorton, daughter of Mrs. John
R. Whorton of Dallas. She wore
for her wedding dress a navy
dressmaker suit with a white lace
blouse and navy accessories and
navy and white top-coat. Her
bouquet was fashioned from lilies
of the valley and white orchids.
Her only jewelry was a diamond
and pearl pin which was an heir-
loom. She was given in marriage
by her mother.

Miss Betty Strong served as
maid of honor and Lieutenant Joe
T. White was best man. Bob Cooper
and Weiland Mundy were ushers.

A reception was held in the
church parlors.

Attending the wedding were
Mrs. James Samson of Lubbock
and Miss Gertrude Samson, sister
of the groom, from Fort Worth
and several friends and relatives.

The couple recently visited Mr.
and Mrs. Samson in Lubbock and
several parties were given in hon-
or of the bride. Mrs. Samson gave
a tea on last Thursday to intro-
duce her daughter-in-law. About
fifty guests attended the affair.
Miss Jeanne Samson, daughter of
Mr. and Mrs. George Samson of
Post was a member of the house
party.

Former classmates of Ensign
Samson were among the guests
when a dinner party was given to
honor the couple by Miss Bernice
Cocanougher.

The couple returned to New Or-
leans where Ensign Samson is as-
signed to duty with the U. S. Navy.

Mother-Daughter of Odessa Join

Lubbock, March 30— Even the
busy office force stopped work
here one day last week to watch
with interest as Mrs. Abbie Lee
Strickland and her daughter, Louie
Lee, of Odessa, were sworn into
the Woman's Army Auxiliary
Corps.

Dark-eyed, vivacious Louie Lee,
22, and youthful, red-haired Mrs.
Strickland, 38, both declared it
was the happiest day of their
lives.

"If only dad could see us now!"
Louie Lee exclaimed. But "dad"
is a sergeant with the U. S. Army
engineers somewhere in England.
Needless to say, he would have
been proudest of all to see his
wife and daughter join the WAAC
and thereby become soldiers right
along beside him.

The Strickland family is now
practically 100 per cent in the
service now. Mrs. Strickland has
a brother in the U. S. Marines who

Cookery QUERY CORNER
LIVER AND BACON ROLLS
Simmer 1 pound sliced liver for
about 5-8 minutes. Grind liver and
combine with 1/2 cup bread crumbs
2 tablespoons chopped onion, 1 tea-
spoon salt, 1/4 teaspoon pepper, 1/2
teaspoon sage, 1/4 cup liquid (milk
or water) and 1 egg. Mix
thoroughly.

Making the Rolls
Arrange one-half pound bacon
on a piece of waxed paper, slightly
overlapping the slices. Spread the
liver mixture evenly over the
bacon. Roll like a jelly roll so the
ends of the slices of bacon are
rolled in with the liver.

Slicing the Roll
Place wooden picks along the
edge of the roll at 1-inch intervals
to hold the bacon in place. Slice
1-inch thick. Broil or pan-broil
slowly until brown on both sides
(12-15 minutes).

The Finished Rolls
Serve hot with lima beans. Fresh
vegetable salad is a good accom-
paniment. —Reporter

J. E. Parker Home
Is Scene Of Meeting
For Church Group

A very interesting book review
in "The Mexico I Love" was given
Monday afternoon when Mrs. J.
E. Parker was hostess to the Wo-
men's Society of Christian Service
of the Methodist church. Mrs. J.
R. Durrett was co-hostess with
Mrs. Parker.

Two delegates were elected to
represent the society at the Wo-
men's conference to be held in
Lubbock from the 5th to the 7th
of April. Mrs. Parker was named
delegate and Mrs. B. E. Young
was named alternate.

The next meeting will be held
with Mrs. J. E. Voss at her home.
Mrs. Carl Clark will be co-hostess
and Mrs. H. G. Smith will be pro-
gram chairman.

Delicious refreshments were
served at the conclusion of the
meeting on Monday.

Leaders S. S. Class
Met In Regular
Session Tuesday

Members of the Leaders Sunday
School class of the Baptist church
met in regular session Tuesday
night. The class is divided into
groups and the group under the
leadership of Mrs. Iven Clary was
responsible for the entertainment
and refreshments.

Mrs. Cloma Cummings directed
the devotional hour after which
a social and business session was
held. A white elephant sale was
conducted. Proceeds from the
sale will be used for expenses.
Mrs. Tommie Anderson, president,
presided at the meeting. Mrs. W.
L. Davis is teacher of the class.
Ten members were present.

Subject For April 8

Mrs. Lee Davis will present a
very timely program on the topic,
"Conservation on the Home Front"
at the Parent-Teacher program to
be held on April 8. Special music
will be presented by Miss Mae
Westley and Mrs. Edwards will
preside over the business meeting.
Plans will be discussed in regard
to the annual spring conference
which will be held in Plainview
the last of April.

The hospitality committee will
be comprised of Mrs. Clyde Hund-
ley and Mrs. R. A. Cross.

Needleclubs Are
Entertained By Two
Hostesses Friday

One of the most delightful par-
ties for the spring season was held
in the home of Mrs. Jessie Voss
last Friday when Mrs. Voss and
Mrs. Surman Clark were joint
hostesses to members of the two
sewing clubs, the Priscillas and
the Needlecrafters.

Bowls of seasonal flowers were
used to grace tables of the enter-
taining rooms.

Following a period of sewing
several contests and games were
enjoyed. An original singing ses-
sion created a lot of amusement
and later a series of quiz games
formed diversion.

Approximately 20 members of
the two clubs were present. The
hostesses served nut pie and tea
during the refreshment hour.

NO MEAT FOR FIDO
SUBSTITUTES USED

Canned dog food is just a mem-
ory, according to the Office of
War Information. Production of
the new dehydrated foods totals
less than 10 per cent of prewar
manufacture of dog foods. No al-
lowance is made in meat rationing
for a marrow bone.

Hearts, kidneys, liver, spleen,
and brains—lightly cooked—are
good for the dog. Poultry, fish,
and eggs are excellent foods for
him. Milk is an especially good
source of protein. He need, there-
fore, not despair because red mus-
cle meat is no longer available for
him.

Vegetable protein will nourish
him, too. Pea soup is a protein-
high dish. Peanut and soy-bean
meals mixed with milk and cook-
ed cereals or bread may be fed as
a mash. Contrary to popular opin-
ion, potatoes and other starchy
foods may be fed to dogs without
harm provided they are thorough-
ly cooked, then mashed or ground.
Prunes, peaches, and apricots are
favored fruits for the dog. Fats,
especially if the dog exercises a
great deal, may be included.

POST HIGH SCHOOL NEWS

Editor's Note— Miss Hazel Louise Cash was named High school reporter this week and will report news on the "school front" for The Post Dispatch. The newly elected reporter is a Junior student and is one of the most versatile students in High school. She not only takes an active interest in all school activities but is a talented vocalist and reader and is called upon frequently by club and church groups to participate in their programs. Her interest in all sports activities could be called her hobby at the present time. She is the daughter of Mrs. Emma Cash and the granddaughter of M. L. Morris.

JEEP CAMPAIGN

The Post schools have entered the nation-wide Jeep-Buying contest. The campaign is a part of the Schools-at-War program and will close on April 19. On this date the two schools here hope to have bought enough bonds and stamps to enable them to buy a jeep. The cost of each Jeep is set for \$900.00. Distinguished Service Certificates will be awarded every school which successfully conducts the campaign.

Come on Post, lets show Uncle Sam we can do our part!

QUALIFYING TESTS

Thirteen Post High school boys will take the Army and Navy qualifying tests Friday, April 2. We are proud of these boys. Let's back them up by buying War Bonds and Stamps every day.

PERSONALITY

He was born in Ralls, Texas, on January 19, 1922. After living there four years he moved to Slason and from there to Post. He has lived here for six years and is now a High school student. He is an active member in all athletic events, having been on the football team, and basketball team. He was a member of a play cast. He is well liked by his fellow classmates and he is a studious boy.

WHO IS HE?

WEINER ROAST

The Junior play cast had a weiner roast at Two Draw lake following the play at the High school last Friday night. As this last week was "Corrigan Week,"

"Now, Voyager" At Garza Theatre Sunday-Monday

In her latest picture, Warner Bros. "Now, Voyager," which shows Saturday night 11:30, Sunday and Monday at the Garza, Bette Davis has a new, glorious role that surpasses anything she has done before. She plays the part of a neurotic daughter of a strict New England mother, whose only escape from her sordid world is a frustrated love affair. In the male lead is suave, handsome Paul Henreid.

Charlotte Vale, (Miss Davis' role) is interviewed by a psychiatrist, Dr. Jaquith (Claude Rains) who was brought there by her sister-in-law Lisa (Ilka Chase).

After a period of trial readjustment at Dr. Jaquith's rest home, he advises Charlotte to take a trip before returning home. This she does, and during the voyage, meets and falls in love with Jerry (Paul Henreid) an unhappily married man whose love for his child keeps him attached to his invalid wife. Despite the fact that her love affair can never really reach its ultimate, Charlotte's relationship with Jerry enables her to return home a completely changed woman both in appearance and mentally.

R. B. Tucker, manager of the Planters Gin, who has been a patient in the Lubbock hospital for more than two weeks, was released from the hospital Sunday and is now at home.

Miss Helen Jo Hundley who is a student in McMurray college in Abilene spent several days visiting her parents Mr. and Mrs. Clyde Hundley.

the girls had to take the boys and also had to furnish the refreshments. The entire cast declared that it was a grand party. Miss Klatt, sponsor, accompanied the group.

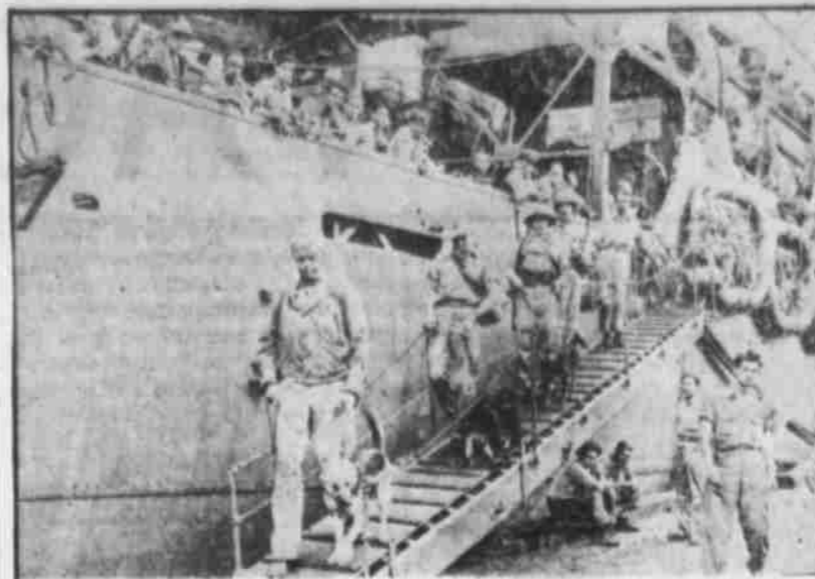

EVENTS TO COME

I am sure we are all looking forward to the recital to be given by Mrs. Roy Mullins' personality and expression pupils on May 4.

Miss Mary Margaret Duckworth will also be presented in a piano recital on April 8 at her home. She is a student of Miss Mae Weakley.

That's all for now, folks—

Movie Theatres To Observe "Red Cross Week"

In conjunction with the rest of the nation's theatres, the Garza began its week-long salute to the American Red Cross at its first performance today.

Officially known as Red Cross Week, and organized by the War Activities Committee of the Motion Picture Industry, there are some 17,000 theatres participating in the week, it was announced by local War Activities representatives.

A feature of the local celebration is the showing of a specially prepared screen tribute entitled "Somewhere in This World" in which the commentary is made by Captain Eddie Rickenbacker. The tribute explains the functions of the Red Cross as the only official auxiliary of America's armed forces and contains considerable thrills. It was made shortly after Captain Rickenbacker's spectacular rescue from the Pacific.

The celebration will continue until the night of April 7th and the Rickenbacker subject will be shown at every performance during the week.

Miss Fannie Faye Porter spent the week end in Ardmore, Okla., visiting friends.

MRS. SLAUGHTER—

(Continued From Front Page) again.

Mrs. Slaughter has a certificate of life membership in the Red Cross which hangs above her desk. During all these years, her interest in the work has been evident, and she has been a regular contributor to the cause. In the 1941 membership drive, she handed the present county chairman a check for one hundred dollars, and recently gave for the present War Fund drive, a check for five hundred dollars. Mrs. Slaughter made this statement:

"It makes me very happy to be able to do this for the Red Cross."

BANGS TESTING OF CATTLE

Those farmers wishing to have their cattle tested for Bang's disease by the U. S. Department of Agriculture and the Texas Livestock Sanitary Commission, should contact the County Agent and obtain an application. To obtain this work free of charge the farmer must sign an agreement that states:

"If no infestation (suspect or reactor) is found on the first test, the herd will not be tested until four months later; if this test is negative, no retest will be made until one year from the date of the first test; but if the first test shows infection, the herd must be retested every 30 to 60 days, until it has passed five or six consecutive negative tests, the first and the last test to be one year apart."

If you are willing to comply with the requirements and waive all right to indemnity on all reactors to the Bang's test, your agreement will be considered. These agreements must be sent to H. L. Darby, Inspector in Charge, U. S. Bureau of Animal Industry, 503 U. S. Court House, Fort Worth, Texas.

Farmers who have had their herds tested in the past and now have accredited herds are not eligible for this service, if the testing was done by the Texas Livestock Sanitary Commission.

Army Issues Call For Skilled Men For Immediate Service

The army issued a special call last week for skilled mechanics and construction men to serve with units of the Corps of Engineers attached to the Air Corps, Ground Forces and Army Service Forces.

The skills desired cover a wide range. They include all types of mechanics, electricians, carpenters, riggers, blastmen and powdermen, utility repairmen, bridge builders and operators of many types of construction equipment.

Applicants may volunteer for immediate induction with the prior understanding that they will be assigned to Engineer units attached to the force of their choice. Specialists have not only excellent chance for quick advancement in enlisted grade, but those who exhibit leadership qualities will have opportunity to compete for attendance at the Engineer Officer Candidate School.

Applicants should first call at the nearest U. S. Engineers office for certifications of skills. There they will be given letters requesting assignment to the force of their choice. The next step is to volunteer for immediate induction through the Selective Service System.

Applicants must be between 18 and 38, and fit for general military service. Only those who volunteer for induction in advance of their order numbers are entitled to this special assignment.

The Corps of Engineers is the arm which furnishes technical skill to all branches of the Army. These troops build, maintain and service all types of installations, and when occasion arises, go into combat.

Be Wise... PLANT A VICTORY GARDEN

The one big thing you can do to help yourself and everyone else get enough food is to plant a Victory Garden... The present food shortage is no laughing matter, as the people of Greece can tell you. But we are lucky; there are no invading troops in America to trample and destroy our gardens before they have reached maturity.

Be wise! Plant a Victory Garden for your own use in order that our farmers' crops may be used to feed our troops and allies.

We will gladly furnish information on home canning.
