"SEALED" WITH A KISS—A playful California sea lion is shown giving a big smack to Aqua-Miss Clara Jean Gresham, one of the mermaids who will perform under water with the animals in Aquarena's submarine theater in San Marcos. The show is being designated as a permanent attraction.

Mrs. Vernon Ray Is Named Garza County School Nurse

Mrs. Vernon Ray was hired by the county board of education and approved by the state as county health nurse, Dean Robinson county superintendent of schools, announced.

Mrs. Ray began work Monday. A native of Goree, she trained at West Texas hospital in Lubbock. She served three years in the Army Nurses corps, two years of that time in India and Okinawa during the war. She worked at the well-baby clinic in Lubbock for some time.

Mrs. Ray, Robinson and Dr. D. C. Williams, county health officer, conferred on a proposed program Tuesday. Mrs. Ray plans to start with health lectures in the various schools. The main part of her work will be in setting up records, first, Mrs. Ray said. Inoculations and immunizations will be given.

For the present, Mrs. Ray will wear the uniform of a visiting nurse, which is blue.

Absentee Balloting To Begin Oct. 18 Here

Absentee balloting begins here Oct. 18 for the general election to be held Nov. 7, Ray Smith, county clerk, announced this week.

Balloting lasts 20 days, ending Nov. 3, Smith said. Early this week he had not received certification on all the candidates.

County Deep Tests Are Drilling Ahead

Garza county deep tests are continuing to drill ahead, but with little encouragement this week.

The Tobe Foster No. 1 Justice, near Justiceburg, is preparing to run a Lane Wells survey at 7834 in a completion attempt. H. H. Coffield No. 1 Schneider is drilling ahead at 8165. This venture topped the lime at 7778 feet. There were no shows. It is located 12 miles north and three miles east of Post.

No shows were reported on the Aurora Gasoline company No. 1 Swenson located some 12 miles northeast of Post. After topping the lime at 7210, operators are drilling ahead. Reported depth yesterday was 7420 feet.

Two miles northeast of Post, the Cities Service No. 1 K. Stokker, Ellenburger project to 9000 feet, was deepening below 7927 feet in shale at the last report available to the Dispatch.

Application has been filed by the Railroad commission for deepening an old wildcat in ex-

Funeral Rites For Clyde Redman Are Held Wednesday

Funeral rites for Curtis Clyde Redman were conducted at 2:30 o'clock Wednesday afternoon in the First Methodist church.

The Rev. A. B. Cockrell, pastor, officiated, assisted by the Rev. R. E. Bratton, pastor of the Friendship Baptist church of Close City.

The Rev. Mr. Cockrell sang "Sometime We'll Understand" and a trip composed of Mrs. Alvin Young, Mrs. L. G. Thuet, J., and Mrs. W. H. Kenley of Tahoka, sang "Sunrise Tomorrow"

A mixed choir completed the music of the service with "Have Thine Own Way" with organ accompaniment by Mrs. Warren Yancey.

Burial was in Terrace cemetery with Mason Funeral home in charge.

Redman, who had been a Garza county resident since 1915, coming here from Gunter in Grayson county, died at his home at 4:30 o'clock Tuesday morning after an extended illness. He had been in ill health for several years.

(Continued on Page 8, Col. 3.)

RAIN CONTINUES DURING OCTOBER

After a few days of comparative sunshine and a short-lived norther, Post and Garza county once again enjoys the rainy season.

Fifty-sixth hundred inch has fallen in Niacin but also helped a trace Sunday manganese—vital element in good health. You owe your health to the rain.

Monday, and in good health. You owe your health to the rain.

Lee Ward Will Accept Special Prize

A special prize was given the Garza county exhibit, "The Story of Cotton," arranged by George Samson, at the South Plains fair in Lubbock this week. Lee Ward of Postex Cotton Mill will accept it.

It showed a pile of cotton seed as it came from the boll and another pile as it was ready to plant. Next are two stalks, one with the green cotton boll and the other with the open boll ready for picking.

A cotton bale is pictured next in the foreground appears carded cotton the product of the mills. In successive steps are shown the finished "drawing" two rolls of interdraft drawing ready for spinning, the shuttle and filling bobbin for weaving, and the pattern, ready for the loom.

Finished products including sheets and pillow cases are also shown. The brown sheeting, before the material has been bleached and finished, is portrayed. On the loom in the exhibit are spools of cotton thread. Lastly, by-products of cotton

(Continued on Page 8, Col. 3.)

County Ginnings For Year Increase To 163 Bales

Wednesday morning's rain slowed up cotton gathering and ginning throughout the county this week, although some 163 bales were ginned in five county gins.

No report was available from Close City. Planters had ginned the largest number of bales up to yesterday, 55. Forty bales have been ginned at Southland, 27 at Pleasant Valley, 28 at Graham and 13 at Storie gin.

The rain at Pleasant Valley barely laid the dust, spokesman reported, and they expect to gin today. There was a light shower at Graham and the rain north of there will hold up combining and cotton gathering another day. Rain at Southland yesterday held up ginning all day there.

Taxes Paid Now Receive Discount Of Three Per Cent

Garza county tax rolls will be returned by the auditor to the tax assessor-collector's office this week, Carl Cederholm, deputy, announced and those interested can begin paying state and county taxes.

A three per cent discount is allowed on both during the month of October, Cederholm pointed out. During November, it falls to two per cent and in December, it is one per cent. State tax rate is 72 cents and county rate is 80 cents.

Miss Joyce Hunter Replaces E. Dove In Welfare Office

Miss Joyce Hunter of Santa Anna has replaced Eric Dove as field worker in the local welfare office in the courthouse.

Miss Hunter is a graduate of North Texas State college at Denton and finished high school in Santa Anna. She taught school last year at Grapevine.

Miss Hunter is a member of the Methodist church.

Three Paving Projects Near Completion While Hope Is Lost for Post-to-Spur Road

Three paving projects are complete or nearing completion in the county and hopes for the fourth, a Post-to-Spur highway, have been completely dashed, County Judge Lee Bowen announced this week.

The project in Precinct 2 undertaken by the county has been completed. The Rails highway paving lacks the bridge, which is under construction, and gravel and hot topping. Work has begun on a state project extending from the Tahoka highway near high school up on the caprock to Graham and the Lynn county line.

Route for this road turns west on the south caprock and proceeds past Graham one or two miles, then goes one mile south and straight west to the Lynn line.

"The Post-to-Spur highway is apparently out for the present," Bowen said. "The state highway engineer wrote Sen. Kilmer Con- bin that there would be no federal funds available and the only state funds that could be used were for a farm-to-market road. He suggested that Garza, Crosby and Dickens counties use their secondary road money for the route. Crosby county has previously indicated that they will not use that money for this road."

Bowen pointed out that such projects usually took years to complete. Estimated cost of the 36.4 miles of road would be \$636,000.

Bargain Rates for Post Dispatch And Dailies Are Now In Effect Here

October means bargain rates for subscribers of the Post Dispatch and several dailies with circulation in this area.

Despite the newsprint shortage and increasing operating costs, Post Dispatch rates remain at \$2.00 in the county and \$2.50 outside the county, the same as last year. This offer will be continued for a limited time.

For 60 days, October and November, the Post Dispatch will also accept subscriptions to the Fort Worth Star-Telegram for \$13.95 daily and Sunday or \$12.60 daily only. The Abilene Reporter-News announced their bargain rate as \$11.95 daily and Sunday.

The Lubbock Avalanche rate is \$10.95 daily and Sunday and \$9 daily only.

Morris Shepherd Is Killed in Korea

Garza county's second casualty in the Korean war, the death of M. Sgt. James Morris Shepherd, Sept. 11, was told Saturday.

Shepherd, 37, was the son of Mr. and Mrs. W. T. Shepherd of Lubbock, formerly of Graham. He was born near Close City and attended school there and in Graham. He joined the army here about 14 years ago.

The former Garzan was wounded in action in Korea on Sept. 10. His wife, who lives with her two children in El Paso, was informed of his death Saturday.

He was a member of the Seventh Cavalry Division. Shepherd was serving in Japan at the time of the outbreak of the Korean war. His family returned from Japan to El Paso late in August.

Sereant Shepherd served in Italy during World War II. He had been in Japan two years. Details of the action and the wounds which lead to his death were not made available by the government.

Survivors besides the widow and parents include a daughter, Mary Jean, 9, and a son, Jimmy, 6, two brothers and three sisters. He was a nephew of Mrs. J. P. Manly of Post and Mrs. M. E. Morris of Route 2.

Circus Will Come to Post Next Week

Tom McLaughlin, advance representative of the Cole and Walters circus, announced the coming of the first big circus since the war to Post, Oct. 14.

Under the auspices of the fire department, the circus will present two performances, one at 2 o'clock in the afternoon and one at 8 o'clock that night. This will be the first trip through west Texas for the circus since it has been motorized.

The circus will be presented in three rings, with an elevated stage. Twenty big time acts are being offered, with a new and enlarged menagerie, featuring a new baby hippopotamus. There is also a baby and mother elephant, dens of lions, tigers, bears, apes, monkeys, deer, camels and kangaroo.

City And School Taxes Are Payable With Discount Now

City taxes are payable now, Mrs. Lorene Benson, city secretary, announced, with a three per cent discount effective during October.

Tax rate is \$1.50. During November, the discount will be reduced to two per cent and in December, it will be only one per cent. Mrs. Gertrude Ward is working in the city hall with Mrs. Benson.

From now until Jan. 1, W. F. Presson will office in the chamber of commerce office to collect school taxes. Discounts are the same on these. The tax rate is \$1.40.

Fire Prevention Poster, Theme Contest Told

Posters and themes in the annual prevention contest sponsored by the local fire department will be judged Oct. 13 at the grade school, Homer McCrary, fire chief, announced.

Any high school student in the county may enter a theme on the subject and any grade school student may enter a poster. In each division four prizes of \$7.50, \$5, \$2 and \$1 will be given. Posters and themes are to be turned in at the school attended by the contestant.

Top 10 posters will be displayed downtown, McCrary said.

Furniture Arrives For Grade School

Two loads of furniture for the new grade school have arrived and the remainder is expected Oct. 11, Supt. G. R. Day revealed this week.

Auditorium seats are on the way and Day said he hoped to have the auditorium ready to install them when they came. "Present plans are to move in the new school Nov. 1," he said.

Property Owners Asked To Indicate Paving Wanted

Property owners interested in paving the streets surrounding their lots are urged to come to the city hall and indicate their interest and the location of their property, Mrs. Lorene Benson, city secretary said.

This will not be a contract. Its purpose is to give the engineer something to work on. Although a 36-foot pavement has been recommended, people will be given an opportunity to state their preference for the width.

Tentative cost to the property owner has been estimated at \$3 the foot for 30-foot paving; \$3.50 for 40-foot; and \$4 for 50-foot. Total cost can be paid in five installments during two-year period, Mrs. Benson said.

After some indication is given of the areas where paving is desired, the city will print some contracts for the property-owner to sign, Mrs. Benson said.

Dunlap's Buy Out Haws Store Here

The Dunlap company, with headquarters in Lubbock, yesterday bought out Haws Department store and will run it as the 32nd store in the Dunlap chain.

Retha R. Martin is president of the Dunlap company. Ruel C. Martin is vice president and treasurer and Ira G. Dunlap, jr., is secretary. Closed yesterday for inventory, officials said the store would be open for business today or tomorrow.

All present employees will be retained, Martin announced.

The past week was a lucrative one for the county in Justice of the Peace J. D. King's office. He assessed \$359 in fines, with costs added.

Game law violations once again accounted for the largest number of fines, six. Three were for \$25 and costs, two for \$10 and costs, and one for \$75 and costs. Highway violations included two for \$1 and costs, one for \$75 and costs and one for \$100.

Two drunks were fined \$1 and costs and one was fined \$10.

Manager will be Bob Gobin, formerly assistant manager of Dunlap's at Monahan's. He is moving here immediately with his wife and two sons, Danny, 1, and Bobby, 3. A native of Crowell, Gobin attended Decatur Baptist college. He and Mrs. Gobin are members of the Baptist church.

"Dunlap stores are run as local stores and we hope to keep Mr. Haws' friends as our friends," Martin, the president, said. "We will do a credit business and participate in all local activities. Buyers will be local people, working in the various departments of the store here."

Martin said the interior and furnishings of the store would be modernized and the stock would be enlarged and improved. There are eight Dunlap stores in California and 24 in Texas, New Mexico and Oklahoma.

A. B. Haws, sr., made no comment on future plans. His son, Burnon, who was associated with him in the store, reported to his reserve unit in the Army at Fort Lewis, Wash., last week.

FFA Boys Win In Cotton Exhibit

In the Future Farmers cotton exhibit at the South Plains fair at Lubbock, local contestants won all three first places.

Gay Lord Anderson won first, Larry Sanders, second; and Billy Taylor, third. E. F. Schmiedt, local vocational agriculture teacher, is FFA sponsor.

Society

C. R. Smiley Processes 24-Pound Salmon Saturday Here At Garza Cooperative Locker in Contrast to Usual Beef

Saturday, C. R. Smiley had a little different job than he usually has at the Garza Cooperative Locker association plant. He had to cut up a 24-pound salmon shipped here from Oregon. Generally the locker plant personnel processes pork and beef, with fruit, vegetables and chickens coming in during the summer months.

However, one man is storing a few doves and when quail season opens, more birds will be put in the lockers. The plant handles about a dozen deer each winter.

The locker association was organized and the plant opened in April, 1941. Smiley moved here and became manager in May, 1944. At first, there were but 125 boxes. The plant is actually run on a cooperative basis, Smiley said. Now, although the space has not been enlarged, it has increased in capacity to 10 boxes.

"We have no boxes available now," Smiley said, "and rarely ever do. About the only way for us to have one available is for someone to move out of the country. Of course some people have bought home freezers, but they still have their products processed here; it just eases our storage problem."

This year, more vegetables and chickens have been stored than ever before, Smiley says. A number of people are freezing chickens, too. Most people package their own fruits, vegetables and chickens, but almost all the beef and pork is killed, cut up, packed and frozen at the plant.

During the war, a record of all the meat passing through the plant had to be kept, Smiley reports. Now, they merely check the meat out when someone comes and takes some from their box. Mrs. Smiley is bookkeeper and he is manager. George Martinez is the regularly employed butcher.

Ray Hodges Plants Chinese Red Peas

Ray Hodges, Garza county farmer, is one of the first in this area to try Chinese red peas, an article in The Extensioner, state extension service publication, reveals.

"Fifteen pounds of peas per acre were planted on an 18-acre block, a chalk hill in one corner of the farm," the article quotes County Agent L. C. Herron. "There was a good moisture condition at the time of planting, but very little rain fell after the peas germinated," Herron said.

In late August, the peas had grown approximately 18-20 inches and a medium-heavy seed crop was maturing. Hodges plans to turn the peas under for soil building.

"I never notice any discomfort working in the storage room, going in and out as I do," Smiley reveals. "About the only thing I can say—it makes a cold much harder to break up, if you catch one. Otherwise it doesn't seem to have much effect."

Garzans are pretty good about taking care of their lockers, Smiley reports. Sometimes they forget their keys, but since the meat is checked out at the locker, it really doesn't matter, he says.

A few more boxes could be used here Smiley says, to fulfill the demand. Winter months are heavy for the pork and beef processed and stored.

Tech Schedules Artist Course

Texas Technological college at Lubbock is bringing a host of well-known artists to the campus this year to round out the students' recreational program.

The Artist course, annual series of professional entertainers, opens its season here Oct. 16 with a concert by Rise Stevens, mezzo-soprano with the Metropolitan Opera company of New York.

Yehudi Menuhin, renowned violinist, will present a program Nov. 30. John Sebastian, famed harmonica player, will follow with a concert Jan. 11.

The Robert Shaw Choral, with 40 voices, will give a program Feb. 9. The Philharmonic piano quartet which appears on NBC will present a concert Feb. 20.

Feb. 28 will mark the appearance of the San Antonio Symphony. Louis Roney, tenor, and Carolyn Long, soprano, will present the final program of the season April 11.

Chinese Woman Is General for Chiang

TAIPEI, Formosa, Oct. 4. (AP)—People usually look twice when they see Miss Chou Mei-yu.

It isn't her looks. What attracts attention is the star she wears, the insignia of a major general in the nationalist army.

Miss—pardon—General Chou is the only woman to hold such rank in Chiang Kai-shek's forces. She is in charge of training nurses for the nationalist army. Born and brought up in Peiping, she was trained at the famed Rockefeller-endowed Peking Union Medical College.

SEAGULLS WAR

HERBERT, Sask., Oct. 4. (AP)—Seagulls by the thousands descended on this district and waged war on hordes of grasshoppers. By the time they had filled themselves, the grasshoppers' ranks were depleted.

Carter White's Bull Is Champion At Lamesa Fair

Carter Gene White showed the grand champion Jersey bull at the Lamesa fair, in competition with cattle from nine counties.

This was the grand champion senior bull at the Garza fair, Sept. 23. The junior bull White showed won two fourth places. He won fifth on a Jersey heifer, junior, and sixth on his senior heifer.

Euel Limer, of the animal husbandry department of the Agriculture division at Texas Technological college, said the senior bull, which won the grand championship here and in Lamesa, was one of the finest dairy bulls to be found in this area.

New Oil Source Will Be Tapped Soon

TEL AVIV, Israel, Oct. 4. (AP)—Israelis hope to get oil supplies from sunflowers growing in the Negev desert wilderness of southern Israel.

The newspaper "Haboker" said sunflowers should supply all the material needed for Israel's local consumption of oil.

It added experiments conducted in the Negev resulted in a fat yield of 84 percent as compared with 80 percent fat yield from imported plants, mainly from Turkey.

Tax Payment Proves Costly to Decatur

DECATUR, Ill., Oct. 4. (AP)—The city of Decatur has received a tax payment from a Minnesota firm, but it lost money on the deal.

The payment of one cent was a two per cent tax on gross fire insurance premiums collected in Decatur by the Hardware Mutual Insurance company of Minnesota during the last year. Gross premiums were 48 cents.

City Treasurer Jack Loftus estimated the one-cent tax payment cost the city seven cents—three cents for mailing the tax form, three for mailing a receipt, and one for materials and labor.

CIRCUS COMING—Pictured above is one of the elephants and performers with the Cole and Walters circus coming here Oct. 14 for two performances.

Nelda Floyd Is Queen Finalist

Nelda Floyd, daughter of Mr. and Mrs. Guy Floyd of Post, was one of the nine finalists in the South Plains Queen contest at the Lubbock fair this week.

LaQuita Robinson of Tahoka was chosen queen. Miss Floyd had to withdraw because local school officials would not excuse her from school for the necessary time. Winner could take a \$500 cash prize or an all-expense trip to Havana, Cuba.

Miss Esther Sorenson, area supervisor of vocational homemaking, was a visitor in Post high school Friday.

 AND MRS. BLEVINS

Be Satisfied With Symptomatic Relief!

HADACOL NOW MAKES IT POSSIBLE TO BELIEVE THE CAUSE OF YOUR SICKNESS

Arthritis Pains, Stomach Disturbances, Indigestion, Gas, Constipation, Certain Nervous Disorders and a General Run-down Condition when due to lack of Vitamins B₁, B₂, Iron and Niacin in your system!

Read How Those Folks Benefitted Who Had Such Deficiencies

Mr. Henry Angol, RD No. 1, Springfield, Ohio. "I used to suffer great pain from neuritis aches in all parts of my body, especially in my legs, arms and shoulders. I never got any real relief until I tried HADACOL. After taking several bottles, my pain is all gone. And I'm working every day." (Now there's a smart man! Mr. Angol took HADACOL and relieved the REAL CAUSE of his neuritis pains because they were due to such deficiencies. HADACOL is helping thousands upon thousands of grateful men and women troubled this way. Why don't you give HADACOL a chance to help you? Start taking it today!)

Mrs. J. Scieszinski, 514 Kruger, Ottumwa, Iowa. "My daughter, Marilyn Sue, is 5 years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results... she has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take HADACOL, too." (HADACOL is a great "builder-upper" for sick, nervous, puny kids whose systems lack precious Vitamins B₁, B₂, Iron and Niacin. A big improvement in their well-being is often noticed within a few days' time after taking the great new HADACOL.)

Mrs. Mabel Kitchen, 1650 Amsterdam, Cincinnati, Ohio. "Before I started taking HADACOL I had aches and pains of neuritis in my shoulders, my back and arms. I could hardly move without having those terrible pains. Then I heard about HADACOL. After the second bottle the pains and aches were about gone. I'm now starting my fourth bottle and am on top of the world. I eat well and, best of all, the aches and pains are completely gone." (Mrs. Kitchen is a very smart woman because she relieves the REAL CAUSE of her neuritis pains due to such deficiencies. HADACOL often brings a wonderful improvement within a few days' time.)

IMPORTANT! Why don't you get that wonderful HADACOL feeling everyone is talking about? In this modern age, wise folks are no longer satisfied with symptomatic relief to relieve the cause of such ailments with that wonderful new HADACOL. It not only supplies deficient systems with extra quantities of

PLENTY ON THE BALL!

DODGE "Job-Rated" TRUCKS

Plenty of Power! Each of the 8 great Dodge truck engines gives you power aplenty—top economy, too. That's because you get an engine that's "Job-Rated" to fit your hauling needs... one that's jam-packed with money-saving, long-life features.

Plenty of Payload! You'll profit from bigger payloads without overloading axles and springs—thanks to Dodge "Job-Rated" weight distribution. More truck weight on the front axle means more payload on the rear axle.

Plenty of Performance! In city traffic or on the open road, you'll enjoy performance plus! Dodge trucks are "Job-Rated" for easy handling, too! You can turn 'em in shorter circles, back 'em up and park 'em faster—with less effort.

Plenty of Protection! You'll ride safety-sure in a welded all-steel cab with the biggest windshield of any popular truck! You'll have the finest truck brakes in the industry... a hand brake operating independently on propeller shaft on all models—1½-ton and up.

Now! gyrol Fluid Drive! Available on all ½-, ¾- and 1-ton models. Lowers upkeep costs, prolongs life. Ask us for interesting Fluid Drive booklet.

Plenty Low in Price! With all their extra value, Dodge "Job-Rated" trucks are priced with the lowest. Come in and ask us to show you a truck that will start saving you money the day you buy it!

See us for a Good Deal!

EDITORIAL COMMENT - - THE POST DISPATCH

—THURSDAY, OCTOBER 5, 1950—

Better Streets for Post . . .

Post's taxpaying citizens voted for improving the streets here recently by a fairly large majority. We hope everyone understands that this is just a case of the city helping those who help themselves. A large per cent of the paving cost will be extracted from the property-owner in front of whose house the paving is laid. It is all very well to vote for a city job, but the real test of who is progressive and who is not, will come when the property-owner is tagged for his part. It seems to us it would be a pretty good idea to decide soon if you can afford paving and get down to the city hall and apply for it as soon as they have the information on the cost. We are not just sure how this system works, but we think there will not be any paving where the property owner is not willing to pay his share. Seventy-five blocks can be paved with the money voted, plus the property-owner's share. The city is allocating it on a first come, first served basis. Now is the time for you to act.

ROGER W. BABSON WRITES THIS WEEK

Residents of Cities Are Urged To Buy Farms For Safe Refuge in Case of World War III Attack

NEW BOSTON, N. H.—In view of the Korean situation I wish to repeat some advice which I have given before. It is not written for those who live in small self-sustaining cities or rural communities. Rather, I am writing for those in New York, Chicago, Philadelphia, Detroit, Los Angeles, Cleveland, Baltimore, St. Louis, Boston, Pittsburgh, and Washington, D. C. In some one of these cities almost every reader has relatives or friends. When World War III does come, some one or more of these 11 cities may suffer a terrible loss of life. Readers who live in the Central West are especially fortunate and have nothing to fear. You are in "the richest in time of peace and safest in time of war" of any part of the U. S. Probably every state has some similar safe, productive and attractive sections. Readers who live in such places should be very thankful. With the above introduction I will sail ahead.

For some time my statistical organization has been building a branch here at New Boston, N. H., for use in case of World War III. We bought an old brick building which we could use for offices and several nearby homes in which we could house a limited number of executives. We believe that many more business concerns in each of these vulnerable cities should do the same thing. We all owe it to our customers and clients. Most employers have summer places to which they personally could flee, but such places do not provide an emergency plant or emergency offices. I, however, have not been content to do only this. Hence, I have been picking up some old farm houses to which the families of our employees could move. These are from one to three miles from our Emergency Plant at New Boston, a distance which could easily be covered with a horse and wagon if no gasoline is available! Such farm houses are well-built with all modern conveniences and can be bought for one quarter what it would cost to build them today.

The authorities tell me that to be absolutely safe one should be about 60 miles away

Texans in WASHINGTON

By TEX EASLEY, Associated Press Washington Service

WASHINGTON, (AP)—All Texas members of congress plan to go home at one time or other during the recess which lasts until Nov. 27, but half a dozen of them have family situations that will keep them here a good deal of the time.

The six, with children enrolled in local schools, are Reps. Wingate Lucas of Fort Worth; Ed Gossett, Wichita Falls; Olin Teague, College Station; Tom Pickett, Palestine; Albert Thomas, Houston; Paul Kilday, San Antonio.

As chairman of the newly-created House committee which will investigate the veterans education program, Teague will be busy all fall. As soon as his appointment was announced the phones in his office began to ring continuously, wires and letters poured in.

From all parts of the country came requests for the committee to check various situations. Both Texas Senators Connally and Johnson plan to spend part of their time in Texas and each hopes to get in a brief vacation. The Senate has been in continuous session since the first of the year.

The Johnson defense investigating committee, which recently issued a report on the rubber situation, soon is expected to go into the ordnance production question. That will account for much of the Junior Texas senator's time.

Speaker Sam Rayburn, as he has done for 37 years, plans to spend a good deal of time resting at his Bonham farm and ranch. Late in October he may make a few campaign speeches in doubtful states to help out Democratic candidates. He usually does that in election years.

Around the Capitol: From San Angelo has come some definite information about the origin of the Texas State Society of Washington.

Recently Mrs. Mastin G. White, wife of the Interior Department solicitor, asked that any-

National Newspaper Week . . .

We are proud to be in the newspaper business. This week, all over the nation, people are stopping to remember just how worthwhile their newspaper is. Everyone is acknowledging National Newspaper week. What makes National Newspaper week better than National Anti-Noise week or National Be-Kind-to-laws week? We feel that some of the freedoms we now so fortunately take for granted were won by the newspapers. It is the privilege and duty of the newspaper to guard those freedoms with constant vigilance. A true newspaperman is as dedicated as a doctor, minister or lawyer to his profession. Most old newspapermen die, they can't quit. They have a charge to keep, with themselves and with the world. Their integrity must be as irrefragable as the preacher's, their ethics as unquestionable as the doctor's, their knowledge as broad as the encyclopedia's. They must have more tact than a poor relation and more backbone than a self-made man. We are proud to be able to try to qualify for that fraternity.

Getting Out On The LIMB . . .

by EDDIE the editor

THIS IS NATIONAL newspaper week. Editors often have a lot to get off their chests and straighten out with their readers and now I am taking an opportunity to do so.

I am your newspaper publisher, first. My problems are those of every department in the business. On me rests the final responsibility for everything that goes in the Post Dispatch.

In my mind are the problems of the editorial, business, and the mechanical department of this newspaper. I represent the paper to the public. My problems differ only in financial size from those of the biggest dailies or the smallest weeklies.

Someone has to be sure the news is well-written so the people will read it. It has to be timely. This provides sufficient circulation to enable the newspaper to charge rates of advertising to provide a living for those who work on it. All the while the newspaper must provide a public service as well.

MY DECISIONS in one day vary from what is the Post Dispatch's attitude on Communism as to why the typesetting machine kicks out slugs saying "etaiounshrdlu." I have to arrange for newsprint, now in short supply, for months ahead for you to have your paper, I am your publisher.

I am your editor, also. I concern myself especially with all the news and copy printed in your paper. I am assisted by other persons with various titles and duties, managing editor, society editor, sports editor, business editor, and so forth.

I concern myself especially with all the news, and copy printed in your paper. I am assisted by other persons with various titles and duties, managing editor, society editor, sports editor, business editor, and so forth.

Daily I receive a flood of mail—stories for the Post Dispatch. Most of it is unsolicited. Some of it is news, some is merely publicity or promotion. The editor must separate the news from the chaff.

The editor also must be where news is happening, or see that some staff member is. Once we get the news, we must edit it to see that it is clear, concise and above all, correct. We check the points that are not clear and cut out unnecessary wordage or expand the story as the need may be.

NO OPINION must creep into the news columns. The editor's page is where you find the policy of the paper. Some reflect public opinion, some praise individuals or organizations, some seek reform and some criticize when criticism is due.

An editor has to be careful if the newspaper is to succeed. He uses local stories at his disposal, buys certain features and uses his knowledge of news as a commodity available to the public.

I am also your advertising man. Selling your product is my business. I offer you white space in my paper with the guarantee that the eyes of our circulation will see your message. I call myself your partner if you wish to sell.

My job of increasing your sales can be accomplished through you with my help in designing a sound program of advertising, carefully thought out in advance. My knowledge, acquired through training and experience in dealing with merchants and merchandising problems is yours to command.

I call on you at your place of business offering you the services of my newspaper. The Post Dispatch carries an advertising man service to help you illustrate your ad to your best advantage.

ADVERTISING YOUR merchandise provides a large source of the newspaper's income. This, in turn, enables the Post Dispatch to render a greater public service. It increases the circulation, providing more readers and more potential buyers of what you have to sell.

Often, I am also your reporter. In that capacity, I merely tell the story as it happens. I give no advice. I have no opinion. I am a trained observer of what is happening. I must see that it is written impartially and correctly.

In a small shop such as mine at the Post Dispatch, every person is important and has a responsibility. Although I can fill in any position on the paper from the backshop through the bookkeeping department, I could not do it all by myself and give you the good paper you now have.

SOME OF MY MOST valuable aids are the country correspondents, who turn in each news of their community nolla, Close City, Pleasanton and all the others.

THE AMERICAN WAY

Non-Voter: The Real Culprit

What Our Contemporaries Are Saying:

It Sez Here Recently we told the story of a buck that turned the tables and chased two hunters up a tree and kept them there all day and night. It was poetic justice, we thought, and wanted to erect a monument to the buck. Now we have another project. We want some recognition for Suand Rendorf of Texas who took his pickup truck and knocked a railroad locomotive, three baggage and passenger coaches off the track Sunday at Greeley, Colo. If there ever was a man-bite-dog story, this is. Locomotives have been knocking cars and trucks off highway crossings for years. Many people are killed and much destruction accomplished. But nobody puts up proper safety devices or builds under-or over-passes. Now, a train has gotten some of its own medicine, and we'll bet the railroad company rushes around to fix that crossing where the whole Union Pacific was humiliated and embarrassed by a little pickup truck! —The Rails Banner.

The Worst Crack Of All The publisher of the Anton News says—"The average small town publisher spends from 60 to 75 hours per week in the shop to say nothing of all the work connected with his business such as attending meetings, ball games etc. for the purpose of getting news coverage. And for all of this he receives less pay than the average salaried worker who is on the job 40 hours a week and the rest of the time is his own."

Victims Plead For Road Improvement Unfortunately, but pertinent just the same, was a Highway 90 crash Tuesday night in Nome in which nine persons were injured. Six were Vidor residents returning from Austin where they appeared that morning before the state highway commission in behalf of the Beaumont Chamber of Commerce's plea for Highway 90 improvement. —The Liberty Vindicator.

Haskell Gins Running Gathering of the area's 1950 cotton crop, delayed by lateness of planting and unfavorable weather appeared to be getting underway in the Haskell area this week, with all of the city's five gins in operation on a part-

week and the rest of the time is his own.

"The average newspaper reader goes to the post office on Friday morning and there is his paper. He gives it the once over and makes some slight remark about not having much news, or about the mistakes it contains, or comes up with that favorite crack of all gripers and calls it the 'Headache'."

Friends from every walk of life mourn the death of J. B. Slaughter who was found dead at his home Friday morning. The county has lost a true friend. . . . Post it's "first citizen."

Miss Thelma Harrison was placed in charge of the WPA luncheon at the elementary school this week, according to L. V. Bearden, principal.

time basis and ready for moving into full scale processing of what is expected to be an exceptionally good yield.

Up to Thursday noon, reports from four of Haskell's five gin plants showed that 103 bales had been ginned here.

What A Blow! A local man started out the

FLOWER AND BAKE SHOW SET TO BE HELD HERE OCT. 21 BY WOMEN, GIRLS

Women's Culture club, Amity club, Future Homemakers, 4-H girls and home demonstration clubmembers are sponsoring a flower and bake show here Oct. 21. Flower arrangements will be shown by members of all clubs, Mrs. Jewell Strasner, county home demonstration agent, reported, but the bake show will be confined to girls' groups. They will enter cakes, pies, quick breads, yeast breads, cookies, biscuits and muffins. Bake show entries will be scored, and judged first, second and third, Mrs. Strasner said. Miss Bessie Pitts is remaking teacher in Post high school and sponsor of the FHA group.

MISS CHARLOTTE BROWN BECOMES BRIDE OF LOWELL SCRIVNER FRIDAY

Miss Charlotte Brown, daughter of Mr. and Mrs. Isaac Brown, became the bride of Lowell Scrivner, son of Mr. and Mrs. T. B. Scrivner of Snyder, Friday afternoon. The Rev. L. W. Hardcastle, pastor of the First Baptist church, in Lovington, N. M., performed the double ring ceremony at 5:30 o'clock in his home. The bride wore a grey satin dress with black accessories. Parents of the bride and the bridegroom's mother were guests. After a trip to Mexico the couple is at home here. For travel Mrs. Scrivner wore a red wool suit with beige accessories. The bride attended Post high school and her husband attended Snyder high school. Scrivner is associated with his father-in-law as an interior decorator.

WHAT WE FOUND IN LITTLEFIELD PAPER:

There's any football team than the Antelopes, then field fans have yet to see the Antelopes may not be the best football team in District but undoubtedly they will all honors as the speediest. The Wildcats and Antelopes flash up and down the field during the first half. The Antelopes are leading 14-0 at which spectators turn heads back and forth as the Antelopes zip from one court to the other. The two elevens are traveling just that fast.

McMahon, who is married, Frank Chandler of Fort Worth, was honored at a tea-shower yesterday afternoon in the John Wallace home in the Graham community. Mrs. Babb and David Rogers were inducted in the Army on Friday of last week, were to Fort Sill, Okla. James H. Trout, will visit his father-in-law on route to Kansas City, the Army permitting, of the PHS kids are having an Thanksgiving. They didn't go to school today on account of the South Plains Fair at Lubbock.

Wanda Davies and Sue were home from Texas the weekend. Frances Benson received her engagement ring from J. D. Coville last week. It has a large diamond with two on either side the way she described it to friends via telephone soon she got it.

B. Cockrell Give Program P-TA Meeting

Rev. A. B. Cockrell will give the program on "Where We Get Our Standards" at the regular meeting of the Elementary-High Parents' association meets next day. H. J. Dietrich will preach pupils in a musical program. Plans for the Halloween carnival will be made. Meeting time is 3:50 o'clock in afternoon. E. F. Schmedt, publicity director for the P-TA, urged all parents of school children to attend. She also reminded parents and teachers of the P-TA meeting at the high school auditorium Monday night.

Manly, Mrs. Moss, Mrs. Williams, Mrs. Ralph Kirkpatrick, Mrs. Ralph Welch and the hostesses.

Mrs. Smallwood Is Honored With Bridal Shower

Mrs. Arthur Smallwood of Southland was honored with a bridal shower in the Slaton club house Friday afternoon. Hostesses were Mrs. Kenneth Davies, Mrs. Edgar Mosely, Mrs. Arthur Davies, Mrs. Herbert Dunn, Mrs. G. W. Basinger, Mrs. Clay Johnson, Mrs. Riley Wood and Mrs. M. A. Dunn all of Southland. Mrs. Frank DeMott, Mrs. F. L. Childress, Mrs. Clyde Carter, Mrs. Henry Adams, Mrs. Neal Bradshaw, Mrs. Ben Davis, Mrs. W. L. Davis, Mrs. Melvin Cearley, Mrs. Leon Vaught and Mrs. L. O. Lemon all of Slaton.

Seasonal flower bouquets decorated the hall. Gifts were displayed on a table in one end of the room. The refreshment table was laid with lace and centered with a floral arrangement. Approximately 40 guests registered.

Miss E. Krause To Become Bride Of W. Waldrop

Miss Evelyn Krause of Lubbock, formerly of Southland, bride-elect of Wallace Waldrop, was honored with a tea shower recently in the home of Mrs. Ben Wilke at Wilson. Guests were greeted by Mrs. Wilke and registered by Mrs. Ruby Becker of Lubbock. In the house party were the cohostesses, Mrs. Wallace Becker, Mrs. Willie Becker, Mrs. August Becker, Mrs. Ben Becker and Mrs. Ben Becker, jr.

The refreshment table was laid with a white cloth over yellow trimmed with yellow bows, and was centered with a bouquet of marigolds surrounded by green tapers. Punch and cake squares were served. Thirty-five guests attended. Miss Krause and Mr. Waldrop are to be married Sunday.

Friendship Night Is Observed By OES Tuesday

The local Order of the Eastern Star was host to 11 guest chapters in a Friendship meeting at the Masonic hall Tuesday evening. Offices were filled by guest officers. Each officer was presented with a gift. A short program was presented by the local chapter. Refreshments were served to approximately 100 guests. Mrs. Esther Bird, Mrs. Will Wright, Mrs. Carl Clark and Miss Thelma Clark composed the serving committee.

The following area chapters were represented: Freedom chapter of Lubbock, Slaton, Southland, Idealou, Tahoka, Snyder, Falls, Rotan, Brownfield, Prairie Hill and Amarillo.

Mr. and Mrs. J. L. Cooper of Grand Prairie were recent visitors in the home of their son-in-law and daughter, Mr. and Mrs. Feda Dodson. Mr. and Mrs. Feda Dodson and children attended a water coming at Eskota near Sweetwater Sunday.

ENGAGEMENT OF RUBY WADE IS ANNOUNCED BY PARENTS

Mr. and Mrs. W. F. Wade are announcing the approaching marriage of their daughter, Ruby Jewel, to Obied Sanders, jr., son of O. B. Sanders of Rolling Fork, Miss., and Mrs. Darrel Harrist of Post. The wedding will be in Clovis, N. M., Oct. 11.

NEWCOMERS—

Jeff Trasks Live In Texas A Year

Mr. and Mrs. Jeff Trask have been Texans for more than a year, Garzans for less than a month. They moved here from Marshall and are currently living in one of the Kennedy houses, south of high school. His home is in Wisconsin and hers in Tacoma, Wash.

Trask, who is employed here by Rayflex, is a graduate of the University of Iowa. He also completed a year of graduate work there. In college, he was a member of Theta Xi fraternity. Trask majored in geology.

He and Mrs. Trask, the former Dorothy Samuelson, met when he was being discharged from the Naval Air corps. She attended a business school in Washington and worked, prior to her marriage.

Both Mr. and Mrs. Trask are interested in photography. They take moving pictures a lot, Mrs. Trask says. Before the birth of their daughter, Diane Louise,

Aug. 25, they took fishing trips, but Mrs. Trask is afraid that is all over, now.

She likes to paint, for her own personal pleasure. Mrs. Trask also has a collection of fine China and demitasse cups. She is sending these to her husband's home in Wisconsin, because there is too much breakage in moving around.

While he was in college, they attended all college functions and dances. They also like canasta and bridge. Mrs. Trask reveals. She worked during the three years they lived in Iowa City, while her husband attended college.

Mr. and Mrs. Trask have already started attending the Methodist church here.

In Marshall, he worked for the Halliburton company for a year, after he completed his graduate work in 1949. The Trasks like Post "very much," she says and find the people here very friendly.

Needle Club Members See New Terry Home

Members of the Needlecraft club met in the home of Mrs. C. W. Terry Friday afternoon.

Guests enjoyed a tour through the hostesses' new home. At the conclusion of the party refreshments were served to Mrs. John Faulkner, Mrs. T. L. Jones, Mrs. Ida Robinson, Mrs. R. E. Cox, Mrs. H. M. Snowden, Mrs. Carl Clark.

Mrs. A. A. Suits, Mrs. J. R. Durrett, Mrs. J. E. Stephens, Mrs. W. F. Pierce, Mrs. F. A. Gilley, Mrs. Bob Roberts, Mrs.

Geraldine Hicks Weds Dub Gray

Announcement has been made of the Sept. 21 marriage of Miss Geraldine Hicks to J. W. (Dub) Gray.

The ceremony was performed in Carlsbad, N. M. The couple is at home here. The bride is a granddaughter of Mr. and Mrs. J. A. Freeman of Route 1. Gray's parents are Mr. and Mrs. W. A. Gray.

B. F. Evans and a guest, Mrs. Roxce Bivens.

FROM A STRICTLY LOCAL ANGLE

Southland Meets New Home Tomorrow Hoping To Avenge Roaring Springs Loss

Still trying for a win, the Southland six-man squad takes on New Home tomorrow in a tussle to bolster their fading prestige.

The Eagles were beaten 32 to 13 Friday night at Roaring Springs by a strong Springs six-man team.

In the first quarter Leslie Kingery and Alex Boron combined their efforts to make a first on the 10 yard line of the Eagles. Boron then crashed over for the first touchdown.

Three pass plays inside the Springs 5-yard line failed to score a TD for the Southland club. Boron then made a nice end run to the Eagle 30. Leslie Kingery made a first down on the Southland 1-yard line. Alex Boron made the trip to pay dirt. Score: Roaring Springs, 13 to 0 as the extra point was made good.

Leslie Kingery intercepted another Southland pass and returned to the 30-yard line. Roaring Springs then recovered their own fumble on the 10-yard line. Leslie Kingery plowed over to make the rout complete as the extra point was good. Number 88 of the Roaring Springs club ran over three tacklers and crossed the goal line standing up to mount the score to 26 to 0 for the Springs six. Gene Anderson pushed aside a host of tacklers to the 30 yard line as time ran out at the half.

Boron made a touchdown when the third quarter was three minutes old to make the score read 32 to 0 for Springs. G. Anderson then put on a one man show to plant the ball on the Springs 18-yard marker. A pass play failed to gain. A 15-yard penalty gave Anderson another chance after John Perez intercepted a pass. Anderson was run out of bounds on the 9-yard line. He then passed to J. Moore for the R. S. score, making the count, Roaring Springs 32 Southland 7. Extra point was good.

Late in the fourth quarter Jackie Haire ran the ball to the Springs 16-yard line. G. Anderson made a first down on the 5-yard line. Then Jimmy Moore made a nice end run for a tally and the extra point was good to make the score read 13 to 32 in favor of Roaring Springs.

The game ended with Southland in scoring position again. An exceptionally good crowd attended the game.

Lineup: Southland — Tommy Leake, T. Basinger, D. Basinger, G. Anderson, Jimmy Moore, "Windy" Hill, S. Wheeler, Jackie Haire.

Southland Basketball Girls Lose First Game

Mary Frances King was high point girl Sept. 26 when the Southland girls' basketball team lost 24-19 to Lorenzo in the Lorenzo gymnasium.

King racked up 17 markers. Emma Lou Basinger scored Southland's other two points. This was the initial game of the school year for the Southlanders.

Four regulars are back. They are King and Basinger, forwards; and Jean Sims and Jo Ann Trimble, guards. First year players are LaQuetta Bruster, forward; and Woodena Stewart, guard. Regular season begins Nov. 1.

Southland defeated Lorenzo 30-28 in a hard-fought contest last year. Robert Knox is girls coach at Southland.

CHOOSY THIEF

SAN BERNARDINO, Calif., Oct. 4. (P)—Elaine Hunter told police someone lifted a day's wash from her line, leaving only a torn sheet.

Rails Comes Here Tomorrow Night, Antelope

Coaches Bing Bingham and Vernon Ray this week said they were well pleased with the Antelope showing in beating Levelland Friday and are looking forward to the game here with Rails tomorrow night.

The Rails team is more equal to the Antelopes in size than any team played thus far, Bingham said. They score. Fridy night's is not a conference game.

"All the boys are in fair shape this week," Bingham said. "Our plans are to play some of the younger boys and rest the regulars. We have been resting the main string this week and working the other boys pretty hard."

Probable starting lineup for the Antelopes includes: Ross Self, center; Roy Josey and Pat Stephens, guards; David Tyler and Melvin Garner, tackles; Buddy Caylor and Carroll Light, ends; Don Brown, quarterback; J. R. Potts, left half; Darrell Stone, right half; and either Cordell Custer or Fred Long, fullback.

Bingham said Potts, a 126-pound freshman, had the best prospects for a runner of any player he had ever coached. He urged fans to watch Bobby Gustin, 155-pound fullback; and Don Bennett, 155-pound left half, on the Rails team. Holdovers from last year, both boys are playing outstanding ball, Bingham stated.

A crowd of some 4,000 saw Post come from behind in the last four minutes of play to defeat Levelland 13-9 in District 4-A play there Friday night.

The Lobos drew first blood when they ran over a touchdown early in the first quarter. After receiving Post's kickoff, they did not give up the ball until pushing it over for a score. Perry Heard went over left tackle for 35 yards on the touchdown play. Don Wise made the extra point over center.

Levelland's kickoff and a series of penalties set the Antelopes back to their own two-yard-line. Post attempted a double reverse handoff around end. Rex King fumbled and was thrown behind the goal line for a safety.

Post's first touchdown came on a six-yard pass play from

FROM THE GRANDSTAND

by WILBUR MARTIN
Associated Press Staff

Pro football teams have used the field goal for many years as a means of consistent scoring, but, honestly, how often have you seen a Southwest Conference team attempt one?

Probably the most dramatic field goal attempt in the Southwest in many seasons was the one last year when Froggie Williams turned the trick to give Rice a victory over the University of Texas.

And probably the most futile field goal attempt in many years came in this same game, when—on Texas' last play of the game—Ben Tompkins tried one nearly half the length of the field.

The field goal has, for the most part, been a desperation, last second means of scoring for college teams.

But the pros use it quite frequently—and with excellent results. Read accounts of the cash and carry games closely and you'll notice teams try a field goal in many instances where they wouldn't dream of a forward pass.

Six points is, of course, a lot better than three. But early in any game, three points is a lot better than an intercepted pass. And if a field goal misses, no back can run the ball back the length of the field.

Aside from having a scoreboard value, one of the biggest thrills in football is to watch some player attempt a field goal.

You can see every player get set. Linebackers come up close. Defensive backs spread in case it is a fake attempt and a pass is coming. The kicker usually very grimly crouches down. And, usually, there's not a person sitting when the center snaps the ball.

Some players, too, are quite fond of field goals and extra points placement kicks. It's the only way they get into games. For some, this is pretty tame action. But for others, it's relief from the water bucket job. Remember Texas' "Rooster" and dunnets?

4-H Girls Win Places at Fair

Garza county 4-H girls won several places with their exhibits in the South Plains fair in Lubbock this week.

In the canned products division, Beverly Bartlett won second with her canned carrots; Norma Ritchie first with canned peaches and Lois Ritchie, second. In household linens, Norma Ritchie's tufted bedspread won third.

In the clothing section, Beverly Bartlett won first for apron made by a junior girl, Janet Stephens won second, and Karen Gail Pennell of Southland, third, to sweep the contest. Sybil Smith won third place for junior girl's blouse.

Willie Faye Graves won first place for skirt made by junior girl, Sybil Smith won third. Willie Graves won third for a play or work suit. Lois Ritchie won second for a foil picture in the miscellaneous division. Also in miscellaneous, for v. c. n. Mrs. J. C. Fumagalli won a place with her billfold.

Seventh Grade Gridsters Journey To Wilson Tonight

Coach Wayne Pipes' seventh grade footballers journey to Wilson tonight to meet a mixed seventh and eighth grade team tonight after losing to a seventh and eighth grade group in O'Donnell 26-7 Tuesday.

Jimmy Smith, right half, returned the kickoff to the O'Donnell one-yard stripe, only to fumble. Smith and Harold Goddon, quarterback, were mentioned by Coach Pipes as good prospects for high school football, if they continue to develop.

Pipes said his inexperienced bunch showed up better this week than last. The lineup includes Ardell Williams, right end; Denzil Lawrence, right tackle; Ronnie Kennedy, right guard; Novis Pennell, center; Dickie Beggs, left guard; Leo Smith, left tackle; Larry Traflet, left end; Gene Howard, full back; Homer Cato, left half; and Gordon and Smith.

Southland Girls Play Wolfforth In Basketball

Southland girls' sextet will journey to Wolfforth for a basketball game with the Wolfforth junior and senior girls tonight.

Game time is 8 o'clock in the Wolfforth gymnasium. Mary Frances King and Emma Lou Basinger will lead the senior girls and Joyce Edwards and Woodena Stewart will guide the juniors.

Tuesday night the Southland six will play a return match against the strong Lorenzo high girls' team at the Southland gym at 8 o'clock. Last week, Lorenzo trimmed Southland 24-19 in one of the fastest games of the practice season.

Please Send News Not Later Than Monday to BOBBY JOYCE HENDERSON Correspondent

Mr. and Mrs. Ray of Grassland and Mr. and Mrs. Henry Ray of Lubbock visited in the J. P. Ray home Sunday.

Floyd Hodges was in Slaton on business Monday. Mr. and Mrs. Wade Ray were en route to New Mexico when they received a telegram that their grandson was a polio patient in Lubbock Memorial hospital. They returned home Saturday.

Mr. and Mrs. Long of Thalia visited their sons and families. Mr. and Mrs. W. A. Long and son and Mr. and Mrs. J. W. Long and children last week.

Mrs. J. P. Ray's father, Mr. Greer, of Grassland has been ill for the past week.

Mr. and Mrs. Adrairie Phillips of Snyder visited last week with Mr. and Mrs. W. F. Norman.

Mr. and Mrs. Benny Huff, Mr. and Mrs. Byron Haynie and Bobby Joyce Henderson and Mr. and Mrs. W. A. Long attended the Post-Levelland football game at Levelland Friday evening.

Mrs. Estelle Askins and daughters and Mrs. Eleanor Pippin of Post visited Sunday afternoon with Mr. and Mrs. Artie Long.

Mrs. W. A. Long's home was the scene of a meeting of the Home Demonstration club Thursday. A covered dish lunch was served at noon. The group tackled quilts. During a business meeting in the afternoon, Mrs. Byron Haynie reported on a recent HD convention in Big Spring. The club will meet Oct. 12 in the home of Mrs. Avery Moore. Attending Thursday's meeting were Mrs. Benny Huff, Mrs. O. F. Pennell, Mrs. W. H. Barton, Mrs. J. W. Long, Mrs. Moore, Mrs. Ray Hodges, Mrs. Bill Norman, Mrs. Haynie, Mrs. Tom Henderson and two guests, Mrs. B. W. Pennell and Mrs. Robert Pennell of Post.

Post Dispatch Introduces Employees During Newspaper Week

Observance of National Newspaper Week, the Post Dispatch would like to introduce to the public its full-time employees, part-time workers, six rural correspondents and other employees to the public. Buddy Hays is the oldest em-

ployee in point of service, Hays began working for the Dispatch when he was in the sixth grade here in 1944. His first duties were to clean up. Gradually, he became a "printer's devil" throwing in type after press runs were completed, setting heads and running job work.

While in high school, he worked before and after school and during vacations. He still found time to be a valuable player on the Post Antelope team. In 1949, Buddy started working full time. His main job is running the big newspaper press.

Like all employees of a small shop, his duties are varied. He sets up advertisements, rips out cuts, makes some cuts, runs type in the newspaper forms, and runs the job presses on commercial print jobs, as well as whatever else there is to do. He is the son of Mr. and Mrs. Jim Hays.

Genell Babb

Genell Babb, daughter of Mrs. R. W. Babb, started working for the Dispatch in January 1947. She is a graduate of Post high school where she was an outstanding member of the basketball team and participated in other school activities. After graduation, she attended Draughon's Business college in Lubbock. Her position as bookkeeper at the Post Dispatch was her first job.

Since coming to work here almost four years ago, Genell has taken many added responsibilities and learned to do many things connected with work in a newspaper office. Besides being bookkeeper and collector, she works in the editorial and commercial printing departments as well.

Her specific duties include typing the columns mailed in by the rural correspondents and writing the church column, Guys and Gals, and recently, with the help of Carolyn Hudman, she has begun a column on grade school children.

Funerals, Weddings

Genell also writes funerals and weddings, as well as club meetings and some parties. In fact, she might be considered the society editor, since she handles most of the copy for the society page. She also solicits and writes "bits of news."

Genell is in charge of circulation. She handles subscriptions and keeps the mailing list up to date. On Thursday afternoon, she operates the mailing machine, stamping each copy of the Dispatch with the reader's name and address. She collates commercial printing and operates the stapling machine used in making books and pamphlets. Genell can run the job presses and her ambition is to run the large newspaper press. She is a member of the Baptist church.

Delmo Gossett, shop foreman, is another graduate of Post high school. He is the son of Mrs. L. H. Peel. Until he was a sophomore, he attended school at Graham. At Post, he was president of the senior class and captain of the football team. He played both football and basketball three years.

Gossett Is Veteran

After graduating from high school, Gossett attended Draughon's business college in Lubbock. From there, he went to a sheet metal school and worked for Consolidated in an aircraft plant in San Diego for a year. He was inducted into the Air Corps at Fort Sill early in 1942.

He was first stationed in Lubbock, then went to Bryan where he was a member of the ground crew in the communications department. He and Miss Wynona Kennedy were married in August, 1943. Gossett stayed in Bryan until September 1945—from there he went to the 19th Troop Carrier Squadron, at Honolulu via Kerns, Utah. He was released from the army at Fort Bliss in February, 1946.

Gossett started to work at the Dispatch the first time that same month. He worked here one and a half years before going back to Bryan where he was floorman and in the job printing department of the Bryan Daily Eagle. He worked there a year and came back to the Post Dispatch in September, 1948. The Gossetts have a daughter, Layne, born March 23, 1949.

Make Up Pages

Delmo makes up pages and jobs, sets ads and some copy and runs the folder. He is in charge of seeing that the forms for the paper are laid out in time and that all the job work is done quickly and correctly.

Mrs. Johnnie Wade started work at the Post Dispatch late in January, this year. A graduate of Santa Anna high school and Texas Technological college, she came to Post from the society staff of the Abilene Reporter-News. Mrs. Wade worked on the San Angelo Standard-Times a society and general assignments reporter as well as proofreader. She was editor of the Odessa American for a short time during the war and had summer jobs and part-time work on the Borger and Panhandle Herald and the Lubbock Avalanche-Journal.

She writes most of the copy for the Post Dispatch, including a number of features. Each Tuesday, she draws up a dummy for the first page which is followed by makeup men in the composing room. She covers routine news beats and it is her job to see that the news columns of the Post Dispatch are filled. Mr. Wade has one son, Billy Lockwood, who is 5 years old. They are members of the Methodist church.

Newest Employee

L. B. Whitaker is the newest regular employee. He came to the Post Dispatch from The Merkel Mail in July of this year. Whitaker, familiarly known among his friends as "Whit" got his first newspaper experience on the Sweetwater Reporter as janitor and printer's devil in 1926.

Since this time he has advanced far as a skilled workman in all the departments of the printing and newspaper profession, having worked in such places as Odessa, Seminole, Seagraves, Hobbs, N. M., Lovington, N. M., Fabens, Brownfield and other West Texas shops. He qualified as journeyman union printer at Corpus Christi and later worked with the Abilene Reporter-News. He went to Merkel in 1939. There he handled the mechanical side of printing the paper, solicited advertisements and wrote copy. Since it was a small shop, he did most of the work, except collect.

Whitaker is married and has four children. One son, Louie Don is a private first class in the U. S. Army. Bobby and Elaine are twins and with Kay, the youngest, attend Post grade school. The Whitakers are members of the Baptist church and live in the newly constructed bungalow built by Mrs. F. I. Bailey. In addition to a fulltime responsibilities of The Merkel Mail, Whitaker carried on a private dry cleaning, sideline business of his own in Merkel for eight years, before he sold out and came to Post. They still own their six room house in Merkel. Whitaker's home town is Seminole where he finished high school in 1925. Mrs. Whitaker's parents live at Slaton.

Operates Intertype

Whitaker came to Post as a general all-round man but mechanical needs have been such that he is confined almost entirely to operating of the Intertype since he has been here. He also works on commercial printing and finds time for some soliciting and layout work.

Darrell Stone, son of Mr. and Mrs. Dale Stone, works full-time in the summers and before and after school and on Saturday. He first came to work at the Dispatch in July, 1949. Previously, he worked on the now defunct, Post News.

He is a sophomore in Post high school, a member of the football team and the annual staff. In addition to his athletic activities and job here, Darrell finds time to maintain a very high average in his school work. He plans to be a doctor.

He throws in used type, sets ads and headlines and runs the presses on some commercial print jobs. On a 12-page paper, he sometimes pulls the sections apart. He delivers printing and is a general hand in the mechanical department.

Rural Correspondents

Rural correspondents include Mrs. Floy King, Mrs. Bert Cash, Mrs. George Evans Mrs. Will

Teaff, Mrs. Verna Chase, and Bobby Joyce Henderson. Bobby Joyce is a student in Post high school and writes the Barnum Springs news.

Mrs. King, who writes the Southland news has been correspondent longer than anyone. Mrs. Cash turns in Garcoia news, Mrs. Evans, Justiceburg; Mrs. Teaff, Close City; and Mrs. Chase, Pleasant Valley. Mrs. W. J. Kiker collects and turns in news happenings in Post.

Newsboys include Jerry and Herbie Hays, Royce Anthony, George Graham, Billy Whitaker, Ronnie Ticer and Doyle Wyatt. They sell papers in the residential areas to those who do not have mail subscriptions.

E. A. Warren and Mrs. Warren have both been associated with the Dispatch since Warren founded it in 1926. He is owner and publisher. They solicit and lay out most of the advertising. Mrs. Warren writes the column, "Up and Down Main Street."

Mr. and Mrs. J. T. Curb returned Sunday from a two weeks trip to Canyon.

Mrs. Weaver Moreman and daughter, Janice, have gone to Modesto, Calif., because of illness of Mrs. Moreman's sister, Mrs. Hattie Hagood.

Foultry men have been seeking to develop a new grade of meat chickens by crossing them with pheasants.

Copper deposits at the Kipushi mine in the Belgian Congo are so rich that the ore was at first scooped off the surface.

Can your pocketbook thrive on soup-to-nuts hauling?

It takes a special kind of truck to handle general purpose hauling without starving your pocketbook. And it takes an extra-special one to do the job profitably!

That's why the new International L-160 Series Trucks are proving so popular. They have the all round truck balance you need to haul a wide variety of loads under a wide variety of conditions. They're heavy-duty engineered to cut your costs at every turn.

The power-packed, pep-packed Silver Diamond Engines pinches pennies like the Scotchier Scot you ever saw. The 4-speed synchro-shift transmission is smoother than pre-war silk. The frame and axle are built to face the hard facts of truck life. And the cab—it's the Comfort-Vision Cab!—with greater room, comfort and vision to satisfy the most particular truck driver.

Come in, see this truck soon. It's the specific answer to general purpose hauling.

Mrs. J. L. Peddy Comes to Post with Family in 1928 After Living in Hill and Knox Counties Several Years

Mrs. J. L. Peddy is a reluctant Garza countian. Mr. and Mrs. Peddy and their family moved to Post 21 years ago, from Knox county. Previous to living in Knox county, their homes had been in Hill county.

At one time, in 1940, they left Post, living in Johnson county and in Tahoka for four years. Then they moved back to Post to stay with his father, the late B. F. Peddy, and now plan to remain here the rest of their lives.

Until coming to Post, Peddy was a farmer. Here he first worked at the cotton mill and then later for the Double U company for many years. Since returning here in 1945, he has worked at the mill.

The Peddys are the parents of six children. O. B. Peddy of Houston is the oldest son. Others are Mrs. Dale Stone of Post, Mrs. John H. Hudman of Big Spring, Mrs. K. E. Young, Lamasa and Mrs. A. Porter, Big Spring. Their youngest son,

Clyde, was killed during the war. Mr. and Mrs. Peddy furnished two of the required letters when the Calvary Baptist church was organized here, about 1936. Mrs. Peddy recalls. The church was organized after a revival meeting held in what is now the Hi-Way grocery she recalls. Mrs. Peddy was a member of the first missionary society organized there, although she has not attended recently.

All her children attended school here. Clyde graduated in Tahoka. She has eight grandchildren. The Peddys now live at 215 So. Adams. Since living in Post, they have always lived in that vicinity. At first, they lived near Kemp's laundry. They for 10 years they lived on the corner of Washington alley.

"We have seen this part of town grow up and break up and then grow again," Mrs. Peddy says. "For a long time, an oil station was across the street from us. Then they tore it down. Now, the town has built up out here, clear across the railroad."

Mr. and Mrs. Peddy have lived in their present home five years. When his mother, the late Mrs. B. F. Peddy, died, his father wanted some of the children to come live with him. She and her husband came.

"He worried all the time about the place," she says. "He wanted one of his children to buy it. So when he died, although we didn't really want to stay here, we bought the house."

Mrs. Peddy says her father-in-law was really a pioneer in this area. He came in here 1915 and moved his family here in 1916. He helped build a number of buildings in Post. When the Double U company built residences on farms around here, he helped build 25. He bought a place from the Double U, but later sold it.

Mrs. Peddy prefers Knox county for some reason. Weather there is not much different from here, she says, although perhaps the cold is dryer here. She remembers several bad sandstorms here, although she confesses they are not much worse here than in Knox.

At first, she and her children went to the storm cellar when they saw the dark clouds coming up. Later, when nothing happened but sandstorms, they merely went into the house and waited them out, she says.

11 Members of Post High School FHA Enter Exhibits in South Plains Fair

Eleven members of the Future Homemakers club of Post high school entered exhibits at the South Plains fair in Lubbock.

Mrs. Roy Stevens and Mrs. Curtis Davies took the exhibit to Lubbock Friday. In the food division the girls entered canned corn, snap beans, beets, peach pickles, peach preserves, and

watermelon preserves.

Dresser sets, luncheon sets, aprons, pillow cases, dresses, blouses and skirts were entered in the other divisions. Girls entering exhibits were Sue Stephens, Lenora Stone, Juanelle Barrington, Hazel Thomas, Lois Ritchie, Virginia Caylor, Nit. Ray McClellan, Bobby Joyce Henderson, Dorothy Jones, Delores Runkels and Martha Wyatt. Miss Bessie Pitts is sponsor.

Raymond Gary Will Complete Training

Raymond Lee Gary, seaman recruit, USN, son of Mr. and Mrs. J. A. Gary of Box 184, Post, will complete recruit training Oct. 12, at the U. S. Naval Training Center, San Diego, Calif.

Gary who entered the Naval service July 21, 1950, formerly attended Post school.

Experts say eggs will keep longer when held at a temperature of 40 to 60 degrees in a room where the moisture content is fairly high.

An announcement by Henry J. Kaiser

Today, at your Kaiser-Frazer dealer, you will see what we believe to be the most important car that America has produced since the automobile became a necessity of daily living. It fills the needs, the wants, the purchasing power of all America as no other car has done in the last ten years. It is rugged. It has outstanding maneuverability, handles and parks easily, and is powered with our new Supersonic Engines which deliver up to 30 to 35 miles to the gallon. The Henry J is the lowest-priced car in the low-price field. It has the full, generous proportions to which Americans are accustomed. We have given it the best combination of performance, comfort, styling, and economy of operation. It is the car that you and every American family can afford to buy, to operate, to maintain . . . and be proud to own.

The most important new car in America!

Here today . . . The

Henry J

Available in two models: Henry J (as illustrated above), Henry J Deluxe (six-cylinder at additional cost).

Important because . . . it's Smart! Smart to look at . . . smart to own! Notice the extra-wide doors . . . front seat 58 inches wide . . . head room and leg room galathea! And—look! The back of the rear seat folds forward, giving you 51 cubic feet of storage space, almost double that of the largest sedan trunk compartment!

Important because . . . it's Tough! Husky, Double-Channel Frame, reinforced like a steel bridge! The rear axle Hypoid geared, as in most expensive cars. Extra-wide windshield and windows give you the largest vision area in any low-priced car . . . short turning radius permits the easiest parking.

Important because . . . it's Thrifty! You get 30 to 35 miles per gallon from the quiet, responsive Supersonic Engines. Henry J—4 cylinders, Henry J Deluxe—6 cylinders.

Lower first cost . . . lower maintenance . . . lower repair bills . . . lower insurance . . . lower operating cost. Your savings, in just two years, can more than total the down payment on the Henry J.

Build to Better the Best on the Road!

Costs less to buy . . . less to drive . . . less to maintain

Women's Civic Clubs, HD and 4-H Units, Boy and Girl Scouts Asked To Make Flags

Mrs. Jewell Strasner, county home demonstration agent, is asking all women's and girls' civic and service clubs to get in touch with her to work out details for making United Nations flags.

United Nations Day will be celebrated Oct. 24. Home demonstration and 4-H club members are in charge of making a number of the flags in cooperation with public schools, the Parent-Teachers organization, the Veterans of Foreign Wars and their auxiliary, the chamber of commerce, boy scouts, girl scouts, the Women's Culture club and the Amity Study club.

Officials and leaders of each are urged to get in touch with Mrs. Strasner who will have kits for making the flags next week. Any church or women's group interested can help with the flag making or have a program on UN Day, Mrs. Strasner said.

"The United Nations flag is on a sky blue field," Mrs. Strasner points out, "with a white globe in the center surrounded by a wreath of peace. If a regular flagpole is not available the flag should be draped in an auditorium."

Home demonstration and 4-H clubs meeting the week of the 24th will have a program on the United Nations. An explanation of the UN and its purposes will be given. Poems on peace or a related subject will be read. The group will sing "America the Beautiful," then the flag will be raised. After they sing "America," the benediction will be given.

"We hope to secure a better and more unified understanding by local groups and individuals of the United Nations as an in-

strument through which free people may jointly express their desire and determination to remain free," Mrs. Strasner said.

Another purpose of the program, she said, is to help people know the United Nations flag. It will also enable those who cooperate to express in a tangible way their desire to contribute to the United Nations and our own country's efforts for world peace, she said.

The program is being sponsored by the National Citizen's committee for United Nations Day. Home demonstration agents throughout Texas are taking the lead in planning for the making and flying of the flag.

The kits Mrs. Strasner has ordered include two hot-iron transfer patterns of the complete design, would design printed on cloth ready to sew on the flag, directions for making, and UN regulations on displaying the flag.

In case there are not enough kits ordered to go around, Mrs. Strasner stresses that the UN is more concerned with having individuals actually make the flag than in having the exact color matched. Therefore, suitable material will be bought locally.

Two local citizens will also be named by the city commission to work with Mrs. Strasner and the different groups in planning the program and making the flag.

Mrs. Franklin D. Roosevelt is chairman of the national committee sponsoring the making and flying of the flag on Oct. 24. Patterns in the kits are designed for a 3x5-foot flag.

"It is important for those interested to get in touch with me

Redman Rites

(Continued from Front Page.)
A member of the Church of Christ since early boyhood, he was a retired farmer and stock raiser.

On April 3, 1917, he was married to Miss Ethel Floyd in a ceremony here. To this union were born nine children, three of whom preceded him in death, Curtis Clyde, Wanda and Travis Neal.

He was also preceded in death by his parents, Mr. and Mrs. F. R. Redman.

Survivors include the widow; a son, Jimmie Dale; five daughters, Mrs. C. E. Alexander and Mrs. Dan Berry of Lovington, N. M., Mrs. Hubert Cook of Levelland, Mrs. Bob Baker and Miss Jennie Lou Redman and four brothers, Raymond, Glen of Pampa, Oren of Amarillo and Wayne of Houston.

Pallbearers were Nelson Crisp, J. F. (Boots) Storie, B. F. Evans, E. O. Young, and Gene Wilson, Carl Mullins, Kenneth Bozema, and Richard McCrummen of Lubbock.

Flower girls were Mrs. B. A. Evans, Mrs. S. C. Storie, sr., Mrs. J. F. Storie, Mrs. Nelson Crisp, Mrs. Henry Wheatley, Mrs. Bernice Jones, Mrs. Floyd Richardson and Mrs. Irene Strickland of Lubbock.

Lee Ward - - -

(Continued From Front Page)
seed such as cotton seed oil, stock feed, soap, linoleum, oleomargarine, film, plastics, paints, mattresses, salad dressing and phonograph records are shown.

The exhibit occupies the north-center portion of the agriculture building, Samson, president of the local chamber of commerce and agricultural superintendent of the South Plains fair, directed the making of the exhibit.

The cotton was supplied by the Postex Cotton Mill and the loom by the Texas Tech textile engineering department. This project has drawn more comment and interest than any at the fair, according to reports.

Saturday guests in the Jim Hundley home were Mr. and Mrs. R. B. Young and son, Mike, of Denver, Colo., Mr. and Mrs. Kendall Young of Ralls, Mrs. F. L. Maupin of Brownfield, Mr. and Mrs. Clyde Hundley of Crosbyton, Mr. and Mrs. Wayne Hundley, Mr. and Mrs. Jimmy Hundley and R. J. Hundley.

at once," Mrs. Strasner said, "as the time is short, I feel sure boy and girl scouts will be especially interested.

CHURCH NEWS

By GANELL BABB

The "Homebuilders" class of the Church of the Nazarene, taught by Mrs. M. J. Malouf, is making a special attendance drive to assist in the "Fall Kick-Off Rally" this Sunday. Mrs. Malouf has announced her attendance goal as 50. In anticipation of that number she has requested that extra chairs be placed in her room. This is the only class in the church that has announced a specific goal.

There will be a Methodist Men's meeting at the church at 7:30 o'clock Monday evening.

Floyd Rector, a layman of the First Christian church in Lubbock, spoke to the local First Christian congregation Sunday. Mr. Rector was accompanied by his wife.

The Future Homemakers club of Post high school will sit in a body at the Sunday morning service at the First Baptist church.

Two new registers of attendance and offering were installed this week at the Church of the Nazarene. The matching boards have been placed on either side of the platform. Attendance and offering will be posted for the Sunday School on one board and both attendance and offering for Sunday morning and evening worship services will be posted on the other.

Methodists will observe "World Wide Communion Sunday" a week late. They will have a communion service Sunday. This part of worship was postponed Sunday because of local conflicting church activities.

The Junior G. A.'s of the First Baptist church have been divided into two groups, the 9-and-10-year olds of which Mrs. Irvin Scarbrough is counsellor, and the 11-and-12-year old group sponsored by Mrs. C. K. Pierce. Sever of Mrs. Pierce's group met Monday at the church for a lesson on Communism taken from the study book.

Record crowds attended the Sunday morning and evening services at the Church of Christ. That was the last day of the revival meeting, which was held by A. C. McIlroy.

Eight members of the Calvary Baptist WMU met Monday evening for a Royal Service program and business meeting. New officers are: Mrs. Maysel Williams, president; Mrs. Eunice Porter, vice president; Mrs. G. W. Norris, secretary-treasurer; Mrs. O. L. Jones program chairman; Mrs. Paul Duren, benevolence chairman; Mrs. Lola Hays, home mission chairman; Mrs. Gilbert Blodgett, young people's secretary and Mrs. June Kiker, study chairman.

The First Christian Women's council met Tuesday at the church and the group voted to change the name of the organization to First Christian Church Women's Fellowship. Two guests, Mrs. Floy Rector, president of the Christian Women's Fellowship in Lubbock and Mrs. Bill Roberts, also of Lubbock, were present. Mrs. Rector discussed the duties of officers, the budget and the standard of excellence. The local budget committee is composed of Mrs. B. C. Manis, Mrs. V. M. Kirkpatrick, Mrs. Lee Davis and Mrs. Gail George. Seventeen women attended the meeting.

The young people of the Church of the Nazarene met last Tuesday evening in the home of Margaret Bingham for a social and business meeting. The group voted to ask the Rev. Jack Hamilton of Kansas to be the speaker at Youth Week services to be held in the church here in January.

A large crowd attended the kick-off dinner Monday evening at the Methodist church preceding the solicitation of funds for the \$16,000 church improvement and budget drive. The pastor, the Rev. A. B. Cockrell said "A fine response was given in pledges and individuals are buying the pews rapidly." The solicitors will meet tonight at the church for a report and again Monday evening when T. P. Greenfield and the Rev. J. E. Stephens head the program for the Methodist Men's meeting.

Ray N. Smith spoke on "Duties of Sunday School Teachers" at a meeting of teachers and officers of the Calvary Baptist church Tuesday evening. A buffet supper was enjoyed by the group. Smith is superintendent of the First Baptist Sunday school.

There have been some changes made in the time of meeting for services at the local Church of Christ. Services for the week are as follows: Sunday School, 10 a. m., Sunday morning wor-

Son of Former Postite Is Shot, Killed in Hereford

Funeral services were held at 1 o'clock yesterday afternoon for Troy Wheeler, 34, in Ralls. His brother, Geron, 32, of Hereford was charged with his murder and free on bail.

The two are the sons of Mrs. Myrtle Willingham whose husband, R. C. Willingham, was killed in a car wreck on the Ralls highway here May 17.

The survivor of the fatal death march died 20 minutes after the shooting. A charge from a 12-gauge shotgun struck him in the stomach. Details surrounding the shooting were vague, but it was reported that Tony Wheeler had torn off the screen door and was endeavoring to break in the house where his brother was when the shooting occurred.

LOCAL MARKETS

Grain prices dropped to 1.45 the hundred pounds this week to reflect the only change in the local produce market.

Quotations given a Dispatch reporter yesterday included:

| | |
|--------------------|-----------|
| No. 1 kaffir, cwt. | \$1.45 |
| No. 1 milo, cwt. | 1.45 |
| Eggs, dozen | .40 |
| Cream, lb. | .55 |
| Light hens, lb. | .15 |
| Heavy hens, lb. | \$.17-.18 |
| Cocks, lb. | .08 |

Legion Names Lewis Price Head

Lewis Price was elected commander of the local American Legion post when the group met recently in the Legion hall here.

Ralph Cockrell was named vice commander; L. N. Roberts, adjutant; Dean Robinson, chaplain; John Nichols, historian; O. L. Weakley, service officer; Cecil Ramsey child welfare officer; Floyd Stanley, sergeant-at-arms; Dick Allen, mess sergeant.

The annual membership drive will open Nov. 11 at the traditional Armistice day celebration.

ship, 10:55 o'clock and Sunday evening services, 7:30 o'clock. Ladies Bible Class, 9 a. m., Tuesday and Wednesday evening service 7:30 p. m.

The exterior of the First Christian church underwent a paint job last week. Workers are busy this week redecorating the inside of the church on North Broadway.

Eight members attended a meeting of the "Susan Fitkin" chapter of the WFMS of the Nazarene church at the church Monday evening. "What It Takes To Make A Christian" was discussed by members and Bible references were from Mathew and Romans. The organization will meet October 15 at the church for a lesson from the Study book, "Jerusalem and Beyond."

The Calvary Baptist GA's met Tuesday with 21 present for a mission program and party. Refreshments of cake and punch were served before the girls enjoyed a ballgame.

Mrs. H. A. Johnson, Mrs. Eula Mae Willingham, Mrs. J. K. Davidson and Mrs. J. C. Holman were received into the Nazarene church last Sunday.

The Rev. and Mrs. O. L. Jones and Mrs. G. W. Norris and children attended an all day WMU meeting in Woodrow Tuesday.

Several new Sunday school classes have been organized at the church of the Nazarene recently. Mrs. Fletcher Keeton, who is the new cradle roll supervisor, has been appointed teacher of a nursery class. Mrs. Lester Keeton is the teacher of a new class of Primary girls. Earl Rogers has been appointed teacher of a class of primary boys.

King Bingham has been named Sunday school treasurer at the Church of the Nazarene. Prior to his appointment the Sunday School and church offering were kept in one fund, now they will be in separate accounts.

October 10 and 11 will be big days at McMurtry college campus in Abilene. Six Methodist bishops are expected to participate in the dedication services of more than four million dollars worth of buildings and endowment. Also on the program are a band concert, a trustees' meeting, a fine arts program in the new Radford building, a reception honoring Mrs. J. M. Radford of Abilene who gave the \$600,000 building, conducted tours of the campus, a luncheon for ex-student officers and a barbecue for everybody. The open invitation is not only extended to Methodists but to anyone who cares to attend the dedication ceremonies.

LOOK WHO'S NEW!

Mr. and Mrs. Simeon Kemp are announcing the arrival of a daughter, Sarah Katie, born Sept. 28 in the Tahoka clinic. The baby weighed seven pounds.

Sergeant and Mrs. Henry King of Fort Ill, Okla., formerly of Southland, are parents of a daughter born Sept. 25. She was named Beverly Ann.

Mr. and Mrs. Tom Fortune, who have been visiting their son-in-law and daughter, Mr. and Mrs. Thomas Craig in Amarillo and relatives in Pampa the past two weeks returned home Sunday. The Craig family accompanied them home.

Mr. and Mrs. A. H. Nelson spent the weekend in Tahoka with their son and daughter-in-law, Mr. and Mrs. H. D. Nelson.

The hoatzin, a pheasant-like animal at bay with the bird of South America, holds a lionable odor.

The Rev. Paul Lawson and Sister Are Conducting Church of God Revival

The Rev. Paul E. Lawson of Oklahoma is conducting a revival at the Church of God on Third Street, assisted by his sister, Ora Mae Campbell of Tennessee.

Lawson has traveled extensively in evangelistic work. He formerly was a musician with a hillbilly band. The evangelist plays various instruments and will be singing some of his own special selections during the revival. He plans showing pictures depicting the Bowery in New York and other places of interest.

Miss Campbell is a member of the Happy Harvester Prison Evangelistic group and has conducted services in prisons from Washington to Florida. She has visited death row in various state institutions. Miss Campbell is also editor of the Happy Harvester national prison publication. In addition, she edits the Junior Quarterly and the Young People's Quarterly for the Church of God. Miss Campbell will relate some of her prison experiences during the revival.

The Rev. L. E. Silvers, overseer of the Churches of God in West Texas and his wife, Carlie, now acting pastors of the local church, will be assisting in the revival which is open to the public.

Pfc. Louie D. Whitaker Is Home On Leave

Pfc. Louie D. Whitaker, son of Mr. and Mrs. L. B. Whitaker of Post, arrived in Post Monday night where he is spending the first lap of a 10-day leave from Ford Ord, Calif., where he has been stationed since his enlistment last April 11.

Louie reports that he received his promotion to private first class on Sept. 10 and is proud of the one stripe on his sleeve. After his basic training was completed in July he spent several weeks in "clerk's typist" school and is now connected with the permanent headquarters, 12th Infantry Regiment, Ford Ord, Calif.

Mrs. E. E. Smith Is Head for District

Mrs. Victor Beck of San Antonio is state chairman of volunteer workers for Gonzales Warm Springs Foundation.

Mrs. E. E. Smith of Lorenzo heads volunteer activities in this area. They have joined with hundreds of other Texans in providing that "Texas takes care of its own" handicapped children.

THE REV. PAUL LAWSON

Garnolia Notes

Please Send News Not Later Than Monday to **MRS. BERT CASH** Garnolia Correspondent

Eleven students of the Garnolia school have organized a stamp collectors club. Shirley Watson is president of the new organization.
