BOY SELLING MOST TICKETS TO BE HONORED—

Nationally Known Magician Is Engaged for Cub Pack Show Nov. 4

In Cub Pack work, the month of November has been designated as the Month of Magic. Post Cub Scout Pack 16, making the most of the possibilities, has engaged a nationally known magician to stage a benefit show in the Post High school auditorium the night of November 4 and will use the proceeds to further Cub Pack activities here. Gaddis the magician, who has

demonstrated his magic for both the national and state conventions of professional magicians during the past year, will provide entertainment and thrills for people of all ages. He will be assisted by the Post Cub who sells the most tickets to the show and, as a further reward, he will teach some magic to the boy. Tickets at 50 cents for each student and 80 cents for each

adult may be bought from any of the following Cubs: Charles Ray Kilpatrick, J. D. Butler, Wylie Hodges, Elvis Curb, Harlan Joe Pennington, Jack Redman, Gerald Bradley, Homer Cato, Ronald Ticer and Gerald Outlaw, all of Den III. Jack Lott, Donald Moore, Milton Welch, Marty Reynolds, Gene Claborn, Benny Wilson, Kenneth Wilson, Leonard Short, Richard

Roderick and Bill Roderick, all of Den I. Jerry Martin, Tommy Malouf, Gene Young, James Gibson, John Boren, James Boren, Bobby Dunlap and Bobby Norton, all of Den II. Jess Wright is the Cubmaster and John Lott is the assistant Cubmaster. Den mothers are Mrs. John Lott, Den I; Mrs. B. E. Young, Den II, and Mrs. Ray-

mond Redman, Den III. Committee members are Lowell Short and Dr. B. E. Young. The Cub Pack is sponsored by the Post Chamber of Commerce. Further details regarding Gaddis and his repertoire will be announced in next week's issue of the Post Dispatch. A capacity crowd is expected, as this is the first big-time magic show ever booked for Post.

Public Advice Is Wanted By 'Two Draw Committee'

Everybody, whether resident of Post, breaks or Plains, is urged by "the committee of enthusiasts to 're-do' Two Draw" is urged to visit the scene of the old lake, make up his mind as to what he would like to have done about its reconstruction, then attend a public meeting at 8 o'clock next Tuesday night and express his views. Jim Hundley, president of the group, said yesterday that results of the preliminary survey by D. F. Eaton and George Samson will be explained in detail and figures regarding probable cost of the project will be discussed. Since publicity was given to the project last week, people from all over West Texas have expressed a hope and desire for its fulfillment and a willingness to

give financial support. Although the preliminary survey was incomplete by press time, here are a few known facts: The old dam can be repaired, but the dirt will have to come from the sides of the lake, as there is too much muck in the bottom. Repaired at the same height, the dam can hold 13 feet of water in the main basin and about 11 feet in the front where the old bathhouse used to stand. It will be possible to raise the old dam and spillway three feet to hold 16 feet of water in the main basin. There is a spot below the old dam where, Eaton and Samson believe, for approximately the same cost a new dam can be built to give a greater area of

water, deeper water, and a better lake in general. Water from this dam would back up into the old lake. Many of the trees around the old lake are dead. Additional facts and many figures will be presented at the Tuesday night discussion, Hundley said. No attempt will be made to sell stock at the meeting as nothing has been done as yet to lease the property. "Tuesday night's meeting is a necessary preliminary. At this meeting we will decide whether or not we want to ask for a lease," Hundley said. "If we decide to seek a lease on the property and then get the lease," he explained, "there is still much to be accomplished before we reach the stock selling stage."

New Bus Line Through Post To Be Talked

One or more representatives of Post Chamber of Commerce planned to join chamber of commerce men and others interested from other towns on a West Texas Transportation Company bus, which was to arrive here this afternoon, and go to Lubbock for a meeting tonight with Lubbock Chamber of Commerce officials and others in regard to the possibility of a new bus line through Post to Lubbock via Wilson.

Details of the project will be decided upon at the meeting, as a preliminary to a hearing before the Texas Railroad Commission on the subject, Johnny Aaron, owner of the transportation company, told Sherrill Boyd, chamber of commerce secretary, this week. The company now operates a line from Eastland through Post to Tahoka and Brownfield. This line makes connection with both Waco and San Antonio. The proposed new line from Lubbock through Post would connect with the line now in operation and would shorten the trip to Lubbock to the downstate cities and eliminate bus changes and layovers that now are necessary, Aaron said.

Lions To Have Zone Banquet

A zone meeting, beginning at 7 o'clock, and a Ladies' Night banquet, beginning at 8 o'clock, will be held at the City Hall Tuesday night by the Lions Club. The banquet speaker will be the zone chairman, Capt. Frank Larson of the Salvation Army in Lubbock. Reservations should be made by Monday, Ralph Welch local president, said this morning. The president, secretary and Taillviester from the Tahoka, Slaton and Lubbock Lions Clubs and their wives are expected to attend. Halloween effects will be featured in decorations.

Petty Is Injured
J. T. Petty was treated at the Post Clinic Monday for an accidental injury to his leg. Although his condition is not serious, he will be unable to work for another week or two.

BOYS RANCH FUND IS GROWING BUT SPONSOR ORGANIZATION NEEDED

Several contributions to the Boys Ranch Fund, including \$10 from the Novelty Luncheon Club, have been received by the Post Chamber of Commerce. Clubs and individuals wishing to help pay tuition for local youth at the ranch are invited to mail contributions to P.O. box 944, the chamber of commerce box. Most contributors are sending checks for \$6, representing 50 cents a month for a year. The money is being deposited in a Boys Ranch account at the local bank. Sponsorship of the Boys Ranch Fund will be turned over to any club or church group offering to take over the responsibility. In memory of the late Dr. E. A. Hopkins of Floydada, father of Mrs. John T. Herd, Mrs. H. B. Herd of Fort Worth recently made a cash donation to the Boys Ranch.

TWO NEGROES HELD FOR STABBING JIMMY SMITH

Two negroes, Tommy Anderson and George Ande, on, have been arrested on charges of stabbing another negro, Jimmy Smith, in the head last Sunday morning and are being held in the county jail until they make bond of \$1,000 each, Sheriff Nathan Mears said yesterday. Their cases will come before the Grand Jury on December 3. Smith is reported to be in critical condition. The stabbing took place in the "flats."

Attends Funeral

E. E. Pierce, grade school principal, left Monday for San Saba where Tuesday he attended funeral services for his sister, Mrs. G. W. Till, who was a resident of McFarland, Calif., at the time of her death. He returned Tuesday night.

Rummage Sale Saturday

Anyone having donations for the Rummage Sale which the Auxiliary to the Veterans of Foreign Wars will sponsor Saturday is asked to telephone 296W or 274J. The sale will be held near the Short Hardware Store. Proceeds will help needy veterans and their families in Post.

Rotarians Are Behind Project To 'Re-Do' Lake

The Post Rotary Club has already decided what it wants to do about re-doing Two Draw Lake. The following resolution was passed at Tuesday's meeting: "Whereas, the recreation facilities of the City of Post are very unsatisfactory and are not adequate for the citizenship of this community, we, the Rotary Club of Post, Texas, pledge our support to the betterment of the recreational facilities of the community. In view of the fact that The Rotary Club of Post, Texas, deems the rebuilding of Two Draw Lake a worthy cause to the people of this community and this section of West Texas, we pledge our wholehearted support and efforts to the completion of this project.

BEN WILLIAMS ATTENDS FUNERAL FOR BROTHER

Ben Williams was called to Mullin last weekend to attend funeral services for his oldest brother, B. A. Williams, who died at his home there Saturday. The funeral was held Sunday. Only six weeks ago, Mr. Williams' youngest brother, L. F. Williams, died at Mullin.

NEW ARRIVALS—

A daughter, weighting 9 lb., 9 oz., was born to Mr. and Mrs. Milton Bayer of Lubbock on October 16 in the Lubbock Memorial Hospital. Mrs. Bayer is the former Jimmie Teaff of Close City. A son, Wesley Gene, was born to Mr. and Mrs. Harlan Morris at 6:10 p. m., October 15. He weighed nine pounds. The baby is the 28th grandchild for Mr. and Mrs. W. C. W. Morris. A daughter, Charlotte Elaine, was born to Mr. and Mrs. Loring Burdick at the West Texas Hospital in Lubbock on October 17. She weighed 7 lb., 5 oz. Mrs. Burdick is the former Mamie Shepherd. A daughter, weighting 8 lb., was born to Mr. and Mrs. Jack Hickerson the night of Oct. 16. A son was born Saturday night to Mr. and Mrs. Clyde Wheeler.

Football Fever Reaches Height Here This Week

After the regular Antelope Booster Club meeting, at 7:20 o'clock tonight in the grade school auditorium, a bonfire and pep rally will be held at the high school. Both affairs are open to the public, Marshall Gibson, club president, said yesterday. A football movie will be shown at the grade school. The biggest football crowd of the season is expected to go to Tahoka tomorrow night to see the decisive game between the Antelopes and the Tahoka Bulldogs. Chartered buses, sponsored by the Booster Club, will leave from the local bus station at 6:45 p. m.

March Of Dimes Drive Planned

County Judge J. Lee Bowen, Garza County March of Dimes Campaign Manager, is attending a pre-campaign meeting of directors of this area at the Hilton Hotel in Lubbock today, discussing plans for the 1948 campaign, which is scheduled for January 15-30. In managing the local campaign, Judge Bowen will be assisted by Ted Hibbs, Post chairman; C. S. Lindsey, Southland chairman; Mrs. Pearl Nance, Justiceburg chairman, and Walter Crider, chairman of the Garza County Chapter of the Infantile Paralysis Foundation.

E. P. WICKER, JR., IS LUBBOCK JAYCEE GUEST

E. P. Wicker, Jr., Southland 4-H Club boy who recently won one of the Lubbock Junior Chamber of Commerce's two \$100 scholarships to Texas Technological College for his outstanding grain exhibits at the Panhandle-South Plains-Fair, made an excellent speech regarding the history of his 4-H club work at a meeting of the Lubbock organization Monday. He was accompanied to the meeting by Garza County Agricultural Agent D. F. Eaton.

Mrs. Davis Resigns

Mrs. Sol Davis, teacher of departmental work in the Post Grade School, resigned this week. Her successor had not been named by press time.

FUNDS HELP WOUNDED VETERANS—

In observance of an annual national custom of the American Legion and auxiliary, the local auxiliary will see Flanders Poppies in Post on Saturday, November 8. The poppies to be sold here were made by disabled veterans at the Legion Hospital, near Kerrville, and all funds from their sale will be spent in Texas for the welfare and rehabilitation of wounded veterans and their families. Headquarters for the local sale each year, near Armistice Day, is the Justice Shop. Team work will

Two Guests To Appear Tonight At Church Here

At a special service at the Church of the Nazarene tonight, beginning at 7:30 o'clock, the Rev. W. B. Walker, superintendent of the Abilene Nazarene District, will speak and the Rev. Joe Bean, son-in-law of the Rev. Mr. Walker, will sing. Both are well known in the Nazarene Church for their respective vocal talents. The public is invited to attend, the Rev. Joe Norton, pastor, said yesterday.

CLASS PLAY AND BAKE SALE TO BE SPONSORED

The Post High School Senior Class will sponsor a one-act play at 7:30 o'clock next Tuesday night in the school auditorium. The program will include special music and an auction sale. The admission prices will be 25 and 15 cents. The class also will sponsor a bake sale in downtown Post Saturday. Those wishing to place special orders are asked to telephone Joyce Evans, 280-J.

N. C. OUTLAW REOPENS LAW OFFICE THIS WEEK

N. C. Outlaw, who was a lawyer in Post for about six years until 11 years ago, has resumed the practice of law in Suite 204 of the Outlaw Building here. He formerly was associated with the Outlaw Motor Company which sold its Ford Agency to Tom Power a few months ago. Outlaw has remodeled his office suite, which was opened this week for business.

WATER COMPANY'S SAFE FOUND ON DUMP GROUNDS

The safe stolen about two weeks ago from the local Community Public Service Company building was found Sunday afternoon abandoned in the city dump grounds. The knob had been knocked off and all the cash, amounting to \$75, had been stolen. All of the checks, totaling about \$275, were still in the safe. A. R. Carr, manager, said this week. Although the safe can be repaired, the company has bought a new, larger one to take its place, Carr said.

ACA TO BE OPEN ON SATURDAY FOR LOANS TO COTTON FARMERS

Mike C. Custer, secretary of the Garza County ACA, has announced that the Garza County ACA Office will be open on Saturdays from 9 a. m. until 12 o'clock noon and from 1 p. m. until 4 p. m. for the benefit of farm operators who wish to apply for cotton loans.

Carnival To Be Scene Of Coronations

The biggest run for pennies in the history of Post is being staged throughout the city as school children, from every grade through high school, seek to get their own candidate crowned queen at the annual school carnival which the Post High-Elementary Parent-Teacher Association will sponsor on the football field the night of October 31. The candidates and their escorts have been announced as follows: Grade 1-1, Mary Louise McCrary and Tommy Martin; 1-2, Maudie Sue Hughes and Donald Vardiman; 1-3, Mary Valdez and Ray Crispin. Grade 2-1, Marilyn Steel and Billy Palmer; 2-2, Sharon Brooks and Donald Moore; 3-1, Leslie Anita Nichols and Ronnie Blacklock; 3-2, Sarah Cockrell and Howard Jones. Grade 4-1, Carolyn Hudman and Travis Altman; 4-2, Beth Hamilton and Jack Redman; 5-1, Naomi Nichols and Thomas Bird; 5-2, Rogene Wall and Jack Lott. Grade 6-1, Willie Ann Mathis and Donald Moore; 6-6, Jeanette Storie and James Dye; 7-1, Rheta Sue Randolph and Charlie Bird; 7-2, Maxine Bayles and Jack Ainsworth. Eighth grade, Barbara Norris; ninth, Helen Nita Carr; 10th, Peggy Wilson; 11th, Theona Beauchamp, and 12th, Twila Welch. Escorts for the high school candidates will be announced next week, Mrs. Bill J. Davis, P. T. A. reporter said yesterday. Two queens, one for high school and one for grade school, will be crowned at the carnival. Dale Gordon has been named crown bearer for the high school and James Warren is grade school crown bearer. Bennie Joe Clay and Martha Carley are train-bearers for the high school queen, and Victor Hudman, Jr., and Flora Ann Haygood have been named trainbearers for the grade school queen. Flower girls will be Charlotte Martin, Mary Jo Smith, Maritta Jane Pennell, Barbara Norton, Sue Stanley, Ellen Anita Henderson, Jerry Sue Phemister, Jo Ann Spurgeon, Kay Jones, Kay Martin, May Davis, Louise McHorse, Lois Josey, Virginia Martin, Ruth (Continued On Back Page, Col. 4)

Southland To Have Carnival On October 31

Highlight of the Halloween carnival which the Southland school is sponsoring the night of October 31 will be crowning of the Football Queen. Each grade, from the first through high school, is sponsoring a candidate. The carnival program will include a variety of concessions, stunts and booths, an auction sale and various games. Proceeds will be divided by the school and individual classes. The seniors use their portion to finance an annual spring trip; the juniors finance a junior-senior banquet, and other classes have other uses for their share of the money. Mrs. C. S. Lindsey, teacher, said yesterday.

Sam's a Matrimony Expert

Sam's matrimony expert, but he hit the head the other day said: "marriage really needs its brains and a lot fewer this." "I do not think much of his advice of hats or her habit of watercress and cream salad. But he keeps his (I mean, he just uses it in salad). And the missus prizes Sam's affection for a hot chair before the fire,

and his mellow glass of beer and pipe at the end of a long day. From where I sit, that prescription would apply to most human relationships. Criticism rarely rouses anything but resentment. But an open mind—whether it's applied to a woman's choice of hats, or a husband's preference for a pipe and a moderate glass of beer or two—leads to the conclusion that there's right on both sides.

Barry Ford of Slaton, son of Mr. and Mrs. H. M. Ford, went to work as a postman in Slaton last week. He previously had been employed there by the Hestand Wholesale Grocery Company.

By way of keeping up with what week this is: National Bible Week got underway October 20. National Girl Scout Week and Better Parenthood Week begin October 26.

Thomas and Weldon, sons of Mr. and Mrs. Charlie Voss, and their families recently spent a day here. Weldon and his wife and daughters, Martha, Marilyn and Mary Elaine live at Lamesa. Thomas, who is a county agricultural agent, and his wife and sons, Dickie and Bobbie, recently moved to New Boston, near Texarkana.

Mr. and Mrs. Edd Dye, who took their six-year-old daughter, Delores, to a hospital in Dallas early last week, learned that a special treatment might prevent surgery for Delores. The family returned last Thursday and started Delores' treatment, which consists of 14 doses of expensive medicine a day. They will return to Dallas next month to learn whether or not the treatment can cure her blood ailment. Delores, who has suffered from a rare malady since she was 18 months old, underwent surgery when she was two years of age and her condition was improved for several years.

Mrs. P. F. Brown, the former Allene Ford, arrived here on Wednesday of last week and visited her parents, Mr. and Mrs. H. M. Ford until Saturday. She had flown from Santa Barbara, Calif., to Midland earlier in the week. Leaving here, she returned to her former home in Midland and took a plane back to California. Mrs. Brown, whose husband is an official of the Honolulu Oil Company, has been making her home in Santa Barbara for more than a year, since Mr. Brown was seriously injured in a fall at Midland. He has recovered, except for a visual defect which is steadily improving, Mrs. Brown said. Another recent guest in the Ford home was Mrs. Ford's mother, Mrs. F. A. Young of Ellsville, who left Tuesday after a 10-day stay.

**HUNDLEYS DRAIN PLANE
TO GIVE GASOLINE TO
PIPELINE CONTRACTOR**

As activities increase in Garza County's substantially developing oil field, more and more airplanes are landing at the airport here and frequently are inconvenienced because there is no service of any kind and, particularly, no aviation gasoline to be bought, according to Jim and Jimmy Hundley who, as operators of a charter plane service, are in a position to hear of many of the difficulties.

Last Thursday afternoon W. R. Coulson, who was here on business for the Midwestern Constructors, Inc., flew from Tulsa in an Oklahoma Airways plane piloted by C. C. Bledsoe. Because of bad weather en route they used all their gasoline in reaching Post.

The Hundleys, who have to buy their own gasoline in Lubbock or other cities, drained their own airplane tank to give the visitors enough gasoline to get to a fill-up station in another town. While doing so, they learned that Coulson was here for consultation in regard to the possibility of building a pipeline through Garza County.

NEWS NOTES FROM . . .
Duck Creek Soil
CONSERVATION DISTRICT
. . . OFFICE AT POST

O. S. Ranch Planned

Giles McCrary this week with assistance of Merle Britton, range conservationist assigned to the Duck Creek Soil Conservation district, developed a range conservation plan on the O S Ranch. The plan includes deferred rotation grazing where the different pastures will be rested on a growing season basis to allow the grasses to make use of spring rains to increase their vigor. Fall deferment will be practiced on shinnery oat pastures where little blue-stem is the predominate grass. Little bluestem is making seed now. A seed crop will thicken the stand of this grass in the pasture.

For Winter Use

Low lying tabosa flats will be used in the late winter and early spring to get the most good from grasses that grow abundant in this area. Besides tabosa grass, other grass such as buffalo, salt grass or alkali sacaton, side oats, blue grama and winter annual grasses and weeds occupy these areas.

McCrary plans to use grasses as a crop. The growth that belongs to the plant to maintain itself will be left on the land. The rest he will harvest with his cattle.

Wants Feed Supply

The OS Ranch plans to build up a years reserve supply of feed. When drouths come, rather than grubbing the grass or selling off part of their cattle, they can draw on their reserve feed supply. Leo Mashborn is ranch foreman.

Rotational Grazing

Simply giving grass plants an opportunity to take care of themselves is a soil conservation practice many ranchers are using to improve their pasture condition.

Grazing the pastures which are in the best condition and allowing the poorer ones to rest increase grass plant vigor, and allows the plants to seed. In deferred rotational grazing, no forage is wasted since all of the pasture is used at some season or another.

Soil technicians assisting the Duck Creek Soil Conservation district give technical assistance in helping ranchers start a system of deferred rotational management on their pasture.

Supervisors Elected

John Lewis and Oscar McGinty this week were elected to the board of Supervisors of the Duck Creek Soil Conservation District.

Lewis is from Jayton and will approve conservation work in the Third Zone of the district.

McGinty succeeds himself as supervisor from Spur in the Fourth Zone. His is secretary.

The other three supervisors of the district include R. R. Wooten, chairman from Zone Five which covers the northern part of Dickens County.

C. P. Witt, Calgary Zone Two, and Will Wright, Post Zone One covering the south and west part of Garza County.

Mr. and Mrs. Gene Giles have moved here from Monahans. He is employed in oil field work here.

Wade Pennell, son of Mr. and Mrs. Pete Pennell of the Pleasant Valley Community, is recuperating from a broken arm.

Post Antelopes To Meet Bulldogs With Determination And Revenge

In addition to making a decisive try toward the district championship, the Post Antelopes will also be seeking revenge for last year's 12-2 defeat when they meet the Tahoka Bulldogs in Tahoka tomorrow night.

They will be accompanied to this important match, according to all indications, by the biggest fan following since 1927-28 when the Antelopes were last on a hot and successful trail to the bi-district championship.

At least two chartered busses and a cavalcade of automobiles will take the Post crowd to the game to vie with a record Tahoka crowd for the limited seating capacity. The game is as important to Tahoka as it is to Post.

The Bulldogs' only defeat in five games so far this season was a non-conference 40-0 loss to the Littlefield Bobcats, strong contenders for championship in their own district.

In their two conference games so far, Tahoka beat Slaton 20-0 and Abernathy 50-0, as compared with Post's win of 26-0 over the Abernathy Antelopes. In two other games, both non-conference, the Bulldogs beat Morton 58-0 and Crosbyton 27-0.

Tahoka lost only two boys out-

of last year's strong string. The three top men in the Bulldog backfield are Joe Don Minor, 165-lb. left halfback, who is a brother of James Minor of Post; Van Brookshire, shifty 140-lb. right halfback, and Don Akins, 170, fullback.

The Bulldogs and Antelopes are reported to be about the same in weight average.

Coach Bing Bingham said yesterday that his boys are in good shape despite several illnesses that have kept some of the top-notchers out of practice. Junior Malouf was unable to practice Tuesday. Shorty Hester, who is recuperating from influenza, has been practicing but was not up to par by yesterday; Stanley Bengel has been out for two weeks now, and Charlie King was out Monday and Tuesday. Billy Odom received an ankle injury recently and it is doubtful that he will be able to play.

If the boys are in condition, Bingham will start the following men:

Smith at center, Johnson and Ingram, ends; McCullough and Steltzer, tackles; Stone and either Odom or Hays, guards; Hill, quarterback; Hester and Bengel, halfbacks and Malouf, fullback.

Cowhands Lasso Antelopes With Safety Break In Fourth Period

By HANS HUDMAN
 Booster Club Sports Writer

Capitalizing on a fourth period safety, the Lubbock Cowhands eked out a very unconvincing 8 to 7 win over an embattled squad of second string Antelopes here last Friday night in a non-conference tilt.

Coach Bingham's first string sat out the entire affair, for the benefit of a large group of Tahoka representatives who came, armed with notebooks and pencils, intent upon prying into the innermost secrets of the Antelope offensive.

Although they came out on the short end of the score, the Antelopes gave a good account of themselves. Ronnie Bouchier, wheelhorse of the outfit, played a heads-up game of football, ably assisted by such future grid luminaires as Kay Kirkpatrick, Charles King, Maurice Fluitt, R. E. Josey, et al.

The Cowhands opened the scoring in the first quarter when North went 26 yards for a touchdown on a triple reverse. An attempt to run the ball across for the extra point was smeared.

In the second quarter the Antelopes drove to the Cowhand's

10 yard line, where Maurice Fluitt took the leather on the old time honored end-around play and crossed the goal stripe standing up. A pass to Fluitt netted the extra point and the locals went ahead 7 to 0.

After an uneventful third quarter the Cowhands opened up in the fourth and powered down to the Post three, but a determined goal line stand stopped the drive and the Bingham men took over with their backs to the wall.

Spotting a loose defense in the Cowhand secondary, the Antelopes elected to gamble on a pass instead of the conventional kick, but the pass was smeared behind the goal line for a safety that cost the locals a ball game.

Said Coach Bingham, "the boys did all right. I'm pleased with them." "Bear in mind that the boys you saw out there Friday night will be the first string Antelopes of the future."

OES Observes Thirty-Fifth Birthday Here

A stated meeting of the Post Chapter of the Order of the Eastern Star was held Tuesday night with the worthy matron, Thelma Fry, and worthy patron, Truett Fry, presiding.
Correspondence was read by Lyda Everett, secretary. The chapter was draped in memory of a deceased grand officer. One member was added to the roll by transfer and one by reinstatement.

It was announced that nine local members are planning to attend Grand Chapter in San Antonio next week. The worthy matron will serve as delegate.
Imogene Burleson, past grand matron of Tahoka, spoke briefly. Two other visitors from the Tahoka chapter were present.
Commemorating the 35th anniversary of the local chapter, a short program was given. Loree Thaxton presented a resume in rhyme of the founding and early years of the order. The history of the Post Chapter was related by Mary Fumagalli. A candlelight drill around the birthday cake was performed by 16 members.
Coffee was served with the cake during the social hour to 42 persons.

ROGER W. BABSON WRITES THIS WEEK:

Business Men Advised To Plan Family Trust Funds

Eureka, Kansas—To those who are trouble about the financial outlook, I want to say that only as more families adopt careful Estate Planning will our nation reduce its "booms or busts." In other words, for every additional family providing for the future, the "booms" will be less dangerous and the "depressions" will be less severe. I feel very certain about this.

We give too much time to business and too little to our children. A busy executive gives almost no time to thinking of the future which is to be a very essential part to his later-life development. Also think of the farmer

or businessman who has been pouring all his profits back into the farm or business. He sells out and finds himself with a grand bank balance, but no income until he puts his money to work. He has to sit down and do some very serious thinking. His entire future depends on it.

Then there is the widow with responsibilities left on her shoulders for which she is not prepared. How best in a short time can she get basic knowledge of the essentials in management of her affairs? The answer is to read such books as her local banker will recommend or attend such a college as I and my friends have opened at the "Center of the U. S."

Doctors Need "Check Ups"
Then there is the medical man, whose prime interests are far re-

moved from the financial world. His success in his profession is largely due to his one-sided interest in it. But he runs into a problem. He must take a little pause, in order to conserve what he has accumulated and arrange his affairs to good advantage. A short course in Estate Planning is what he needs. These doctors are always "checking up" others but seldom take time to check up themselves physically or financially.

Business Men
If you are a beneficiary of a "trust," you may have all the confidence in the world in the men who are handling things, but it is my advice that you also get enough investment training so that you can intelligently watch them. Trust beneficiaries who often consult with their

Trustees get the best service. Trustees usually are very glad to discuss such matters if they feel you understand what you are discussing. Books and classes exist to help people get such training.

Advice To Lawyers
Lawyers are often made custodians of estates and get very well paid for such work. How much time are such busy men giving to the study of investments? Lawyers want their doctors and dentists to attend summer classes to keep up to date. Lawyers should be fair to their trusting clients and give the financial side of their training continuous post-graduate study.

Lawyers are so pleased with detailed work which they must do, that they seldom take time to present new thoughts to their clients. Busy lawyers are not

good salesmen of their own wares. They seem to hesitate to suggest to clients that they revise their wills, form trusts and plan their estates intelligently. Yet, these things are far more important for the clients families than the detailed legal work upon which their time is mostly spent.

Warning To Farmers
I have just visited the wheat country where farmers are reaping much wealth. They are getting more money than they ever dreamed of, but have no knowledge of what to do with it. As a result, this Central West is now infested with "get-rich-quick" promoters. They are trying to get away from the farmers their hard earned money, much of which the farmers will need to draw upon when low prices and poor crops come again—as they will.

My advice is that you get out of debt you spend one-third put in bonds of cash for the other one-third to start a cable Trust for your protection. Regarding radio talks about—your lawyer and banker. They should be visited every six months.

Minnesota and Iowa are out producing states, accounting for almost 50% of America's annual crop grain.
Forty thousand school United States operate to carry about \$500,000,000 to and from classes.

GETTING OUT
On The **LIMB**
By **EDDIE THE EDITOR**

The Little Mrs. and I were privileged one day last week to resume our annual prewar custom of having lunch with that lovable pair of West Texas showmen, the Harley Sadlers, and I took advantage of the occasion to feel him out about running for governor.

You know for some weeks now the rumor has been making the rounds that Harley is giving the matter some thought.

As all West Texans, who have known Harley for 25 years can imagine, I got a straight-forward, honest, truthful answer in words that I can understand:

Harley does not want to be governor and, furthermore, has no present intention of running for governor.

He will become a candidate only if he can be convinced that as governor he can do more for his beloved West Texas than he can do in his present job as representative in the state legislature. He does not believe that he can be convinced, but—he is keeping an open mind, as he always does on all matters, large and small.

Here are some of the reasons he thinks he cannot be convinced:

The governor in many respects is only a figurehead. Although he didn't say it in so many words, I gathered that he feels that any Texas governor is either a puppet in the hands of the big, moneyed, powerful political machines that run Texas or a powerless little nobody without the means of bucking the big politics.

He did say that no matter how good a governor is and how sincere he is about serving his constituents, he is helpless without the propaganda and the money that the present political bigwigs are putting up. He takes a dim view of one man's ability to buck this bunch, even if the governor's position were one of authority.

As a representative from his Sweetwater district, he believes he is already in a more powerful position to administer to the interests of all of West Texas.

Harley believes that the governor's chair carries a great honor and that if he had children or grandchildren to benefit from this honor, he might be tempted. His only child, as you know, died in 1943.

Mr. and Mrs. Sadler's great grief is the major factor in keeping them in the tent show business. There is no harder work than operating a good tent show such as his, particularly in times like these. But this hard work is something they have always loved next best to their daughter, and it keeps them so busy they have a minimum of time for brooding over their great loss.

Tahoka turned out en masse last Friday night to get a glimpse of the hard-hitting Antelopes whom they will meet at Tahoka tomorrow night, but they didn't see a thing that they were looking for—unless it was Hugh Ingram's excellent kicking. But they got an eyeful of the second string 11 that we have to fall back on in event our top-notch first stringers should need them for any reason.

Yessir! Tahoka went home right scared. They didn't get to see what they came to see and they saw a lot of strength that they didn't expect.

According to our way of thinking Coach Bingham deserves a boquet for resisting the temptation to play some of his best boys, even to the

By EVELYN BOYD
Now that nine countries have organized a sort of limited bush-league comintern to fight the capitalists and the Marshall Plan, it becomes more evident than ever the mistake the U. S. Congress made in allowing the United States Information Service to die.

Had USIS been operating efficiently, along the lines of its original set-up (which it wasn't at the time of its death, but that's a blunder attributable to the U. S. Embassies and the apathy of the American public as much as to Congress), we would have had a wonderful, worldwide counter-balance to the propaganda that will be forthcoming from the new communist information service headquarters in Belgrade, Yugoslavia.

And it seems to me that the President's campaign to save meat, poultry and grain would have been more favorably received were the people of this country supplied with a U. S. Information Service, whose duty it is, to give us an authentic version of what is going on and why.

I learn from my own authoritative source in Washington that most government officials knew that the food-saving plan would not work but felt it might accomplish its purpose of conditioning the public mind for more drastic measures later.

Then I read that Former Secretary of Agriculture Clinton P. Anderson asserted publicly in Chicago that meatless, eggless and poultryless days are not effective food conservation, but serve as a symbol to remind the public that there is a shortage.

I read a few days later that Clinton P. Anderson resigned his position as Secretary of Agriculture "because of his wife's poor health," and wonder more than ever if it is true that "it is later than we think"; that this country,

extent of losing the non-conference game with the Cowhands.

And the second string boys deserve a big bouquet for holding the Lubbock lads as well as they did. These boys will be our heroes next year and they're looking good, mighty good.

They're wonderful sports over at Tahoka. Editor E. I. Hill said some fine things about us in his Lynn County News last week, and other residents of Tahoka have had lots of fun ribbing us in a good clean way since last Friday. Let's show the same sportsmanship—win or lose—tomorrow night.

THE WOMEN—God love em! If, in a serious situation, you think that the truth, told frankly, could relieve your difficulty, never employ this logical solution with women. You will immediately regret it.

perhaps, has long since passed its hey-day as a democracy.

Now, seems a good time to yield to the request of a few puzzled readers and give forth with some definitions of Communism and Socialism. I have lifted these from what I consider an authoritative source: The left-wing State Observer, published in Austin:

"The theory of Socialism and Communism originated about 90 years ago with two political economists, Marx and Engels. . . . They were 'codified' by Lenin in 1917, and adopted by Soviet Russia.

"Socialism and Communism agree that: All other factors used in producing wealth, such as land, machinery and capital belong to 'all the people.' This does away with all rents on land, profits on investment in machinery, or interest on the capital invested.

"Socialism and Communism agree that: No man being entitled to benefit from the labor of others, it naturally follows that no man can inherit property, and every man is wholly dependent upon his own labor. In short, that there can be but one class and that one class is the laboring class, as everybody is forced to labor in order to live.

"Although Socialists and Communists agree that the means of production is common property, and that no man is entitled to take any rent (unearned profit) from land, machinery or from interest on money, they differ on how the product of labor shall be distributed.

"The Socialists hold that every man is entitled to 'the full product of his toil.' The man who works little gets little, and the man who works much, gets much.

"The Communists hold that all men (and women) must work as that is the only source of wealth. But they insist that all men cannot produce the same amount of goods, no matter how honestly they work; some will have too much, while others will have too little.

"The Communists meet this discrepancy between the abilities of men to produce by placing all the products of labor in a 'common fund', as the property of the Commune (or the State). The Communists then distribute the products of all labor on the basis of need. The man who needs, gets his needs supplied, regardless of the amount he has produced, and those unable to work have their needs supplied."

Having observed both Socialism and Communism at work abroad, I might add that, in either case it appears that nobody gets more than his actual need (unless it's a ration of wine to quiet his temper and give him a

What Our Contemporaries Are Saying:

NEWSPRINT BLUES—Speaking of print paper reminds us that during the past week we have seen many disturbing reminders of the shortage of newsprint. At Hobbs the News-Sun has cut its size one-half and is rationing advertisers. New advertisements are not accepted.

The situation is so bad at Clovis that a daily there has cut its issues to twice weekly and in addition has cut the number of pages to four and six. Our old friend, Eee Eye the Elder Hill, at Tahoka, was again forced to slim down his good newspaper last week. Didn't even have room for a prohibition editorial.

And there is no prospect for more paper in the immediate future. But, if you can't get one anywhere else, the Good Old Sentinel will manage it so you can get a paper each week if you will bring in that "two-fifty for fifty-two."—The Seminole Sentinel.

PROGRAM NOT POPULAR—Crosbyton opinion ranged from half-hearted endorsement to outright opposition of the President's grain saving program for the people of Europe, as the volunteer plan got well along into its second week.

If Europe needs and deserves the grain which the American people will be deprived of in the form of meat, poultry, eggs and bread then the government should get busy now on a program to sell the idea to the people. For if Crosbyton can be taken as an example of opinion in other towns and cities of the country, the volunteer program is already doomed to failure.—The Crosbyton Review.

BOUQUETS FROM THOKA—Next week the Tahoka Bulldogs will meet the Post Antelopes on the local field for their third conference game of the season. The Post eleven is a strong contender for the district championship and will probably do much of their playing via the air-lines as they have one of the best passing teams in this section. Post also has a couple of fast hard-hitting ball carriers that will be hard to stop, built around fast deceptive plays, and outweighing Tahoka by several pounds in the line. This will be the football game you can't afford to miss.—The Lynn County News.

MEATLESS DAYS—So far as I can tell the meatless Tuesdays and chickenless and eggless Thursdays are just propaganda and I have got my very serious doubts that the plan will work. If it could be put into action how would it help anyone?

Admitting that many people in the United States do eat more than is necessary, even that many of us would be better off if we should cut down on the amount of food we poke into our mouths, that does not mean that food saved would help the ones that need it in Europe. From a great many reports it seems that we need to devise a way of proper distribution of the things we give away and if the folks that get it do not make some effort to earn it then it is very doubtful to me that they will ever make such effort to work for something that can be gotten without work. Perhaps the United States Government does have a way of getting food to the most deserving but I've never seen an account of the plan and I've read a lot of magazines on many, many phases of the relief to Europe.—The Slaton Slatonite.

BRITISHER WRITES—Mrs. Betty Nelson, a draughtsman for the engineering firm of H. N. Roberts & Associates in Lubbock, came to live amongst us from her

false feeling of well-being) and the government gets the capital.

Next week, I will endeavor to explain what seems to be happening to our system of capitalism under the weight of all this.

Rummage Sales And Other Events Planned By Garza County Women

Members answered roll calls with "My Favorite Radio Farm Program" at a meeting of the Garza County Home Demonstration Council Saturday at the court house. The roll call answers were part of a program to encourage more attentive listening and more discrimination in choosing farm broadcasts.

Mrs. J. C. Fumagalli presided in the absence of the president, Mrs. George Evans, who was on a vacation trip. Mrs. Fumagalli reported that the 1848 yearbook plans are complete and it is possible the books will be ready for distribution at the December meeting.

The council discussed the rummage sale which it will sponsor in Post on November 1, at a place to be announced later. All home demonstration club members were asked to bring their contributions for the sale to the office of Mrs. Jewell H. Strasner, county home demonstration agent, before the date of the sale. Mrs. J. J. Wells was appointed to assist Mrs. W. C. W. Morris in arranging details of the sale.

Show Results Reported

The council's education committee reported results of the Panhandle-South Plains Fair and the Garza County Harvest Show. The marketing chairman, Mrs. Wilburn Morris, asked that all clubs send their completed market reports to her by November 10. Mrs. Strasner reminded all clubs to send their annual reports to her by November 15.

Mrs. R. A. McLaurin resigned as chairman of the 4-H sponsors committee and Mrs. Wilburn Morris was appointed to take her place. Mrs. McLaurin was appointed recreation leader.

Mrs. W. A. Long resigned as secretary-treasurer and Mrs. Lonnie Peel was elected to take her place.

Four-H Rally Announced

The 4-H committee announced that the Garza County Boys' and Girls' 4-H Rally will be held December 13, at which time awards will be presented for outstanding work and a recreational program will be enjoyed. Additional details of the rally will be announced later.

Mrs. Strasner read an invitation to all Garza County women interested to attend the amateur flower judging school to be sponsored in Lubbock by the Lubbock Garden Club November 13 and

14, and it was decided that each club will attempt to have one representative attending the school. Mrs. Strasner also plans to attend. The two-day course will include flower culture and rules and regulations of flower shows.

Lloyd Funeral Held Sunday In Church At Eden

Funeral services for Ira E. Lloyd, former Post resident who died at 5 o'clock Saturday morning in the Veterans Hospital in Waco, were held at 5 o'clock Sunday afternoon in the Methodist Church at Eden. The Rev. George McCrary of the Lampasas Methodist Church officiated, and the Eden American Legion Post was in charge of the services.

As Lloyd was a veteran of World War I, the casket was draped with a flag of the United States which later was presented to Mrs. Lloyd. He had served overseas three years with the Second Division.

Survivors include Mrs. Lloyd, who lives in Ozona; two children, Bill A. Lloyd, a student at the University of Texas and Mrs. Ermong O. Young of Harlingen; two grandsons, Jim and Bob Young; a brother, Henry Lloyd of California, former Post merchant; three sisters, Mrs. Callie Thomas of Abilene, Mrs. Will Avlor of Eden and Mrs. Jack Mathis of Post. All except Henry Lloyd were present for the funeral services.

Lloyd, who was 53 years old at the time of his death, had been in the Veterans Hospital since suffering a stroke in June, 1946. He died while asleep.

Born in Anniston, Ala., he moved to Eden in 1902 and had lived in West Texas, including Post and surrounding territory, in later years. He moved to Bronte 10 years ago.

Rye grass, planted in October, will make a green lawn that lasts all winter and dies down when summer grass revives in the spring.

The value of livestock on United States farms January 1, 1947, is estimated at \$77,978,850,000.

Woodin Infant Dies

A son, born Saturday noon to Mr. and Mrs. A. C. Woodin, died at 2:15 o'clock that afternoon. Burial was in the Terrace Cemetery.

At the turn of the century, 5 per cent of our tobacco crop went into cigarettes; the figure today is about 75 per cent.

WHAT EVERY GIRL SHOULD KNOW ABOUT HER FIRST DATE . . . HER FIRST LOVE . . . HER FIRST KISS!

Dear Folks
Once in a while a theatre manager just has to tell his customers about something very special in entertainment he is going to show on his screen.

"CYNTHIA," a sweetheart of a picture starring Elizabeth Taylor. It's full of the excitement, the laughter, the heart-tugs, the triumphs of youth. Like "The Green Years," it's warm and down-to-earth. It's a sweetheart of a picture.

Sincerely,
The Manager

Mrs. Allen Lucas and daughter, Marguerite left last Thursday for Mundeline, Ill., to visit her daughter, Mrs. Jack Morrison, the former Willie Jo Lucas. En route, they stopped in Kansas City, Mo., for a short visit with their son and brother, Wilburn (Bill) Lucas. Mr. and Mrs. Harold Lucas and daughter, Dixie Carol, are staying at the Lucas home with Mr. Lucas during their absence.

Mrs. Charlie Bird went shopping in Lubbock one day this week.

Residents of this community were happy to welcome Mr. and Mrs. Redding and small daughter who moved here from Denton. E. S. Edwards of Denton spent several days at the Allison (Estate) Ranch, of which he is manager, returning to his home last Friday.

The Reddings and Mr. Edwards visited in the P. S. Nichols home Thursday evening. Mr. Edwards said that his son Jack, a captain in the Navy Air Corps and stationed in Tokyo, Japan, recently was joined there by his wife and family and they are living in a 16-room castle on a hill overlooking the city. He also told Jack's version of the typhoon which recently struck Tokyo. Jack, who visited here many times with his grandparents, the late D. K. Allison, is in charge of the navy plane schedule out of Tokyo.

As Sunday was the last day of the First Methodist revival meeting in Post, the Rev. A. B. Cockrell did not fill his regular appointment in Verbena. He will be here next Sunday, at the regular hour.

Visitors in the Will Cravy home over the weekend were their son, Charlie, and his wife and sons, Dan, Charlie Mac and Ray J., of Morton. Dale Jobe of Odessa, formerly of Post, is also visiting the Cravys. Although Mrs. Cravy is suffering from an infection in a leg, she and Dale are having great fun typing and arranging some songs written by Mrs. Cravy. Dale stayed with the Cravys during her high school days in Post and was in school with the Cravys' daughters, Anna and Josephine.

Leslie Anita Nichols of Post spent the weekend at the home of her grandmother, Isabel Nichols, and returned home with her parents, Mr. and Mrs. Lester Nichols, who visited in Verbena Sunday afternoon.

Mr. and Mrs. Wiley Melton of Abernathy visited his parents, Mr. and Mrs. C. W. Melton, Sunday.

The Rev. Huron A. Polnac officiated for the graveside burial service for Charlie Lee Woodin, infant son of Mr. and Mrs. A. C. Woodin, who died two hours after his birth Saturday. He is survived by his parents and two sisters.

Sweep up broken glass carefully and empty it into a tin can. Use a damp cloth or moist cotton to pick up the tiny slivers.

The class raising the most money by carnival time will have its candidate crowned as queen. Votes are one penny each. The students are raising the money by soliciting, staging plays and other entertainment and various types of sales.

Class rivalry has reached such keen proportions that, in high school, at least, the student salesmen are trying to outdo each other in matters of stunt hats and "hepat" clothes.

KING OF COWBOYS DIES IN ACCIDENT MONDAY

Bob Crosby, known as "The King of the Cowboys," was killed Monday afternoon in an automobile accident 17 miles north of Roswell, N. M.

The Associated Press reported that Crosby, driving a jeep, was on his way to Roswell when the car ran off a bridge. He was thrown clear, fell 30 feet and died instantly.
