Roland Walsh named to top hospital job

Garza Memorial Hospital's new administrator is Roland G. Walsh, 50, of Ruidoso, N.M., Jack Alexander, president of the hospital's board of directors, announced today.

Walsh will assume his new duties here Dec. 1. He is expected to be in Post next week seeking housing accommodations for himself and his wife.

The new administrator has been in hospital admin-

istration since April of 1963, serving as administrator or assistant administrator of New Mexico hospitals for most of the last 16 years.

His last position was as administrator of the Cibola General Hospital in Grants, M.M., from July, 1978 to March 1 of this year. Since that time he has lived in Ruidoso serving as a hospital consultant.

He has served as administrator of Ruidoso's Hondo

Valley Hospital and the Artesia, N.M., General Hospital, as assistant administrator of St. Joseph Hospital in Albuquerque, St. Francis Hospital in Carlsbad, and Benedictine Heights Hospital in Guthrie, Okla.

Walsh also has served as chief accountant at the Vance Air Force Base in Enid, Okla., as controller of St. Bernard's Hospital in Jonesboro, Ark., and as vice president of the southern

division of New Mexico Medical Supply with headquarters in Albuquerque.

Other earlier work experience was a cost accountant for Boeing Aircraft in Wichita, Kans., Standard Industries, Inc. of Tulsa, Okla., and in the United States' General Accounting Offices in Washington, D. C.

Walsh served as president of the New Mexico Hospital Association in 1975 and also

Don't the sheriff's deputies and dispatchers look neat in their new uniforms? The shirts are light "sheriff's brown" with dark brown trim and dark brown pants.

The law enforcement folks purchased these uniforms themselves, as they do not receive a clothing allowance.

We didn't see Sheriff Jim Pippin when we made our "weekly call" at the sheriff's office Wednesday morning. They said he was already in and gone again. So we don't know if Jim is in uniform or not. Our guess is that he isn't.

The uniform we think will generate a lot more public respect for officers and dispatchers.

Don't forget The Dispatch, as is its Thanksgiving week custom, will be published Monday afternoon next week and will be in the Tuesday morning mail.

That means we will need a lot of cooperation from everybody to give you a newsy paper. We will be taking news items Thursday and Friday and the office will be open Saturday too at (See Postings Page 14)

Garza Memorial Hospital Directors at their November breakfast meeting at the hospital last Thursday morning tabled any action on budget pay raises in order to involve the new hospital administrator in personnel evaluation.

Directors named Mrs. Marita Reed, present acting hospital administrator, as assistant hospital administrator upon the arrival of the new administrator.

In other actions, the board: Returned a new agreement on the operation of the emergency ambulance service to the joint city-county-hospital district board on the ambulance service for its study and recommendations.

Referred the recommendations of Bruce Thornton, utility repair man from Lubbock, on new valve installation and humidifiers on the hospital's air conditioning, heating and water system to Colley Gatlin, a hospital director. The board authorized Gatlin to act for the board in the matter.

Approved for the second and last time the new hospital policy for admission deposits as reported last month.

Approved an additional \$49 insurance payment to increase the hospital's liability coverage for its mechanical system from \$100,000 to \$500,000.

Funeral services for Robbie Guichard, 62, of Post were held at 3 p.m. Monday at the First United Methodist Church with the Rev. Don Travis, pastor, officiating, assisted by Arthur Kelly.

Burial was in Terrace Cemetery under the direction of Hudman Funeral Home.

Mrs. Guichard died Wednesday, Nov. 7, in Lubbock's University Hospital after an illness.

A native of Henderson, the former Robbie Alexander married Dennis Guichard on July 15, 1946 in Detroit, Mich. He died in 1975. Mrs. Guichard lived in Post for 29 years, where she was a member of the First Methodist Church.

Hey, don't forget your book today!

Don't forget your book! Today is "Be with a Book for a Day" and supporters of libraries throughout the nation — and right here in Post — will be carrying books with them wherever they go to signify their support of libraries.

Today also marks the opening of the White House Conference on Libraries and Information Services.

Some 50 million "Be With a Book for a Day" emblems are being distributed

throughout the country to call attention to this special day.

Distribution of the emblems in Post is being made through the Post Public Library with Boy Scout units, schools, and civic clubs participating, as well as regular library patrons.

A final reminder. If you are cooperating by carrying a book today don't forget it when you leave and take it with you wherever you are going next.

5 injured in 2-car smashup

Five men, two of them from Post, were injured in a two-car smashup about 7:25 a.m. Sunday 6.7 miles southeast of Post on US-84.

State highway trooper Louis Cardinal, who investigated the accident, said a car driven by Ysabel Mendez of Colorado City and traveling at a high rate of speed smashed into the

rear of another vehicle driven by Bernardo Loreda of Brownfield.

He said the Mendez car rolled three times after smashing into the Loreda car with both Mendez and Manuel PARRALES of Lubbock, a passenger, being thrown from it.

The Loreda car was not overturned. Besides Loreda it contained the two Post men, Paul San Miguel of Motts Hotel and John Manuel Rodriguez of 409 West 10th. The trio were enroute to work at the Fluvanna Gin.

Mendez suffered a broken shoulder blade and head and facial injuries and PARRALES had a broken jaw and facial injuries. The two were treated here at Garza Memorial Hospital and then transferred to Health Science Center Hospital in Lubbock.

Rodriguez and Loreda were admitted to the hospital here suffering from a bruised kidney and facial injuries. San Miguel was treated at the local hospital and released. Both Rodri- (See Five Injured Page 14)

Dispatch out next Monday

The Dispatch's Thanksgiving edition next week will be published Monday afternoon and distributed by mail Tuesday in an effort to place the paper in subscribers' hands well in advance of the turkey holiday.

The Dispatch office will be closed Tuesday for the remainder of the holiday week to give Dispatch employees a brief vacation before the Christmas rush.

The Ammons Printing Co. which shares quarters with The Dispatch will be open through Wednesday of next week before closing for the remainder of the week for the Thanksgiving holiday.

Man burned in explosion

Henry Hall, an employe of Ban-Core, was burned on his left arm and had his face singed in a butane explosion in his travel trailer, about 5:50 p.m., at the Stelzer drilling rig on a drilling site at the city dump grounds, Friday.

Fire Chief Neal Clary said "it was more explosion than fire" and the blaze was quickly extinguished. Force of the explosion split the seam at the back end of the small trailer.

Clary reported Hall had just filled his butane bottles in Post and went inside the trailer. When he lighted a cigaret apparently from a butane gas leak inside the trailer.

Work authorized on jail additions

The \$4,350 bid of George Mindieta, Jr. to remodel and repair the county jail to bring it into conformance with state jail standards was accepted by the Garza County Commissioners Court Monday at their first November meeting.

County Judge Giles Dalby told The Dispatch the bid includes (1) construction of a concrete block fence around an exercise yard for prisoners, (2) construction of a 10 by 12 foot security room between the courthouse and jail buildings for the safe storage of evidence in criminal cases, and (3) the sealing off of the drop ceiling of the prisoners' cells in the jail so prisoners could not get up under the drop ceiling and move to other portions of the law enforcement building in escape efforts.

Mindieta's was the lowest of two bids received for the work. Mindieta plans to begin work next week on the project and expects to complete it in the near future.

In other actions, the court: Accepted the bid of C. W. Brandon of \$175 for purchase of a used generator.

OS workers are thanked

West Texas Boys Ranch hosted a "thank you round-up" for Jim Prather and between 100 and 150 "OS weekend" volunteer workers and their wives or husbands in the Post Community Center Tuesday night.

The appreciation effort was in the form of a dinner dance with Mexican food served buffet style and a western band on hand from Lubbock for the dancing.

In a presentation after the meal, Johnny Bonner, president of West Texas Boys Ranch, expressed the appreciation of the ranch's boys, directors and staff for the contributions of the local group.

He also presided over the presentation of unique "much obliged" plaques of wood, leather and metal to all the volunteers with Prather, who originated and sponsors the steer roping and art exhibit, getting the biggest one last.

United Fund drive drags but— 2 more report 100% giving

Although the Garza United Fund total climbed only slowly this week, two more employes division reported completed with 100 percent contributions.

The 20 employes of the First National bank have all contributed to the fund again this year and Julian Smith reported the seven employes of the resident engineer's office of the State Department of Highways and Public Transport-

tation here have contributed 100 percent for a total of \$76.50.

The new balance for the fund is now \$6,784.00.

Preston Pool, chairman of the courthouse employes division, reported in over the weekend with seven contributions totaling \$73.

Drive chairman Jim Cornish said he isn't dismayed by the slow movement of contributions for the week.

"We have a lot of the biggest contributions still out in the business division," he said. "The Postex Plant employes drive should be completed by Thanksgiving. The farm and ranch division is yet to check in."

He predicted the goal of \$10,195 "still reachable" barring some desertions.

Ray Norman rites held

Funeral services for Ray Norman, 67, of Post were held at 2 p.m. Saturday in the Church of the Nazarene with the Rev. Phillip Daniels, pastor, officiating.

Burial was in Terrace Cemetery under the direction of Justice-Mason Funeral Home.

Norman died at his home Thursday morning after a long illness. He was under a doctor's care.

Norman came to Garza County in 1916 and married Deane Jones on Dec. 3, 1932 in New Mexico. After his retirement, he worked for Higginbotham-Bartlett Lumber Co.

Survivors include his wife; two sons, Darrel Ray of Slaton and Noel Don of Midland; a daughter, Bettie Sue Chandler of Floydada; (See Norman Page 14)

County seeks disaster tag

The Garza County Commissioners Court Monday passed a resolution requesting Governor Clements to declare Garza County a disaster area for the period July 1, 1979, to the present due to drought conditions.

The action came after Commissioner Ted Aten read a letter from Joe D. Barnes, county executive director of the Garza County ASCS office, concerning the county's current disaster conditions.

The resolution was passed unanimously.

If the governor declares the county a disaster area, farmers and ranchers stand to receive certain low cost loans from the Farm Home Administration.

Television set, many other prizes to be given—

Don't miss big Housewares Show

A fine selection of prizes, including a portable television set, awaits those who attend Post's first Housewares Show in the community center Saturday afternoon, beginning at 1 p.m.

But there is a lot more than the prizes from 16 participating merchants and firms for those who attend the three-hour show sponsored by the Garza County Family Living Committee under the direction of the Texas Agricultural Extension Service.

There will be all kinds of exhibits to provide new and useful information about today's homes and a program which includes demonstrations on decorating with fabrics, and energy conservation and Post's aerial heat loss photos to be studied so that costly energy can be saved in the cold months ahead.

Those attending the show will be given 45 minutes to view the many exhibits after the doors open at 1 p.m.

Paula Cawthon, Garza's extension agent, is scheduled for the first demonstration at 1:45 p.m. on "Decorating with Fabrics." Rick Etheredge of the Lyntegar Electric Co. will follow at 2:30 p.m. for a demonstration entitled, "Energy Conservation, an Audit".

The last 45 minutes of the show will be given over again to the viewing of exhibits and the various drawings for door prizes.

The show will close at 4

p.m. The portable TV set will be given by the First National Bank.

Other firms participating in the show and their door prizes are four sets of sheets by Burlington Industries; a Quick Chef by Wacker's; towel set by Happiness Is; dried flower arrangement by Prairie Flower Shop;

Ice tray and bin by Guy's TV & Appliances; Burger Chef by Lott's White Auto; a smoke alarm by Radio

Shack; a Mr. Coffee by Rick's Venture Foods; lamp by Hudman Furniture; pipe insulation by Higginbotham-Bartlett;

A 3/8" electric drill and electric glue gun by Cox Lumber Co.; a flower arrangement by Maurine's Flowers; wall clock by S & H Green Stamps; hat rack by Coe's Trading Post & Furniture Mart; a 1.9 litre Pump-A-Drink by Hand; Hardware; and a hand mixer by Lyntegar Electric.

The Dalby Cattle Co. also is participating in the show and providing some of the show's expense money.

County Extension Agent, Paula Cawthon will have an exhibit of handmade decorating accessories at the show for viewing.

The Garza County Family Living Committee includes Tonya Rudd, Homer Cawthon, Glenda Shobe, Nona Lusk, Beth Short, Malcolm Neyland, Annie Gilbert and Delfina Castillo.

Go take a look

The Housewares Show in the community center Saturday afternoon is noteworthy for at least three reasons.

First, of course, for the show itself. There's a variety of fresh ideas for homemakers and home planners in the exhibits and program.

Next, the show is a good illustration of how Post's merchants cooperate in staging such an event. There are not only a big group of valuable prizes, but merchants are taking the time and trouble to bring and set up exhibits in the community center.

That effort should go a long way to convince us Saturday afternoon that there is a lot offered the homemaker along Post's Main Street and in the business district.

Third, the show is an excellent illustration of how these fine community

facilities provide the opportunity for all kinds of local events.

Our community center isn't something to just be taken for granted. It took 20 years of trying to bring it to reality — and now we have it the fact that we are putting it to good use is very satisfying.

The Housewares Show is another step forward in promoting community togetherness, just like the staging of the "OS weekend" or the united support given the high school football team.

Mark down the first ever Housewares Show here as a "must" on your activities calendar. Go take a long look Saturday afternoon and join with the sponsoring committee and participating local merchants in making it an educational success.

A costly lesson for us all

Virtually every American agrees that the holding of 60 American hostages in our embassy in Iran's capital city is an outrage which demands swift and stern retaliation.

But we are not warlike as our detractors abroad would paint us. We are just about as peace loving as our history books show us. Thus none of us are quite sure of how to retaliate, much less be swift or stern about it.

It is not enough that President Carter has ordered that America will no longer buy Iranian oil. It is not enough that the government is moving to send back to Iran all those Iranian students "illegally" in this country. It would not be enough if we returned every one of them on the next boat.

No wonder Americans are angry that Iranian students would take to our own streets throughout America to demonstrate against us.

The taking of hostages is a new and terrifying tool of international terrorists.

When Iranian students seized the U.S. embassy against all international law and agreements, they became an instrument of terror — and must be dealt with as such.

If they had done this to Russia, let us say, Russian tanks would immediately have clanked across Iranian borders filled and followed by Russian troops with Russian planes darting overhead.

But the world has grown use to kicking fat and rich Uncle Sam around. We have spilled American blood in two Far Eastern wars since World War II very ineffectively.

We have provided both the money and muscle to rebuild Europe.

When starvation strikes, be it in Africa or Asia, it is the American hand filled with millions of dollars of food which is extended. But those acts are quickly forgotten.

The seizing of our embassy and its occupants is an international crime against the laws of our civilized world. Iran should already have been brought to trial in the United Nations and the judgement of the world leveled against them.

We are urged to stay calm while all efforts are taken by our government to get those 60 Americans safely out of Iran. This of course is sound advice.

But it should not diminish our anger, weaken our resolve, or dull our memories,

when it is over. When, and if, the 60 are brought out, Americans should be prepared to act against Iran and to reestablish our dignity and respect throughout the world.

This involves many fronts. First, it points up our need for real national leadership in the selection of our next president in 1980.

Second, it reemphasizes the need for our military preparedness in a world which has turned to force, blood, and terror. We must face as citizens the problems of strengthening our armed forces even if it requires the return of the military draft.

Third, it places our energy problem, still largely unsolved, right under our noses for study, because it is oil — or the lack of it — which has brought us to our present "world position."

On energy we have digressed, dilled and dallied for five years now. Our lack of energy policy on a national basis is a disgrace which every one of us must share.

Fourth, and finally, we must face together how to rebuild Uncle Sam's image to the world and regain the dignity and respect of others for this nation.

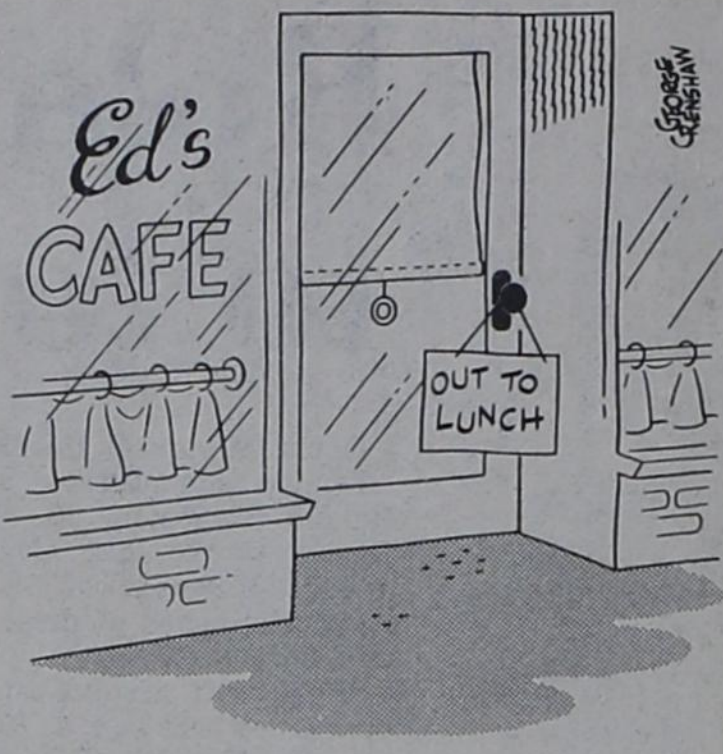

It has been after all our many weaknesses here at home which has brought us the Iranian outrage. We must now recognize that no American is safe anywhere in the world today.

This is just a taste of what the Israelis have been getting in the Mideast for the last 30 years, and we have admired that small nation for the strength of their response to that terror.

Let us make no mistake. There are plenty of those who would like to drag America to its knees, those who are just waiting for the opportunity.

This crisis is now in its second week. Whatever transpires next, America must remember that we here at home are responsible for what happens in Teheran because we have in so many ways allowed our nation to become weak in a world which recognizes only strength.

It is our hope that this lawless act will reawaken America to its national purpose so that we will buckle down together and pay the price to become strong again.

CAKES AND COACHES

Dear Editor:
Last week the Varsity Cheerleaders, members of the spirit squad and several

other high school girls each baked and decorated a cake for the Varsity football team and coaches. These were handed out to them at the pep rally. I was very upset when told that one of the coaches put his cake in a teacher's car on his way out and another cake was found at the side of a road.

Farm women to Lubbock

LUBBOCK — W.I.F.E., Women Involved in Farm Economics, will hold their third annual National Convention, Nov. 16, 17, 18, at the Lubbock Memorial Civic Center in Lubbock, Texas.

Sarah McClendon of McClendon News Services and White House correspondent and Dr. Frances Hill, professor at the University of Texas will address this active agricultural association of women.

A highlight of the convention will be a working still production alcohol to be used in the making of gasohol. Bob Soleta, director of the alcohol division of Iowa Corn Growers Assn., and Dr. Lance Crombie will give a presentation on the production of alcohol fuels.

National W.I.F.E. president Betty Majors of Osceola, Nebraska feels that alcohol stills "could and should be constructed on every farm in the nation."

"Gasohol has been W.I.F.E.'s number one priority," said Mrs. Majors. "Our purpose in having the still along with gasohol information is so we can go home with plans, knowledge, and expertise to enable us to construct alcohol fuel stills on our own farms and ranches."

Should a farmer sell now or wait—

A look at odds in cotton marketing

RALEIGH — During the next two months, many American cotton producers will be deciding their marketing strategy for this year's crop.

As always, producers will have to decide whether current prices are satisfactory or whether postponing sales to a later period will produce a better return.

To help cotton producers make their best decisions, Cotton Incorporated's Economic Research and Development staff has evaluat-

ed supply and demand fundamentals and other factors in the marketplace.

The economists' conclusion as of the moment:

"while the future continues clouded in uncertainty, the overwhelming economic evidence at this time suggests that the odds of lower cotton prices as the harvest advances far outweigh those of higher prices. Selling at current prices, or fixing prices now with delivery arranged at a later date for tax purposes, will

probably be better than selling after harvest.

"If prices do sag from harvest pressure," they add, "producers may find putting cotton in the (government) loan a second best alternative. Consideration, however, must always be taken of the monthly costs of holding cotton and the price gains that can be expected."

The analysis of supply and demand fundamentals and other factors to be considered in marketing decisions is contained in the November issue of the Cotton Summary, Cotton Incorporated's monthly publication. Cotton Incorporated is the fiber research and marketing company of American cotton producers, supported with producers' per bale assessments.

Lawrence Shaw, associate director for supply economics, says world production of cotton this crop year is expected to total 64.7 million bales, 4.7 million bales more than was produced in 1978-79. This year's estimate includes a projected U.S. crop of 14 million bales.

"World production this crop year is expected to exceed consumption by over two million bales," he points out. "As a result, cotton supplies will be plentiful, with U.S. stocks climbing to the highest level in ten years."

Shaw acknowledges that cotton prices have remained strong in spite of the "bearish" supply and demand fundamentals. But he says several factors are providing that price strength.

"The U.S. harvest is late, and many mills and exporters are finding adequate supplies of specific quality cotton difficult to obtain," he explains.

Also, as of October 14, "exports and outstanding

Crime Line for Denver City

DENVER CITY — City councilmen here have agreed that a crime prevention program similar to Lubbock's Crime Line will be instituted here in the near future.

Attorney Jerry Corbin was asked to get guidelines on the program from Lubbock.

The councilmen agreed the city would begin its own reward fund but that businesses or individuals could contribute to it if they so desired.

sales of this year's cotton are 35 per cent ahead of the same period in 1978. China alone has already bought a million bales in 1979-80, compared with purchases of 280,000 bales at this time last year."

Finally, says the Cotton Incorporated economist, "continued strength of cotton consumption by U. S. mills has been another factor maintaining cotton prices at current levels. Both foreign and U.S. retail demand for all-cotton textile products has been good."

In mapping their marketing strategies, Shaw says producers should look beyond current conditions and consider the following factors:

Within the next 60 days, large amounts of cotton will come on the market, as the bulk of the U.S. harvest is finished. Current shortages could turn to glut in just a few weeks.

Early export sales also have been excellent. But last year sales peaked early in the season. Should they follow the same pattern this year, the impetus foreign sales have given to the cotton market could quickly subside.

While U.S. mill business is still relatively strong, mill executives are wary of the recession. Should demand for textile products begin to fall along with other retail items, mills will not hesitate to cut production to avoid building inventories, especially in light of soaring interest rates.

Thank You

We wish to express our thanks to all of the friends and relatives who sent cards or brought food to our home, the ones who called on the phone, and the flowers sent and who visited with Claude since he came home from the hospital. To Brother and Sister Pickett who came and visited with him often, and the nice letter from the friends at the First Baptist Church. We wish to thank each and everyone.
 The Claude Williams Family

We would like to thank our friends and neighbors for the prayers, cards, food and flowers, and the Trinity Baptist Church for serving the meal to the family, and the Methodist Church for preparing the service.
 Family of Lillie Longshore

We would like to express our heartfelt thanks to those visiting and those who sent flowers, gifts, and cards while I was in Methodist Hospital. Thanks to those who took me to Lubbock for check-ups and a special thanks to those who brought food to the Ramsay house while I was recuperating.
 Nita Burres & Family

The Junior High Band would like to thank all the people of Post who purchased candles to help with our money making project.

PARKING TROUBLES
 And there was the fellow who bought a house trailer so he'd have a place to live while he was looking for a place to park.

We would again like to express our thanks for the concern and love shown us during W.C.'s stay in the Methodist hospital. The lovely flowers, gifts, cards, visits, phone calls and food brought to our home meant so much to us. The prayers offered by the churches, the prayer groups and our friends helped us through a very trying time. May God bless each of you.
 Maurice & W.C. Bush

We would like to thank the staff at Garza Memorial Hospital, Dr. Tubbs and Dr. Rodriguez and Hudman Funeral Home for the care and courtesies extended to us.
 Family of Lillie Longshore

Indian life story told

The Green Thumb Garden Club met Thursday night in the home of Mrs. Faye Mathis.

A unique program given by Anne Leake, dressed in a most original Apache Indian costume of fringed and beaded suede, was thoroughly enjoyed by the members.

Mrs. Leake, narrated in the first person, the story of an Indian woman from birth to death in a most impressive manner.

Refreshments were served to the following: Maurine Hudman, Alma Williams, Sybil Cockrum, Gladys Hendrix, Thelma Epley, Martha McLendon, Nita Burress, Wanda Cox, Jewel Taylor, Ida Jones, Marjorie Compton, the hostess and guest, Anne Leake.

Nuptials to be Dec. 14

Mrs. Mary Cade announces the engagement of her daughter, Sally, to Calvin Ray Roberts, son of Mr. and Mrs. N.H. Roberts of Slaton.

The bride-elect was graduated from Post High School and the future groom attended high school in Slaton. The couple plans a Dec. 14th wedding at Westview Baptist Church in Slaton.

Twin Cedars Nursing Home News

By DARLA DAVIS
Sunday services were brought to us by the Faith Lutheran Church with Rev. Don Neuman officiating. Refreshments were served to the residents by the church. This was greatly appreciated by all the residents. Next week's services will be brought to us by the Church of Christ with Robert Elliott officiating.

Visitors this past week were Lottie Sanders, Virginia Terry and Inez McGrew, both from Lamesa, Lucille Walker, Faye Maddox, Dale Lyn Clary, Leon Clary, Jadene Clary, Opal Nowell, Jet Puckett, Bill Bartlett, Estell Robinson, Bertie Beard, Bea Brown, Myrl Mathis, Mary Nell Ford, Racheal Stalcup, Jeff Stalcup, C. A. and Lucille Walker, Paul Sherrill, Sybil Cockrum, Jewell Greenfield, Ione Hughes, and Hap Perrin.

Mrs. Edith Inklebarger was honored with her 91st birthday by her daughters Virginia Terry and Inez McGrew, both from Lamesa and Lucille Walker from Post. She was presented with presents and refreshments. Happy birthday Mrs. Inklebarger.

Mary Caywood is in the hospital. We miss her a lot and hope she recovers very soon and is back with us. Until next week.....

Amity celebrates Federation Day

The Amity Study Club celebrated Federation Day with a dinner meeting, Tuesday night, Nov. 13, at the Fellowship Hall of the First United Methodist Church.

Fact and Fiction

Post Public Library News

By MICHAEL SMITH

Current Bestsellers, Fiction are "Jailbird" by Kurt Vonnegut; "The Dead Zone" by Stephen King; "The Last Enchantment" by Mary Stewart; "Sophie's Choice" by William Styron; "Triple" by Ken Follet; "The Matarese Circle" by Robert Ludlum; "Shadow of the Moon" by M.M. Kaye; "Class Reunion" by Rona Jaffe; "Shibumi" by Treva; "There's No Such Place As Far Away" by Richard Bach; "The Third World War" by General John Hackett and other top-ranking NATA Generals and Advisors; "Tinsel" by William Goldman; "War and Remembrance" by Herman Wouk; and "A Woman of Substance" by Barbara Taylor Bradford.

Non-Fiction - "The Complete Scarsdale Medical Diet" by Herman Tarnower, M.D.; "Cruel Shoes" by Steve Martin; "The Medusa and the Snail" by Lewis Thomas; "The Powers That Be" by David Halberstam; and "The Bronx Zoo" by Sparky Lyle and Peter Golenbock.

Too many people nowadays take libraries for granted. They are not exclusively for "bookworm" types, but for everyone. If you should want to make repairs on your car, you are sure to find several do-it-yourself books at the library. Should you want to learn carpentry, and want to build a roomful of furniture yourself, again, the library is the place to look for information. It is for the reason of so many people taking libraries for granted that Congress and President Carter have called

ed for a White House Conference on Libraries and Information Services November 15-19. The conference will seek recommendations for further improvement of our nation's libraries. We need these improvements, for the information and ideas provided by libraries are essential to the development of human potential, the advancement of civilization, and the continuance of enlightened self-government.

Today, being "Be With A Book" Day, the first day of the White House Conference, everyone who is interested in this program and the further development of America's libraries, is asked to show their support by wearing the "be with a book for a day" emblem and by carrying a book. The emblems are available at our local library.

The library is free and available to everyone. It preserves the past, puts the present into perspective, and prepares us for the future.

If you haven't been to the library lately, or even if you've never been in before, drop by. You're sure to be pleasantly surprised.

Post student in honor group

Andrea Thomas, the former Andrea Johnson of Post, daughter of Mr. and Mrs. John Johnson, a senior generic special education major at West Texas University, has been initiated into Alpha Chi, the national honor society on that campus.

Fifty-four seniors and 47 juniors are scheduled to join the coeducational society, designed to promote academic excellence and exemplary character among college and university students and honor those achieving such distinction.

Supper held at Graham

Seventy-eight ladies were treated to a Thanksgiving supper by the Graham Chapel Church of Christ in the Graham Community Center Tuesday night. Tahoka, O'Donnell, Abernathy, Lubbock, Snyder, Slaton and Post churches were represented at the supper.

Mrs. J.B. (Wanda) Potts, former Post resident now of Lubbock, was guest speaker for the affair. She presented a lesson on "Thanksgiving and What We Have to be Thankful For". Mrs. Potts is active in several phases of work at the Broadway Church of Christ in Lubbock and she and her husband, J.B., are actively involved with the work at Lubbock Christian College.

A salad supper was served to those attending, with door prizes given following the program.

654 library books read in October

Six hundred and fifty-four library books were checked out of the Post Public Library in October according to Librarian Peewee Pierce's monthly report.

This brings circulation for the first 10 months of 1979 to 8,066 books.

A total of 33 new books put on library shelves during the month to bring acquisitions for the year to 339. The library now contains 13,387 books.

A total of 15 reference

questions were answered during the month and seven interlibrary loan books were secured at the request of local patrons from other libraries.

The library's movie projector was checked out twice during the month along with six films from the library's monthly film packet.

Fines, book sales and donations for the month totaled \$14.03 to bring this total for the year to \$221.12.

Luna has 175 yd. night against Tahoka

Pass drop, 4 fumbles costly

The Post Antelopes turned loose "a new offense" in their all-out bid to upset the Tahoka Bulldogs in Antelope Stadium Friday night — the darting, brokenfield running of Tailback Alonzo Luna.

But the visitors countered with their two established runners — Tailback Tracy White and Fullback Clifford Oages, both of whom has "100 yard nights" — and that was just about the difference in a 20 to 8 Tahoka triumph the Bulldogs needed in their closing bid to try for the 5AA district title.

Post switched strategies from its Seminole "pass plan" for the Bulldogs, countering the all-out Tahoka rush on passer Drew Kirkpatrick with quick draws to Luna who showed everybody he knew where to go in a broken field.

The junior tailback totaled up 175 net yards rushing on 22 carries, including one touchdown and runs of 17, 21, 21, 18, 10 and 35 yards. On several of them he was caught by the last tackler or he would have put a lot more points on the board.

He had the misfortune, however, to fumble the ball away three times and also dropped a pass "in the clear" for what would have been a big gainer and a probable touchdown.

Oages had a 150 yard individual performance, including a 37 yard touchdown scamper to put the game out of the Lopes' reach in the final two minutes.

White had 104 yards for the game, one touchdown, but fumbled the ball away in the fourth on the Post four to halt a 76-yard Bulldog drive and keep the Lopes in the game.

The first half was more or less a defensive struggle with Tahoka recovering a Post fumble on the Lopes' 19 to set up its only touchdown. Even then it took eight plays for the Bulldogs to push it across with Quarterback Todd Brown sneaking in from the one-foot line on fourth down.

Kevin Elmore converted and Tahoka led 7 - 0 with 5:15 left in the first. Tahoka didn't threaten the rest of the way to the intermission.

Post had two scoring opportunities in the second period. Luna broke 21 yards to a first on the Tahoka 34. After three plays netted one yard, the Lopes tried a right

end sweep off a fake punt for a five yard loss. That gave the Bulldogs the ball on their 40.

On their next possession the Lopes drove from their 22 to the Tahoka 33. On one of their dippy-doodle end around pass plays Mike Macy found Luna all by himself on the Tahoka 20. The Post tailback was in such a hurry to turn and go for the score he dropped the ball.

On the next play, Oages, playing safety, angled across to jump high and intercept Quarterback Drew Kirkpatrick's long toss to End Mike Holly who was apparently in the clear behind his man going down the sideline.

In the last two periods, both teams proved they had "second half offenses." In the third, two Post fumbles, one by Charles Curtis and the other by Luna, stopped promising Lope drives just across midfield.

Tahoka took the second one and drove 63 yards for its second touchdown in 12 plays with White diving over the top of the stack inside the one for the tally. Elmore again converted.

That score came with only 32 seconds left in the quarter. Early in the fourth Post marched 63 yards for its only touchdown. A 36-yard pass from Kirkpatrick to Holly set it off and then Luna took over getting 24 of the last 25 yards in five carries and scoring from the three by slipping outside right end.

There was still 6:18 on the clock. Post got a two point conversion on a pass from Kirkpatrick to Macy to cut the margin to 14-8.

But the Lopes couldn't stop a determined Tahoka drive which started after the kickoff into the end zone on its 20 and moved 76 yards in eight plays to the Post four where White fumbled the ball away when tackled.

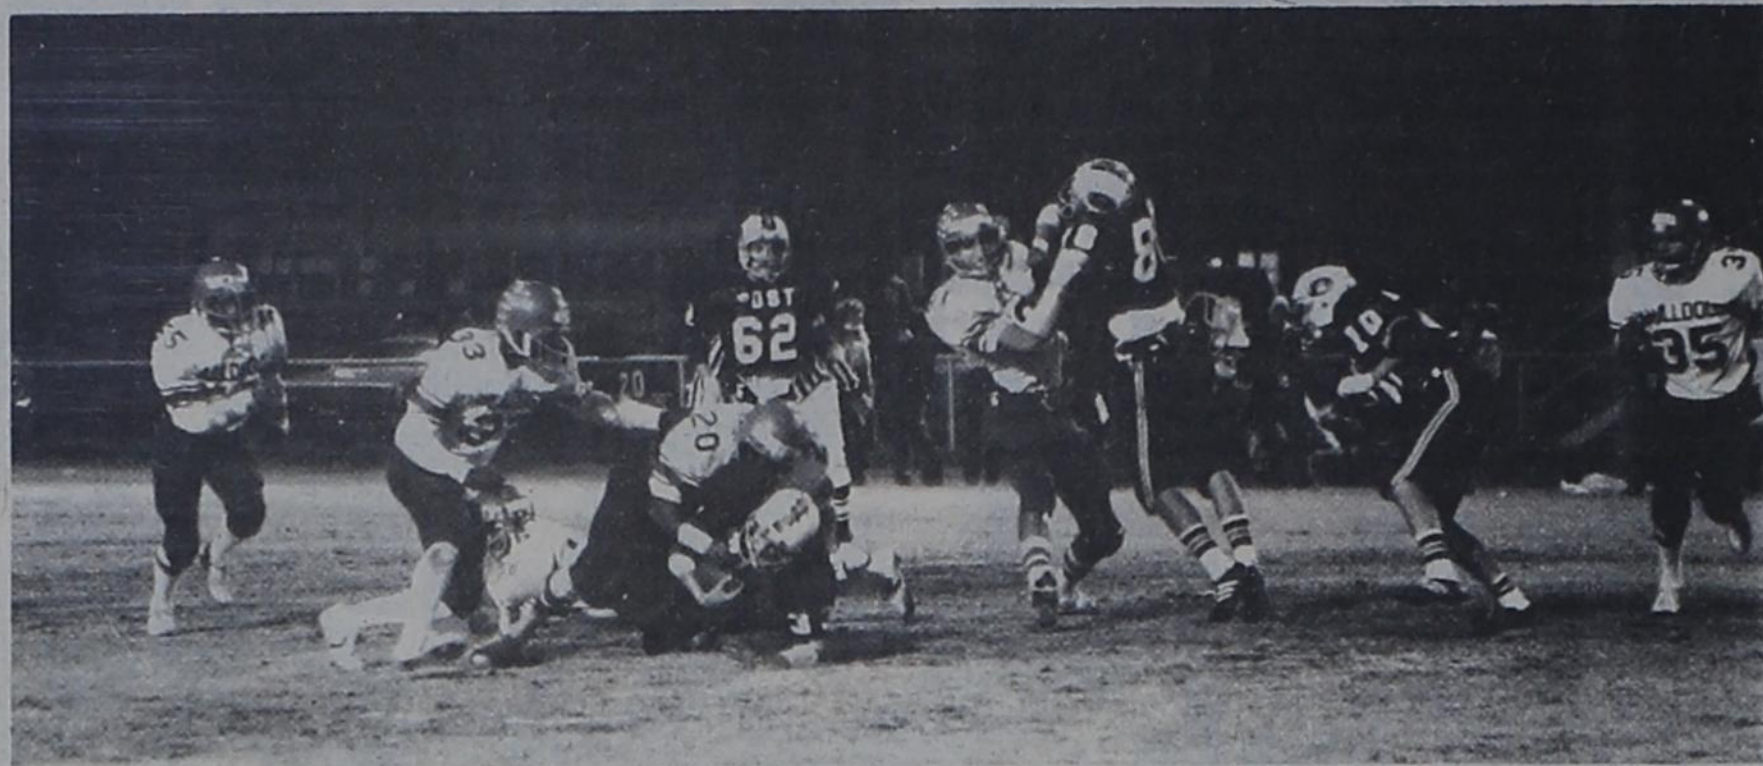

By this time 3:43 remained on the clock. The Lopes picked up a first down in three tries at the line and then Luna slipped away for 35 yards — his longest run of the night — to the Post 45 where the safety pinned him to the sideline and knocked him out of bounds.

On the next play, however, Luna never really got possession of the handoff and Tahoka recovered the fumble back on Post's 38.

That's when Oages got Tahoka's only breakaway run of the night, zipping 37 yards for the clinching touchdown. The conversion kick failed when the holder couldn't get the ball down and ran for his life.

Totaled up three of the four Post fumbles were the starting points for all of Tahoka's tds.

Post threw only five times, completing two for 48 yards and having two intercepted. Kirkpatrick was "sacked" five times for 39 yards trying to throw with the Bulldogs obviously trying to choke off the Lopes' improving air game by not giving Kirkpatrick time to look for his receivers.

Lopes, Tigers in finale

The Post Antelopes and the Frenship Tigers will kick it off at 7:30 p.m. Friday at Wolforth, each team seeking to close its 1979 campaign with the

momentum of its third victory. Each club has defeated Cooper. Frenship's other win is over Spearman early in the campaign while the

Lopes have notched a win over Denver City.

The Denver City Mustangs defeated Frenship 27 to 17 last week in Wolforth, but it wasn't quite as easy

as it sounded. The Tigers led 10 to 7 at halftime and for the game rolled up 354 yards — 191 yards rushing and 163 passing — for the most offense "allowed" an opponent by Denver City in the last two years.

The Mustangs had a big third quarter to put the game away with 20 points. It is obvious the Tigers, who have a bigger line than the Lopes but small backs, can make the offense go.

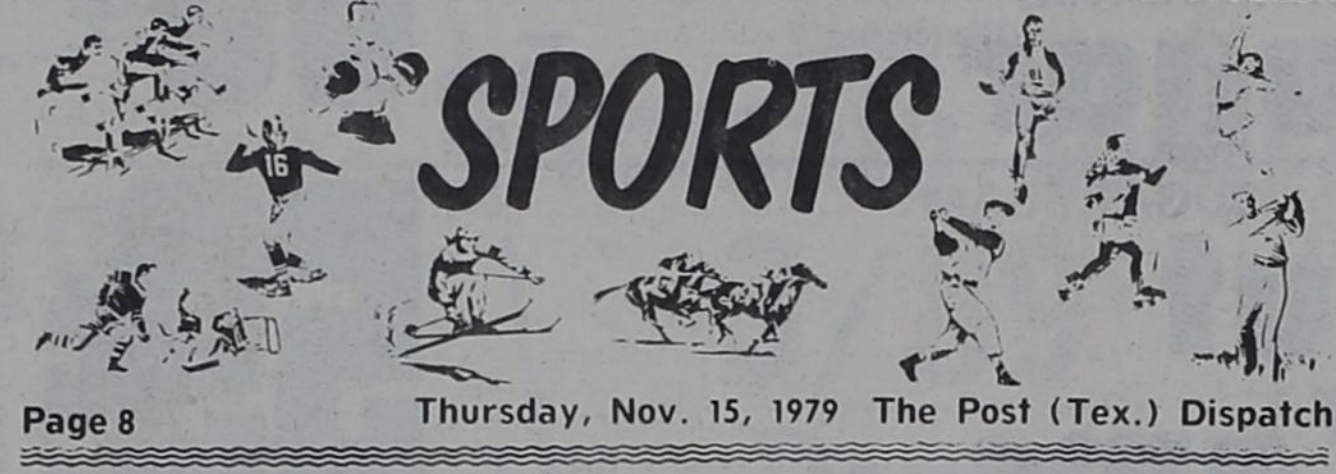

Johnny Johnson, a 145-pound junior speedster, is their scat back and a 152-pound senior named Mandress is the Frenship fullback.

The Lopes have no injury problems other than Adolfo Varela who suffered a whiplash back injury at Seminole two weeks ago. Coach David Thompson said the attending physicians told him Varela may be released from the Highland Hospital in Lubbock this weekend if everything continues to go well.

Coach Thompson said he plans no lineup changes.

A Post victory would give the Lopes a 3-6-1 record for the season which saw them playing hard in every game and generally giving a stout account of themselves even in defeat.

Asked what he plans to do next with the football season drawing to a close, Coach Thompson said he is busy mapping "a strenuous off-season program for his returning footballers in 1980."

Tahoka beats JVs 28-6

The Tahoka JVs handed the Post's Junior Varsity a 28 to 6 defeat, at Tahoka last Thursday night, but it was a pretty tight defensive game until the final period when the two teams scored three of the game's five touchdowns.

Tahoka went in front in the first period, tallying on a 48 yard pass and then running over the two conversion points.

In the second period, Post dropped the ball on its own 17 and Tahoka came up with the recovery and then moved in to score.

The score remained 14-0 in favor of Tahoka through the third.

In the fourth, Tahoka intercepted a Post pass and returned it to the Post eight,

setting up their third touchdown. Post rallied for its score on the next possession with Quarterback David Foster passing 48 yards to Quick End Marty Conoly for the touchdown.

Post tried an inside kick on the kickoff but Tahoka recovered the ball and then threw 49 yards for the final touchdown.

Tahoka had 20 first downs to five for Post, 192 yards rushing to 65, 128 yards passing to 75. Post completed 3 of 13 passes and had three intercepted. Tahoka completed three of ten and had two intercepted.

Post lost the ball twice on fumbles, Tahoka once. Post punted five times for

a 30 yard average and Tahoka didn't have to kick. Post was penalized four times for 40 yards and Tahoka seven times for 95.

The Post defense played well, coming up time and again with the big play. Outstanding on defense were end Gary Lamb, tackles, Brad Greer and Richard Perez, and middle linebacker Mario Luna who played his best game ever.

Offensively Fullback Mike Sullivan with 33 yards on seven carries was the standout.

The JVs will entertain Frenship here tonight in the second game of a twin bill with the freshmen to close out their 1979 season.

Ollison, Massey shine in big win

Tailbacks Mike Ollison and Greg Massey both had big nights here last Thursday night as the Post seventh grade football team walloped Tahoka 36 to 8 in their 1979 home finale.

Ollison totaled up 126 yards from scrimmage in six carries for two touchdowns while Massey had 77 yards rushing in seven carries and scored three touchdowns, one on a 65 yard kickoff return which doesn't figure in the rushing statistics.

Ollison broke 65 yards on Post's first offensive play in the first period for his first touchdown after Post had halted a Tahoka drive on its own 35.

In the second period Massey got his first td on a 13 yard end run to cap a

six-play 42 yard drive. Ollison swept end for the two point conversion.

Post ran only eight offensive plays the first half as Tahoka kept the ball on long drives but was unable to score.

Massey put the game out of Tahoka's reach to open the second half when he returned the kickoff for his second touchdown. Wingback Curt Greer ran off tackle for the two conversion points.

After recovering a Tahoka fumble later in the third, Post drove 34 yards in five plays with Massey turning end for the final 13 yards and his third touchdown. Quarterback Joel Kirkpatrick passed to Greer for the conversion points.

Tahoka got his touchdown

midway in the fourth, scoring on a reverse against the reserves and adding a two-point conversion.

Ollison got his second score on the last play of the game — remember he got his first td on the first play offensively — by going 15 yards to cap a late Post drive.

Wingback Greer got 33 yards rushing on three carries and Fullback Danny Storie 12 in two to bring Post's offensive total to 229 yards.

The seventh graders with only one district loss on their record — to Slaton — will wind up their season tonight at Frenship.

Three TDs called back, but— Frosh defeat Tahoka 14-0

The Post Freshmen had three touchdowns called back by penalties at Tahoka last Thursday night but plunged for two scores the officials didn't flag back to "post" a 14-0 decision over the Tahoka freshmen.

There was but 4:49 left in the second period when Post got on the scoreboard for the first time as Tailback Will Kirkpatrick capped a Post drive to score from three yards out on a dive play and then kicked the extra point.

The last score came with 6:17 left in the fourth when Wingback Richard Cisneros slashed three yards off tackle to finish off another scoring drive. Kirkpatrick again kicked the point.

Post scored 14 first downs to 6 for Tahoka, out-rushed

their hosts 262 yards to 65. The locals completed three of 12 passes for 57 yards and had two intercepted, while Tahoka connected on two of 4 for 16 yards with no interceptions. In total yards, Post had it all over Tahoka 319 to 81.

The whole 31-player Post squad saw considerable action with Cisneros and linebacker and strong guard Toby Craft turning in outstanding games.

The victory brought the frosh seasonal record to 7-2.

They will close out their season here tonight in a battle with Frenship for second place in the district. Each has lost only to Slaton in district play, Frenship bowing 7-0 and Post 14-6. Slaton is expected to finish as district champion.

Slaton favored to grab crown

The undefeated Slaton Tigers will be favored to capture the first undisputed 5AA football title in five years at Tahoka Friday night when they square off against the Bulldogs in the season's finale.

The Tigers clinched at least a share of the title again by defeating Seminole 17 to 7 at Slaton last Friday night in the showdown class between the district leaders.

The Tigers didn't complete a pass as they punched out the triumph with 240 ground yards.

Fullback Jesse Titus ran 61 yards for one touchdown, Michael Whaley got the other on a nine yard end run, and Titus added a 37 yard field goal.

One 65-yard Slaton drive was halted by Seminole inches from the goal line.

The Indians drove 80 yards in the second period for their only score.

Three lost fumbles and two pass interceptions proved very costly to Seminole.

The Tigers had no turnovers and the tighter defense.

Tahoka, which has only a loss to Seminole on its

district record, can divide the district title into three pieces again if they can defeat Slaton.

That's the way things have gone in district for the last five years. In such a case a double coin toss would be necessary to determine which team would advance into the post-season playoffs.

To win, the unbeaten Tigers with the stronger defense must keep either Tracy White or Clifford Oages, the Bulldogs' two breakout threats, from getting loose.

Post kept them fairly well bottled up for 46 of the 48 minutes here last Friday night.

Also on the final weekend of the football season, Roosevelt will journey to Denver City where the Mustangs will be seeking their third straight victory, Cooper will go to Seminole and Post will invade Frenship.

Denver City defeated Frenship 27 to 17 at Wolforth last Friday night and Roosevelt hung on to edge Cooper, 14 to 6.

Does tip off cage season here at Saturday

JUNIOR VARSITY TEAM — Coach James Easterling's JV girls will play a scrimmage game here Saturday in the Antelope gym against Seagraves. Seagraves is scrimmage foe

The Post Does will open their winter basketball season here at 2 p.m. Saturday in the high school gym in a scrimmage against Seagraves under a new coach who learned her basketball playing two and one-half years for the top notch Wayland Flying Queens.

Coach Sonja Curry, who also has completed a year and a half of graduate study at Pan American University, is the new head coach of girls sports at Post High School — and she is installing some innovative ideas with the Does who have been working out since Oct. 15 when after school workouts started.

For the early games, Coach Curry plans to play two five-girl teams equal time to get the whole squad ready for district action.

In fact, the two teams will divide each quarter and play four minutes each.

Will she stay with the two-unit plan even if Post is losing?

"We're not going to lose," she replied. "We have a group of girls who can play."

They can run too. All basketball candidates have been running two miles daily since school began. That was another of Coach Curry's ideas. She says her varsity squad is now in excellent condition.

Coach Curry reports the Does will use the "stack offense" with a double low post and one low forward.

That means three players inside with another forward working in and out. That leaves a single point guard outside.

She explains this offense is designed to do equally well against either a man to man defense or zone.

On defense, the Does will play mostly man to man but will also zone on occasion.

Coach Curry said one of her two teams is working on a full court press and the other on a half court press. Both are also working on the fast break offense for use when the opportunity presents itself.

Coach Curry is a very positive thinker.

Not only does she think the girls can win staying with a two-unit system but she adds in looking forward to district play: "I think we can challenge anyone in district."

Coach Curry has been working with an 11-player varsity squad, will serve as coach of the freshman girls team as well, and has overall charge of the girls basketball program which includes five teams — 7th and 8th grade, freshman, JVs and varsity.

Coach Lu Allen and Coach James Easterling will assist her with Coach Allen handling the seventh and eighth grade girls teams and Coach Easterling the junior varsity.

Ten girls are on the freshman squad with eight on the junior varsity. Some of the freshman may be promoted to the junior varsity, Coach Curry indicated in an interview on her plans with The Dispatch last weekend.

The first varsity unit is composed of Donna Baumann and Melisa Tatum, both seniors, at the low posts, with Marinette Hays and Holly Giddens, both juniors at forward, and Amy Thuet, another junior, at guard.

The second varsity unit is comprised of Jerri Baumann, a sophomore, and Luann Kennedy, a junior, on the low posts, Julie Davis, and Dee Dee Redman, both juniors, at forward and Sharla Macy, another junior at guard. Patricia Craig will also work at forward with this unit.

Navy man is promoted

FHTNC — Navy Operations Specialist 2nd Class Troy L. Gilmore, son of Troy Gilmore of Matt's Hotel, Post, Texas, has been meritoriously promoted to his present rank and is participating in exercise "Ocean Safari 79."

He is a crewmember aboard the guided missile cruiser USS Dale, homeported in Mayport, Fla., and currently deployed with NATO's Standing Naval Force Atlantic.

Trappers to hold big turkey shoot

DICKENS — The Caprock Trappers Association reminds its members that it will hold its all-day turkey shoot Saturday, Nov. 17, at the Dickens Rifle and Pistol Club, three miles north of here on Hwy. 70.

There also will be a trap setting demonstration, lure and baits will be available for sale.

Also the organization is planning its fur sales scheduled for the first

Saturdays in January, February, March, and possibly April in the old high school gym in Roaring Springs, one block off Hwy. 70.

Fur buyers from all over the nation plan to be on hand. All reports indicate stable fur prices.

Preston Mynatt, public relations director of the association, also advises members to "hand on to those non-target animals such as skunks, possum, badgers, etc. With the current rabies status in Texas Caprock, he urges you not to release these animals.

Their fur can help pay many of your expenses and all indications show that non-target animals are in over abundance which is the primary cause of the rabies epidemic.

"We urge members to

wear rubber gloves in all your handling of the pelts as Dr. Board of the Texas Department of Health says that skunk, possum, raccoon are the highest percentage of rabies carriers," Mynatt said.

"If possible you should contact Dr. Board at the health department in Lubbock to receive the rabies prevention vaccine. Of the 20 or so of our members who have received this, we have no reports of any side effects from the vaccine."

Bud Howell reports here— More fishing and water violations

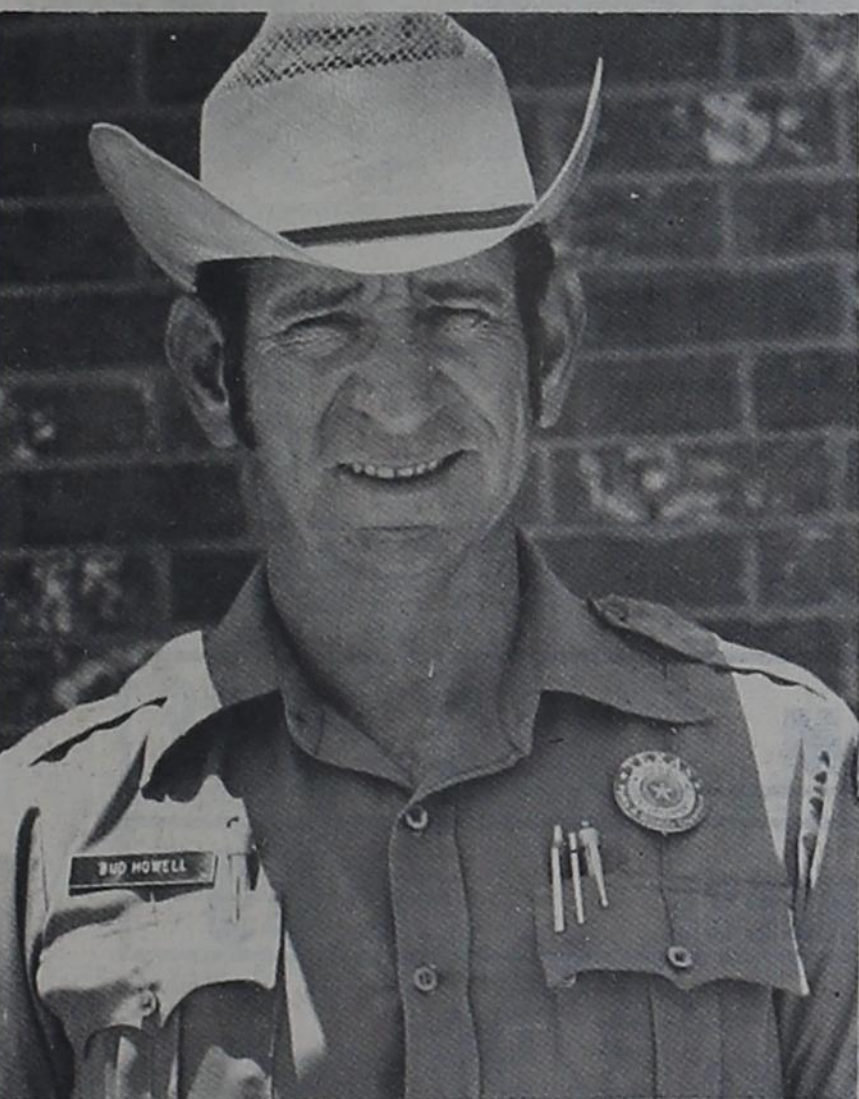

(EDITOR'S NOTE — This is one in a series of profiles of West Texas game wardens by the Texas Parks and Wildlife Department.)

POST — Increases in the number of fishing and water safety violations are being reported by Warden Bud Howell in Crosby and Garza counties.

The warden, a 19-year veteran of the law enforcement division of the Texas Parks and Wildlife Department, is finding an increase in water utilization on area lakes such as fishing and skiing each summer.

Hunters and hunting pressure is also increasing in the two counties due to the ideal habitat for wildlife.

The warden and his wife, Mary Ann, reside near Post. Howell asks that all game, fish and water safety violations be reported to him for investigation. The officer can be reached by calling 806-485-2567 or 806-495-2185.

8th graders can win grid crown at Frenship

Post's eighth grade football team, undefeated in district play, will play Frenship at Frenship tonight for the district football crown in the final game of the season.

The locals scored an 18 to 8 victory over Tahoka here last Thursday night in a defensive struggle to keep their district record unblemished.

Tailback Milton Williams scored all three Post touchdowns, getting 115 yards rushing in 12 plays plus a 35-yard scoring punt return and a 70-yard kickoff return for the final local td on the opening play of the second half.

Fullback Giles Dalby had 28 yards rushing in four carries, Tailback Jeff Lamb 11 in two and Wingback L. D. Harper 13 in one carry for a 179 yard rushing total

for Post.

Williams put Post ahead in the first period when Tahoka was held deep in its own territory and forced to punt out. Williams took the ball on the Tahoka 35 and ran it in for the score.

In the second period

Williams ran 34 yards off tackle for Post's second touchdown.

Tahoka got its score in the fourth when the visitors recovered a Post fumble inside the Post 15 and drove it in and added a two point conversion.

'You Can't Take It with You' delights reviewer

The all school play "You Can't Take It With You" was presented Saturday night in the Primary Auditorium to a near capacity crowd of delighted Post folks. The play was a great success and was two hours of comedy superbly done by the cast and the director, Mrs. Dianne Lewallen Davis.

The comedy in three acts written by Moss Hart and George S. Kaufman kept the crowd in stitches with the unexpected turn of events of a not so ordinary family trying to go through the growing pains of everyday life. Each member of the Vanderhoff family is an individualist, living in a house where you do as you like, with no questions asked.

It would be impossible to give any one cast member more credit than the other, each played their part to perfection. Leanna Davis, who portrayed Mrs. Sycamore and Lillian Cendalski who played the Russian ballet teacher kept the crowd roaring with delight as they steered the events of each scene they were involved in.

Cast members included Tom Tallent as Martin Vanderhoff (grandpa), Leanna Davis as Penelope Sycamore; Cindy Polk as Alice, Lance Dunn as Tony Kirby; Tim Tatum as Mr. Kirby, Susan Sawyers as Mrs. Kirby; Holly Giddens as Essie; Benny Jackson as Ed, Lilly Cendalski as Borisa Kolenkhov, Jay Young as Mr. DePinna, Donald Edwards as Paul Sycamore, Judy Morris as Rheba, Bill Short as Donald, Rhonda Rogers as Joy Wellington, Jay Young as Henderson, Rachele Smith as Olga, Chuck Black and Kelly Mason as two men.

The play centered around the events of a normal family, the growing up of the children, Alice falls in love with the boss's son and wants her family to make a good impression on them; Mr. Sycamore and Mr. DePinna are busy with their manufacturing of fireworks in the basement of the house and Mrs. Sycamore getting on with her playwriting.

Grandpa gives his views on how to live life to the fullest without working and the trials he goes through with the IRS. The Kirby's, played by Tim Tatum and Susan Sawyers, the rich uppity parents of Alice's fiance Tony throw things into an uproar when they appear at

Man dies before murder trial

The sheriff's department here has been notified that William Reed, former Post resident who was due in court Nov. 25 here to stand trial for the murder of his wife, Oct. 29, 1978, died about three weeks ago. Reed had been out on bond awaiting his trial.

Carol of lights Tech tradition

LUBBOCK — It began in the late 1950's. Now two decades later, the Carol of Lights has become a Christmas tradition of Texas Tech University.

Lights will be turned on Dec. 7 as the university prepares for another holiday season. Reflecting the theme of "An Eternity of Light," approximately 28,000 red, yellow and white lights will outline the Mass Communications, Math, Science, Chemistry, Holden Hall, Administration and Home Economics buildings.

Work crews began stringing lights for the Carol in late October. More than 47,000 feet (nearly ten miles) of electrical wiring will be used.

The idea for lighting the campus was conceived in 1958 by Harold Hinn, former member of the Texas Tech Board of Regents and Foundation Board. Hinn provided the first 5,000 lights for the annual affair.

the Sycamore home on the wrong night for dinner. The events following their unexpected arrival are hilarious and Mr. Kirby (Tim Tatum) really winds up with the worst of the lesson on how to get along with the people below you when Mrs. Kolenkhov tries to remedy his indignation by giving him a solid blow to the abdomen and then throwing him to the floor in a very realistic "wrestling" hold.

Rheba, the maid played by Judy Morris and her friend, Donald played by Bill Short hurriedly gather up enough food for the meal, if you could call it that, and their dilemma is funny too.

There is never a dull moment on stage as events go from one extreme to another. It was a delightful evening out and those of you who missed it, missed a very enjoyable experience. — Beth Short.

Band boosts rating to III

The ever improving Antelope Marching Band rated a III in the UIL Region 16 marching contest at Texas Tech Wednesday Nov. 7. The band was in contest with 14 schools in their region.

Some of the close area bands and their ratings were Tahoka IV, Seminole II, Slaton II, and Roosevelt III.

Steven Clary, band director, stated that he was extremely pleased with the performance of the band, which received a higher rating this year than last year.

Judges for the contest were Harold Brinson of Angelo State University, Lynn Lowe of Mexia High School and Mike Marsh, of Fort Stockton, and their decision was a unanimous III.

The next contest for the band, the concert and sight reading contest will be April 22 at Sundown high school.

Also the band and choir concert will be held Dec. 17, at 7:30 p.m. in the Primary Auditorium.

Garza gets new well, location

General American Oil Co. has completed its No. 10-B Post Estate, a shallow oiler in the Garza field one mile south of Post. It pumped 30 barrels of oil daily and 169 barrels of water on test from an interval of 3,864 to 3,002 feet.

A new location this week is J. C. Stelzer's No. 1-A McCrary, 14 miles southeast of Post. It will be drilled to 2,800 feet.

TEEN SCENE

By Norm

I hope you missed reading this little Tid Bit last week, because of the number of ads I had to set, no time for my column. But glad you missed it!!!!

We'll begin with Adolfo Varela who still remains in University Hospital in Lubbock, but has been moved from Intensive Care to a private room. He is slowly recovering and I know would enjoy hearing or visiting with you.

Heard from Scott Walker this week and his school, San Antonio Madison will be playing for Zone Champion (I think). Anyway, Madison is ranked 10th in the state and they will be playing No. 1 ranked Kerrville Friday. Scott has contributed time and again to the wins this year and we wish him the best for this game and the ones to follow.

CONGRATS to the play cast members of "You Can't Take It With You." It was a huge success and a real crowd pleaser. All those practice hours really paid off. Lillian, where did you ever find those red bloomers?

Happy Birthday this week goes to CHUCK MORRIS, PATRICIA CRAIG AND KIRT ROBISON. See Chuck, I didn't forget.

Lots of people were home this weekend from college. Danny Nelson, Bryan and Beth Elliott, Bruce Waldrip, Carlos Varela, Jay Lott, (who complained about not getting his paper until Friday), Mike Dye, Raymie Holly, Bryan Compton, Danny Gunn, Darrell Reece, Dale Redman and a very pretty friend, Kyle Duren and another pretty friend, and Jeff Lott. Jeff didn't play until Saturday, so he and his family attended the Lopes game.

Also heard about Larry Dodson and would like to pass along his address to you so that you may write to him. Remember he is a long way from home and any little message will cheer him, whether it be from one of his friends or an adult. He is in Englewood, Colo., for rehabilitation. Write him: Larry Dodson, Craig Hospital, Rm. 315-B, 3425 South Clarkson, Englewood, Colo., 80110. Telephone number is 303-762-3040. He told me he was anxious to get up there and see it snow, well after watching the Denver ballgame Sunday, I think Larry got his wish in a hurry.

Football is just about over with the final game to be Friday night. I think the Lopes are to be congratulated for a great team effort for the season. Not always on the winning side, but everything they did was a team.

If you think with football ending Friday night, that there is a respite, you're wrong. Basketball begins Saturday, (the following day) for the JV and varsity girls when they scrimmage against Seagraves here beginning at 2 p.m. SEE YA THERE!

Sorry about the Youth Center being closed Tuesday night, but had to make a trip to Kerrville to attend a funeral for a family member. And that makes me think that beginning next week the center will change its days again to Thursday and Saturdays. I am a great believer in supporting whatever school function is taking place and basketball will be played on Tuesday and Friday nights, thus the reason for the change.

I guess you've noticed that Mark Short is sporting a new blue Trans-Am. Pretty Mark.

And Congrats to the Band for their finish in the marching contest. Sorry it had to rain and be all slippery and cold.

GO LOPES, BEAT FRENSHIP!!!!

STATE CAPITAL HIGHLIGHTS
By Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN — Voters approved two constitutional amendments last Tuesday and rejected one which would have authorized the Legislature to override rules made by state agencies on certain matters.

Favored solidly were amendments changing the method of appointing notaries public and creating guaranteed loans for family farms and ranches.

Boosters of the farm and ranch loan amendment were fearful that the low turnout in rural areas would defeat the proposal, but urban voters in Houston, Austin and Dallas-Fort Worth voted its passage. The bill's sponsor, State Rep. Luther Jones, D-El Paso, had traveled the state seeking editorial backing and was not disappointed.

Legalizing Aliens

Gov. Bill Clements said he thinks the United States and Mexican governments will act soon to remove "illegal" from the term "illegal alien."

The reason: the large population of undocumented Mexican workers in the U.S. — estimated at 3 million — should be documented.

Clements said he expects the aliens to be given visas or work permits for three, six, nine and 12 months. "They would be given a Social Security number, pay taxes, be protected under the law, enjoy municipal benefits, and be paid a fair wage," Clements said.

Such documentation may also take the guesswork out of the problem of educating the children of illegal aliens, an issue recently complicated by a Justice Department brief charging the Texas Education Code is unconstitutional.

The code was amended in 1975 so that only citizens and legal aliens have the right to a free education in the public school system. It's the Texas practice of charging tuition to illegal aliens that is said to be unconstitutional, a matter under scrutiny with the 5th U.S. Circuit Court of Appeals.

Special Session Postponed

Clements is keeping legislators guessing again as to exactly when he will call his promised special session of the Legislature to pass his favorite bills.

Last week Clements said he has ruled out next January and will call lawmakers back to Austin for 30 days in either March or September of 1980.

Most legislators seem to be expecting a September call, right before the November elections. Since most incumbents are Democrats, a special session then would

keep them busy in Austin while their Republican opponents are campaigning back home. And of course, any vote an incumbent might cast during the Legislature is a fair target for an opponent stumping back home.

Clements, a Republican, has listed initiative and referendum, wiretapping in narcotics cases, and tax relief as his main subjects for a special session.

Radioactive Waste

Low-level radioactive wastes from other states are accumulating in Texas because there is no place in the nation to store them permanently.

Recent shutdowns of radioactive waste dumps in Washington and Nevada have caused the pipes to back up, so to speak, and about 2,000 drums of waste per month now arrive in Texas.

Texas Health Department officials say the waste generated from hospitals and labs does not constitute an immediate problem; it may be stored from six months to a year.

Last spring the Legislature defeated a bill which would have created a low-level radioactive dump in Texas because of the small penalty included for illegal dumping. Some Capitol insiders are now saying such a bill will crop up again in the Governor's Special Session. It may be needed to eliminate the waste already in Texas, and Clements long ago gave his approval for the creation of such a dump.

Lax Controls Charged

State and federal officials attending the National Conference of State Legislators in Austin last week said that shippers of nuclear waste are likely to encounter a federal inspector once every 20 years.

Such shipments of waste are transported on the nation's highways, and Texas does not have enough of its own inspectors to adequately monitor the 2,000 shipments per day to Texas. Texas Health Department officials say there is not enough money or personnel to enforce shipping regulations.

AG Briefs

In a legal opinion filed last week Attorney General Mark White found there is no violation of the federal Family Educational Rights and Privacy Act of 1974 when a state-supported college provides a student with direct access to his or her medical records as required by the Texas Open Records Act.

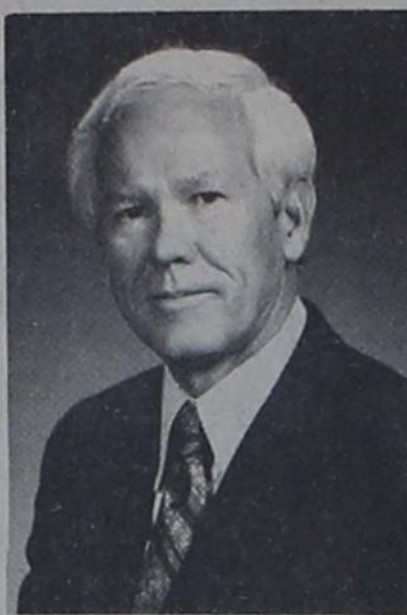

Union thanks service set

The Post Ministerial Alliance will sponsor a community-wide Thanksgiving service, Tuesday night, Nov. 20, at 7:30 p.m., in the Community Center.

The Rev. Malcolm Neyland, pastor of Holy Cross Catholic Church, will speak. The service will also feature brief messages from laypersons, Charles Adams, Jack Alexander, Collie Gatlin, Marita Jackson, and Ruby Kirkpatrick.

Special music will be provided, and an offering will be taken to support Alliance ministries.

Dr. Frank Pickett, president of the Alliance, stresses that the whole community is cordially invited to participate in the service.

NEW PRESIDENT — Coffee R. Conner, former Lubbock banker for 22 years, has been named president of the Sentry Savings Association and also a director.

Congressman Charles W. Stenholm

Congressional Comment

WASHINGTON, D.C. — For many years now there has been a continuing controversy over the separation of powers between state and federal governments. Their lines of authority have been blurred as power has become centralized in Washington and local control has suffered.

Education has traditionally been an area where state and local governments have determined the allocation of resources. But in the last several years the tenacles of the federal bureaucracy have gradually increased their control over our schools.

Recently \$4.1 million in scholarship money for Texas students was impounded by the Office of Education because of a confrontation over the states' right to maintain their own quality standards for higher education. The federal government was pressing states to broaden their criteria for participation in the State Student Incentive Grant program. This action would have forced Texas to share grant funds with an additional 34 nonprofit postsecondary institutions which were not accredited and were not recognized as institutions of higher education by the state. The end result would have been a weakening of the standards of quality that our state officials have sought to maintain.

It was the position of our educators to resist this federal intrusion into state authority. At the risk of losing these funds, the Coordinating Board of the Texas College and University System held firm. A legislative solution was worked out. The Congress passed a provision that would exempt states from the requirement to make all nonprofit institutions eligible for the State Student Incentive Grant program. This is one small victory for local control of education.

If this action had not taken place 10,000 students attending public and private colleges and universities would not have received their scholarship aid for the spring semester. It is indeed callous of the Office of Education to threaten these students because of a bureaucratic dispute.

It is evident that most Americans are dissatisfied with the way the federal government spends our tax dollars. A recent survey done by the Opinion Research Corporation found that citizens believe the services rendered by Washington are inferior to those received by local governments. They found that only 29 percent of respondents believed the federal government is

TRUE!

A move is under way to abolish the exclamation point. People aren't surprised at anything any more.

If California were to adopt the same auto emission standards that now apply in the rest of the country, new cars there could improve their mileage, experts at Mobil estimate, by the equivalent of about 420,000 gallons of gasoline a day!

High grades, low mikes for cotton

High grades, normal staples and low mikes — that's this year's High Plains cotton, according to Paul R. Dickson, Area Director for USDA's Cotton Division Offices on the High Plains.

About 75 percent of the samples graded in the white grades the week ended November 8, Dickson said.

Staples 31 through 33 accounted for 87 percent of the samples while 80 percent miked below 35.

Predominant grades for the week were grade 31 at 22 percent, grade 41-43 percent, grade 32 — 10 percent and grade 42 — 14 percent. Three percent of the samples were reduced one grade because of grass and one percent for bark.

Predominant staples were staple 31 at 29 percent, 32 — 44 percent and 33 was 14 percent.

Mikes 35 — 49 accounted for 20 percent, 33 — 34 was 16 percent, 30 — 32 was 38 percent, 27 — 29 was 24 percent while 26 and lower accounted for two percent.

Average breaking strength was good at 87,000 pounds per square inch.

Prices paid for growers for their 35 — 49 mike cotton ranged between 750 and 1050 points over 1979 loan rates. Growers sold mixed lots of mostly grades 42 and better, staples 30 — 33 miked 35 — 49 around 55.65 cents per pound — down 75 points compared to a week ago. Lower mike cotton brought 400 to 750 points over '79 — loan rates, according to USDA's Agriculture Marketing Service. Gins paid growers 110 to 125 dollars per ton for cottonseed.

BISHOP FLEMMER

Father here for preaching

Bishop Adolph Flemmer, father of Leon Flemmer, pastor of the Church of God of Prophecy here, will be preaching nightly here through next Wednesday at the local church.

Services which begin at 7 p.m. nightly opened last night.

Bishop Flemmer is pastor of the Church of God of Prophecy in Stockton, Calif.

Entering the ministry in 1948, he has served his church as state overseer of Oregon, British Columbia, Saskatchewan and Manitoba in Canada, and in the same position in Montana and also as national overseer of West Germany. He also has served as state evangelist of California.

United Fund—

(Continued From Page One) they are really big odds and ends," he concluded.

He requested all division chairman and business division workers to complete their assignments by Tuesday of next week and turn in contributions they then have in hand.

Ruidoso had a Roland G. Walsh Day to honor him in November, 1974.

Walsh, who is 6 foot 3 inches in height, told Alexander he wants to make Post the last stop in his hospital administration career.

The directors here have been a considerable period of time checking applicants. They have been looking not for a young administrator who would use the position as a stepping stone, but for an experienced administrator who wants to stay.

Five Injured—

(Continued From Page One) quez and Loredo were still in the hospital here Wednesday, but were not reported in serious condition.

Trooper Cardinal said a driving while intoxicated charge has been filed against Mendez, driver of the car which crashed into the rear of the other. Both vehicles were totaled.

Cardinal said both city-county ambulances here were called to the scene to transport the five injured men.

In another Sunday morning accident, which occurred at 4:45 a.m. 9.7 miles northwest of Post on US-84, Ray Soto of Post went to sleep driving home from Lubbock and crashed into the side of a semi-trailer driven by Wallace Stotts, Jr. of Hereford. Neither man was injured, Cardinal reported.

Pay hikes—

(Continued From Page One) port showed 53 patients admitted in October for a total of 200 patient days for an average stay of 3.7 days and with the average patients per day for the month at 6.4 patients.

Ten babies were born in the hospital during the month and there was one patient death. One hundred and seventy-seven outpatients were treated.

Operating expenses for October totaled \$47,174.41 with \$25,290.89 collected on patient accounts and \$202.68 received in tax payments.

The hospital's accounts receivable now total \$89,898.79, broken down into \$18,976.74 Medicare outstanding, \$38,160.33 in other insurance payments outstanding, and \$32,761.72 in accounts of patients.

Scouts plan 50th party

Jerry Stegall, scoutmaster of the Rotary sponsored Boy Scout Troop 319, told Post Rotarians at their Tuesday luncheon in the community center that the troop is planning a 50th birthday party to which interested Rotarians will be invited.

He reported the troop now has an active membership of 22 boys with a campout planned this weekend. "We're still growing and going," he told Rotarians, "with eight Eagle Scouts developed in the troop in recent years."

Stegall introduced Gary Lamb, the troop's senior patrol leader who also was a guest at the luncheon.

The local civic club has sponsored the troop throughout its 50 years.

Postings—

(Continued From Page One) least until noon.

The ad deadline is Friday noon and it will be a very holiday paper with plenty of Thanksgiving ads.

We have long been believers in taking a break in a busy newspaper routine whenever possible — and holidays on Thursday do make it possible. We'll spend ours in Houston with Walt and Chris and our two granddaughters.

Longshore—

(Continued From Page One) Abilene and Elmer Gibson of Watsonville, Calif.; three grandchildren and two great-grandchildren.

Pallbearers were Luke Bilberry, Buck Craft, Benny Wilks, Bob Dietrich, W. H. Childs, Jack Morris, Jim Bob Shults and Clarence Gunn.

Guichard—

(Continued From Page One) and Sandra Hopkins both of Lubbock; two sisters, Lillian Adair of Henderson and Blossom Diggs of Las Vegas, Nev.; two brothers Tommy Brown of Dallas, and Ira Dale Brown of Garland; and a grandson and step mother.

Pallbearers were Preston Pool, Bob Collier, Malachi Mitchell, Leroy Demming, Arthur Kelly and Jack Lott.

Norman—

(Continued From Page One) four brothers, E. M. and Glenn, both of Post, A. B. of Levelland, and W. H. of Plains; two sisters, Erlene Saage of Slaton and Mary Alice Teaff of Post; 10 grandchildren and two great-grandchildren.

Pallbearers were Dean Medlin, James Melton, J. B. Rackler, Olin Long, Elmer Rash, Lee Norman, Jerry Osborne, and Gerald Norman.

Bennett rites are Saturday

Funeral services for Cory Bennett, 67, of Post were held Saturday Nov. 10 at 2 p.m. in the Pleasant Home Baptist Church in Post with the Rev. Arthur Kelly, pastor officiating.

Burial was in Terrace Cemetery under the direction of Hudman Funeral Home.

Mrs. Bennett died last Thursday in a Tahoka hospital following a lengthy illness.

A native of Rosebud, she had lived in Post a number of years. She was a Baptist.

Survivors include a daughter, Nettie Fletcher of Post; a son Ulce Vics of Post; a sister, Emma Jean Jackson of Plano and two granddaughters.

School board meets tonight

Post school trustees have postponed their November meeting from Tuesday night to tonight and will convene at 7:30 p.m. in the high school library to consider the following agenda:

A report from Joe Hall on the Middle School project and plans for the cafeteria project; appearance of Jim Jackson and Jimmie Redman before trustees to negotiate for use of the "old" football lights at Antelope Stadium which were replaced this past summer;

A salary change proposal by school principals; election of candidates to the new tax appraisal board; a report and possible action on trash around the junior high school.

COTTON TODAY
A NATIONAL COTTON COUNCIL SERVICE

Exports Hit Record
New record sales of 441,000 running bales of upland cotton during the week ended October 28 pushed the season's total orders to 5,996,800. The principal buyer was China, 270,000 bales, bringing its total commitment for the year to 1,281,000. The week's totaled 61,500 bales, and moved the season's shipments to 1,228,900.

Dust Standard Rehearing
National Cotton Council has filed for a rehearing on the cotton dust standard recently upheld by a federal court. The petition centers mainly on the court's finding that: (1) the standard is economically feasible, and (2) the Occupational Safety and Health Administration is not required to determine whether the standard's costs bear relationship to its benefits. NCC also said it will file a petition requesting continuation of a stay, in effect since October, 1979, for the standard.

Labor Department Criticized
Fifty-two Senators have signed a hand-delivered

letter to Secretary Ray Marshall expressing increasing concern over the Department of Labor's administration of the Farm Labor Contractor Registration Act. The National Cotton Council had urged that action be taken on this matter. The letter was sparked by the growing number of actions in which the Labor Department has ruled that farmers, ginners, and others are required to register as farm labor contractors. The requirements include fingerprinting, salary disclosure, and posting signs describing job functions and pay scale. In the letter, the Senators urged the Department to review its present policy and concentrate its resources on curbing abuses by unscrupulous crew leaders as Congress intended.

And Cotton Yesterday
An area in Oklahoma in 1912 was named Cotton County in recognition of its principal crop.

Argumentative souls, short of facts, are very argumentative.
