### First Night's Performance Goes Off Well

A surprising crowd, considering the weather, had a big time last night at the muddy opening performance of the Post Stampede and Rodeo which will be held here each night through Saturday. It was estimated that between 2,500 and 3,000 spectators ignored the dampness and threatening showers to see how a cowboy looks being pitched off a bucking Brahma into a puddle of water.

Although the muddy arena slowed up the calf ropers, the sloppy condition added to the general fun of the show. The clown, Lewis Blair and his "educated" mule, of course, took advantage of the situation to put on the best show local clowns have witnessed here.

Results of the first go-round of the bronc and Brahma riding will be announced by the Post Stampede and Rodeo Association after tonight's performance, which begins at 8 o'clock.

The Cowgirl Sponsor Contest, scheduled for last night, will be combined with tonight's contest. It was the only one of last night's events postponed because of the weather.

The best time in calf roping last night was made by Harold Childs, who roped and tied his calf in 17.8 seconds. Floyd Lamond made the best time in double mugging, 34.6 seconds, and John Wallace of Knox City was second with 36.

Jess Everett of Snyder won first and second places in the cutting horse contest last night. First was with Warsaw, 236 points, and second was with Troubles, 230 points. J. P. Hall of Girard on Smoky, Jeff Beal of Brownfield on Satan and Olen Bryant of Floydada on Brownie tied for third place, with 175 points each. In the post-performance double mugging and calf roping contests, the best times were made respectively by Roy Echols of Abilene, 34.9, and Jack Hill, 31.4.

Last night's rodeo dance was held in the American Legion Hall, but if the weather permits, the remaining three dances this week will be on the pavilion at the rodeo grounds immediately after each evening's performance. Good crowds attended the Tuesday and Wednesday dances.

Each rodeo performance will be preceded by a parade in downtown Post at 7 p. m. Last night's parade was more than three blocks long.

### Lubbock Vehicles Collide In Post

Drivers of an automobile and a truck, which collided on Highway 84 in north Post Friday, were charged respectively with speeding and making an improper left turn. The automobile driver, who received an injury to his nose in the collision, paid a fine of \$1 and cost in justice of the peace court. No disposition of the other case had been made by press time, Peace Justice Jim King said.

Both men were from Lubbock, the truck driver operating a six-wheel vehicle belonging to an oil company. The truck driver, who was traveling from Lubbock, made a short turn from Highway 84 toward the cutoff to the Ralls road, and his truck was hit by the Lubbock-bound car.

King reported also that during the past week that a fine of \$1 and cost was collected on a charge of driving without an operator's license, and that fines of \$1 each and cost were collected on two old speeding charges and each of the two defendants paid an extra fine of \$5 and cost for failure to appear when the speeding charges were first filed.

### B. F. Hagood Dies In Atkinson Home

Funeral services for B. F. Hagood, 79, a retired Garza County farmer, are tentatively set for tomorrow afternoon at the Calvary Baptist Church with the Rev. D. W. Reed officiating. Burial will be at Afton, Mason and Company reported.

Mr. Hagood died at the home of a daughter, Mrs. Jasper Atkinson, this morning after several months illness.

### Fire Protection Facilities To Be Improved In City

Plans are under way to improve the fire protection system in Post for additional protection of the lives and property of the citizens and, in this respect, Mayor John T. Herd and City Water Supt. R. H. Tate have been conferring with engineers of the Texas Fire Insurance Department who recently visited Post.

Already the city has started painting fire hydrants, aluminum and red, so that they can be easily seen day or night by the fire trucks, Tate said.

The engineers provided Herd with a map on which a future program of improvement was outlined for suggested changes to be made in the waterworks distribution system.

In the near future, the city officials will meet with Fire Chief Homer McCrary to discuss possibilities of a program of drills and of sending at least two members of the fire department to the Firemen's Training School at College Station, beginning July 10 and to discuss equipment maintenance. The city also plans to buy additional fire hose.

Other improvements are also under consideration. More details will be announced later.

### Garza Beats Kent In Roping Match

The Garza County Calf Roping Club defeated the Kent County Club by 225 seconds in a roping match Saturday night in the Post Stampede arena. Five ropers from each club roped four calves each, the Garza Club having a total of 635.6 seconds and the Kent Club having a total of 658.1 seconds.

The Garza ropers were Dub Gray, whose 108 seconds on four calves was the best time made by the locals, Lewis Nance, R. E. Josey, Floyd Lamond and Smoky Woods.

Kent ropers were Bobby Bird, whose 72.6 seconds on four calves was the best time of the show, Murry Rogers, Bilby Wallace, Manuel Davis and Rhone Rogers.

Two jackpots followed the match.

### ADOPTION GRANTED

An adoption was granted in District Court here Monday, Judge Louis B. Reed of Lamesa presided.

### School Board Is Considering Plan For New Building

The Post Independent Consolidated School Board met at the high school building Tuesday night to discuss an architect's sketch of the proposed new grade school building.

The board will meet again Monday night to select a bond man to draw up a petition calling for a school bond election.

Details of the proposed plans for a new school building will be announced by the Post Dispatch next week.

The board accepted the reconstructed and remodeled barracks building which was bought for the negro school, at the Tuesday night meeting. The building is now ready for use, and will be used for the first time when the negro school opens in the fall.

### OUT OF CIRCULATION

By yesterday afternoon, only one "rodeo drunk," had fallen victim of the watchfulness of the Garza County Sheriff's Department. Arrested Wednesday morning, he was in jail at last report.

### Sheeting Thieves Didn't Care If Sheriff Was Near

While Sheriff E. M. Bass was drinking coffee in the Postex Cafe, adjoining the Postex Mills, Friday evening, bleached material for approximately 10 dozen sheets was stolen from the mill.

The mill's night watchman saw two people leaving the mill premises, carrying bundles of the sheeting. When his presence was detected, one of the persons dropped two bundles just before climbing over a fence.

McCampbell went into the cafe and reported the theft to the sheriff. Bass fingerprinted the bundles that were thrown away, but the thieves have not been found, he said yesterday.

### Oil Boom In Garza County By Mid-Summer Indicated

With pipe of all kinds now plentiful, with the price of oil staying up and with more and more companies watching the local activities, it is rumored in oil circles that drilling in this area will reach the boom stage by mid-summer.

Although at least two companies who have tentative plans for drilling several wells in the county soon are not ready to release any news, it is known that the Comanche Oil Corporation is planning to do some testing of the Ellenburger in the near future, although the location has not been determined.

The deep drilling will be done with the rig now on the Montgomery-Davies E. No. 1, west of the rodeo ground. This rig is capable of drilling to 8,500 feet or deeper. Its present operation is projected to approximately 3,000 feet.

The approach to Post on the highway from Lubbock has been leaving the impression that the oil boom is already on as in

(Continued On Page 4, Col. 5)

These clever home talent entertainers attracted good crowds in all the towns covered by the Post Stampede booster delegation last Thursday and Friday. The above picture was made in Lubbock where the boosters were officially welcomed by Rob Rose, a member of the American Business Club. It shows the Melody Maids, who presented vocal and dance numbers. They are, left to right, LaRue Stevens, Nelda Floyd, El Wanda Davies, Mary Nell Bowen, Barbara Norris and Anita Kenned. Other entertainers included Marca Dean Holland and Sherry Custer.

### Nearly 8 1/2 Inches Of Rain Fall In County This Year

The 1.7 inches of rain which fell here early Monday morning brought the year's total to 8.33 inches, as measured by the Double U. Company. The April total was 2.04 inches and the May total to date was 2.57 inches. The eight one-hundredths which fell Tuesday and yesterday's precipitation have not been added to the total.

The Monday morning rain was general over the county. It caused a few plains farmers to have to replant their cotton, but it did not damage the cotton which has a fairly good stand northeast of Post. It did, however, encourage the weeds, several farmers said.

Cotton planting will get under way all over the county as soon as the ground is dry enough, County Agricultural Agent Lewis Herron said.

Tuesday afternoon's precipitation was accompanied by small hailstones which did no reported damage.

### Parade Staged In Spite Of Weather To Launch Rodeo

Despite the weather, the 1949 Post Stampede and Rodeo was launched with a gala parade in downtown Post before the opening performance last night.

Led by the two Post fire trucks the parade included horses ridden by rodeo official, performers and merchant sponsors, visitors from Snyder and other places and members of the Sheriff's Posse of Lubbock, several automobiles with members of the Lubbock American Business Club and wives, the Post School Band in cowboy regalia and several clever floats.

For the second successive year, Nonnie Rodgers, riding for the Post Dispatch, won first place in the sponsor contest; Sandy Cross and Her Chuck Wagon, sponsoring for the First National Bank, took second, and Willie Ann Mathis, sponsoring for Maxine's was judged third, by an out-of-town committee.

### BUDDY POPPY SALE

R. E. Shedd, commander of the local Veterans of Foreign Wars post, announced yesterday that the annual Buddy Poppy Sale will be held in downtown Post Saturday, May 28. Members of the V.F.W. Auxiliary will be in charge.

### SCHOOLS OF COUNTY CLOSE THIS WEEK—

## Two Senior, Four Eighth Grade Graduations Listed

Graduates of two high schools and of four grade schools in Garza County have been enjoying a crowded week of activities. The climax, as far as Post students are concerned, is the commencement for P.H.S. Seniors at 8 o'clock tomorrow night in the school auditorium. The program has been announced, as follows:

Processional, Mrs. Ray N. Smith; invocation, the Rev. M. C. Rains, Church of God pastor; address, Kay Kirkpatrick, class president; salutatory address, Marjorie Freeman; valedictory address, Alice Ruth Carr; "A Perfect Day," sung by Robert Baker, Faye Ruth Hamilton, J. G. Cash, Joyce Veach, Carter Gene White, Alice Ruth Carr, Shirley Schmidt and Dorothy Mason, with piano accompaniment by E. O. Young, Jr.; class history, Faye Ruth Hamilton; presentation of class awards, S. D. Strasser; presentation of the Rotary

Club scholarship, Dr. Glenn E. Kahler; presentation of the class to the school board, Supt. G. R. Day; presentation of diplomas, Paul Jones; "Auld Lang Syne," Senior Class, accompanied by Faye Ruth Hamilton at the piano; benediction, the Rev. O. L. Jones, pastor of the Calvary Baptist Church; recessional, Mrs. Smith.

**Post Eighth Grade**  
"The Garden of Youth" is the subject for the Post Eighth Grade Commencement at 8 o'clock tonight in the high school auditorium. The program has been announced as follows:

Processional, Mary Nell Bowen; salutatory address, "Our Heritage," Ross Morrow; class song; valedictory address, "New Frontiers," Margaret Welborn; Outdoor Garden Scene, with Seniors as the cast, Darrel Jones as the cast, Darrel Jones as "The Voice of Time" and Dot Jones as "The Voice of the Sun

Dial;" class history, Danny Tillman; musical number by the class; class prophecy, Charlotte Brown; class will, Judith King; presentation of diplomas, S. D. Strasser, and recessional, Mary Nell Bowen.

Ushers will be Joy Martin, Virginia Berry, J. D. Butler, Sidney Caylor, Barbara Northcutt and Jackie Sue Dale.

**Southland High School**  
Nine Southland High School Seniors will be graduated Friday night in a commencement service which begins at 8 o'clock in the school building.

Dorothy Noe is valedictorian, Shirley Hambright, salutatorian, reporter, E. P. Wicker, Jr.

The commencement address will be delivered by Dr. David H. Templeton, pastor of the First Presbyterian Church here. The program will include: Processional, Mrs. H. Taylor; invocation, I. J. Duff; salutatory ad-

dress; class prophecy, Joyce Limmer; class will, Betty Winterpound; valedictory address; recommendations, Supt. C. S. Lindsey; presentation of diplomas, J. H. Haire, school board president; announcements, Lindsey; benediction, A. T. Nixon, and recessional, Mrs. H. Taylor.

Class officers are president, E. H. Johnston; vice president, J. Martin Basinger; secretary-treasurer, Shirley Hambright; and porter, E. P. Wicker, Jr.

The Southland Senior Baccalaureate Service was held Sunday night in the Southland Baptist Church. The sermon was preached by the pastor, the Rev. P. D. Fullington. Mrs. Taylor played the processional and recessional, and the invocation was by the Rev. E. N. Scariott, pastor of the Southland Methodist Church.

Eleven Eighth Grade students were graduated from the

### Shopping— And Down Main Street

School Days . . . Golden Rule Days.

Wakes up and down Main Street that the curtain is about to fall on the school year this week. This highlights the news stories as well as the ads in the Post Dispatch. Reveal have been busy compiling news and assembling for the double page Saturday. Advertisement each year by a fine of merchants. All you are invited to take special of this ad as well as the paper. A committee of Seniors and Eighth gradates will be found on the double page ad, along with the Eighth Grade Program of the Post school, and Senior Commencement scheduled for tomorrow at Post High and Southland school auditoriums. The reporter wants to the other folks in the extending Best Wish-graduates.

ROGER W. BARSON WRITES THIS WEEK:

# More Nurses, Dentists And Veterinarians Are Needed

The best news in last week's Post Dispatch, I thought, was the little item about the school board electing a vocational agriculture teacher and announcing that a Vocational Agriculture Department will be reinstated in Post High School this fall.

During the war, because many of our best American workers were called into active duty, the least efficient workers among us were able to find and hold jobs. Many companies suffered actual losses, running as high as 50% on the "output per man hour" during the years between 1940 and 1944. The first ranks of the present unemployed are largely made up of those individuals.

The election results in November have retarded purchasing. Losses caused by the storms this winter along with shipment difficulties have also resulted in more unemployment. We see this for instance in textiles, rubber products, radios and phonographs, motor vehicles, shoes, hardware, and furniture. I expect to see unemployment increase several millions more as we move into 1950.

er job should he fail to keep his present one? How can the employer meet the challenge of dropping prices and still heighten the quality and the appeal of his product? These questions can be answered only by increasing employee-employer cooperation.

**To Improve Efficiency**  
Reports of layoffs and curtailments in some industries already have resulted in improved work in other industries. A fear of the future, however, forms an unhealthy incentive for the worker, in the sense that worry and anxiety tear down morale. Some of the ideal ways which have been found to improve efficiency are mentioned below:

**Business Opportunities**  
Real Americans have too much pride to live very long on money earned and paid in taxes by their hard working neighbors. The conscientious unemployed will be looking for new businesses. There are too many people in law and other overcrowded professions, but more nurses are needed, more dentists and more veterinarians. With a greatly increased U. S. birthrate, plus the fact that Americans are living longer, businesses which cater to the very young and the elderly should grow. Anything to do with layettes, diapers, kindergartens, baby-sitting should be profitable! The older population is

very susceptible to tragedies, beauty parlors, education courses. Good typists continue in demand. And, of course, we all need for good teachers. I have mentioned specialties for jobs in fields are uncrowded. Almost them, you may notice, veterinarian field to the ing offers the worker not only to serve himself greatly serve others. In people were asked, "your life, has given you the greatest happiness?" majority of answers came "My work." Would most cans give the same day?

## Garza and the World

By EVELYN BOYD

At income tax paying time this year, we accidentally discovered that for more than two years, the Dispatch Publishing Company has been using the wrong Social Security number when sending in my withholding tax.

It's probably futile for me or any other person under 50 years of age to worry about whether or not we are getting proper credit for our Social Security payments. An article by Godfrey Nelson in a recent New York Times issue set me to thinking more specifically along this line. I quote from it, as follows:

It is quite possible that the error could have been made for many years more on the part of the Dispatch Publishing Company, as I keep my own Social Security card, and the bookkeeper had only the number which I erroneously gave her when I started working here.

"The welfare of our people is a generally recognized social need. It is on the extent to which welfare projects can be supported that there are serious differences of opinion and it is the fiscal method employed which is objectionable; bookkeeping reserves will not save future generations from again being taxed to liquidate bonds in the 'fund' (so-called trust fund basis of financing the Social Security plan.)"

We reported the error to Uncle Sam; a correction has been promised, and I am hoping that I am by now properly credited with the money that has been paid into the Social Security fund from my weekly Dispatch Publishing Company's salary.

"In 1939 the original Federal Old Age Benefits Law created an account in the Treasury to be known as the 'Old-Age Reserve Account.' This was superceded by the 'Old Age and Survivors Insurance Trust Fund' on the books of the Treasury. The Trust Fund succeeded to the securities and balances held by the Secretary of the Treasury for the Old Age Reserve Account on January 1, 1940.

Could it be that the bureau is more than two years behind with its crediting of all Social Security money?

"Receipts from Social Security are loaned to the Treasury, for which the fund receives interest-bearing United States obligations. To the extent of such loans, the fund has disposed of its cash. The moneys so loaned are used by the Treasury for the payment of current Government expenses.

The Tillman Gang makes a radio broadcast from Houston three nights a week. Most of the boys in the band have been with Floyd about seven years.

"As and when the Trust Fund should need money for the payment of Social Security benefits, the certificates of United States obligations will be surrendered by the fund for payment and the proceeds used to pay beneficiaries.

Floyd's current best seller is his composition, "I Love You So Much It Hurts Me," his personal recordings of which have already outsold his long-famous "It Makes No Difference Now." It recently was recorded by the Mills Brothers and this venture is expected to bring him at least \$40,000 in royalties.

"Since the government has only one main source of income—taxes—the fund's bonds presented for payment must necessarily be paid out of current tax receipts. If the Treasury should be without a surplus—operating at a deficit—and tax money is not available out of which to redeem bonds belonging to the fund, the bonds would have to be resold and redeemed at some future time when tax money is available.

That's doing right well for a hometown lad who didn't have many advantages, isn't it?

"Although in principle the plan.

But, as I say, it isn't every student who is naturally burning with a desire for general knowledge or even success in a career. The desire doesn't grow wild in the average child. It has to be planted, and the public school is the logical place to plant it.

Back to vocational agriculture: Did you ever know of a teen-age boy interested in agriculture or animal husbandry who didn't turn out all right? Even though he turns to something else for his life work, he has gained a knowledge through practical experience and education that equips him for better living.

A boy who loves the soil and who loves animals—and knows how to care for both to the utmost advantage—loves life, and life in return gives him something that he couldn't possibly get otherwise.

And it has been my observation that boys who take vocational agriculture in school take their class and laboratory work very seriously and some of them find out, for the first time, that they like going to school.

## What Our Contemporaries Are Saying:

**CITY SETTLED AGAIN**—The beer election is over. Women are moneys turned over to the fund are 'funded' in that bonds are issued and delivered to the fund, the Treasury is the only real party to the transaction; it assesses and collects the tax, and issues its obligation therefor. When it needs the money represented by bonds it must either meet such demand out of current funds—tax receipts—or raise the money again by sale of bonds. Conceivably if the fund has fifty billion dollars (which is anticipated), the Treasury could be seriously embarrassed by large demands upon it. Thus, the Treasury's ability to pay Social Security benefits must again depend upon its ability to raise revenues. The greater the fund, the greater the potential burden."

Let's see now, how this works out on a practical scale: Hypothetically, I decide to put aside so much money for my boy's college education, some 18 years from now. I deposit this amount in my current expense account at the bank and write myself a note obligating myself to pay interest on money borrowed from the fund and dig up the principal and interest whenever my boy goes to college.

I need this weekly "college fund" to pay the doctor bill, the income tax, and the extra groceries we used the week we had company and for getting attached to the sewer line. I borrow it and write myself out a new budget to include the interest and principal payments which should be made to the "college fund."

The cost of living increases and we have to also buy a new car. This puts the budget out of whack and we borrow more from the college fund. A recession sets in, the rains don't come and my salary is cut.

All I have to do is promise myself that whenever the money is available, I will repay the college fund.

Sounds simple on paper, doesn't it? And the nice thing about it is that nobody can sue me if I don't come through successfully and educate the boy. The transaction is merely between Myself and I and Myself isn't about to censure I.

I figure that today's children would have as good a chance to collect their Old Age benefits as my boy would have of going to college under the above plan.

safe from attack on our city streets. Little children, assured of shirts on their backs next winter, play carefree on vacant lots. Doors are unlocked. People speak to each other on the streets just as if the orge of alcoholic corruption had never threatened the existence of our little community. School teachers, county employees, preachers, husbands and wives are now relieved of the necessity of going about their appointed tasks under the influence of beer. The customary number of beer cans are in the family refrigerator, cooling in perfect security that comes from knowing the stuff's illegal. Virtue has triumphed. Our young folks have been rescued at tremendous effort from the depths of moral sin. The dogs doze in the strong sunlight. This city sleeps.—The Rails Banner.

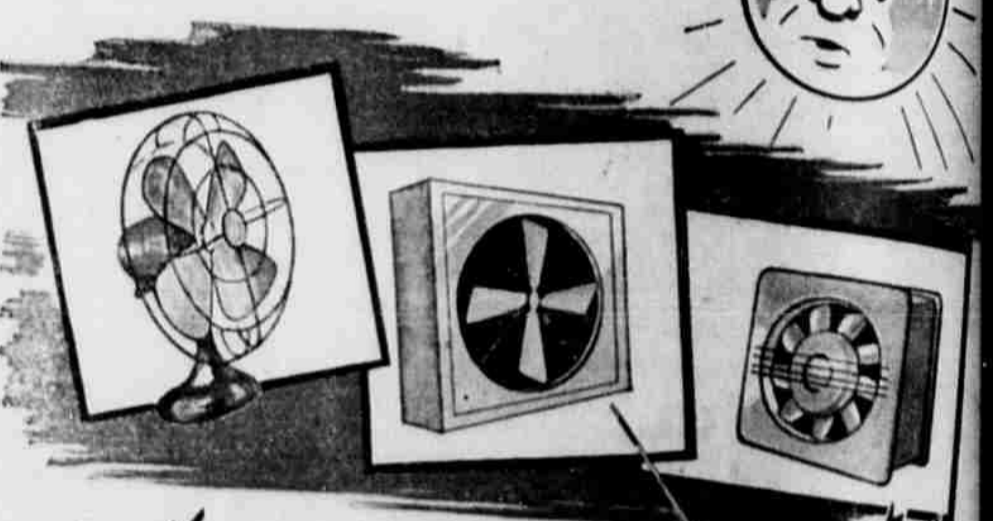

**BOOSTERS ARE SERIOUS**—Down at Vernon they take their rodeo seriously. When the 80-car booster bunch hit Canyon, it was not a bunch of kids just out on a lark. The 80 cars were filled with middle age business and professional people who had a message to carry to their neighbors. If and when Canyon runs another booster trip, let's follow the fine example set by Vernon.—The Canyon News.

**LIFE CHEAP FOR YOU**—Life is about the cheapest thing in America. Just and kill some one; and have the money for a lawyer, he will provide the means to clear you.—The Canyon News.

When repairing leather shoes, such as jackets, bags, straps or brief cases, leather is easy to sew on a machine, but thick or heavy leather must be sewed by hand.

**Letters From The Readers**

Dear Sir:  
 Thanks for reprinting in Garza and the World the article which George Hester wrote for the retailers (May 5.)

He is head of the Government and Economics Departments at Southwestern University, and is one college professor whose feet are firmly planted on the ground; only wish his views could be more widely known.

Thanks again, because I had not seen that particular article. Regards to all,  
 H. J.

(Editor's Note: The above letter was signed, but the writer's name was withheld at his request.)

**Scouters To Meet Saturday At Camp**

Dr. F. B. Malone, president of the South Plains Council, Boy Scouts of America, has announced that the executive board of the council is inviting all scoutmasters, troop committeemen, district committeemen, and all other men to meet with the executive board at its regular meeting scheduled for Saturday evening at Camp Post.

Each Scouter is invited to bring his bed roll, swim suit, and grub for Saturday evening's meal and if he plans to spend the night bring food for Sunday morning. The executive board will meet at 7 p. m. in the dining hall.

All men in Scouting or interested in Scouting are cordially invited to attend. The highlight of the occasion will be trying out the new swimming pool which has just been completed at the Scout Camp.

**Cowboy Jubilee And Rodeo Will Be Held At Spur June 2, 3, 4**

Preparations are being made for the annual Spur Cowboy Jubilee and Rodeo, scheduled for June 2, 3, and 4.

Performances will be given on Thursday afternoon, Thursday night, Friday night and Saturday night, and the rodeo will get underway with a gigantic downtown parade starting at 1 p. m. June 2.

Citizens of Spur and Dickens County are taking on the "jubilee airs" this week, and are bedecked in some type of western regalia to advertise the coming show. Welcome banners will be placed over the business houses this week. A special downtown "jail" will be erected on Main Street to take care of the non-conformers to the "dress western" edict of the Jubilee Association.

Over \$2,500 in cash prizes is being offered to amateur performers in the eight divisions of the rodeo—bull riding, calf roping, bronc riding, bareback riding, double mugging, cutting horse contest, old-timers roping event and Cowgirl sponsors event. Stock for the rodeo will be provided by "Goat" Mayo.

Read The Classified Ads.

**Mrs. J. A. Propst And Mrs. L. Peel Win News Awards**

Mrs. J. A. Propst won last week's first prize of \$2.50 in the News Tip Contest for information regarding four-year-old Loma Dell Crockett who was lost for a few hours in the Graham Community. The second prize of \$1, as has been previously announced, went to Mrs. Lonnie Peel for the most accurate counting of local names published in the May 5 issue of the Post Dispatch. Honorable mention went to L. W. Dalby for reporting that the Rev. T. M. Gillham had accepted the call as First Baptist Church pastor; to Mrs. Marshall Reno who was the first to report that a daughter was born to Mr. and Mrs. Wilburn Lucas, and to Mrs. E. C. Herrin who reported her Mother's Day gift of flowers flown from Hawaii.

The contest will continue indefinitely, with cash prizes given each week.

**HAPPY BIRTHDAY**

May 19, W. A. Oden, A. C. Cash, Mrs. Oscar Garner, Jimmy Patty, Mrs. S. C. Storie, Jr., and Virginia Berry.

May 20, Beth Hamilton, Mrs. Monta Moore and Mrs. Benny Huff.

May 21, Hester Cravy, W. E. Dent and Mrs. A. B. Cockrell.

May 22, Mrs. E. A. Warren, Mrs. R. W. Ricker, Sr., and Mrs. Thurman Maddox

May 23, Mrs. Bob Collier, Paul Moore, Iven Clary and James Dye.

May 24, Roger Camp.

May 25, Frances Benson.

Does anybody have a birthday on May 28 or June 1? The Post Dispatch birthday book has two blank pages for those days.

Mr. and Mrs. Walter Duck-will leave May 26 for Santa Fe, N. M., to join Mr. and Mrs. Bill Watson of that city, formerly of Post, on a fishing trip in Colorado.

Mr. and Mrs. Tom Welborn of Ruidoso, N. M., visited friends here Friday.

**Hornflies And Lone Star Ticks Can Be Controlled By DDT**

Hornflies and Lone Star ticks are a couple of pests Texas stockmen ought to be on the lookout for, warns James A. Deer, assistant extension entomologist of Texas A. & M. College.

Both are showing up on the cattle along about this time of the year, Deer says, and both of them should be controlled in order to keep up beef and milk production. Insects keep cattle in a nervous condition and often cause wounds that come infested with screw worms.

The most effective control for hornflies is DDT. Animals sprayed or dipped with eight pounds of 50 percent DDT wettable powder in 100 gallons of water will be protected from hornflies for at least 10 to 15 days. Two or three treatments of DDT in the spring and early summer and one more in the fall usually kills the hornflies for a year.

Dipping or spraying at two week intervals will put a stop to the Lone Star tick. Control should be started in the spring as soon as the ticks are found and continued until no more are seen, Deer says. A combination of BHC and DDT is recommended for tick control. The same amount of DDT is used here as in the hornfly remedy. Mix this with four pounds of 6 percent wettable gamma BHC in 100 gallons of water. Mix the chemicals first in a small amount of water, then add this mixture to the spray tank or dipping vat.

But whether they're chasing away the hornflies or getting rid of ticks, Deer reminds the cattle owners not to use DDT on dairy cows nor beef cattle that will be slaughtered within 30 days.

Livestock will be better producers if they don't have to fight off flies and ticks.

Mr. and Mrs. Allen Cash spent several days in Amarillo this week.

Keeping the poultry flock on full feed during the summer is important in good poultry production. Feed the layers all the laying mash they will consume.

# SPORTS

FROM A STRICTLY LOCAL ANGLE

## Post Millers With Three Victories And Two Defeats Face Brownfield Sunday

The Post Millers' victory over Brownfield Tuesday night in the Postex Park, gave the locals three wins and two defeats in Oil Belt League competition. One of the defeats was suffered Sunday at the hands of Seagraves at Seagraves.

The Millers will try to strengthen their comeback at the Cubs Sunday afternoon in a second game with that city. The game will begin at 2:30 o'clock.

A good crowd attended the Tuesday night game, which Post won, 14-11. The Millers got 13 hits to Brownfield's nine. Joe Boren was the winning pitcher.

The Lubbock Journal reported that the closest game and the highest scoring game of the year were played in the league Sunday.

In a wild contest, Seagraves downed Post, 29-8, and Denver City went 12 full innings before dropping Tahoka, 3-2. The scores of the other games saw Sunday defeating Brownfield, 14-8, and Slaton walloping Leveland, 9-4.

Seagraves scored six runs against Post in the first, eight in the second and pushed runs across in every inning but the fifth. The game went through eight full innings.

The winning team collected 25 hits to 10 for the losers. The winning pitcher was Faulkner, and he collected five hits in seven trips to the plate, including two doubles. Lawrence had three for six, including a home run and a double. Greer was the losing pitcher.

Simpson got three for four for Post, and Holland had two for four.

## Post And Morton Meeting Today In District Finale

The weather permitting, the Post High School baseball team was to play its final District 4-A playoff game with Morton at Chapman Field in Lubbock this afternoon.

Morton defeated the Antelopes, 4-3, Monday afternoon at Morton in the second of the playoff games. The first game was won by Post.

In Monday's game, Roy Wade gave up two earned runs, and Post got seven hits and nine strike-outs. Ronnie Bouchier made a home run. Billy Ramage got a triple, and the other hits were made by Carter Gene White, R. E. Josey and Wade.

## Gearhart Sponsors Jackpot Contests

Guy Gearhart, who has bought some Brahma calves for roping purposes, sponsored the first of a series of Sunday afternoon jackpot ropings Sunday afternoon in the Post Stampede arena. Four of five jackpots were won by Ed Sims and the fifth was won by Floyd Lamond.

If enough interest is shown in the contests, the jackpots will be held every Sunday afternoon, beginning about 2 o'clock Gearhart said.

Gearhart also is sponsoring some jackpots in the Post Stampede arena each morning during the rodeo.

## Post's Oil Boom

(Continued From Front Page) addition to the Montgomery-Davies operation, several other rigs have been visible from the highway.

The operation east of the rodeo grounds is the N. Williams and K Williams No. 1 which the G.W.V. Drilling Company drilled for Comanche, in semi-proven territory. After finding a little show of oil at 2,900 feet, the operator this week was moving cable tools on. The rig was being moved to the C. L. Williams No. 2, one-half miles west of Post.

The Comanche Corporation has a rig on the F. B. Robinson Unit No. 6, north and west of the Post city limits and is drilling with cable tools on the Robinson Unit No. 5 in the same area.

Leasing in Garza County has been going on with ever-increasing activity, it having been reported unofficially by an authentic source that leases in the Graham Community have brought \$7.50 and \$8.50 an acre from two companies.

Two companies that have been buying leases within the city limits are awaiting action by the City Commission before making plans for drilling. It is reported that the City Commission is studying the effects of the proposed city drilling on fire insurance rates.

## Graduations

(Continued From Front Page) Delmer Cowdrey, Ray McClellan, James Stone and George Carpenter were room mothers during the year.

**Close City**  
Four pupils were graduated from the Eighth Grade at Close City last night during a program which closed the school year. All of the grades participated in the closing out exercises.

## Dinner Courtesy To Carolyn Boren

Mrs. Walter Boren entertained with a dinner Sunday evening before the Post High School Baccalaureate Service, in honor of her daughter, Carolyn Bruce, a member of the Senior Class.

Guests were Bobby Pennington, Shirley Schmidt, J. G. Cash, Jim Norman, Mildred, John and James Boren and the honoree.

## Fluitt Is Dressed At Shower Day Afternoon

Marjorie Freeman, Edges, Iris McMahon, Edith Joy Mason, and Rogers were hostesses in a shower honoring Miss Fluitt, bride-elect of Ham, Tuesday afternoon in the home of Mrs. J. R. Durrett. Receiving line were a the honoree, Mrs. Iva other of the bride-groom, and Mrs. Hinton sister-in-law of the groom.

Entertaining rooms were decorated with spring flowers in pink and green color scheme carried out. Refreshment table was a lace cloth and center a bouquet of flowers, nuts, mints and candies were served. Approximately 30 guests registered in the bride's book. Mrs. McMahon presided. Fluitt and Mr. Reno are married Saturday.

B. Dodson, the Billy and the Wilburn Morris spent Sunday at Brown Jayton where they

## Merrymakers Club Will Meet Tuesday

The Merrymakers Club of the Close City Community met Tuesday afternoon of last week in the home of Mrs. George Leggett. The afternoon was spent in doing hand work.

Refreshments of sandwiches, olives, Cheetos, chiffon cake and tea were served to Mesdames Posey Wheatley, a guest of Pleasant Valley, Sarah Gossett, Ida Cook, Mozelle Bartlett, Ida Wheatley, Ora Bratton, Vera Fulton, Lola Peel and the hostesses.

The club will meet next Tuesday in the home of Mrs. L. R. Mason.

## Kenny Ownbey Has Party On Birthday

Kenny Ownbey, of Oklahoma City, Okla., who is visiting in the home of his grandparents, Mr. and Mrs. Mitchell Bowen, was honored on his second birthday with a party Wednesday of last week.

Games were enjoyed and pictures of the group were made.

Guests were Donna Kay and Lynn Sutton, Beth and Joe Porter, Helen Bowen, Ronnie and Kenneth Giles, Barbara Kay, Frankie and Sandra Gary, C. J. Josey, Jr., and his great grandmothers, Mrs. B. K. Bowen and Mrs. Fannie Gary.

## Church News

By GANELL BABB

**Scripture:**  
I exhort, therefore, that first of all, applications, prayers, intercessions, and giving of thanks be made for all men; For kings, and for all that are in authority; that we may lead a quiet and peaceful life in all godliness and honesty. For this is good and acceptable in the sight of God our Saviour; Who will have all men to be saved, and to come unto the knowledge of the truth. For there is one God, and one mediator between God and men, the man Christ Jesus; Who gave himself a ransom for all, to be testified in due time. 1 Timothy 2:1-6.

**Minute Prayer**  
Our Father, we are thankful that Thou art a refuge for all our troubles and sorrows, and that we may come to Thee with our needs. May we seek to serve Thee with rejoicing hearts. Amen.

A Vacation Bible School will begin at the First Baptist Church Monday morning and will continue two weeks. All children between the ages of 4 and 16 years of age are invited to attend. Saturday is Enrollment Day and a down town parade will be held at 9 a. m.

Kay Kirkpatrick and George Pierce were each presented with a gift at the morning service at the First Christian Church Sunday. The presentation was made by Victor Hudman, their Sunday School teacher.

The Rev. A. B. Cockrell and Mr. and Mrs. John Lott will go to Amarillo next Wednesday to attend the Northwest Texas Annual Methodist Conference which will continue through Sunday. It is at this meeting that the ministers of the area receive their assignments.

The Rev. O. L. Jones has announced the following schedule of services which the public is urged to attend:  
Sunday School, 9:45 a. m.; preaching service, 11 a. m.; Training Union, 7 p. m.; preaching service, 8 p. m.; and Young People's Fellowship Meeting, 9 p. m.

Several women were present at the First Christian Church Tuesday evening to hear Mrs. Lee Davis review "The Big Fisherman" by Lloyd C. Douglas. The council will meet Tuesday afternoon, June 7, in the home of Mrs. E. A. Warren. This meeting will close the church year and the council will disband for the summer months.

The "Rachel Fong" G. A.'s of the First Baptist Church entertained with a party honoring their mothers at the church Friday evening. Eighteen were present. The regular meeting of the organization was held Monday evening in the home of Judith King with 10 members present. The group will meet next Monday in the home of Geraldine Dunlap.

The W.S.C.S. members were hostesses for a dinner Monday night in the home of Mrs. J. E. Parker for the organization of the Wesleyan Service Build. Mrs. Razor of Lubbock, district chairman of the W.S.G. was guest speaker. Another guest was Mrs. Jim Young of Lubbock. Twenty charter members of the guild were present. Officers were elected as follows: President, Mrs. Maxine Presson; vice president, Mrs. Reba Land; recording secretary, Mrs. Margaret Bull; promotional secretary, Mrs. Jo Webb, and treasurer, Miss Thelma Clark. The group will meet monthly. Mesdames A. B. Cockrell, A. B. Cason, B. E. Young and J. E. Parker served the dinner. The purpose of the guild is so that working women may have a society in the evenings.

The Rev. George Dale will preach at the First Baptist Church Sunday morning and evening. The Rev. T. M. Gillham of Santa Anna, who has accepted the pastorate of the church, will move here next week. His wife and son will join him at the close of the present term at Howard-Payne College, Brownwood, where they are students.

The local churches dismissed their evening services Sunday evening to attend the Post High School Baccalaureate Service. Rev. Huron A. Poinac of Monday, formerly of Post, was guest speaker.

## Husbands, Other Guests Honored By Club Members

Members of the Junior Culture Club, their husbands and other guests enjoyed an annual spring social at the City Hall last Thursday evening. A banquet dinner was served to approximately 40 people.

The tables were laid with white cloths and centered with bouquets of roses and nock orange blossoms. Ann Gilmore was in charge of serving the meal.

Juanita Burress, retiring president, made the welcome address and introduced the new members and their guests. She also gave special recognition to the arrangement committee who planned the social. Members of this committee are Margaret Bull, Annie Laura Francis, Helen Carter and Thelma Clark. The group enjoyed games of 42 after the dinner.

## Stories Observe 25th Anniversary In Abilene Home

Mr. and Mrs. J. F. Storie were honored with a surprise dinner Sunday on their 25th wedding anniversary at the home of her brother-in-law and sister, Mr. and Mrs. R. W. Rasco, in Abilene. The occasion was also in honor of Skipper Horn of Ann Harbor, Mich., who was one year old, and Miss Laura Ellen Horn of Lubbock on her tenth birthday.

The tables were decorated with a wedding cake and two birthday cakes.

Mr. and Mrs. Storie were presented with a gift of silverware, service for eight.

Those attending the dinner were Mrs. Storie's mother, Mrs. M. F. Lohn of Brady; five sisters and their families, Mrs. Rascoe and family, Mrs. Bob Potter and family of Roscoe, Mrs. George Jowers and family of Cross Plains, Mrs. Weldon Fry and family of Abilene and Mrs. Roy Holliday and family of Brady; a brother, Paul Lohn, and family of Lohn, and other relatives, Mr. and Mrs. Cyrus Horn and daughters of Lubbock, Mrs. Bettie Williams of Big Spring, Mr. and Mrs. Frank Horn and children of Ann Harbor, Mich., and Mr. and Mrs. Eric Modene and baby of Lohn.

## Offer Two Summer Courses At School

Miss Bessie Pitts, Post High School homemaking teacher, announced this week that summer projects in homemaking will be offered at the school from May 24 through June 30, for students, and May 25 through June 29 for adults.

Student classes will be held from 9 a. m. until noon Tuesdays and Thursdays. The class will work on a group project to improve the homemaking laboratory and the students' homes.

The public is invited to attend the adult classes from 9 until 11 a. m. each Wednesday, free of charge. Clothing construction, food preservation and home improvement will be offered.

## Cowgirl Sponsors Are Complimented

Mrs. Ott Nance and Mrs. Kelly Sims entertained with a coffee at the Sims home at 10 o'clock this morning for out-of-town Cowgirl Sponsors and other out-of-town guests here for the Post Stampede and Rodeo.

Nutbread, doughnuts, coffee and Cokes were served.

## Home Management Specialist Here

Mrs. Bernice Claytor of College Station, home management specialist with the Texas A. & M. College Extension Service, arrived here today to confer this morning with Mrs. Jewell Strasser, Garza County home demonstration agent.

This afternoon Mrs. Claytor and Mrs. Strasser planned to visit Mrs. J. D. Brown of Pleasant Valley and Mrs. Carl Fluitt of the Graham Community, bedroom demonstrators.

## Gossip about Garza Guys And Gals

—by gay nellie

Now it's Bill Fumagalli of the movies. He isn't exactly playing the lead but he is being filmed as the stand-in for the leading juvenile in Gene Autry's new picture, "The Sons of New Mexico," and his N.M.M.I. polo coach, Danny Thompson, is being filmed as Autry's stand-in. Filming of the picture started Wednesday, and the Autry cameramen will take timeout to film the N.M.M.I. polo games in which Bill will play Saturday and Sunday.

Alarah Pierce, a student in Texas Christian University in Fort Worth, will spend June 27-August 20 doing social work with children at the Benton House in Chicago. She will be accompanied by Miss Nelle Miller, also of T.C.U. Aalarah is majoring in religion.

Dolores Moore has the practically unheard of Freshman distinction of being on the University of Texas Honor Roll, and she and the other honor students were honored the other day at a Mortar Board tea. She'll be home in about two weeks or less.

Giles Dalby and Nelda Floyd were wearing matching panama western hats and red boots with blue jeans at the rodeo dance Tuesday night.

Ruby Pierce, who has been attending Brantley-Draughon's Business College in Fort Worth, has finished her course and plans to get a job there.

We hear that a Collier Drug employee and a Southwestern Associated Telephone Company employee are planning a summer wedding.

Junior Malouf, accompanied by his mother and brother, Tommy, will leave Saturday for Los Angeles, Calif., to visit his new niece, daughter of the former Matilda Malouf.

Wanda Rogers, who is attending college in Bethany, Okla., is expected home the first of June. We are sure she will enjoy driving the new family car.

## Culture Club Plans Luncheon Program

The Woman's Culture Club will close the season with a luncheon Wednesday in the First Methodist Church basement.

Mrs. John Herd will show movies made on a trip to Alaska.

## Retiring Officers Of O.E.S. Honored At Masonic Hall

Loree Thaxton, retiring worthy matron, and Lester Nichols, retiring worthy patron, of the local Order of the Eastern Star were honored at the regular meeting Tuesday night at the Masonic Hall. Mrs. Thaxton and Mr. Nichols were each presented with a gift by their officers. A short program in their honor was given. Myrtle Hoover sang a solo and Consuello Thuet gave a reading.

After the program, new officers were elected for the coming year as follows: Minnie Wright, worthy matron; Truett Fry, worthy patron; Vinnie Bird, associate matron; Dick Allen, associate patron; Shirley Mayfield, secretary; Nellie Babb, treasurer; Henrietta Nichols, conductress; Myrtle Hoover, associate conductress; Maydell Cook, chaplain; Ben Ola Bass,

## Rainbow Meeting To Be Held On Monday

Date of the next meeting of the Rainbow Assembly has been changed from Tuesday to 8 p. m. Monday, the mother adviser, Mrs. Julius Fumagalli, has announced. The Rainbow girls entered a clever float in the Post Stampede parades this week.

marshal; Vernie Moore, organizer; Loucille Morris, Adah; Eula Haws, Ruth; Fern Jones, Esther; Sybil Cockrum, Martha; Vada McCampbell, Electa; Bonnie Johnson, warder and Lester Nichols, sentinel.

Saturday, May 28, an initiation service will be held at the hall at 8 o'clock in the evening. Installation services will be held Tuesday, May 31, at 8 p. m. at the hall.

The parade committee said unofficially last night that the float entered by the Rainbow Girls in the rodeo parade was one of the best floats ever entered in a parade here.

Mrs. Vachel Anderson was just not going to be outdone by the Weather Man. When a Post Dispatch reporter telephoned her last Friday, she was a long time answering the phone and when she did she was out of breath. She explained that she had been washing the car and when she heard the phone ring, she had to take off her rubber boots before entering the house. She had just had her car washed and greased before the shower that morning, and she refused to let the Weather Man win the bout.

Earl Rogers has a new Pontiac.

**Lions and Wives Of District Will Meet In Lubbock**

The District 2-T-1 annual convention of Lions International will be held in Lubbock May 22, 23, and 24, and will be featured by the visit and address of Dr. Eugene S. Briggs, president of Lions International. The convention meeting will be held in the Hilton Hotel. Dr. Briggs is president of Phillips University of Enid, Okla., and was elected to the office of president of Lions International at the International Convention held at New York City in July, 1948. He had previously served the International Association as third, second, and first vice-president and as an international director. For six years he served the Okmulgee, Okla., Lions Club as director, and during the year 1926-27 was president of that club. In 1929-30, while he was a member of the Durant, Okla., Lions Club, he was district governor of all the Lions Clubs in Oklahoma.

The district governor, W. R. Rutherford of Dumas, will also attend the convention, as well as the five deputies, Joe P. Phillips of Amarillo, M. C. Davis of Panhandle, Jack Payne of Plainview, Charles Rains of Headley, and Dr. Doyle D. Jackson of Lubbock.

There are 64 clubs in the district, with an approximate membership of 3,800. Some 400 delegates likely will attend all or part of the meetings.

Outstanding leaders in the Lions' organization who have been invited, include Marlow Fisher of Austin, state secretary of Lions Clubs; Herb Petry of Carrizo Springs, second vice-president of Lions International; and Roy Keaton of Chicago, assistant secretary general.

Dr. Marshall Harvey, general convention chairman, will preside over the convention. Wayne Henly is president of the Lubbock Club, which is host to the annual session.

Wives and guests of Lions have been invited to attend, and special activities have been planned for the wives.

**Carroll Bowen To Be Graduated By H-SU**

James Carroll Bowen is one of the 253 seniors of the Hardin-Simmons University graduating class who will receive diplomas May 30.

Bowen, son of Mr. and Mrs. J. Lee Bowen, will receive a Bachelor of Business Administration degree in Business with a minor in economics. He is a member of the Business Administration Club.

Mr. and Mrs. Harvey Herd and three children of Midland will arrive here Saturday for the last rodeo performance and spend the night with Mr. and Mrs. John Herd.

Mr. and Mrs. Herman Taylor and son of Carlsbad, N. M., are visiting this week in the home of Mrs. Taylor's parents, Mr. and Mrs. M. K. Bingham.

Mr. and Mrs. Wilton Payne of Tahoka visited Sunday in the home of Mrs. W. J. Shepherd.

**Garnolia Notes**

# Moisture, Hot Weather And Filth Encourage Flies

could be done to clean-up Post? In addition, if I am to tell you exactly how I feel on this subject. An oil man recently summed it up pretty well in a conversation with my husband. He said "this is the dirtiest, most unkept, most poverty-stricken looking little town I have ever been in." I will add that the alleys are cluttered up with junk, the vacant lots are grown up with weeds and trash and the people's yards are cluttered up with tree tops. Everywhere you look you see conditions that attract flies. I would give me more time, I could talk enough to fill up a page in your newspaper."

MRS. JOHN HERD—"New sidewalks would help more than anything, and a new grade school building would also improve the looks of the town."

MRS. BOONE F. EVANS—"Right around our place the alleys and vacant lots are terrible. They should be cleaned up. And we could beautify Post by paving the streets."

MRS. S. D. STRASNER—"Cut down a bunch of weeds. Naturally, we have a prolific growth this year. It would also be an improvement to clean up the alleys. The flowers on the downtown boulevard will look good a little later on, and it would be a good thing if the other boulevard were similarly improved."

MRS. CLINT HERRING—"We need paved streets more than anything. They will make the city cleaner and prettier."

MRS. L. H. INGRAM—"So much needs to be done, I hardly know where to begin; but it seems to me that the trash all over town should be cleared away."

MRS. T. L. JONES—"Cut the weeds, and if it stays damp, get the stagnant water out of all the tin cans, disinfect the alleys and trim the broken and dead limbs out of the trees."

MRS. R. L. KIRKENDOLL—"There could be a lot done, but it would be a big help to cut the weeds."

MISS KATE LOWRIE—"If we'd all be less careless about throwing trash in the streets and more interested in keeping the city clean, we'd notice a great improvement. It seems to me that people are more energetic than usual about working in their own yards this year, but even so the weeds grow so fast they can't keep them cut."

MRS. M. J. MALOUF—"I couldn't say because I try to think only of the good things about Post. I leave civic improvement to the men folks and I try to spend my time helping with our business, my family and the church. Post always looks good to me, and if anything is needed I am sure the men of the town will attend to it."

MRS. O. H. HOOVER—"I would like to see more flowers and trees in Post. If everybody would take the responsibility of keeping his own premises clean and beautified, it naturally would follow that sanitary conditions would prevail in the city."

MRS. AL NORRIS—"There's one place here that nearly drives me crazy. It's the old house just west of the grade school. It looks like the city

would be justified in taking charge because it is a hazard for children. And they say the cesspool there is open, and that is dangerous. I thought of that and worried about it at the time the little girl fell into the abandoned well and died."

MRS. DICK ROACH—"We ought to spray these cedar trees around town because they are so bad about attracting flies. I've found that Gulf Spray is very effective. And another thing, most people need to pay a little more attention to their garbage cans... move them farther back or keep them neater or spray them, etc."

MRS. O. L. WEAKLEY—"I think that if I would clean up my own yard and everybody else would do likewise, that the looks of the town would be improved. It just made me sick when I returned from Fort Worth where there were so many beautiful yards and realized how careless we are here about our yards. I remember one time seeing the shacks near the University of Oklahoma campus. Many of them were not painted, but they all had flowers and neat yards, and it made me realize that it does not matter how small or how ugly a house is, the place looks attractive if there are a few flowers and the yard is neatly kept."

MRS. HAROLD VOSS—"Well, it seems to me that if the Harold Vosses and others who own vacant lots around town would get their own property cleaned up, the town would look a lot better. The trouble is, we have had no time to clean up our vacant lots because we have been working so hard to care for the property we are living on. But we ought to find some way to get the vacant property looking like it should."

Mrs. Ollie Smith of Tomball arrived here Sunday to visit her daughter, Mrs. Charles Daugherty, and family. Mr. and Mrs. Daugherty and daughter, Mary Paul, plan to accompany her to Tomball this weekend. Mrs. Smith came here from Stillwater, Okla., where she visited another daughter and family.

Mrs. Lonnie Peel, who won a Post Dispatch New Tip prize last week, turned the money over to the Cancer Fund.

Visitors in the home of Mr. and Mrs. Walter Boren and family Sunday were Mr. and Mrs. Joe Green and Mr. and Mrs. George Green and family of Lubbock, Mr. and Mrs. Jim Durham and son of Brownfield and Mr. and Mrs. Tom Wood of Lamesa.

Mr. and Mrs. J. T. Curb returned Sunday night from Albuquerque, N. M., where they visited for 18 days.

This Spring... it seems everybody's fancy is turning to the most Beautiful BUY of all

The Fleetline De Luxe 4-Door Sedan  
White sidewall tires optional at extra cost.

... and the reason is, it gives so much and costs so little to operate and maintain

**The most Beautiful BUY for Styling**

All your friends will say, "What a beauty; what a buy!" For this car has a Body by Fisher—exclusive to Chevrolet and higher-priced cars.

**The most Beautiful BUY for Thrills and Thrift**

Yes, so great is the demand for new Chevrolets this spring that it seems everybody's fancy is turning to this most beautiful buy of all!

All America is thrilling to the fleet, flashing lines and colors of Chevrolet's Bodies by Fisher... to the sparkling and spirited performance of its Valve-in-Head Engine... and to the extraordinary new driving and riding results imparted by its famous Center-Point Design. And all America is agreeing that Chevrolet is the only car that offers all these advantages of highest-priced cars and costs so little to buy, operate and maintain!

**The most Beautiful BUY for Comfort**

You'll be truly comfortable, even if you ride all day long, thanks to a Super-Size Interior—deep, form-fitting "Five-Foot Seats"—and extra-generous head, leg and elbow room.

**The most Beautiful BUY for Driving and Riding Ease**

Chevrolet's new Center-Point Design—including Center-Point Steering, Center-Point Seating, Lower Center of Gravity without loss of road clearance, and Center-Point Rear Suspension—gives entirely new driving and riding ease.

**The most Beautiful BUY for All-Round Safety**

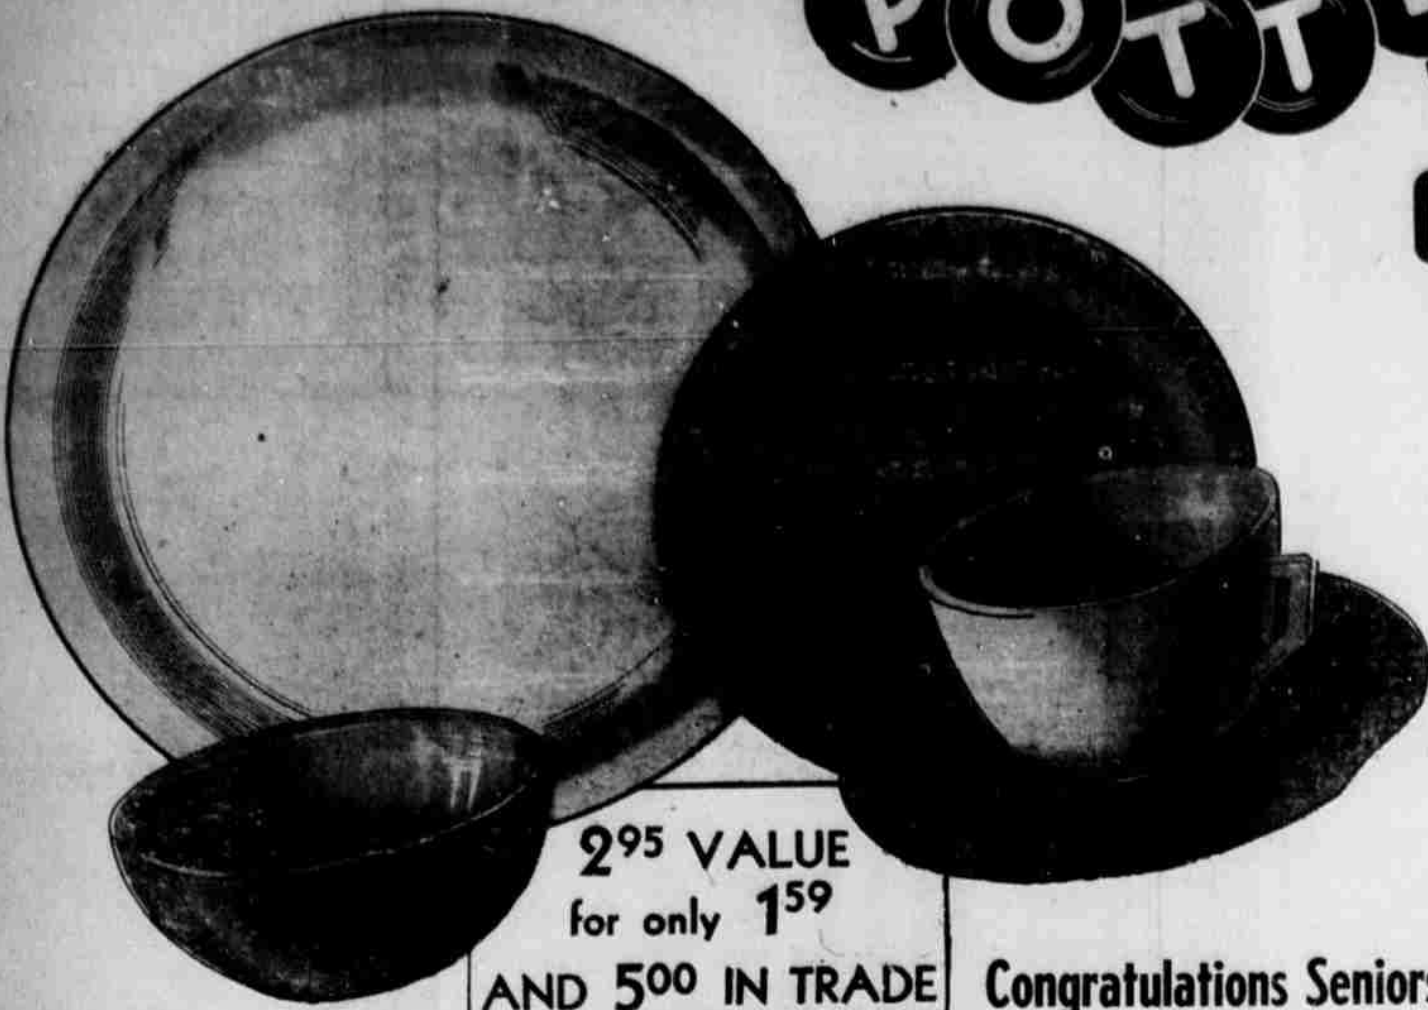

—with new Certi-Safe Hydraulic Brakes with Dobl-Life brake lining; extra-strong Fisher Unisteel Body; Panoramic Visibility; Safety Plate Glass throughout; and the super-safe Unitized Knee-Action Ride.

AND FUN FEATURED BY GRADUATES—

## Outstanding Post Seniors Write Biographies

with a Post Dispatch, the 10 top-ranked of Post High School to write their own sketches which are presented in the or- scholastic rank:

**Faye Ruth Hamilton**  
On a certain October morning in 1932 a baby was born to Mr. and Mrs. O. G. Hamilton. The place was where Oscar Bowen lives today, and the doctor was Dr. A. C. Surman. After the usual disappointment over my not being a boy, mother and daddy decided to name me. They finally decided upon the name which I bear, Faye Ruth.

I began Sunday School in the local First Baptist Church at the age of six weeks and I was baptized into the Church when I was 11 years old.

One of the happiest days of my life was the day I started to Grade School. Mr. Warren came to school to take some pictures of our class for the Post newspaper and happened to choose me for some representative pictures of typical first grade material.

The years passed, as years will, and it came time for Grade School Graduation Exercises. We had a good race for the top honors and I was fortunate enough to place third and give the class history at Commencement.

Then we were Freshmen and began taking things more in earnest—the football and basketball games in particular. These always gave me a thrill—tears at losing and shouting at winning. I joined the pep squad and later the band and I think all of us in each worked just as hard for victory as the team did.

That was a busy year; it was the year that I started taking music from Mrs. T. L. Jones. Two years later I enrolled in Mrs. Elmer Long's class. They have both been most patient and understanding.

When I was in Grade School I was in the Press Club, the one which put out the School Newspaper. The experience which I received certainly was useful when I started collecting for the "Whirlwind" our high school newspaper. Two of the highest spots of high school were the two plays I was in... the Junior Play and the Senior Play. I was also on the Annual Staff, in the Dinner Bell Club where I was elected pianist for the past year, in Rainbow where I have held an office for over a year, and took part in many other organizations which have been fun and have proved useful in many ways. Also I was elected vice president of our Senior Class.

In passing, I would not fail to mention the trips I have made both with my family and with the Senior Class this past year. The first long trip I can remember was the one to California when I was six. Last summer Daddy, Beth and I jumped into our new Plymouth and set out for Yellowstone National Park and on that trip we got a glimpse of Colorado Springs, the place we were all to get more than just a glimpse 10 months later on the Senior trip.

Friday night I am to again present the Class History. Also on Monday night of next week I am to have my Senior Music Recital which Mrs. Long is giving for E. O. Young and me.

Looking farther ahead I am to be enrolled in Baylor University next fall and am looking forward to it with highest hopes.

Looking still farther ahead I am uncertain of my career but I am sure of one thing, the first 16 years of my life, my public school years, are a never to be forgotten experience.

**Shirley Schmidt**  
I first saw the light of day on August 29, 1931, in a small town in Arkansas called Camden. My mother and daddy named me Shirley "out of the clear blue sky."

The most important day of my life, so it seemed, came at the age of six. I started to school.

My grade school days passed quickly and then I entered Ju-

nior High. Junior High School was really fun because I was elected cheerleader for those three years and went with the "Cub" football team when they had games every Thursday. My Freshman year I was elected Excelsior to the National Honor Society.

When I entered High School (my Sophomore year) I was elected cheerleader again and became editor of the school paper. During that year, I was elected the honor student of Latin from Gladewater and went to Beaumont where I won prizes on a Latin scrapbook. I also received a medal for being the honor Latin student there at the state convention. That year I was also a member of the Gladewater Debate team and attended the state meet in Austin. I won a second division plus rating on my solo, "Hills of Home" at the state choral meet and was a member of the A Capella Choir that received a first rating. I was one of the four Gladewater delegates to attend the five-day journalism convention at Denton.

The achievement that I am proudest of is my membership in the National Honor Society which I earned my Sophomore year. Also, I am proud of my life-time membership in the Junior Classical League, a national organization of Latin Students.

During the summer preceding my Junior year of high school, I moved to Post.

My favorite sports are skating, dancing, swimming, football and basketball. For reading, I choose religious literature, and I enjoy nothing more than good, preferably classical, music.

My greatest ambition in life is to become a teacher and to contribute something worthwhile to the world that has given so much to me. I believe that the field that has the most opportunity for service is the teaching profession and I intend to get all the education that I can so that I may teach adequately.

**Mitchell Malouf, Jr.**  
In 1931, November 14, at 9 a. m. Saturday, Dr. D. C. Williams delivered the "Eighth Wonder of the World," me. My Dad never saw me until 11:30 that night and he was disappointed when he discovered that it was another boy. He was so disappointed, he couldn't find a name bad enough for me, so he gave me his, Mitchell John Malouf, Jr.

When I was 6 years old, I entered the same grade school that we have today. My first teacher, a beautiful young woman named Miss Partain, was my first love. After a great struggle I went into the Second Grade, taught by Miss Johnson, then the Third Grade, taught by Miss Bonnie McMahon. I skipped the Fourth to the Fifth Grade. Here I got my first whipping, administered by Miss Kingsbury under the watchful eye of Mr. Shelley Camp who witnessed many more whippings for me that year. This was the year I played on the Red Rooster team in high school.

My Sixth and Seventh Grade years consisted mostly of dreaming of playing in sports and hoping that the school building would last until I got safely out. We had a Seventh Grade Graduation. I had the honor of being high boy, and Elsie West was high girl. She was my first sweetheart.

In the Eighth Grade, Kay Kirkpatrick prophesied we would win in football our Senior year. My Freshman year was a year of many beatings and fun. I got my first football and basketball jackets. Coach Solis was my coach.

My Sophomore year was good because we won more than half our football games and went to the district meet in basketball. Bing Bingham was our coach.

My Junior year was even better because we won more games in football and only lacked six points winning the district.

My Senior year has been the best of all... winning in football, going to the district in

basketball, hoping to win district in baseball. This has all been wonderful and joyous to me.

I plan, if nothing happens, after graduation to enter college and take business and I hope to play some more football.

**E. O. Young, Jr.**  
My life began October 15, 1932, in Garza County. My parents, Mr. and Mrs. E. O. Young, Sr., thought it was such a joy and pride then, but how they have changed their mind!

The school days of my life began in 1938, that year being the struggle of my life. I thought I would never finish the first reader, "Spot." Those were the good old days. You could get by with almost anything, or so I thought. One of the most memorable happenings of my early school days was when some larger boys caught me and some of my pals smoking. We begged and pleaded with them not to tell my sister or teacher. They promised not to, but they did.

On through the years to the Eighth Grade, I had the usual bloody nose, black eyes and girl trouble. Some way I managed to be the highest student of our class.

In 1946, I entered Post High School. These last three years will always have a large portion of my heart. During these last years, I took up playing... or trying to play... the piano. I have been in several recitals and look forward to my Senior recital May 23.

When I look back upon the years of my schooling, I feel a slight urge to say that I wish I could do it again but there is still another life before me that has to be prepared. In this life, I hope to be a successful architectural engineer.

**Kay Kirkpatrick**  
My first glimpse of West Texas was from a window in the Baptist Hospital in Abilene. I was born there the morning of February 6, 1932.

Until I was 11 years old, I lived on a ranch six miles southeast of Post. During this time, I had many different experiences... everything from raising a coon to breaking a leg while working cattle. While my leg was in a cast I was carried from room to room at grade school by my boy friends, several of whom are graduating with me.

I became a Freshman in 1945, and started enjoying the good times I've had in high school.

My main pastime is reading and learning more about the experimental aircraft that the army and navy air forces are working with. All types of aircraft are becoming safer, and I feel that in a few years, the airplane will be the main means of transportation throughout the world.

Our class of 1949 has been very successful in all school activities, and I am sure that as we go through life we will always be successful.

**Carter Gene White**  
On January 30, 1932, a son was born to Mr. and Mrs. L. C. White of the Close City Community. I was named Carter Gene, after my Dad.

I began my school career at Garlynn in September, 1939. The next year, I entered the new Garnolia School where I continued my education until I was graduated in May, 1945.

Starting to the Post High School the next year was exciting and it continued so right on through the year years.

I plan to continue my education in college by studying animal husbandry.

**George Pierce**  
I was born in Post on December 27, 1931, to Mr. and Mrs. T. A. Pierce. I began my school career in the Post Grade School and attended there until I was in the Seventh Grade. My parents then moved to Las Vegas, Nev., where I attended school one year. We moved back to Post and I started to school in the Eighth Grade. I have spent all of my high school days in Post.

I played on the Post Antelope football team. The most excit-

ing was the last season when we were bi-district champs.

My Senior year in P.H.S. was the most exciting year of my high school career.

After graduation from Post High School, I plan to enter Texas Christian University.

**Theona Josey**  
On March 9, 1932, the stork delivered a tiny bundle to the home of my parents in Roby. When I was seven years old, we moved to Post, where I started to school in the second grade. The war started and we moved around from Post to Nevada, from Nevada to Fort Worth and from Fort Worth back to Post. I was a Freshman when we returned here.

Many events highlighted my my four years in high school. In my Freshman year I met my to-be-husband. Nothing special happened in my Sophomore and Junior years. On September 2, 1948, I married Lester Josey. After much persuasion, I decided to continue in school.

As a Senior, I have enjoyed this year very much: The trip, the class meetings, and my associations with members of my class.

I hope to stay at home for awhile after school is out.

**Bazaar Proceeds To Help 4-H Girls**  
Proceeds from the fourth and last weekly bazaar, which the Garza County Home Demonstration Council will hold Saturday in the Mason and Company storage building, will go into the funds for the 4-H girls' forthcoming trips to A.&M. College and summer camp. At least \$50 is needed, according to Mrs. Jewell H. Strasser, home demonstration agent.

Clubwomen are urged to bring their products to be sold to the Mason building by no later than 10 a. m. Saturday.

The public is invited to patronize the bazaar, Mrs. Strasser said.

**Equalization Board To Meet On Tuesday**  
The Board of Equalization for the Post Independent Consolidated School District will meet at the Post High School building from 9 a. m. until 2 p. m. Tuesday.

Sherry Custer, left, daughter of Mr. and Mrs. Mike Custer, and Marca Dean Holland, daughter of Mr. and Mrs. Walter B. Holland, are shown as they entertained large audiences in the various West Texas towns on the Post Stampede booster itineraries last Thursday and Friday. This picture, which was made in Lubbock, was published in the Saturday Avalanche.

### Bible School To Begin Next Week

The annual Daily Vacation Bible School at the First Baptist Church will begin Monday and last for two weeks, with classes being held from 8:30 until 11:30 a. m. daily, Monday through Friday.

All children between the ages of 4 and 16 years, regardless of their denomination, are invited to attend.

On Saturday of this week, Enrollment Day, the children will stage a downtown parade at 9 a. m.

### World's Hymns To Be Broadcast By Utility Company

The Southwestern Public Service Company today announced plans for the inauguration on June 5 of a 14-station radio network to broadcast the company's new program "Hymns Of The World." The 14 stations are located in the Texas Panhandle, New Mexico and Oklahoma and the broadcast will be heard each Sunday at 12:45 p. m.

"Hymns Of The World" is an entirely new radio program featuring John Charles Thomas and The King's Men. The program has never been heard in this region and it will be an exclusive presentation of Southwestern Public Service Company.

The program will be originated at KGNC, Amarillo, and fed to the other outlets on the network over lines provided by the Southwestern Bell Telephone Company. It is believed that this is the first time that a network of this type has been used by an advertiser in this area.

Stations which will carry the new program are: KHUZ, Borger; KXIT, Dalhart; KDDD, Dumas; KGNC, Amarillo; KPDN, Pampa; KPAN, Hereford; KVOP, Plainview; KVOW, Littlefield; KICA, Clovis; KGFL, Roswell; KSPV, Artesia; KAVE, Carlsbad; KGYN, Guymon; and KFYO, Lubbock.

### Bowen Family Goes To Electra Funeral

Funeral services were held in Electra Tuesday afternoon for Charlie Pace, brother-in-law of Mrs. J. Lee Bowen, who died Monday morning after an illness of several months.

Mrs. Bowen, who with her children, Lee, Jr., and Susy has been in Electra for several weeks, will remain in Electra until Mrs. Pace recovers from an illness. The children returned here Tuesday with Mr. and Mrs. Carroll Bowen and Miss Bonnie Ann Bowen, students in Abilene, who attended the funeral.

The Carroll Bowens and Bonnie Ann were driven to Abilene yesterday by Mr. and Mrs. John Sutton and baby.

### Look Who's New

Mr. and Mrs. Alfred Assad of Los Angeles, Calif., are announcing the arrival of a daughter at 9:30 a. m. Sunday in the White Angel Hospital there. She weighed 5 1/2 lb. The baby is a granddaughter of Mr. and Mrs. M. J. Malouf.

### CASH RECITAL

Mrs. Esma Cash will present all her pupils in recital at 7:30 o'clock Monday evening in the First Methodist Church.

## Algerita Cafe Is Leased This Week

F. A. Marcus, who has operated a cafeteria in Seminole the past two years, and his son, Jack, have leased the Algerita Cafe from George Tracy.

The cafe has been remodeled, repainted and refurnished. In an advertisement elsewhere in today's Post Dispatch, the Marcuses are inviting the public to dine with them. They will feature dinners, Mexican foods and short orders.

## Oil Speech And Film Entertain Rotarians

S. E. Camp, who was scheduled for a classification talk at the Rotary Club Tuesday noon, presented Phil Johnson of the Comanche Oil Corporation who discussed "The Origin and Development of Oil" and showed a movie of oil operations in Saudi Arabia.

Guy Gearhart has been on crutches this week, the result of a kick in the knee by a Brahma calf Sunday morning at the rodeo grounds.

## Southland News

Please Send News Not Later Than  
MONDAY to  
MRS. FLOY KING  
Southland Correspondent

The Southland Seniors have returned from a trip to Mexico and South Texas.

The Workers Conference of Baptist Churches of the Lubbock Association met at the local church Tuesday. A basket lunch was served at noon.

A large crowd attended the last of school program presented by the Grade School students at the high school auditorium last Thursday evening.

Mr. and Mrs. C. S. Lindsey spent Friday and Saturday in San Angelo with their son-in-law and daughter, Mr. and Mrs. John Lee. Mrs. Lee returned home with them for a visit.

Mr. and Mrs. James Parks and children vacationed in New Mexico last week.

J. R. King, Donald Pennell and A. A. Ferguson were in New Mexico last week transacting business.

**New Mexico Guests**  
Mr. and Mrs. Ernest Hambricht and family of New Mexico were Sunday guests in the home of Mr. and Mrs. L. B. Hambricht.

Glenda Grantham was one of three Garza County 4-H girls who won a trip to A&M College at College Station in June.

Mr. and Mrs. Ed Jackson and family of Lubbock and Mrs. R. C. Green and baby visited in the Max Jackson home Sunday evening.

Mr. and Mrs. Jack Gray and daughter of Meadow visited recently in the E. E. Trimble home.

Visitors in the J. F. Winterrowd home Sunday were Mr. and Mrs. Billy Winterrowd and children and Mr. and Mrs. Herman Chilcutt of Lubbock.

Thomas Parks of Slaton visited his brother, James Parks, and family here Sunday.

Mr. and Mrs. R. S. Bearden of Lubbock visited Sunday in the E. N. Scarlett home.

**Visit In Abilene**  
Mr. and Mrs. Buster McCoy and daughter visited over the weekend in Abilene with relatives.

Edwin Wilke, Leroy Voight, Hub Haire, Kenneth Davies and Harvey Stotts were in New Mexico last week.

Mr. and Mrs. Don Pennell and children visited in Post Sunday afternoon.

A. A. Ferguson and son visited in Post Sunday.

Visitors in the home of Mrs. L. B. Mathis Sunday were Mrs. J. H. Tate and Mrs. J. G. Mathis of Grassland, Mr. and Mrs. Earl Holland and family of Sundown and L. B. Mathis and family of Brownfield.

Mrs. Earl Lancaster underwent minor surgery in Slaton Mercy Hospital last week.

Worth Fullingim, who attended school at Howard-Payne the past year, is here visiting his parents, the Rev. P. D. Fullingim and wife. Worth was exempt on his examinations at the college because of his high grades.

**Here From Vernon**  
Mrs. Gladys Hafer of Vernon visited her sister, Mrs. John Leake, and her mother, Mrs. R. R. Jones, here last week.

C. S. Lindsey and Mrs. Tillery accompanied the Junior, Sophomore and Freshman classes of the High School to Lubbock for a picnic last Friday.

Mr. and Mrs. Joe Wood of Lubbock and Mrs. Lula Wood of Hawley visited in the J. R. Wood home Sunday.

Mr. and Mrs. Morris Robertson and daughter and Mrs. J. H. Robertson of Campbell and Mr. and Mrs. Jack Hargrove and son visited in the home of Mr. and Mrs. O. W. Quisenberry and family Sunday.

Ben Pope of Marshall is visiting in the Jack Myers home this week.

Mr. and Mrs. Bill Spikes of Lubbock visited with Mr. and Mrs. G. D. Ellis over the weekend.

Mr. and Mrs. Jack Myers and family attended a Cade family reunion at Rotan Sunday.

## Fine Saddle Shown By Mason This Week

Local cowpokes and visiting rodeo enthusiasts have been examining with interest the \$3,000 saddle on display in the Mason and Company window. The saddle, of black hand-tooled leather, is trimmed with silver. It is the property of the Schoellkopf Company of Dallas, pioneer leather goods firm, which sent it here for the rodeo.

with the ONE DOSE combination

**FRANKLIN  
SERUM**

In 1941 the Franklin Company first made this improved product available to stockmen.

Each year has seen a steadily enlarged demand. Today it has almost entirely superseded the straight Blackleg bacterin.

There's nothing new or experimental about the FRANKLIN brand, for over 18 million calves have been successfully protected by it—both as to Blackleg, and the similar deadly infection known as Malignant Edema.

You get the added protection without added cost.

Use FRANKLIN and benefit by the outstanding FRANKLIN record of results.

**Supervisors To Go Over Vetch Fields Today**

Supervisors of the Garza County Soil Conservation District plan to go on a tour of the vetch fields today. The supervisors will be in the field from 10 a. m. to 12 p. m. They will have finished the business they will be in the Spur Rotary club for lunch. In the afternoon they plan to see different soil conservation practices on a cooperator's farms.

**For Letterheads And Envelopes**

CALL 111  
DISPATCH Publishing Co.

The supervisors will pay particular attention to rye and vetch cover crops, Oscar McGinty, chairman of the board, has a successful rye planting. They will also see J. B. Montgomery's vetch, which is his second crop of vetch in the last two years. Montgomery, whose farms are just west of Jayton, said several days ago his vetch had been worth \$15 per acre for grazing. The vetch is growing on infertile sandy land. The vetch crop has protected the soil from wind and water erosion and has improved the fertility of the soil. Besides McGinty and Montgomery on the board of supervisors are Will Wright of Post, C. P. Witt of Calgary and Clark Forbes of McAdoo.

**Kenny Cash of Piggly Wiggly** is taking one week of his vacation, spending it at home.

**Disaster Plans Being Made Here**

Walter Crider was appointed this week as disaster chairman of the Garza County Chapter of the American Red Cross, the chapter chairman, T. L. Jones, has announced. Crider succeeds Dr. D. C. Williams who has held the position since the beginning of World War II.

With tornadoes and floods striking all around Garza County, the chapter agreed with Dr. Williams that he could best serve the community in his capacity as a physician, in event of a local disaster.

Crider told the Post Dispatch Tuesday that he is organizing disaster sub-committees to take care of all details in an emergency.

Tornadoes and floods at Sunday, Lubbock, Amarillo and Spur have put the Red Cross' Midwestern Area Headquarters at St. Louis on the alert in regard to all of West Texas. Jones was informed by wire from St. Louis this week that a preliminary allocation of \$50,000 was sent to Amarillo, along with several plane loads of Red Cross disaster workers, early Monday morning for the beginning of relief work after a tornado destroyed the veterans' community there.

Jess Wright made a business trip to Littlefield Tuesday.

Mrs. E. N. Perimon of Snyder, mother of Mrs. Ott Nance, has been taking treatment this week in the West Texas Hospital at Lubbock.

Mr. and Mrs. A. R. Scogin of Clairmont visited Tuesday in the home of Mr. and Mrs. Richard Vardiman Tuesday. Guests in the Vardiman home Sunday were Mrs. Vardiman's parents, Mr. and Mrs. D. C. Scogin and son, T. C., and Mrs. Vardiman's sister, Mrs. Troy Havens, and family of Tahoka.

**Grass Conservation Expert Gives Hints**

Hershel Bell, conservationist from Fort Worth, says a good plan of range management is to take half and leave half of the grass. Grass needs half of its own growth to maintain itself in a healthy condition. Bell says tests after tests have shown "the take half and leave half" system has produced more

pounds of beef than the take all overgrazed range.

He says it all depends on how one looks at the pretty flowers that have been blooming in the pastures. These flowers are taking space, moisture and plant food that should be used to grow grass. By keeping livestock out of a pasture, this year is an excellent way to thicken the stands of grass and crowd out weeds, he explains.

**Five Good Reasons For Price Support Outlined By Garza County ACC Chairman**

With all the discussion going on about supporting farm prices . . . at what level? What commodities, and how? Some people are asking, "Why support farm prices at all?" As background to these questions, Will Wright, chairman of the Garza County Agricultural Conserva-

tion Committee, makes the following observations:

1. The country's welfare is best served when there is an abundance of food. But it is impossible with the hazards of weather, disease and insects, to produce just exactly the right amount of food. To make sure is too much—without price supports—the farmer suffers. Prices go down and often he has to produce at a loss. Price supports relieve him of the threat of bankruptcy, and the farmer is encouraged to continue to produce abundantly.

2. Farmers as separate operators of nearly 6 million farms—each an independent production unit—are defenseless in protecting themselves from the effects of surpluses. Price supports are needed to protect farmers from the wide fluctuations in price that result from shifts in yields and demands.

3. Price supports help to stabilize production as well as price. Extreme price fluctuations lead to extreme production shifts. Many are forced to increase production of certain commodities in a vain effort to meet fixed costs. If there is a material shift to other commodities, it only widens the distress front.

4. Price supports mean a more stable farm income. This is important, not only to the farm family, but to the businessmen. The farmer is better able to pay his bills and to buy the things which improve farm living standards. The resulting stability means more permanent tenure for the farmer and a greater stability for the community.

5. With a more stable income, the farmer has more incentive and is better able to farm for the future as well as the present. He is better able to carry out a year-after-year consistent soil and water conservation program. He isn't forced to interrupt his conservation efforts every time there are price slumps thus wiping out the progress already made by inability to keep up the work previously started.

In Mr. Wright's opinion consumers are the main beneficiaries of price supports because they result in more stable production and a greater total of continuing production at lower and more stable prices. In the long run reduced ability of the soil to produce must be reflected in higher prices to consumers.

**Justiceburg News**

Please Send News Not Later Than MONDAY to MRS. R. J. KEY Justiceburg Correspondent

Mr. and Mrs. R. J. Key and son and Michael Ray visited in Snyder Saturday with Mr. and Mrs. S. G. Lansford.

Mr. and Mrs. Edward Reed of Pyron visited his parents, the Jeff Reeds, Sunday.

A large crowd attended the last of school program here Monday night.

Approximately 60 people attended the school picnic last Friday. The group went to second bridge, west of Post and was supposed to play a baseball game at Close City in the afternoon. Just as the group reached the bridge, a rain fell and the crowd returned to Justiceburg to spread the lunch and play a baseball game between the students and parents. Claude McMeans of Marietta, Okla., umpired the game.

Mr. and Mrs. Chester Dorman and family of Snyder were Sunday visitors of their son and family, the Marvin Dorman.

Mrs. W. M. Wallace of Lewisville and Mr. and Mrs. Claude McMeans of Marietta, Okla., visited in the R. J. Key home last week. Mrs. Wallace is Mrs. Key's mother and Mrs. McMeans is Mrs. Key's sister.

Mrs. Christine Eastmon and children of Snyder recently visited in the V. A. Lobban home.

Mrs. Sid Cross and family and Mrs. R. A. McLaurin and daughters were in Snyder Saturday.

Mrs. A. L. Lockwood of Tahoka visited Mr. and Mrs. George Duckworth during the weekend.

Mr. and Mrs. Fred Meeks of Amarillo recently visited her parents, Mr. and Mrs. Ott Nance.

Willie Mize has gone to Houston where his father is seriously ill.

**Thirty-Five Enjoy School Band Picnic**

Approximately 35 band students enjoyed Saturday in Lubbock. They had a picnic lunch at Mackenzie State Park and went skating and to the midway in the afternoon. The group left Post at 9 a. m. and returned at 4:30 p. m.

Parents who accompanied the group were Mr. and Mrs. Ralph Welch, Mrs. B. E. Young, Mr. and Mrs. Charlie Bird and Mrs. Nola Brister.

## E. P. Wicker And Jeanneane Kiker Win Bus Journey

Since Alvin Davis set the pattern for winning 4-H contests over the state and nation, Garza County club boys and girls have been consistent 4-H winners and now they have won again.

E. P. Wicker, Jr., and Jeanneane Kiker have won nice chartered bus trips in the Talent Club which is sponsored each year by the Texas A. and M. College Extension Service and the Producers Grain Corporation.

With the boy and girl winners from each of the seven other districts of the state, they will leave from Lubbock June 6 and go to Austin, Corpus Christi, San Antonio and Amarillo for the purpose of seeing successful co-operatives at work. They will return June 10. A similar trip was won by Davis last year.

In event Wicker cannot make the trip, John L. Mason of Lynn County has earned the privilege of going as alternate. Jeanneane's alternate is Betty Jo Cornett of Brownfield. The winners and alternates were selected on the basis of their 4-H achievements.

The purpose of the annual tour is two-fold: To recognize outstanding work being done by 4-H members and to interest this group of young agricultural leaders in cooperative activities.

## Telephone Directory Being Prepared Here

The manuscript for a new telephone directory for Post is being prepared here this week by two men from the Lubbock office of the Southwestern Associated Telephone Company.

The book will go to press next month and be issued in July, according to Miss Jewell Parsons of the local telephone office.

Jim Hundley went to Lubbock Friday to buy merchandise from the McGregor representative.

## BEATS HEATING PAD FOR RHEUMATIC PAIN!

Thousands of sufferers from miserable Rheumatism, Sciatica, Lumbago, Arthritis, Muscular Cramps or minor sprains, are happy over their new discovery of REUMA-RUB, the new Analgesic Alcoholic Rub. REUMA-RUB is really pleasant to use--yet penetrates and stimulates sore muscles and gives welcome relief from pain. Remember: If REUMA-RUB does not give you more relief than any external remedy ever used--purchase price will be promptly refunded. The large bottle costs you only \$1.25 at your Druggist or at

## Barnum Springs Hartford Items

Please Send News Not Later Than MONDAY to CARROL JEAN HUFF Correspondent

The Barnum Springs Home Demonstration Club met last Friday in the home of Mrs. W. H. Barton. A covered dish lunch was served at noon and the afternoon was spent doing handwork and visiting. Members present were Velma Long, Opal Norman, Carrol Jean Huff, Charlene Haynie and the hostess. Two visitors, Mrs. Charles Pruitt and Mrs. Rex Welch, were present. The Club will meet next Friday in the home of Opal Norman.

Ruth Ann Long is able to be up now, the first time since she was thrown from a horse six weeks ago.

Mr. and Mrs. Jim Graves of Cross Roads visited in the Pete Graves home Sunday afternoon.

Mr. and Mrs. Temple Lee of Snyder visited Mrs. Lee's parents, the Laurence Wheelers, here Friday night. Mr. and Mrs. Byron Haynie returned home with the Lees for a visit.

Mr. and Mrs. Dee Hodges of Post visited in the Ray Hodges home Wednesday night.

Mrs. Bobby Pennington was a patient in the Tahoka Clinic last week.

Arda and Bill Long visited in Thalia and Crowell Tuesday.

Mr. and Mrs. Benny Huff visited Mrs. Lyda Huff in Post Tuesday night.

This community received an inch and a half of rain Saturday evening.

Mr. and Mrs. Arda Long visited in the E. N. Gibson home in Post Friday night.

## Events, Judges And Prizes For Juniors Planned

Directors of the Southwestern Championship Junior Rodeo, "The World's Original All-Junior Rodeo," met at the City Hall Friday night to map out a program and other details of the show which will be held in the Post Stampede arena the nights of August 11, 12 and 13.

Events will include bull riding, calf roping, ribbon roping, hat race and Cowgirl Sponsor Contest. There will be two go-rounds and two day monies in each event. A prize will be given for the best all-around cowboy and for the best all-around cowgirl of the rodeo, and one prize will be given for the top final average in each event.

Entrance fees are \$8 for both rounds in calf roping and in ribbon roping, and \$5 for both go-rounds in each of the other events.

Flag and riding judges will be Ed Sims and Lewis Nance, and W. J. Tipton will serve as barrier judge.

The directors agreed to obtain stock from Bill Lyons of Petrolia, and to engage Dale Winders of Earth to act as clown. Winders did an outstanding job as a good clown in the Tech and other rodeos during the past year.

A big parade will precede the opening performance.

Mr. and Mrs. Wade Terry and sons spent Friday night in the J. W. McQuien home in Amherst and Saturday and Sunday in the R. B. Perrin home at Farwell.

## BITS OF NEWS

Mrs. Winnie Tuffing and Mrs. Ott Nance left Friday afternoon for Fort Smith, Ark., to deliver a new Chevrolet to Mrs. Nance's sister, Miss Vera Periman, who is recreation director of the U. S. O. there. The car was bought in Snyder. They returned by train, stopping off in Fort Worth to visit Mrs. Tuffing's daughter, Mrs. L. C. Kline, and family and arriving here Tuesday morning.

Jimmy Hundley, who is a pilot for the National Airlines with headquarters in Miami, Fla., sent his parents a picture of himself in his "new" convertible this week. He said he sold his British Prefect Ford and bought a 1941 Cadillac convertible which is equipped with "all the trappings."

Mr. and Mrs. Emery Faulkner of Santa Ana, Calif., spent two days last week with Mrs. John Faulkner and daughter, Mrs. Dezzie Middleton. They were en route to Kansas, Arkansas, Missouri and Tennessee. Sunday guests in the Faulkner home here were Mr. and Mrs. Harry Burrus and son, Ronald, and Mr. and Mrs. Shorty Hanna and son, Larry, of Lubbock. Mr. Burrus is Mrs. Faulkner's brother.

Mr. and Mrs. Robert Gibson and sons of Floydada were here on business Saturday.

Mrs. Alice Parsons and Mrs. Gladys Hyde left Saturday night for Dallas to buy merchandise for the Parsons and Stevens Shops. Mrs. Parsons returned Wednesday, and Mrs. Hyde went to Waco to visit relatives until this weekend.

Mrs. R. H. Easley of Plainview recently visited several days with Mrs. Bettie Carmichael. Mrs. Carmichael's sister, Mrs. C. V. Cansler of Hollis, Okla., and daughter, Mrs. Gene Waggoner of Abilene, arrived here this week. Mrs. Cansler planned to visit here for some time.

Mrs. Glenn Phillips and Mrs. Bob Haftenny of Dallas were weekend guests in the home of Mr. and Mrs. C. D. Morrel.

Mr. and Mrs. Earl Rogers and Mr. and Mrs. F. F. Keeton spent the weekend in Fort Worth, where Mrs. Rogers took medical treatment.

County home demonstration agent, will judge cheese, butter and other dairy products in the Brownfield home demonstration clubs' show today.

### Horse Racing And Roping Match At Levelland Listed

Levelland's enlarged and re-located rodeo arena will be officially opened this season on May 22, with the up and coming sport of West Texans, quarterhorse racing, to hold the card's initial spot.

W. J. (Rob) Robertson, local restaurant owner and avid rodeo fan, has been chosen by the Levelland Rodeo Association to promote "ride and tie" entertainment here throughout the period when Texans anticipate superlative shows in the Big State style.

The starting gun will signal at least 15 races here May 22, Robertson said, and top quarter-horse entries will represent owners all over the state.

Some pairing will be matched, Robertson added, including Goober Ferguson's "Salty Girl", a four-year-old mare, and Luke Cole's "Jelly Bean," a three-year-old. Cole is a Levelland owner; Ferguson's Stables are in Lubbock.

Matched pairing for Sunday's races, to be run over the 300-yard course, are shown also for "Dollface", owned by Dewey Murphy of San Angelo, and "Excuse Me," property of Jack Ilkey of Brownfield.

Racing entries to date include "Salty Babe", T. A. Hollman, Lubbock; "Camaco" and "Diamond Frank," owned by Powell and Kinney, of Levelland and Plainview.

The designation "quarter-horse" stems from the fact that horses in this category achieve their maximum speed in a one-quarter mile run.

Robertson, Levelland's official rodeo promoter, also announced this week a tri-state roping contest to be held May 29 at the arena, with champion ropers of Texas, New Mexico and Oklahoma vying for the tri-state title.

The contest between Toot's Mansfield of Big Spring, Troy Fort of Lovington, N. M., and Jess Goodspeed of Okemah, Okla., has been pending for several years, Robertson explained, but efforts of the men to meet in the deciding match have been thwarted in the past.

Mansfield, holder of the world championship title, Fort, past world's champion, and Goodspeed, undisputed Oklahoma champion hampster, are believed to be making conditioning preparation for the meet May 29, since each is a seasoned professional lariatier and will offer to his fellow contenders a distinct challenge.

### Town Meeting Of C. Of C. Will Be Held On June 8

A town meeting of all persons interested in the Post Chamber of Commerce will be held early Wednesday morning, June 8, at the Garza Theatre, the board of directors announced after a meeting Monday night at the City Hall.

The purpose of the meeting will be for an open discussion of any suggestions or criticisms which anyone might have, in order to plan an effective program of work for the new year which the recently elected board is beginning, Secretary Jess Wright said.

It is particularly urged that all business men of the town attend the meeting, as it is for their interest that the Chamber of Commerce largely function.

Mrs. B. E. Bowen and her sister-in-law, Mrs. G. W. Ely of Grover City, Calif., left this morning by train for Grover City where Mrs. Bowen will visit until mid-June in the Ely home. Mrs. Ely has been visiting here for some time. Mrs. Bowen's son and daughter-in-law, Mr. and Mrs. J. Lee Bowen, plan to drive to California and bring her home in June.

B. P. Hagood is critically ill at the home of his daughter, Mrs. Jasper Atkinson.

Ray Baker was when his Buick was Tuesday. The truck was uninjured, but was badly damaged. The condition of Baker has been serious. Lubbock Memorial Hospital was believed to be press time. He has chial pneumonia and ailment.

### Applications For Free Classing Of Cotton Required

One out of every two bales of cotton ginned in Texas the past season was classed without cost for nearly 97,000 farmers in the Smith-Doxey improvement groups.

This same service will be available again this year, John L. McCollum, southwest area manager, Production and Marketing Administration's cotton branch, U. S. Department of Agriculture, Dallas, announced.

Participation in Texas was higher last year than at any time since the program went into operation 11 years ago and prospects indicate it will be even higher this season, McCollum pointed out.

Latest count shows farmers ginned over one and a half million bales on which they received classification and market news service, both without cost. Total ginnings for the state amounted to more than 3 million bales.

Any organized improvement group which adopts a variety of cotton, files application, arranges for sampling and meets certain other requirements is eligible for this service on the coming crop.

Applications should be filed as soon as members have planted their cotton, but not later than July 1 for all counties lying entirely or for the most part east of the 100th meridian, and July 15 for those lying entirely or for the most part west of the 100th meridian. Latest date which applications may be received is August 1 for the eastern block of counties and August 15 for the western block.

Instructions and application blanks may be obtained from county agricultural agents, offices of Production and Marketing Administration, the area cotton branch office, or cotton classing offices in Austin, Dallas, Galveston, Lubbock and Abilene, McCollum explained.

Take good care of electric cords. Repair frayed or worn cords, and if they are beyond repair, throw them away. Protect cords from friction or injury, and avoid overloading them.

### ORCHIDS TO GRADUATES
