*** Medicine Show Slated Monday

On Monday, May 5, the Old Time Medicine Show will be returning to Muleshoe for their 7:30 performance at the Muleshoe Civic Center, sponsored by the Muleshoe Chamber of Commerce and Agriculture. The Medicine Show is being brought back to Muleshoe as a result of the very favorable response by those who attended their performance last year. The numerous acts will include country music, juggling, magic, slapstick comedy, and other wholesome family entertainment. Local merchants are giving customers coupons which may be redeemed for a \$3.00 ticket at the door, absolutely free. If you wish to purchase a ticket, they are available at the Chamber office at 104 E. Ave. C., as well as the Corral Restaurant, for \$3.00.

Spot checks indicated a light vote in the primary elections in Muleshoe Saturday morning, although all poll workers were expecting a moderate to heavy vote by the time the polls closed at 7 p.m.

Several of the contested races were expected to draw a larger than normal number of persons to the polls.

Mr. and Mrs. Alfred Hicks were recently notified that their son, Keith, a 1979 graduate of Lazbuddie High School, has been awarded Outstanding Business Student at South Plains College, Levelland.

The presentation was made during an awards assembly at SPC.

Muleshoe Area Public Library and the High Plains Library Bookmobile are among nearly 400 libraries throughout Texas participating this year in the Texas Reading Club. The program is sponsored by the Texas State Library and participating libraries.

First Baptist Church To Hear Special Guest

Guest speaker for the Sunday service at First Baptist Church today (May 4) will be Jake Diel. He is widely known in the area as a businessman engaged in highway construction, paving and the sale of heavy construction equipment.

His firm has offices in Muleshoe, Amarillo, the central office at Hereford and in Clovis, N.M.

Diel is a former member of the First Baptist Church in Muleshoe and now serves as a member of Temple Baptist Church of Hereford.

The members of First Baptist Church said they would like to extend a special invitation to everyone to hear him at 11 a.m. and 7 p.m. today.

At intermission of the Medicine Show, the Chamber will be selling candy, some sacks of which will contain numbers which may be redeemed for valuable prizes. The generous merchants who have contributed prizes for this give-away include King Grain Co., Poyner's White's Auto, Williams Brothers Office Supply, Nix Department Store, White's Cashway Grocery, Damron Drug, Western Auto, Perry's, Albertson's, and Webb's Spudnut Shop.

Also Sam's Sporting Goods, Buddy's Shoes, St. Clair's, Dent-Rempe, Gordon Wilson Appliance, A & M Farm Supply, Winker Meat Co., Anthony's, The Fair Store, Something Special, Lookin Good, Lindsey's Jeweler's, Western Drug, Muleshoe Antenna, and Barry & Young.

Robbery Suspects Still Jailed Here

At presstime, three Lubbock County residents were still incarcerated in the Bailey County Jail.

The trio was charged with robbery by firearm following a daytime robbery last Monday of Lindsey Jewelry.

Held without bond are Jimmy Jordan, 32 and Robert Charles Willard, 26. Still jailed in lieu of a \$100,000 bond is 25-year-old Joyce Marie Holmes.

They were arrested approximately 20 miles south of Muleshoe on State Road 214 by Texas Department of Public Safety Trooper Jim Dulin, following a five minute chase. Some 14 minutes after the robbery was first reported to the dispatcher at the Bailey County Law Enforcement Center, Dulin reported the suspects were 'in custody'.

Owner of the jewelry store, Vi Lindsey, and her two clerks, Ehtel Murray and Joann Sikes reported they were herded at gunpoint into a back room at the store where they were tied up.

TOP RECIPIENTS--Curby Brantley, left, and Thurman Myers received most of the top awards presented during the Tuesday night awards banquet for the Future Farmers of America. Numerous pins, certificates and plaques were presented FFA students during the evening.

Top Awards Given Thurman Myers

"Never give up - never give up" was the admonition given to Muleshoe FFA (Future Farmers of America) and their guests Tuesday night by Guy Turner, Agricultural Ambassador from Texas Tech University.

Turner was speaking to a crowd of more than 250 persons at the annual FFA awards banquet in the Muleshoe High School cafeteria.

"FFA is preparing you for life," he commented,

"If you are now working, and working hard enough; if you're not getting anything out of it (FFA) you're just in it for a free ride. 'It's up to America's youth to work to assure a brighter future.'"

He said young people are more conservative now than in the 60's and 70's and they are working more for an education. He said there is also more optimism in youth and they are making a complete turnaround in their lives.

Thurman Myers, president of the local FFA Chapter, was the top award recipient during the evening. He was presented the DeKalb Award, which was first presented in 1947; Star Agri-Business Award; and a plaque of appreciation by Starla Black, FFA Chapter Sweetheart.

Star Chapter Farmer was Curby Brantley and Star Greenhand was Tamara Gilliland.

Receiving the Hustler Award, presented by Bill Harmon, president of the Muleshoe Ag Boosters, was David Pruitt. Harmon also presented \$250 scholarships to Tommy Edmundson and Tommy Wheeler.

Special service awards were T.L. Timmons, who provided the banquet, and to Ronnie Black, for continued support to the Muleshoe FFA Chapter.

Honorary Chapter Farmer degrees were awarded Don and Norma Prather; Dewey Moore; Marsha Overman; Jim Dulin; Donna Black and Mary Janice Brantley.

FFA Foundation awards were given: Floriculture: Kellie Overman.

*** MHS Drama Group Win Second With Burgess 'Best'

Thursday afternoon, the drama students from Muleshoe High School presented their play, "Mother Courage and Her Children" in stage competition at Austin.

With plays from eight schools throughout the state being presented, "Mother Courage" was named the second best play in the State of Texas.

However, other honors also came along for the drama students. Lauri Burgess was named the Best Actress in the State; Fran Berryhill was named to the All Star cast and Rodney Unrein was given an Honorable Mention.

Named the overall winner, and first in the state was "Joan of Arc" done by drama students from Caldwell.

Muleshoe Speech and Drama Director Kerry Moore expressed his pleasure with the performance of his group from Muleshoe High School.

Landscaping Seminar Set Here Monday

County Extension Agent, Linda Mullin, has arranged for a program to assist home owners in selecting and placing landscaping materials for home energy conservation.

The program entitled "Landscaping for Energy Conservation" will be given by Mr. Everett Janne, state landscape horticulturist with the Texas Agricultural Extension Service.

The program will be Monday, May 5, at 8:00 p.m. in the Muleshoe State Bank meeting room. There is no charge for the program and it is open to all persons regardless of sex, race, color, creed or national origin.

Lack Of Moisture Holds Up Planting

Just enough rain fell in Bailey County and the surrounding area Thursday afternoon and evening to 'tease' farmers who are trying to get enough moisture to plant spring crops.

In varying amounts, the rain ranged from a very light shower to more than two inches in southwestern Bailey County.

From the Maple area, it was reported that the showers ranged from a 'very light' shower around the Three Way School to more than two and a half inches around the James Kindie farm.

Heavy hail was also

reported in isolated locations, with one man reporting four inches of hail on level grounds. In some unconfirmed reports, more than three inches of rain was recorded in very isolated, smaller spots around the Maple-Goodland-Stegall area.

At Maple, .7-.8 inches were reported, with one inch being recorded in the rain gauge at the Precinct Three County Barn north of Maple.

Bill Eubanks at the Maple Grocery said the moisture received was too spotty to allow farmers to plant cotton and grain, but added that it is early yet, and they still have the time to receive planting moisture.

He added that the rain will prove to be a good booster on the irrigated lands in the community, and was optimistic about the prospects for enough moisture to plant cotton before the end of the month.

4-H Clinic Slated For Area Youth

What's red, green, blue, and lots of fun as well as helpful? The answer is a special training program offered by American Red Cross instructors at the Texas 4-H Center (Clover Green) which will feature two water (blue) safety courses. The dates for this unique training are May 29 through June 1, 1980. The two courses -- "Basic Swimming and Rescue" and "Basic Canoe" will be held at the Texas 4-H Center on Lake Brownwood in central Texas. Mr. Hilton H. Gilliam, of the total safe institute in Brownwood, will lead the instruction which leads to American Red Cross certified instructors' status for those who successfully complete either of the two courses.

Participants must be at least 17 years of age, and enrollment is limited to the first 40 persons who register. For further details, persons interested may contact the Bailey County Extension office, located in the Courthouse or phone 272-4559.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic levels, race, color, sex, religion or national origin.

Tickets are on sale at Bob Stovall Printing, Latrell's Fashions, Wiedebush and Company, Poyner's White Store, St. Clair's Department Store, Sam's Sporting Goods, Western Drug, Damron Drug, Western Auto, Fair Store and Bratcher Motor Supply.

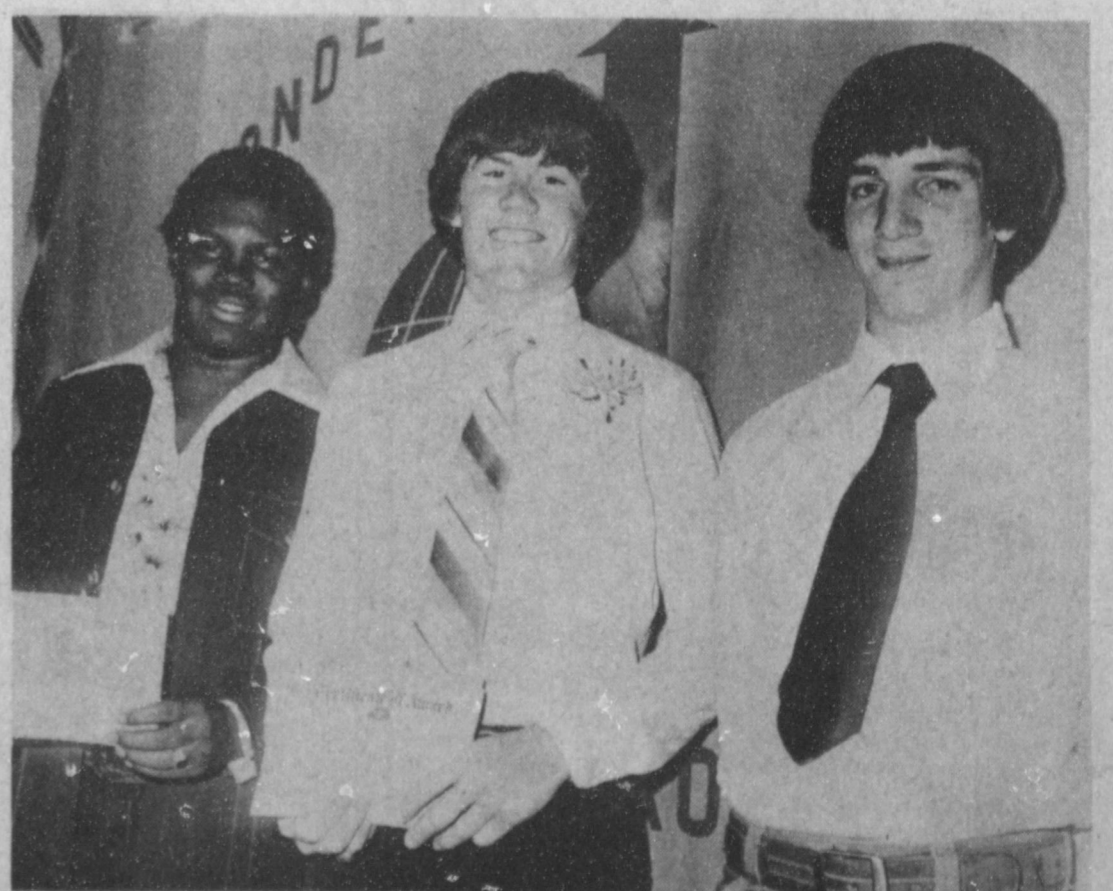

Banquet Tickets On Sale

Tickets have gone on sale at several locations in Muleshoe for the annual All-Sports Banquet at Muleshoe High School, sponsored by the Athletic Booster Club.

Tickets for the banquet are \$6 each. The banquet is scheduled for 7:30 p.m. on Tuesday, May 13 in the Muleshoe High School cafeteria.

Guest speaker will be Bill Yung, Athletic Director and Head Football Coach at West Texas State University, Canyon.

Tickets are on sale at Bob Stovall Printing, Latrell's Fashions, Wiedebush and Company, Poyner's White Store, St. Clair's Department Store, Sam's Sporting Goods, Western Drug, Damron Drug, Western Auto, Fair Store and Bratcher Motor Supply.

Beta Sigma Phi Chapters Founder's Day Celebration

Every year in late April, members of Beta Sigma Phi, the world's largest Greek letter sorority, celebrates the anniversary of their organization's founding.

But, this year will be different. This year, the 49th birthday of this service, social and cultural organization will kick off a year-long golden anniversary celebration that will culminate in the biggest birthday party ever held.

From April 30, 1980 - April 30, 1981, members will be working on two goals shared by 250,000 members, now active in 31 counties around the world; to extend the band of friendship to community women; and to enjoy to the fullest extent the opportunities for personal growth that Beta Sigma Phi offers every member.

From the first chapter of seven women in Abilene, Kansas, Beta Sigma Phi has grown from a small social and cultural group into an international sorority that devotes much time to service efforts as well.

The Founder's Day celebration for the three Muleshoe Beta Sigma Phi Chapters was held Tuesday, April 29, at the Country Club. Doris Scoggin served as chairman for the Founder's Day activities.

Toastmistresses for the evening was Pat Black. Rene Anderson led the opening ritual. Janna Wartes gave the invocation which was followed by the meal.

The Founder's Day Pledge was recited by Karen T. Black and Sharon Agee had the honor of presenting a special message from the International

Executive Council of Beta Sigma Phi.

Highlights of the year and perfect attendance were presented by Karen Renner, Lynne Box and Karen Kidd. Receiving perfect attendance awards from Alpha Zeta Pi were Jama Brown, Karen Renner, Janna Wartes, Anita Allgood, Pat Black, Debbie Nichols, and Marilyn Saylor.

Those having a perfect attendance in Preceptor Zeta Rho were Marcia Henry, Pat King, and Janelle Turner.

Beta Sigma Phi City-council officers were installed by Lucy Faye Smith. Those being installed were Pat King, president; Brenda Black, vice president; Janna Wartes, secretary; Lynne Box, treasurer; and Marcia Henry, social co-ordinator.

The highlight of the Founder's Day banquet is the recognition of the Pledge of the Year and Girls of the Year. These girls are chosen for sincerity, willingness to work, and how they have helped to make their chapters successful.

Jean Treadwell honored Debbie Nichols of Alpha Zeta Pi with the Pledge of the Year Award. Barbara Finney announced the Girls of the Year. They were Pat Black in Alpha Zeta Pi; Karen T. Black in Xi Omicron Xi; and Marcia Henry in Preceptor Zeta Rho. Linda Tanksley closed the Founder's Day program by leading the closing ritual.

Lazbuddie School Band Attends Musical Festival

by J. Wilke
The forty plus member Longhorn band enjoyed a few days off as they traveled to Six Flags Over Texas to participate in the Six Flags Music Festival and have a good time.

Bandsmen have been saying up from their own allowances and Band Boosters and band members have been busily engaged in fund-raising in order for the band to participate in this festival, the first for a Lazbuddie band group.

On April 23, bandsmen loaded a chartered Continental Trailways bus for Arlington, and with a good send-off from schoolmates and parents, the band was on its way.

Excitement was at an all time high as the band arrived at Arlington at about 5:30 p.m. Everyone changed into nice clothes for a trip to Fort Worth and Colonial Restaurant.

After a sumptuous meal of barbeque and all of the trimmings, the members came back to their motel and went to bed, hoping to be ready for their contest on April 24.

After rising and eating breakfast, bandsmen then loaded their bus on the morning of April 24, the group travelled to the University of Texas at Arlington to present their part of the contest.

The band played two of their contest numbers for Judges Richard Floyd of Baylor, Jack Evans, and Donald McGinnis, of Ohio State. The Lazbuddie group participated in the Class A contest, since there is no Class B contest for small band.

One group who performed after the Longhorns was the Sudan band, who has for many years had a good reputation for being a fine band.

After the results were finally tabulated, Lazbuddie had a third division, which at Six Flags is considered average. The neighboring Sudan group also received a third division. Earlier in the year, at UIL contest, Sudan had edged out Lazbuddie with a first division. But, on April 24, in Arlington, Texas, the bands were on equal grounds, and the Longhorn Band proved they too could compete with the best.

After lunch on April 24, the Lazbuddie kids went back to the motel and

donned their swimsuits for a dip in the pool. Being that the weather was so warm, the sponsors sometimes had trouble getting the kids out of the pool.

At 4:30 p.m. the troupe left for Six Flags. After a wait at the gate, the students were everywhere, daring each other to try such rides as the Shock Wave and the Judge Roy Scream. Most of the sponsors were too conservative to try such excitement, and opted for such rides as the train, and maybe the merry-go-round.

At 11:00 p.m., the park closed and the kids and sponsors alike were ready for a little shut-eye. After all, they would once again be at Six Flags the next day.

The day of April 25 was filled with much anticipation and fun, as the bandsmen started off the day at the Southwest Historical Wax Museum then ate lunch at the Six Flags Mall. While the group was at the Museum, there were plenty of hair-raising scenes of some of the bad men of yesteryear, who met their untimely demise at the end of a hanging rope, but most of the band shrugged off the sites and went on about their busi-

ness. At the Six Flags Mall, students dined in style on Mexican foods, hamburgers or their choices of various choices from Wyatt's while they also got to look for souvenirs.

Back at the motel, most of the bandsmen stayed the remainder of the afternoon in the pool. But, then again, so did the Sponsors.

After throwing in the band director's wife, the rebels then went after all of the sponsors, and succeeded in baptising them in the motel pool with all their clothes on. No one was safe, as the band students also had a move going to throw in the bus driver, Joe Taylor remained dry. He he did that was a mystery to all of the sponsors and the band director, too.

Six Flags the second time around was a bit on the cool side. Winds got up during the night, so many of the band members were busily looking for a warm place to stay. With most of the band playing that day, there were several more students there that had been previously. But, all had a good time, despite the

cold. Early to bed, the kids got up early to pack and get ready for the trip home. Although the band had a good time at Six Flags, they were, for the most part, ready to come home.

After a stop in Seymour for lunch, it was back on the bus for three more hours and finally home to Lazbuddie, to tell friends and family of their experiences and fun in Arlington.

Sponsors for the trip were Mr. and Mrs. Ronald Elliott, Mr. and Mrs. Wayne Moore, and Mr. and Mrs. Claude Gregory, along with the band director and his wife, Mr. and Mrs. Carl Wilke.

It all was an experience that none of us will soon forget.

"Texas Heritage"

Theme For The Day At Study Club

The Muleshoe Study Club met, April 24 at 4 p.m. in the First Christian Church with Mrs. Walter Bartholf as hostess. The Theme for the day was "Texas Heritage". Members answering the roll call with their favorite wild flower were; Mrs. J.G. Arnn, Mrs. Wilma Thompson, Mrs. Wilson Witherspoon, Mrs. Joe Costen, Mrs. Ed Johnson, Mrs. Thurman White, Mrs. Charles Shain, Mrs. Doyle Turner, Mrs. Betty Carpenter, Mrs. A.C. Neely, Mrs. Wesley Glover, Mrs. Luther Pitts, and the hostess, Mrs. Bartholf.

Refreshments of sherbert, cookies, tea and coffee were served to all. Mrs. Thompson called the meeting to order and led the members with the club creed and salute to the American Flag.

Mrs. Arnn reported that approximately \$300 was made from the book sale at the library. The proceeds from this sale will be given to the library to use in buying new books. Also the club presented the Gibbons family with a dictionary, as they were selected as the library "Family of the Year".

Mrs. Turner took excerpts from a book entitled "The Texas Republic" by William Ranion Hogan. Hogan wrote about the people migrating to Texas and that at that time, popular expressions was "Gone To Texas". The initials GTT, was found on doors of people leaving their homes for Texas.

They came by way of scooners, horse back wagon tains, or on foot. They lived in log cabins fashioned from logs into one and two room houses with

"Special Senior Citizens Honored With Tea"

The Lazbuddie Young Homemakers sponsored an afternoon tea for eight, "Special Senior Citizens, Sunday April 27th from 2-4 p.m. in the Lazbuddie School Cafeteria.

Several of the Young Homemakers greeted the guests as they arrived. The registration table was covered with a cloth featuring spring colored flowers. The table was centered with a tan wicker basket of ivy. The club scrapbook was on display at the registration table.

Each honored guest was presented with a corsage or boutoniere of spring colored silk flowers. These were made by Mrs. Lloyd Bradshaw. The special senior citizens in attendance were; Mrs. Dixie Barnes, Mrs. Vivian Ham, Alfred Scott and Sam Layman. Others honored

that were unable to attend were; Mrs. Effie Jennings, Mrs. Clara Weaver, Ed Clark and Willie Steinbock.

President of Young Homemakers, Mrs. Darrell Mason, welcomed the guests and introduced the honored guests. Several children of the Young Homemakers presented three songs to the guests. They sang "If You're Happy and You Know It", "Six Little Ducks", "Twinkle Twinkle Little Star" and "Jesus Loves Me".

Each honored guest was presented with a card signed by all the children. The children participating were; Shonda Mitchell, Tammy and Jana Vise, Tracy, Cristy and Britton Collum, Susan Redwine, Mandi and Darunda Magby, Julie McDonald,

Lori Bradshaw and JoAnn Gallman.

Each of the honored guests received an oil painting done by Mrs. Dave Engleking, from the club.

Refreshments of assorted fruit breads, strawberry sherbert punch and coffee were served to approximately 40 persons. The table was covered with a solid yellow cloth. The centerpiece was an arrangement of pastel colored silk flowers. The paperware was printed with spring time flowers.

Mrs. Dixie Barnes, is active inside her home with quilting. She makes dacron and silk quilts by taking small pieces of material and arranging them into a masterpiece. Outside she enjoys caring for her flowers, fruit trees and working in her yard and

garden. Mrs. Vivian Ham is the painter in the group. She enjoys sharing her talent of painting and going to art shows. Her home is full of reproductions and her own creations.

Mrs. Effie Jennings is a very creative lady with her crocheting. Her home is a display of many of the afghans and spreads she has masterfully put together. She's very proud of her fruit trees and loves to visit with people.

Mrs. Clara Weaver and her husband, Quinn, have resided in the Lazbuddie Community for many years. She enjoys having people visit with her. Mrs. Weaver is a resident of the Muleshoe Nursing Home at the present time.

Ed Clark is the eldest of the honored special senior citizens. He is 93, years of

age. He is a resident of the Muleshoe Nursing Home and is confined to his bed most of the time, but does enjoy having visitors. He has been in the area approximately 75 years.

Sam Layman thoroughly enjoys canning each year out of the garden he himself tends to. He also travels around some and enjoys visiting.

Alfred Scott is the woodworking enthusiast. He also enjoys working in his yard and garden. One of the favorite past times is visiting with friends and going places.

Willie Steinbock enjoys

watching boxing on TV and playing Dominoes at the Muleshoe Nursing Home. He also enjoys getting to come out to his son's farm, Max and Rex.

If anyone has an elderly relative or friend that might enjoy being one of the Young Homemakers Special Senior Citizens, they may contact any club member.

These Senior Citizens are honored by the Young Homemakers for all they have meant to the Lazbuddie Community through many years of living.

LIVE ENTERTAINMENT...Children of the Lazbuddie Young Homemakers entertained the "Special Senior Citizens" and friends who attended the Tea at Lazbuddie, April 27th.

RIBBONS EARNED...Boy's from troop #621 of Boy Scouts attended a camporee at Camp Post, recently. They competed in several scouting events and earned several ribbons. Scout Master, Ricky Mata, and Jose Triana accompanied them. Pictured are front row; L-R, Gilbert Recio, Sammy Gonzales, Jr., Arthur Recio and Danny Mata. Back Row L-R, Lupe Rejino, Jr., Charlie Mata, Mark Mata, Tommy Recio, Fabian Martinez, and Scout Master, Ricky Mata. Not pictured are Sergio Leal, Benji Martinez, Loy Triana, Aldo Almanza and Jose Triana.

Flag Corp Is Selected

A new addition to football half-times next year will be a flag unit that will perform with the Mighty "M" Band. There is a definite trend nationwide toward the style of marching and presentation of the drum and bugle corps. One aspect of this style is heavy use of flags to enhance and add "flash" to band performances.

Thirteen girls were selected in auditions conducted by Karin Berry of Wayland Baptist College. The girls worked in a two hour session learning a routine to use for try-outs at the end of the session. The girls were selected on the basis of retention, effort, "snap", and poise.

Those selected include: Liberty Flores, Sylvia Hodges, Martha Flores, Juanita Lozano, Kim Wilson, Sandra Martinez, Delia Shaw, Sherry Ellard, Kim Farmer, Stacey Campbell, Robin Burgess, Patty Garcia, and Stacey Barnhill.

Losing 76 pounds changed the way I cook—and look!

Pat Walker's Now Open Accepting Appointments

Darla Overstreet can laugh about it now. "My problem area was everywhere," she says. "I'm five feet five, and do you believe I once weighed 204 pounds? I love to cook and to eat, but I knew I needed to do something about my weight. When I saw the Pat Walker's ads with the before and after stories, I thought...well, maybe I could do that, too."

No-sweat exercise gets results

Darla discovered that the Pat Walker's program is a unique combination of passive exercise and counseling about good eating habits. The Symmetron passive exercise unit tones and firms your figure while you lie back and relax. It's so gentle that you can wear your street clothes. But it really works. Now Darla weighs just 128 pounds, and her dress size has gone from 20 to 10.

Pat Walker's: your private place

If you think losing weight means putting on a revealing leotard and doing difficult exercises with other women...welcome to Pat Walker's! Here, your passive exercise treatments and counseling sessions are completely private. No one knows your secrets except you and the Pat Walker's professionals.

Free figure analysis

Darla Overstreet has learned a lot about cooking and eating sensibly. And she's learned what it's like to get compliments, too — both for her and her new looks. Now it's your turn to be a success. Make an appointment for a free, no-obligation consultation at Pat Walker's. We'll tell you how much you need to lose, how long it will take — and the total cost of your complete figure correction, based on four dollars per thirty-minute treatment. CALL NOW!

The program is basically designed to explain how landscape materials can best be utilized in helping conserve home energy. Mr. Janne will also suggest trees and plants most suited to this area.

We are all reminded daily of the energy situation and are told it will get worse. This program will provide information on one other method the consumer can utilize to save as much energy as possible resulting in more energy for everyone and lower utility bills. We hope as many people as possible will be able to attend this program. Come and bring your neighbor.

Rain...

Cont. from Page 1

The hail in southwestern Bailey County was the only hail reported except for light, pea-sized hail that fell briefly in Muleshoe to accompany the rain that measured from .21 to .75 in various areas of the city.

No hail was reported in northeast Muleshoe, while southwest Muleshoe, around Muleshoe High School and Junior High School received .75 in moisture and the small hail peppered down turning the ground white for a few minutes.

At Bula, Mrs. Bennie Claunch said they received one-half inch of rain, and no hail at their home, but said that up to an inch of rain fell less than a mile and a half from their farm.

In the Clay's Corner and Lazbuddie communities, only light showers were reported. Tim Foster at Foster Fertilizer said irrigated crops are being planted, with virtually all of the farm land in that community being irrigated crops.

At Coyote Lake, the Coyote Lake Feedyard said they received from an inch to slightly more rain, with no hail. That area was devastated by an early hailstorm last year, that

knocked windows out of buildings and vehicles and flattened young crops.

At the Longview Baptist Church, around a half inch of rain was received, and about a mile from there, Mrs. I.L. Kitchens said they received three fourths of an inch of rain. Mrs. Kitchens said the May 1 rain was much more welcome than the April 30, 1979 hailstorm which left widespread damage in the community.

Shower prospects were back in the picture for the weekend, with the National Weather Service predicting additional moisture. Farmers were 'holding off' on planting until additional moisture was received. At present, a few clouds were beginning to drift back into the area, as farmers cast a wistful eye skyward.

Sheriff's Office Report

Deputy Sheriff James Williams and Leroy Sandefur took three more men to the Texas Department of Corrections last weekend, to bring the recent total of seven men who have been taken to Huntsville to serve prison sentences from this county, during the last three weeks.

Sheriff's office arrests include one person for violation of probation (a female); one persons charged with theft; two for burglary of a residence at Bula and one person for public intoxication.

Church services are still being held every Sunday--just like they were when you were taught to go regularly.

ELECTRICITY FROM COAL...

It's good to know there's something we can depend on.

Almost all of us depend on electricity in our homes, factories, and offices to provide for more jobs... greater productivity... and a higher standard of living. Yes, electricity plays a big roll in the scientific and technological developments that make these things possible.

The constant striving for these innovative and advanced ideas and achievements of tomorrow means we will need more electricity. That's why Southwestern Public Service is continuing the building program of new electric generating plants that use coal as fuel. Because it's good to know there's something we can depend on.

Myasthenia Gravis; A Crippling Disease

Although strides have been made to inform the public of health-care workers about myasthenia gravis, many patients still are diagnosed incorrectly. J. Robert Morton, president of the Myasthenia Gravis Foundation states.

Symptoms of the disease include drooping eyelids, loss of balance, slurred speech, difficulty walking, and muscle weakness in the neck and throat area. "These symptoms are often mistaken for any number of other things," added Morton.

The MG Foundation's three day annual convention was held in Kansas City, Mo. The convention was attended by approximately 300 nurses, doctors, health-care professionals, MG patients and family members of victims of the disease, according to a foundation spokesman. Attending the convention and representing the Northwest Texas Chapter of the Myasthenia Gravis Foundation were Mr. and Mrs. J.E. (Mac) McVicker of Muleshoe; John Dunbar of Clovis, Wesley Masters of Amarillo and Mr. and Mrs. Van Greene of Lubbock.

Morton urged foundation chapters to follow through on their national plan, which calls for a concerted effort to educate the public and professionals about the disease and for a fund-raising effort to finance research.

Through individual case studies, doctors who at-

tended the medical session were shown how the disease has often been diagnosed incorrectly. About 60 nurses were instructed on the total care of the myasthenic patient.

According to the foundation, which was formed in 1952, myasthenia gravis most often attacks women of child bearing age and men between 40 and 70 years of age. However, MG can occur in any age, either sex, varying in severity from mild cases that do not progress, to severe cases that are fatal despite treatment. Until recently, explained Morton, the disease proved fatal to 85 percent of the victims. It has been estimated that 100,000 Americans have the disease, although less than 30 percent are aware of it.

One of the major difficulties which diagnosis, continued that MG Foundation president, is that the symptoms tend to appear and disappear. No two myasthenics are alike, not only in symptoms but in severity. One day a woman may feel her legs buckle at the shopping center, and the next day, all symptoms have disappeared. This is Myasthenia Gravis.

Anyone who would like to request more information about Myasthenia Gravis, may call Jenne McVicker at 272-4741 or Margaret Clements at 272-4435 in Muleshoe, or write Northwest Texas Chapter; Box 766, Muleshoe, Texas 79347.

Rabies cases continue to increase at an alarming rate in Texas.

Laboratory confirmed positive cases of rabies in Texas showed a 115 percent increase in 1979 over 1978, reveals Spencer Tanksley, county agent with the Texas Agricultural Extension Service, Texas A&M University System.

The number of cases of rabid dogs took the biggest jump with an 811 percent increase. A total of 82 dogs were found rabid in 1979 compared to only 9 in 1978. More rabid skunks were confirmed than any other animal with 857 skunks reported rabid compared to 447 in 1978.

A large number of foxes, raccoons, horses, cats and bats also made the rabid list, Tanksley says. Reports so far for 1980 indicate the incidence of rabies in wild animals, especially the skunk, are still high.

Tanksley recommends the following steps when animals are exposed to rabies.

--Dogs and cats bitten by a known rabid animal should be destroyed immediately. If the owner is unwilling to have this

done, the unvaccinated animal should be vaccinated immediately with a modified live virus vaccine against rabies and placed in strict isolation for six months. If the animal has a record of current vaccination, it should be revaccinated immediately and restrained for at least 60 days.

--Livestock bitten by rabid animals should be destroyed immediately. If the owner is unwilling to have this done, the animal should be placed in quarantine for six months.

--Exposed livestock can be safely killed and its tissues eaten without risk of infection if the animal is slaughtered within three days after being bitten.

--Persons who slaughter and skin an exposed animal should wear gloves and perform their duties with care to prevent possible exposure from the wound area. Liberal portions of the tissues in the bite area should be discarded. The remaining muscle tissues of the animal are considered safe to eat.

Tanksley also suggests certain precautions be taken when seemingly healthy pets bite a person

for no reason.

In this case the animal should either be confined and observed by a veterinarian for 10 days or killed immediately and examined by the fluorescent antibody technique, says Tanksley. If the owner opts for observation and signs suggestive of rabies develop, the animal should be humanely killed immediately and its head submitted for rabies examination.

Signs of rabies in wild animals cannot be interpreted reliably, Tanksley warns. Therefore, any wild animal that bites or scratches a person should be killed at once and examined for evidence of rabies.

If the fluorescent microscopy examination for rabies is negative, the saliva contains no virus

and the bitten person need not be treated.

Tanksley adds that House Bill 1323, which requires dog and cat owners to have their pets vaccinated against rabies at four months of age and at regular intervals thereafter, becomes effective April 1.

Band Trip To Houston

The Mighty "M" Band took their annual major trip April 17-19 to Houston. The trip included visits to the Houston Zoo, Museum of Natural Science, The Galleria, and the Castle Games and Sports Center. Also included in the trip was concert competition at the

University of Houston and a visit to Astroworld.

The band departed from Muleshoe at 10:00 A.M. Thursday aboard two chartered busses. Competition was Friday night at 8:50 P.M., with the band receiving a second division rating (good). Judges for the competition were Charles Minelli of Ohio University, Kenneth Bloomquist from Michigan State University, and Herbert Carter of East Carolina University.

The band went to Astroworld on Saturday morning and enjoyed the park until departure from Houston. The band departed at 3:00 P.M. and

arrived back in Muleshoe at 4:00 A.M. Sunday morning.

The band and directors wish to thank the people of Muleshoe for supporting various fund-raising activities throughout the year. The band raises all of the money used on this trip each year and would not be able to attend such fine festivals if not for the support of the people of Muleshoe.

Lightweight and easy to use... it is ideal for small yards and precise trimming
PARAMOUNT Shear-king MOD. 5205
 Here's all the versatility and safety of nylon cord trimming for people with smaller yards, or who live in trailer parks or condominiums. Weighing less than 3 lbs., it is so easy to control that nearly anyone can use it. It will clear out grass and light weeds along fences and flower beds, around trees and under shrubs all those awkward places your lawn mower can't reach. A sturdy wrap-around guard protects you from flying debris. With a 20 hp. motor, it cuts a full 9 inch path. The cutting cord is instantly adjustable without tools, and the spool holds 24 ft. of spare cord. Replacement spools are easy to install. The big, contoured handle fits the hand perfectly, and features a convenient On-Off trigger switch. The entire unit is double-insulated for your safety, and to permit the use of lighter, Thriflex 2-wire cords.

Teacher of The Week

This week MJHS student council elected Mrs. Margaret Teaff as Teacher of the Week. She graduated from South Plains Jr. College, then attended WTSU, where she got her degree in Elementary Education. Mrs. Teaff teaches Title I Math, and says she really enjoys teaching this subject. Her hobbies are playing the piano, sewing, and attending art shows with her husband Jerry, who is an electrician, carpenter, and artist.

Her brother, Mike Richardson is also a teacher at MJHS. When asked about this, she replied, "I like to hear what people say about him before they know he is my brother."

There's an old saying that money isn't everything, but there are few troubles that a little money can't lighten.

FFA Busy

The F.H.A. chapter has been busy catering spring banquet meals. During the past three weeks, F.H.A. has catered the DECA-HECE banquet, TSTA banquet, and the FFA banquet, under the supervision of Mrs. Jan Powell and Mrs. Dorine Harbin. F.H.A. members and some Home Ec. students helped to prepare and serve the food and after the banquet clean-up. The ones who helped really had a good time, and F.H.A. would like to thank those people for all the help and cooperation.

The members of the organizations for whom the banquets were served appreciate the delicious meals and courteous efficient service of the young people who served.

HOW TO CREATE A DISASTER... A DIME AT A TIME

An Open Letter to the Public

We, the Texas Oil Marketers Association, hereby express our total and absolute opposition to the proposed 10¢ per gallon Gasoline Conservation Fee, to be imposed on May 15, 1980.

We believe the negative impacts of the program on all Americans far outweigh any possible reduction in crude oil imports and energy conservation. Specifically, President Carter's ten-cent per gallon gasoline fee will:

- Result in serious supply shortages in rural America and in agricultural communities.
- Drastically reduce 1980 farm crop output and raise food prices for American consumers.
- Add \$10.3 billion to the cost of gasoline during the first year of the program and unnecessarily increase the price of all other petroleum products.
- Place a disproportionate economic burden on low income families, rural areas and small businesses.
- Increase nationwide inflation the first year by at least 1%.
- Make it impossible for small businesses to assimilate the overnight increase of 8% in gasoline product cost.
- Bring about disastrous effects on American farms, businesses, and consumers; no economic analysis of these effects has been prepared.
- Constitute taxation without Congressional representation.
- Inequitably places this tax on gasoline, which is only 45% of a barrel of crude.

For these reasons we have asked that President Carter withdraw the Petroleum Import Adjustment Program and the Gasoline Conservation Fee prior to its scheduled implementation on May 15, 1980. Absent Presidential action we have further requested that the United States Congress take appropriate and swift action to spare all Americans by halting this inflationary program.

It's not too late to stop it! Write your Congressman, U. S. House of Representatives, Washington, D. C. 20515, and your Senator, U. S. Senate, Washington, D. C. 20510.

Ardie Nowell Services Held Thursday

Services for Ardie Nowell 69, of Lovington, N.M., were held May 1 at 3:30 p.m. in the Third and Central Church of Christ, with Gary Montgomery and Ronald Wood, ministers, officiating.

Burial was in the Lovington Cemetery, under the direction of Smith-Rogers Funeral Home. He died Tuesday, at 7:40 p.m. in the Hobbs Hospital.

He was born in Olney, and had lived in Lovington since 1944. He married Irene Roach, August 26, 1935 in St. Jo.

Nowell was the owner of Nowell Pharmacy in Lovington, was a charter member of the Lovington Lions Club, past president of the New Mexico Pharmaceutical Association. He served on the board of directors of the Lovington Good Samaritan Nursing Home. Also was a member of the Third and Central Church of Christ.

Survivors include his wife Irene; two daughters, Charlotte Hester of Oklahoma City, Okla., and Christine Mauldine of Abilene; three sisters; Mrs. O.D. Kenney of Slaton, Mrs. E.J. Kenny of Lubbock and Mrs. Sammie Taylor of Denver City; three brothers; Orbin of Lubbock and Elbert and sisters; Mrs. O.D. Kenney

of Slaton, Mrs. E.J. Kenny of Lubbock and Mrs. Sammie Taylor of Denver City; three brothers; Orbin of Lubbock and Elbert and Ernest of Muleshoe; and four grandchildren.

Mrs. Ross Services Held In Floydada

Funeral services for Josie Ross 84, were held at 2 p.m., Saturday in the Calvary Baptist Church in Floydada, with Rev. Hollis Payne, pastor officiating.

Burial was in the Floyd County Memorial Park at Floydada. She died May 1, at 2:35 a.m., in the West Plains Medical Center.

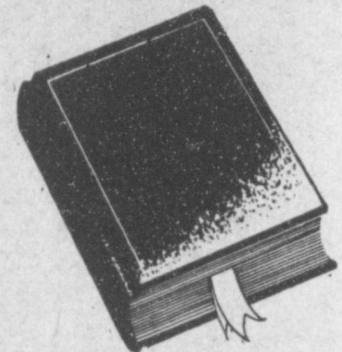

She was born April 17, 1896, in Sweetwater, Tennessee and came to Muleshoe three months ago from Floydada where she had lived since 1927. She was a member of the Calvary Baptist Church in Floydada.

Survivors include: two daughters; Mrs. Maxine Ragsdale, Goodland and Mrs. Norman Robinson of Amarillo; one son, Melvin Rose of Grover, Texas. Two brothers; R.T. Guffee, Hale Cneter, Clarence Guffee, Floydada and Edgar hoe Guffee, Plainview. Nine grandchildren and three great grandchildren.

It's fine to think you are usually right as long as you can keep it a secret.

ATTEND THE CHURCH OF YOUR CHOICE

"For Me to Live is Christ"

"And the Lord shall guide thee continually, and satisfy thy soul in draught, and make fat thy bones, and thou shalt be like a watered garden, and like a spring of water, whose waters fail not." Isaiah 58:11

"For me to live is Christ" is to be living for a purpose—to serve God by drawing out my soul to the poor, lonely, hungry, and lost. "For me to live is Christ" is to lead men everywhere to Jesus Christ who is the fountain of the water of life. And He has promised that when I am in His service He will guide me, and satisfy me, and I shall be like the flowers in this picture, like a watered garden, sustained by Him.

THE CHURCH IN EVERY HOME

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

**The
Sandhills
Philosopher**

Editor's note: The
Sandhills Philosopher on
his Johnson Grass farm on
Sandy Creek tries to come
to the aid of the Olympic
athletes this week, per-
haps.
Dear editor:

It's not a problem I can
get worked up about, but
this problem of American
athletes who've been
training for years for a shot
at a gold medal at the
Olympics deserves some
sort of solution, now that
the boycott prevents them
from competing in
Moscow.

At the neglect of infla-
tion, the Presidential pri-
maries, oil companies'
huge profits and 20
percent interest rates, I
have given the Olympic
problem some thought.
There is a way out.

You no doubt have seen
a split screen on television.
Walter Cronkite can sit in
a studio in Washington
and talk to Sadat in Cairo.
You can see him talking to
Sadat and Sadat talking to
him, despite the thousands
of miles that separate the
two.

That's the answer. This
summer at the Olympics
when the 100-yard dash for
example starts in Moscow,
simultaneously start the
same race on some track in
the United States, with
cameras trained on both
races and the pictures
shown on a split screen.

If an American wins he
gets a gold medal and a
contract for one million
dollars to advertise break-
fast food on TV. If he
comes in second he gets a
silver medal if the Hunt
brothers will allow it. If he
comes in last he can kick
himself for not supporting
the boycott in the first
place.

Speaking of television,
Thomas Jefferson would
never have believed it but
the Supreme Court has
been asked to rule on
whether a man whose trial
was televised should get
a new trial because the tele-
vision interfered with
justice. If the man loses,
his lawyer no doubt will
ask for a new hearing on
the grounds the trial was
televised in black and
white instead of color and
vice versa and the the
Supreme Court failed to
rule if there's a difference.

Shakespeare was wrong.
The quality of mercy is
strained, and strained and
strained and strained.
Yours faithfully,
J.A.

Friday at noon the Nur-
sing Home gave the resi-
dents a Mexican Food
dinner. The kitchen pre-
pared the meal of enchil-
adas, beans, salad and
sherbert. The aids served
the meal. The dining room
was decorated in a Mexi-
can theme. Some of the
staff brought items to help
decorate. The Muleshoe
Young Homemakers help-
ed put the decorations up.

Sunday morning E.B.
Wilson came to have Bible
Study with Charlie Garth,
Marie Patton, Marie En-
gram, Dottie Wilterding,
Sena Burhman, Maggie
London, W.W. Parker and
Archie Scarlett.

Tuesday afternoon the
Hospital and Nursing
Home Aux. came to sham-
poo and set the ladies hair
and give manicures. Lad-
ies having a shampoo and
set were Ora Roberts,
Marie Engram, Maggie
London, Edith Bruns, Bir-
die Phelps, Marie Patton,
Annie Brown, Russ Dun-
can, Roie Stine, Grace
Kemp, Chellie Bradley,
Bertie Hendrix, Juanita
Garrett, Lottie Hall, and
Ruth Myers. Clara Weaver
got a hair cut. Annie
Brown, Maggie London,
Marie Engram and other
ladies got manicures.

Wednesday afternoon
Glenda Jennings and Bro.
and Mrs. Crenshaw from
the Lazbuddie Methodist
Church came to have a
Sing-A-Long with the resi-
dents. Residents attending
were Marie Engram, Edith
Brunns, Sena Burhman,
Dottie Wilterding, Effie
Splawn, Bulah Connell,
Annie Brown, Chellie
Bradley, Russ Duncan,
Ora Roberts, Archie Scar-
lett, Charlie Garth, Willie
Steinbock, Grace Kemp,
Roie Stine and Lottie Hall.

Janie Bradshaw of the
Lazbuddie Young Home-
makers came and visited
Clara Weaver, Ed Clark,
and Willie Steinbock. The
Young Homemakers pre-
sented each with an oil
painting done by Sheryl
Engelking and a corsage or
boutinere and a special
card signed by all the
children of the Young
Homemakers. This was a
special thank you to these
residents to express how
much they are loved.

No MX Missiles Here
The Governor was serious
in his opposition to locating
a proposed MX missile sys-
tem in the Texas Panhandle.
The feds are eyeing Texas
after officials in two western
states protested missile sites
in their home states.
Clements said the pro-
gram requires "a tremen-
dous amount of money" to
locate the missiles on huge
tracks to avoid pinpoint tar-
geting by foreign enemies.
Clements is basically op-
posed to the mobile concept
of missile installation and
said he favors installing the
new missiles in existing silos.
Iranians Leave
Meanwhile, Iranian diplo-
mats left their consulate in
Houston, six hours before
President Carter's deadline
for expulsion. Ninety-three
Iranian pilot trainees sta-
tioned in Texas are still here
under the military's protec-
tion. They are expected to
