Komedly Kapers set for Friday

Miss Diamond Jubilee has been selected, and the world will be Mz. Post. And from the list of entrants, your guess is as good as anyone's. Just be sure you attend the Diamond Jubilee Edition of Komedly Kapers that will begin the official celebration Friday at 5 p.m. beginning with a spaghetti supper in the Community Center.

Dinner music for the Komedly Kapers meal will be furnished by "The Wednesday Connection."

The Kapers, with it's long list of celebrities will be strutting its stuff for the public when the first act kicks off with the First National Bank Players, and the whole affair emceed by that illustrious Tommy Tarsion.

Next comes the puppet review followed by that famous "Jackrabbit and other creatures" as they portray, "The Texas Saga." A "Tillman Tribute" will be presented in honor of Floyd Tillman and then an appearance will be made by

EMTs receive final testing

Post EMT's underwent final testing Monday night to receive their State EMT certification. Included in the testing was a written exam and skills.

Those who received their initial EMT certification were: Kenneth and Helen Cook, Marie Odom, Gene and Betty Posey, Mike Harper, and Barbara White of New Home. Approximately 100 classroom hours and 40 hours of hospital rotation were spent to gain EMT status.

EMT's who recertified were: Cindy Johnson, Rick Maestas, Jim Jackson, Gordon Terry, Kay Hays, Cheryl Blair, LaVena Pal-

mer, Jim Wells, Billy and Weaver McKamie, Glen Barley, Diane Stelzer, Danny Shaw, and Linda Crawford of Slaton. Margie Pennell and Sheri Reidel will also be recertified, pending completion of the written exam and skills test. Requirements for recertification included 24 hours of classroom instruction and additional hours spent in practice.

All of these individuals have put a great deal of time and effort into gaining their EMT license. They should be commended for their dedication and desire to help the people of Post and Garza County.

Fund set up for burn victim

A trust fund has been established at the First National Bank for Paul Quinonez, burn victim in the recent truck fire accident last week. Quinonez, an employee of Palmers, remains in a Lubbock hospital in serious condition. All donations will be greatly appreciated. The fund has been established by pastor, Leon Medina of the Iglesia de dois de la Profesia Church.

Forgery case investigated

Garza County Officers investigated a forgery case here in Post last week, which amounted to \$800 in forged checks on Murphy Plumbing of Post.

Rodney Wayne and Jeri Sinyard, husband and wife, are being returned to Post on the forgery charges. Rodney Wayne Sinyard was arrested in Fort Worth, and Jeri Sinyard was arrested in Dallas. Both are being returned to Post to face charges.

James F. Keel was arrested for reckless driving, fined \$206 and court costs in City Court.

Pablo T. San Miguel was arrested for felony criminal mischief and remains in Garza County jail.

Richard Bryan Taylor was arrested for driving while license suspended, and was released on a \$750 surety bond.

One local man tried to convince officers he was an undercover agent for the FBI, when he was arrested for the unlawful carrying of a weapon.

Ricky Perez was arrested for unlawful display of a (see Forgery, Page 16)

Holly is Miss Jubilee

Holly Giddens, daughter of Mr. and Mrs. Joe Giddens, was named Miss Diamond Jubilee during a pageant held Saturday night, June 26 in the school auditorium.

Holly was among nine entries vying for the title.

First runnerup honors went to Melisa Tatum, daughter of Mr. and Mrs. Don Tatum, and second runnerup was Rhonda Rogers, daughter of Rosemary Rogers.

Each contestant was introduced by master of ceremonies, Jack King and were ushered by Toby Craft and Giles Dalby, Jr.

After introductions of the contestants, each then gave a two minute talk on their

Judges were from the Robert Spence School of Modeling in Lubbock.

Other contestants and their sponsors included: Kristi Allbright, Southland Hardware; Gina Ainsworth, Justiceburg, Luann Kennedy, Pride Pipeline; Laura Lee Mason, Garza County Courthouse; Dee Dee Redman, OS Association; Christy Workman, Producers Coop Gin; Holly represented the Post Rotary Club; Melisa, The First National Band and Rhonda, Edith's.

The three top winners will ride in the float Saturday morning and Holly will reign over the activities during the Jubilee celebration.

Rebecca King, wife of bank president, Jack King, was named Post City Manager in a called meeting at noon Monday, June 28 by the city council with a vote of 2 to 1.

With all city council members present and the mayor presiding over the called meeting, Jack Alexander abstained from voting with Jim Jackson a firm no on the selection. Maxine Earl and A. C. Cash both approved the selection. Jackson, in a statement to The Dispatch said, "he had nothing personal against Mrs. King, that he didn't know her, but that he was a firm believer that the job was not intended for a woman, but a qualified man."

Mrs. King had met with the council at its June meeting to present her resume to them at that time. Since it was not on the agenda, action was not taken or discussed until the called meeting Monday.

No salary or starting date was discussed during the Monday meeting other than the actual hiring of Mrs. King with other details to be discussed at the councils July meeting.

Mrs. King is expected to move to Post July 1 as she is presently County Judge for Dallam County and is winding up her business

there. In her resume presented to the council at its June meeting, Mrs. King stated that she shared the respect and interest of each of the council members for their local government. She wishes the best for Post and

wanted the opportunity to work for the continuance of ongoing programs while consciously hunting new avenues of service to make a better, stronger community.

Mrs. King received her bachelor of science degree

in secondary education from McMurry College in Abilene in 1968, and also attended the University of Vermont, Colorado State University, Frank Phillips College, University of Virginia and the University of Nevada.

She has also attended various local government seminars including local government workshops, legal guidelines for local governments, rehabilitation programs for drug and alcohol abuse and firearms training.

Mrs. King has been a teacher with the Comanche Texas public schools, active in the Texas Foster Parent Program, local parole officer for the Gainsville parolee — state administered program, youth advisory council of Dallam County, licensed real estate salesman, teacher in the Dalhart Public Schools and her present position as county judge.

Mr. and Mrs. King are the parents of two sons, Jeffrey and Jon.

TO TOUR EUROPE —

These four Post residents left Monday for a 12 day tour of Europe. Shown l to r, Raenell Rogers, Steve Ladd, Diane Ladd and Jimmy Ticer. The group will be touring with the American Youth Texas Band and Choir. The Post Diamond Jubilee books, which the group is looking at will be given to the host families in Europe.

Four Postites are touring Europe

Four Postites left Monday for a 12 day tour of Europe.

Jimmy Ticer, Raenell Rogers, and Mr. and Mrs. Steve Ladd left Lubbock Monday morning for a flight to Dallas and then on to Frankfurt, Germany.

The group is touring with the American Youth Texas Band and Chorus sponsored by the American Youth Symphony Band and Chorus Goodwill Tours of Chadron, Nebraska.

Jimmy and Raenell, both Post band students auditioned for this trip back in March and both were selected to go. After arriving in Dallas they joined the other 82 students participating and had rehearsals at the Am-FAC Hotel at DFW.

The group will present concerts in the towns they visit and will march in a

parade in Chaux de Fonds, Switzerland.

They will visit in Frankfurt, Heidelberg, Switzerland, Paris, (where they will be on July 4th), Belgium, Brussels, Amsterdam and Wiesbaden.

While in Amsterdam, the group will stay in individual homes and will present to the host families, copies of the Post Diamond Jubilee books among other Texas mementos.

County sets seminar

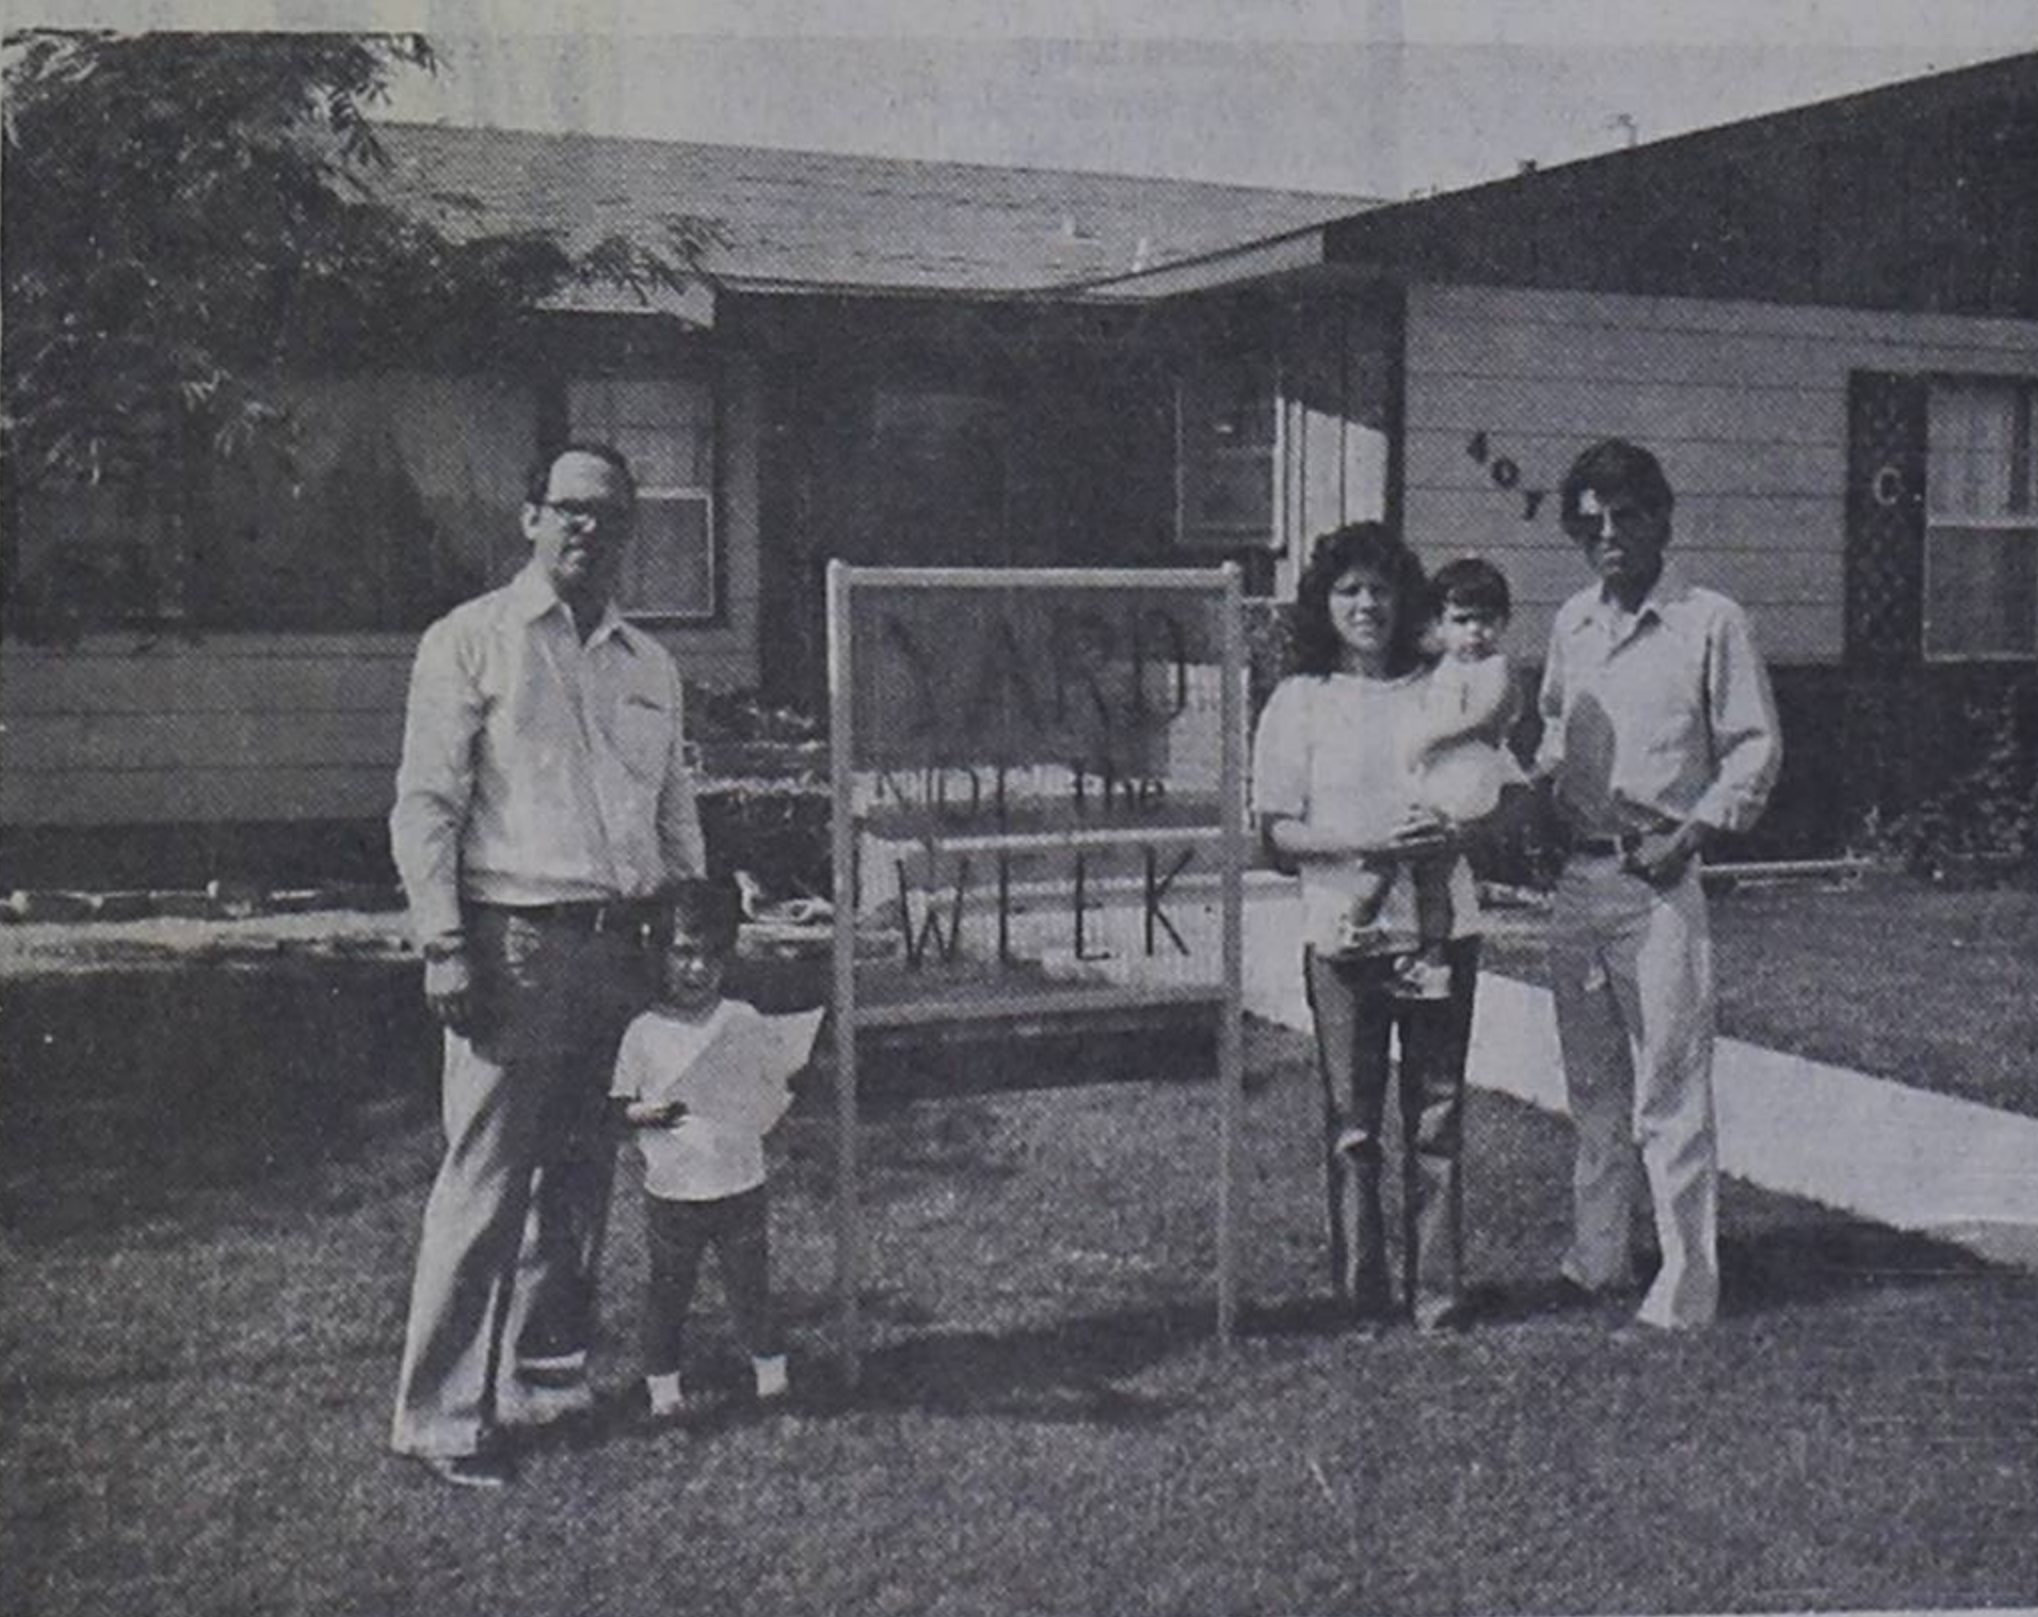

The Extension Service is sponsoring a Plant Disease Seminar on July 8, starting at 2 p.m. in the First National Bank Community Room. Dr. Robert W. Berry, Area Plant Pathologist for the Texas Agriculture Extension Service, will be here to conduct the program. If you have disease problems in your yard, garden or house plants, you are invited to bring a sample of your problem for Dr. Berry to diagnose and discuss with you.

Museum open during Jubilee

The Garza County Museum will be open all three days of the Jubilee Celebration beginning Friday from 9 til 5 p.m.; Saturday from 9 til 5 p.m. and on Sunday afternoon, July 4th, from 2 until 4 p.m. A good selection of keepsakes are on sale at the Museum.

COMMUNITY CHOIR PRACTICE

The Community Choir will have its final rehearsal at 7:30 p.m. Thursday (today). They will be working on the music for the community worship to be held July 4 in the park. Practice will be held in the First Baptist Church.

YARD OF THE WEEK — The home of Johnny and Linda Collazo at 40 West 6th, wins the honor of being chosen the Chamber of Commerce Yard of the week. Pictured during the award presentation are l to r, Curtis Hudman, chamber director, little Johnny Collazo, Linda, Mikey and Johnny Collazo. (Staff Photo)

VICTOR HUDMAN

Hudman receives award

Victor Hudman, who has made Post his home since 1922, has passed a milestone in his life, and was honored recently for this unique accomplishment. Victor was honored by the Texas Funeral Directors Association for 50 years of dedicated service.

The award was presented to Victor by Percy Parsons, a former business partner and resident of Post, at the recent convention in Houston.

Victor began his career in the Funeral director business in 1929 here in Post when he went to work for the Davis-Mason Co. and earned his license in 1932. In 1941, Victor bought out Mr. Davis, and became a partner in the business.

Victor then went into the Navy in 1943, and sold his share of the funeral business when he left. When he completed his tour of duty, he returned to Post and was active in the Hudman Furniture Co. which was in business at that time.

In 1948, he and his brother Marvin bought what is now The Hudman Funeral Home, in its present location, and has served Post for the last 34 years. Marvin retired in 1972, and Victor's son Curtis bought Marvin's half interest in the company, and is now associated (See Hudman, Page 16)

Arroyo Country new name — Auto dealership changes

This week in The Dispatch, Arroyo Country Motors, Inc. are introducing themselves and their staff at the newly acquired

Chevrolet dealership here in Post. The company was purchased from Harold Lucas.

Bob Canny, dealer, and Mike Barber, General Manager stated that they are very proud of the staff that is with them now, stating that their goal is to give Post and the area the service they need and want, as well as sell new cars.

Bob Canny, was previously with South Plains Chevrolet in Lubbock, as manager for some time, and is originally from Oklahoma. He was a member of the University of Oklahoma football team when they were national champs and is looking forward to the coming year with sports here in Post. He has a son who will be in high school sports next year.

He is married and has three children, Lance, Robin and Angie. The family is in the process of moving to Post.

As another business, Canny raises quarter horses, and has acquired some property here in Post where he keeps several that he is quite proud of, for racing and also for raising horses. Canny has judged American Quarter Horse Shows, and

has been interested in horses all his life.

Mike Barber, is from Lubbock, and like Canny will move his family here when housing is available. He is married and they have one son, John, who is 7 months old. Mike is a graduate of the University of Texas, and his wife Debbie grew up in the Draw community near Tahoka. Mike was formerly in Pharmacy Management before giving in to his interest in the auto business and coming to Post.

Members of the staff at Arroyo Country are Gordon (See New auto, Page 16)

White River lake full

White River Water District manager, Al O'Brien stated to The Dispatch Monday that the lake is now at full capacity and Monday started to run over the overflow.

During the last three weeks of rains, the lake has caught approximately 11,000 acre feet of water and has risen another 7½ feet bringing it to its full capacity.

Dispatch Editorials

Thursday, July 1, 1982 The Post (Tex.) Dispatch

Let's keep the Jubilee spirit

Diamond Jubilee time is only hours away.

Into the three day celebration here will go the hopes, plans, and efforts of hundreds of local people who worked for many weeks to bring the Jubilee into its enjoyable reality.

Into the three day Jubilee have been packed many events of wide and varied interests. In the Jubilee there is a whole lot for everyone to enjoy, no matter what his or her taste.

The preparations are virtually over. The time for the Jubilee itself at last has arrived.

To those who worked so cooperatively and so unselfishly to make the Jubilee the success it is certain to be, the community owes a real debt of thanks.

The list is too long to name them here.

Post people have roused themselves from the normal course of life and together have planned and prepared the Jubilee.

Can't some of the Jubilee spirit of cooperative and unselfish work on a grand scale be carried over after the festivities are over? Post not only has a historic past but the capabilities of a tremendous future too.

Post can accomplish many things if the people keep their Jubilee push and drive and harness it for successfully carrying through the projects which can mean real future growth.

Too many small towns live in the past. Those who don't, however, don't stay small towns for long.

With the Jubilee a project which proves how much we can do cooperatively together, let's keep our Jubilee initiative and aim it at our future.

A BIT OF HISTORY

The Double U Company originated telephone service in Post with Mrs. Walter Davis as first operator.

A BIT OF HISTORY

Before the county was organized there were only six unmarried girls in the area.

A BIT OF HISTORY

In 1908, members of the Cumberland Presbyterian church organized with eight charter members.

Delgado rites held here

Funeral services for Valentino Delgado, 29, former Post resident were held Tuesday, Feb. 22 at 3 p.m. in the Hudman Funeral Home Chapel.

Born Feb. 14, 1953 in Hale Center, Delgado was killed in an automobile accident Saturday, June 19 near Liberal, Kansas.

Delgado had attended Post schools and had lived in Kansas for the past year. Survivors include his mother, Josephine Ramirez and two sisters, Lennora and Frances Ramirez.

Pallbearers were Albino Soto, Lino Soto, Ricky Soto and Toby Cardova.

Burial was in Terrace Cemetery under the direction of Hudman Funeral Home.

Remember When

10 YEARS AGO

3,000 people expected for July 4th blowout; mercury tops 100 mark here five straight days; Postex Plant's Yankees repeat as Little League champions; Mike Waldrip and Evans Heaton receive Little League sportsmanship awards with Brad Davis receiving the best-all around and Raymie Holly, the batting championship; Greg Adams announces the arrival of his brother, Roger, parents are Mr. and Mrs. Charles R. Adams; James Racklers, Dennis Dodson and Barbara Lucas named to Dean's List at Texas Tech; Melvena Stewart and John Bill Hedrick qualify as Garza's only entrants in the state 4-H horse show.

15 YEARS AGO

Jon Germer is named new band director; burglar hides in store and 'breaks out' with loot at United Supermarket; Wayne Richardson named Jaycee of Month; membership drive on for country club at White River Lake; Dispatch first place winner in editorials; oil operator, George R. Brown and workers give \$384 to library during "big gifts" financial drive; Garza's oil worth \$15.1 million a year; freakish winds black-out city; First Presbyterian Church scene of Cornish-Koerselman wedding; Nancy Hendrix becomes bride of Ronald Thuet; Bob Macy's 1965 mare, Sharla Joy, wins the reserve champion mare trophy at the Coahoma Quarterhorse Show; Post Lions Club meet at Davis farm where fishing and fish stories provide entertainment; Jaycees junior golf tourney begins; Indians Babe Ruth champs with Cardinals nearing Little League title; Abernathy team dropped by Post in teen-age game; Stanley Butler, Bob Carpenter and Billy Yarbrough return

from a five-day, 1,600 miles motorcycle trip; Mary Lee Wristen returns from trip to Hawaii.

25 YEARS AGO

White River water bond vote set for August; Shell Oil Company is setting up office here and bringing in 12 families; Golden Jubilee headquarters to open soon set for Sept. 14-17; layette shower honors Mrs. Neal Clary; Jimmy Kemp honored on fourth birthday with party at his home; Bernie Welch takes summer job as guide in Yellowstone National Park and brother, Gary, is with the National Forestry Service in the states of Washington and Idaho; David Newbys have weekend guests from Hong Kong, China; Four new wells reported for Garza County; Mason and Company celebrating 42nd anniversary with sale; Maxine's has remodeling sale; Post Indians win over Tahoka Orioles, 12-10; Mr. and Mrs. E. E. Merriman of Lubbock visit in home of Mr. and Mrs. Jack Kirkpatrick and Kent; Betty Jo Hill and Judy McCampbell spend weekend in Abilene visiting Mr. and Mrs. Lawrence Epley; Franleigh Fashions has July clearance; Jerry Thuet, 12-year old son of Mr. and Mrs. L. G. Thuet returns to his home following stay in Dallas hospital; Jerry Windham, wins third in free style event at swimming meet here.

A BIT OF HISTORY

Members of the first volunteer fire department included John Howe, Jess Hays, Dave Eric, Charlie Everett, Walter Davis Joel Young, George Collins, George Dent, Frank Stevens, Will Mann, George Walker, George Relyea, John Seitz and Benn Williams.

Library Corner

When you go out to sit in the shade of one of the trees at the park this 4th of July weekend, take one of these new books from the Post Public Library.

Robert Lacey offers a tribute to Her Royal Highness Princess Diana, and a portrait of the woman who rose from relative obscurity to become the most photographed woman in the world. Replete with dozens of pictures, and an illuminating text, look for "Princess."

Charles Goren unites with Omar Sharif to offer "Goren's Bridge Complete". The type is small, the page number over 700, and the information exhaustive. Bridge players will find it fascinating, and would-be bridge learners may find the "self teacher" helpful.

Art Linkletter was born in Moose Jaw, Saskatchewan, Canada, to unwed parents. This adoptive father gave him "faith" and set him to riding on the rails as a hobo. Later, he interviewed thousands of kids on radio and television, wrote 15 books, lost a daughter to a drug overdose, and now offers his autobiography, "I Didn't Do It Alone."

Women have been writing and performing music throughout our nation's history, but often unrecognized and unappreciated. Christine Ammer tells their fascinating stories in "Unsung: A History of Women in American Music."

Joan Aiken writes about "The Girl from Paris." Ellen Paget, whose world is

overturned by scandal and disaster.

John D. Mac Donald writes the twentieth in his classic Travis McGee series, "Cinnamon Skin". Travis' friend Meyer lends a boat to his niece and her new husband, and it explodes in the Florida Keys.

An anonymous phone call links the explosion to the Chilean underground, and drives Travis and Meyer from Florida to Mexico in a search that changes their lives forever.

George Bagby wanders into the Topless Towers nightclub, and finds himself in the biggest trouble of his life. He meets Paul Peters, "The Golden Creep," and

wakes up the next morning in an alley, with Paul Peters' dead body next to him. Of course, Bagby is the main suspect and Inspector Schmidt of the NYPD must help prove his innocence.

Virginia Coffman, who wrote her first novel at age seven, offers, "The Lombard Cavalcade," the saga of a uniquely American family. This story covers the era from Pearl Harbor to the present, and occupied France to preoccupied Hollywood. Tony Lombard and his actress-wife Eden take the spotlights in this novel.

In other Library news, plan to attend a Computer Party at the library, Thursday August 5. A representative for Texas Instruments will be present to demonstrate the latest in computer technology.

Assembly Lines

Assembly of God Church

Everyone was glad to have the Pastor and his family back from their vacation to Colorado. The kids for Christ group played Miniature Golf last Saturday at the Putt Putt Golf Course and everyone had fun. They are all getting excited about Bible School that is coming up July 12-16. Plans are under way for VBS and everyone's getting excited about it.

A late congratulations to Janie and Ronnie Ammons on their wedding anniversary. We were very thankful to

the Lord that Billie Jo Idell was able to lead so service Sunday night.

The W.M.'s met Tuesday at 9 a.m. and had their monthly gift drawing. Brenda Farris took home a bunch of nice gifts, including an arrangement of fresh daisies.

Lets everyone remember Post's Diamond Jubilee this weekend and all the activities surrounding this event. Post is a great place to live and has great people living here — so let's get out and enjoy our city's Diamond Jubilee.

There has been a Power family member in business in Post City & Post since 1909 and we are proud to be a part of the 75th Post Birthday Celebration.

Hospital

Notes.....

Those admitted to Garza Memorial Hospital since Thursday of last week were Bernice Newdiger, O.B.; Edna Trull, medical; Clarence Albert, medical; and Maria Jimenez, medical.

Those dismissed were Bernice Newdiger, Santiago Gonzales and E. A. Myers.

I AM THE NATION

I WAS BORN on July 4, 1776, and the Declaration of Independence is my birth certificate. The bloodlines of the world run in my veins, because I offered freedom to the oppressed. I am many things, and many people. I am the nation.

I am 213 million living souls—and the ghost of millions who have lived and died for me.

I am Nathan Hale and Paul Revere. I stood at Lexington and fired the shot heard around the world. I am Washington, Jefferson and Patrick Henry. I am John Paul Jones, the Green Mountain Boys and Davy Crockett. I am Lee and Grant and Abe Lincoln.

I remember the Alamo, the Maine and Pearl Harbor. When freedom called I answered and stayed until it was over, over there. I left my heroic dead in Flanders Fields, on the rock of Corregidor, on the bleak slopes of Korea and in the steaming jungle of Vietnam.

I am the Brooklyn Bridge, the

wheat lands of Kansas and the granite hills of Vermont. I am the coalfields of the Virginias and Pennsylvania, the fertile lands of the West, the Golden Gate and the Grand Canyon. I am Independence Hall, the Monitor and the Merrimack.

I am big. I sprawl from the Atlantic to the Pacific... my arms reach out to embrace Alaska and Hawaii... 3 million square miles throbbing with industry. I am more than 5 million farms. I am forest, field, mountain and desert. I am quiet villages—and cities that never sleep.

You can look at me and see Ben Franklin walking down the streets of Philadelphia with his breadloaf under his arm. You can see Betsy Ross with her needle. You can see the lights of Christmas, and hear the strains of "Auld Lang Syne" as the calendar turns.

I am Babe Ruth and the Super Bowl. I am 110,000 schools and colleges, and 330,000 churches where my people worship God as

they think best. I am a ballot dropped in a box, the roar of a crowd in a stadium and the voice of a choir in a cathedral. I am an editorial in a newspaper and a letter to a Congressman.

I am Eli Whitney and Stephen Foster. I am Tom Edison, Albert Einstein and Billy Graham. I am Horace Greeley, Will Rogers and the Wright brothers. I am George Washington Carver, Jonas Salk and Martin Luther King.

I am Longfellow, Harriet Beecher Stowe, Walt Whitman and Thomas Paine.

Yes, I am the nation, and these are the things that I am. I was conceived in freedom and, God willing, in freedom I will spend the rest of my days.

May I possess always the integrity, the courage and the strength to keep myself unshackled, to remain a citadel of freedom and a beacon of hope to the world.

This is my wish, my goal, my prayer in this year of 1976—two hundred years after I was born.

PUBLIC NOTICE OF INTENT TO CHANGE RATES

Notice is hereby given that LYNTEGAR ELECTRIC COOPERATIVE, INC. (the "Utility") intends to change rates for electric utility service effective July 30, 1982 or as soon thereafter as permitted by law. The changes are applicable to all areas to which the Utility provides electric utility service. All classes of customers are affected by the proposed changes. The Utility expects that the proposed schedule of rates will furnish the Utility 11.53 percent more in revenues than are furnished by the existing schedule of rates.

Implementation of the proposed changes is subject to approval by the appropriate regulatory authority. A statement of intent including the proposed revisions of tariff and schedules and a statement specifying in detail each proposed change, the effect the proposed change is expected to have on the revenues of the Utility and the classes and numbers of Utility consumers affected is on file with the Public Utility Commission of Texas, and the municipalities of Lamesa, Wilson, New Home, Meadow, Brownfield, Plains, Levelland and Sundown.

The Statement of Intent is available for public inspection at the general office of the Utility located at 1807 Main Street, Box 970, Tahoka, Texas 79373.

Tyler-Chapman vows read Saturday

D'Linda Tyler and Kurt Chapman exchanged wedding vows Saturday night, June 26, at 7 p.m. in the First Baptist Church, with the Rev. Tom Pass, minister of the First Presbyterian Church officiating the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Morris Tyler of Post, and the groom is the son of Mr. and Mrs. Earl Chapman, of Sedona, Arizona, formerly of Post.

Given in marriage by her father, the bride wore an old fashioned white gown of Cluny antique lace, adorned with seed pearls, and organza, designed by Queen Fit of New York. The moulded bodice featured a high wedding band neckline with a Cluny lace collar. The entire bodice was created in an oval antique lace design with a Cluny lace ruffle outlining the design in front, over the shoulder, and trailing down the back. A long ware design of beads trailed down the front of the

antique lace bodice. Long antique lace candlestick sleeves also were featured and were trimmed in the wavy bead design and finished with a Cluny lace ruffle over the hand. The princess style gown featured a natural waistline which swept to back fullness forming a chapel length train. Venise lace flower motifs were sprinkled throughout the skirt and were delicately sprinkled with tiny seed pearls. The entire hemline and train were completely encircled in a wide antique lace ruffle.

To complete her ensemble, the bride chose a white picture hat designed by Alfred Angelo. The chiffon hat featured Venise lace over the crown and brim with one side of the brim turned up and a bouquet of white silk flowers attached to a Victorian look. The chiffon around the brim exposed crystal pleating and was completed with a bustle created out of sheer silk illusion veiling which

MRS. KURT CHAPMAN (D'Linda Tyler)

draped to Chapel length.

Serving as maid of honor was Sharla Gray of Lubbock, cousin of the bride. She was attired in a dress designed with a white Batiste bodice trimmed with white lace and puffy sleeves. The gathered skirt was of Navy Batiste embroidered with a border print of white flowers. She carried two long stemmed navy silk roses. Her hat was of white trimmed with baby's breath, and a navy silk rose with navy ribbon streamers.

Bridesmaids were Julie Tyler, sister-in-law of the bride, and Kathy Kirkpatrick. They were dressed identically to the maid of honor.

Randy Conner of Post served as best man with Jay Lott and David Stelzer of Post serving as groomsmen.

Ushers were Barry and Phil Tyler, brothers of the bride.

vided by Mrs. Willene Tyler, aunt of the bride, of Lubbock as she sang "The Twelfth of Never," and "The Wedding Prayer", accompanied by Mrs. Glenn Norman and Mrs. Mike Flanigan.

A reception followed immediately with the bride's table covered with a white satin cloth overlaid with white tulle and lace. Navy and white silk flowers adorned the four tiered bride's cake. A navy and white silk arrangement completed the table decorations. A silver candle holder was used in the centerpiece. Mints and nuts were also served. Serving at the bride's table were Darla Jackson, Tina Greene and Cynthia Poole.

Silver candle sticks with navy candles on a navy cloth decorated the groom's table. Watermelon fruit

bowl, cheese cake with crackers and coffee were served by Carla Maddox and Lisa Gray, cousins of the bride of Lubbock.

Serving in the house party were Mrs. Bobby Cowdrey, Mrs. Clarence Gunn, Mrs. J. W. Rogers, Mrs. A. E. Redman, Mrs. Jim Norman, Mrs. Gerald Norman, and Mrs. K. W. Kirkpatrick.

Following a trip to Ruidoso and Arizona, the couple will live in Post.

The bride will be a senior at Post High School, and the groom graduated from Mingo Union High School in Cottonwood Arizona.

Out-of-town guests registered from Lubbock, Meadow, Idalou, Big Spring, Fort Worth, Dallas, Sedona, Arizona, Austin, Oklahoma City, Amarillo, Midland and California.

Party honors Kurt Chapman

Kurt Chapman was honored with a garden tool, nuts and bolts, etc., dinner in the home of Mr. and Mrs. Jack Kirkpatrick Monday night, June 21.

Special guest was D'Linda Tyler, bride-elect of Mr. Chapman.

Sixteen guests attended the dinner included the bridal party of the couple and parents.

Co-hosting the dinner were Mr. and Mrs. Syd Conner, Mr. and Mrs. Ed Neff and Mr. and Mrs. Kirkpatrick.

Individual gifts were presented to the honoree.

A BIT OF HISTORY

J.M. (Bud) Boren was chosen as the first county judge. Hal Murry was named county and district clerk; B. F. Wilks was elected county treasurer; D. W. Stiles, tax assessor; H. C. Callis, hide and animal inspector; M. L. Harkey, county attorney; Sid Garrett, justice of the peace, and Marion McGinty, constable.

A BIT OF HISTORY

First commissioners were Job Davies, Precinct 1; Sam C. Wilkes, precinct 2; J. L. Barrow, precinct 3, and W.V. Roy, precinct 4.

A BIT OF HISTORY

Rev. J. V. Bilberry, Baptist missionary from Spur, helped organize Baptist Church in what is now the Verbena Community.

A BIT OF HISTORY

The Church of Christ in Graham did not organize officially until 1908, but church services were held almost from the time the community was settled.

A BIT OF HISTORY

On July 8, 1907, the county was organized. Election headquarters was at the OS Ranch.

A BIT OF HISTORY

Garza County was originally part of Bexas County. It was formed in 1876 by the state legislature.

Mrs. Johnson new president

Katherine Johnson was installed as new president of the Needlecraft Club when it met in the home of Alma Hutto recently. Other new officers include Alma Hutto, secretary-treasurer and Katharine Cathcart, reporter.

Roll call was answered with something special about summertime. Members present signed a get well card for Mary Tillman.

It was decided by the club not to meet during July and August and set the next meeting for September 10 in the home of Selma Kennedy.

The program was a series of Amanda Bradley's short poems read by Bessie Bowen and a demonstration on making magnetic refrigerator ornaments by Paula Cawthon.

Summertime refreshments were served to one guest, Patsy Sanderson, and members Zela Webb, Selma Kennedy, Lucy Callis, Opal Williams, Paula Cawthon and Jonathan, Vicki Howell, Helen Richards, Eula Evans, Bessie Bowen, Ruth Young, Katherine Johnson and Katharine Cartcart.

ENGAGEMENT ANNOUNCED — Mr. and Mrs. Travis Ellis announce the engagement and approaching marriage of their daughter, Jennifer Dawn, to Burton Yarbro, son of Mr. and Mrs. Willard Yarbro. The couple have planned a July 31 wedding in the First Presbyterian Church. Burton is an employee of Diekemper Oil Co. Both Jennifer and Burton are graduates of Post High School.

Class of '57 plans 25th reunion

The Senior Class of Post High School of 1957 will be celebrating their 25th anniversary with activities during the weekend. All former classmates, teachers and parents are being invited to come by and visit with the group at the Fellowship Hall of the First United Methodist Church.

Good response has been received from the letters sent out, with classmates coming from California, Oregon, New Mexico, possibly New York, and all over Texas. Word has been received that Mr. and Mrs.

Glenn Whittenberg, the classes high school principal now at Gatesville, will be attending.

The reunion will begin at 8 p.m. Friday evening with a gala prelude (Coke break) preceding the Jubilee Dance.

Saturday morning following the parade, the exes will meet for a Silver Coffee and will decorate for the evening banquet at 7 p.m. It will feature a catered meal and a program with entertainment by Noel White and Junior Gray. Awards will be presented.

Daniels family reunion held

Ninety-eight members of the Daniels family from all over Texas and from five states gathered in Post over the weekend for a three-day family reunion.

Direct descendants of the family present, included Winnie Herring, of Arizona, Lona Doss of Westbrook, Texas, Lewis and Betty Pierce and Thomas and Lois Daniel all of Post.

States represented included Arizona, California, Tennessee, Oklahoma and Oregon.

The reunion was held in the community center, and the men of the family barbecued the meals both Saturday and Sunday at the city county park.

Miss Dunn has shower

A miscellaneous wedding shower honored Lana Dunn, bride elect of Randy Conner in the First United Methodist Church Fellowship Hall Sunday afternoon, June 27.

The approximately 50 guests attending registered between the hours of 2:30 and 4 p.m. by Jerri Baumann from a book covered in white satin with seed pearls and lace made by the honoree's stepmother, Mrs. Fran Dunn of Cooper.

Special guests for the occasion were Mrs. Joe Stanley, the honoree's mother, Mrs. Lil Conner, mother of the prospective bridegroom, Elsie Mae Jackson, grandmother of the honoree and Mrs. Beulah Mae Brewer and Mrs. Nora Jackson her great-grandmothers.

Orchid and purple filled cookies and punch were served from a table laid with a lace cloth over orchid and featured a fresh flower arrangement of orchid and ivory spider mums carrying out the honoree's chosen colors of orchid and candlelight. Brass appointments were used. Serving the guests were Amy Babb and Darla Jackson.

Hostesses for the shower were Mmes. Vee Gordon, Bonnie Duren, Ruby Williams, Barbara Babb, Juanella Hays, Allene Ammons, Judy McAlister, Jennie Cowdrey, Jane Terry, Billie Redman, Bonnie Tyler, Norma Baumann, Judy Bush, Jane Mason, Orabeth White and Marie Davis.

The hostesses presented Lana with a gift of cookware and a Mr. Coffee. Paternal grandparents are Mrs. Frances Conrad of Post, and Elmer Conrad of Wolforth. Great-grandmother is Mrs. Violet Alexander of Tahoka.

An urgent telegram from Lubbock-based Plains Cotton Growers, Inc. to secretary of Agriculture John Block tells the sad story. Asking that appropriate action be taken immediately, the wire advised the Secretary that "Hail, rain, wind and cold temperatures have destroyed an estimated 1.5 million acres of High Plains cotton," and that

such "unprecedented losses and the pre-existing financial plight of producers clearly justify activating the disaster payment program authorized in ...the 1981 farm law." Copies of the telegram went to area representatives, Texas Senators and to House Agriculture Committee Chairman Kika de la Garza.

Putting the disaster program into effect would mean more and possibly quicker income on lost crops and crops not planted because of insufficient moisture, and also would provide additional income on weather-damaged crops yielding less than 75 percent of the farm's payment yield. Without the disaster program the farmers who planted cotton, whether or not it is harvested, could expect target price payments of from 10 cents to 13.92 cents per pound times the farm's payment yield, the actual payment rate depending on the average price paid to all U.S. farmers for all cotton during the 1982 calendar year. Disaster provisions of the 1981 farm law under a given set of circumstances permits the Secretary to pay producers who were never able to plant or whose cotton has been destroyed 23.67 cents per pound times 75 percent of the farm's established payment yield. This payment could be made as soon as calculated, and the same farmers later would be eligible for the target price deficiency payment times the other 25 percent of their payment yield. Crops carried to harvest under the disaster program would be eligible for the 23.67-cent per pound pay-

ment times the difference between actual yield and 75 percent of the payment yield, plus the deficiency payment rate on that portion of the payment yield not receiving a disaster payment. "Secretary Block has agreed to send one or more department officials to see for themselves the sorry state of our crops," notes PCG Executive Vice President Donald Johnson. "And, thanks to the National Cotton Council we have the full support of every segment of the industry, so we are encouraged that the Secretary may be persuaded to use his authority to give us as much relief as possible within the limits of the law." On other fronts, emergency federal loans are being sought for farmers through the FmHA and by way of asking the President to designate the High and rolling Plains as disaster areas. "Relief from all these sources and more is going to be necessary to forestall economic convulsions more severe than any other seen before in the agricultural sector," Johnson said, "and we can only hope that federal officials will recognize this fact and act accordingly." President Harry Truman was distantly related to President John Tyler.

One of America's greatest assets is the initiative and determination of its people. This summer, this spirit will be recaptured as a group of young Americans strike out across the land, bicycling to every state in the nation, highlighting its vastness, geographic diversity, and unlimited opportunities.

RECOVERING
Jet Puckett is recovering in Methodist Hospital, following surgery last Friday. She is in room 799 in Methodist Hospital.

Crosby County Arts Festival

The annual Crosby County Fine Arts Festival, slated July 16-17, will be held this year in honor of the late Bill McLaughlin of Lubbock and Ralls, a friend of the arts and supporter of the annual show.

The 1982 Cultural Classic will be held in Crosby County Pioneer Memorial Auditorium in Crosbyton and area artists and photographers are invited to enter the show, announces Dwayne Cornelius, Art Association chairman.

Judges for this fourth annual jurored show will be George Pate, of Los Alamos, N.M., fine arts, and Chuck Wilson of Lubbock, Master of Photography, judging photography.

Approximately \$3,000 in purchase awards have been pledged by area businesses and private patrons, ranging amounts from \$25 to \$250. Best of Show selection will receive \$75; People's Choice, \$25; and first place in each division, \$15 each. Ribbons will be given in each division.

Entry time is from 9 until 12 and 2 until 8 p.m. Wednesday, July 14 No late entries will be accepted.

Following the judging Thursday, there will be a patrons' reception Thursday night, allowing donors of purchase awards to make their selections.

The Festival will be open to the public Friday and Saturday, July 16-17, from 9 a.m. until 5 p.m. Awards presentation will be at 5 p.m. Saturday. Artists may pick up their unsold entries by 6:30 p.m. Saturday.

In addition to the Fine Arts and Photography divisions of the show, there will be a junior division for both fine arts and photography. Class work will be accepted in the junior division.

Trinity Baptist plans VBS

The Trinity Baptist Church of Post, announces that beginning July 12th VBS will begin. It will be held for five days, Monday through Friday, evenings beginning at 6 p.m. and ending at 9 p.m. The boys and girls will learn Bible stories, make crafts, sing songs of praise, play games, and have refreshments.

Each day a boy and girl will be king and queen for the day of Bible learning. They will be selected on the basis of how many visitors or friends they bring to Vacation Bible School.

Preparation day will be held Saturday, July 10th, from 2 p.m. to 3:30 p.m. During this time, pre-registration will be held and children are asked to come at this time.

July 18th, at the evening service, Trinity Baptist Church will conduct graduation exercises for the Bible School learners, plus a family night pot-luck supper will be held following the ceremony. Everyone is invited.

One of this nation's leading health problems, one that affects an increasing number of Americans every year, has just been made a little less burdensome.

The disease is diabetes and though still not curable, controlling it has recently been made much easier. Diabetics dependent on insulin must keep a close watch on the levels of sugar in their blood to control their disease. They must adjust their diet, exercise and insulin intake to the sugar in their blood.

sought ways to monitor glucose (sugar) levels quickly, accurately and inexpensively.

They have found chemically treated strips can measure blood sugar after being covered with a drop of the patient's blood. The test is made simple enough to do at home by Chemstrip bG test strips, developed and produced by Bio-Dynamics, a Boehringer Mannheim company. Patients may take several tests and show them to their doctors at each visit. The test is highly accurate and can be done anywhere, even by young children.

WHY THE GLOBAL ARMS RACE?

We live amidst the greatest global military build-up in history. Where will it lead?

Thousands of years ago, God warned of a world-wide weapons race that would occur in the last hours of this age. This global arms race would culminate in the last great war of history, the campaign of Armageddon, during which time God would gather all the armies of the world to the Middle East. God, speaking through the prophet Joel, says:

"Proclaim this among the nations, prepare war, wake up the mighty men, let all the men of war draw near; let them come up; Beat your plowshares into swords, and your pruninghooks into spears; let the weak say, I am strong . . . Let the nations be wakened, and come up to the valley of Jehoshaphat; for there will I sit to judge all the nations round about." (Joel 3:9-12)

God has commanded the nations to "beat your plowshares into swords, and your pruninghooks into spears." Rather than gearing their economies toward food production, which the world so desperately needs, as an estimated 60 million people are starving to death per year, the Bible says that the nations of the world would be diverting the vast amount of their resources to a massive armaments build-up.

In May of 1978, many nations of the world met in New York to discuss how to stop the mad weapons race. From this meeting we learned that \$400 billion per year was being spent by the nations of the world on weapons, or \$1,000,000 a minute.

The "third world" countries, many in desperate need of food, as millions starve to death, are building up militarily on a scale never before known in history, so that as the prophet Joel spoke, even the weak can boast of being militarily strong. Never before in history has the world been divided into armed camps on the scale of today.

Soon, as foretold in scripture, God will gather all the armies of the world into the Middle East for the last great military campaign of history, culminating in the return of the Lord Jesus Christ to earth.

"For I will gather all nations against Jerusalem to battle . . ." (Zech. 14:2). The Bible says that it is God's determined purpose to gather all the armies of the world to the Middle East to pour out upon them His fierce anger and indignation. At this time the Bible says that "all the earth shall be devoured with the fire" of God's jealousy. (Zech. 3:8).

At this very moment, my friend, we lie on the threshold of a world wide judgment. Jesus spoke of that yet future period when He said:

"For then shall be great tribulation, such as was not since the beginning of

And except those days should be shortened, there should no flesh be saved . . ." (Matthew 24:21-22)

Isaiah wrote of that day when he wrote: ". . . the inhabitants of the earth are burned and few men left." (Isaiah 24:6). The prophet Jeremiah wrote: "And the slain of the Lord shall be at that day from one end of the earth even unto the other end of the earth; they shall not be lamented, neither gathered, nor buried; they shall be refuse upon the ground." (Jeremiah 25:33) Again, the prophet Isaiah wrote "For by fire and by his sword will the Lord plead with all flesh; and those slain by the Lord shall be many." (Isaiah 66:16) The apostle John wrote of the horror of that coming day: "And in those days shall men seek death, and shall not find it; and shall desire to die, and death shall flee from them." (Rev. 9:6)

When will this time of trouble come upon the earth?

We have only to look at Joel 3:1-2 for our answer: "For behold, in those days and in that time, when I shall bring again the captivity of Judah and Jerusalem,

I will also gather all nations, and will bring them down into the valley of Jehoshaphat, and will judge them there for my people and for my heritage Israel, whom they have scattered among the nations, and parted my land." (Joel 3:1-2)

In other words, when you see the Jews in control of their ancient homeland and in control of Jerusalem, God says it will be "in those days and in that time." In 1948, once again, after over 2,000 years, the Jews took control of their ancient homeland and the nation of Israel was born. In 1967, after over 2,500 years, the Jews once again took control of their ancient capital, Jerusalem.

My friend, we are "in those days and in that time." It takes no brilliant mind to see that God is "setting the stage" for the world-wide holocaust to come. All the military might of the world focuses on the oil rich fields of the Middle East. Soon, as foretold by Ezekiel, Russia (allied with East Germany and the Warsaw Pact nations, Iran, Turkey, Libya and Ethiopia) will launch a military invasion of Israel and the oil rich Middle East. (Ezekiel 38-39) This will initiate a time of world-wide suffering on a scale never before known, lasting at least seven years according to scripture. During this seven year period the prophet Daniel records that the Middle East will also be invaded militarily by the forces of Western Europe led by the coming Satanic world ruler, the Antichrist. (Daniel 11:40-45)

The book of Revelation describes a military invasion into the Middle East by an army of 200 million men during this seven year period. This invasion will come from

the population of the earth. My friend, look to the east of Israel and you will find China, who at this very hour boasts of being able to field an army of 200 million men.

At this very hour, war and turmoil engulf the Middle East. Israel has invaded Lebanon and is clashing with Syria, an ally of Russia and member of the Warsaw Pact nations. Moscow has issued blunt warning to Israel. According to scripture, the Middle East will explode into the last great war of history.

The hour is late. Soon the world will be engulfed in the flames of world wide judgment. God has provided an escape for those that belong to Him. Born-again Christians are not instructed to look for judgment but rather "to wait for his Son from heaven, whom He raised from the dead, even Jesus, who delivered us from the wrath to come." (Thess. 1-10)

ARE YOU READY? The Bible says "he that hath the Son hath life, and he that hath not the Son of God hath not life." (I John 5:12) Again, the Bible says "if any man have not the Spirit of Christ, he is none of his." (Romans 8:9) Do you have the Spirit of Christ? Are you saved? Can you say, as the apostle John says you should, that "ye KNOW that ye have eternal life"? (I John 5:13) When destruction comes, it will come suddenly. Christ could come at any time to take His own out of this world. Jesus said:

"Also as it was in the days of Lot; they eat, they drank, they bought, they sold, they planted, they built; But the same day that Lot went out of Sodom, it rained fire and brimstone from heaven, and destroyed them all. Even thus shall it be in the day when the Son of man is revealed." (Luke 17:28-30)

People will be going about "business as usual," then destruction will come suddenly. Then, as Jesus continued to speak, He said:

"I tell you, in that night there shall be two in one bed; the one shall be taken, and the other shall be left. Two women shall be grinding together; the one shall be taken, and the other shall be left. Two men shall be in the field; the one shall be taken, and the other left." (Luke 17:34-36)

Some will be taken and others will be left behind to go through the horror of that soon coming world-wide destruction. Are you ready? Will you be taken or will you be left behind?

Some will be taken and others will be left behind to go through the horror of that soon coming world-wide destruction. Are you ready? Will you be taken or will you be left behind?

WHAT MUST YOU DO TO BE SAVED?
This is the urgent question of the hour.

1. You must realize you are a sinner. Bible says: "For all have sinned and come short of the glory of God" (Romans 3:23) "if we say that we have no sin, we deceive ourselves, and the truth is not in us." (I John 1:8)

2. The Bible says: "For the wages of sin is death . . ." (Romans 6:23) Because we are born into this world infected with a disease that God calls sin, we are condemned to spend eternity in hell, separated from God, when this life is over. But, God didn't stop there . . .

3. The Bible says that ". . . the gift of God is eternal life through Jesus Christ our Lord. My friend, God offers you a free gift, eternal life and a home in heaven when this life is over. Two thousand years ago, Jesus Christ died on a bloody cross and paid the penalty demanded by God for your sin and my sin. The Bible says that He even tasted of hell for every one of us, but now He is seated at the right hand of the throne of God and "he is able to save them to the uttermost that come unto God by him . . ." (Hebrews 7:25) My friend, it's just as though you were a convicted murderer on death row in a state penitentiary, awaiting electrocution in the electric chair. Now, suppose the governor issued you a pardon, but you refused to accept it. Well, you would have to go ahead and pay the penalty demanded by the law, death in the electric chair. So, too, my friend, God offers you a pardon today, but if you remain indifferent or refuse to accept it, you will spend eternity in hell. The Bible says: "How shall we escape if we neglect so great salvation . . ." (Heb. 2:3)

HOW DO YOU RECEIVE THE GIFT OF ETERNAL LIFE?

The Bible says that God commands "all men everywhere to repent" (Acts 17:30) You must be willing to turn to Christ and commit your life to Him.

You may be a drug addict, you may be a prostitute, you may be a murderer, you may be a homosexual, you may be an alcoholic, you may be MR. GOOD CITIZEN, you may be a college professor, you may be the richest man in the county, IT DOESN'T MATTER. GOD IS NO RESPECTER OF PERSONS. WE ARE ALL SINNERS AND GOD HAS PROVIDED A WAY OUT FOR US. You must repent, be willing to turn from your sins and turn to God to save you. Romans 10:13 says: "For whosoever shall call upon the name of the Lord shall be saved." My friend, you can be saved right now, wherever you may be. If you want to be saved and are willing to commit your life to Christ as best you know how, won't you pray right now a prayer something like this: Lord Jesus Christ, I know I am a sinner and I believe you died on the cross for my sins. I now ask you to forgive me of my sins and to come into my life and be my Savior and Lord. Thank you Jesus, Amen.

If you prayed that prayer and meant it as best as you know how, God promises that you are saved. Jesus said He would not turn you away: "Him that cometh to me I will in no wise cast out." (John 6:37)

But as many as received him, to them gave he power to become the sons of God, even to those that believe on His name." (John 1:12)

"He that believeth on the Son hath everlasting life; . . ." (John 3:36)

WHAT MUST YOU DO NOW?

You must grow as a Christian. The Bible says: "If any man be in Christ, he is a new creation; old things are passed away; behold all things are become new." (II Cor. 5:17) God will begin to transform your life, but there are certain things that you must do.

1. **DAILY BIBLE STUDY:** The Bible says to "desire the sincere milk of the word that ye may grow by it" (I Peter 2:2) and to "study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." (II Tim. 2:15)

2. **PRAY DAILY:** Jesus said "that men ought always to pray, and not to faint" (Luke 18:1)

3. **ATTEND BIBLE BELIEVING CHURCH:** Find a Bible preaching church that preaches "ye must be born again" (John 3:3) The Bible says that Christians are not to forsake "the assembling of ourselves together, as the manner of some is, but exhorting one another, and so much the more as ye see the day approaching." (Heb. 10:25)

If you have sincerely asked Jesus Christ to be your personal Savior and Lord, committing your life to him, as best as you know how, write to the address below, and we will send you material to help you begin to grow as a Christian.

"Then whosoever heareth the sound of the trumpet, and taketh not warning, if the sword come, and take him away, his blood shall be upon his own head. Senior Citizens News

Garza County Senior Citizens are still having real good crowds at the center. There are a lot of them gone on vacations, but we still have good crowds. We enjoy playing 88 and 42 and pool, plus watching TV or just sitting and enjoying fellowship and visiting with one another.

We hope the new cook Ola Keeton helps Inez Grantham plus Joan and Myself in the kitchen also we have

a new bookkeeper, Mary Jo Tanner. Virginia Grigsby has been substituting for her while she has been out recuperating from surgery.

We also have lots of other things going on at the center. Blood pressure check is each first and fourth Tuesday and each first and third Thursday. Hearing aid from Beltone comes each fourth Thursday. This is Randy Brackeen.

There will be two of our senior citizens riding on the EMT float in the parade in July. They will be Inez Grantham and Ola Keeton. Inez Grantham and Ola Keeton.

Inez Grantham is the Outstanding senior Citizen for 1982. Ola Keeton will be our other one and she is one of our cooks. They are two of our wonderful and sweet senior citizens we love each and every one of them.

On July 8 we will have a Medicare Seminar at our center. All senior citizens interested in this be present at about 12:30 or come by for lunch and attend this

Consumer Education Seminar will be at the Algerita Senior Citizens Center at 103 South Avenue I on Thursday July 8. This Seminar will consist of a brief slide presentation on Medicare with a representative from Lubbock Social Security office discussing the changes in the medicare program that may affect you and a representative from Better Business Bureau will discuss consumer problems and how people are ripped off. Every one is encouraged to attend and bring every contract or insurance policy you have. After the seminar insurance agents will go over your policy individually and determine if your needs are being met or if you have too much. The insurance agents are members of the Lubbock Association of Line Underwriters and will be representing the organization and not their companies. This seminar is being co-sponsored by the Texas Agricultural Extension Service, Better Business Bureau, Lubbock As-

sociation of Life Underwriters and the Social security Administration.

Extension programs are open to everyone regardless of Socio-economic levels, race, color, creed, sex, age, religion, or national origin. This will be a very informative program to all

Senior Citizens as well as others. I know personally of one example which a Medicare Supplement Policy would certainly be a God send.

We want to remember all of our sick and bereaved in our prayers as we go thru the days ahead. Brother

Cook lost his grandmother and our prayers have been with him and all the others who have lost loved ones.

We will be singing at Brother Cooks' Church Sunday, so all you folks please be present for this.

We will be open on Friday the second of July but we

will be closed Monday, July 5.

If you would like to have a real delicious meal, five days a week and meet and visit with your friends and neighbors, come on down and join us at the Algerita Center. Until Later.....

7th grader has high score

Dale West, a seventh grade student at La Plata Junior High School in Hereford, obtained scholastic aptitude test scores comparable to college bound seniors and was honored at ceremonies at the University of Texas June 5.

The son of Joe and Mary West, grandson of Wanda Thomas Riddle of Austin, former Postite and great-grandson of Thelma Thomas, he took the test in January as part of Duke University's academic talent search. The search involved over 18,000 students and covered 16 southern and midwestern states.

Students honored in Texas are required to have scores of at least 500 out of 800 on the math portion or 430 out of 800 points on the verbal portion or 52 out of 60 points on the test of standard written English.

West was granted a one course tuition scholarship from Baylor University.

He also received several books pertaining to his scores on the SAT and had an overall score between 1,000 and 1,200.

COTTON TODAY

A NATIONAL COTTON COUNCIL SERVICE

Cotton Use Edges Downward

After improving during April, cotton use fell in May as domestic mill consumption totaled a seasonally adjusted annual rate of 5.3 million 480-lb. bale-equivalents, according to the National Cotton Council.

This was 5 percent lower than the previous month's level and 9 percent below the year-ago rate. Cotton's share of total fiber consumption was 26.2 percent, down slightly from April's 26.5 percent but above the 23.6 percent mark registered in May last year.

Usage of all fibers by U.S. textile mills also declined in May with the seasonally adjusted annual rate sliding to 20.2 million bale-equivalents, down 3.9 percent from the April rate and off 18 percent from the year-earlier level. Consumption of man-made fibers dropped

3.7 percent from the previous month and declined 21 percent from May, 1981.

Thailand Gets Cotton Credit
The Commodity Credit Corporation has authorized \$6 million in credit guarantees for export sales of U.S. cotton to Thailand.

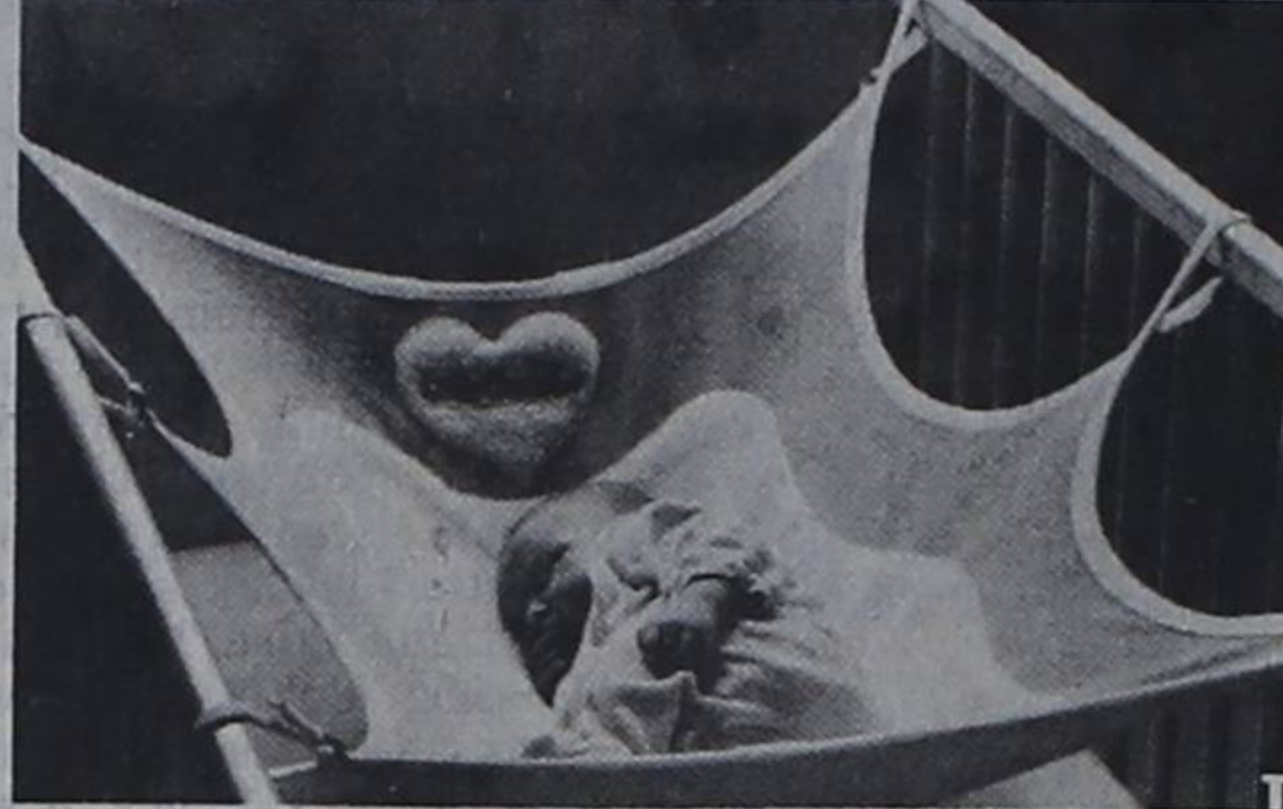

Up to three-year coverage will be provided under GSM-102 program, and all shipments must be completed by Sept. 30, 1982, the National Cotton Council states.

Loan Activity Reported

A total of 3,526 bales of 1981 crop cotton entered the Commodity Credit Corporation loan program during the week ended June 16. Repayments were made on 118,355 bales, leaving loans outstanding on 4,214,717. Also still in loan are 117,282 bales of 1980 crop cotton.

A newborn infant naps contentedly in a snug, soft womb-like surface. The sound of a heartbeat, rocking movement and swaddling effect add comfort and security, so important during the first months of life.

The birth of an infant and the months immediately following are the most important times of life in terms of development. This is the period when the infant learns to perceive space and relate to the world through responses to experience. Doctors call the early learning process "sensory integration."

Recent studies indicate how important stimulation of the senses is to normal development. The elements of sound, touch, movement and space all affect the contentedness of newborns. Clinical tests in intensive care nurseries have revealed that groups of newborns exposed to the sound of a normal adult heartbeat (like the sound of the mother's heartbeat to the infant still in the

womb) cried less often. They also showed greater weight gain than a similar group which was fed the same but did not have this sound stimulation.

The sense of touch has been shown to be a key in the development of emotional security and the nervous system. Sensory integration of the part of the brain that detects change in movement or motion gives gravitational security.

To help infants adapt and learn about their new environment while easing the trauma of birth, a transitional sleeping system has been developed. It stimulates the primary senses that baby experienced in the womb.

It imitates the comfort of the womb with a form-fitting hammock made of stretch terry cloth and a soft plush pile sleeping surface. A battery-operated device called "CuddleHeart", inserted in a pocket on the hammock, produces the sensation of the mother's heart and can be heard and felt all over the surface of the hammock.

The product is called

CribCuddle. It can be found at baby specialty stores and department stores for about \$40. It's an item that's likely to produce contented babies and more confident, calmer mothers.

More information about CribCuddle is available by contacting: Infacare, P.O. Box 2782, Laguna Hills, CA 92653 or call 714-855-4755.

An interesting early type of "cigarette" was smoked by the Pima Indians of Arizona in ancient times. They stuffed tobacco into reeds and smoked that.

Shaking The Salt Habit

Delicious Baked Bread - Low Sodium Style!

Many commercial and home-made breads contain unnecessary salt and therefore, may be off-limits for individuals following low sodium diets. The dietary challenges they and their families face for delicious baked breads are made easier with salt alternatives. For example, NoSalt Salt Alternative flavors and pours like salt but is dietetically sodium-free.

The following Orange Tea Bread recipe is made with NoSalt Salt Alternative. Remember, if you must follow a sodium restricted diet, check with your physician about using a salt substitute.

Delicately delicious Orange Tea Bread, made from a mixture of flour, butter, eggs, sugar, walnuts, orange and NoSalt Salt Alternative, complements any meal. Create an exciting new idea for mid-afternoon tea—try serving it surrounded with preserves and low-sodium cottage cheese. Store overnight for easier slicing.

For a 24-page color booklet containing recipes and tips on shaking the salt habit, write "THE WAY TO BETTER EATING WITH NOSALT SALT ALTERNATIVE," P.O. Box 3844, Stamford, CT 06905.

NOSALT ORANGE TEA BREAD
(Makes 1 loaf)

2-1/4 cups sifted flour
1/2 teaspoon NoSalt Salt Alternative

- 1/4 cup softened unsweetened butter or margarine
- 3/4 cup sugar
- 1 tablespoon grated orange peel
- 2 eggs, separated
- 3/4 cup orange juice
- 1/2 cup chopped walnuts

Stir together flour and NoSalt until well mixed; reserve. Beat butter with 1/2 cup sugar until very light and fluffy; add orange peel and egg yolks; beat well. Mix in flour mixture alternately with orange juice until blended. In separate bowl, beat egg whites until soft peaks form. Gradually beat in remaining 1/4 cup sugar until stiff peaks form. Fold into batter with walnuts. Spread mixture in greased 8x4-inch loaf pan. Bake in 350°F oven about 65 minutes or until done. Cool on wire rack 10 minutes; remove from pan. Store overnight for easiest slicing.

1 slice (1/16 recipe) 9 mg

Make leftover mashed potatoes into patties and coat with flour. Freeze in a single layer, then pack in plastic for storage. Fry unthawed in oil until crisp.

Keitha White winner in Garza Revue

Seventeen young ladies participated in the 1982 Garza County 4-H Fashion Revue Friday evening in the Fellowship Hall of The First United Methodist Church.

Theme for the clothing project event was "Garza County 4-Hers SPARKLE in Diamond Jubilee Fashions." The participants modeled before a lattice screen draped with bolts of brightly colored materials and accented with glittered diamond cutouts. It was flanked with pots of green plants.

Winners in the four junior divisions who will represent Garza County at the District II Fashion Revue in Lubbock on July 14 are: Daytime Tailored — Keitha Beth White, first, and Debbie Ethridge, alternate. Daytime Non-Tailored — Trevah Bush, first, and Traci Bush, alternate. Active Sportswear — Angela Graves, first, and Kristi Radle, alternate. Evening and Specialty

Wear — Korren Payton, first and Joanna Binford, alternate.

The only senior entry and winner was Melissa Striblin in the daytime non-tailored class.

All of the contestants scored 90 or above to win a blue ribbon. The judges commented on how well each of the entries had done. Judges were Extension Agents from Borden County, Miss Kandy McWhorter; from Crosby county, Mrs. Colleen England and from Scurry county, Mrs. Kathy Roberts.

The Garza County Agent, Cheryl E. Walker, was unable to attend due to the serious illness of her father in Houston.

Clothing leaders assisting the 4-Hers were from the Close City 4-H, Barbara Ethridge and Jean Morris; the Graham 4-H, Sue Maxey, Sherry McNeely, Orabeth White and Jane Mason; Southland 4-H, Anne Chaffin and from Shamrock 4-H Teresa Williams, Shirley Bland, and Faye Maddox.

Debbie Ethridge served as mistress of ceremonies the 4-H pledge and motto were led by Korren Payton; the welcome was given by Revue Chairman, Orabeth White; Mrs. Anne Chaffin presented the narration; presentations of the ribbons was by Barbara Ethridge; the district participants were introduced by Orabeth White; Keitha White read the acknowledgements. Tanya Bland assisted with lining up the entries.

Those competing and their 4-H club were:

Daytime tailored — Debbie Ethridge, Keitha White.

Daytime non-tailored — Traci Bush, Trevah Bush, Betsy Ethridge, Juana Flores, Shelia Haire, Dana Morris, Cheryl Thompson Hilary Ann Williams, and Kenda Williams.

Active sportswear, Angela Graves, Deana Johnston, and Kristi Radle.

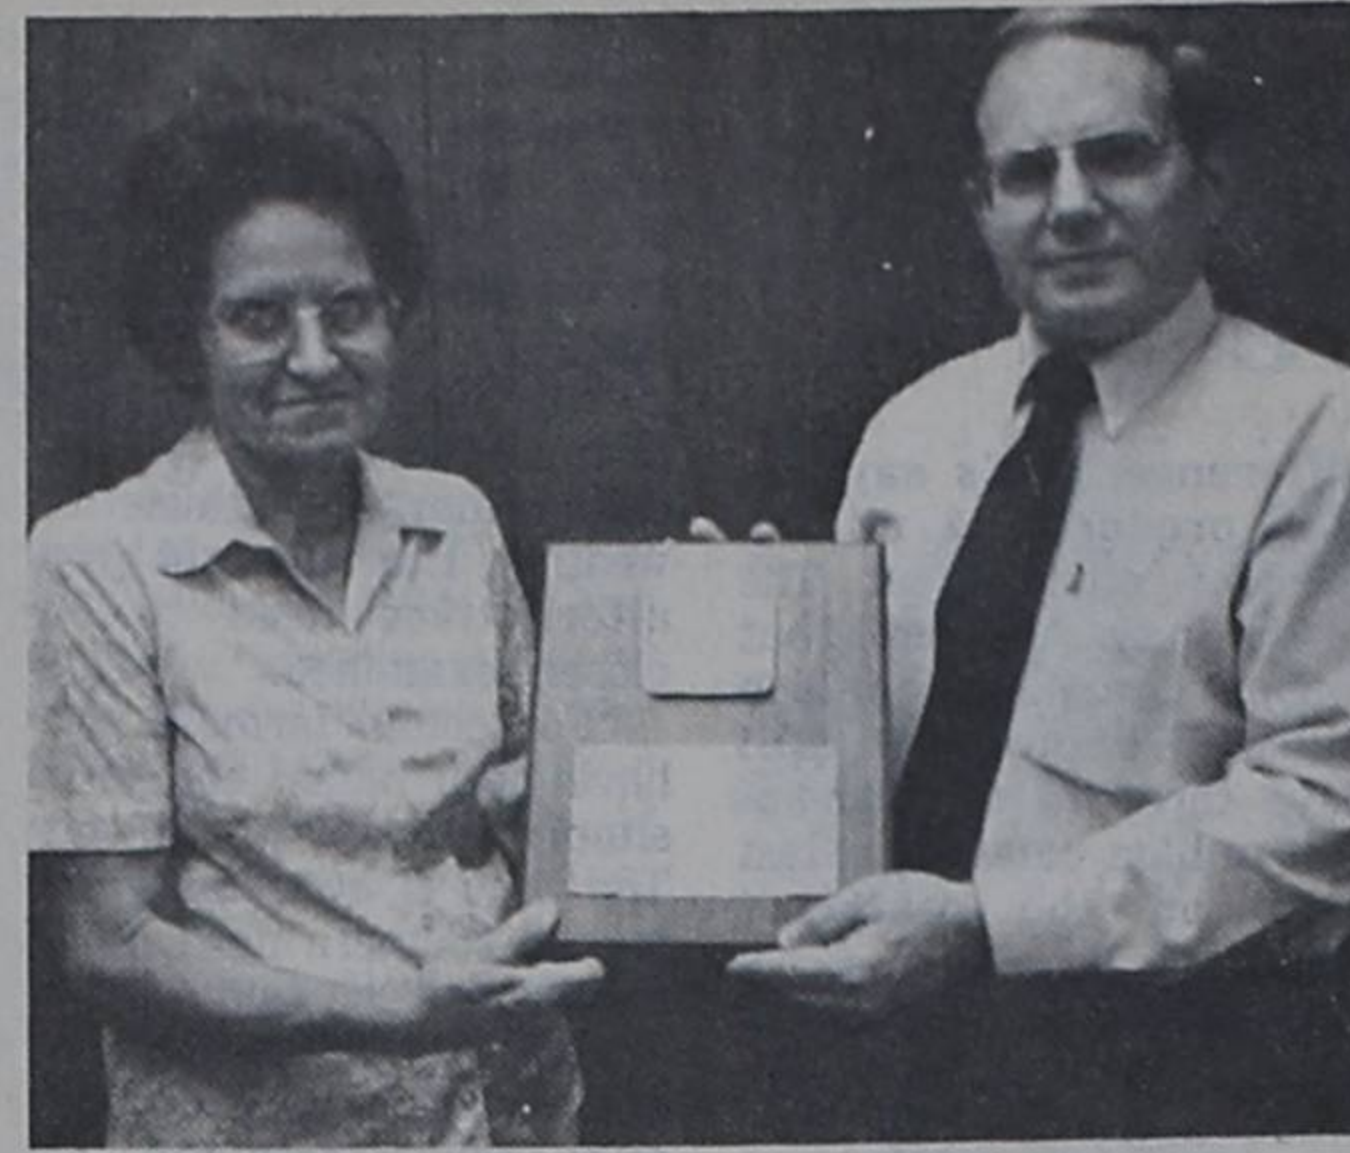

Evening and specialty wear, Joanna Binford, and Korren Payton.

Senior daytime non tailored, Mrs. 4-Hers and their leaders would like to thank

Maurine's, Winn's, and Twin's Fashions for the props. Refreshments of cookies and punch were served to the approximately 75 present.

WATCH YOUR ENERGY

HEAT PUMPS ARE REMARKABLE ENERGY-SAVING DEVICES. HERE ARE SOME FACTS YOU MAY NOT KNOW. YOUR HOUSE CAN BE CLEANER IF YOU USE A HEAT PUMP. THE CIRCULATING AIR IS FILTERED TO REMOVE FOREIGN MATTER. THE HEAT PUMP ALSO ACTS AS AN AIR CONDITIONER IN SUMMER... THEREFORE IT CONTROLS THE HUMIDITY, REDUCING THE HOUSE MOISTURE CONTENT. HEAT PUMPS CAN BE USED TO HEAT HOT WATER. IT'S DONE BY ADDING A RECOVERY DEVICE OR HOT WATER GENERATOR THAT UTILIZES THE WASTE HEAT FROM THE PUMPS COMPRESSOR. Lifesaving devices

Many drownings which occur close to the shore can be prevented by quick action, even if the rescuer has no lifesaving training, according to TSA's Vice President for Home and Leisure Activities, Nelson Mueller.

"This Fourth of July weekend, while many families are enjoying water sports, drownings can be prevented by action of those on the shore," said Nelson Mueller, Safety and Health Administrator for ALCOA in Rockdale.

"Persons on the shore can help swimmers in trouble by providing them with floatation devices," Mueller said. "It only takes 12 pounds of buoyancy to hold a 180 pound person's head out of water," he added. "When you see someone

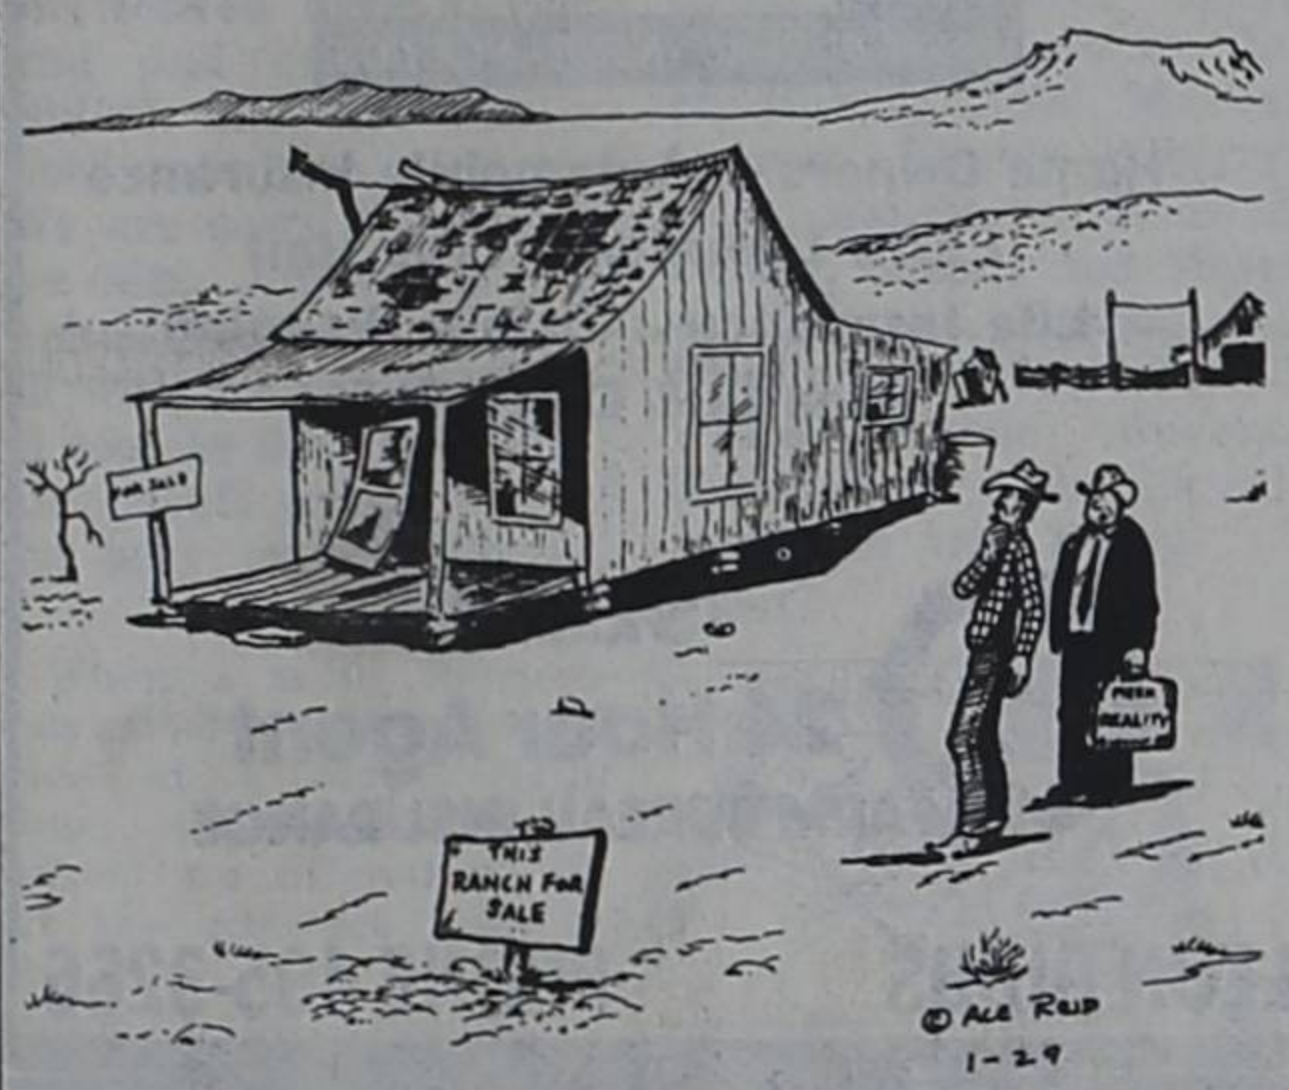

in trouble you can throw him or her your coffee thermos because it adds buoyancy which could save a life," Mueller said. Other items likely to be near in a Fourth of July outing like a closed fishing tackle box or an ice chest can also be used to save a life. And, of course, a pair of long pants inflated and tied off at the legs and waist can also provide lifesaving buoyancy.

These lifesaving tips come from the U.S. Coast Guard Auxiliary in Texas as a reminder that those on the shore need not stand idly by while a swimmer or boater drowns close to shore.

Tape Record "Family History"

Got a child with a small tape recorder? Teach him family history with it. Let him do the recording and the learning. Recording an "oral" family history can help a child understand his cultural heritage. Also, it can give him a sense of accomplishment and pride.

Talking over family history and recording it on tape can provide facts and fun. Talks with older family members can tell a child about: family origin; important historical events — and their affect on the family; factors that led to family change; and customs and traditions that have stayed with the family from generation to generation.

Also, tape recording the child himself adds importance to events in his own life. For example, when you capture the thrill of an achievement or the excitement of a special day on tape, it can bring pleasant memories to mind in years to come.

In addition, tape recordings of family members talking about life can help a child deal with a rapidly changing world. By listening to the voices of other family members as they respond to questions about sociological and technological change, a child gets clues for living in today's world. He can gain ideas on how to cope, how to behave and how to build his own self-fulfilling lifestyle.

Help your child decide who and what events he will record. Talk over questions he could ask to "get the conversation going" and to get the information he wants. Help him make arrangements with participating family members.

A practice run might help first, if the child or family members feel "timid". To start the "real" conversation, a child might begin by stating the month, date, year and topic. He could name the participants and their relation to the family unit. After the conversation, the child could sum up the purpose of the conversation and thank the family members for their contributions. Finally, be sure to label the tape, and store it in a special place for more recordings later and to make sure it won't be erased.

Besides allowing a child to feel a sense of purpose and accomplishment, gathering a family history has extra benefits. It promotes

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas, effective July 27, 1982, unless otherwise determined by the Commission.

It is expected that the requested rate schedule will furnish a 13.4 percent increase in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas. The Commission staff has contended in the past that all rates are subject to change as a result of Southwestern Bell's rate application.

Notice to El Paso Area Customers

Effective January 1, 1982, Southwestern Bell adopted the Mountain States tariffs in effect for El Paso County. Southwestern Bell proposes to merge the separate El Paso tariffs with its tariffs applicable to the rest of Texas. The resulting new rate schedule is on file with the PUC and the El Paso area municipalities served by Southwestern Bell, and is available for inspection at our El Paso business office.

Notice to Customers of Other Telephone Companies

The filing includes, but is not limited to, proposals to increase rates for interexchange private line and foreign exchange (FX) service. Changes in such rates would also affect customers of other telephone companies because such companies provide interexchange private line and foreign exchange service in accordance with rates specified in Southwestern Bell's tariffs. While Southwestern Bell has proposed no increase in long distance rates, any change in those rates would also affect customers of other telephone companies.

Aviso Público

Southwestern Bell, en conformidad a las reglas del Public Utility Commission (Comisión de Servicios Públicos) de Texas, por la presente hace saber su intención de establecer un nuevo arancel para servicio de teléfono en Texas con vigencia a partir del 27 de julio, 1982, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel que se ha solicitado rendirá un aumento de 13.4 por ciento en los ingresos intraestatales de la compañía.

Una copia completa del nuevo arancel se ha archivado en las oficinas del Public Utility Commission en Austin, Texas, al igual que en cada municipalidad afectada y servida por Southwestern Bell, y cada una de las oficinas de la compañía para negocios con el público en Texas tiene una copia para lectura pública. En el pasado, la Comisión ha sostenido que toda tarifa está sujeta a cambios que resulten de la manera en la cual Southwestern Bell aplique sus tarifas.

Aviso a Clientes en la Región de El Paso

Con vigencia a partir del 1o de enero de 1982, Southwestern Bell ha adoptado las tarifas de Mountain States efectivas en el condado de El Paso. Southwestern Bell propone unir las tarifas de El Paso con sus otras tarifas que se aplican al resto de Texas. El nuevo arancel que resulta de ésta unión se ha archivado en la Comisión de Servicios Públicos (Public Utility Commission), al igual que en las municipalidades de la región de El Paso servidas por Southwestern Bell, y está disponible para inspección pública en nuestras oficinas de El Paso.

Aviso a los Clientes de Otras Compañías de Teléfono

El registro incluye, pero no se limita a, propuestas para aumentar las tarifas para servicio de línea privada entre centrales telefónicas (interexchange private line) y servicio de central telefónica extranjera (foreign exchange FX). Cambios en dichas tarifas de servicio también afectarían a clientes de otras compañías de teléfono porque dichas compañías proveen los servicios ya mencionados en conformidad a tarifas especificadas por Southwestern Bell. Aunque Southwestern Bell no ha propuesto un aumento en las tarifas para larga distancia, cualquier cambio en las mismas también afectarían a los clientes de otras compañías de teléfono.

Low commodity prices make farming gamble

LUBBOCK — Low commodity prices together with weather, crop surpluses and high interest rates make agriculture a continuing gambler's game. The government's Acreage Reduction Program, which enrolls producers to withdraw 15 percent of their land from farm production, will make the farmer's hand stronger than it would have been otherwise, but basic economic problems will still be there. Dr. Don E. Ethridge, agricultural economist with Texas Tech University, said that even with normal weather the actual decrease in U.S. cotton production this year probably would have been close to 6 or 7 percent from the 15 percent acreage reduction.

Farmers, Ethridge said, will withdraw their lowest yielding land from production which will not significantly lower total production. Farmers, Ethridge said, will withdraw their lowest yielding land from production which will not significantly lower total production. But the major factor affecting production in West Texas now is severe weather. Rains and hailstorms threaten the immediate existence of the crops. For every dollar of cotton not produced by West Texas farmers, because of weather or the reduction plan, the regional economy loses \$3, Ethridge said. "The Acreage Reduction Program may make some

difference. Let's say the U.S. produces 12 million bales of cotton a year. The plan may reduce that amount by one-half million bales. We probably still have three to three-and-a-half million bales from last year on the market," Ethridge said. Acreage plan benefits for those who participate include a commodity loan program. The program is an attempt by government to provide some kind of price floor for agricultural goods, Ethridge said. The guaranteed price floor is, however, below most farmer's cost of producing cotton and some West Texas farmers have a simply thrown in their hand. "Some farmers who are share leasing land have said they cannot afford to grow a crop on the land and pay rent," he said. "It has left some landowners unable to find people to rent to." The farmer's hard economic times have changed the business of share leasing. It is becoming more common for the landowner to assume share leasing. "Rental arrangements are changing. There are reports of some landowners having offered to rent free or just have tenants pay the taxes on property," Ethridge said. In the cotton king area of West Texas, many farmers have been bitten by severe weather. They have been forced to replant fields, only to have them wiped out again. Replanting costs run approximately \$8 an acre dryland and \$12 per acre irrigated. "There has been a lot of replanting in West Texas because of the weather," Ethridge said, citing pounding rains, torrential rains and cool nights. "The replanting will mean the cotton will not likely mature, affecting both the quality and quantity. From Lubbock north, farmers would find better odds in Las Vegas rather than plant cotton at this date." Softening the cotton price

outlook for next year is decreased textile mill activity worldwide due to recessions and large 1981 crop inventories still on the market.

With many West Texas farmers wiped out of the cotton market because of weather, Ethridge said crop alternatives need to be closely examined.

"For cotton farmers who have been hailed out, it is simply too late to replant. The time is even marginal for the southern portions of the Plains," he said.

Grain sorghum, sunflowers, soybeans, winter wheat and even vegetables, on limited acreage, could serve as alternative crops for weather beaten farmers. But, the profit outlook for most other crops is not bright either.

Money, a constant concern for producers, may still prove too expensive in financing replanting or crop alternatives. Despite a drop in the inflation rate, Ethridge does not see interest rates declining enough to aid the hard-hit farmers.

"The people with the money to lend obviously don't expect the inflation rate to stay down," Ethridge said. "The public has gotten so accustomed to high rates of inflation that the will believe the problem is beaten only after the inflation rate continues to stay down for an extended period of time."

The forget-me-not is the state flower of Alaska.

New computer system to process Medicare claims

On May 4, 1981, Texas Blue Shield, the Medicare carrier for Texas, began using a new computer system to process your Medicare claims. The new system, was the first in the nation to process bills from hospitals, nursing homes, doctors, suppliers, and home health agencies together to create a total medical history for each beneficiary. The system has allowed TBS to reduce its Medicare staff and, therefore, its administrative costs while improving processing time. The average length of time TBS has a claim before writing a check has been reduced from three weeks to two.

As with any major change, especially one involving computers, numerous problems were encountered during the first few months after installation of the new computer system. Not only did the computer system change, but all the clerical procedures for processing claims were also modified. In fact, most clerks had to be taught how to key or type information into a computer. Another side effect of the systems change has been an increase in processing errors. One clerk described the increase in error rates as similar to what happened when she

got her first electric stove. "I learned to cook with gas and I guess I just had to burn a few things before I got used to not being able to look at the flame."

Even though the error rate has declined, there are still problems with incorrect names, addresses and health insurance claim numbers. Therefore, you should be sure to file your claims with exactly the name and number shown on your Medicare card. If your doctor completes the form for you, check your records during your next visit to be sure the information he has is accurate. Using a nickname on your middle name will cause significant delays in payment.

In the past, telephone service representatives answered inquiries about claims status by looking at microfilm listings which were often not up to date. With the new system, each clerk has direct access to the computer. More current information on your claim's status will be available. Sometimes, however, the service representative will not be able to answer questions about the claim immediately because the computer system may not be working. Fortunately, this should not be much of a problem because the system

is working more than 90 percent of the time.

However, one problem that still exists is a large backlog of correspondence. It is expected to take about six months to reduce the backlog to normal levels. Therefore, if you have a question, try calling the toll-free telephone service rather than writing a letter. The toll free telephone service (1-800-442-2620) is available from 7:30 a.m. to 4 p.m. each work day. You will have better luck getting through early in the day.

(before 9 a.m.) or after 3 p.m. The Dallas-Fort Worth metro line (647-2282) is not as busy as the toll free service. These numbers are shown on the statement entitled "Explanation of Medicare Benefits." Please have your health insurance claim number and claims information handy when you call.

TWINS CEDARS HOME NEWS

We give support to all our residents to see that they are comfortable at all times.

We also want to welcome our male administrator from Big Spring and also his wife is a LVN nurse and his consulting nurse from Lubbock.

Thanks to the Senior Citizens for the beautiful singing. We also thank Lola Ledbetter for the hot rolls. Thanks goes to Maude Dobbs for the ice cream and cake party Monday. They enjoyed it, because it was a hot day for ice cream. We want to thank Mr. and Mrs. Ade Cook for the beautiful flowers from the Chamber of Commerce.

Mrs. Alton Russell from Clevton, Alabama are spending this week with Billie. She is a registered nurse who worked here at the home and over at the hospital. She also was a school nurse here.

We are sorry to say we have Mrs. Jimenez in the hospital. We hope all goes well with her and that she will soon be back with us.

Our craft people have been busy making lots of

pretty things, and if you are interested in some, come by and see them.

Our residents did really good in our exercise class. Our class is increasing.

They also enjoyed playing bean bag toss, bingo, and dominoes. Bingo winners were Irene Wheeler, Evelyn Roach, and Blanche Graham.

Terry Williams from Seagraves visited with Lucy Clary and Della Horton.

They enjoyed the three movies that we saw last Monday.

Visitors this week were Chris Howle of Lubbock, Mack and Lola Ledbetter, Faye Maddox, Lola Ryan, Joe Ella Sparlin, Gerry Hodges, of Sweetwater, Glenn and Mary Roberts, Virginia Grigsby, Cynthia Osby, and Chuck Osby, Stephanie Moss, Becky Ticer, Ronnie Ticer, Marvel Pearson, Dawnie Bilberry, Glenn and Darrell Roberts, Debbie, Chanda and Meagen Moreman, Darling and Martin Garcia, Jewell White, Shane Bevers, Shawn Bevers, Juanita Bilberry and Artie Young.

What's your opinion — is it honest of a company not to mention on the phone that a product has been remanufactured?

When a small businessman called Xerox to ask the price of a Model 3100 copier, the salesman who showed up offered to fill out the contract form at the price that had been quoted on the telephone.

But the small businessman found that the Xerox copier offered had been "remanufactured."

That's printed in the contract," said a Xerox manager.

What's your opinion — is it honest of a company not to mention on the phone that a product has been remanufactured?

Buying drugs by mail

The selling of drugs by mail has become an increasingly important issue to consumers, the BBB, and the medical community. Your Bureau has heard all sorts of stories about these "look alike" drugs advertised through the mail and in newspapers.

1. The same drugs could be purchased locally for one-half the price charged by the mail order company. 2. The drugs consisted of nothing unusual and can be purchased locally over the counter from any pharmacy.

3. The Department of Public Safety, which did the testing, informed us that many consumers may think they are ordering "black mollies", which require a prescription. The advertisement did call them "blacks" and the illustration showed the same black capsule associated with "black mollies".

Flea markets investigation

Austin State Comptroller enforcement officers are visiting flea markets across the state to make sure all Texas retailers are treated equally. "We have received complaints from taxpayers about competitors who don't charge or don't pay sales taxes. The business people who have made these complaints are only asking for what they deserve — to be treated just exactly like their neighbors and their competitors," Bullock said.

"We're looking for the people who continually sell merchandise. When you start setting up shop week in and week out, you're not a garage sale anymore, you are a retailer. And the legislature says retailers must have a permit from the comptroller, post the necessary bond, report and pay their taxes."

Grasshoppers are staging along fence rows, bar ditches and out in pastures. There are no reports of hoppers moving into crop areas at this time. USDA has launched a cooperative rangeland grasshopper control program in Shackelford and Throckmorton counties.

In areas I have inspected, grasshopper numbers have ranged from 18-60 per square yard. Most hoppers were the differential grasshopper which developed into large yellow winged hoppers. At present, they are only about 1/4 to 1 inch long and do not have wings.

Now is the time to control these grasshoppers. Don't wait until they become winged and simply fly over your treated cotton. Many of you did that last year and 90 percent were disappointed in the results.

In the stage these grasshoppers are now, they must jump or walk through the crop margins to get to the cotton. They will usually feed along the way. If these areas are treated with insecticide, I believe you will get pretty good control.

crop margins by air, I believe Sevin XLR is a good choice. If there are no grazing livestock in the area sprayed, I would probably add about 1/2 pint of parathion per acre to the mixture to get quick knock-down. The Sevin XLR at 1 quart per acre should give you 2-3 weeks residual control but the hoppers must eat it to be effective.

A BIT OF HISTORY Hal Murray had the first printing office in Post. He took over the publication of the Post City Post from its founder, Stockton Henry in 1907.

The statewide canvass of flea markets — due to be finished later this summer — will yield an accurate picture of the number and location of such markets across the state.

The other insecticides listed should also do a good job. Sevin, malathion, and Orthene can be sprayed over grazing livestock. (Orthene should not be sprayed over dairy cattle nor should treated forage be fed to livestock for 21 days.) Livestock should be removed before diazinon is sprayed, but they can be returned immediately after spraying.

If you are going to spray with conventional ground equipment using Sevin do not pay the extra price for Sevin XRL because its washoff resistance is lost if the dilution is more than 10 parts of water to 1 part of Sevin.

Two games left

White Sox lead BR loop

Winners of the Babe Ruth League with a record of five wins and one loss are George's White Sox. Although the team has two more games that must be played, they are far enough ahead to be declared the winners.

In a Monday night game, the Indians defeated the Braves, 10 to 3. Danny Storie had ten strike outs for the Indians with only four hits off his glove. Mike Ollison had a triple for the Braves in the top of the sixth inning, while Scotty Clinesmith had a triple bagger for the Indians in the fourth inning. Todd Angerer was the losing pitcher.

In Friday night action, the Dalby Company Braves played the Indians, with the Braves winning 13 to 8. The

sponsor for the Indians is Wilson Brothers. The game was tied 2-2 in the first inning, but the Braves went ahead in the third 7 to 5, and it was all Braves following scores making it 12 to 5. The Indians came on strong in the last of the game, but could not muster enough scores to catch the Braves. Gregory Adams was the winning pitcher, with Theodore Piaz the losing pitcher. Keith Craig came in to relieve in the seventh inning, but was too late.

In Tuesday play, the White Sox defeated the Indians, 8 to 4, with Tracy Price going the route for the White Sox, and Danny Storie suffering the loss.

Marvin Lee scored the first run for the Sox on a two base hit by Dennis Lee

which scored Marvin in the second inning. In the top of the third, Tracy Price had a one base hit to get to first, and stole second and third, then tagged up and made it to home on a pop up to the shortstop by Tommy Basquez. Keith Craig got the Indians on the board in the bottom of the third after Craig Greathouse singled on a shortstop error.

In Friday night action, a June 21 rained out game was played, between the Braves and the Indians, with the Braves winning 13

to 11. Rodney Guthrie was

winning pitcher after coming to relieve in the sixth inning. The Indians had the Braves 6 to 0 to the top of the fourth inning when the Braves finally scored one, Keith Craig was the losing pitcher. The Braves scored 12 runs in the sixth inning, with seven walks, three singles before sending in Greg Storie as a relief pitcher. He walked two and gave up one base hit.

In the last inning, Scotty Clinesmith had a three base hit and was tagged trying to steal home base. A fielder's choice ended the game after the runner tried to steal second.

The White Sox and Indians will play tonight (Thursday) at the field.

Cheerleaders attend school

The cheerleaders from Post High School were among more than 258 participants in the 1982 Big Country Cheerleader Camp held on the campus of Hardin-Simmons University in Abilene, June 14-18.

The group composed of Leigh McCook, Norma Samora, Cynthia Poole, Cindee Jackson, Denise Smith, and Bunny Miller, brought home three Spirit sticks, and three blue and one red ribbon. They were chosen to be one of four squads competing for the Award of Excellence, and were runner-up in the event.

The five-day camp was conducted by the Southwest Camps of Cisco, with Mr. Eris Ritchie as camp director. Instructional staff and program was supplied by the National Cheerleaders Association.

The cheerleaders were taught new cheers, chants, stunts, and spirit ideas from a six-member NCA staff headed by Liz Kiper, former head cheerleader of the University of Oklahoma.

SECOND PLACE — Mike Bartlett, 12-year-old son of Mr. and Mrs. Jimmie Bartlett, recently returned from a week's stay at North Texas State Golf Academy in Denton, Tx. Mike competed against 50 other boys, ages 12 through 27, in a tournament at the Denton Country Club on the last day of the camp and won second place and received a trophy for shooting 88 for 18 holes. The 14 year old winner of the tourney shot a 5 over par 79.

WINNING CHEERLEADERS — These young ladies from Post High School were winners when competition was over at their recent cheerleading camp attended at Hardin-Simmons University in Abilene. Pictured top to bottom are Leigh McCook, junior; Norma Samora, senior; Cynthia Poole, senior; Cindee Jackson, junior; Denise Smith, junior; and Bunny Miller, freshman.

Bond approved for deputy

The Commissioners' Court met in regular session on Monday, in the courtroom, with Ted Aten, Mike Cisneros, and County Judge Giles W. Dalby present.

Business transacted included a motion to approve the bond of Michael Dean Harper for \$5,000.00; and to set a Budget Hearing for August 9, 1982, and the final hearing to be held August 23 at 10 a.m.

Commissioners' approved the placing of joint phones in the JP offices, so someone could be in the offices to answer the phones at all times.

Commissioner Cisneros made a motion, seconded by Commissioner Aten, to approve the resolution appointing Jack Alexander, to serve as representative to the Board of Directors of South Plains Community Action Association, Inc. The motion carried.

Hudman—

Victor has been a very active citizen of the community in his years in business here, and has been a vital part of the changing history of Post's 75 years, which will be celebrated this weekend. Victor stated he was here to see the changes, and could remember when the middle of Main Street was "water trough and trees", and has seen the many changes of Post to what it is now.

Victor also had the distinct honor of being the second ever Scout Master in Post, and has remained active in the Scouting program as a committeeman for many years. His son, Curtis is following in his footsteps with Scouting in Post, just finishing several terms as Cubmaster for the Cub Scouts in Post.

Victor has served on the Chamber of Commerce, school board, Airport Board, Industrial Foundation, and is active in his church work at the First Christian Church in Post.

OUR MEDICAL EXPERTS

Thanks to some clever scientists and dedicated doctors, millions of diabetic Americans may be able to lead healthier, more normal lives.

Diabetics dependent on insulin must keep a close watch on the level of sugar in their bloodstreams in order to control their disease. When the sugar level goes up or down, the prescribed regimens of diet, exercise and insulin must be adjusted, depending on the type and severity of each case.

Scientists for years have sought ways to monitor glucose (sugar) levels quickly, accurately and inexpensively. Blood sugar levels vary widely depending on the amount of exercise a person takes, how much and what is eaten and how the insulin is administered to and distributed in the body.

"Consistency is the last refuge of the unimaginative." Oscar Wilde

of Post, and Dr. Joe Hudman of Houston, surprised their father by being at the presentation ceremony in Houston, when he was awarded the plaque. He also was accompanied on the trip by his wife Ida.

Aggie cadets 'adopt' five CCF children

They won't be changing diapers or heating formula, but 2,300 cadets at Texas A&M University have become parents. With a contribution of \$1,130 — which was raised in just one week — the Texas A&M Corps of Cadets became the "adoptive" parents of five children through the Christian Children's Fund. It is the largest group ever to sponsor a child through the agency.

"There's an old Chinese saying that goes something like: The hand that wields the sword is the one that feeds the child. The warrior and the hunter are the same person," said Dr. Scott Kellner, Texas A&M assistant professor of English, who encouraged the Corps chaplains to sponsor a child as their annual Christmas project.

"BIRTHDAY HONORS" FOR PRINCESS DI

Seventeen nations in the British Commonwealth are planning a special gift to commemorate the 21st birthday of Diana H.R.H. The Princess of Wales. They will all issue an omnibus series of postage stamps — centered around the glamorous Princess who has captured the hearts of people around the world. Countries participating include such exotic places as Fiji, Mauritius and the Cayman Islands.

The stamps will be released on July 1, Diana's birthday, an event which is likely to be preceded by the birth of the Princess' first child, expected in June.

Highlighting the series is an as yet unpublished photograph of the lovely Diana, showing her new — and longer — sleek coiffure. This will be the high value stamp for each country.

The issue will also include stamps showing the coat of arms of each country with a birthday greeting. An informal picture of the Princess of Wales (different for each country) and a picture from the never to be forgotten Royal Wedding grace the other values.

Each country will issue a First Day Cover depicting the Princess of Wales' Coat of Arms or that of the issuing country. Some countries will also use a special cancellation bearing the design depicting "21".

For more information on how to obtain these stamps write to STANGIB, 1325 Franklin Avenue, Garden City, New York 11530. If
