

The freedom which has made the United States the greatest of the world's nations will be 173 years old Monday, July Fourth.

It is the greatest of all holidays throughout the United States.

In every part of the country, stores will be closed and all picnic grounds, beaches and other pleasure resorts will be crowded with happy, relaxed citizens.

Some of these people will die from automobile accidents on the crowded highways or from drowning, fireworks or other disasters.

The Post Dispatch has two words of warning for this year's observance:

- (1) Be careful while celebrating. (2) See that we keep this freedom, for which no other country can be as thankful as we.

Baptist Building Project To Begin In Near Future

A report of the First Baptist Building Planning Committee, presented at a called business meeting at the church Wednesday night of last week, was accepted with unanimous approval of the congregation and it received the official recommendation of the Board of Deacons and Finance Committee.

The proposed building project has been turned over to a construction committee consisting of I. L. Duckworth, Dean Robinson, O. L. Weakley and the Rev. T. M. Gillham.

The proposed structure will cost approximately \$31,000. Some of the money has already been raised, and it is expected that the remaining amount will be on deposit by the time the building is completed.

The new building was planned because of the overcrowded conditions in the Sunday School Department. It will care for 500 Sunday School students, the Rev. Mr. Gillham said this week.

Chief Runkels Is To Live At Camp Post Year-Round

The Post Boy Scout movement will benefit by the engagement of Chief Little Bearclaw Runkels of Lubbock as year-round caretaker and summer-time instructor at Camp Post.

Runkels, who was reared by the Indians, has worked with the Lubbock Boy Scouts for several years and has been outstanding as a teacher of Indian dances. He has expressed a willingness to work with the Post Scouts, now that he is moving to Camp Post.

Directors at Camp Post say the boys from the South Plains Area Council served by the camp are enjoying their stay at the camp this year more than ever in the camp's long history. This is attributed largely to the new swimming pool.

The new pool, which was opened at the beginning of the summer, received an official okay last week from the State Health Department, which sent an official inspector there.

FOUR FINES PAID

Four fines of \$1 and costs each were paid in justice of the peace court during the past week for minor traffic violations.

HAPPY BIRTHDAY

Please Call Or Mail Your Family's Birthday Dates To The Post Dispatch.

- June 30—Rev. M. C. Rains July 1—John Wornack Sherry Beavers, Justiceburg July 2—Evelyn Dorman, Justiceburg July 4—Delores Dye Sterling Joe Curry July 5—Harvey Hughes Mason Justice G. L. Perkins July 6—Cheryl Martin Ruth Martin Mrs. Sara Jo Smith

Does ANYBODY have a birthday on July 19, July 29 and July 31? The Post Dispatch birthday book needs their names. All other birthdays not already in the book also are wanted.

Five Best Junior Rodeo Performers Will Receive Gold and Silver Trophy Buckles

The five best performers in the second annual Southwestern Championship Junior Rodeo to be held in the Post Stampede Arena Aug. 11, 12 and 13 will receive the same special awards as those given each year at Madison Square Garden in New York City and at other Everett Colborn-Gene Autry Shows.

The prize for the top average in the hat race will be a Brown Quarterhorse Trophy, the same that is given to top winners of all quarterhorse shows.

A pair of handmade boots will be given by the Lusk Boot Shop of Lubbock for the top average in the Cowgirl Sponsor Contest.

The junior association is making plans for a calf roping match the afternoon of Aug. 13 among the top six junior calf ropers in Texas.

The award from Amarillo for the top average in the hat race will be a Brown Quarterhorse Trophy, the same that is given to top winners of all quarterhorse shows.

A pair of handmade boots will be given by the Lusk Boot Shop of Lubbock for the top average in the Cowgirl Sponsor Contest.

Three Public Programs To Be Given By Boys In July

Coach Vernon Ray, director of the Chamber of Commerce-sponsored Boys Club, which meets each afternoon in the school gymnasium, this week announced dates for two Fun Night programs and a forthcoming baseball game with the Slaton Boys Club.

The baseball game will be played at 3 o'clock Wednesday afternoon, July 6, in the Post Miller Park. The public is invited and there will be no admission charge.

The 40 members of the local Boys Club have been working out each afternoon to get themselves in shape to beat Slaton. Several of the boys are looming up as outstanding baseball material, the coach said.

The first of two Fun Nights, to which the public is invited, will be held in the gymnasium Friday night, July 8, at 8 o'clock. The second will be the night of July 15 at a place to be announced later. Admission prices at the Fun Night programs will be 50 cents and 15 cents.

Boxing bouts will be featured. (Continued on Back Page, Col. 1)

Poison Bait For Grasshoppers Is Still Available

With the grasses in the Garza County pastures beginning to dry out, the grasshoppers are leaving them to seek food in the neighboring fields.

Garza County Agricultural Agent Lewis Herron announced this week that there is plenty of grasshopper poison available for farmers so threatened. It is free of charge and may be obtained from Mr. Herron.

Since the poison and baits were made available here, about two months ago, 7,000 lb. of poison bait has been put out in Garza County. More than 800 lb. was put out Monday, Herron said.

Legion Barbecue To Be Given On Friday

Members of the American Legion are invited to attend the annual supper at the Legion Hut at 6:30 o'clock tomorrow evening. Barbecue with all the trimmings will be served. Each person attending must have a 1949 Legion card showing that he has paid his dues, or pay his dues at the door. Admission will be \$1.50 per person to cover cost of the food.

Masthead Mat To Be Used All Year

Attention is called to the mat above the Post Dispatch masthead indicating the places won by this newspaper in the only two divisions it entered in the 1949 Texas Newspaper Association contests. The Post Dispatch will be privileged to display this mat until the time of next year's contest, June, 1950.

In addition to the above mat and a mat showing the first place award in column writing, the Post Dispatch last week received certificates describing the honors won and a blue and red ribbon which are being framed and will be hung in the front office.

Seagraves To Risk Title Three Times By Playing Post

Date of the double header baseball game, between Post and Seagraves has been changed from July 4 to Sunday. The games will be seven-inning matches played at Seagraves, beginning at 2:30 o'clock.

The Post Millers will play Seagraves in the Postex Park tonight, beginning at 8:30 o'clock.

Quite a bit of interest is being shown in these three upcoming Oil Belt League games because Seagraves is leading the league and has already defeated Post twice this season.

Rotarians To Hear Convention Report

John Lott, who attended the recent Rotary International convention in New York City, will report the meeting at next Tuesday's Rotary luncheon in the City Hall.

This week's meeting was devoted to annual reports and the installation of the new president, Bill Land. Bob Collier, new secretary, was unable to be present. Dr. Glenn Kahler and Lewis Nance are retiring president and secretary.

Ice Cream Supper To Be Countywide

The Garza County Home Demonstration Council will sponsor a countywide ice cream supper on the courthouse lawn July 4, beginning at 7:30 p. m.

School Program To Be Explained On July 5 and 6

The recently-passed Gilmer-Aikin bill, which will revolutionize the Texas school set-up this fall, has caused the Garza County educators to be covered up with work.

County Supt. Dean Robinson, Supt. G. E. Day and Supt. C. S. Lindsey of Southland recently spent three days in Austin, where the new program was explained to them. Back in the office, while trying to put the new program on paper for the coming school year they found they did not know all of the answers and had to call Austin again.

Details of the new program will be explained in detail to school administrators of 12 counties July 5 and 6 at the J. T. Hutchinson Junior high school in Lubbock. As the school trustees will have a great responsibility in administering the new program, Robinson is getting out letters this week inviting the trustees of all schools in the county to accompany him to the meeting. The Foundation School Program, as related to the separate schools of this county will be discussed, the Gilmer-Aikin law will be interpreted and forms will be given out for putting the new program into operation.

Hodges Will Give Party Next Week

The public is invited to a family party in the Hodges Tractor Co., building next Thursday night, beginning at 7:30 o'clock. A picture show, featuring several entertainment films and some films showing Allis-Chalmers tractors and implements, will be presented.

Six cases of Texaco oil will be given as prizes to six guests. Sodapop will be served to all attending.

Several representatives of the Allis-Chalmers Co., will be here to assist with the party, which will include entertainment for all ages.

Sam Wilks Ill With Pneumonia At Tulia

Sam Wilks of Tulia, former Post resident, is critically ill. His Post friends learned this week. He was visited Tuesday by Noah Stone, Boone Evans, Phil and Tom Bouchier, Mrs. L. A. Barrow and Mrs. Ben Williams.

In a telephone conversation yesterday with Mr. Wilks' daughter, Mrs. Erin Sadler of Tulia, friends here learned that his condition was slightly improved.

He became ill with pneumonia about 10 days ago and an abscess developed on his lung.

Spraying Of Alleys Will Be City's Project Again

Stores To Close In Post Monday

Monday, July 4, will be a holiday in Post.

Although no special public celebration has been planned, the stores will be closed on Monday, and many of the residents will take advantage of the long weekend to go fishing or take a trip.

As Monday is a holiday, the monthly Dollar Day has been stretched over Friday, Saturday and Tuesday. Read about the bargains, which start tomorrow, in the advertisements of today's Post Dispatch.

Physician Sounds Warning About Intestinal Flu

It having been noted while covering the week's news that several persons are ill with intestinal influenza, a Post Dispatch reporter consulted a local physician yesterday to learn the causes.

The doctor said that there is always an epidemic of this type of illness at this time of year, but that this year's siege is no worse than usual, so far, and not as bad as it was several years ago.

He said that among the things which cause this illness are flies and insects, which light on food and contaminate it.

In this connection he advised that all fresh fruits and vegetables to be eaten raw should be thoroughly washed just before eating and warned against putting cooked foods in the refrigerator and re-cooking it the next day. Any bacteria in the cooked food has a chance to grow during the refrigeration period, he said. He strongly advised against reheating food cooked the previous day and eating it.

City employes have observed that spraying, which individuals have been doing during the past week on their premises in various parts of town, has noticeably reduced the number of flies and other insects.

CROP Program To Be Discussed Tomorrow

A representative of the Christian Rule Overseas Program will meet with Garza County Agricultural Agent Lewis Herron and the County Home Demonstration Agent, Mrs. Jewell H. Strasser, and leaders in the club work of the county at 2 o'clock tomorrow afternoon at the courthouse to discuss the possibility of working out a Garza County contribution to the program.

If the local program is decided upon, committees will be appointed to carry it out.

LIGHT BOY BETTER

Billy Light, who was critically injured June 19 by the accidental discharge of a .22 rifle, was said by relatives this week to be slightly improved in condition. He is being treated for a broken neck and paralysis in the Lubbock Memorial Hospital.

With the death toll from polio mounting in various parts of West Texas, the Post Dispatch has received several inquiries as to why something is not written about whether or not Post's alleys are to be sprayed with DDT as they were last year.

The City of Post, which received a supply of DDT for the purpose several weeks ago, plans to spray just as soon as the alleys are sufficiently repaired from the sewerage line installation.

The delay in repairing the alleys which would have delayed the spraying had the alleys been in proper shape, Mayor John Herd told the Post Dispatch editor. Spraying is effective only as long as it doesn't rain, he said.

The mayor asked the Post Dispatch to urge everyone to keep his own screens and garbage cans painted and sprayed with DDT as this extra precaution will be necessary to supplement the city's spraying of the alleys. Many small garbage cans on porches and back yards will not be accessible to the city sprayer when it gets into operation.

This advice also was released last week by Dr. George W. Cox of Austin, state health officer.

(Continued on Back Page, Col. 3)

State Postpones Date Of Election

A telegram yesterday from Texas Secretary of State Ben Ramsey informed the Post Dispatch that the legislature has postponed the election date on the 10 proposed constitutional amendments which are published in today's paper.

As the telegram arrived after the first press run, the Sept. 24 election date is erroneously contained in the amendments as published.

Mr. and Mrs. Jake Sparlin of Route 5, Lubbock, are announcing the arrival of a daughter, Glenda Faye, weighing 9 lb., 2 oz., at 5:35 p. m. Friday in the Lubbock Memorial Hospital. Mrs. Sparlin, the former Jo Ella Cowdrey, is the daughter of Mr. and Mrs. Elmer Cowdrey of Route 3. Paternal grandparents are Mr. and Mrs. A. Sparlin.

Mr. and Mrs. Jess Hendrix of Lubbock are parents of a daughter, Nancy Jo, born Friday in the West Texas Hospital in Lubbock. The baby is the 11th grandchild of Mr. and Mrs. R. E. Cox.

A daughter, weighing slightly more than 5 lb., was born to Mr. and Mrs. A. G. Mueller of Tahoka, Rt. 1, Wednesday afternoon in the Lubbock Memorial Hospital. Mrs. Mueller is the former Emma Gerner, daughter of Pete Gerner of Route 1.

Mr. and Mrs. Tom Douglas, was born to Mr. and Mrs. T. D. Simpson in the Mercy Hospital at Slaton June 25. He weighed 6 lb., 11 oz. The baby is a grandson of Robert E. Johnson of Fairbanks, Alaska, and wife who is visiting here from her home in Oklahoma City and of Mrs. J. L. Northcutt.

All Stocks May Not Reach Depression Bottom At Same Time

New York City—I am making no recommendations in this column this week, but my thoughts are something which readers can seriously consider. As there is no precedent for these thoughts each investor should decide the question for himself. I cannot take the responsibility on such an important decision.

It has been a truism of the stock market from time immemorial that "stocks all go up and down together—the good ones and the bad ones." This means that operating "selective markets" has not been a very

safe procedure during the past. One is justified in buying for income only, without paying any attention to price changes; but if prices are to be considered, then you can usually make a profit by buying anything blindly in a bull market or be fairly sure of a loss by buying anything—including the gilt edge stocks—in a bear market.

When studying past history we should recognize that the market prior to 1933 was under no U. S. control. Leading up to 1929, for instance, most of the stocks in brokers hands were held on a margin of from 10 to 20%. Then almost every elevator operator and stenographer of the Wall Street district had stocks on a 15% or less margin. Hence, when the crash came, it was natural

for all stocks to fall because people had to sell their good stocks when trying to protect their poor stocks.

Today It's Different

During recent years margins of 75% have been required. Now margins of only 50% are required, but I am told that stocks today are either owned outright or held on a margin of about 70%. There has been very little buying since the margin requirement was reduced, as transactions have been largely for cash. Certainly, no elevator operator or stenographer now hold stocks on margin. This means that conditions are very different today. The \$64 question is whether these changed conditions change the old rule: "stocks all go up and down together."

If these changed conditions should change this old rule it is possible that certain stocks have already reached their low point in this bear market. This would mean that instead of watching just the Dow-Jones Industrial Average, which has gone down from a high of 212 in 1946 to a present figure of around 165 and which could go very much lower, it might be well to watch individual stocks. Instead of all stocks hitting the bottom at about the same time, as they did in previous bear markets, different stocks may be hitting their bottoms at different times extending over a period of a year or more.

Market Comparisons

Cutting off the extreme peaks of 1929 and the extreme lows of

1932 which lasted only a few weeks and covered only comparatively a few transactions, stocks went down about 80%. This means that, assuming an average of ten stocks early in 1929 was \$100, this same list of stocks sold for \$20 in 1932. Yet, the Dow-Jones Industrial Average of "Thirty Gilt-edge Stocks" has suffered very little since 1946 compared with what happened to it in 1929-1932.

On the other hand, certain stocks which should be a fairly good businessman's risk have recently dropped over 80%. Any broker can make up a list of ten such stocks which sold at the equivalent average of 100% in 1946 that can now be purchased for less than 25%. I am making no recommendations; but believe

that a reader who now buys the entire following list for cash, puts them away and forgets them, can someday average a handsome profit although some one or two may go bad. These are common stocks, listed on an exchange here in New York City, and purchasable through your local bank or broker who will not like them.

- Le Tourneau (R. G.) Inc. (Machinery), recent price 12.
- Collins & Aikman Corp. (Textiles), recent price 14.

Garza and the World

By EVELYN BOYD

From what we read in the papers on June Tenth, this is the best locally written weekly newspaper column in towns of 3500 or less in the state of Texas

By the time last week's Garza and the World was written, the Post Dispatch had been informed that it was one of the winners in the Texas Newspaper Association's annual contest, but we didn't know that we had placed first and second in the only two divisions that we entered.

We entered this column because we believe it is the only weekly locally written column in the state—possibly in the nation—which attempts to interpret state, national and international news in the light of how it affects us here at home. That it won first place in the state is most encouraging, because some very erudite newspapermen were the judges.

This writer will try to live up to the honor which these judges bestowed upon us. If the recognition brings us any extra readers, we promise to remember that what we write might influence someone's thinking. With this in mind, we will aim for accuracy at all times.

At this writing, we haven't been informed as to what caused our Post Dispatch to rate as high as second place in the General Excellency Division, but we can guess what some of our winning points were:

(1) We are first a newspaper and second an advertising medium. Too many publishers these days are overloading their newspapers with advertising, to the extent that they do not have room to adequately cover the news. We try to keep in mind that the majority of the readers buy the paper to get the news and that the fellow who reads the paper for the ads alone is a rare person indeed.

(2) As we are dependent upon the advertising that we do carry for our income (the nicker an issue that you pay hardly covers the cost of the newsprint, ink and mailing expense and doesn't figure in the cost of salaries, equipment, taxes, donations and numerous other expenses), we try to keep in mind that each advertiser deserves to have local news beside his ad. For this reason, we put local news, features or editorials on every page of the paper and we carry a minimum of "canned" news and fea-

tures.

(3) Our paper is classified, for the convenience of the reader who is in a hurry. We have a page for Society, Clubs and Churches, a page for Sports, a page for Editorials and a page for Classified ads. Each page is prominently designated, so that the reader who is interested in one of the above features can quickly find what he is looking for.

(4) We try to cover all phases of community life in both serious and an entertaining mood.

That we are successful in these respects is evident in the place that we won in state competition. We have not seen the Kaufman paper which won first in General Excellency, but we expect to study it during the next year and try to figure out how we can become not the second best, but the most excellent weekly newspaper in the state of Texas in towns of our size.

You will notice, elsewhere in today's issue, that we are publishing 10 proposed amendments to the Constitution of the State of Texas.

As we did in this column last year, we will again attempt to interpret the propositions in a series of articles. If you are a voter and would like to read what we have to say so that you can either agree or disagree or, at least know what the amendment proposal is all about, I suggest you clip out the 10 amendments right now and file them away for reference when the series of articles appears in this space during the next several weeks.

I will again bother the local lawyers, county judge, school superintendents, etc., for their help in interpreting the proposed amendments. I'm not bright enough to figure them out all by myself. I may even have to call on the bankers and retail merchants before I get them all "interpreted". Meanwhile, I'm on my way to Wackers to buy myself a pair of magnifying glasses because these I'm wearing aren't adequate to cope with the fine print.

A clean kitchen stove locks and cooks better than one having a thick film of grease, spilled food, dust and rust. Cleanliness is important for full, even, efficient heat. A clean range also helps keep the kitchen free of unpleasant odors and smoke.

THE POST DISPATCH

ESTABLISHED IN JUNE, 1926
Published Every Thursday at the Dispatch Publishing Company Building in Post, Garza County, Texas.

E. A. WARREN, Publisher-Editor

Entered at the Post Office at Post, Texas, for transmission through the mails as second class matter, according to an Act of Congress, March 3, 1879.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon being brought to the attention of the management.

What Our Contemporaries Are Saying:

FEW ABNORMALITIES—Participation in the X-ray drive of the Texas State Department of Health in Floyd County during the earlier part of June was greater than was expected, said County Health Officer George V. Smith this week.

Commenting on the fact that 1852 chest X-rays were made in the week the veteran physician said he considered the effort of the Mobile Unit which visited Floyd County was a very effective health measure. However, of the aggregate large number of chest X-rays made only 544 were returned showing abnormalities in the chest cavity, less than three per cent compared with a state average of 10 per cent.

The suspicious tuberculosis per cent is very small, said Dr. Smith. Chest area abnormalities reported included enlarged hearts among other things revealed by the X-ray machines under the expert guidance of the technicians who visited here during the weeks campaign—Floyd County Hesperian.

BREAK FOR TAXPAYERS—Enactment of the Mandatory Publication Law last week will give taxpayers a better insight into the financial condition and management of their public offices.

Gov. Jester signed Senate Bill No. 375, which requires that all public notices called for by Texas Statutes be published. Failure to do so on the part of the official responsible for such publication is legal cause for his loss of salary or removal from office for neglect of duty.

Covered by the new law are all public officers of the state, counties, cities and school districts.

Continual abuse of the old publication laws, which impose no penalties for failure to comply with its provisions, led to the new legislation.

Proponents of the publication law now feel that the taxpayer will have a better and more accurate check upon the activities of his elected representatives. Sen. James E. Taylor of Kerens and Rep. P. L. Willis of Kaufman, sponsors of the bill, charged that officials have too often considered their offices "closed" to the public, and have neglected and even refused to account for the management of their offices.

Locally, the Ralls independent school district, the city of Ralls and Crosby county now must publish their notices in a newspaper of general circulation—Ralls Banner.

NEW PAVING—A news story out of Austin Tuesday brought the information that on that day the bid of Bryan & Hoffman of Plainview for the construction of the Slaton-Tahoka highway thru Wilson and about 2 miles of highway in Garza County had been accepted by the State Highway commission. Their bid was \$133,706.

The Tahoka-Slaton project includes 18.29 miles of grading, structures, flexible base, and double asphalt surface treatment from a point two miles north of Tahoka on highway No. 87 northeasterly through Wilson along the Santa Fe Railway right-of-way to the Lubbock County line just south of Slaton, an extension of Farm-to-Market Road 211 from the east line of Lynn County to a connection with highway No. 84 in Garza county, a distance of about two miles.—Lynn County News.

LITTLE THINGS—One of the perversities of human nature is that very often individuals blessed with many things in common disagree violently and unintelligently upon the merits of a relatively minor thing. There seems to be a trait in

many individuals that compels them to be fighting about something all the time. If no major issues appear, they vigorously pump up minor questions, arousing ill-feelings and promoting them into positions of seeming importance.

Much the same characteristic is evidenced in our attitudes toward the institutions of mankind. Without giving proper proportion to the great and overwhelming good, many of us incline to hunt up minor irritations and in the excitement of the search, we often lose sight of the tremendous good that exists.—Texas Spur.

SOREHEADS INCLUDED—Stanton, little capitol city of Martin County to our south, has just erected two new signs bordering the city. These signs bear the quotation: "You are now entering Stanton, 2,500 Friendly People—and a few old soreheads." Would we dare, P.G.?—Slaton Slatonite.

PLAYER HONORED—According to a sign erected over the pay-gate this week, the Seagraves ball park has been named Graham Field, in honor of "Blue" Graham, who suffered a fatal heart attack at home plate earlier this month.—Gaines County News.

Texas farmers own close to 215,000 tractors. From this number, estimates show that 21 million gallons of gasoline is wasted every year in Texas alone. That means just 100 gallons a tractor.

S. C. Storie To Go To Gin At Gregory

The ginning season is almost open for S. C. Storie, who will leave here July 10 for Gregory, near Corpus Christi, to open his new gin. He expects to get his first bale by July 15 and he is expecting to gin 5,000 bales during the next two months. The area which the new gin serves is expected to produce a bale to the acre.

Storie will return here at the beginning of the ginning season in this area, to operate his gin on the Plains.

Fred Boyd of Lubbock was a weekend visitor in the Sherrill Boyd home.

Applications For Cotton Classing Are Wanted Now

Lewis Herron, Garza County agricultural agent, announced that according to L. O. Buchanan, who is in charge of the Lubbock Cotton Branch Office, Production and Marketing Administration, U. S. Department of Agriculture, this week marks the beginning of the eleventh season of operation of the Lubbock Cotton Classing Office.

The Lubbock office serves cotton farmers in Garza County. Last year, 97.5 per cent of the cotton ginned in this county was classed by the Lubbock office, Herron said. This amounted to 4,719 bales.

Farmers belonging to organized cotton improvement groups under the Smith-Doxey Act can get their cotton classed without cost. Also, they can get free market news service.

Applications for these Smith-Doxey Act benefits should be filed immediately after the group members have planted their cotton with the ginner, or 1701 Avenue H, Lubbock, or with the office of the county agent. Applications can be obtained from the county PMA office, ginner, Lubbock Cotton office, or office of the county agent.

To date one application has been filed with the Lubbock office. "To make sure farmers secure all the benefits due them under this program, their group application should reach the Lubbock office by July 15," Herron said. However, applications will be accepted by the Lubbock office until August 15.

Kent Presson, son of Mr. and Mrs. W. F. Presson, received a Bachelor of Law degree from Georgetown University, Washington, D. C., June 13. He wrote his parents that he will spend two weeks at a reserve officers' camp in Campbell, Ky., beginning the last week in July, and arrive home about August 8 for a short vacation. He is employed in the Government General Accounting Office in Washington.

Junior Deputies Defeat Mexicans

The Junice Deputies defeated a local Mexican boys' team in base ball Wednesday night of last week in the Postex Park.

For the winners, two runs each were made by Jerry Odum, Jimmy Smith, Lonnie Walls, Bo James and Clyde McAllister, and one run each was made by Gene Ford, A. J. McAllister and Billy Holly. Bo James pitched and Jerry Odum caught.

For the losers, one run each was made by Raymon Gonzales and Jene Soliz. Cheque pitched and Chano caught.

Sheriff E. M. Bass said that each of the Deputies batted 500 or better and that some batted as high as 750.

Mrs. A. J. McClary left last weekend for Terrell where she is taking medical treatments.

Post Represented At Junior Rodeo In Big Spring

Nine directors of the Southwestern Championship Junior Rodeo attended the Howard County 4-H Junior Rodeo at Big Spring Monday and Tuesday. They were accompanied by Phil Bouchier and Jack Meeks, representing the Post Stampede and Rodeo Association, and Royce Josey.

The junior rodeo directors attending were Alvin Davis, manager; Jimmy Moore, R. E. Josey, Jackie Meeks, F. M. Reep, Billie Meeves, Roy Josey, Jimmy Puckett and Don Jones.

Two of the boys entered one contest each. Jimmy Moore won third place in bullriding and R. E. Josey got in the hat race final. One hundred fourteen boys and girls were entered in the events. All were invited to enter the junior rodeo here Aug. 11, 12 and 13 and most of them indicated that they would be here, Alvin said.

Bill Land, Malcolm Bull and Bob Collier will leave Monday on a fishing trip in New Mexico, north of Taos. Mr. and Mrs. Land will leave July 10 on a vacation trip to Colorado.

Vada Childers spent yesterday in Lubbock.

FROM A STRICTLY LOCAL ANGLE

Post Millers Are Third In Oil Belt In Spite Of Defeats On Thursday, Sunday

Despite two defeats during the past week, the Post Millers have managed to hold on to their third place position in the Oil Belt League standings. The Millers lost to Sundown, 10-5, Sunday afternoon at Sundown and were defeated here last Thursday night by Brownfield, 7-10.

In Sunday's game, Sundown put on a six-run splurge in the eighth inning to take the game from Post.

The Millers made three runs in the first inning, one in the fourth and one in the ninth and had a total of eight hits.

Sundown made two runs in the first inning, one in the third, one in the sixth and six in the eighth, and totaled 11 hits.

W. W. Thedford started for Post but was removed in the fifth in favor of Curley Barnett. Walter B. Holland got two hits in three times at bat and Cornell got two hits in four times up.

Toten, Ethridge and Hicks did the most damage for Sundown.

Last Thursday night, Brownfield got two runs in the first inning, six in the seventh and two in the ninth. Post got one in the third, two in the fourth and four in the fifth. Barnett was the losing pitcher.

Paul Duren, keeper of the records told the Post Dispatch that the Millers have nine wins and six losses on the league ledger.

In other Oil Belt League games Sunday, Denver City heaped a double defeat on Levelland at Denver City. Seagraves defeated Brownfield, 16-5, at Seagraves and Slaton defeated Tahoka, 10-8, at Tahoka.

The scores in the Denver City-Brownfield double header were 10-9 and 9-1.

Tim Holt Will Head Levelland Parade During Rodeo Week

Levelland is getting into its best Western bib and tucker in preparation for the annual rodee Saturday, July 2, Sunday, July 3, and Monday July 4.

Tim Holt, famous movie star and son of a star, will head the great parade to begin on the 4th of July. The procession of horses, riders, and floats is scheduled to get underway at noon. The Lubbock County Sheriff's Posse and other riding groups have been invited to participate.

Immediately following this impressive spectacle, the final two performances of the Levelland Rodeo will swing into action, one mile southwest of Levelland, in the new Rodeo Association arena.

In addition to Holt, Elmer R. Robinson of West Mineral, Kas., will be on hand with his trained jumping brahma bull and sensational Roman horse act.

Contest events which will qualify winners for a share of the \$3950 purse, with entrance fees added will include bareback bronc riding, saddle bronc riding, bulldogging, bull riding, calf roping, team tying, and ladies' sponsor event.

The new arena and covered grandstand will seat over 3000 persons. Also, there is a new Rodeo Association clubhouse, where dances will be held on the evenings of July 2 and 4. The Sunshine Trio, of Southwestern radio fame, will play.

Admission prices established for the Levelland Rodeo by the association are: general admission, \$1.50, and reserved seats, \$1., both tax included. Tickets are being sold at D. N. Bills' Butane, Inc., Levelland. Cash, check or money order will be accepted by mail.

W. L. Davis, who has been ill at his home, was better by press time.

Lubbock Is One Of Nation's 11 Cotton Markets

Lubbock has been designated as one of 11 spot markets for cotton in the United States, the Lubbock Avalanche reported last weekend. The announcement was made by Rep. George Mahon who was informed of the city's recognition for the market by Secretary of Agriculture Charles Brannan, who recently visited Lubbock.

Representative Mahon explained that the choice of the South Plains city would mean it would be recognized as one of the leading cotton trading areas in the nation. Lubbock's name, along with the other 10 spot markets, will appear daily on the spot market listings which are carried by all major wire services and leading newspapers throughout the country.

During the daily operation of the agriculture program the spot market plays a large part in fixing of cotton prices.

The honor will not necessarily mean addition to the available facilities of the Lubbock Cotton Exchange. V. O. Jennings, secretary of the local exchange, said Friday night that as far as he knew no extra personnel would be required.

The Lubbock cotton exchange rate is somewhat higher than the other 10 markets because of the greater shipping distance to the ports where cotton is loaded. The price at the spot markets are usually averaged to determine the prices at other markets.

Last year between six and seven hundred thousand bales of cotton were handled through the Lubbock exchange and early estimates indicate that more than one million bales will be bought and sold here this year. Approximately 3,000,000 acres have been planted in cotton in this area this year. Production from this record planting could exceed any amount of cotton which has been produced in this area in any one year.

The local exchange is in constant touch with the other markets and any change in price is known immediately.

Effective date for the market to start operating as such here was not known, but it was presumed it would be as soon as government officials could notify local authorities and set up the machines of the office.

The 100 other spot exchanges now in operation are New Orleans, Charleston, S. C., Houston, Dallas, Memphis, Norfolk, Va., New York, Galveston, Little Rock and Montgomery, Ala.

July Fourth Means Much To Many In Different Places

July Fourth means much more than Independence Day in the United States.

It is the third anniversary of the Philippine Independence.

It is the 61 anniversary of the first rodeo ever held in the United States, at Prescott, Ariz.

It is the 55th anniversary of the first road test by automobile.

It is the 147th anniversary of the opening of the United States Military Academy at West Point.

It is the 145th anniversary of the birth of Nathaniel Hawthorne, important American novelist, short story writer and essayist.

It is the wedding anniversary of several Garza County couples.

J. C. Shedd was wearing his right hand heavily bandaged yesterday, the result of losing a bout with a wasp.

Ten-Year Plan To Improve Roads In Rural Areas Asked

Celebrating its first birthday with a Board of Directors meeting in Dallas, last week, the Texas Rural Roads Association revealed plans to consolidate present legislative gains and continue its campaign to establish a system of low-cost, all-weather rural roads in Texas.

The directors adopted a resolution recommending that any increase in the tax revenue from natural resources be used only to finance permanent improvements, such as rural roads, soil conservation, permanent buildings for eleemosynary and other state institutions not otherwise provided for.

"We intend to continue to press for the adoption of a 10-year plan, supplying 40 million each year, which is necessary to adequately serve the farms and ranches of Texas with low cost all-weather rural roads," said Jim Cantrell, Collin County banker and president of the association.

He added, "We firmly believe that our natural resources are our most valuable capital asset and that any additional tax revenues derived from this source, should be placed back into a capital investment to be expended only upon permanent improvements, such as rural roads, soil conservation and public and institutional buildings."

"The rural people of Texas are grateful to the legislature for the 15 million dollar per year appropriation, which will enable the Texas Highway Department to carry on the present farm-to-market road program, but we must bear in mind this appropriation is only for the next biennium and is not adequate for the purpose we have in mind," Cantrell said.

"Regardless of our present abundant supply of natural resources, Texas is basically an agriculture state. When these irreplaceable resources are exhausted, we will realize the value of farming to our economy. The rural population of the important farming areas is constantly decreasing," Cantrell continued, "and the principal reason for this decrease is the deplorable condition of our country rural roads."

Col. J. I. McGregor of Temple, a vice-president of the TRRA, was named chairman of the statewide organizational campaign.

Four new directors were named, T. E. Patton of Blanco, Judge W. W. Mason of Mt. Pleasant, J. E. Lightfoot of Comanche and Herman E. King of Hemphill.

Cowboy Reunion At Stamford Is On Holiday List

A few Garza County residents traditionally spend July Fourth at Stamford enjoying the Texas Cowboy Reunion, which is said to be the largest amateur rodeo in the world.

The Saturday Evening Post for July 2 devoted a two-page picture spread to the event, which is publicized internationally. The story said, in part:

"During this three-day carnival of cowboys, crowds and color, the dust of Stamford's \$100,000 arena swirls excitingly around 400 contesting cowboys and cowgirls, and settles on thousands of visitors from all over the Southwest."

"The affair, held every July 2, 3, and 4, was started by a group of local business men in 1930. Since then it has been dedicated solidly to the proposition that the working cowboy and his family should have a rodeo all their own. Therefore, no professional rodeo contestant can compete for the \$6,500 in prizes offered annually by the Reunion. Nor can personal profit rear its questionable head here. The money paid by spectators is used to expand and improve the arena, pay for the use of the 500 head of cattle necessary for the show, and provide prizes."

Texas Characters Discussed By Club

Approximately 10 members were present at the Tuesday night meeting of the Lions Club. A program on "The Origin of Old Sayings" was presented under the direction of S. D. Strasser. The group also discussed "Characters from Texas History." Jess Wright, the new program chairman, will be in charge of next week's program.

A thorough grain bin cleaning is important to keep out the insects. Before storing any grain harvested this year, clean out and spray your grain bin to kill the insects that are already there, and keep the rest out while the grain is in storage.

Three Initiated In Order Of The Arrow

Leon Miller, Jack Kirkpatrick and Ronnie Bouchier were initiated into the Order of the Arrow, converted high rank in Boy Scouting, at Camp Post last weekend.

Of the 400 or 500 boys from the South Plains area who attended the camp each summer, approximately 30 boys are selected for the Order of the Arrow.

tivities and fresh eggs will

Mrs. Harold Voss Honored At Party

Mrs. Harold Voss was hon-
ored at a layette shower given Friday
evening by Mesdames B. E.
Young, Homer McCrary, Walter
Duckworth, George Barker, Dee
Coleman, Floyd Stanley and Roy
Baker in the Young home.

Miss Doris Clark, sister of the
honoree, presided in the gift
room and Miss Thelma Clark,
also a sister of Mrs. Voss, pre-
sided at the book where approx-
imately 30 guests registered.

The refreshment table was
laid with a lace cloth centered
with a bouquet of pink and
white gladioli. Cake and punch
were served.

Crowleys To Have 50th Anniversary

Mr. and Mrs. O. B. Crowley of
204 South Connelley Street, East-
land, former Post residents, will
celebrate their Golden Wedding
Anniversary Sunday with open
house from 1 until 5 o'clock in
the afternoon.

All eight of their children and
their families are expected to be
present.

All of their friends in Post and
the surrounding community are
invited to attend, according to a
letter which the Post Dispatch
received yesterday from their
daughter, Mrs. T. L. Morgan of
Eastland, the former LuDeil
Crowley.

Mrs. J. M. Boren Is Hostess To Group

Mrs. J. M. Boren was hostess to
the Needlecraft Club last Friday
afternoon. After an hour of
visiting and a short business meet-
ing, refreshments of sandwiches,
candy, pink cake squares and
punch were served to Mesdames
H. M. Snowden, H. E. McClain,
W. B. Holland, J. B. Faulkner, T.
L. Jones, H. J. Dietrich, J. R.
Durrett, M. J. Malouf, Noah
Stone and M. K. Bingham, and a
guest, Mrs. Zakaid of Los Ange-
les, Calif.

The Needlecraft Club met Fri-
day, June 10, in the home of Mrs.
L. W. Dalby. After an hour of
sewing and visiting, a short busi-
ness meeting was held.

Refreshments of sandwiches,
cake, candy and punch were
served to Mesdames H. L. Gor-
don, B. F. Evans, J. B. Faulkner,
M. K. Bingham, Ida Robinson,
A. A. Suits, F. A. Gilley, R. A.
Moore and a guest, Mrs. J. F.
Brandon.

Delegates To THDA Meet To Be Named

Delegates to the state conven-
tion of the Texas Home Demon-
stration Association in Mineral
Wells, Sept. 21, 22 and 23, will be
elected at a meeting of the Garza
County Home Demonstration
Council at 2:30 o'clock Wednes-
day afternoon at the courthouse.

Cecil Osborne And Mrs. Giles Honored

The Mystic Sewing Club mem-
bers and their husbands were
guests for a 42 party honoring
Cecil Osborne and Mrs. H. F.
Giles on their birthdays, last
Friday evening in the Osborne
home. Mrs. Lester Nichols was
co-hostess.

Birthday cake and punch were
served to Messrs. and Mesdames
Odean Cummings, B. C. Hender-
son, Lester Nichols, H. F. Giles,
Lowell Short, Cecil Osborne, Jim
Powers, Raymond Gerner and
Cecil Osborne, Jr.

Church News

By GANELL BABB

Scripture:
Boast not thyself of tomorrow;
for thou knowest not what a day
may bring forth. Let another
man praise thee, and not thine
own mouth; a stranger, and not
thine own lips. A stone is heavy,
and the sand weighty; but a
fool's wrath is heavier than
them both. Wrath is cruel, and
anger is outrageous; but who is
able to stand before envy? Open
rebuke is better than secret love.
Faithful are the wounds of a
friend; but the kisses of an
enemy are deceitful. Proverbs
27: 1-6.

Minute Prayer:
Dear Lord, accept our sincere
thanks for the many blessings
that thou bestowest on us daily
and hear us in our prayer for
pardon. Amen.

Mr. and Mrs. L. W. Dalby and
the Rev. and Mrs. T. M. Gillham
and daughter, Sue, are spending
the week at the "Plains Baptist
Assembly Grounds" near Floyd-
ada, at the General Encamp-
ment.

The W.S.C.S. met Monday
morning in the home of Mrs.
Esma Cash with 11 members
present. The Rev. A. B. Cockrell
discussed the last half of the
book, "Prayer, The Mightiest
Force in the World."

The Junior G. A.'s of the First
Baptist Church met at the
church Monday morning with 8
members and the counselor, Mrs.
Glenn Norman present. "The
World's Need of Missionaries"
was discussed.

The Wesleyan Guild entertain-
ed the W.S.C.S. at the church
Tuesday evening with a fellow-
ship supper. Mr. and Mrs. H. N.
Roberts showed movies on South
America.

Several Post folks are attend-
ing a Zone Rally at the Church
of the Nazarene at Grassland to-
day.

The Presbyterian Missionary
Society and the Young Women's
Bible Class met together Monday
afternoon in the home of Mrs. A.
C. Surman. The Bible lesson was
from the Book of Matthew and
the lesson was "The Children's
Work Manual." Mrs. Tom Wood
of Lamesa was guest speaker on
"The Basic Principles of the New
Curriculum for Children's Work."

The Rev. A. B. Cockrell ac-
companied by his family, will
leave Sunday to conduct a
week's revival meeting in Full-
bright.

"The Rachel Fong" G.A.'s will
meet at 6:30 p. m. Monday at
the First Baptist Church.

The 50-50 class of the Metho-
dist Church presented an inter-
esting "Hillbilly" program at the
regular fellowship supper Mon-
day evening.

Every Methodist is urged to
fill out a card Sunday estimat-
ing his offering for the year so
that the church budget may be
worked out. Remember Sunday
July 3, is BUDGET DAY.

The Rev. O. L. Jones, Calvary
Baptist Church pastor, has an-
nounced a change in meeting
time of the Sunday and Wednes-
day evening services. Training
Union will be held at 7:30 p. m.,
worship service at 8:30 and
Youth Fellowship at 9:30. The
Wednesday evening prayer ser-

Preparation For Freezing Poultry Discussed Here

Getting fryers in the locker or
the home freezer unit is a task
facing Garza County homemak-
ers now. As the latest informa-
tion on packaging, Mrs. Jewell
H. Strasser, county home demon-
stration agent, is recommend-
ing the use of aluminum foil for
packaging both fryers and roast-
ers.

For fryers, cut the chicken as
for cooking and wrap each piece
in plofilm or cellophane and
then put the wrapped pieces in
a piece of aluminum foil. Use
enough foil to be able to lap the
edges together and fold two or
three times in what is called a
drugstore wrap. Then, beginning
at the chicken, press the air out
and press the foil together at
the ends, folding the foil under
twice. Press foil compactly
around the chicken.

For the roaster, wrap in foil,
being careful to force air out
as outlined above and press
about chicken. Then put foil
wrapped roaster in stockinette.
Mrs. Strasser says be sure to
use heavy weight aluminum foil
that is designed for packaging
for freezing. The regular house-
hold weight is not heavy enough
to protect the food for freezing.

Layette Shower Is Given Mrs. Woods

Mrs. Bill Woods was honored
at a layette shower given from 2
until 4 Saturday afternoon in the
home of Mrs. C. H. Hartel. Hos-
tesses with Mrs. Hartel were
Mesdames L. H. Peel, Virgil
Stone, Mike Custer and Delmo
Gossett.

The refreshment table was laid
with a lace cloth and centered
with a bouquet of pink and
white gladioli. Cake squares,
decorated in pink and blue, and
pink frosted punch were served.
Samie Kay Caffey and Sherry
Custer assisted in serving. Samie
wore a lavender formal and
Sherry wore a white formal.

Mrs. Stone presided at the reg-
ister which was signed by ap-
proximately 35 guests.

Norman Children are Honored on Birthday

Beverly Ann and Cheri Lee
Norman were honored at a birth-
day party given at their home
on June 15. After a series of
games and opening of gifts, a
birthday cake was served with
punch.

Guests included Barbara Rob-
erts, Doris Ramsey, Peggy Ram-
sey, Elbert Roberts, Teddy Dock-
ery, Jerry Dockery, Delbert Mc-
Clesky, N. A. Saage, Dolores
Meissner, Steve Greer, Howard
Teaff, Patsy Norman, Jerry
Pebsworth, Dottie Harrison, Pat-
sy Fortenberry, Carlos McClesky,
Lendell Norman, Mary Alice
Roberts, Janice White, Mesdames
Jewel White, Mildred Pebsworth,
Mae Norman, Viola Greer, Er-
lene Saage, Lavern McClesky,
Mrs. J. W. Norman and the hon-
orees and their mother.

Mrs. Morris Neff Hostess To Club

The Priscilla Club met last
Friday afternoon in the home of
Mrs. Morris Neff. The afternoon
was spent in visiting.

Refreshments of congealed sal-
ad, cake, mints and iced tea
were served to Mesdames L. A.
Barrow, N. C. Outlaw, Raymond
Redman, Victor Hudman, Ben
Williams, Robert Cox, Dewe
Mayfield, Edward Neff and the
hostess.

vice will be at 8 p. m., instead
of 7:30.

The First Baptist and the First
Christian churches wish to ex-
press their appreciation to the
local florist, Bill DeWalt, for the
bouquets of Colorado Irises that
he placed in the churches Sun-
day.

Beginning next Wednesday eve-
ning, Mrs. O. L. Jones will teach
a book, "The Cooperating South-
ern Baptists," by J. B. Lawrence
at the weekly prayer services.
The book will be completed in
five lessons.

Mrs. Maggie Martin of San
Angelo visited in the home of
her daughter, Mrs. Ralph Welch
last week from Wednesday un-
til Saturday. Mr. and Mrs. Welch
and four children will join Mrs.
Martin July 4 at the home of Mr.
Welch's parents, Mr. and Mrs.
Riley Welch for a traditional
birthday dinner honoring Mrs.
Martin and Riley Welch.

gossip about garza Guys And Gals —by gay nellie

We have just learned that on
the last day of school Ronnie
Bouchier, wearing cap and gown,
had his picture made with his
13-year-old Crocker Spaniel,
Eagle. He and Eagle had their
picture made also on Ronnie's
first day in the first grade.

Mildred Wells is visiting her
aunt, Mrs. O. W. Smith, and
family in Levelland this week.

David Buster left Friday for
Kermit where he plans to go to
work for the same oil company
that employs his old buddy,
Wayne Hundley.

Virginia Claire Smith of Win-
ters was a guest in the home of
Bonnie Ann Bowen. Saturday eve-
ning Virginia Claire, Bonnie
Ann, Rusty and Jerald Bowen,
and Raymond Gray and Carroll
and Mercey Bowen enjoyed a
picnic at Buffalo Lakes.

Clifton Wells joined the Air
Corps at Lubbock Monday.

Lavina Bedford of Weatherford
is visiting her aunt, Mrs. A. B.
Haws. Mr. and Mrs. J. A. Cato of
Weatherford brought Lavina
here and they spent the week-
end.

One of the nicest things that's
happened to Post besides Ray
Diekemper's moving here is the
arrival of his kid brother, Joe,
from Carmel, Calif., to spend the
summer.

Jane Shepherd has completed
her summer baton twirling in-
struction here and is leaving in
a day or two for Ontario, Calif.,
to spend the rest of the summer
with her mother and brother
Jack. She's planning to return
here in the fall and go to PHS
if her mother will listen to her
argument in this respect.

Remember Bill Caldwell? He
was graduated from the Muleshoe
High School in May and on
June 1 he enlisted in the Navy.
He likes the navy life, but he
wants to receive more letters
from his friends. The address is:
Bill D. Caldwell, S.R. 367-72-42,
Co. 49-131, U.S.N.T.C., San Diego
33, Calif. Bill's folks, the S. C.
Caldwells, moved from Close
City to Muleshoe about two
years ago.

While his girl friend was in
Arkansas, Giles Dalby visited
his dad, Arno, in Lubbock. Arno
tried to talk him into going on
a father-son vacation, but at last
report Giles had too many irons
in the fire around here.

Bessie Pitts is leaving tonight
for Athens to spend the rest of
the summer with her mother.

Helen Thaxton is still in school,
you might say. She is taking a
correspondence course from
A.C.C. this summer.

We hear Kenneth Turner and
that cute girl friend of his from
Tahoka are going to be married
before too long.

We noticed in the Levelland
paper where a marriage license
was issued June 18 to Marceline
Oden, formerly of Post, and
Bruce Hicks.

Marjorie Freeman is spending
the summer with relatives in
San Antonio. Marjorie is employ-
ed as typist-receptionist for a
cover manufacturing company.

Buddy Davis returned home
the first of the week from Ft.
Worth where he underwent sur-
gery on his knee.

Hugh Ingram is in Graham
where he is employed by Petty
Geophysical Co.

Mrs. J. H. Babb, who has been
seriously ill for two months, is
improving steadily and is now
able to sit up an hour or more at
a time.

Omelet Special With Mustard Greens And Tossed Salad Is Good Right Now

Outdoor Barbecue Pit, Table And Chairs Available

The home demonstration club
women of Garza County are
busy equipping their outdoor
living rooms.

"What is more fun than hav-
ing summer parties outside?"
Food takes on an added flavor
when prepared outdoors. Guests
join in the preparation of the
supper and the party is marked
by more informality and enjoy-
ment, the women have observed.
They also say:

"If you have no outdoor bar-
becue pit—no need to be dis-
mayed, you can build one your-
self." Patterns and suggestions
may be obtained from Jewell H.
Strasser, county home demon-
stration agent. An important
point to remember is to select
the site so the barbecue pit faces
into the prevailing breeze for
best circulation. And it is wise
to leave out a brick or two on
each side of the fire pit for bet-
ter draft.

The home demonstration club
women the past month also
learned to make chairs. These
chairs are easily constructed
from scrap lumber around the
home and the agent showed how
to make a convenient picnic
table from scrap lumber.

An outdoor living room lends
a cooler atmosphere for the sum-
mer evenings and gives boys
and girls and the young and old
a place to have fun playing
games as well as enjoying the
meals outdoors. One can count
money saved on equipping the
outdoor living room rather than
having to load the food and
family into the car and driving
many miles before finding a
suitable place to eat, let alone
a place to cook.

The patterns for simple lawn
chairs and tables may be ob-
tained from the home demon-
stration agent.

Shirley Schmidt Is Scholarship Winner

Shirley Schmidt, daughter of
Mr. and Mrs. H. W. Schmidt,
was informed this week that
she won a Dunlap Scholarship
of \$50 a semester at Texas Tech-
nological College in Lubbock.

She was one of four Post girls
who applied for the award. The
others were Alice Ruth Carr, Mar-
jorie Freeman and Faye Ruth
Hamilton.

As Shirley is in Houston this
week with the Rainbow Girls,
she learned of her good fortune
by telephone conversation with
her parents.

Dispatch
Publishing Co.

Now that the time of year is
here when it is difficult to think
of "something good to eat," The
Post Dispatch is presenting here-
with some good ideas from the
"This Tastes Good in Texas" ser-
ies of the Texas A&M College
Extension Service. Here's how to
prepare an Omelet Special:

Six eggs separated; 3-4 tea-
spoon salt; 3 tablespoons flour;
1/8 teaspoon pepper; 1/3 cup
green pepper or parsley, finely
chopped; 2 tablespoons onion,
finely chopped; 2 cups creamed
chicken, lobster, tuna or cream-
ed vegetables.

Add salt to whites and beat
until stiff. Beat yolks, then add
pepper and flour and beat to
blend thoroughly. Add green
pepper and onion. Fold v ik
mixture into beaten whites. Pour
mixture into 2 well greased hot
8-inch layer pans—place greased
pans in oven to heat while mix-
ing omelet. Spread lightly in
pan having mixture higher
around edge. Bake in moderate
oven (350 F.) 15 minutes, or
until knife inserted in center
comes out clean. To serve, invert
1 layer on warm serving platter.
Pour about 1/2 cup creamed
mixture over layer. Invert sec-
ond layer atop sa. c. To serve,
cut in pie shaped pieces. Pass
remaining creamed mixture in
bowl. Serves 6.

Mrs. Wright Heads New OES Officers

Mrs. Minnie Wright, new wor-
thy matron of the local Order of
the Eastern Star chapter, pre-
sided at the regular meeting
on June 21 in the Masonic Hall.
Retiring officers presented their
reports, and Mrs. Bernice Shep-
herd reviewed the secret work.

Mrs. Vada McCampbell, who
was unable to participate in the
recent installation service, was
installed as Electa.

Refreshments, arranged by
Dick and Mohoto Allen and
Esther Bird, were served.

Sandwich style cooking ware,
conducting iron between stain-
less steel layers, combines the
advantages of the two metals.

Finest Food In Town

Post City Post Of 1916 Carried Front - Page Ads

of Mesdames Hartford, MacWhinnie and Marhoff.

The Jolly Twelve were delightfully entertained by Mrs. A. L. Marhoff . . . Mr. and Mrs. Will Shepherd were in the city Monday from their farm on the Plains . . . W. H. Clark was up from Justiceburg Wednesday. So was Cecil Smith.

Mr. Murray Sang

The Culture Club met in regular session, and Mrs. Stanley was in charge of the program. Very interesting papers were read by Mrs. J. M. Boren and Mrs. Ben Williams, and Mrs. R. E. Edwards gave a reading. Mrs. Don Murray delighted the club with a vocal solo. A note of thanks was tendered to all who did the work in the cemetery either financially or otherwise.

Page 2 carried a column, Gaylyn Videbt, by Dr. Foddershocker, which revealed that Rev. W. A. Davis made a short talk on the second chapter of Genesis . . . Mr. Charlie Cook and his new bride moved to their new home at Grassland . . . John Easley purchased a new Buick . . . Mrs. Minnie Berryhill of New Mexico visited her parents, Mr. and Mrs. R. H. Easley . . . Mr. Eldredge Shelton made a trip to O'Donnell to see his girl . . . Mrs. Leamond Mathis' mother and father from back East visited here.

Slumber Party Given

According to other news items in the paper: G. W. Basinger of Southland was in town . . . J. W. Davenport and J. W. Dennis made a trip to Brownfield . . . Mr. and Mrs. Jess Stacy and Miss Winnie Bradley visited in Slaton . . . Miss Zera Bridgeman visited friends and relatives in Snyder . . . Miss Clarice Haynie gave a slumber party . . . W. H. Johnson, a prosperous farmer of Close City, was a visitor to the city Saturday trading with our merchants . . . Rev. W. C. Hinds attended the annual conference of the Methodist church at Stamford . . . Roy Stevens, banker at Southland, spent Saturday night and Sunday here . . . The Post City Post subscription price was raised from \$1 to \$1.50 a year because "print paper today is just double the price it was a year ago and is still going up" . . . James Napier was the first subscriber to get in on the new subscription rate . . . A. B. Stewart of Route B also subscribed at the new rate . . . N. N. Rodgers sold 65 cows and calves to Mr. Northcutt at \$70 around; 40 head to W. B. Rodgers at \$62.50 around; 141 yearlings to Cudahy and Lane at Brownfield at \$25.00 around . . . G. R. Jones, merchant at Grassland, was shaking hands in Post Monday.

Golds Defeat Blacks

The best basketball game of the season was played Saturday afternoon on the Airdome court with the Golds defeating the Blacks 24-20. The line up: Blacks—Brant, f; Hill, f; Hutto, 2; Kincannon, g; R. Self, g; substitute, O. Kitchens; Golds—B. Terrell, f; W. Self, f; C. Kitchens, c; Bull Terrell, g; Kirkendoll, g; substitute, Funnigale; referee, Seale. Dr. Williams made a trip to Snyder . . . C. R. Brown opened a new racket store . . . John Faulkner, wife and daughter were trading in the city Saturday . . . Miss Flo Clark of Justiceburg visited Mrs. J. G. Stacy . . . H. B. Herd made an overland trip to Slaton, Lubbock and Hale Center . . . W. H. Newbury was one of the many Plains farmers in the city Saturday . . . Lee Hinson was here with cotton to sell. He received 18 cents and went home smiling . . . Willis Rodgers was in town with a bale of cotton to trade and offered to take groceries for same . . . Lee Dodson of Coryell County had bought in Garza County . . . Tom Denton was here with a load of maize. He received \$30 per ton.

Lanotte Was Grocer

The three Page 1 advertisements were by Greenfield and Faires, Capps the Jeweler and the Bond Lumber Company. Other display ads were placed by W. O. Stevens Co., Green and Mayfield, First National Bank, Murray-Ruth Company, Ward and Kirkendall, Garza Telephone Company, Graeber's, Grocery Santa Fe (J. W. McCoach, agent), N. J. Lanotte (grocer), The Grand Leader (Mrs. M. E. Mills, Prop.), Davis-Mason Furniture Co., O. K. Barber Shop, James Samson (plumber), J. L. Trott, the Tailor, Power Brothers, Yarbro and Godeke, Plainview Nursery, Post City Steam Laundry, J. V. Beauchamp (blacksmith), C. S. Brown (coal dealer), Palace Market (W. W. Rollins, Prop.), City Cafe (A. L. Elkins and Son, Props.), Remington Arms Union Metallic Cartridge Company, John R. Williams (horses, mules and feed), H. O. Wooten Grocery Company (wholesale), Willard Service Station of Lubbock.

In the classified section: W. A. Davis had purebred Silver Wyandotte cockerels for sale at \$1 each . . . Hinson Brothers of Ragtown had a 1916 model Ford car, in good condition, for sale . . . Dr. I. E. Smith, eye, ear, nose and throat specialist, of Snyder wanted some Post business . . . B. K. Hutcherson had lost a bay mare . . . R. E. King of Southland wanted to trade 40 acres of highly improved land one mile from Post for cattle . . . Carl Clark had lost a gray horse about 16 hands high . . . Professional cards were run by H. D. Durst, attorney and counselor at law, G. G. Castleberry, physician and surgeon, Dr. Baxley, dentist, Paul P. Steed, lawyer and Dr. L. W. Kitchen, veterinary surgeon.

On Sunbeam Program

The Sunbeam program was presented by Francis Murray, leader, and Opal Brant, Jessie Lee, Georgina Samson, Ruby Harris, Herbert Brown, Norman Green, Helen Hume, Stella Terrell, Joveta Cassidy and Evelyn Babb.

The editorial page objected to the dust, wanted a street sprinkler and a successful Dollar Day, bragged on Arthur Yonge, efficient manager of the Garza Telephone Company for its good service to its 400 customers, apologized for not mentioning the agricultural exhibit in the write-up of the Fall Exhibit and told off Editor Loomis of the Slaton Slatonite for willingly misrepresenting the score of the high school basketball game between Post and Slaton. Post's coach, R. E. Seale, said the score was 58-9 in favor of Post and the Slaton editor said it was a mere 27-10.

Mrs. Parker And Mrs. Green Win News Tip Money

Last week's \$2.50 first prize in the Post Dispatch News Tip Contest went to Mrs. J. E. Parker, who was the first to call attention to the places won by this newspaper in the state contest. The item, of course, would not have been overlooked, but it was interesting that a person outside the profession was the first to inform the Post Dispatch of its good luck.

Second prize of \$1.00 went to Mrs. Roy Green of San Saba for calling attention to the San Angelo Standard's brief history of Garza County.

The contest is still on.

Two Draw

Two bits of Page 1 news: A few of the . . . chaperoned by . . . Sr. enjoyed a . . . Draw Lake. They . . . Verberna Over . . . Corine Flood. . . Messrs. N. N. Rod . . . Jones, H. B. Close . . . Hume entertained a . . . of high school stu . . . Fletcher, Miss Mae . . . Rex Brant. . . ed people spent a . . . y pleasantly at the . . . under the directio . . .

From where I sit... by Joe Marsh

Now I'm Going Back To High School!

learning new things is one of my favorite hobbies.

From where I sit, it's willingness to learn from the other person that makes Americans tolerant towards so many different viewpoints and tastes in things. Just because Buzz Ellis goes for chocolate malteds, while I prefer a mellow glass of beer, doesn't mean I'm right and he's wrong. Incidentally, next week I'm going to talk on how to run a newspaper.

Joe Marsh

Public Programs

(Continued From Front Page)
 Although this program is not yet definitely outlined, some of the boys have been paired as follows for rehearsal bouts:
 Andy Schmidt and Royce Anthony; John Schmidt and Daryl Bruton; Robert Carlton and Bobby Cowley; Billy Graham and Billy Morris; Butch Ticer and Dewayne Odom; Robert Strange and Ray Turner; Jimmy Brown and Jeton Denson; Billy Jones and Ray Charles Garner; W. H. Carlton and Jackie Odom, and Kenny Poole and Carroll Cowley.
 Members joining the club during the past week were Billy Jones, Bobby and Carroll Cowley and Alvin Spinks.
 A part of each afternoon's program is devoted to calisthenics. The exercises are lead alternately by John Schmidt, Royce Anthony, J. C. Shedd and Jerrill Howard.

Main Street

(Continued From Front Page)
 Maggie's Beauty Shop. You are advised to make appointments early.
 While day dreaming at home these lazy days, give Mason and Company's ad a good study. You can now start your styled-in-steel American kitchen for a very small sum. Free kitchen plans are offered to each person who is interested.

On display at Post Truck and Tractor Company you will find new models of International refrigerators. Study the firm's ad for three outstanding features.

New low prices on Frigidaires are announced by McCrary Appliance Company this week.
 New low prices have also been announced for the Crosley "Shelvardor" you'll see on display at Lanotte's.

While improving the house is on your mind, we would suggest that if your floors need a going over to give them that new look, Ben Owen is just the boy to help you out. Floor finishing, linoleum work, cove base and wall work are a specialty.

Space is running low, but go by and see the records at bargain prices you'll find at Norris Radio Shop. Enjoy a musical 4th.

Rodeo Performers

(Continued From Front Page)
 Nat Fleming of Wichita Falls has been engaged as announcer for the junior rodeo and Dale Winders of Earth and his mule, Poncho, have been engaged for clown acts. Negotiations are under way for other special entertainment, about which announcements will be made as the arrangements are completed.

Both prospective contestants and business firms and organizations desiring to give special awards are writing for information from all parts of the Southwest, according to Alvin Davis, junior rodeo manager.

Interest Is Great
 Among those who have said definitely they will enter the contests is Betty Smith of Abilene, 17-year-old girl who won last year's Cowgirl Sponsor Contest at the Texas Cowboys Reunion in Stamford and who rode at Madison Square Garden three years ago. Entry blanks are being sent this week to known junior cowgirls and junior cowboys of the Southwest.

The junior association is making an effort to contact prospective contestants from the 48 states in the National Championship High School Rodeo to be held in Hallettsville, the week after the rodeo here, to invite them to start from home in time to participate in the local rodeo, which is advertised as "The World's Original All-Junior Rodeo."

Information On Bug Control Available Through Mr. Herron

Lewis Herron, Garza County agricultural agent, recently wrote for detailed information from the Texas A. and M. College Extension Service on the control of all types of insects which might prevail in this area and damage crops.

The information arrived this week and was distributed to members of the Garza County GI Vocational Agriculture Classes. Copies of the information will be available from Mr. Herron by others who request it.

The information lists 65 different crop insects, tells what crops they infest, by what process they destroy the crops, how each insect looks and how each can be controlled.

The Post Dispatch has a copy of the information on file.

Spraying Of Alleys

(Continued From Front Page)
 who commended the various city commissions and chambers of commerce over the state who have had the alleys of their respective cities sprayed this year and last. He warned that it does little good to spray the alleys unless property owners do their part by spraying their own premises.

"A residual spray," the health officer explained, "remains active until the DDT washes off or is covered with grease, dirt or soot. This usually lasts four to six weeks. After that, a second spray is recommended."

Texas State Health Department figures, as of June 18, showed 370 cases of polio in 89 Texas counties, as compared to 502 cases in 59 counties for the same period last year.

The U. S. Public Health Service says September is the peak month for polio. It is a known fact that flies are carriers of the polio virus, state and national public health authorities announced last year.

The Lubbock Sunday Avalanche-Journal, in reporting the new cases of polio in various Texas cities, announced that to date Lubbock had escaped the disease and credited this good fortune to "an extensive cleanup campaign" throughout the city.

R. H. Tate, city water and sewer superintendent, has a good suggestion for applying DDT "where it will do the most good." He said paint the window and door screens and all light cords with DDT. This prevents the waste of crystals that happens in spraying the screens.

Mr. and Mrs. Dale Stone and son, Darrell, and Mrs. Stone's parents, Mr. and Mrs. J. T. Peddy, will spend the Fourth in Big Spring visiting Mr. and Mrs. Adrian Porter and Mrs. Mary Hudman.

Mrs. J. E. Schmidt of Houston is visiting her son, H. W. Schmidt, and family.

Special events are being planned for the visiting Cowgirl Sponsors. These will include a supper and presentation dance. Competition in all the junior rodeo events is open to girls as well as boys.

Stock for the show will be furnished by Goat Mayo of Petrolia.

Tints and discolorations caused by overheating stainless steel can be removed by scouring with household cleansers.

"I HAVE NOT been feeling up to par for quite some time. My family and friends tell me I look tired . . . seem nervous, upset. Well, I am. They all say I should see my physician. WHY MUST I? Why can't I just pick up a tonic of some sort or other at the drug store. See my physician? WHY MUST I?"

There are a lot of good reasons why you should see your physician regularly. In fact, every member of your family should go in for a check-up at least once every year.

Although we are in the drug business, and sell a good many of the popular tonics available on the open market, we recommend such tonics only for conditions that are clearly temporary in nature, and not connected with any possible organic source.

When you have symptoms that are long-standing, or even of short duration, but severe in their actions, you should see your physician at once. Should there be any disorder present, his diagnosis will quickly show it, and he will issue you a prescription to restore you to normal health. If there is no dangerous condition present, your physician will relieve your anxiety, and may suggest one of our popular packaged medicines to alleviate a temporary condition.

If he gives you a prescription, we will fill it in accordance with his instructions.

Children Should Be Schick-Tested For Diphtheria Safety

With 14 reported cases of diphtheria within recent weeks, and a total of 397 cases reported in the first 19 weeks of this year, Dr. Geo. W. Cox of Austin, state health officer, is urging Texas parents to have their immunized children Schick tested to determine immunity, and if inoculation is necessary, to have it done immediately.

"There is a widespread belief that once immunity is established, it lasts forever," the state health officer said. "This is not always true. In some cases it diminishes and finally dies out, and reinoculation is necessary in order to protect the child."

"Every child who will enter school next term should be inoculated or Schick tested now, because it takes from three to nine months for immunity to be completely established after the injection is administered."

As long as cases of diphtheria occur, a child is in danger unless protected by immunization. The germs throw off a powerful poison which goes all through the body. It is particularly harmful to the heart, blood vessels, nerves and kidneys, and serious complications often accompany the disease. Some of the more dangerous complications are broncho-pneumonia, to which the patient is particularly susceptible; paralysis, which may last for days or for as long as 3 or 4 months; or permanent injury to heart, nerves or kidneys.

NOTICE TO BIDDERS

Notice is hereby given that on July 8, 1949 between the hours of 10 a.m. and 2 p.m. at the Post Wrecking Yard, in Post, Garza County, Texas, I will sell to the highest bidder one 1940 Model Mercury, Fordor, Maroon, Motor Number 170280, 1948 license number BM 372 to pay mechanics lien for repairing same for the sum of \$133.95; possession of such automobile having been retained by me for more than sixty days and all notices required by law having been given.

Mr. and Mrs. R. E. Cox and Mr. and Mrs. Robert Cox and daughter visited Tuesday evening in Lubbock in the home of Mr. and Mrs. Jess Hendrix.

Rye Harvest Gives Seed For New Crop

Harvesting of rye seed over the Duck Creek soil conservation district by cooperators continues this week. E. O. Merrill at Southland said he planned to start cutting his 100 acres this week. Bill Norman at Barnum Springs has finished. District Supervisor C. P. Witt at Kalgray had started combining his 50 acres last week.

J. W. McQuien's rye at Verbena will soon be ready. In one of McQuien's fields of vetch and rye mixture, the vetch has continued to improve. It looks like the vetch will produce enough seed for a volunteer stand next fall, he says.

Rye is a high organic producing crop. When the straw is left on the land it protects the soil from erosion and improves the soil fertility, technicians have found.

Mr. and Mrs. A. C. Chapman of Bardwell; C. T. Moore of Ennis; and Mrs. J. B. Overall and daughter of Snyder were guests in the home of Mr. and Mrs. R. H. Collier on Friday.

BITS OF NEWS

Mr. and Mrs. Robert Cox and daughter are leaving today for a visit in Menard and San Saba until Tuesday.

Wynne Collier of Tahoka has been helping out in the Collier Drug Store here this week, because of the illness of the manager and his brother, Bob Collier.

Melba Miller is leaving today to spend the weekend in Amarillo with Lois Nance and Myra Wagoner and to attend the rodeo there this weekend.

Weekend visitors in the R. H. Collier home were Mrs. A. A. Walker and her daughter, Mrs. E. H. Cutter, of Tahoka.

Mr. and Mrs. R. E. Cox have a new Plymouth.

Mrs. Ira Farmer is convalescing satisfactorily after minor surgery in Slaton Mercy Hospital on Wednesday of last week.

Mr. and Mrs. T. D. Scott and daughter, Tommie Lou and Donna June Nall of Seminole returned Saturday from a vacation in New Mexico, Colorado, Kansas and Missouri. They also visited Mrs. Scott's relatives in Beecher City, Ill., before returning home.

Spring Plantings Of Grass Growing One Foot In Height

Grass plantings made this spring have made a good growth. On Mrs. B. K. Bird's ranch at Verbena, weeping lovegrass averages a foot or more in height. Some of the grasses from Russell Wilk's native grass planting near Grassbur is 6 inches high. Native grasses growing in his planting are sideoats grama, switch grass and little bluestem, according to a report from the Duck Creek District Soil Conservation office.

Weeping Lovegrass Seeds

Last year's lovegrass plants are making an exceptionally heavy seed crop. Wherever there are lovegrass plants that are going into their second year, they are loaded down with seed. Rex and Ralph Welch, Duck Creek soil conservation cooperators whose farm is near Grassbur probably could harvest 30 or 40 pounds of seed.

Know Your Grass

Grass is the Duck Creek soil conservation district's greatest crop. The district's greatest grasses are sideoats grama and blue grama, which are both making seed now. Sideoats grama is easily told by its oats like head with seed attached all on one side up the seed stem. Blue grama with its flag-like seed heads are seen on well managed mixed lands in large areas. Both sideoats and blue grama are high in grazing value. When properly used they prevent soil erosion and keep soil open so water will be soaked up faster, technicians report.

DIVERSION TERRACE

A 610-foot diversion terrace was built this week on the T. E. Greenfield farm north of Post. The purpose of this terrace is to carry run-off water from a hillside and put it in his stock tank.

Mrs. Irene Rodgers left Monday to spend a few days visiting in Albany.

Former Post Residents Are Doing Well In Many Places

Former Post residents are scattered everywhere. There is possibly one in every state in the Union. This is the third in a series of Post Dispatch articles telling where some of them are, what they are doing and how many children they have by now. The series will continue as long as information is available.

Of the five sons and one daughter of Mr. and Mrs. S. W. McCrary, one, a son, Homer, remains in Post. He is one of the city's most hard-working civic leaders, being fire chief, secretary of the Post Stampede and Rodeo Association and a leading merchant and plumber. He owns and operates the McCrary Appliance Company and is married to a member of a pioneer Post family, the former Beatrice Kirken-doll. They have a son, who attends college during the winter months at Coffeyville, Kans.

The oldest McCrary, Efford, and wife, the former Eula Dean, daughter of Mrs. R. Justice, live in Inglewood, Calif. They left here 10 years ago. Efford is a night watchman for a construction company.

Employed by Santa Fe
His brother, Leroy, and wife, the former Evelyn Richardson, daughter of Mr. and Mrs. Lacy Richardson, live in Amarillo where he is employed by the Santa Fe. They have been gone nine years, and they have three sons, Bill, Lanny and S. L., Jr.

Pete McCrary and his wife, the former Christine Payne of Post, live in Upland, Calif., where they own a home and he works as a building contractor. They have a son, Charles.

The former Alice McCrary is Mrs. R. C. Stoner of Ontario, Calif., where her husband is a mail clerk. She has two children, Jack and Janie Shepherd.

The youngest McCrary, William Scott, who is better known as Snooky, lives in Dallas. He and his wife, the former Frances Bailey of Post, have two children, Cynthia Ann and Scotty. Snooky is a bookkeeper for an oil supply company. The Dallas branch of the family is expected to visit here in the near future.

The Roberts Family
Here is up-to-date information on the five children of D. C. Roberts:

Mrs. Vada Roberts Gollehon and her husband, Gene Gollehon, former Garza and Lynn county residents, live near House, N. M., where they are engaged in farming. They have two sons.

Lloyd Roberts is in the undertaking business in Muleshoe. He and his wife, the former Guinita Percella of Carlsbad, N. M., have two daughters.

Eldon Roberts is in the Co-Op Grocery and Grain business in House, N. M. He and his wife, the former Eva Lee Teaff, have four daughters.

Mrs. Anne Pearl Roberts Adams and husband, Lester Adams, formerly of Tahoka, live in Bryan. Mr. Adams teaches in the G.I. School at Texas A&M College. They have a son.

The only remaining Roberts, D. C., Jr., lives in Post, where he is employed by the Plains Lumber Co. His wife is the former Wylene Moss of Close City and Levelland.

Mrs. Shepherd's Family
Of the 11 children of Mrs. W. J. Shepherd, only four are living elsewhere.

J. B. (Jay) Shepherd and his wife, the former Miss Haydelline Rogers, and their three children are in Los Angeles, Calif., where Jay is employed by an aircraft plant.

The former Joy Shepherd, and her husband, Glen Day, son of Mr. and Mrs. G. R. Day, are in Floydada where they own and operate a cleaning plant.

Mrs. Smith Lawson, the former Miss Bernice Shepherd, and her husband, son of Mrs. A. A. Lawson of Grassland, and their two daughters live in San Leandro, Calif.

Calif. Smith is a salesman for a cooking ware company.

The former Dixie Shepherd, and her husband, Wilton Payne, live in Tahoka where he is employed by the REA.

The Garza Shepherd residents are Gertrude Ward, Rebecca Babb, Louzelle Chandier, Verna Hester and Bruce, Otis and Mack Shepherd.

The Morris Family
Mr. and Mrs. W. C. W. Morris of the Graham community have seven children, four of whom live here. They are Chester, Wilburn and Harlan, who are Garza farmers, and Mrs. R. B. Dodson.

Alvin Morris is in Carrizo Springs where he is engaged in truck farming.

Mrs. Juanita Downs and her husband, Jimmy, and their four children live in Oklahoma City, Okla., where Jimmy is an electrician.

Leonard Morris and wife, the former Virgie Mae Kuykendall, daughter of Mr. and Mrs. Kuykendall of Route 1, and their two children live in Slaton. Leonard is a truck driver for a general trucking company.

The Dodson Family
Mrs. Lee Dodson has five children, two of whom married Rogers boys, who are cousins. The former Miss Glenn Dodson and her husband, John Rogers, and their six children live here and John works in the oil field. The other Mrs. Rogers, the former Miss Daisy Dodson, and her husband, Frank, live in Lubbock where he is employed by Adkinson Refrigeration Co. They have three children.

Weldon Dodson, his wife, the former Frances Moon, and their two children are in Levelland where he is employed by an oil company.

The former Miss Tommie Lee Dodson, her husband, J. W. Pettigrew, son of Mr. and Mrs. Elmer Pettigrew of Justiceburg, and their child live in Slaton. J. W. is an engineer for the Santa Fe company.

R. B. Dodson, owner of Dodson's Jewelry, is also a son of Mrs. Lee Dodson.

In California
Only one of three children of the Rev. D. W. Reed of the Garnolia community lives elsewhere. He is Roy who, with his wife, the former Eureka Gollehon, and their five daughters and one son, is in Los Angeles, Calif. Mrs. Reed is a daughter of Mr. and Mrs. Lewis Gollehon, former Post residents who now live in Los Angeles.

Roy's oldest daughter, Margaret, is married. Her husband, Vern Jacobson, is employed by a gas company and Margaret is secretary of the chamber of commerce at Whittier, near Los Angeles.

Roy was employed for several years until recently by the Phelps-Dodge Tubing Co. His sister, Mrs. Loyd Edwards, lives in Post and his brother, David, is a Garnolia farmer.

Justiceburg News

Please Send News Not Later Than MONDAY to
MRS. GEORGE EVANS
Justiceburg Correspondent

Several farmers are reporting blooms and bolls on their cotton and some of the farmers have roasting ears.

Seven Methods Of Conserving Fuel On Farm Listed

Right on the farm is the place for fuel conservation to begin. And the farm tractor is the first machine on the farm to begin it with.

Tractor owners in Texas own nearly 215,000 tractors, and from this number, it's estimated that 21 million gallons—just a hundred gallons a tractor—is wasted every year. That's just in Texas alone.

W. L. Ulch, extension agricultural engineer of Texas A&M College, says there are at least seven good ways to save gasoline in order to cut down on the large amount wasted.

Here they are:

1. Don't let the motor idle when the tractor is not in use. Cut off the engine when hooking up equipment.
2. Look ahead. Figure out about how much you'll need and when you'll need it. Then tell the tank wagon salesman well in advance.
3. Prepare all the farm storage possible ahead of time, and see that all drums are in good repair. If you need more storage, get the new drums ready before hand.
4. Make one trip to town do for many. Keep on hand a supply of spark plugs, fan belts, tools, gaskets and other day-to-day tractor repair parts.
5. Haul full loads whenever possible.
6. Tune up the engine during slack periods when it isn't needed in the field. And don't forget to adjust the carburetor.
7. Put your equipment in the field in the best possible condition. By doing so you'll prevent costly breakdowns when in use.

Letters From The Readers

Irish Potatoes To Be Available For Livestock Feeding

Mike Custer, secretary of the Garza County ACA committee has received an announcement from Commodity Credit Corporation that Irish potatoes for livestock feed will be available to farm and ranch operators. Mr. Custer stated that the applications for these potatoes may be made at the Garza County ACA office any time from now until CCC announces that the supply is exhausted.

Mr. and Mrs. Maines Kinman attended funeral services for a brother-in-law in San Antonio Monday.

"A Complete \$150.00 Burial Policy For As Little As 15c A Month"

MASON'S BURIAL ASSOCIATION
"Your Association For Your Service"
Mason & Co.

Dear Ed:
This is to express appreciation for the nice things said about me in last week's Garza and the World column and to say that I deserve very little of the credit. The bouquets should go to Commissioners Glenn Kahler and Vachel Anderson and to Henry Tate and Sherrill Boyd and the girls in the office, who catch and take care of most of the complaints and do most of the mayor's work.

I was glad that the column called attention to the fact that the city can do only so much with the amount of income that it has. In this regard, I was interested in a Letter to the Editor of the same issue in which a reader expressed a desire for more paving.

The only way that we can have more paving is to vote bonds for them, as the city cannot do any paving with its present income.

Sincerely,
John T. Herd,
Mayor.

Mrs. Morris Huff and Mrs. Benny Huff and son, Jackie, spent the weekend in Estelline visiting their husbands and father, who are employed there by an oil company.

Mr. and Mrs. C. M. Murphy spent the weekend in Big Spring.

Bits Of News Picked Up Over Town

J. A. Propst has a new Chevrolet pickup.

Mrs. Nellie K. Babb who has been visiting the past three weeks in Phoenix, Ariz., is expected to arrive home this weekend. She will be accompanied by her nephew and family, Mr. and Mrs. Allen Tucker and daughter of Los Angeles, Calif.

Mr. and Mrs. S. C. Storie spent Sunday in Lubbock with their son-in-law and daughter, Mr. and Mrs. W. T. Savage, and family.

Mr. and Mrs. Delmo Gossett and daughter, Earlayne, spent Sunday in Lubbock visiting in the home of Mr. and Mrs. James Hill and daughter, Linda.

Mr. and Mrs. Howard Adams and son, Mike, left Friday for their home in Corsicana after a visit here in the home of Mrs. Adams' parents, Mr. and Mrs. Elgie Stewart.

Mrs. Alex Webb, who was a patient in the Mercy Hospital in Slaton last week, returned home Sunday.

Otto Jones, who was injured recently when hit by an automobile, was taken to a Lubbock hospital by a Hudman Funeral Home ambulance Monday for a medical check up.

Mrs. T. R. Greenfield, accompanied by her husband, left yesterday for Temple to undergo medical treatment.

Capt. E. J. Robinson, a U. S. Marine Corps pilot stationed at Cherry Point, N. C., is spending a three weeks vacation at the home of his mother, Mrs. E. J. Robinson. His wife, the former Maxine Mullican, is visiting relatives at Crisp.

Mr. and Mrs. Ray N. Smith left Friday to spend several days in Temple, where Mrs. Smith was to have a physical check-up at Scott and White Hospital.

Matt Stelzer, Gerald Stelzer and Maurice Stelzer returned Wednesday night of last week from a three-day fishing trip to Lake Texhoma. They brought home 160 lb. of catfish and drum.

Mrs. Olin Harper of Sherman has been visiting her parents, Mr. and Mrs. Loyd Edwards, and family.

Gene Young, son of Dr. and Mrs. B. E. Young, returned Saturday from Graham, Texas, where he visited Barry Watson, son of Mrs. Mattie Lee Watson, and took swimming lessons.

Mrs. Lillie Penn of Fort Worth will arrive here Monday for a visit in the home of her sister, Mrs. J. M. Boren.

Sunday visitors of Mrs. J. R. Hammett and Mr. and Mrs. Jim King, in the King home, were Mrs. Sue Simons and her son-in-law and daughter, Mr. and Mrs. "Blackie" Alfrey of Los Angeles, Calif., Mr. and Mrs. Howell Hammett and daughter, Linda, of Portales, N. M., Mr. and Mrs. John Mayo of Austin and their sons and their families, Foster and family of Carlsbad, N. M., George and family of Lovington, N. M., and Boyd and family and Floyd of Lubbock, Bennie Day Hammett of Austin, Nick Nicholson, Mrs. Jessie Julian and son of Plainview and Mrs. Almata Reed of Kress.

Mrs. Lula Floyd has gone to LaMesa, Calif., to visit three months.

Mrs. R. S. Guth, sister of Bill DeWalt, has moved here from Allentown, Pa., and will live in a house which the DeWalts moved to the back of their lot and are having remodeled.

Delbert Cockrell was taken by Mason ambulance to Lubbock Sunday for a physical check-up at the West Texas Hospital. He returned Monday and is convalescing satisfactorily at his home.

M. H. Hutto, former Post resident and son-in-law of Mrs. J. A. Bird, caught his arm in oil field machinery while working near Levelland Saturday and received two fractures in his arm and torn ligaments in his shoulder. The arm was rebroken and properly set Tuesday at Levelland. Mrs. Bird went there for the operation.

Mrs. Dick Allen had minor surgery on an eyelid in Lubbock Monday.

Mr. and Mrs. Frank Lucy have moved here from Andrews and Mr. Lucy is employed by an oil company. Mrs. Lucy is a sister of T. D. Simpson.

Mrs. Robert E. Johnson of Oklahoma City has been here several weeks visiting Mr. and Mrs. T. D. Simpson and family.

Mr. and Mrs. Wayland Gollehon and sons of Raymondville visited with his father and brother, Jim and James Gollehon, and Mrs. Gollehon's brother, Bill Hughes, and family and their sister, Mrs. A. J. Howell, and family last week. They returned home Saturday.

Mr. and Mrs. Guy Floyd and daughters returned home Friday from a trip to Little Rock, Ark., Memphis, Tenn., Vicksburg, Miss., and Shreveport, La. The day they returned home they bought a new '38' Oldsmobile.

Mrs. Marie Carmichael of Crawfordville, Ind., who arrived here two weeks ago to visit her parents, Mr. and Mrs. J. J. Wells, and other relatives, left for her home last week. She was accompanied to Sweetwater, where she took the train, by her mother and brother, Clifton Wells, and her brother-in-law, Melvin Hill, and his son, John Everett. During her visit all of the children of Mr. and Mrs. J. J. Wells and their families, except the Melvin Hill family and Mr. and Mrs. Roy C. Wells of Dallas, held a Father's Day reunion at the family home in the Cross Roads community. Attending besides Mr. and Mrs. Wells, were Mrs. Carmichael, Mr. and Mrs. O. W. Smith and son of Levelland, Mrs. Wiley Johnson and son, Mr. and J. W. Wells and three children, Billie Louise, Mildred and Jimmy Wayne.

Herman Maddox of Slaton, formerly of Post, is a patient in the Veterans Hospital in Amarillo suffering from malaria fever which he contracted while with the Army in Japan. Mrs. Maddox, the former Miss Billie Williamson, is visiting here in the home of her mother, Mrs. R. T. McClellan.

Mrs. L. H. Ingram and Miss Ruth Noles have received word that their brother, Olton Noles, of Kermit, who was taken to a San Angelo hospital about three weeks ago, has returned to his home in Kermit and is recuperating satisfactorily from polio.

Mrs. Frank Pennington was taken to Lubbock Memorial Hospital Saturday by a Hudman ambulance.

Harold Childs won day money in the Bareback Bronc riding contest last weekend at the Brownfield Rodeo.

Mr. and Mrs. N. C. Outlaw and daughters, Alma and Zora Anne, visited Sunday in Snyder in the home of Mr. and Mrs. Wraymond Sims.

Thousand Deaths Or Injuries Are 4th Prediction

The Fourth of July celebration will bring death or injury to a thousand Texans.

Nine hundred will be hurt in traffic accidents during the long weekend from Saturday through Monday. Twenty-seven will be killed in auto accidents. A dozen will be drowned. Twenty-five will die as suicides or murder victims. Fifteen more will die in plane crashes, fires, and other accidents. That's a total of 79 violent deaths.

These predictions were announced today by Charles A. Miller, president of the Texas Safety Association, following a holiday accident-prevention conference with officials of the Texas Department of Public Safety.

"Speed, more than anything else, will account for the traffic fatalities," Miller said. Emphasizing that extra caution is needed to overcome holiday hazards created by heavy traffic, Miller pointed out that speed control is the personal responsibility of each driver.

"Safe speeds," he declared, "have little if any relationship to legal speed limits. You are permitted to drive 60 miles an hour on an open highway in the daytime, but only if the road is in good condition, traffic is sparse, weather clear, driver and car in good condition, and so on. When a hazard occurs, the smart driver compensates for it. The stupid driver doesn't."

Since traffic law violations will be involved in virtually all of the fatal accidents occurring during the holiday period, Miller said, the Texas Highway Patrol and local traffic officers are expected to be out in full force in an effort to hold down on accidents with strict enforcement.

Mr. and Mrs. Cecil Propst spent last week in Arlington.

NO LOOSE ENDS LEFT....

... When our Mechanics get through, you hear sections of your car rattling while you drive, head for our place and we will tighten up the parts in quick time. For all kinds of auto repairs, handled promptly and at the lowest prices, make this your car fix-it headquarters.
