## Pfc. Doil G. Jones To Be Reburied Here On Sunday

Reburial services for Pfc. Doil G. Jones, son of Mr. and Mrs. C. C. Jones of Route 3, who was killed April 21, 1945, on Luzon, will be held in the Church of the Nazarene at 3 p.m. Sunday.

The Rev. A. F. Duke of Hillsboro will officiate, assisted by the Rev. John R. Ferguson of Atlanta, Tex., the Rev. D. W. Reed, and the Rev. S. R. Brannon of Grassland. Music will be under the direction of Choir Leader M. C. Richey and Mrs. Bernice Gribble, pianist. A women's quartette will sing two songs.

The body of Private Jones will arrive here Saturday morning from the Fort Worth Distribution Center of the American Graves Registration Service.

He was born October 27, 1923, in Lynn County, and had attended Grassland and Tahoka schools. He was a 1941 graduate of Tahoka High School. He entered the service, July 10, 1944, at Fort Sill, Okla., trained at Camp Wolters, Mineral Wells, and Fort Ord, Calif. He went overseas December 12, 1944, and was with Company B, 126th Infantry Regiment of the 32nd Infantry Division.

On April 25, 1942, Private Jones was married to the former Miss Odie Lee West and to this union was born a son.

Survivors, in addition to the 6-year-old son, Joby Doll, who lives with his mother, Mrs. J. C. Claborn in McLean, and his parents, are two brothers, Carl Jones of Route 2, and Marion ("Son") Jones of Slaton, and a sister, Mrs. Ray Norman of Post.

Military graveside rites will be conducted in Terrace Cemetery under the direction of Mason and Co., by the Post and Tahoka American Legion and Veterans of Foreign Wars Organizations.

Flower girls, under the direction of Mrs. Luther Thomas and Mrs. Earl Gregg, will be Elsie West, Betty Sue Norman, Dorothy Dean Jones, Mrs. W. A. King, Juanita Gregg, Barbara Jean Bullock, JoAnn Cooper, Mrs. Sammie West, Wanda Jean Norman and Mrs. Vernon Clem.

Active pallbearers will be Glen

(Continued On Back Page Col. 1)

## Robert H. Gibson To Be Farm Agent In Floyd County

Robert H. Gibson, who has served as Garza County agricultural agent the past year, will leave March 1 for Floydada to begin his duties as Floyd County agent. He has already found a place there for his family to live, he told the Post Dispatch this week.

His successor here had not been named by press time.

Gibson, who was the local Tripple A officer and later an instructor in the Garza County GI Vocational Agriculture School, said that he had thoroughly enjoyed all of his work here and that the only reason he is leaving is because the new job offers an unusual advancement in his work.

## Time Changed On Train Schedules

J. A. Stallings, Santa Fe agent, announced yesterday that the following changes in train schedules will go into effect here Sunday.

Train No. 94 to Lubbock will leave here at 6:30 a.m.; Train No. 92 to California will leave here at 7:24 a.m.; Train No. 91, from California to Sweetwater and Houston, will leave here at 7:20 p.m.

The only train schedule not changed is that of Train No. 95 to Sweetwater, which will continue to leave here at 9:56 p.m.

## There's No End To Interesting Yarns Of Garza Residents, Such As J. B. Hudman's

### Little Beaver To Ride Post Horse In Several Films

Brown Jug Reynolds borrowed a horse from Post to ride in the four or five Roy Rogers movies in which he will play the part of Little Beaver.

The horse, "Paint," belongs to Billy Charles (Butch) Wilson, 8-year-old son of Mr. and Mrs. C. R. Wilson. While Paint is a way, Butch is riding a Palomino horse which has performed at Madison Square Garden. The horse belongs to Butch's uncle, Charles Hipp of Graham, who gave Paint to Butch.

The Wilsons and Hipp have known Brown Jug all his life. It was Hipp who trained the young movie star in horsemanship. The boy and his pony appeared here, as a guest of the Post Stampede and Rodeo in 1941 and 1942. He performed also at this year's Fat Stock Show in Fort Worth.

### Greenfield Sells Enough Bolts For Globe At Equator

During 33 years as a hardware merchant in Post, T. R. Greenfield figures he has sold enough cotton choppin' hoes to supply two to every man, woman and child in Garza County and enough bolts to put one every mile around the earth at the equator.

Greenfield, who opened the hardware store here on February 22, 1916, will quietly observe George Washington's Birthday, 1949, by trying to keep serving his many steady customers for another 33 years.

### Mrs. O. Nelson Is Death Victim

Funeral services for Mrs. Oscar Nelson, former Garza County resident who died Tuesday morning from a long illness at her home in Lubbock, were held Wednesday afternoon in the Shepherd King American Lutheran Church in Lubbock. The Rev. David V. Sieberg, pastor, officiated. Burial was in the Lubbock Memorial Park.

Survivors include the husband; three daughters, Mildred, Doris and Virginia, all of Lubbock; her mother, Mrs. T. W. Grimland of Clifton; four sisters, and a brother.

Palmer Nelson, her brother-in-law who lives here, attended the funeral.

The Oscar Nelsons formerly lived on the Bryan Williams place. They have been living in Lubbock three years.

### H. O. Bradley Home Damaged By Fire

The home and furnishings of the H. O. Bradley family in South Post were partially destroyed by fire Tuesday afternoon. It had not been determined by press time whether the flames originated from the gas heater or in a mattress on the bed.

The fire was extinguished by the Post Volunteer Fire Department.

### Forty-Nine Vote On School Tax Question

Forty-nine persons voter Tuesday in the election on the question of spreading the \$1 local school tax to cover the new territory taken in by the recent consolidation.

The election carried by 47 votes.

It looks like the Post Dispatch has started something it can't stop.

There's no end to the people who have interesting reasons for moving to Post and the older the person questioned, the more interesting is the story that he tells.

Take J. B. Hudman, for instance.

Hudman came here as a sort of compromise with his family. They were living on a farm in Lynn County in 1921 when Mr. Hudman "popped off too fast and a feller bought me out." He took in a farm at Merkel, but the family didn't want to move there. They had to go some place, so they compromised and bought a farm here.

Hudman went to Lynn County in 1915 from Terry County where he had owned a farm only a few months. Before that he lived in Palo Pinto County, but he was born in Kaufman County. He moved to Rannels County when he was four years old, in 1876. His father, Phineas Watkins Hudman, also was a native Texan.

It took a lot of pumping to get

(Continued On Back Page Col. 2)

### Rotary's 44th Year Will Be Observed By Club Tuesday

J. A. Stallings will be in charge of a program in observance of the 44th anniversary of Rotary International at the Tuesday noon meeting of the Post Rotary Club in the City Hall.

The international organization, which is active in 6,700 cities of 80 countries of the world, was founded in Chicago on February 23, 1905.

The Post Club was organized 20 years later, and T. R. Greenfield served as the first president. Other charter members still active in the club are Tom Boucher, Dr. D. C. Williams, J. E. Parker and Ira Lee Duckworth.

It has been the aim of the Post Rotary Club to conform with the same objectives on which the international Rotary program is based—the development of fellowship among business and professional men, the betterment of communities, the promotion of high standards in businesses and professions, and the advancement of international understanding, good will and peace.

According to the Post Dispatch editor, who is a Rotarian, the one basic objective of Rotary is the ideal of Service—which is to be thoughtful of and helpful to others. To obtain this objective, Rotary seeks all that which brings people together and avoids all which separates them. That is the reason for Rotary's acceptance by men of practically all nationalities and political and religious beliefs.

### Bridge Sought On Highway To Rails

County Judge J. Lee Bowen and the County Commissioners met with Crosby County officials and State Highway authorities in Lubbock yesterday afternoon in the interest of getting the Highway Department to build a bridge over the Yellowhouse River on the Rails highway in the near future.

Both Crosby and Garza County officials indicated their intentions of completing the unfinished link in the highway as soon as possible after the bridge is built.

The officials will have to attend a hearing in Austin before they learn definitely whether or not the State Highway Department will build the bridge.

### John I. Harvin Dies In Slaton Of Short Illness

Funeral services for John Ingram Harvin, a retired farmer and a resident of the Pleasant Valley Community, were conducted in the First Baptist Church at Southland at 2:30 o'clock Monday afternoon. The Rev. M. O. Rowe of Abilene, who officiated, was assisted by the Rev. P. D. Fullingim of Southland. Burial was in the Southland Cemetery under the direction of Hudman Funeral Home.

Mr. Harvin was born March 13, 1864, in South Carolina. He came to Garza County in 1921 from Petroleum. He died in Slaton Mercy Hospital Saturday morning after a week's illness. He was a member of the Baptist Church.

Survivors include a daughter, Mrs. Irene Harrison of Post; a son, Bennie Harvin of Dallas; a brother, H. J. Harvin of Corsicana; six stepdaughters, Mrs. Nadine Owens of Jal, N. M., Mrs. Ethel Bailey of Newcastle, Mrs. Bessie Rasey and Mrs. Fay Bagby of Westchester, Pa., Mrs. Ruby Roderick of Cozan, Calif., and Mrs. Pearl Robinson of Post.

Pallbearers were John Fleming, Elmer Howard, Will Kuykendall, Hardy Smith, Howton Hairre and Earl Lancaster.

### March Of Dimes Quota Not Met In County Yet

The March of Dimes Campaign in Garza County to date is more than \$200 short of the assigned quota, but small contributions still were dribbling in by press time, the county campaign chairman, Judge J. Lee Bowen, has announced.

A total of \$970.14 toward the \$1200 quota had been deposited at the First National Bank yesterday, Judge Bowen said. "I believe," he said, "that surely we will collect at least \$30 more dollars by next week so that we can report \$1,000."

### Sister Of Local Resident Claimed

Mrs. A. Stone received word yesterday that her sister, Mrs. William Kabalaskie, died at her home in San Diego, Calif., that morning and that the funeral services will be held in San Diego at 3 p.m. Saturday. Mrs. Kabalaskie has visited here on several occasions.

### Look Who's New

Mr. and Mrs. James Patty of Fort Worth formerly of Post, are announcing the arrival of a 6 lb., 6 oz. daughter, named Bobbie Rea.

A son was born to Mr. and Mrs. Wayne Hallman of Lubbock Saturday in the West Texas Hospital there. The baby, who weighed 6 lb., 10 1/2 oz., is a grandson of Mr. and Mrs. Hansel Hallman of Southland.

Mr. and Mrs. Claude Weatherbee of Hereford are announcing the arrival of a son in the Hereford Hospital on February 12. He weighed 8 lb., 4 oz., and was named Tommy Claude. Mrs. Weatherbee is the former Frances Terry, daughter of Mr. and Mrs. C. W. Terry.

Mr. and Mrs. Leon Simpson of Hereford are announcing the birth of a son, Stephen Leon, February 7. The baby is a grandson of Mr. and Mrs. Frank Simpson.

## Timing Of Rain Means More Than How Much Falls

Elsewhere in today's issue is a most interesting four-column chart showing what is possibly the only complete month-by-month record of rainfall in a 41-year period in all of West Texas. It has been kept by the Double U. Company, which has measured the rainfall in Post consistently since the town was founded.

The most rainfall to be recorded in any single year was the 43.20 inches which fell here in 1941, and the most to be recorded in any single month was the 11.84 inches which fell in September, 1936.

The least annual rainfall recorded was the 10.68 inches of each year, 1910 and 1917.

The chart covers a period of 481 months. In 55 of these months, no rain at all fell here. The rainiest years were those in which at least a trace was recorded in every month. These were:

1914, 33.17 inches; 1915, 28.02 inches; 1923, 30.38 inches; 1931, 19.60 inches; 1940, 15.71 inches; 1941, 43.29 inches, and 1946, 17.96 inches.

Proof that it's not so much how much rain falls as when it falls is in the fact that 1947 was one of the best crop years in the history of Garza County. The total rainfall for the year was only 14.76 inches, as compared with 20.43 inches which is average for this county.

The last biggest rain before 1947 was the 3.74 inches which fell approximately in October, 1946, right at the close of the cotton harvest. In five of the next six months, a total of 3.14 inches fell, 55 to 99 of an inch at a time, then came a real soaker, 6.51 inches in May, 1947. In June another 1.49 inches fell to cinch the crop.

## Senior Class To Stage Three-Act Play Next Month

The Senior Class of Post High School will present "Creeping Shadows," a three-act comedy-mystery early in March. The production is being prepared under direction of the class sponsors, Mrs. H. T. Carr and N. R. King.

The cast is a large one with Am Floyd and Kay Kirkpatrick in the leading roles and Alice Ruth Carr, J. G. Cash and E. O. Young in the comedy roles. Dramatic roles will be played by Faye Ruth Hamilton, Ronnie Boucher and Carter White, and Marjorie Freeman and Bob Baker will play an interesting mother and son role.

Other members of the cast are Alton Taylor, Fred Davidson, Shirley Schmidt, Joy Mason, Billy Jean Longshore, Frances Benson, Janet Stuart, Jane Preston, Lanel Brown, Bobby Wood, R. E. Josey, Carolyn Boren, Barry Ford and Jimmy Puckett.

## Masonic Roll Call Attracts Members From Long Distance

Thursday night, March 10, will be a big night for the Post Masonic Lodge. It is the occasion of the Annual Roll Call to which former members will come from hundreds of miles.

One of the former Post residents hoping to attend is Iven Stoker, who tried to telephone the secretary, C. B. Everett, from his home last Friday to inquire as to the date. Unable to contact the secretary, he received the desired information from Everett's son, Rex.

### BAND MOTHERS

The Band Mothers will meet in regular session at 7:30 o'clock Monday night in the band room.

## Trenchdigger Covers 2,408 Feet To Date

The giant Trenchdigger which is digging the line for the city's sewer extension project was working in Block 139, south of the high school building, by press time and had dug approximately 2,400 feet of ditch since the project was begun. The digging was at a depth of about nine feet.

R. H. Tate, city water, sewer and street engineer, is now asking all prospective users of the new sewer line to help expedite the project by supplying to his office, as soon as possible, information regarding their lot and block numbers and the depth of the lines from their properties to the proposed sewer line.

The engineer should have this information at least a week before the Trenchdigger reaches each prospective customer's property, so that the proper elevation can be set for the digging.

### Moves To City Hall

Tate and all members of the water department personnel have moved from the building formerly occupied by the Community Public Service Company to the City Hall, which has been arranged for the changeover. All water and sewer business, as well as all other business pertaining to city affairs, will now be transacted in the City Hall. The old water company building will be used by the city for storage of city trucks, tractors and other equipment.

All questions pertaining to the expense or other problems involved in tying onto the new sewer line will be answered by Tate or members of his staff in the City Hall, and an effort will be made to contact all prospective sewer users before the line reaches their property.

Arrangements have been made for the contractor to run the sewer service out to the individual property lines, and the consumer can get connected for a \$5 fee.

### Can Save \$20

Although it is not necessary for a property owner to make any arrangements for a connection until he desires it, Tate suggested that people who might like to get connected at some future date and can save as much as \$20 by having the tap put in now.

(Continued On Back Page Col. 3)

## Tech Band Director To Address Banquet For Post Band Folk

Needing \$45 to buy a dozen additional music stands for the band room, members of the Post School Band sponsored a bake sale in downtown Post Saturday and quickly raised approximately \$60. The extra \$15 will be applied toward the expense of the banquet which the band members' parents are sponsoring Tuesday night at the City Hall, beginning at 7:30 o'clock.

For the sale, the band students brought cakes, pies, doughnuts, coffee and hot chocolate and sold them from several tables set up on the sidewalks in the business area.

For the banquet, the parents have engaged D. O. Wiley, of Lubbock, Texas Technological College Band Director and Dean of Music, as main speaker. Others appearing on the program will include Dr. D. H. Templeton, who will give the invocation, and Dr. B. E. Young, who will serve as master of ceremonies and show some motion pictures of the band activities. The banquet will honor the band personnel.

## Strange Plane Said To Be Helicopter

Several people called the Post Dispatch to report having seen, on Tuesday and Wednesday, a "strange-looking" aircraft flying low over the city.

According to Fannie Gordon, resident of the Flats who saw it both days, "it had a wing on top, one in the rear and looked like something homemade."

Charles Wood, Mrs. Lorene Benson, and others who reported seeing it Wednesday said it was an army-colored helicopter. It is believed that the plane might belong to a seismograph crew working in this area.

ROGER W. BABSON WRITES THIS WEEK:

# Newspaper Is Better Investment Than Movie, Radio

Babson Park, Fla.—It is estimated that some 850,000 television sets were sold during 1948 and that double this number will be sold during 1949. Considering the fact that 15,150,000 other radio sets were sold in 1948, this does not seem a serious matter. However, the radio sets sold in 1948 are considerably less than those sold in previous years. Radio manufacturers are much disturbed as to the outlook for 1949, believing that 2,000,000 television sets will come on the market this year.

**About Television Stocks**  
Are they a good investment at this time? They may be, I do

not know. Remember, however, that most of the stable television manufacturers are also radio manufacturers. Therefore, although this growth of television may seem spectacular, yet it may only succeed in taking up the slack which these companies have lost from radio sales. In view, therefore, of the large profits which some holders of these stocks must have, it may be wise to sell half of them.

Television may break up Hollywood's monopoly of the amusement industry. Highly paid stars will be necessary for television exhibits. Hence, the income from the business will be spread over a much larger number of people. Most radio programs will need very little rehearsing and no expensive scenery.

**Will It Affect Movies?**

Television will not put the movies out of business. Here is my reason: For many years I have been very much interested in public forums; that is, groups that meet in cities Sunday nights with one or more speakers who discuss public problems. I once feared that when people could sit at home and hear more important speakers discuss these same problems by radio, they would not come to our forum meetings. Yet, people flock to these forum meetings today in greater numbers than ever.

People like an excuse to get out, away from home and a change of scenery. Movie theaters are cool in summer, warm in winter, and have comfortable seats. We instinctively like to be with groups of people. Movie receipts may fall off, yet I

doubt if the industry will be seriously handicapped.

**Books And Magazines**

From the first I forecasted that radio would not interfere with the sale of books and magazines, and my forecast has been true. I can read a book or magazine while listening to the radio, but I cannot do so while looking at a television screen. Therefore, I feel that television will be a competitor to the book and magazine publishers. The above especially applies to the new picture magazines which have become so popular.

Although newspapers are using many illustrations in order to compete with these picture magazines, I see nothing for newspapers to fear from television. Remember that newspapers have completely survived radio news

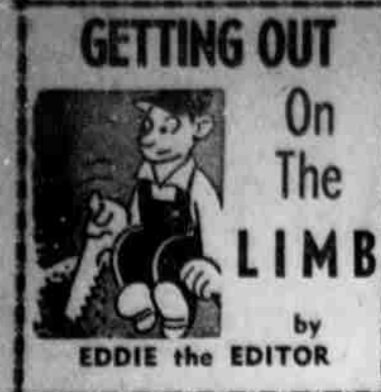

releases and columnists. It is even possible that the television sets will put many of the radio columnists and news features out of business. Therefore, television may be a help to the newspaper industry.

**Looking At The Future**

Great improvements in television are "around the corner." Moreover, someday TV sets will sell for half what they are selling for now and have very much larger screens. When I was a boy, we had only a magic lantern; then came the silent movie; then the sound movie; to be followed by the colored movie.

The next step will be the "Three Dimension Movie" which may again revolutionize the entire entertainment industry. Personally, I would rather have my

money in good newspapers in movies, radio, television or magazine publishing, especially true now with laboratories of the Tel. & Tel. are at work on things else which may all sit up and take notice. P.S. I must make a correction in my column on "Tornado" four weeks ago. I read as being in a cellar. This is true. One should get into a room if possible; but if not, then lie close to the ground. Of course, make this correction to the people who were hit by flying articles when tornadoes have been blown off the hills that were not lying on

**GETTING OUT On The LIMB**  
by EDDIE the EDITOR

For his accomplishments in sustaining and perpetuating one of the most effective Boy Scout programs in Post, we salute John Lott. He is one of the most energetic, enthusiastic and tireless workers we have ever seen, no matter what the project.

I thought we had the best Boy Scout Week in history last week, and the excellent exhibitions which the boys showed in the various store windows were proof that the Scouts are getting plenty out of their experience in the various troops and packs.

That First Aid Exhibit which Troop 11 had in Hundley's window all week startled me every time I went to the postoffice, it was so true to life. In fact, the store's mannikin that the Scouts had all bandaged up looks so much like a real person that long ago I formed a habit of speaking to it everytime I pass the store.

Promoting Boy Scouting in Post isn't an easy job, and John Lott has had plenty of headaches getting it so well organized. And he has learned the hard way that parents—once you can get them to working—made better Scout leaders than club committees appointed for the purpose.

He has finally got the parents interested, and they are really working now for the Scouting program. I don't know how John has accomplished so much in such a short time... but he did it, and, although he has had some mighty fine helpers, he did a lot of it singlehanded.

I see in a mess of free blubs that comes to my desk each week that an outfit called Hallmark Productions, Inc., of Wilmington, O., has filmed "The Lawton Story," which should be of interest to the large number of local folk who have—at some time or other—gone up to Lawton, Okla., at Easter time to see the annual pageant depicting the life of Christ.

This Easter pageant is one of the few spectacular traditions in the United States that attracts thousands of people from all over the world each year. I have often wondered why some Hollywood outfit didn't make a movie about it.

I don't know anything about the Hallmark Company and so I don't have any idea whether or not the film will be as good as the subject merits. However, it must have the okay of the Wichita Mountain Easter Sunrise Service Association, which sponsors the Easter pageant each year, because the association is taking orders for tickets to the world premiere of the picture, which is to be held in Lawton some time this spring.

The producer, incidentally, is named Kroger Babb, and he lives in Ohio. The local Babbs say their ancestors lived in Ohio before migrating to Wisconsin and on down this way, and some of them had strange first names, I'm told. So I guess Kroger could be Evelyn's and/or Gay Nellie's 50th cousin.

I see by another free blurb on my desk that the state VFW organization is mad at Beauford Jester for letting the 40 at 8, the American Legion's fun organization, handle details of the visit of the French Gratitude Train when it comes to Texas.

Of all the things to get mad at Governor Jester about, the above is the most stupid one. What does it matter who hand-

## Garza and the World

By EVELYN BOYD

I think we ought to sponsor a Boys Ranch somewhere in this area and, as of now, I am sponsoring a campaign to get one. It would be nice to have it in Garza County, but it isn't likely that a suitable location would be available here.

But surely there are a few sections of land somewhere in this vast West Texas ranch country that the owner wouldn't miss, which could be used for such a boys ranch as the famous one up at Tascosa.

Post is out of the Tascosa Boys Ranch territory but, even so, we have two boys up there and right now we need to locate several more boys in such a place but I haven't the heart to ask Cal Farley to take so many Post boys when there is a long waiting list from the Panhandle Area towns that regularly contribute to the ranch. However, I'll try if an emergency arises because I love boys and I love the things that Boys Ranch can do for a boy.

I believe that there are enough people in Lubbock, San Angelo, Midland, El Paso, Post, etc., who feel the same way that I do about boys to help me get a Boys Ranch established in this general area for our own West Texas Boys.

I was talking with Carl Rains about this the other day, and he liked the idea so well he said he would let us use a section of his land for the purpose. But more than a section of land is needed. I'd say about four sections should be available if the project is to serve

the French Gratitude Train, so long as somebody does it? This is the very thing that disgusts me about many service organizations. They do so much bickering over small things and spend so much time trying to grab publicity, they don't have time to adequately perform the services for which they were organized in the first place.

Fortunately, our local VFW, American Legion and service clubs are not guilty of this sort of thing and our women's clubs aren't guilty of it either. But you ought to sit in on a convention of newspaper writers from all over the state and hear them tell about the service clubs and women's study clubs in their respective towns. You wouldn't believe the stories they tell of petty bickering and attempts at publicity grabbing.

I was amused at one of these meetings where I heard a newspaper photographer telling how he handles some of these people who always try to muscle in on the pictures that he makes at public gatherings for his newspaper. He said he has two "sure-cure" methods. One is to put the "musclers-in" on the edges of the group to be photographed, so that they can be cropped off the print, and the other is to send them each an 8 by 10 print of the picture with a bill for a dollar.

all of West Texas.

If anybody knows of a West Texas rancher or philanthropist who would like to be the Daddy of this venture, I will devote my time to hunting up qualified adult personnel to run the thing along the Tascosa Boys Ranch plan and to promoting the Ranch in the West Texas Press.

I know a lot about Boys Ranch, it having fascinated me from the first day that I lived in Amarillo, in 1939. I have visited there many times and I made all the still photographs from which the Boys Ranch film that many of you saw here.

And I've personally known a lot of Boys Ranch boys. During the war there were close to 200 former Boys Ranch cowboys in the armed forces. Approximately 90 per cent of them were officers in the service, as proof that Boys Ranch makes leaders. I've never heard of a Boys Ranch boy going bad after leaving the ranch. He doesn't leave until he has finished high school and is ready for a job or college. He can always get a scholarship to a college.

All Boys Ranch boys learn a trade at the ranch, which ranges from barbering to banking. The boys run their own stores, bank, barber shop, etc., and every boy has a job either in one of the stores, or as a cowhand, farmer, mechanic, truck driver, cook, dietician, nurse, etc., and he draws a salary which he can deposit in the Boys Ranch Bank, the president of which is a boy.

A boy can learn to be a sheriff, mayor, city or county commissioner, etc., at Boys Ranch. The boys make their own laws, and enforce their own discipline. The adults assisting are there only in an advisory or teaching capacity.

The life at Boys Ranch is very well balanced. The school is highly regarded for its scholastic standing, and the athletic department is one of the best in the Panhandle. They have a band, a drama department and all sorts of activities in which a boy can learn to become a professional entertainer. And the boys frequently go to other towns to put on programs of a wide variety. Remember when they brought those trick riders and fancy ropers down here to our Junior Rodeo? They were good, too. They also have a wonderful tumbling team, and they have

## What Our Contemporaries Are Saying:

**READ THE HEADLINES** — Is fire prevention worth the effort? Don't answer that question off-hand — give it some thought first.

Here, to aid your thinking, are a few headlines, taken verbatim from papers in various parts of the country. "Three Children Killed in Brooklyn Fire; Found Clasped in One Another's Arms." "Family of Seven Dies in Burning Home." "Fire Kills Farm Mother and Six of 10 Children." "Fire Kills Two Babies as Stove Overturns." "Woman Revives, Finds Four in Family Suffocated."

A list of such gruesome headlines could be extended indefinitely. — The Hamlin Herald.

**GOOD PLACE TO BE**—Personally, I don't like winter and I don't like real hot weather and I don't like sandstorms, nor places where the rain comes down all the time.

But folks, don't hide or lose your galoshes, we are gonna have some more snow, ice and rain, mud, dirty cars and a big crop this fall. If the bottom don't drop out of every thing, this will be a mighty good place to be in when the cotton and grain starts moving. — Slaton Slatonite.

**TOO CURIOUS** — A volunteer fireman has again asked us to press on a warning that too many local people are rushing to fires here at the first sound of the alarm. Often the fire trucks and the individual members of

several groups that put on plays and give musical programs.

There just isn't anything in the world like Boys Ranch, except the one which has recently been established down at Copperas Cove for South Texas Boys and, of course, the famous Boys Town which the late Father Flannigan established in Nebraska.

I'd like to see one established right here in Garza County. It would certainly be a star in our crown to have it, but I don't suppose there is a ghost of a chance of getting one here. But I do feel that somewhere in West Texas there is some land which would be available for the purpose.

If any of you readers have any idea at all along this line, I wish you'd let me know. I know of a dozen or so folks around here, like Carl Rains, who will devote a lot of free time and what money they can afford to help get it established.

I'll print all the letters I can get on this subject, for what good they might do in promoting this project. Let's have some letters containing some good ideas and encouragement.

the department find it difficult to get to fires quickly, because the streets are congested with eager spectators and the sites around the fires are filled with them and their cars. He says there is danger in this practice, both because it prevents the firemen and equipment from getting to where they belong quickly, and because sooner or later someone is going to get hurt—strictly from curiosity. — Gaines County News.

**FAIR QUESTION** — If it takes \$50,000 per year for a man to Guide a client, Develop a coal mine, Put a corporation on its feet, What is a teacher worth who takes that 'oy of yours, Guides him, Develops him, Puts him on his feet, and Makes a man of him? —Lubbock Avalanche.

**ROCK OF AGES QUALITY GRANITE** is featured in our display **SOUTH PLAINS MONUMENT CO.** 2909 Ave. H — Lubbock

**Y**oung or old, rich or poor, all enjoy the benefits of electricity. Some more than others, but there's probably not a man, woman or child who doesn't receive some advantages from the availability of low cost dependable electric service.

It may be in your home, your schools, the stores you shop in, or on the farms or in the industries where you work, electricity is used everywhere.

Because it is used so widely, and folks have come to depend on electricity, we at your Public Service Company are always working to make dependable electric service available to as many folks as possible at the lowest possible cost.

Please Send News Not Later Than MONDAY to CARROL JEAN HUFF Correspondent

Mrs. Beryl Bryant and children of Lenoir, N. C. arrived Tuesday to join her husband who has been here for two weeks.

Mrs. G. W. Johnson and daughter, Maxine, of Crowell visited their daughter and sister, Mrs. Bill Long and family.

The Barnum Springs Home Demonstration Club met all day Thursday with Mrs. Ray Hodges. Members present were Opal Norman, Charlene Haynie, Juanita Henderson, Edna Smart, Velma Long, Maudie Barton, Opal Ray, Gladys Pennell, Carol Jean Huff and the hostess. Visitors were Mrs. Jim L. Williams and Mrs. B. W. Pennell of Post, Mr. and Mrs. Barney Jones, Byron Haynie, Tom Henderson, Bill Norman, Otis Pennell and Ray Hodges.

Mrs. B. W. Pennell of Post spent Thursday night and Friday with Mr. and Mrs. O. F. Pennell. Joy Nell and Wade Pennell spent Saturday night with their uncle and aunt, Mr. and Mrs. Arda Long.

Mrs. James Altman of Post visited Mrs. Arda Long Tuesday. Mr. and Mrs. Arda Long and Mr. and Mrs. E. N. Gibson visited in the T. E. Ford home in Post Monday night.

Mr. and Mrs. Bill Long entertained with a barbecue Friday night. Those present were Mr. and Mrs. G. D. Ellis, Mr. and Mrs. Leonard Anderson, Robert Pennell and Mr. and Mrs. Jack Myer all of Southland, Mr. and Mrs. Raymond Blue of Hartford, Mr. and Mrs. O. F. Pennell, Mr. and Mrs. Tom Henderson, Mr. and Mrs. Ray Hodges and Mr. and Mrs. Byron Haynie.

Veterans Service Officer To Work Here Each Week

J. W. (Jackie) Weathers, who has been Lynn County Veterans Service Officer the past three years, has been engaged by the Garza County Commissioners Court to serve as part-time service officer in this county. Beginning this week, Mr. Weathers is spending every Tuesday and Thursday in his office, in the northeast corner of the second floor of the courthouse.

Weathers was engaged for the work here because of the number of veterans who are due certain benefits but do not know about them or how to get them.

The service officer this week said he is urging all veterans and their dependents to call on him to discuss any problems they might have in regard to benefits. This includes World War I veterans as well as men who served in the last war.

Weathers said he would like to get acquainted with all veterans and their dependents whether or not they are aware of any problems regarding benefits.

Samuel Colt invented the revolver.

Please Send News Not Later Than MONDAY to MRS. R. J. KEY Justiceburg Correspondent

V. A. Lobban, Jr., was taken to the Snyder Hospital Monday, suffering from ear trouble.

Mesdames R. A. McLaurin, Jim Tidwell, Lee Reed, R. J. Key, Gladys Briggs, Coma Liles, R. Gollehon, Dunnigan, Roland Sullinger, Don Roberson, Russell Witherspoon and V. A. Lobban entertained the school children with a Valentine party at the school Monday afternoon. Games were played and cookies and hot chocolate were served to approximately 50 people.

Walter Chadister was taken to the Roscoe Hospital Friday, because of heart trouble.

George Duckworth has the mumps.

Sid Cross was in Roscoe Friday.

John Bill Beggs and family are enjoying a new Buick and the V. A. Lobban family has a new Ford.

The Justiceburg residents wish to congratulate Mr. Lobban on his appointment as deputy sheriff. They feel that he will serve with credit to Garza County.

Begin making arrangements now for a good supply of nitrogen fertilizer for 1949. Looks as though the supply will be about the same as last year—not enough to go around.

FASHION ACADEMY OF NEW YORK SELECTS

**The '49 Ford**

AS THE "FASHION CAR OF THE YEAR"

Citation "The 1949 Ford embodies all the essential qualities of good taste, modern design and subtle harmony in line and color. It is indeed a compliment to the style-conscious woman who will recognize and appreciate the flattering background it provides for her best dressed appearance."

President, The Fashion Academy of New York

And "looks" are only half the story!

Take the wheel... try the new Ford "FEEL!"

**Tom Power**  
 'Your Friendly Ford Dealer'

The Fashion Academy of New York has been noted for the past 20 years for its annual selection of "America's best dressed women." The '49 Ford was chosen to receive the Fashion Academy Gold Medal after 1949 automobile models of all makes and in all price classes had been carefully studied from the standpoint of excellence in design, simplicity and feminine style appeal. This recognition of Ford leadership in the modern trend of automobile design stands as a unique tribute to the work of Ford's Styling Department and of Design Consultant George Walker of Detroit.

**ATTEND FUNERAL**

Mr. and Mrs. C. M. Voss, Mrs. Jessie Voss and Mr. and Mrs. Harold Voss went to San Angelo Wednesday of last week to attend funeral services for C. M.'s brother, William G. Voss, who died suddenly from a heart attack at his home there the preceding day. The funeral was held at the Cox Funeral Home.

**Mrs. Johnson Takes Conservation Job**

Mrs. Haden Johnson started to work this week as clerk and typist in the local Soil Conservation Office.

Mrs. F. I. Bailey spent several days last week with Mrs. J. W. Warren of Snyder.

**Letters From The Readers**

Dear Folks:  
I am writing this bit of news about my brother and his wife. I hope that you can place who we are from the band activities in '39 and '42. Dad was a mail carrier there, too.

C. J. and Esther Dodson who have a daughter (DeNette) one year old are announcing the arrival of a son Saturday, February 12. The child was born in the hospital at Brenham, the home of his maternal grandparents. He is the only grandson on either side and there are five granddaughters in our family.

I do not know his weight or time of birth because C. J. was still in Midland, where they now live, when I learned that the baby had arrived. His wife had been in Brenham a month. I don't suppose they will name him until C. J. goes after them within a week or so.

Oh, yes! The granddaughters of Mr. and Mrs. G. W. Dodson of Brownfield are Linda Ann, daughter of Wynona (Mrs. Frank R. Miller) of New Orleans, La.; my three, Billy Lynn, Martha Kay and Sandra Lee, and C. J.'s daughter, DeNette. C. J.'s address is Box 1331, Midland.

Wanda (Dodson) Whited, Box 1419, Abilene.

**Garnolia Notes**

Please Send News Not Later Than MONDAY TO MRS. BERT CASH Garnolia Correspondent

Miss Mattie Vaught of the Close City Community is spending several days with Miss Jo Thomas.

Bert Cash underwent an eye operation last Wednesday in the West Texas Hospital in Lubbock.

Mr. and Mrs. L. C. White of Post visited in the home of Mr. and Mrs. H. A. Caywood Friday.

Mrs. B. J. Emanuel of Norman, Okla., arrived here Saturday to visit in the home of Mr. and Mrs. A. H. Hood for several weeks.

Mr. and Mrs. Jack Hoskins' baby has been seriously ill with pneumonia in the Tahoka Clinic, but is improving nicely.

H. A. Caywood was ill with the flu last week.

Edd Hughes of Springfield, Colo., came for his wife and baby who have been visiting several weeks with her parents. Mr. and Mrs. O. R. Cook. Mr. Hughes is county agent at Springfield.

Arnold Sanderson of Lubbock visited his grandparents, Mr. and Mrs. Amon Thomas Friday.

Mr. and Mrs. Lawrence Hulsey of Okinawa have been visiting his mother, Mrs. R. L. Craig.

Orbus Hammer of East Texas, a boyhood friend of L. H. Mathis, recently visited in the Mathis home.

The Rev. and Mrs. D. W. Reed attended church services at the Central Church Sunday.

Mr. and Mrs. H. A. Winkler and family have moved to Justiceburg.

Dean Robinson was in Austin the first of the week.

Mr. and Mrs. Howard Price and family of Lubbock spent the weekend here visiting relatives and friends.

**South Plains Is Top Of Nation In Business World**

Facts and figures, assembled by the Texas Employment Commission and published by the Lubbock Journal recently, show that the level of business is higher, unemployment less serious, in Lubbock and a surrounding 24-county South Plains Area, than in other parts of the state.

This South Plains Area is one of the brightest spots in the generally favorable Texas business picture, and the report said that conditions in Texas are substantially better than in the United States as a whole.

In the 24-county South Plains area, with a total estimated population of 335,021, the report showed only 2,765 persons unemployed as 1948 neared its end. In 1940, when the same area had a population of only 245,167, unemployment totaled 9,644.

A comparative study of the situation in the 24 counties was made in a chart accompanying the article in the Lubbock paper. The chart listed the Garza County situation, as follows:

Population, April, 1940, 5,678; population, September, 1948, 8,000; World War II Veterans, as of September, 1948, 856.

Total number of persons employed, 1,868, as of April, 1940, and 2,825, as of September, 1948; employed in agriculture, 988 in 1940 and 900 in 1948; total non-agricultural employees, 880 in 1940 and 1,925 in 1948; manufacturing employees, 244 in 1940 and 450 in 1948; unemployed, 209 in April, 1940, and 100 in September, 1948.

The report of the TEC, while it makes no predictions, seems to indicate a continued high level of business throughout the State in 1949, the Lubbock paper reported.

**Conoco Men Attend Lubbock Meeting**

A district meeting of Continental Oil Company agents and service station operators in Lubbock Tuesday night was attended by Raymond Redman, agent, Keith Kemp and Dan Altman of the Triangle Service Station, Bandy Cash of Justiceburg and Jess Barnes, Iven Clary of the Conoco Station was unable to attend because of the illness of his father, G. C. Clary of Slaton.

**HE KNOWS HE MADE A Good INVESTMENT**

**THIS man has just bought a new John Deere Model "H" Tractor Spreader. He had wanted one for a long time, but he had to make his old one do.**

It wasn't a matter of having to be sold on the John Deere. The Model "H" has been in the field on his neighbors' farms long enough so he could see the better work . . . the easier loading . . . the abundant strength for heavy-duty tractor operation. He knew that the Model "H" was one spreader that wet, slippery fields or feed lots wouldn't hinder. With the weight of the load balanced for best ground traction of tractor and spreader wheels, he knew that he could haul manure every day of the year—get the maximum return from every ton of manure spread on his fields.

The time is not far off when every farmer who has been wanting a new John Deere Spreader, will register the same pride of ownership that's on this man's face.

# SPORTS

FROM A STRICTLY LOCAL ANGLE

## Post Antelope Cagers To Meet Sudan In Initial Phase Of Championship Playoff

A double elimination tournament will decide the District 4-A basketball championship Friday and Saturday at Levelland.

Two teams from the north and south sections will participate in the tourney. Sundown and Sudan represent the north, and Post and O'Donnell are from the south.

Each team entered in the tournament will receive a trophy. In addition, there will be gold miniature basketballs given to individuals on the first place team and silver basketballs for those on the team finishing in second place. The players, on the all-tournament team will also receive miniature gold basketballs.

Sudan meets Post in the first game and a game between Sundown and O'Donnell follows. Two more games are scheduled Friday night, one Saturday afternoon and the final games are on tap Saturday night.

## Post Girls Lose Two Games With Meadow Tuesday

The A and B Girls' Basketball Team of Post High School had tough luck against the Meadow teams Tuesday night at Meadow. The A team lost by a score of 10-26 and the B girls were defeated by a score of 21-14.

Peggy Johnston was the high point A player, racking up 8. Am Floyd with 7 points starred for the juniors.

Coach N. R. King said that in both games the guards played ball but the forwards couldn't seem to get going.

### TO PLAY SOUTHLAND

The Post Grade School boys recently lost a basketball game to Graham, 17-26. The girls' B team defeated the Graham girls 6-4, and the girls' A team was defeated by Graham.

The boys and girls will play at Southland Monday night.

## Boys Teams Win But Girls Lose In Cage Games

Post boys defeated Siaton A and B basketball teams here Friday night, but the local girls had trouble with the Meadow six and were losers by 7 points.

In the boys' B game, Ronald Joe Babb racked up 14 points out of the total 41, to become high point man.

Jack Kirkpatrick took scoring honors in the A game with 12 points and Willis scored 12 for the Siatonites. The locals won over the opponents to the tune of 40-24.

Coach N. R. King said that, in the girls' game, the guards played an excellent game against Meadow, but the forwards were just not up to par. Janet Stewart was high pointer with 11.

The final score was 17-24.

## A Team Defeats Coahoma, 51-25, In Post Tuesday

Members of the A Basketball Team of Post High School started "playing the game for the first time this season" Tuesday night and were rewarded with a 51-25 victory over the Coahoma team in the local gymnasium.

Coach Vernon Ray said yesterday that if the boys look as good in the district playoff this weekend, they surely will win a nice place for themselves in the tournament.

Kay Kirkpatrick and Jim Ruth Norman were local high point men in the game, each racking up 10 points.

The B team lost to Coahoma Tuesday night by one point, the score being 24-25. Ronald Joe Babb was high point man for the locals, with a score of 8.

## Junior Athletic Program Of Boxing, Baseball And Track Announced Here

Coach V. F. Bingham, in announcing this week that two 15-bout boxing matches will be held in the Post School Gymnasium, Thursday night, March 3 and Monday night, March 7, asked for the support of the general public because the support is essential to the success of the school's junior athletic program.

Admission prices will be 75 and 35 cents each night.

The two boxing programs, the coach believes, will be featured by better fights than were last year's bouts.

Sixty boys began working this week on the boxing program, to which the coach is devoting four periods a day. They are taking their work seriously and are making a good showing.

Coach Bingham and Coach Vernon Ray attended a baseball and track meeting in Levelland last week, to make preparations to enter the school boys district track and baseball competition this spring.

The local district baseball games will be played here at night if enough people will support the games to pay the light bill and other expenses, the coach said.

Track and baseball workouts will get under way as soon as the boxing program is concluded.

## Local Relatives Go To Railsback Rites At Acuff Wednesday

Funeral services for Mrs. J. D. Railsback, longtime resident of the Acuff Community near Lubbock, were held Wednesday afternoon in the Acuff Baptist Church. Those attending from here included her nephews and nieces, Delmer and Elmer Cowdrey, Mrs. Leonie Peel and Mrs. Glen Davis, and their families. Mrs. Railsback, who had visited here many times, died at her home early Tuesday morning.

The Rev. George W. Thomas, pastor, officiated for the service and was assisted by the Rev. J. Wright of Levelland. Burial was in a Lubbock cemetery.

Survivors include the husband; a brother, Dave Bawcom of San Angelo; three daughters, Mrs. Guy Hester of Lubbock, Mrs. Alex Hale of Messilla Park, N. M., and Mrs. Harry Marx of Lamesa; five sons, V. E., B. B. and George W. of Acuff and J. E. and R. M. of Levelland; 26 grandchildren, and six great grandchildren.

## Welfare Worker To Arrive Saturday

Bernie C. Case, Texas Department of Public Welfare field worker who has been assigned to Garza and Lynn Counties, will arrive here Saturday to make his headquarters in the welfare office in the courthouse.

He will spend two days a month in Tahoka and one day a month in O'Donnell. He will be on duty here the remainder of the time.

## Gerald Schantz To Be At Postoffice

Gerald L. Schantz, Social Security Administration Representative, will be at the local post office at 2 p.m., March 2, for the purpose of answering questions on Social Security, discussing possible benefits and taking claims from persons who seem to be entitled to benefits, and taking applications for social security account number cards.

When a veteran of World War II dies within three years after his discharge, social security benefits may be paid, if certain requirements are met, even if the deceased had never worked in Social Security employment.

## BITS OF NEWS

Mrs. B. Tizard, mother of Mrs. John Lott, who has been visiting in her daughter's home here since before Christmas left Wednesday for her home in Kansas City.

Betty Gilmore, daughter of Mr. and Mrs. Travis Gilmore, celebrated her seventh birthday Saturday.

Mrs. Beulah E. Rodgers and her granddaughter, Mrs. Paul Beach, left this morning to spend 10 days in Hot Springs, N. M. Mrs. Beach's children, Paul Allen and Diane, are staying with their grandfather, Al Bird, in the Verbena Community. The Beaches will leave about March 1 to make their home in Montana. They have been living in California.

Pfc. Jack Grisham, USMC, son of J. V. Grisham, witnessed the visit of King Paul and Queen Frederika of Greece recently aboard the heavy cruiser USS Columbus, while serving with the crew of the Columbus, flagship of the Commander, Eastern Atlantic and Mediterranean Forces. Ceremonies in honor of the royal couple were held in Phaleron Bay, Greece, one of the Mediterranean ports included in a nine-week cruise by units of the Eastern Atlantic and Mediterranean Naval Forces.

## Jones And Edwards Lived And Died By Same Sad Pattern

The recent news concerning the reburial of Post World War II casualties calls attention to the interesting fact that two of the victims, Doll Jones and Jack Edwards, lived parallel lives from birth until death.

Both boys were born in Lynn County the same year, Jack on September 12, 1923, and Doll on October 27, 1923. They lived about 3 miles apart and attended Grassland and Tahoka schools. Jack was graduated from Tahoka High School in May, 1940, and Doll in May, 1941.

Doll entered the service on July 10, 1944 at Ft. Sill, Okla., and Jack entered at El Paso on October 25, 1944. Both trained at Camp Wolters, Mineral Wells, and Fort Ord, Calif.

Doll sailed overseas December 12, 1944, and was killed on Luzon April 21, 1945. Jack left the states on April 5, 1945, and was killed June 2, 1945, on Luzon. They were in the same company, regiment, and division, Co. B, 126th Infantry Regiment of the 32nd Infantry Division. Their bodies were shipped back to the states on the same ship and sent home from the same distribution center less than two weeks apart.

### SEVENTH GRADE WINS

The Seventh Grade boys defeated the Eighth Grade boys in basketball Wednesday of last week by a score of 30-24.

Mr. and Mrs. Carl Hughes and daughter, Dora Ann, Mr. and Mrs. R. H. Smith and Mrs. Nola Brister and daughter, Sue Bell, spent Sunday in Seminole visiting Mr. and Mrs. Tommy Anderson and daughter, Winifred. Sunday was the Andersons' wedding anniversary.

## ADDITIONAL SOCIETY

### Second Grade Has Valentine Party

Mrs. Reynolds' second grade room enjoyed a Valentine party Monday afternoon at the school building.

After story telling by the children, and the origin of Valentine was explained by Jerry Windham and Ruth Ann Long, games were played and Valentines were exchanged.

Heart-shaped cookies, with Valentine inscriptions, and candy hearts and hot chocolate were served by the room mothers and teachers.

Visitors were Mesdames Walker, Turner, Hagood, Windham, and Davies and Mrs. Long, the February room mother, and Mrs. Boy Hart, the permanent room mother.

### American Home Is Study Club Topic

The Junior Culture Club met with Inez Hartell and Annie Laura Francis in the latter's home the night of February 8 for a program on "The American Home," led by June Sutton, who also spoke on "Federation Department."

Joy Schultz discussed "American Home and Citizenship" and Jewell Strasser discussed "Consumer Problems."

Eighteen members were present.

The next meeting will be held February 24 (instead of February 22) in the home of Helen Mayr. Juanita Burress will be co-hostess.

Mrs. Edna Tinker of Abilene spent the weekend with her brother and his wife, Mr. and Mrs. Lee Byrd.

Mrs. Elgie Stewart is a patient in the West Texas Hospital in Lubbock.

Translucent objects permit the passage of light.

### Graham Homemakers To Meet Next Week

The Graham Homemakers Club met Thursday afternoon in the home of Mrs. John Wallace.

A short business meeting was held and the afternoon was spent visiting.

Refreshments were served to Mesdames Berenice Propst, Ida Cook, Iris McMahon, Viva Davis, Minnie Wright, Myrtle Hoover, Myrtle Cox, Nellie Babb and a visitor, Mrs. J. D. Howard.

The club will meet next Thursday in the home of Iris McMahon.

### Mrs. McCasland Honored At Dinner

Although the hosts did not succeed in surprising Mrs. McCasland on her 81st birthday they did at least honor her with a covered dish dinner on Saturday at the home of her son and daughter, Mr. and Mrs. Nest Henderson. The hosts were Mr. and Mrs. Will Barton, Mr. and Mrs. C. M. Voss.

After dinner, the group enjoyed Mrs. McCasland's favorite hobby.

Weekend visitors in the Hart home were Mr. and Mrs. Gene Britton and children Loraine, Mrs. Britton Hart's niece.

Roy Holly has been sick during the past week.

## Oil Field Representatives, Wives Entertained By Public Service Company

Southwestern Public Service Company, which provides electricity for most of the oil field in the Post Field, was host to a buffet dinner for oil men and their wives Friday night at the Post Field Hotel. Imogene Jewell was the dinner based on baked fish and cherry pie. The tables were decorated with 1000 watts, the company's symbol of electricity, and each guest present received a Reddy dinner pin. The dinner games of forty-two were played with Mrs. Monte winning a Valentine box of chocolates as first prize. The guests attending and the prizes they represented were Mrs. Moore, Comanche; Mr. and Mrs. H. W. General American Company; Mr. and Mrs. J. A. Rogers, F. Long Company; Matt and son, Kenneth Mur-

## Percy Parsons And Margaret Aday Of Muleshoe Are Wed

Miss Margaret Aday, daughter of Mr. and Mrs. J. D. Aday, became the bride of Percy Parsons, son of Mrs. Alice Parsons, Sunday. The Rev. A. W. Blaine performed the double ring ceremony at 2 o'clock in the afternoon in the First Baptist Church at Muleshoe in the presence of family members and close friends. The bride chose for her wedding a beige suit with navy blue accessories. She carried out the bridal tradition of wearing something old, new, borrowed and blue. Her something old was an heirloom pin belonging to the bridegroom's great grandmother. She wore an orchid corsage. Mrs. Bob Knight of Morton, matron of honor and sister of the bride, wore a wine suit with black accessories and an aqua carnation corsage. Conner Parsons of Tahoka attended his brother as best man. After a wedding trip to New Mexico, the couple is at home here where he is employed as mortician for Hudman Funeral Home. Mrs. Parsons is a graduate of Post High School and the Dallas Institute of Mortuary Science. Out-of-town guests at the wedding included the bridegroom's mother and sisters, Miss Jewell Parsons and Mrs. Vera King, the latter's daughter, Connie Marie, his brother and sister-in-law, Mr. and Mrs. Conner Parsons and children and Mrs. Imogene Jewell.

## Church News

By GANELL BABB

### Scripture:

As many as I love, I rebuke and chasten: be zealous therefore, and repent. Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he will with me. To him that overcometh will I grant to sit with me in my throne, even as I also overcome, and am set down with my father in his throne. He that hath an ear, let him hear that the Spirit saith unto the churches.

### Minute Prayer:

Our Father, Let not our gratitude be limited to words, but be expressed in every impulse, thought and deed, and serve to draw us nearer to Thee; for we desire to praise Thee with our lives and not alone with suppliant words. Amen.

The local Ministerial Alliance met Monday morning in the pastor's study at the First Methodist Church. Plans were discussed for the Sunrise Easter Program which will be held at the First Baptist Church this year, on April 17. The Rev. A. B. Cockrell is in charge of the musical program in which all local churches are invited to participate.

The Susan Fitkin Chapter of the Church of the Nazarene Missionary Society met Monday afternoon at the church. Mrs. H. J. Dietrich president of the group was in charge of the program.

The First Baptist Church Building was used the first time eight years ago Sunday.

The Rev. Mr. Nichols who is pastor of the Calvary Pentecostal Mission in Seattle, Wash., spoke at the North Side Church of God Tuesday and last evenings and will speak again tonight.

The Ruby Howse Circle of the First Baptist M.M.U. met Monday afternoon in the home of Mrs. A. B. Hays with 10 members present. A Missionary Study under the leadership of Mrs. C. K. Pierce was the topic for the afternoon. Mrs. A. W. Bouchier gave the devotional and Mrs. W. H. Self offered prayer.

The 50-50 Sunday School Class of the First Methodist Church enjoyed a party in the home of Mr. and Mrs. Walter B. Holland Monday evening. Approximately 20 people attended.

Race Relations Day was observed at the First Methodist Church Sunday. An offering of \$47.60 was taken for negro education.

The revival meeting at the Third Street Assembly of God Church, which opened Sunday, will last through February 27, the pastor, the Rev. M. C. Rains, said yesterday. The Rev. Charles L. Monroe, evangelist from Wheatcroft, Ky., is speaking to good crowds each evening. The public is invited to hear him.

The Presbyterian Missionary Society met Monday afternoon in the home of Mrs. George Samson with ten members present. Mrs. Ben Williams led a study on "Do School Missions Pay?" All the members took part in a study from a prayer book. Mrs. Malouf gave a devotional from the 28th chapter of Job. The members exchanged valentine gifts from their secret pals after which a refreshment plate was served carrying out the valentine theme.

The Intermediate G. A.'s met Tuesday evening in the home of the counselor, Ganell Babb, with six members present. Mickey Bryant was in charge of the program.

Danny Redman celebrated his 14th birthday yesterday. He is a son of Mr. and Mrs. Raymond Redman.

## Forty-Two Party Given For Group In Suits Home

Members of the Needlecraft Club and their husbands met in the home of Mr. and Mrs. A. A. Suits for a forty-two party Friday night. High score was made by Mrs. B. F. Evans and low was made by Mrs. J. E. Stephens. Mrs. Suits and the co-hostesses, Mrs. F. A. Gilley and Mrs. Roberts served refreshments, featuring the Valentine motif in the appointments. Attending were Messrs. and Mesdames T. R. Greenfield, Evans, Stephens, W. E. Terry, L. W. Dalby, H. M. Snowden, Tol Thomas, Suits, the Rev. and Mrs. A. B. Cockrell and Mesdames Gilley, Roberts, Pierce and John Faulkner. The next meeting will be held February 25 in the home of Mrs. Weaver Moreman.

### PRISCILLA CLUB

The Priscilla Club will have a forty-two party in the home of Mrs. N. C. Outlaw Friday night, beginning at 7:30 o'clock.

## Verna Dell Long And Doyle Baxter Marry Saturday

Miss Verna Dell Long, daughter of Mr. and Mrs. W. A. Long, became the bride of Doyle Baxter, son of Mrs. Artie Baxter, Saturday. Justice of the Peace Jim D. King performed the single ring ceremony at 9:30 o'clock in the evening. The bride wore a brown suit with a pink blouse and brown accessories. Mrs. Betty Joyce Holly, matron of honor, wore a grey suit with black accessories. Billy Wayne Gary attended the bridegroom as best man. The couple is at home near Tahoka where he is engaged in farming. Wedding guests were Mr. and Mrs. Benny Huff and Miss Joy Nell Pennell.

Highway Group Has Forty-Two Party

Several highway employees and their families were entertained with a 42 party Monday night in the home of Mr. and Mrs. Howard Ferguson and daughter, Louise.

Cake, coffee, sodapop and candy hearts were served to Mr. and Mrs. David Midkiff, Mr. and Mrs. Hardy Parker and children, Mr. and Mrs. R. E. Shedd and son, Mr. and Mrs. Homer Patty and Mr. and Mrs. N. G. Karl.

## Founder's Day Is Observed At PTA Meeting And Tea

Mrs. Paul Jones was leader for a Founders Day program at the Parent-Teacher Association meeting last Thursday afternoon in the high school building. The program and business meeting were followed by a silver tea in the homemaking department. Tea was served by the homemaking students under the direction of Miss Besse Pitts.

During the business session, Supt. G. R. Day expressed appreciation for the new school cafeteria; Mrs. Lillie McRee gave a report on the high school library books ordered and received and thanked the association for donating them, and Mrs. Lucy Callis announced that the Grade School Faculty greatly appreciated the PTA's gift of a new spirit duplicator. Mrs. Nola Bristler reported on the grade school library books that were ordered with the money given by the PTA and expressed the school's gratitude.

Mrs. Elsie Wright's second grade received the primary attendance prize; E. E. Pierce's sixth grade won the intermediate attendance prize, and the Seniors won the high school attendance prize.

## Graham Club Meets In W. Morris Home

The Graham Home Demonstration Club met all day February 8 in the home of Mrs. Wilburn Morris. A covered dish lunch was served to Mesdames O. H. Hoover, James Stone, Albert McBride, Theibert McBride, Jewell H. Strasner and Morris.

Two members, Mrs. Carl Fluit and Mrs. Gus Porterfield, attended the afternoon session.

The women altered patterns and cut out four dresses.

The club will meet February 22 with Mrs. Fluit for a demonstration on and practice of putting in sleeves and plackets.

## Mrs. Percy Parsons To Be Honored Here

Mrs. Percy Parsons, the former Miss Margaret Aday of Muleshoe, will be honored with a bridal shower this evening from 7 until 9 o'clock in the home of Mrs. Homer Gordon. Hostesses are Mesdames Gordon, Victor Hudman, Marvin Hudman, S. C. Storie and Imogene Jewell.

## Connie Marie King Honored At Party

Connie Marie King celebrated her 10th birthday with a party the afternoon of February 5. Twenty-six guests were present. Games were played, then the gifts were opened and cake and punch were served.

We have just unpacked many lovely new materials for your spring sewing. You will find some exciting new patterns and designs.

- Butcher Linen \$1.49 yd. Pink, Aqua, Tan, Sky blue
- Narrow Wale Pique 79c yd. in colors
- Combed Chambray \$1.39 yd. Bates and Dan River Tan - Aqua - Canary
- Rayon Gabardine \$1.39 yd. Aqua - White - Rose
- COMBED BROADCLOTH Pink - White - Blue Solid Colors 98c yd.
- Aqua Surf Denim 79c yd. 36 inch Sanforized
- Woven Gingham 79c yd. in gay checks
- Table Damask \$1.39 yd. 58 inches wide

We have several new patterns in—

**Colorado Potatoes Available At ACA**

Mike C. Custer, secretary of the Garza County ACA, has announced that the Colorado crop of Irish potatoes bought by CCC under the price support program is now available for livestock feed, to farm and ranch operators at 35c per hundred weight, in carload lots.

Operators now may file applications for potatoes at the Garza County ACA Office. It is expected that the supply will be exhausted by March 3.

F. I. Bailey and L. P. Kennedy, Sr., accompanied Delmo Gossett to Matador Sunday.

DR. R. G. LEE

**Baptist Men Will Meet In Lubbock On Tuesday Night**

Dr. R. G. Lee, president of the Southern Baptist Convention, will be the speaker for a district meeting of Baptist men in Lubbock Tuesday at 7 p.m. in the First Baptist Church. Two thousand men are expected to attend. Men of the churches in Garza County will be expected to be there in large numbers, the Rev. D. A. Bryant said this week.

The meeting has been planned to assist in the promotion of the Central Simultaneous Training School for Sunday School workers which will begin Sunday at 2:30 p.m. with an associational-wide rally at the First Baptist Church in Lubbock, and continue each evening during the week, and to help prepare for the district-wide simultaneous revival to be held in all Baptist Churches beginning Sunday, March 20, according to the Rev. Mr. Bryant, who is superintendent of Sunday School work for the Lubbock Association.

All who have any official position in a Baptist Sunday school in this section of Texas will be expected to attend the Rally on Sunday, and each of the evening sessions that week. All Baptist men, together with the Sunday School officers and teachers, are invited to attend the meeting on Tuesday, the minister said.

**WHAT BROUGHT YOU HERE?**

**Pre-Garza County's First Population Was Made Up Of O. S., Llano, Comet Cowboys**

The native population that preceded the C. W. Post colony in what is now Garza County consisted of cowboys working for the large O. S., Llano, Comet and other ranches of this area.

When the Texas School Land, over which there had been a long court dispute that took it off the market, went on sale again, a number of these cowboys took advantage of their ground floor positions to file claims. This was about 1900.

Walter Roy who came here in 1897 from Fisher County to work for the O.S. Ranch—which was then owned by A. L. and F. M. Long — says that 19 boys from the O.S. outfit and their friends were among those taking claims of four sections each. Most of these boys continued to work for the O.S. while living out their three-year claims.

Roy's neighbors, in the Justiceburg area, were Will Williams, now of Snyder, and the late Nonnie Rodgers and the late J. M. Boren. Among his co-workers at the O. S. Ranch were Ed Scott, now of Kent County; Oscar Kelly, who now lives in California, the late Mr. Boren and the late Carl Clark.

**Was Good Move**

Roy said he was working for a Fisher County ranch before coming here, and that he and J. T. Crowley had been in Amarillo with a herd of cattle during the Spring of 1897. When he returned to the ranch in May he learned that the O.S. outfit had invited him to come to work here.

It was a good move for many reasons, but the most important one was that it was on the O.S. Ranch that he met his wife, Myrtle, a niece of E. W. Clark who, with W. E. Connell and John Scharbauer bought the ranch from the Longs in February, 1901. She lived in Denton at the time, but was visiting her uncle here when she met Roy. They were married in 1908.

As the years went by, the Roys bought two sections of land from J. O. Smith and a few sections of railroad land, to expand their ranch to its present proportions.

**Too Cold On Hill**

The late J. M. Boren and his brother, John Boren of Justiceburg, came from Bell County in 1892 to settle a claim near Plainview. Soon after their arrival, a huge snow came and convinced the two brothers that they should "go below the hill." They went back home for awhile, but later the same year J. M. came back this way and took a job at the O. S. Ranch. He was a nephew of one of the owners. He worked there 10 years, the last two of which were after he had filed a claim in Roy's neighborhood.

He and Miss Ella Bridges of Roby were married in 1899. After they moved to their own place, they felt the need of a mail route. During 1903, Boren started carrying the mail from Light (near the present town of Flavanna) three times a week in a cart pulled by a wild mule. He served without pay for about three months, in order to create an interest in the mail route which he proposed. That same year, a postoffice was established at Leforest, about a mile from the Boren place.

After the county was organized in 1907, Boren became the first county judge and held the position 10 years. He passed away in 1937. His ranch near Justiceburg is owned by his son, Walter, and daughter, Mrs. Tom Woods of Lamesa.

Garza County's first sheriff was Oscar Kelly, who had moved from the O.S. Ranch over to the Llano Ranch by the time the

county was organized. He and his family moved into Post after he was appointed sheriff.

**Came In 1895**

Mrs. L. P. Kennedy, Sr., tells the Post Dispatch that she came to Garza County with her father, the late C. H. Smithers, and her brother, Morgan Smithers, in February, 1895. They came here after the death of her mother because the children had an aunt living in this neighborhood. The elder Smithers filed on four sections, three miles northeast of Post, and in 1901 he sold the ranch to the late John H. Babb. Mrs. Kennedy was married in Post November 24, 1909.

**Carpenters Were Needed**

The varied attractions that brought people to Garza County are the things which make this a pleasant place to live. Many of the pioneers, whose carpenter work and other contributions changed the new town of Post from a city of tents to a most attractive little rock building haven, have passed away.

Among these is the late Henry Davies, a carpenter who gave his life to construction work in rapidly growing Post and whose son, Elbert (Lefty) still carries on the building work as a contractor for Higginbotham-Bartlett Lumber Company.

Tom Boucher, manager of the lumber company, says he first became interested in the lumber business while a small boy, fascinated by Mr. Davies' activities in the Double U. Company planing mill.

**Came From England**

Henry Davies' parents, the late Mr. and Mrs. Job Davies, migrated to Lampasas from their native England in the 19th Century. They moved from Lampasas to Paint Rock, and then to the Southland Community where they filed on several sections of land.

Henry and his wife, the late Dovie Davies, lived near Scotland before coming to Post after Garza County was organized. He helped build many of the original houses here, and he died about 1914 from pneumonia which he contracted while helping Jimmy Napier, now of Lubbock, plaster the basement in the house where the Dale Stones now live.

He was buried in the family plot in Terrace Cemetery, beside the grave of his mother who was the first person ever interred there.

Job Davies, incidentally, was a member of Garza County's first commissioner's court.

Of Mr. and Mrs. Davies' five sons, there still live here, Elbert, Curtis and Garland. The other two are Harold of Cisco and Clarence, who lives in California.

**News Tip Prize Is Put In Collection Plate For Orphans**

Mrs. W. R. Graeber, who won last week's first prize in the Post Dispatch News Tip Contest, felt obligated to Mrs. Carl Clark who had told her the news in the first place.

So when she received her check for \$2.50 Saturday, she tried to give it to Mrs. Clark. Mrs. Clark didn't feel that she was the winner and refused to take it. Mrs. Graeber then cashed the check and handed Mrs. Clark half of it; the amount, \$1.25.

At the First Methodist Church Sunday, a collection was taken for a colored orphanage. Mrs. Graeber and Mrs. Clark each put her \$1.25 in the collection plate.

## Post's 41-Year Record In Rainfall Recorded Here

Here is probably the longest consistently kept record of rainfall in West Texas, the 41-year record of rainfall in Post as recorded by the official rain gauge of the Double U. Company. The Lubbock Avalanche-Journal published a 38-year official record of Lubbock rainfall, beginning with January, 1911. The Double U. Company has kept a steady record since January, 1908. As proof that the 2.90 inches of January, 1949, was somewhat of a record is the fact that the 41-year average in January is .81 of an inch.

### RAINFALL RECORD FOR POST, TEXAS, FROM 1908 TO 1922

## School Traffic Is Being Patrolled By Sheriff Staff

Sheriff E. M. Bass this week issued a warning about traffic violations.

He and Deputy V. A. Lobban have begun patrolling the highway in front of the high school building during the noon and after school hours in an effort to head off an accident before it happens. They will try to enforce the rules for slow driving in school zones, they said.

Arrests made during the week included three for driving without a license, one for speeding, one for passing in a no passing zone and three for drunkenness. All persons involved paid fines.

Two Texas State Highway men were here Tuesday giving drivers' tests. They also spent a day here last week checking automobiles for tail lights and patrolling for possible traffic violations, Sheriff Bass said.

## Leader Of Peddy's Squadron Comes To Reburial Service

Among the out-of-town guests here for the funeral and reburial services for Clyde E. Peddy last Thursday were Fred Hollier and his brother-in-law, Raymond Ross, both of Port Arthur. Hollier, leader of Peddy's squadron in the U.S. Marine Corps, was with Peddy at the time of his death.

This squadron, he told the Peddy family, was the first group of Americans to land on Okinawa. Clyde was killed within a few minutes after landing and Hollier was the first person to try to administer first aid after he was wounded. Although he had not visited the family until last week, he had corresponded with the family at various times since Peddy's death.

Peddy's body was accompanied here from the Fort Worth receiving station by Sgt. Bob Kanaski.

Out-of-town relatives here for the funeral included Mr. and Mrs. L. N. Walker of Muleshoe, Mr. and Mrs. W. E. Peddy of Vera, Mr. and Mrs. Marvin Walker of Lubbock, Mr. and Mrs. J. B. Franklin of Lubbock, Mr. and Mrs. O. L. Peddy of Lubbock, Mrs. Jim Robertson of Vera, O. B. Hicks of Cleveland, Mr. and Mrs. W. E. Peddy, Jr., of Lubbock and Mr. and Mrs. Audrey Peddy of Stephenville.

**Happy Birthday:**  
February 17, John William Wells, Mrs. Curtis Davies, Ray Charles Garner and Mike Custer.

February 18, Mrs. B. P. Vardiman, Sonny Everett, Mrs. R. D. Travis, Jr., Mrs. Reece Bivens and Alvin Morris.

THE POST DISPATCH

## Building Wanted For Negro School

Supt. G. R. Day and representatives of the Post Consolidated School Board went to Lubbock yesterday to inspect 157 buildings which are to go on sale at the South Plains Army Air Field. They had received a priority to buy one, and they expected to put in a bid on one for the local negro school.

Superintendent Day said the school board recently opened the bids on the teacherage for sale in the Cross Roads Community and voted to sell it to Kelly Sims who submitted the highest bid, \$625.50.

## Topdressing And Fertilizers Of Nitrogen Pay

Another reminder about nitrogen fertilizer comes from Thornton, extension agricultural chemist of Texas A. and M. College.

Topdressing and sidedressing nitrogen fertilizers have paid big dividends over Texas where it has been applied to the crops, according to the records from demonstrations, says Thornton. Here's what happened in the blackland area: A topdressing of 50 pounds of ammonium nitrate—which contains 16 pounds of nitrogen—increased oats 10 bushels. Wheat was increased 7 bushels and a sidedressing on corn yielded 9 bushels more for each 16 pounds of nitrogen.

In the same area, 16 pounds of nitrogen gave 75 pounds of lint cotton.

Out in the Panhandle area, wheat showed increases up to doubling the yield when ammonium nitrate was applied. In Hale County on irrigated land, the check yielded 30 bushels wheat per acre. When nitrogen fertilizer was applied in form of 200 pounds of ammonium nitrate, the yield increased to 45 bushels.

Two years ago in Lamb County, wheat was sidedressed with 100 pounds of ammonium nitrate at three different times to see what effect the time element would have on the yield. When fertilizer was applied on February 15, before jointing, the resulting yield was 22 bushels. Ammonium nitrate was applied one month later on March 15, and the yield was 18 bushels. This was just about the time the plant started jointing.

A third application was made April 15, when the wheat heads were beginning to bloom. The yield here came to only 15 bushels. So, the earlier the nitrogen fertilizer is applied—up to a certain date—the higher will be the yield, says Thornton.

These results are in line with results of work done by the Texas Agricultural Experiment Station and reported in AES Progress Report 1118.

Thornton says that topdressing for small grains should be done before the small grains begin to joint. That means between January 15 and February 1 in the south, February 1 to the 15 in the central part, and February 15 to March 1 in the northern part of the state.

Smith, Carl C. Claborn.

February 23, Mrs. John Lott, Madlyn Sanders, Mrs. J. A. Johnson, J. Lee Bowen and A. R. Brown.

A U. S. Representative's term of office is two years.

## Recommendations For 1949 HD Program Made To Clubwomen's Organization

Committees of the City Home Demonstrations have submitted all their recommendations for the 1949 program. They

include: Mrs. Geo. J. Chairman—Budget: \$50; District T.H.D. date show, \$50; bake camp, \$25; expenses for fair, \$5, and miscellaneous, \$20.

They would be raised by a four-day bazaar in the home demonstration building and produce at "picnics"; if necessary, a Fall bazaar or a forty-two party; console of greeting cards, by the buying of the Dallas County Record for a profit.

Committee—That the low \$25 on the budget graphing yearbooks, each club's yearbook send in four programs for the 1950 year-end June meeting.

Study Norway Neighbor Program Committee: Continue A. reading program, specialized agency and agriculture or study the customers and find out how best demonstration clubs serve rural people of continue the radio program, have a producer education program club, have each club educational exhibit at Fair, honor women the required goals in to the Commission, three times a year, women to attend the man's Short Course at h. have the council ward expense of District Woman's Short Committee.

Participate in the an-Show, participate in Fair, exhibit at Lubbock a Dress Revue on in April.

Membership in: Continue the Good program; have each at least three new during the year.

sponsors Mrs. Wilburn Chairman—Hold a coun- on May 7, send to the State Roundup; and one sponsor to at Lubbock, July of six girls and two

committees to the State Fair in Dal-

las; send girls and leader to Camp Training School; partici-

pate in the Junior Rodeo if it is held; exhibit at the Fall Show;

hold three boys' and girls' rallies during the year; of the 15 trips to be awarded, allow only the winner of the County Dress Revue to make more than one trip,

have the girls submit record books to agent by May 7, send highest ranking girl to camp and second highest to State Fair, ask the council to set aside \$50 for the girls' trips.

Marketing—Have the clubs consider cooperative buying of down satin, have the clubs investigate prices of pineapples, strawberries and citrus fruits to be bought cooperatively, have the clubs continue cooperative buying of glove leather, have clubs discuss cooperative buying of cook books.

To Learn Songs Recreation, Mrs. S. W. McCrary, chairman—Have each club member learn to sing three songs from memory; have each club member add outdoor games and equipment to her yard; have club sponsor two parties or entertainments during the year for members and their families, learn to sing "Song of Peace" and "Beautiful Dreamer," have the council sponsor a forty-two party in December at which two club members will direct games for children, give an outdoor supper for club members and their families this summer, select 10 women to attend the Rural Woman's Short Course at Texas Tech, and ask each club member to buy a T.H.D. song book.

Reporters, Mrs. Wilburn Morris, chairman—Hold a training meeting for reporters every four months, and have the reporter of each club keep a scrapbook of newspaper reports of the club activities and show the scrapbooks at the annual meeting in October.

## Pleasant Valley Small Talk

Please Send News Not Later Than MONDAY  
Pleasant Valley Correspondent

Out of town relatives who attended the funeral of J. I. Harvin at Southland Monday afternoon were Mr. and Mrs. Bennie Harvin of Dallas, Herman Harvin of Corsicana, Mr. and Mrs. Bill Owens of Jal, N. M., Mrs. Bill Bailey of Newcastle, Mr. and Mrs. B. C. Norton and son, and Ray Webb Robinson of Snyder and Truman Riddle of Post.

Mrs. S. J. Johnson has returned from a two weeks visit in Corsicana.

Mrs. K. C. Dickson fell Saturday and fractured her arm.

Mr. and Mrs. Albert Kuykendall are visiting relatives in Oklahoma.

Max Chaffin has returned home after a trip to the west coast.

Mrs. Bailey Scott was hostess Friday afternoon to the Home Demonstration Club. Roll Call was answered with a useful household hint. Members were busy making Mexican designed

## Negro Minstrel To Be Staged By Southland Class

Members of the Southland High School Junior Class will present a Negro Minstrel in the school auditorium next Thursday night. The public is invited to attend.

The minstrel will be "broadcast" from the 'cock of a ship' and it will depict "what the darkies do to pass away the time while drifting down the Mississippi River."

A highlight of the entertainment will be a sermon by "Brother Polasses" on "The Sins of the Letter S."

The junior sponsor, Mrs. C. S. Lindsey, told the Post Dispatch this week that the cast promises a full evening of entertainment. Admission prices will be 15 and 25 cents.

**Milestone At Cross Roads Is Reminder That Soil Erosion Fight Is Necessary**

School Teacherage For Sale, said a simple advertisement in last week's paper.  
 To A. P. Ottinger of the Duck Creek Soil Conservation District, the advertisement meant that the Cross Roads Community, where the teacherage was for sale, had passed another milestone.  
 Better roads, aster transportation and consolidation of small land holdings to larger ones all contributed to this change, he pointed out, but the greatest contributor was soil erosion.  
 Ottinger said: "Mile after mile of Cross Roads fence rows have caught banks of sand 10 to 20 feet high. In one place, only the top branches of an orchard extend above the sand."  
 "Under native grass, this land was held together and protected by grass plants and their roots. Organic matter that accumulated gave the soil fertility and increased water holding ability."  
 "When the land was put into cultivation, not enough crop residue was left to prevent wind erosion. The wind lifted fine soil particles and organic matter out sand."  
 Ottinger explained that the

**Mrs. S. Henry Is Death Victim In Lubbock Saturday**

Mrs. Stockton Henry, wife of the founder of Post's first newspaper, the Post City Post, died at her home in Lubbock Saturday morning after a year's illness.  
 Funeral services were conducted Tuesday afternoon at the Broadway Church of Christ in Lubbock, with Dr. M. Norvel Young, pastor, officiating. Burial was in a Lubbock Cemetery.  
 After leaving Post, the Henry family moved to Lubbock about 1912 and lived there until 1936 when they moved to Lorenzo. They returned to Lubbock about two years ago. Mr. Henry founded the local newspaper about 1907.  
 Survivors include the husband; four sons, Stockton Henry, Jr., of Pittsburgh, Calif., Donald Henry of Washington, D. C., Paul Henry of Slaton, and Jack Henry, a student in the Law School at the University of Houston; a daughter, Miss Ruth Henry of Anchorage, Alaska; a stepmother, Mrs. Sally Nichols of Waco; two sisters, Mrs. C. B. Monroe and Mrs. Roy Sansanbaugher, both of Silver City, N. M.; a granddaughter, Miss Patsy Henry of Pittsburgh, Calif., and a grandson, Jack Fletcher of New York City, formerly of Southland.

**GREENFIELD HARDWARE CO.**

On Tuesday, February 22nd., thirty-three years  
ago, we opened our place of business in Post.  
We do not feel like letting this occasion go by  
without thanking our many friends and cus-  
tomers for their loyalty during these many  
years.

Whatever degree of success we have  
attained we desire to give you the  
larger portion of the credit. You  
have stood by us from year to year—  
this we appreciate so very very  
much.

As we begin our next third  
of a century we hope to  
have a continuance of  
your friendship and pat-  
ronage. We are ready and  
anxious to render you and  
our community every serv-  
ice possible.

Sincerely,

**Greenfield Hardware  
Company**

### Brotherhood Week Editorial Seeks More Tolerance

In anticipation of Brotherhood Week, February 20-27, John Hopkins is calling attention to the following editorial written by Roy A. Roberts, president and editor of the Kansas City Star:

"The chief need in this business of brotherhood is an ample measure of just plain common sense. High sounding language and reaching out for the millennium all at once will not produce a thing.

"People—races, creeds and nationalities—have their differences. And those differences are going to remain. They are as natural and unavoidable as the sunrise—whether or not the day happens to be clear.

"In their grossly overt and socially damaging manifestations, they can be and have been dealt with by legislation; but no law can abolish or change a fundamental situation.

"We have these differences in this country—although, thank heaven, not to the degree that they exist in various other parts of the world.

"Doctrines of hatred and ill will go against the grain with the great majority of American people. They always have, and even more so today, than ever before.

"We can build on this long established foundation; build with sanity and with a recognition of the plain fact that rights and privileges of the few or the majority cannot be served by a denial of those same rights to others.

"There is room for all in this country, but no room for the pettiness and intolerance that breed danger for all. The simple demand is a broader and continued use of the basic principles of the democracy we profess as an example to all mankind."

**Two Acres Pay Off  
100-Year Rental  
In Pecos County**

Land Commissioner Bascom Giles of Austin has found a 'steady customer' for a small tract of school land in Pecos County.

The Commissioner has received payment from an oil company covering rental on the tract for the next one hundred years, making the present lease effective until the year 2049.

The tract, less than two acres in size, is one of the smallest in the School Land Board's records. However, it has paid off in mansized hunks—\$20,000 to the Permanent School Fund in cash bonuses and \$217,398 in royalties.

The 100-year rental payment is without precedent, Giles stated.

However, added the Commissioner, the lease may be forfeited unless production is maintained and unless all regulations of the School Land Board are conformed with.

Mrs. Gordon Sanders of Lubbock spent Thursday in the home of her parents, Mr. and Mrs. W. E. Dent.

Mr. and Mrs. Bill Richardson and son of Floydada spent the weekend here, visiting relatives.

### Mrs. Graeber And Mrs. Hyde Win In News Tip Contest

A record number of excellent News Tips was submitted for last week's Post Dispatch. After long deliberation and weighing the "tips" from every angle in regard to their news value, etc., the judges selected the following winners:

First prize, \$2.50, Mrs. W. R. Graeber, for the tip concerning the death of W. H. Clark, pioneer Post resident; second prize, \$1, Mrs. Gladys Stevens Hyde, who was the first person to report the death of another former Post resident, Ellwood Burdette.

First place in the honorable mention list went to Mrs. J. E. Parker, who reported hearing of Andy Adams' critical injury on the radio. Others receiving honorable mention were Mrs. John Lott, Tom Power, Mrs. Garland Davies, Robert H. Gibson, Frank Stevens and Sandra Oliver.

The contest will continue indefinitely, with two prizes offered each week.

### Rogers And Bingham Will Go To Dallas

Earl Rogers and King Bingham, owners of the Garza Tractor and Implement Company, will leave Monday to attend a statewide meeting of Ford tractor and Dearborn equipment dealers Tuesday at the Baker Hotel in Dallas.

Lucile Meador of Lubbock was a Post visitor Saturday.

Mr. and Mrs. Samie West of Hereford visited here over the weekend.

Mr. and Mrs. Frank B. Smith of Midland spent the weekend with her parents, Mr. and Mrs. Virgil Stone, and other relatives in and near Post.

# CHEVROLET

is the most Beautiful BUY of all

STYLELINE DE LUXE  
4-DOOR SEDAN

**The most Beautiful BUY for Styling**  
Millions of people all across America—and undoubtedly your friends and neighbors, too—are hailing the "luxury look" of Chevrolet for '49. It's the beauty-leader, all right—inside, outside, and from every point of view! For the bodies are by Fisher—finest of all car bodies—found only on Chevrolet and higher-priced cars.

**The most Beautiful BUY for Driving and Riding Ease—with new Center-Point Design**  
What a thrilling experience will be yours when you take your first ride in Chevrolet for '49! New Center-Point Design—including Center-Point Steering, Center-Point Seating, Lower Center of Gravity and Center-Point Rear Suspension—provides driving and riding results heretofore available only to owners of more costly cars. Here is another "first" for Chevrolet—another vital contribution to low-cost motoring—another treat for Chevrolet owners! Remember—only new Center-Point Design can give these finer motoring results; and only the new Chevrolet offers Center-Point Design at lowest cost.

**The most Beautiful BUY for Performance**  
For real thrills and thrift—for the finest balance of performance and economy—owner after owner will tell you there's nothing like a Chevrolet! Its world's champion Valve-in-Head engine—now setting a trend for high-priced cars, but remaining exclusive to Chevrolet in its field—holds all records for miles served, owners satisfied, and years tested and proved.

**The most Beautiful BUY for Safety**  
To buy one of these brilliant new Chevrolets for '49 is to give your family *fivefold* safety protection found in no other low-priced car: (1) New Certi-Safe Hydraulic Brakes; (2) Extra-Strong Fisher Unisted Body Construction; (3) New Panoramic Visibility; (4) Safety Plate Glass in windshield and all windows; and (5) the super-steady, super-safe Unitized Knee-Action Ride.

H. and Harold Childs, Roy Huffacker, Tommy Markham, Jackie Weathers, Claude "Toodle" Chapman, Noble Wood, E. L. Short, Gerald Norman, James Davis, Walker and Alton Greer.

### Sewer Information

(Continued From Front Page) while the line is being constructed.

The city plans to discontinue the cesspool pumping service as soon as the sewer extension is in working order, because of the expense of operating it, Tate said.

The city is interested in eliminating outdoor toilets. The main purpose of the new sewer line, aside from better serving the community, is to create more sanitary conditions for the sake of public health, he explained.

J. M. Oliver, contractor for the sewerage disposal plant, this week put a quick-way shovel to work on the project and, by press

### Mr. Hudman's Yarn

(Continued From Front Page) Hudman to tell some stories about his folks because he figured nobody but him could possibly be interested. But this reporter was most interested in what he learned by relentlessly asking questions.

**Started Mineral Wells**  
Phineas W. Hudman and his father, Benjamin Turner Hudman, and Phineas' cousin, Dr. George Barber, started the town of Mineral Wells about 1882. It happened this way:

A fellow named J. S. Lynch owned most of the land which is now the city of Mineral Wells before 1882. He and his wife were in poor health, and Dr. Barber was their physician.

Lynch had hauled water for miles to his place for a number of years before finally having a well dug on his own land. The water didn't seem fit to drink, so Lynch continued to haul water.

But once in a while, he'd run out of hauled water and he'd have to use the well water to make coffee, etc. As they used time, was making rapid progress.

**Mr. and Mrs. L. L. Wright and Mr. and Mrs. R. E. Josey and daughter, Janie Lea, visited Thursday night in Lubbock with Mr. and Mrs. Howard Summers.**

the well water more and more, both Mr. and Mrs. Lynch began regaining their health.

Dr. Barber knew it wasn't his medicine that caused them to improve, so he had a sample of the well water analyzed and discovered its healthful qualities. He and the two Hudmans bought Lynch's land, cut it up into lots and started selling them to people who needed to move there and drink the water for their health.

**Made First Crystals**  
Phineas did a lot of experimenting with the water and, as a result, made the first crystals ever used there and operated the first commercial water well, which he called the Star Well. He also named the famous Crazy Water Well, and this is how that happened:

While Phineas was selling the water from the Star Well at so much a bottle, one of the new residents dug a well a block away and put a pump on it for the use of anyone who wanted it. Among Phineas' regular customers were a couple of spinsters who quit him when they discovered they could get the same water free, a block away. "There wasn't anything wrong with the two women to begin with, but they claimed the free water cured them, and so Papa nicknamed it the Crazy Well," his son told the Post Dispatch.

The new town of Mineral Wells boomed suddenly and J. B. Hudman's father was "making money hand over fist" when his wife died, leaving him with five boys to raise.

Phineas didn't feel right about raising the boys in the booming town, "which had as many saloons as other places of business," so he sacrificed his fortune to move his family back to Runnels County where an aunt of the boys could help take care of the youngsters.

#### Sacrificed Fortune

The family had lived up their fortune by the time of the "awful drouth of 1886 and 1887" and Phineas had to sell his lots and other properties in Mineral Wells, one by one, to buy the things needed to keep his family well fed and clothed. "I saw my father trade a lot that you couldn't buy today for \$10,000 for a horse which was needed on the farm."

J. B. Hudman recalled that times had certainly changed by the time he moved to Runnels County the second time. When he lived there as a small boy, it was a constant struggle with the Comanche Indians. The Indians won out in the long run, getting everything the Hudman family had in one destructive raid.
