## County Sets Tax Rate at 17.5 Cents; Names Swisher Man as County Agent

by Lonnie Welborn

The county tax rate was set at 17.5 cents and a new County Agent was named to replace Syd Conner when Garza County Commissioners' Court met in a regular session Monday, September 11.

The county tax rate for fiscal year 1989-90 was set at 17.5 cents per \$100 valuation and the budget was unanimously approved as worked. The approved budget lists total resources of \$2,310,270.73 and total expenses of \$1,629,090.98.

Lee Howard, current Swisher County assistant agent, was named new Garza County Extension Agent-Agriculture after county commissioners met with Bob Robinson, District Extension Director from Lubbock.

Robinson, in screening applicants for the position, received nine applications, four of which met the Extension Service's requirements for job performance, tenure and educational requirements.

After hearing the qualifications of the top two recommended applicants, the commissioners unanimously voted their approval of Howard.

Howard, who has been Swisher County assistant agent for five

years, is a graduate of Ballinger High School and received his bachelor's degree from Tarleton State University. He will receive his master's degree this fall from Texas Tech.

Howard and his family will move to Post in time for him to assume his duties October 1.

Joe Bragg, Texas Department of Health, Region II, Lubbock, spoke with the court about the law which became effective September 1 regarding installation of new septic systems.

According to the new law, permits will be issued by the state for new septic systems or repairs to existing systems and the state will conduct inspections after work is completed. The inspection fees will be paid to the state.

The county will be allowed to continue with plans for an employee to attend a certification school and then take over inspections, keeping the fees locally, but the county must first set an ordinance and hold a public hearing. Until these steps are followed and an employee is certified, the state will continue with the inspections.

The commissioners will study

Bragg's recommendations and announce their decision at their next meeting.

In other business, the commissioners voted to advertise for bids for janitorial services for the courthouse. Bids will be opened at 9

a.m., Monday, September 25, 1989.

Present at the September 11 meeting were County Judge E.A. Howard, Jr.; Commissioners Herbert Walls, John Valdez, Ted Aten and Sammy Ellis; Voda Beth Gradine; and Sonny Gossett.

## City Council Deals With Short Agenda at Meeting

by Lonnie Welborn

At a regular 7:30 p.m. meeting Monday, September 11, the Post City Council approved the budget for fiscal year 1989-90 as previously reviewed and discussed, and called for a public hearing on the budget at 12 noon Monday, September 25 at City Hall.

Working with an agenda listing few items, the council quickly took the following action:

- Approved Jerry Windham's request to move propane tanks to a new lot, subject to the approval of the Railroad Commission and subject to the approval of any city ordinance covering such moves.

- Voted to allow Plains Cotton Growers to use the local airport for its boll weevil spraying project, under the same agreement as in the past. Mayor Giles C. McCrary said the city would do whatever possible to fulfill conditions requested by PCG.

- Approved the first reading of an ordinance for revised sewage and sanitation rates, which will be finalized on the second reading at the next meeting.

- Re-appointed Jack Alexander as representative to the Garza County Appraisal Board.

- Approved Post Insurance Agency's \$15,474 renewal bid for building and liability insurance, with glass coverage added. This was the only bid received on building insurance.

- In the monthly report for the Post Community Center, Larry Mills reported that the center still had recurring problems with leaks and that the problem was in finding someone to fix the leaks.

Present at the Monday meeting were Mayor McCrary; Council members Irene Fry, Larry Waldrip, Dan Lamb, Jack Alexander and Larry Mills; Wanda Wilkerson; Bob Turner; and Harvey Morton.

## PCG to Spray Cotton; Bees Should be Moved

The Plains Cotton Growers, Inc. Diapause Boll Weevil Control Program Steering Committee, in cooperation with the Texas Department of Agriculture, will begin treating certain fields in Garza County for boll weevil on or about September 25 and continue until on or about November 15, 1989.

ULV Malathion will be applied by aircraft and it is toxic to bees.

If you have bees it is suggested that you move them outside the proposed boundaries of the control zone. If you desire additional information, please contact Roy Moritz or Ronnie Edwards in Spur at 806-271-3365.

## PMA Discusses Plans for Founder's Day, Holidays

At its regular monthly meeting at Jackson's Cafe, Thursday, September 7, the Post Merchants' Association chose not to sponsor a Thanksgiving promotion this year, but to put all its time and energy into a bigger Christmas promotion.

At the suggestion of PMA president Curtis Hudman, the group agreed to a fur coat as a Christmas giveaway. Loveta and Roy Josey have examined furs while at market and will make the choice for the Christmas drawing.

The merchants will also publish a Christmas catalog, similar to last year's, which will be mailed out to about 20,000 area homes.

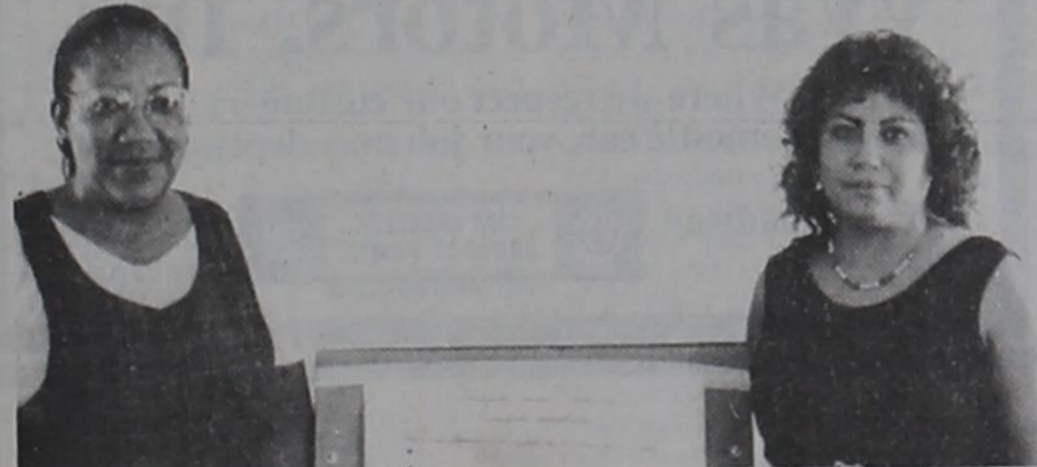

For Founder's Day, the merchants' association will again decorate planter boxes with balloons and streamers. Cards were handed out at the meeting, and each merchant will be called on to participate in the decorating program.

Kathryn Floyd, for the Post Chamber of Commerce, told the group that new tourism and economic development brochures had been received at the chamber and were now being mailed out in response to inquiries received by the office.

In her report on Main Street, Melissa Cunningham announced the next visit of Main Street architect Dem Jimenez and informed the PMA members of a hospitality training program offered by the Texas Department of Commerce through the Lubbock Chamber.

Hudman reminded everyone to fly football flags Friday in honor of the Post Antelopes opening game of the 1989 season with the Abernathy Antelopes.

Attending Thursday's meeting were Melissa Cunningham, Charles Hardin, Benny Jackson, Joe Harris, Ann Stelzer, Kathryn Floyd, Sanmie Pollard, Jim Pollard, Patty Kirkpatrick, Gayla Leary, Greg Pollard, Patty Wuenche, Charles Wallace and Curtis Hudman.

HEAD START TEACHERS - Grace Scott (left), Head Start head teacher, and Lorie Rivera, teacher, welcomed parents and friends to the school's recent open house.

OPEN HOUSE AT POST HEAD START - Parents were on hand to visit with their children and tour the school as Post's Head Start held an open house at 210 S. Avenue E, Friday, September 7.

## PEDC Optimistic About Wright Fibers, Inc.

Giles Dalby, of the PEDC, is optimistic about the future of Wright Fibers, Inc., in Post, and is hopeful that the company will be in production by spring. However, a contract between the PEDC and Wright Fibers has not been signed and won't be signed until all the financing has been arranged.

"Financing is the key to the whole project," Dalby said. "The PEDC has been working with Wright Fibers to obtain financing for the total packaging, even though the PEDC isn't responsible for those expenditures. PEDC has committed only to a 15 year lease with the company."

Dalby and City Manager Bob Turner were at South Plains Association of Governments recently with Herbert White and George Burke of Wright Fibers for a preliminary loan hearing, and Dalby said signs are favorable that the company will receive the necessary financing.

Dalby also said that some improvements would be made to the building before leases were signed.

## Michele Raben to Head Bike-A-Thon October 7

St. Jude Children's Research Hospital has announced that Michele Raben of Post will coordinate the St. Jude's "Wheels For Life" Bike-A-Thon here on October 7.

Founded by Danny Thomas in 1962, the St. Jude Children's Research Hospital is the largest childhood cancer research-treatment-education center in America. St. Jude is non-sectarian, interracial and provides medical care for over 3,200 active patients. Currently, over \$183,000 is needed each day to keep the doors open. These funds come primarily from public contributions.

The Bike-A-Thon program this year is dedicated to Ellen Marie Haynes of Rossville, Georgia who

received treatment at St. Jude Children's Hospital which consisted of surgery, radiation and chemotherapy. Ellen Marie is now off all therapy and, although she isn't cured of her cancer yet, her prognosis is good.

A spokesman for St. Jude Children's Research Hospital said, "We are grateful for the concern that Mrs. Raben has for our work and we hope the citizens of Post will support the Bike-A-Thon to help provide the funds that are needed to preserve the world's greatest asset - 'Our Children.'"

Riders who are interested in entering the Bike-A-Thon can call Michele Raben at 495-3249 after 5 p.m.

## Loan Servicing Meeting for Area Farm Borrowers

Area farmers with loans from the Farmers Home Administration are invited to a meeting on September 26, 1989, on how FmHA's computer program is used in considering loan servicing options such as rescheduling and write-downs.

FmHA County Supervisor Curtis Barlow has announced.

The meeting will be held at 1 p.m. at Levelland's Hockley County Fair Grounds, located one mile west of FM 300 from intersection FM 300 and U.S. 385.

Barlow said the meeting is particularly important for FmHA borrowers behind in their payments and those having difficulty with their loans.

"We will go over all the options available to those borrowers and explain how to go about finding one that will keep them in operation," Barlow said. "We will be putting emphasis on the Debt and Loan Restructuring (DALRS) computer program that was developed just for this purpose."

Barlow said DALRS does many mathematical calculations quickly and in a number of combinations in helping in the analysis of farm financial problems.

"If a restructuring plan exists that will keep the borrower on the farm, DALRS will find that plan, and that plan will minimize the cost of debt restructuring," he said.

DALRS was developed as a tool to help debt restructuring authorized by the Agricultural Credit Act of 1987. FmHA farm borrowers who are behind in their payments should, by all means, try to attend this meeting, Barlow said.

## 'Lopes Win First Game...

TAKING IT INTO THE END ZONE - Post Antelope quarterback Rance Sappington scampers around his left end headed toward the end zone during second half action at Abernathy last Friday. Post won the game 13-6 and is preparing for Homecoming Friday as the Idalou Wildcats visit Antelope Stadium for an 8 p.m. kickoff.

## See Details on Page 9...

## Post Middle School Open House

The Post Middle School will hold its annual Open House, Tuesday, September 19, 1989 from 6 p.m. to 7 p.m.

All parents and interested parties are invited to tour the school and meet the teachers at that time.

## Main Street Architect in Post September 19

Only three months remain for property owners to take advantage of the low-interest loan program for use in financing building rehabilitation projects through the Main Street Project.

Main Street architect Dem Jimenez will be in Post Tuesday, September 19 to meet with property owners and merchants interested in any type of design assistance.

To learn more about the loan program and/or to set up an appointment with the architect, please contact Melissa Cunningham at 495-4157.

## NEWS BRIEFS

### Cub Scout Meeting

All Cub Scouts, prospective Cub Scouts and their parents will meet at 7:30 p.m. in the school auditorium, Tuesday, September 19. This is an organizational meeting for the 1989-90 school year and will also serve to explain the scouting program to new Cub Scouts. If you need further information, call 495-3716 mornings or 495-3656 evenings.

### Post Exes' Homecoming Dance

Everyone is invited to attend the Post ex-student homecoming dance, Friday, September 15 from 9 p.m. to 1 a.m. at the Community Center. Tickets for the dance are \$5 per person.

### Steve Mason in Concert

Steve Mason, son of Gene Mason, will be presented in concert at the Graham Methodist Church on Wednesday, September 20 at 7 p.m. The public is invited to attend the concert.

### Senior Citizens' Gospel Singing

Everyone is invited to join the Senior Citizens in a gospel singing Saturday, September 16 at 7:30 p.m. in the Senior Citizens' Center.

### 4-H Calendar

September 18 - Extension Home Economics Committee meeting, 12 noon, Jackson's Cafe  
September 18 - Graham 4-H Club meeting, 7 p.m. Graham Community Center  
September 19 - Garza County Junior Livestock Association meeting, 7:30 p.m., Courthouse  
September 25 - Garza County 4-H Council meeting, 7:30 p.m., Courthouse

### Season Football Tickets

If you held season tickets for last year's Post Antelope football games, you have until Friday, September 15 to exercise your option on those same tickets for this season. Tickets are on sale in the Post High School principal's office and are \$15 per seat.

### Rotary Club Golf Tourney

The Post Rotary Club will sponsor a golf tournament at the Caprock Golf Course, Saturday and Sunday, September 23 and 24. The fee to enter the two-man scramble is \$45 per person. Interested players can sign up at the golf course or register by calling Charles Hardin at 495-2804 or Victor Ashley at 495-2801.

### 1988-89 Yearbooks Have Arrived

If you have not picked up your Post High School 1988-89 yearbook, you can do so now at the high school Learning Center from 8:00-11:45 a.m. and 12:30-4:15 p.m., Monday through Friday.

### Post CARES Needs Donations

Post CARES, located at 222 E. 8th, is in need of donations of all types of food, but is in desperate need of canned meats. If you would like to help out this worthwhile organization, Post CARES hours are from 1 p.m. to 3 p.m. Monday through Friday and would welcome your donations.

### Founder's Day Booths

Sponsors for food and drink concession booths are needed for the 1989 C.W. Post Founder's Day Celebration in October. With an expected attendance of over 6,000, including students from West Texas area high school bands, help is needed to feed the visitors. If you, your group or organization are interested in a space during the activities, call the Main Street office at 495-4157 or Barbara Hardin at 495-3987.

### Commodity Distribution

Commodities will be distributed Tuesday, September 19 from 9:30 a.m. to 12 noon and 1 p.m. to 3:30 p.m. at the 4-H Barn on the Lubbock Highway. Unless notice is received of a change, commodity distribution will continue on the third Tuesday of each month.

### Yesteryears...

by Lonnie Welborn  
As gleaned from the files of The Post Dispatch. Copies available on microfilm at the Post Public Library.

#### 10 Years Ago September 13, 1979

A Texas Aeronautics Commission inspector in a memo to the City of Post and Garza County recommended extensive maintenance work, including mowing a lot of high weeds, at the local airport. Inspector Bill Schnerr reported that his first impression was that it was an abandoned airport.

Charles Morris, who has worked for the Soil Conservation office here for three and one-half years, is being transferred to Spur to head that SCS office and is being promoted from conservationist to district conservationist. His wife, Phyllis, has resigned her position as secretary for the Chamber of Commerce.

Kevin Wright, new range conservationist, assumed his duties this week with the SCS.

Twenty thousand dollars was added to Post's new city budget for the employment of "an experienced administrator and municipal planner" to head local operations as city manager.

Members of the Post Greenhand FFA Chapter elected Jana Terry Greenhand queen.

Mark Holly was elected president of the Post High School "A" choir.

School burglars stole several hundred dollars worth of equipment from the Middle School and the band hall over the weekend.

#### 20 Years Ago September 11, 1969

The Post Public School District has been given a block-sized tract of land by Mr. and Mrs. Irby G. Metcalf, Jr. of Fort Worth, for future development as the schools see

fit. Pay raises for members of the Post Volunteer Fire Department were approved by the city council, and rates for firemen will go from \$2 per hour to \$2.50 an hour on fire calls.

Leading the cheers for the Antelopes this football season will be cheerleaders Pam Petty, Nancy Cook, Syan Thomas, Kay Altman, Sherry Bird and Pat Johnson.

Four sons and a daughter, and descendants of the late Mr. and Mrs. Robert Peel attended the annual reunion in the Rhome Community Center. Eighty-eight persons were present for the all-day gathering.

A roaring crowd of 650 packed the county 4-H building to eat all the food in sight and cheer the introduction of Post's five football coaches and the 143 boys on the Post schools' five teams.

Mr. and Mrs. Harold Lucas are off to Mexico City for an all-expenses paid weekend won for finishing as division runner-up in a Chevrolet sales contest.

#### 30 Years Ago September 10, 1959

Vernon Scott of Pleasant Valley has been named as a new assistant vice president of the First National Bank.

An \$80,000 building permit was issued for the construction of a new First Christian Church and church parsonage.

Hamilton Drug Store was burglarized again Sunday night with some \$20 in change stolen from a cash register and a .22 automatic pistol taken.

Garza County's milo harvest has begun and cotton pulling of the 1959 crop has started in the Close City and Graham areas.

Victor Hudman found his car jacked up and the right front wheel and tire missing when he went into the garage at his new home at 604 W. Main to leave for work

Wednesday. Wallace Simpson has sold the Post Food Lockers to the Jackson brothers, Bo and Jim, who have been operating the business.

Linda Payton will represent District 2 at the 4-H Club state contest in College Station.

#### 40 Years Ago September 15, 1949

Sheriff E.M. Bass issued the following announcement after commenting that automobile accidents were happening almost every week in Post and Garza County, with only a few of them being reported: "Anyone involved in a vehicle accident is required by law to report details of the mishap to the local sheriff, police or highway patrol. Failure to do so carries a \$100 to \$200 fine and suspension of driver's license."

Heading the Salvation Army Welfare Unit organized in Post recently are Clint Herring, Mrs. Marvin Hudman and George Barker.

Post pioneer Sam C. Wilks, whose father was an important rancher in this area more than 60 years ago, died at this home in Tullia Saturday.

Miss Lois Veach, daughter of Mr. and Mrs. J.J. Veach, became the bride of Herbert Walls, son of Mr. and Mrs. Pete Walls, Friday evening in Benjamin.

Raleigh Reece, new manager of the Pleasant Valley Gin, has added new equipment and completely overhauled all the other equipment and is ready to handle the cotton in the surrounding area.

A Southland school bus, driven by Wesley Scott, overturned about six miles this side of Southland when the steering gear got out of order. No children were aboard and the driver was not injured.

### Middle School Elects 1989-90 Student Council

In a recent election at Post Middle School, Student Council officers elected for 1989-90 were Cara Cash, president; Katina Davis, vice president; and B.J. Hart, secretary.

Eight grade Student Council representatives are Sara Hodges, Louie Almaguer, Lane Jones, Kelly Line and Radley Nichols.

Seventh grade representatives are Salli Bush, Jeramy Eilenberger, Michael Gomez, Holly Hardin and Brandi Puckett.

Sixth grade representatives are Lori Hudman, Sasha Menchaca, Amber Hammond, and Jimi Sparkman.

Debra Adams is the faculty advisor for the Student Council.

### Former Pastor to Lead September 19-24 Revival

Reverend Bill Dorrough of Maybank, Texas, will conduct a series of revival services at the Grassland Community Church of the Nazarene, September 19-24. Reverend Dorrough is a former pastor of the Grassland church, having pastored there from 1949 through 1952.

Services will be at 7:30 p.m. each evening, with Sunday services at 10:50 a.m. and 6 p.m.

Razzle Dazzle

### Senior Citizens' Day at Golden Plains Center

Over 70 people, including residents, staff and families, were entertained by "Razzle Dazzle," a clown-magic act, on Senior Citizens' Day, August 24 at the Golden Plains Care Center.

Also on the program was a jump rope demonstration by Heather Hall, of Odessa, who set two new records this summer at the Texas Rope Skipping Camp at Sam Houston State University in Huntsville.

Drawings were held for door prizes which were awarded during the program, and each resident was presented with a gift.

Making the Senior Citizens' Day program possible were: Higginbotham-Bartlett Company, My Special Place, Pettit & Son Welding & Machine Shop, Post Beverage Barn, D&W Auto Parts, VOR Transport & Concrete, Post Fashion Cleaners, Post Movie Magic;

Wallace Lumber Company, Terry's Tire Shop, Young & Young Oil & Gas, Modern Beauty Shop, South Plains Answering Service, Jackson Brothers Meat Packers, Castillo Well Service, McCrary & Franklin, Inc., Circle F Glass Co., B&H Gulf, Seals Furniture & Appliance Sales & Service, Peel's Conoco Service;

Johnny Davenport Horseshoeing, Holly's Drive In, Caprock Golf Course, Tom Power Insurance Agency, Cash & Carry Farm & Ranch Store, C&T Rental Tools, Bryan Williams & Son, The Prairie Flower Shop, Wells Pharmacy, Maurine's Flowers, Jan's, United Super Market, Inc., Bob Collier Drug Co., Anne's Beauty Salon and Southland Butane Co.

### Post School Menu

- Monday, September 18  
Breakfast - Oatmeal, toast, sausage, orange juice, milk.  
Lunch - Corn dog, carrot coins, French fries, pears, cookies, milk.
- Tuesday, September 19  
Breakfast - Asst. cereal, toast, peanut butter, honey, fresh fruit, milk.  
Lunch - Enchiladas w/sauce, Spanish rice, cabbage slaw, pinto beans, sliced peaches, milk.
- Wednesday, September 20  
Breakfast - Sweet rolls, fruit, milk.  
Lunch - Chicken strips, gravy, green beans, whipped potatoes, fruit cocktail, hot rolls, milk.
- Thursday, September 21  
Breakfast - Malt-o-meal, bacon, toast, orange juice, milk.

by Lonnie Welborn

**Birthday Breakfast**  
To celebrate Pearl Nance's birthday, a group of friends honored her with a 9 a.m. birthday breakfast at Jackson's Cafe, Saturday, September 2.

Wishing Pearl a happy birthday and enjoying the card shower were Lillian Nance, Bonnie Ruth Stewart, Willie Key, Vada McCampbell, Fannie Ballentine, Ruby Carpenter, Hooter Terry, Velma Brown, Doll Haire, Maudie Smith, Katharine Cathcart, Lucy Callis, Eleanor McCrary, Dorace Wilson, and Dorace's brother W.E. Howard of Marble Falls.

**Unlawful Milk Crates**  
Plastic milk crates are something I don't usually give a lot of thought to. You know the kind I mean - those colorful milk crates you usually find stacked behind grocery stores. They are great for storing most anything - and in dorms or first apartments they make neat shelves, etc.

Well not anymore they don't - the days of the free milk crate are over, and using them or even possessing them can mean a big fine.

It's true. Effective September 1, 1989 any person who is illegally in possession of a milk case or cases, shall, upon conviction, be sentenced to pay a fine not exceeding \$300 for each case. And the fine also applies if you remove the name of the dairy

from the crate and try to pretend you bought it or got it with S&H Green Stamps.

I wouldn't have thought that a few milk crates could cause so much trouble, but according to the Dairy Products Institute of Texas, the state had a loss last year amounting to over seven million dollars. If you figure around \$3 a crate retail (which is what I was told they cost in stores), you're talking about a lot of milk crates.

But, you have a "grace period" of 60 days...that runs to November 1...to return your purloined milk crates. After November 1, watch out.

And you'll also be glad to know that this same "Milk Crate Legislation" applies to shopping carts, bread trays, laundry carts and egg baskets.

**Newcomers to Post**  
Welcome to Gary Layman, his wife Lessie, and their children Jamie, Jodie, Kim and Clint, who are now getting settled in their home in Post.

Gary is Post's new Energas representative and replaces Rick Maestas, who was promoted and transferred to Lubbock.

**Texas Taxes**  
Bob Bullock is living in the past again. He proved it recently when the State Comptroller's office released figures from a study that show Texas collected and spent

fewer tax dollars per person than any other state in 1987.

Analyzing census data, Bullock's office discovered that Texas received \$1,168 per capita in general revenue in 1987 and spent \$1,148 - about one-third less than the national average for all 50 states.

According to the study, Texas' total revenue collections per person are the lowest in the nation, largely because the state has no personal income tax - and I get just as nervous as you do when Bullock or anyone in Austin mentions state income tax in reference to anything.

In all, the Comptroller's study indicates that, way back in 1987, Texas ranked:

- 50th among states in revenue collected per person;
- 50th in spending per person;
- 50th in per capita salary and wage expenditures;
- 49th in per capita welfare spending;
- 48th in health spending per person;
- 46th in per capita expenditures on interest for general debt;
- 37th in spending per person on corrections;
- 36th in per capita sales tax collections;
- 36th in spending per person on hospitals;
- 35th in highway spending per person;

would enable the legislature to provide, by general or special law, that members of a hospital district board may serve terms not to exceed four years. Currently, hospital district board members' terms are two years.

The proposed amendment will appear on the ballot as follows:

"Authorizing the members of a hospital district governing board to serve four-year terms."

## PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 40 proposes a constitutional amendment that would change the format of the oath of office for officeholders in this state. All elected and appointed officers would be required to take an oath or affirmation swearing to faithfully execute the duties of office and to preserve, protect, and defend the constitution and laws of the State and the United States. In addition, each elected and appointed officer would be required to sign a sworn statement that he or she had not paid, offered, or promised anything of value for a vote or to secure appointment to an office, as applicable. The written, sworn statement would be filed with the secretary of state. The information in the statement is currently contained in the oaths of office taken by elected and appointed officials.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to require that a member of the legislature, the secretary of state, and an elected or appointed officer, before assuming office, sign a written oath stating that the member, the secretary of state, or the officer did not engage in bribery to obtain the office."

## PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 24 proposes a constitutional amendment that would allow the legislature to authorize the issuance of up to \$400 million in general obligation bonds. The proceeds of the bonds could be used to acquire, construct, or equip new corrections institutions, mental health and mental retardation institutions, youth corrections institutions, and statewide law enforcement facilities and to repair and renovate existing facilities of those institutions. The bonds would constitute a general obligation of the state. The bonds and interest on the bonds would be paid from the first money coming into the treasury that is not otherwise appropriated by the constitution, less any amount in a sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the issuance of general obligation bonds for projects relating to facilities of corrections institutions, youth corrections institutions, and mental health and mental retardation institutions and for the expansion of statewide law enforcement facilities."

## PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 101 proposes a constitutional amendment that would authorize the legislature to pass laws to organize and combine state agencies that perform criminal justice functions. The legislature could combine into one or more agencies all agencies that have authority over the confinement and supervision of convicted criminals, that set standards for or distribute state funds to political subdivisions with authority over the confinement and supervision of convicted criminals, and that gather information about criminal justice administration. Agencies that could be combined would include the Texas Department of Corrections, the Board of Pardons and Paroles, and the Texas Adult Probation Commission. The amendment would also authorize the legislature to pass laws authorizing the appointment of members of more than one department of government to serve on the governing body.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to organize and combine various state agencies that perform criminal justice functions."

29th in per capita education spending; and  
- 25th in per capita motor fuels tax collection.

The figures are good to have, I suppose; but I think Bob Bullock summed up the entire report with one sentence, "Our state government asks less from and basically gives less to each of its citizens than does any other state."

## Chamber of Commerce

Kathy Floyd gave us a sneak preview of one of the new tourism and economic development brochures the Chamber of Commerce is now mailing out to interested parties - and it is a very impressive presentation. The brochure has information on the history of Post, a recreation and entertainment guide, a buyers' guide, an economic development profile and data on the community.

At last report, the chamber had mailed out 76 brochures to interested parties who had responded to the "High Ground Program" advertisement that's the program about 20 area chambers participated in to advertise and promote their cities in *Area Development* magazine. The magazine goes to businesses and manufacturers.

It's good to know so many people are interested in us.

## PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 4 proposes a constitutional amendment that would authorize the legislature to enact laws requiring or permitting judges to advise juries that a defendant convicted of a criminal offense can receive credit for good conduct that results in a shorter prison term and that eligibility for parole or mandatory supervision can also affect the length of time a convicted criminal serves in prison.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to require or permit courts to inform juries about the effect of good conduct time and eligibility for parole or mandatory supervision on the period of incarceration served by a defendant convicted of a criminal offense."

## PROPOSITION NO. 11 ON THE BALLOT

House Joint Resolution 102 proposes a constitutional amendment that would increase the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount allowed for federal income tax purposes as of January 1 of that same year as a deduction for living expenses incurred by a state legislator. The per diem of \$30 would increase to \$81, which is the current maximum living expense deduction.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to set the amount of per diem received by a member of the legislature at the amount allowed for federal income tax purposes as a deduction for living expenses incurred by a state legislator in connection with official business."

## PROPOSITION NO. 12 ON THE BALLOT

Senate Joint Resolution 53 proposes a constitutional amendment that would authorize the legislature to provide for the use of the permanent school fund and the income from the permanent school fund to guarantee bonds issued by the state for the purpose of providing loans or purchasing the bonds of school districts to acquire, construct, renovate, or improve instructional facilities. If the permanent school fund were required to make payment as a result of its guarantee of bonds issued by the state, the fund would have to be reimbursed immediately from the state treasury. The amount of bonds guaranteed by the permanent school fund could not exceed \$750 million unless a higher amount was authorized by a two-thirds vote of both houses of the legislature. If a school district were to become delinquent on a loan, the amount of the delinquency would be offset against other aid to which the district was entitled.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for using the permanent school fund and its income to guarantee bonds issued by the state for the purpose of aiding school districts."

## PROPOSITION NO. 13 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that would provide a bill of rights for crime victims. This constitutional amendment would give crime victims the right to be treated with fairness and respect and to be reasonably protected from the defendant. On his request, the crime victim would have the right to notification of court proceedings, the right to be present at all public court proceedings unless a court determines that the victim's testimony would be affected by hearing other testimony, the right to confer with a representative of the prosecutor's office, the right to restitution, and the right to information about the conviction, sentence, imprisonment, and release of the defendant. The legislature would be authorized to enact laws to define the term "victim," to enforce the rights of crime victims, and to provide that certain public officers and agencies are not liable for a failure to protect a victim's rights.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment

# 'Wait Until Dark' Opens September 14 in Lamesa

What part do a child's doll and a refrigerator play in the life and death struggle of an innocent blind woman? Find the chilling answer as the Lamesa Community Players present Frederick Knott's classic suspense-thriller "Wait Until Dark."

This production, the third of the 1989 theater season, will begin at 8 p.m., Thursday, September 14 and 16 and September 21, 22 and 23. Tickets are \$5 and may be purchased at the theater 214 N. Austin Avenue, Monday through Saturday, 2 p.m. to 6 p.m. For reservations call the theater at 872-2705.

Director Ron Rives and assistant director Ann Duran promise a play that will keep you on the edge of your seat as it builds to a breathtaking conclusion.

Cast of characters includes Ron Rives, Candace Hansen, Clay Merrill, Bill Merrill, Le'Ann Duran, Tim Chaplin, Ron Walton and James Lieck.

Gruyere is a variation of Swiss cheese with a slightly sweeter flavor due to natural flavoring enzymes. No coloring or bleached milk is used, as may be the case with some Swiss cheeses.

## PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 7, 1989

### PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 102 proposes a constitutional amendment that would increase the salary of members of the legislature to one-fourth of the Governor's salary and increase the salary of the Lieutenant Governor and the Speaker of the House of Representatives to one-half of the Governor's salary. The annual salary of members of the legislature, the Lieutenant Governor, and the Speaker of the House of Representatives is currently \$7,200. Under this provision, the annual salary of the Lieutenant Governor and the Speaker would be \$46,716, and the annual salary of members of the legislature would be \$23,358, based on the Governor's current annual salary of \$93,432. The increase for the Speaker and the members of the legislature would take effect when the legislature convenes for its regular session in January 1991. The increase for the Lieutenant Governor would take effect when the term of that office begins in 1991. The salary increase for the Lieutenant Governor would not make members of the legislature ineligible to run for the office of Lieutenant Governor.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to limit the salary of the lieutenant governor and the speaker of the house of representatives to not more than one-half of the governor's salary and to limit the salary of a member of the legislature to not more than one-fourth of the governor's salary."

### PROPOSITION NO. 2 ON THE BALLOT

Senate Joint Resolution 5 proposes a constitutional amendment that would authorize the Texas Water Development Board to issue an additional \$500 million of Texas water development bonds. The additional bonds are to be used as follows: \$250 million of the bonds are to be used for water supply loans and facilities acquisition; \$200 million of the bonds are to be used for water quality enhancement projects; and \$50 million of the bonds are to be used for flood control. The legislature may provide that \$100 million be used for subsidized loans and grants to economically distressed areas of the state for water and wastewater facilities.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the issuance of an additional \$500 million of Texas water development bonds for water supply, water quality, and flood control purposes."

### PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 51 proposes a constitutional amendment that would authorize the legislature to provide for the issuance of general obligation bonds to provide money to establish a Texas agricultural fund, a rural microenterprise development fund, a Texas product development fund, and a Texas small business incubator fund in the state treasury. The Texas agricultural fund would be used to provide financial assistance to develop, increase, improve, or expand the production, processing, marketing, or export of crops or products grown or produced in Texas by Texas agricultural businesses. The rural microenterprise development fund would be used to stimulate the creation and expansion of small businesses in rural areas. The Texas product development fund would be used to aid in the development and production of new or improved products in this state. The Texas small business incubator fund would be used to stimulate the development of small businesses in the State.

The principal amount of bonds outstanding at one time could not exceed \$25 million for the Texas agricultural fund and \$5 million for the rural microenterprise develop-

ment fund. The financial assistance offered by both funds could include loan guarantees, insurance, coinsurance, loans, and indirect loans or purchases or acceptances of assignments of loans or other obligations. To carry out the Texas product development fund, the legislature could authorize loans, loan guarantees, and equity investments, and the issuance of up to \$25 million of general obligation bonds for initial funding. To carry out the Texas small business incubator fund, the legislature could authorize loans and grants of money, and the issuance of up to \$20 million of general obligation bonds for initial funding.

Bonds authorized under this amendment would be paid out of the first money coming into the treasury in each fiscal year that is not otherwise appropriated by the constitution, less any amount in any interest and sinking account at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to provide for the recovery and further development of the state's economy, with goals of increasing job opportunities and other benefits for Texas residents, through state financing of the development and production of Texas products and businesses."

### PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 13 proposes a constitutional amendment that would authorize the legislature, by general law, to exempt from ad valorem taxes property owned by nonprofit veterans organizations that are chartered or incorporated by the United States Congress.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to exempt property of nonprofit veterans organizations from ad valorem taxation."

### PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 11 proposes a constitutional amendment that would provide an exemption from ad valorem taxation for goods, wares, merchandise, other tangible personal property (including aircraft), and ores (other than oil, gas, and petroleum products) if the property is acquired in or imported into the state and is destined to be forwarded out of the state, regardless of whether the intention to forward the property existed when the property was acquired or imported into the state, if it remains in Texas for 175 days or less for assembly, storage, manufacture, processing, or fabrication. The proposed amendment would authorize the governing body of a county, municipality, school district, or junior college district to prevent the exemption of this tangible personal property from taxation by taking official action before April 1, 1990. A county, municipality, school district, or junior college district could rescind a decision to tax the property, in which case the exemption would become effective in the year of the rescission and the property could not thereafter be taxed.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment promoting economic growth, job creation, and fair tax treatment for Texans who export goods to other states and nations by restoring and allowing, on a local option basis, an ad valorem tax exemption for certain personal property that is in Texas only temporarily for the purpose of assembling, storing, manufacturing, processing or fabricating."

### PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment that

providing a bill of rights for crime victims."

### PROPOSITION NO. 14 ON THE BALLOT

Senate Joint Resolution 71 proposes a constitutional amendment that would require the district attorney in Fort Bend County to be elected and serve terms at the same times as criminal district attorneys in the state. Currently, criminal district attorneys are elected in gubernatorial election years and district attorneys are elected in presidential election years.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment requiring a district attorney serving in Fort Bend County to be elected and serve a term in the manner provided by general law for criminal district attorneys."

### PROPOSITION NO. 15 ON THE BALLOT

House Joint Resolution 32 proposes a constitutional amendment that would authorize the legislature, by general law, to permit charitable raffles conducted by qualified nonprofit organizations. The amendment would require that the raffles be conducted, promoted, and administered only by members of the qualified nonprofit organizations and that the proceeds from the sale of raffle tickets must be spent for the charitable purposes of the organizations.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to permit and regulate raffles conducted by certain nonprofit organizations for charitable purposes."

### PROPOSITION NO. 16 ON THE BALLOT

Senate Joint Resolution 34 proposes a constitutional amendment allowing the legislature to pass general laws authorizing the creation of hospital districts upon approval of a majority of the qualified voters of the district. The amendment would also permit the legislature to authorize the creation of hospital districts by general or special law in counties with populations of 75,000 or less and to authorize the commissioners courts of such counties to levy ad valorem taxes and issue general obligation bonds for the support and maintenance of such districts.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment granting to the people the right to decide whether to create and maintain hospital districts to protect the public well-being in a manner independent of the legislature."

### PROPOSITION NO. 17 ON THE BALLOT

House Joint Resolution 33 proposes a constitutional amendment that would allow the legislature, by general law, to authorize the use of public money to provide local fire departments and other public fire-fighting organizations loans or other financial assistance to purchase fire-fighting equipment and to aid in complying with federal and state law. The legislature would also be allowed to authorize the use of public money for scholarships and grants to educate and train members of these organizations. Part of the money could be used for administrative costs of this program. The legislature would provide for the terms and conditions of all such scholarships, grants, loans, and other financial assistance.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the state to provide scholarships, grants, loans, and other financial assistance to local fire departments and other public fire-fighting organizations to purchase fire-fighting equipment, to aid in providing necessary equipment and facilities to comply with federal and state law, and to educate and train their members."

### PROPOSITION NO. 18 ON THE BALLOT

Senate Joint Resolution 44 proposes a constitutional amendment that would repeal subsection (e) of Article III, Section 50-d of the constitution. Article III, Section 50-d currently allows the Texas Water Development Board to issue and sell Texas agricultural water conserva-

tion bonds in an amount not to exceed \$200 million, if two-thirds of the members of each house of the legislature approve. Under subsection (e), this authority will expire in November, 1989. Repeal of subsection (e) by passage of this amendment would continue in effect the authority to issue and sell the bonds.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to eliminate certain time limitations relating to the issuance of Texas agricultural water conservation bonds."

### PROPOSITION NO. 19 ON THE BALLOT

Senate Joint Resolution 59 proposes a constitutional amendment that would allow local governments to invest their funds as authorized by the legislature. Currently, the constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company prevents local governments from making some kinds of investments. This proposed amendment would allow local governments to make any investments authorized by the legislature.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize local governments to invest their funds as provided by law."

### PROPOSITION NO. 20 ON THE BALLOT

Senate Joint Resolution 16 proposes a constitutional amendment which, if passed, would abolish the office of county surveyor in Cass, Ector, Garza, Smith, Bexar, Harris, and Webb Counties. A majority of the voters in an affected county must vote in favor of this proposed amendment before the office is abolished in that county. If the office of county surveyor is abolished in any of these counties, the powers, duties, and functions of the office are transferred to a county officer or employee designated by the commissioners court of the county in which the office is abolished.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to abolish the office of county surveyor in Cass, Ector, Garza, Smith, Bexar, Harris, and Webb Counties."

### PROPOSITION NO. 21 ON THE BALLOT

Senate Joint Resolution 74 proposes a constitutional amendment that would authorize the legislature to enact laws authorizing the Texas Higher Education Coordinating Board or its successor to provide for, issue, and sell an additional \$75 million in general obligation bonds as college savings bonds. The form, terms, and denominations of the bonds would be prescribed by law. The interest rate and installments would be prescribed by the Texas Higher Education Coordinating Board or its successor. The maximum net effective interest rate would be set by law. Proceeds from the sale of the bonds would be credited to the Texas opportunity plan fund, which is used to make loans to students to attend institutions of higher education in Texas. The bonds and interest on the bonds would be payable from the first money coming into the treasury in each fiscal year that is not already appropriated by the constitution, less the amount remaining in the sinking fund at the close of the prior fiscal year.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the issuance of general obligation bonds as college savings bonds to provide educational loans to students and to encourage the public to save for a college education."

# Radle, Stiffler...

## Exchange Wedding Vows August 26

Kristi Radle and Chris Stiffler exchanged wedding vows Saturday, August 26, 1989 at 7 p.m. in the Post Church of Christ, with Paul Jones officiating.

The bride is the daughter of Darrell and Susan Radle of Post. The groom is the son of Mrs. Dee

Ewing of Solana Beach, California and Stanley and Rosalyn Stiffler of Medina, Ohio.

The altar featured a scrolled, heart-shaped brass arch decorated with greenery, wedgwood blue bows, a unity candle and two brass candelabra. Two fan-shaped ar-

rangements backed with lattice screens completed the scene.

Given in marriage by her father, the bride wore a gown of lace and satin. The bodice, encrusted with iridescent sequins and seed pearls, featured a sweetheart neckline and puffed sleeves.

The front of the dress was adorned with sequin and pearl designs and a scalloped lace hem. The back of the dress, which had pearl buttons, cascaded into a cathedral-length train. The bride also wore a pearl necklace borrowed from her grandmother, a blue garter and new pearl earrings.

The bridal bouquet was made of mauve silk roses accented with blue forget-me-nots and trimmed with pearls and satin ribbons.

The maid of honor was Suzanne Hilton, cousin of the bride. Serving as bridesmaids were Teresa Lofton, a long time friend, and Wendy Heame, a college friend.

The bridesmaids dresses were mauve taffeta with full skirts, overlaid with lace, and sweetheart necklines highlighted with shoulder bows. The maid of honor wore an identical dress in Wedgwood blue. All the attendants carried silk rose bouquets.

Best man was Jay Criden, of Ohio, and groomsmen were Steven Hilton, cousin of the bride, and Michael Radle, brother of the bride. The groom and his attendants all wore black tuxedos with blue or mauve cummerbunds.

Kelci Hart and Camie Payne served as candlelighters and wore identical old-fashioned white dresses trimmed with blue satin ribbons. Kaycee Osborne, flower girl, wore a three-quarter length mauve and blue flowered dress trimmed with lace.

John Radle, brother of the bride, serving as ring bearer, wore a black tuxedo with blue cummerbund.

Ushers were David Hilton, cousin of the bride, and Jim Stiffler, brother of the groom.

Singers were Jane Mason, Amy Easterling, Mendy Dalby, Joe Gregory and Carol Tobias.

A reception followed in the church fellowship hall. The tables were covered with white cloths, and the hall was decorated with white streamers, doves, wedding bells and pink and white balloons.

The bride's table featured a three-tier white cake with mauve flowers and was topped with a "Precious Moments" figurine. A silver punch bowl held the punch which was served along with sausage balls, mints and nuts. A ceramic wedding carousel, made and presented to the couple by Peggy Lofton, highlighted the table.

The groom's table held a silver coffee service, a floral arrangement, chocolate kisses and a chocolate sheet cake decorate with the United States Marine insignia.

Members of the house party included Penny Haworth, Teresa Crenshaw, Kay Haworth and Evelyn Hilton.

After a wedding trip to Medina, Ohio, the couple will reside at Camp Pendleton, California.

The rehearsal dinner, hosted by Mr. and Mrs. Stanley Stiffler was held at Jackson's Cafe banquet room. A barbeque buffet was served. The tables were covered with blue cloths and were decorated with white candles and a wedding bell centerpiece. The bride's grandparents, Mr. and Mrs. E.P. Gill, were also honored with a cake for their 52nd anniversary.

The bride is a graduate of Post High School and the Great Lakes Naval Hospital School in Great Lakes, Illinois. She has attended Snyder Junior College and Lubbock Christian University in preparation for nursing school.

The groom is a graduate of Medina High School and is currently serving in the United States Marine Corps. He is stationed at Camp Pendleton, California.

Mrs. Chris Stiffler

# TO OUR CUSTOMERS

## News Release

### UNITED SUPERMARKETS TO DROP S&H GREEN SEALS PROGRAM

United Supermarkets will end over 30 years of giving S&H Green Seals in their stores November 4, 1989.

A spokesman for United made the following statement: "For over 70 years our company has kept the best interest of our customers in mind in all our decisions. That is still our intent today. Although some people may argue with it, research and our hands-on experience tells us that more and more people are becoming uninterested in seals as a premium. The excitement of redeeming filled Green Seal books seems to be declining. This leads us to believe there is a declining interest in seals."

"More flexibility in advertising and new marketing concepts will come from this decision. The need to update programs to the changing desires of our customers is behind this change."

"It is our intention to become even stronger in the communities we serve with strong promotions, new marketing concepts, and the best service anywhere with our "Personal Touch" approach." said the United spokesman.

# Crosby County Ag Day to Examine Water Use

Farmers in the Crosby County area who want to get the best use from each gallon of water will get some "down to earth" help at the Crosby County Agriculture Day in Crosbyton, Tuesday, September 19. Water is a major factor in crop production in many ways, said Darrell Dromgoole, Crosby County agent with the Texas Agricultural Extension Service. It is a precious resource which must be carefully used, a cost factor in crop inputs, and an economic factor in yield and profit determinations, he said. The Agriculture Day program, with water as its theme, will begin at 10 a.m. at the Crosby County Memorial Building, U.S. Highway 82. A noon meal will be provided.

Featured speakers will include Dr. Robert Metzger, Extension Service agronomist and cotton specialist from College Station; Leon New, Extension Service agricultural engineer and irrigation specialist from Amarillo; and Dr. William Lyle, professor of irrigation engineering with the Texas Agricultural Experiment Station in Lubbock. Also, Ms. Becca Williams of the High Plains Underground Water District No. 1 in Lubbock and Dr. Jackie Smith, Extension agricultural economist and management specialist at Lubbock.

Area irrigation equipment dealers and suppliers will display the latest materials.

## Do you feel as safe in your neighborhood as you do in your own home?

Fred McGillivray does. One reason is because his neighbors organized a Neighborhood Watch and a volunteer escort service for Fred and other senior citizens. For more information on what you can do to help make your neighborhood safer for everybody, write to me, McGruff the Crime Dog, P.O. Box 362, Washington, D.C. 20044. And help me... # 'Lopes Win Opener 13-6

by Wes Burnett

The Post Antelopes opened up the 1989 football season with a 13-6 win at Abernathy last Friday night in a defensive struggle mired by a rain and lightning storm in the final minutes of the first half.

Lannie Lee put the Antelopes into the end zone first and in the second half quarterback Rance Sappington ripped through defenders for the final touchdown.

The Post defensive unit did what it had to do to stop Abernathy's highly volatile quarterback Steve Peebles, who runs the Wishbone-T offense.

The first Abernathy series following the kickoff penetrated to near midfield and on first down at the Abernathy 49 fullback Scott Ataway was hit at the line of scrimmage by a swarming Post defensive charge, the ball popped loose on the ground and Trey Jones scooped it up for Post.

Lannie Lee blasted through defenders around right end to the 19 and then over left end to the 11 and on second down Sappington's pass in the end zone was intercepted by Ataway, stopping the Post drive.

The first quarter ended after an exchange of punts with Post in possession at their own 47 yard line.

Five plays later Lee ran through a gaping hole over right tackle to the end zone following a 53 yard scoring drive which featured a first down pass from Sappington to Bobby Blair to the Abernathy 19, then Lee on a pitchout around left end to the four, Lee again over right guard to the one-half yard line, a similar effort for no gain and then on third down Lee bounced off right guard and into the end zone. Junior Gonzales put the football through the uprights for the extra point and the 'Lopes led 7-0 with 10:11 remaining in the first half.

Another stout defensive effort forced an Abernathy punt, but the Post offense ran out of downs at the Antelope 30 yard line. With 5:57 left in the second quarter Abernathy mounted a serious threat to the end zone which was finally stopped at the Post 29 when Peebles fumbled the ball and Jay Whitehead came up with it for Post at their own 29 yard line.

A spurt toward the end zone by the 'Lopes was cut short by a heavy rain and wind as time ran out and fans scrambled for cover from the thunderstorm.

## Second Half Action

Post took the opening kickoff of the second half and marched smartly to the Abernathy 40 behind the running of Lee and Darren Brown. A penalty on second down put the 'Lopes back to the Post 24 and then a Sappington pass intended for Kevin Williams was picked off by Freddy Tovar and the defender raced the 30 yards to the end zone for the lone Abernathy score. The point after attempt failed and with 9:24 left in the second quarter Post led 7-6.

A 15 play drive to the Abernathy 16 yard line, featuring clutch pass receptions by Bill Rankin, Brown and Floyd Slay and hard running by Brown was snuffed on a fourth down effort from the 22 to the 16 yard line.

Abernathy pulled out a shot-gun formation on their next series, maintaining an eight play drive before the Post defense figured out a way to stop the drive, forcing a punt from the Abernathy 34 following a crucial third down sack of Peebles by Rankin and Victor Chapa.

## Final Scoring Drive

Post opened up the final scoring effort with 11:16 left on the game clock early in the fourth quarter from their own 46 yard line.

Brown took the handoff over left tackle to the 49 and a late hit penalty on Abernathy set the ball at the host team's 35.

Brown then got the ball over left tackle, broke through two defenders and on second effort squirted to the 19 and Sappington followed on first down with a keeper around left end to the 14.

A pass to Roger Adams in the end zone was broken up and on third down Slay took the ball over right guard to the 11.

Brown kept the drive alive as he pushed and shoved his way over left guard to the nine, setting up a measurement by the officials and a first down by 18 inches.

Brown then went over right tackle to the seven and that looked good to the coaching staff who called his number one more time and Brown went into the end zone...the bell rang, the fans cheered, and then the flag on the ground sent ripples through the air as Post was penalized for being off-sides and the ball was set down at the 11 yard line.

Following a time out with 7:47 left in the game, Sappington rolled to his

left, broke through the initial defenders at the line of scrimmage and then went untouched the final 10 yards to the end zone, and with 7:41 left in the game the 'Lopes led 13-6. Gonzales' extra point attempt sailed too far left.

## Defensive Struggle

The Post defense, led by Chapa, Whitehead, Holleman and Rankin gave up a first down, then held at the 21 on third down as Peebles was sacked behind the line by Whitehead and Holleman, setting up a punting situation.

Post got the ball at the Abernathy 42 and drove to the 26 before a fourth down pass to Matt Holly in the end zone went incomplete.

Abernathy got the ball with 1:01 left in the game and the defense held for the four downs, the offense came to the field and took a snap with 27 seconds left, allowing the clock to expire.

Next week the Antelopes host Idalou for the traditional Homecoming contest.

DEFENSIVE SECONDARY STRATEGY - Coach Mitchell Rasberry gives instructions to defensive secondary players (left to right) Jay Whitehead (24), Roger Adams (80), Darren Brown (11) and Rance Sappington (14) during second half action at Abernathy last Friday.

# Idalou Poses Threat to Post Secondary

by Wes Burnett

"We've got a lot of work and lots of room for improvement," Post Antelope head coach Dewayne Osborne comments about the football team's opening game at Abernathy and preparation for this Friday's Homecoming tilt with Idalou.

"Of course we are pleased we won the game," Osborne adds, "and I think we did a good job on defense, you know, we held Abernathy to a total of 113 yards offense and only 19 yards the second half, with zero yards rushing in the final two quarters."

"Except for the one interception, Abernathy would not have scored," the coach added.

Looking to Friday night, Osborne says that the Wildcats are a scrappy bunch, who play hard and match up with Post in size.

"We have to stop them from throwing, and keep their best receiver from getting the jump on us," the coach observes. Quick end senior Cliff Alexander is considered a good receiver who is tall and has excellent speed.

Senior quarterback Chris Criswell has good speed and throws the ball "good enough to get the job done."

On defense, sophomore Brent Respondek rates high, along with senior Louis Mora.

The interior offensive line is small, but gets off the ball quick. Best ball carrier appears to be senior tailback 165 pound Travis Becton.

The Wildcats run 52 percent and pass 48 percent, showing a balanced attack and they like to throw the ball, giving the Antelope secondary a real challenge. Linebackers Becton and senior Billy Hutson are quick and pursue well. The Antelopes will have to block Becton if the running game is to succeed.

Idalou lost to Floydada 25-13 in its opening game last Friday.

ONE MORE FIRST DOWN - Post Antelope receiver Bobby Blair grabs a Rance Sappington pass for another first down during last Friday's 13-6 win at Abernathy.

'LOPE ON THE LOOSE - Antelope tailback Lannie Lee scampers around his left end on the way to another first down during first half action at Abernathy last Friday night.

JUNIOR VARSITY IN ACTION - Willie Barbosa (30) rambles through Abernathy defenders for the Post Junior Varsity football team during the winning game here last Thursday.

HIRAM GUTIERREZ (24) shows his stuff as he races for another Junior Varsity first down during Thursday's winning contest here with Abernathy.

The Sports Medicine Center of the Southwest is a comprehensive treatment program for the competitive athlete as well as the general sports enthusiast. It features a state-of-the-art diagnostic and rehabilitation facility equipped to care for most any sports related injury. The center is operated under the direction of a team of physician specialists, plus registered physical therapists and an exercise physiologist. The entire team is in tune with the special needs of athletes and their desire and determination to excel. They understand the frustration an injury can impose on them. But more important, this team has the know-how to treat an injury and put the athlete back in condition as quickly as possible.

- Pre-season Physical Exams
- X-ray Equipment
- Body Composition Assessment
- Body Mechanics Evaluation
- Rehabilitation
- Sport Specific Screenings
- Sport Specific Injury / Fitness Clinics
- Weight Training
- Physical Therapy
- Diet & Nutrition Counseling

## Workshop to Study Futures, Options

The use of futures and options markets to manage agricultural price risk will be taught September 20-21 during a workshop especially designed for area cotton farmers. The program will be presented by the Texas Agricultural Extension Service at the Texas A&M University Agricultural Research and Extension Center. The center is on FM 1294, just east of I-27 at the Shal-

lowater exit. Training will be from 9 a.m. to 4 p.m. each day. Participants must register by September 14, said Stanley Young, Lubbock County Extension agent. The registration fee is \$20, which covers both participants and spouses. The course consists of approximately 12 hours of training led by Dr. Carl Anderson, Extension Service agricultural economist and cotton marketing specialist from College Station. Material presented will include an introduction to how futures markets operate and how to use them; use of commodity options as price insurance; how to figure your local price from future prices; how to work with a broker; market prospects for cotton; and when to use different pricing strategies. The group will work examples using futures and options to gain

understanding of how to forward price using these markets. "Agricultural prices vary more today than in the past," said Dr. Jackie Smith, Extension Service agricultural economist and management specialist. "Selecting an acceptable price and 'locking in' can reduce price risk and substantially enhance cash flow. For example, cotton prices have varied by more than \$100 a bale during recent marketing seasons. In most years, a profitable price can be established by skillful market analysis and pricing plans. Often, the attractive price level happens far ahead of harvest." Additional information about the workshop may be obtained from Young at 806-741-8084; from Smith at 806-746-6101, or from local county agents of the Extension Service.
