Indigent Assistance Policy Adopted by Garza County Commissioners

by Lonnie Welborn

Indigent care assistance was on the agenda as Garza County Commissioners' Court met in regular session Monday, September 25.

The court reviewed and adopted a manual of services, drafted by Kay E. Mares of Lubbock and based on similar guidelines used by Terry County, for indigent assistance through the Garza County General Assistance Program (G.C.G.A.P.).

The manual outlines the county's policy on emergency aid and lists the general eligibility requirements for assistance with rent, utilities and food for residents of the county who are unable to support themselves.

Applications for assistance will be presented to the secretary of the County Judge and the applicant will be informed at that time, in writing, of the date, time and place of a hearing on the application.

In conjunction with the Garza County General Assistance Program, an Appeal Committee was appointed with the following members: Preston Poole, chairman, Judge E.A. Howard, Jr., John Valdez, Lewis Earl and Lonnie Welborn.

Eight bids ranging from \$500 monthly to \$13,400 yearly for courthouse janitorial service were opened Monday morning and, after a discussion of the bids received and services offered, the commissioners agreed that County Judge E.A. Howard, Jr., would interview the lowest bidders and make his recommendation to the court the first week in October.

Bids received included: Nonnie Bright and Tommie Brewer, \$600 monthly for labor only; Pru Basquez, \$895 monthly, labor only; William Scott, \$950 monthly, labor and supplies; Pablo San Miguel, \$500 monthly, labor only; Greg Williams, \$630 monthly, labor only, and \$835 monthly, supplies and labor; Post Satellite School, \$12,480 yearly, \$1,040 monthly, labor only for one year and \$13,440 yearly, \$1,120 monthly, supplies and labor; Joe Silva, Jr., \$13,200 yearly, \$1,100 monthly, labor only, and \$15,600 yearly, \$1,300 monthly, supplies and labor; and Joe and Shelia Gregory, \$925 monthly, labor only, and \$1,175 monthly, supplies and labor.

Jean Westfall of the Garza County Tax Appraisal office met with the commissioners regarding the appraisal district directors for 1989.

Although Westfall has not received written notification of all the appraisal board nominees, she has received written or verbal notice of the following directors: Giles Dalby for Garza County; Jack Alexander for Garza Memorial Hospital and the City of Post; Jack Lott and Royce Hart for Post ISD Board of Trustees; and V.C. Wheeler for Southland ISD.

Donald Windham met with court, representing Child Protective Services, regarding an eight year old child who has been in three foster homes in four months and is

now with a family outside the county.

Windham said that the funds in the account covering these cases had been able to meet the usual \$11 per day paid to foster homes. However, the child in this case needs the more intensive care that is available in a children's home at a cost of \$50 to \$60 a day.

Windham said the state would eventually reimburse these funds

and asked the county for the money to pay the higher expenses until the amount spent was reimbursed.

The commissioners unanimously approved Windham's request.

Also meeting with the commissioners was Katie Wolf, who advised the court that the annual Garza County 4-H Achievement Banquet would be held Saturday, October 7 in the Post Community

Center.

In other business, improvements to the County Treasurer's office with the addition of cabinets and storage space by Joe Patterson of Southland at a cost of \$1,200 were approved by the commissioners.

Present at Monday's meeting were Judge Howard; Commissioners Herbert Walls, John Valdez, Ted Aten and Sammy Ellis; Voda Gradine; and Sonny Gossett.

Emergency Medical Service Provides County Residents Top Quality Help

Every year, Texas emergency medical services respond to more than a million calls for help, in crises ranging from multiple-casualty incidents to the more common cases of cardiac arrest, motor vehicle accident, near drowning or fractured leg.

Specially trained emergency medical services personnel are able to respond at a moment's notice. Their skills routinely make the difference between life and death.

The Post EMS Association was founded in 1978 for the purpose of providing top quality emergency assistance to the people of Garza County.

Over the past 11 years, the Post Emergency Medical Service has grown and present staff members include Janie Ammons, Ronny Ammons, Melvin Britton, Mike Burch, Jackie Gonzales, Pam Hair, Lynn Herridge, Marie Odom, LaVena Palmer, Betty Posey, Jane Redman, John Redman, Debbie Reiter, Eva Troxell, Becky Warren and Melody Yarbro.

These Emergency Medical Technicians spend a minimum of 120 hours in class, learning how to assess and stabilize a patient's condition before transporting him to an emergency room. Also, each must complete 20 hours of clinical observation and three emergency ambulance runs before being certified as an EMT. Paramedics perform invasive emergency medical procedures such as cardiac defibrillation, airway intubation and intravenous drug administration. They must complete a minimum of an additional 400 hours of training beyond the EMT requirements.

More than 40,000 people in Texas are certified by the Texas Department of Health as Emergency Care Attendants, EMTs and Paramedics. Twelve hundred groups around the state now provide pre-hospital emergency medical care in their communities.

"EMS has come a long way since we started out," said Gene Weatherall, chief of TDH's Bureau of Emergency Management. "The old ambulance law of 1943 required EMS workers to have only an eight hour Red Cross certificate, a first aid kit and a backboard. But since the '70s, people throughout the state have volunteered for training and certification at much higher

levels so that they could provide high quality pre-hospital medical care."

In Texas, nearly half of the people who work in EMS are volunteers. "Emergency medical service in Texas could not exist without

volunteers," Weatherall said. In July, 541 of the 1,194 ambulance firms in Texas were volunteer organizations.

If you are interested in EMS training, contact for more information.

Garza Theatre Presents 'The Rainmaker' Oct 11

As its contribution to Post's third annual Founder's Day Celebration, the Garza Theatre will present its 27th production, one of America's most popular romantic comedies, "The Rainmaker," Wednesday, October 11 through Sunday, October 15.

Starring as "Starbuck" in the N. Richard Nash play will be the Garza's manager-director Will McCrary. Also starring is popular Lubbock radio personality Jane Prince Jones, morning co-host on KLLL.

Other cast members include theatre regulars Troy Timms and Patrick Conner of Lubbock and James Bell and Lino DeLeon of Post. Making his first appearance on the Garza stage will be David Weaver, most recently seen in Lubbock's production of "The Odd Couple."

"The Rainmaker" opened in New York October 28, 1954 and

featured Geraldine Page and Darren McGavin. Movie fans will recall Hollywood's 1958 production starring Burt Lancaster and Katherine Hepburn.

Western Texas theatre-goers will want to make reservations early. Last month's overwhelming demand for tickets led to a complete sell-out of all four performances of "A Shot in the Dark."

Curtain times at the Garza Theatre will be 7:45 p.m. Wednesday, Thursday, Friday and Saturday and 2 p.m. for Sunday's matinee.

Tickets are \$6 for adults and \$3 for children 12 year old or younger. Group rates are available.

Reservations for the production may be obtained by calling the Garza Theatre box office at 495-4005. The box office, located at 223 E. Main, Post, 79356, is conveniently open Monday through Saturday from 10 a.m. to 4 p.m.

City Accepts Resignation of Main Street Manager

The resignation of Melissa Cunningham, Post's Main Street Project manager for the past 33 months, was officially accepted at a meeting of the Post City Council at 12 noon, Monday, September 25.

In an earlier letter to City Manager Bob Turner, Cunningham formally resigned from her duties effective November 7, 1989 and advised Turner that she would be assuming the duties of Main Street Director with the City of Mineral Wells in mid-November.

Cunningham said the opportunity to work in Post had been a wonderful experience and praised the City of Post, the City Council and the Main Street Board and Committees volunteers for their efforts and support.

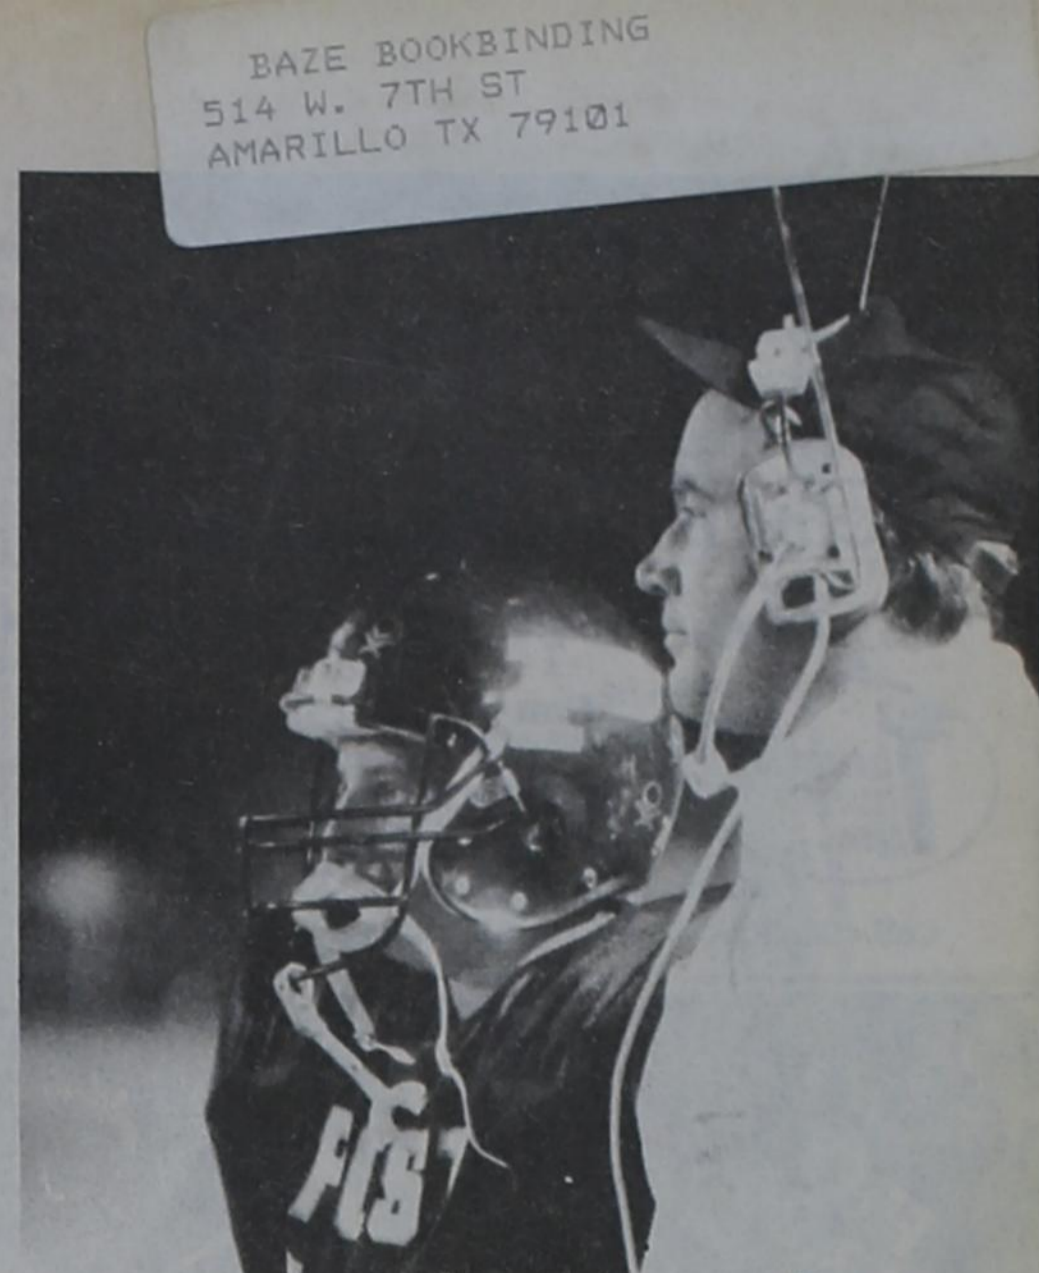

Cunningham also pointed to the Post Main Street Project and its accomplishments as a model program, not only for the state, but nationally.

City Council Approves New Budget, Tax Rate

In a public hearing at 12 noon, Monday, September 25, Post City Council members approved the 1989-1990 budget and an effective tax rate of .3189 per \$100 valuation, an increase of three percent after adjustment for decreased valuation.

A summary of the 1989-1990 City of Post budget lists General Fund: revenue, \$924,631 and expense, \$941,819, a net of -\$17,188; Water and Sewer: revenue, \$325,501 and expense, \$308,313, a net of \$17,188. Total revenue, \$1,250,132 and total expense, \$1,250,132.

Present at Monday's meeting were Jack Alexander, mayor pro tem; council members Irene Fry, Larry Waldrip and Larry Mills; Wanda Wilkerson; and Bob Turner.

STUDYING THE SITUATION - Post Antelope head coach Dewayne Osborne studies the offensive situation with quarterback Rance Sappington during second half action last Friday as the Antelopes were nearing their 12-0 victory over Littlefield. (See details and photos on Page 11).

Free Classes for Adults Begin Monday, October 2

Free adult classes in English, reading, arithmetic, science, government and other courses will be offered each Monday and Wednesday evening from 7 p.m. to 9:30 p.m. in Post Middle School beginning Monday, October 2.

The classes are for adults with less than a high school education and give the adults an opportunity to start their education, improve their educational level, or secure a high school equivalency diploma.

Adults may enroll anytime the classes are in session. For further information, contact Lane Tannehill at 495-2770.

Classes of '39 and '40 Hold Reunion Saturday

The Post High School graduating classes of 1939 and 1940 will hold a combined class reunion Saturday, September 30 in the Post Community Center.

Friends and relatives are invited to the community center from 2 p.m. to 3 p.m. to visit with the graduates.

PAG's Touring Exhibit Featured at WTC Gallery

Post's Algerita Touring Exhibit will be featured in the Western Texas College Fine Arts Gallery from October 1 through October 13.

The show will include 23 pieces in various media, selected from the Post Art Guild's Spring Art Show.

A reception marking the exhibit's opening is planned from 1:30 p.m. to 3 p.m. on Sunday, October 1 and the public is invited to attend.

Gallery hours are 8 a.m. to 5 p.m. Monday through Thursday and 8 a.m. to 4 p.m. Friday. There is no charge for admission.

CCA to Host Regional Meeting of Arts Council

The Caprock Cultural Association of Post will host a regional meeting of the Texas Commission on the Arts Thursday, September 28 from 9 a.m. to 12 noon at the Algerita Art Center.

The purpose of the public hearing and informational meeting is to familiarize the general public with the goals, programs, and services of the Texas Commission on the Arts; to conduct individual consultations with potential applicants for financial assistance; and to conduct site visits of select organizations within the region.

Attending the meeting will be Peter Fox of the TAC; Betty Switzer and Rick Hernandez of the TCA; and representatives from the Statewide Service Organizations, Texas Non-Profit Theatres, Texas Accountants and Lawyers for the Arts, Southwest Alternate Media Project and Texas Association of Museums.

Topics discussed will be support for the arts at the local, state and national levels and other items of interest as they arise at the meeting.

Persons wishing to have individual consultations with the TCA staff should sign up for specific times at the meeting.

Post CARES Needs Donations

Post CARES, located at 222 E. 8th, is in need of donations of all types of food, but is in desperate need of canned meats.

If you would like to help out this worthwhile organization, Post CARES hours are from 1 p.m. to 3 p.m. Monday through Friday and would welcome your donations.

Commodity Distribution

Commodities will be distributed Tuesday, October 17 from 9:30 a.m. to 12 noon and 1 p.m. to 3:30 p.m. at the 4-H Barn on the Lubbock Highway. Unless notice is received of a change, commodity distribution will continue on the third Tuesday of each month.

PAG to Host Chennault One-Man Show Oct 11-14

The Post Art Guild, Inc., in the Algerita Art Center, celebrates Founder's Day and honors one of the area's most popular artists, Robert Chennault, with a one-man show Wednesday, October 11 through Saturday, October 14.

Chennault is a West Texan by birth and has a deep love of the communication with the rural scenes of Texas and the Southwest. His work reveals a beauty and softness whether of the rugged canyons, Texas Hill Country, or a simple still-life.

He has received many awards, and his supporting public has generously endorsed his skills and talent by enhancing their homes and offices with his original works of art and reproductions. His work is exhibited in most major galleries throughout Texas.

Chennault was a commercial artist before turning to the fine arts as a full time career. He is an active member of the Post Art Guild and a great supporter of the arts in Post and Garza County.

The Post Art Guild will host a preview showing and reception honoring the artist Wednesday, October 11 beginning at 5 p.m. Viewing hours for the Founder's Day exhibit are 9 a.m. to 7:30 p.m., October 12, 13 and 14.

The one-man exhibit will in-

clude new works in oils and water media and a selection of limited and open edition prints.

The Algerita Art Center, 131 East Main Street, is housed in the original Algerita Hotel, built by C.W. Post in 1907 and now the permanent home of the Post Art Guild.

Henry Conroe Key

Funeral services for Henry Conroe Key, 81, lifelong Garza County resident and rancher, were

held at 2 p.m. Monday, September 25, 1989 in Justiceburg Baptist Church with Abe Hester, Jr., pastor, officiating.

Burial was in Terrace Cemetery

under the direction of Hudman Funeral Home.

He died Saturday, September 23, 1989 in Lubbock General Hospital.

He was born October 16, 1907 in Garza County and was a Baptist. He was married to Willie Howell, in Post, on May 16, 1929.

Survivors include his wife of Post; a daughter, Eva Lou Page of Post; a sister, Marie Huckabee of Granbury; two grandsons, Joe Key Page of Lubbock and Ronnie Lee Page of Littlefield; and four great-grandchildren.

Pallbearers were Don Liles, Chalmer Davis, Joe Bob Allen, Riley Miller, Billy Blacklock and Billy Roberson.

Honorary pallbearers were Comer Liles, J.E. Birdwell, Bandy Cash, Jack Burrell, Roscoe Kropp, Spence Beavers, Don Robinson and John Haley.

In the Neighborhood...

by Lonnie Welborn

Yes...you can find the City of Post in the current issue of Texas Monthly. The magazine doesn't say a lot about our future as a film capitol and it doesn't say a lot about Founder's Day, but at least our name was spelled right.

In the October issue, Texas Monthly says - and I quote - "Out in Post, the filming of the contemporary western Nuclear Chili - scheduled to star Glenn Ford, Kate Capshaw and Randy Quaid - is big news, but not as big as West Texas' biggest breakfast on October 14. The free meal, which will be served on a table that spans seven blocks of Main Street, features Post Toasties cereal in honor of the town's founder and planner, C.W. Post."

Christmas is Coming

It isn't too early to start making plans for the Post Art Guild's Christmas Arts and Crafts Sale at the Algerita Art Center, November 16 through December 1, especially if you're an artist or craftsman.

There is no booth fee and you don't even have to man a booth, Art Guild members will do that and handle all sales. There will be a 20 percent commission charge.

Each craftsman must provide an itemized list with the prices of each item for use in the office with each piece labeled with a price and identification.

All area artists and craftsmen are invited to bring their wares, and you're invited to make a note on your calendar to do your Christmas shopping early.

New Book in Stores

Judith Steel, who is the wife of former Postite Curtis Steel and the daughter-in-law of Mr. and Mrs. J.C. Steel, has a new historical romance in book stores this month.

Her third novel to be published this year by Zebra Books, "Seduction's Raging Flames," is now on book shelves for your reading pleasure.

Benefit Garage Sale

Judging from all the garage sale ads in the classified section, the weather is going to be great this weekend - and one garage sale in particular you should try to make.

At 213 N. Avenue M a benefit garage sale will be held for Anna Christiana Aguilar, baby grand-

daughter of Mr. and Mrs. Pru Basquez.

Tax Volunteers

Volunteers of all ages are needed to assist the elderly with their income tax through a program co-sponsored by the American Association of Retired Persons (AARP) and the Internal Revenue Service.

Training will be provided and volunteers usually work four hours per week providing free income tax help to older adults.

Locally, the service is provided at the Post Public Library and Marge Barley, 495-2525, will give you all the information you need about volunteering.

Bob Bullock Again

I'm sure you'll be happy to know that lawn care will soon be exempt from state sales tax...if the work is done by someone at least 65 years old whose taxable receipts are under \$5,000 a year.

That's what State Comptroller Bob Bullock reports in another news release promising that over 15,000 Texas taxpayers will pay less state sales tax when new exemptions take effect.

"These exemptions will give a

tax break to groups ranging from senior citizens doing yard work to people sightseeing in Texas," Bullock said.

But he doesn't take all the credit for these terrific tax savings to Texans. He does recognize the Legislature for passing the exemptions which take effect October 1. But somehow I connect them with Bob - after all, he's the one who told me about them.

You might also be interested to know that as of October 1, the Comptroller's office will not collect sales tax on computer program repair, maintenance and restoration as long as the work is done by someone who didn't sell or create the program.

Also, candy, gum and trinkets from vending machines will be tax exempt when the price is 25 cents or less. Sorry, but tax is still due on beverages.

And finally, people won't owe sales tax on admission fees, tour fees or any other entertainment charges when they're visiting a Recorded Texas Historic Landmark or a site in Texas that's included in the National Register of Historic Places.

Bullock said that none of these exemptions will have a significant effect on the state's budget.

I could've told him that.

A member of the Post Antelope Booster Club will draw the winning name.

**Womans's Culture Club
Hosts District Officers**

by Katharine Cathcart
The Woman's Culture Club 1989-1990 club year opened with a luncheon Wednesday, September 13 at 1 p.m. at Jackson's Restaurant.

Special guests were Dora Alderson of Lubbock, GFWC, TFWC Caprock District president, and Tena Wicker of Littlefield, Caprock District president-elect.

Womans's Culture Club president, Maxine Earl, made introductions and welcomed guests and club members. The invocation was given by Katharine Cathcart.

Tena Wicker spoke on "Orientation for Club Membership." She asked the club president, "What do we need to know about the General Federation of Women's Clubs? We need to reflect on our motivation, look for something that needs doing and volunteer to do it."

Mrs. Wicker told the club members to recognize their talents, develop them and apply them.

Mrs. Alderson reminded the club to keep a record of volunteer time, a much needed aid in making annual reports.

Guests enjoying the luncheon were Mrs. Alderson, Mrs. Wicker and Gail Burnett; members attending were Lillian Potts, Doll Haire, Donna Craig, Buena Bouchier, Joyce Strubhart, Jan Crawford, Isabell Stelzer, Maxine Earl and Katharine Cathcart.

The next meeting will be Wednesday, September 27 at 2 p.m. in the home of Iva Hudman, with Buena Bouchier as co-hostess.

Have you ever seen a miracle?

Can Miracles Happen Today?

Can people be healed in prayer by the Name of Jesus?

You will be able to answer all these questions, if you will accept our personal invitation to you!

We warmly invite you to come hear and see Evangelist Lucy Rael share God's Word boldly and simply, with enthusiasm that captures the heart of the hearer.

We are honored to have such a wonderful ministry that reaches out to foreign countries as well as the U.S.A.

Sito and Lucy Rael's ministry is unique in the following ways:

- **TO GOD BE THE GLORY** - They always glorify God, not self, and lift up the Name of Jesus Christ. Their ministry points you upward!
- **SIGNS AND WONDERS** - In many services, The amazing signs of Christ's Crucifixion appear on her body. For example, blood will begin to appear on her hands representing an undeniable reminder that God's only begotten Son allowed himself to be nailed to an old rugged cross in order to pay the atonement price for the sin of humanity, by shedding his own blood. This sign points the way to salvation to the lost, and demonstrates the reality of the Love of Jesus Christ!
- **MIRACLES** - The Bible says, "JESUS CHRIST, the same yesterday, and today, and forever," in Hebrews 13:8. Wonderful miracles of healing occur (blind eyes opened, deaf ears opened, cancers healed, wheelchair victims walking) in her ministry because Jesus still works miracles to day through his believers (St. John 14:12-14).
- **SPIRITUAL GIFTS IN OPERATION** - The Holy Spirit will tell Lucy names to call out. After calling out the name, the Spirit of God, through Lucy, will begin to minister personally to that individual to comfort, encourage, and help.

PRAYER FOR THE SICK WILL BRING HEALING!

Please make every effort to be here. This ministry will touch your heart with God's love and God's miracle working power. It is from God, because God brings fruit of people receiving Jesus Christ, the Baptism of the Holy Spirit, and confirming the word with signs following (Mark 16: 17-20). If you are sick or if you know someone who is sick, please bring yourself and others to these services.

'Lopes Command Respect with 12-0 Win

by Wes Burnett

The 1989 Post Antelope football team accomplished a feat last Friday night not matched since 1982, when they defeated the visiting Littlefield Wildcats 12-0 in a contest highlighted by outstanding defensive action.

From the opening kickoff the Post defensive unit stood its ground, and only once during the game did the visitors put together a scoring threat, and that came late in the game as the 'Lope defense pushed the Wildcats back from the six yard line to the 19, forcing a fourth down turnover with 1:57 left in the game.

Antelope scoring came late in the first period on a sustained drive and late in the third period, both efforts highlighted by dramatic first down conversions.

The game opened with Littlefield getting the kickoff and quarterback Chad Merrifield led the Wildcats on a nine play drive, picking up two first downs before the Post defense found the key and locked the door, forcing a punt.

Wildcat tailback Michael Willard provided most of the Wildcat punch, but it was a united Antelope defensive effort that set up the punt as line-backer Victor Chapa stopped Willard

on third down at the 44 for no gain.

The Antelopes picked up a first down on a dazzling run by Lannie Lee from the Post 12 to the Littlefield 38 yard line, then on the snap the football fell to the ground and the Wildcats took over possession at their own 37 with 6:04 left in the first quarter.

Setting the tone for the evening, the Post defense smothered Willard and wingback Michael Smith as Chapa, Trey Jones and Bill Rankin combined to put the Wildcats in the hole and on fourth down Darren Brown took the punt at the Post 25 and broke a tackle, pushing to his own 42 and with 4:26 showing in the first period the Antelope offense went to work.

First Touchdown Drive

On first down Lee went over right tackle for no gain, a flair pass to Lee from quarterback Rance Sappington lost a yard to the 41 and then on a crucial third down play Sappington faked a handoff inside and dropped back, threw a perfect strike across the middle to Floyd Slay who rambled to the Littlefield 34 yard line for the first down.

Sappington pulled the keeper around right end to the 18 for another first down, then Lee pounded over left guard to the nine and on second down

roared over right tackle to the eight for another first down. Slay took the ball over right tackle to the five and on second down Lee went around his left end into the end zone on a pitchout from Sappington for the touchdown.

Going for six extra point kicks in a row, Junior Gonzales' try went sailing to the left of the cross bars and the 'Lopes led 6-0 with 25 seconds left in the first quarter.

Littlefield put together a sustained drive going into the second quarter, running off 13 plays and penetrating to the 'Lope 21 yard line before the Post defense rose up to the occasion.

With a first down at the 23, the Wildcats ran tailback Larry Don Campbell over left guard, and Chapa hit him at the 21. On second down Willard was trapped for no gain by Rankin and Jimmy Holleman and on third down Merrifield was scrambling under pressure from Benji Vargas and slipped to the ground at the 26. The Wildcats called time out with 5:46 left in the half, coming back to the huddle the tension mounted in the stands and on the field.

Merrifield dropped back to pass and threw the football high over the head of Trevor Blair, who was covered by three Post secondary defend-

ers.

The home team offense took over on downs with 5:40 on the first half clock and ran off a 10 play drive, getting to the Littlefield 40 before running out of downs. The drive was aided by a third down late hit penalty against the Wildcats.

With 1:18 remaining in the first half, the Wildcats worked the clock but were stung by Roger Adams as he intercepted a pass intended for Trevor Blair at the Post 25 yard line. Adams returned the ball to the 34 and the offense ran out the clock to end the first half.

Second Half Action

Post took the second half kickoff, and unable to get a first down, Rankin bucked up to punt on fourth down, jumped high in the air for snap, got the ball off, but it was blocked by Littlefield and the Wildcats took over at the Antelope 38 yard line.

This would be a real test for the defense, and they were ready.

Willard was thrown for a loss to the 39, a pass to Smith was dropped, Rankin slammed Willard to the ground at the 37 on third down and Littlefield punted to Brown, who called for a fair catch at the Post eight yard line.

With 8:05 left in the third period, the Antelopes began their march

toward the end zone on a 14 play drive, eating up more than seven minutes.

The drive opened with an incomplete pass to Slay, a strong effort by Slay over left guard to the 16 and then a crucial third down effort by Brown over left tackle to the 24, keeping the drive alive.

Brown then got the call over right tackle to the 26, Post was penalized for delay of the game to the 21 and on second down a pitchout to Brown fell to the ground and Trey Jones pounced on the ball for 'Lopes at the 18.

The situation looked grim for the offense as Sappington rolled to his right, scrambled loose from two would-be tacklers, then threw the ball on the run to Rankin, who caught the ball at the 28, turned and saw the first down marker, and plowed his way to the 36 for another important first down.

Post got another delay of game penalty, putting the ball back to the 31 and on first down Slay went over right guard to the 36, Brown got nowhere on second down but on third down the nifty tailback got a chance to show his moves as he caught a pass from Sappington at the 40 and managed to squirm his way to the 49, setting up another first down.

Slay went over right guard to the Littlefield 46, Sappington pulled a keeper over right tackle to the 24 for another first down and then a pass went too high for Brown and on second down the 'Lopes called time out with 1:21 left in the second quarter.

Slay got the call over left tackle to the 21 and on third down Sappington ran the option around left end, broke across the line of scrimmage, broke one tackle and out raced the secondary to the left end zone corner for the touchdown.

J.V. Unable to Get Untracked in Loss

"We did not play well in the first half," coach Fred Postell observed last Thursday's junior varsity football team's 46-18 drubbing at Littlefield.

"They scored on big plays and really never had to go very far for their touchdowns," the coach added.

The Post j.v. outgained the Wildcats 343 yards to 219, but the score was 40-6 at halftime.

"We played a great deal better the second half," Postell continued, "this game was no indication of the way our youngsters can play, we are open this week, Cooper will not play a junior varsity against us."

Brandon Bird led the rushing with 146 yards on 17 carries with one touchdown on an 85 yard run.

Hiram Gutierrez collected 45 yards on 13 carries and one touchdown, Shannon Scott got 20 yards on three tries and one touchdown and David Dean was credited with 20 yards on three tries.

Quarterback Mike Radle threw two of 13 passes for 53 yards, Matt McCook connected one of two for 55 yards with Dean leading receivers with one catch for 55 yards, Danny Leach got one for 40 and Michael Harper caught one for 13.

Freshmen Top Littlefield 26-6

The Post freshman football team manhandled Littlefield 26-6 there last Thursday, racking up 215 yards offense and limiting the Wildcats to 96 total yards.

"Our players just beat Littlefield in every area," coach Bart McMeans commented, "they scored first, and then that was it. We really did show a lot of maturity."

The coach praised the offensive line for its performance as well as the defense.

After Littlefield drove 50 yards for a score, Damon Curtis returned the kickoff 85 yards to tie the score and then he scored the two point conversion.

The next touchdown came when Anthony Cruise went off tackle for the final 25 yards, the two-pointer attempt failed.

Cruise scored again from two yards out following a 12 play, 65 yard drive.

The young 'Lopes scored the final time in the fourth quarter when Curtis went 30 yards on a sweep.

"Our backs ran well, but our offensive line just dominated the line of scrimmage," McMeans emphasized.

The team travels to Cooper tomorrow for a 5 p.m. kickoff.

With 34 seconds left in the third period, the 'Lopes went out front for good 12-0. The two point conversion pass attempt went incomplete.

The Defense Takes Control

Four downs and punt followed the kickoff, as the Antelope defense gave no slack to the visitors. Jay Whitehead, Bobby Curtis and Victor Chapa led the 'Lope charge forcing a fourth down punt.

The offense put together a four play effort, turning the ball over on downs at their own 49 with 7:35 left in the game.

The Wildcats then put on a strong push to the end zone, testing the Antelope defense one more time.

With first down at the nine yard line, Willard went over left guard to the six, then he plunged over right guard to the four, Littlefield was penalized on third down for offside, putting the ball back to the nine. On third down Merrifield's pass attempt was batted into the air by Chapa, and the Wildcats were penalized for holding, the 'Lopes took the penalty, setting ball back to the 19 yard line.

Third down again and Kelly Crispin ran over the pass protection, slamming Merrifield to the ground at the 24 yard line for another loss.

On fourth down a desperation pass to Joel Rodgers fell incomplete as Whitehead had the receiver well covered and 'Lopes took over on downs from there with 1:57 left in the game.

Rankin made a diving catch at the 44 for a first down and four plays later, with 44 seconds left on the clock, the 'Lope defense came back to the field to put the finishing touches on the Wildcats.

Fittingly, the final play of the game was a grand slam sack by Chapa as Merrifield faded to his right at the Post 47 yard line.

The Antelopes open district competition this Friday when the Cooper Pirates come to Antelope Stadium for a 7:30 p.m. kickoff.

**Mayor
Giles McCrary**

Beginning in 1978, through the leadership and determination of a group of dedicated folks, guided by Mayor Giles McCrary, the Post EMS Association was founded with the purpose of providing top quality emergency assistance to the people of Garza County. Over the past 11 years, volunteers of the organization have given both of themselves and their money to see that when people here need help, someone is there to respond. Members of the Post EMS Association are all volunteers, they pay their own money for the basic training, advanced training and paramedic training. They are on call to respond, at work and at home. The basic EMT course costs volunteers \$200 and requires 112 hours of training. Special skills training costs an additional \$400 and includes 50 hours of ambulance training and a total of 112 hours of specialized training. The paramedic course is 220 hours of intensive training and requires an investment of \$900 from volunteer EMTs. We are indeed fortunate to have these dedicated folks willing to give of themselves to respond during times of emergencies. We offer our appreciation and special thanks to them for their contributions during this observance of EMS Week in Post!
